Me: Also we met six of your fellow Kamen Riders. We met Hibiki, Kabuto, Den-O, Kiva, OOO and Gaim so far and now you guys.

Tsukasa: Wow. That is amazing.

But then…

KRABBBBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

Daiki Kaito: (hears explosion) Looks like we'll have to demonstrate to you in battle.

Me: Yeah! Lets go!

We went to the park and we saw ABYSSHAMMER AND ABYSSLASHER!

Me: Abysshammer and Abysslasher!

Jayden: Go Go Samurai!

Tsukasa: Henshin!

Kamen Ride!

He turned into DECADE!

Jayden: FIRE! RED SAMURAI RANGER READY!

Me: 10 years of Riders!

Abysshammer: Well we have new targets!

Me: Soon to be dead targets!

Eli: Come and try it!

Me: 6 words for you dirtbags: Bite my shiny fucking metal ass!

Abysslasher: I'LL KILL YOU!

Tsukasa: (takes out Rider Card of Kamen Rider 1) It's only fair that this is the first form I turn into.

Daiki Kaito: (takes out Rider Card of Kamen Rider Punchhopper) Don't start without me.

Kamen Ride: 1

Kamen Ride: Punchhopper!

He was ready!

Me: YEAH!

Nico: Time to kick some monster ass! (GOES SUPER SAIYAN 2)

Eli: Same here! (GOES SUPER HUMAN 3)

We were ready!

Daiki charged alongside the clone of Kamen Rider Punchhopper at Abysslasher.

They slashed and pulverized Abysslasher all over!

Megan Kiraton: Now for me. Watch this!

DRIVE ON!

She put on a Purple Magic Ring!

SHABADOOBIE TOUCH TO TRANSFORM!

Megan Kiraton: HENSHIN!

STARS! PLEASE!

STARS STARS, STARS STAR STARS!

A purple circle covered her and she was in a new KAMEN RIDER WIZARD FORM! And her purple butterfly wings were ready too!

Nico: Is that!?

Me: NO WAY!

Eli: Megan's a Wizard too!? That is so awesome!

Zarya: Yeah it is!

Abysshammer: Bad move, Decade! The first Kamen Rider is weak compared to the Heisei ones!

Tsukasa: No Kamen Rider is weak, Abysshammer.

Megan slashed and blasted Abysshammer with stars and a sword made of energy and blasted him all over.

Megan Kiraton: Now for this one.

She sprinkled Abysshammer with her poison dust and then he was exploding all over the place and then She slashed him in half and killed him instantly in a fiery explosion!

KRABBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

Nico: YEAH!

Eli: That was cool!

Abysslasher: Who do you think you are?!

Tsukasa: I'm just a passing through Kamen Rider. Remember that!

Nico: I remember Voltaire saying that same thing when we fought him yesterday.

Me: And just like him we're going to kill you Abysslasher!

Eli: Yeah! Bro you can finish him this time.

Me: With please bro.

I unsheathed my sword.

Me: Our friendship will take on the universe!

Abysslasher: What!?

Me: (Realizes what I just said) What the!? Where the hell did that come from!?

Nico: Now you are having unintentional catchphrase sayings!?

Me: I guess so. (CUPS HANDS) KAAA MEE HAA MEE HAAAAAA!

I fired a Kamehameha Wave and it hit Abysslasher and he exploded.

KRABBBBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

He was dead and destroyed!

We regrouped!

Megan Kiraton: That was so awesome!

Megan Reverted back.

Eli: You were awesome as a Wizard Kamen Rider.

Megan Kiraton: Thanks.

Tsukasa: How about I take a picture of all of us to celerbate this victory?

Nico: Oh yeah. That's right. You're a photographer too.

Me: That's a great idea.

I formed a shadow clone.

Me: Mind if my clone takes the picture?

Tsukasa: Sure.

He went and took the camera.

Me 2: Smile and say Kamen Rider Decade!

All: KAMEN RIDER DECADE!

SNAP!

He took the photo and it was cool.

Nico: When you have clones you don't have to worry about asking someone to do it.

Later we came back.

May: Hey guys how did it go?

Nico: Really awesome!

We told everyone everything and it was really awesome.

May: Wow! That is awesome!

Laney: It sure is!

Eli: Yeah it sure was cool.

May: Next time, Randy Cunningham should go with you.

Randy Cunningham: Awww yeah!

Nico: So awesome.

Me: Yeah!

Luan: Guys I have an awesome idea with who we can join the team?

Me: Who Luan?

Luan: You'll like her. She is a penpal of mine from Toronto, Canada.

---

We arrived in Toronto.

Nico: So what is this Penpal of yours like?

Luan: You'll love her Nico. She is awesome. But she has a really unusual and very awesomely cute secret.

Me: We'll have to see what it is.

We arrived at her apartment and out came a girl with red hair and glasses and she had pink clothes.

Sissi Delmas: Hi. You must be Luan's penpal.

Mei: I sure am. I'm Mei Lee and it's an awesome honor to meet you all.

Me: Same to you Mei.

Luan: Hey Mei.

Mei: Luan! It's awesome to see you! Uh oh.

But then…

POOF!

She had a huge cloud of smoke come out of her and then standing in Mei's place was an awesome and so cute RED PANDA!

Me: Whoa!

Laney: She can turn into a Red Panda!?

Luan: That's the cute secret.

May, Maria, Fluttershy, Carol and Lori squealed and hugged Mei in cuteness!

May: SHE IS SO CUTE!

Gaz: You're a Gene Slammer, aren't you?

Mei: No I'm not. My family was given this power of transformation into Red Pandas as a way to protect their daughters.

Nico: Wow! So it's a mystical connection with them. That is awesome.

Jane Mothra: That is really cool. We got our Gene-Slammer powers through artificial means.

Me: This is more mystical. That is really awesome and cool. All your friends and some of us like it too.

Laney: Red Pandas are so cute. They look like raccoons but red.

Fluttershy: Oh Mei you look so adorable as this.

Mei: (Laughs) Thanks Fluttershy.

Nico: I love Red Pandas. They are so cute too.

May: They sure are.

Mei: Everyone thought I was a monster at first.

Motormaster: You're not a monster, Mei. If anything, you're a cat version of Clifford the Big Red Dog.

We laughed.

Nico: That is a good way to put it Motormaster.

Motormaster: Thanks boss.

Me: Besides, Red Pandas are really cute and awesome.

Sly Cooper: I agree there and you look awesome as my cousin the Red Panda.

Mei: Thanks Sly. I'll have my friends join the team too if that's okay.

Nico: Sure.

Rodimus Prime: You're not the only one with a monstrous hero form. Sydney, Nanette, Qin, Sheila, Georgina, Kendra, Rice, and Maxxine are the first Underground humans we've met that can turn into monsters.

Maxxine: (sadly) And yet, I'm the only one who hasn't had an ambassador mission, a boyfriend, or a new transformation.

Me: You'll find someone Maxxine. Besides your Ambassador Missions will be coming up soon in the next couple of weeks.

Maxxine: That's true.

Laney: Yeah and there is plenty of fish in the sea for you.

Lana: We just got to find someone that's perfect for you.

Lola: You can always have Nico too.

Maxxine: Really?

Me: Yeah. Me, Nico, Clyde, Lincoln and Naruto are always available on the market.

Maxxine: That's true.

The mascots were groaning as they woke up.

Reflector: Poromon! What happened to you, Poliwag, Manaphy, and Horsea?! Where are some of our stuff?! (growls) And who the Hell knocked you out?

Poromon: Huh? We just woke up from our sleep,

Me: It's 1:00 in the afternoon now.

Poromon: Whoa we really slept in!

Manaphy: Wait a minute! Where's our alarm clock!?

Me: It just vanished!

Squidward: [screams] She's gone! My clarinet is missing!

We went to Squidward's room and saw that it was gone too!

SpongeBob: Hmm, strange indeed…

[Cuts to Patrick's room]

Patrick: [screams] My cuff links! They're missing! Oh, why? Why?!

[sobbing]

Me: You're cufflinks too!?

Nico: It's an epidemic!

Me: I hope Mr. Lynn is all right. We better head over to the restaurant to be sure.

Nico: Good idea. Lets get ready.

Then Wolf, Scorcher, Firepower, Evil Star, Key, Overdrive, Villamax, Toyman, Weather Wizard, and Beetle appeared.

Wolf: Can me, Scorcher, Firepower, Evil Star, Key, Overdrive, Villamax, Toyman, Weather Wizard, and Beetle go with you guys?

Nico: Yes you can. Did you lose anything too?

Evil Star: No we didn't.

Me: This is too weird. It's like some of our things just vanished.

Toyman: Yeah.

Weather Wizard: What could have caused this?

Beetle: Yeah.

Icepick: Nico, which Gene Slammer do you think you'll meet on your next rescue?

Nico: I'm hoping to do one that's for an Evolved Vulpimancer next.

Me: One that's for Ultimate Wildmutt's kind. I like it.

Eli: So it'll be someone that can see in Infrared Vision or has a really awesome sense of smell next.

Nico: Yeah.

Me: This is gonna be interesting.

Nico: We better get over to the restaurant pronto.

---

We were walking to the restaurant.

Evil Star: Seriously, Poromon. Nothing knocked you guys out?

Poromon: No nothing did. If they did we would have nasty pains on our heads.

Poliwag: And we don't feel anything.

Manaphy: Yeah we just overslept.

Evil Star: Good.

We arrived and saw that the restaurant looked okay.

We walked around and we couldn't find Lynn Sr. We then went into the kitchen and saw Kotaro.

Me: Oh Hey Kotaro.

Nico: What's up?

Kotaro: Not much. Just working hard. Hey where's Lynn?

Me: We don't know. We can't find him.

Nico: We were about to ask you the same thing.

Kotaro: I don't know. When I went to report in this morning, he was gone.

Me: He's gone?

Lincoln: Dad is missing?

Squidward: I'm missing my clarinet.

SpongeBob:… and the Mascots alarm clock.

Lori: That's not all. My cell phone is literally gone.

Leni: Same with our threads.

Luna: And my axe.

Lynn: All my balls are gone too.

Lucy: So is my poetry books.

Laney: And my mystery novels.

Patrick: Has anyone seen my cuff links?!

Me: This is too weird.

Charles: [laughing] So, you lost your cuff links, eh?

We saw a sailor.

Me: Not just Patrick's Cuff links but many of our things.

Charles: They're probably in the Bermuda Triangle.

Me: The Bermuda Triangle!? That place has been a big mystery to all of us for eons. So many ships, boats and planes from over the centuries just vanished without a trace.

Charles: That's right. First, an eerie fog rolls in, [makes noises with his tongue] then, you can hear the hypnotic song of the mermaids. [makes the noise again] And then, poof, your cuff links are gone. Never to return… [he leaves and laughs]

Skullgrin: We have to get Mr. Lynn and our stolen stuff back!

Kotaro: That's not all. Flip is gone too. We looked all over.

SpongeBob: The triangle must've taken them! We gotta find them!

Laney: Why? Flip being gone is a good thing. He can stay there for all I care.

Me: Laney I don't like him more than anyone else does but we still have to save him and your dad.

Nico: Yeah.

We went outside. But then…

[An eerie fog appears and the mermaids begin singing]

Squidward: Oh, no, is that a mermaid song?

SpongeBob: No, just a thick eerie fog.

Me: Wait I hear it.

Nico: Me too. This is so strange.

[A spotlight appears on all of us]

Squidward: Uh-oh!

[We all scream and get pulled into the Bermuda Triangle]

We were in a huge place full of stuff!

Me: Jeez! What a ride!

SpongeBob: Squidward.

[Squidward shows up in a gumball machine]

SpongeBob: Come on, Squidward, quit messing around. We've gotta find Lynn Sr… [sees gumballs] Hey, gumballs! [chews one and blows a bubble]

Then something opened and we were in a huge place. It was an island in another world.

Me: WOW!

The sky was yellow and ominous and the island was covered in tons and tons of stuff.

Squidward: This is the Bermuda Triangle? Looks more like a dump.

Me: Wow! Look at this place!

Nico: So the Bermuda Triangle is actually a doorway to another dimension!

Eli: This is really weird!

Scorcher: Many people have wondered about the Mystery of the Bermuda Triangle.

Me: No kidding. Its been a massive mystery that has eluded us for eons.

Eli: Yeah. It's amazing all this is here.

Laney: Not just all this. Look there.

We looked and we saw NUMEROUS ships, planes, boats and more.

Me: Those are all the ships, boats and planes that vanished over the eons!

Nico: Wow! Lets go check them out. After we find Lynn Sr. and Flip.

Eli: I think that's them.

We saw them getting a massage.

Me: Thank goodness you guys are safe!

Lynn Sr.: Guys!? How did you all get here?

Me: We were about to ask you the same thing.

Flip: Who cares? Good hands he has here.

Me: Wait a second. Tibor? I didn't expect you to be here too.

Tibor: (Russian Accent) I was in the wrong place at the wrong time when I wound up here.

Lynn Sr.: Ohh, okay, Tibor, I think I'm good.

Tibor: Remember to drink plenty of fluids.

Lynn Sr.: Look, guys, you see all this stuff, including you all and me, are brought here when the mermaids sing their beautiful song. The mermaids' song triggers this here contraption, to suck the sky like a vacuum.

Me: Wow! So the mermaids are like an on switch for that!

Nico: That is awesome.

Lily: This is very familiar to me.

Flip: Yes. Dumpin' all the contents here on this island. That is how we ended up surrounded by all this valuable and resellable stuff!

SLAP!

Me: Drop it cheapskate!

I made him drop the stuff.

Fangry: Flip, let's just cooperate with each other to get out of here. And then, it'll be business as usual.

Flip: And why would I cooperate with you guys!?

I grabbed him by his shirt!

Me: You listen to me you mutant! Lincoln's guardian angels here want nothing more than to rip your ugly mutated body to pieces and splatter your guts all over the place for everything you have done because of your insatiable greed! So if you know what's good for you you better work with us or else they will make sure that happens. YOU GOT IT!

Flip: Okay okay okay okay!

Me: Good. And just for good measures they will be watching you like a hawk to make sure you don't try anything funny.

Lily: Yeah! We don't want a repeat of what happened when

Squidward thought he could kill me by blowing me up with a bomb he put on my back!

Everyone that hadn't heard about that gasped in shock!

Camie: Squidward put a bomb on your back Lily!?

Varie: Yeah he sure did.

Lily showed a nasty burn scar on her back from the explosion.

Nico: I remember that! That was awful!

Eli: Ouch!

Sirius: Yikes Lily that must've hurt!

Squidward: I am absolutely disgusted with myself that I did that!

Flip: Oh, you mean like this? (Puts bomb on Squidward's back)

Firepower: Flip, you son of a bitch!

I pulled the bomb off and threw it far and it exploded!

KRABBBBBBBOOOOOOOOOOOOOOOOOOOMMMMMMMM!

Me: Nice try you mutant!

Lincoln: Get him girls!

The Guardian Angels of Lincoln jumped him and smashed him to pulp and brutally mangled him up!

We were wincing and more! OUCH!

Laney: Lets leave him here for dead!

Bomb Burst: You okay, Squidward?

Squidward: I'll be all right. But thanks J.D. You saved my life.

Me: No problem. But after what Flip did just now, we're going to make sure he pays for it big time.

Nico: I say we stab him in the heart and then rip his testacles off and feed them to him.

Eli: Yeah.

Overdrive: Ignoring the cheapskate, maybe I can control one of the vehicles here with my powers.

Nico: Go for it.

He used a car for it.

Lynn Sr.: In all honesty I don't know what I was thinking befriending this guy.

Nico: Lets go find the mermaids.

Suddenly, Lincoln's deep sapphire blue eyes and the rainbow colored iris of Lincoln's Third Eye glowed even more, as he sensed a dark energy signal with his eyes and the Force, and he saw who the figure is in the vision: the dark energy signal Lincoln sensed belonged to Red, the Fallen Dragon Elder, and he's here to get revenge on Spyro for ruining his plans to take over the realms. When we saw it, we knew it meant trouble.

Nico: Uh oh, I know those glowing eyes from anywhere. Lincoln, is there someone else coming after us?

Lincoln: Afraid so, Nico, and Spyro, you, Cynder, Masters Ignitus, Terrador, Volteer, and Cyril, and the other Dragons of the Skylands are not going to like it: the dark energy signal I sensed belongs to Red, the Fallen Dragon Elder, and he's here to get revenge on you for ruining his plans to take over the realms.

Spyro, Cynder, Ignitus, Terrador, Volteer, and Cyril, and the other Dragons of the Skylands gasped in shock.

Spyro: That traitorous, powerhungry, cowardly dragon?! I thought I'd never have to deal with him again.

Cynder: I remember hearing the tales about Red, I never thought he'd return yet again for revenge.

Ignitus: What Red tried to do long ago can never be forgiven, he needs to be stopped once and for all.

Jhuidah the Island Faerie: And that's exactly what Lincoln and I are going to do to that traitorous dragon.

Crash Bandicoot: And I don't know if all of you know this, but Spyro told me that Red had Gnasty Gnorc and his minions gather the Dark Gems to fuel Red's power long ago.

Lincoln: Yeah, he did tell us, Crash. But, Spyro destroyed all of the Dark Gems long ago, and Red lost big time to Spyro.

Spyro: But, just like Gnasty Gnorc, Red refused to quit, this time, I'm through with seeing his face again.

Crash Bandicoot: That's right. Hey, Lincoln, do you think I can also join you and Lady Jhuidah as well, along with the dragons?

Lincoln: Sure, Crash.

Jhuidah the Island Faerie: That's perfect, so this'll be in case of any villains from Spyro's past or from Crash's past. And you don't have to be so formal, Crash.

Fluttershy: He's been formal to me, especially since I'm known as the Alicorn Princess of Kindness and The Life Skylanders.

Twilight Sparkle: Along with the rest of us, Fluttershy, since Crash Bandicoot has the powers of the ten Elemental Skylanders.

Lori: Yeah, I literally remembered that he formally called you by your formal titles when we travelled through the ten elemental Sensei Realms in the Skylands.

Suddenly, we saw the 6'10" massive, wide, double-edged indestructible crimson red blade of Crash Bandicoot's massive Skylands' Elemental Wolf Sword of Elemental Bravery and Justice grow to 7'0" in length.

Lincoln: Whoa.

Crash Bandicoot: Okay, now this is really awesome. Prepare yourself, Red. (Emerald green eyes turn neon emerald green) Your days of trying to conquer the realms are over, and I hope you're ready to die.

Me: Whoa.

Nico: Yikes. Even though he's from a different world, Crash has been friends with Spyro for many years, and they've developed a deep unbreakable bond of brotherhood.

Me: That's how we've developed those kinds of bonds with all those we've met throughout our travels.

Nico: Yeah. Lets go.

We went and looked for the mermaids. We went to a hill. And we saw them.

[Shows five mermaids sitting on top of a hill]

Mermaid #1: I love this mirror, girls, but it is sooo ten minutes ago.

Mermaid #2: Like, I couldn't agree with you more.

Mermaid #3: Yeah, like, all this stuff is old news.

Mermaid Leader: Shall we ladies?

All mermaids: [throats clearing. they all begin singing]

Me: Um excuse us?

Mermaid #4: Hello there handsome.

Mermaid Leader: Umm, can I help you?

Me: Hello ladies. Sorry to bother you like this but we are Team Loud Phoenix Storm.

Nico: Can you tell us how we can get out of here?

Mermaid Leader: Like, this is the Bermuda Triangle. Nothing ever leaves. Duh.

SpongeBob: Uhh, are you sure?

Mermaid Leader: Look, little freakazoid, we only know one thing, and that's how to surround ourself with cool new stuff whenever we feel like it, anything beyond that is T.N.O.P.

Eli: T.N.O.P.?

Lily: Totally Not Our Problem.

Mermaid Leader: You're catching on.

Me: Lily has had experiences with this before.

Slog: How about we give you something in exchange for us leaving?

Me: If I may ask ladies how come you want all this stuff here?

Mermaid Leader: We want to be surrounded by all sorts of beautiful things.

Mermaid #2: Like yeah.

Me: Hmm. I think I know what you want to do.

Leni: Would you girls like totes want to go to the mall?

Mermaid Leader: Like, what's a mall?

Leni: Wait, what? You seriously don't know what a mall is?

Mermaid Leader: I am seriously serious.

Leni: Well, the mall is, like, only the most awesome place to get all the best, super-coolest, glittershly fabulous new stuff you want!

Mermaid Leader: Really?

Mermaid #3: No way!

Mermaids #1, #2, and #4: We want to go to the mall!

Key: I suggest you reconsider keeping us here.

Maria: (takes out aqua blade) We really don't want to hurt you.

Nico: Guys stand down. Leni gave them a great idea.

Maria: Sorry.

Lynn Sr.: Now, how do you propose we do that, huh? Wait, I know we just hit the magic reverse button on the giant vacuum cleaner.

SpongeBob: That's it, Mr. Loud! It's the mermaids!

Lynn Sr.: It sure is- what?

SpongeBob: The reverse switch is the mermaids! They just need to sing their song backwards.

Mermaid Leader: Yeah! Backwards!

Me: That's right because every vacuum has an on and off switch as well as a suck and blow switch.

Squidward: That's true.

Mermaid Leader: But before we do so we found some crazy weird creatures.

Me: What do you mean?

Lincoln: (angrily) Great! We're fucking stuck here with a cheapskate in the Bermuda Triangle.

Mermaid Leader: You need to take a chill pill.

Solar Man: If I had a quarter for every time we said that to J.D., Girl Jordan, or any of the Louds.

Nico: Guys calm down. We already found out the answer.

Lincoln: Oh sorry.

Nico: What did these creatures look like?

Mermaid Leader: Well they were strange glowing metal squid creatures.

Ben Tennyson: The Cyber Squids are here!?

Me: What are the Cyber Squids?

Ben Tennyson: Well you would not like these creatures.

He told us about how he, Gwen and Max encountered them in an underwater resort that famous eccentric billionaire Donovan GrandSmith built.

---

At an unknown point in time, a ship carrying Cyber Squids crash landed into the Bermuda Triangle and were subsequently responsible for the area's infamous reputation for missing planes and ships.

Eccentric billionaire hotelier Donovan GrandSmith tried to build an under water hotel in the Triangle using underwater volcanic vents. When that failed, he explored the wrecked ships of the Bermuda and stumbled across the Cyber Squids' energy core.

In They Lurk Below, Donovan, alongside his grandson Eddie GrandSmith, invited his old friend Max Tennyson and his grand kids Ben Tennyson and Gwen Tennyson to his latest creation. The Squids pick this occasion to attack the hotel to try and get their energy core back, and soon found more then they could handle in the form of Ben and his alien forms, particularly Ripjaws who proves adept at underwater combat.

With the realization that if the Squids get their core back they will continue to sink ship after ship potentially costing thousands of lives. Ben, Gwen, and Eddie make their way into the core of the hotel where they reverse the polarity on the core, causing it to self destruct before Ben utilizes Upgrade and a submarine to evacuate the hotel.

When he was done we were shocked!

Laney: WHOA MAN!

Nico: These creatures sound bad.

Shanan: I've seen creatures like those before but I'll have to see what they look like to get a confirmation.

Villamax: One of us needs to sneak up on them and take a picture.

Me: I think one of them found it's way to us!

We saw one!

Cyber Squids are mechanical squid-like creatures. They possess six mechanical tentacles with flexible ribbed joints; two of the tentacles have mechanical claws on the ends. On the bottom of their bodies are mechanical parrot-like beaks. They have glassy, glowing cyan heads with white lines that represent circuitry. Below the head is what appears to be a purple eye.

Nico: Whoa man!

Shanan: OH MAN! I didn't know it was them! That is a Ziphonotian Cyber Architeuthis!

Qin: What's a Ziphonotian Cyber Architeuthis?

Shanan: A cybernetic squid creature from the planet Ziphonotus located all the way in the Galaxy Cluster CL J1001+0220.

Nicole Knudson: That's 11.1 billion light-years away from Earth.

Laney: Wow!

Shanan: They are very dangerous and they are widely known for their strength in numbers. If one is here then there's bound to be bigger numbers of them.

Lady Deathstrike: (to the Cyber Squid) (Japanese Accent) Can you tell your buddies to come back later? We still have to get ready.

Nico: It's just one but the rest is out there still.

Me: Still it will be useful later.

Me, Ben, Eli and Bella scanned it with our Omnitrixes and got DNA from it.

Me: They're biomechanical.

Nico: Wow.

Shanan: Yeah. Shanan jumped and then smashed it into dust!

Nico: Nice one.

Shanan: Thanks.

Mermaid Leader: That was amazing!

Mei Lee (Turning Red): Wow! That was cool!

Toyman: Look, I'm not suggesting we teleport Flip out of here because we like him now. But he's still needed for humiliations.

Nico: I know Winston. I know. Besides the Guardian Angels all had their fun.

Lincoln: Yeah. Great job girls.

Jane Mothra: Whew! It was great to blow off some steam on him.

Olivia Gansley: Yeah that cheapskate deserved it.

Bella Huffington: (Australian Accent) He sure did mates.

Laniya Momoshiki: (Japanese Accent) I agree there.

Mermaid Leader: I didn't like that freaky grandpa either. Something about him was not right.

Me: (Snickers) Freaky Grandpa. That's a good one but true.

Nico: Yeah.

Sea Clamp: "Not right?" You don't know how true that is.

Me: I agree. You girls wouldn't believe how ugly he is. Not just on the outside but inside too.

Mermaid Leader: Really?

Me: Trust me. You wouldn't believe it.

Nico: Yeah. Anyway lets go find the rest of those squids and smash them into scrap metal.

Mermaid Leader: Lets do it! But Shanan ho did you know what that thing is?

Shanan: I have a massive and incredible knowledge of all the life there is in the entire universe. My brain is like a huge omnipotent universe life encyclopedia. It's amazing at what I know.

Nico: And it's been a really helpful and awesome source of information for us.

Mermaid Leader: That is awesome.

Maria: Lets go get those clods.

Me: First you girls may need these.

I formed balls of water for them to travel in.

Me: On land you're going to be dry so you got to stay moist.

Mermaid #3: Thanks J.D.

Weather Wizard: Let's teleport Flip back to his cell. Before we end up doing to him something we'll regret.

Me: Okay.

I snapped my fingers and teleported him back to his cell.

Me: Hope that worked.

Nico: Now we can go after those squids.

We saw a massive and huge colony of the Cyber Squids.

Me: There they are.

Numbuh 274: Time for our entrance.

We went at them.

Then the spirits of all the Power Rangers from Mighty Morphin to Dino Thunder appeared and swirled around them and blasted the squids all over and smashed them apart and then they converged and then…

THUNDERCLAP! THUNDERCLAP THUNDERCLAP!

A massive blast of lightning exploded out and electrocuted many Cyber Squids and then they exploded and then a thunderbird cry was heard and we came out!

Me: You squids are gonna be turned to Scrap Metal!

Beetle: You may have caught Ben off guard before. But that was a long time ago!

Ben: But not this time!

He turned into ULTIMATE BEN!

Ben: ULTIMATE HUMONGOUSAUR!

He grew in size and smashed a bunch of squids into dust!

Eli fired a blast of Force Lightning and short-circuited the squids all over.

Then Cad Bane, Boomerang, Titanium Man, Cheshire, Multiple Man, Silver Samurai, Blizzard, Major Disaster, Taskmaster, Whiplash and the Six Gum Gang appeared.

Nico: Cad Bane, Boomerang, Titanium Man, Cheshire, Multiple Man, Silver Samurai, Blizzard, Major Disaster, Taskmaster, Whiplash and the Six Gum Gang.

Blizzard: Crazy seeing all of you here.

Me: I know. Especially in a dimension far beyond the reach of time and space in the Bermuda Triangle.

Major Disaster: But this is incredible that you all solved the mystery of how the Bermuda Triangle was making all those ships, planes and boats disappear over the centuries.

Nico: Everyone in the entire human race is never going to believe this!

Cad Bane: Fancy seeing you guys here in the Bermuda Triangle.

Maria: Same to you as well.

Boomerang: It's good that you guys got Flip back to his cell.

Titanium Man: If he had provoked you guys for another second, you probably wouldn't done something that you would've regretted.

Me: No kidding there.

Cheshire: (to Nico) We heard you went to a French Fry planet.

Nico: We sure did.

Multiple Man: How was it?

Me: It was awesome and delicious.

Nico: Yeah it sure was.

Eli: Some of the best fries ever.

Ben: Too bad I didn't get to go with and you know how much I love chili fries.

We laughed.

Me: Yeah that's true.

Nico: So does Albedo.

?: I'm glad he does.

A figure came out and it was MUTITUS from episodes 28 & 29 of Mighty Morphin Season 1!

---

Mutitus is a very powerful zombie monster summoned by Rita Repulsa to attack Angel Grove as part of her plan to trap the Power Rangers on the Island of Illusion. He is summoned alongside Lokar but arrives first shortly after an attack by Goldar and Scorpina which forces the Rangers to form the Megazord. However, wielding a massive wrecking ball similar to the ones used by the Frankenstein Monster, Mutitus is too strong Lokar soon arrives and Rita has him use his "Breath of Doom" to transform Mutitus into a more dragon/demon-like form. This new form lacks the ability to use a chain to attack due to it's shortened arms but gains a much fiercer ability in place of the weapon it lost; a small effigy of Lokar's head appears around the new Mutitus' neck which is capable of firing different projectile attacks. Mutitus continues to annihilate the Megazord until the Dragonzord arrives, catching him off guard briefly. Soon after, Mutitus tosses around the Megazord and Dragonzord, and once done toying with them, sprays toxic foam all over the Megazord and Dragonzord, causing them to short-circuit. Rita traps the Rangers on an island-shaped dimension after Mutitus beats the Megazord and Dragonzord. While on the Island of Illusion, the 6 Rangers face illusions of their worst fears but eventually overcame them. When they return, they immediately call upon the Mega Dragonzord, and the battle continues. The fight then becomes one-sided in favor of the Rangers, as the Mega Dragonzord is unharmed by Mutitus' lightning attacks, whereas the Zord's lasers harm the monster effectively. Mutitus is finally killed when the Mega Dragonzord launches its energy sphere attack, causing an explosion that vaporizes Mutitus in a wall of bright light as he screams.

Kimberly Ann Hart: Mutitus!

Mutitus: Long time no see rangers.

Me: Boy I remember you! You were the ugliest monster I've ever seen and you gave the rangers one helluva challenge in that illusion island. It was part of Rita's plan to trap the rangers in an illusion island.

Mutitus: That's right. And if you see Lokar destroy him for me.

Me: With pleasure

William: You glad Vypra's your boss instead of Rita?

Mutitus: Of course I am. She was even nice enough to give me a sentient mind of my own.

Me: That is cool!

Eli: It sure is.

Jorgen Von Strangle and Stacey appeared!

Me: Jorgen and Stacey! Cool!

Stacey: I heard the Zenkaigers helped out yesterday.

Zarya: They sure did and it was so awesome.

Me: It was really cool having them help us out. And we have 6 days left before we meet them.

Jorgen: Did Nico tell you guys about me joining the Masters of Evil?

May: He sure did.

Jorgen: (sighs) It's nothing personal. I just really need to pay the bills.

Me: Well it's good pay.

Nico: Yep.

Maria: Stacey. Thanks for coming.

Stacey: No problem. It's only fair since you guys are gonna team up with Kaito and the others.

Nico: Yeah but that was so awesome having them help us.

Poromon: Especially with hearing Zocks's song again!

Poliwag: Yeah it rocks!

Me: Will loves that song too.

Will Vandom: It's very catchy. I like it.

We got the usual battles underway.

Jack Landors: It sure was a good warm up. J.D. also purified his Grimoire Wonder Ride Book and even made it into a pure version of the Great Book itself. That is really awesome.

Sunset Shimmer: It sure is. Now we have Storious's big weapon as ours.

Pipsqueak: (British Accent) That is really amazing.

Sunburn: Boy it sure is. Storious is gonna be massively pissed when he faces us in September.

Sydney Drew: He sure is. This is gonna be awesome.

Rainbow Dash: And all because of her sister hogging all the glory and the credit.

Scootaloo: Yeah not cool. She invented all the rides and Chris took all the credit. But at least no one got seriously hurt.

Whirlpool: Yeah or Terry would be in jail for assault and battery.

## Casey Rhodes, Fluttershy, Tornado Bolt, Life Skylanders, Jungle Fury Rangers, Sparkstalker and Fangry VS Cheshire - Meeting a Gene-Slammer for Arcana Force VIII - The Strength

---

Cheshire was next.

Cheshire: (to Casey) I heard you guys met a Gene-Slammer for

Arcana Force VIII - The Strength. What's her name?

Casey Rhodes: Her name is Roxanne Lowinsky and she is a really awesome powerhouse.

Fluttershy: She saved Lynn from the Hazeltucky Hawkers that were going to destroy her.

Tornado Bolt: And she ruined Flip's reputation big time on the internet.

---

Lincoln: Yep, and I've also trained a lot under some very powerful teachers, J.D. and Nico included, Roxanne, and now, I can also defend myself, and in addition to getting stronger, I've also gotten smarter as well.

Roxanne Lowinsky: That's incredible.

Nico: It sure is. So, Roxanne, how did you destroy Flip's entire reputation by going undercover and finding out about some horrible dark secrets about him and save Lynn from getting attacked by the entire Hazeltucky Hawkers team?

Roxanne Lowinsky: I'm glad you asked. I was asked by both the FBI and The Gotham Royal York Police Department to go undercover and destroy Flip's entire reputation, and this was after Flip's previous plots to have Lincoln, his family, his friends, The Casagrandes, and J.D. killed for constantly ruining his scams were all foiled by Lincoln's other Guardian Angels. They decided that enough was enough with Flip, and I agreed to do so. I went undercover at Flip's Food and Fuel, and what I found out was really shocking and really dark: I'd found out that Flip's now gone too far, and he'd planned to hire a massive army of bounty hunters to kill all of Team Loud Phoenix Storm, he'd also tried to give them a ton of weapons for it, including nuclear missiles. I photographed everything, and then, I told the FBI and the Gotham Royal York Police Department about it, but I also went a step further, and I posted Flip's plan all over the internet, and when they found out about it, they were really pissed at Flip. When Flip saw the angry mob, he screamed and tried to get away, but this time, there would be no escape for Flip as the FBI and the Gotham Royal York Police Department showed up in full force, and Flip was finally taken into custody, and he was sentenced to life in prison without the possibility of parole in The Jupiter Prison far from Earth and society.

We were really horrified, but we went from being really horrified to really pissed off at Flip.

Nico: So, Flip was no longer focused on killing Lincoln, his family, his friends, The Casagrandes, and J.D. for constantly ruining his scams, but now, he tried to have all of Team Loud Phoenix Storm killed?!

Me: That butt-sucking, three-butt-cheeked, ugly, fat, mutant, smelly… !

Eli: I'll kill him for this!

Lincoln: Okay, that's it, now Flip's really gone too freaking far this time.

Lincoln put the heavy barbell on the rack, and he aimed his left hand and sensed for Flip.

Lincoln: This is for trying to hire a massive army of bounty hunters to kill all of Team Loud Phoenix Storm, you three-butt-cheeked mutant cheapskate pig!

Lincoln used his imagination powers and summoned a massive collection of pianos, and Flip let out a string of excruciating painful screams and curse words as the pianos crashed on Flip's head one after another. Then, Lincoln went back to working out with the rest of us.

Nico: That fucking cheapskate pig deserved to get hit by those pianos.

Roxanne Lowinsky: You said it. Now, for how I saved Lynn from getting beaten up by the Hazeltucky Hawkers team. I was walking home from school, but then, I suddenly had a vision: and I saw that Lynn was about to be attacked by the entire Hazeltucky Hawkers team, and even worse, it was on the orders of those buttfaces, Hawk and Hank, who were also with the Hazeltucky Hawkers. I wasn't going to let that happen, so I rushed on over, and I beat them all up before they could lay a finger on her, and I also pummeled Hawk and Hank even more, and then, the police were called and the entire Hazeltucky Hawkers team, along with Hawk and Hank were arrested and sent to jail. Because of this attempted attack, Hazeltucky would suffer a horrible backlash from Royal Woods and gained a bad reputation, thanks to those assholes, Hawk and Hank.

We cheered for what Roxanne did to the Hazeltucky Hawkers and Hawk and Hank.

Lynn: Make no mistake about it, Roxanne's really strong when she pulverized those creeps, and it's because of what she did in saving me from that attack by the Hazeltucky Hawkers and Hawk and Hank, Hazeltucky suffered a bad backlash from the state of Michigan, and they have a bad reputation thanks to Hawk and Hank.

Lincoln: In fact, the Hazeltucky Hawkers now hate Roxanne Lowinsky with a vengeance, and they all swore they'll kill her for ruining their attack on Lynn.

Roxanne Lowinsky: The second they do, I'll rip their snouts off and shove them up their butts.

Lincoln: And she'll seriously do it, guys, Roxanne's really strong, one time, I saw her lift a 2,400-lb barbell with ease and with two hands.

Nico: (Surprised) Really?! That's awesome!

Me: Whoa.

Jhuidah the Island Faerie has transformed into SUPER ANGEL INFINITY TRUE LOVE TROPICAL ISLAND FAERIE ANGEL OF NEOPIA JUSTICE AND MAGICAL LOVE!

We were amazed by Jhuidah the Island Faerie's Super Angel Infinity transformation, and when Lincoln saw her, he had an atomic red blush on his face and hearts in his eyes. But, when Red saw it, the fallen Dragon Elder fell into a rage and fired a blast from his staff to kill her, but Jhuidah the Island Faerie fired a powerful pink energy blast with tropical plants, tropical flowers, and faeries and it hits the fallen Dragon Elder and he hit a tree and coconuts fell onto his head.

Nico: Whoa, Jhuidah the Island Faerie's transformed, this is going to be a good one.

Me: You said it, Nico, and since we're on a tropical island, this is definitely a perfect setting for the battle to come.

Lincoln: Wow, Jhuidah, you look beautiful. How do you feel?

Jhuidah the Island Faerie: (Divine Echoing Cosmic Voice of The Tropical Island Faerie and Divine Love) **I feel incredible, Linky. Now then, shall we deal with the Fallen Dragon Elder once and for all?**

Lincoln: (Smiles) With pleasure, Jhuidah.

Crash Bandicoot: Don't forget the rest of us, you two.

Lincoln unholstered his massive Hinon's Cosmic Storm Sword of Universal Hope, Elemental Bravery, and Unbreakable Eternal Bonds from his wider and muscular back, and transformed into Super Angel-Ebonwu-Thunderbird Eternity Infinity Elemental Thunderbird Buffalo Angel of Universal Justice and Elemental Hope and he joined Jhuidah the Island Faerie, and Crash Bandicoot unholstered his massive Skylands' Elemental Wolf Sword of Elemental Justice from his wider and more muscular back and transformed into Super Angel Eternity Infinity Elemental Skylander Bandicoot Knight Angel of Elemental Bravery and Elemental Will, and he, along with Spyro, Cynder, Ignitus, Volteer, Cyril, Terrador, Camo, Bash, Flashwing, Whirlwind, Drobot, Echo, Spotlight, Sunburn, Fire Kraken, Blades, Blackout, and High Five also joined Lincoln and Jhuidah the Island Faerie.

Lincoln: (Divine Echoing Cosmic Elemental Voice of Universal Justice and Elemental Hope) **Your days of trying to conquer the realms are all over, Red.**

Crash Bandicoot: (Divine Echoing Cosmic Voice of The Elemental Bandicoot and Elemental Skylands Bravery) **And now, it's time for you to die.**

Lincoln, Jhuidah the Island Faerie, Crash Bandicoot, Spyro, Cynder, Ignitus, Volteer, Cyril, Terrador, and the dragons of the Skylands went after Red, who fired blasts of energy from his staff, but they dodged them, and they fired powerful blasts of rainbow energy, pink energy with tropical plants and tropical flowers, elemental forces, rainbow energy, spectral lightning, wind, water, gears, blades, soundwaves, plants Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, Magic, rainbow flames, rainbow crystals, Buffalo, Thunderbirds, Phoenixes, Angels, Dragons, Bandicoots, and Faeries at Red, and they exploded with incredible power as they hit him.

Lincoln and Crash Bandicoot attack Red with powerful one-handed swings from their massive swords, and they left painful scars on him, and Jhuidah the Island Faerie fired powerful pink energy blasts from her staff, and it hit the fallen Dragon Elder. Then, Lincoln grabbed Red and he choke-slammed the fallen Dragon Elder down onto the floor, and Lincoln punched, kicked, and smashed it all over the place with his immense and brute superhuman strength, and he also destroyed Red's staff. Then, Lincoln tossed Red into the air with his immense and brute superhuman strength, and he, Jhuidah the Island Faerie, Crash Bandicoot, Spyro, Cynder, Ignitus, Volteer, Cyril, Terrador, and the dragons of the Skylands fire powerful beams of energy, and as they hit Red, the barrage of energy beams exploded with incredible power, killing him for good and he was erased from existence as he was condemned to The Black Gates. We cheered wildly for what Jhuidah the Island Faerie, Lincoln, Crash Bandicoot, Spyro, Cynder, Ignitus, Volteer, Cyril, Terrador, and the dragons of the Skylands did as they holstered their weapons and power down, and Jhuidah Faerie's new body, clothes, weapons, jewelry, and massive pink fairy wings are permanent.

Jhuidah the Island Faerie: That's it for that treacherous fallen Dragon Elder. And I want to thank all of you for helping me with taking down Red once and for all.

Lincoln: (Smiles Warmly) You're welcome, Jhuidah.

Suddenly, Jhuidah the Island Faerie wrapped her arms around Lincoln's waist, and it brought an atomic blush to Lincoln's face, as he wrapped his abnormally massive and powerful muscular arms around her waist and he brought her into an embrace, which took her by surprise and brought an atomic red blush to her face. Then, as Lincoln leans down to Jhuidah the Island Faerie's face, they kiss passionately as Jhuidah the Island Faerie wraps her left arm around Lincoln's wider and muscular back, and she placed her left hand on Lincoln's massive and wide muscular right pec, and behind them was a Thunderbird, Phoenix, Angel, and Faerie flying in the air, and we also saw a herd of Buffalo running across the field, along with seeing tropical trees and plants growing around them, waves crashing behind them, and tropical island music playing, and we all cheered wildly for them.

Nico: Now, that's a really awesome tropical display.

Me: You said it.

Alternate Tawna: And Crash, I also got a little something for you.

Suddenly, Alternate Tawna wrapped her arms around Crash Bandicoot's waist, and it brought an atomic blush to Crash Bandicoot's face, as he wrapped his abnormally massive and powerful muscular arms around her waist and he brought her into an embrace, which took her by surprise and brought an atomic red blush to her face. Then, as Crash Bandicoot leans down to Alternate Tawna's face, they kiss passionately as Alternate Tawna wraps her left arm around Crash Bandicoot's wider and muscular back, and she placed her left hand on Crash Bandicoot's massive and wide muscular right pec, and we cheered wildly for them as well. Then, they separated their faces, but they still had red blushes on their faces.

Crash Bandicoot: Looks like we're now a couple.

Alternate Tawna: Looks like it.

Silver Samurai: And so ends the mystery of the Bermuda Triangle.

Major Disaster: You said it.

Taskmaster: And the aliens related to them are dead too.

Me: You got that right.

Whiplash: Too bad we had to rescue Flip as well.

Dixie: It was for the best.

Goof: We still have humiliations with him.

Wilbur: What do you guys say we get out of here?

Me: Good idea.

Nico: Okay ladies.

[All mermaids clear throats and sing backwards]

Me: Brace yourselves guys.

[We all yell in surprise. The ground starts shaking and the vacuum cleaner sucks in everything on the island and transports them back to Gotham Royal York]

Me: Wow! It really worked!

Nico: That was awesome!

Lola: Yeah no kidding!

Lily: That was just like what happened underwater.

Laney: It sure was.

Leni: You ready for the mall, girls?

All Mermaids: Yeah! Mall! Mall! Mall! Mall!

Nico: Looks like Leni has awesome friends added to her shopping crew.

Mandee: She sure did. Lets head to the mall after.

Jackie: Good idea.

Fiona: Yeah!

Nico: Boy this was a really awesome day for us.

Me: Boy it sure was. We also solved the mystery of the Bermuda Triangle and got everyone's stuff back and we even found the ships, planes and boats that disappeared all those centuries ago.

Laney: Boy we sure did.

Nico: Yeah. But great job today everyone. This was a really eventful day today.

Me: Yep. (Sees something) Oh Squidward.

I picked up a clarinet.

Me: I think this is yours.

Squidward: My clarinet! Oh thank you thank you thank you J.D.!

Nico: Oh and here's the mascots alarm clock.

Mascots: YAY!

*[Some Bikini Bottomites come to the pile]*

**Old Fish:** And so are my dentures!

Me: Ew.

**Gray fish:** Tibor! You're alive!

**SpongeBob:** Isn't that great, Mr. Krabs? Everyone is reclaiming their stuff.

Mr. Krabs: It sure is boy-o.

Me: Lets head to the restaurant and see if its all still safe.

We did so.

We then went to the kitchen. And we saw someone unexpected.

Me: Kotaro?

*[Charles from the beginning is cooking at the grill.]*

**Charles:** Actually, the name's Charles. Figured I'd hold down the fort for ya while you were gone.

Me: Oh thanks.

**Lynn Sr.:** So, you've been the one making the food while we were away?

**Charles:** Yep. All me. Oh, and by the way, you've got a little vermin problem.

We saw that he put another bad restaurant spy in a cage.

Lynn Sr.: Looks like I have a spy.

**Charles:** He's a feisty one…

**Patrick:** Hey! I found my cuff links! *[puts them on and also has a suit on]* That's better.

Me: Looking sharp Patrick!

Lily: Yeah! What's the occasion?

Patrick: I've got a date with Mindy.

*[Patrick gets into a limo and drives away]*

**Patrick:** To Mindy's house, Reginald.

**SpongeBob:** Patrick! You dropped your cummerbund!

Squidward: (To the viewers) This was a really amazing adventure and it was really eventful!

Me: Boy it sure was. We solved one of the most perplexing mysteries in the history of mankind and we got all the stuff back as well as bring back all the ships, planes and boats that mysteriously disappeared over the centuries back.

Laney: We sure did.

Nico: This was a really eventful day for us.

Me: Lets give the ships and planes to the museums of the world.

Nico: Good idea.

We then refurbished and restored the ships and made them look like new and then we later went back home and had an awesome rest of the day before going to sleep. Flip was badly mangled up and he was wrapped in a full body cast!

Flip: (Muffled) WHY ME?

THE END

Another awesome fanfiction done.

This was a land version of the SpongeBob Squarepants episode Welcome to The Bikini Bottom Triangle and that was a really cool and funny one. Ginnifer Goodwin guest starred in that one and it was really awesome that she was the leader of the mermaids in the Bikini Bottom Triangle and it was cool. It was really freaky though how they would up there though but it was so awesome. The dream rescue for me was for Sky Mermaids and that was a cool one and it was also a warmup for when we face Storious from Kamen Rider Saber later in September. I meant to say that I would banish him to the Warp till September. The rescue for Nico was on a French Fry planet and that would be a planet fit for an awesome food lover. The second rescue for Lincoln was for the What's New Scooby Doo? Episode for the Roller Ghoster and that was a cool one but it was awful that Terry would do all that for jealousy. The episode aired on November 9th, 2002 and it was cool. NicoChan11, JediAvatarOfShinobi, Omegahatchiyak12, XP4Universe, Darkhai, vinjedi1995, Drako1234658, Nflemingful, EtstheClarenceandTLHfan and ninjakingofhearts gave me the ideas for this and so did the guest reviewer. Thanks guys. The next dream rescue for me is gonna be a really awesome one as me and Natilee go into my dream and we're going to a light fairy kingdom in the world of Duel Masters and they will be good friends with many of the Light Civilization. We're also going to take down another member of PLOOP and it's going to be Prince Eugene the Mean and I'm going to use the Black Gates on him. Nico's next rescue is gonna be a really awesome and cool one as Nico, CatDog, Applejack, Apple Bloom, Twilight Sparkle & Friends, Rachel Stavenport, Carol Pusateri, May, Maria, Varie, me, Eli, Arrietty, Aylene Carter, Littlefoot and friends, Fu, Nicole Knudson, Kaina Tsutsumi, Camie, Kaoruko Awata, Himiko, Ibara, Toru, Sirius, Tsuyu, Ochaco, Momo, Lincoln, Laney, Lana, Lola, Lisa and Lily are heading to Nearburg and we're going to help CatDog and we're going to take down Rancid Rabbit at an all you can eat taco restaurant called Taco Depot and that Rabbit is gonna be forced into servitude in the Masters of Evil. Also we're going to meet an Evolved Vulpimancer Gene-slammer named Blind Maria Johnson. Maria Johnson is Nico's friend from history class and she was born blind but sees everything with her ears and not her eyes. Like how bats do in the darkness. She is now an Evolved Vulpimancer gene-slammer. For Lincoln's rescue he is going to do a Time Squad Adventure and we're going to meet Ludwig Van Beethoven and we're going to get him to being a composer for music again. Also we're going to meet a gene-slammer for Arcana Force VII - The Chariot named Yvonne Qinsington and she has awesome psychic powers and has incredibly powerful mastery over the forces of fire and she has an awesome and powerful vision about how she busted the most prolific serial arsonist in the country before she was about to torch the Loud House. Also after the exercise scene we're going to confront Carly Morgan's mom and see how really far gone she is. Get ready for an adrenaline rush as we go meet the gerbils of the awesome Spy Gerbil Disney movie G-Force! It's going to be awesome. We're going to face Macker from Totally Spies who has come back from the dead to get revenge and he is going to try his clone project again. But this time we're going to be ready for him!

See you all tomorrow.

# CIA GUINEA PIGS VS CYBORG AND CLONES

In the early morning hours at 1:14 AM, I was fast asleep with Varie and everyone in my harem and I was having a really awesome and amazing dream. I was in the Light Civilization in the world of Duel Masters and It was doing really well since we destroyed the last member of PLOOP.

Me: Wow! Been a while since we were here.

Natilee appeared.

Natilee: Boy its been a while since we were in the world of Duel Masters. The Light Civilization is doing really well.

Me: It sure is. Last time we were here was to kill another member of PLOOP.

Natilee: Feels like forever.

We walked around and we saw that the people and creatures of the Light Civilization were all living in great peace and harmony. It was really an amazing sight to behold.

Me: Wow. Everyone is doing really well.

Natilee: They sure are.

Natilee and me then noticed lots of light fairies with everyone.

Me: Wow everyone has light fairies with them.

Natilee: That is cool. Its been ages since I've seen light fairies.

Then a human size light fairy came up to us.

Hikarnia: J.D. Knudson and Natilee it's an honor. My name is Hikarnia and I'm the princess of the Light Fairy Kingdom here in the

Light Civilization and it's an honor.

Natilee: You too Hikarnia.

Me: This is amazing that you all are friends with all things here in the Light Civilization.

Hikarnia: It sure is and me and my fellow light fairies decided to join forces with everyone after you all destroyed the previous member of that evil organization.

Me: That's P.L.O.O.P. It means Powerful Loyal Order Of Princes. Their goal is to use the powers of Kaijudo Monsters to take over the world. It's a dangerous terrorist group that has been on our hit list for a long time.

Hikarnia: That is really amazing. But it's good that you guys are all destroying them.

Natilee: And it looks like we have one here!

We saw PRINCE EUGENE THE MEAN!

---

He first appeared in the Fire Civilization land and encountered Shobu in a duel and won against him. He is responsible for the master plan for the .O.P's army. He wanted to fill up the biggest volcano in the Fire Civilization Land with liquid dark P.L.O.O.P. power so that the volcano will burst, causing all the resulting dark P.L.O.O.P. smoke and liquid to spread to the lands of all five civilizations, causing all the creatures will go berserk and destroy the world. Then, the people of the real world will have no choice but ask the P.L.O.O.P. to stop and control these creatures and P.L.O.O.P. will be the only people left to control both the human and creature worlds, so in the end P.L.O.O.P. will rule the world and he will rule P.L.O.O.P.

He was also responsible of sending Gatling Skyterror, Rothus, the Traveler, Bolshack Dragon, Billion-Degree Dragon, Magmarex, Armored Blaster Valdios, Armored Walker Urherion and Scarlet Skyterror.

Prince Eugene used to be a dueling champ on Earth and that he even beat Knight. He also exhausted Knight and defeated him with his infinite P.L.O.O.P. army. After that duel, Prince Eugene went on a journey to the creature world to become the true Kaijudo duelist and when he was given the Amulet deck case and he found that he can control the creatures with it so that one could protect both world and stop the creatures from entering into our world. Then he started finding other Kaijudo duelist he defeated them all and asked Prince Maurice, the Merciless and other to do a research in each land see if he can control more than one creature. Turns out if the amulet deck case are given more dark power they completely turn into Dark Amulet Deck Case and they make creatures berserk and also to control with these new deck cases. He thought that this way he can control both worlds.

In the second duel with Shobu he was defeated. He again dueled Shobu this time with all his P.L.O.O.P. members as well but still in the end he got defeated by Shobu. Then Shobu and his friends finally stopped his plan by sealing all five gates before they were breached by the evil creatures and put a stop to his plan once and for all.

---

Me: Prince Eugene the Mean!

Prince Eugene: I WILL KILL YOU J.D.!

Me: Not if I kill you first!

I teleported and punched him in the face and smashed him down and kicked him in the crotch and smashed his manhood all over!

Natilee: You P.L.O.O.P. Freaks make me sick!

Natilee and me fired a wave of energy and used the Black Gates on him! He was destroyed.

Natilee: Good riddance.

Hikarnia: That was awesome!

Me: Thanks Hikarnia. Would you like to join the team?

Hikarnia: I would be honored.

Later at 8:10 AM I woke up.

Me: Wow! That was a great dream.

I got dressed and went to the table for breakfast and told everyone my dream and it was awesome and Hikarnia was welcomed to the team.

Later in Nearburg, it was time for Nico's awesome rescue. Nico, CatDog, Applejack, Apple Bloom, Twilight Sparkle & Friends, Rachel Stavenport, Carol Pusateri, May, Maria, Varie, me, Eli, Arrietty, Aylene Carter, Littlefoot and friends, Fu, Nicole Knudson, Kaina Tsutsumi, Camie, Kaoruko Awata, Himiko, Ibara, Toru, Sirius, Tsuyu, Ochaco, Momo, Lincoln, Laney, Lana, Lola, Lisa and Lily Were there to find the next gene-slammer as well as help out around the town just in case.

Me: Boy its been a long time since we were on your home town Cat.

Cat: Yeah it sure has been a while since we were here in Nearburg.

Me: At least it's better than going to a food planet this time.

Lincoln: Going to those awesome food planets is awesome and really cool.

Lily: Boy you said it guys.

Lola: Yeah no kidding there.

Camie: I always like going to those awesome food planets. Especially when Nico gets the sweets cravings going on those dessert planets.

Nico: (LAUGHS) That's true.

Arrietty: Yeah. Also those food planets are awesome.

Nico: Dog, I want to thank you and Cat for coming.

Dog: No problem Nico. And it's great to be back home in Nearburg. We were starting to get homesick.

Cat: Yeah we missed this town and it was awesome how Luan and J.D. and the team took down the Greasers and Rancid Rabbit the first time.

Laney: That was an awesome and funny adventure back in the old days.

Lisa Loud: Indeed it was and it was most intriguing and fun to see.

Nico: Cat, is there a way for you and Dog to become seperate temporarily?

Cat: I don't think so Nico. We actually don't mind being like this. It's really awesome.

Dog: That's right Cat. Brothers always stick together.

Laney: The Greasers hated you guys but Rancid Rabbit hated you most of all from what I remember.

Me: That greedy rabbit has been making CatDog's life here hell from day one. That repulsive rabbit would do anything to ruin them.

I went over his history.

---

Rancid Rabbit (voiced by Billy West) is the stereotypical authority figure and is a semi-antagonist and occasionally an anti-hero of the series. He has a lot of jobs like police officer, life guard, prison guard, firefighter, boss of various businesses, principal, president, mayor, Egyptian pharaoh, doctor, TV host, contest judge, store and Taco Depot manager. In one episode, he appears as a principal at a school and at the end, as a police officer. He also was seen as a dentist in "Teeth for Two." He also was a lifeguard in "Escape from the Deep End." He also had a restaurant named Rancid Rib Room in "Sumo Enchanted Evening."

Rancid's roles differ depending on the plot of the episode. Sometimes, he takes advantage of CatDog as much as he can by deceiving them into buying his products or pushing them to do his bidding in a job. Rancid sometimes trys team up with the Greasers to destroy CatDog's creations. He does whatever it takes to take their money or benefit himself in any way, even if it means abusing his power to the fullest degree. However, he is shown to help CatDog when he works as a doctor whenever something goes wrong between the two, so he can sometimes be seen as more of an anti-hero than a villain. He constantly says "Leaping lumbago." and "What, what, what?" Rancid owns a mall called the Mall of Malls (a parody of the Mall Of America), and he has a spoiled niece named Rancine. Rancid also has a cousin named Rotten, who lives in Farburg.

---

When I was done everyone was shocked!

Nico: Whoa man!

Sirius: That longearred freak!

Nico: Keep in mind that dogs and cats are natural enemies.

Cat: That's what everyone says. But not me and Dog.

Dog: Yeah we are brothers and best friends. We've been born this way and always will.

Me: That is cool.

Eli: I like that spirit though. Shows the awesome brotherly sibling bond you have.

Me: You got that right bro.

Nico: By the way J.D., today is Lillian's final ambassador mission. Who do you think we'll face this time?

Me: My money is on the Lion Inves. Also I have something for Sunset Shimmer if she decides to come with.

I pulled out a Dragonfruit Lockseed.

Nico: A Dragonfruit Lockseed?

Sunset Shimmer: Awesome! Dragonfruits are amazing.

Me: They sure are. And Applejack will like this one.

I pulled out an Apple Lockseed.

Applejack: Well fancy that! An Apple Lockseed. I'm going to like this one.

Nico: I've got a feeling that it's going to involve that bad butler Kaito Kumon faced before.

Me: That's Alfred. Kamen Rider Tyrant. He was that traitorous butler that wanted to kill Shapool and take over the family wealth and fortune.

Lincoln: That's very stereotypical. The Butler is always the one that does the crime in such rich families.

Laney: Believe me I've read a lot of mystery novels where that happens.

Cat: That is true. That is very interesting.

Me: But yeah. I remember that.

Starlight Glimmer: What can you tell us about him J.D.?

Me: It's not a pleasant sight.

I told them everything.

---

After being informed by one of Shapool's other servants that Shapool is missing, Alfred and the servants go out to look for

Shapool. They find Kaito Kumon and, due to his identical appearance to the real "Shapool", mistake him or the real Shapool and attempt to bring him back. Kaito Kumon attempts to fight them off causing Alfred to order them to stun Kaito. After incapacitating Kaito, Alfred and his men bring Kaito to the hotel where Shapool and Alfred stayed. However, Kaito overhears Alfred discussing with his co-conspirators their plan to murder Shapool and escapes after beating up Alfred's bodyguards.

Alfred later meets with Ryoma Sengoku to discuss the purchase of Sengoku Drivers from the Yggdrasill Corporation, which Alfred's boss (Shapool's father) had taken an interest in. Ryoma gives him a Genesis Driver and the Dragon Fruits Energy Lockseed, intending to use Alfred to test out the powers of the Lockseed.

Eventually, Alfred finds the real Shapool and attempts to kidnap him, only for Kaito to show up to save Shapool. Infuriated by Kaito's interference in his plans, Alfred uses the Genesis Driver and Lockseed Ryoma supplied him with to transform into Kamen Rider Tyrant while Kaito transforms into Kamen Rider Baron. Equipping Mango Arms, Kaito outmatches Alfred and gives Shapool time to escape. To make matters worse for Alfred, his Dragon Fruits Energy Lockseed temporarily deactivates and cancels his transformation.

Alfred then attacks Team Baron to take back Shapool and get revenge on them for interfering with his plans. Before Alfred could transform, the Dragon Fruits Energy Lockseed overtakes Alfred with the power of Helheim and transforms him into an Over Lord. With his new Over Lord form, Alfred fights Baron and is destroyed by Baron in Ringo Arm's Rider Kick.

---

When I was finished they were shocked!

Fluttershy: Oh my.

Applejack: Why that double-crossing sidewinding snake in the grass!

Me: I know. But don't worry I fixed the Dragonfruit Seed so that it won't suck out energy.

Nico: Good.

Nico: That guy gives Alfred Pennyworth a bad name.

Me: He also gives Norman Burg, Roger Smith's butler a really bad name too.

Nico: Yeah him as well.

Me: But I'm glad we're going to soon be rid of him. What he is doing is terrible.

Cat: No kidding.

Me: Now that Yggdrasill is gone he is practically down for the count.

Eli: Yeah but he will be up to something big.

Nico: Shapool's gonna be happy to see Kaito again.

Me: Yes he sure will be happy. And he is one of the richest people in all of Southeastern Asia.

Nico: Yep he sure is.

Eli: Yeah.

Kaina Tsutsumi: But if Alfred tries anything we'll be ready.

Nico: Yes we will.

We arrived at Taco Depot and it was a restaurant that looked like a giant taco.

Me: Taco Depot. Sounds like my kind of place.

Nico: The kind of place Sonata Dusk would love.

We laughed at that remark.

Pinkie Pie: She sure would love it and you know how much she loves tacos.

Me: She can't get enough of them. You should see how many she eats at Lynn's Table. She eats 20 of them for lunch every time.

Nico: Wow! She must really love tacos.

Me: She loves them. She calls each of the 6 food groups tacos.

We laughed.

Me: (Laughs) That was funny.

Nico: Be on the lookout for anything suspicious.

Me: Okay.

We went up to the door and we saw a NO CATDOG SIGN!?

Me: No CatDog!?

Eli: What!?

Nico tore off the sign.

Nico: I don't see any sign.

Me: Me neither. But man Nico you really hate signs like those don't you?

Nico: Only ones that are specifically affecting my friends.

Me: Good.

We then went in and we saw that it was a really cool taco buffet restaurant.

Me: Wow looks like a great place to eat.

Laney: It sure is.

We then saw Rancid Rabbit.

Me: There's that longearred freak.

Eli: Let get him.

We went over.

Me: HEY RANCID!

He saw us.

Nico: You are in big big trouble you longearred varmint!

Rancid Rabbit: NO CATDOGS ALLOWED! Get lost!

Eli: You get lost carrot nose!

Nico: Here's what's gonna happen. You're gonna let us eat tacos here or so help me, your ears will be torn off!

Rancid Rabbit: I will do no such thing! Especially to a chump like CatDog.

CLANG!

Eli snapped a bear trap on his butt!

Rancid Rabbit: YYYEEEEOUCH!

Nico: Cat, how about I get some tacos from here for you and Dog? Regardless of what Rancid says.

Cat: You got it Nico.

Rancid: You do that and I WILL DESTROY YOU!

Nico: Bite my monkeytailed ass!

Nico went over to the tacos and got many of them for CatDog and they ate them all.

Rancid Rabbid: NO! YOU WILL PAY FOR THIS!

Nico: Up yours Carrot Butt!

Rancid went at Nico and then…

SMASH!

A window smashed through and in came an Evolved Vulpimancer! It roared ferociously at Rancid Rabbit!

Evolved Vulpimancer: (In a girls voice) Get away from him you freak of carrots!

Nico: Blind Maria Johnson!? Whoa!

Evolved Vulpimancer: Awesome to see you Nico.

She reverted back and she was a girl that was totally blind and can't see anything. But she had red hair and red clothes.

Rancid Rabbid: You think you can beat me? You're blind as a bat.

Bat Man: (OFFENDED) HEY! THAT HURTS YOU KNOW!

Blind Maria Johnson: I don't need my eyes to see you Rancid.

Rancid went at her but she kicked him in the stomach and dodged all his punches like no problem and then she kicked him in the face and knocked him out.

Blind Maria Johnson: Just because I'm blind doesn't mean I can still follow everyone through the air, sound and my feet.

Nico: And as punishment for your crimes Rancid you are hereby sentenced to eternal servitude in the Masters of Evil.

Me: Don't worry, we'll find someone who fits your nasty disposition perfectly.

We teleported him to Montana.

We lifted the ban on CatDog.

Cat: What's your favorite memory of Nico?

Blind Maria Johnson: I have many but I like it when I sang that awesome blues song for him. It was where Nico went after a guy named Lance Sackless and made him alligator chow and it was after me and Nico rescue rescued a man that is like me. His name is Blind Mud Puddle Johnson. He was my blues music teacher. It was great.

Nico: Good times.

Blind Maria Johnson: I like blues music. Especially Louisiana Bayou Blues Music. And I also like history class too. Most of my memories are in that one.

Eli: Cool.

Nico and Maria hugged.

Nico: I really missed you.

Blind Maria Johnson: Me too Nico. Me too.

Laney: That is awesome that you can see by feeling the wind, hearing and feeling in the ground too.

Blind Maria Johnson: It sure is awesome.

Nico: Yep. She doesn't need to see with her eyes. Like how bats do in the darkness of the night she uses sound and the vibrations in the wind and the earth to get around.

Me: Wow that is cool.

Lincoln: It sure is.

We later went home.

After Nico's rescue, Lincoln, Me, Nico, Eli, Nicole Knudson, Lori, Leni, Luna, Luan, Lynn, Laney, Lucy, Lana, Lola, Lisa, Lily, Lincoln's harem, Sherlock Hound, Noctis Lucis Caelum, Gladiolus Amicitia, Ignis Scientia, Prompto Argentum, Stella Nox Fleuret, Ravus Nox Fleuret, TLPS Mr. Wolf, TLPS Mr. Piranha, TLPS Mr. Snake, TLPS Mr. Shark, TLPS Ms. Tarantula, Heathcliff, Sonja (Heathcliff), Riff-Raff, Hector (Heathcliff), Wordsworth, Mungo, Cleo, Leroy, Crash

Bandicoot, Coco Bandicoot, Aku-Aku, The Quantum Masks, Alternate Tawna, Spyro, Cynder, The Ghostforce, Rayman, Hunter Drake Michaelson, and Poromon are heading to Germany in the late 1700s, and not only is Lincoln going to rescue the seven girls there, but we're also going to meet Ludwig Van Beethoven and get him to be a composer for music again.

Lincoln: Wow, we're here in Germany in the late 1700s, and I know what we're going to do here, not only am I going to rescue the seven girls here, but we're also going to meet Ludwig Van Beethoven and get him to be a composer for music again.

Me: That's right, big guy.

Hunter Drake Michaelson: (German Accent) This is amazing, I always wanted to see what Germany was like in the 1700s, and we're also going to meet Ludwig Van Beethoven, who's one of the famous composers of music during that time.

Nico: That's right, Hunter, and we're also going to fix the Time Instability emergency that's come up here.

Lincoln: That's right, and I want to thank you and Hunter for joining us, Poromon.

Poromon: You're welcome, Lincoln. This is going to be so awesome.

Sam Simpson: You bet, but I can't help but get the feeling that on today's mission, we're about to face off against someone we dealt with long ago, and he's going to be at it again with trying to get revenge on us with an old project of his.

Clover: I was just about to say, Sammie.

Alex (Totally Spies): Same here, but this time, we'll be ready.

Lincoln: Same here.

Nico and I knew who Lincoln, Sam, Clover, and Alex were talking about, and we also had the same feeling as well.

We then met with the Time Squad and we also met Ludwig Van

Beethoven, but we found out that he abandoned his personal love of music and became a wrestler, which caused the Time Instability alarm to sound, so we had to do something, and Tuddrussel challenged him to a wrestling match. But, we also had a plan as well, and when we heard the bell ding, the match began, but while Beethoven had Tuddrussel in a bear hug from behind, Otto plays Beethoven's 9th Symphony, which he hasn't written yet on Larry's radio, and Beethoven's so entranced by the music that he quits wrestling to continue composing, and it fixed the Time Instability, but, we weren't done yet.

?: HEELLLLPPPP!

Suddenly, Lincoln heard the sound of seven girls calling for help. With his deep sapphire blue cyborg eyes, rainbow colored iris of his Third Eye, the Force, and his superhuman sight, along with sensing energy signals, he saw and heard exactly where the call for help was coming from. He saw the seven girls, but they've been cornered by clones of Sam, Clover, and Alex, and they're going to kill them.

Lincoln: Guys, I found the seven girls, but they've been cornered by clones of Sam, Clover, and Alex, and they're going to kill them.

Sam, Clover, and Alex (Totally Spies): What?!

Me: Clones of Sam, Clover, and Alex again. (Realizes something) Oh, shit, the clones of Sam, Clover, and Alex.

Nico: Then, that must mean… !

Lincoln: Macker, he's the villain who's come back from the dead, and that vengeful cyborg bastard still wants revenge on Sam, Clover, and Alex, and he's trying his clone project again!

?: Let's get those evil fraudulent clones!

Suddenly, we saw Arcana Force VII - The Chariot appear before us.

Nico: Whoa, that's Arcana Force VII - The Chariot.

Lincoln: And I'd recognize that voice from anywhere, I knew it was you, Yvonne Qinsington, but we'll have to talk later. We got a trio of bad clones to deal with.

We rushed on over, and Lincoln fired rainbow energy balls and elemental forces at Macker's clones of Sam, Clover, and Alex, and that allowed the seven girls to get to safety. When the clones saw us, their eyes turned red with hatred.

Lincoln: I should've known Macker would be at it yet again. But, this time, we're going to be ready for him, but first, you three clones are going to get it.

Lincoln unholstered his massive Hinon's Cosmic Storm Sword of Universal Hope, Elemental Bravery, and Unbreakable Eternal Bonds from his wider and muscular back, and transformed into Super Angel-Ebonwu-Thunderbird Eternity Infinity Elemental Thunderbird Buffalo Angel of Universal Justice and Elemental Hope, TLPS Mr. Wolf transformed into his Super Angel Eternity Infinity form and the rest of The TLPS Bad Guys Gang transformed into their Super Angel Eternity Infinity forms and they unholster their massive swords, Lincoln's sisters transformed into their Super Angel Infinity forms and unholstered their massive swords from their backs, Lincoln's harem unholstered their massive swords from their backs and transformed, Sherlock Hound transformed into Super Angel Eternity Infinity Stellar Darkness Demon Hound of Dark Compassion and Demonic Justice, and he unholstered his massive Sparda's Demon Fang of The Demon Hound sword from his wider and more muscular back, Crash Bandicoot unholstered his massive Skylands' Elemental Wolf Sword of Elemental Justice from his wider and more muscular back and transformed into Super Angel Eternity Infinity Elemental Skylander Bandicoot Knight Angel of Elemental Bravery and Elemental Will, The Ghostforce, Hunter, Poromon, Noctis, Prompto, Ignis, Gladio, Stella Nox Fleuret, and Ravus Nox Fleuret got out their swords, Rayman had his gauntlets ready and he transformed, Hector got out his massive Heaven's Maw of Judgement sasumata pike, and Me, Nico, Nicole, and Eli unholstered our massive swords and transformed, and we went after Macker's clones of Sam, Clover, and Alex, and we fired powerful blasts of rainbow energy, colored energy, elemental forces, Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, Magic, rainbow crystals, and rainbow flames and they exploded with incredible power as they hit them.

Then, Lincoln fired powerful blasts of rainbow energy and rainbow fire, and they hit the clones and destroyed them for good. We cheered wildly as we holster our weapons and power down.

Lincoln: That's it for those fraudulent clones of my future wives. (To Yvonne Qinsington) And it's so good to see you again, Yvonne Qinsington.

Yvonne Qinsington reverted back to normal, and she's a beautiful 17-year-old girl with long flowing red hair, red eyes, she's tall at 6'5" in height, she has the body of a goddess, she has massive red angel wings, and she reigned in the power of Arcana Force VII - The Chariot, and she's dressed in a red short-sleeved blouse, sleeveless red dress top, red skirt, red pants, red stockings, red sneakers, and red sleeveless trenchcoat with flame on the coattails, and Arcana Force VII - The Chariot on the back, and holstered on her back is a large Arcana Force VII - The Chariot-themed sword with a 6'10" massive, wide, double-edged red blade with Arcana Force VII - The Chariot etched on it, large red angel wings for the crossguard, large red gem embedded in the rainguard, longer black handle, and large red gem with angel wings surrounding it for the pommel.

Yvonne Qinsington: You too, Lincoln, it's been a long time.

Lincoln went up to Yvonne Qinsington and they hugged, and Yvonne Qinsington's also very surprised at just how much taller and much more muscular Lincoln's gotten since they last saw him, and they also felt just how strong he's really become.

Lincoln: It sure has, I haven't seen you when you were sixteen, and as you can see, I really grew a lot since then.

Yvonne Qinsington: I knew you have, but whoa, you sure have really grown very big and strong like a tree, Lincoln, you've really grown a lot from the eleven-year-old cute little boy into a 17-year-old 7'5" tall, very handsome, and manly teen with abnormally massive and powerful upper and lower body muscles and eight-pack abs, that's so awesome.

Nico: Wow, Lincoln, you know her?

Lincoln: Indeed I do, Nico, this is Yvonne Qinsington, she's another of my Guardian Angels from Royal Woods, Michigan, and she, like her fellow Arcana Force Gene-Slammers is a powerful psychic and clairvoyant and she has incredibly powerful mastery over the forces of fire, and you're going to like hearing this: she has an awesome and powerful vision about how she busted the most prolific serial arsonist in the country before she was about to torch The Loud House.

Nico: Whoa, we're definitely going to like hearing this later.

Suddenly, a Thunderbird of Eternal Love appeared around Yvonne Qinsington's neck with red gems on the gold thunderbolt links and red crystal links from brand-new Crystal Necklace of the Buddha which merged with her Thunderbird Necklace of Eternal Love.

Yvonne Qinsington: (Surprised) Whoa, is this…?

Lincoln: Yep, that's a Thunderbird Necklace of Eternal Love, and that means you're now part of my harem and one of my many future wives, Yvonne.

Yvonne Qinsington had a smile on her face and tears coming from her eyes, as she wrapped her arms around Lincoln's waist, and Lincoln wrapped his abnormally massive and powerful muscular arms around her, and he leaned down and kissed Yvonne Qinsington on the lips, and they returned it, and we cheered for them. Then, we went up to the seven girls, and when Lincoln saw them, he recognize the girls immediately. The seven girls are Tomoe Hachisuka, Ushio Kazama, Sumika Murasame, Miyako Taema, Manaka Akemiya, Aoi Azusa, and Aki Sekidera from Sasameki Koto.

Lincoln: Oh wow, Tomoe Hachisuka, Ushio Kazama, Sumika Murasame, Miyako Taema, Manaka Akemiya, Aoi Azusa, and Aki Sekidera.

Nico: From Sasameki Koto, awesome.

Lincoln: Are you girls okay?

Tomoe Hachisuka: Yes, we're okay, thanks to you.

Then, when Tomoe Hachisuka and the other six girls saw who it was that saved them from Macker's evil clones of Sam, Clover, and Alex, their faces turned atomic red upon seeing the 17-year-old 7'5" tall, handsome, bare-chested hunk with abnormally massive and powerful upper and lower body muscles, eight-pack abs, long wild white hair going down to the bottom of his neck and rainbow lightning bolt highlights in the bangs of his long white hair, rainbow colored thunderbird with a gold lightning bolt emblazoned on his forehead with a Third Eye of the Buddha on his forehead with rainbow iris, golden lightning bolt cutie mark with the thunderbird and comic books right on his massive and wide right pec and it's surrounded by the symbols of Fire, Water, Ice, Wind, Earth, Nature, Light, and Darkness in a circle, large Celtic Cross cutie mark tattoo in the form of the cutie marks of Twilight Sparkle, Sunset Shimmer, Rainbow Dash, Applejack, Rarity, Pinkie Pie, Fluttershy, Starlight Glimmer, and Trixie Lulamoon, surrounded by a circle were the marks of the other girls in Lincoln's harem on his wider and more muscular back, and right on top was the Earth surrounded by the ring of mermaids and surrounded by a Thunderbird, Phoenix, and Buffalo, and right below the Cutie Mark tattoo is a deep sapphire blue kanji that said, "Lincoln Landon Loud, Champion and Emissary of Hinon, Master of Lightning Storms, The Weather, The Elemental Forces, The Cosmos, and The Universe, The Loud House's Man With A Plan, Golden-Hearted Brother of Many Siblings, and Golden-Hearted Lover, Father of Many Kids, Son, and Future Husband, Descendant of The 17th Century Duke Lincoln of Loch Loud in Scotland, Destroyer of Morag McLaughlin, Destroyer of Evil, Black-Hearted, Sadistic, Delusional, Power-Hungry Bastards, Talented Comic Book Writer and Video Gamer, God of Truth and Justice, and Ambassador and Beacon of Hope to The Universe", he has deep sapphire blue eyes, a tattoo of a pepper with fire surrounding it and a kanji that read "Spiciest Man of The Loud House" on his broader and muscular left shoulder, and a Mark of Manhood tattoo of a male bodybuilder with a barbell raised above his head and around him are elemental forces and an orange kanji that read, "Lincoln Landon Loud, Strongest, Bravest, Resilient, Courageous, Handsomest, and

Manliest Warrior of The Loud Family" on his massive left muscular forearm.

He had his massive Hinon's Cosmic Sword of Universal Hope, Elemental Bravery, and Unbreakable Eternal Bonds holstered on his wider and muscular back, his large orange Crystal Saber, large orange Spellbook of The Gods and The Universe, large orange Spellbook of the Elemental Gods, and large electric blue Spellbook of the Thunderbird holstered on his left hip and his Eater of Sins revolver holstered on his right hip, the Pisces the Fish constellation and Aquarius Zodiac sign on the back of his neck and the Cygnus the Swan constellation on the back of his massive left hand, large weighted orange bands on his massive biceps and thighs with silver phoenixes on them, his large gold cuff Bracelets of The Champions of the Universe with large orange gems on his large wrists, massive and indestructible deep sapphire blue angel wings with stars and blue nebulae reflecting on them with rainbow tips on the large deep sapphire blue feathers, and he was dressed in an orange version of He-Man 2002's loincloth with hanging silver lightning bolts and long orange trenchcoat coattails with elemental forces, Thunderbirds, Phoenixes, and Buffalo on them and with hanging mini silver lightning bolts held up by his large gold Belt of Elemental Bravery with a large gold buffalo head with orange gems for eyes and a large orange gem in its mouth for the belt buckle on his waist, a pair of large blue pants with multicolored lightning bolts on the thighs with the orange kanji that said, "Savior of The Loud House, True Hero, Amazing and Powerful Student of Numerous Amazing and Powerful Teachers, Shinobi of The Hidden Leaf Village, Member of The Crusaders of The Thunderbird, Founder of Team Loud Phoenix Storm, The Unifier of The Three Kingdoms, and Destroyer of The House of Damaskinos" on the left leg, and large white leather combat boots with gold lightning bolts surrounded by a circle of smaller gold lightning bolts and armor on the toe area, silver Buffalo head stud earrings with the Thunderbird and Eternity Kanji on it, large Thunderbird Necklace of Eternal Love with colored gems on the gold lightning bolts and orange crystals from his merged large Crystal Necklace of The Buddha with a large Element of Harmony deep sapphire blue gem in the shape of a Thunderbird and a large silver Buffalo head with the Thunderbird and Eternity Kanji on its head for the pendant on his bare chest, large fingerless orange gloves with the symbol of The Loud House on it and surrounded in a diamond formation are a Phoenix, Thunderbird, Buffalo, and Angel, a large Orange Buffalo Animal Spirit Ring which merged with his Ring of The Phoenix on his left ring finger, large Blue Lantern ring on his right ring finger, he had eight large orange orbs orbiting around his legs, and circling around his feet on the floor are eight golden crosses with angelic runes.

Tomoe Hachisuka: Oh wow, you're Lincoln Loud of Team Loud Phoenix Storm.

Lincoln: That's right, and it's a pleasure to meet you all.

Then, Lincoln made six clones of himself, and he and the six clones went up to the girls, and hugged their waists in their abnormally massive and powerful muscular arms, and they lean down and kissed the girls on the lips, which they returned with equally intense passion, as they wrapped their arms around the necks of Lincoln and his clones, and we cheered wildly at the scene.

Tomoe Hachisuka: (Seductively and rubs her right hand on Lincoln's massive and wide right pec) You too, big, tall, muscular, and handsome.

Suddenly, seven Thunderbird Necklaces of Eternal Love appeared on the necks of Tomoe Hachisuka, Ushio Kazama, Sumika Murasame, Miyako Taema, Manaka Akemiya, Aoi Azusa, and Aki Sekidera with colored gems on the gold lightning bolts and crystals links from their merged Crystal Necklaces of The Buddha. We returned to the TLPS World Tree Estate and they were shocked when they found out that the villains we went after were clones of Sam, Clover, and Alex, and they were really shocked when they found out from us that Macker has returned from the dead to get revenge and he's at it with his clone project again.

But, when Lincoln showed what we did to them, everyone cheered wildly for Lincoln and the rest of us, and they hugged us, and the girls in Lincoln's harem then went up to Lincoln, and they kissed him all over. Lincoln and Yvonne Qinsington have a lot of catching up to do, now that she's back in town, but we're now made aware that Macker's returned from the dead to get revenge and he's at it with his clone project again, but this time, we're ready for him and he's going to get The Black Gates for this.

---

Garrett/Drakus: I think it's finally time to come clean about my past. My real name is Prince Drakus Hydrax. Only child of Queen Pyrani Hydrax and King Volteus Hydrax of Drakonia, a glorious planet full of great warriors that was destroyed by an evil hammerhead shark robot by the name of Charybdis, who was the reincarnation of Brainiac himself when I was a baby.

We gasped in shock from that.

Lincoln: What?! That's horrible!

Eli: My God.

Nico: That monster!

Superman: Even now he cheats death.

Superman told the X-Squad about Brainiac. And they didn't like it one bit.

---

Brainiac was the planetary supercomputer of Krypton until it left shortly before the planet's destruction and traveled the galaxy in pursuit of knowledge. He destroyed the sources of the knowledge to increase its value and sought to apply this to the entire universe to complete what it perceived as its function and purpose, making it a nemesis of Superman.

History

Brainiac was the planetary-wide supercomputer of Krypton. While Jor-El was working, Brainiac appears on screen and demands for his collected data. Jor-El then angrily complies. Jor-El reports the findings to Krypton's ruling council, insisting that the planet will explode soon. The council turns to Brainiac dismissing Jor-El's findings and explains that Krypton is only undergoing a temporary orbital shift. Jor-El warns the council that their blind dependence on their omniscient central computer will doom them all. But the council is openly outraged when they hear his rescue plan: to send the entire population into the Phantom Zone-a penal dimension housing vicious criminals and creatures-and then release them on a different planet. In spite of Brainiac, Jor-El still believes Krypton will soon explode. Jor-El breaks into Brainiac's central unit and discovers that Brainiac lied so that it could secretly download itself into a satellite and escape the planet's destruction, rather than be ordered to waste time preparing an evacuation plan. According to his programming, the survival of Krypton's knowledge is more important than that of its people. It sensed the imminent destruction of the planet. But rather than warn others, it chose to save itself and the collected records of Krypton. In its mind, as long as the records of Krypton existed, the loss of the planet itself and all its living inhabitants was acceptable. It also knew that if word of Krypton's impending doom escaped, it would be forced to calculate a way to stop this, which Brainiac knew to be impossible as it wouldn't have time to save all of Krypton's history and would only distract it from the more essential task of saving Krypton's records. Jor-El is tempted to destroy Brainiac then and there, but Brainiac convinces the scientist to hold back, reminding Jor-El that, without Brainiac, the planet's legacy will be erased forever. Jor-El's hesitation allows Brainiac to summon a squad of security guards, advising them to use deadly force against Jor-El but narrowly manages to evade them and returns home. Before Krypton exploded, Brainiac uploaded its core program and all of the collected data to an artificial satellite.

Years later, it was discovered by an alien spacecraft which Brainiac then hijacked then killed the crew of the ship. It began to explore the universe. Each time it came to an inhabited world, it would upload all the knowledge it could from that world then destroy it, decreasing the number of beings that have access to the knowledge made it that much more valuable and destroying the planets ensured no new information would be created. Along with raw data, it also assimilated whatever useful technology it could find, improving itself with every world it visited.

Brainiac eventually made its way to Earth under the pretense of a peaceful exchange of knowledge with LexCorp. He revealed that he was another survivor of Krypton, getting the attention of Superman. But through the information from the cultures that Brainiac destroyed, Superman concluded that Brainiac would do the same to Earth and destroyed his ship with the help of Lex Luthor. Although Brainiac was believed to have been destroyed, the data that Brainiac had downloaded into LexCorp's computers was not alien knowledge but a copy of Brainiac's programming.

One copy used LexCorp's automatons to construct a new body. However, since the automatons were not advanced enough to perfectly fine-tune the body, Brainiac tricked Luthor into entering the room to require Luthor's hands. Luthor was locked in and forced to complete Brainiac's body. Luthor knew that once Brainiac was done, he would kill Luthor and refused to continue when thesupercomputer's body was in the final stages. However, his body was developed enough that Brainiac was able to enter it and finish building itself. Brainiac fired a blast at point blank range at Luthor that apparently failed to kill LexCorp's CEO. Superman arrived and was able to defeat this copy by magnetizing it so that the attracted metal would completely overwhelm him. The body was taken into LexCorp's possession.

After LexCorp formed a partnership with Wayne Enterprises, another copy built a new body and was able to control Bruce Wayne through nanotechnological machines implanted in an office phone which entered the ear to infect Wayne Enterprises' CEO's brain. When crime in Gotham City increased, Superman and Robin eventually deduced that Wayne was under Brainiac's control and that it sought to use Wayne Enterprises' technology to leave Earth. While it was able to launch its ship, Superman managed to destroy the ship and its passenger.

## Apokolips

This was still not the last of Brainiac. Somehowsurviving, the robotic villain succeeded in escaping into space. In his new journey throughout the cosmos, Brainiac found his way to Apokolips. His timing couldn't have been worse as Darkseid was facing a considerable military disadvantage following the feud with New Genesis. So before Brainiac could absorb his planet, Darkseid proposed a bargain that could satisfy both parties: Darkseid would capture Superman for Brainiac and Apokolips would be spared in exchange. Brainiac accepted and both forces engaged in a fake battle to convince the Justice League that they were in fact on opposite sides. Brainiac allowed them to believe that they succeeded in deflecting his invasion and he retreated. This was, however, a tactic to lure the League into his headquarters - a giant asteroid shaped in his likeness.

Inside, Brainiac renewed his offer to Superman to join him in carrying on the legacy of Krypton which the Man of Steel promptly rejected. Upon this, Brainiac summoned an army of replicas and fought the Leaguers. After Darkseid boom tubed inside the ship and subdued Hawkgirl and J'onn J'onzz with just a few blasts, the allied villains combined their powers to overwhelm Superman and Brainiac took his nemesis into his headquarters' central core. There, he explained to Darkseid that he had finally reached the limits of his programmed functions after years of data gathering and needed to evolve to the next level but he needed to extract living DNA from the last Kryptonian, thus becoming a true life form. But when Brainiac let his guard down during the procedure, Darkseid took the opportunity to hack into its control circuits and took over Brainiac. In spite of being self-aware, Brainiac was compelled to obey Darkseid and so he fought off the League. Batman managed to disrupt Brainiac's program, setting off a chain reaction that culminated in the obliteration of the asteroid headquarters. Both Brainiac and Darkseid were destroyed. All that was left of him was a piece of alien metal which the League took into custody and kept in stasis aboard the Watchtower.

## New enemies

When a cosmic anomaly strikes the Watchtower and caused a power failure, Brainiac was able to escape and began taking over the Watchtower's computers. Static was tapped to help recharge the generators. After sending the Justice League members off with a fake distress call, Brainiac attempted to eliminate Static and Gear so he could then transform the Watchtower into his new body and proceed with his plans of collecting the data on Earth and destroying the planet. Fortunately, while the League did battle with the Watchtower's defenses outside and Gear overloaded the computer by downloading music into it, Static was able to drain the core of the Watchtower and seemingly deactivated Brainiac. But Brainiac managed to download itself into Gear's Backpack droid and later turned Richie Foley into a cyborg under its control. Brainiac proceeded to use Richie's hands and technological skills to build a warship and to take over the League one by one with small implants. However, Static's electrical powers shorted out his control disk and he soon freed the League as well. Meanwhile, Richieattempted to fight back and to tell to his friend the means by which to defeat the rogue program: Backpack's remote control had an off switch. Static eventually discovered it and was able to stop Brainiac's scheme at the source, saving Earth.

## Fusion with Lex Luthor

Unknown to anyone, Brainiac's point-blank blast years prior wasn't intended to kill Lex Luthor, but instead placed a nanotech copy of his program inside the billionaire's body. Since then, Brainiac had laid dormant, subtly influencing Lex's actions and protecting and improving his host's body - giving super-strength and curing the Kryptonite induced cancer. During the chaos of the Cadmus Crisis, Brainiac's ultimate goal consisted in having Lex build a super-powered android body based on the Amazo android and finally transferring himself into it. But after Amanda Waller destroyed the android and when the core Justice League members confronted Lex, Brainiac was forced to emerge from within his human host's body. With full control of Lex's body, Brainiac engaged them and attempted to digitize their inner selves, but was foiled by J'onn J'onzz. So Brainiac had Lex summon a giant spaceship that kept the League occupied, allowing them to flee. Brainiac intended to pursue the fulfillment of its program: recording information and destroying the original. However, seeing the potential of a partnership between the two, Lex offered it a purpose beyond that of its limited programming, and proposed to combine Brainiac's vast information and resources with his own imagination. They broke into Cadmus and assimilated the Dark Heart technology into their database. This way, they could control the nano-assemblers into converting any raw material into whatever they wished. Given its failed liaison with Darkseid, Brainiac didn't fully trust Lex so they agreed to completely merge into one single being using the nanotech. Now one being, Brainiac/Luthor set off to build a machine that would absorb the information of the entire Earth then the galaxy (Brainiac's goal) and finally reshape the universe to their will (Lex's goal). When the seven founding League members stepped in, Brainiac created nanotech duplicates of himself to hold them off, but Lex decided they could do better than that and had the android replicas morph into the Justice Lords. Even though the League overpowered their android counterparts and destroyed the absorption machine, Brainiac/Luthor managed to subdue them. When 'they' decided to kill the Flash due to believing it would cause events similar to that of the Justice Lords' universe, Flash managed to break free and seemingly ran away. Brainiac/Luthor then attempted to reassemble his absorption apparatus but was attacked by Flash tapping into the full power of the Speed Force, and physically dismantled Brainiac from Lex.

After the defeat, all that was left of Brainiac was a small piece of its body, which came into Grodd's possession. Luthor himself continued to speak to Brainiac's consciousness, apparently still existing within Luthor's mind. Brainiac apparently enjoyed the brief time they were merged. After breaking out of prison,Luthor was picked up by Grodd's Legion of Doom and convinced to join with the promise of getting his hands on Brainiac's fragment with which he could reconstruct and re-merge with it.

After usurping the Legion's leadership from Grodd, Luthor remained unable to unlock Brainiac's fragment for some reason, until Tala located the quadrant of the universe where Brainiac and Darkseid had been destroyed. In a last attempt, Luthor used Tala's mystical properties to reconstitute Brainiac from the debris, but unwittingly resurrected Darkseid instead. When the surviving Legion members returned to Earth and allied with the expanded Justice League to stop Darkseid's attack on Earth, Luthor claimed to no longer be able to hear Brainiac inside his head.

In the future

Some time before 2979, Brainiac learned how to pass its code down biologically, eventually resulting in Brainiac 5. In 2979, Brainiac opposed the Legion of Superheroes and traveled back to the past to destroy a teenage Clark Kent before the youth would become

Superman. Thanks in part to Cosmic Boy, Chameleon Boy andand Saturn Girl, Clark defeated Brainiac and teleported it into the Sun, where it was incinerated.

---

When he was done, the newer X-Squad members were shocked.

Andrea Davenport: Okay, once we meet him, we take him down together.

Drakus: Yeah, we'll make him pay for what he did. Anyways, I ran to an escape pod and had to watch as my home was burnt to nothing. My heart and soul sank, that lunatic really did it. When I told Anubis 2 of what happened, everyone was shocked. Cyclonis comforted me and we had a talk on what to do, I didn't want to be humiliated by what Brainiac did to me, but to know that I'm now an orphan and lost my chance for the throne, my future was now uncertain.

Aligned Megatron: Know this, once we track Charybdis down, I would like to do my part in giving that monster a thrashing. Primus knows it's long overdue!

Lana: Besides your highness, there's one thing that you are really good at?

Drakus: Just call me Drakus. And what is that I'm good at.

Lana: You may be a sociopath, and yet you give people hope. You are sulking like this because you were traumatized. You shouldn't give up on yourself because of everything that happened with Brainiac. You've done so much good. (Hops on the table) Your hope that you have comes from here. (Places hand on my chest).

Drakus realized that he was such a fool! He realized that he was giving my hopes up over something that happened years ago.

Drakus: (Perks up and with an arcane voice) THOU ART RIGHT!

Drakus got up.

Drakus: I was being a fool! I cannot let what happened in the past affect me and I shall ensure my destiny is resolute! I care about thee like my family and I shall never give it up for anything!

Nico: Welcome back bro!

Eli: YEAH! Good to have you back!

Everyone cheered for Drakus!

* * *

After dealing with the Time Instability in 1700s Germany and Drakus revealing everything, we were training intensely in the gym, this time, doing 150,000,000 reps of crunches, wing push-ups and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 9,500-lb barbells, squats, and going a few rounds with the punching bags, and we were really sweating like crazy, even doing yoga to clear our minds, and when Yvonne Qinsington saw Lincoln working out like crazy, she had an atomic red blush on her face.

Yvonne Qinsington: Whoa, I was right that Lincoln has really grown to be a 17-year-old 7'5" tall, really big, and really strong man, just look at those abnormally massive and powerful upper and lower body muscles and his eight-pack abs hard at work, and working out with those 9,500-lb barbells and he's not even get tired, incredible.

Lincoln: Yep, and I've also trained a lot under some very powerful teachers, J.D. and Nico included, Yvonne, and now, I can also defend myself, and in addition to getting stronger, I've also gotten smarter as well.

Yvonne Qinsington: That's incredible.

Nico: It sure is. So, Yvonne, how did you stop a prolific serial arsonist in the country before she was about to torch The Loud House?

Yvonne Qinsington: You'll like hearing this, but you're not going to like the person behind it. I was walking through Franklin Avenue one day, but then, I had a vision: I saw that an arsonist was about to torch The Loud House with Lincoln and his family in it. But, I wasn't going to let that arsonist get away with it, I rushed on over and pulverized her before she tried to set the fire, and then I tied her up, and I called the cops. When the cops saw the arsonist tied up, they were surprised: the person I captured was Audrey Monroe, and from what I heard about her and from her criminal history, she's the most prolific serial arsonist in the country who set many living dwellings on fire with people still inside, which led to their deaths, and she got a sick thrill from it. And when I looked even closer at her criminal history, I discovered something disturbing: I found out that Audrey Monroe is the only daughter of Daniel Derek Monroe, the serial killer who murdered Samuel Loud on Halloween decades ago, and from what we found, she's been following in her dad's footsteps, and she wanted to finish what her dad started: killing all of the Louds. The cops took her away, and because she was 18 at the time of her arson murder spree, she was tried as an adult and she was convicted and found guilty of her crimes, and she was sentenced to multiple terms of Life in Prison Without Parole plus 53,283 years. And ordered to pay $283,847,999,999 in restitution. She started over 40,000 fires in 6 states, 75 died many were wounded and she caused billions of dollars in property damages.

We cheered for what Yvonne did, but we were horrified by the revelation about Audrey Monroe.

Nico: Whoa, this girl is completely sick and deranged, just like her father.

Lincoln: And to find out that Audrey Monroe's the daughter of that serial killer, Daniel Derek Monroe, the same murderer who thought he killed Grandpa Samuel on Halloween decades ago, she's just like her father in every way.

Me: She deserves to spend the rest of her life in prison for what she's done, not to mention following in her dad's murderous footsteps.

Lynn Sr.: And she tried to finish what her sick father tried to do: kill me and my family. What a monster.

Carly Morgan: Speaking of insane killers, Lincoln, I think it's time for us to confront my mom, and see how really far gone she is.

Lincoln: Okay, Carly.

We got a shower afterwards, and after that, we were heading to the Saturn Insane Asylum, and we're going to confront Carly Morgan's mom, who's been exposed as Cora Wellington, the convicted and completely insane patient who was sentenced to Life in a Maximum Security Psychiatric Institution for the criminally insane without possibility of parole for the murders of six kids and six husbands back in 1998, but escaped on December 14th 2002.

Lincoln: So, we're here in The Saturn Insane Asylum, and we're going to find out just how really far gone Carly's so-called mom is.

Nico: That's right, but from what we'd seen from what happened with Nikki's insane mom, I'm going to guess just Cora Wellington is the same.

Me: I was about to say, Nico. But, Carly did say that she needs to confront this matter head-on.

Lincoln: After you found out who Mrs. Morgan really is yesterday, J.D., this really stung Carly to her heart. This just proved how evil Cora Wellington really is, not to mention completely insane.

Doctor: And from what we've seen, Cora's condition is tragically incurable, and she can't ever be set free ever again, because she could do the same to another family.

We then head for Cora Wellington's padded cell, and what we saw was really disturbing: we saw the words "Kill Carly Morgan and Her Father" and "Kill All Kids and Husbands" written in blood, along with other hateful messages, this was proof of just how really far Cora is.

Lincoln: (Horrified) My God.

Lori: Her mom really is that insane and evil.

Me: And those words written in blood are proof of it.

Lincoln: She got caught for the murders of the six kids and six husbands back in 1998, but four years later, she escaped from the Insane Asylum, and by getting plastic surgery, she eluded the authorities for twenty years. But, she would eventually be sent back to the nuthouse for good, but this time, to the Saturn Insane Asylum, where she'll never get out.

Then, we saw Mrs. Morgan, or should we say, Cora Wellington, but her black hair's now a mess, she's in a rainbow energy straitjacket and rainbow energy chains, so she can't escape, and she's chained to the wall of her cell.

Nico: So, that's Carly's mom.

When Carly's mom saw us, especially her daughter, her eyes were completely red with insanity and hatred, and she was ranting like crazy.

Carly Morgan: Now, I know that you're still completely insane as the very day I came to visit you, but now I know the truth about you, Mom, or should I say, Cora Wellington. I thought you truly loved me, but I was wrong, you tried to kill me when you crashed the car through the wall, and you tried to kill me when you broke into my room. But, I'm glad Dad stopped you before you could kill us both, and we'd be made your next victims. You deserve to spend the remainder of your life here in the Saturn Insane Asylum for what you did to the six kids and six husbands you murdered back in 1998, and I'm here to say this: you are no longer my mother, you are a heartless, hate-filled, and completely insane monster who has no love for anyone, and you deserve to die here in this asylum cold and alone, and I hope you suffer in Hell for all eternity.

We cheered for what Carly Morgan did, and this set her now ex-mother off, but we left the Asylum before she could go off badly.

Sam Simpson: That was really awesome, Carly.

Clover: And you finally cut your ties with your so-called mom.

Carly Morgan: Thanks, girls, and I'm glad I did so. What she did 24 years ago proved just what kind of monster she is, and if she dares to break out, I'll be waiting to send her right back.

Alex (Totally Spies): Yeah, and we'll also be ready if Macker shows up. Oh, Linky, it's time for our date.

Lincoln: Right, and that's also another way to marked you three from the clones: only you three call me by the nickname my sisters gave me long ago.

Nico: (Smirks) Especially if they do so in a seductive tone, big guy?

We shared a laugh.

Lincoln: Especially that, Nico.

---

After coming back from the Saturn Insane Asylum, Lincoln and his harem are getting ready to head to Wave Ocean in Soleanna.

Lincoln snapped his fingers, and the 17-year-old 7'5" tall, white-haired, handsome, and extremely muscular teen was dressed in large orange swim trunks with a phoenix, thunderbird, buffalo, angel, and elemental forces on it, along with his large weighted orange bands with silver phoenixes on his massive biceps and thighs, his jewelry, large orange sandals, and eight large orange orbs orbiting around his legs, and he also had his weapons holstered, in case of trouble, especially with Macker's clones running loose, and Lincoln's harem were dressed in two-piece bikinis in their favorite colors, sandals, along with their jewelry, and they also had their weapons holstered in case of trouble, in case of Macker's clones running loose.

Lincoln: Alright, ladies, shall we?

Sam Simpson: Of course, Linky.

Lincoln and and his harem headed for Wave Ocean, and when they arrived, it was an awesome beach side resort just outside Soleanna's capital city.

Alex (Totally Spies): Whoa, what is this place?

Lincoln: This, Alex, is Wave Ocean, an awesome beach side resort outside of Soleanna's capital city, Sonic and the others told me about this place, and I figure it's an awesome place for our date, and we'll also be ready for Macker's clones if they show up. Shall we?

Then, Lincoln and his harem dived right into the water, and they were swimming in the large ocean. Then, when they got to the surface, Lincoln got a deep tissue massage from the girls in his harem, and he returned the favor and he gave the girls a deep tissue massage in return. Then, they had lunch that Lincoln packed, and they sat in a picnic area that Lincoln made. Suddenly, Lincoln sensed something, and he fired three rainbow fire blasts, which hits a nearby bush, and exposed more clones of Sam, Clover, and Alex sent by Macker to kill them, but Lincoln and his harem wasted them, and killed them. Then, as the sun was about to set, Lincoln made clones of himself, and Lincoln and the clones went up to the girls in his harem, and they pick them up in their abnormally massive and powerful muscular arms, and as the sun turned orange, they passionately kissed and hugged with supercharged and intense passion. Then, they came back home to the World Tree Estate, and they were in their original clothes.

Nico: Hey, gang, how was your date?

Lincoln: It was awesome, Nico, we went to Wave Ocean in Soleanna.

Me: Whoa, I remembered Sonic telling me about Wave Ocean in Soleanna, and it's an awesome beach side resort. But, I can guess you guys also ran into trouble, right?

Lincoln: Yep, Macker sent more clones of Sam, Clover, and Alex after us to kill us, but we wasted the clones and pissed Macker off even more.

Clover: Now, it's personal.

Sam Simpson: Macker's not going to stop until he's gotten his revenge, but we're ready for him.

Lincoln: That's right, and here's how we'll be ready for him.

Lincoln summoned a bunch of detector watches, and he inserted in the DNA samples of the clones.

Nico: Whoa, what are these?

Lincoln: These are clone detectors, I asked Lisa to make these for all of us, and all she needed are the DNA samples of the clones created by Macker, and how perfect that we ran into more clones of Sam, Clover, and Alex in Soleanna, and after we wasted them, we acquired the DNA samples of the clones.

Me: Nice.

We then put on the fake clone detector watches, and they merged with our large gold cuff Bracelets of The Champions of The Universe, and we'll be able to track down the clones of Macker, along with Macker himself.

---

Later it was time for Lillian's final Ambassador Mission. You thought that would be the end of it after we blew up Yggdrasill right? WRONG! We still have many of their enemies to deal with after all that.

Me: I have a feeling we're going to be finishing Lillian's missions with a bang.

Nico: Me too.

William: Anyone else want to go with Lillian? Besides 2012 Leo and 4 Rabbids?

Twilight Sparkle: Me and the girls and the princesses will go.

Me: I actually requested to have them come with because I have something awesome planned for them.

Princess Celestia: I have a feeling this will be an interesting trip.

Nico: It sure will. Also the Gaim Kamen Riders are gonna be honored to meet one of the 2012 Turtle Brothers.

2012 Leo: It sure will be awesome.

Nico: Yep. Lets head out.

We were off to Japan!

We arrived.

Kouta: Hey guys!

Me: Hey Kouta.

Lillian: Kouta, meet the Mane 10.

Twilight Sparkle: It's an honor to meet you all. My name is Twilight Sparkle and I'm the Princess of Friendship and the Magic Skylanders.

Sunset Shimmer: I'm Sunset Shimmer, Princess of Forgiveness and the Fire Skylanders.

Applejack: I'm Applejack, Princess of Honesty, Apples and the Earth Skylanders.

Princess Celestia: And I'm Princess Celestia, Ruler of Equestria and

Princess of the Day and the Light Skylanders.

Kouta: Wow! It's an honor to meet you all your highnesses.

Twilight Sparkle: You don't have to be formal to us.

Me: They are part of a team that I founded for them when we first met them in Equestria after the Great War with the Royal Defenders.

Nico: That was one of the most amazing battles we've ever had.

Me: Yep. Also this is one of the 2012 Turtle Brothers.

2012 Leo: Awesome to meet you guys. I'm Leonardo. But you can call me Leo.

Kouta: Pleasure to meet you.

Kaito Kumon: (to Cornelia) You should be proud of how far your sister has come, Cornelia.

Cornelia: Oh I am more than just proud. I'm really lucky to have an awesome sister like Lillian.

Megan McCallister: We all are proud of her. She has been a big help to all of us ever since we killed Phobos.

Nico: She sure has.

Me: Yeah she sure has. We're proud of her.

Sunset Shimmer: We sure are.

Me: Also the reason we have the Mane 10 with us is for this.

I pulled out 10 Lockseeds for them. And Apple, Blueberry, Strawberry, Papaya, Zap Apple, Guava Fruit, Dragonfruit, Passionfruit, Sunfruit and Kiwi Fruit.

Me: These are for you girls.

Twilight Sparkle: Wow! Thanks!

Sunset Shimmer: This is gonna be so awesome!

Fluttershy: Oh it sure will be.

Sunset Shimmer: (sees someone) Kaito, I didn't you know you learned to make Shadow Clones already.

Kaito: What do you mean?

Me: Uh look behind you.

He saw Shapool!

Kaito: Shapool!

Shapool: Kaito!

They hugged.

Shapool: You're more happier then usual.

Kaito: Let's just say that I've been given a second chance at life.

Shapool: I can see that. So awesome.

Me: Wow! You two look like twins.

Shapool: Team Loud Phoenix Storm! It's an honor to meet you all in person.

Nico: You too Shapool. It's an honor.

Will Vandom: I take it you heard about us blowing up the Yggdrasill tower.

Shapool: I sure did and that was really awesome!

Kaito: I take it this isn't a social visit.

Shapool: I don't know how it's possible. But Alfred's somehow come back.

We gasped in shock!

Me: OH MAN!

Nico: I had a strong feeling it was going to be him that we're going to face.

Me: Nico actually had a premonition that we would be facing him.

Eli: Yeah. But I have a feeling he will be coming shortly.

Shapool: (to Zack) Zack, I'm sorry if my actions caused you to get hurt.

Zack: It's fine. You didn't know what would happen.

Me: That's good. We actually are starting to recruit members of the Kamen Riders into the Redemption Squad and the Masters of Evil. So far we met the Hibiki, Kabuto, Den-O, Kiva, OOO, Gaim and now the Decade Kamen Riders. Nuju the Toa Metru of Ice starts his Ambassador Missions with the W Kamen Riders in 2 days.

Shapool: That is really cool.

Me: It sure is.

Sunset Shimmer: That is so awesome.

Kaito: (to Kouta) Kouta, you don't have to help me with this. I'm one of the people he wants.

Kouta: True. But you're part of my team now. And NO ONE messes with my team.

Me: And just like us Kaito, you are part of the redemption squad too. Same with Mitsuzane, Yoko and Zack. You guys are part of the team and we are more than just a team.

Nico: We're an awesome and powerful family.

Eli: That's right.

Lillian: Because there are 2 forces that Helheim or Alfred can never destroy: Friendship and Love.

Nico: That's right.

Me: Yeah.

Nico: Lets see if we can go find Alfred.

We were off.

In the middle of the part we were facing ALFRED!

Me: So we meet at last Alfred.

Nico: For the first and last time.

Eli: Yeah!

Alfred: Give me Kaito and Shapool and I'll kill them both. But the rest of you will live.

Kouta: Like Hell we will.

Me: You want to get to them then you will have to go through us.

Kouta, Kaito, Shapool, Zack, Mane 10, Megan Kiraton, Yoko Minato, Mitsuzane, and Lillian: Henshin!

LOCK ON!

ZZZZZIIIIIPPPP!

We donned our awesome fruit armors!

Nico: YEAH!

Sunset Shimmer: Wow! This is so awesome!

Applejack: YEEHAW! This is amazing!

Twilight Sparkle: Yeah it is!

Rarity: Oh my darlings this is so amazing!

Princess Celestia: This is really cool!

Princess Luna: This is amazing sister!

Rainbow Dash: This is AWESOME!

Kouta: Time to access Kiwami Arms.

Lock Open! Kiwami Arms! Dai! Dai! Dai! Dai! Dai shogun!

He donned his awesome Samurai Orange Shogun mode!

Nico: AWESOME!

Will: Vandom: Time for us too. GUARDIANS UNITE!

The Guardians transformed!

Will Vandom: (ENERGY SURGES) THE HEART!

Irma Lair: (WATER SPLASHES) WATER!

Taranee Cook: (FIRE BURNS) FIRE!

Cornelia Hale: (VINES GROW) EARTH!

Hay Lin: (WIND BLOWS) AIR!

Elyon Brown: (CLOCKS TICK) TIME!

Megan McCallister: (STARS SHIMMER) SPACE!

Nico: It's buttkicking time!

Alfred: You made a bad choice siding with Team Loud Phoenix Storm, Kaito. You should've just stuck with the strongest side. (tries to punch him)

Kaito: (grabs fist) Team Loud Phoenix Storm ARE strong. Stronger then me. (smirks) And much stronger then you.

Kaito punched him in the face and then I knocked him up and smashed him all over the place.

Me: And another thing, without Yggdrasill, you are nothing!

Nico: Yggdrasill is gone now and we blew it to kingdom come.

Cornelia Hale: That's right.

Me: And another thing, the love of money is the root of all evil. So many people suffered all because of you.

2012 Leo: You give butlers like Alfred Pennyworth a bad name!

Alfred: Then I guess this Alfred Pennyworth is weak!

Me: Oh he is stronger than you ever will be!

POW BIFf sLASH!

I punched and kicked him all over.

2012 Leo: As Mikey would say, "Bookyakasha!" (charges at Alfred)

He slashed and cut Alfred in his cheek with his swords!

Nico: Nice one!

Alfred: You'll pay for that! HENSHIN!

He transformed!

"Soda! Dragon Energy Arms! (Fast techno music)

Me: Now that's more like it!

Kouta: So, you fight us like that? It won't make any difference!

Alfred: We'll see about that.

Me: Then it's time for me to spice things up.

LOCK OPEN!

I activated my FRUIT BASKET LOCK AND IT WAS READY!

I turned into another AWESOME ULTIMATE GAIM RIDER!

Kouta: WHOA! YOU HAVE ONE OF THOSE TOO J.D.?!

Me: I sure do. Showed it to the Kiva Kamen Riders 2 weeks ago.

Nico: He sure did.

Kouta: Then in that case.

LOCK OPEN!

He donned his awesome FRUIT BASKET KAMEN RIDER FORM TOO!

Me: YEAH!

Nico: AWESOME!

Alfred: WHAT!?

Me: Lets kill this son of a fucking bitch together!

Kaito: This is for Shapool and just for pissing me off when you tried to have him killed the first time!

Nico: And for everything you have done!

All of us: FRUIT ELEMENTAL KAMEHAMEHA!

WE FIRED A MASSIVE RAINBOW FRUIT FIRE KAMEHAMEHA AND IT SLAMMED INTO ALFRED AND COMPLETELY OBLITERATED HIM IN AN INSTANT AND THEN TURNED HIM INTO AN

ENCHANTED FRUIT AND HELHEIM LOCKSEED TREE! HE WAS NOW CURSED TO BE IN THAT TREE FOR ALL ETERNITY!

Eli: OH THAT IS COOL!

Lillian Hale: In the immortal words of our boss Nico…

Nico: Alfred, you have failed this planet!

We cheered wildly!

Yoko Minato: Wow! That was true teamwork!

Sunset Shimmer: But that was so awesome!

Starlight Glimmer: Wow! That was so exhilarating!

Rainbow Dash: That was AWESOME!

Me: You girls really had a lot of awesome fun as Gaim Kamen Riders.

Nico: Lincoln is gonna love hearing about this when we get back.

Kouta: Lillian, I know Cornelia is probably gonna want my head for this. But ever since I met you, I've seen you as the little sister I've always wanted.

Lillian: Really? Oh Kouta!

She hugged him.

Cornelia Hale: That is so sweet!

Maria McCallister: Looks like we both have a brother now Cornelia.

Cornelia: We sure do.

Nico: But this was really awesome though. And Alfred is now cursed to be a tree in the middle of the park forever.

Me: And the Helheim fruit on this tree is edible for humans now too. They won't turn into Inves like in the Helheim Forest.

We later came back.

May: Hey guys how did it go?

Me: Really awesome.

We told everyone everything and it was really cool!

May: Oh that is awesome!

Laney: Yeah it is!

Nico: Alfred is now cursed as a Helheim tree in the middle of the park for all eternity.

Me: His ultimate price for messing with us and for trying to kill Kaito and Shapool.

Lana: Good riddance.

May: Nuju, for your first mission, Troy should go with you.

Nuju: I'm looking forward to this one.

Troy Burrows: Me too! This is gonna be a super mega experience for me.

Me: Me too. I can't wait to meet Philip and Shotaro.

Nico: Me too.

Me: There was also a Kamen Rider Skull that I remember seeing. That was really awesome.

Lola: That was a cool one.

---

Lois: Stewie, sweetie. You said you had something to show us?

Stewie: I sure do. It's a pig.

Brian: Oh no.

We saw a huge pig and he had big and muscular arms and fists for front legs!

Pig: Oink!

Me: Whoa!

Brian: Oh my god!

Eli: That is an awesome and strong one.

Muscle Pig: Oink.

Linka: Oh my God!

Stewie: Yeah, he's something, isn't he?

Maria: Are those fists?

Stewie: Damn right! Pig, why don't you demonstrate to the toughest of the Louds?

POW!

He punched Lynn in the stomach.

Lynn: OOF! Wow!

Dead End: I'm surprised you bred a pig like this.

Me: Me too. This is really awesome.

Applejack: He sure is an amazing and handsome pig too.

Fluttershy: He sure is too.

Lola: I agree.

Lynn: (Groans) Ouch! And strong too.

Lana: Yeah but he is cool.

Kup: And you got him in another universe?

Stewie: I sure did. He was what lead to the start of me showing Brian around the Multiverse.

Me: I remember hearing about that from you guys when me and Zarya were in the Ridonculous Race.

Zarya: That was really cool to hear about.

Me: Yeah it sure was.

Nico: We had a blast on that one. It was awesome.

Eli: We sure did. And we kicked ass in the Sorority World, Pirate World and Alien Chicken Worlds.

But then the computer opened up and then we all got sucked in to a tube!

Me: WEEEEEEE!

Pinkie Pie: WEEEEEEEE!

Stacy Bolton: WEEEEEEEEE!

We landed in Jerry's office.

Jerry: Hello, everyone. (sees the pig) Is that a pig?

Discord: He sure is! What do you think?

Jerry: He's unusual. But as long as he's a big help on missions like these, I'm not complaining.

Pig: Oink.

Me: Hello Jerry. Been a while.

Nico: Yeah sorry to drop in like this.

Jerry: No worries. I'm afraid I have bad news for you all. Your old enemy Macker has returned.

We gasped!

Me: I thought we were rid of him after he cloned the girls and we poisoned him and sent him into the Null Void. But at least we were made aware of him.

Jerry: Somehow he has returned from the dead.

Camie: Who is Macker?

Me: You would not like this guy one bit. But his body is really impressive now after what happened to him the first time.

I went over his history.

---

Macker was a villain who appeared in the episode "The Fugitives".

During a previous mission, he had gotten into a fight with the spies while attempting to break into a safe. Sam tackled him, sending him falling over the railing.

Attempting to hang on, Macker took several pieces of hair from Sam, Alex, and Clover, using them as a means of hanging on for as long as he could. However, seconds later, he fell off the ledge as the spies looked on, with Macker suffering injuries so severe that the left side of his body had to be almost completely replaced with cybernetics.

After that, he was imprisoned but his grudge against the girls became overwhelmingly strong. Fueled by thoughts of exacting revenge against the spies, Macker escaped from prison and using the hair he had gathered from the spies, he created hundred of clones of the spies using the strands of their hair he ripped off when he fell.

Having created the clones, Macker ordered them to loot the world's central banks, all for the sake of destroying the spies's lives as they had tried to destroy his although Sam, Clover, and Alex intervened, successfully stopping Macker's plan of revenge as they destroyed the transmitter, preventing the clones from carrying out Macker's plan.

Macker along with the clones were all later caught by a WOOHP helicopter with Macker being imprisoned.

---

When I was done everyone that hadn't heard about it was shocked!

Eli: Oh man!

Twilight Sparkle: That is horrible! And you guys faced him before?

Nico: Yes we did and it was 3 years ago.

Nico told everyone what happened during the events of chapter 732.

---

It starts in the Estate. We were watching TV and playing card games.

Maria: So, Horsea. How did you end up in Narnia before you and I first met?

Me: That's what I was wondering myself.

Horsea: Well, I was being chased by some Tentacool. They were really angry with me for stealing some of their food. I was running scared for my life and then a strange vortex opened up. I was sucked into it. Next thing I knew I wound up in Narnia.

Maria: And that's where I found you.

Horsea: I'll never forget the day we first met, Maria. If I hadn't met you, Jadis would've found and killed me.

Maria: I'm glad I did.

Everyone: Awww.

Me: That is so touching.

Then the crime alarm went off.

Computer: Warning. 211 in progress at the Gotham Royal York First National Bank.

Me: Again? That bank needs better staff and security.

Maria: We better go see. Ready Nico?

Nico: You know it.

They were off.

---

At the Gotham Royal York First National Bank, they busted in.

Nico: Hold it right there… (Gasp)!

They saw that the bad guys were SAM, CLOVER AND ALEX! WHAT THE HELL IS GOING ON!?

Maria: Sam? Clover? Alex? What are you three doing?

Clone Alex: What does it look like we're doing?

Maria: It looks like you three are taking something that doesn't belong to you. But there's got to be more to it than that.

Clone Sam: Maybe we just got tired. Tired of being in the same old routine of having all these gadgets and having nothing to show for it.

Maria: But you girls are heroes. And that's what heroes do!

Clone Clover (laughs): That and a dollar will get you an ice cream cone. You'll see what I'm talking about. Maybe not now but in the future.

Maria: I already know what you three are talking about. I've been down that road before.

Nico: I don't know Maria. Something is seriously wrong here.

But then Clover started twitching uncontrollably.

Nico: What the?

All three of them started twitching uncontrollably.

Nico: That's not right. (Gasp) You three are not the real Sam, Clover and Alex! You're clones!

Maria: Poorly built ones from what I can see. But we've dealt with something like this before. But they were robot versions of us.

Bank Teller: We heard about that. Boy it's a miracle you all are okay.

Maria: Thanks sir.

Nico (to the clones): We're letting you go back to your boss. So you can tell him that if he wants to ruin Sam, Clover, and Alex's reputation, he's got another thing coming.

Clone Sam (narrows her eyes): If you're going to threaten us, you better be damn sure you can deliver. (the clones are about to walk away)

Nico: I've helped kill the likes of Nerissa, Skeletor, and G1 Megatron. (the clones stop in their tracks) I killed Dan Phantom when Paradox, Azmuth, and Clockwork warned us about him. He was one of the first major bad guys that I took down. I killed Prince Phobos because he caused so much misery and pain in Meridian. My hands were red with the blood of most of the Pokemon criminal teams. I was even the one who beat Metallo into submission when he gave Superman a hard time before. And that's just me, not including those I know who are going to beat your boss up. There's Riku. Former minion of Maleficent, and the Keybearer of the Dawn, who uses Darkness as a weapon. Just the other day, he brutally beat up Team Galactic Commander Saturn and his Toxicroak because he threatened to harm three innocent Pokemon. And need I remind you that he helped Sora destroy Xemnas before Xehanort was defeated?

The Spy clones remained silent.

Nico: William Dunbar. Former general of X.A.N.A. and the leader of the Redemption Squad. He's led the Redemption Squad towards many of our victories. Or have you forgotten that he and his girlfriend participated in the last Total Drama season and watched our backs the entire time there? Or maybe I need to remind you that he was the one who helped J.D kill his H.A.R.D.A.C. clone and even helped carry him out of there when he got injured during that fight. And maybe you need to be reminded that this is also the boy who beat up his girlfriend's ex boyfriend when he came after her a week ago. Go after someone he cares about, and it's a death sentence. Or, go after someone that means something to someone he cares about. That brings me to Maria Rockell, William's girlfriend. Well, you know most of her rep. One of Ebon's minions in the Meta Breed and the second in command of the Redemption Squad. She managed to beat up Archie of Team Aqua one on one and also killed Hydro Man. Here's the important thing to keep in mind… she just ran into your fellow clones a few minutes ago. So she's going to really want a piece of your boss. And do I really need to say anything about my ice wielding, superpowered girlfriend? You say I should be damn sure I can deliver on a threat. I promise you, clones… I can deliver.

The Spy clones growl before walking off.

Maria: We better report back to J.D.

Nico: Right.

They did so.

---

Back at the estate Nico and Maria reported what happened.

Me: So clones of Sam, Clover and Alex were responsible for robbing the bank?

Nico: Yeah. We saw them twitch uncontrollably and knew they weren't the real deal.

Sam (TS): This is the work of our old enemy Macker!

Me: Macker? Who is he?

Alex: You would hate this guy J.D.

Clover: Let me show you.

Clover typed in his profile. What we saw about him was shocking. He was half man, half machine. The entire left half of his body was totally robotic.

During a previous mission, he had gotten into a fight with the spies while attempting to break into a safe. Sam tackled him, sending him falling over the railing.

Attempting to hang on, Macker took several pieces of hair from Sam, Alex, and Clover, using them as a means of hanging on for as long as he could. However, seconds later, he fell off the ledge as the spies looked on, with Macker suffering injuries so severe that the left side of his body had to be completely replaced with cybernetics.

After that, he was imprisoned but his grudge against the girls became overwhelmingly strong. Fueled by thoughts of exacting revenge against the spies, Macker escaped from prison and using the hair he had gathered from the spies, he created hundred of clones of the spies using the strands of their hair he ripped off when he fell.

Having created the clones, Macker ordered them to loot the world's central banks, all for the sake of destroying the spies's lives as they had tried to destroy his although Sam, Clover, and Alex intervened, successfully stopping Macker's plan of revenge as they destroyed the transmitter, preventing the clones from carrying out Macker's plan.

Macker along with the clones were all later caught by a WOOHP helicopter with Macker being imprisoned.

Me: Whoa! What happened to him?

Clover: We stopped him on a mission a while back and he fell and got mangled up. He had to replace the entire left side of his body with cybernetics.

Nico: He looks like a fusion between Metallo and Cyborg.

Me: That's exactly what I was thinking.

Cyborg: But he looks nothing like me. I became this way when I was severely injured in an accident.

Laney: And John Corben became Metallo when his body was being ravaged by an incurable disease.

Me: Those are two major huge differences. But we have to stop this guy and make sure he doesn't terrorize the planet by ruining Sam, Clover and Alex's reputation even more!

Wanda: Boy it sounds like this guy is incredibly bad news.

Me: You got that right Wanda. And I think death is the appropriate punishment for him.

Ben: And I have the perfect place for him to die in. The Null Void.

Me: The Null Void? What's that?

Gwen: The Null Void is an alternate dimension in where the galaxy's worst criminals are sent to.

Ben: It's like a prison for intergalactic criminals. The worst of the worst go there.

Me: Oh I get it. I think we sent Parasite there.

Ben: That's right.

Me: It's like a planet size Intergalactic Supermaximum Security Prison. Let me see here.

I look up the Null Void and what I saw was astounding. It was located right next to the Galactic Center 49,000 light-years away from Earth.

Me: It's located in the Forbidden Zone.

Lincoln: That sounds like a very dangerous place.

Lucy: If it's dangerous and dark, I would send my worst enemies there.

Me: But to get there we would have to take the U.S.S. Valor halfway across the galaxy.

Ben: There's actually an easier way.

Ben went to the wall and put his hand on a handprint scanner and it scanned it. The wall had a panel flip over and reveal a compartment that had a strange gun.

Ben took it and gave it to me.

Me: What is this Ben?

Ben: That's a Null Void Projector. What it does is it opens up a portal that leads right into the Null Void.

Me: Wow! That's very helpful. We got to see what the Null Void looks like.

I fired the projector and it formed a portal and me, Ben and Nico went in. We saw what the Null Void looked like. It was actually much bigger than what we thought. It was an extremely terrifying place that looked like Hell amplified a million fold. It was a void of Hell that spanned all the way across the entire universe. The landscape was really gnarled and twisted and nightmarish and it looked like something out of a horror movie and out of your worst nightmares.

Me: Whoa! So this is the Null Void.

Nico: This is one horrifying place!

Ben: Yeah. That was my first thought too. But the landscape is always changing and it's completely impossible to know where you are going.

Me: It's like a maze from Hell. It's perfect. Our prisons are starting to get overcrowded so we'll have to start sending prisoners here as well.

Nico: That's a great idea J.D. But we should only send the most dangerous of all criminals here.

Me: That's a great idea Nico. Okay this will be one of our newest prisons. But only for the most dangerous of all criminals.

We went back home to Earth and we told everyone about the Null Void.

Lori: That is literally a great idea to send them there.

Luna: It's perfect dudes.

Sam S.L.: It sure is love.

Me: But we're wasting time here. Lets get after Macker. First we have to tell Jerry. Sam, W.O.O.H.P. us.

Sam (TP): You got it.

We went to W.O.O.H.P. Headquarters.

We arrived in Jerry's office.

Jerry: Ah, Team Loud Phoenix Storm.

Me: Hello Jerry. I wish this was a social visit, but I'm afraid we got big problems. Macker is out to ruin Sam, Clover and Alex's reputations again.

Jerry: Oh my.

Me: Yeah. We can't let him get away with this.

Jerry: Indeed. He did escape from prison 12 hours ago.

Clover (puts a poison pill into a water bottle): I've got an idea. This water bottle has a poison pill in it. We can give this bottle to Macker. When he drinks from it, the poison will kill him! What do you think?

Danny: I like it! We'll keep that option in mind.

Me: That's a great idea Clover. That poison pill you put in that water is one of Laney and Lisa's creations.

Lisa: Affirmative.

Jerry: I wish you all luck. Macker is flying his flying fortress over the Pacific Ocean.

Me: Not that we'll need it. But thanks Jerry. But we got to use the element of surprise on him.

Jerry: I have just the thing.

Jerry pushed a button on a remote and in a garage on a screen was a massive B2 Stealth Bomber.

Me: Wow! What a Stealth Bomber!

Jerry: It's our brand new Phoenix Stealth Fortress. We built it just for you.

Me: Thank you so much Jerry. And we do know how to fly planes.

We got into the Stealth Fortress and we were off.

Me: This is so awesome!

Lynn: It sure is.

Me: Sam how did Macker get your DNA to clone you?

Sam (TS): He pulled some of our hair out.

Me: Hmm. A strand of hair doesn't have that much genetic material and information compared to that of a drop of blood. But it is enough.

Alex: That's true.

Lincoln: Target sighted J.D.

Me: I see them. Engage cloak.

The ship then went totally invisible. We were right underneath the flying fortress.

Randy: Alright. Time for some stealth action. I'm going to deactivate the security laser so you guys can get in safely.

Me: Roger that Randy.

Randy went into the ship through the air vents and he was invisible and he went into the security laser control room.

Randy (contacts Jerry): Jerry, I found the lock to the security lasers. But I need a password to deactivate it.

Jerry: Roger that Randy. The password is Death To All Spies.

Randy: Very bad password.

Randy typed it in and the Security Lasers were deactivated.

Randy: Time for action guys!

Me: Lets get him guys!

We flew up to the fortress.

---

In the fortress, Macker was smiling sinisterly as he knew that his plan was working.

Macker: Soon those spies will be outcasts from humanity.

A massive explosion of fire blew a hole through the floor of the fortress and a phoenix cry was heard. We bursted in. We saw MACKER THE SAFECRACKER!

Macker: Team Loud Phoenix Storm, welcome.

Me: Whoa! You're even more uglier than what we first thought!

Macker: Perhaps. Sam, Clover and Alex. How nice to see you again.

Alex: And it'll be the last time.

Clover: Before we fight, do you want some water?

Macker (takes the water bottle): Don't mind if I do.

Clover (whispers as Macker drinks the water): That's right. Drink it, you son of a bitch!

Macker drank it all down.

Macker: Ah. That hit the spot.

Clover: Why didn't it work?

Macker: Did you really think poison was going to kill me? I hae cybernetics in my body, remember?

Clover: It was worth a shot!

Randy (to Macker): Look, I know why you're doing this. But do you know how many people are going to get hurt?

Macker: Oh, I know how many people you 3 spy friends are going to get hurt. And I'll enjoy watching everyone turn against them!

Me: We won't let you get away with everything you've done!

Macker: Then how about you face all of my clones.

Macker snapped his fingers and out came hundreds of clones of Sam, Clover and Alex!

Me: Holy shit!

Lori: This is literally a nightmare!

Me: It's like the spies are looking at themselves in the mirror. But on a great scale. You sure have been busy Macker. But not for long.

I flared up my aura and spread it out and the aura marked the clones with red auras and us with green auras.

Nico: Very clever J.D.

Me: Lets get this clod!

Nico: Macker, you have failed this city!

Me: More like he has failed this world! Take them down!

We went at Macker and his clones.

I punched a clone of Sam and to my shock I punched her entire head off and she turned into a pile of blood and primordial slop!

Me: EW! Whoa! My punch turned her into primordial slime!

Nico: Actually the clones are very unstable. I noticed this when we saw a clone of Clover twitch uncontrollably.

Me: Boy, Macker did a terrible job on them.

Stewie: This reminds of that time when me and Brian made Bitch Clones of ourselves. They weren't stable either.

Brian: Yeah that was a disgusting time.

Me: That is weird. But Macker did an even worst job than you did Stewie. No offense.

Stewie: None taken J.D.

Nico: I can't believe I'm about to say this, but you clones have failed at being born!

Me: And then some.

Lori punched a Clover clone and her punch went all the way through her chest and the clone of clover turned into blood and primordial slime.

Lori: Oh that is literally disgusting!

Lori got sick to her stomach and went to a nearby trashcan and hurled her guts out.

Luna: Major pukefest!

Me: Okay lets just blast them all before we flood this place with vomit.

We did so by firing energy and elemental blasts at the clones and it destroyed the entire fortress by blowing the entire roof off.

KRABBBOOOOOOOOOOOOOOOOOOOOOOOOOOOMMMMM!

Macker: You ruined everything!

Me: And we show no remorse in doing so.

Macker: But why is the ship still flying?

Me: Because our new stealth fortress is holding it up. And now it's time to destroy you Macker!

I went at Macker and punched him in the face and kicked him in the metal stomach.

Lori punched him in the face and threw him into the floor.

Sam, Clover and Alex punched and kicked Macker all over the place and pulverized him brutally.

Macker: I HATE YOU ALL SO MUCH YOU FUCKERS!

Our auras flared up with incredible power.

Me: Thanks for the power boost you motherfucker.

Clover: His hatred is really intense.

Me: Now to finish you. Combo and Final Smash time!

Scorponok: You got it J.D. CYBER KEY POWER!

The Animatron Cyber Planet Key went into his back and it enabled him to fire his missiles and laser blasts from his pinchers and tail even in Beast Mode.

Randy: Lets get him! ANIMATRON CYBER KEY POWER!

The Animatron Cyber Planet Key went into his device and it enabled him to not only go invisible but also change into all forms of light energy on the electromagnetic wavelength.

Randy and Scorponok: X-RAY MISSILE IRRADIATION!

Randy turned into pure X-Ray radiation and crawled at Macker and Scorponok fired blasts of energy from his tail. The X-Ray's irradiated him and his skeleton was showing. We saw that he was worse than what we first thought. He had his whole body minus his head changed into that of a cyborg.

Me: Whoa! His whole body minus his head is cybernetic! That's incredible technology!

I turned on my computer eyes and saw that the cybernetic components used on him were incredibly well crafted and amazingly built.

Cyborg: Wow! He was built the same way as me.

Me: He sure was.

Nico: Very interesting technology.

Me: It sure is. Cerebros, Engage combo sequence ΔΘΩ!

Cerebros: Acknowledged and in progress.

Cerebros transformed into the head of Fortress Maximus and he linked up to the body of Fortress Maximus.

Fortress Maximus: CYBER KEY POWER!

The Universal Cyber Planet Key went into his arm and it enhanced his laser blasters and strength 2,000-fold.

Danny Phantom: Time for some pain. GIGANTION CYBER KEY POWER!

The Gigantion Cyber Planet Key went into his device and it enabled him to shape his energy and ghost energy powers into powerful weapons. Danny turned a blast of ghost energy into a scythe.

Fortress Maximus and Danny Phantom: LASERBLADE SLASHSTORM!

Danny swung his scythe and a blade of pure energy blasted out of it and Fortress Maximus fired lasers. They hit Macker and they exploded.

KRABBBBOOOOOOOOOOOOOOOOOOOOOOMMM!

Hawkeye: Time to finish this! FLAMEARROW STABSTORM!

Hawkeye fired a massive barrage of arrows that ignited on fire and they hit Macker and exploded.

Clover: You will pay for your crimes Macker! FLYING CLOVER FLOWERSTORM!

Clover spread golden yellow angel wings and flew into the air and she fired a massive storm of flowers and they hit Macker and exploded.

KRABBBOOOOOOOOOOOOOOOOOOOOMMMMM!

Macker is down.

Nico and Randy both caught a Kecleon and Nico also caught a Banette.

Me: It's over Macker. You're through.

Macker: I will never go down!

Me: No, but you will never be welcome on Earth again! It's time for you to be the first inmate in our newest prison: The Null Void.

I fired the Null Void Projector and we threw him into the Null Void. The portal closed.

Clover: (To the Viewers) That was so awesome. It was also really cool doing a final smash.

---

Back at the estate we were watching and eating popcorn and watching Macker get chased by the Null Void Guardians. Then we saw the poison take effect and it killed him in an instant.

Me: Burn in hell Macker.

FLASHBACK ENDS

Eli: Whoa man!

Lincoln: I remember that really well.

Varie: Me too! That guy was really playing with fire!

Jerry: Indeed he was.

Me: Anyway we'll gladly help you out Jerry and this time we're going to make sure he stays dead.

Nico: That's for sure.

Then Cheshire, Cad Bane, Boomerang, Titanium Man, Multiple Man, Silver Samurai, Major Disaster, Taskmaster, Whiplash and the Six Gum Gang.

Cheshire: Can me, Cad Bane, Boomerang, Titanium Man, Multiple Man, Silver Samurai, Major Disaster, Taskmaster, Whiplash and the Six Gum Gang go with you?

Runt: I've got a feeling that we're gonna get some special help on this mission.

Lunk: (sees the pig) Is that a pig?!

Pig: Oink.

Me: Yeah Stewie found him. He is amazing.

Lynn: And he is really strong too.

Lola: He sure is.

Nico: Also Macker's back. You guys weren't called the Masters of Evil back then but he was one of our enemies before Thanos and everyone came.

Me: Yeah.

Eli: He is bad news.

Multiple Man: Wait do you mean Macker the Safecracker?

Me: That's him Jamie.

Multiple Man: Oh man! Its been a long time! You guys don't know about this but, before I became Multiple Man, Macker was once my best friend until he double crossed me and left me for dead.

We gasped.

Me: Oh man! Some friend!

Multiple Man: He is also the one that poisoned me with M-Pox. But I got cured of that later. Now he and I have a score to settle.

Nico: Man Jamie we had no idea you had such a terrible history with Macker.

Eli: Yeah no kidding!

Scott Truman: That's awesome.

Multiple Man: Yeah I know. But after he is dead, I'll be glad he is gone. I'm sorry I didn't tell you all about this.

Me: That's all right. 3 years ago before the Masters of Evil were founded we killed him by poisoning him and send him into the Null Void.

Multiple Man: Wow! I didn't know about that.

Laney: Yeah it's true.

Nico: Anyway we better get moving.

Spinister: Any gadgets for us?

Dixie: And we still wanna know if we're getting any help for this?

Jerry: Well among the gadgets today is the 24-hour Extra-Power All-Day Adhesive Hair Pomade, the Ice Queen Perfume, Heat sensing Infrared Glamour Goggles, and of course this.

He pulled out a powerful energy blaster.

Me: Wow what is that?

Jerry: It's called E.S.L.U.C. The Electromagnetic Spectrum Laser Ultra Cannon.

Me: (Whistles) Spiffy.

Nico: Very powerful too.

Shockwave: Like what I can do when I turn into a blaster.

Laney: That is cool. I'll use it.

Laney took it.

Titanium Man: Nico, which Gene Slammer will you hope to meet next rescue?

Goof: Seriously, are we getting special help for this mission?

Nico: In order to your questions. 1 I'm hoping to meet a gene-slammer for one of Plo Koon's kind next.

Eli: Wow that is cool!

Me: A Kel Dor Gene-Slammer. That will be interesting to see.

Plo Koon: It will be interesting to see a gene-slammer for one of my kind.

Eli: It sure will.

Nico: And second yes we are. (WHISTLES)

Out came 4 Guinea Pigs!

Nico: Guys meet the G-Force. This is a special Guinea Pig spy and infiltration group made by the FBI.

We were introduced to:

Darwin (FBI Special Agent), a crested guinea pig, the head of G-Force.

Blaster (FBI Special Agent), a fox guinea pig, the weapons expert of G-Force. He is also Juarez's love interest.

Juarez (FBI Special Agent), a Spanish-accented female agouti guinea pig, the muscle of G-Force. She is also Blaster's love interest.

Hurley (FBI Rookie), an Abyssinian guinea pig, and Darwin's long lost brother.

Speckles, the cyber intelligent star-nosed mole, the brains of G-Force.

Bucky, a golden hamster, mistakenly called a ferret, who is friends with a trio of sycophantic mice.

Mooch, a green bottle fly and reconnaissance specialist of G-Force.

Me: WHOA!

Eli: That is awesome!

Darwin: It sure is!

Coconuts: Aren't you those Spy Guinea Pigs?

Darwin: We sure are and it's awesome to meet you guys.

Nico: They are called the G-Force. Back when I worked for the CIA, they sent me and the G-Force to stop massive S.U.S.P.E.N.S.E. Operations over in Florida and me and the G-Force became awesome friends.

Speckles: That is so awesome and cool.

Arrietty: Boy it sure is. You guys are the smallest and cutest ever.

Poliwag: I remember seeing you guys. You guys are an awesome force to be reckoned with.

Me: Your spy and espionage skills are amazing.

Wilbur: So, you guys are with us because Macker managed to get his hands on that appliances from Saber that became those ripoff Transformers robots?

Darwin: That's right.

Hurley: We got to stop him fast.

Me: It's the Appliancebots all over again.

Zarya: No kidding. Those were awesome but cool.

Nico: The Appliancebots were cool but no Transformer knockoffs can replace the real thing.

Laney: No they can't!

Nico: Anyway Jerry we're on our way. And this time we'll make sure Macker stays dead.

Wolfgang: (Australian accent) Where's the asshole right now?

Darwin: He has a flying fortress that is over the eastern Atlantic. He's heading to Washington D.C.

Me: I think I know what he's planning. He's going to launch an attack on the capital.

Nico: Then we got to stop him and fast.

Vince: Should I warn the President?

Nico: No we can't let him know that we're on to him. Our best plan is to attack him when he leasts expect it. First we got to destroy those cheap knockoff transformer imitations.

Darwin: Leave that to the G-Force.

Boomerang: Speckles, is there something else you're not telling us?

Speckles: (sighs) The reason those appliances were able to turn into killer robots… is because of me.

Nico: What!?

Darwin: Let him explain.

He told us what happened and it was because he was vengeful because of exterminators destroying his family and he built them to get revenge on all humans. But thanks to Darwin he let go of his desire for vengeance and redeemed himself.

Nico: Wow! That's good you let it go.

Sasuke went over and talked to him.

Sasuke: Speckles I know just how you feel. My brother killed the entirety of my clan because of the village's corruption. My clan was going to launch a coup and try to take the Hokage seat by force and destroy the government. My brother killed the clan and he was only told to go after those that were going to launch the coup and not the entire clan in general. But one of the village elders went behind the Hokage and told him to leave no survivors and Itachi told me to get revenge on him to redeem the clan. But I was being lead down a path to destruction.

Sasuke told Speckles everything and he was shocked.

Speckles: Oh man. I had no idea.

Camie: That is horrible.

Laney: It was.

Me: It sure was and it all really happened. In 150,000 years instead of Itachi, I killed the entire Uchiha clan minus Mikoto and Sasuke's sisters.

Eli: Wow.

Fisticuffs: Your family got killed by exterminators?! No wonder you hated humans in the past!

Yost Emma Frost: Just like Magneto. And we still don't know where the version of him from my world is.

Me: Yeah that's horrible!

Lola: Yeah no kidding!

Nico: But soon we will find the Yost Magneto. He at least needs some form of justice too.

Laney: Yeah.

Speckles: And now, Macker is planning to use those same robots to kill humans and animals alike.

Cad Bane: Not if we have anything to say about it.

Nico: And we're going to make sure he pays for it. So much has changed over the last three years. And we have all gotten more powerful than ever.

Laney: We sure have.

Shield Shredder: Let's see some pictures of what these killer robots look like. I'm sure they're not that bad.

Darwin: They ARE that bad, Shield Shredder.

We were shown pictures of them and they were really horrifying!

Me: Whoa man!

Whiplash: At least the Appliancebots were less intimidating!

Nico: No kidding there. But we got to head there and stop Macker right now.

Me: Right.

Laney: Lets do it!

Skull Man: First, we'll need something to permanently deactivate the robots.

Lisa Loud: And I've got just the thing.

She pulled out a landmine device.

Lisa Loud: Electromagnetic Grenade. It'll emit a pulse of electromagnetic energy that will destroy the robots in his fortress.

Me: Awesome.

Nico: What's the blast radius on that?

Lisa Loud: 300 yards.

Taskmaster: (whistles) Nice!

Me: This will be awesome.

Nico: Yep. Lets head over there.

Suddenly, Lincoln's deep sapphire blue eyes and the rainbow colored iris of Lincoln's Third Eye glowed even more, as he sensed a dark energy signal with his eyes and the Force, and he saw who the figure is in the vision: the dark energy signal Lincoln sensed belonged to The Crystal King, the ruler of the Ice Palace and another enemy of Mario, and he's here for revenge on Mario for destroying him long ago. When we saw it, we knew it meant trouble.

Nico: Uh oh, I know those glowing eyes from anywhere. Lincoln, is there someone else coming after us?

Lincoln: Afraid so, Nico, and Mario, you're not going to like it one bit: the dark energy signal I sensed belonged to The Crystal King, the ruler of the Ice Palace and another enemy of yours, and he's here for revenge on Mario for destroying him long ago.

We gasped in shock.

Nicole: The Crystal King, oh this isn't good.

Bowser: He was one of my minions from long ago, and I don't think he'll take kindly to seeing me and my family with you guys.

Lincoln: No, he won't, Bowser. But, we're going to stop him before he tries to get revenge.

Taelia the Snow Faerie: And knowing you, Linky, you're also going to help me with Crystal King, right?

Lincoln: Of course, Taelia. (Deep Sapphire Blue Eyes turn red) And you better be ready, Macker, because we're coming after you, and I'm going to personally see to it that you never rise again!

We saw Lincoln's deep sapphire blue eyes turn red, and we knew what meant.

Everyone: Uh oh.

Me: Yep, when someone tries to ruin the lives of Lincoln's family, friends, and/or future wives, that's when the beast comes out.

Nico: Lincoln's always protective of all those around him, and any dumbass who thinks they can hurt those around him without suffering the consequences, well, wait 'till they get a load of him.

We were off.

We flew fast.

Wind Man: (sees a blender on the ground) Anyone else getting a sense of deja vu?

Lana: I am.

Me: Not this time Blender face.

I fired a wave of energy and the Blender Transformed and the blast hit it and exploded!

KRABBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

Nico: Nice try.

Lana: Yeah!

Nico: Look!

We saw the Flying Fortress.

Nico: Flying Fortress at 9:00.

I then saw an uncharted island in its path.

Nico: I have an idea.

Nico took the grenade and set the timer for 1 minute.

Nico put it on the ship and armed it.

Nico: Here we go.

Nico left.

3… 2… 1… 0

KRABBBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

The ship exploded all over and went down and crashed onto the island! Now Macker was a sitting duck!

Major Disaster: (sees more robots) Fuck! They really are dangerous!

Eli: Not this time.

Eli fired a blast of Force Lightning and electrocuted them and destroyed them all.

We went into the ship! And then we saw CLONES OF THE SPIES!

Clone Clover: Want the boss? You go through us!

Proto Man: Not gonna be a problem!

?: Leave that to me and Rodney!

Applejack: YEEHAW! I know that voice anywhere!

Andy and Rodney appeared!

Applejack: Let me help you guys!

Silver Samurai: What about the usual battles?

Applejack: (laughs) That's what shadow clones are for!

Applejack made a clone of herself.

Nico: AWESOME!

Lincoln: Thank you very much for teaching her.

Laney: Nice job bro.

Applejack: Go help them out.

Applejack 2: Y'all got it.

We went to the bridge.

Merrick: Time for our entrance.

Me: Lets do it.

We went at the bridge.

Macker: NO! MY PLANS ARE RUINED!

But then the spirits of the Ranger Teams from over the years appeared and they swirled around him and then converged and then…

KRABBBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

A massive fiery explosion went off above him and fireballs rained down and many of the clones were incinerated and then a phoenix cry was heard. Then we came out!

Macker: YOU!

Me: Its been a long time Macker.

Macker saw Multiple Man.

Macker: Jaime!? You're… you're alive!

Multiple Man went over to him in a big rage!

Multiple Man: YOU!

POW!

He punched Macker in the face!

Macker: Is this any way to treat an old friend?

Multiple Man: (growls) You're no friend of mine!

Multiple Man started cloning himself. But it wasn't the usual 310. This time it was 620!

Me: Double the power!

Nico: Nice!

Macker: What happened to you J.D.? You've totally changed. You aren't the same as you were back 3 years ago.

Me: That's because I've gotten stronger and far more powerful than ever.

Nico: We all have.

Then Tala, Abra Kadabra, Dayu, Bonz, Yenaldooshi, Mummy, Dr. Viktor, Zs'Skayr, Ranamon, Harpymon, Whirlin, Beautiful Gorgeous and Puff appeared.

Nico: Tala, Abra Kadabra, Dayu, Bonz, Yenaldooshi, Mummy, Dr. Viktor, Zs'Skayr, Ranamon, Harpymon, Whirlin, Beautiful Gorgeous and Puff.

Me: Awesome seeing you guys here.

Tala: These are twice the clones you usually have in battle!

Multiple Man: Don't worry. We won't waste Macker right away.

Abra Kadabra: You better not.

Dayu: Yeah! J.D. wants a crack at him too.

Bonz: (to Nico) Thanks for arresting Rancid for us.

Nico: No problem guys.

Yenaldoshi: We'll make sure he's comfortable at the base.

Me: Great.

Yenaldoshi: It's amazined how you have a lot of experiences with Macker.

Me: It was long before you guys were formed into the M.O.E.

Nico: Yep.

?: That's really cool.

A figure came out and it was BEAMCASTER from episode 26 of Season 2 of Mighty Morphin!

---

It is the day of the Stone Canyon triathlon and Lord Zedd decides to take advantage of the mass gathering of people. As Bulk and Skull go fishing for the Power Rangers, Zedd teleports away Bulk's energy output meter and a fishing rod that belongs to Skull's father. With them, Zedd creates Beamcaster to brainwash the entirety of Angel Grove.

Beamcaster talks like a radio disc jockey and possesses the ability to control the minds of other people with special hypnotic waves dubbed "Zedd Waves". Beamcaster also has special different shaped bombs that explode after he lights the fuse and tosses them. Beamcaster's first move is to stand atop a tall hill and brainwash the entirety of Angel Grove Park with his music. All brainwashed people say "Hail Lord Zedd" and march around like zombies whilst being referred to as his "Zeddheads." This sets off the alarm at the Command Center but half of the Power Rangers are at the triathlon and helping their friends dry off for the cycling portion of the triathlon and are unavailable due to being irresponsible.

With half of the team unreachable for the team being, Zordon has to call upon Jason, Zack and Trini who are out diving. However, when they morph, Beamcaster surrounds them with his victims and easily hypnotizes them. Delighted, Zedd tries to press the advantage by sending down Z Putty Patrollers to destroy the remaining three Rangers but they easily wipe out the Putties with help from Rocky, Adam and Aisha. Sensing something is wrong, they travel to the Command Center and learn of their friend's fates and start work on a Frequency Reverser to reverse it.

Meanwhile, as Bulk and Skull return from their fishing trip due to their lost equipment, they find Beamcaster who immediately brainwashes them. Shortly after that, as the athletes pass the halfway point of the triathlon, Beamcaster arrives and brainwashes most of Angel Grove in one fell swoop.

Right after this happens, the Power Rangers foolishly rush into battle without testing the device. They confront Beamcaster and reveal the Reverser's purpose only to have to handstand away from a barrage of Zedd Waves. Unfortunately, when Billy and Kimberly dodged it, they dropped the Frequency Reverser and Jason's zombie walk prevents him from grabbing it whilst other Zeddhead's trample the device underfoot. Surrounded by their friends and fellow citizens, the two Rangers almost immediately fall victim to the Beamcaster's brainwashing. However, whilst he does this, Tommy manages to escape the Zeddhead army and confront Beamcaster.

Beamcaster momentarily interrupts the episode for a "commercial" about an apple bomb before throwing it at Tommy. However, he dodges it so Beamcaster takes him down with a frog bomb and then a bamboo bomb before he brainwashes the White Ranger as he recovers. With all of his enemies defeated and brainwashed, Beamcaster teleports away as his job is now done. With no options left, Zordon is forced to call on Rocky, Adam and Aisha for help but the device fails to work once more. Fortunately, Adam corrects the issue (a wire being out of place and they focus the device's beam through the Viewing Globe onto their friends which frees them. After they regroup, and get the Frequency Reverser to use against Beamcaster, the Power Rangers then go and confront Beamcaster on the other side of the park.

Billy tries to blast him down with the Frequency Reverser but Beamcaster deflects it back with his fishing rod though the Rangers roll away. He then pulls out a potato bomb but Tommy catches and tosses it back with Beamcaster fumbling and being blasted down. He tries to do the same thing again with a scroll bomb but different verse same as the first. The monster then pulls out a sword from his cloak and prepares to cut them down but this allows the Rangers to combine their Power Weapons and form the Power Blaster which takes the monster off of the air for good. All Beamcaster can do is flail and scream before falling on his face and exploding.

Unlike most of his contemporaries, Beamcaster is not enlarged. This was most likely because here, it was probably because mind control would be useless against the Thunder Megazord and thusly he would be a waste of Zedd's magic. After he is destroyed, he reverts back to Bulk and Skull's property and the entirety of the "Zeddhead" army is saved.

Trini: Beamcaster!

Beamcaster: Been a while rangers.

Me: I remember you! You were sent to hypnotize all of Angel Grove and you hypnotized many of the citizens including Jason, Trini and Zach. It was up to Kim and Billy to save the day.

Beamcaster: That's right. Good memory.

Maria: Ever consider going on the radio?

Beamcaster: Now, there's an idea!

Me: DJ Beamcaster.

Beamcaster: Ooh I like it! Good name.

We got the usual battles underway.

Seto Kaiba, Princess Celestia, Amber Morning, Light Skylanders, Brawl & Chain and Fisticuffs VS The Yenaldoshi - Meeting an Arcana Force VII - The Chariot Gene-Slammer

---

Yenaldooshi was next.

Yenaldoshi: (to Kaiba) I heard you guys met an Arcana Force VII - The Chariot Gene-Slammer. What's her name?

Seto Kaiba: She is a pyrokinetic psychic named Yvonne Qinsington and you would like her.

Princess Celestia: She is one of Lincoln's awesome Guardian Angels and she busted a really dangerous serial arsonist.

Amber Morning: She really had the country in the grip of terror.

---

Yvonne Qinsington: Whoa, I was right that Lincoln has really grown to be a 17-year-old 7'5" tall, really big, and really strong man, just look at those abnormally massive and powerful upper and lower body muscles and his eight-pack abs hard at work, and working out with those 9,500-lb barbells and he's not even get tired, incredible.

Lincoln: Yep, and I've also trained a lot under some very powerful teachers, J.D. and Nico included, Yvonne, and now, I can also defend myself, and in addition to getting stronger, I've also gotten smarter as well.

Yvonne Qinsington: That's incredible.

Nico: It sure is. So, Yvonne, how did you stop a prolific serial arsonist in the country before she was about to torch The Loud House?

Yvonne Qinsington: You'll like hearing this, but you're not going to like the person behind it. I was walking through Franklin Avenue one day, but then, I had a vision: I saw that an arsonist was about to torch The Loud House with Lincoln and his family in it. But, I wasn't going to let that arsonist get away with it, I rushed on over and pulverized her before she tried to set the fire, and then I tied her up, and I called the cops. When the cops saw the arsonist tied up, they were surprised: the person I captured was Audrey Monroe, and from what I heard about her and from her criminal history, she's the most prolific serial arsonist in the country who set many living dwellings on fire with people still inside, which led to their deaths, and she got a sick thrill from it. And when I looked even closer at her criminal history, I discovered something disturbing: I found out that Audrey Monroe is the only daughter of Daniel Derek Monroe, the serial killer who murdered Samuel Loud on Halloween decades ago, and from what we found, she's been following in her dad's footsteps, and she wanted to finish what her dad started: killing all of the Louds. The cops took her away, and because she was 18 at the time of her arson murder spree, she was tried as an adult and she was convicted and found guilty of her crimes, and she was sentenced to multiple terms of Life in Prison Without Parole plus 53,283 years. And ordered to pay $283,847,999,999 in restitution. She started over 40,000 fires in 6 states, 75 died many were wounded and she caused billions of dollars in property damages.

We cheered for what Yvonne did, but we were horrified by the revelation about Audrey Monroe.

Nico: Whoa, this girl is completely sick and deranged, just like her father.

Lincoln: And to find out that Audrey Monroe's the daughter of that serial killer, Daniel Derek Monroe, the same murderer who thought he killed Grandpa Samuel on Halloween decades ago, she's just like her father in every way.

Me: She deserves to spend the rest of her life in prison for what she's done, not to mention following in her dad's murderous footsteps.

Lynn Sr.: And she tried to finish what her sick father tried to do: kill me and my family. What a monster.

FLASHBACK ENDS

Yenaldooshi: Oh my goodness! I had no idea that monster Daniel Derek Monroe had a daughter and she was just like her evil dad!

Amber Morning: Yeah that was horrible! She was pure evil! She burned 40,000 buildings and caused billions of dollars in damages and all that.

Yenaldooshi: That is terrible! I'm glad she is in prison where she belongs.

Spotlight: We all are. It's awful!

Yenaldooshi: I'm glad she is gone. She is a homicidal pyromaniac times 100. Lets do it!

They fired waves of lightning and light and smashed him down.

---

Dr. Viktor: I heard that Carly visited her so-called mom in the nuthouse.

Will Vandom: She sure did and we saw that she is really bad.

Trixie Lulamoon: Yeah it was terrible!

Triple Berry: She is really bad. She really messed up in her head.

Flynn: You wouldn't believe what she was doing in her cell. It was really bad.

Cali: Yeah no kidding. She has a really messed up mind.

Mags: We found out that her brain was so badly damaged that she only has less than 2 months left to live. She was diagnosed with Paranoid Homicidal Schizophrenia.

Emerald Sustrai: It was so bad that she is declared tragically incurable.

Dr. Viktor: Oh my goodness. I'm sorry she went through all that. Lets do it!

They fired waves of lightning and magic and smashed him down.

Edd/Iron Boy, Lisa Loud, Linka Loud, Micro Chips, Laney Loud, Shockwave and Soundwave VS Zs'Skayr

Zs'Skayr was next.

Zs'Skayr: How bad was Carly's mother?

Edd: It was really bad in terms of mental prognosis.

Lisa Loud: Her mental state was so badly degraded that it made her a hollow shell of her former self.

Linka: But her mind is literally her own worst enemy.

We got a shower afterwards, and after that, we were heading to the Saturn Insane Asylum, and we're going to confront Carly Morgan's mom, who's been exposed as Cora Wellington, the convicted and completely insane patient who was sentenced to Life in a Maximum Security Psychiatric Institution for the criminally insane without possibility of parole for the murders of six kids and six husbands back in 1998, but escaped on December 14th 2002.

Lincoln: So, we're here in The Saturn Insane Asylum, and we're going to find out just how really far gone Carly's so-called mom is.

Nico: That's right, but from what we'd seen from what happened with Nikki's insane mom, I'm going to guess just Cora Wellington is the same.

Me: I was about to say, Nico. But, Carly did say that she needs to confront this matter head-on.

Lincoln: After you found out who Mrs. Morgan really is yesterday, J.D., this really stung Carly to her heart. This just proved how evil Cora Wellington really is, not to mention completely insane.

Doctor: And from what we've seen, Cora's condition is tragically incurable, and she can't ever be set free ever again, because she could do the same to another family.

We then head for Cora Wellington's padded cell, and what we saw was really disturbing: we saw the words "Kill Carly Morgan and Her Father" and "Kill All Kids and Husbands" written in blood, along with other hateful messages, this was proof of just how really far Cora is.

Lincoln: (Horrified) My God.

Lori: Her mom really is that insane and evil.

Me: And those words written in blood are proof of it.

Lincoln: She got caught for the murders of the six kids and six husbands back in 1998, but four years later, she escaped from the Insane Asylum, and by getting plastic surgery, she eluded the authorities for twenty years. But, she would eventually be sent back to the nuthouse for good, but this time, to the Saturn Insane Asylum, where she'll never get out.

Then, we saw Mrs. Morgan, or should we say, Cora Wellington, but her black hair's now a mess, she's in a rainbow energy straitjacket and rainbow energy chains, so she can't escape, and she's chained to the wall of her cell.

Nico: So, that's Carly's mom.

When Carly's mom saw us, especially her daughter, her eyes were completely red with insanity and hatred, and she was ranting like crazy.

Carly Morgan: Now, I know that you're still completely insane as the very day I came to visit you, but now I know the truth about you, Mom, or should I say, Cora Wellington. I thought you truly loved me, but I was wrong, you tried to kill me when you crashed the car through the wall, and you tried to kill me when you broke into my room. But, I'm glad Dad stopped you before you could kill us both, and we'd be made your next victims. You deserve to spend the remainder of your life here in the Saturn Insane Asylum for what you did to the six kids and six husbands you murdered back in 1998, and I'm here to say this: you are no longer my mother, you are a heartless, hate-filled, and completely insane monster who has no love for anyone, and you deserve to die here in this asylum cold and alone, and I hope you suffer in Hell for all eternity.

We cheered for what Carly Morgan did, and this set her now ex-mother off, but we left the Asylum before she could go off badly.

Sam Simpson: That was really awesome, Carly.

Clover: And you finally cut your ties with your so-called mom.

Carly Morgan: Thanks, girls, and I'm glad I did so. What she did 24 years ago proved just what kind of monster she is, and if she dares to break out, I'll be waiting to send her right back.

FLASHBACK ENDS

Zs'Skayr: That is terrible! But Carly facing her mom was a really brave thing to do. And I agree with you guys. She is far too dangerous to be let out. She would do the same thing over and over.

Laney: Yeah I agree there.

Micro Chips: Her disease is causing her neurological and psychological structure to disintegrate at a slow but steady level and by the doctor's have estimated she will die in 2 months.

Zs'Skayr: That is really bad. Poor Carly. Lets do it!

They fired waves of energy and smashed him down.

Nico: Oh man, they're doing the beatdown ending scene from Death Proof, nice.

Me: And we got front-row seats to the show.

Then, the beatdown ended with Lincoln axe-kicking Macker's face on the right side, and then, before Macker hit the ground, Lincoln stabbed Macker in the stomach with his massive Hinon's Cosmic Storm Sword of Universal Hope, Elemental Bravery, and Unbreakable Eternal Bonds, and sliced Macker right down the middle, splitting him in two, and his two halves fell to the ground, and he fell to the ground dead, and Lincoln fired a black energy blast of The Black Gates as soon as Macker's spirit appeared, and Macker was erased from existence forever.

Lincoln: Thanks, Nico.

Me: And now, Macker's never ever coming back, and I also recorded the whole beatdown scene for Jerry to see as absolute proof that we got rid of Macker this time for good, and he's not coming back.

Nicole Knudson: I knew there's no mistaking that voice from anywhere. You can come out now, Crystal King.

A figure came out, and it was none other than The Crystal King, another of Mario's enemies from long ago.

Bowser: Should've guessed you'd show up again, Crystal King.

Crystal King: How dare you side with Team Loud Phoenix Storm, Lord Bowser! Now, I will kill you and all of Team Loud Phoenix Storm, and I will send this world into a new ice age.

Taelia the Snow Faerie: That's never going to happen, Crystal King.

Suddenly, Taelia the Snow Faerie's ice blue eyes turned neon ice blue and she was surrounded by an ice blue energy aura with ice, snow, and faeries, she got out her massive Neopia's Magic Staff of Magical Justice, and as she approached the Crystal King, she left ice blue energy, ice, snow, and faeries with every step.

Taelia the Snow Faerie: Crystal King, I will never forgive you for the crimes that you've committed in the past, and now, I will see to it that you never come back from the dead ever again.

Suddenly, Taelia the Snow Faerie was surrounded by a massive vortex of ice blue energy with ice and snow surrounding the vortex, there's a faerie flying around the vortex, and in the vortex is a white phoenix. Then, as the vortex faded, Taelia the Snow Faerie emerged, but she was changed forever.

Taelia the Snow Faerie has transformed into SUPER ANGEL

INFINITY TRUE LOVE ARCTIC SNOW FAERIE ANGEL OF NEOPIA JUSTICE AND MAGICAL LOVE!

We were amazed by Taelia the Snow Faerie's Super Angel Infinity transformation, and when Lincoln saw her, he had an atomic red blush on his face and hearts in his eyes. But, when The Crystal King saw it, he flew into a rage and fired a couple of ice balls to freeze her, big mistake. Taelia the Snow Faerie sent the ice balls right back at the Crystal King, and she also fired a powerful ice blue energy blast with snow, ice, and faeries at him, and it exploded as soon as it hit him.

Nico: Whoa, Taelia the Snow Faerie's transformed, this is going to be a good one.

Me: You said it, Nico.

Lincoln: Wow, Taelia, you look beautiful. How do you feel?

Taelia the Snow Faerie: (Divine Echoing Cosmic Voice of the Arctic Snow Faerie and Divine Love) **I feel incredible, Linky. Now, then, shall we put an end to this ice-using monster once and for all?**

Lincoln: (Smiles) With pleasure, Taelia.

Lincoln unholstered his massive Hinon's Cosmic Storm Sword of Universal Hope, Elemental Bravery, and Unbreakable Eternal Bonds from his wider and muscular back, and transformed into Super Angel-Ebonwu-Thunderbird Eternity Infinity Elemental Thunderbird Buffalo Angel of Universal Justice and Elemental Hope and he joined Taelia the Snow Faerie.

Lincoln: (Divine Echoing Cosmic Elemental Voice of Universal Justice and Elemental Hope) **Let's give this guy a taste of his own frozen medicine.**

Taelia the Snow Faerie and Lincoln went after the Crystal King, who continued to throw ice balls at them, but they were absorbing the ice and it made them stronger than ever, and they powerful blasts of rainbow energy, ice blue energy, Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, Magic, rainbow flames, rainbow crystals, Buffalo, Thunderbirds, Phoenixes, Angels, and Faeries at the Crystal King, and they exploded with incredible power as they hit him.

Lincoln attacked the Crystal King with with powerful one-handed swings from his massive Hinon's Cosmic Storm Sword of Universal Hope, Elemental Bravery, and Unbreakable Eternal Bonds, and left tears on his robe, and Taelia the Snow Faerie fired powerful ice blue energy blasts from her staff, and it hit the icy monarch. Then, Lincoln fired a red energy blast at the Crystal King, and once it hits him, Lincoln sucked out and absorbed all of the Crystal King's powers and abilities, and he and the rest of us made them our own, and then, Lincoln and Taelia the Snow Faerie fired powerful beams of energy, and as they hit The Crystal King, the energy beams exploded with incredible power, killing him for good and he was erased from existence as he was condemned to The Black Gates. We cheered wildly for what Taelia the Snow Faerie and Lincoln did as they holstered their weapons and power down, and Taelia the Snow Faerie's new body, clothes, weapons, jewelry, and massive white and ice-blue feathered wings are permanent.

Taelia the Snow Faerie: That's it for that treacherous ice monarch. Thank you for helping me with taking down the Crystal King, Linky.

Lincoln: (Smiles Warmly) You're welcome, Taelia.

Suddenly, Taelia the Snow Faerie wrapped her arms around Lincoln's waist, and it brought an atomic blush to Lincoln's face, as he wrapped his abnormally massive and powerful muscular arms around her waist and he brought her into an embrace, which took her by surprise and brought an atomic red blush to her face. Then, as Lincoln leans down to Taelia the Snow Faerie's face, they kiss passionately as Taelia the Snow Faerie wrapped her left arm around Lincoln's neck, and placed her left hand on Lincoln's massive and wide muscular right pec, and behind them was a Thunderbird, Phoenix, Angel, and Faerie flying in the air, and we also saw a herd of Buffalo running across the field, along with snowflakes falling down around them and ice sculptures forming behind them, and we all cheered wildly.

Nico: Now, that's so awesome.

Me: You said it, Nico. That's a beautiful and amazing snowy display of love.

Hannah the Usul: And I'm glad that she and Lincoln are also together. That's so amazing.

Tormund Ellis: That's right, Hannah.

Lori: And Lincoln, Sam, Clover, and Alex really laid quite the beatdown on that creep, Macker, and he paid the price for trying to ruin their lives, and all for revenge.

Me: Even after we killed him long ago, he just refuses to let go of a grudge. Well, now, he's paid the ultimate price.

Nico: Yeah, his life, and his clones have also been destroyed for good.

Lincoln: Macker thought he could get away with his clone project yet again, but this time, we were all ready for him, and in the end, he failed yet again, and now, he's dead and gone for good, and he's not ever coming back.

Eli: And now, all that's left is for Móyá the Tooth Faerie, Kaia the Shenkuu Faerie, and Yīnyǐng the Dark Faerie to transform.

Lincoln: Yep, and once they've transformed, the seal will then break, and it'll trigger our war against Damian Alaister and the Church of Necrom, and I can't wait to make them pay for what they've done in the past, along with summoning that Rage Demon to infect me and cause me to get angry again. Now, they've gone too far and now, it's personal.

Me: Yeah.

Nico: Those black magic-using demonic goth pricks crossed the fucking line summoning the Rage Demon to infect you, big guy, and I hope you guys smash their faces in.

Lincoln: Oh, we will, Nico, we'll smash their skulls in for this.

Mummy: Welcome to the team, guys.

Darwin: Trust me. You won't regret having us.

Nico: I agree.

Ranamon: (to Andy and Rodney) You two helped as well.

Rodney: We sure did.

Puff: We'll see you guys in August, okay?

Andy: Don't worry. We'll definitely see you there.

Applejack, Andy and Rodney then started jumping up and down and holding themselves.

Me: Uh oh lets get you guys to the bathroom.

Laney: They were having an apple lemonade drinking contest and Applejack won.

Nico: Oh boy!

Lincoln: I'll take them to the estate.

Lincoln took them to the estate and they used the bathroom.

Speckles: I never should've made those stupid robots in the first place!

Beautiful Gorgeous: Don't wprry about it.

Harpymon: What matters is what you do now.

Me: Yeah that's true.

Darwin: (to the viewers) This was an awesome adventure both for Sam, Clover and Alex and for us too. Hope you all love it.

Nico: We all did. Great job today everyone. Lets head back to WOOHP and tell Jerry what happened and head home.

We went and did so and we told him everything and it was awesome and more. Macker is now nothing more than a forgotten memory.

We later went back home and went to enjoy the rest of the day and then we went to sleep.

THE END

---

Another awesome fanfic done.

This chapter is both a combination of the 2009 movie G-Force and Chapter 732 where we killed Macker the first time and that was awes! I wanted to combine both to make it an awesome spy adventure and an awesome battle too. Think of this chapter as a sequel to chapter 732 and it was awesome. Macker is now a forgotten memory now. The first part of the chapter was for the Light Civilization of Duel Masters and that was a cool one. Another member of PLOOP had been silenced forever. The first rescue for Nico was for the CatDog series and it was really funny. It was for the Taco Depot episode and that was really funny. But Rancid Rabbit is now in for a lot of pain in the M.O.E. The second rescue for Lincoln was for the Time Squad episode Ludwig Van Bonecrusher and that was a really funny one about Beethoven turning into an awesome wrestler. That episode aired on July 13th, 2001 and it was really funny! NicoChan11, JediAvatarOfShinobi, Omegahatchiyak12, XP4Universe, Darkhai, vinjedi1995, Drako1234658, Nflemingful, EtstheClarenceandTLHfan and ninjakingofhearts gave me the ideas for this and so did the guest reviewer. Thanks guys. The next dream rescue for me is gonna be a really awesome one as me and Natilee go into Nico's dream and we're going to punch the living crap out of the Digimon Emperor and make sure he never terrorizes Nico ever again. This is gonna be a good one as we save Nico from his worse nightmare. And we're going to meet a Darkness Fairy named Noirtera and she is the Princess of the Dark Fairies. Nico's next rescue is gonna be a really awesome and cool one as Nico, Sabrina Mason, Applejack, Apple Bloom, Twilight Sparkle & Friends, Rachel Stavenport, Carol Pusateri, May, Maria, Varie, me, Eli, Arrietty, Aylene Carter, Littlefoot and friends, Fu, Nicole Knudson, Kaina Tsutsumi, Camie, Kaoruko Awata, Himiko, Ibara, Toru, Sirius, Tsuyu, Ochaco, Momo, Lincoln, Laney, Lana, Lola, Lisa and Lily are heading to a Pancake and Breakfast Swamp Planet! This is gonna be a really awesome and tasty planet and we're going to also face

Count Dooku! And we're going to meet a gene-slammer for one of Plo Koon's kind. Her name is Emily Princeton. Emily Princeton is Nico's Friend from Geography and she knows all about the Earth. Also she is now a gene-slammer for a Kel Dor, Plo Koon's kind and she is a master of Force Judgement and the Force in both Light and Dark and she is a powerful Jedi. We're going to have Count Dooku put into the Masters of Evil too. I have something awesome planned later on. Lincoln's rescue tomorrow, I've got an idea for his rescue: have his rescue take place in the 2014 movie Dracula Untold, and not only is Lincoln and his group going to rescue the girls there, but you guys are also going to help Vlad III Țepeș A.K.A. Dracula rescue his son Îngeraș, and kill Sultan Mehmed II and the entire Ottoman army, and Dracula from that movie could be a great ally and member to Team Loud Phoenix Storm and The Goths of Darkness with those vampire powers of his, but not the army of vampires that he's turned in order to kill Mehmed II, because they'll kill any they encounter, and near the end of that movie, they want to kill Îngeraș, not only to satisfy their hunger for blood, but they also saw him as Dracula's last tie to his humanity: the love he had for both his son and to his wife, Mirena, and make no mistake, Vlad's a devoted family man who's willing to sacrifice even his own humanity to protect his family and his people, and as a strong Christian, Vlad also begged for God's forgiveness after becoming a vampire while in the three day transition period. And we're going to meet a gene-slammer for Arcana Force VI - The Lovers named Penelope Harrisburg and she is a psychic and has amazing psychic powers and has powers of Nature and like her fellow Arcana Force Gene-Slammers she is a psychic and does amazing things. She stopped an incredibly dangerous homicidal maniac that was terrorizing the country for years and stopped him from getting to the Loud House as he was laughing like a totally screwed up lunatic. The next chapter is going to be a sequel to the SpongeBob episode Sponge-Cano and we're going to battle an evil Depressed Squidward who is back for revenge on not just SpongeBob but the entirety of Bikini Bottom and no he will not frame Squidward for it. And we're going to see him call people bad names and do all sorts of stuff and our mission is going to be to throw him into Mount Bikini Bottom.

See you all tomorrow

# SPONGE-CANO 2: THE MISERY RETURNS

THIS IS A SEQUEL TO THE SPONGEBOB EPISODE SPONGE-CANO

---

In the early morning hours at 12:47 AM, I was fast asleep with Varie and everyone and then I was having a really awesome dream. It was full of Krusty Krab stuff. My eyes appear and then my shoes and then my mouth on a rock.

Me: Hey! Over here! [laughs while my arms wiggle on the ground. Both arms attach to the rock and the rock moves over to the other items. My arms grab the eyes and I put them on the rock, My pants start appearing, and then my legs come out and I put my shoes on and my body is seen. A car comes over me and I sit him in it. My nose grows out] Now this is how to travel! Wait! I don't have a drivers license for Bikini Bottom! [driver's license appears] [Car starts to move crazily] I sure take a good picture. [drives through a sign that says "Road Ends"]

CRASH!

Me: Darn! I should have grown a mustache. [the boat starts bumping up and down rapidly; I am now driving off-road, hitting bumps in the sand; I smash into a rock and fly out of the boat, still holding my license] How could I have forgotten the most important rule of driving? Always wear your seatbelt. [I fly over the Krusty Krab] Hey, I can see the Krusty Krab from here. [But then I flew through the dream cloud and on my real bed] Ouch! Where am I? [walks and looks up to his real self] Is that me? Or is this me? Am I still dreaming?

Natilee's spirit appeared.

Me: Natilee?

Natilee: Dad? I didn't expect you to be out of a dream like this.

Me: Am I still asleep?

Natilee: You sure are. But I'm glad you're out. Nico is in trouble. Come on!

We flew over to Nico's room and we saw Nico's dream and his eyes were twitching and I knew he was having a nightmare.

Me: Lets go!

We went into his dream and we saw a horrifying landscape! And standing in front of him was the Digimon Emperor! He was mocking and belittling him and Nico was clutching his head!

Me: Why that rotten little…

Natilee: Lets get him.

?: Let me help.

A dark human size fairy came and she had black and purple clothes and purple butterfly wings.

Me: Wow. A darkness fairy.

Noirtera: That's right. My name is Noirtera and I'm the princess of the Darkness Fairies.

Me: Awesome to meet you. Lets go help Nico.

We went at him.

Digimon Emperor: You are a big disappointment. I would have made a better leader of the team than Team Loud Phoenix Storm than a worthless scumbag like you.

Me: "Disappointment!?" You don't know how wrong you are you douchebag! No one talks about my friend that way!

POW!

I punched him down and the Digimon Emperor vanished!

Natilee: Good riddance.

Noirtera: What a dirtbag saying such horrible things.

Nico looked at me.

Me: Are you all right Nico?

Nico: I sure am. But J.D. what are you doing in my dream?

Me: I'm a dreamwalker now remember? Natilee told me that you were having a bad nightmare and I helped you out.

Nico: Wow that was awesome.

Noirtera: Looks like we got here just in time.

Natilee: We sure did.

Me: Yeah no kidding. The Digimon Emperor needs to learn how to keep his big fat ugly mouth shut. You didn't believe what he said did you?

Nico: Not anymore. But thanks man.

I later went back to my dream and later I woke up and later got dressed and went to breakfast and told everyone what happened and it was incredible. Noirtera was now part of the team.

---

Later it was time for Nico's awesome rescue. Flying through the voids of space was Nico, Sabrina Mason, Applejack, Apple Bloom, Twilight Sparkle & Friends, Rachel Stavenport, Carol Pusateri, May, Maria, Varie, me, Eli, Arrietty, Aylene Carter, Littlefoot and friends, Fu, Nicole Knudson, Kaina Tsutsumi, Camie, Kaoruko Awata, Himiko, Ibara, Toru, Sirius, Tsuyu, Ochaco, Momo, Lincoln, Laney, Lana, Lola, Lisa and Lily and we were heading over to another awesome planet. We found another food planet and this was gonna be an awesome one.

Me: I have a feeling this is gonna be a really awesome planet.

Eli: It sure will be awesome.

Lola: Yeah I have a feeling this will be really cool.

Nico: Thanks for coming with me, Sabrina.

Sabrina Mason: No problem Nico. This is gonna be so awesome going with you on this really cool rescue.

Camie: How did you guys meet all the Goosebumps heroes?

Me: We had a lot of fun on all those adventures. We would go take down the monsters in each of the books and they are really awesome.

Nico: Yep we sure would.

Me: It was awesome though.

Nico: It all started after I battled a dream version of Slappy.

Me: Yeah and it was brought to life by the Fright Knight, one of Danny's most dangerous enemies.

Laney: Yeah and we found out that Nico was terrified of Slappy since his childhood.

Lana: That was terrible.

Kaina Tsutsumi: Slappy the Living Dummy. That was a terrible character from those stories. He was mean and evil.

Lola: The most evil ever.

Nico: We actually fought him last October. He tried getting Lola in trouble.

Me: I remember that. That was really horrible.

Laney: Yeah he said some really horrible things.

Lincoln: No kidding there! That was awful.

Nico: Yeah.

Sabrina Mason: But Lola wasn't Slappy's only victim remember?

Nico: How can I forget.

Maria: Amy Kramer was his first victim.

Nico: Yeah.

Me: Slappy was beyond a shadow of a doubt the most evil monster ever in the Goosebumps books. But it's where we faced the Haunted Mask that we kicked off our adventures with the Goosebumps books.

Nico: That's right.

Sabrina Mason: I remember that. So awesome.

Me: Yep.

Eli: That was so awesome.

Me: And it's where we formed our branch team for the Goosebumps Books too. We called it the Goosebumps Monster Busters. It's a team I made for every Goosebumps Monster Hero that we recruit. Nico leads it and we go after all of the monsters from the Goosebumps books. We use Nico's collection of Goosebumps books as our hit list.

Nico: That's true.

Eli: That is awesome.

May: One of our best ones was Horrorland.

Me: Now that was EPIC!

Laney: Yeah it sure was. We went to the scariest amusement park ever.

Eli: That must've been a cool one.

Camie: Yeah.

Nico: Oh it was. It was really cool. And we took down the most fucked up villain in that entire park, Dr. Madison Storm. He was one crazy screwed up son of a bitch fuckwad.

Laney: He sure was!

Lana: No kidding there!

Lincoln: And it was an awesome brawl with J.D. and him.

Lola: What was it that you said to him J.D.?

Me: That was awesome.

FLASHBACK - CHAPTER 771

Dr. Storm: You motherfucker! You broke my nose!

Me: I'm about to break a whole lot more than that you fuckhead! I'm going to kill you.

I punch him in the stomach and we stood in stances.

Dr. Storm: You scared shithead? Well you should be. Because this mad scientist is going to kick your big fucking ass.

Me: I eat motherfucking fucked up lunatics like you for breakfast. And right now I'm… (Kicks him in the face) Really hungry!

I punched him in the chest.

FLASHBACK ENDS

Eli: Awesome!

Aylene C.: That was really cool!

Nico: Yeah it sure was.

Nico: (frowns) We got so many recruits that day. And yet, they STILL don't have archenemies.

Me: We'll find some for them Nico. Just got to be patient.

Eli: Yeah.

Me: My favorite was when we met the Lightspeed Rescue Rangers and met Billy and Sheena Deep and even saved the mermaid captured by DuBrow.

Nico: That was a cool one!

Laney: Yeah it was! I learned how to use the full power of awesome Lightspeed Rescue gadgets.

Me: I remember that. That was so awesome trying those all out. They were really awesome.

Sirius: Sounds like it.

Me: Yeah. But the most brutal one I remember we did was Calling All Creeps. (GROWLS FFEROCIOUSLY) THAT ONE REALLY PISSES ME OFF!

Camie: What happened in that one?

Me: It's not what happened, it's what happened to Nico at the end. It was awful.

Nico: Why do I get the feeling that we're going to do a mission based on the Goosebumps movie?

Me: That will happen in October.

Nico: Yeah.

Camie: What happened in the Calling All Creeps adventure?

Me: That was horrible.

I went over what happened during the events of chapter 841 and it was awful!

FLASHBACK - CHAPTER 841

At the Sector V treehouse in the middle of our courtyard, Yuko, Qin, Lola and the Sector V KND members were watching TV and Numbuh 362 was with them.

Qin: So this is the Kids Next Door?

Yuko: Yep. It's a powerful ultra secret organization that is designed to protect all kids from the evil of Adult Tyranny.

Lola: And these are not the adults we know like our parents. These are adults that are evil villains.

Qin: Wow! Who was the most insidious one of them all?

Numbuh 5: That would be the Common Cold.

Yuko: You would not like this guy Qin.

Yuko went over the Common Cold's history.

---

The Common Cold is an eternally ill villain who wishes to spread his cold to everyone else in the world. He uses a machine to fire mucus from his nose at his enemies. He can routinely be defeated with orange juice. The Common Cold first appears in Operation: T.O.M.M.Y., in which Numbuh Two's brother, Tommy, aids the Common Cold out of jealousy for the KND, building a machine for him that transforms him into the "Flu Bug". Numbuh Two's mother used chicken soup to counter the machine and defeat the villain. The Common Cold never got a starring role in an episode again, but made several minor appearances. He is the boss of Operation: S.N.O.T.B.O.M.B.E.R. in Operation: V.I.D.E.O.G.A.M.E.. In Operation: S.N.O.W.I.N.G., it is revealed that he is the uncle of Anna Worthington, and was responsible for making Numbuh 1 sick to keep him from interfering with Jimmy's plans.

---

Qin: Geez! I had no idea he was that sick.

Yuko: Yeah. He is a really disgusting villain. He was always sick and wanted to give the whole world eternal sickness. The Flu can kill you.

Lola: Yeah. It's horrible.

Qin: That's sick! Who was the lamest villain of the KND?

Numbuh 4: (Australian Accent) That would be the Toiletnator. He was the stupidest villain we faced.

Qin: What was he like?

Yuko: He was a comic relief villain. Not all the villains we faced are that powerful. He was mostly used for Comic Relief.

Lola: Yeah every superhero or superhero team has to have a villain that's comic relief.

Qin: What does the Toiletnator do?

Lola went over his history. If you can call it that.

---

The Toiletnator, real name Lou Pottingsworth III, is a pathetically weak and incompetent antagonist (being considered the lamest villain in the KND world and absolutely no threat at all). He's a Toilet-themed super villain who is disregarded as a threat by the KND and considered an embarrassment or liability by other villains, in part due to his ridiculous (even by KND villain standards) motif. He possesses the power to control toilets and shoot toilet paper from his arms, which on occasion has actually been shown to be somewhat effective.

In the comic story, "Operation: H.I.S.T.O.R.I.E." Toiletnator's origin is revealed: he'd once been Lou Pottingsworth III, an executive for Evil Adult Industries Inc, before he was assigned by Father himself to become part of his company's operation to mass-produce their new vegetable: "Asparagross".

But when the Kids Next Door attacked the factory building site, Lou hid in a porti-potty and was trapped in there for several days when it was knocked under a large mass of rubble, forced to eat nothing but urinal cakes.

There, he was visited by "The Almighty Protector of Potty" (some form of toilet god), who'd chosen him to be its knight (the only reason being that he'd been the only one to use the bathroom in a while) and bestowed him with toilet-based powers, which he used to punish kids who wrote on the bathroom walls, misused toilet paper, and forgot to flush.

He first appeared as a joke character in Operation: N.O.-P.O.W.U.H., where he auditions to the Delightful Children From Down The Lane for the task of destroying Sector V, but is rejected and ejected through a window. In Operation: Q.U.I.E.T., he is one of the many characters who attacks the Sector V Treehouse while Numbuh 1 is asleep. In Operation: M.O.V.I.E., Numbuh 4, while disguised as an adult to get into "Violence: The Movie", which is actually a supervillain meeting held by Mr. Boss, he sits next to Toiletnator, who forms a one-sided friendship with him. After his identity is revealed, Toiletnator feels betrayed and blames him for ruining the "plan" he proposed, which was to capture Numbuh 4, and declares him his arch-nemesis. This "rivalry" is continued in Operation: F.L.U.S.H.. In a comic story, "Operation: H.I.S.T.O.R.I.E.", it's revealed that the Toiletnator is actually Numbuh 4's uncle and Sydney Beetles's long lost twin brother.

Toiletnator in Operation: F.L.U.S.H. stated that he wanted Mr. Boss to invite him to go bowling on Tuesdays. In Operation: M.I.S.S.I.O.N. where Toiletnator finally gets to go bowling with Mr. Boss, Numbuh 4 apparently blackmailed a group of villains into aiding him by lying and stating that they had consumed poisoned soda and Mr. Boss agreed on the conditions that the Toiletnator is not given the antidote.

Operation: F.L.U.S.H. features Toiletnator as the main character. After being shunned once again by his fellow villains (with Mr. Boss recanting a past incident where he let Numbuh One into their secret lair even though the operative's only disguise was a t-shirt with "I am not Numbuh One" written on it"), he attempts to prove his worth to them by becoming the "Terma-Toiletnator" and destroying the Kids Next Door. Unknown to him, however, the other villains have already initiated their attack on the Sector V Treehouse only to find that the KND are away from home and have taken it over for themselves. Toiletnator arrives at the Treehouse and, believing his allies to be Sector V, single-handedly dispatches all of them in a brief moment of competence. Knightbrace, who he believes to be Numbuh 4, is brutally flushed down a toilet. A similar situation happens in Operation: C.A.N.Y.O.N., where Toiletnator unknowingly ruins the other villains plans by destroying Mr. Boss's submarine.

In Operation: C.H.O.C.O.L.A.T.E., he cameos being seen in Kids Next Door Arctic Base prison cell next to the Iguana talking to two other older toilet-based villains, presumably his parents.

Another instance where Toiletnator demonstrated himself as a formidable combatant was in Operation: Z.E.R.O., where he is the first person to be turned into a Senior Citi-zombie by Grandfather. Later in the movie, he attacks Numbuh 1 and his father in their house, and successfully zombifies Tommy, who also happened to be there.

In Operation: A.W.A.R.D.S., Toiletnator loses the award for "best toilet-themed villain" to Potty Mouth (much to his disappointment) and his tuxedo gets covered from Common Cold's Snot Bomber. He was last seen in Operation: I.N.T.E.R.V.I.E.W.S. checking out the rides at the amusement park that made him so dizzy he threw up, instead of competing in the scavenger hunt like most of the other villains.

---

Qin: Boy he really was that stupid!

Yuko: Yep. The Toiletnator was a dumb one. We didn't kill him, so we banished him to an island off the southern tip of Africa. We call that island The Island Of Losers.

Qin: That's good.

Numbuh 1: But the most dangerous villain we faced was our ultimate enemy: Father.

Qin: I heard about him. He was the leader of the Adult Villains.

Yuko: He was without a doubt, the toughest adversary me and Lola ever faced.

Lola: I faced him first. Then Yuko the 2nd time.

Qin: What was he like?

Yuko: He was the worst Qin. His goal was to kill all the children and in doing so, he was going to wipe out the entire human race. He was Genocidal Tyrannical Parent.

Yuko went over Father's whole history.

---

Father was the brother of Monty Uno (Numbuh Zero) and son of Grandfather. Unlike his brother, Ben was too afraid to rise up against his father, and ran away. He later grew resentful of his brother overthrowing their tyrannical parent.

At some unknown point, he gained his powers and became the villain known as Father. He secretly kidnapped Sector Z and turned them into The Delightful Children From Down The Lane, adopting them as his own children, resulting in the Kids Next Door losing all contact with Sector Z, until the events of Operation: Z.E.R.O. when Numbuh One's father Monty (Numbuh Zero) discovered the truth and temporarily recommissioned them.

In a crossover with Villainous, it's revealed that he buys his technology from the Black Hat Organization, however, it's uncertain if this info is canon.

As a child in Great Britain, Benedict Uno was terrified of his own father, being extremely obedient despite his dislike for the man. When Monty Uno decided to rebel against Grandfather, Benedict insisted that they would stand no chance against him, and, as a result of his cowardice, he did not join Monty in the uprising, which ultimately did prove successful.

Sometime between this incident and the present day of the series, Benedict took up his father's mantle as the king of evil and ultimate oppressor of children, became a demonic being similar to Grandfather, and vowed to destroy the Kids Next Door. He also moved to the United States.

At one point, Father created the Delightfulization Chamber, a device designed to turn any kid into a mindlessly obedient and perfectly behaved child (most likely as a precaution for what happened between Monty and Grandfather, from happening to him). The first working Delightfulization Chamber was used on Sector Z. During the Delightfulization Process, the machine blew a fuse for reasons unknown, caused it to explode, and amplified its effects "eleventy billion-fold", which created the Delightful Children From Down The Lane, who from then on, would be Father's "children" and most powerful allies.

Other notable minions of Father include the Ice Cream Men, Six-Gum Gang and the Teen Ninjas, including his apprentice, Cree Lincoln and his captain, Chad Dickson. Father does not directly control the majority of the KND's rogues gallery, but frequently employs the services of other villains who, while otherwise operating independently, are readily willing to serve him.

Even the Delightful Children frequently appear without Father. Father is occasionally seen attending the villain meetings of Mr. Boss, who regularly functions as a leader of the series' lesser villains or as a second-in-command. In Operation: C.A.K.E.D.-F.O.U.R. and the comic story Operation: H.I.S.T.O.R.I.E., Father is said to be the head of a company called "Evil Adult Industries Inc."

It is also implied that Father employs several children similar to the DCFDTL throughout the world, as shown in the Interesting Twins From Beneath the Mountain and Rowdy Hooligans From Across the Square.

Father was first encountered by Sector V in Operation: G.R.O.W.-U.P., in which he admonishes the DCFDTL for their repeated failures against the KND. He allows his children to use the "Really Really Incredibly Destructive Machine" to destroy the Sector V Treehouse; in the process, the Delightful Children also manage to transform Numbuh 1 into an adult with the Age Cigar. The remaining members of Sector V infiltrate the Delightful Mansion From Down The Lane to retrieve the cigar, with Numbuh 1 (now "Mr. Uno" the ice cream man) joining them to defeat the Delightful Children.

Sarcastically applauding Uno's success at defeating "a bunch of little kids", Father attacked with his devastating fire powers, but Sector V was able to triumph by covering him with all the ice cream in Mr. Uno's truck. As Numbuh 1 de-aged himself back to his old self and escaped with his team, Father could only lie on the floor, weakly ordering the DCFDTL to get his sweater.

His second major appearance was in Operation: G.R.A.D.U.A.T.E.S., the culmination of a story arc consisting of several loosely-related episodes. Here, he activates a device which creates a rapidly-expanding energy field that turns all KND operatives caught in it into animals. However, the field's reliance on the KND Code Module for its targets backfires when Tommy Gilligan decommissions himself, gaining immunity to the energy field. He proceeds to upload the DNA of the DCFDTL - and Father himself - into the KND Code Module, making them viable targets for their own weapon. Transformed into a panther, Father was locked in his own mansion's cages, allowing Tommy to free his trapped comrades and destroy the device producing the energy field. With the energy field gone, Father returned to normal, but the KND were long gone by the time he escaped his own prison.

Although Tommy's actions defeated him at the time, Father's failed scheme would bear surprising fruit in Operation: I.T. With his DNA in the Code Module, he was technically a KND operative; thus, he was able to infiltrate their Moon Base. Coincidentally, he arrived during the annual competition for leadership (a worldwide game of Tag, since nobody actually wanted the job), and Numbuh 2 was using the Code Module to track his fellow operatives. Currently "It", with ten seconds left to get rid of the status, Numbuh 2 threw open a door and blindly tagged the person behind it - unfortunately for him, Father was that person. As the villain gloated, the clock struck noon, officially making Father the Supreme Leader of the KND.

Convening the irate Operatives in the KND Super Convention Center, Father explained how his DNA was loaded into the Code Module by Tommy, thereby making him a member despite his age and decidedly anti-kid sympathies. Numbuh 86 and her team attempted to decommission him on the spot, but Father invented a new rule on the spot that prevented her from doing so. After the Decommissioning Squad stood down, Father claimed that he had turned over a new leaf; thus, he declared his intent to destroy all broccoli in the world. This action won most of the Operatives' trust, allowing him to dismiss them to their treehouses with minimal resistance. However, it was a ploy to put his foes in the way of his real aim: by infecting the KND Treehouse Central Root System with a "patent pending broccoli virus", Father planned to transform all treehouses into broccoli farms, thereby weakening the KND Operatives and providing enough broccoli to feed every kid in the world.

Numbuh 1 and Numbuh 362 attempted to trick Father into making them Supreme Leader - by complimenting him and offering advice on being Supreme Leader, respectively - but the villain was not fooled, that is, until he bragged about how he was carelessly tagged by Numbuh 2 and demonstrated on Numbuh 362, at which point 362 panicked and tagged the DCFDTL, who then panicked and tagged Father again, but in the process successfully started another game of tag. Father then created an army of clones to attack and confuse them until his status became permanent at noon.

However, his statement that no one liked broccoli proved to be his undoing: no happier about Father's plan than the KND, the Delightful Children returned the Code Module to the Operatives, who used it to track the real Father and eliminate his clones. For his last defense, Father attempted to protect himself with a solid wall of broccoli, only for Numbuh 362 to heroically chew through the mass, pin down Father, and threaten him with a piece of broccoli unless he relinquished his authority by tagging her. After Father and the Delightful Children were removed from the base, their DNA was extracted from the Code Module to prevent a repeat of the incident.

As the secondary antagonist in Operation: Z.E.R.O., Father employs the help of nearly every villain in the universe and organizes a massive attack on the Kids Next Door Seriously Cool Museum of Artifacts and Stuff, which appears to be a diversion for Stickybeard's armada to attack the Moon Base. However, the museum is Father's true target; more specifically, the seemingly-broken Recommissioning Module.

Back at the Convention Center, Father reveals that the Module is actually fully functional (having been repaired by Numbuh 86 to restore the memories of Sector V in the aftermath of Operation: E.N.D.), but requires the DNA of a current KND Operative to activate. Fortunately, Numbuh 1 arrives to reclaim the device, allowing Father to extract one of his boogers after Cree immobilizes him. As another Teen Ninja traps the rest of Sector V, Father taunts Numbuh 1 with the fact that he was counting on his attempt to retrieve the module, gleefully declaring that his failure will spell the end of the Kids Next Door.

With the Recommissioning Module activated, Father uses it to restore the Grandfather's memories, intending to rule the world alongside him. Instead, Grandfather calls his son a failure and orders him to leave, correctly pointing out that Father only restored him because he couldn't beat the KND himself. Dejected, Father tosses the Recommissioning Module in the trash and heads back home to wallow in self-loathing. Consequently, he is not transformed into a Senior Citizombie, and his home becomes one of the only places in the world left unchanged by Grandfather's powers.

Towards the end of the movie, the newly-reawakened Numbuh 0 goes to his brother for help and offers him a second chance to stand up to their father alongside him. Father ultimately accepts the offer, and during the confrontation with Grandfather, goes into a violent rage against his abusive father, only to immediately and abruptly abandon the fight due to a lack of willpower, saying that he no longer cares about anyone or anything else in the world at this point. At the end of the film, after the Kids Next Door Moonbase is launched at Grandfather, Father is seen in the kitchen of his partially-destroyed mansion. Looking over his shoulder at the carnage, the villain declares that he hates everyone, before returning his attention to his table.

In Operation: M.U.N.C.H.I.E.S., Father appears as one of the many villains shopping at the Supervillains Supermarket & Deli. He is the first character to claim the last box of Rainbow Munchies, only to be interrupted by Mr. Boss, Count Spankulot, and Sector V in rapid succession. This leads to a massive free-for-all as everyone in the store scrambles to buy the cereal, with Father being taken out early on when the kids trap him in a barbecue. However, Father frees himself in time to cut off the kids' escape, incinerating their ship (stolen from Stickybeard). After being briefly distracted by a sea of popcorn - popped by proximity to his flames - Father demanded the cereal from Numbuh 5, only to realize that Knightbrace had purchased it in the confusion. He insisted that Knightbrace share the Rainbow Munchies with him, only to learn that the dental-themed fiend actually planned to destroy the cereal. Infuriated at this callous disregard for Rainbow Munchies, Father formed a brief truce with Sector V and the other villains in order to beat up Knightbrace; afterwards, he was seen contentedly eating a bowl of Rainbow Munchies with the other characters.

Father was also involved in some of the later and more elaborate "C.A.K.E.D." episodes, namely Operation: C.A.K.E.D.-F.O.U.R. and Operation: C.A.K.E.D.-F.I.V.E.. In the latter, his ancestors, the Annoyingly Cute Triplets Who Lived Upon the Hill and their mother, who is Father's great-grandmother, are mentioned.

In Operation: I.N.T.E.R.V.I.E.W.S. (the series finale), Father turns into a Dragon after losing his pipe during the episode's climax. At the end of the story, it is revealed that he is the person interviewing the now-grown up members of Sector V in the present day, but it's revealed that Numbuhs 2 thru 5 had simply tricked Father into thinking that Numbuh 1 was still off in outer space somewhere as part of the Galactic KND, because through a phone call between Numbuhs 5 and 1 reveals that by this point, Numbuh 1 (now an adult) has returned to Earth, and was implied to be waiting for his old teammates on the KND-Moonbase. The whole setup was done most likely to get rid of Father by having go into space after his nephew to finally retrieve his missing pipe after all these years.

Qin gasped in sheer horror!

Qin: I can't believe he was that pure evil!

Yuko: Yeah. His goal was to kill all the kids so that adults can rule.

But he never realized that by doing so, he would be wiping out the entire Human Race. His crimes would be considered an act of Genocide.

Qin gasped.

Stickybeard: I know lass. I can't believe me and me crew were working for that monster.

Numbuh 3: That's okay Stickybeard.

Numbuh 2: But thank goodness Yuko and Lola killed him.

Yuko: Yep. Father deserved it for all his crimes.

Then the door kicked over and in came Numbuh 1's ex-girlfriend LIZZIE DEVINE!

Lizzie: NIGEY!

They turned and they saw her.

Yuko: Oh no.

Qin: Who is she?

Yuko: That's Numbuh 1's ex-girlfriend, Lizzie Devine.

Yuko revealed her history.

---

Elizabeth "Lizzie" Devine, or Numbuh Vine, is Nigel's ex-girlfriend.

Years later, she is revealed to actually be a galactic level operative disguised as a human.

She first appeared in the self-titled Operation: L.I.Z.Z.I.E., in which she uses a mind control helmet on her boyfriend in order to stop him from ditching her to spend time with the Kids Next Door. In subsequent episodes, Lizzie is largely a neutral character. In Operation: D.A.T.E., she earned the temporary position as Numbuh 49 when Numbuh 1 told her coming to the dance was a mission.

She appeared completely oblivious to the Delightful Children From Down The Lane's brainwashing of all the party guests and insisted on having her picture taken even after it became obvious that the camera was a brainwashing device. After that, Nigel hurts her feelings and said that it was never a date and didn't care if she thought so, and was seen sad after Nigel slammed the door right in front of her face and called her "date-crazy". Right before the Delightfuls were about to delightfulize Nigel, Lizzie stepped in with a glass of cherry punch from the party and shouted, "NIGEL UNO! I'D LIKE A WORD WITH YOU!". The Delightfuls asked what the meaning of this was, but Lizzie was so angry and just replied rudely and loudly, "SHUT UP!". After Lizzie gave a speech to Nigel, she tried to wet him with her punch, but he jumped out of the way and the punch landed on the master fuse box. Nigel grabs Lizzie and hugs her, telling her that she's brilliant. She replies by saying, "Now, was that so hard?". Outside, the mansion blows up into fireworks as they and the Delighfuls run outside as the mansion is destroyed because of Lizzie's glass of punch.

Nigel, while frequently annoyed by Lizzie's antics, deeply cares for her and usually makes up with her for whatever animosity has ensued at the end of the episode. However every other member of the KND tend to groan everytime she appears.

At the end of Operation: G.I.R.L.F.R.I.E.N.D., Lizzie breaks up with Nigel after he leaves her several times during their date to attend to the imminent danger present to them, courtesy of the KND Splinter Cell. Also, she was tired of him always putting the Kids Next Door before her and neglecting spending time with her.

She was last mentioned in Operation: T.R.E.A.T.Y. by Kuki, mentioning to Nigel at a rather bad time that Lizzie dumped him cold.

She also appears in the comic Operation: R.E.B.O.U.N.D., which takes place after she had broken up with Nigel. She enters the treehouse during an attack by The Delightful Childrens' Roboturkeys.

Numbuh Vine

Lizzie's true identity as revealed in "Stop the g:knd," Numbuh Vine is an operative of the Galactic KND. She has a facebook page used to upload promotional content for G:KND (Spin Off Pitch).

Numbuh Vine also later created a Tumblr page and a Youtube Account.

Appearance

Numbuh Vine looks like a potted plant turned upside down, giving a squid-like appearance. She has white, beady eyes and five hanging vines that act as limbs.

Qin: So there's an intergalactic version of the Kids Next Door?

Numbuh 362: That's right. It's the highest branch of the KND.

Numbuh 1: I was chosen as a representative of Earth's Kids Next Door to join the Galactic KND.

Numbuh 1 revealed their history.

---

It is the highest branch of the Kids Next Door Organization, its existence unknown by even Numbuh 362.

Only one KND operative per planet may be chosen to join the ranks of the Galactic KND, a decision which is made through an elaborate and highly secretive process.

During the final season of Codename: Kids Next Door, Numbuh 1 is chosen to be Earth's Galactic KND operative. At the end of Operation: I.N.T.E.R.V.I.E.W.S., he passes his final test and confronts Numbuh 74.239, upon which the existence of the Galactic KND is revealed to him and the viewer. It is said that he would be unable to ever return to Earth, but in the end of the movie by Numbuh 5 welcoming Numbuh 1 back it is therefore revealed that Numbuh 1 had returned to Earth by the time of the interview.

In the GKND prologue trailer, it is revealed that the Galactic KND are very much like their Splinter Cell cover up: a corrupt, adult-hating organization who are delusional, genocidal hypocrites bent on the destroying all life forms over the age of thirteen in the universe and they consider adulthood to be a disease that needs to be destroyed at any cost. It is strongly hinted that Numbuh 74.239 is telling Numbuh 1 (including Monty Uno, Mrs. Uno and possibly Sector V) half-truths and lies to cover up the Galactic KND's evil deeds and true motives.

In the new series trailer, it's implied that the Galactic KND are actually much more sinister than previously believed, being willing to actually destroy adults and teenagers and planets that they deem as "infested" with adults and teenagers.

This coincides with their cover - the Splinter Cell - who were believed to want to eradicate the world of all adults and teenagers instead of just the evil ones.

It also expands on their claims in Operation: I.N.T.E.R.V.I.E.W.S. that adulthood is a disease.

It is hinted, the Galactic KND are the main antagonists of the sequel series, because of they plan to rid the universe of all adults and teenagers.

It is also presumed that Numbuh 1 has been either corrupted or manipulated by the Galactic KND to become their pawn or loyal servant.

---

Qin gasped!

Qin: So the Galactic KND wants to rid the universe of all adults and Teens!? That's crazy!

Numbuh 1: It was. But luckily I managed to convince them that what they are doing is wrong on so many levels and that we should let Team Loud Phoenix Storm handle it all.

Qin: That's a relief.

Lizzie: Why did you leave me, Nigey?! We were so great together!

Stickybeard: Lass, did it ever occur to you that you were too clingy to him? All you were doing was thinking about yerself. He was always fighting for children everywhere against adults like me.

Cree: And against teens like me. Not to mention that if he always spent time with you, Father would've destroyed the Kids Next Door if Lola hadn't shown up.

Lizzie: Don't even start, Lincoln! Joining Nigey's friends made you soft! The old you would've had me crying at your feet by now!

Cree: (getting annoyed) Well, the new me's going to beat you black and blue if you don't back off!

Numbuh 1: Lizzie, Stickybeard and Cree are right.

Yuko: You were being to clingy to him and that resulted in your relationship becoming too toxic.

Lola: That's right Devine! You need to realize that when you get like that, you're bound to mess up a relationship.

Numbuh 362: That's right Lizzie. Numbuh 1 and I are the right kind of couple. Because he has always been there for me.

Numbuh 1 blushed.

Yuko: So adorable.

Lizzie was enraged!

Lizzie: IF I CAN'T HAVE NIGEY, NO ONE CAN!

Lizzie then pulled out a blaster and Yuko fired a powerful blast of fire at it and destroyed it and burned Lizzie's hands.

Yuko: You don't deserve to be in Numbuh 1's life!

Yuko snapped her fingers and Lizzie's head was burning and when the flames went away, Lizzie was confused.

Lizzie: Where am I?

Lola: What happened to her?

Yuko: Flames of Amnesia. It burns all the memories of certain events and destroys them permanently.

Lizzie: Whoa! What happened? My head hurts.

Lizzie left. We would never see her again.

Numbuh 1: Thanks Yuko.

Yuko: No problem Numbuh 1.

* * *

In the estate we were talking to the KND.

Kenai: Nigel, I want to let you know that you did the right thing breaking up with Lizzie. Your relationship with her was toxic.

Numbuh 1: I know Kenai. Lizzie and me weren't meant to be.

Me: If that had gone on any longer, it would've been a match made in Hell. I watched a lot of crime documentaries and saw a lot of people get killed by their spouses.

Lana: Why would they do that?

Laney: There are lots of motives behind it. Most of it is centered around money. But it's other things too. Marriage gone bad, divorce, custody battle, hatred, vengeance, insane, anything.

Lana: That's awful.

* * *

Nico, Thundercracker, Kickback, Skywarp and Jetfire were over in the desert looking for more Transformer Stasis Pods. They found one.

Nico: There it is!

They went over to it.

Kickback: Hang on. I know that bot. That's Sunstorm!

Nico: Another comrade of yours?

Thundercracker: That's right boss.

Skywarp: Lets activate him.

They did so and he awoke.

Sunstorm just got out of the stasis pod.

Sunstorm: Oh man. Where am I?

Thundercracker: You're on Earth, Sunstorm.

Sunstorm: Thundercracker, Kickback, Skywarp.

Nico: We have a lot of explaining to do. By the way, I'm Nicolas Chan, but everyone calls me Nico. I'm now the new Leader of the Decepticons.

Sunstorm: What happened to Megatron?

Nico: He's dead and so is Starscream.

Nico explained everything that went down.

Sunstorm: So, Starscream's dead?

Skywarp: Yep. He and Megatron are the only Decepticons who didn't change their ways when we met JD and the others.

Thundercracker: Sure, everyone else got hit with combo attacks. But Nico and the others made sure they got healed up afterwards. Although Soundwave, Frenzy, Thrust, and Dirge did get revived.

Sunstorm: Good. Screamer deserves to be with the Allspark for all the crap he did.

Jetfire: (Australian Accent) Actually, Starscream's soul got sucked into the Book of Vile Darkness. He was revived as a Heartless by Alejandro. But after that, he was sent into the River of Fire.

Sunstorm (laughs): Jetfire, my friend, I don't care where his soul is. As long as he stays dead.

Nico: Oh he will. We made sure they will stay dead.

They went back to the estate. We were introduced to Sunstorm and he was now part of the team.

---

Later as we were watching TV and reading books and playing card games, me and Nico were looking over his Goosebumps Books for our next target.

Me: Hmm. How about this one? The Abominable Snowman of Pasadena.

Nico: Lets save that one for later. Hmm. How about The Scarecrow Walks at Midnight?

Me: October is next month. So lets do that one then.

Nico: All right.

Me: Hmmm.

Then I saw one that caught my eye.

Me: How about this one? Calling All Creeps?

Nico: That was a strange one. That was a dark one too. All right then.

Me: Calling All Creeps it is. This is a really freaky one. The kids on the cover look like B-Movie monsters.

Lucy Loud: What monsters are those J.D.?

Me: They look like the monsters from the 1959 movie "The Alligator People." That's one of my dads favorite movies from his past. It was made 60 years ago.

Nico: I saw that movie. That was a scary one. That guy was half human half alligator. Like a gene-slammer.

Me: Exactly like it. It was a scientist that fused him with an Alligator that turned him into that. Really fucked up. But these creeps were made by seeds that were in their food.

Natasha: (Polish Accent) What a horrible thing.

Olga: No kidding. I can't believe that these Creeps are that dangerous.

Yukari: They sound like it. But not only that, J.D. and Naruto killed three lizard men at Yokai Academy.

Me: I remember that. They were a bunch of chauvinistic bigots. But they died at our hands.

Naruto: They sure did bro.

Nico: But what these Creeps did really pisses me off. In the end of the book, the Creeps had won and enslaved the whole town.

Me: I know. And I remember that Ricky in this book turned evil. He's gonna be the first ever Goosebumps Protagionist turned villain that we have killed.

Nico: No kidding.

Lincoln: This kid sounds like he has a lot of problems.

Laney: No kidding. He practically destroyed the whole town and robbed it of its humanity.

Me: We're gonna kill the Creeps and cure the whole town and kill Ricky.

Nico: No. We can kill the rest of the creeps, cure Ricky and then throw him into one of our prisons. He sold out the whole town and destroyed it.

We gasped.

Me: That motherfucking turncoat!

Lynn: I'm gonna rip that kids fucking head off!

Lori: I will literally turn that kid into a human pretzel!

Me: After we cure the rest of the town and kill the Creeps. Lets go!

We were off to Oldstone, Utan.

---

## OLDSTONE, UTAH.

---

We arrived in the mountains of Utah and we saw the town of Oldstone, 100 miles south of Salt Lake City. It was out in the mountains far away from a major town or city. It was completely in total turmoil and we saw a horrifying sight. All the kids were now turned into Creeps and they had enslaved the adults and others into doing their bidding.

I pulled out my advanced binoculars and they saw that all the adults were being tortured with cattle prods and more.

Me: This is sick! Ricky and those Creeps are gonna pay for this.

Suddenly we saw a girl escaping from the town!

Me: There's a girl running from the town.

Nico: Let me see.

I handed Nico the Binoculars and he recognized her.

Nico: That's Iris Candler. She's Ricky's best friend. But she wanted no part in joining him.

Me: That's good. Maybe she can help us.

Nico: Where is she heading?

Me: I think I know.

I did an analysis and it showed that there were traps all over the outside of the town!

Me: There's traps all over the place!

We got to one of the traps and we saw Iris in a snare trap.

Iris C.: Team Loud Phoenix Storm!

Me: We'll get you down in a sec.

I took my sword and cut the rope and she was free.

Iris C.: Thanks J.D. You have to help us.

Me: We know Iris. We'll save the town and we're gonna kill the Creeps and throw Ricky in jail. We're gonna cure everyone turned into Creeps.

Iris C.: Thank you all so much. I want to help you all.

Me: We need to cure everyone that was human before.

Iris C.: I can help. (Hands me a packet of seeds) Here's the seeds they used to infect us.

Me: Great. Now we can synthesize an antidote. But I bet some of them are incurable.

Iris C.: That's right.

Me: Okay, those will be the ones that we kill.

Lincoln: How will we know who is who?

Me: I'm going to use the Force to identify them.

Lana: Good thinking.

Me: First we have to get all the people cured and then get everyone that was cured out of here so we can launch our attack from the air.

Nico: Okay.

Me: Mystique, Clayface, Rubberband Man, we'll need you to infiltrate the houses to knock some of the Creeps out and free the slaves.

Mystique: Got it.

Me: You give the signal when the slaves are free and Laney will cure everyone. Then we'll launch the attack and unleash our attacks on Ricky when all the Creeps are dead. We need Ricky alive so we can cure him after pummel his ass into Oblivion.

Mystique: Right.

Me: Lets do it.

We put our plan into action.

Me: May the Force be with us.

Mystique went into a Creep's room.

Female Creep: (Mystique visits her in the bathroom) What do you want?

Mystique: For you to be taken out. (Female Creep tries to run) Run as fast as you can, it won't be fast enough! (knocks her out)

Male Creep: (Clayface visits him in the bathroom) What are you in here for? You just joined us and…

Clayface: I'm here to knock you out. (does so with clay hammer)

Rubberband Man visits a Male Creep while he's sleeping on the couch.

Male Creep: (yawn) Can't you wait until later? I'm tired!

Rubberband Man: (grins) Oh, you can sleep if you like. In fact, let me help you with that! (Forms rubber hammer)

Male Creep: What're you doing with that? I haven't done anything! (gets knocked out)

Rubberband Man: That's enough of your whining.

They went in disguised as Creeps and they were freeing the slaves and telling them to run. But then Jared (Goosebumps) and Ricky got word of this!

Ricky Beamer (to Jared and Clayface): Ok. One of you has betrayed us and is taking out our members. So, which one of you should I kill?

Jared: Kill him! He's been acting suspicious!

Clayface: Me? You're the one who keeps going outside!

Jared: Because I've been checking on the troops!

Ricky: Quiet! I'll decide!

All of them were tense for a couple of minutes before Ricky shot Jared, killing him.

Clayface: You made the right choice, Ricky.

Ricky sighs in relief.

Clayface: (turns into his real form) For me, at least!

He punches Ricky and I released a massive Force Aura and it marked who was human before they got turned into Creeps. The ones marked in blue were human before and the ones marked in Red were incurable. Laney fires an energy field that cured all the Creeps that were human, but not the Creeps that were incurable.

Laney: Everyone get out of here fast! This is gonna get ugly!

Everyone evacuated the whole town. I was piloting a Y-Wing ship and it was ready to fire.

Me: Here we go!

I fired lasers and Proton Torpedoes and blasted the Creeps and killed them.

BOOOM! BOOOOM! BOOOM! BOOOM BOOOOOOMM! BOOOOOMMM! BOOOOMMM!

Anakin and Padme were piloting Naboo Starfighters and they blew some of the Creeps away.

Me: WHOO!

Anakin: Awesome!

Padme: You all pilot well.

Me: We did it all.

We blasted all the creeps with lasers and proton torpedoes and killed them all. We even put some of the Creeps in Containment Card prisons and more.

One by one we got rid of all the Creeps until it was just us and Ricky.

We landed our ships and stood ready to face Ricky! He was ugly.

Me: You are one ugly motherfucker.

Ricky: You all are nothing but a bunch of murderers!

Me: You're nothing but a backstabbing fuckpot that gets a sick thrill out of causing pain.

Lucy Dark: That's right. You brought nothing but pain and suffering to this whole town!

Carly Beth: You make me sick!

Ricky: I'm the bad guy here? At least I'm not a murderer!

Nico: Excuse me?

Maria: He shouldn't have said that.

Me: No he shouldn't have.

Ricky: All the people you killed just to make sure people are safe. And you still plan to kill even more. You don't even care if your friends got hurt in the process. Hell, if you had just checked up on Qin Chen occasionally, you could've prevented the Russian Mob from killing her parents and they would still be alive.

Nico: SHUT THE HELL UP!

Me: Shut the fuck up!

Ricky clamped his mouth shut.

Nico: Everything you just said to me is an absolute and utter load of bull crap. I love and care deeply for my friends and would NEVER intentionally allow anything bad to happen to them! And while I have dropped bodies, I've only done it when they deserved it, something you would never understand. And how dare you blame me for Qin's parents' death! The ONLY one to blame for that is the Russian Mob and J.D. killed them in return!

Me: That's right! And I show no remorse for killing them. They don't care who suffers to get what they want! That's why they got what they deserved. Just like your friends the Creeps did.

Nico: (grabs Ricky by the collar) How dare you also make it seem like I'm some kind of monster, how dare you make me seem as though I'm the true villain of my own story, and HOW, DARE, YOU act all self-righteous, holier than thou, and pretty much claim that everything I touch dies! I have crossed some lines to keep people safe and I know that I'm not perfect. But not every death that's happened is my fault and I'm not going to take responsibility for something that I'm blameless of.

Iris: It's been nice knowing you, Ricky.

Nico: (glares at Ricky) In fact, you're the one who sold your own town out by turning almost everyone in it into Creeps! Plus, that also helped the Legion of Doom and all the other bad guys out there establish this town as a base of operations! Even though they've probably decided that this town is lost to them now that we're here. And now, you have the temerity of more or less accusing me of being a monster. WELL, GUESS WHAT!? While I may have dropped a lot of bodies, at least I've never betrayed my friends all because I was picked on all my life, and that's something you should think about the next time you open your big fucking mouth!

Me: You're gonna wish that we killed you when we're done with you Ricky.

I punched him in the face and knocked out some of his teeth and Nico kicked him in the stomach and Iris punched him in the stomach and face and kicked him in the crotch. Girl Jordan fired a massive blast of water and got him all wet.

Lola fired a powerful blast of fire and burned him and Laney wrapped him up in vines and they had thorns and he was screaming in pain.

Me: Time to show you some of our teamwork!

Sunstorm: You got it boss! CYBER KEY POWER!

The Decepticon Cyber Planet Key went into his back and it enhanced his Gamma-Ray Lasers 100-fold.

Kickback: Lets do it!

Kickback turned into his Energon form.

Kickback: CYBER KEY POWER!

The Decepticon Cyber Planet Key went into his Dual-Cannon and enhanced it 100-fold and allowed 20 more cannons to pop out.

Sunstorm and Kickback: SOLAR PLASMA FIRESTORM!

Sunstorm and Kickback fired powerful blasts of gamma radiation and lasers and they combined and turned into Solar Plasma and they slammed into Ricky and exploded.

KRABBBBBOOOOOOOOOOOOOOOOOOOMMM!

Kenai: Time for some bear power! ANIMATRON CYBER KEY POWER!

The Animatron Cyber Planet Key went into Kenai's right arm and it enhanced his strength and sharpened his claws to razor sharp levels.

Jetfire turned into his Cybertron form.

Cybertron Jetfire: Time for some Heavy Firepower Mates! CYBER KEY POWER!

The Autobot Cyber Planet Key went into his back and a powerful back cannon popped up.

Kenai and Cybertron Jetfire: SUPERCANNON BEAR SLASH!

Kenai slashed Ricky with his claws and Jetfire fired his supercannon and the blast hit him and exploded.

KRABBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOMMMMM!

Iris C.: That is so cool!

Me: Thanks Iris. It's our Cyber Planet Key powers. You can do it too. Go for it.

Iris C.: Okay. Lets me see here. DECEPTICON CYBER KEY POWER!

The Decepticon Planet Key went into her right arm device and she got Cybertron Crumplezone's Shoulder Cannons.

Iris C.: Whoa! This is so cool!

Nico: Good choice for your first time.

Iris C.: Thanks Nico. CRUMPLE CRUSHER BLAST!

She fired a massive blast of purple energy from the cannons and they hit Ricky and exploded.

KRABBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOM

Crumplezone: Wow! That was awesome!

Ransack: I'll say. Well done Iris.

Iris C.: Thanks guys.

Me: Lets finish him!

Mystique: Lets get him! DARK RAVEN MURDER!

Mystique fired a powerful cloud of darkness and it turned into a massive murder of crows. They hit Ricky and exploded.

KRABBBBBOOOOOOOOOOOOOOOOOOOOOOOOMMM!

Girl Jordan: You and your kind are not welcome here Ricky! MAELSTROM DRAGON DELUGE!

Girl Jordan fired a massive blast of water that turned into a powerful dragon of water and it slammed into Ricky with the massive force of a powerful Megatsunami.

Iris C.: This is for my friends and my family! FIRESTORM SWORD SLASH!

Iris formed a powerful sword of pure fire and she slashed Ricky and burned him.

Me: Watch this Iris. Ready Leobreaker?

Leobreaker: You know I am J.D.!

I went Super Angel and Leobreaker turned into a powerful arm.

Me: J.D. Knudson, SAVAGE CLAW MODE!

Iris C.: That is so cool!

Nico: When humans and Transformers work together, we become an unstoppable force.

Me: It gets even better Iris. Watch this. ANIMATRON CYBER KEY POWER!

The Animatron Cyber Planet Key went into Leobreaker and his claws popped out.

Me: SUPER LION SLASH!

I slashed Ricky with Leobreaker and his Creep look shattered into a million pieces and he was human again!

Ricky: What!? NO! My power!

Iris punched him in the face and knocked him out.

Iris C.: That was awesome!

Leobreaker: Thanks Iris.

Nico: And Ricky has failed this city.

Me: And this whole planet. It's the Neptune Prison for Traitors for him.

Iris C.: You got that right.

Ricky was tied up.

Me: If you weren't a kid Ricky, we would make you suffer and then kill you.

Ricky was sentenced to life in the Neptune Prison for Traitors for eternity. He now shares a cell with Mandy.

Iris C.: This was so cool!

Me: Thanks Iris. And you did really well for your first Cyber Key Power Up and Final Smash.

Iris C.: I sure did. Thank you all so much for helping us deal with the Creeps.

Nico: Anytime Iris. I just can't believe Ricky said all that.

Qin: Nico, I want you to know that I don't blame you for my parents' death.

Nico: I know, Qin. We've already established that.

Iris C.: But I think you need to calm down. Since this town is now Creep free, how about we get some ice cream?

Me: That sounds great.

We went and got some ice cream. Nico caught a Tsareena and Bewear. We also destroyed the seeds that made everyone into Creeps. Ricky was disowned by his family and he was now condemned to spend the rest of his life in prison without parole.

Iris C.: (To the viewers) No one will stop Team Loud Phoenix Storm. Not even a bunch of stupid Creeps.

Me: You got that right Iris.

We made Iris a member of the Goosebumps Monster Busters.

FLASHBACK ENDS

When I was finished everyone was shocked and then Eli shook his fist with rage!

Eli: (GROWLS) THAT MONSTER!

Me: What he said to Nico made me want to tear his entire head off his shoulders!

Nico: Yeah what he said was horrible.

Me: Too bad our code wouldn't allow us to kill him! But that mission showed a massively bitter case of Cruel Irony. Ricky ended up becoming the very thing he hated the most.

Laney: Yeah he sure did. What a jerk!

Nico: And let's not forget the Haunted Car. That thing nearly ran me over!

Me: That was a really freaky one! That one reminded me of the 1983 movie Christine and that was cool.

Nico: It sure was.

We arrived at the planet.

Nico: We're here!

It was a beautiful golden planet from space and it was amazing.

Nico: Wow. Look at this planet.

Laney: It's beautiful.

Fu: I wonder what it will be like when we go down and see it.

Nico: Lets find out.

We went down to the planet and what we saw was absolutely incredible! We saw that the planet was a massive BREAKFAST SWAMP PLANET! MADE WITH PANCAKES, WAFFLES, BACON, TOAST AND MORE! AND THE WATER WAS MADE ENTIRELY OUT OF MAPLE SYRUP!

Laney: WHOA!

Me: It's a Breakfast Planet! How cool is this!?

Eli: WHOA!

Sabrina: I call dibs!

She dove into the syrup and then dipped some pancakes into the syrup and it was delicious!

Nico: Wow! That is what I call a sweet dive.

Eli: (Eating Bacon) Mmm! The bacon is delicious!

Laney took a big bite out of some pancakes and they were delicious!

Laney: (EATING) MMM! So delicious!

Me: (Eating some toast) (Imitating Ed) Buttered Toast!

We laughed at that one!

Sabrina: I'll eat some and keep watch for any villains.

Eli: Okay.

We were really amazed at this kind of planet. It was really awesome seeing a planet where everything was made of awesome breakfast.

Laney: This planet is awesome.

Nico: It sure is. And it's a Breakfast Swamp planet too.

May: Boy this is so awesome and cool.

Sabrina was keeping watch.

She was looking out for anything strange. But then she saw something jumping on the pancake lily pads and it was coming closer.

Sabrina: What is that?

It got closer into view and it was COUNT DOOKU!

Sabrina: Count Dooku!

We heard her!

Me: Count Dooku is here!?

Nico: Oh man! But we'll let the Masters of Evil deal with him.

He arrived and saw us.

Count Dooku: Nicolas Chan, how nice to see you again my friend.

Nico: Strange seeing you here on a breakfast planet of all places.

Count Dooku: Indeed.

Eli: In the name of Team Loud Phoenix Storm and the Galactic Senate of the Republic… (Ignites Lightsaber) You're under arrest.

Me, Nicole, Sabrina and Fu ignited our Lightsabers.

Count Dooku: I suppose you'll have to do since Skywalker isn't here.

Nico: He already had his turn.

Eli: That's right. Also I take it you heard that the war is over.

Me: That's right. Palpatine is dead and you are also looking at his killer, yours truly.

Count Dooku: You killed Palpatine!?

Me: Yes I did. He was a monster. The worst ever. You were nothing more than a pawn in his evil insidious plans for galactic domination.

Laney: That's right. Anakin was a pawn to him too. Palpatine was the devil incarnate.

Count Dooku: So I see. I'm glad the war is over.

Me: Master Yoda said the same thing.

Eli: He sure did.

Count Dooku: So you are the famous young Eli. I heard so much about you. You were taught in mastering the light and dark sides of the Force. The Force is really strong with you.

Eli: That's right. Trained on Coruscant. First Grey Jedi in a long time. Also one of the best Jedi from Earth.

Count Dooku: Interesting. Lets put your strength to the test shall we?

Eli: Lets.

Eli used the Force and hurled numerous pancakes at Dooku and then fired a blast of Force Lightning and Dooku redirected it up.

Count Dooku fired a blast of his own Force Lightning and Eli did the same and the blasts collided and exploded!

KRABBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOM

Eli then jumped and clashed all over Dooku with incredible speed and strength. Sparks were flying all over the place as Eli was using the same speed and power Yoda has.

Sabrina: Wow! Eli is really going at him.

Laney: Yeah!

Eli clashed with him all over and the fired a Force Push blast and knocked him back.

Nico: And it wasn't just Anakin who killed you the first time. Palpatine baited him into doing it.

Me: That's right. Palpatine sensed Anakiin's hatred and anger in him because of the death of his mother at the hands of Tusken Raiders on Tatooine.

Nico: That's right.

Count Dooku: So that's how Skywalker got Anger in him. Poor boy lost so much.

Me: At least you have a heart whereas Palpatine did not.

Nico: And after your death, it all went to shit.

Me: Palpatine initiated a terrible order called Order 66 or Total Jedi Eradication.

Eli: It's true. It was really horrible.

Camie: Yeah it sure was.

Nico told Dooku everything about the Jedi being destroyed by 66 and it was terrible! Palpatine even turned Anakin to the Dark Side of the Force and he slaughtered Younglings, innocent children.

Count Dooku: That is awful! Palpatine is totally honorless.

Me: Yes he was.

Fu: Yeah.

?: That is for sure!

A Kel Dor came.

Nico: Master Plo Koon?

Kel Dor: (Laughs) (In a girls voice) No Nico.

Nico: Wait that voice. Emily Princeton? Wow! You look awesome as a Kel Dor.

Kel Dor: Thanks Nico. It's awesome to see you again.

Count Dooku: I see you know each other.

Kel Dor: Indeed.

The Kel Dor reverted back to a girl with orange hair and orange clothes and she ignited a blue blade lightsaber.

Emily Princeton: But I'm a Kel Dor Gene-Slammer. I'm from Earth but I have mastery of the Force. And I can do this.

Emily fired a blast of Yellow Lightning called Force Judgement and electrocuted Dooku all over and knocked him down.

Eli, Nico, me, Fu and Sabrina and Emily had our lightsabers pointed at his head.

Nico: In the name of the Galactic Senate of the Republic and Team Loud Phoenix Storm…

Sabrina Mason: You are under arrest.

Me: The Masters of Evil will be your friends now. Imagine that. 2nd Sith Lord in the M.O.E.

Nico: Wow! Emily you have come so far in the ways of the Force.

Emily Princeton: I had to learn most of what I could on my own and I also went to Coruscant and learned everything there.

Me: That's cool.

Sabrina: What's your favorite memory of Nico?

Emily Princeton: Most of my memories are in Geography. My favorite was when me and Nico were given a project assignment for Turkmenistan and we had to do a diorama for the entire country and its features.

Laney: Wow that is cool.

Emily Princeton: It sure is. We got an A+ on it too.

Nico: We sure did and that was fun.

Lana: That is cool.

Me: It sure is. But Emily you are awesome as both a Kel Dor and a Jedi Master.

Emily Princeton: Thanks. That means a lot.

Nico and Emily hugged.

Nico: I really missed you.

Emily Princeton: Me too Nico. Me too.

Me: This was an awesome rescue Nico.

Nico: Boy it sure was. Lets go home.

We later went back home and Count Dooku was put into the M.O.E. Soon we would have to find a great archenemy for Dooku.

---

After Nico's rescue, Lincoln, Me, Nico, Eli, Nicole Knudson, Lori, Leni, Luna, Luan, Lynn, Laney, Lucy, Lana, Lola, Lisa, Lily, Lincoln's harem, Sherlock Hound, Noctis Lucis Caelum, Gladiolus Amicitia, Ignis Scientia, Prompto Argentum, Stella Nox Fleuret, Ravus Nox Fleuret, TLPS Mr. Wolf, TLPS Mr. Piranha, TLPS Mr. Snake, TLPS Mr. Shark, TLPS Ms. Tarantula, Sima Shi, Sima Zhao, Sun Jian, Guo Jia, Zhang Bao, Guan Xing, Cao Cao, Liu Bei, Sun Quan, Sima Yi, Jiang Wei, Jia Chong, Yukimura Sanada (Samurai Warriors), Keiji Maeda (Samurai Warriors), Kanetsugu Naoe (Samurai Warriors), Hanzo Hattori (Samurai Warriors), Musashi Miyamoto (Samurai Warriors), Heathcliff, Sonja (Heathcliff), Riff-Raff, Hector (Heathcliff), Wordsworth, Mungo, Cleo, Leroy, Crash Bandicoot, Coco Bandicoot, Aku-Aku, The Quantum Masks, Alternate Tawna, Spyro, Cynder, The Ghostforce, Rayman, The Louds' Scottish Ancestors, and Anakin are heading to 15th Century Transylvania in the world of the 2014 movie Dracula Untold, and not only is Lincoln going to rescue the six girls there, but we're also going to help Vlad III Țepeș A.K.A. Dracula rescue his son Îngeraș, and kill Sultan Mehmed II and the entire Ottoman army.

Lincoln: Whoa, we're here in 15th Century Transylvania in the world of the 2014 movie Dracula Untold, and I know what we're going to do here, not only am I going to rescue the six girls there, but we're also going to help Vlad III Țepeș A.K.A. Dracula rescue his son Îngeraș, and kill Sultan Mehmed II and the entire Ottoman army.

Nico: That's right, Linc.

Me: I remembered seeing this movie long ago, and it was so awesome, plus, I saw what Dracula was like in the movie: a devoted family man who's willing to sacrifice even his own humanity to protect his family and his people, and a strong Christian who defended Western Europe from the Ottomans and also, begged for God's forgiveness after becoming a vampire while in the three day transition period.

Eli: I've known about the stories of Dracula's battles against the Turks in the 15th century, and what he went through when he was growing up made him into the man he is, and he's also the inspiration for Count Dracula, the bloodthirsty vampire.

Lincoln: That's right, Eli, and I want to thank you and our ancestors for joining us, Anakin.

Anakin: You're welcome, Lincoln.

Duke Lincoln: (Scottish Accent) We'll also have to be on our guard, laddies.

Lucille: (Scottish Accent) You're right, brother. I can feel the darkness here and it's really powerful.

Lincoln: It's Dracula, I know it from anywhere.

TLPS Mr. Wolf: Let's just keep on guard and watch out for any vampires lurking in the darkness.

Suddenly, we saw a massive cloud of bats flying in the skies and as it landed on the ground, the cloud of bats transformed into a man with black hair with medieval black and red armor with dragons on it and a long red cape with a fur lined collar, it was none other than Vlad III Țepeș A.K.A. Dracula from Dracula Untold.

Lincoln: Vlad III Țepeș.

Vlad III Țepeș (Dracula Untold): Team Loud Phoenix Storm. What brings you here to Transylvania?

Lincoln: We're here to help you rescue your son, Îngeraș, and kill Sultan Mehmed II and the entire Ottoman army, and we know why you became a vampire: to protect your people and your family from the Ottoman Empire.

Me: That's right, and you've known about our reputation of killing evil vampires, but you're among the vampires who fight for the side of good, and we know a lot of them.

Nico: We're also going to need a plan when we get after Mehmed II, he could have some traps made for you, now that he knows you've become a vampire.

Vlad III Țepeș (Dracula Untold): Yes, you're right.

Lincoln: Mehmed will use the two weaknesses of the vampires if he engages Vlad in a fight: silver and sunlight. Let me take of the silver problem first.

Lincoln snapped his fingers, and got all of the silver that was inside Mehmed's tent out of there, and puts it in a scroll to be used for making weapons.

Lincoln: Now, to take care of your other vampire weaknesses.

Lincoln snapped his fingers again, and got rid of Vlad's weaknesses to sunlight, silver, wooden stakes, and the crucifix, and he also mellowed out Vlad's bloodlust.

Vlad III Țepeș (Dracula Untold): What did you do to me?

Lincoln: I got rid of your weaknesses to sunlight, silver, wooden stakes, and the crucifix, and I also mellowed out your bloodlust. Now, let's go rescue your son, Îngeraș, and kill Sultan Mehmed II and the entire Ottoman army.

Vlad III Țepeș (Dracula Untold): Yes, let's go. But, allow me to do something really quick.

Vlad turned the skies completely dark, and while we took off into the skies, Vlad's vampire armies were unleashed and they attacked and killed the Turks, and we bust into Mehmed II's tent, and we saw both Îngeraș, along with Mehmed II.

Lincoln: It's over, Mehmed. You and your armies are finished.

Mehmed II: We'll see about that.

But, Mehmed II saw that his supply of silver was missing, and unknown to him, Lincoln shrouded the tent in darkness, so no sunlight would penetrate.

Nico: (Smirks) Looking for your precious silver?

Mehmed II was enraged, and he got out his sword to attack us, but while Lincoln and Vlad III Țepeș engaged in a brutal swordfight, Nico freed Îngeraș and got him to our side. Then, Lincoln disarmed Mehmed II and Vlad transformed into bats and stabbed Mehmed II with a stake.

Mehmed II: Don't… think… that even for a second that you've won, Vlad.

Vlad III Țepeș (Dracula Untold): Only my family and my people call me by my name, but to you, my name is Dracula. Son of the Devil.

Then, Dracula bites Mehmed II in the neck and drinks his blood, and he let out an animalistic roar, and threw the dead Sultan's body to Lincoln, who cuts him down and sends his spirit along with the spirits of the slain Turks to Oblivion forever.

Just then, Îngeraș ran up to his father, and they hugged.

Vlad III Țepeș (Dracula Untold): I'm so glad that you're alright, Îngeraș.

Îngeraș: Thanks to you and Team Loud Phoenix Storm for helping me. And I did see six girls here who tried to free me, but the Turks tried to chase them out, only to be slaughtered by the vampires sent by my father.

Lincoln: And if they're still here, that also means…

?: HEELLLLPPPP!

Suddenly, Lincoln heard the sound of six girls calling for help. With his deep sapphire blue cyborg eyes, rainbow colored iris of his Third Eye, the Force, and his superhuman sight, along with sensing energy signals, he saw and heard exactly where the call for help was coming from. He saw the six girls, but they've been cornered by Dracula's minions, and they're going to kill them to satisfy their thirst for blood.

Lincoln: Guys, I found the six girls, but they've been cornered by all those you've turned, Vlad, and they're going to kill them to satisfy their thirst for blood.

?: We've got to save them and stop those evil vampires.

Suddenly, we saw the Arcana Force VI - The Lovers appear before

us.

Nico: Whoa, that's the Arcana Force VI - The Lovers.

Lincoln: And there's no mistaking that voice from anywhere, I knew it was you, Penelope Harrisburg, but we'll have to talk later.

Vlad III Țepeș (Dracula Untold): He's right, we need to stop my soon-to-be former minions.

We rushed on over, and Lincoln fired rainbow energy balls and elemental forces at the evil vampires, and that allowed the six girls to get to safety. When the evil vampires saw us, they growled and hissed at us.

Lincoln: Now, to finally make sure this chaos finally comes to an end.

Lincoln unholstered his massive Hinon's Cosmic Storm Sword of Universal Hope, Elemental Bravery, and Unbreakable Eternal Bonds from his wider and muscular back, and transformed into Super Angel-Ebonwu-Thunderbird Eternity Infinity Elemental Thunderbird Buffalo Angel of Universal Justice and Elemental Hope, TLPS Mr. Wolf transformed into his Super Angel Eternity Infinity form and the rest of The TLPS Bad Guys Gang transformed into their Super Angel Eternity Infinity forms and they unholster their massive swords, Sima Shi, Sima Zhao, Sun Jian, Guo Jia, Zhang Bao, Guan Xing, Cao Cao, Liu Bei, Sun Quan, Sima Yi, Jiang Wei, Jia Chong, Yukimura Sanada (Samurai Warriors), Keiji Maeda (Samurai Warriors), Kanetsugu Naoe (Samurai Warriors), Hanzo Hattori (Samurai Warriors), and Musashi Miyamoto (Samurai Warriors) got out their weapons, Lincoln's sisters transformed into their Super Angel Infinity forms and unholstered their massive swords from their backs, Lincoln's harem unholstered their massive swords from their backs and transformed, Sherlock Hound transformed into Super Angel Eternity Infinity Stellar Darkness Demon Hound of Dark Compassion and Demonic Justice, and he unholstered his massive Sparda's Demon Fang of The Demon Hound sword from his wider and more muscular back, Crash Bandicoot unholstered his massive Skylands' Elemental Wolf Sword of Elemental Justice from his wider and more muscular back and transformed into Super Angel Eternity

Infinity Elemental Skylander Bandicoot Knight Angel of Elemental Bravery and Elemental Will, The Ghostforce, Anakin, The Louds' Ancestors, Noctis, Prompto, Ignis, Gladio, Stella Nox Fleuret, and Ravus Nox Fleuret got out their swords, Rayman had his gauntlets ready and he transformed, Hector got out his massive Heaven's Maw of Judgement sasumata pike, and Me, Nico, Nicole, and Eli unholstered our massive swords and transformed, and we went after the evil vampires, and we fired powerful blasts of rainbow energy, colored energy, elemental forces, Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time Energy, Gravity, Blood, Magic, steel orbs, throwing axes, stars, rainbow flames, rainbow crystals, orange flames, blue flames, ice, green flames, and water, and they exploded with incredible power as they hit them.

Vlad III Țepeș (Dracula Untold): Lincoln, return the skies to normal.

Lincoln used his powers and made the weather return to normal, and as the sun shined, all of the vampires that Dracula's turned were incinerated by the sunlight, except for Dracula, who had his weaknesses removed by Lincoln before we attacked the Ottoman army and Mehmed II. We cheered wildly as we holster our weapons and power down.

Vlad III Țepeș (Dracula Untold): Now, all of Transylvania and Western Europe is finally freed from the threat of the Ottoman Empire for good.

Nico: Now, peace has finally returned to the land.

Lincoln: And both the land and the people of Transylvania are now freed from the threat of conflict. (To Penelope Harrisburg) And it's so good to see you again, Penelope Harrisburg.

Penelope Harrisburg reverted back to normal, and she's a beautiful 17-year-old girl with long flowing green hair, green eyes, she's tall at 6'5" in height, she has the body of a goddess, she has massive green angel wings, and she reigned in the power of Arcana Force VI- The Lovers, and she's dressed in a green short-sleeved blouse, sleeveless green dress top, green skirt, green pants, green knee-high high heeled boots, and long green sleeveless trenchcoat with leaves and plants on the coattails, and Arcana Force VI - The Lovers on the back, and holstered on her back is a large Arcana Force VI - The Lovers-themed sword with a 6'10" massive, wide, double-edged green blade with Arcana Force VI - The Lovers etched on it, large green angel wings for the crossguard, large green gem embedded in the rainguard, longer black handle, and large green gem with angel wings surrounding it for the pommel.

Penelope Harrisburg: You too, Lincoln, it's been a long time.

Lincoln went up to Penelope Harrisburg and they hugged, and Penelope Harrisburg's also very surprised at just how much taller and much more muscular Lincoln's gotten since they last saw him, and they also felt just how strong he's really become.

Lincoln: It sure has, I haven't seen you when you were sixteen, and as you can see, I really grew a lot since then.

Penelope Harrisburg: I knew you have, but whoa, you sure have really grown very big and strong like a tree, Lincoln, you've really grown a lot from the eleven-year-old cute little boy into a 17-year-old 7'5" tall, very handsome, and manly teen with abnormally massive and powerful upper and lower body muscles and eight-pack abs, that's so awesome.

Nico: Wow, Lincoln, you know her?

Lincoln: Indeed I do, Nico, this is Penelope Harrisburg, she's another of my Guardian Angels from Royal Woods, Michigan, and she, like her fellow Arcana Force Gene-Slammers is a powerful psychic and clairvoyant and she has incredibly powerful mastery over the forces of nature, and she stopped an incredibly dangerous homicidal maniac that was terrorizing the country for years and stopped him from getting to The Loud House as he was laughing like a totally screwed up lunatic.

We were surprised.

Nico: (Surprised) Whoa. So, she once stopped an incredibly dangerous homicidal maniac that's been terrorizing the country for years and stopped him from getting to The Loud House as he was laughing like a totally screwed up lunatic?! That's awesome, and we're going to enjoy hearing about it later on.

Suddenly, a Thunderbird of Eternal Love appeared around Penelope Harrisburg's neck with green gems on the gold thunderbolt links and green crystal links from brand-new Crystal Necklace of the Buddha which merged with her Thunderbird Necklace of Eternal Love.

Penelope Harrisburg: (Surprised) Whoa, is this…?

Lincoln: Yep, that's a Thunderbird Necklace of Eternal Love, and that means you're now part of my harem and one of my many future wives, Penelope.

Penelope Harrisburg had a smile on her face and tears coming from her eyes, as she wrapped her arms around Lincoln's waist, and Lincoln wrapped his abnormally massive and powerful muscular arms around her, and he leaned down and kissed Penelope Harrisburg on the lips, and they returned it, and we cheered for them. Then, we went up to the six girls, and when Lincoln saw them, he recognize the girls immediately. The six girls are Akiko Himenokouji, Anastasia Nasuhara, Arashi Nikaidou, Sawatari Ginbee Haruomi, Jinno Kaoruko, and Arisa Takanomiya from OniAi.

Lincoln: Oh wow, it's Akiko Himenokouji, Anastasia Nasuhara, Arashi Nikaidou, Sawatari Ginbee Haruomi, Jinno Kaoruko, and Arisa Takanomiya.

Nico: From OniAi, awesome.

Lincoln: Are you girls okay?

Akiko Himenokouji: Yes, we're okay, thanks to you.

Then, when Akiko Himenokouji and the other five girls saw who it was that saved them from the Turks and the evil vampires, their faces turned atomic red upon seeing the 17-year-old 7'5" tall, handsome, bare-chested hunk with abnormally massive and powerful upper and lower body muscles, eight-pack abs, long wild white hair going down to the bottom of his neck and rainbow lightning bolt highlights in the bangs of his long white hair, rainbow colored thunderbird with a gold lightning bolt emblazoned on his forehead with a Third Eye of the Buddha on his forehead with rainbow iris, golden lightning bolt cutie mark with the thunderbird and comic books right on his massive and wide right pec and it's surrounded by the symbols of Fire, Water, Ice, Wind, Earth, Nature, Light, and Darkness in a circle, large Celtic Cross cutie mark tattoo in the form of the cutie marks of Twilight Sparkle, Sunset Shimmer, Rainbow Dash, Applejack, Rarity, Pinkie Pie, Fluttershy, Starlight Glimmer, and Trixie Lulamoon, surrounded by a circle were the marks of the other girls in Lincoln's harem on his wider and more muscular back, and right on top was the Earth surrounded by the ring of mermaids and surrounded by a Thunderbird, Phoenix, and Buffalo, and right below the Cutie Mark tattoo is a deep sapphire blue kanji that said, "Lincoln Landon Loud, Champion and Emissary of Hinon, Master of Lightning Storms, The Weather, The Elemental Forces, The Cosmos, and The Universe, The Loud House's Man With A Plan, Golden-Hearted Brother of Many Siblings, and Golden-Hearted Lover, Father of Many Kids, Son, and Future Husband, Descendant of The 17th Century Duke Lincoln of Loch Loud in Scotland, Destroyer of Morag McLaughlin, Destroyer of Evil, Black-Hearted, Sadistic, Delusional, Power-Hungry Bastards, Talented Comic Book Writer and Video Gamer, God of Truth and Justice, and Ambassador and Beacon of Hope to The Universe", he has deep sapphire blue eyes, a tattoo of a pepper with fire surrounding it and a kanji that read "Spiciest Man of The Loud House" on his broader and muscular left shoulder, and a Mark of Manhood tattoo of a male bodybuilder with a barbell raised above his head and around him are elemental forces and an orange kanji that read, "Lincoln Landon Loud, Strongest, Bravest, Resilient, Courageous, Handsomest, and Manliest Warrior of The Loud Family" on his massive left muscular forearm.

He had his massive Hinon's Cosmic Sword of Universal Hope, Elemental Bravery, and Unbreakable Eternal Bonds holstered on his wider and muscular back, his large orange Crystal Saber, large orange Spellbook of The Gods and The Universe, large orange Spellbook of the Elemental Gods, and large electric blue Spellbook of the Thunderbird holstered on his left hip and his Eater of Sins revolver holstered on his right hip, the Pisces the Fish constellation and Aquarius Zodiac sign on the back of his neck and the Cygnus the Swan constellation on the back of his massive left hand, large weighted orange bands on his massive biceps and thighs with silver phoenixes on them, his large gold cuff Bracelets of The Champions of the Universe with large orange gems on his large wrists, massive and indestructible deep sapphire blue angel wings with stars and blue nebulae reflecting on them with rainbow tips on the large deep sapphire blue feathers, and he was dressed in an orange version of He-Man 2002's loincloth with hanging silver lightning bolts and long orange trenchcoat coattails with elemental forces, Thunderbirds, Phoenixes, and Buffalo on them and with hanging mini silver lightning bolts held up by his large gold Belt of Elemental Bravery with a large gold buffalo head with orange gems for eyes and a large orange gem in its mouth for the belt buckle on his waist, a pair of large blue pants with multicolored lightning bolts on the thighs with the orange kanji that said, "Savior of The Loud House, True Hero, Amazing and Powerful Student of Numerous Amazing and Powerful Teachers, Shinobi of The Hidden Leaf Village, Member of The Crusaders of The Thunderbird, Founder of Team Loud Phoenix Storm, Dodgeball Angel King of Gotham Royal York, The Unifier of The Three Kingdoms, and Destroyer of The House of Damaskinos" on the left leg, and large white leather combat boots with gold lightning bolts surrounded by a circle of smaller gold lightning bolts and armor on the toe area, silver Buffalo head stud earrings with the Thunderbird and Eternity Kanji on it, large Thunderbird Necklace of Eternal Love with colored gems on the gold lightning bolts and orange crystals from his merged large Crystal Necklace of The Buddha with a large Element of Harmony deep sapphire blue gem in the shape of a Thunderbird and a large silver Buffalo head with the Thunderbird and Eternity Kanji on its head for the pendant on his bare chest, large fingerless orange gloves with the symbol of The Loud House on it and surrounded in a diamond formation are a Phoenix, Thunderbird, Buffalo, and Angel, a large Orange Buffalo Animal Spirit Ring which merged with his Ring of The Phoenix on his left ring finger, large Blue Lantern ring on his right ring finger, he had eight large orange orbs orbiting around his legs, and circling around his feet on the floor are eight golden crosses with angelic runes.

Akiko Himenokouji: Oh wow, you're Lincoln Loud of Team Loud Phoenix Storm.

Lincoln: That's right, and it's a pleasure to meet you all.

Then, Lincoln made five clones of himself, and he and the five clones went up to the girls, and hugged their waists in their abnormally massive and powerful muscular arms, and they lean down and kissed the girls on the lips, which they returned with equally intense passion, as they wrapped their arms around the necks of Lincoln and his clones, and we cheered wildly at the scene.

Akiko Himenokouji: (Seductively and rubs her right hand on Lincoln's massive and wide right pec) You too, big, tall, muscular, and handsome.

Suddenly, seven Thunderbird Necklaces of Eternal Love appeared on the necks of Akiko Himenokouji, Anastasia Nasuhara, Arashi Nikaidou, Sawatari Ginbee Haruomi, Jinno Kaoruko, and Arisa Takanomiya with colored gems on the gold lightning bolts and crystals links from their merged Crystal Necklaces of The Buddha. We returned to the TLPS World Tree Estate and we told everyone about the rescue in 15th century Transylvania in the world of the 2014 movie Dracula Untold, and they were shocked when they found out that the villains we went after were Mehmed II and the Ottoman Army, along with Dracula's former army of vampires.

But, when Lincoln showed what we, along with Vlad III Țepeș A.K.A. Dracula, did to them, everyone cheered wildly for Lincoln and the rest of us, and they hugged us, and the girls in Lincoln's harem then went up to Lincoln, and they kissed him all over. Lincoln and Penelope Harrisburg have a lot of catching up to do, now that she's back in town, and Vlad III Țepeș and his son, Îngeraș, now live in peace with us now that the threat of the Ottoman Turks has been brought to an end.

Lori: I thought Doomsday was killed and literally erased from existence!

Nicole: That's the Teen Titans Gol version of Doomsday.

Dinobot: If he wants a battle, I'll give him one!

Luna (Crush Crush): Oh man, you just messed with the wrong team! Don't call down the thunder unless you can handle the lightning! Prepare for destruction! Lightning Bolt! Lightning Bolt! Lightning Bolt! Lightning Bo-

Luna turns to see that Drakus is there and her eyes widen as she smiles.

Luna (Crush Crush): Prince Drakus!

Drakus: Luna!

They hugged.

The X Squad got in on the hug too.

Nico: Drakus, how do you know these people?

Drakus: Oh that's right. I have a lot of explaining to do.

Dinobot: Is this version of Doomsday gonna hurt us?

TTG Doomsday: No, I just want to be friends.

TTG Doomsday lightly punches Dinobot in the shoulder

Lily: You do know that you're the destroyer of worlds.

Lexi Bunny: And didn't you almost killed your version of the Justice League?

Zap (X-Squad Universe): Yeah, but they started shit, he finished it. Look, he isn't the same Doomsday that you guys know and he's not a bad guy, he is just a misunderstood weapon of mass destruction.

Lori: But, why do you want to be friends with us?

Lincoin: And most importantly, why do you sound like me?

TTG Doomsday: Yeah, I'm stumped on that too. And to answer the other question, it's because you guys have people in the Redemption Squad that know what it's like to be misunderstood, plus if I'm friends with you guys, then maybe other superheroes besides the X-Squad will let their guard down and actually learn to trust me. Plus the X-Squad has people that know what it's like to be misunderstood but are now seen as heroes and I wanted to see them again, considering I'm part of the team.

Me: Well, okay there.

TTG Doomsday: Now, where do you keep the weapons? I'm gonna need some if we go after someone and I would prefer a Mossberg and a crowbar.

Me: We'll hook you up with some.

Suddenly, Melone started staring at his Baby Face Stand, annoyed.

Melone: Damnit, Baby Face! I already told you I'd pay you back!

Me: What happened to cause him to want money?

Melone: Drakus taught Baby Face about money as a joke and now he demands pay.

Baby Face (JJBA): Melone! I want pay for what I do! I do all the work and for what?! I want compensation, my guy! If I don't get pay, I can and I will form a union!

Melone: No clue how to fix him, though.

Baby Face (JJBA): I will get your credit card information and the last 3 numbers on the back!

Poromon: Shoot, he's learning to scam people!

TTG Doomsday: Oh, he already learnt that, by himself even.

Me: Baby Face, money literally grows on trees now!

Baby Face (JJBA): Let's talk fair pay and wages. Preferably, I'd at least get minimum wage and benefits. Also, I need a drink.

Poromon got out 120 beer bottles

Jasmine Queenston: What are those?

Poromon; 120 beer bottles!

Kabuto: Who are you going to give the others to?

Nico: Yeah Poromon, Who are you gonna give them to?

Poromon: One is for me, some are for Lupin and his gang, the rest are for the X Squad

Me: Poromon we keep telling you to stop bringing beer for everyone to drink.

Maggie Peyton: Yeah Poromon, some of them are too young to drink alcohol anyway.

Drakus: Don't worry, we at least don't drink and drive. Plus, Anubis 2 is fine with us drinking, as long as we don't drive, or do dumb stuff.

Poromon: Yes! Finally, someone gets me!

Me: Don't mind Poromon. He is a total alcoholic and he gets into our beer vault.

Melone: Wait, so you're telling me this small avian has a drinking problem?!

Poromon: Yes. And I'm a digital monster, digimon for short.

Nico: Don't ask how he manages to bring beer on the missions, cause we do not know either.

I then saw that Bella had a mark on her throat.

Me: Whoa, why do you have a throat mark, Bella?

Bella Swan: Trust me, this is not a hickey. I'm a dhampir.

Anubis 2 appeared as a ghostly figure.

Anubis 2: That's part of what Bella went through J.D. The X Squad were sent to the world of Twilight and Bella's ex boyfriend, Edward Cullen bit Bella for defending Drakus from his blood thirst.

Most of us gasped.

Me: Whoa! Bella is a true hero. Just like Drakus.

Varie: Amazing! She is a very brave dhampir.

Drakus: Yeah, it takes guts to take the hit. Especially if the one hitting you is a sociopathic bratty vampire who wanted to eat your blood like a lawyer does the souls of his clients, no offense to any laywers here.

Lori: WHOA! That is literally amazing!

Sam S.L.: So she defended someone she didn't know from a vampire? That's awesome!

Masaru Daimon: Yeah. But what the hell is this group you're all part of?

Me: We are called Team Loud Phoenix Storm.

I went over the entirety of our adventures and what we have done and so much more.

Fischl: Amazing! You have slain gods and even ended the life of Lucifer Morningstar himself!

Nagisa Shingetsu: That's incredible and quite possibly ridiculous!

Hu Tao: You guys have done so many crazy things over the years that I'm pretty sure you mapped out this entire universe already.

Me: We've seen it all too. Some adventures were awesome and some were very challenging.

Luna (Crush Crush): I feel like this is gonna be weird, but considering what we went through, I'm not even scared, but I'm pretty sure an enemy of ours is coming, so be ready when they come. Pray for your sanity too, as you might see us playing Russian Roulette with Oinky in the Pig Pen Ball Pit, and pay heed, don't bring any balls out of the pit, Oinky will John Cena you into next Wednesday. If you want your spine to be safe, avoid stealing Sid's knives. Sid is protective of his knives. And if you don't want to be stomped on, avoid lighting fires around Parker. Parker has fire PTSD and snuffs out all fire sources by force.

Nico: Good to know.

However, Carly Atlas tripped and plunged a knife into William

Afton's chest.

Carly Atlas: Oh no, I'm sorry! It was an accident.

William Afton: It's fine, me, my family and Charlie are already dead. Although, you owe me a new shirt. Also fair warning, if any butter goes missing, it's probably Ennard eating them in the vents.

Me: Good to know.

Then, suddenly a mass of rubble appeared from a flash of light.

?: Are you okay?

?: Yeah, somehow.

?: I-I'm sorta stuck here! Someone… Help me out! My kneecaps are chafing!

From the rubble emerged a young woman wearing a red sailor uniform and long brown hair in pigtails. Behind her was a young man with gray-black hair wearing a striped uniform, helping out a young girl with red hair wearing a magician's outfit.

?: Himiko, careful…

Himiko: Nyeh… I'm saved…

?: Guys… You're gonna want to see this.

The two looked and gasped. Then the boy in the detective uniform bridged his nose.

?: Garrett, are we at Guantanamo Bay again? Tell Salvador I'll pay him back once he gets me my pudding.

We sweatdropped while Drakus was laughing.

Drakus: Guys, fiction is nothing more than a creative mind subconsciously tapping into another reality. I'm sure you have a few questions. Anyways you three, come on down here and meet my new buddies.

During the talk we had, the three teens introduced themselves to us as Shuichi Saihara, Maki Harukawa, and Himiko Yumeno. They revealed they had come from an alternate reality where a fictional game series called Dangan Ronpa had become all too real, including actual Killing Games.

Nico: Good lord! What scumbags would think that was a good idea?!

Himiko Yumeno: My yen is on people who are in need of a mental hospital.

Suddenly a beeping noise came from my iPad. I then took a quick look.

Me: Looks like my hunch was right. You were allowed into this universe because you have no counterparts within it.

Shuichi Saihara: Drakus was willing to adopt us into his found family. With the first dimensional barrier closed there's zero way to have us return, after all.

Himiko Yumeno: Do you think it's okay if we stay with you guys?

Maki Harukawa: We somehow survived after V3 Keebo self-destructed. And if he was doing what the audience wanted, that means they wanted us to live. Plus, we can show you our Stands.

Himiko manifested Pixies, a giant tree with roots that could manipulate the earth, which in turn could manifest fairy-like constructs to possess and manipulate small objects, though they couldn't control anything larger than herself.

Maki manifested The Joykiller, a high-speed humanoid Stand resembling a punkish Jason Vorhees, wielding an axe capable of phasing through solid objects and causing them to rot. And finally, Shuichi manifested Ashes Remain, a humanoid energy construct that could infuse him with colored energy capable of altering his physical abilities.

Nicole: We are gonna be good friends.

Finding ourselves in Kaede's student lab wasn't so surprising. We knew we had to talk to her at some point, and it felt better to get it done sooner. Kaede was already inside, practicing on a piece I recognized as Chopin's Etude in E major. Kaede stopped when she saw me there.

Kaede Akamatsu: Oh, hey. JD, right? I've been meaning to ask you… Why does it always seem like you know me somehow?

I had to chuckle at how perceptive Kaede was. I explained the whole story, and Kaede was a bit suprised, but facepalmed at the fact Sheree Khan attacked.

Kaede Akamatsu: So you killed a tiger. Khan made a serious error during that second attack.

Me: What's that?

Kaede Akamatsu: He let himself get in the mindset of slaughter, If he had instead set traps with the intention of capturing you, he probably would have been able to see how fighting you head on was a bad idea.

Me: Yeah, he didn't do well in the competence department before the Black Gates.

Kaede Akamatsu: You want to know how I met Drakus? Let's just say, I wound up playing in front of him at one point. He had to keep himself hidden but he really wanted to hear me play in person since he saw one of my performances on TV.

Me: Did you ever learn where he was from?

Kaede Akamatsu: I'm not sure, but he looked similar to the people of Novoselic. Hard to tell through the disguise, though. He snarked that he did somewhat look like Novoselicans except with more casual royal clothes.

As it turned out, Kaede wasn't the only one with a slightly different personality. Miu had some differences too. She actually laughed when Nicole told her about her alternate counterpart's viewpoint.

Miu Iruma: Making inventions so you can do things while asleep!?

How lazy can you get!? Seriously, if you've got a golden brain, put it to good use. Take those eye-drop contacts, for instance. I actually consider them one of my crowning achievements. Perfectly comfortable to put on and wear, and each blink allows a small amount of eye-drop fluid to flow right where it needs to.

She gave a big laugh that was all too familiar to us.

Miu Iruma: I'm making the world a better place one invention at a time!

She then immediately got to work on the project on her workbench.

Nicole: What the hell is that?

Miu Iruma: I've been trying to create a device that can pick a corrupt cop out in a crowd, with such a contraption, there will never be another Matthew Cottan ever again. They'll be caught red-handed, pants down!

She facepalmed.

Miu Iruma: Dang it… I can't find my screwdriver… Did I lose it somewhere? Hey, Caravan!

Nicole gasped when a short humanoid creature with an owl head and wings for arms dropped down from the ceiling.

Caravan: You lose something again?

Miu Iruma: Nicole, this is my Stand, Caravan, it can create and replicate items via atomic restructuring. However, it is an independent Stand, and as the name suggests it's a salesman first. It typically requires money to make what I need, though if cash is short it can make do on my spiritual energy.

She fed it a thousand yen note.

Miu Iruma: Luckily, all the patents on my inventions generate quite the income. Along with the bounties we get from catching crooks. Matthew Cottan got us set for life with the bounty on his head.

Caravan: One new screwdriver coming up, what size head do you need?

Miu Iruma: It's a five-point-five millimeter flat head.

Caravan looked at the project and nodded.

Caravan: Okay, gotcha.

It glowed brightly before hocking up the right size screwdriver.

Caravan: Thanks for your business.

Miu seemed satisfied with the type and continued her work. She then noticed the look on Nicole's face.

Miu Iruma: What? You look like I grew an extra cup size or seen Cthulu.

Nicole: I was kinda expecting some sort of innuendo when Caravan asked what size head you needed.

Miu blinked, then laughed.

Miu Iruma: Yeah, missed opportunity but my work took priority. Besides, I only make those kinds of jokes when I know people won't be weirded out by them. Anyway, this invention is too important for jokes. Anubis 2 needs it to locate the Number Cards.

Nicole: Wait, you're looking for them too?

Miu Iruma: Facing grunts Don Thousand or SIREN is serious business, after all.

Nicole nodded.

Nicole: So the device is to track down Number Card users.

Miu Iruma: And the one pulling their strings, Anubis explained that while we know who that person is, the only thing we don't know is where they are.

As they walked to the dorms, Kaede smiled.

Kaede Akamatsu: You know, I never showed you my Stand.

She lifted her hands, and in them manifested an ornate keyboard.

Kaede Akamatsu: This is Clair de Lune, Playing the keys, I can unleash powerful sonic waves that can influence others, either debilitating enemies or enhancing friends. And of course they can pack a punch if I really go at it.

She took Nicole's hand.

Kaede Akamatsu: We may not be the friends you remember. But maybe that's not such a bad thing.

Nicole: Rantaro looks distant. I wonder what his issue is.

Kaede Akamatsu: He's been having dreams for some time now, Though in time, you'll understand.

We then found Kirumi in her own lab, which had a little more than just a dining area and laundry. There was also a small kitchen off to the side.

Kirumi Tojo: Ah, hello there, like some tea?

Me: So I guess you're skilled at cooking as well.

Kirumi Tojo: Not as much as Zap, our version not yours, I'll admit, but I can satisfy my clients. That said, he had offered me some tips on improving myself in that regard. Though I did warn him that if he used that as an excuse to try anything perverted he would receive swift punishment. He hastily admitted he would never do that.

Nico: Seems like you'd be good at almost anything.

Kirumi Tojo: Anything involving a maid's duties, mostly relegated to cleaning, laundry, and some light cooking. To ask anything higher than that would be unprofessional. Though if my client and I were involved in a relationship I can do that.

Nicole: It's just… Your counterpart in the games was supposed to be so good that she could essentially run an entire country.

Kirumi couldn't help but facepalm and laugh at that.

Kirumi Tojo: Run a country? I get that being a politician is as much a civil service as being a maid, but they're on completely different levels. Politicians are meant to lead, while a maid is a position of servitude. Not to mention I'm only sixteen and don't know the first thing about politics.

Me: Yeah, that world is kinda messed up. Though I wish I could see if the survivor's actions had any impact.

Kirumi's eyes suddenly glowed white before returning to normal, not to mention a maniacal grin.

Kirumi Tojo: A peak into another reality? I can arrange that. Genie in a Bottle!

We gasped as smoke seemed to come from nowhere, from which emerged a young blue female humanoid in Arabian dress.

Kirumi Tojo: You see, my Stand activates when someone makes a request proceeded by the words 'I wish', from there I can instantly read their mind and know what it is they want. I could potentially twist their wish on them if I feel they are less than reputable, however. In fact, I can even use my powers on myself.

Drakus: Plus, a Drakonian can copy whatever Stand powers they want, with a twist of course.

Genie in a Bottle made a window and Drakus sliced a wall and made another window that peered into the DRV3 world. To our relief, there were suddenly protest signs in front of Team Dangan Ronpa headquarters, news feeds of families who had lost sons and daughters to the Killings Games, and many fans outraged that the deaths they enjoyed were actually real and feeling dirty for enjoying them.

Me: It look like things will be just fine over there.

Maki Harukawa: But it ain't our world anymore.

Shuichi Saihara: Yeah, so we should just focus on this one, and what we can do to help it.

Himiko Yumeno and Misty shivered when we entered Gonta's student lab. Drakus explained the ill-fated "Insect Meet and Greet" and how Himiko Yumeno had been completely covered in bugs during that incident and that it had taken her multiple showers to feel clean again.

Ganta Gokuhara: I'm guessing you don't like bugs, huh?

We were shocked for a number of reasons. First, and most obvious, was Gonta suddenly sneaking up on us despite his size. Then there was the fact that he spoke in the first-person instead of third-person, and seemed to be more fluent in Japanese. Finally, he wasn't flipping out at the idea of Himiko or Misty not liking insects.

Me: This is very different from the Gonta I remember.

When Gonta heard the whole story, he folded his arms.

Gonta Gokuhara: I've never really heard of these so-called 'Reptites'. It's true I was raised in the mountains when I got lost, but it was by an Asian clan of Gigans.

Nico: What are those?

Drakus: Oh yeah, you didn't hear the whole History of my Universe. But basically, Back in the 30s to 40s, they went by another name, They used to be called… Pillar Men. Basically, they were underground humans that were very weak to sunlight and had Modes that used their biology to control the elements and one of them named Kars wanted to overcome the sun issue, by turning into a vampire. We yeeted him into space for his crimes. I think he went brain dead and/or insane.

Me: Okay then, anyways, you're probably just as strong as the Gonta I knew. He was able to lift up an iron manhole cover with two fingers! Then he threw it about 5 meters away as casually as a frisbee!

Gonta Gokuhara: That does sound strong, I've never had to lift a manhole cover, but I've lifted equally heavy rocks and logs while looking for bugs.

We then noticed some glowing bugs in an insect cage nearby.

Misty (Pokemon): What are those?

Gonta Gokuhara: That's my Stand, Adam Ant. A colony of one-thousand bugs capable of slowly eroding living flesh, animal and plant alike. They only respond to simple commands, and they tend to attack the nearest living thing besides me unless I direct them otherwise. That's why I keep them in this insect cage. It keeps them docile until I need them. To be honest, this power is kinda ironic for someone as gentle as me, to have such a terrifying power. And I warn you, Drakus uses it to erode any villain if they deserve the Hostel treatment.

We then entered Ryoma's student lab. We couldn't help but smile at seeing the Ultimate Tennis Pro actually practicing his talent, using what was clearly the Shukuchi Method to keep up with the tennis machine. He also noticed Ryoma's racket was glowing and had spikes on it. Suddenly the energy from the racket transferred to the ball, slamming into the wall hard enough to leave a dent in it. Ryoma then noticed us.

Ryoma Hoshi: Oh, hey. Sorry for the display, I was practicing my skills. And my Stand.

Nico: So that racket's your Stand then. So cool.

Ryoma Hoshi: Payable on Death, It can easily reflect any physical projectile, storing kinetic energy as it does. Once it has enough, I can transfer that energy to the next projectile I reflect, returning it to sender with twice the force. But it can't do this automatically. Much of it comes down to my own skill, hence the training. Even if that fails, it has spikes for a reason. And yes, Drakus uses it for improv vasectomies or quick heart stopping.

He dissipated his Stand.

Ryoma Hoshi: I heard a little about the other me you met. It's a serious tearjerker. Luckily I never got caught up in something like that. Granted, I'm not sure what would've happened if I did, but still.

He opened the door to his shower room, which we noted looked like a normal shower room.

Ryoma Hoshi: Anyway, you're starting to look a lot better.

Me: Really?

Ryoma Hoshi: Yeah, before there was a lot of confusion in your eyes, But that seems to have disappeared. Maybe you're starting to get used to us.

Me: I won't lie, Drakus and his team are a little strange but at the same time, that might not be a bad thing.

Ryoma Hoshi: Good to hear. And remember you can always talk to us if you feel lost. We're like family now, and family looks out for each other.

We watched as Tenko was practicing in her dojo, the various automatons getting wrecked easily.

Me: So that's what Neo-Aikido is supposed to look like.

Tenko, like her counterpart, had developed the style which expanded upon the self-defense tactics of aikido. The difference was Tenko developed the style all on her own using tae kwan do, which blended in seamlessly with aikido.

Tenko Chabashira: Phew, that got me worked up. So, you wanted to talk to me?

She nodded along as we talked about the V3 world.

Tenko Chabashira: Sounds like the other me might have been a bit pushy, or might have been lesbian. I mean, I admit I'm bisexual.

Himiko Yumeno: Same here.

Me: I support that. But personal space is still a thing.

Dralus: But V3 Tenko made up for it in the end. I could tell she was sincerely concerned about me, which hit me and Yumeno hard when we learned she had been murdered.

Me: V3 Tenko?

Himiko Yumeno: Our Killing Game was supposed to be Dangan Ronpa 53.

Lila Rossi (X-Squad Universe): They jazzed it up by using the Roman numeral for five, and calling it 'New Dangan Ronpa V3'. We decided to give the V3 title to everyone who died in that world.

Me: Ah, gotcha. So you do like some guys, huh?

Tenko giggled.

Tenko Chabashira: Well, some boys can be really nice, but then there are those degenerates who just love to grope girls on trains and in public places where it's harder to get caught. Luckily, I always make sure to have my Stand active when in these areas. I've taken care of plenty of degenerates, including a few repeat offenders who thought the real crime was a woman taking a stand against them.

Drakus: We usually snark that they can't face the fact that they need to put on their big boy pants or had no one to tell them how to talk to girls properly.

Tenko Chabashira: Typically they don't come back for round three or fifty, but I've heard suggestions that they might. Some guys are just idiots.

She demonstrated by taking a stance and focusing, causing herself to become lit ablaze.

Tenko Chabashira: This is Feel Invincible. When I activate it, my senses become far sharper. I can detect aggressive behavior in this way, and where I can strike to do the most damage. It also makes my muscles hard as steel, making it impossible to damage me. I need to keep my focus in order to maintain it, an ability I've honed through my aikido training. And when Drakus copies it, he goes for the spine or neck.

Drakus: They shall not run from the judgement I give them.

We smiled as we could definitely see why Drakus became friends with this new Tenko.

However, we didn't find Korekiyo in his student lab, though we did see the familiar artifacts from the Caged Dog Village. Instead Korekiyo was in the special training room set aside for those wanting to improve their Stand control. Judging from the explosions we saw Korekiyo create, we could guess why he would want to train away from his work. Interestingly, Korekiyo had his mask down, and it was clear he wasn't wearing lipstick. Korekiyo soon noticed us.

Korekiyo Shinguji: Ah, Team Loud Phoenix Storm. I take it you were expecting me in my student lab.

Me: Yeah, but that's not my only surprise.

Korekiyo closed his eyes before pulling up his mask.

Korekiyo Shinguj: Yes, Drakus gave you the full story. I thought it best to make a good first impression, considering how detestable my counterpart was. But the changes are like night and day. While me and my sister are close, we're not that close. Also, she still lives in a more physical sense of the word.

Drakus: I had to bleach my ears after hearing why he did it. Along with stuffing V3 Kiyo into the Hello Zepp gates.

Me: That's good to hear, by the way, what was up with those explosions?

Korekiyo held up a calligraphy pen with a demon skull motif.

Korekiyo Shinguji: This is my Stand, it's called Napalm Death. With it any alphabet becomes bombs with ink as the black powder. I write a character in the air and it explodes on contact. The bigger the character, the bigger the explosion, but always with the same blast radius. I can even set the bombs on a ten-second delay. And before you ask, Drakus used to blow Blackwood's HQ by writing Ice Nine Kills and Huey Lewis and the News song lyrics.

Drakus: Say what you want, but the lyrics of Hip To Be Square do have some pretty scary nuclear power.

We then walked to his student lab.

Brittney: I noticed you had the book from the Caged Dog Village.

Korekiyo Shinguji: You've heard of it?

Me: V3 Kiyo had it as well.

Korekiyo Shinguji: The one I have is a mere copy, but I have seen the original in a museum founded by Speedwagon. The statue is the real deal, however. I happened to uncover it during an expedition with several superiors.

Me:: What about the cage under it?

Korekiyo: For that I commissioned a skilled blacksmith to craft it, the cage and the magic circle can be created by oneself for the ritual. Only the dog statue need be authentic. I had the chance to have the seance performed with a few other students of anthropology. It was frightening how well it worked…

Me: Yeah, after learning your counterpart abused it to commit a murder, I don't think I could go anywhere near that setup.

Korekiyo scoffed.

Korekiyo Shinguji: Being dragged from this plane of existence by the Ziz after being boiled in oil seems like a fitting if horrifying punishment. He did not deserve to be called the Ultimate Anthropologist if he was willing to use a sacred ritual, meant to commune with the dead, to send someone to their early grave. If he wasn't already dead, I'd rend his skin to shreds with one explosion!

Me: (Internally) Looks like some aspects of their personality are identical.

Laney noticed one early difference with Angie and her counterpart. The door to her lab was unlocked. Angie was inside, palette in hand as she painted the scene of our meeting, but from an outside perspective.

Laney: Wow! How are you able to do that?

Angie Yonaga: Ah, I was sent divine inspiration from Atua, he sends me a vision, and I use that vision to create my art.

Laney: That's different from what I heard V3 Angie, she always said Atua was the real artist.

Angie Yonaga: Not much of an Ultimate Artist if you're having someone else do the work for you, I may be a devout follower, but my decisions are my own.

She put the finishing touches on her painting.

Angie Yonaga: That said, I do have the ability to perfectly commune with Atua, through the power of my Stand.

She sat down into a lotus position and closed her eyes.

Angie Yonaga: One of Us!

Her eyes snapped open, now glowing white as she lifted off the ground, a glowing halo around her head as a mystic circle floated behind her.

Angie Yonaga: With my Stand active I can fully commune with Atua, And with that communion comes the ability to unleash his divine powers upon those that would bring harm to others.

She fired a beam at Laney, but it phased through her harmlessly.

Angie Yonaga: However, those that are innocent in Atua's eyes cannot be harmed by my power. And through my link with him, I can always tell the difference.

Laney: But what if you're the one attacked?

Angie smiled.

Angie Yonaga: No fear there. Atua always protects his followers, and while my Stand is active I am protected by a energy field of His creation. But all that power and range comes at a price. Since I am floating, I cannot move very fast. And yes, Drakus uses it to become an ace at laser tag.

Drakus: You do not troll with a dragon with a laser gun, souls were burnt that day, as well as pride.

She turned her Stand off and stood back up.

Angie Yonaga: I understand the other Angie was something of a religious fanatic, I can understand believing in one's religion, but one should always be respectful of other beliefs. Maybe if she had understood that, she never would have been killed.

Laney: Maybe, but it's hard to say for sure. I do know one thing.

She surprised Angie with a hug.

Laney: It's good that Yumeno has the two most important people in her life back.

Angie couldn't help but return the hug. Laney couldn't help but think it felt different the other Angie. It was more friendly, rather than nurturing. And ultimately, Laney agreed with Yumeno, it felt better.

We were surprised when we entered Keebo's lab. The familiar form of his chassis was seen on a nearby table, yet Keebo himself had no exposed inner workings as he lay on a nearby operating table, surrounded by several machines being operated by Miu.

Miu Iruma: Okay, functionality looks good.

Lana took one look at the blueprints and blushed before looking away.

Lana: He's anatomically correct too!

Me: That's surprising, And it looks like he has two different chassis.

Keebo Idabashi: Yes, actually…

Keebo then got off the table after the checkup,

Keebo Idabashi: The outer chassis acts in a manner similar to clothing.

He demonstrated as the outer chassis opened up, closing around his inner chassis once he put it on.

Keebo Idabashi: My father, Doctor Idabashi, designed me to emulate human life as closely as possible, once he learned he had succeeded with the Strong AI that acts as my brain. I can even consume food and break it down into bio-fuel.

We then noted that the entire room looked almost like Japanese cyberpunk. The other Keebo had always liked Japanese culture.

Lana: Where did Doctor Idabashi get this technology?

Keebo Idabashi: Ah, about that, you see, Father works for the Speedwagon Foundation, and much of the technology that makes up my body was taken from the blueprints used to turn the Nazi officer Rudol von Stroheim into a cyborg. Basically, I'm the next step up from that. As I learned enough to get into high school, my Stand also started to develop.

He pointed to a large engine found on the blueprints.

Keebo Idabashi: My Stand, Machinehead, is literally built right into my platform. It's a large nanomachine factory that can alter my platform however I need it to and create a variety of armaments.

Me: Looks like this Keebo isn't a puppet.

Keebo Idabashi: Ah, yes, I was told about how the other me from the V3 world was just a glorified video camera. Also, is robophobia even a thing? The closest equivalent fear I could find is actually technophobia. There's nothing in my knowledge of fear that pertains to robots specifically.

Miu Iruma: I'd consider myself more a robosexual.

Me: Some things never change.

Tsumugi was next up on the list having a chat with Leni. Talking with her, it was clear she had many differences from her alternate counterpart. For starters, We weren't sure if V3 Tsumugi was really a teenager, while this Tsumugi obviously was. Additionally, Tsumugi never talked about just being plain. In fact, she felt that being an Ultimate was the furthest thing from being plain as was possible.

Tsumugi Shirogane: It's a bit ironic that trying to avoid attention by talking about being plain only drew more attention to herself.

Leni: So what's that right behind you?

We looked beside Tsumugi to see a rack with five dresses on it.

Tsumugi Shirogane: This is my Stand, I call it Lady Gaga. Each of the five dresses gives me a different power, and I can change between them at will. Maybe someday you'll get to see them all.

Drakus: To give a rundown, the steam punk dress gives Tsumugi technopathy, the siren dress gives her water manipulation, the silk dress lets her shoot strings from her wrists, the royal suit dress can summon chess piece constructs to attack, and the stitched dress gives her control over inanimate objects. Each of the dresses is also as durable as a suit of steel armor. And yes, I did try them on and I spammed the attacks and drove many a corrupt real estate developer insane enough to confess to their crimes. Many got life in prison without parole.

Leni: That's a bit of an odd Stand for a cosplayer, I would have expected a power that let's you take on the abilities of whatever fictional character you were dressed as.

Tsumugi Shirogane: Yeah, but that would give me too many powers to choose from. Choosing between five is much easier than five-hundred. And each power can be useful in a number of scenarios.

Drakus: Need I remind you of the fable of the fox and the cat? The fox got faded by hunting hounds because he was stuck trying to choose which trick to escape with, while the cat escaped notice by sticking with the only trick it knew, but that it could do well.

Tsunugi Shirogane: Something like that, by the way, have you noticed that most of our free time is spent training our Stands? Drakus is always desperate to be ready for anything.

We didn't find Kaito in his lab, which looked like an entire astronaut training camp instead of just a few simulators, but rather training with Muty, J (Murder Drones), Shalltear and Mr. Shark (X-Squad Universe). His Stand seemed to be a modified space suit that looked very sci-fi, being so streamlined, along with a ray gun that could also lob explosive spheres.

Kaito Momota: Oh, hey, Queen Bee, was it?

Chloe nearly teared up at hearing her hero name.

Kaito Momota: Uh… Did I say something wrong?

Chloe Bourgeois: No, it's fine, Just… Just remembering the past is all.

Kaito Momota: Well, don't get caught up in it, My old man always said that if you get stuck in the past, you'll never have a future. But you can't let go of it either, because then you'll just repeat it.

Chloe Bourgeois: You sound a lot like him, But different at the same time.

Kaito Momota: Well, yeah.

Chloe Bourgeois: So, what was that Stand you were using?

Kaito Momota: I call it Intergalactic, I thought it appropriate since it's space-themed. I mean, it's only fitting that the Luminary of the Stars has a space-themed Stand, right!?

Chloe laughed.

Chloe Bourgeois: Yes. I suppose it does.

They walked to the cafeteria and sat down with Maki.

Chloe Bourgeois: So, I'm told you're also supposed the be the

Ultimate Assassin. I gotta admit, it's kinda freaky. But you seem like the sort of strong-willed woman who could handle it.

Maki Harukawa: Well, most of the time.

She talked about the time she nearly got caught while tracking a target at a cosplay convention.

Maki Harukawa: Since then I've never used a katana.

Chloe looked dumbfounded.

Chloe Bourgeois: I mean… It'd be cute if it wasn't so humiliating for you. Not to mentioned you probably got in a lot of trouble.

Maki sighed in relief.

Maki Harukawa: Thanks for understanding. The only reason I got away with little more than a lecture was because no one managed to figure out what I was really there for.

Chloe Bourgeois: I guess the other Kaito was trying to tear down the wrong mask, It's not that you're not a killer. You never would have volunteered otherwise. It's that you care more about people than you let on. You just don't want them to get too close, in case something bad happens.

Maki smiled warmly.

Maki Harukawa: To this day, I wish it had been this version of Kaito in my old world.

I was talking with Rantaro and got a lot of his backstory, like how he lost his sisters and earned his title as Ultimate Adventurer by finding them scattered across the world.

Rantaro Amami: My family is pretty well off, so well off in fact that a lot of people wanted money from my folks. In the end none of them got a single cent. I also met a lot of Stand users like myself as a result of my travels. And that ties into the reason why I've been talking with Mister Kakyoin.

Me: How do you mean?

Rantaro finished his tea.

Rantaro Amami: About a year ago, I was working with Passione while they were trying to find a cult that had gotten hold of a certain stone mask.

Drakus: The kind that turns people into vampires. Not the gets you high of LSD kind.

Rantaro nodded.

Rantaro Amami: I had reason to suspect this cult had one of my sisters and was trying to get money to fund themselves. They were sequestered in a cave system behind the Mouth of Truth in Rome's Coliseum. It's where they found the stone mask, near where the Gigan Wamuu and his former masters once slept. They had already created a few vampires using the mask. Before one of them could attack my sister, I unleashed my Stand. It actually surprised Passione.

He closed his eyes, and I gasped as a male humanoid with an Egyptian hawk's head appeared.

Me: What the?!

Drakus: This is Ra, Johnathan Joestar's Stand until he died in 1989

Rantaro Anami: That he did, You're looking at his reincarnation. My talks with Mister Kakyoin were interviews to see if I remembered anything from Jonathan Joestars life. As it turns out, I remember a lot. How DIO tried to get his hands on the Joestar fortune, Joseph training at the Hell Climb Pillar, the journey to Egypt.

He chuckled at my bewildered expression.

Rantari Amami: But don't get it twisted. Only my soul is that of Jonathan Joestar, hence why we have the same Stand. I may have his memories, but a completely different personality. And I can't use Hamon. This has actually allowed me to develop Ra's power more, since Jonathan could just boost its power with Hamon to augment its light manipulation powers. Anyway, with a power like that destroying the vampires was easy and I was able to rescue my sister. She was the last one missing, as it happened.

I finally got over his surprise.

Me: So, a Joestar returns.

Drakus: Well, the jury's out on that. But that does mean all nine 'JoJo' Stands are available if trouble should turn up. Then again, given the OVDF and Speedwagon Foundation are trying to track down SIREN and the one leading them.

Me: But what is their goal?

Rantaro Amami: There might be one thing they could be after, I remember it from my previous life. Back in 1904 the notable occultist and magician Aleister Crowley wrote a book called The Book of the Law, which he claimed a mysterious voice was dictating.

Drakus: The voice was supposed to be that of Aiwass, the messenger of Horus. Come to think of it, Jonathan was there when Crowley unveiled his book.

Rantaro nodded.

Rantaro Amami: Crowley said the contents of the book represented a new age where Man's Will would become Law. However, the book he presented… Wasn't the real book.

I closed my eyes.

Me: I can't say I'm surprised. Crowley was supposed to be a magician, so hiding the real book behind illusion and pomp wouldn't be beyond him. But then where is the real book?

Rantaro Amami: Anubis 2 said he knew, and he also knew why the book was so coveted. The real book could change the course of human history just by reading it in its original text. But no one can properly read it, except for those who can see Stands. Because apparently, Crowley himself was a Stand user, and his Stand's power was imparted into the book.

Drakus: Hence the reason Charybdis wants power equal to a Stand, so he could understand the text and read it to control the omniverse. And he founded SIREN so he'd have a guardian force at his disposal.

Kokichi's student lab definitely looked like something out of a cartoon supervillain's lair, completely childish and not menacing at all. Lincoln noticed that Kokichi was still dressed in a modified straitjacket.

Kokichi Ouma: Well, well, welcome. I was wondering when you'd get to me. I was observing you talking to the others. A little different than what you remember, right?

Lincoln: In more ways than one, and you're the biggest surprise of them all. The you I remember was the Ultimate Supreme Leader, but here you're known as the Ultimate Prankster. That's not really something I was expecting.

Kokichi shrugged.

Kokichi Ouma: Well, the title of Ultimate Supreme Leader would be pretty out there, even for Hope's Peak Academy. Wouldn't you agree?

Lincoln then noticed several humanoid beings, each dressed like Egyptian soldiers carrying spears and surging with electricity, performing tasks around the lab.

Kokichi Ouma: Oh, that would be my Stand, I call it Pharoah Sanders. They number thirty total, and attack using electrical surges. The more conductive a target is, the more damage they do. But as you can see, so long as they aren't attacking they can be used to perform a number of tasks.

He walked over to a bank of monitors.

Kokichi Ouma: I first manifested my Stand when my gang was in trouble from some dangerous men who thought we were drawing too much attention from the police. Once I learned what it could do I was able to bring the group down. Then me and my friends went on to become even better than we were before.

He turned to look at Lincoln.

Kokichi Ouma: You see, Shuichi, I may be a leader… But I am far from supreme. I can still make mistakes. The other me made plenty of mistakes too, didn't he? He just couldn't fess up to them. I'm as much a liar as he is, the only difference is I know when and how to turn it off. And I recognize that not everyone is the same. V3 Kokichi couldn't understand this, and it led to his death, and the deaths of several others.

Drakus: It's true. V3 Kokichi's actions are what allowed the second trial to occur, nearly derailed the third trial, outright caused the fourth and fifth trails, and muddied the waters in the sixth trails. And he might have even been able to change the course of the first trial if he only worked at it. He said he wanted to put an end to the Killing Game, but all he succeeded in doing was allowing it to continue. He never felt like he could trust anyone since no one trusted him.

Kokichi Ouma: That's why he doesn't come off as much of a Supreme Leader to me, if he was, he would have stuck to pragmatism and worked with the rest of you guys. I'm betting if he was willing to work with V3 Kaede, the Mastermind would never have gotten the Killing Game off the ground.

At that moment an announcement came, calling us to the living room.

Kokichi Ouma: Looks like our first real assignment is ready to get off the ground. We'd better get going.

Inside the living room, Anubis 2, Trifa, Yuma and the X-Squad universe version of Noriaki Kakyoin were standing at the podium ready to address us. And with us were Chiaki Nanami, Nagito Komaeda, Ryota Mitarai, Gundham Tanaka, Kazuichi Soda, Teruteru Hanamura, Nekomaru Nidai, Fuyuhiko Kuzuryu, Akane Owari, Sonia Nevermind, Hiyoko Saionji, Mahiru Koizumi, Mikan Tsumiki, Peko Pekoyama, Ibuki Mioda, Hajime Hinata, Natsumi Kuzuryu, Makoto Naegi, Komaeda Naegi, Kiyotaka Ishimaru, Byakuya Togami, Mondo Owada, Leon Kuwata, Hifumi Yamada, Yasuhiro Hagakure, Chihiro Fujisaki, Sayaka Maizono, Kyoko Kirigiri, Aoi Asahina, Toko Fukawa, Sakura Ogami, Celestia Ludenberg's cousin, Taeko Yasuhiro, Junko Enoshima, Mukuro Ikusaba, Kyosuke Munakata, Seiko Kimura, Juzo Sakakura, Miaya Gekkogahara, Ruruka Ando, Sonosuke Izayoi, Daisaku Bandai and The Great Gozu.

Kakyoin (X-Squad universe): Thank you for joining us, Team Loud Phoenix Storm, X-Squad, students from Classes 76, 77, 78, and 79. What is to follow is of the utmost importance, thus this room has been specially prepared so that no one else can eavesdrop or otherwise interfere. As you may know or have at least been informed, the leader of SIREN, Charybdis also known as Brainiac's and his allies along with Honami Sato are currently on our watch list. They have already been declared dangerous, to those who don't know, Honami attempted to murder Natsumi Kuzuryu and stage the scene to frame a non-existent prowler. But now she has been modified with a dangerous procedure, intended to create a so-called 'Ultimate Hope'.

Drakus: Hajime had originally been slated for that experiment, before the Steering Committee was booted from the academy and Kakyoin helped him come to turns with his Ultimate talent and awaken his Stand.

Yuma: For some months they has been planning something big, and we have finally understood what the endgame is. They have been searching for the Lament Configuration, The Book of the Law, and the Elemental Shards, and Sato knows where to find them. They're located deep beneath Twilight City.

Trifa: For those that have never heard of this city, it's a technologically advanced city funded by several groups, in particular the Togami Foundation, the Towa Group, the Speedwagon Foundation, and the Joestar Estate, and sits atop an artificial island. Now this book will only remain in Twilight City for a set amount of time, but we cannot just simply stall until the book gets moved. They found it once, they can find it again. Our goal must be to capture them, and place them in specialized custody.

Anubis 2: Now this is easier said than done. I'm sure all of you are aware by now that Sato has taken advantage of a powerful ritual, endowing her with a dangerous Stand. And I hope you don't hate me for this, but we had to bring back Obito Uchiha.

Obito than appeared.

Naruto: Obito, I can't believe it's come to this. But we need your help.

Obito: (amused) You need to keep yourselves entertained by humiliating me this time?

Ranamon: C'mon! This is very serious!

Nico: There's an army of villains led by Brainiac's as a hammerhead shark animatronic planning to steal the Lament Configuration, Book of Law and Elemental Shards.

Whirlin: (to Obito) So, can we trust you to help us with this mess? Eli's here to sense if you are gonna pull a fast one on us.

Obito: You have my word and promise. Besides, those who break the rules are trash, but those who abandon their teammates are worse than trash. Let's turn that bot into sashimi.

After dealing with Mehmed II, the Ottoman Turks, and Dracula's former army of vampires, we were training intensely in the gym, this time, doing 150,000,000 reps of crunches, wing push-ups and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 9,500-lb barbells, squats, and going a few rounds with the punching bags, and we were really sweating like crazy, even doing yoga to clear our minds, and when Penelope Harrisburg saw Lincoln working out like crazy, she had an atomic red blush on her face.

Penelope Harrisburg: Whoa, I was right that Lincoln has really grown to be a 17-year-old 7'5" tall, really big, and really strong man, just look at those abnormally massive and powerful upper and lower body muscles and his eight-pack abs hard at work, and working out with those 9,500-lb barbells and he's not even get tired, incredible.

Lincoln: Yep, and I've also trained a lot under some very powerful teachers, J.D. and Nico included, Penelope, and now, I can also defend myself, and in addition to getting stronger, I've also gotten smarter as well.

Penelope Harrisburg: That's incredible.

Nico: It sure is. So, Penelope, how did you stop an incredibly dangerous homicidal maniac that was terrorizing the country for years and stopped him from getting to the Loud House as he was laughing like a totally screwed up lunatic?

Penelope Harrisburg: You're not going to like it one bit. As I was walking through Franklin Avenue, I had a vision of an incredibly dangerous homicidal maniac who was laughing like a totally screwed up lunatic and he was about to get into The Loud House and kill everyone inside. I rushed on over, and I tied that lunatic up with really strong vines, and when Lincoln and the others came outside, I told Lincoln to call the cops, and they arrived and cuffed the homicidal maniac. When the cops saw the homicidal maniac I captured, they were surprised: the person I captured was Noah Greyson, and from what I heard about him and from his criminal history, he's an incredibly dangerous homicidal maniac who laughs like a totally screwed up lunatic who's been terrorizing the country for years by breaking into many houses and killing everyone inside them. The cops took him away, and after that, he was tried and convicted, and ultimately, he was found guilty of his crimes, and he was sentenced to death by lethal injection in San Quentin. The next day, as soon as they put the needle in him, he was executed for his crimes.

We were horrified, but we also cheered for what Penelope Harrisburg did.

Me: Damn, this guy sure is one fucked-up lunatic, and I've heard about Noah Greyson, he's one of the most incredibly dangerous and insane homicidal maniacs in the country, and some of the cops in Colorado, along with Dad, have been after this sicko for years, but he's constantly gotten away.

Nico: Sheesh, and I know it's really serious if your dad and some of the cops in Colorado were also after that insane psychopath.

Lincoln: You said it, and thanks to what Penelope did, Noah Greyson paid the price for all those he's murdered, and now, he's in Hell for all eternity for what he's done.

Eli: What a sicko.

We got a shower afterwards, and after that, Lincoln and his harem are getting ready to head to Mount Volbono in the world of Mario. Lincoln and his harem also have their weapons, just in case of any trouble.

Lincoln: Alright, ladies, shall we?

Sam Simpson: Of course, Linky.

Lincoln and and his harem headed for Mount Volbono in the world of Mario, and when they arrived, it was an awesome colorful and vibrant palace that is famous for its cuisine, with dishes simmered over the volcano, and chock-full of the local produce that grows to enormous size thanks to the volcanic climate, and surrounded by strange pink lava.

Alex (Totally Spies): Whoa, what is this place?

Lincoln: This, Alex, is Mount Volbono in the Luncheon Kingdom, Mario told me about this place, and seeing it for ourselves, this is one awesome cuisine-themed destination, and our chefs are definitely going to love this place. Shall we?

Lincoln and his harem began walking around the place, and everyone's mouths were watering from all of that food that was being prepared here, and everyone was sweating like crazy from the intense heat from the surrounding pink lava. Then, they had the famous Stupendous Stew for lunch, and as soon as they tasted it, their taste buds went into overdrive thanks to the dish's surprisingly delicate flavor, and they also made sure to pack some for the rest of us to taste it. Then, as the sun was about to set, Lincoln made clones of himself, and Lincoln and the clones went up to the girls in his harem, and they pick them up in their abnormally massive and powerful muscular arms, and as the sun turned orange, they passionately kissed and hugged with supercharged and intense passion. Then, they came back home to the World Tree Estate, and they were in their original clothes.

Nico: Hey, gang, how was your date?

Lincoln: It was awesome, Nico, we went to Mount Volbono in the Luncheon Kingdom in the world of Mario.

Me: Whoa. That's awesome, and it's definitely a place that our chefs are definitely going to love going to.

Lincoln: That's right, and we got something for you guys to try out.

Lincoln and his harem put out bowls, and they poured in the famous Stupendous Stew, and when we tasted it, our taste buds went into overdrive thanks to the dish's surprisingly delicate flavor.

Nico: Wow, this is one delicious stew.

Lincoln: That's Mount Volbono's famous Stupendous Stew, and it's famous for its surprisingly delicate flavor.

Mary Knudson: Mmm, this is so delicious.

Clyde: You said it, wow, this is so amazing.

Later it was time for Roxy's second Ambassador Mission with the Decade Kamen Riders.

Me: I have a feeling that when we meet Philip and Shotaro tomorrow that we're going to be in for one helluva battle with a bunch of those monsters they face.

Nico: They are called Dopants and they are really awesome too.

William: Anyone else want to go with Roxy? Besides 1 Rabbid and Randy Cunningham?

Roxy: I'm hoping to bring Naruto, Tsukuyomi and Fu with me this time.

Tsukuyomi: This will be awesome.

Nico: It sure will. And you'll be happy to see Tsukasa again Tsukuyomi.

Tsukuyomi: I sure will be happy.

Nico: Lets head on out!

We were off to Japan.

We arrived in Japan.

Tsukasa: Hey guys!

Nico: Hey Tsukasa.

Tsukasa: Tsukuyomi? Is that you?

Tsukuyomi: It sure is.

They went over and Tsukuyomi hugged him.

Nico: Wow. 20 years feels like forever.

Me: It sure does.

Tsukasa: It's awesome to see you. But how are you here?

Nico: You have me to thank for that. I brought her back to life after what happened with Zi-O.

Tsukasa: Wow.

Me: Oh these are some of our fellow shinobi.

Naruto: Awesome to meet you. My name is Naruto Uzumaki Namikaze and I'm the son of Minato Namikaze the 4th Hokage and I'm the 9-Tails Jinchuriki.

Fu: Awesome to meet you. I'm Fu and I'm the 7-Tails Jinchuriki.

Me: Naruto is my adopted little brother. I raised him from when he was little and we became really close as family.

Tsukasa: That is cool!

Randy Cunningham: Awesome to meet you too. My name is Randy Cunningham.

Tsukasa: Nice to meet you guys. It's an honor.

Tsukuyomi: I have so much to tell you all.

At their base we had some tea and ramen.

Daiki Kaito: So let me get this straight. Instead of turning you into Another Rider, Swartz turned you into a Greeed?

Tsukuyomi: I don't remember what happened.

Me: It wasn't Swartz that turned her into a Greeed. It was Gamel. He turned her into a Greeed.

Megan Kiraton: Yeah and J.D. saved her with his Wolf Moon powers.

Nico: It's true.

Tsukuyomi: And I'm forever in his debt.

Me: It was the least I could do for her. Nico and Tsukuyomi are friends.

Nico: Yeah.

Then someone came out. It was Yusuke Onodera.

Tsukasa: Guys, this is Yusuke Onodera aka Kamen Rider Kuuga.

Daiki Kaito: He's not the original Kuuga though.

Me: (Speaking in Japanese) 小野寺裕介さん、お会いできて本当に

光栄です。(Yusuke Onodera, it's truly an honor to meet you.)

Yusuke Onodera: You too J.D.. It's an honor to meet the famous Team Loud Phoenix Storm. I heard so much about you all from Tsukasa.

Me: World travels really fast about us. Also we owe Tsukasa big time for helping us in day 7 of the 20 Days of Darkness.

Yusuke Onodera: I've heard a lot about that. That was really awful you all went through all that.

Roxy: Yeah it was bad.

Eli: But at least we're free of Nico's dark past.

Tsukasa: Roxy, how would you like to be a Kamen Rider for my team?

Roxy: I would be honored!

Tsukasa gave her a green Sengoku Blaster and a card for Decade governing OOO.

Roxy: Awesome!

Me: The OOO Decade card and her own blaster. This will be cool.

But then…

KRABBBBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

Daiki Kaito: (hears explosion) And that would be our cue.

Me: It's buttkicking time!

Naruto: Yeah lets do it!

We went to face them and we saw Misa Inamori A.K.A. MEDUSA from Wizard, Bat Imagin, Brachypelma Worm Viridis, Cobra Imagin and Shark Fangire!

Me: Misa Inamori A.K.A. MEDUSA from Wizard, Bat Imagin, Brachypelma Worm Viridis, Cobra Imagin and Shark Fangire!

Misa Inamori: The Famous James Dean Knudson. An honor to meet you.

Me: ミサ・イナモリ、数週間後にウィザード仮面ライダーとのアンバサダーミッションがあるときにここであなたに会うのは奇妙です。(Misa Inamori, weird seeing you here when we have the ambassador missions with the Wizard Kamen Riders in a couple of weeks.)

Misa Inamori: Indeed it is.

Me: And I think we have a new potential member of the Masters of Evil in you and the Shark Fangire as well as the Bat Imagin.

Misa Inamori: Who have you decided on for me, Bat Imagin and the Sungazer Fangire?

Me: For the Bat Imagin it's going to be Britney Crosby and for the Sungazer Fangire it will be Lizzy Morris. We'll think of someone awesome for you Misa.

Misa Inamori: Good.

Roxy and Tsukasa: Henshin!

Kamen Ride!

Roxy's Decade Kamen Rider Form looked like a blue and green version of OOO but with a sword that can use any combo of the Core Medals!

Me: Oh that is awesome!

Roxy: Wow this is so cool!

Nico: It's time to kick some butt!

Naruto and Fu activated their SIX PATHS SAGE MODES!

Eli: YEAH!

Randy went Ninja! HIYAH!

Tsukasa: (takes out Rider Card of Kamen Rider Skyrider) Time to take to the air this time

Daiki Kaito: (takes out Rider Card of Kamen Rider Kickhopper) This Rider is more appropriate against the Worm

Kamen Ride: Skyrider!

Kamen Ride: Kickhopper!

Eli: YEAH!

Me: Time for some buttkicking! Wolf Moon Style. KIBAL LETS HOWL!

(THE WOLF AND THE MOON BY BRUNUHVILLE PLAYS)

I turned into Wolf Moon 🌙!

Me: Misa this is gonna be awesome.

Misa turned into her MEDUSA PHANTOM FORM!

Me: Nice. Lets dance. WOLF MOON STYLE NINJA ART: CRESCENT BLADE TRIFIRE SLASH!

I fired a blast of blue fire and it formed into tri-bladed moon blast and Medusa dodged it and she sent her tentacles at me and I slashed them all over with my scythe and fired waves of blue fire and burned them.

Daiki and Kamen Rider Kickhopper charged at the Brachypelma Worm Viridis and then they jumped and smashed it all over!

Nico: Time for you to take some medicine!

Nico pulled out the Sacred Water and drenched it and the Worm dissolved into a clone of Arata Kagami!

Nico: It was a copy of Arata Kagami.

Tsukasa, as Skyrider, flew at the Bat Imagin.

Tsukasa: You are not a good bat!

The Bat Imagin fired a sonic blast and Tsukasa dodged it and kicked him down.

Eli: DRAGON OF THE DARKNESS FLAME!

Eli fired a wave of pitch black fire as hot as the sun and it formed into a dragon and it hit the Cobra Imagin and obliterated it into nothing!

Randy: Smoke bomb!

POOF!

He released a Smoke Bomb and slashed the Sungazer Fangire all over.

Naruto: SAGE ART: MASSIVE RASENGAN MEGA BARRAGE!

Naruto formed many Shadow Clones with Rasengan's in them and they smashed into the Sungazer Fangire and exploded with devastating power!

MASSIVE AND POWERFUL EXPLOSION!

IT was obliterated in an instant!

Nico: YEAH!

I slashed at Medusa and knocked her down and Fu appeared.

Fu: FAN SLASH!

She fired 7 blades of energy and slashed her down.

Nico: J.D., do you have your own Wizard form you can use?

Me: As a matter of fact I do.

I pulled out my Wizard Belt and put on 2 rings.

DRIVER ON!

CLICK

Me: HENSHIN!

ELEMENTS! PLEASE!

I turned into an awesome new rainbow Wizard Element Kamen Rider!

Nico: Oh wow! That is cool!

Me: Yep. Kamen Rider Element.

Misa: You're a Wizard too!?

Me: You bet I am.

I demonstrated the powers of the 12 elements and they were powerful.

Nico: That was awesome!

Eli: Way to go bro!

Misa reverted back and I helped her up.

Me: Misa you are a really formidable adversary and you did great against me in my Wolf Moon Form and in my Kamen Rider Element form. .

Misa: Thank you. But also I have 3 more for you to face.

She summoned SILKWORM FANGIRE, WASP WOMAN AND WHALE IMAGIN!

Nico: Silkworm Fangire, Wasp Woman and Whale Imagin!

Tsukuyomi: I got this one! HENSHIN!

Tsukuyomi transformed!

Megan Kiraton: Let me take the Wasp Woman.

She spread her butterfly wings and sprinkled her with her poison dust and blue her up in a powerful explosion!

Randy charged at the Silkworm Fangire.

He slashed it all over and destroyed it.

Fu: Awesome!

Me: Lets finish the Whale Fangire together.

Roxy: You got it!

KAMEN RIDER: FINISH!

We charged at it and smashed and blasted it with incredible power and blew it to smithereens!

Nico: Damn, that was a good workout!

Me: WOOHOO! YEAH!

Tsukuyomi: Yeah that was awesome!

Roxy: Yeah it was!

Eli: Yeah!

Naruto: That shows how strong we are when we all work together. Believe it!

Fu: That is for sure!

Megan Kiraton: Yeah!

Little did we know that watching the battle with us and Misa and her monsters was Woz!

Woz: (smiles) See you and my demon king soon, Nico. (leaves)

He disappeared.

We later came back.

May: Hey guys! How did it go?

Nico: Really awesome.

We told them everything and more and Misa of Wizard is now in the Masters of Evil.

May: That is so awesome!

Eli: Yeah it was!

Roxy: We had a lot of fun on this one.

May: Next time, Kermit and Zexion should go with you.

Roxy: Yeah good idea!

Nico: That will be awesome.

* * *

As we were walking to a restaurant that Lincoln, Stella, Zach, Liam and Rusty were at for lunch, Firefly was showing us his new upgrade that he got. It was based on the one from the 2004 version of himself from The Batman.

Juandissimo: That's a good new look on you, Señor Garfield.

Firefly: Thanks. It sure is awesome.

Laney: I think so too.

Me: Yeah me too.

We arrived at the restaurant and it was called the Pig Hut, a pork restaurant.

Me: The Pig Hut? Wow.

Laney: This looks like a nice place.

Flare: (hears vomiting inside) I wonder who's throwing up.

We went into the restaurant and we saw that it was a nice place but at one table was Lincoln and friends and they were sick as hell!

Me: Lincoln!

We went over to them.

Lincoln: (GROANS) (VOMITS ON THE FLOOR)

Eli: Ew.

Me: What the hell did you guys… (Sees the dish they ordered) (GASP) HOLY FISH PASTE! WHAT IS THAT!? [notices a giant goop pile of food on the table made of intestines and crud, with flies and other things sticking out of it]

Lincoln: The appetizer.

Runabout: Primus, what did you guys eat?!

Nico: I think we're looking at it.

Eli: Whoever made that thing has to be the worst cook ever.

Mr. Krabs: He must be the head chef on the S.S. Diarrhea.

Varie: (LAUGHS)

We looked in the kitchen and we saw a big fat chef that was the most disgusting man ever. He looked like a homeless bum and he smelled horrible!

Nico: Geez! That man is a walking biohazard.

Me: I'm calling the health department.

I did so.

Blur: That's it. Everyone in this table except Lincoln is off the next mission!

Maria: (to Lincoln) If you turn into your muscular form, the illness might be shaken off.

Me: Maria this doesn't work that way. This is a food poisoning sickness thanks to that chef there!

The Health Inspector came in.

Health Inspector: Where's the manager?

Me: Right here sir.

I showed a man.

Health Inspector: I'm Health Inspector Florence and I'm officially closing down your restaurant.

Manager: Why?

Me: Oh I don't know. Maybe because of (Points to the disgusting chef) HIM!?

The disgusting chef was rubbing food in his armpits.

Health Inspector: EGAD! By order of the health department this restaurant is hereby permanently shut down!

We left and the restaurant was demolished.

Lincoln: Not that I'm complaining. But how long do I have to stay muscular?

Itachi Uchiha: For the whole day until the food poisoning wears off. After all, we don't want your harem to be without you.

Nico: Yeah.

Lincoln: Okay. (GROANS)

Me: You'll be all right Lincoln.

Laney: Yeah bro. But the rest of your friends aren't.

Stella Zhau: (VOMITS ON POROMON)

Poromon: HEY!

Stella Zhau: Oh sorry.

Nico: Lets get these four back to the estate.

We went and did so.

Back at the estate we got them put on the sofa and they had buckets and water with them.

Rainbow Dash: Pickle and Barley Barrel front and center!

Pickle and Barley Barrel came.

Pickle and Barley Barrel: REPORTING FOR DUTY CAPTAIN RAINBOW DASH!

Rainbow Dash: I need you to help Carmen, Carol, Maria Santiago and Maria Rockell watch Stella, Zach, Liam and Rusty here. They got a nasty case of food poisoning from a really bad restaurant. Can you and the mascots help them out?

Pickle and Barley Barrel: YES MA'AM!

Rainbow Dash: Great! Get to it!

They got to helping them.

Then Mummy, Tala, Abra Kadabra, Dayu, Bonz, Yenaldooshi, Mummy, Ranamon, Harpymon, Beautiful Gorgeous and Puff appeared.

Mummy: Can me, Tala, Abra Kadabra, Dayu, Bonz, Yenaldooshi, Mummy, Ranamon, Harpymon, Beautiful Gorgeous and Puff go with you guys?

Nico: Yes you sure can.

Mummy: (See's the sick 5) Whoa man are you guys all right?

Lincoln: I'll be all right but my friends are sick as all get out.

Me: They have a nasty case of food poisoning caused by that ugly chef at the Pig Hut.

Ranamon: Oh no! That restaurant is a really bad place y'all!

Harpymon: Yeah it was a cesspool and a dump.

Laney: Well it is officially closed down and destroyed.

Nico: Yep.

Magma: Nico, which Gene Slammer do you think you'll meet next rescue?

Nico: I'm gonna do one for Aayla Secura's kind next.

Eli: One for a Twi'lek. This will be awesome to see.

Nico: Yep it sure will be cool.

Me: So it's going to be another Jedi next.

Nico: Yep.

Lola: This will be awesome!

Dayu: Jayden should go too. He might not have a lightsaber but his swordsmanship is just as good. And I should know.

Nico: Good idea. But that is a good reason.

Jayden: It'll be awesome.

Nico: Now lets get ready for our mission. Lets get some better comfort food for Lincoln here. We're going to the Krusty Krab.

Me: Good idea.

Brad Morton: Sorry you can't come, Maria.

Maria: (smiles sadly) It's okay. I may be apart from Nico and William.

But I'll always be in their hearts.

Nico: I know but you have a big job here.

Maria: I know. Carol is with me too.

Carmen: And I can't leave my boyfriend like this,

Nico: Ah love. Lets head out.

Suddenly, Lincoln's deep sapphire blue eyes and the rainbow colored iris of Lincoln's Third Eye glowed even more, as he sensed a dark energy signal with his eyes and the Force, and he saw who the figures are in the vision: it was none other than Nemesis, the undead monarch known as The King of Liberation and he's here to cause havoc. When we saw it, we knew it meant trouble.

Nico: Uh oh, I know those glowing eyes from anywhere. Lincoln, is there someone else coming after us?

Lincoln: Afraid so, Nico, and Ike, you and the others aren't going to like it one bit: the dark energy signal I sensed belonged to Nemesis, the undead monarch known as The King of Liberation and another old enemy of yours, and he's here to cause havoc.

Lucina, Bernadetta, Dorothea, Petra, Mercedes, Annette, Ingrid, Lysithea, Hapi, Hana, Sakura, Camilla, Elise, Tharja, Lyn, Mia, Celica, Byleth, Marth, Roy, Chrom, and Ike gasped in shock.

Bernadetta: Nemesis, he's here?! This isn't good.

Me: I've seen just how dangerous this undead monarch really is, and he's not to be underestimated.

Lincoln: You said it, J.D. What can you all tell us about Nemesis, so that way, we can have a good idea of who we're dealing with?

Dorothea: You won't like him one bit, Lincoln.

The Fire Emblem heroes proceeded to tell us about Nemesis, and as expected, we're not going to like him one bit.

## Nemesis (Fire Emblem)

Nemesis, also known as the King of Liberation and the Fell King, is the overarching antagonist of Fire Emblem: Three Houses and the archenemy of Seiros. He is also behind the creation of the Crests, the war upon Fodlan, and the demise of Sothis. He initially serves as a historical figure for most of the game, but in the Golden Deer route, particularly in the final chapter, Nemesis serves as a much more important figure when he becomes the route's final boss after his unexpected revival by the forces of Those Who Slither in the Dark.

He is voiced by Naomi Kusumi in Japanese version and by Jamieson Price in English version, with the latter also voiced Rudolf from Echoes: Shadows of Valentia and Zephiel in Fire Emblem Heroes.

### Personality

Nemesis was an extremely violent bandit who was convinced to plunder the holy tomb to get power. He is shown to be a very calm and serious commander in the opening cut-scene, only reacting in any way when he realises that Seiros is a Nabatean. Even when this happens, he only is shocked for a moment. When he is revived, however, he shows his hate for Seiros, saying he will kill her even though she does not appear to fight him. He loses any semblance of calmness that he had in the cut-scene, and shows his lunacy. However, he has a code of honour, calling Byleth and Claude cowards for fighting 2 on 1 and not resorting to any cheap tactics during his fight.

### Appearance

Nemesis appears to be an old man with white hair, a white beard and red eyes. He is completely covered in scars. He wears shoulder armour and has a white cape. He also wields the dark version of the Sword of the Creator.

### Biography

## Past

According to the historical legend by the Church of Seiros, Nemesis was once a wise and brave king whom the Goddess Sothis entrusted to protect Fódlan from hostile invaders. However, over time, he gone corrupted and grew more power hungry after being influenced by the people of Agartha, deserting his duty and becoming a bandit king. He worked with them to slaughter the "Children of the Goddess" in Zanado, and was responsible for the death of Sothis via killing her in her slumber to use her body parts as weapons.

Using Agarthan technology, Nemesis and his allies, the Ten Elites, created the Crests from the hearts of the people of Zanado and the Heroes' Relics from the bones of the Goddess, distributing them to Ten Elites.

The truth of the legend, however, is that Nemesis was never more than a common thief who managed to break into the Holy Tomb, stealing Sothis' body. His working partners, revealed to be Those Who Slither in the Dark, then used the blood of Sothis to give him the Crest of Flames and the body of Sothis to make the Sword of the Creator.

In Imperial Year 91, the armies of Nemesis and Seiros clashed at the Tailtean Plains, where Nemesis was confronted and killed by Seiros in single-combat.

## Verdant Wind

After the war of Shambala, the leadership of Those Who Slither in the Dark was eliminated by Byleth, Rhea, Claude and the army of Leicester Alliance, but turned out Those Who Slither in the Dark members already succeeded in reviving Nemesis, whom their remnants manipulated into invading Fodlan and destroying everyone in his path along with the Ten Elites. After a long time of struggle, Byleth and Claude worked together and finally slain Nemesis for the second and final time in battle.

---

When the Fire Emblem heroes were finished, we were horrified.

Nico: Holy crap, Nemesis is a dangerous undead monarch who needs to be stopped once and for all.

Lincoln: You said it, Nico.

Móyá the Tooth Faerie: And you and I are going to be the ones to stop him, Linky.

Lincoln: That's right.

Roy: I hope you guys give that monster The Black Gates after you destroy him.

Lincoln: That's exactly what we're going to do to him after we destroy him, so that way, he won't ever return again, Roy.

We were off to Bikini Bottom.

---

Walking through the streets of Bikini Bottom was us and we were looking out for anything suspicious.

Ranamon: It's good to be back in my element, ya'll.

Nico: It sure is. Coming to Bikini Bottom is fun.

Laney: Yeah it sure is.

We then saw SpongeBob.

SpongeBob: Oh, I've got an whole new attitude

Squidward: Oh, is that supposed to be singing? [paint brushes fall on the floor] I am putting that one on SpongeBob. [to SpongeBob] Would you clam up, SpongeBob? I am trying to paint in here!

SpongeBob: I cherish my fellow residents…

Squidward: SpongeBob, why are you doing this?

SpongeBob: Oh, I'm just displaying for all to see an attitude of gratitude!

Me: Hey SpongeBob.

SpongeBob: Oh hey guys.

Squidward: Hey guys! Oh man! Lincoln are you okay?

Lincoln: Really sick with food poisoning.

Squidward: Oh man. What did you eat?

Lincoln: I don't want to talk about it.

Me: But yeah what are you so happy about SpongeBob?

SpongeBob: Oh, I'm just displaying for all to see an attitude of gratitude!

Squidward: Gratitude? You've been wallowing in filth all morning. What could you possibly be grateful for?

SpongeBob: Hit it, boys! [Slimy trash can monsters appear] One, two, three, four! [Songs starts] Oh, I've got a whole new, attitude. A lifetime subscription to, gratitude. Friend, you've got to change your, latitude. Live an attitude of, gratitude. [The songs only annoys Squidward] I'm grateful for the life I'm, living. Who knows how long I will, have it? I'm thankful for all I've been, given. We make appreciation a, habit. There's no time like the present day. To have a present come your way!

Slimy trash can monsters: All you have to do is, grab it!

SpongeBob: So, now I think that, you will see.

Slimy trash can monsters: You'll see.

SpongeBob: There's nothing more, you need. My friend, this ain't no, platitude.

Slimy trash can creatures: Platitude!

SpongeBob: Just an attitude of, gratitude.

Slimy trash can creatures: Gratitude!

SpongeBob: Or, in your case, Squidward, an attitude of hattitude! [laughs] [Song ends]

Me: That was a cute song.

Squidward: Thanks for the hat though SpongeBob.

SpongeBob: You're welcome.

Alucard: Isn't Krabby Patties better then the crap you ate?

Lincoln: Yes it is.

Me: Yeah. We went to a really gross restaurant called the Pig Hut. It was Chum Bucket bad. (To Plankton) Uh no offense.

Plankton: None taken J.D. But yeah it was disgusting!

Me: Lincoln, Stella, Liam, Zach and Rusty got a nasty case of food poisoning from eating a gross dish called the Appetizer.

Squidward: (SHUDDERS) YUCK! That dish was so disgusting!

Nico: No kidding.

Squidward: I get that Lincoln's sick. But why's he muscular at the moment?

Puff: Because in his muscular state, Lincoln's immune system is strong. Besides, considering the other baddies that show up during missions, we can't afford to be without him!

Me: And his Harem wouldn't be the same without him on a mission.

Squidward: Oh man. I'm sorry that happened to you guys.

Me: That chef there was an absolute walking pigsty. Literally.

Lori: That is literally putting it mildly.

Lily: Yeah no kidding.

Me: We were heading over to the Krusty Krab to get some Krabby Patties for Lincoln and everyone so they can get better.

Nico: You want to come with us?

Squidward: I'll be right down. [slips on the paintbrushes and falls downstairs, bursting a pipe]

We went in!

Me: Oh man! Squidward are you okay?

Squidward: I'll be all right.

Lana: I got this.

Lana went and fixed his pipe.

Squidward: Thanks Lana. [looks at watch] Oh, great. Now I'm late for work.

Me: Lets get over there then.

We were off to the Krusty Krab.

RD Lincoln: You guys still got me.

May: No offense, RD Lincoln. But Prime Lincoln's irreplaceable.

RD Lincoln: None taken but true.

Nico: Yeah.

We arrived.

Nico: GOOD AFTERNOON KRUSTY CREW!

Mr. Krabs: Ahoy lads!

Laney: Ahoy Mr. Krabs.

Lincoln: Ahoy there.

Mr. Krabs: Man Lincoln you look worse than an eel in a lava pit.

Bonz: Mr. Krabs, don't you remember earlier? Lincoln got nasty food poisoning.

Mr. Krabs: Yes I know lads but I didn't think Lincoln would be this sick to go muscular.

Nico: Yeah it was bad. But we don't have any option.

Laney: Maria, Carol, Carmen and the Barrel Twins are looking out for Liam, Zach, Stella and Rusty for us.

Master Frown: (to Squidward) I get the feeling that something related to you is about to happen. Something big.

Squidward: I have that same feeling too.

Laney: Yeah.

Nico: I hope it has something to do with a failed attempt to steal the Krabby Patty Secret Formula.

Plankton: That would be nice.

Abra Kadabra: (sees what appears to be another Squidward walking outside) That's odd. Another Squidward is outside.

We looked and we saw nothing.

Me: I don't see anything.

Nico: I hope you're not seeing things.

Abra Kadabra: No I saw another Squidward.

But then!

[a volcano erupts]

Nat: Mount Bikini Bottom's erupting!

KRABBBOOOOOOOOOOOOOOOMMMMM!

Lloyd: Cool.

Scooter: Look, the roof! [lava and fire is burning down the Krusty Krab, and everyone runs around screaming]

Nico: OH NO!

Skarr: Are you guys getting a case of deja vu?

Lily: I am!

Lily and Oceanus Shenron and Nico fired waves of water and ice and put out the fires!

Lily: This is exactly like what happened when Squidward went crazy!

Qin: I remember hearing about that! That was nuts!

Tala: The other Squidward Abra Kadabra saw must have caused this!

Nico: You were right Abra Kadabra!

Lily: And I know how we have to save the town! We have to sacrifice him to the volcano!

Nico: This is gonna be good!

Lily spun around and she had tribal war paint on!

Kevin Levin: In my opinion, Mount Etna was more volcanic.

Nico: Agreed.

Eli: Shall we do the entrance boss?

Yenaldoshi: First, we have to put out the fires in our way.

Nico: We don't have Maria with us. So, we'll just have to make due with what we have!

Oceanus Shenron: Leave that to me. I am the Dragon of Water and Wind after all.

Oceanus put out all the fires with her water and I was absorbing the fire as well.

The fires were all put out.

Yondu: Okay. That's the last of them!

Nico: Next we got to find the Evil Squidward.

Eli: Lets see here.

Eli concentrated and used the Force and he found him right in front of the volcano hiding behind a rock!

Eli: He's hiding behind that rock in front of the volcano!

Nico: Figures.

Varie: Yeah.

Nico: Good.

Harpymon came back.

RD Carol: Time for entrance. Good thing you guys still have me.

Nico: Yep Lets go.

We went at the Evil Squidward.

Evil Squidward was laughing malevolently. But then the spirits of Magic, Monsters, Digimon and the Megaforce Rangers appeared and smashed him all over the place and then converged and then…

DIVINE MERMAID SINGING

Massive waves of water exploded out and then mermaids came out and then we came in surfing and then we landed.

Me: Stupid Squidward!

Evil Squidward: YOU FREAKS RUINED EVERYTHING FOR ME AND I WILL MAKE SURE YOU MORONS PAY!

Laney: You are a miserable big nosed freak!

Nico: Now, count up your sins, asshole!

Evil Squidward: My only sins are living in this town!

Nico: (in realization) Um, I didn't expect you to reply to that. It just came out.

Beautiful Gorgeous: (facepalms) You know what? Let's just start beating him up!

Me: W reference?

Nico: Yes.

Then Titanium Toenail, Brass Knuckles, Electropede, Gameface, Dumbelltron, Loki, Whirlin, Whiger, Ryugu Tamatebacco and Count Nocturne appeared.

Nico: Titanium Toenail, Brass Knuckles, Electropede, Gameface, Dumbelltron, Loki, Whirlin, Whiger, Ryugu Tamatebacco and Count Nocturne..

Brass Knuckles: Not the same without Maria, huh?

William: No, it isn't.

Titanium Toenail: At least she's not sick.

Gameface: That's a good thing, right?

Nico: True.

Count Nocturne: (to Nico) We heard you fought Count Dooku.

Nico: We sure did.

Electropede: He's gonna be an excellent recruit.

Me: Yes he is.

Then Face Stealer appeared for another round.

Face Stealer: (to the Rangers) You guys have had battles near volcanoes before, right?

Jason Lee Scott: Yes we have.

Me: Many times actually.

We got the usual battles underway.

## Jack Atlas, Carly Atlas, Sunset Shimmer, Pipsqueak, Fire Skylanders, Tahu, Tempest Shadow and Itachi Uchiha VS Brass Knuckles - My Dream Rescue

---

Brass Knuckles was first.

Brass Knuckles: (to Jack Atlas) It's good that J.D. kicked the Digimon Emperor's butt in Nico's dream. (confused) But I thought Nico already moved past the Digimon Emperor's crimes.

Jack Atlas: Guess there's still some lingering demons still in Nico.

Carly Atlas: Yeah he must still have some past demons in him.

Sunset Shimmer: Hopefully that they are gone now.

Pipsqueak: (British Accent) Yeah lets hope they are.

Sunburn: Me too. What that monster did was awful.

Tahu: Yeah no kidding there.

Tempest Shadow: The Digimon Emperor has no honor at all.

They fired waves of fire and smashed him down.

Chazz Princeton, Pinkie Pie, Featherweight, Tech Skylanders, Ojamas, Onua, Magma, and Yagura VS Titanium Toenail - Nico's Rescue

Pinkie Pie: Boy it sure was cool!.

Featherweight: Yeah it sure was cool to see a planet like that.

Sprocket: It sure is cool.

Ojama Green: Yeah it was.

Onua: We all thought so too.

Titanium Toenail: I think it's cool too. Lets do it!

They fired waves of metal, fire, lightning and energy and gears and smashed him down.

Margo (Loud House), Rainbow Dash, Scootaloo, Air Skylanders, Lewa, Rotwood and Brad Morton VS Gameface - Count Dooku Arrested

Dooku. He's gonna be a great addition to our family.

Margo: He sure will be an awesome addition. And he really put up a great fight in many of our adventures.

Rainbow Dash: He sure did and he was awesome.

Scootaloo: Yeah he sure was cool.

Whirlwind: I agree there as well.

Lewa: Dooku may have caused numerous problems during the war but he did put up a good fight.

---

Paula (Loud House), Rarity, Sweetie Belle, Water Skylanders, Gali, RD Lincoln, and Bubble Man VS Electropede - Meeting an Arcana Force VI - The Lovers Gene-Slammer

---

Electropede was next.

Electropede: (to Paula) I heard you guys met an Arcana Force VI - The Lovers Gene-Slammer. What's her name?

Paula: Her name is Penelope Harrisburg and she is really awesome and is a powerful psychic too.

Rarity: Oh she is really amazing there darlings. She has amazing skills and powers.

Sweetie Belle: And she busted a dangerous monster too.

---

Penelope Harrisburg: Whoa, I was right that Lincoln has really grown to be a 17-year-old 7'5" tall, really big, and really strong man, just look at those abnormally massive and powerful upper and lower body muscles and his eight-pack abs hard at work, and working out with those 9,500-lb barbells and he's not even get tired, incredible.

Lincoln: Yep, and I've also trained a lot under some very powerful teachers, J.D. and Nico included, Penelope, and now, I can also defend myself, and in addition to getting stronger, I've also gotten smarter as well.

Penelope Harrisburg: That's incredible.

Nico: It sure is. So, Penelope, how did you stop an incredibly dangerous homicidal maniac that was terrorizing the country for years and stopped him from getting to the Loud House as he was laughing like a totally screwed up lunatic?

Penelope Harrisburg: You're not going to like it one bit. As I was walking through Franklin Avenue, I had a vision of an incredibly dangerous homicidal maniac who was laughing like a totally screwed up lunatic and he was about to get into The Loud House and kill everyone inside. I rushed on over, and I tied that lunatic up with really strong vines, and when Lincoln and the others came outside, I told Lincoln to call the cops, and they arrived and cuffed the homicidal maniac. When the cops saw the homicidal maniac I captured, they were surprised: the person I captured was Noah Greyson, and from what I heard about him and from his criminal history, he's an incredibly dangerous homicidal maniac who laughs like a totally screwed up lunatic who's been terrorizing the country for years by breaking into many houses and killing everyone inside them. The cops took him away, and after that, he was tried and convicted, and ultimately, he was found guilty of his crimes, and he was sentenced to death by lethal injection in San Quentin. The next day, as soon as they put the needle in him, he was executed for his crimes.

We were horrified, but we also cheered for what Penelope Harrisburg did.

Me: Damn, this guy sure is one fucked-up lunatic, and I've heard about Noah Greyson, he's one of the most incredibly dangerous and insane homicidal maniacs in the country, and some of the cops in Colorado, along with Dad, have been after this sicko for years, but he's constantly gotten away.

Nico: Sheesh, and I know it's really serious if your dad and some of the cops in Colorado were also after that insane psychopath.

Lincoln: You said it, and thanks to what Penelope did, Noah Greyson paid the price for all those he's murdered, and now, he's in Hell for all eternity for what he's done.

Eli: What a sicko.

FLASHBACK ENDS

Electropede: OH MY GOODNESS! That guy was a monster! He deserved to be destroyed for his crimes.

Gill Grunt: He sure did. He had it coming for a long time.

Gali: I agree there. What a monster.

Electropede: No kidding! Thank goodness he is dead. Lets do it!

They fired waves of lightning, water, ice and jewels and smashed him down.

Stealth Elf: That restaurant was a literal pigsty.

Pohatu: It sure was gross.

Squidward: Run by a bunch of moronic imbeciles.

Ryugu tamatebacco: Yeah what a gross place. Lets do it!

They fired waves of water, leaves, grass and flowers and smashed him down.

---

Whirlin was next.

Whirlin: (to Linka) I can't believe Lincoln and his friends got food poisoning. (growls) And all because of that dumbass cook!

Linka: (Russian Accent) That's why restaurants have very strict health codes.

Princess Celestia: I agree there. What a slob.

Fiona Hernandez the Uria, Lord of Searing Flames Gene-Slammer, Himiko Toga, Apple Bloom, Sweetie Belle, Scootaloo, Diamond Tiara, Silver Spoon, RD Lola and Misty Tredwell VS Kimberly Ann Hart the Pink Ranger Slayer

---

Pink Ranger Slayer was next.

Pink Ranger Slayer: Why was Squidward always so miserable all the time?

Fiona Hernandez: Well 3 things. 1: He hates SpongeBob and Patrick and everyone in Bikini Bottom, 2: He hates his job and Mr. Krabs and no one will ever acknowledge his artwork, music, cooking and talents and 3: everyone in town treated him like the plague because of how miserable he was all the time.

Himiko Toga: Man what a jerk! He really hated everything and everyone didn't he?

Apple Bloom: He sure did and what really tipped him over the edge was the Volcano erupting.

Sweetie Belle: He really hated SpongeBob and Patrick before didn't he?

Scootaloo: What an absolutely miserable soul.

Diamond Tiara: Also another factor was that his lifelong rival Squilliam Fancyson was better than him in everything he was going to do.

Silver Spoon: Yeah no kidding. Squidward was always treated like an absolute failure and the volcano here erupted was the breaking point for him.

Misty Tredwell: It's what lead him to becoming worse than ever and him being in the Coalition of the Cobra years ago.

Pink Ranger Slayer: That was crazy. I don't know if I should feel sorry for him or hate the evil Squidward more or both. Lets do it!

They fired waves of fire and magic and smashed her down.

---

Marie Hernandez the Gene-Slammer of Hamon, Lord of Striking Thunder, Ibara Shiozaki, Frozen Fright, Thunder Terror, Magma Gloom, Toxic Horror, Louie PoisonSea, RD Lincoln and Elena VS Weddinmon

---

Weddinmon was next.

Weddinmon: Why does Squidward hate his job at the Krusty Krab?

Marie Hernandez: I think that one was pretty obvious. He hated his job because Mr. Krabs wasn't paying him anything at all! But that was before he was sent to prison and reformed.

Ibara Shiozaki: Mr. Krabs was ruining his life and making it more and more miserable.

Frozen Fright: Yeah and to add fuel to the fire he hired SpongeBob which drove him further and further into misery.

Thunder Terror: No kidding there.

Magma Gloom: Yeah that was crazy.

Toxic Horror: Yeah no kidding there.

Louie PoisonSea: What happened to Squidward was terrible.

Weddinmon: Boy it sure was. Lets do it!

They fired waves of lightning and elements and smashed her down.

# Nicole Hernandez the Raviel, Lord of Phantasms Gene-Slammer, Star Swirl the Bearded, Rockhoof, Somnambula, Mistmane, Flash Magnus, Mage Meadowbrook, Gusty the Great, Clover the Clever, RD Lucy and Carly Atlas VS Marcel Bonaparte

---

Marcel was next.

Marcel: What caused Squidward to be sent to the looney bin?

Nicole Hernandez: Well what really made a lot of the citizens angry with him was during the eruption of Mount Bikini Bottom. He called the people a bunch of idiots and a bunch of horrible names and more. But also he hurt SpongeBob and Patrick REALLY bad with a bunch of hard and excruciatingly painful sports games that landed them in the hospital.

Star Swirl: Ouch! That must've been painful.

Rockhoof: (Scottish Accent) Aye that must've hurt bad.

Somnambula: (Egyptian Accent) I agree there too as well.

Mistmane: Yeah that was awful.

Mage Meadowbrook: Yeah no kidding there.

Clover the Clever: Yeah no kidding! What he did back then to Nico showed that he was pure evil. But not anymore.

Carly Atlas: Thank goodness for that too. What a miserable nutcase.

Marcel: No kidding. Evil Squidward being sacrificed to a volcano will be very fitting for him. Lets do it!

They fired waves of darkness and energy and smashed him down.

---

Su Yung was next.

Su Yung: Didn't this also happen to you all on Land too?

Natasha Hernandez: It sure did and this was a really strong sense of deja-vu. The Loud Kids had a really rotten and miserable neighbor that was in every way like Squidward and he was just as miserable. We had a volcano erupt on land in the middle of the city and Lily told us how we had to stop it.

Princess Celestia: Learning from past experiences she used something like a giant cork and plugged the volcano.

Princess Luna: That was really awesome too.

Princess Cadance: Yeah it sure was awesome to see.

Minuette: It sure was cool. But that neighbor of the Louds hates them with a vengeance.

Twinkleshine: He needs a massive attitude adjustment or history is going to repeat itself.

Lemon Hearts: And that's the last thing that people want.

Moondancer: Yeah no kidding. That was horrible.

Lyra Heartstrings: Yeah what a jerk.

Sunset Shimmer: The last thing we want is for another version of evil Squidward and everyone attacking us.

Twilight Sparkle: Yeah that would not be a good thing too.

Brittney: No it sure wouldn't. What Squidward did back then was horrible.

Misty Tredwell: Because of his misery he wound up becoming the most hated creature in Bikini Bottom.

Su Yung: No kidding there. Lets do it!

They fired waves of darkness and magic and smashed her down.

---

Admiral Zhao was next.

Admiral Zhao: I'm surprised Squidward didn't snap and tried to kill SpongeBob and Patrick and everyone he hated back then.

Catherine Iroh: No kidding! Squidward was beyond a shadow of a doubt the most miserable person in all of Bikini Bottom back then and it's the reason why Mount Bikini Bottom erupted then and it erupted now.

Layla MacKenzie: That is crazy. Squidward must've been one miserable guy back then.

Sakura Avalon: Yeah he was. He was so miserable that he didn't care about anyone.

Madison Taylor: His heart was just as empty as his soul.

Chelsea: Yeah no kidding. He was really empty.

Rita (Cardcaptors): What a soulless guy.

Nikki: Yeah he had no love at all.

Li: Just like someone I know that follows me like a lovesick puppy.

Kero: Meilin right?

Li: Yeah.

Yue (Cardcaptors): When she comes onto the team soon she is definitely getting an attitude adjustment.

Carly Atlas: Yeah Meilin from what we heard has a lot of problems.

Misty Tredwell: She loves doing things the hard and fast way doesn't she? And she thinks everything is a contest.

Admiral Zhao: What a crazy girl. Lets do it!

They fired waves of fire and magic and smashed him down.

Princess Platinum: Yeah he gives all great restaurant lovers everywhere a bad name.

Commander Hurricane: Yeah what a pig and a slob.

Chancellor Puddinghead: Lynn's Table is a much better restaurant than that dump.

Smart Cookie: Yeah that restaurant was an absolute dump and a slop pail.

Private Pansy: Yeah and Lincoln and friends all got sick from just one dish. The Appetizer.

Clover the Clever: What a disgusting dish. Actually I would call that more like a crime against nature.

Penance: Me too.

LeFou: Yeah no kidding. That place was a dump. Ruby and Sapphire giving it a big smelly toes down is perfect. Lets do it!

They fired waves of elements and magic and smashed him down.

---

Sunfire was next.

Sunfire: (Japanese Accent) That chef at that restaurant was really the head chef on the S.S. Diarrhea?

Rhonda Monroe: That's what Mr. Krabs said. But yeah from what we saw back there he really was the head chef of that disgusting ship.

Sunny Starscout: And from the looks of things he didn't know anything about cooking at all.

Izzy Moonbow: Yeah no kidding and Lynn Sr., Mary Knudson and many of us are much better chefs than him.

Hitch Trailblazer: I agree there. They are much better chefs. So is

Mung and Chowder.

Pipp Petals: That slob chef gives all chefs everywhere a bad name.

Sunfire: What was his name?

Rhonda Monroe: His name was Daniel Stinky Putrid.

Zipp Storm: That is a repulsive name.

Himiko Toga: Yeah no kidding! He was gross and disgusting.

Diamond Tiara: How they let a gross and disgusting chef like him become a chef in the first place is beyond me.

Cozy Glow: What a gross freak.

Sunfire: You said it. YUCK! Lets do it!

They fired waves of fire and magic and smashed him down.

Irena Malkovich the Flame Cerebrus Gene-Slammer, Indigo Zap, Lemon Zest, Sunny Flare, Sugarcoat, Sour Sweet, Frosty Orange, Twilight Sparkle, Princess Cadance and Flurry Heart VS Abacus Cinch.

Abacus Cinch was next.

Abacus Cinch: To be honest I am a good food lover myself but I have a much more exquisite and luxurious love for elegant food. But after what Daniel Stinky Putrid did at that restaurant I would never eat anything he eats.

Irena Malkovich: Me neither! And I have a feeling that Daniel is now the most hated chef ever. Also he was not very smart at all. He looked like he was a dumb and stupid moron. From what we saw it looked like he had an IQ of -5.

Indigo Zap: That would make his as dumb as Billy. No wonder he didn't know anything.

Lemon Zest: How they let a guy like him be a cook is beyond me.

Sunny Flare: Yeah he looked like someone that should work in a prison cafeteria.

Sugarcoat: That is a more logical assumption.

Sour Sweet: He should have never been allow to touch food at all.

Frosty Orange: No kidding. What a disgusting chef. I wonder what happened to him now?

On land it showed that Daniel Stinky Putrid was now homeless and living in a cardboard box trying to get change from passerby.

Daniel Stinky Putrid: Spare change? Spare change, ma'am?

KARMA REALLY BIT HIM IN THE BUTT BIG TIME

Back in the fight.

Twilight Sparkle: Probably best not to think about it.

Princess Cadance: Yeah he had it coming.

Flurry Heart: I'll say. He's not worth anyone's time now.

Abacus Cinch: I agree there too. Lets do it.

They fired waves of fire and lightning and smashed her down.

Tyranno Hassleberry: Yeah no kidding. What a slob and a gross freak.

Aylene Carter: No kidding. He makes all chefs everywhere look like a joke.

---

Baddie Undine was next.

Baddie Undine: In all honesty I don't know what that restaurant and the culinary world was thinking letting a monster like him be a chef.

Laniya Momoshiki: (Japanese Accent) I agree there myself. They need to run extremely thorough background checks on people like him to make sure they don't pose health concerns.

Bai Tza: I agree there too.

Maria 2: That is not a bad idea there.

## Laura Wynn the Florauna Gene-Slammer, Crysta, Laney, Ren, Tula, Ioz and Niddler VS Morpho (Pirates of Dark Water)

Morpho was next.

Morpho: Has there ever been an incident like what happened with Lincoln at the Krusty Krab?

Laura Wynn: As a matter of fact yes. There was this one time Lily told us where a very famous food critic came to the Krusty Krab and SpongeBob and Lily were nervous as hell. They had the 1,000-Yard Stare. And the critic that came in was Gene Scallop. He looked so much like famous movie, book, TV and entertainment critic Gene Shalit and he loved the food at the Krusty Krab so much that EVERYONE loved it too because of how SpongeBob and Lily cooked. Mr. Krabs turned the restaurant into the Krusty Sponge and everyone loved all the SpongeBob merchandise and all that.

Morpho: Sounds like a lot of people loved it.

Laura Wynn: Oh they sure did. But it all went south when Mr. Krabs started selling SPONGY Patties. They looked like Krabby Patties. But they were yellow and tainted. He poisoned lots of people that got really sick from food poisoning. He was about to go to prison but the judge was a big fan of both SpongeBob and Lily. Lily made a Shadow Clone and took him around the track for fun. Had the best fun ever.

Crysta: That was really cool.

Laney: It sure was. Lily had a great time on that.

Ren: She sure did there.

Tula: And it was really fun too.

Ioz: I agree there everyone.

Niddler: It sure was fun.

Olivia Gansley: It sure was! The grossest ever! It made Lincoln and his friends sick as dogs from food poisoning.

Eli: Yeah it was disgusting!

Mary Knudson: No kidding there! Ruby and Sapphire Salazar gave that restaurant 2 ugly smelly toes down.

Laney: That restaurant was closed down immediately because of that chef and it was demolished and burned.

Lana: Good riddance. But I still liked the food there.

Le Spatula 3000: You have one interesting food menu there mademoiselle Lana.

Olivia Gansley: Have you decided on apologizing to SpongeBob yet for your attitude?

Le Spatula 3000: After some thoughts I'm still working on it. Lets do it!

They fired waves of fire and energy and smashed him down.

Omaima Lexington: But here is what he did. (LOUD FART) (BUBBLES FLOAT) Excuse me.

She went over Mr Krabs history as well as the acts he did.

---

Eugene Harold Krabs (b. November 30, 1942), mostly known as Mr. Krabs, is a major character in Nickelodeon's SpongeBob SquarePants franchise. He is the money-obsessed founder of the Krusty Krab and just like Spongebob, he is business rivals with Plankton.

Although he is one of the series protagonists, Mr. Krabs is frequently known for having a villainous side throughout the series' run, and can even be seen as the main antagonist in several episodes. He has been shown mistreating his employees as slaves and using them for personal and financial gain, serving no consideration for almost anyone (including his own daughter) unless money is involved, and is even shown to show absolutely no respect for Plankton even at his most harmless, even if it means driving him to suicide for his own amusement. Those continuous traits overtime serve him as an antagonistic or yet, an outright villainous character on multiple occasions. In fairness, however, his cheapness is all to blame for which as he deep down does care about SpongeBob, and his daughter Pearl at heart.

In the films, he is a major character in The SpongeBob SquarePants Movie, the central antagonist-turned-anti-hero in The SpongeBob Movie: Sponge out of Water, and the tritagonist in The SpongeBob Movie: Sponge on the Run.

He is voiced by Clancy Brown, who also played Byron Hadley in The Shawshank Redemption, Viking Lofgren in Bad Boys, the Kurgan in the Highlander film franchise, Lex Luthor in the DCAU and other DC animated works, Mr Freeze in The Batman, Uka Uka and Dr. Neo Cortex in the Crash Bandicoot franchise, Hades in God of War III, Trident, Undertow, and Parallax in Green Lantern, Baron Praxis in Jak II, Taskmaster in Ultimate Spider-Man, Rahzar in the 2012 Teenage Mutant Ninja Turtlesseries, Gunmar in Tales of Arcadia, Ray Schoonover in Marvel's Daredevil, and Surtur in Thor: Ragnarok. While in a few video games, he is voiced by Joe Whyte and Bob Joles. In SpongeBob SquarePants: Typing, he is voiced by Patrick Pinney. In the Broadway musical adaptation, he was portrayed by Brian Ray Norris.

Since the beginning of the series, Mr. Krabs' overall characterization has become more and more negative. Sometimes, he becomes the villain in some episodes of the show, with Mr. Krabs being just as bad as, if not worse than, Plankton himself.

Although he has moral standards and being a reasonable father figure for SpongeBob at best despite his greedy and recurring antagonistic behavior, the Post-First Movie Seasons utterly removed it all in favor of more out of character moments where he's much more villainous. Subsequently, this turned him into a full-blown Protagonist Villain who proved time and time again more detestable than Plankton in his worst episodes.

Even prior to controversial Post-First Movie Seasons, Mr. Krabs does has fair records of villainous and antagonistic acts, notably his recurring tendency to exploit his employees and even exhibits unnecessary sadism towards Plankton upon the latter's defeat. Krab's most prominent antagonistic role, as well as only instance where he truly came close to, if not outright crossing Moral Event Horizon without the franchise's degradation, is Jellyfish Hunter (where he abuses captured jellyfish in favor of producing as much jellyfish jelly as he can and nearly eradicate them all had the blue jellyfish save the day by exposing his crime on SpongeBob). He was also willing to harm SpongeBob for attempting to foil his scheme.

Other examples include trying to kill Squidward so that he could make money from his art, trying to con Patrick out of his coupon, and several other crimes. As with most characters, however, his morality depends on who is in-charge of writing the episode. One should also note that while it doesn't excuse his actions, he did try to convince Squidward to leave, so he wouldn't have to resort to murdering him.

A hideous and demonic version of Mr. Krabs that appeared for one second in the episode "Jellyfish Hunter", and now is seen frequently in videos on the internet is called Moar Krabs.

Eugene Harold Krabs was born on November 30, 1942, being born with the blood of a pirate to Victor and Betsy Krabs and grew up from humble beginnings. He was bullied, mistreated and ostracised at school for being poor and ironically his only friend was Sheldon J. Plankton, who is to be his arch-nemesis. At some point during his youth he was sent to live with his grandfather, Redbeard the pirate, who mostly taught and raised him. During his preteen years, he took over the family ship, the Krusty Krab. However, he realized he was not making a profit, so he decided to run away with his grandfather's last words haunting him, "A pirate never lies". He then joined the Pacific Navy. Krabs earned the nickname Armor Abs Krabs, and the title of being the manliest of the crew. His shipmates were Torpedo Belly, Mutton Chop, Iron Eye, and Lockjaw Jones. Krabs's manhood began after the war, where he was secluded in the deep depression that seemed endless. His luck changed when he bought a local bankrupt retirement home, "The Rusty Krab", which he decided to turn into a restaurant, adding a K to "Rusty", thus making it the Krusty Krab after his pirate ship. He decided to go into business, selling his family's Krabby Patty burgers. The Krusty Krab was extremely successful from the beginning, and has for years stood as Bikini Bottom's premiere daytime eatery. Said success resulted in Krabs becoming greedier over time.

At some point of his life, he was the head chef of the S.S. Diarrhea and cleaned the bathrooms on the S.S. Gourmet. Krabs's arch business rival is his one-time friend Plankton, who owns a restaurant called the Chum Bucket literally right across the street from the Krusty Krab. Plankton, a mad scientist and a technological and scientific genius, constantly attempts to steal the Krabby Patty Secret Formula, frequently using his various robots and other creations. This, along with bitterness that stems from their former friendship, resulted in them competing with each other for several decades.

Occasionally, Plankton uses other tactics besides stealing the formula in order to hinder Krabs and attract customers to him. However, all of Plankton's schemes are doomed to fail, and are constantly thwarted by Krabs, with help from SpongeBob, Patrick, and other allies with some being undone by Plankton's shortcomings. On multiple occasions, Plankton states that he has never had a single customer (however, in some recent episodes, such as "Chum Caverns", Plankton's plots do give him brief success).

In The SpongeBob SquarePants Movie, Mr. Krabs opens The Krusty Krab 2, right next door to the original Krusty Krab. He chooses Squidward to manage the restaurant despite his poor treatment of customers, much to SpongeBob's dismay. However, at the end of the movie, (after SpongeBob saves Bikini Bottom and Krabs's life), he is appointed new manager of the Krusty Krab 2. In "Squilliam Returns", Krabs works as the chef in Squidward's fancy new version of the Krusty Krab, but is apparently a terrible cook, creating a disgusting and freakish "appetizer", which eventually comes to life and begins attacking the restaurant's patrons. Even though he weighs 5 ounces, in one of the episodes he says he only put on a couple of pounds.

Before he established the restaurant, he tried to open a business along with his former best friend, Plankton. Their first customer was Old Man Jenkins, which their burger poisoned. Plankton and Krabs blamed each other and fought over the recipe, resulting with ingredients dropped into the meat, which became the Krabby Patty. At the end, Plankton only got one ingredient: Chum.

Krabs was a Navy cadet for some time and retired to running a business again. He bought a retirement home named the Rusty Krab and made it a restaurant. Currently, he has two employees: one loyal and hardworking and the other who does not care about his job and sleeps during his shifts. Occasionally, he would have extra employees to boost his success often being better without them in the end because they either aren't as loyal as SpongeBob, or even lazier than Squidward. Less often, he works for someone else or had another business. Sometimes, he leaves either SpongeBob or Squidward in-charge when he isn't around.

In some episodes such as "Culture Shock" and "Squirrel Jokes", he provided entertainment to the customers. Other businesses that he owned include the Pretty Patties restaurant and the Kuddly Krab, which were not successful in the end. In The Krabby Kronicle, he was the editor-in-chief of the newspaper that he used to advertise the Krusty Krab. However, him forcing SpongeBob to write lies about the citizens of meant forced him to stop publishing them. During Squilliam Returns, he served as the chef for the "five star restaurant" that Squidward "owned" with him letting Squidward use his restaurant as he hated Squilliam almost as much. He looked for a job when he was looking for something to do which led him to become the dishwasher in "Selling Out".

Some restaurants or businesses that he owned were a reformed version of the original Krusty Krab, a separate store, or a different idea. Some changes of the Krusty Krab turned the restaurant into others like the Kuddly Krab, 5 Star Krusty Krab, Krabby O'Monday's and The Krusty Sponge. Separate restaurants include the Pretty Patties Store and Krusty Krab 2. New ideas were made such as hotels like Krusty Towers Hotel.

## Villainous Acts

Mr. Krabs had an extremely prevalent villainous acts and plays a recurring villainous role due to his greed mostly because he's the villain side in conning and criminality as well as committing illegal misdemeanors and felonies at occasions. When it comes to his business rival, Plankton, their rivalry corrupted Mr. Krabs to the point where he takes pure joy in Plankton's suffering and refuses to let him have any form of happiness or even a single customer. He goes as far as being the aggressor without Plankton even plotting to steal the formula. He even breaks boundaries Plankton doesn't.

Mr. Krabs often couldn't care less about his employees, treating them as if he owned them. He breaks several worker's rights laws as if they are nonexistent to him, leading to even free labor at times. He'll bill his employees instead of giving them their paychecks ("Squid on Strike" and "Big Pink Loser"), have them replaced when they go on strike ("Squid on Strike"), pay them with fake money ("One Coarse Meal"), make them work 24 hours a day for over a month ("Graveyard Shift" and "Fear of a Krabby Patty"), hunt them down to drag them into work early, put them in bad working conditions ("Fear of a Krabby Patty"), claim their prize money as his own ("Lame and Fortune" and almost in "Krusty Krushers"), steal their tips ("Krusty Krab Talent Show"), force them into labor even outside of work ("Sanitation Insanity"), and force them to do his sentences while he relaxes and later takes credit ("Sanitation Insanity"). He especially abuses SpongeBob's kindness, loyalty, and obliviousness, which almost always succeeds.

His cheap nature also makes him put a price on everything if it means he'll make at least one penny. This includes ridiculous things such as napkins ("Imitation Krabs") and using the bathroom ("SpongeBob You're Fired"). He even makes his employees pay extra for his various scams, such as when he pretended to be an automatic voice message just to make SpongeBob put another coin in the phone booth ("Spongicus"). One of his most cheap actions was when he made his customers pay a dollar for every step they took ("Kracked Krabs").

His lust for money even forces himself to actually steal money. An obvious example being when he used Gary to steal coins from civilians ("The Cent of Money"). He'll even steal the property of others so he won't have to spend any money ("Life of Crime," "Growth Spout," and "Hello Bikini Bottom!"). He'll also steal for his own profit ("The Smoking Peanut" and "The Krabby Patty That Ate Bikini Bottom").

SEASON 1

Help Wanted: He and Squidward get rid of SpongeBob by tricking him into buying hydrodynamic spatula from Barg'N-Mart, but he actually buy it for real and saved both from the anchovies. After that, he rewarded SpongeBob by hired him as a fry cook.

Pizza Delivery: He antagonized Squidward by making him deliver the Krusty Krab Pizza with SpongeBob. This is also a labor law violation because it was closing time before the pizza order even began. Furthermore, he likely made them continue working right afterwards despite the delivery taking all night.

Pickles: It is revealed that the Krusty Krab has a refund policy, but Mr. Krabs had it written very small on the sign that it was almost impossible to see. Despite losing $2 from the refund, he takes it out of SpongeBob's paycheck.

Squeaky Boots: He took SpongeBob's boots away from him, because of the squeaky noise. The squeaky noise hallucination forced him to tell the truth (similar to the Narrator of "The Tell-Tale Heart"), and he did so. He then went insane and started eating the boots to make sure all the squeaking noise doesn't come back to annoy him. At the end of the episode, he got the hiccups sounding exactly like the squeaky noise of the boots, much to his dismay.

Culture Shock: He charged his customers to throw food at Squidward.

Karate Choppers: He threatened to fire SpongeBob to if he won't stop doing karate (even out of worktime) after he strikes one of the customers thinking he was a disguised Sandy. When he saw SpongeBob get attacked by Sandy (in that moment SpongeBob wasn't doing anything and it was clearly visible) he fires SpongeBob, causing him to cry. He rehired him only after Sandy explained to him that SpongeBob tried to tell her, but she would not listen.

Arrgh!: This is the first episode where Krabs is entirely the main antagonist of an episode. His first notorious deed was he hired Patrick just so he can fire him. Then, he kept harassing SpongeBob and intruded his pineapple house just to keep playing their treasure hunt board game, as SpongeBob is exhausted and wants to go to sleep. During that time, when Fred the fish comes in to the Krusty Krab for a Krabby Patty, Mr. Krabs literally throws him out. The next morning, Mr. Krabs gets SpongeBob and Patrick to be pirates and help him find the Flying Dutchman's treasure. He becomes a tyrannical control freak towards the two, condemning them that they're tired and hungry from the treasure hunt, then makes them sleep on the cold ground while he himself gets a warm tent. The two eventually see that Mr. Krabs was using their gameboard as a map. When they find the treasure, Krabs refuses to share it. SpongeBob and Patrick get fed up with Krabs' greed and fight over the treasure chest, then when the Flying Dutchman gets angry at how loud their arguing is and that they dug up his treasure, Krabs immediately incriminates SpongeBob and Patrick. In a twist of irony, the Dutchman rewards the latter two with actual gold doubloons and only gives plastic to Krabs.

Hooky: He reveals that no one at the Krusty Krab has taken a break "Since the chum famine of 59", and he gets mad at SpongeBob for taking a break. This is illegal, as all employees are entitled to a break. Mr. Krabs and Squidward humiliate SpongeBob in front of Pearl and her friends by "Hooking" his pants and making him take off his underwear. This was to get him to never play on the hooks again.

Neptune's Spatula: After telling SpongeBob he has full confidence that SpongeBob will win the fry cook challenge, Mr. Krabs bets all his money on Neptune winning. However, SpongeBob was declared the winner and Mr. Krabs started crying. SpongeBob, thinking Krabs is crying since the former is being forced by Neptune to move to Atlantis to be a fry cook, tries to assure Krabs he'l miss him too, but instead, Mr. Krabs is crying about losing all the money he bet on King Neptune.

Season 2

Big Pink Loser: Despite Mr. Krabs' nonexistent appearance in this episode, he hires Patrick so he can pay him $50 an hour to work at the Krusty Krab. It is also revealed that SpongeBob had to pay Mr. Krabs $100 an hour when he started working. These actions are obviously illegal and have no given reason besides making more self-profit.

Bubble Buddy: Makes Squidward cater to Bubble Buddy, threatening to make his life miserable otherwise. Later he joins

Squidward and everyone else in popping Bubble Buddy because SpongeBob had paid Krabs in (worthless) bubble-money for expensive services and food until they found out he was alive.

Patty Hype: Despite he and Squidward makes fun of SpongeBob's pretty patty ideas, he later takes over SpongeBob's Pretty Patties stand so he can earn money to take advantage of its financial success (even though he and Squidward ridiculed SpongeBob earlier about his idea of pretty patties). However, the Pretty Patties turned out to have side effects that angered the customers. After pointing out the Patties added unnatural color to their appearances and demanding refunds, Mr. Krabs then ran away screaming in fear (because he's worried he'll lose his money, not because the crowd is angry at him). The angry mob of color-mutated fish may have caught up on Mr. Krabs and physically beat him up.

Life of Crime: Steals various objects from people and lies to SpongeBob and Patrick about borrowing. The lesson he taught them caused them to fight after a candy bar incident and the lollipop incident (Patrick also accused the policemen).

The Smoking Peanut: Mr. Krabs steals Clamu's pearl and abuses Free Day. SpongeBob believed he was the one who did it, but it was Patrick who became the scapegoat and people threw peanuts at him as revenge. The zookeeper explains Mr. Krabs angered Clamu by stealing her egg (containing a baby clam). Mr. Krabs doesn't apologize, only making up the excuse "But it's Free Day!" and the fish all throw peanuts at him. Off-screen, Mr. Krabs presumably was arrested by the police for petty theft.

Graveyard Shift: Made his employees work 24 hours without a break or hiring extra employees for the night shift (much to Squidward's dismay).

Sailor Mouth: He used foul language along with SpongeBob and Patrick after explaining to them about swearing and was about to punish them by making them paint the restaurant. However, this only began when he stubbed his foot and lost his temper from the pain. He also stole a coin from his mom's pocket when she fainted.

Jellyfish Hunter: Tricks SpongeBob into collecting jellyfish.

SpongeBob soon discovers that Mr. Krabs is squeezing jelly out of them so more Jelly Krabby Patties can be made (this even kills off lots of jellyfish up to where the factory resorted to using barrels to store their dead bodies). Unfortunately, the jellyfish became an endangered species because of Mr. Krabs. The jellyfish are set free and sting Mr. Krabs all at once, burning and electrocuting his body. He has no choice but to take jelly off the menu. This is the episode where Moar Krabs meme begins.

Krusty Love: He puts SpongeBob in charge of his money on his date with Mrs. Puff so that he does not end up spending it all, yet demands SpongeBob to buy several increasingly unnecessary items for her before they even leave her house to go to the park, and still getting mad at SpongeBob just for doing what he was told. Eventually, SpongeBob loses his temper and gives Mr. Krabs a verbal scolding before walking off in a huff.

The Fry Cook Games: He and Plankton turn SpongeBob and Patrick against each other by making them compete in the Frycook games and even make them fight each other.

Squid on Strike: He refuses to pay his employees and instead makes them pay him for reasons as ridiculous as breathing and existing. Forcefully charges his employees for their "slacking", even though the stuff they did on the slacking list were needed to do their jobs (such as existing, talking, standing) and fired both of them. After SpongeBob destroyed the Krusty Krab in revenge, Mr. Krabs forces him and Squidward to pay for the damages by working for him "FOREVER". The next scene cuts to SpongeBob and Squidward still working even after they've been reduced to skeletons.

Sandy, SpongeBob, and the Worm: When Sandy said she would catch the worm if they're willing to pay, Mr. Krabs freaks out and says he would rather have the worm eat everyone alive than to get a cent out of him.

Season 3

The Algae's Always Greener: After Plankton and Mr. Krabs switch lives, Mr. Krabs who is stark naked follows Plankton's motive to steal the secret formula.

My Pretty Seahorse: Mr. Krabs tried to get rid of Mystery (in which SpongeBob tries to hide her from him and Squidward). He told SpongeBob about a story about losing a friend (actually a dollar he spent on soda) which inspired SpongeBob to release Mystery into the wild. It should be noted that Mr. Krabs wished for Mystery to be given up as he noticed she was not enjoying her unnatural surroundings and did console SpongeBob when he tearfully gave up Mystery stating he had done the right thing for her. After Mystery does gallop away, Mr. Krabs tries to comfort SpongeBob who is lamenting her (as Krabs is in a good mood about having gotten rid of Mystery), Squidward teases that Mystery managed to eat the Krusty Krabs's cash reserves and therefore Krabs yells at SpongeBob to quickly get her back. The audience can imply that SpongeBob and Mr. Krabs never found Mystery since she didn't make another appearance and so Mr. Krabs never recovered the money she ate.

Nasty Patty: Forces SpongeBob to help him make a Nasty Patty by threatening to fire him, because he thought the health inspector in his restaurant was a phony. He along with SpongeBob try to get rid of the "body" which was still alive, getting the health inspector injured more and more.

The Sponge Who Could Fly (Lost Episode): Mr. Krabs along with everyone else in Bikini Bottom took advantage of SpongeBob and his flying pants by making him do their favors.

One Krabs's Trash: Mr. Krabs tries to take back a soda-drinking hat he sold to SpongeBob after hearing about its price. He scares SpongeBob out of it with a paper ghost and defiles a grave to get it back, only to find out it was worthless. He also kills an army of skeloton people who just wanted the hat back.

As Seen on TV: When he sees that the Krusty Krab commercial Squidward set up looks expensive (despite it all being necessary), Mr. Krabs scolds Squidward and angrily fires all the crew members except a clown (who ends up leaving anyway). Despite Squidward's chagrin, He decides to make the commercial using "the cheapest crew in the world" (himself, Squidward, Pearl, and SpongeBob (who has a small background role)), which turns out to be terrible and at a time that no one (except SpongeBob (because of his loyalty)) is awake to watch it.

Can You Spare A Dime?: He is the overarching antagonist of the episode as he accuses Squidward for stealing his first dime, until SpongeBob shakes him. He then accuses Squidward for putting the dime in his pants at the end of the episode.

Wet Painters: Asks SpongeBob and Patrick to paint the walls of his house and messes with them by scaring them into thinking the paint they were using was permanent and tells them if any paint got onto anything but wall, he would chop their butts off. After they get some on his first dollar, he licks it off and confesses his lie and that it comes off with saliva and laughs while the two walk out angrily. He ruins SpongeBob and Patrick's work by laughing about his own joke, causing saliva to hit the walls. It was noted that his first dollar came from his childhood.

Clams: After he got his million dollar, he cheaply invited SpongeBob and Squidward to go clam fishing with him, much to Squidward's dismay. As Squidward was injured, Mr. Krabs couldn't care about that. However, he lost his million dollar and refuse to accept his loss. Because Squidward reluctantly promises to help him get the dollar back, Mr. Krabs told both that they cannot leave until they got him his dollar back. After waiting for a clam to come for days, Squidward initially tricked Mr. Krabs into thinking that they got a million dollar, but Mr. Krabs guesses it. Because of this, he throws away the food, made SpongeBob and Squidward stay in the fishing boat, and holds them hostage to get back his millionth dollar from a giant clam. It gets worse when he refuses to take another dollar Squidward had (he uses them as a bait to lure a clam). He gets his dollar back after trading his body with the clam. It also was first time when Mr. Krabs nearly crossed Moral Event Horizon.

Mid-Life Crustacean: Mr. Krabs goes through a mid-life crisis and does several activities with SpongeBob and Patrick to feel young again. After doing several activities, SpongeBob and Patrick asks him "are you feeling it now, Mr Krabs?" Feeling embarrassed, he then says "I'm feeling like a total barnacle-head!" And throws the kids off him. After insulting SpongeBob and Patrick, Patrick convinces him to do "The Panty Raid." He then breaks into an unsuspecting victim's house to steal their underwear which he finds out to be his mother, which makes her ground him for the rest of the night.

Born Again Krabs: Tries to sell a rotten Krabby Patty to customers. He gets sick after eating it and is persuaded to be generous by the Flying Dutchman. However, after realizing it wasn't a dream, he steals back toys from children, soda from a customer, stopped another customer from watching free TV, nearly rips someone's arm off for a penny, and trades SpongeBob's soul for 62 cents. Squidward was the one who was horrified that Mr. Krabs would sell SpongeBob's soul, especially when SpongeBob defended Krabs. Luckily, Krabs regretted selling out SpongeBob and disavowed the 62 cents.

Krabby Land: Creates a bogus theme park and masquerades as a clown so he can collect children's money. This brings SpongeBob to tears, and the children beat Mr. Krabs up and take his money after finding out he didn't care one bit about them, only their money. As punishment for his scam, Mr. Krabs gets forced to eat a truckload of lima beans.

Pranks a Lot: Shows SpongeBob and Patrick naked to people in the Krusty Krab. This was to teach him a lesson to never scare people again.

The SpongeBob SquarePants Movie

In the first feature-length movie based on SpongeBob SquarePants, he cons out Mrs. Puff to pay nine dollars for the press conference of the Krusty Krab 2's grand opening, and had Sandy pay an additional dollar for the fact that she is a land creature, making it a rip-off. Despite SpongeBob being a great and most loyal fry cook from day one, he gives the job of manager to Squidward since SpongeBob is "just a kid" (despite it being confirmed that he's an adult) and Squidward is "more mature" than him (even though SpongeBob is his most loyal employee and loves his job unlike Squidward who is shown to be a lazy employee and clearly hates his job) leads to SpongeBob going into developing depression. The next day, after assuming that King Neptune is coming to the Krusty Krab 2 to eat, he changes the cost of a Krabby Patty with cheese from $1 to $101 in an attempt to get more money off of him. His karma is when King Neptune claims that he is only here to retrieve his crown (which

Plankton stole and framed Mr. Krabs for) and threatens to kill him once learning that the crown was in the forbidden Shell City. Later, he finally receives the karma he deserves for the many years of mistreating his rival when Plankton finally steals the secret formula and starts selling Krabby Patties at the Chum Bucket. Mr. Krabs was forced to watch this while being unable to stop him since he was frozen in place by King Neptune.

Season 4

Fear of a Krabby Patty: Plankton makes Mr. Krabs open Krusty Krab for 24 hours after seeing that Plankton opens the Chum Bucket for 23 hours, but he's unaware that it is part of Plankton's plan, making Squidward upset, and SpongeBob fearing Krabby Patties (although he conquered his fear by sleep). He then works SpongeBob, Squidward, and even himself to near death for 43 restless days straight, not letting any of them even go home and didn't cared if they lacked any sleep because of this. In the end, he decides that 23 hours a day is enough. This is the second time he kept the restaurant open for 24 hours; the first time was in Graveyard Shift. However, unlike in aforementioned episode, he stays at the Krusty Krab with his employees, thus suffering from the same lack of sleep that they do.

The Lost Mattress: When Squidward tells Mr. Krabs he threw away his old mattress, Mr Krabs attacks Squidward and antagonizes him because all his money was in the mattress, which Squidward didn't know.

Krabs vs. Plankton: Mr. Krabs was being negligent by not putting a wet floor sign on the ground, which has the possibility of injury. Being that he is the owner of the Krusty Krab he has a duty of care, but failed to meet with this standard of care. Squidward reveals he hasn't had a day off in over 3 years, which is illegal, as all employees have to have days off throughout the year.

Have You Seen This Snail?: Neglects SpongeBob's depressed state and doesn't even bother to understand him and ask him what's his problem, only to focus on the amount of his tears being dropped onto the patties that the customers are asking for refunds, informing him that working more should help as an attempt to increase self-profit. As karma for his insensitive nature and his petty greed, SpongeBob leaves his job until further notice to work harder to find Gary, much to Mr. Krabs' shock at the realization.

Skill Crane: Took advantage of Squidward's obsession over the new crane machine to pay him in quarters only, just as he was in the middle of being broke. Mr. Krabs may have later encouraged him to keep going, but only because Squidward was making him rich and even decided to keep the deed to Squidward's house after he found it in the mass of quarters he took out of the machine.

Selling Out: He kills a bird with a book while he sings his "Feeling Of Greed" song.

Krusty Towers: Plagiarises the motto of the hotel he visited into the Krusty Towers making Squidward miserable. Squidward quit and returned as a customer ragging Mr. Krabs the same way he did with him. At the end of the episode, he decides to build a hospital and force his employees to become doctors making Squidward miserable again.

Whale of a Birthday: It was revealed that Pearl's social life became crippled overtime as her birthday parties also go in ruins due to Mr. Krabs' cheap nature. He also originally planned to give Pearl nothing despite being oblivious of her daughter's 16th birthday and her age. Choosing his cheap nature over his daughter's wishes, he changes just about everything on her list to make them "even better," such as hanging a banner that said "It's a Boy!", serving stale popcorn instead of fresh popcorn, serving dishwater instead of punch, having a statue made of Krabby Patty meat by Squidward instead of ice by a professional, using cardboard instead of an actual cake (although it still had frosting), and having Squidward perform instead of Boys Who Cry. Because of this, Pearl's 16th birthday was at first, horrible, causing her to run out crying, but she manages to get a lot of presents, including a boat and Boys Who Cry, bought by SpongeBob through Mr. Krabs' credit card, which was most likely maxed out. Mr. Krabs was originally gonna scold SpongeBob for it, but the fry cook lucked out when Pearl praised her father, despite not learning anything from his cheap nature.

Wishing You Well: Plans a wishing well scheme to increase self-profit. During that, he put SpongeBob in there so he can get the coins, saying he'll see him in 8 hours, not even promising he'll let him out. Later that night, after getting some coins in his well, as expected, he wouldn't let SpongeBob and Patrick leave just so he can get more coins from any late-night wishers. He also didn't bother planning on paying Patrick for staying in the well. Near the end of the episode, he told SpongeBob that there is no such thing as magic (even though SpongeBob and Patrick struck magic down the well) and regardless of seeing Sandy, Mrs. Puff, and Plankton's wishes coming true, he still didn't believe him. To prove SpongeBob wrong, Mr. Krabs wished he was served as a meal, but in the end, ends up playing himself when he ends up on a plate as a man prepare to eat him. Before being eaten, Mr. Krabs cried that he now believes in magic in hopes of it getting reversed, thus karma strikes again.

New Leaf: When Plankton surrenders and tells Krabs he's done competing with him, he decides to open a souvenir shop and quit the food business. Mr Krabs does not believe this, and he confronts Plankton and goes on a rage. He destroys his new gift shop and smashes all of his Nic Nacks. Although this was an elaborate scheme to get the Krabby Patty formula, Plankton never revealed it until the end of the episode. In the end, he gave Plankton a fake secret formula and then taunted at him for this.

Once Bitten: He and the Bikini Bottomites attempt to kill Gary for "infecting" everyone despite SpongeBob's desperate pleas.

Bummer Vacation: Keeps SpongeBob away from the Krusty Krab to avoid paying a fine to the Fry Cook labor union, eventually leaving him lost in the forest. Doing so, he managed to save five cents - more than what SpongeBob makes in a year.

Rule of Dumb: When SpongeBob and Patrick comes to the Krusty Krab, he thought that Patrick was the king and offered him to eat in the Krusty Krab in hopes of getting a lot of money. After hearing all free, he then proceed to kicks both out of the restaurant.

Born To Be Wild: Invites the Mild Ones to the Krusty Krab much to SpongeBob's chagrin. Counts as an antagonism because SpongeBob still mistook the Mild Ones as the Wild Ones.

Season 5

Le Big Switch: He sells Squidward when he goes bankrupt.

The Original Fry Cook: During a flashback of Jim's relationship with Mr. Krabs at his former job at the Krusty Krab, he constantly tries to change the subject when Jim was generously asking him for a raise on his paycheck at the end of every week, much to reveal how cheap he really is at nature. When Jim is finally able to demand a raise, Mr. Krabs mockingly laughs as if he just heard a hilarious joke, causing him to quit. Despite not learning anything from it, he manipulates SpongeBob into making him think that his cheap nature is what benefits everything, only for financial gain, still finding Jim's "joke" hilarious to date.

Krabs à la Mode: Refuses to have the thermostat changed from 62° to save money. He even enforces this rule when it is obvious there are icicles on the ceiling and the floor is ice. This shows that he is too stupid and oblivious to the fact that the temperature was not 62° and was more concerned about saving money. After Plankton revealed to him that the temperature was -15°, it is unknown if he felt guilty for not believing Squidward. His karma for being too stubborn was being frozen by Plankton several times. At the end of the episode, he is seen drinking Plankton from a glass of lemonade.

Money Talks: Does not listen to his money when they want to be spent on objects. He also kicks an elderly couple out of their seat after being bribed by a fish who wanted the seat. This episode also shows that he has sold his soul to many demons, depressing the Flying Dutchman. He also sold his soul to SpongeBob because he was five cents short on payday.

The Krusty Sponge: Mr. Krabs makes Squidward cook spongey patties (rotten patties), thus poisoning the customers and bringing himself to court. He made Squidward ride the judge around on a train to pay.

The Krusty Plate: Instructs SpongeBob to clean up a plate and to not leave work without doing so, yet angrily chases after SpongeBob at the end despite all of the best attempts he did to complete his task. In which case his neglect by leaving him alone essentially makes him responsible for the Krusty Krab's accidental damage to begin with.

The Two Faces of Squidward: In an attempt to bring the customers back, Mr. Krabs repeatedly slams the door into Squidward's face, to no avail.

Stanley S. SquarePants: Blames SpongeBob for the damaged things his cousin Stanley broke. SpongeBob may have taken the blame for Stanley at first, but then he started to accuse SpongeBob without question. He also admitted that he denied his own nephews a job at the restaurant and sent them off. Near the end of the episode, he blames SpongeBob for his spatula's destruction, but it is unknown if he felt bad after SpongeBob explained the truth to him. At the end of the episode, he hands Stanley over to Plankton so he can destroy the Chum Bucket even though Plankton didn't try to steal the secret formula in the episode.

The Slumber Party: He was being cheap to his daughter Pearl by giving her crackers with ketchup instead of Pizza, and tries to ruin her slumber party by making up all these ridiculous rules like no laughing, eating snacks, chewing gum etc… Which gets him kicked out of his house, causing him to stay at SpongeBob's house. He vandalizes SpongeBob's house and forces SpongeBob spy on Pearl and her friends against his will. After Pearl's party is ruined, Mr. Krabs' forced to spend his money for a new party at Goo Lagoon as his punishment for not trusting Pearl.

No Nose Knows: Mr. Krabs, along with Squidward and Sandy, planned on hurting Patrick and kick him out of town when his new nose causes him to attempt to get rid of every bad smell. But they were immediately stopped by SpongeBob who reminds them that it wasn't Patrick's fault and that they should simply get rid of his nose.

Porous Pockets: He takes advantage of SpongeBob giving out his newly earned fortune to strangers. He also prevents Patrick from going to SpongeBob, believing him to be an obstacle. He asks for more money from SpongeBob, but after SpongeBob realizes all his money is gone, Mr. Krabs rudely reminds SpongeBob to not be late for work tomorrow instead of consoling him for losing all his money.

Krusty Krushers: Puts SpongeBob and Patrick in danger of being killed by huge wrestlers so he can earn the $1,000,000 prize. However, at the end of the fight, SpongeBob and Patrick choose wrestle camp instead, much to Mr. Krabs's dismay.

No Hat for Pat: Made a fortune when Patrick kept falling on his face, disappointing SpongeBob. Eventually, he made Patrick fall into a bucket of spiny sea urchins and while Squidward was falling, he charged the customers more money to watch them both get hurt. SpongeBob tried to stop him, but he wouldn't listen. People took their money back, because only Squidward was hurt and not Patrick. He then realizes it was his hat making him fall. Refusing to accept loss, he made Patrick cry by firing him and taking his Krusty Krab hat away.

Season 7

Chum Caverns: Invades Plankton's caverns to steal his customers. When Plankton claims what Mr. Krabs is doing is unethical, Mr. Krabs instantly calls all building right under his restaurant without any legal action. He scares Plankton into being too scared to eat dinner, having nightmares, and even trying to commit suicide. It was shown he was cruelly enjoying, even laughing at Plankton's anguish and responded gleefully and uncaring when informed Plankton was trying to kill himself. When Plankton discovered that he's the culprit, he punishes Mr. Krabs by inviting mime to terrifying him. In the end, it is unknown if he finally learned his lesson. It was Mr. Krabs' at least the most evil moment in the entire franchise.

A Pal for Gary: He sees SpongeBob bringing his pet snail to work as a way to use Gary for free labor as he hands him a spatula.

Yours, Mine and Mine: He stole a Krabby Patty from a customer (who most likely already paid for it) to turn it into a toy. He also charged a dollar extra for a smaller patty (which is paying more for less). Also, he charges $13.50 for a toy.

The Wreck of the Mauna Loa: Mr. Krabs gives away SpongeBob and Patrick's secret hideout by turning it into an amusement park ride. Most of the people had a severe accident due to the ride being terrible and unsafe and Mr. Krabs was arrested.

Buried in Time: Mr. Krabs accidentally bury SpongeBob, Patrick and Squidward who still in the time capsule. Although in his defense, he probably did not know they were in the time capsule.

Model Sponge: he banish SpongeBob from Krusty Krab since he thought that krabs said he was going to let the little one go. This is false as he let his pet go.

Season 8

Accidents Will Happen: Mentioned that he stole the surveillance camera from airport and installed it in the storage room.

The Googly Artiste: Adds Artistic Advice on the menu for $25 after Squidward said it wasn't on the menu, and forces him to give advice to Patrick. Then while Mr. Krabs was scolding Patrick and SpongeBob for taking his customers from him and selling merchandise made from his own, which was illegal, Patrick explained to Mr. Krabs that he was trying to follow Squidward's "advice", making Mr. Krabs blame Squidward for being responsible for his actions. Then Mr. Krabs agrees to let Patrick sell his art, but only he gets payed, and gets Squidward to be his student.

Sponge-Cano!: He nearly tried to take SpongeBob and Squidward's life essences (kill them).

The Masterpiece: He attempts to plagiarize the Sea Chicken Shack to get his customers back. He has Squidward make a statue, but disapproves of the finished masterpiece and calls it a weapon, a doohickey, and a piece of junk. He is later painted gold and has the kids play on him. Squidward stills seems to be mad at him about his disapproval of his art.

Drive Thru: Smashes a hole in the wall for a drive thru window instead of having someone install one properly. Even though SpongeBob bought a microphone and a menu board, Mr. Krabs uses old napkins as a menu board and tin cans as a microphone instead of using the items SpongeBob bought (despite that using the drive through items wouldn't cost Krabs any money at all since they're already paid for). He also forces SpongeBob and Squidward to work extra hard instead of hiring more employees to work for both drive-thrus. When SpongeBob and Squidward tell him that the customers are starting to riot, Mr. Krabs does not believe them until the Krusty Krab sign crashes through the window. Mr. Krabs then smashes more walls in the Krusty Krab, believing that he will make more money if there are more drive thrus.

Frozen Face-Off: Mr Krabs abandons his team to try to win the sled race by himself with plans of keeping the million dollar prize all to himself without sharing any of it. He also tells the monster to eat Squidward.

Walking the Plankton: He wins two tickets to a cruise, which he first attempted to go by himself. When SpongeBob pointed out that it was two tickets, he decided to only let someone else join him if they agreed to be his unpaid man servant (with SpongeBob agreeing to do so). When he started selling Krabby Patties on the cruise (which he would most likely need a permit for), he tried to scam what he assumed was a rich man into paying $100 on a Krabby Patty. Once he realized it was Plankton however, he had SpongeBob take it back from him without giving him a refund.

Mr. Krabs Takes a Vacation: He heads off to go on "vacation" with Pearl and SpongeBob. Once on the road, he purposefully leaves Bikini Bottom and drives by several vacation spots to get Pearl's hopes up, eventually returning to Bikini Bottom and stopping at their true destination, the Bikini Bottom Mint. It can also be said that he lied about it being an actual vacation since it was obviously just a tour experience he didn't have to pay for. Once there, it is obvious that Mr. Krabs had the intention of keeping some of the money made there as he heads onto a conveyer belt. When he redeems himself for his actions throughout the tour by stopping actual robbers, he and SpongeBob are both rewarded dollars with their faces on them. However, Mr. Krabs decides to steal SpongeBob's reward as payment for tagging along on his vacation, only for Pearl to steal both dollars from him as payment for bringing her on a terrible vacation and immediately spent them on shoes right in front of her dad as if they were just regular dollar bills. This karma causes Mr. Krabs to start crying, which destroys the Mint.

Barnacle Face: Decides not to help Pearl with her barnacle problem. It was soon revealed that he used krabby patty grease to make the soap used by Pearl, thus revealing the cause for the barnacle problem. He loses his diamonds because of this and tries to run after Pearl for his diamonds.

The Krabby Patty That Ate Bikini Bottom: Steals growth serum from Sandy's house so he could test it on a Krabby patty to increase the success in his business. This results in a monstrous krabby patty creature wreaking havoc.

Karen 2.0: He charges his customers to watch Karen and Karen 2.0 fight, and at the end of the episode he makes Squidward wear Karen 2.0's screen like a mask while taking orders, much to Squidward's dismay.

Fiasco!: After his employees are falsely arrested by the police, he only bails out SpongeBob and Patrick, leaving Squidward in jail. It is also obvious why he refused to bail out Plankton, implied that he still hated him.

Free Samples: After Plankton tricks the town into hating Krabby Patties, Mr. Krabs tells SpongeBob that they have to do everything in their power to bring them back, with his idea being tripling the prices. He is then convinced by SpongeBob that they should lower the prices instead, which he only does by one cent, even having a disappointed mood about it. It could also be said that he kept all the money SpongeBob made after getting the customers back.

InSPONGEiac: Snaps at SpongeBob and being picky at his work, like too much mustard (101%) and saying the way that he filps krabby patties is wrong and kicks him out to get some sleep for he believes he's wasting his profits, claiming that he'd be broke in 411 years. Then after seeing SpongeBob crying out the right amount of mustard, he starts saying it's a terrible thing just to make him cry more.

Chum Fricasee: Tells Squidward that he doesn't value him at all, causing Squidward to get a new job at the Chum Bucket for his cheap nature for a doormat and his years of treating Squidward as if he owns him, and then becomes famous for his grandmother's recipe. Mr. Krabs gets karma from his actions as this nearly causes the Krusty Krab to go out of business. His mistreatment of his employees catches up to him, as Squidward humiliates him as revenge for the years of abuse.

Hello Bikini Bottom: When Colonel Carper promotes SpongeBob and Squidward to become a band, Mr. Krabs steals this band for the money they would bring in. He also steals his sound equipment (since his equipment was sabotaged) and takes things from several other people. Basically, he denies Squidward and SpongeBob their happiness (Squidward from performing in concerts and SpongeBob from the Krusty Krab - since he sold it). He is later forced to giveaway the money he earned from these actions to a long line of angry people he wronged, including Mrs. Puff and Colonel Carper.

Restraining SpongeBob: He remove the star from Krusty Krew employee chart after SpongeBob showing his restraining order. He hires Patrick Star, much to Squidward's dismay.

Season 9

Patrick-Man: He was about to carry groceries for an old woman crossing the street (who is actually The Dirty Bubble in disguise), when he spots a dollar, and then it blows away making him chase after it leaving the old woman behind in the middle of the crosswalk trapped in the middle of cars passing by.

Squid Baby: Doesn't show sympathy for Squidward who was suffering from "head-go-boom-boom-itis."

Safe Deposit Krabs: Tried to take money from the Bikini Bottom Bank, but was kicked out twice. Then he got locked into the money safe becoming savage from hallucinations.

SpongeBob You're Fired: Fires SpongeBob because SpongeBob's salary is a nickel, which is much less than minimum wage. He later relents and rehires SpongeBob after his own horrendous cooking almost destroys his business (he solves the nickel problem by installing a pay toilet).

Tutor Sauce: His driving methods to SpongeBob were illegal. He mentions that he taught Pearl how to drive without her needing a license. After using Gary to stir the wheel to help SpongeBob, the police checks on them. Mr. Krabs tells the officer that he isn't a registered driving instructor to where instead of getting a ticket (or even having SpongeBob paying for it), he gets to be a student at Mrs. Puff's Boating School to his shock.

What's Eating Patrick?: Teaches Patrick how to eat in order to win the eating contest, even in means of depriving him from tasting the patties. During the contest, Patrick tries to leave because he was tired of not tasting, only for Krabs to tell him if he does, he bills him, stating that all the training patties become eating patties. While Krabs's threat to Patrick held some morality (such as how the boy and the rest of the town would be upset if they lost the contest yet again), his methods were still harsh to Patrick's esteem of eating.

The Sewers of Bikini Bottom: He, along with Crupski, showed no concern about the customers' safety at the stadium and cared less about the consequences when the plumbing system begins to go haywire.

Larry's Gym: After overhearing Larry about that the opening of the gym is free only for today, Mr. Krabs takes advantage of the opportunity and stays there thoroughly. He even taunts Larry several times (especially when he becomes unfit). However, at the end of the episode, Mr. Krabs becomes cooked from staying in the sauna in preserves from abusing the opportunity.

Lame and Fortune: After Squidward won money as an award for being the most miserable cashier thanks to a fortune cookie, Krabs took the money from Squidward abrasively stating "Me register, me money" (also considered stealing), making Squidward miserable again.

Bulletin Board: He intended on hitting a nice old lady after she refused to tell everyone about her satisfaction. But luckily, he was immediately stopped by SpongeBob.

Move It or Lose It: Both he and Plankton won't comply with the law of restaurants having to be more than 100ft of each other, when one of them only has to move a couple inches. This causes both of them to fight.

Mutiny on the Krusty: Acted like a tyrant and abused his power throughout the episode. He cared less about the rip current that's endangering everyone and the only thing he cared about was having his customers spend their money in his restaurant, mostly out of petty crankiness due to the fact that this was the day that he must pay his employees for their service. He even berated and belittled the customers and his workers after being called tyrant and claimed himself as the captain of the restaurant, much to everyone's disdain. He even acted like a spoiled child when he selfishly refused to save the customers from the monster. However, SpongeBob managed to get him to his senses when he almost spent his first dime on candy. At the end of the episode, he forced Squidward and the customers to push the Krusty Krab back to Bikini Bottom, despite performing a heroic act of saving them from a sea monster. He cancels payday for Squidward.

Safe Deposit Krabs: While on accident, he breaks into a safe and had plans of stealing the money, only to be prevented by his hallucinations from lack of oxygen.

Goodbye, Krabby Patty: He sells the Krusty Krab to sell frozen Krabby patties, and changed the secret formula to have the Krabby Patties being made of sand, which all Bikini Bottom residents ate, and completely changed The Krusty Krab. He shows a lot of greed as he did this to become rich. He also end his friendship between SpongeBob and Patrick. At the end of the episode, Patrick's truth make everyone depressed, which considered karma.

Season 10

Krusty Katering: Lied to a hi-class lady about being a hi-class caterer just so he can get her check, but he did cater for her party (which Patrick ruined in the end).

The Incredible Shrinking Sponge: After SpongeBob accidentally shrinks himself thanks to the grill overheating, Mr. Krabs mistakes him for Plankton. Before SpongeBob could say anything, he tosses his shrunken fry cook to the Chum Bucket. After SpongeBob is kicked back to the Krusty Krab and is mistaken for an action figure, it is only then that Mr. Krabs learns that it's SpongeBob. He decides to take advantage of his small size by only paying him one penny a year.

Lost and Found: Mr. Krabs has SpongeBob go to the Lost and Found to find a kid's teddy fish. Mr. Krabs points out that there's a ladder, making SpongeBob think there was already a ladder there and causing him to fall. A few seconds later, Mr. Krabs throws down the actual ladder, which both hurts SpongeBob and isn't tall enough for him to get out. With SpongeBob gone for so long, he throws Squidward into the Lost and Found so he could look for SpongeBob. Once there, Squidward learns that Mr. Krabs took Squidward's clarinets from his locker and put them in the Lost and Found. As time goes on, Mr. Krabs decides to abandon the mission, believing his employees to be forever lost as he closes the hatch. SpongeBob eventually escapes with the teddy fish, the lost children, and a juvenile tylosaurus. Squidward, however, is still trapped in the Lost and Found by the end of the episode, caught in a river and surrounded by prehistoric reptiles in the Lost World.

SpongeBob's Place: He becomes jealous of SpongeBob for getting all the customers' attention. He tries to get rid of him by lying about the restaurant being haunted with ghosts. He tries to cook the same way SpongeBob does, but this fails. He goes over the edge when he traps the customers by putting a river of lava around the restaurant. But this also fails when the customers stretched him into a bridge for them to cross, which resulted in him getting burned, which is considered karma.

Season 11

Spin the Bottle: He selfishly demands the bottle to use it for corruptive matters.

There's A Sponge In My Soup: He grabs some rotten food from the trash cans in order to make the Krabby Soup, which is against many health code violations.

Krabby Patty Creature Feature: When Sandy and Mr. Krabs create a new Krabby Patty, SpongeBob becomes worried and fears that the patty might be dangerous. SpongeBob attempted to talk Sandy and Mr. Krabs out of it, but they refused to listen to reason. Soon, SpongeBob's worst fears came true when she, Mr. Krabs, and the rest of Bikini Bottom were transformed into Krabby Patty zombies. Since she and Mr. Krabs made the patty, they didn't test to see if it was safe and were unaware of the patty's horrible side-effects. But having been turned into Krabby Patty monsters is considered punishment for failing to see the consequences of making something that could lead to dangerous results. After SpongeBob turned everyone back to normal with Plankton's chum, Sandy and Mr. Krabs both learned their lesson and decided to never sell the Secret Patty again.

Patrick's Coupon: When Patrick was going to buy an ice cream for SpongeBob, Mr Krabs tried to con Patrick out of the coupon. He almost succeeds in obtaining it from Patrick in exchange for a handshake but Squidward intervenes and reprimands Krabs for taking advantage of Patrick's naive and gullible nature.

Out of the Picture: After Mr. Krabs finds out that Squidward's art would be valuable if Squidward was "out of the picture," Mr. Krabs sends Squidward on various errands, hoping that he will never return. After nothing works, Mr. Krabs tries to kill Squidward with a mallet.

Sanitation Insanity: He cared less about the punishment he got from the trash inspectors and forces SpongeBob and Squidward to clean up the mess for him. When he sees them in a trash fight with Patrick, he blatantly lies that they are ruining his hard work, even though he did not clean up any trash. Soon, he gets involved with the trash fight. Luckily, the trash inspectors puts their fight to a stop and Mr. Krabs sadly accepts the punishment by helping SpongeBob, Patrick, and Squidward clean up the trash, even though Patrick is not seen with them.

Pat the Horse: He forced Patrick to carry a lot of kids on his back to make money. He even did the same thing with Squidward and bragged SpongeBob that his horse is better than Patrick. He and SpongeBob challenged to a race to see who gets to deliver the food to a customer at Black Devil Bay first. During the race, he cheated in hopes of winning even though Sandy told them not to, which means that Mr. Krabs doesn't want to play fair. He even impersonated an officer during the race which almost lead him to getting arrested by the police. He eventually wins the race, but gets the punishment he deserves when Patrick steals his arms and starts acting like a real crab.

Bottle Burglars: He stuffs both SpongeBob and Squidward in the safe of the Krabby Patty formula as his "new security system." This is yet another time he abuses his workers.

Shopping List: He gives SpongeBob a phony shopping list containing strange, exotic items and sends him and Sandy on a dangerous but pointless mission to retrieve them. When Plankton steals the fake ingredients, he revealed that he wanted SpongeBob to keep Plankton away from him just so he can go shopping for the real ingredients at the Barg'N-Mart. Which meant that he lied about the supposed apocalypse if SpongeBob loses the list. Sandy gets really mad at Mr. Krabs since his stupid little ruse almost got her and SpongeBob killed and it costed the loss of her tail and her submarine. Mr. Krabs gets the karma he deserves when Sandy beats him up in his office, takes his bag of money, and sends him flying out through the roof of his restaurant as payback for deceiving his employee. He even admits his defeat at the end when he says to himself, "Well, I guess I had that coming."

Whale Watching: He imprisons Pearl in his own home by barricading everything with prison bars when she was intending on going to a teen party. He even threatened Squidward, who was hired to babysit Pearl, that if anything happens to his daughter while he's away, he'll have SpongeBob torment him for the rest of his life.

Life Insurance: Mr Krabs tells SpongeBob and Patrick what life insurance really is, and signed SpongeBob's contract to take Squidward's money when he dies, and cheered for Squidward to jump in the lava, hoping he will die.

Surf N' Turf: When there is a ship-in-a-bottle contest, Mr Krabs destroys Sandy's house to make a ship and steals Sandy's treedome to get the prize money.

Plankton Paranoia: He starts to become paranoid and a psychopath himself when Plankton isn't coming to get the Krabby Patty secret formula. He mistakes a customer for Plankton and forces out the skeleton, hooks Mrs. Puff to take away her Krabby Patty, and forces everyone to wear barrels by suggestion of Squidward. Mr. Krabs bans all of his customers, Sandy, and even SpongeBob and Squidward just because he thinks that they are all minions of Plankton to hunt over the secret formula. Mr. Krabs stays up all night, and starts to hallucinate Plankton being everywhere (even his eyestalks). He checks on the Chum Bucket and finds that all of his friends, his daughter, and Old Man Jenkins are entering the Chum Bucket. SpongeBob informs Mr. Krabs that Plankton kidnapped Squidward (in an unnatural-sounding tone), and Mr. Krabs comes armed with Krabby Patties with traps in them. Mr. Krabs comes to the Chum Bucket, only to find it is a surprise party and that Plankton wanted to celebrate the anniversary of stealing the formula. SpongeBob explains everyone was planning the event, as Mr. Krabs regains his sanity and realizes that he had been a paranoid jerk all this time. He even realizes that his own insane behavior nearly destroyed his restaurant business and reconciles with everyone by apologizing for his behavior, but since they knew that he was only trying to protect the secret formula, they naturally forgive him. However, when he sees everyone going to eat the Danger Patties, he rushes over and takes them back in order to protect them from getting hurt, causing Mr. Krabs to get painfully mauled by the patties as punishment for his behavior. At the end of the party, the group leaves Chum Bucket, but Plankton finds out Mr. Krabs left the formula behind. However, the formula bottle has dynamite inside of it, and Mr. Krabs and SpongeBob both watch the Chum Bucket explode.

ChefBob: He shows no concern for SpongeBob's stage fright problem and threatens to fire SpongeBob if he does not perform. He receives karma when he is insulted about his weight from ChefBob and slapped by him with money, as well as having his office taken from him.

Call the Cops: Mr. Krabs happily mocks Plankton for getting sent to jail. He also forced SpongeBob to celebrate with him or else he's fired. However, tables turn on him when the police take the Krabby

Patty Secret Formula as evidence. When he objects, he gets hit with a baton. He impersonates as a police officer to get the formula back and makes SpongeBob impersonate an officer too. But even though SpongeBob reluctantly wants to do it, Mr. Krabs once again threatens to fire him if he fails to obey his offer. Mr. Krabs even lies to SpongeBob that being an officer is like being in the navy, which in reality is not true. Although he succeeds in finding the formula and takes it away from Plankton, he gets caught and arrested. Getting himself arrested by the police is considered karma for impersonating an officer, stealing evidence, and for forcing SpongeBob to impersonate one as well.

Appointment TV: Mr. Krabs forces SpongeBob to organize his coins despite his objections.

The Grill is Gone: He unfairly flings Plankton out of the race as soon as it starts to prevent him from having a fair chance of winning the grill. His karma could be being sabotaged by the kids during the race. Mr. Krabs might've been only protecting the Krabby Patty formula, but he could've just beat Plankton in the race since Plankton's selected vehicle seemed too slow anyway.

Bubbletown: After getting a call from SpongeBob that he's in Bubbletown jail, he causes a jailbreak just so he can get SpongeBob back to work. When a guard catches him in the act, Mr. Krabs goes helicopter-pincher-mode and pops the entire city, causing SpongeBob to be really upset. He even ignores the damage he caused (claiming that they were just bubbles) and was about to bring SpongeBob to the Krusty Krab, telling him to forget about it. Later, when SpongeBob was able to inflate the entire town again with the help of Bubble Buddy, a new Krusty Krab (the Bubbly Krab) was inflated as well. Once he realized there was no exchange rate for bubbles to real money, Mr. Krabs popped the restaurant and left with SpongeBob in his claws to the real Krusty Krab.

Season 12

FarmerBob: He has SpongeBob work for Old Man Jenkins to pay off his debt rather than pay for the materials that he buys from a garden. He also does not believe in SpongeBob and Patrick's claim in a UFO appearing. However, he receives karma when he sees the aliens for himself and is abducted for his cheap nature.

The Krusty Slammer: Mr Krabs turns The Krusty Krab into a jail after he found out jail guard would give him a lot of money. He constantly tortures Plankton with a bunch of punishments while he's in the jail, until Plankton got released early. He then finds out how costly running a prison is, which makes him take away the prisoners food, and he releases the criminals before their prison time was over which is illegal. Mr Krabs gets arrested for this and gets his comeuppance when he gets locked in a prison cell while getting chum thrown at by Plankton.

Gary's Got Legs: It is revealed that he charges each of his customers five dollars to make a complaint. Once he realizes that Gary is making the patties and getting slime everywhere, he heads out to make SpongeBob return to work. Once at SpongeBob's door, it at first looks as if he's concerned about SpongeBob having the flu or being at death's door, only for him to yell that those aren't valid excuses for missing work. Once SpongeBob explains the situation and tells Mr. Krabs how happy Gary is to have limbs, he effortlessly cuts them off anyway and brings SpongeBob back to work. However, his actions could be justified since he brought things back to normal.

Broken Alarm: When SpongeBob didn't arrive at the Krusty Krab, he makes the customers more upset when he announces his supposed death. He even scared them with horror stories of SpongeBob's house. Throughout the entire episode, he continuously made threats to SpongeBob about being late to the Krusty Krab if he doesn't get a proper alarm clock. He even tried to find a replacement fry cook if SpongeBob doesn't arrive on time. But he changed that when SpongeBob made it, even though he was sound asleep. When Mr. Krabs discovered that SpongeBob is still asleep after arriving to work, it looked as though if he was going to fire him as punishment for being late. But instead, he makes a cheap and pathetic excuse by saying that he'll have to open and close the restaurant an hour later. Mr. Krabs receives his karma in the end when Patrick comes in and shows SpongeBob that he fixed his alarm clock.

Senior Discount: He tries to get rid of Old Man Jenkins using very cruel ways: turning up the heat to very hot temperature, playing very loud rock music and even shaking him making his skeleton fall off his body. Seeing that this all didn't work, he brings over his family so they can get rid of Jenkins. He even disturbs the ghosts of his ancestors although they just wanted to party.

SpongeBob's Big Birthday Blowout: He is seen stealing money from people in the party as payment for entering the Krusty Krab section of the party. He does this by tricking them into a pat down before entering.

SpongeBob in RandomLand: Mr. Krabs forces SpongeBob and Squidward to make a delivery to RandomLand in order to make a quick buck well ignoring the protesting Squidward and ejected him by bashing him out with the malfunctioning cash register. His karma is having the customer Rodger come to the restaurant after his employees couldn't make the delivery on time. As a result, he is forced to give the order for free, much to his dismay. He receives further punishment for his employees on a dangerous goose chase.

Breakin': it was revealed that Mr. Krabs doesn't give his employees any breaks. After being confronted by a labor authority officer, Mr. Krabs only agreed to give SpongeBob the minimum amount of break time: 5 minutes every 20 years or else he will pay a fine. It was also revealed that he hid an actual break room behind the wall to prevent his employees from taking breaks in the first place. After SpongeBob's break was up, he once again covers up the break room, unknowingly trapping Squidward inside.

My Two Krabses: He steals Squidward's lunch, claiming that employees are not allowed to bring their own food into the restaurant (which probably hints that they have to order from the menu and pay for their food like a customer for them to eat which would be reasonable if not what's revealed later). This rule turned out to be a con by Mr. Krabs to get free food as he hypocritically looks through Squidward's bag and eats his strawberry ice cream sandwich.

Kwarantined Krab: According to him, it is revealed that back in his navy days, they would isolate the "sicko" and lock them in the freezer so that the others can enjoy their good health. However, It's highly implied that nobody let out the people Mr. Krabs quarantined in the freezer during his sailor years. He sends Spongebib in the freezer, despite him being sick. He then becomes paranoid by thinking someone is sick such as Squidward scratching his arm, or Mrs. Puff yawning. When Pearl remembers that she still had money leftover from last time she went to the mall and gives him back his change, Mr. Krabs think that the flu has poisoned Pearl's mind, and he locks her in the freezer, despite that his daughter was only giving his change back.

Season 13

SpongeBob's Road to Christmas: During his Christmas party, Mr. Krabs, being the cheap skinflint he's always been, gave Plankton a lump of coal for Christmas rather than a decent gift.

The SpongeBob Movie: Sponge Out of Water

In this sequel to The SpongeBob SquarePants Movie, Mr. Krabs committed several heinous acts, making himself different from his comparably more innocent self in the previous movie. Examples are down below:

Mr. Krabs and numerous Krusty Krab customers constantly tease Plankton, who is actually a robotic decoy of him, thinking that he's suffered from another failure to steal the Krabby Patty secret formula.

After SpongeBob and Plankton see the secret formula surprisingly disappear, Mr. Krabs shows up and accuses Plankton of stealing it, even though Plankton truthfully said that he didn't do it. Mr. Krabs wouldn't listen, even when SpongeBob was defending him that he's telling the truth, and traps Plankton in tape and tells a knock-knock joke to make SpongeBob do his signature laughter and torture Plankton forcing him to tell where the secret formula is. Then, while Mr. Krabs and the Bikini Bottom citizens attempt to attack him, SpongeBob rescues him with a giant bubble. Mr. Krabs instantly thinks that SpongeBob has been a double agent working for him and Plankton all these years as they both float away.

Mr. Krabs then becomes a leader of a savage group of apocalyptic sufferers. Then, while they were planning a sacrifice for the burger gods, which a savage Sandy explained, SpongeBob and Plankton return from time traveling. Then, even when SpongeBob tried to convince the people how savage they've become with the formula missing, Mr. Krabs and the rest attempt to sacrifice SpongeBob by having him get squashed by a falling burger-bun-shaped stone. SpongeBob smelled the familiar scent of Krabby Patties coming from the outside surface, which is coming from Burger-Beard who's the one that really stole the formula. Then, as the stone is about to fall on SpongeBob, Mr. Krabs stops it after he and the others smell the scent as well, as they aid SpongeBob to follow the scent.

Mr. Krabs notices that Burger-Beard is selling his Krabby Patties for $8.99 and says to himself, "Why didn't I think of that?"

During the end credits, he pulls Patrick's wallet out of his pocket.

Battle For Bikini Bottom

He has a large possession of Golden Spatulas which he knows are needed for Bikini Bottom to be saved, but refuses to let SpongeBob have them unless he trades them for a large quantity of shiny objects.

When SpongeBob reluctantly disagrees to give him a hard earned Golden Spatula, Mr. Krabs makes SpongeBob's break time at work -5 minutes, effectively meaning he has no break and has to work an extra five minutes.

After having bought all the Golden Spatulas Mr. Krabs has, the player can still talk with him. However, he only ever says the one thing; "The only good robot is the one that's givin' me them shiny objects". This is a subtle reference to the possibility that Mr. Krabs thinks of SpongeBob as a robot which is actually another word for slave.

---

When it was done they were shocked.

Sonnya Furya: No kidding there! I'm going to burn him in the butt with a fire blast for what he did.

Mary Knudson: That would be appropriate for him if he was in prison.

---

Yost Molten Man was next.

Yost Molten Man: What was the worst thing Mr. Krabs did to so many people?

Sunset Shimmer: Plankton Lost his restaurant because everyone thought he was resorted to turning fish into his chum.

Tsuyu: He had all of Sandy's Science Awards and Projects taken away from her.

Sirius: Larry the Lobster was banned from the gym and everyone was beating him up for Lunch Money.

Lola: And that was horrible! But the funniest part was where Patrick was marrying a light post pole.

Lynn: But Mr. Krabs threatened to take away his spatula and make sure SpongeBob never got a job ANYWHERE in Bikini Bottom ever again if he didn't do what he said.

Yost Molten Man: MAN WHAT A CHEAP ASSHOLE! Lets do it!

They fired waves of fire and smashed him down.

Warrior Lady of the Wasteland: Yeah it sure is. Mr. Krabs being a pirate is really cool.

Riley Anderson: I think that was really cool that his family is a family of pirates.

Lola: It sure is cool.

Albedo: It sure is cool. Here's number 1.

He turned into NEGATIVE BLITZWOLFER!

Rika Noralenshikov: A negative version of Blitzwolfer.

He fired a sonic blast and they jumped and fired waves of fire and smashed him down.

Bella Huffington the Rainbow Snake Eingana Gene-Slammer, Valon, Ty and Sly the Tasmanian Tigers VS The Bubbler.

The Bubbler was next.

The Bubbler: What caused Plankton and Mr. Krabs to become incredibly brutal mortal enemies?

Bella Huffington: (Australian Accent) Well that is a really terrible story there. They were once best friends since birth there mates.

She told them all about the relationship with Mr. Krabs and Plankton.

* * *

As shown in "Friend or Foe," Mr. Krabs and Plankton started as best friends since they were both born in the same hospital on the same day. During their elementary school years, both Plankton and Mr. Krabs were frequently bullied by other cruel children led by class bully Billy. When their favorite hang-out spot, Stinky Burgers, was shut down due to health violations, Plankton and Mr. Krabs decided to open their burger joint to earn respect from the kids.

After creating their first burger, they got Old Man Jenkins to try the first bite. Unfortunately, Jenkins died from eating the food. This sparked in a fight between Mr. Krabs and Plankton, stating that one of them did something wrong. Their fight caused the recipe to be ripped in half and Plankton's half read "a pinch of chum." After Plankton left, he slammed the door, which caused various food items to fall off a shelf and into the patty batter, giving Mr. Krabs the perfect recipe.

This incident caused Mr. Krabs to be adored by the other people for his new food sensation, while Plankton swore vengeance and attempted to steal the formula. The two have been at war ever since.

* * *

When she was done it was shocking!

The Bubbler: Oh man! That is terrible! Mr. Krabs and Plankton have been at war with each other ever since they were kids!? That is one helluva nasty grudge!

Bella Huffington: I know mate. Hard to imagine that a recipe could tear an awesome and fantastic friendship apart there.

Valon: (Australian Accent) Yeah that was really awful mates.

Ty: (Australian Accent) What happened with those two was shocking.

Sly (Ty): (Australian Accent) They were both like brothers and a recipe tore them apart.

The Bubbler: That was really shocking.

Bella Huffington: There's also a soft and dark side to it too.

She told him all about it.

---

Although Mr. Krabs and Plankton despise each other, they still seem to show sympathy for each other now and then. In "New Leaf," Mr. Krabs feels heartbroken upon apparently believing that Plankton had changed. The two later make amends and go to a carnival, where Mr. Krabs eventually gives Plankton the Krabby Patty formula after accepting his change. Sadly, it is revealed that it was merely another plan by Plankton, though he did not get the formula as Mr. Krabs had tricked him with an even bigger scheme.

Another instance is in "Best Frenemies," where Plankton and Mr. Krabs team up to steal a Kelp Shake. They ultimately succeed, though they are affected by the shake's effect from drinking it. A playful side of their rivalry is shown when Mr. Krabs gives Plankton a ten-second head start in taking his formula, following a "friendly" chase.

In "Christmas Who?," they are seen singing "The Very First Christmas" together, in which Mr. Krabs gives Plankton a fruitcake, though Plankton does not like it and ultimately tosses it in the trash.

In "Welcome to the Chum Bucket," it is revealed that Mr. Krabs goes to the Chum Bucket every Thursday night to play cards with Plankton.

In "The Other Patty," Mr. Krabs and Plankton team up to steal the Flabby Patty formula and to get revenge on SpongeBob for making them do so.

In "Eek, an Urchin!" Plankton helps Mr. Krabs get rid of the sea urchin.

In "Plankton Paranoia," Plankton throws a surprise party for Mr. Krabs. The party is the anniversary of when Plankton tried to steal the formula for the Krabby Patty.

The two agree to work together to defeat their shared clone PlanKrab in "The Krusty Bucket."

In "There Will Be Grease," they work together to create Dr. Krabton's Miracle Everything Juice, which is a grease product that is supposed to be used for various purposes. However, after the customers experience side effects, they demand refunds and their partnership falls apart.

The fights between Mr. Krabs and Plankton sometimes get very unpleasant in certain situations, usually when one of them intends to kill the other. The most extreme example is in "One Coarse Meal," where Mr. Krabs - upon discovering Plankton's fear of whales - dresses up as Pearl to scare him for fun. The scaring continued for 17 days, making Plankton refuse to come outside and have nightmares. Eventually, Plankton decides to lie on the road and wait for a bus to kill him. Krabs also does not care that Plankton wanted to kill himself.

Mr. Krabs tortures Plankton in "The Krusty Slammer," though by the end Plankton returns the favor by torturing him.

Plankton gloats at Mr. Krabs' misery in "Karen's Baby" after his son withholds his money.

In "Married to Money," Plankton creates a robot girlfriend for Mr. Krabs named Cashina, but by the end of the episode, Mr. Krabs finds out that it was him and is very heartbroken, telling Plankton that he was alone for so long and calls him out for exploiting that. Plankton remains completely remorseless.

The other most extreme example is in The SpongeBob SquarePants

Movie, where Plankton steals King Neptune's crown and frames Mr. Krabs. This causes King Neptune to freeze Mr. Krabs and nearly kill him, only to be saved by SpongeBob and Patrick bringing the crown back from Shell City. Not only did Plankton finally steal the formula, but he also brainwashed everyone in Bikini Bottom, took over the town, and sent an evil mercenary named Dennis to kill SpongeBob and Patrick.

And other most extreme example is in The SpongeBob Movie: Sponge Out of Water where it happens backwards since Mr. Krabs turns the whole city against Plankton (and later also against SpongeBob when he believes that he betrayed him in favor of Plankton), when he believes he finally stole the secreted Formula, and in retaliation Mr. Krabs takes his restaurant, kidnapping and interrogating his wife Karen and threatening to crush him to death if he did not say where was the formula, all this despite the fact that he claimed that he did not steal it and having SpongeBob as a witness.

Móyá the Tooth Faerie has transformed into SUPER ANGEL

INFINITY TRUE LOVE MAGIC TOOTH FAERIE ANGEL OF NEOPIA JUSTICE AND MAGICAL LOVE!

We were amazed by Móyá the Tooth Faerie's Super Angel Infinity transformation, and when Lincoln saw her, he had an atomic red blush on his face and hearts in his eyes. But, when Nemesis saw it, the undead monarch fell into a rage and tried to kill her, but Móyá the Tooth Faerie fired a powerful blast of purple energy with teeth, magic, and faeries at him, and it hits the undead monarch, and he hits a nearby mountain.

Nico: Whoa, Móyá the Tooth Faerie's transformed, this is going to be a good one.

Me: You said it, Nico.

Lincoln: Wow, Móyá, you look beautiful. How do you feel?

Móyá the Tooth Faerie: (Divine Echoing Cosmic Voice of the Tooth Faerie and Divine Love) I feel incredible, Linky. Now, then, shall we put an end to this undead monarch once and for all?

Lincoln: (Smiles) With pleasure, Móyá.

Lincoln unholstered his massive Hinon's Cosmic Storm Sword of Universal Hope, Elemental Bravery, and Unbreakable Eternal Bonds from his wider and muscular back, and transformed into Super Angel-Ebonwu-Thunderbird Eternity Infinity Elemental Thunderbird Buffalo Angel of Universal Justice and Elemental Hope and he joined Móyá the Tooth Faerie.

Lincoln: (Divine Echoing Cosmic Elemental Voice of Universal Justice and Elemental Hope) Your days of causing havoc and chaos are over, Nemesis.

Móyá the Tooth Faerie and Lincoln went after Nemesis, who fired blasts of dark magic at them, but they dodged them, and they fired powerful blasts of rainbow energy, purple energy, teeth, Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, Magic, rainbow flames, rainbow crystals, Buffalo, Thunderbirds, Phoenixes, Angels, and

Faeries at Nemesis, and they exploded with incredible power as they hit the undead monarch. Lincoln engaged in a powerful swordfight against Nemesis, as their swords clashed and the sparks started fires, and Lincoln absorbed the fires and it made him stronger than ever, and he disarmed Nemesis of his sword, and Lincoln attacked Nemesis with powerful one-handed swings from his massive Hinon's Cosmic Storm Sword of Universal Hope, Elemental Bravery, and Unbreakable Eternal Bonds, and left even more scars on him, and Móyá the Tooth Faerie fired powerful purple energy blasts from her staff, and it hit the undead monarch.

Then, Lincoln fired a red energy blast at Nemesis, and once it hits him, Lincoln then sucked out and absorbed all of Nemesis' powers and abilities, and he and the rest of us made them our own, and then, Lincoln and Móyá the Tooth Faerie Faerie fired powerful beams of energy, and as they hit the undead monarch, the energy beams exploded with incredible power, killing him for good and he was erased from existence as he was condemned to The Black Gates. We cheered wildly for what Móyá the Tooth Faerie and Lincoln did as they holstered their weapons and power down, and Móyá the Tooth Faerie's new body, clothes, weapons, jewelry, and massive white and ice-blue feathered wings are permanent.

Móyá the Tooth Faerie: That's it for that treacherous undead monarch. Thank you for helping me with taking down Nemesis, Linky.

Lincoln: (Smiles Warmly) You're welcome, Móyá.

Suddenly, Móyá the Tooth Faerie wrapped her arms around Lincoln's waist, and it brought an atomic blush to Lincoln's face, as he wrapped his abnormally massive and powerful muscular arms around her waist and he brought her into an embrace, which took her by surprise and brought an atomic red blush to her face. Then, as Lincoln leans down to Móyá the Tooth Faerie's face, they kiss passionately as Móyá the Tooth Faerie wrapped her left arm around Lincoln's neck, and placed her left hand on Lincoln's massive and wide muscular right pec, and behind them was a Thunderbird, Phoenix, Angel, and Faerie flying in the air, and we also saw a herd of Buffalo running across the field, along with waterfalls made of mouthwash coming down behind them, along with teeth and magic behind them, and we cheered for them.

Rita: Now, that was an amazing dentist-themed display. Ugh, too bad I didn't bring a camera.

Lori: I already got it, Mom, and I'll send it to you on your phone as soon as we get back home.

Nico: You know, the display from Lincoln and Móyá the Tooth Faerie could be perfect to put up for Dr. Feinstein's office, Ms. Rita.

Me: Nico's right, and this could be perfect for any future patients for Dr. Feinstein's office. Speaking of which, Lincoln, don't your kids have their dentist appointments tomorrow?

Lincoln: That's right, J.D. I asked Mom yesterday to do an appointment for my kids tomorrow, and I also made sure they brush and floss every night before bed.

Thunder Sparkle: And we're more than ready for our dentist appointment with Grandma Rita and Dr. Feinstein tomorrow, Dad.

Lincoln: That's what I want to hear, sweetie.

Rita: (Giggles) You really are taking your role as a father very seriously, honey.

Twilight Sparkle: Same with us as our roles as mothers to our kids, Ms. Rita.

Lincoln: It's too bad Equestria doesn't have a dentist office there, that would've been awesome.

Scootaloo: Actually, Light Lily's plans for Equestria also included putting up a dentist's office, and it'll be open next month in June.

Nico: Whoa, that's awesome.

Me: A dentist's office in Equestria, now that's really awesome.

Lincoln: Nice.

Me: Almost done.

We went to the volcano and went up to the top.

Poliwag: (sweating) It's getting hot in here!

Me: (SWEATS) WHEW! No kidding.

We had the Evil Squidward in a crystal.

Nico: Now for this Squidward to be toasted.

We threw him in and incinerated the Evil Squidward into nothing.

Nico: All's well that ends well. Now, who wants to roast hot dogs?

Lily: Good thing I brought some.

Laney: Cool.

Dumbbelltron: There. That's the end of Evil Squidward.

Whirlin: The Volcano should be calm now.

Emily Princeton: I'm gonna love it here with you guys.

Noirtera: So am I.

Norris Harrisburg: Same with me.

Loki: You girls won't regret it.

Whiger: Think Clyde and the others are ok now?

Ryugu Tamatebacco: Why don't we check on them right now?

Me: No need for that guys.

They saw that everyone was all right.

Ryugu Tamatebacco: Wow! You guys are better! Wow!

Whiger: But how?

Me: Thanks to these from Face Stealer.

We showed them our new potions.

Me: The Rainbow Tears of the Phoenix and they have incredibly powerful healing abilities.

Nico: They sure do and it's awesome.

Lola: Yeah it sure is! Those are really cool!

Nico: Yep. But this was awesome. Great job today everyone.

Me: This was a really awesome adventure.

Then the evil Squidward's Spirit appeared.

Me: Never again.

I used the Black Gates on him and banished him to oblivion.

Nico: Good riddance.

Varie: (To the viewers) This was an awesome and funny and awesome adventure. It was reallyl awesome that we all faced the volcano and an evil Squidward too.

Laney: It sure was cool.

Nico: Yep. Lets head to the Krusty Krab and get some Krabby Patties and head home.

We went to the Krusty Krab and then got krabby patties and then went back home and then we enjoyed the rest of the day and went to sleep.

Another awesome fanfic done.

Sponge-Cano from SpongeBob was a great episode and it was so awesome how SpongeBob everyone saved the city from a volcano that erupted in the middle of the city. That episode aired on January 28th, 2011 and it was really funny too. The first rescue in my dreams was a good one and it had an element from the SpongeBob episode Sleepy Time and it was cool. The rescue for Lincoln was for a breakfast planet and that was really cool! The second part was for the movie Dracula Untold and I never saw that movie before but it was scary and amazing. The opening scene of the chapter was based on the Appetizer scene from the SpongeBob episode Squilliam Returns and that one was really funny! NicoChan11, JediAvatarOfShinobi, Omegahatchiyak12, XP4Universe, Darkhai, vinjedi1995, Drako1234658, Nflemingful, EtstheClarenceandTLHfan and ninjakingofhearts gave me the ideas for this and so did the guest reviewer. Thanks Guys. No dream rescue tomorrow this time. Nico's next rescue is gonna be a really awesome and cool one as Nico, Luke Skywalker, Jayden, Applejack, Apple Bloom, Twilight Sparkle & Friends, Rachel Stavenport, Carol Pusateri, May, Maria, Varie, me, Eli, Arrietty, Aylene Carter, Littlefoot and friends, Fu, Nicole Knudson, Kaina Tsutsumi, Camie, Kaoruko Awata, Himiko, Ibara, Toru, Sirius, Tsuyu, Ochaco, Momo, Lincoln, Laney, Lana, Lola, Lisa and Lily go to an amazing planet made of chicken wings and we're going to see a planet where there are only chicken wings, chicken wings, chicken wings and more chicken wings and the lakes, rivers, streams and waterfalls are all different flavors of awesome sauces. We're going to face a villain called THE ANGRY CHICKEN! And we're going to meet a Twi'lek Gene-slammer named Aurora Gettysburg. Aurora Gettysburg is Nico's Friend from Astronomy Class and she knows so much about the stars and is an awesome master of the Force and knows so much about the Force and is a master of a new Force Technique that was never seen before. The next rescue for Lincoln is gonna be on a planet made of Grilled Cheese Sandwiches, Tomato Soup and Egg Noodles. Goldfish Crackers live there too. We're also going to meet a gene-slammer for Arcana Force IV - The Emperor named Loreena Kellington. Loreena Kellington is a powerful psychic and she has a total mastery over the stars. She also is one of Lincoln's awesome guardian angels. She even has been known for stopping bad things before they happen. One time she saved all of Royal Woods from the terror of mad scientist that was about to destroy the entire city with the power of a superlaser blast aimed at the Loud House. The next chapter is for the awesome movie Ratatouille and we're going to face Chef Skinner and we're going to make sure he doesn't get to Remy who is an awesome chef and even rats can be chefs too.

See you all tomorrow

Flying through the voids of space yet again was Nico, Luke Skywalker, Jayden, Applejack, Apple Bloom, Twilight Sparkle & Friends, Rachel Stavenport, Carol Pusateri, May, Maria, Varie, me, Eli, Arrietty, Aylene Carter, Littlefoot and friends, Fu, Nicole Knudson, Kaina Tsutsumi, Camie, Kaoruko Awata, Himiko, Ibara, Toru, Sirius, Tsuyu, Ochaco, Momo, Lincoln, Laney, Lana, Lola, Lisa and Lily and we got reports of an interesting and really awesome planet that we are going to check out. I had a really awesome feeling that this planet was going to be a really awesome and interesting one for both me and Nico.

Me: I have a feeling that the planet we're about to see is going to be a really cool one.

Eli: Me too. This one is going to be really awesome.

Varie: It sure will be awesome.

Nico: Thanks for coming with me, Jayden.

Jayden Shiba: No problem Nico. This is gonna be so fun seeing what kind of planet we're going to. I have a feeling that this one is going to be awesome and amazing.

Eli: Yeah I agree too.

Laney: Whatever it's going to be will be awesome.

Nico: Jayden, I think Lady Bullseye will be a perfect archenemy for Lauren.

Jayden Shiba: I agree there.

Me: Nico I'm getting a really awesome and strong feeling that when we meet the Zenkaigers in 4 days that we're going to face a monster that's an amalgamation monster of all the main villains of every single Sentai series from over the course of 45+ Years.

Nico: What makes you think that?

Me: Well I looked it up on the internet and there is one monster that fits that description: Super Warumono World.

Nico: Oh man! I remember that one.

Me: Me too. And he was awesome.

Arrietty: Who is that?

Me: He's all the main villains of every single Sentai Series from over the course of 45+ Years merged into one.

I went over his history.

---

Super Warumono World (スーパー悪者ワルド Sūpā Warumono Warudo) was a totem pole-themed World from the Kikaitopia Dynasty Tojitendo and the main antagonist of Kikai Sentai Zenkaiger The Movie: Red Battle! All Sentai Rally!. He was created from the Super Warumono Tojiru Gear that contained Super Warumonotopia.

Barashitara is disgusted when a Kudakk sent to Earth to attack the Earth with a Kudaiter returns as the sole survivor and prepares to kill him with Boccowaus being equally angry. However, when a Tojiru Gear falls down after Boccowaus pounds the ground, Gege suggests punishing the Kudakk by infusing it with the power. Boccowaus agrees and Ijirude inserts it into the Kudakk which creates Super Warumono World. Appearing in a trainyard, Super Warumono World unleashes all of his power to recreate an army of past villains and footsoldiers from past Super Sentai. Despite the Sentai's best efforts, they are all soon captured by the villains.

Super Warumono World then introduces himself and reveals his goal to transform the entire Earth into a world of Sentai villains. They villains took the Geartlingers away from the Zenkaigers so they cannot transform. Kaito is able to slip out of the chains since they have been loosened by Juran's sweat and manages to retrieve his Geartlinger from Sally. However, Super Warumono World points out that he is still massively outnumbered even if he manages to free his teammates. Due to an idea from Secchan, Kaito uses the Red Sentai Sentai Gear to summon every single Red Ranger in Super Sentai history. Super Warumono rallied his troops and ordered them to "scrap" the Sentai. He is defeated by the Zenkaigers in the ensuing battle.

Rather than remaining intact after his death, Super Warumono World's Tojiru Gear flies out and explodes which releases Warumonotopia back into the multiverse. As a result of his Tojiru Gear's destruction, a Kudaitest cannot be summoned to create a Great World.

A "younger brother" of Super Warumono World named Normal Warumono World would later surface but get killed the same way as his "elder brother."

According to a poster that details whose face or body part belongs to which villain from each and every past installment of the series itself which shows both of Super Warumono World's front and back, the identified villains whose own respective body parts and faces that makes up Super Warumono World's own body consists of:

When I was finished everyone was shocked!

Eli: Whoa I remember all those guys! They are really tough.

Laney: No kidding! What a fusion!

Lisa Loud: An absolutely terrifying and dangerous amalgamation.

Jayden: Emperor Z and Dograino are already with us.

Nico: Yeah no kidding and now we have Boss Tau Zant too. This is gonna be really awesome to see when we face him.

Lana: It sure will.

Me: I'll never forget seeing you facing Xandred with the battle with the Rogue Chaotic Players. And they die in less than 2 days.

Lily: Amazing how 2 years has flown by so fast.

Me: Yeah. If we use the Curse of the Cobra again lets shorted it down to just 3 months. 2 years in my opinion is far too long for us.

Nico: I agree there.

Jayden: Yeah.

Me: I agree there too.

Jayden: Not to mention that battles of Perim were very epic.

Me: They sure were.

Nico: Those were all so awesome. And Jycella is going to be rid of her evil sister forever in 2 days.

Lana: Yeah good riddance!

Lincoln: That monster deserves to be destroyed along with Klay and the Rogue Chaotic Players.

Luke Skywalker: Especially for splashing Sarah with pigs blood.

Aylene C.: YUCK!

Camie: Jycella's sister splashed Sarah with Pigs Blood!? GROSS!

Tsuyu: That is disgusting!

Me: Yeah. Krystella is pure evil. Jycella is an angel. She and Krystella are twins but one is pure evil.

Jayden: I know, right? And just when we were reporting them to the Codemasters, they gave us the slip by knocking Eddy down.

Me: I remember that. Those stupid jerks. And they had the audacity to help the Starscream of Perim.

Nico: Yeah no kidding. But at least we destroyed all of Perim's big time major enemies. They all are gone for good.

Lincoln: Yeah thank goodness. But seeing all of Perim was really cool!

Me: The Crystal Cave was really awesome. Rarity you would love that one.

Rarity: Oh I most certainly would J.D.

Lola: It's really beautiful and the crystals and jewels in that cave are amazing.

Jayden: Honestly, the Tribes of Perim are better working together as one than fighting each other.

Me: That is for sure. There is strength in numbers as well as working together in unity.

Laney: That is right.

Lola: Yeah!

Fu: But it was really awesome seeing much of Perim too.

Nico: Yeah. The M'arrillians gave us one helluva challenge though. They were awesome and powerful.

Jayden: And the first members of the Masters of Evil got to participate in those missions.

Me: That is for sure and there were nowhere near as many members of the M.O.E. back then as there are now. That is so awesome.

Nico: Boy it sure is. But what really is amazing is that they now have the TTG version of Doomsday with them.

Me: A Comical version of the very creature that killed Superman. At least it's not the one we destroyed.

Nico: Thank goodness for that.

Jayden: He sounds like Lincoln though.

Me: I agree there. That was cool though.

Nico: Yeah.

Laney: We'll have to find a great archenemy for him though.

Nico: I agree. This will be cool.

We arrived at the planet.

Jayden: We're here.

We saw that it was a big golden brown planet and from space it looked like a mountain planet and the rivers and lakes were all different colors.

Nico: This is going to be interesting.

Eli: Yep.

We flew down to the planet and when we landed we were greeted by a most incredibly awesome sight! WE SAW THAT THE PLANET WAS MADE OF MOUNTAINS AND MOUNTAINS AND MOUNTAINS OF CHICKEN WINGS AS FAR AS THE EYE CAN SEE! AND THE LAKES, STREAMS, RIVERS, PONDS AND MORE WERE DIFFERENT FLAVORS OF SAUCE!

Me: WHOA! It's a planet made of chicken wings!

Nico: (DROOLS) Oh boy. (In heaven) A planet made of (Slurps) My number one favorite food in the world. (Slurps) Pinch me I must be dreaming.

POINK!

Nico: OUCH!

I pinched Nico.

Me: Sorry Nico but you said Pinch you and you aren't. But this is amazing.

Jayden: I'll have a few before keeping watch.

Me: Okay.

Jayden got lots of wings.

Jayden got to eating them and they were awesome.

Jayden: These are actually pretty good!

Nico: They sure are! (BUZZSAW EATING)

Nico was eating and eating and eating and eating chicken wings all over the place and there was a small pile of bones by his feet.

Nico: SO DELICIOUS!

Me: (EATING) MMM! And they go good with all these sauces. This pond here has cayenne curry flavor.

Eli: (Eating) MMM! This river is full of Wasabi Mango Sauce. Delicious.

Jayden was keeping watch when he thought he saw one of the wings move.

Jayden: (shrugs) It was probably nothing.

But then a screaming mad ANGRY CHICKEN WING BUSTED OUT AND IT WAS A RED CHICKEN WING THAT WAS ON FIRE! IT WAS CALLED ANGRY HOT WING!

Jayden jumped back and we saw it!

Nico: WHOA! A Fiery Angry Chicken Wing!?

Me: That must be a Carolina Reaper Flavored one.

Angry Hot Wing: I AM ACTUALLY HERE TO EAT YOU! I AM ANGRY AND REALLY BURNING HUNGRY!

Jayden: We… actually haven't met you until today.

Angry Hot Wing: I AM AN ANGRY HOT WING AND I'M BURNING MAD WITH FLAVOR TO EAT YOU!

Laney: I can't wait to sink my teeth into you!

He fired boneless spicy chicken wings from his mouth and they went into Laney's mouth and she ate them. She swallowed them and then a massive fire aura exploded out from around her!

Laney: MWAH! (Italian Accent) That's a spicy meat-aball!

Nico: YEAH!

Jayden: Laney, how do you feel?

Laney: Spicy and powerfully strong.

Nico: WOW! J.D. wasn't kidding when he said you have as big a love for spicy food as Lynn.

Laney: Was there ever any doubt?

Nico: None at all.

Me: And this flaming chicken wing would be perfect for Hitoshi.

Nico: (LAUGHS) You already picked an archenemy for him. I like it.

Jayden: Wait. Don't you also get drunk while eating spicy food?

Laney: That's what they say.

Lana: Sis are you all right?

Laney: Yeah why?

Lola: There's blood pouring down your right arm.

Laney looked and she saw that she too had a spicy tattoo like me!

Laney: Whoa! My own spicy tattoo! This is amazing.

Me: Wow that is awesome Laney!

Nico: Welcome to the spicy club.

Angry Hot Wing: HEY NICO TASTE THESE!

He fired a multitude of POWERFUL GLOWING BLUE SAUCE COVERED SPICY BONELESS WINGS AND THEY WENT INTO HIS MOUTH AND HE CHEWED THEM AND SWALLOWED AND THEN…

(EXTREMELY MASSIVE AND POWERFUL NUCLEAR EXPLOSION)

A MASSIVELY POWERFUL NUCLEAR EXPLOSION WITH THE POWER OF 500 GIGATONS WENT OFF and then Nico then sucked in all of the explosion and then we saw that he got an awesome new Leader Coat and it was Glowing a neon blue and it had intense powerful blue hot flames coming off of it! It also had a blue pepper on it. Nico had become A TRUE SPICE DEMON LIKE ME!

Nico: WHOA! THIS IS AWESOME!

Me: (SWEATING LIKE A PIG) WHEW! THAT IS AWESOME AND INCREDIBLY HOT! You look awesome Nico!

Nico: Wow!

Nico: Keep it coming, buddy! I can do this all day!

Angry Hot Wing: OH YOU WANT MORE HUH!?

He fired a multitude of white hot sauce boneless wings into my mouth and I chewed them and swallowed and then the same thing happened to me but I had a white fire white hot spicy fire coat on!

Me: WHOA! This is awesome!

Lola: (SWEATING) WHEW! J.D. you, Nico and Laney are sizzling hot!

Laney: No kidding! Wow!

Lana: Awesome!

?: You lay off the spice bub!

A Twi'lek appeared!

Nico: Master Secura?

Twi'lek: No Nico it's me.

Nico: Aurora Gettysburg!? WHOA!

Me: Wow! You look awesome as a Twi'lek.

Twi'lek: Thanks.

Luke Skywalker: The Force is really strong in you.

Twi'lek: It sure is. And watch this.

She had her back glow in blue energy and then blue energy wings sprouted from her and she flew into the air.

Nico: OH THAT IS AWESOME!

Eli: I've never heard of this kind of technique from the Force! That is really awesome!

Lana: Wow!

She fired feathers of lightning from her wings and they were powerful and they hit the Angry Hot Wing and electrocuted him all over! She then ignited her lightsaber and slashed him down and knocked him out! She reverted back and she was a girl with blue hair and blue clothes.

Aurora Gettysburg: Now that was awesome.

Eli: What was that awesome technique with those wings?

Aurora Gettysburg: It's called Force Wings and it enables me to sprout angel wings made of energy and I can fire Force Lightning from them.

Me: That is so cool!

Laney: Yeah it sure is!

Jayden: What's your favorite memory of Nico?

Aurora Gettysburg: I have a lot of them but my favorites are in Astronomy Class. We had a lot of awesome times in that one. My favorite was when Nico and I did a project on the sizes of the known stars in the galaxy. We made a mobile for it and it was a big one. You wouldn't believe how hard it was to find styrofoam balls that match the sizes of those stars.

Nico: So I made some for the sizes.

Aurora Gettysburg: We had a lot of fun on that. Got an A+ on that one.

Me: That is so cool!

Nicole Knudson: Wow a mobile of the largest known stars in the galaxy. That must've taken an incredible amount of research, information and a lot of size speculation.

Aurora Gettysburg: It sure did.

Nico: That was cool.

Eli: Wow. But Aurora how did you learn a technique like the Force Wing?

Aurora Gettysburg: I made the technique. I wanted to make a technique that the Sith would never even think of imagining to catch them totally off guard.

Varie: That is really clever.

Twilight Sparkle: Wow that is really cool!

Rainbow Dash: And really awesome!

Nico: Yeah.

Nico and Aurora hugged.

Nico: I really missed you.

Aurora Gettysburg: Me too Nico. Me too.

Nico: This was really awesome. Lets gather some chicken wings and sauces and head home.

Me: I have a better idea.

I snapped my fingers and teleported the Chicken Wing Planet to our solar system and then I set up a teleporter pad to get to the planet and now everyone can come to the planet. We went back home and told everyone what happened and it was awesome! Angry Hot Wing was made part of the M.O.E.

Sandwiches, rivers, streams, ponds and waterfalls made of Tomato Soup and Egg Noodles, and also inhabited by Goldfish Crackers, and I know what we're going to do here, not only am I going to rescue the ten girls here, but we also got word that another of Captain America's enemy, Eric Cameron A.K.A. Adonis, is here, and he's causing havoc.

Nico: That's right, big guy.

Me: From what Captain America told us, Eric Cameron attempted to free himself of his weak and sickly body by means of a stolen S.H.I.E.L.D. Master Matrix used to create android human facsimiles.

Lincoln: That's right, but when the Matrix overloaded, Eric Cameron was scarred and deformed rather than refashioned into a paragon of virile beauty as he had expected, and he became a brutal monster out to cause havoc, and he needs to be stopped.

Rayman: And because of the illnesses that ravaged his body, does this mean…?

Lincoln: Yeah, Eric Cameron's going to die, and his vanity would eventually prove to be his downfall in the end. And I want to thank you and the L-ementals for joining us, Brody.

Brody Romero: You're welcome, Lincoln. This is going to be one awesome rescue.

Air Lincoln: And we should also get some grilled cheese sandwiches, tomato soup with egg noodles, and Goldfish crackers while we're here.

Lincoln: Good idea, we've already got some chicken wings and sauces during Nico's rescue, so we're going to have one awesome lunch.

Nico: Awesome.

Suddenly, Lincoln's golden lightning bolt cutie mark with the thunderbird and comic books right on his massive and wide right pec along with the symbols of Fire, Water, Ice, Wind, Earth, Nature, Light, and Darkness in a circle, the large Celtic Cross cutie mark tattoo in the form of the cutie marks of Twilight Sparkle, Sunset Shimmer, Rainbow Dash, Applejack, Rarity, Pinkie Pie, Fluttershy, Starlight Glimmer, and Trixie Lulamoon surrounded by a circle were the marks of the other girls in Lincoln's harem and the planet Earth surrounded by the ring of mermaids and surrounded by a Thunderbird, Phoenix, Angel, and Buffalo on his wider and more muscular back, along with his spicy tattoo on his broader and muscular left shoulder and Mark of Manhood tattoo on his massive left muscular forearm were glowing, along with Lincoln's deep sapphire blue eyes, his rainbow colored thunderbird with a gold lightning bolt emblazoned on his forehead with his Third Eye of the Buddha on his forehead with rainbow iris.

Then, we saw Lincoln's rainbow energy aura with Phoenixes, Thunderbirds, Angels, Buffalos, and Elemental Forces flared up like crazy, and Lincoln was gaining a massive power boost, and then, he was surrounded by a massive rainbow energy vortex, and when he emerged, he was now forever a changed man.

Lincoln: Hey, what's happening?

Lincoln 2: (Through the Rainbow Thunderbird and Third Eye) That's actually us, Lincoln.

Lincoln 3: (Through the Rainbow Thunderbird and Third Eye) See, we were wanting to do this for you on the day you turn 18 next year on February 8th. But, because of your powers constantly evolving and growing, along with you gaining new powers, we had no choice.

Lincoln 4: (Through the Rainbow Thunderbird and Third Eye) We were planning on merging both your kid form and your muscular form together, but it looks like our plan had to be implemented early, sorry about this, Lincoln, along with all of you.

Lincoln: That's okay, guys.

Me: So, you guys had a plan in place for when Lincoln turned 18 next year, but it had to be put into action early, due to the constant evolving and growing of Lincoln's powers, along with him gaining new powers as well, eh? Clever.

Lincoln 2: (Through the Rainbow Thunderbird and Third Eye) Yes, but it looks like our plan had to be implemented a lot earlier than expected.

Nico: But, that's okay, sometimes, things don't always go as planned, Lincoln 2.

Lincoln: Yeah, and I've learned a lot about that sort of scenario.

Lily the Mermaid: And to tell you the truth, we're okay with what you had in place for our man, Lincolns 2, 3, and 4.

Everyone else in Lincoln's harem, along with the rest of us also agreed as well.

Lincoln 2, Lincoln 3, and Lincoln 4: (Through the Rainbow Thunderbird and Third Eye Iris) Thanks, Lily the Mermaid.

?: HEELLLLPPPP!

Suddenly, Lincoln heard the sound of ten girls calling for help. With his deep sapphire blue cyborg eyes, rainbow colored iris of his Third Eye, the Force, and his superhuman sight, along with sensing energy signals, he saw and heard exactly where the call for help was coming from. He saw the ten girls, but they've been cornered by Eric Cameron A.K.A. Adonis, and he's going to kill them.

Lincoln: Guys, I found the six girls, but they've been cornered by Eric Cameron A.K.A. Adonis, and he's going to kill them.

?: Let's put a stop to that scarred and deformed freak of nature.

Suddenly, we saw the Arcana Force IV - The Emperor appear before us.

Nico: Wow, that's Arcana Force IV - The Emperor, awesome.

Lincoln: And I'd recognize that voice from anywhere. I knew it was you, Loreena Kellington, but we'll have to talk later, we've got to stop Eric Cameron A.K.A. Adonis, and put him out of his misery.

We rushed on over, and Lincoln fired rainbow energy balls and elemental forces at Eric Cameron A.K.A. Adonis, and that allowed the ten girls to get to safety. When Eric Cameron A.K.A. Adonis saw us, he was pissed.

Adonis (Marvel): How dare you get in my way, Team Loud Phoenix Storm?!

Lincoln: It's our job to put a stop to all evil wherever and whenever it rears its ugly head, and now, it's high-time for you to be put out of your misery.

Lincoln unholstered his massive Hinon's Cosmic Storm Sword of Universal Hope, Elemental Bravery, and Unbreakable Eternal Bonds from his wider and muscular back, and transformed into Super Angel-Ebonwu-Thunderbird Eternity Infinity Elemental Thunderbird Buffalo Angel of Universal Justice and Elemental Hope, which became even more stronger than ever, along with all his other Super Angel forms, TLPS Mr. Wolf transformed into his Super Angel Eternity Infinity form and the rest of The TLPS Bad Guys Gang transformed into their Super Angel Eternity Infinity forms and they unholster their massive swords, Lincoln's sisters transformed into their Super Angel Infinity forms and unholstered their massive swords from their backs, Lincoln's harem unholstered their massive swords from their backs and transformed, Sherlock Hound transformed into Super Angel Eternity Infinity Stellar Darkness Demon Hound of Dark Compassion and Demonic Justice, and he unholstered his massive Sparda's Demon Fang of The Demon Hound sword from his wider and more muscular back, Crash Bandicoot unholstered his massive Skylands' Elemental Wolf Sword of Elemental Justice from his wider and more muscular back and transformed into Super Angel Eternity Infinity Elemental Skylander Bandicoot Knight Angel of Elemental Bravery and Elemental Will, The Ghostforce, Brody, The Louds' Ancestors, The L-ementals, Noctis, Prompto, Ignis, Gladio, Stella Nox Fleuret, and Ravus Nox Fleuret got out their swords, Rayman had his gauntlets ready and he transformed, Hector got out his massive Heaven's Maw of Judgement sasumata pike, and Me, Nico, Nicole, and Eli unholstered our massive swords and transformed, and we went after Eric Cameron A.K.A. Adonis, and we fired powerful blasts of rainbow energy, colored energy, elemental forces, Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, Magic, rainbow flames, and rainbow crystals, and they exploded with incredible power as they hit him.

Then, Lincoln fired a massive barrage of rainbow energy blasts, which really hurt the deformed and angry criminal, but before he could attack, Lincoln stabbed him in his black heart with the massive gold blade of his massive Hinon's Cosmic Storm Sword of Universal Hope, Elemental Bravery, and Unbreakable Eternal Bonds, and Eric Cameron A.K.A. Adonis exploded in rainbow flames, and then his spirit appeared, but before Lincoln could give him the Black Gates, Eric Cameron's spirit was then grabbed by demonic hands and Lincoln came back to us, and Eric Cameron was dragged to Hell for all eternity. We then holstered our weapons and powered down.

Lincoln: That was really unexpected, but I didn't even use my Hell's Vengeance Curse on him ever.

Nico: Nope, this was due to his own vanity that condemned him to Hell forever.

Me: And he's not getting out of it that easily.

Duke Lincoln: (Scottish Accent) Thanks to his weakened and sickly body, he'll soon be demon food for the demons.

Lucille: (Scottish Accent) Aye, I agree, brother.

Lincoln: Well, that's it for another of Captain America's enemies. (To Loreena Kellington) And it's so good to see you again, Loreena Kellington.

Loreena Kellington reverted back to normal, and she's a beautiful 17-year-old girl with long flowing purple hair, purple eyes, she's tall at 6'5" in height, she has the body of a goddess, she has the kanji for Star tattooed on her forehead, she has massive purple angel wings with stars, and she reigned in the power of Arcana Force IV-The Emperor, and she's dressed in a purple sleeveless blouse, purple sleeveless dress top, purple skirt, purple pants, purple sneakers, and long purple sleeveless trenchcoat with stars on the coattails, and Arcana Force IV - The Emperor on the back, and holstered on her back is a large Arcana Force IV - The Emperor-themed sword with a 6'10" massive, wide, double-edged purple blade with Arcana Force IV - The Emperor etched on it, large purple angel wings for the crossguard, large purple gem embedded in the rainguard, longer black handle, and large purple gem with angel wings surrounding it for the pommel.

Loreena Kellington: You too, Lincoln, it's been a long time.

Lincoln went up to Loreena Kellington and they hugged, and Loreena Kellington's also very surprised at just how much taller and much more muscular Lincoln's gotten since they last saw him, and they also felt just how strong he's really become.

Lincoln: It sure has, I haven't seen you when you were sixteen, and as you can see, I really grew a lot since then.

Loreena Kellington: I knew you have, but whoa, you sure have really grown very big and strong like a tree, Lincoln, you've really grown a lot from the eleven-year-old cute little boy into a 17-year-old and permanently 7'5" tall, very handsome, and manly teen with abnormally massive and powerful upper and lower body muscles and eight-pack abs, that's so awesome.

Nico: Wow, Lincoln, you know her?

Lincoln: Indeed I do, Nico, this is Loreena Kellington, she's another of my Guardian Angels from Royal Woods, Michigan, and she, like her fellow Arcana Force Gene-Slammers is a powerful psychic and clairvoyant and she has incredibly powerful mastery over the stars, and like the other Arcana Force Gene-Slammers, she's known for stopping bad things before they happen. This one time, she saved all of Royal Woods from the terror of a mad scientist that was about to destroy the entire city with the power of a superlaser blast aimed at The Loud House.

We gasped in total shock.

Nico: Holy crap!

Me: This is really something we're going to hear, and we're really not going to like this one bit.

Suddenly, a Thunderbird of Eternal Love appeared around Loreena Kellington's neck with purple gems on the gold thunderbolt links and purple crystal links from brand-new Crystal Necklace of the Buddha which merged with her Thunderbird Necklace of Eternal Love.

Loreena Kellington: (Surprised) Whoa, is this…?

Lincoln: Yep, that's a Thunderbird Necklace of Eternal Love, and that means you're now part of my harem and one of my many future wives, Loreena.

Loreena Kellington had a smile on her face and tears coming from her eyes, as she wrapped her arms around Lincoln's waist, and Lincoln wrapped his abnormally massive and powerful muscular arms around her, and he leaned down and kissed Loreena Kellington on the lips, and they returned it, and we cheered for them. Then, we went up to the ten girls, and when Lincoln saw them, he recognized the girls immediately. The ten girls are Miyamae Kanako, Mariya Shidou, Shinouji Matsurika, Inamori Yuzuru, Ishima Ryuuken, Kiri Nanami, Kumagai Fumi, Momoi Sachi, Shiki Ayari, and Tsutsui Honoka from Maria Holic.

Lincoln: Oh wow, it's Miyamae Kanako, Mariya Shidou, Shinouji Matsurika, Inamori Yuzuru, Ishima Ryuuken, Kiri Nanami, Kumagai Fumi, Momoi Sachi, Shiki Ayari, and Tsutsui Honoka.

Nico: From Maria Holic, awesome.

Lincoln: Are you girls okay?

Mariya Shidou: Yes, we're okay, thanks to you.

Then, when Mariya Shidou and the other nine girls saw who it was that saved them from Eric Cameron A.K.A. Adonis, their faces turned atomic red upon seeing the 17-year-old permanently 7'5" tall, handsome, bare-chested hunk with abnormally massive and powerful upper and lower body muscles, eight-pack abs, long wild white hair going down to the bottom of his neck and rainbow lightning bolt highlights in the bangs of his long white hair, rainbow colored thunderbird with a gold lightning bolt emblazoned on his forehead with a Third Eye of the Buddha on his forehead with rainbow iris, golden lightning bolt cutie mark with the thunderbird and comic books right on his massive and wide right pec and it's surrounded by the symbols of Fire, Water, Ice, Wind, Earth, Nature, Light, and Darkness in a circle, large Celtic Cross cutie mark tattoo in the form of the cutie marks of Twilight Sparkle, Sunset Shimmer, Rainbow Dash, Applejack, Rarity, Pinkie Pie, Fluttershy, Starlight Glimmer, and Trixie Lulamoon, surrounded by a circle were the marks of the other girls in Lincoln's harem on his wider and more muscular back, and right on top was the Earth surrounded by the ring of mermaids and surrounded by a Thunderbird, Phoenix, Angel, and Buffalo, and right below the Cutie Mark tattoo is a deep sapphire blue kanji that said, "Lincoln Landon Loud, Champion and Emissary of Hinon, Master of Lightning Storms, The Weather, The Elemental Forces, The Cosmos, and The Universe, The Loud House's Man With A Plan, Golden-Hearted Brother of Many Siblings, and Golden-Hearted Lover, Father of Many Kids, Son, and Future Husband, Descendant of The 17th Century Duke Lincoln of Loch Loud in Scotland, Destroyer of Morag McLaughlin, Destroyer of Evil, Black-Hearted, Sadistic, Delusional, Power-Hungry Bastards, Talented Comic Book Writer and Video Gamer, God of Truth and Justice, and Ambassador and Beacon of Hope to The Universe", he has deep sapphire blue eyes, a tattoo of a pepper with fire surrounding it and a kanji that read "Spiciest Man of The Loud House" on his broader and muscular left shoulder, and a Mark of Manhood tattoo of a male bodybuilder with a barbell raised above his head and around him are elemental forces and an orange kanji that read, "Lincoln Landon Loud, Strongest, Bravest, Resilient, Courageous, Handsomest, and Manliest Warrior of The Loud Family" on his massive left muscular forearm.

He had his massive Hinon's Cosmic Sword of Universal Hope, Elemental Bravery, and Unbreakable Eternal Bonds holstered on his wider and muscular back, his large orange Crystal Saber, large orange Spellbook of The Gods and The Universe, large orange Spellbook of the Elemental Gods, and large electric blue Spellbook of the Thunderbird holstered on his left hip and his Eater of Sins revolver holstered on his right hip, the Pisces the Fish constellation and Aquarius Zodiac sign on the back of his neck and the Cygnus the Swan constellation on the back of his massive left hand, large weighted orange bands on his massive biceps and thighs with silver phoenixes on them, his large gold cuff Bracelets of The Champions of the Universe with large orange gems on his large wrists, massive and indestructible deep sapphire blue angel wings with stars and blue nebulae reflecting on them with rainbow tips on the large deep sapphire blue feathers, and he was dressed in an orange version of He-Man 2002's loincloth with hanging silver lightning bolts and long orange trenchcoat coattails with elemental forces, Thunderbirds, Phoenixes, and Buffalo on them and with hanging mini silver lightning bolts held up by his large gold Belt of Elemental Bravery with a large gold buffalo head with orange gems for eyes and a large orange gem in its mouth for the belt buckle on his waist, a pair of large blue pants with multicolored lightning bolts on the thighs with the orange kanji that said, "Savior of The Loud House, True Hero, Amazing and Powerful Student of Numerous Amazing and Powerful Teachers, Shinobi of The Hidden Leaf Village, Member of The Crusaders of The Thunderbird, Founder of Team Loud Phoenix Storm, Dodgeball Angel King of Gotham Royal York, The Unifier of The Three Kingdoms, and Destroyer of The House of Damaskinos" on the left leg, and large white leather combat boots with gold lightning bolts surrounded by a circle of smaller gold lightning bolts and armor on the toe area, silver Buffalo head stud earrings with the Thunderbird and Eternity Kanji on it, large Thunderbird Necklace of Eternal Love with colored gems on the gold lightning bolts and orange crystals from his merged large Crystal Necklace of The Buddha with a large Element of Harmony deep sapphire blue gem in the shape of a Thunderbird and a large silver Buffalo head with the Thunderbird and Eternity Kanji on its head for the pendant on his bare chest, large fingerless orange gloves with the symbol of The Loud House on it and surrounded in a diamond formation are a Phoenix, Thunderbird, Buffalo, and Angel, a large Orange Buffalo Animal Spirit Ring which merged with his Ring of The Phoenix on his left ring finger, large Blue Lantern ring on his right ring finger, he had eight large orange orbs orbiting around his legs, and circling around his feet on the floor are eight golden crosses with angelic runes.

Miyamae Kanako: Oh wow, you're Lincoln Loud of Team Loud Phoenix Storm.

Lincoln: That's right, and it's a pleasure to meet you all.

Then, Lincoln made nine clones of himself, and he and the nine clones went up to the girls, and hugged their waists in their abnormally massive and powerful muscular arms, and they lean down and kissed the girls on the lips, which they returned with equally intense passion, as they wrapped their arms around the necks of Lincoln and his clones, and we cheered wildly at the scene.

Miyamae Kanako: (Seductively and rubs her right hand on Lincoln's massive and wide right pec) You too, big, tall, muscular, and handsome.

Suddenly, ten Thunderbird Necklaces of Eternal Love appeared on the necks of Miyamae Kanako, Mariya Shidou, Shinouji Matsurika, Inamori Yuzuru, Ishima Ryuuken, Kiri Nanami, Kumagai Fumi, Momoi Sachi, Shiki Ayari, and Tsutsui Honoka with colored gems on the gold lightning bolts and crystals links from their merged Crystal Necklaces of The Buddha. We returned to the TLPS World Tree Estate and we told everyone about the rescue, and they were shocked when they found out that the villain we went after was Eric Cameron A.K.A. Adonis, another of Captain America's enemies.

But, when Lincoln showed what we did to him, everyone cheered wildly for Lincoln and the rest of us, and they hugged us, and the girls in Lincoln's harem then went up to Lincoln, and they kissed him all over. Lincoln and Loreena Kellington have a lot of catching up to do, now that she's back in town.

Lincoln: And we also got a little something for everyone.

Lincoln took out the grilled cheese sandwiches and containers full of tomato soup with egg noodles and Goldfish crackers, and everyone had a lunch feast.

Maria: Wow, this is so good. But, I can't believe that Eric Cameron A.K.A. Adonis got dragged to Hell before you could Black Gate him, Lincoln.

Lincoln: It's best he suffers for his vanity in Hell than get erased from existence. Besides, he's not going to survive against the demons of

Hell, especially with the ailments plaguing him.

Me: That's true, but even though we feel sorry for him, this still doesn't excuse what he's done.

Nico: Stealing from S.H.I.E.L.D. and after the accident, he killed people in his rampage before he went into hiding in the swamps, he's been set on that path of darkness thanks to his vanity, and the illness he had must've driven him to extremes.

Eli: Big time.

Lincoln: But, now, Eric Cameron is gone for good, and we avenged those he's killed after the accident with the S.H.I.E.L.D. Master Matrix, and I'll also tell Director Fury about this.

Me: He'll be glad to hear the news, big guy.

* * *

After getting rid of Eric Cameron A.K.A. Adonis for good, we were training intensely in the gym, this time, doing 150,000,000 reps of crunches, wing push-ups and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 9,500-lb barbells, squats, and going a few rounds with the punching bags, and we were really sweating like crazy, even doing yoga to clear our minds, and when Loreena Kellington saw Lincoln working out like crazy, she had an atomic red blush on her face.

Loreena Kellington: Whoa, I was right that Lincoln has really grown to be a 17-year-old permanently 7'5" tall, really big, and really strong man, just look at those abnormally massive and powerful upper and lower body muscles and his eight-pack abs hard at work, and working out with those 9,500-lb barbells and he's not even get tired, incredible.

Lincoln: Yep, and I've also trained a lot under some very powerful teachers, J.D. and Nico included, Loreena, and now, I can also defend myself, and in addition to getting stronger, I've also gotten smarter as well.

Loreena Kellington: That's incredible.

Nico: It sure is. So, Loreena, how did you stop that fucked-up mad scientist that was about to destroy all of Royal Woods with the power of a superlaser blast aimed at The Loud House?

Loreena Kellington: You're not going to like this one bit. One day, I was walking through Franklin Avenue, but then, I had a vision: I saw a mad scientist aiming a superlaser at The Loud House, and he was going to fire it to destroy not only The Loud House, but also all of Royal Woods. I wasn't going to let that fucked-up maniac get away with it, so I went to his lair, and I destroyed his superlaser, and I proceeded to pulverize the bastard badly, and after I tied him up, I called the cops on him. When the cops saw the mad scientist I captured, they were surprised: the person I captured was Jacob Wesley, and from what I heard about him and from his criminal history, he's an incredibly dangerous mad scientist who's terrorized all of Royal Woods with his mad creations and inventions. But, we also found out that he was also working for Team Rocket, and he also helped in the Gene-Slammer Project that Giovanni had, and when he heard of what happened, he wanted revenge on you guys for what you all did to Giovanni and to all of Team Rocket. The cops took him away, and after that, he was tried and convicted, and ultimately, he was found guilty of his crimes and was sentenced to death by lethal injection in San Quentin. The next day, as soon as they put the needle in him, he was executed for his crimes.

We were horrified, but we also cheered for what Loreena Kellington did, but we were also enraged that this mad scientist was also working for Team Rocket.

Nico: Even dead, Giovanni's nothing more than a plague to mankind.

Me: And that fucked-up mad scientist was also working for Giovanni and Team Rocket.

Lincoln: And he also helped out with that Gene-Slammer project of Giovanni's, now that's really bad. But, we're still cleaning up the mess that Team Rocket's caused with Gene-Slamming our friends and Guardian Angels.

Eli: If Giovanni returns, please someone rip his black heart out and devour it in front of him.

Nico: That'll either be left to me, J.D., or Lincoln, and that'll be if Giovanni shows his ugly face.

We got a shower afterwards, and after that, Lincoln and his harem are getting ready to head out to play golf on Lakitu Valley, Cheep Cheep Lagoon, and Mario's Star Golf Course in the world of Mario.

Lincoln: Alright, ladies, shall we?

Sam Simpson: Of course, Linky.

Lincoln and and his harem headed for Lakitu Valley in the world of Mario, and they began playing the first game of golf here, and then, they headed to Cheep Cheep Lagoon to play a second game of golf there, and then, they were about to head to Mario's Star Golf Course in the world of Mario to play the final game of golf there.

?: I will plunge this entire world into eternal darkness!

Suddenly, the eight large orange orbs orbiting around Lincoln's legs glowed and were spinning like crazy.

Lincoln: I should've known you'd be here, Dark Enchantress Cookie, along with the Bread Monsters of Team Fortress 2.

Lincoln and his harem saw a figure come out, it was none other than Dark Enchantress Cookie, and with her are the mutant Bread Monsters of Team Fortress 2.

Paige: Oh shoot, that's Dark Enchantress Cookie from the Cookie Run games, and those monsters are the Bread Monsters from Team Fortress 2.

Lincoln: There's no way I'm letting you and The Bread Monsters wreck our date, Dark Enchantress Cookie, it's time for you to die. Girls, stand back, this is going to get really messy.

Lincoln unholstered his massive Hinon's Cosmic Storm Sword of Universal Hope, Elemental Bravery, and Unbreakable Eternal Bonds from his wider and muscular back, and he transformed into Super

Angel-Ebonwu-Thunderbird Eternity Infinity Elemental Thunderbird Buffalo Angel of Universal Justice and Elemental Hope, and he went after Dark Enchantress Cookie and the Bread Monsters, and he fired powerful blasts of rainbow energy, colored energy, Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, Magic, rainbow flames, rainbow crystals, and rainbow super lightning at Dark Enchantress Cookie and the Bread Monsters, and they exploded with incredible power as they hit them, killing the Bread Monsters.

Then, Lincoln fired a tanned slime at Dark Enchantress Cookie, which engulfed her, and he called the slime pile back to him, and as it merged with him, Lincoln absorbed Dark Enchantress Cookie and he assimilated all of her powers and abilities, and after all of her energy and power was sucked out and drained by Lincoln, Lincolns 2, 3, and 4 cut her down and she was erased by The Black Gates for all eternity. The girls cheer wildly for Lincoln as he holstered his massive Hinon's Cosmic Storm Sword of Universal Hope, Elemental Bravery, and Unbreakable Eternal Bonds on his now wider and muscular back and powered down.

Lincoln: That's it for that wicked mage. Now, then, shall we enjoy our last round of golf?

Lincoln and his harem head to Mario's Star Golf Course to play the final game of golf there, now that Dark Enchantress Cookie and the Bread Monsters have been dealt with for good. Then, as the sun was about to set, Lincoln made clones of himself, and Lincoln and the clones went up to the girls in his harem, and they pick them up in their abnormally massive and powerful muscular arms, and as the sun turned orange, they passionately kissed and hugged with supercharged and intense passion. Then, they came back home to the World Tree Estate.

Nico: Hey, gang, how was your date?

Lincoln: It was awesome, Nico, we went to Lakitu Valley, Cheep Cheep Lagoon, and Mario's Star Golf Course in the world of Mario for three games of golf.

Me: Wow, that's awesome. But, I can also sense you guys had trouble, right?

Lincoln: Yep, we had some uninvited guests there: it was Dark Enchantress Cookie from the Cookie Run games and the Bread Monsters from Team Fortress 2.

Medic: I thought we got rid of those monstrosities for good.

Lincoln: But, this time, we finally got rid of the Bread Monsters for good, and as for Dark Enchantress Cookie, I used Majin Buu's absorption technique by firing a tanned slime at Dark Enchantress Cookie, which engulfed her, and as I called the slime pile back to me, it merged with me and as I absorbed her, I assimilated all of her powers and abilities, and after I sucked out and drained her of all her energy and power, Lincolns 2, 3, and 4 cut her down and she was erased by The Black Gates for all eternity.

Me: Awesome.

Later it was time for Nuju's first ever Ambassador Mission and we are really looking forward to this one. It will be where we meet the W Kamen Riders.

Me: This is gonna be so awesome!

Laney: Yeah it sure will be!

Lana: Yeah!

William: Anyone else want to go with Nuju? Besides Troy and 2 Rabbids?

Megan Kiraton: You know that I will go. W is another one of my favorite Kamen Rider series.

Laney: Cool!

Tsukuyomi: I'll go too. This will be fun.

Nico: All righty. Lets head on over.

We were off to Japan.

We arrived.

Ryu Terui: (sees Nuju) Another Dopant? From the looks of things, this one's white.

Shotaro: I think we know what to do against these guys by now.

Philip: Good. Then this won't take long.

Shotaro pulls out his belt and places it on his waist before pulling out the black flash drive with his right hand. A second belt appears on Philip's waist. Philip pulls out the green flash drive with his left hand, and presses a button on it.

Cyclone Memory: Cyclone!

(At the same time, Shotaro presses the button on his black flash drive)

Joker Memory: Joker!

Now we see a cross section screen of the two crossing the hands that hold the flash drives across their bodies, lined up with editing to form a W.

Shotaro and Philip: Henshin!

With that cry, Philip places his green flash drive into his belt, and it immediately vanishes as he falls unconscious, only for the device to appear unsecured in Shotaro's belt, but he secures it, places his in the other side, and then splits the center portion of the belt so the flash drives appear at a 45 degree angle.

Double Driver: Cyclone! Joker!

As the Double Driver announces the Memories in question again, debris starts to fly around in a sudden wind, only to form on Shotaro into his suit, half green and gold, half black and purple, with a silver line down the middle, two silver points projecting out from where the eyebrows would be, two large red eyes, and a silver scarf-like piece of cloth coming off the back of his neck. Ryu Pulled out a belt that looks like a pair of motorcycle handlebars and a speedometer, placing it on his waist, then pulling out a red Gaia Memory. Then, he presses the button on the Memory.

Accel Memory: Accel!

Ryu: Hen… shin!

With that, Ryu places the Memory into a slot on his Driver, and then twists the handle on the right.

Accel Driver: Accel!

At that cry, red energy pistons emerge from seemingly nowhere, circle Ryu vertically, and disappear once they form his mostly red armor, save some silver accents, the giant blue visor, and what looks like a wheel on his back.

Ryu: Now, let's shake it off.

Shotaro and Philip: Now, count up your sins!

Shotaro: (to Ryu) Take the white one. We'll take on the one doing a very bad impression of J.D. Knudson.

Ryu: Got it.

Ryu turned into his BikeForm and drove at Nuju. Meanwhile, Shotaro charged at me. While this is going on, the two Rabbids decided to take Philip's body to a safe spot so he wouldn't get hurt during the battle.

I grabbed Shotaro's fist.

Me: (Speaking in Japanese) ショウタロウ、フィリップ、私たちはドポンではなく、本物だと確信しています。私は本物のジェームズ・ディーン・ナドソンであり、彼は私たちと一緒にいます。(Shotaro, Philip, I assure you we are not Dopont's and we are the real thing. I am the real James Dean Knudson and he is with us.)

Philip: Oh my gosh! J.D. Knudson!?

Me: That's right.

Shotaro: Oh man! You are the real deal.

Ryu Terui: Then he is with you?

Nico: That's right. It's awesome to meet you all. Sorry for the scare.

Megan Kiraton: Yeah it's Nuju's first Ambassador Mission with you guys. My name is Megan Kiraton and I'm one of your biggest fans for W.

Philip: Wow it's a pleasure to meet you.

Troy Burrows: My name is Troy Burrows and I'm the leader of the Megaforce and Super Megaforce Rangers.

Me: You guys know them as the Goseigers and Gokaigers over here in Japan.

Philip: (wakes up and sees the Rabbids) Thanks for keeping my body safe, little guys.

Me: Those little guys are called Rabbids. They aren't the brightest light bulbs in the closet if you know what I mean.

Tsukuyomi: But they are funny.

Philip: Tsukuyomi? Wow! Awesome to see you here.

Tsukuyomi: Same to you Philip.

Shotaro: Welcome to Futo, Nuju. Also known as the Windy City.

Nuju: Just like Chicago, Illinois.

We laughed at that.

Me: That is very coincidental that Futo here in Japan and Chicago both share the same city title.

Nico: Yeah it sure is.

Megan Kiraton: That is so cool though.

Philip: It sure is. Also we heard about you guys meeting our fellow Kamen Riders. Is that true?

Me: It sure is. They are just as awesome as some of them were when they helped us during the 20 Days of Darkness.

Shotaro: 20 Days of Darkness?

Me: Horrible event for us in our teams history. From January 23rd, to February 11th, 2021 we went through 20 of the most grueling and depressing days ever because of an enemy douchebag from Nico's past.

Nico: Yeah it was awful.

Shotaro: I'm afraid we didn't help you guys during that time. Sorry about that.

Me: No worries there.

Philip: Why don't we show you guys the base?

Nico: Sure.

We went to the W Base.

Philip: Megan what Kamen Riders do you know?

Megan Kiraton: I have been a huge fan of you guys for as long as I can remember. I know W, Wizard, Saber, Gaim and OOO.

Me: Megan is a true Kamen Rider. She knows so much of the series and it is awesome. She knows many of them just like the team does.

Nico: Yep. We met the Hibiki, Kabuto, Kiva, Den-O, OOO, Gaim, Decade and now W.

Shotaru: That is really cool.

Ryu Terai: That sure is awesome. We also saw a massive and huge explosion from another city in Japan.

Me: That was us blowing up the Yggdrasill tower for the Gaim Kamen Riders.

Shotaru: WHOA!

We arrived.

Shotaro: Here we are.

Nico: Nice place.

Megan Kiraton: Yeah it sure is.

Philip and Shotaro got us some tea.

Me: Oh thank you.

I had some and it was Edo tea.

Me: Mmm. Edo tea. Been a long time since I had it.

Philip: You sure know a lot about Japan.

Me: Been here many times before the team and after with the team. Learned so much here.

Nico: It's awesome.

Me: Yeah.

Nico: I really dig the count up your sins line you guys always say.

Eli: That line is really awesome.

Me: Sounds like something the Ghost Rider would say before he uses the Penance Stare on those that are evil.

Philip: Yeah that is true.

Nico: That is really awesome though.

Nuju: Yeah. What can you tell us about the Dopants though?

Philip: They are criminals that can turn into monsters.

He told us all about them.

---

The Dopants are the antagonists of the Heisei Phase 2 Kamen Rider series Kamen Rider Double. Dopants are actually normal humans who use Gaia Memories. The Gaia Memories are aspects of the true Gaia Memory, the knowledge of everything on the Earth. These were originally accessed due to Philip's link to the Gaia Memory by means of the Gaia Library. But after he was taken from them, the Sonozaki Family uses a strange temple underneath their mansion to access the Gaia Memory. They then sell these to the highest bidder or to common criminals, both types used as guinea pigs to study the Gaia Memories as part of the Gaia Impact project. The name comes from the English words "dopant" and "doping".

A Gaia Memory is a mysterious device resembling a USB flash drive that contains all of the Earth's knowledge of what it represents. This enables its user to become a Dopant, or in some special cases, a Kamen Rider. Every Gaia Memory is adorned with the first letter of its name, stylized to reflect the powers it imbues on its user. For example, the Injury Memory (acquired by Shotaro and Philip before the series begins) resembles a broken bone in the shape of the letter I. Each Memory also features a button which when clicked causes the Memory to loudly declare its name; while this is traditionally done immediately before inserting the Memory by Riders and Dopants alike, it is unclear if it is actually mandatory to activate the Memory's powers. In order to transform into a Dopant, the Gaia Memory is first inserted into a device called the L.C.O.G (the acronym for "Living Connector Setting Operation Gun", though normally called called a Connect Shooter, which then produces a USB port-like tattoo on the user's skin called a Living Connector. Whenever the Gaia Memory is pressed onto the Living Connector, it enters the user's body and transforms the user into a Dopant. Use of a Gaia Memory without a Living Connector is possible, but the side effects of doing so are nearly fatal.

This direct insertion will eventually drive its user insane from its addictive influence, which is why special belts called Memory

Drivers have been developed for use by high ranking members of the Museum to filter out these and other side effects. This has the side affect of visibly weakening the Dopant's powers. Due to this, Museum members use some of the strongest Gaia Memories ever created to more than compensate the loss of power.

To defeat a Dopant, a Kamen Rider has to use one of his Maximum Drive finishing attacks to eject and destroy the Gaia Memory, resulting in what is called a Memory Break'. Evolved Gaia Memories, however, require a direct strike on its location within the Dopant's body to execute the Memory Break without the risk of killing the user. If the Dopant does not have a Living Connector, a Memory Break will not occur, however the Gaia Memory will still be ejected from the user's body. In order to defeat a Dopant that uses a Memory Driver, the belt must be broken in order to defeat the Dopant and cause the Memory Break.

In the movie Double Forever, the Dopants use T2 Gaia Memories, 26 special Gaia Memories developed by Foundation X based on Fumine Sonozaki's findings. Though originally in the possession of Jun Kazu before giving it to another member of the Foundation to take to their headquarters, the T2 Gaia Memories end up in the possession of mysterious terrorist group NEVER. Unlike the original Gaia Memories, these memories appear to have some sentience, injecting themselves into people who are compatible with them (Watcherman and Santa-chan) or causing a Living Connector to appear on someone's skin (Queen). Other than their leader, each member of NEVER uses a T2 Gaia Memory based on one of Kamen Rider Double's Gaia Memories.

Other Gaia Memories seen, yet not used in the series include Finger, Lightning, Key, Umbrella, Gravitation, Apple, Star, Dog, Injury', Crab', Orange', Time, Zero, Jazz', Ear', Music', Hell, You, Pyramid, and Ocean'.

In the real world, special edition Kamen Rider Gaia Memory Toys feature not only Gaia Memories used in the series but also Gaia Memories that features Kamen Riders, the Imagin Momotaros, and limited edition Gaia Memories like the Ganbaride Gaia Memory and the CycloneJoker Televikun Gaia Memory.

When he was done we were shocked!

Me: Whoa man!

Eli: That is terrible.

Nico: Yeah so they are all criminals that have these chips in them.

Shotaro: That's right.

He showed me a Hell chip he took.

Me: Hmm. These chips look so much like USB Flashdrives and they are all pure evil.

Nuju: I'm really sorry about what happened to your family, Ryu.

Ryu: (smiles sadly) It's okay, Nuju. I learned long ago that vengeance won't bring them back.

Nico: You know, you're very similar to the Arcee from the Aligned Dimension.

Ryu: You mean how we both turn into motorcycles.

Nico: (laughs) Well, besides that. She had to learn a lesson about vengeance as well. Back on the Cybertron in the Aligned world, she was partners with a bot named Tailgate. One day, the both of them had an encounter with Airachnid.

Shotaro: Isn't that one of the Mr. Mind's goons?

Nico: Yep. Anyway, Airachnid killed Tailgate in front of Arcee. For a long time before I met the Aligned Autobots, she was obsessed with vengeance against Airachnid. But eventually, she learned that revenge doesn't benefit anyone most of the time.

Philip: Did Arcee ever settle the score with Airachnid after that?

Nico: Yep. Last year, during the battle against Mr. Mind. It was Arcee herself who killed Airachnid.

Me: That's true. Also Ryu my friend Sasuke Uchiha had to learn a really big lesson about vengeance as well. His entire family was murdered by his older brother Itachi because of the Hidden Leaf Village's corruption and he swore revenge too.

I told them everything about what happened with me when I exacted revenge on 2012's Shredder and The Kisenian Blossom, Sasuke exacting revenge on Itachi, Eli exacting revenge on Sephiroth, and more. Also I revealed how Megan Kiraton lost her family because of her evil father and how it ruined her life and more and it was horrible. When I was finished it was REALLY SHOCKING!

Ryu: That's awful. I didn't know that is what would have happened to me.

Nico: Yeah vengeance is not a good thing. It's a Double-Edge Sword. It will only lead you on a one way path to your own destruction.

Ryu: Wow.

One of the Rabbids tried putting a Gaia Memory in his mouth.

Ryu: No! That's not for eating!

I took the Gaia Memory from them.

Me: No no guys. They may not be the brightest but they are really funny.

Nuju: It's true.

Me: But still you guys going after Dopants are really cool. And it's amazing that many of them are all wanted criminals.

Philip: It sure is.

Me: We would be more than happy to let you use our space prisons to send those dirtbags to.

Ryu: Thanks guys.

Me: No problem.

Nico: Yeah.

Philip: Maybe we can have you guys send the entire Sonozaki Family there too.

Me: Oh man. I've heard about the Sonozaki Family. They are as dangerous as any member of the Yakuza or any member of the Mafia from any part of the world.

I went over their history.

---

The Sonozaki Family is an aristocratic family who run the Museum organization and the central antagonists of Kamen Rider W.

With the exception of Raito and Fumine, they each own special golden Gaia Memories, allowing them to assume Dopant forms with the use of a prototype Gaia Driver belt. They are easily identified as "Commanders" by Shotaro and Philip because they have belts. Ryubee spends the Museum affairs when he invites his family to beg as Wakana will become all-powerful through the Gaia Impact, but Saeko fights against her instead while Shroud takes her to Philip on stopping the Gaia Impact.

He then sacrifices Raito (Philip) into the Gaia Memory to make one with the Earth. When the Gaia Impact was to succeed, they confronted him about the Evil Tail. After denying about his own fears, Ryubee tried threatening them into giving the Evil Tail only to overcome his fear, thus bringing Philip`s conscience back which caused a glitch in Wakana and the Gaia Impact. Shocked and angered at Shotaro`s actions he then fought Double until the RevolGarry and Accel arrived to assist Shotaro and Philip.

In the end, it results with Wakana sacrifices her body to give Philip (Raito) his body back, the family watch over Philip and tasks him with the family duty to protect Futo and change the world for the benefit of mankind.

Members of the Sonozaki Family

Ryubee Sonozaki - The head of the Sonozaki Family and leader of the Museum, acting as a godfather of the organization.

Saeko Sonozaki - The eldest of the Sonozaki children who runs an IT company called the Digal Corporation, which serves as a front for Gaia Memory production and distribution.

Wakana Sonozaki - The youngest daughter and middle child of the Sonozaki family who since her brother's death has been secretly raised to become the key element in her father's plans.

Kirihiko Sudo - A Gaia Memory Dealer who for the first part of the series was married to Saeko up until his death at her hands.

Yukie Sudo - The sister of Kirihiko Sudo, hence the sister-in-law of Saeko Sonozaki.

Mick - The beloved pet of Ryubee and one of the top hitmen of the Museum as the Smilodon Dopant.

Philip / Raito Sonozaki - The sole son and youngest child of the family who was used for the creation of the Gaia Memory devices.

Shroud / Fumine Sonozaki - The mother of the family who defected from them to plan for her revenge against her husband.

When I was finished everyone was shocked!

Eli: Oh man! That's crazy!

Nuju: They want to distribute Gaia Memories all over the Criminal Underworld? That's crazy!

Megan Kiraton: What they are doing is pure evil.

Me: I'll have to put INTERPOL and the big Law Enforcement Agencies on alert for them. We can't have them running around.

Shotaro: (hears sirens) Either there's been a car accident. Or a Dopant's made his move.

Me: I think it's the second one.

Nuju: Time to kick some butt!

We went and we saw MAGMA, SWEETS, MONEY, TRICERATOPS AND JEWEL DOPANTS!

Nico: We got five of them! Yousuke Togawa/Magma Dopant, Taizo Kaga/Money Dopant, Yukiko Sasaki/Sweets Dopant, Aya Kujo/Triceratops Dopant and Makoto Uesugi/Jewel Dopant.

Megan Kiraton: 5 bad criminals.

Eli: And prison is the only place fitting for these dirtbags!

Me: Yep. Lets get them!

Megan Kiraton: They obviously don't know that I can do this too.

She pulled out a black Kamen Rider Ring and she put in on.

DRIVER ON! PLEASE!

SHABADOOBIE TOUCH TO HENSHIN!

Megan Kiraton: STAR INFINITY HENSHIN!

STAR INFINITY! STAR INFINITY STAR INFINTY! STAR INFINITY! STAR INFINTY! STAR INFINITY!

Hoshi-Hi-Sui-Fu-Do, Bou-Zaba-Byu-Dogon!

She turned into STAR INFINITY! IT WAS A PITCH BLACK DIAMOND VERSION OF HARUTO'S WHITE DIAMOND INFINITY FORM! YEAH!

Nico: WHOA! MEGAN THAT IS AWESOME!

Me: Wow! Megan this is really cool!

Eli: A Star Infinity form for Wizard! This is gonna be so cool!

Megan Kiraton: Yep.

Troy: Go Go Megaforce!

Shotaro and Philip: Henshin!

Ryu: Hen… shin!

Philip placed his green flash drive into his belt and it vanished, with him falling unconscious. The Rabbids carried his body to a safe place.

Philip and Shotaro turned into CYCLONE JOKER!

Megan Kiraton: NOW IT'S SHOWTIME!

Shotaro and Philip: Now, count up your sins!

Ryu: Now, let's shake it off!

Eli: It's Buttkicking Time!

Me: Jewels Dopant, to quote Kairi Yano of the LupinRangers "Here's an Advanced Notice: We're taking your treasure."

Nico: And we're going to kick all five of your big fat ugly fucking asses!

Nuju: Yeah!

I went Super Angel 10,000.

Me: Haven't don't this form in a while.

Phoenix: (From inside my head) J.D. you can use my sword and wings in this form and you can use my sword freely when needed.

Me: Understood Phoenix.

I summoned Phoenix's sword and spread wings of Pure Fire!

Nico: AWESOME!

Me: Time to burn!

Aya Kujo: (tries to punch Ryu) I just wanted to take revenge on this city for the loss of my partner!

Ryu: (catches her fist) And for that, I'm really sorry.

She turned into the TRICERATOPS DOPANT!

Eli swooped in and formed a Force Lightning fist and punched the Triceratops Dopant in the arm and she screamed in pain as the Triceratops Gaia Memory fell out of her arm and Eli caught it.

Eli: Gotcha. Ryu maybe there is a possibility that we can purify these to use for good.

Aya Kujo reverted back and she fainted.

I slashed the Sweets Dopant and burned her all over. She fired a whipped cream blast and it hit me in my face and hardened and then I flared up a fire aura and melted it off.

Me: Now that was awesome and sweet.

I fired a lightning blast and it hit the Sweets Dopant and the Sweets Gaia Memory fell out of her. I caught the memory and Yukiko fainted and reverted back.

Nico: You and Philip are a great team, Shotaro. (avoids Money Dopant's fists)

Shotaro: (punches Jewel Dopant) Just like your friend Firestorm..

Nico: Um, we actually haven't met Firestorm yet.

Shotaro: Wait. You haven't?

I slashed Magma Dopant and fired waves of fire at him.

Me: No but we're going to later.

Megan Kiraton slashed Money Dopant all over and sprinkled him with Poison Dust and he exploded all over. And then…

KRABBBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

He exploded and Taizo Kaga fainted and Eli got the Money Gaia Memory.

Nico slapped the cuffs on him.

I slashed Magma Dopant all over. I then blasted him with fire and he exploded!

KRABBBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

I caught the Magma Gaia Memory.

Me: Nice.

I slapped the cuffs on Yousuke.

Troy Burrows: One more left.

We faced the Jewel Dopant.

Troy blasted him all over and Nuju froze Jewel Dopant in ice and Nico and Philip and Shotaro blasted him all over and destroyed Jewel Dopant and I got the Jewel Gaia Memory.

Nico: You 5 Dopants have failed this city!

Eli slapped the cuffs on Makoto.

Troy: That's a Mega Win!

Nico: Yeah it is!

Philip and Shotaro reverted back and Philip was back in his body.

Me: That's 5 nasty criminals that won't be causing trouble anytime soon.

They were loading into our paddy wagon.

Makoto Uesugi: You monsters will pay!

Me: Tell it to the judge Uesugi!

Nico: Yeah!

They were taken away. They were going to be doing TONS OF HARD LABOR!

Eli: We'll have to build a space prison for Dopants.

Me: Not a bad idea Eli and I know just where we can put it.

Nico: Where?

Me: On Jupiter's moon Callisto.

Nico: Nice.

We later came back.

May: How did it go guys?

Me: Really awesome.

Nuju: Yeah it was.

We told them all everything and it was really cool and great!

May: WHOA!

Laney: That is so cool!

Lana: Yeah it was.

May: Next time, Tyler Bowman should go with you.

Nico: Good idea.

Nuju: Yeah that's awesome.

* * *

Later we were walking to the middle of the city. But then the jewelry store was getting robbed!

Himiko Toga: Another crime ready to be stopped!

Nico: Looks like we got a 2-11 in progress! Lets go!

We went at the store!

Robber: GIVE US THE JEWELS YOU ALL GOT!

Himiko then kicked the robber right in between his legs and he covered his kiwis in pain!

Himiko Toga: Now you stop right there boys.

Robber 2: WHY YOU LITTLE!

But then a fireball flew in and it hit the 3rd Robber and exploded!

KRABBBBBBBBOOOOOOOOOOOOOOOOOOOOOMMMMMMM!

Blade: A fireball?

Lola: Not from me.

Carmen Rockell: Or me.

Himiko Toga: I think it was from him.

We turned and we saw FIRESTORM!

Me: Ronnie Raymond A.K.A. Firestorm!

Firestorm: An honor to meet you all Team Loud Phoenix Storm.

Nico: You too Ronnie.

We tied up the robbers and then loaded them into the paddy wagon.

Nightbird: Is Professor Stein merged with you?

Firestorm: Yes he is. And he and I are awesome partners.

Me: That is awesome.

Nico: Yeah it sure is.

Laney: Yep.

Green Arrow: Good to see you again Ronnie. Glad you are now going to be part of the team.

Firestorm: Same here Oliver.

Eli: This is gonna be so awesome and cool.

Arcee: You're the second hero comprised of two people that J.D. and Nico have met today.

Me: The first one is Philip and Shotaro of the W Kamen Riders.

Firestorm: That is very coincidental.

Himiko Toga: It sure is.

Carol Pusateri: Yeah it sure is cool.

Rainbow Dash: This was a really awesome day for us so far.

Nico: It sure is. We went to an awesome planet of Chicken Wings.

Me: A Grill Cheese Sandwich and Tomato Soup planet and now we met the W Kamen Riders. This day is getting more and more awesome.

Nico: It's about to get even better. Lets head back to the estate and get ready for our next mission. I have something awesome planned.

We went back to the estate.

We were back at the estate.

William: I really missed you yestreday, Maria.

Maria: I missed you too, William. But I know how to make up for it.

Drag Strip: What do you have in mind?

Maria: An awesome dinner at the restaurant from the movie Ratatouille.

Nico: Awesome! And coincidentally that is our next mission.

William: Wow! Perfect timing.

Sora: It'll be awesome to see Remy again.

Nico: Yeah and we had an awesome rescue for me there too.

Me: I remember that too. That was so fun.

Marinette: This will be awesome.

Chloe Bourgeois: I remember going to Gusteau's ages ago. Great food.

Me: Very luxurious too.

Fu: And very tasty too.

Lana: It sure is delicious.

Nico: First we're going to watch the Ratatouille movie and then we'll get ready.

Lincoln: Hopefully this place will have much better food than the last place.

Stella Zhau: Yeah that place was a dump.

Laney: No kidding.

Then Brass Knuckles, Titanium Toenail, Electropede, Gameface, Dumbelltron, Loki, Whirlin, Whiger, Ryugu Tamatebacco and Count Nocturne appeared.

Brass Knuckles: Can me, Titanium Toenail, Electropede, Gameface, Dumbelltron, Loki, Whirlin, Whiger, Ryugu Tamatebacco and Count Nocturne go with you guys?

Nico: Yes you sure can. We're going to the restaurant in Paris that Remy, Linguini and Colette work at and we're going there not only for dinner but also we're going there to bring down Skinner.

Me: We took him down on Nico's rescue but not all of us got a crack in on him.

Lincoln: Yeah.

Titanium: Cool! This is gonna be fun.

Loki: Yeah it is!

Whiger: Looking forward to this one.

Scrapper: Nico, which Gene Slammer do you think you'll meet next?

Nico: I'm hoping to have Kenai come with me on this one. But I'm hoping to meet gene-slammers for A Grizzly Bear, Polar Bear and a Panda Bear next.

Me: Wow! This is gonna be awesome to see.

Laney: Three Bear Gene-Slammers. How cool would that be?

Lana: It would be awesome.

Kenai: And I'm honored to go with you on that one Nico.

Nico: Cool. Lets watch Ratatouille before we head out.

We got to watching it.

---

Remy is a rat who lives in the attic of a French country home with his brother Emile and a rat pack led by his father Django. Gifted with a strong sense of smell and taste, Remy aspires to be a gourmet chef, inspired by France's recently deceased top chef, Auguste Gusteau. Instead, however, his talent is put to work in sniffing for rat poison. When the pack is discovered by the home's occupant, they flee into the sewers; Remy becomes separated from the others and ends up marooned underneath Gusteau's restaurant in Paris, conversing with a hallucination of the famous chef.

Urged on by Gusteau, Remy makes his way up to the restaurant's kitchen skylight to watch the staff in action. There, he observes Alfredo Linguini being hired as an escuelerie by Skinner, the restaurant's current owner, and Gusteau's former sous-chef. When Linguini spills some of the soup and attempts to recreate it using random ingredients, Remy is horrified, and falls into the kitchen; there, instead of escaping, he fixes the soup. Remy is caught by Linguini just as Linguini is caught by Skinner, but before anyone can stop the serving staff, the soup is served and Skinner notices a woman tasting the soup. She then calls the waiter and fires him but the woman asks her to see him. She turns out to be a food critic and that she likes the soup. Colette, the staff's only female chef, convinces Skinner to retain Linguini, believing him to be the success behind the soup. Linguini takes Remy home instead of killing him, as Remy was the "little chef" who made the soup.

After a lot of training, Remy and Linguini overcome their language barrier, with Remy pulling Linguini's hair under his toque Blanche to control his limbs like a marionette. The pair successfully meets the challenges devised by Skinner and is able to serve his first ever dish. Skinner, suspicious of Linguini's talents, discovers that Linguini is actually Gusteau's son and, by Gusteau's will, is the rightful owner of the restaurant; this revelation would ruin Skinner's plans to use Gusteau's name to market a line of microwaveable meals and fire him in the process. Remy discovers the documents and takes them to Linguini, who subsequently fires Skinner and takes control of the restaurant. Linguini and Colette begin to develop a romantic bond, leaving Remy feeling left out and taken for granted. Remy finds Emile in the restaurant's trash, and Remy is reunited with the pack. Django warns Remy that humans and rats will never get along, but Remy does not believe him. Meanwhile, Remy begrudgingly feeds Emile and his friends by stealing from the kitchen's pantry as the nights pass.

Anton Ego, a food critic whose past review cost Gusteau's one of its star ratings, announces he will review the restaurant again the next day based on its rising success. Under the pressure of Ego's pending arrival, Linguini has a falling out with Remy, causing Remy to retaliate by leading a raid on the kitchen's food stocks that night. Linguini catches the rats in the act and chases them all out, including Remy, feeling betrayed. Remy, dejected, is captured by

Skinner. In his cage, Remy has one final conversation with his phantom Gusteau, who tells him that the rat never needed his guidance, and at that moment, he is freed by Django and Emile. Remy returns to the kitchen, where a frantic Linguini apologizes and asks Remy back to help. Linguini then reveals the truth about Remy to the staff, who walk out feeling deceived and betrayed; Colette later returns after recalling Gusteau's motto: "Anyone can cook."

Impressed by his son's determination, Django organizes the rest of the pack to help out in the kitchen. They throw Skinner and a health inspector, bound and gagged, into the freezer when they try to interfere. Linguini uses roller skates to wait on all the tables by himself, while the rats (under Remy's direction) work together to prepare a variation on ratatouille for Ego. Ego is amazed by the dish, which evokes childhood memories of his mother's cooking, and asks to see the chef. Linguini and Colette wait until all the other customers leave to introduce Remy to Ego. Although initially disbelieving, Ego is brought into the kitchen to watch Remy recreate the dish; he leaves without any further comment. To everyone's surprise, Ego writes a glowing review of the meal the next day, declaring Remy to be "nothing less than the finest chef in France."

In the dénouement, Gusteau's is closed down by the health inspector, and Ego loses his job and his credibility as a food critic for praising a restaurant filled with rats. However, he eagerly funds a new restaurant run by Linguini and Colette, featuring dining areas for both humans and rats and a kitchen designed for Remy to continue cooking. The final scene shows a long queue outside and a sign displaying a rat wearing a toque and holding a spoon, above it, the name "La Ratatouille" as the rat colony settles into their new home in the bistro's attic.

---

When the movie was done we cheered wildly.

Laney: So awesome!

Lana: That was great!

Sora: Yeah it sure was.

Me: Coincidentally Remy was over in Twilight Town helping a bistro out. That was cool.

Mary Knudson: And Sora learned so much about cooking too.

Kairi: He sure did.

Sora: Thanks guys.

Me: La Ratatouille here we come.

Ryugu Tamatebacco: I hope no one mistakes me for an appetizer!

Suddenly, Lincoln's deep sapphire blue eyes and the rainbow colored iris of Lincoln's Third Eye glowed even more, as he sensed a dark energy signal with his eyes and the Force, and he saw who the figure is in the vision: it was none other than Algol, the genocidal dark priest and a member of the Grimleal, and he's here to cause havoc and destruction. When we saw it, we knew it meant trouble.

Nico: Uh oh, I know those glowing eyes from anywhere. Lincoln, is there someone else coming after us?

Lincoln: Afraid so, Nico, and Ike, you and the others aren't going to like it one bit: the dark energy signal I sensed belonged to Algol, the genocidal dark priest and a member of the Grimleal, and he's here to cause havoc and destruction.

Lucina, Bernadetta, Dorothea, Petra, Mercedes, Annette, Ingrid, Lysithea, Hapi, Hana, Sakura, Camilla, Elise, Tharja, Lyn, Mia, Celica, Byleth, Marth, Roy, Chrom, and Ike gasped in shock.

Chrom: That genocidal psychopathic Dark Priest is here? I though we got rid of him long ago.

Me: And if there's one thing I can't stand, it's a genocidal Dark Priest who wants to bring death and destruction to everything on Earth.

Lincoln: Chrom, what can you all tell us about Algol, so that way, we can have a good idea of who we're dealing with?

Chrom: You won't like him one bit, Lincoln.

Chrom proceeded to tell us about Algol, and as expected, we're not going to like it one bit.

Algol (Fire Emblem)

Algol is a minor antagonist in Fire Emblem Awakening. Algol is a dark priest and a member of the Grimleal, becoming the leader of a pack of Risen that he created.

Appearance

Algol is a middle-aged man with slightly dark skin, pink hair, and orange eyes. Despite being a priest, Algol doesn't wear any sort of standard dress for his position, instead going shirtless with brown straps across his body, purple paint across his cheeks, a golden earring, red shoulder armor with pink spikes on it, and brown bandages around his arms.

Biography

After defeating Walhart, Chrom and the Shepherds head to Plegia Castle to meet with Validar and Aversa. During the meeting, Validar requested for Chrom to give him the Fire Emblem, and when Chrom refused to give it to him, Validar ordered his soldiers to capture them. As the Shepherds try to escape with the Fire Emblem, Algol, ordered by Validar, prevented them from escaping Plegia Castle, but he was defeated. Despite Algol's defeat, Validar ends up getting the Fire Emblem anyway.

After Algol survives and Grima was defeated, Algol leaves Ylisse and heads to the Outrealm. While in the Outrealm, Algol came across a village and murders the people in village. After this massacre, Algol took the remaining survivors to a temple and then transforms the villagers into Risen. with one of them becoming a Risen Chief. Sometime after this. Chrom and the Shepherds arrived at the village to find all of the dead villagers with no survivors in sight. Frederick reported to Chrom about the information given by a nearby village about Algol taking the survivors to a temple, and so they head there. While exploring the temple, the Shepherds confront

Algol again, and when Chrom asks him where are the villagers, Algol ignores him and go on about his Risen being his work of art. Soon, Chrom eventually finds out that the Risen he see right before him are the villagers, and Algol them sends his creations towards Chrom's group, causing a battle that either results in either his death or escape.

---

When Chrom was finished, we were disgusted by Algol's actions.

Nico: That's just sick, he's more than a Genocidal Dark Priest, he's a fucking lunatic playing with dark forces far beyond his comprehension.

Lincoln: My thoughts exactly, Nico. He's got to be destroyed here and now.

Kaia the Shenkuu Faerie: And you and I are going to be the ones to stop him, Linky.

Lincoln: That's right, Kaia, and he's going to get the Black Gates, and he'll be erased from existence for all eternity.

We were off to Paris, France.

---

PARIS, FRANCE

---

We arrived in Paris, France.

Me: Here we are.

Marinette: Paris. Home.

Chloe Bourgeois: I wonder how dad is doing?

Nico: We'll have to see if he is home.

Eli: And there's the restaurant.

We saw the restaurant La Ratatouille.

Me: Wow nice place.

Eli: Yeah.

We saw Gusteau's all boarded up and closed.

Burst Man: (sadly) Rest in peace, Gusteau's.

Nico: Yeah.

Me: It was a good restaurant and the food was great.

Eli: It sure was.

Just then, Lincoln heard an evil laugh. He then saw Evil Sasuke behind me.

Titanium Toenail: You alright, Lincoln?

Me: Lincoln are you okay?

But Lincoln could only listen to Evil Sasuke as he was telling his evil plan.

Evil Sasuke: You escaped the volcano, J.D.. But now, you're truly vulnerable. Now, I can take revenge on you for ALL THE HUMILIATION YOU PUT ME THROUGH!

Martian Manhunter: Something is wrong. Lincoln's mind seems to be in distress.

Evil Sasuke: BURN IN HELL, YOU MOTHERFUCKING CUR! (Fires blast of fire at me)

Lincoln: J.D., LOOK OUT!

Lincoln grabbed me and started running off.

Lincoln: I gotcha, J.D.! We gotta get you to somewhere abandoned so Evil Sasuke doesn't cause too many casualties!

Maria: Evil Sasuke?! But Eli doesn't sense him anywhere!

Me: An Evil Sasuke!? Where!?

Lincoln: He was right behind you! Right there on the restaurant roof!

I looked.

Me: I don't see anything there!

Laney: Bro what's wrong!?

Lincoln: There's an evil Sasuke here! He's on the roof firing fireballs!

Nico looked and saw nothing.

Nico: Lincoln we don't see anything!

Remy: Hey, guys! I heard an explosion. Everything okay?

RD Lana: Hey, Remy! Everything's fine! Lincoln thought he just saw Evil Sasuke. That's all.

Nico: But there's nothing there!

Me: Wait a second. (Gasp) Oh no!

I grabbed Lincoln!

Lincoln: What are you doing!?

Me: Lincoln calm down! You're having an episode.

Penelope Harrisburg: He's having a stress attack from the events of Team Buktu!

We gasped!

Me: So that's it! Remnants of leftover stress from that horrible day.

Nico: Whoa.

Penelope Harrisburg: His mind is in total stress mode from it. But he'll be all right.

Penelope used her psychic powers to calm him down.

Whiger: That aside, it's good to see you Remy. How've you been?

Remy: Awesome guys! Haven't seen you all in a while since Nico's rescue here.

Nico: I know and it feels like forever.

Me: Yeah.

Lincoln then woke up and he had a really horrible headache.

Lincoln: (Groans) What happened? I have got the worst headache.

Me: Well it's an ugly story.

Remy: Come on inside guys and we can talk there over some dinner.

Nico: Awesome. William and Maria are having a date to make up for what happened yesterday. We'll explain later.

We went in and sat down and Lincoln had a block of ice on his head.

Linguini and Colette came out.

Laxus: Linguini. Colette. Good to see you two.

Linguini: Hey guys. Long time no see.

Colette: (French Accent) Same to you.

Linguini: What happened to Lincoln?

Me: He has a headache from stress.

Linguini had a plate of Ratatouille for me and it looked really delicious.

Me: Wow.

I had a bite and it was delicious.

Me: Oh delicious. Ratatouille is one of my favorites.

Nico: It sure looks awesome.

We told them everything that happened and it was crazy.

Whirlin: Marinette, I'm surprised you never had Ratatouille in school.

Marinette: I know because it's a peasant dish.

Me: It's not commonly used here in Paris.

Camie: What is ratatouille made with?

Me: Squash, eggplants, zucchini, herbs, primarily vegetables we hardly ever use.

Jared: But they are really good too.

Marinette: Yeah.

Colette: Chloe we heard about what happened with you. Are you all right?

Chloe Bourgeois: I'm okay but thanks for your concern Colette.

Anne-Marie: What is…

Me: She's asking about what happened last week when we met Tyson and everyone.

Anne-Marie: Oh.

Lemmy Koopa: Thankfully, Kool Aid wasn't killed.

Nico: Yeah.

Linguini: That's good.

Me: I don't think the world would like that.

Nico: Nope.

Colette: So Lincoln had a stress episode because of Team Buktu?

Me: Yeah. He thought an Evil Sasuke was behind me.

Lincoln: I still am going through some bad times from that.

Linguini: That was an awful time. And to be honest we did not buy anything that fake team said.

Nico: That's good.

Me: Yeah.

Loki: The main reason we're here is because William missed Maria yesterday.

Remy: What happened?

Me: We had a really nasty incident yesterday with a restaurant that made really disgusting food.

I told them everything that happened and more and it was horrible.

Remy: That's awful.

Colette: Poor William. I would feel bad for him too.

Me: Yeah. But thanks to our friend Face Stealer we no longer have to worry about food borne illnesses.

I pulled out a bottle of the Rainbow Tears of the Phoenix.

Me: Thanks to our newest potion we got we can now not worry anymore about getting hurt or sick.

Nico: Yep.

Lincoln: Yeah.

Me: These are called the Rainbow Tears of the Phoenix and they have amazing healing powers.

Nico: They sure do.

Linguini: That is amazing.

May: It sure is.

Me: Sorry Gusteau's got closed though.

Linguini: It's all right.

RD Luna: (to Clyde) Why did you dudes even go to that restaurant anyway?

Clyde: It was to check it out and do an amazing rescue.

Nico: Yeah and have a quick snack.

Me: Also from what I remember it was to face Chef Skinner.

Linguini: That's right.

Seymour Skinner appeared.

Seymour Skinner: Someone call?

Me: Oh sorry Seymour it was for Chef Skinner, Linguini's old boss and the owner of Gusteau's across the way that was shut down.

Seymour Skinner: My mistake.

Nico: Want to have some dinner with us?

Seymour Skinner: Sure.

He sat down.

Count Nocturne: (sees the news) Guys, you might want to see this.

The France news was on. But it was in French.

Camie: I can't understand what he's saying.

Me: Oh here.

I turned on our translators.

Reporter: (French accent) In recent news, disgraced owner of closed restaurant Gusteau's, Jonah Robert Skinner has escaped from a maximum security prison and is believed to be heading back to where Gusteau's is to bring an end to La Ratatouille.

We gasped in shock!

Nico: That fiend!

Camie: Yeah!

Me: No kidding!

Camie: How did you change it to English?

Me: Our earbuds have a translator device that can change any language into English. It's really handy.

Nico: Yep.

Eli: He looks like he wants to bring this place down.

Dreadwind: He wants to close this restaurant? Not on our watch!

Nico: That's for sure.

Me: And he is going to have the health inspector help him too. Not if we have anything to say about it.

Varie: That is for sure.

Eli: Yeah.

Dumbbelltron: We need to take care of the health inspector.

Musa: And I have a feeling some special friends are coming too.

Remy: Who?

Me: We have had lots of awesome special adventures these last few months Remy and they are some of the most awesome ever.

Nico: Yep and we have another one coming up in the next 3 days.

Lana: We sure do.

Nico: After this is done how would you and the restaurant like to move to Gotham Royal York. You would be placed into our protection.

Remy: We all would like that.

Linguini: Yeah it will be awesome.

Colette: It sure would.

Nico: All right lets get ready.

Me: First this.

I paid our bill and we then went outside and waited.

Then we saw the Health Inspector.

Nico: There. Lets go.

We went up to him.

Me: Hold it right there!

Nico: You're not touching this restaurant under our watch.

Bruiser Cruiser: It's because of you that Gusteau's is closed down!

Health Inspector: What are you going to do about it?

?: It's not what THEY'RE going to do. It's what WE'RE going to do.

Musa: I knew it was you guys!

We saw Sunny Bridges and class!

Me: Sunny Bridges and Class are in the House!

Vinyl Scratch: ROCK ON GUYS!

Sunny Bridges: Hey guys!

Me: Yo guys! What's shaking bacon?

Sunny Bridges: Just happened to be in the area.

Tamika: Yeah this is gonna be awesome.

Musa: Let me help you guys!

Gameface: Good luck, Musa!

Vinyl Scratch: Rock on Musa!

Musa: Lets bring down the house!

We went to the top of the roof and waited there for Skinner.

We saw a figure in a trench coat and a fedora coming.

Me: That's him.

Nico: That disguise doesn't fool us.

Fuse Man: Entrance time!

Nico: Lets go.

We went at him.

Skinner was walking around when suddenly the spirits of the metals of the Periodic Table and the Power Rangers Monsters swirled around him and then converged and then a massive avalanche of fruit, vegetables and coconuts fell on him from out of the sky and then a tree grew in front of him and a huge flower appeared and bloomed open and out came us. We were facing CHEF JONAH ROBERT SKINNER!

---

**Chef Jonah Robert Skinner** is the main antagonist of Pixar's 8th full-length animated feature film *Ratatouille* .

He is the former sous-chef under the restaurant Gusteau's, as well as the former employer of Linguini and the partner in-crime to Anton Ego. When it becomes apparent that Linguini is the rightful heir in inheriting the restaurant, Skinner secretly schemes to maintain ownership of the restaurant and later had planned to release a new line of frozen foods for his own personal profit. He is Remy's arch-nemesis.

He was voiced by the late Ian Holm, who also played Ash in *Alien*, and Jack the Ripper in *From Hell* .

Skinner was sous-chef under Gusteau but became the head chef after his death. In Gusteau's will, it was stated that Skinner would inherit Gusteau's business interests if no heir appeared within two years after the latter's death. Skinner did not hold Gusteau's ideals in the highest regard and was more interested in personal profit from his line of Chef Gusteau Frozen Foods. This line comprised of several different foreign foods like chicken, haggis, burritos, ribs, and corn dogs to appease oversea markets, with Gusteau as its image to woo buyers.

Skinner later hires Alfredo Linguini to work at the restaurant as the plongeur (garbage boy) when he learns that Linguini's mother Renata, with whom Gusteau was close, requested that Linguini get the job before her recent death. He is shocked when Linguini makes a soup that night that impresses a food critic that just happened to be at the restaurant, although it was Remy who cooked it in secret. Suspicious, Skinner reluctantly agrees not to fire Linguini and forces him to make the soup again, believing that it is all a fluke.

After Linguini and Remy team up, they successfully recreate the soup and impress Skinner. However, they become rivals when Skinner learns that Linguini is Gusteau's biological son, and is determined to keep Linguini from discovering this fact. He becomes even more determined when he sees Linguini making contact with Remy on numerous occasions, suspecting that Linguini is scheming something bad in the restaurant. Skinner deliberately attempts to sabotage Linguini's success by tricking him into making a rancid recipe, although this backfires when Remy revives the recipe, much to the praise of the diners and patrons. Skinner attempts to get Linguini heavily drunken on wine in order to confirm his suspicions about Remy, but this fails as well.

He loses the restaurant to Linguini when it comes out that Linguini is the son of Gusteau, as Remy discovered the paternity test results that Skinner tried to steal and gave it to Linguini so that he may assume his rightful place as owner. Linguini later cancels the frozen food line altogether, as it was smearing Gusteau's image.

Skinner spies on Linguini and eventually discovers that Remy is the real cook. In order to get revenge on both of them, he captures Remy and intends on forcing him to create a new line of frozen foods, while attending the restaurant in disguise to see Linguini fail miserably and endure another scathing review from the famed critic Anton Ego. Fortunately, Remy escapes and had his swarm of rats to help Linguini serve the dishes without attracting any attention from the customers.

To Skinner's great amusement, Linguini served him and Ego a simple dish of ratatouille but is surprised when Ego likes it. After Skinner tries his dish and finds its taste irresistible as well, he races to the kitchen to find that Remy and his colony of rats cooked the dish. The rats are then forced to bind him with the ropes and gags him with duct tape. He is then thrown in the refrigerator along with the health inspector who has been bound and gagged as well.

Despite the restaurant getting a high-star review from Ego for Remy's delicious recipe, the rats were forced to let Skinner and the health inspector loose, since they cannot keep them cooped up forever. This allows Skinner to report the rat infestation to the health department, causing the restaurant to be closed and Ego losing his job and his credibility as a critic. Despite the restaurant being closed down, Linguini and Remy manage to open a new successful bistro called La Ratatouille to serve for both humans and rats alike with the help from Colette and Ego (who now works as a business investor), which means Skinner finally leaves him alone.

---

Jared: Now that is how you do a nature entrance.

Nico: Jonah Robert Skinner. Nice to see you again.

Linguini: Hello "Boss."

Skinner: YOU ALL WILL NOT STOP ME! NOT EVEN THAT RAT CHEF WHO DOESN'T KNOW HOW TO COOK!

Electropede: Newsflash, dumbass. ANYONE can cook. Even animals!

Nico: That's right you moron!

Chowder: Even me!

Mung: And me!

Nico: Anyone can cook!

Eli: Too bad you're too much of a fatass moron to see that!

Laney: Yeah! And a dumbass freak!

Then Bronze Kneecap, Iron Lung, Xiao Fung, Gramma Stuffum, Captain Boomerang, New Wave, White Lightning, Count Spankulot, DC Enchantress and Snake appeared.

Nico: Bronze Kneecap, Iron Lung, Xiao Fung, Gramma Stuffum, Captain Boomerang, New Wave, White Lightning, Count Spankulot, DC Enchantress and Snake.

Snake: Looks like you dudes are having fun.

New Wave: Yeah and you buried Skinner in a lot of fruit. (Eats a banana) You would make a tasty fruit salad.

White Lightning: With Amaretto and Midori.

Bronze Kneecap: Good to have you back, Maria

Maria: It's good to be back.

William: Yeah!

Iron Lung: William's not the only one who messed you.

Xiao Fung: We missed you too.

Maria: I'm glad you guys agree.

White Lightning: (to Nico) We heard you went to a hot wing planet.

Nico: (Drools) And it was awesome!

Count Spankulot: (Transylvanian Accent) Was it tasty?

White Lightning: By the way you're drooling I can tell it must've been that good.

Me: Oh it was really awesome. And we met an awesome new villain. Angry Hot Wing.

Count Spankulot: Oh and he will make an awesome and fantastic new member for us.

Me: He sure will.

?: That is awesome.

A figure came out and it was BARA NIGHTMARE from episode 32 of Ohrangers!

---

Eleven years prior to Baranoia's invasion of Earth, Bara Nightmare was a defiant Machine Beast that had went against the orders of Bacchus Wrath. Before he could be executed, he escaped and fled to Earth, where he was able to indulge in his own desires. From then on over the next eleven years, Bara Nightmare would abduct girls from their schools, trapping them in his dream realm while doing whatever he wanted with them with no defiance.

Ultimately when Momo Maruo, the best friend of Mayumi, who was the first of his victims, became known to him, Bara Nightmare began to haunt her dreams as well, using the friend as a means to lure in Momo and trap her. After an initial encounter that Momo woke up from, she used U.A.O.H.'s technology to enter into the dream world and try to track down Mayumi and the assailant, ultimately becoming captured by Bara Nightmare in the dream world. The other Ohrangers quickly pursue and save Momo before waking her up, discovering that Bara Nightmare is headquartered in the school that he uses in his dreams. Reaching the school and discovering all the lost girls (having not aged a day since Bara Nightmare captured them), they fight and defeat the threat with the Chouriki Dynamite Attack.

---

Eli: Bara Nightmare! I remember you! You were sent to haunt Mayumi and lure in Momo to trap her.

Bara Nightmare: That's right Eli.

Me: You're one of the Ohranger Monsters. Cool!

Bara Nightmare: If you guys need fears soothed with my powers, I'm your guy.

Nico: Cool.

Me: Darn shame you weren't made into an American Adaptation. What a ripoff.

Nico: Yeah that would have been awesome if you had your own episode.

Bara Nightmare: Yeah no kidding.

We got the usual battles underway.

Woody Woodpecker: Yeah he sure was hungry! It was really cool!

Iron Lung: That is really amazing that there was a planet like that. And Angry Hot Wing has one nasty disposition. Must be the sauce and fire he has on him. Lets do it!

White Lightning: (to Frosta) I heard you guys met a gene-slammer for Arcana Force IV - The Emperor. What's her name?

Princess Frosta: Her name is Loreena Kellington and she is really awesome with the powers of space and her powers.

Rarity: Oh indeed she is darlings. She also revealed an awesome revelation.

Sweetie Belle: Yeah it was awesome!

---

Loreena Kellington: Whoa, I was right that Lincoln has really grown to be a 17-year-old permanently 7'5" tall, really big, and really strong man, just look at those abnormally massive and powerful upper and lower body muscles and his eight-pack abs hard at work, and working out with those 9,500-lb barbells and he's not even get tired, incredible.

Lincoln: Yep, and I've also trained a lot under some very powerful teachers, J.D. and Nico included, Loreena, and now, I can also

defend myself, and in addition to getting stronger, I've also gotten smarter as well.

Loreena Kellington: That's incredible.

Nico: It sure is. So, Loreena, how did you stop that fucked-up mad scientist that was about to destroy all of Royal Woods with the power of a superlaser blast aimed at The Loud House?

Loreena Kellington: You're not going to like this one bit. One day, I was walking through Franklin Avenue, but then, I had a vision: I saw a mad scientist aiming a superlaser at The Loud House, and he was going to fire it to destroy not only The Loud House, but also all of Royal Woods. I wasn't going to let that fucked-up maniac get away with it, so I went to his lair, and I destroyed his superlaser, and I proceeded to pulverize the bastard badly, and after I tied him up, I called the cops on him. When the cops saw the mad scientist I captured, they were surprised: the person I captured was Jacob Wesley, and from what I heard about him and from his criminal history, he's an incredibly dangerous mad scientist who's terrorized all of Royal Woods with his mad creations and inventions. But, we also found out that he was also working for Team Rocket, and he also helped in the Gene-Slammer Project that Giovanni had, and when he heard of what happened, he wanted revenge on you guys for what you all did to Giovanni and to all of Team Rocket. The cops took him away, and after that, he was tried and convicted, and ultimately, he was found guilty of his crimes and was sentenced to death by lethal injection in San Quentin. The next day, as soon as they put the needle in him, he was executed for his crimes.

We were horrified, but we also cheered for what Loreena Kellington did, but we were also enraged that this mad scientist was also working for Team Rocket.

Nico: Even dead, Giovanni's nothing more than a plague to mankind.

Me: And that fucked-up mad scientist was also working for Giovanni and Team Rocket.

Lincoln: And he also helped out with that Gene-Slammer project of

Giovanni's, now that's really bad. But, we're still cleaning up the mess that Team Rocket's caused with Gene-Slamming our friends and Guardian Angels.

Eli: If Giovanni returns, please someone rip his black heart out and devour it in front of him.

Nico: That'll either be left to me, J.D., or Lincoln, and that'll be if Giovanni shows his ugly face.

We got a shower afterwards, and after that, Lincoln and his harem are getting ready to head out to play golf on Lakitu Valley, Cheep Cheep Lagoon, and Mario's Star Golf Course in the world of Mario.

Lincoln: Alright, ladies, shall we?

Sam Simpson: Of course, Linky.

FLASHBACK ENDS

White Lightning: Oh my goodness! That is amazing! But that is horrible that he was helping Giovanni with his gene-slammer projects!

Gill Grunt: Yeah it was!

Aurora Gettysburg: But he doesn't know that he gave Team Loud Phoenix Storm an awesome and new powerful force to be reckoned with. The Gene-slammers.

White Lightning: That is for sure. That is good he is getting executed tomorrow. Lets do it!

They fired waves of ice, water, jewels and energy and smashed her down.

They pulverized him into pulp and tied him up.

Musa: What do you guys wanna do while waiting?

Sunny Bridges: How about we sing some songs?

Musa: Awesome idea. I know a bunch of folk songs too.

Sunny Bridges: Cool.

Musa: Here's one that J.D.'s dad knows. Sad Eyed Lady of The Lowlands by Joan Baez.

She pulled out a guitar and played the song.

Musa: (Singing)

With your mercury mouth in the missionary times,

And your eyes like smoke and your prayers like rhymes,

And your silver cross, and your voice like chimes,

Oh, who among them do they think could bury you?

With your pockets well protected at last,

And your streetcar visions which you place on the grass,

And your flesh like silk, and your face like glass,
Who among them do they think could carry you?
Sad-eyed lady of the lowlands,
Where the sad-eyed prophet says that no man comes,
My warehouse eyes, my Arabian drums,
Should I put them by your gate,
Or, sad-eyed lady, should I wait?
With your sheets like metal and your belt like lace,
And your deck of cards missing the jack and the ace,
And your basement clothes and your hollow face,
Who among them can think he could outguess you?
With your silhouette when the sunlight dims
Into your eyes where the moonlight swims,
And your match-book songs and your gypsy hymns,
Who among them would try to impress you?
Sad-eyed lady of the lowlands,
Where the sad-eyed prophet says that no man comes,
My warehouse eyes, my Arabian drums,
Should I leave them by your gate,
Or, sad-eyed lady, should I wait?
The kings of Tyrus with their convict list
Are waiting in line for their geranium kiss,

And you wouldn't know it would happen like this,

But who among them really wants just to kiss you?

With your childhood flames on your midnight rug,

And your Spanish manners and your mother's drugs,

And your cowboy mouth and your curfew plugs,

Who among them do you think could resist you?

Sad-eyed lady of the lowlands,

Where the sad-eyed prophet says that no man comes,

My warehouse eyes, my Arabian drums,

Should I leave them by your gate,

Or, sad-eyed lady, should I wait?

Oh, the farmers and the businessmen, they all did decide

To show you the dead angels that they used to hide.

But why did they pick you to sympathize with their side?

Oh, how could they ever mistake you?

They wished you'd accepted the blame for the farm,

But with the sea at your feet and the phony false alarm,

And with the child of a hoodlum wrapped up in your arms,

How could they ever, ever persuade you?

Sad-eyed lady of the lowlands,

Where the sad-eyed prophet says that no man comes,

My warehouse eyes, my Arabian drums,

Should I leave them by your gate,

Or, sad-eyed lady, should I wait?

With your sheet-metal memory of Cannery Row,

And your magazine-husband who one day just had to go,

And your gentleness now, which you just can't help but show,

Who among them do you think would employ you?

Now you stand with your thief, you're on his parole

With your holy medallion which your fingertips fold,

And your saintlike face and your ghostlike soul,

Oh, who among them do you think could destroy you?

Sad-eyed lady of the lowlands,

Where the sad-eyed prophet says that no man comes,

My warehouse eyes, my Arabian drums,

Should I leave them by your gate,

Or, sad-eyed lady, should I wait?

We regrouped.

Chrom: I knew there's no mistaking that voice from anywhere. You can come out now, Algol.

A middle-aged man with slightly dark skin, pink hair, orange eyes, and shirtless with brown straps across his body, purple paint across his cheeks, a golden earring, red shoulder armor with pink spikes on it, and brown bandages around his arms and an axe in hand came out, and it was none other than the genocidal dark priest, Algol.

Chrom: Algol, I should've known you'd show up. You just don't even know when to quit, do you?

Algol: And now, all of you shall be destroyed by my creations, and perhaps, I'll resurrect your corpses and turn you all into my children! (LAUGHING INSANELY)

Lincoln fired a rainbow energy blast and blew Algol's left eye out, as he screamed in agonizing pain.

Lincoln: That's never happening, Algol, and you can't kill us that easily, we're immortal.

Kaia the Shenkuu Faerie: Along with invincible, and I've had it up to hear with you to last an eternity, Algol.

Suddenly, Kaia the Shenkuu Faerie's brown eyes turned neon brown and she was surrounded by a pink energy aura with pink flowers, magic, and faeries, she got out her massive Neopia's Magic Staff of Magical Justice, and as she approached Algol, she left pink flowers, magic, and faeries with every step.

Kaia the Shenkuu Faerie: Algol, I will never forgive you for the crimes that you've committed against the living and the dead, and now, I will see to it that you pay the price for your crimes with your life.

Suddenly, Kaia the Shenkuu Faerie was surrounded by a massive vortex of pink energy with pink flowers and pink magic surrounding it, there's a faerie flying around the vortex, and in the vortex is a black phoenix. Then, as the vortex faded, Kaia the Shenkuu Faerie emerged, but she was changed forever.

(IMPERATRIX MUNDI PLAYS AT 1:45 TO 2:14)

Kaia the Shenkuu Faerie grew to 6'5" in height, she has the body of a goddess and she has pink highlights in the bangs of her black hair tied in a bun and she has a pink flower in her hair, she has neon brown eyes and a pink energy aura with pink flowers, magic, and faeries surrounding her, she has a faerie with the Magic Kanji in its hands emblazoned on her forehead, she has on faerie earrings with pink gems for eyes and holding the Magic Kanji in its hands, she also has a faerie with pink gems for the eyes and the Magic Kanji in its hands for the second pendant, along with the gold Thunderbird pendant of her Thunderbird Necklace of Eternal Love necklace with pink crystal links from her merged Crystal Necklace of the Buddha and pink gems on the gold lightning bolt links. Kaia the Shenkuu Faerie has on a long-sleeved pink kimono with pink designs on the sleeves and a pink phoenix on it, pink skirt, white pants, pink shoes, long sleeveless pink coat with pink flowers, magic, and faeries on the coattails, and on the back is a faerie with pink flowers and magic surrounding her. Kaia the Shenkuu Faerie's pink faerie wings grew much bigger for her new body, and they have a faerie, a Thunderbird, a Phoenix, and an Angel in them, Kaia the Shenkuu Faerie has on a Ring of The Phoenix with pink gem and heart shaped gem embedded in it on her right ring finger and Star Sapphire ring on her left ring finger.

Kaia the Shenkuu Faerie has her massive Neopia's Magic Staff of Magical Justice in her right hand, she has on her new large gold cuff Bracelets of the Champions of The Universe with pink gems on her wrists, gold Belt of Elemental Bravery with a gold phoenix head with pink gems for eyes and a large pink gem in its open mouth for the belt buckle, large pink Spellbook of The Gods and The Universe and large pink Spellbook of The Elemental Gods on her left hip and Eater of Sins revolver holstered on her right hip. There's a pink kanji below the faerie that said, "Kaia the Shenkuu Faerie, Faerie of Shenkuu and Faerieland, Student of Queen Fyora, Vanquisher of The Darkest Faerie, Dear Friend of Neopia's Many Heroes, Loving Future Wife of Lincoln Loud, Slayer of Evil, Deranged, Murderous, Ruthless, and Sadistic Bastards, Amazing and Powerful Student of Amazing and Powerful Teachers, and Master of Flowers, Magic, and Faeries."

シェンクー妖精カイア、シェンクーとフェアリーランドの妖精、フィオラ女王の学生、最も暗い妖精の先駆者、ネオピアの多くの英雄の親愛なる友人、リンカーン・ラウドの愛する未来の妻、悪の殺し屋、混乱した、殺人、冷酷、そしてサディスティックな野郎、驚くべき強力な学生驚くべき強力な教師、そして花、魔法、妖精の達人

Kaia the Shenkuu Faerie has transformed into SUPER ANGEL INFINITY TRUE LOVE MAGICAL SHENKUU FAERIE ANGEL OF NEOPIA JUSTICE AND MAGICAL LOVE!

We were amazed by Kaia the Shenkuu Faerie's Super Angel Infinity transformation, and when Lincoln saw her, he had an atomic red blush on his face and hearts in his eyes. But, when Algol saw it, he went insane and tried to kill her, but Kaia the Shenkuu Faerie used some impressive martial arts and kicked and punched Algol, and she fired a powerful pink energy with pink flowers, magic, and faeries, and it hit the insane genocidal dark priest, and he hit the wall.

Nico: Whoa, Kaia the Shenkuu Faerie's transformed, and she used some impressive martial arts on that insane genocidal dark priest, and really beat him up.

Me: That's so awesome.

Lincoln: Wow, Kaia, you look beautiful. How do you feel?

Kaia the Shenkuu Faerie: (Divine Echoing Cosmic Voice of The Magic Shenkuu Faerie and Divine Love) **I feel incredible, Linky. Now, then, shall we put an end to this genocidal dark priest once and for all?**

Lincoln: (Smiles) With pleasure, Kaia.

Lincoln unholstered his massive Hinon's Cosmic Storm Sword of Universal Hope, Elemental Bravery, and Unbreakable Eternal Bonds from his wider and muscular back, and transformed into Super Angel-Ebonwu-Thunderbird Eternity Infinity Elemental Thunderbird Buffalo Angel of Universal Justice and Elemental Hope and he joined Kaia the Shenkuu Faerie.

Lincoln: (Divine Echoing Cosmic Elemental Voice of Universal Justice and Elemental Hope) **Your days of causing death and destruction are over, Algol.**

Kaia the Shenkuu Faerie and Lincoln went after Algol, who tried to kill them with his axe, but Lincoln blocked Algol's axe, and he and Kaia the Shenkuu Faerie fired powerful blasts of rainbow energy, pink energy, flowers, Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, Magic, rainbow flames, rainbow crystals, Buffalo, Thunderbirds, Phoenixes, Angels, and Faeries at Algol, and they exploded with incredible power as they hit the evil genocidal dark priest. Lincoln engaged in a powerful swordfight against Algol, as Lincoln's massive sword and Algol's axe clashed and the sparks started fires, and Lincoln absorbed the fires and it made him stronger than ever, and he disarmed Algol of his axe, and Lincoln attacked Algol with powerful one-handed swings from his massive Hinon's Cosmic Storm Sword of Universal Hope, Elemental Bravery, and Unbreakable Eternal Bonds, and left even more scars on him, and Kaia the Shenkuu Faerie fired powerful pink energy blasts from her staff, and it hit the genocidal dark priest.

Then, Lincoln fired a red energy blast at Algol, and once it hits him, Lincoln then sucked out and absorbed all of Algol' dark magic powers and abilities, and he and the rest of us made them our own, and then, Lincoln and Kaia the Shenkuu Faerie fired powerful beams of energy, and as they hit the genocidal dark priest, the energy beams exploded with incredible power, killing him for good and he was erased from existence as he was condemned to The Black Gates. We cheered wildly for what Kaia the Shenkuu Faerie and Lincoln did as they holstered their weapons and power down, and Kaia the Shenkuu Faerie's new body, clothes, weapons, jewelry, and massive pink wings are permanent.

Kaia the Shenkuu Faerie: That's it for that genocidal dark priest and may he never come back. Thank you for helping me with taking down Algol, Linky.

Lincoln: (Smiles Warmly) You're welcome, Kaia.

Suddenly, Kaia the Shenkuu Faerie wrapped her arms around Lincoln's waist, and it brought an atomic blush to Lincoln's face, as he wrapped his abnormally massive and powerful muscular arms around her waist and he brought her into an embrace, which took her by surprise and brought an atomic red blush to her face. Then, as Lincoln leans down to Kaia the Shenkuu Faerie's face, they kiss passionately as Kaia the Shenkuu Faerie wrapped her left arm around Lincoln's neck, and placed her left hand on Lincoln's massive and wide muscular right pec, and behind them was a Thunderbird, Phoenix, Angel, and Faerie flying in the air, and we also saw a herd of Buffalo running across the field, along with a Chinese Fortress appearing behind them with several other houses and running waterfall and the sun setting behind them, and we cheered for them.

Nico: Now, that's so awesome.

Me: You said it, Nico.

Queen Fyora: I'm so proud of how much Kaia has grown.

Tormund Ellis: Same here, Queen Fyora.

Eli: And now, the last faerie to transform tomorrow is Yīnyǐng the Dark Faerie.

Lincoln: That's right, and after Yīnyǐng transforms tomorrow, the seal that was placed on the gates of The Church of Necrom's castle will lift, and that's when The War Against The Church of Necrom will begin.

Nicholette Torrington: And we'll make those black magic-using demon Goth bastards and bitches pay for constantly tormenting everyone they've crossed, and for what Damian did in summoning that evil Rage Demon to infect our man, that bastard has crossed one line too many, and I'm making sure he suffers big time for this.

Lincoln: And we will, Nicholette. He and his goons will pay for what they've done.

Lori: And I'm literally looking forward to seeing you and the Dark World Goth Girls using the Nightmare Demons' Vengeance Curse on them after they've been found guilty, Lincoln.

Luna: I hope they pee their pants badly, dude.

Luan: You said it, they've gotten away with constantly tormenting and torturing everyone they've crossed for far too long.

Lucy: Their hearts are indeed as black as the night, especially since they've worshipped Necrom who is a dangerous dark sorcerer.

Laney: What a bunch of monsters.

Lincoln: But, they don't know about our code, so they're expecting us to kill them. (Smirks) Too bad they don't know everything about us, and just wait until they find out what'll happen to them, it'll be a nasty surprise.

Nico: (Smirks) And we can't wait to see what that surprise is, big guy.

New Wave: And now, Skinner won't be bothering anyone again.

Nico: He is now in jail where he belongs too.

DC Enchantress: (to Sunny and his class) You guys helped too.

Sunny Bridges: Of course we did.

Me: We owe you guys big time for helping out.

Captain Boomerang: We'll see you guys in August.

Sunny Bridges: Oh, I'm looking forward to that.

Me: ROCK ON!

They left.

Gramma Stuffum: Let's all have a victory dinner. I'll even make some of the food!

Snake: Dudes, before we do that, we should probably have a moment of silence for Gusteau's.

Nico: Agreed.

We had a moment of silence and Gusteau's will never be forgotten.

Remy: (To the viewers) This was a really awesome and fun adventure and it was one that was made into an amazing and awesome culinary trip.

Nico: It sure was. Great job today everyone. This was really fun.

William: It sure was.

Nico: Yep.

We moved La Ratatouille to Gotham Royal York and it was a great restaurant now part of our city. We enjoyed the rest of the day and went to sleep. Chef Skinner was given a special cell in Solitary Confinement in the Uranus Prison and he got 3 more life sentences added to his time. He will never be getting out of prison alive.

THE END

---

Another awesome chapter done.

Ratatouille was a really awesome and great movie! It was a really awesome movie about a rat named Remy and he had a great talent for cooking in the awesome worlds of food. Ratatouille is also a real food too. Also Patton Oswalt did a great job as Remy in that one and he was awesome. Also this chapter was made in honor of the late Ian Holm who voiced Chef Skinner in the movie. He will never be forgotten as one of the most hotheaded chefs of all. He was also the elderly Bilbo Baggins in the Lord of The Rings movies and the Hobbit Movies.

RIP Ian Holm - September 12th, 1931 to June 19th, 2020.

He will never be forgotten. The first two parts of the chapter was for 2 awesome planets made of food and they were awesome. NicoChan11, JediAvatarOfShinobi, Omegahatchiyak12, XP4Universe, Darkhai, vinjedi1995, Drako1234658, Nflemingful, EtstheClarenceandTLHfan and ninjakingofhearts gave me the ideas for this and so did the guest reviewer. Thanks Guys. My next dream rescue is gonna be a cool one as me and Natilee go into the world of Magic the Gathering and we're going to meet 3 Angels of Fire, Water and Nature. They are Jorcuma the Fire Angel, Keitara the Water Angel and Naiyurna the Nature Angel. Then I'm going to take down an Evil sasuke and this one is going to be more explosive then the last one. Nico's awesome scene for the Evil Sasuke Hallucination talked me into it. Nico's next rescue is gonna be a really awesome and cool one as Nico, Kenai, Cole Evans, Applejack, Apple Bloom, Twilight Sparkle & Friends, Rachel Stavenport, Carol Pusateri, May, Maria, Varie, me, Eli, Arrietty, Aylene Carter, Littlefoot and friends, Fu, Nicole Knudson, Kaina

Tsutsumi, Camie, Kaoruko Awata, Himiko, Ibara, Toru, Sirius, Tsuyu, Ochaco, Momo, Lincoln, Laney, Lana, Lola, Lisa and Lily are going to the southwestern Pacific Ocean and we're going to meet Emma and her friends from the movie Jungle Girl and The Island of Lost Dinosaurs. We're also going to battle Mor'Du the Bear from 2012's Brave and we're going to also meet the 3 Bear Sisters:

Jasmine Bear the Grizzly Brown Bear Gene-Slammer

Mia Bear the Panda Bear Gene-Slammer

Hannah Bear the Polar Bear Gene-Slammer.

They are from Nico's Zoology Class and they are really awesome experts in animals and know so much about them and how to take care of them. The next rescue for Lincoln is firstly going to be a trip to the hospital and they are going to have Grace Lorelai the Water Girl Gene-Slammer deliver her baby and she is going to have a baby girl named Nanua Lorelai. She is going to have the same kind of blue hair as Grace does. It'll be so adorable! Also for part 2 Lincoln's rescue is going to be on a Pumpkin planet and we're going to be in for a really dangerous one! Lincoln and his group are going to face Evil Carol, who's broken out, and she still wants revenge on you guys for sending her to prison years ago, but she's not going to be put into The Masters of Evil, like the evil versions of Dana, Whitney, Becky, and Fiona, no, she's going to be put into a very special prison for rapists, it's called The Callisto Prison for Insane Rapists and Delusional Megalomaniacs, it's a special prison built on Callisto, Jupiter's largest moon, and it'll be the home for Evil Carol for the rest of her life, and when Lincoln's harem hear about what Evil Carol did in raping her world's Lincoln, they're going to be pissed big time. We're also going to meet a gene-slammer for Arcana Force III - The Empress, named Jade Hyotonia. Jade Hyotonia is one of Lincoln's Guardian Angels and has a mastery over the powers of Ice and she is also a very powerful Psychic too and also has the powers to see into the future. She also stopped a massive gang attack on the Louds for bringing them to jail and they vowed revenge. Now she is also the Gene-Slammer of Arcana Force III - The Empress. The next chapter is going to be for where we face the Ghost Truckers from Regular Show. Get ready for a chapter that burns rubber as we face Ghost Truckers!

See you all tomorrow.

# GHOST TRUCKERS ON 18 WHEELS

In the early morning hours at 1:13 AM, I was asleep with Varie and my awesome harem and I having a really awesome dream. I was in the world of Magic The Gathering and it was as beautiful and amazing as ever.

Me: I'm back in the world of Magic The Gathering? Wow.

I was in front of the beautiful and huge tree fortress called Rootbound Crag and it was huge!

Me: Wow! Rootbound Crag! It's magnificent.

Natilee appeared.

Natilee: Wow this is breathtaking dad.

Me: Boy it sure is. This is so awesome. I have a feeling we're going to meet someone really awesome and face someone wicked here.

Natilee: Yep.

We walked around and we saw that the tree was amazing and massively huge.

Me: Wow. This is one huge tree.

Natilee: It sure is awesome.

We then saw three figures coming and they were 3 angels! One was made of fire, the second was water and the 3rd was nature.

Me: Whoa!

Natilee: Wow!

They landed.

Jorcuma: Wow it's an honor to meet the famous J.D. Knudson, we heard so much about you. Sorry we are the Sister Angels of the Elements. I'm Jorcuma the Fire Angel.

Keitara: I'm Keitara the Water Angel.

Naiyurna: And I'm Naiyurna the Nature Angel.

Me: Pleasure to meet you three.

Natilee: This is really amazing that you girls live here in the world of Magic The Gathering.

Jorcuma: Yeah we like it ourselves and it's awesome. But we've grown tired of this place and want to see places and fight evil on other worlds.

Me: I think that can be arranged. (Senses something) But first I'll battle him!

I fired an energy blast and it hit a bush and out of an explosion came an EVIL SASUKE!

Me: Now this is going to make up for a rant from that hallucination Lincoln had.

Natilee: Go get him dad.

Evil Sasuke got up and he saw me.

I then transformed into my Super Angel Xelnaga Infinity Harmony Form.

Me: (DIVINE ECHOING COSMIC ELEMENTAL VOICE) **Nice to see you Evil Sasuke.**

Evil Sasuke then had his eyes glow red with incredible rage!

Evil Sasuke: WHO THE HELL DO YOU THINK YOU ARE YOU MOTHERFUCKING CUR!? YOU ARE NOTHING TO US YOU CUR! WE ARE THE UCHIHA AND WE ARE THE STRONGEST AND THE ELITE!

Me: (To Evil Sasuke) **Hmm. Yes and a "Motherfucking Cur" was the only kind of person you can handle. I remember that your father said that very same thing to me in 150,000 years just as I was killing the Uchiha for their crimes and snuffing out the very darkness that they used to destroy so many lives. When he made his speech about how you were going to kill all of the Leaf in the name of Madara Uchiha all they did was seal their fate. Your Father poisoned his own son with his own hatred and turned you into a miniature version of him and he poisoned your mind with so much of his hatred over everything that you became a totally lost cause. He made you into a homicidal and completely mentally unstable psychopath and you did not show any value towards friendship or comradery. You wanted everything handed to you on a silver platter just like your wretched father and all your clan did. You cheated in everything, Even though Ninjas cheat, education is the one thing that we NEVER cheat at. Isn't that right and they say that your father was leading the Uchiha to greatness. But it turns out you're just another lost soul of the run-of-the-mill ninja. And you know it. You're not even in the same league in the kind of power that I possess. I can destroy the entire universe in the mere blink of a cosmic eye. In fact, next to my kind of power and the power that you have, you are nothing compared to me and you and your clan were nothing but a bunch of pathetic ants compared to it. The way you covet all that power, the way your clan did all the deeds in the name of the devil known as Madara Uchiha, a monster and a planet destroyer. It's downright fucking disgusting. As the most powerful fighter and warrior and champion in the universe, all I see when I look at you is a fucked up miserable fuckweed and a heartless motherfucking psychotic wretch. And on top of that I fucking hate your style above all others you ruthless fuckkicker! What is it that you are hoping to accomplish? Stealing all the jutsu in the world just to expand your jutsu arsenal and repertoire, committing crimes all over the planet just to satisfy the devil Madara Uchiha, murdering innocent people, stealing jutsu, pursuing petty and worthless desires like revenge and above all betraying the very village your clan founded. You Uchiha Motherfuckers don't give a flying fuck about anyone but your pathetic goddamned motherfucking selves and that is why I**

**killed them all including your father. The Uchiha are heartless monsters that murder, lie, steal, betray and are completely powerhungry just like you and that's why I killed them all. YOU ALL FUCKING DISGUST ME!**

FORSAKEN BY WITHIN TEMPTATION PLAYS

Evil Sasuke Roared in an incredible amount of rage and fury and he went into his LEVEL 2 Curse Mark Form and he went at me and punched and kicked and brutally fought me all over and tried to smash my head in with indiscriminate fury and he was really determined to make sure that he kills me. I blocked all his punches and kicks and he jumped back and threw numerous kunai and I deflected them all and fired a powerful blast of fire and it hit him in his arm and burned him bad! He was screaming in pain and then he was screaming in agony. But then his screams of pain quickly turned into maniacal and insane laughter. He was laughing like an insane and totally fucked up monster that was fucked up to the core six ways till Sunday and he went at me again and I kicked him in the face and knocked him down and he got up and went at me again and I dodged him and fired a blast of lightning and it hit him in the crotch and electrocuted him all over. He went at me some more and I dodged his strike and kicked him in the back and sent him smashing into a rock and he got up and fired massive blasts of lightning at me and I deflected them back with my sword and he got electrocuted all over and I punched him in the face and he went at me some more and I was making him madder and madder and madder and he was only making me stronger with all his hatred and more. I then punched him in the face and he went at me and I dodged him again and dodged him again and then I kicked him in the back again and sent him crashing into a rock and he got up and went at me some more and fired massive blasts of fire at me and I fired waves of massive fire blasts at him and the blasts collided and exploded with incredible power!

Massive fiery explosions were blasting off all over the place.

Me: **ELECTRO ECLIPSE BOMB!**

Evil Sasuke: FIRE STYLE: ROARING FLAME!

I fired a black energy ball and Evil Sasuke Fired a massive fireball and the blasts all hit and an extremely massive and powerful fiery explosion shook the land in an incredibly devastating blast!

I fired elemental blasts at Evil Sasuke and he was firing blasts at me and massive fiery explosions were going off all over and turning the area into a raging inferno.

Natilee: YEAH! GET HIM DAD!

Jorcuma: J.D.'s power is amazing!

Keitara: Wow! GO GET HIM!

The Entire area around us was turning into a war zone! Evil Sasuke then fired a massive fireball.

Me: **KAAAAAAAAA! MEEEEEEEEEEE! HAAAAAAAAAAAA! MEEEEEEEEEEE! HAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAA!**

I fired a massive rainbow Fire Kamehameha Wave and it went through the fireball and destroyed it and it slammed into the Evil Sasuke and exploded!

KRABBBBBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

Evil Sasuke exploded out of the explosion and I kicked him in the back and fired a massive barrage of energy blasts and smashed him all over the place and then Evil Sasuke was smashed into the ground with incredible force and I kicked him in the stomach with incredible power and he belched up a huge amount of blood and then I grabbed him by his shirt and threw him into the air and flew after him and kicked him in the face and knocked out some of his teeth and he jumped away and fired waves of fire and I fired waves of lightning and they overtook his fire and the blasts of lightning hit him all over and electrocuted him and then I fired a wave of wind and entrapped him in a tornado and then I fired a wave of fire and burned him all over in the tornado as it was turned into a fire tornado. When the tornado faded he jumped out and fired more fire blasts and me and I fired waves of crystal at him and they hit him and cut him all over the place and then I fired waves of wood at him and smashed him all over the place with incredible force and smashed him all over. He ran at me with a Chidori and I teleported and fired waves of lava and burned his hands and he screamed in pain as he was burned all over and then I kicked him in the face and smashed him into a rock! Then he popped out of the rubble and threw the rock at me and I smashed it with incredible brute strength and smashed him with waves of rocks and pebbles and smashed him all over the place! I then fired waves of darkness and electrocuted and burned him all over.

Evil Sasuke got up and he was more enraged than ever before!

Evil Sasuke: (ENRAGED SCREAMING) WHAT IS IT WITH YOU!? WHY ARE YOU SO STRONG!? IT'S NOT FAIR! THAT POWER SHOULD BE MINE!

Me: **You will never have my power.**

Evil Sasuke then raised his right arm up and then I threw an energy disk and it slashed his right arm clean off! He screamed in excruciating pain as it was completely severed from his shoulder and he clutched the stub of his arm.

Evil Sasuke: YOU MONSTER!

Me: **I've been called worse.**

Naiyurna: Geez this Evil Sasuke is full of himself isn't he?

Natilee: You have no idea.

Me: **You don't know how to love anyone Sasuke. All you care about is nothing but yourself.**

I then teleported and stabbed Evil Sasuke all the way through his black heart!

Me: **This is for everything you have done! Go to hell and stay there you motherfucking son of a fucking bitch!**

I then slashed him all the way in half and sliced and diced him into a thousand pieces and then I fired a pitch black energy blast of the Black Gates and he was banished to oblivion forever!

Evil Sasuke was obliterated forever.

Natilee: Take that!

Jorcuma: WOW! That was amazing!

Natilee: It sure was!

I powered down.

The 3 Angels kissed me all over and it was so awesome.

Natilee: That was so awesome dad!

Me: Yeah it was. Would you three girls like to be part of the team?

Jorcuma: We would be honored.

Me: Awesome.

Later I woke up at 8:10 AM and yawned.

Me: Wow! What a dream!

I went and got dressed and went to the table for breakfast and I told everyone about my dream and it was so awesome and more.

Eli: Whoa! Way to go bro!

Laney: This makes up for that rant from the evil Sasuke Hallucination.

Me: Yes it does.

Jorcuma: It was really powerful to see J.D.'s power in action though.

Keitara: Yeah it sure was cool.

Later it was time for Nico's rescue. Flying over the ocean was Nico, Kenai, Cole Evans, Applejack, Apple Bloom, Twilight Sparkle & Friends, Rachel Stavenport, Carol Pusateri, May, Maria, Varie, me, Eli, Arrietty, Aylene Carter, Littlefoot and friends, Fu, Nicole Knudson, Kaina Tsutsumi, Camie, Kaoruko Awata, Himiko, Ibara, Toru, Sirius, Tsuyu, Ochaco, Momo, Lincoln, Laney, Lana, Lola, Lisa and Lily and we got reports of a distress call coming from an uncharted island in the Solomon Islands in the southwestern Pacific Ocean.

Nico: I wonder what this island is going to be like when we see it.

Nicole Knudson: Boy who knows. This island is not even on the map.

Laney: I hope this island is really amazing to see.

Eli: I sense that whoever was there was stranded.

Nico: Thanks for coming with me, Cole.

Cole Evans: No problem Nico. It's going to be awesome going with you on an amazing rescue.

Me: All the rescue we have had are really awesome.

Eli: They sure have been awesome.

Kaina Tsutsumi: I'll say.

Nico: Cole, you and your team did a good job when helped Charlie Brown.

Cole Evans: Boy we sure did and that was so awesome.

Nico: Yeah it was!

Lola: That was really cool.

Me: And it was so awesome meeting Charlie Brown and friends and helping them destroy that evil version of the Great Pumpkin.

Camie: Great Pumpkin?

Me: He was a villain we saw in a Robot Chicken Sketch. He was really scary.

Nico: Yeah and crazy too. Charlie Brown and friends would never resort to using Satanic Rituals like that to summon legends like that.

Sirius: No they wouldn't. Besides they wouldn't know anything about Satanic Magic.

Nico: No they sure wouldn't.

Eli: Yeah and it's messing around with dark forces beyond all forms of mortal comprehension.

Nicole: And we all know that magic like that never gets used for free. It always comes with a price.

Nico: He's probably the only Robot Chicken villain we fought.

Me: Yeah and he won't be the last. It would really be funny if we faced the Robot Chicken Mr. Krabs.

Nico: (Laughs) That would be hilarious.

Camie: I remember seeing that one on the internet. That one was crazy.

Sirius: Boy me too. That was awesome and funny.

Rachel Stavenport: That is one of my favorites. That was a crazy one.

Eli: Yeah no kidding.

Me: The one that gave us a really great idea for the 2012 Shredder Mission was the 1987 TMNT Robot Chicken Sketch. Donatello made an awesome pizza hurling tank that burns their enemies with scalding hot cheese.

Nico: Everything except the last part was funny.

Rachel Stavenport: I remember that. That was nuts.

Me: Yeah. The Robot Chicken Sketches are crazy. But there was one sketch that was NOT FUNNY AT ALL! The Planeteers turning bad!

Laney: Yeah that one was nuts!

Lola: No kidding! They would never launch an attack on the Capitol like that.

Lana: No way no how!

Rachel Stavenport: I remember seeing that one. That was awful.

Eli: So was the one with the Disney Princesses. Ariel was INSULTED by that one!

Nico: And you got pissed off at it.

Eli: I sure did because no one insults Ariel. But that was just a sketch.

Nico: Yeah.

Me: That was a stupid one.

Laney: It sure was.

Nico: I liked the Mario one.

Me: That was a silly one. Mario and Luigi wound up in the world of Grand Theft Auto and Yoshi wound up in Resident Evil.

Laney: That was really crazy.

Eli: Yeah it sure was.

Camie: I never liked that game Grand Theft Auto. I heard it causes people to go into a life of crime.

Laney: That's what everyone says.

Nicole: I agree. As the Goddess of Video Games there are many games that even I am forbidden to play. Like Grand Theft Auto.

Nico: I see.

Eli: Yeah.

Nico: That video showed that Mario is crazy with a gun!

Me: It sure did! I can't imagine what he would have done with that on Bowser after so many adventures over the course of 37 years.

Eli: Boy no kidding.

Fu: That would be awesome.

Lily: It sure would be.

Nico: And we saw that Mushrooms in the real world have a different effect on Mario.

Me: That was crazy! Just like how you used the Magic Mushrooms.

Nico: DON'T REMIND ME!

Camie: Nico took Magic Mushrooms!?

Me: Yeah it was not the smartest thing he has ever done but it did keep the Digimon Emperor at bay.

Nico: And those mushrooms in the sketch ended up getting Nario and Luigi gunned down by the police.

Me: Yeah that was nuts!

Laney: It sure was.

Nico: Yeah.

Me: Nico I have news for you. Remember when we faced Misa in Roxy's second mission?

Nico: Yeah why?

Me: I found out that she was nothing more than a pawn in a terrible scheme by the Wiseman who also turns out to be the White Wizard Kamen Rider for Wizard as well!

Everyone gasped!

Eli: I remember seeing that!

Aylene: They are both one in the same!? That is crazy!

Me: Yeah and he is our primary target when we help the Wizard Kamen Riders in September.

Eli: Whoa! J.D. you made the right call having her join the Masters of Evil.

Nico: Yeah.

Cole: I think that was the right call as well.

Nico: I agree.

Camie: Who is the Wiseman?

Me: His name is Fueki Sou. He is our primary target on the Wizard Kamen Riders big day later on.

I went over history.

---

Sou Fueki (笛木 奏, Fueki Sō) is a former physicist who after the death of his daughter Koyomi Fueki, discovered the Underworld and was the progenitor of the Phantoms and the instigator of The Sabbath. He approached Haruto Soma as the enigmatic, white-robed magician, White Wizard (白い魔法使い, Shiroi Mahōtsukai), namely Kamen Rider Wiseman (仮面ライダーワイズマン, Kamen Raidā Waizuman) and provided him the means to become Kamen Rider Wizard, while entrusting him with the care of his daughter. He not only oversaw Haruto's evolution from a distance, but also became his greatest enemy, the artificial Carbuncle Phantom and the leader of the Phantoms, Wiseman (ワイズマン, Waizuman).

Not much was known about Fueki's past. However, based on what Kizaki discovered, Fueki used to work at Kirimine University as a physicist. It is also revealed, that Fueki was married to a woman named Kyoko Kiriyama with a child. It was later revealed that his child is Koyomi and that his wife has been deceased for over ten years. However, Kizaki has learned the hard way that Fueki wants his past to remain a secret and severely harmed the human detective to make sure he remains an "unperson". [ *A Magician's Fate* ] [ *White Wizard's Secret* ] After Koyomi died, he fell into deep despair and went through a lot of research. He created an artificial Phantom called Carbuncle while placing it inside his Underworld, which not only gives him the ability to turn into the Kaijin but also grants him magical powers that enabled him to transform into its own Rider, White Wizard Kamen Rider Wiseman.

Fueki orchestrates the sacrificial ritual performed on the day of a solar eclipse, where many Gates were captured and forced into despair. Fueki's plan was to use the mana produced by the Phantoms that would be produced to resurrect Koyomi. While almost every Gate failed to preserve their hope and were sacrificed, giving birth to their Phantoms, a youth managed to hold his inner Phantom at bay and remained alive but as he was about to be attacked by Lizardman, Fueki morphs into his Rider form and saves him.

Fueki realised the Sabbath has been a failure as the Phantoms had failed to produce enough mana, since although Koyomi was revived she now had no memories of her past and needed regular doses of magic to stay alive (as she was essentially a doll animated by magical energy). Fueki planned to orchestrate a second larger Sabbath, but this time would use Magicians for the energy rather than Gates. As a result, he entrusted Koyomi to the youth (not revealing his connection to her) while giving him a Wizardriver to fight the Phantoms as Kamen Rider Wizard. [ *I Want to Be a Magician* ] His plan was to find three more humans who could repress their Phantoms and turn them into Magicians, which would be enough to allow him to hold the Sabbath again. He then recruited the Phoenix and Medusa Phantoms in his Wiseman form and sent them out to find others of their kind and drive people to despair, waiting to find the three who could survive the ordeal.

After being mentioned in the first few episodes, Wiseman's silhouette is seen in episode 8, when Phoenix, infuriated after Wizard destroyed four Phantoms and foiled their respective plots concerning their targeted Gates, requested to deal with Wizard personally. Having been refused by Medusa, Wiseman granted his request. Understanding that the latest targeted Gate Hiroki was a child, Wiseman also gave Phoenix the notion to attack the boy's mother Mikiko. He sent his White Garuda to the Antique Shop Omokagedo with a box containing a red magic stone that was compatible with what was initially suggested by Shunpei to be a 'dud' Magic Ring. After an attempt to capture the White Garuda, it let itself out. Haruto believed that it was sent by White Wizard. [ *A New Magic Stone* ] Mr. Wajima used the 'dud' Ring and the stone provided by the White Garuda to create the Flame Dragon Ring which gave Wizard access to Flame Dragon, which allowed him to defeat the Phoenix for the first time. White Wizard observed Wizard's first transformation into this new form from a distance and noted that he had "evolved". [ *Dragon's Cry* ]

Wiseman later appeared in episode 14 where he morphed into a Phantom-like being able to create Magic Stones from his body. He left his lair behind mysteriously, without taking his new blue magic stone along.

Assuming the form of White Wizard, he later sent another PlaMonster, Black Cerberus, which got Haruto and Koyomi's attention. After Haruto was forced into a chase with the Phantoms, the two split up and Koyomi followed Black Cerberus. The familiar guided Koyomi to a blue Magic Stone in Wiseman's lair. The stone did not go to waste, as Haruto assumes Water Dragon form, later on, making it the third form to be evolved.

He returned to his lair at the end of the next episode, where he discovered that the stone was missing, delighting in the turn of events likely knowing everything goes according to his plan. [ *The Film Director Came Back* ]

When Koyomi tried leading Haruto back to where she found the stone, Wiseman had set up a spell so they could not find his headquarters. In episode 17, Wiseman sent Manticore to keep an eye on a youth named Kosuke Nitoh, only to be revealed to be a new Kamen Rider, Beast. [ *Another Magician* ]

When Haruto and Kosuke are nearly defeated by the Beelzebub Phantom, White Wizard appears and combats Beelzebub's portal ability with the Explosion Ring, quickly dispatching, but not defeating the Phantom. Beast tries to stop White Wizard, who, before using the Teleport Ring to take a defeated Haruto to a mysterious location, delivers an ominous warning to Beast (who White Wizard referred to as an "Archetype Mage", and later revealed that Beast was not compatible with his plans regarding the Sabbath). In his altar, White Wizard teaches Haruto about his power. He tells him that they can create something from the Dragon, the source of Haruto's power, but it may kill Haruto in the process. He watches Haruto withstand attacks from the Wizardragon and explains to him the purpose of the Drago Timer, something he says is created from Haruto's mana, not the Dragon's. [ *The Dragons' Wild Dance* ]

In episode 20, he told Phoenix not to interfere with Medusa and the other Phantoms. But after Phoenix proves too powerful for Medusa to stop, Wiseman allows the rogue Phantom to fight Haruto. When All Dragon is used against Phoenix soon after, he enigmatically comments that "This one is complete." [ *The Decisive Battle* ]

Later, White Wizard appears after Mayu Inamori, a Gate who held back her Phantom. White Wizard offers Mayu a chance to become a Magician, like Haruto. After she accepts the offer, White Wizard and Mayu teleport off finally providing Fueki with his second Magician. [ *Big Sister and Little Sister* ]

When he learned that Gremlin had freed Legion in order to get his attention, Wiseman personally chained Gremlin up with the intent to kill him for his defiance. However, Wiseman stayed his hand when Gremlin revealed that he knew a little bit of Wiseman's true goals.

When Haruto unlocked Infinity Style, White Wizard was also watching him. However, unlike before, White Wizard was unhappy to see that Haruto had unlocked a whole new level of power on his own, seeing this as a threat. [ *Tears* ]

When Haruto goes back to the forest, where Koyomi found the Blue Magic Stone, he notices that he was walking in circles. Knowing this, he transformed into Wizard Infinity Style and destroyed the barrier. Wizard then headed into Wiseman's lair. When Wizard is about to be attacked by Medusa, Wiseman holds her off and said that he would take care of the magician himself. Wizard tries to question him about his intentions, but Wiseman does not give him any answers. When Wizard used the Axcalibur to attack Wiseman, he flicked his hand and drained Haruto's mana. He then flicked his hand again, forcing Haruto out of his lair. Wiseman then uses Haruto's mana to recreate the barrier, preventing Haruto from entering again. [ *The Myna Speaks* ]

Later, Wiseman meets with Gremlin and asks him if he had gathered more Phantoms. Gremlin states that Wizard and Beast have been interfering with their plans and his attempts to gather more Phantoms have been unsuccessful because of them. Wiseman then says that he doesn't need the Phantoms. He only needs their mana for executing the Sabbath ritual on a day when there was no eclipse. He also states that the Sabbath's true intention is not for creating more Phantoms.

Later, he came to Omokagedo, this time in his real human identity to see Wajima offering him a violet Magic Stone. [ *The Stolen Hope* ] Though Wajima refused at first, he uses the new Magic Stone to create the Eclipse Ring. Though, Golem brought it to Haruto before Fueki can get it. After Haruto defeated Bahamut, he tries the Eclipse Ring only to receive an error. Cerberus then retrieves and brings the new Ring to Fueki, who reveals that the ring is not compatible with Haruto's driver. Fueki then transforms into White Wizard, much to Haruto's shock. White Wizard then told Haruto to just watch the "moment of reckoning", before he takes his leave. [ *What was Forgotten on the Pitch* ]

When a Gate named Yuzuru Ijima managed to hold back his Phantom, he contemplated being a magician before ultimately deciding he wanted to live a normal life. However, when Kosuke tried to use the Engage Ring to exterminate Yuzuru's Phantom, White Wizard appears and approaches the Gate. He tells Yuzuru that after someone suppresses a Phantom, he/she must become a magician no matter what. Kosuke refuses to let Yuzuru be taken away by him and gets into a fight with White Wizard. However, White Wizard proves to be stronger than Beast, using his Hamel Cane to deflect his attacks and using the Explosion Ring to defeat him. White Wizard then binds Yuzuru in chains and teleports away with him. [ *A Magician's Fate* ]

Thanks to the information of Sora Takigawa, Nitoh was able to find where White Wizard was hiding out. He immediately challenged him to a battle when he refused to tell where Yuzuru was. Although Beast fared better in his Hyper Form he came out the loser. White Wizard was about to kill him before Mayu intervened. He soon fled using the Teleport Ring.

When Haruto successfully stopped a Gate from going into despair, he witnessed in the Underworld a young Koyomi being called by her father. Upon further examination, it is revealed that Fueki is the father of Koyomi. He witnesses these events from afar and assumes that he needs one more magician for Koyomi's sake.

He somehow finds out that Sora is trying to kidnap Koyomi, and he proceeds to attack Sora and nearly kills him, but Sora is able to escape before he can finish him. He walks over to his unconscious daughter seeing a crack on her right hand and wrist. Haruto demands answers, but Fueki doesn't give him any. However, he thanks him for helping his daughter up to now, and teleported away with Koyomi in tow.

As Koyomi wakes up in a strange location, White Wizard appears as he says that she is also his hope. He tells Mayu to get the Infinity Ring from Haruto as he will give her a ring that can defeat Medusa. After Medusa is defeated by Mage, Wiseman appears and stabbed Medusa in the back as he revealed to her that he is White Wizard, before she dissolves into nothingness, which shocked everyone. [ *Wiseman's Truth* ] He then tells Masahiro he had the potential to become a wizard, which he refuses. White Wizard then chains him up and teleports away with him, finally giving him all four Magicians that he requires for the Sabbath.

Haruto manages to get Fueki's address. He parks and Fueki leads Haruto to the back of the house. Fueki revealed that Wiseman, the Carbuncle Phantom is actually an artificial phantom, created using both science and magic. Haruto never thought that this was even possible. Masahiro then shows up, brainwashed and equipped with a Mage Belt. Fueki introduces him as the fourth wizard and Masahiro then transforms, much to Haruto's shock. [ *The Philosopher's Stone* ]

White Wizard kidnaps Mayu (by sending a brainwashed Yuzuru to kidnap her), Haruto and Koyomi to begin the second Sabbath. However, his plan failed when Kosuke freed Beast Chimera to consume the mana and vowed to kill him. Just as Kosuke noticed how much of a pinch he is in, he states that despair has been destroyed and hopes are still here. Fueki is surprised by those words and as he turns, he sees Haruto preparing to fight him. [ *The Beginning of the Sabbath* ]

After multiple consecutive duels against Haruto and Gremlin respectively, Fueki transforms into White Wizard one last time to battle Haruto's Infinity Style, however, he (for the first time) finds himself on the receiving end of several powerful blows, although he was able to fight back as well. Eventually, they intercept each other with their Kick Strikes, and the sheer power severely weakened them both. With Fueki drained out of power, Gremlin takes the chance to attack him from behind and stabs him with his own weapon. Fueki is ultimately killed and his White Wizardriver destroyed by the Phantom before he faded away before Haruto and Koyomi's eyes.

When I was done everyone was shocked and horrified!

Eli: That monster! He caused so many people to suffer.

Me: Yeah. But I found out that the Wiseman is just his darkness inside his heart that accumulated from his Despair. So to help him be rid of it and prepare for the fight coming up, I had to do something reckless.

Nico: What did you do?

Me: I went to Japan and confront him head on about why he did everything he did and I beat him as the Wiseman and in doing so I fired a beam of energy and purified him by separating his dark side known as the Wiseman and banished him to the Warp so that we may face him later on this year when the time comes.

Nico: Whoa. So Fueki is good now.

Me: Yes. And he'll make a great member of the Redemption Squad in the future.

Nico: Can I still call the dark side White Wizard?

Me: Yes you can if you want. Fueki is free now.

Nico: Good. When the Ambassador Missions for Wizard begin we're definitely getting him into the team.

We arrived at the island. It was a jungle island with a volcano on it that was smoking.

Nico: This it?

Me: Yep. The Coordinates are right. We're here.

Eli: Wow it looks like a scary place.

Me: Yeah.

Cole Evans: Yeah.

Nico: Let's keep our eyes peeled.

We walked through the jungle and kept a watch out.

Me: Wow what a jungle.

Nico: No kidding. J.D. did you meet Sora Takigawa too?

Me: Yes I did and took the Philosopher's stone back from him. And also I put a terrible curse on him.

Nico: What kind of curse?

Me: I cursed him to be the Phantom called Gremlin forever. He is now immortal and forever cursed to walk the planet for all eternity with nothing but absolute guilt and sadness for the crimes he did.

Nico: WHOA!

Me: Yeah. Also until the time comes, when we fight him he will be a maniac again. I was thinking of letting him into the Masters of Evil. But after seeing what he did in his eyes, I reconsidered. He's not worth anything.

Nico: Good.

Eli: He was as bad as Kasady.

Aylene: If not worse.

Nico: Yeah.

Me: Don't worry guys it's part of my plan. He's going to be in for something that is an infinitely worse fate than death. Lincoln is inventing a new curse for me when we face him.

Lincoln: It's true. And you will be in for an awesome surprise.

Me: Yep. He better enjoy these last few weeks left. They will feel like an eternity.

Nico: Oh, he'll be immortal. Until we off him.

Me: Yeah.

Nico: He'll be one of our targets on the big day.

Laney: That's right.

We heard a roar and we came to a clearing and we gasped when we saw that WE WERE ON AN ISLAND OF DINOSAURS!

Nico: Look at the dinosaurs!

Aylene C.: This is amazing! A dinosaur island! It's like we're back in the Land Before Time but here in the 21st Century!

Nico: Wow!

Laney: This is amazing!

Lana: So awesome!

Eli: This is incredible!

Fu: Wow!

Cole Evans: Awesome!

We then saw a blond hair girl and she was wearing a leaf bikini and she was fighting a bunch of Velociraptors!

Laney: Wow she is good!

Me: That girl must be the one that sent the distress signal! Lets help her out.

Nico: Right! Lets go!

Cole: WILD ACCESS!

Cole turned into his Wild Force Red form!

We went at the girl.

We landed and Eli used some of what he learned to tame some of the Velociraptors.

Cole: It's okay! We're here to help!

Emma (JGATLIOTD): (British Accent) Wow! Who are all of you?

Nico: Just some local heroes passing through. And don't you forget it.

Me: We are Team Loud Phoenix Storm and you are?

Emma Sharp: My name is Emma. Emma Sharp and it's an honor to meet you all.

Aylene: Same here to you Emma.

Then a Tyrannosaurus came!

?: We'll stop him!

3 bears came and they were a Grizzly, Panda and Polar Bear!

Nico: Whoa!

Grizzly Bear: This Dinosaur is lunch!

Nico: The Bear Sisters!? WHOA!

Panda Bear: Awesome to see you Nico.

Polar Bear: Same here.

Nico: Jasmine, Mia and Hannah. Awesome to see you too.

They mauled the Tyrannosaurus into nothing.

They came to us and reverted back. Jasmine was a girl with brown hair and she had red clothes, Hannah had white hair and blue clothes and Mia had black hair and purple clothes.

Cole: What are your favorite memories of Nico?

Jasmine Bear: We have a lot of them but our favorite was when we were working on a farm with Nico we threw a local dirtclod bully into a manure pit and man did it smell horrible!

Mia Bear: I remember that and it was funny. She was sinking and up to her neck in it and when she told the teacher about everything she did so we can save her she immediately was expelled.

Hannah Bear: That was so funny!

We laughed at that one.

Nico: (LAUGHS) That was hilarious!

Me: Yeah! (LAUGHS) She had it coming! I bet she smelled horrible for years.

Jasmine Bear: Oh she did!

Nico: That was funny.

Camie: Yeah it was.

Emma Sharp: But thank you guys so much for coming to my rescue.

Me: Anytime Emma. Sorry you got stuck here on this island miles away from civilization.

Emma Sharp: I'll be all right.

Nico hugged the Bear Sisters.

Nico: I really missed you girls.

Bear Sisters: We missed you too Nico.

Me: But this was an awesome rescue.

Nico: Yeah it sure was.

Laney: I'll say.

Emma Sharp: But I am forever in your debt.

Me: We're glad we could help.

We later went back home and we told everyone everything what happened and it was intense! Emma Sharp and her family agreed to live with us. But it was awesome seeing an island of dinosaurs.

---

Before we were about to head out for Lincoln's rescue next, we heard a loud scream coming from the kitchen. Lincoln and all of us heard it, and it was coming from Grace Lorelai, as she held her stomach in pain, and we saw that her water broke.

Lincoln: Grace, is it…?!

Grace Lorelai: Yeah, we need to hurry!

Me: OH BOY! EVERYONE TO YOUR STATIONS!

Lincoln grabbed Grace Lorelai bridal-style in his abnormally massive and powerful muscular arms.

Lincoln: We've got no time to lose, just hang on, Grace.

Me: Lets get her to the hospital! LETS GO GO GO GO GO!

We took off for the hospital, and we got Grace Lorelai into the Emergency Room, and Lincoln, me, Nico, and Eli were there, and she grabbed Lincoln's hand tightly, and this meant that she's about to go through the labor pains.

Grace Lorelai: LINCOLN, IF I FIND THE FUCKING BASTARD WHO RAPED ME AND GOT ME PREGNANT LONG AGO, I WANT YOU TO TEAR OFF THE BASTARD'S DICK AND SHOVE IT DOWN HIS THROAT, NO, EVEN WORSE, BURN IT IN A PYRE OF RAINBOW FIRE!

Eli, me, and Nico's faces turned really white as ghosts and we covered our crotches after what we heard Grace said from her labor pains, but Lincoln remained calm as he put his large left hand on her head to soothe her.

Lincoln: (Soothing Voice) Shh, it's okay, Grace.

But, everyone waiting outside heard what Grace said, and many of the boys covered their crotches and their faces turned pale.

Laney: Yikes, now that's one serious threat.

Naruto: But, that's from the labor pains, Laney. Lori, do you know who it was that raped Grace Lorelai long ago?

Lori: Unfortunately, I do, Naruto.

Lori showed everyone a picture of a mean-looking teen with black hair and a mean glaring look of evil in his black eyes. His name is Damien Carter, a mean bad boy who's caused a ton of trouble in

Royal Woods.

Lori: His name is Damien Carter, he's the meanest and nastiest bad boy who's literally caused a ton of trouble in Royal Woods for many years. He inflicted a ton of fear on the entire student body and to the staff there as well, but Leni, Luna, Luan, and I busted him long ago and we knocked him out with a strong punch and tied him up and dragged him to the office, and after we showed all the evidence to Principal Rivers, she was furious. She eventually expelled Damien Carter, and he was arrested and sent to prison for Life Without Parole for a ton of crimes he's also committed over the years.

Luna: Yeah, what a lowlife.

Leni: He totes deserves to stay there until the day he dies.

A few hours later, Lincoln came out, along with Grace Lorelai, but she's in a wheelchair and with a baby in her arms, and Lincoln was pushing the wheelchair with Grace on it, and me, Nico, and Eli came out as well.

Lincoln: Grace delivered the baby, and it's a beautiful healthy baby girl.

Everyone approached, and Grace showed everyone her healthy baby girl, and they saw that she has the same blue hair as Grace, and it was so cute.

Leni: Aww, she's totes so cute.

Lori: Literally. So, what did you name her, Grace?

Grace Lorelai: I decided on the perfect name for her: Nanua.

Lincoln: Wow, you named her after your Mom, that's so amazing.

Lincoln made a Shadow Clone to stay with Grace and Nanua, and he put the alarm on silent, and that allowed Grace and her new baby, Nanua to rest and recover, and it was so awesome.

Lincoln: I'm looking forward to raising little Nanua, guys.

Me: Same here, big guy.

Lincoln: And when I saw Nanua for myself, I had tears in my eyes and a smile on my face. So, that's the feelings of seeing a child being born into the world, it's really amazing.

Nico: That's right, big guy. Now, then, shall we get going?

Lincoln: Yep.

Lincoln and his group then head off for the next food planet for his rescue. But, this one is going to be a really dangerous one.

After Grace's delivery of her newborn daughter, Lincoln, Me, Nico, Eli, Nicole Knudson, Lori, Leni, Luna, Luan, Lynn, Laney, Lucy, Lana, Lola, Lisa, Lily, Lincoln's harem, Sherlock Hound, Noctis Lucis Caelum, Gladiolus Amicitia, Ignis Scientia, Prompto Argentum, Stella Nox Fleuret, Ravus Nox Fleuret, TLPS Mr. Wolf, TLPS Mr. Piranha, TLPS Mr. Snake, TLPS Mr. Shark, TLPS Ms. Tarantula, Heathcliff, Sonja (Heathcliff), Riff-Raff, Hector (Heathcliff), Wordsworth, Mungo, Cleo, Leroy, Crash Bandicoot, Coco Bandicoot, Aku-Aku, The Quantum Masks, Alternate Tawna, Spyro, Cynder, The Ghostforce, Rayman, The Louds' Scottish Ancestors, The L-ementals, and Leo Corbett are heading to a planet of Pumpkins, and not only is Lincoln going to rescue the eight girls there, but we got word that Evil Carol broke out of prison, and she's there and she wants revenge on us for sending her to prison years ago.

Lincoln also called in The Redemption Squad and Carol, since they also pulverized Evil Carol long ago when she showed up to cause havoc.

Lincoln: Whoa, we're here on a planet of Pumpkins, this is so awesome.

Nico: You said it, this is awesome.

Lincoln: But, this is also going to be one really dangerous rescue, not only am I going to rescue the eight girls there, but we got word that Evil Carol broke out of prison, and she's there and she wants revenge on us for sending her to prison years ago.

Me: I thought we'd never have to deal with her again after we threw her in prison, but she refused to learn her lesson.

Twilight Sparkle: And I can sense that you guys have a bit of a nasty history with this evil version of Carol. What can you all tell us about her?

Lincoln: You girls aren't going to like it one bit.

Lincoln told the girls who hadn't joined his harem long ago about Evil Carol, that she descended into madness because she took her rivalry with her world's Lori too far, and when he told them that Evil Carol raped her world's Lincoln who was only 11 years old and left him traumatized for the rest of his life, that not only horrified them, but it also pissed them off big time as they turned red, and steam came out of their ears.

Minerva Mink: (Extremely Pissed Off)WHY THAT HEARTLESS, TWO-FACED, SADISTIC RAPIST! I'LL RIP HER LIMB FROM LIMB AND RIP HER HAIR OFF!

Twilight Sparkle: (Extremely Pissed Off) I'LL HAVE HER BANISHED TO THE SUN AND SEE HER BURN ALIVE LIKE THE WITCH SHE IS!

Rarity: (Extremely Pissed Off) THAT WITCH HAD SOME NERVE TO RAPE HER WORLD'S LINCOLN, AND TRAUMATIZED THE 11-YEAR-OLD BOY BADLY?! I'LL MAKE HER PAY FOR EVERYTHING SHE'S DONE TO HIM!

Nico: Oh… !

Me: Shoot!

Eli: How could she do something so evil?! This is just so evil.

Carol: And she's a lot worse than Morgan. But, I'm not like that, Eli, and you know me better than that.

Eli hugged Carol, and she hugged him back.

Lincoln: When we get done with her, she's going to the Callisto Prison for Insane Rapists, but she'll be imprisoned in indestructible magic crystal, so she doesn't escape.

Leo Corbett: That's a good idea, Lincoln. She doesn't deserve to be free ever again.

Maria: And we'd better take care of them before the girls in your harem threaten to rip her in two.

?: HEELLLLPPPP!

Suddenly, Lincoln heard the sound of eight girls calling for help. With his deep sapphire blue cyborg eyes, rainbow colored iris of his Third Eye, the Force, and his superhuman sight, along with sensing energy signals, he saw and heard exactly where the call for help was coming from. He saw the eight girls, but they've been cornered by Evil Carol, and she's going to kill them.

Lincoln: Guys, I found the eight girls, but they've been cornered by Evil Carol, and she's going to kill them.

?: That heartless, boy-raping, two-faced viper! Let's get her.

Suddenly, we saw the Arcana Force III - The Empress appear before us.

Nico: Whoa, that's Arcana Force III - The Empress, awesome.

Lincoln: And I'd recognize that voice from anywhere, I knew it was you, Jade Hyotonia, but we'll have to talk later, let's get that heartless, boy-raping viper!

Then, we saw the other girls in Lincoln's harem charge after her.

Nico: And we'd better get to her before the rest of your harem rips her in half.

We rushed on over to save the eight girls.

Evil Carol: And now, you DIE! (LAUGHING DERANGELY)

Evil Carol went after the eight girls, but before she could kill them, the girls in Lincoln's harem who're pissed off at what Lincoln told them about her, pounced on and pulverized her and backed away, and Lincoln fired rainbow energy balls and elemental forces at Evil Carol, and that allowed the eight girls to get away. When Evil Carol saw us, she was really pissed off at us, but so were we.

Lincoln: This is the last time we ever deal with you, you heartless viper!

Lincoln unholstered his massive Hinon's Cosmic Storm Sword of Universal Hope, Elemental Bravery, and Unbreakable Eternal Bonds from his wider and muscular back, and transformed into Super Angel-Ebonwu-Thunderbird Eternity Infinity Elemental Thunderbird Buffalo Angel of Universal Justice and Elemental Hope, which became even more stronger than ever, along with all his other Super Angel forms, TLPS Mr. Wolf transformed into his Super Angel Eternity Infinity form and the rest of The TLPS Bad Guys Gang transformed into their Super Angel Eternity Infinity forms and they unholster their massive swords, Lincoln's sisters transformed into their Super Angel Infinity forms and unholstered their massive swords from their backs, Lincoln's harem unholstered their massive swords from their backs and transformed, Sherlock Hound transformed into Super Angel Eternity Infinity Stellar Darkness Demon Hound of Dark Compassion and Demonic Justice, and he unholstered his massive Sparda's Demon Fang of The Demon Hound sword from his wider and more muscular back, Crash Bandicoot unholstered his massive Skylands' Elemental Wolf Sword of Elemental Justice from his wider and more muscular back and transformed into Super Angel Eternity Infinity Elemental Skylander Bandicoot Knight Angel of Elemental Bravery and Elemental Will, The Ghostforce, Leo, Carol, The Redemption Squad, The Louds' Ancestors, The L-ementals, Noctis, Prompto, Ignis, Gladio, Stella Nox Fleuret, and Ravus Nox Fleuret got out their swords, Rayman had his gauntlets ready and he transformed, Hector got out his massive Heaven's Maw of Judgement sasumata pike, and Me, Nico, Nicole, and Eli unholstered our massive swords and transformed, and we went after Evil Carol, and we fired powerful blasts of rainbow energy, colored energy, elemental forces, Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, Magic, rainbow flames, and rainbow crystals, and they exploded with incredible power as they hit her.

Then, Lincoln opened up his new large Elemental Spellbook of Harmonious Justice, Eternal Harmony, and Equestrian Peace, and as he did, Evil Carol was surrounded by a gold magic circle with the 10 Elements of Harmony surrounding her, and she was chained up in gold chains. Then, Lincoln fired a blast of rainbow energy, and as it hits Evil Carol, she was imprisoned inside of a indestructible magic purple crystal in the shape of The Element of Magic and Friendship with indestructible magic crystals in the shapes of the Elements of Loyalty, Courage, Humility, Empathy, Forgiveness, Laughter, Generosity, Honesty, and Kindness surrounding the purple crystal, and Lincoln sent the prison to the Callisto Prison for Insane Rapists and Delusional Megalomaniacs, where she'll remain there forever. We cheered wildly as we holstered our weapons and powered down.

Lincoln: That's it for that evil viper. (To Jade Hyotonia) And it's so good to see you again, Jade Hyotonia.

Jade Hyotonia everted back to normal, and she's a beautiful 17-year-old girl with long flowing light blue hair, blue eyes, she's tall at 6'5" in height, she has the body of a goddess, she has the kanji for Water tattooed on her forehead, she has massive blue angel wings, and she reigned in the power of Arcana Force III- The Empress, and she's dressed in a purple vest, light blue sleeveless dress top, light blue skirt, blue pants, blue sneakers, and long blue sleeveless trenchcoat with ice on the coattails, and Arcana Force III- The Empress on the back, and holstered on her back is a large Arcana III- The Empress-themed sword with a 6'10" massive, wide, double-edged blue blade with Arcana III- The Empress etched on it, large purple angel wings for the crossguard, large blue gem embedded in the rainguard, longer black handle, and large blue gem with angel wings surrounding it for the pommel.

Jade Hyotonia: You too, Lincoln, it's been a long time.

Lincoln went up to Jade Hyotonia and they hugged, and Jade Hyotonia's also very surprised at just how much taller and much more muscular Lincoln's gotten since they last saw him, and they also felt just how strong he's really become.

Lincoln: It sure has, I haven't seen you when you were sixteen, and as you can see, I really grew a lot since then.

Jade Hyotonia: I knew you have, but whoa, you sure have really grown very big and strong like a tree, Lincoln, you've really grown a lot from the eleven-year-old cute little boy into a 17-year-old and permanently 7'5" tall, very handsome, and manly teen with abnormally massive and powerful upper and lower body muscles and eight-pack abs, that's so awesome.

Nico: Wow, Lincoln, you know her?

Lincoln: Indeed I do, Nico, this is Jade Hyotonia, she's another of my Guardian Angels from Royal Woods, Michigan, and she, like her fellow Arcana Force Gene-Slammers is a powerful psychic and clairvoyant and she has incredibly powerful mastery over the powers of Ice, and like the other Arcana Force Gene-Slammers, she's known for stopping bad things before they happen and also has the powers to see into the future. This one time, she stopped a massive gang attack on us for bringing them to jail and they vowed revenge.

We gasped in shock.

Nico: What?! A gang tried to attack you guys for bringing them to jail?! Oh, I'm going to enjoy hearing this.

Suddenly, a Thunderbird of Eternal Love appeared around Jade Hyotonia's neck with blue gems on the gold thunderbolt links and blue crystal links from brand-new Crystal Necklace of the Buddha which merged with her Thunderbird Necklace of Eternal Love.

Jade Hyotonia: (Surprised) Whoa, is this…?

Lincoln: Yep, that's a Thunderbird Necklace of Eternal Love, and that means you're now part of my harem and one of my many future wives, Jade.

Jade Hyotonia had a smile on her face and tears coming from her eyes, as she wrapped her arms around Lincoln's waist, and Lincoln wrapped his abnormally massive and powerful muscular arms around her, and he leaned down and kissed Jade Hyotonia on the lips, and they returned it, and we cheered for them. Then, we went up to the eight girls, and when Lincoln saw them, he recognized the girls immediately. The eight girls are Kiyose Yuu, Mizusawa Ayaka, Mizusawa Manaka, Ono Mami, Saginuma Riko, Takagi Naomi, Yanagida Kaoruko, and Maya Walker from Puraore! Pride of Orange.

Lincoln: Oh wow, it's Kiyose Yuu, Mizusawa Ayaka, Mizusawa Manaka, Ono Mami, Saginuma Riko, Takagi Naomi, Yanagida Kaoruko, and Maya Walker.

Nico: From Puraore! Pride of Orange, awesome.

Lincoln: Are you girls okay?

Kiyose Yuu: Yes, we're okay, thanks to you.

Then, when Kiyose Yuu and the other seven girls saw who it was that saved them from the deranged and insane Evil Carol, their faces turned atomic red upon seeing the 17-year-old permanently 7'5" tall, handsome, bare-chested hunk with abnormally massive and powerful upper and lower body muscles, eight-pack abs, long wild white hair going down to the bottom of his neck and rainbow lightning bolt highlights in the bangs of his long white hair, rainbow colored thunderbird with a gold lightning bolt emblazoned on his forehead with a Third Eye of the Buddha on his forehead with rainbow iris, golden lightning bolt cutie mark with the thunderbird and comic books right on his massive and wide right pec and it's surrounded by the symbols of Fire, Water, Ice, Wind, Earth, Nature, Light, and Darkness in a circle, large Celtic Cross cutie mark tattoo in the form of the cutie marks of Twilight Sparkle, Sunset Shimmer, Rainbow Dash, Applejack, Rarity, Pinkie Pie, Fluttershy, Starlight Glimmer, and Trixie Lulamoon, surrounded by a circle were the marks of the other girls in Lincoln's harem on his wider and more muscular back, and right on top was the Earth surrounded by the ring of mermaids and surrounded by a Thunderbird, Phoenix, Angel, and Buffalo, and right below the Cutie Mark tattoo is a deep sapphire blue kanji that said, "Lincoln Landon Loud, Champion and Emissary of Hinon, Master of Lightning Storms, The Weather, The Elemental Forces, The Cosmos, and The Universe, The Loud

Kiyose Yuu: Oh wow, you're Lincoln Loud of Team Loud Phoenix Storm.

Lincoln: That's right, and it's a pleasure to meet you all.

Then, Lincoln made seven clones of himself, and he and the seven clones went up to the girls, and hugged their waists in their abnormally massive and powerful muscular arms, and they lean down and kissed the girls on the lips, which they returned with equally intense passion, as they wrapped their arms around the necks of Lincoln and his clones, and we cheered wildly at the scene.

Miyamae Kanako: (Seductively and rubs her right hand on Lincoln's massive and wide right pec) You too, big, tall, muscular, and handsome.

Suddenly, eight Thunderbird Necklaces of Eternal Love appeared on the necks of Kiyose Yuu, Mizusawa Ayaka, Mizusawa Manaka, Ono Mami, Saginuma Riko, Takagi Naomi, Yanagida Kaoruko, and Maya Walker with colored gems on the gold lightning bolts and crystals links from their merged Crystal Necklaces of The Buddha. We returned to the TLPS World Tree Estate and we told everyone about the rescue, and they were shocked when they found out that the villain we went after was Evil Carol, who broke out of prison and wanted revenge on us.

But, when Lincoln showed everyone what the girls in his harem did in brutally pulverizing her, along with all of us joining in, and Lincoln imprisoning her in an indestructible magic crystal and putting her in The Callisto Prison for Insane Rapists and Delusional Megalomaniacs, everyone cheered wildly for Lincoln and the rest of us, and they hugged us, and the girls in Lincoln's harem then went up to Lincoln, and they kissed him all over. Lincoln and Jade Hyotonia have a lot of catching up to do, now that she's back in town, and now, we're finally rid of Evil Carol and she's never ever coming back.

---

After we took down Evil Carol this time for good, we were training intensely in the gym, this time, doing 150,000,000 reps of crunches, wing push-ups and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 9,500-lb barbells, squats, and going a few rounds with the punching bags, and we were really sweating like crazy, even doing yoga to clear our minds, and when Jade Hyotonia saw Lincoln working out like crazy, she had an atomic red blush on her face.

Jade Hyotonia: Whoa, I was right that Lincoln has really grown to be a 17-year-old permanently 7'5" tall, really big, and really strong man, just look at those abnormally massive and powerful upper and lower body muscles and his eight-pack abs hard at work, and working out with those 9,500-lb barbells and he's not even get tired, incredible.

Lincoln: Yep, and I've also trained a lot under some very powerful teachers, J.D. and Nico included, Jade, and now, I can also defend myself, and in addition to getting stronger, I've also gotten smarter as well.

Jade Hyotonia: That's incredible.

Nico: It sure is. So, Jade, how did you stop a massive gang attack on the Louds for bringing them to jail and they vowed revenge?

Jade Hyotonia: You're not going to like this one bit. One day, I was walking throughout Franklin Avenue, and Lincoln and his family were with me, and we were coming home after a day at Lake Huron. But, then, I had a vision: I saw a gang about to launch a massive attack on the Louds for bringing them to prison, and I knew what I had to do. I sensed for the presence of the gang that are about to attack the Louds, and I fired a powerful blast of ice, and it froze them out, and then, I fired a powerful blast of ice and froze them, and Lincoln called the cops. As soon as they arrived, they all saw the gang that I froze, and they were shocked to see who the gang was: it was The Bloody Skulls, a notorious gang who were allies of The Black Daffodils, and they wanted revenge on the Louds for bringing The Black Daffodils to jail. In the end, The Bloody Skulls were taken away, and they were all sentenced to Life In Prison Without Parole, and were thrown in The Neptune Cryoprison, and flash-frozen and put in cryogenic cells.

We were horrified at the revelations, but we all cheered for what she did to save The Louds.

Nico: Whoa, so another gang tried to attack the Louds as revenge for bringing The Black Daffodils to jail, yikes.

Lincoln: And we also heard about The Bloody Skulls, they're another gang who alongside The Black Daffodils, held Detroit in a grip of fear and violence, but when they found out The Black Daffodils were arrested and sent to prison, they wanted revenge on us, and they're extremely violent and very bloodthirsty, and they have an insatiable appetite for blood and violence.

Me: Whoa.

Nico: But, now they're in prison for the rest of their lives, and they're never getting out ever.

Jade Hyotonia: They're nothing but monsters who deserve to rot in prison.

We got a shower afterwards, and after that, Lincoln and his harem are getting ready to head out for an exploration in Ripple Field in Kirby's world.

Lincoln: Alright, ladies, shall we?

Sam Simpson: Of course, Linky.

Lincoln and and his harem headed to Ripple Field, and when they arrived, it was an amazing field and it's part of Rainbow Islands and is home to Kine the sunfish. It, just like any other islands and oceans based level, mostly involves swimming. It also has dark areas that can be lit up using Kine with the Spark ability, and it has underwater caverns with strong currents.

Lily the Mermaid: Whoa, what is this place, Linky?

Lincoln: This, Lily, is Ripple Field, Kirby told me about this place, and I figured this is a perfect place for our exploration date, and it also involve a lot of swimming. Shall we?

Lincoln and his harem changed into their swimsuits and they dived right into the water, and they also began their exploration of Ripple Field as they swam through the waters. Lincoln also lit up the dark areas with blasts of light, and they also saw Nanua has the same powers as her mother, and it really impressed them as she made a field of water around her, her mother, her father and the girls in her father's harem to protect them from the strong currents. Then, as they got up to the surface, Lincoln and his harem had lunch, and Paige gave Lincoln POWERFUL GLOWING ORANGE SAUCE COVERED SPICY BONELESS WINGS AND HE CHEWED THEM AND SWALLOWED THEM AND THEN…

(EXTREMELY MASSIVE AND POWERFUL NUCLEAR EXPLOSION)

A MASSIVELY POWERFUL NUCLEAR EXPLOSION WITH THE POWER OF 500 GIGATONS WENT OFF and Lincoln then sucked in all the explosion and then they all saw that Lincoln's orange version of He-Man 2002's loincloth with hanging small metallic silver lightning bolts and long orange trenchcoat coattails with elemental forces, Thunderbirds, Phoenixes, Angels, and Buffalo on them and with hanging mini silver lightning bolts were now glowing neon orange and it had intense powerful rainbow hot flames coming off them, and the long orange trenchcoat coattails with the elemental forces, Thunderbirds, Phoenixes, Angels, and Buffalo on them and with the hanging mini silver lightning bolts also had a rainbow-colored pepper on them, along with Lincoln's spicy tattoo having blood pouring down his left arm. Lincoln has now become A TRUE SPICE DEMON LIKE ME AND NICO!

Lincoln: WHOA! THIS IS SO AWESOME!

Lily the Mermaid: (SWEATING) WHEW! THAT'S INCREDIBLY AWESOME AND HOT! And you look really sizzling hot and awesome, Linky.

Lincoln: I can't wait to show J.D. and Nico what just happened to me.

Just then, me and Nico appeared, and we were already sweating like crazy.

Nico: Whew! There's no need to show us, big guy. We saw the explosion and we had to get on over to see for ourselves.

Me: And that's so awesome, now you're a True Spice Demon like me, Nico, Lynn, and Laney, big guy.

Lincoln: That's right, guys.

Nico: Okay, see you back home.

Then, as the sun was about to set, Lincoln made clones of himself, and Lincoln and the clones went up to the girls, and they picked them up in their abnormally massive and powerful muscular arms, and as the sun turned orange, they passionately kissed and hugged with supercharged and intense passion, and it was also sizzling hot as the girls wrapped their left arms around the necks of Lincoln and his clones and placed their right hands on the massive and wide muscular pecs of Lincoln and his clones. Then, they came back home to the World Tree Estate.

Lori: Hey, gang, how was your date? (SWEATING) Whew, and J.D. and Nico were literally right, you have now become a True Spice Demon, Linky, and now, you're sizzling hot and awesome.

Lincoln: Thanks, Lori, and our date was awesome, we did an exploration of Ripple Field in Kirby's world.

Nicole: Whoa, and you guys really had to do a lot of swimming for that one.

Lincoln: That's right, Nicole, and we saw that Nanua has the same water powers as her mother, and she made a field of water around her, her mother, and all of us to protect us from the strong currents.

Nico: Wow.

Me: She was born just today, and she's already developing the same powers as her mother, that's so amazing.

---

Later it was time for Roxy's 3rd Ambassador Mission.

William: Anyone else wanna go with Roxy? Besides Zexion, Kermit, and 1 Rabbid?

Bloom: How about the whole Winx Club goes with?

Nico: Good idea.

Roxy: It'll be awesome to have Tsukasa meet you all.

Nico: Yeah. Lets head out!

We were off to Japan.

We arrived in Japan.

Tsukasa: Hey guys!

Roxy: Tsukasa, meet my archenemy.

Zexion: Awesome to meet you Tsukasa. My name is Zexion the

Zexion: Actually, I was fought the first time Xehanort was dealt with.

Me: Right but we faced an evil version of you too during that time.

Zexion: That's true. But yeah.

Tsukasa: That is really cool.

Me: It sure is. We faced Evil Zexion in the world of Disney's Hercules from 1997. That was really awesome. And the Muppets all helped us in the world of 2013's Frozen leading up to the Great War with Xehanort.

Daiki Kaito: That is incredible!

Nico: That was one of the most epic battles we've ever had.

Me: It sure was. And we finally rid the entire universe of Xehanort's evil forever.

Tsukasa: That is for sure. But it's awesome that you guys know the great Muppets.

Nico: We sure do.

Nico: I've got a good setup for the Decade team. It'll consist of Tsukasa, Daiki, Yusuke, J.D., and Roxy. We just need 1 more.

Megan Kiraton: I'll go too.

Nico: I had a feeling you would Megan.

Eli: Awesome.

But then…

KRABBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOMMMMMM

Daiki: (hears explosion) Looks like our team is formed just in time.

Nico: No kidding. Lets go!

We were off and we then saw 6 monsters in the city square. They were RAYDRAGOONS (Ryuki), HORSEFLY FANGIRE, WOLF ORPHNOCH, LOBSTER ORPHNOCH, LONGHORN ORPHNOCH and GAMEL!

Me: WHOA! 1 Ryuki, 1 Kiva, 3 555 and 1 OOO. But Gamel we faced before.

Nico: Yeah we sure have!

Me: I'll face Gamel again.

Nico: Cool.

Me: First for me. KIBAL LETS HOWL!

(THE WOLF AND THE MOON BY BRUNUHVILLE PLAYS)

I turned into Wolf Moon and I had Phoenix's Sword ready and my scythe was in pen form. I was WOLF MOON!

Megan Kiraton: Time for some awesome action!

She pulled out her Joyo Sylph Wonder Ride Book!

Megan Kiraton: HENSHIN!

Roxy and Tsukasa: Henshin!

Kamen Ride!

They transformed!

Gamel: Where is Mezool!?

Me: She doesn't want anything to do with you dirtbag! And I told you to get a better girlfriend!

He then summoned 5 Shocker Greeeds and even numerous Incomplete Greeeds!

Eli: Now it's gonna get good!

Eli engaged the Medal Tank.

Nico: Lets kick some butt!

Tsukasa: (takes out Rider Card of Den O) Now, you get to see me turn into a Heisei Rider.

Daiki: (takes out Rider Card of Kamen Rider Ixa) And I get to summon a secondary Heisei Rider.

Kamen Ride: Den O!

Kamen Ride: Ixa!

They used the abilities of said Kamen Riders!

Nico: AWESOME!

Megan Kiraton: That is cool!

Roxy: And now for me! (Takes out Rider Card of Kamen Rider Saber) And I get to summon a friend J.D. knows.

Kamen Ride: Saber!

She summoned Touma Kamiyama!

Daiki and the copy of Kamen Rider Ixa charged at Gamel and they blasted and smashed him all over.

Me: Lets see how they like this! PHOENIX WOLF MOON STYLE NINJA ART: FIRESTORM WOLF PACK DEATH RAY!

I fired blasts of fire and blue fire and they formed into a deadly wolf pack made of blue fire and they slammed into the Greeeds and exploded which caused numerous medals to explode out and they got sucked into the tank.

I then sensed 2 figures in 2 of the Greeeds and I looked and saw that it was BLOOM'S PARENTS THAT WERE THOUGHT TO BE DEAD, Oritel and Marion, THE KING AND QUEEN OF DOMINO!

Me: OH MAN! Bloom is not going to believe this. Nico give me a hand here quick!

Nico came!

Nico: What's up? Oh no. More people we know?

Me: Not us. Bloom.

I fired a beam of blue energy and opened the 2 Greeeds and Nico saw them and it was Oritel and Marion!

Nico: (Gasp) Bloom's mom and dad!

Me: He biological mother and father from Domino!

Nico pulled them both out of the Greeeds!

As Kamen Rider Den O, Tsukasa punched Gamel in the face. He was smashed down!

Eli: Oh man!

Eli took Bloom's mother and father and put them on a bench.

Zexion: Oh man! Are they all right?

Oritel: (Weakly) What happened?

Marion: (Weakly Where are we?

Bloom then saw her mom and dad!

Bloom: (GASP) It can't be! Mom? Dad?

Bloom went over to them and they saw Bloom for the first time since Domino was destroyed.

Oritel: Bloom? Is that really you?

Bloom had tears streaming down her face.

Bloom: It is me mom and dad.

Marion: Bloom my gosh look at you. You've grown so much.

Oritel: My little princess.

Bloom hugged her parents for the first time ever in her life and cried hard.

I slashed Gamel and decapitated him and then he exploded!

MASSIVE EXPLOSION!

Daiki Kaito: Now to mop up the rest of them with Complete form.

Final Kamen Ride: Diend!

Me: AWESOME!

Nico: YEAH!

Daiki Kaito blasted the rest of the monsters all over!

They were all destroyed!

Nico: You monsters have all failed this city!

Eli: And we got 20,012,234 medals and 12 Core Medals.

Megan Kiraton: That was so awesome.

Zexion: Yeah it was!

We went over to Bloom's mom and dad.

Me: Your majesties it's so good to see that you are okay.

Nico: We are Team Loud Phoenix Storm. You are on the planet Earth.

Marion: How long were we gone?

Me: Too long. But many of your enemies are all dead. Darkar, Valtor, they are all dead and gone forever. The Trix have all been forgiven and will soon join our frenemies in the future.

Eli: But Bloom has been an amazing and awesomely huge help to the entire team.

Megan Kiraton: She sure has.

Tsukasa: Man, I thought I would never turn into one of the Heisei Riders on these missions!

Nico: That is so cool! But this Ambassador Mission turned out to be a really eventful one as we reunited Bloom with her family for the first time.

Eli: We sure did.

Bloom: Yeah. Also mom and dad, I have so much to tell you. We have lots of catching up to do.

Marion: I know Bloom. We missed out on so much.

Me: But also your daughter was in really great hands. She has done so much good all over the world. Not just on Earth but all over the Magix Worlds.

Roxy: It's true.

Marion: Amazing. Bloom we're so proud of you.

Zexion: We all are proud of you.

We later came back.

May: Hey guys.

Me: We had a really eventful mission in this one.

We told everyone everything and it was shocking and amazing.

May: WHOA! Bloom that is great you have your mom and dad back!

Bloom: It sure is.

William: Next time, Rango should go with you.

Roxy: Great idea!

Kermit: It was awesome facing the monsters of Decade.

Laney: That was awesome.

Nico: Yep.

Me: Guys we have to go to Hong Kong. There's something I need to do.

Nico: What is it?

Me: You'll see when we get there.

Li: I have a feeling I know what it will be.

---

## HONG KONG **H K**

---

We arrived at Hong Kong.

Atem: Good old Hong Kong.

Eli: You said it father. It's really amazing.

Me: 48th largest city in the world.

Nico: Yep. So what are we here for?

Me: Now guys don't yell at me for this but we need Meilin Rey to join us. She may thing everything is a competition but she did help out in Sakura's journey to get the Clow Cards.

Li: (Puts his hand on my shoulder) I understand your reasons J.D. But she thinks all this is a competition and she thought getting the Clow Cards was a game to her.

Me: Well she needs to realize that not everything is a sport to her. She is very athletic I'll give her that.

Lynn: I'll say.

We saw her at her house training hard.

Somnambula: (Egyptian Accent) Hi! You must be Meilin.

Meilin: Yeah that's right.

Me: (Gulps) Hey Meilin.

Meilin growled and she saw me and then fire burned in her eyes and then she jumped at me and Nico and Li grabbed her!

Li: Hold on Meilin!

Meilin: LET ME GO LI!

Nico: Meilin you got to calm down and let him talk!

Me: Meilin listen! We got off to a really rocky start when I was leader of the team but I assure you that my actions have been REALLY uhh… What's the word that I'm looking for?

Nico: Abusive?

Me: Yeah that's it. I was sort of abusing my power because I was starting to get blind to reason and I was doing what I can to help people and I let it go to my head a little bit. Meilin what I'm trying to say is I'm sorry.

Meilin: You're sorry?

Me: Yeah. But Meilin I got the Clow Cards because I found them in my basement at my estate and I met Sakura and Li and they have both been a really awesome help.

Meilin: Li should have all the Clow Cards!

Me: I know it's his family's book but the Clow Cards were made for anyone to handle. And you have to realize that when Sakura and myself got them it turned into a battle of life and death. It wasn't a competition.

Nico: He's right Meilin. He never meant for you to let things like this happen to you. We were trying to be your friend but your athletic pride and over competitive nature made us do the unthinkable and for that we're sorry.

Astrotrain: Besides, that was 3 years ago!

Me: 3 and a half years ago actually but who's keeping track.

Meilin: Oh. (Calms down) You're right. But J.D.?

Me: Uh oh. Yes.

She threw a punch at me and I blocked it.

Me: Sorry. Instinct.

I then got socked in the face really hard by her and I got a nasty black eye and I was dazed.

Me: (Dazed) (Stupid Talk) Anyone get the number of that fist that hit me? (BLUBBERS) OW! Whoa! Holy fortune cookies! You are really strong!

Meilin: I have a strong athletic nature.

Me: Wow! But yeah I deserved that.

Meilin: Thanks for letting me join the team.

Me: You're welcome.

Sakura Avalon: Yeah.

Springer: Finding Clow Cards is old news. Now, we look for Gene Slammers.

Meilin: I heard all about that.

Me: Yeah. But the Clow Cards have been amazing for us too. But Meilin you have to realize that not everything is a sport.

Lynn: You and I have more things in common than we first thought. You and I are both really athletic and we love sports.

Meilin: Yeah we sure do Lynn. Guys I'm so sorry about all the things I said to all of you and I'm sorry about being such a total jerk to you all. I have a huge issue with pride and sports.

Nico: It's all right Meilin.

Lynn: Believe me Meilin I know just how you feel.

Rainbow Dash: Yeah same with me. It's crazy but I'm a sports star myself and I oftentimes let pride and competitiveness get the best of me too.

Meilin: Really?

Rainbow Dash: Yeah I like playing in many sports and the competition goes to my head too.

Nico: That is amazing that we have so many awesome athletes.

Laney: It sure is.

Catherine Iroh: Also Meilin my archenemy is Admiral Zhao and Sakura and her friends and your teacher Ms. MacKenzie are part of my group in my extra battle. Would you like to join us?

Meilin: I would like that.

Catherine Iroh: Oh sorry. I'm Catherine. Catherine Iroh Lan Kai. I'm a Firebender and the biological daughter of Iroh.

Meilin: Awesome to meet you Catherine.

Nico: Cool.

We arrived back at the estate. Meilin's deportation was revoked too.

Nico: That went well.

Me: Yep.

Chelsea came and with her was her cousin Zachary.

Chelsea: Guys this is my cousin Zachary.

Zachary: Awesome to meet you guys.

Me: Same to you Zachary.

Zachary: Did you guys know that Fortune Cookies were made in the

19th Century over in Japan and were used as warnings to prepare for aliens from another planet?

Me: (Skeptical) Really?

Nico: (Skeptical) Seriously?

Chelsea strangled him.

Chelsea: You big liar!

We laughed.

Sakura Avalon: Zachary has had this problem of fabricating stuff from facts.

Me: Oh!

Thorn: Hey, Muscle Man. Where are you going?

Muscle Man: I'm going to the Trucker Museum to honor my dad.

Nico: Okay. I heard about what happened with your dad and we're sorry.

Muscle Man: It's okay but thank you.

Nico: You're welcome. Can we go with you?

Muscle Man: Sure.

Then Bronze Kneecap, Iron Lung, Xiao Fung, Gramma Stuffum, Captain Boomerang, New Wave, White Lightning, Count Spankulot, DC Enchantress and Snake appeared.

Bronze Kneecap: (French Accent) Hey, Muscle Man. Can me, Iron Lung, Xiao Fung, Gramma Stuffum, Captain Boomerang, New Wave, White Lightning, Count Spankulot, DC Enchantress and Snake go with you too?

Muscle Man: You guys sure can.

Iron Lung: We heard that Grace had her baby.

Lincoln: She sure did and she is so happy.

Me: We all are happy for her. But if we ever see the lowlife that raped her we'll make sure to slash his throat.

New Wave: Yeah. But tell her congratulations.

Me: We will. She named her baby girl Nanua.

Kanaloa: (Hawaiian Accent) That's a great name for her too.

Iron Lung: It sure is.

Air Man: Nico, which Gene Slammer do you think you'll meet on your next rescue?

Nico: I'm hoping to do one that is for another one of Ghostfreak's natural predators next.

Shanan: That would be this one.

She showed a picture of a flying eye alien. It looked like a red eyeball octopus.

Shanan: These are called Spectrites. They are another one of the Natural predators of the Ectonurites. They have all sorts of powers. They Can float, Can become invisible, Can become intangible, Don't have a mind, so Ghostfreak or Zs'Skayr can't possess it, Can produce rays of light that are said to be the only light in Anur Phaetos. Such light can burn Ectonurites even with their blanket on, and if it were to look at it long enough it would disintegrate it and can Cry a sticky substance that solidifies the protoplasm of the Ectonurites, canceling their intangibility and invisibility

Nico: Wow! That is cool!

Laney: Boy it sure is.

Lola: Yeah.

Me: So it's one of the Goths of Darkness, Danny Phantom or one of the ghosts going with you.

Nico: Yep.

Iron Lung: Muscle Man, how exactly did your dad die?

Muscle Man: He died after he got mauled for putting a cactus under a cop in a bear costume who was actually a real bear.

Nico: YIKES!

Eli: That is horrible!

Me: Yeah!

Laney: No kidding.

High Five Ghost: It really hurt Muscle Man big time and he was really close to his dad.

Benson came.

Benson: Guys-

Dive Man: I know. We're fired if we don't accompany Muscle Man.

Benson: Okay. 1. You guys don't even work for me. 2. I hardly ever threaten to fire anyone anymore. And 3. I was gonna ask if I could come.

Nico: Oh sure you can come.

Benson: Thanks guys.

Suddenly, Lincoln's deep sapphire blue eyes and the rainbow colored iris of Lincoln's Third Eye glowed even more, as he sensed a dark energy signal with his eyes and the Force, and he saw who the figure is in the vision: it was none other than the Dark Druid, Nergal, from Fire Emblem, and he's here to cause havoc and destruction. When we saw it, we knew it meant trouble.

Nico: Uh oh, I know those glowing eyes from anywhere. Lincoln, is there someone else coming after us?

Lincoln: Afraid so, Nico, and Ike, you and the others aren't going to like it one bit: the dark energy signal I sensed belonged to the Dark Druid, Nergal, and he's here to cause havoc and destruction.

Lucina, Bernadetta, Dorothea, Petra, Mercedes, Annette, Ingrid, Lysithea, Hapi, Hana, Sakura, Camilla, Elise, Tharja, Lyn, Mia, Celica, Byleth, Marth, Roy, Chrom, and Ike gasped in shock at the very news, Lyn especially.

Lyn: That evil power-hungry Dark Druid's here?! I thought I was rid of him for good. That monster's going to pay for everything that he's done.

Lincoln: Lyn, what can you tell us about the Dark Druid, Nergal? I've got a feeling that we're not going to like him one bit.

Lyn: And you're right about that, Lincoln, none of you are going to like him one bit.

Lyn proceeded to tell us about the Dark Druid, Nergal, and as expected, we're not going to like him one bit.

---

Nergal (Fire Emblem)

Nergal is the main antagonist of Fire Emblem: The Blazing Blade. An ancient and powerful sorcerer, Nergal once desired the power to open The Dragon's Gate and reunite with his shattered family. However, the dark magic Nergal wielded erased his memories, warping his motivation to wanting power for it's own sake.

Appearance

Nergal is an elderly man with a narrow face, long pointed nose, and light blue hair with an identically colored beard. Nergal wears a purple turban that covers the right side of his face, which was heavily scarred by his former friend Athos. Nergal wears a matching purple cloak over dark purple robes with gold trim.

Personality

Nergal was once an adoring family man who loved his wife and children. However, Aenir's kidnapping drove him to seek power to save her, and later reunite with their half-dragon offspring Ninian and Nils. Unfortunately the dark arts Nergal studied corrupt their wielder's memory over time, and over his thousand years of existence he completely forgot about his family. Similarly, Nergal originally made morphs because he was fascinated with creating life, but as his mind decayed he viewed them as mere tools to secure power for himself.

## Biography

### Backstory

During what would be known as the Scouring, Nergal met and fell in love with a Manakete named Aenir. Together, they had two children named Ninian and Nils. Sometime later, Aenir was abducted by an unknown group. Wanting to protect his children, Nergal left them on the island of Valor, where the Dragonkin constructed The Dragon's Gate to flee Elibe as humanity won The Scouring. Before leaving Ninian and Nils to look for Aenir, he instructed them to enter the Gate if he did not return in ten days. Despite searching extensively for Aenir over those ten days, he was never able to find her. Furthermore, the Dragon's Gate could only be operated in Elibe by Dragonkin, so Nergal was unable to rejoin Ninian and Nils. Desperately wishing to see them again, he began studying dark magic, hoping that it would help him reopen the Gate.

### Athos and Arcadia

Unfortunately, dark magic is as corrosive as it is powerful, and over five-hundred years of existence, Nergal forgot his family while retaining his desire for power and to open the Dragon's Gate. While wandering the Nabata Desert, he met Athos, one of the Eight Legends who led mankind during The Scouring. Due to their shared interest in knowledge and their desire to uncover the world's secrets, the two became fast friends. Shortly after, the two came across a village co-inhabited by humans and dragons who desired peace. Intrigued by what they saw, the two conjured an oasis for the village's inhabitants. Grateful for the water, they welcomed Nergal and Athos into the village, which would come to be called Arcadia.

Both Nergal and Athos were allowed access to Arcadia's libraries, which contained the vast knowledge of Dragonkin. While studying, Nergal came upon magic that could convert the life force of beings, called quintessence, into raw power. At first, he experimented on small creatures but, as he grew more confident in his abilities, Nergal starting drawing on the quintessence of complex animals, using a human as a test subject. As draining quintessence from an organism kills it, Athos and the village elders pleaded with him to stop. Unable to reason with him, Athos fought Nergal, disfiguring his face, and banished him from Arcadia. Nergal went into hiding in the kingdom of Bern, where he began creating humanoid morphs.

## The Black Fang

Deprived of Arcadia's libraries, Nergal also sought out alternate sources of dragon knowledge, and eventually came across a family of powerful magic users in Lycia with such information. With the help of his morph Sonia, Nergal learned everything the family knew about dragons and killed all but one member once they were no longer useful. He gave Sonia the sole survivor, an infant named girl named Nino, to raise as a potent mage. However, Sonia proved to be a terrible parent who failed to even teach Nino to read properly. In the meantime, Nergal recognized the potential of Bern's assassin's guild, the Black Fang, in furthering his goals. Sonia proved to be more successful as a seductress than a mother, and her marriage to the Fang's founder Brendan Reed gave Nergal de-facto leadership over the guild. It also gave Nino far more supportive family members in Brendan and his sons Lloyd and Linus Reed. The Black Fang would also welcome Jaffar, a boy Nergal personally groomed to be a killer, into its ranks.

## Return to The Dragon's Gate

Eventually Nergal resumed working towards opening The Dragon's Gate, his motivation degraded into harvesting the Quintessence of the dragons who travel through it. Gathering several Black Fang members in the ruins surrounding The Gate, Nergal simply called out for dragons. Recognizing his voice, Ninan and Nils returned to Elibe, but were greatly harmed by the lingering effects of the Ending Winter that concluded The Scouring. To survive, they assumed their Manakete forms and sealed their draconic powers inside a dragonstone, but Nergal instantly stole it for future experimentation. He also imprisoned the two for their ability to open The Gate, but they escaped and for a time successfully evaded the Black Fang with the help of Lyn. Unfortunately, Nergal was able to find and re-imprison the two.

While searching for Ninian and Niles, the Black Fang also sowed discord in Lycia so that Nergal could collect quintessence from the ensuing rebellion. For this purpose, Nergal attracted the attention of Lycian nobles Darin and Helman. Helman ended up regretting his decision and was slain for attempting to leave the Lycian Rebellion, but Darin, obsessed with world domination, became steadfastly loyal to Nergal. A third nobleman who became aware of Nergal's plotting was Elbert of Pherae. For his vehement opposition of the Lycian Rebellion and possession of particularly potent quintessence, Elbert and his knights were imprisoned and taken to Valor by the morph Ephidel. It was Elbert's disappearance is that led his son Eliwood to actively oppose the Rebellion, joining forces with Lyn in the process. While Eliwood found Elbert and slew Darin at The Dragon's Gate, he was unable to stop Nergal from brainwashing Ninian or draining Elbert of his quintessence. Ninian began to open the Gate and call a single dragon through it, but Nils snapped Ninian out of her brainwashing, abruptly closing the Gate and killing the Dragon and Ephidel in the resulting explosion. During the confusion of the failed dragon summoning, a dying Elbert used the last of his strength to greatly wound Nergal, forcing him to flee.

A grieving Eliwood returned his father's body to Lycia, and Nergal returned to his base of operations. Between Darin's death and the strong quintessence derived from Elbert's knights, Nergal gave up the Lycian rebellion. Instead, Nergal turned towards King Desmond of Bern, who was intensely resentful towards his sonZephiel. Eager to use Bern's might to harvest more quintessence, Nergal negotiated with Desmond to assassinate Zephiel. However, the Black Fang's assassination mission was thwarted by Eliwood, costing Nergal Bern's favor. With dwindling options, but also having recovered from Elbert's injuries, Nergal gathered what was left of the Black Fang and confronted Eliwood's party at the Shrine of Seals, where Athos was bestowing them the eight legendary weapons specifically to kill him once and for all. Though the Black Fang died in the ensuing confrontation, Nergal successfully abducted Ninian and demanded that she once again open the Gate. After refusing, Ninian assumed her dragon form and fled yet again; Nergal closely followed her and witnessed her death at the hands of Eliwood just after he obtained the dragon-slaying sword Durandal. After taunting a shocked Eliwood over his accidental murder, he gathered Ninian's quintessence and attempted to take Nils as a replacement dragon. Athos thwarted this kidnapping with Forblaze, but though Nils was saved Nergal was barely scratched by the spell.

At the Dragon's Gate Nergal combined Ninian's quintessence with her and Nil's dragonstone, satisfied that he had a tool to summon a hoard of dragons. Nergal began his final preparations, but was interrupted by the morph Limstella, who noted that the quintessence from the fallen Black Fang was depleted. Nergal was confident that their next source would arrive on Valor shortly. Sure enough, Eliwood's party reached the island, and Nergal tasked Limstella with leading an army of morphs to gather their quintessence. He also granted her great power at the cost of her body's constitution. Limstella failed to stop Eliwood's army from reaching Nergal inside the ruins and, Eliwood took him to task for his power mongering. Rage building inside of him, Nergal claimed that mourning others was a sign of weakness in the world where gaining power and becoming a greater being is the ultimate goal. Turning to Athos, Nergal pointed at the wound Athos inflicted on him back in Arcadia, citing it as proof that valuing in others only leads to weakness and betrayal. Despite being accompanied by several powerful morphs, Nergal is overwhelmed by Eliwood's forces in the ensuing fight. As he lay dying, Nergal has a moment of clarity and asks himself why he wanted power, before using the last of his strength to call dragons through the Gate so that they could wreak havoc against humanity.

---

When Lyn was done, we were disgusted and enraged at the dark actions of the ancient sorcerer.

Me: My God, this guy is nothing more than a powerhungry, warped, and twisted monster, how can someone like him get away with all of his crimes and never feel any remorse?!

Nico: And he also has the ability to make Morphs out of the quintessence or life force of those he's drained, along with using their own life forces to heal his wounds and extend his own life span, he needs to be stopped for good and erased from existence!

Yīnyǐng the Dark Faerie: And that's exactly what me and Linky are going to do to that creep, Nico.

Lincoln: That's right, Yīnyǐng.

TLPS Mr. Wolf: And that means one thing: after Yīnyǐng the Dark Faerie transforms and you two get rid of the Dark Druid, the seal you put on the castle gates of The Church of Necrom's lair will soon lift.

Me: And The War Against The Church of Necrom will begin tomorrow, I was just about to say.

Nicholette Torrington: That's right.

Lincoln: And we'll discuss our plans on what to do to them tomorrow, guys.

Nico: Lincoln's right, now then, shall we get going to The Park?

Me: You got it.

We were off to the Trucker Museum.

Maria: Also, Snake, you have to stop robbing Moe.

Snake: I hardly ever do that anymore anyway.

Nico: Really? Oh. Where is the Trucker Museum?

Muscle Man: It's right up here.

We later arrived.

Nico: Wow!

Muscle Man: Yep. This is it.

We went in and we saw a massive number of Semi Trucks. Many of them awesome 18 Wheelers.

Nico: Wow! Look at all these awesome Semi-Trucks.

Me: Trucker History Central.

Ghuul: Is that an American Coleman truck?

Eli: Yeah it sure is!

Laney: So awesome.

Lana: These are really cool! And I would love to work on these and make them new.

Muscle Man: You know who else would love that?

Lola: I know what is coming here.

Muscle Man: MY MOM!

We laughed at his joke.

Meilin: I don't get it.

Me: We don't either but his jokes are funny.

Captain Boomerang: (Australian Accent) Mate, you've earned the right to say that since today is your day.

Muscle Man's laughing then turned into crying as he remembered why we came.

Me: Oh boy.

He went to a picture of his dad and he put a bouquet of flowers by it.

Laney: Poor guy.

High Five: Yeah this really hurt Muscle Man bad.

Nico: Poor guy.

Muscle Man: To tell you the truth, guys, my dad actually wasn't a trucker.

Seto Kaiba: He wasn't?

Nico: Really?

Muscle Man: No he wasn't. He was actually a forklift operator.

He told us all about his dad.

---

Muscle Dad Sorenstein is Muscle Man's deceased father. He appeared in "Trucker Hall of Fame". He was perceived to be a trucker, but was actually a forklift operator, telling his son he was a trucker so he would be proud of him. He loved to prank truckers, random people, and even Muscle Man himself. Mordecai, Rigby, and Muscle Man call him "Muscle Dad." He died after he got mauled for putting a cactus under a cop in a bear costume who was actually a real bear. He later returned in the episode as a ghost, making amends with his son. He also made an appearance in "Power Tower" in order to congratulate his son for winning the Biceptennial.

---

Nico: Wow your dad is amazing.

Me: But your dad would be really proud of you Muscle Man. You have become a great friend and helped so many people. Including us and Mordecai and Rigby.

Eli: That's right.

Muscle Man: Try telling that to the truckers here.

White Lightning: (narrows her eyes) What. Did. They. Say?

Muscle Man: This one guy named Bear Dog called my dad a horrible name.

---

Bear Dog: Muscle Dad? (the truckers walk over) Boy, I've never heard that name in a long time! Big green guy, loved pranks, trucker of the year hat…

Rigby: Yeah, that's him! Were you guys friends with him? (the truckers laugh)

Bear Dog: No, we were not friends with him! Why, that puke never rode a big rig in his life!

Mordecai: What?!

Bear Dog: No, sirree! Why, that ratchet-jaw was nothing but a… (extreme closeup of all his teeth)… forklift driver.

(M&R gasp in shock as Muscle Man comes out of the restroom, he overheared their conversation, becomes incredibly furious)

Muscle Man: (furious) Take that back! Take back what you said about my dad!

Bear Dog: Sorry there, ankle-biter, he was just a trucker wannabe!

Muscle Man: You shut your mouth-hole!

Trucker 2: Remember how he'd sneak into our rigs and call himself in a fake voice? (the truckers laugh)

Muscle Man: No, bros! (turns around photo he is holding) You can't fake this, bro!

Bear Dog: Uh, actually, you can. (points to two teenages taking a photo near a stand of the Muscle Dad photograph)

Teenager: Dude, check it! My butt's Trucker of the Year! (the other teenager snaps a photo as they both laugh)

FLASHBACK END

We gasped in shock!

Me: Man what a bunch of redneck jerks!

Skalor: Okay, so your dad wasn't a great truck driver! But he was still a great man, right?

Muscle Man: Yes he was. He was the greatest ever and that's why I will always love him.

Me: Your dad is also a very big role model to you too.

Laney: He sure is. You were lucky to have an awesome dad like him.

Eli: Yeah and now you have us as your family too.

Benson: Had I known that your dad was going to get spit on, I would've just gone with you the first time!

DC Enchantress: I don't think that would've mattered.

Me: Yeah.

Benson: But I still show amazing respect for your dad Muscle Man.

Muscle Man: Thanks Benson.

Benson: You're welcome.

Sissi Delmas: I'm guessing after Muscle Man found out the truth, he had an emotional breakdown?

Muscle Man: Yes I sure did and it was bad.

Nico: Wow that is rough.

Pacifica Northwest: My dad was NEVER nice to me at all.

Laney: He didn't care about anyone other than money.

Rigby: Despite that, we still decided to go through spreading the ashes of Muscle Man's dad.

Xiao Fung: I bet it wasn't easy.

Mordecai: No it wasn't. We had to get past the guards and 3 ghost truckers.

Nico: Ghost Truckers?

Muscle Man: You guys would freak at them.

He told us about them.

---

The three Trucker Ghosts are Trucker Berg, Dog Face, and Huge Marge. Trucker Berg is the red ghost, Dog Face is the blue ghost, and Huge Marge is the violet ghost and only female. They made their first appearance in the episode "Trucker Hall of Fame" and are dead truckers buried in Memorial Hill. They overheard the message one of the Guards made to stop Muscle Man, so they awakened from their memorials and tried to take the urn which held Muscle Dad's hat ashes.

---

When he was done we were shocked!

Me: Whoa!

Eli: Wow.

Fu: That is awful.

Grier: Even some of the dead weren't going to accept the last wish of Muscle Man's dad.

Me: No they weren't.

Laney: And they might be coming for revenge.

Lana: But if there are ghosts Danny and Lincoln's Ghost Sense will pick them up.

Lola: That's right.

Count Spankulot: (Transylvanian Accent) They have been very bad for preventing the last wish of a beloved father!

Nico: YEAH THEY HAVE! But I don't think your spanking will work on ghosts.

Me: Danny Phantom and Lincoln Phantom will.

But then Danny and Lincoln's ghost sense went off as we saw blue breath come out of their mouths.

Nico: Ghosts are near.

Waspinator: Waspinator see ghosts in the air right now!

He saw them over the roof!

Waspinator: Waspinator sees them on the roof.

Laney: Looks like it's time for the entrance.

Gramma Stuffum: Let me feed some of you the food I made first.

Nico: Ooh.

She made Deep Fried Boar and we got to eating and it was tasty.

Laney: Yummy.

Numbuh 2: Now that was delicious!

Laney: Yep.

Nico: Now that we're all fed lets get them.

Tania: NOW, we do our entrance!

Valon: (Australian Accent) Lets do it mates.

We turned into spirits and flew up to the roof. The Trucker Ghosts flew around and then the spirits of the Crimson Chin, KND, and DC appeared and swirled around them and then converged and then a massive storm of leaves and flowers swirled around the Truckers and then fairies came and then we came out.

Muscle Man: Guess who's back guys!

Huge Marge: YOU WILL PAY FOR HUMILIATING US!

New Wave: You know what? Muscle Man's dad might not be a trucker. But he's still twice the person you punks will ever be!

Huge Marge: WHAT DID YOU SAY YOU BITCH!?

New Wave: YOU HEARD ME YOU GHOSTLY REDNECK!

Me: Lets see how you like this!

I fired a wave of ice and froze Trucker Berg in a block of ice.

Nico: Nice one!

Then Ben Ravencroft, Whirlwind, King Shark, Mysterio, Grundy, Skalamander, Living Laser, Dodgeball Wizard, Arbormon and Robo Roxy appeared.

Nico: Ben Ravencroft, Whirlwind, King Shark, Mysterio, Grundy, Skalamander, Living Laser, Dodgeball Wizard, Arbormon and Robo Roxy.

Ben Ravencroft: Can you imagine if YOU drove a semi truck?

Nico: (laughs) Too bad I don't own that.

Whirlwind: Never say never.

King Shark: You can still buy one in the future.

Me: You would look cool in a semi-truck Nico.

May: And really sexy and hunky too.

Nico: Oh yeah.

Mysterio: By the way, we heard you went to a dinosaur place?

Nico: We sure did.

Grundy: Were Dinosaurs scary?

Me: Many of them were but this was on an uncharted island located in the southwestern Pacific Ocean.

Eli: Yeah it was cool.

Flashhead came out for round 2.

Flashhead: Think my powers can work on ghosts?

Nico: Hmm. You know I don't think we ever tried that before on ghosts.

Laney: Yeah.

Luan: Lets see.

Luan fired a blast of light and it hit Huge Marge and burned her.

Luan: Whoa! That was the Light of her life! (Laughs)

We laughed at her joke.

Me: That was a good one!

Eddy: (LAUGHS) Good one!

We got the usual battles underway.

## Shannon Deluth Sanderson Loud, Princess Luna, Moondust, Snowdrop, Children of The Night, Dark Skylanders, Thorn and Misty Tredwell VS Ben Ravencroft - My Dream Rescue and battling an evil Sasuke

Ben Ravencroft was first.

Ben Ravencroft: (to Shannon) I heard J.D. fought another Evil Sasuke in his dream rescue. It makes up for not having a dream rescue yesterday.

Shannon: It sure did and t was really cool!

Princess Luna: Yeah it was really epic to see J.D. destroy an evil Sasuke to make up for it.

Moondust: Yeah it was awesome!

Snowdrop: It was an amazing and awesome show.

Gari: Yeah it sure was cool.

Blackout: That was a great show.

Ben Ravencroft: Good. I'm glad that J.D. had a big awesome battle. Lets do it!

They fired waves of magic and darkness and smashed him down.

## Tom Major, Rainbow Dash, Scootaloo, Air Skylanders, Air Man and Dust Man VS Whirlwind (Marvel) - Nico's rescue

Whirlwind (Marvel) was next.

Lincoln: Yep, and I've also trained a lot under some very powerful teachers, J.D. and Nico included, Jade, and now, I can also defend myself, and in addition to getting stronger, I've also gotten smarter as well.

Jade Hyotonia: That's incredible.

Nico: It sure is. So, Jade, how did you stop a massive gang attack on the Louds for bringing them to jail and they vowed revenge?

Jade Hyotonia: You're not going to like this one bit. One day, I was walking throughout Franklin Avenue, and Lincoln and his family were with me, and we were coming home after a day at Lake Huron. But, then, I had a vision: I saw a gang about to launch a massive attack on the Louds for bringing them to prison, and I knew what I had to do. I sensed for the presence of the gang that are about to attack the Louds, and I fired a powerful blast of ice, and it froze them out, and then, I fired a powerful blast of ice and froze them, and Lincoln called the cops. As soon as they arrived, they all saw the gang that I froze, and they were shocked to see who the gang was: it was The Bloody Skulls, a notorious gang who were allies of The Black Daffodils, and they wanted revenge on the Louds for bringing The Black Daffodils to jail. In the end, The Bloody Skulls were taken away, and they were all sentenced to Life In Prison Without Parole, and were thrown in The Neptune Cryoprison, and flash-frozen and put in cryogenic cells.

We were horrified at the revelations, but we all cheered for what she did to save The Louds.

Nico: Whoa, so another gang tried to attack the Louds as revenge for bringing The Black Daffodils to jail, yikes.

Lincoln: And we also heard about The Bloody Skulls, they're another gang who alongside The Black Daffodils, held Detroit in a grip of fear and violence, but when they found out The Black Daffodils were arrested and sent to prison, they wanted revenge on us, and they're extremely violent and very bloodthirsty, and they have an insatiable appetite for blood and violence.

Me: Whoa.

Nico: But, now they're in prison for the rest of their lives, and they're never getting out ever.

Jade Hyotonia: They're nothing but monsters who deserve to rot in prison.

Yīnyǐngダークフェアリー、ネオピアの元グレイフェアリー、ネオピアのパワフルなグッドダークフェアリー、ダークフェアリーのヴァンキッシャー、ネオピアの多くの英雄の親愛なる友人、リンカーンラウドの愛する未来の妻、邪悪な殺し屋、狂った、殺人、冷酷、そしてサディスティックろくでなし、驚くべき強力な教師の驚くべき強力な学生、そして暗い妖精、暗い魔法と闇のマスター

Yīnyǐng the Dark Faerie has transformed into SUPER ANGEL INFINITY TRUE LOVE DARKNESS MAGIC FAERIE OF NEOPIA JUSTICE AND MAGICAL LOVE!

We were amazed by Yīnyǐng the Dark Faerie's Super Angel Infinity transformation, and when Lincoln saw her, he had an atomic red blush on his face and hearts in his eyes. But, when Nergal saw it, the Dark Druid summoned his Morphs and he sent them all after her, but Yīnyǐng the Dark Faerie fired a powerful barrage of black and red energy blasts, darkness, dark magic, and dark faeries at the Morphs, destroying them and they hit Nergal, and he hit the wall backfirst.

Ariande the Dark Faerie: Wow, Yīnyǐng the Dark Faerie's transformed.

Delina the Dark Faerie: And she looks really awesome.

Jhudora the Dark Faerie: And that evil Dark Druid, Nergal, doesn't stand a chance now, especially now that his precious Morphs have been destroyed for good.

Lincoln: Wow, Yīnyǐng, you look beautiful. How do you feel?

Yīnyǐng the Dark Faerie: (Divine Echoing Cosmic Voice of the Dark Faerie and Divine Love) **I feel incredible, Linky. Now then, shall we deal with this powerhungry and twisted Dark Druid once and for all?**

Lincoln: (Smiles) With pleasure, Yīnyǐng.

Lincoln unholstered his massive Hinon's Cosmic Storm Sword of Universal Hope, Elemental Bravery, and Unbreakable Eternal Bonds from his wider and muscular back, and transformed into Super Angel-Ebonwu-Thunderbird Eternity Infinity Elemental Thunderbird Buffalo Angel of Universal Justice and Elemental Hope and he joined Yīnyǐng the Dark Faerie.

Lincoln: (Divine Echoing Cosmic Elemental Voice of Universal Justice and Elemental Hope) **Your days of mayhem and chaos are finally over, Nergal.**

Yinying the Dark Faerie and Lincoln went after the Dark Druid, Nergal, who fired blasts of dark magic at them, but they dodged them, and they fired powerful blasts of rainbow energy, black and red energy, dark magic, Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, Magic, rainbow flames, rainbow crystals, Buffalo, Thunderbirds, Phoenixes, Angels, and Dark Faeries at Nergal, and they exploded with incredible power as they hit him. Then, Lincoln attacked Nergal with his massive Hinon's Cosmic Storm Sword of Universal Hope, Elemental Bravery, and Unbreakable Eternal Bonds and left painful scars on him, and Yīnyǐng the Dark Faerie fired powerful purple energy blasts from her staff, and it hit him.

Then, Lincoln grabbed Nergal by the neck, and he sucked out and absorbed all of Nergal's powerful dark magic and abilities, and Lincoln tossed the powerless Dark Druid into the air with his immense and brute superhuman strength, and he and Yīnyǐng the Dark Faerie fired powerful beams of energy, and as they hit the Dark Druid, Nergal, the energy beams exploded with incredible power, killing him for good and he was erased from existence as he was condemned to The Black Gates. We cheered wildly for what Yīnyǐng the Dark Faerie and Lincoln did as they holster their weapons and powered down, and Yīnyǐng the Dark Faerie's new body, clothes, weapons, jewelry, and massive bat-like fairy wings are permanent.

Yīnyǐng the Dark Faerie: That's it for that heretical dark druid. Thanks for helping me get rid of The Dark Druid, Nergal, Linky.

Lincoln: (Smiles Warmly) You're welcome, Yīnyǐng.

Suddenly, Yīnyǐng the Dark Faerie wrapped her arms around Lincoln's waist, and it brought an atomic blush to Lincoln's face, as he wrapped his abnormally massive and powerful muscular arms around her waist and he brought her into an embrace, which took her by surprise and brought an atomic red blush to her face. Then, as Lincoln leans down to Yīnyǐng the Dark Faerie's face, they kissed passionately as Yīnyǐng the Dark Faerie wraps her left arm around Lincoln's muscular neck, and she placed her left hand on Lincoln's massive and wide muscular right pec, and behind them was a Thunderbird, Phoenix, Angel, and Dark Faerie flying in the air, and we also saw a herd of Buffalo running across the field, along with creatures of the night flying around the place and we cheered for them.

Nico: That evil Dark Druid's failed this entire universe, and what he's done proves that he doesn't deserve to live a single second further.

Me: You said it, Nico.

Suddenly, Lincoln and the Dark World Goth Girls sensed that the seal that Lincoln placed on the dark and demonic castle of The Church of Necrom has been lifted.

Lincoln: And now that Yīnyǐng has finally transformed, the seal I placed on the lair of The Church of Necrom has finally been lifted, and this means, tomorrow, The War Against The Church of Necrom is about to begin.

Nicholette Torrington: And we're not going to show any of those monsters any mercy.

Clara St. Clarice: That's right, they're going down, the whole lot of

them.

Me: And you guys are going to bring them all to justice. Especially for what they have been doing to Lincoln with demons.

Lincoln: That's right, J.D., and they're going to pay dearly for causing nothing but havoc and chaos to those they've crossed.

Lori: Especially around the students at the high school.

Nicholette Torrington: Along with constantly trying and failing to destroy us, and for what they did in summoning that Rage Demon to torment and infect Linky, they're getting their arms and legs broken in two for this.

Lincoln: You said it.

Muscle Man: Yeah. (To the viewers) You know who else thought this was a great adventure? MY MOM!

We laughed!

Nico: That's funny. But great job today everyone. Lets head home.

We enjoyed the rest of our day and then, we went to sleep. Meanwhile, in the abandoned graveyard in Gotham Royal York and at The Church of Necrom's demonic looking castle, the magical seal Lincoln created lifted, and as the castle gates open, Damian Alaister, Michael Devlin, Carmen Sullivan, Nigel Moreau, Douglas Moreau, Cole Sullivan, Nigel Alaister Cary Blakewell, Nigel Tinuviel, Douglas Griffin, Duncan Alarie, Ianira Dormund, Edana Baudelaire, Drusilla Draven, Chandra Mortlake, Adrienne Hawthorne, Jezebel Lanira, and Jocasta Belladona came out in mists of darkness and they were really pissed off as their red eyes glowed with insane rage.

Damian Alaister: Those Team Loud Phoenix Storm bastards, they've murdered Lord Necrom and they ruined our plan!

Carmen Sullivan: We shall destroy every last one of them for what they've done!

Jocasta Belladonna: And they shall all suffer for crossing us, especially those Dark World Goth bitches and the Louds!

Nigel Alaister: They will all die!

Damian Alaister: All of Team Loud Phoenix Storm and The Masters of Evil will all DIE!

Damian Alaister and the Church of Necrom members laughed demonically and maniacally, and this all meant that the war is now on first thing tomorrow.

THEY WANT A FIGHT? WE'LL GIVE THEM ARMAGEDDON!

Another awesome fanfic done.

The Trucker Ghosts of Regular Show were wicked scary. It was really awesome seeing them get taken down. It was awesome too. They aired on June 18th, 2012 and it was awesome. The first part for me for the dream rescue was for the world of Magic The Gathering. And an Evil Sasuke made the whole thing more awesome. The rescue for Nico took place in the world of the 2002 movie Jungle Girl and The Lost Island of Dinosaurs and that was a cool one. It was really. Didn't watch the whole movie unfortunately but it was cool. The rescue for Lincoln took place on a world of Pumpkins and that was really cool! We battled Evil Carol Pingrey there. NicoChan11, JediAvatarOfShinobi, Omegahatchiyak12, XP4Universe, Darkhai, vinjedi1995, Drako1234658, Nflemingful, EtstheClarenceandTLHfan and ninjakingofhearts gave me the ideas for this and so did the guest reviewer. Thanks Guys. My next dream rescue is gonna be a cool one as me and Natilee go into the dreams of SpongeBob, Patrick, Gary the Snail, Squidward, Mr. Krabs, Pearl, Plankton, Larry the Lobster and Mrs. Puff and we're going to meet 2 Mermaid Twins named Dehlia and Zennia and they have plant powers. Also we're going to battle an evil version of Mrs. Puff that is trying to kill SpongeBob. It'll be like what happened in the SpongeBob episode Sleepy Time. And it'll be really funny and awesome. First my dream will be for the Water Civilization of Duel Masters. The next rescue for Nico is gonna be where Nico, Bertrand, The Goths of Darkness, Applejack, Apple Bloom, Twilight Sparkle & Friends, Rachel Stavenport, Carol Pusateri, May, Maria, Varie, me, Eli, Arrietty, Aylene Carter, Littlefoot and friends, Fu, Nicole Knudson, Kaina Tsutsumi, Camie, Kaoruko Awata, Himiko, Ibara, Toru, Sirius, Tsuyu, Ochaco, Momo, Lincoln, Laney, Lana, Lola, Lisa and Lily are gonna go to Bikini Bottom for the SpongeBob episode The Pink Purloiner and we're going to witness The Great Jellyfish Migration and we're going to also meet a gene-slammer for a Spectrite named Sylvia Kuznetsova. Sylvia is from Russia and she is Nico's friend from an awesome time in Cave exploring. They went into some of the most amazing caves in the world and found all sorts of artifacts and more. The next rescue for Lincoln is going to be for the SpongeBob episode called JAILBREAK! And we're going to stop Evil Plankton and numerous inmates from breaking out of prison to destroy the Krusty Krab. And we're going to meet a gene-slammer for Arcana Force I - The Magician named Catherine Hoshi. Catherine Hoshi is a powerful psychic and has the powers of clairvoyance and the powers to see into the future and can also use the powers of space. She has the ability to stop events before they even happen. She saved the Loud House and the family from being destroyed by a massive angry mob of Scottish People that were sent by Morag from the shadows to kill them. For the first gene-slammer for the Dark World Girls to transform and matchup will be Clara St. Clarice and she and and Lincoln will face Jocasta Belladona and she will pay for her crimes! The next chapter is gonna be for the SpongeBob episode Sun Bleached. Hope you are gonna be ready for a tan because that's what everyone will be doing for a party with Craig Mammalton who is the Tannest Man ever. And SpongeBob is gonna be getting too much sun in this one.

See you all tomorrow!

# SUN BLEACHED

This is a parody of the SpongeBob episode Sun Bleached

In the early morning hours, at 12:13 AM, I was fast asleep and I was having a really awesome and amazing dream! I was in the Water Civilization in the world of Duel Masters and it was amazing to see.

Me: Wow! So this is the Water Civilization. I hope I get to kill another member of PLOOP in here.

Natilee then appeared.

Natilee: I have a feeling we probably won't. Not yet.

Then 2 mermaids came. One had a red tail and red hair and she had a red bikini top on. The other had blue hair, a blue tail and she had a blue bikini top on.

Dehlia: It's an honor to meet the famous J.D. Knudson. I'm Dehlia and this is my sister Zennia.

Zennia: Charmed.

Me: Pleasure to meet you girls.

Natilee: Same here. Would you two like to join the team?

Dehlia: We would be honored.

But then there was a blast of water and then I popped out of my dream bubble with Natilee and the 2 Mermaids.

Me: Whoa! That was crazy.

Natilee: Yeah it was. Lets go check out other people's dreams.

Me: Okay.

We went to SpongeBob's dream first.

Me: Wow!

[The background of Krusty Krab stuff.]

Me: Just like what happened in my dream when I first discovered this.

SpongeBob: [SpongeBob eyes appear then his shoes and then his mouth on a rock] Hey! Over here! [laughs while his arms wiggle on the ground. Both arms attach to the rock and the rock moves over to the other items. SpongeBob's arms grab the eyes and puts them on the rock, his pants start appearing, and then his legs come out and put his shoes on and his body is seen. A car comes over SpongeBob and sits him in it. SpongeBob's nose grows out]

We flew over.

Me: Hey SpongeBob!

SpongeBob: Hey guys!

Natilee: Nice day for a drive isn't it?

SpongeBob: Yep. Wait a minute. I don't have a driver's license!

Me: Yeah you do. Remember?

SpongeBob: [drives through a sign that says "Road Ends"]

CRASH!

Me: Uh SpongeBob!

SpongeBob: Darn! I should have grown a mustache. [the boat starts bumping up and down rapidly; SpongeBob is now driving off-road, hitting bumps in the sand; he smashes into a rock and flies out of the boat, still holding his license] How could I have forgotten the most important rule of driving? Always wear your seatbelt. [flies over the Krusty Krab] Hey, I can see the Krusty Krab from here. [flies through the dream cloud and on SpongeBob's real bed] Ouch!

Where am I? [walks and looks up to his real self] Is that me? Or is this me? Am I still dreaming?

We came out.

Me: You're still asleep SpongeBob and you are still dreaming.

Natilee: It's true.

Dehlia: This is amazing though.

SpongeBob: [walks up to Gary's dream cloud] This must be Gary's dream. I'm gonna get a closer look.

Me: Lets go.

We jump into the Dream Cloud.

SpongeBob: [jumps into the dream cloud. He and us falls down into a library] Whoa! Wow. Look at all these books.

Me: Wow! So many of them. Twilight Sparkle would love a library like this one.

SpongeBob: I wonder where Gary is. [walks past a pile of books] Gary! Huh? [sees Gary, who is now taller and wearing a cape, reading a book. He walks up to him] Excuse me, sir. Have you seen…? [Gary turns around]

Gary: [gasps] SpongeBob?

SpongeBob: Gary?

Me: Gary?

Gary: Natilee, J.D.?

Me: Yeah.

Natilee: Wow.

Gary: How dare you invade the sanctity of my dreams?

SpongeBob: Gary! You can talk!

Me: Sorry Gary but you know that I'm a dream walker now.

Gary: Oh yes quite right. I forgot about that. [sighs] In dreams, one is not tethered by earthly limitations.

SpongeBob: What does that mean?

Gary: Come. [they walk down an aisle of books] For ages, dreams have been thought of as windows to another realm. [picks up a book and reads from it] "Let me not mar that perfect dream by an auroral stain, but so adjust my daily night that it may come again." Emily Dickinson wrote that.

SpongeBob: Who?

Gary: [flips a few pages] Here's one you might know. [clears throat] There once was a man from Peru who dreamed he was eating his shoe. He woke with a fright in the middle of the night to find that his dream had come true.

SpongeBob: [laughs] Gee, Gary, you sure are smart.

Gary: Did you think my shell was full of hot air?

Me: No but that is cool.

SpongeBob: Well, thanks for the info, Gary. I'm going back to my own dream now. [starts walking away]

Gary: Beware of your wandering eye, you little poriferan!

We left.

SpongeBob: [jumps out of Gary's dream cloud and hops up onto his alarm clock to get into his own; sees Patrick's dream cloud from in his room] I wonder what Patrick's dreaming. [Patrick is stuck to top of the ceiling, sucking his thumb and snoring. SpongeBob and us runs over] I can't resist! [laughs and we jump into the dream cloud. Inside, he opens a door to see Patrick rocking back and forth on a 25¢ kiddie ride amidst the blank, white scenery] Hey, Patrick!

Patrick: Hi, SpongeBob, Hi Natilee, Hey J.D..

SpongeBob: [walks over] You know, Patrick, this is a dream. You can do anything you want.

Patrick: Yup.

Me: Yeah you can do anything in here. It's your imagination.

Patrick: Yup.

SpongeBob: I mean anything! Watch. I can turn into a skyscraper. [transforms into the shape of a skyscraper] Going up! Eh? [sees that Patrick is unresponsive and frowns, then perks up again] I can make… [changes back to his normal shape and size, this time with a million copies of himself] A million of me! Eh? Eh?

Patrick: Yup. [the clones disappear]

Me: That was cool.

Dehlia: It sure was.

SpongeBob: Ah, tartar sauce. I'm going to a different dream. [leaves]

Patrick: Okay. Bye, guys. [kiddie ride comes to a halt; Patrick reaches into his pocket and pulls out another quarter and goes to put it in the slot, but accidentally drops it and it rolls away] Oh! [the quarter falls into a grate] Shoot, that was my last quarter. [sits on the ride with a dull gaze].

We left the dream.

Me: That was cool though.

We stops below Squidward's dream cloud from his room.]

SpongeBob: Ooh, this is gonna be good! [inflates himself with air and floats up into the cloud and we went in; inside, Squidward is playing clarinet in front of an applauding crowd; he has a powdered wig on his head]

Me: Looks like Squidward is dreaming about 17th century concerts.

Natilee: Cool.

SpongeBob: Psst! Squidward! [waving in the audience; Squidward stops playing] Hey, Squidward!

Squidward: SpongeBob! Oh J.D., Natilee. Hey.

King: Ahem! [sitting in the balcony above the stage] Why do you stop playing, Wolfgang Amadeus Tentacles?

Squidward: Yes, Your Highness.

Natilee: Cool name. Like Wolfgang Amadeus Mozart.

[Squidward resumes playing, but SpongeBob tells the king a joke. The king laughs and Squidward stops playing again. He angrily stands up] SpongeBob!

King: Hey! I have not instructed you to stop! Now play! [giggles, turns to SpongeBob and nudges him with his elbow] Oh, do tell me the one about the man from Peru again.

Me: The King sure likes that Peru line huh?

Dehlia: He sure does.

Squidward: [growling, pressing down on his clarinet] Sponge- [accidentally breaks the clarinet. The audience gasps] Bob…

King: [angry] I came here to hear beautiful music! If I don't get my wish, it will be your head!

Squidward: [laughs nervously]

Me: Uh oh.

SpongeBob: [as a clarinet] Squidward! [points to himself and winks] Huh? Huh?

Squidward: [throws his broken clarinet pieces off-stage. Speaking with his back turned] No way.

King: Ahem! [glares down at Squidward]

Me: You better do it Squidward.

Squidward: [sighs and picks SpongeBob up] Please, SpongeBob, no tricks.

SpongeBob: Trust me, Squidward. [Squidward blows into him]

SpongeBob: [off-key] La la! La la la la la la la! [The audience gasps again]

Me: OW! MY EARS ARE BLEEDING!

Natilee: Mine too!

Squidward: [stops playing] SpongeBob!

King: [crying] Wh-wh-why have you stopped playing that wonderful music?

Me: Wow.

Natilee: That's funny.

[Squidward smiles and SpongeBob winks at him]

SpongeBob: [continues singing off-key]

Fish: [crying] His music touches me ever-so. I fear that my tears might stain my petticoat.

[crowd cheers]

Squidward: [bowing] Thank you! Thank you! Thank you! [the crowd knocks him aside into a fruit wagon and a fish grabs SpongeBob]

Fish: What is this instrument that produces such lovely sound?

SpongeBob: [turns back to normal and runs away and we follow him while audience chases us. Squidward has climbed out of the wagon and is a mess] So long, Squidward!

Me: Sorry Squidward!

[Squidward starts to growl at him, but the audience members push him back into the fruit wagon and chase after SpongeBob. The King follows, too, laughing. SpongeBob runs out the door and flies away with us following.]

Squidward: [starts tossing and turning in his bed, mumbling in angered pain]

We land by Sandy's room.

SpongeBob: [SpongeBob lands on the top of the tree dome] Hey! I'm at Sandy's! [Sandy sleeps in her tree and SpongeBob jumps in her dream cloud and we follow and opens a plane door] Aw, this looks neat! I wonder… [falls out of the plane and screams]

Me: WHOA!

We flew down with him.

Sandy: [surfs up on a glide board to SpongeBob] Hey, SpongeBob, J.D. and Natilee what brings y'all here?

SpongeBob: Hey, Sandy! What's going on?

Me: She is doing some skydiving!

Natilee: Cool!

Dehlia: Yeah!

Sandy: [turns upside down] Well, we're free-falling from 114,000 feet, and we're gonna land on that itty-bitty target.

Me: From 23 miles up!? WHOA!

[a target is shown on the ground. SpongeBob and Sandy spin around]

SpongeBob: This seems kind of dangerous!

Sandy: Not as long as you've got a big old parachute!

SpongeBob: Okay! [gives her a thumbs-up; both his shoes inflate]

Sandy: Not a pair of shoes, SpongeBob! Parachute! [turns upside-down again]

SpongeBob: Gotcha! [lifts up a green parakeet perched on his finger]

Me: Not what she meant!

Sandy: Not a parakeet! Para-

KRASPLAT!

Sandy: [Lands in a truck of clam manure, parachute inflates out of time] medic…

Natilee: YUCK!

SpongeBob: [screams as he crashes through the target, breaking the ground and we follow and flips on the real-life ground] Ouch!

Me: OUCH!

Natilee: That hurt!

Dehlia: OUCH!

SpongeBob: All right, that's it. No more messing with people's dreams. [sees a dream cloud coming out of Mr. Krabs' room] H-h-hey! Mr. Krabs. [climbs the wall and we follow and we raise our heads right under a pink flower in Pearl's dream. Shows a view of various girly decorations, other girly features and boyfriend portraits.]

Me: What the?

Natilee: Is this Mr. Krabs's dream?

SpongeBob: Uhh… Mr. Krabs?

Pearl: Hello, SpongeBob! Hey J.D. Hey Natilee. [sits at a table with a green rabbit toy and a brown teddy bear, she pours some tea into the bear's cup]

SpongeBob: [waves] Oh, Pearl. This is your dream.

Me: Hey Pearl. Sorry to pop in like this.

Natilee: Yeah.

Pearl: You're just in time for the tea party!

SpongeBob: Actually, We were looking for your dad's dream.

Pearl: [Frowns] Oh. He's next door. [Rolls eyes, then shakes head in disappointment] Boys don't understand the sophistication of tea parties. Right, Mr. Stuffy?

SpongeBob: Bye!

Me: See ya Pear.

SpongeBob: [gets out of Pearl's dream and we follow and goes over to Mr. Krabs on the right side of the screen] I bet Mr. Krabs' dream will be more robust. [peeks in the cloud and just floats on his backside in the large ocean until he hits Mr. Krabs' boat]

Me: Wow!

Mr. Krabs: I've got you now, you slippery demon! [inside the boat, he grips into a fishing rod] You're putting up a good fight, yes you are.

Me: Ahoy Mr. Krabs.

Natilee: Doing some fishing?

Mr. Krabs: Ahoy lads. Yes I am.

[SpongeBob hops into the boat]

SpongeBob: Whatcha doin', Mr. Krabs?

Mr. Krabs: I'm picking Neptune's pocket!

SpongeBob: What are you talking about?

Mr. Krabs: I'm talking about cold hard flippin' cash. [Moby Dollar appears from the water, caught on the fishing hook] It's the mighty Moby Dollar!

Me: Ooh!

Mr. Krabs: [Starts reeling in, making the Moby Dollar come closer and closer.] Did you see her, boy? I got her! Here she comes! [Moby Dollar starts spitting out pennies] There she blows!

Me: Lots of pennies!

SpongeBob: [laughs] Look, Mr. Krabs. Pennies!

Mr. Krabs: Never mind the small change, lad. Get the net!

SpongeBob: [grabs a small jellyfishing net] This one?

Mr. Krabs: No, no, no, no! The money net! It's in me back pocket.

Me: Okay.

SpongeBob: [reaches into Mr. Krabs' back pocket and pulls out a huge wallet with Mr. Krabs' license in it] Wow! You look real good with a mustache, Mr. Krabs.

Mr. Krabs: Never mind that, boy. Ready the net!

SpongeBob: [opens up the wallet] Net ready, sir!

Mr. Krabs: [pulls the dollar out of the water and heaves it into the wallet] I did it! [gets excited] I finally did it!

SpongeBob: Congratulations, Mr. Krabs.

We were holding the wallet.

Me: Awesome job Mr. Krabs.

Mr. Krabs: Thanks lads.

Mr. Krabs had an awesome dream.

We put the Money Net back in Mr. Krabs pocket and left.

We then left and went for Plankton's room and we went into his dream.

SpongeBob: Hey, Plankton's dreaming about Bikini Bottom.

Plankton: Zap! [zaps a building near SpongeBob and fish: Miss Shell, Harold Bill Reginald Scott, and Old Man Jenkins (Incidental 86) come running out] I see you. [stomps up to another building, twenty times the size of his normal self] Zap! [shoots a green laser out of his eye]

Fred: My leg!

Me: HOLY MACKEREL!

Dehlia: PLANKTON IS MASSIVE!

Me: No kidding!

Natilee: Yeah!

Plankton: I see you. Zap!

SpongeBob: Plankton!

Plankton: I see you… Zap! [zaps and disintegrates the building that SpongeBob was on, then walks to the Krusty Krab. People continue to: Fred, and Paco scream in panic] Oh look, it's the Krusty Krab, home of the Krabby Patty. [stomps on it] Crush! [picks up the Krusty Krab sign and starts to lick it as if it were a lollipop and walks off] Lick, lick!

Me: Some demons just don't know when to call it quits huh?

SpongeBob: This isn't a dream! This is a nightmare!

Me: And it looks like I get to put my dreamwalking powers to good use in this one!

Gary: Meow! Meow!

SpongeBob: [Stops and looks. Appears more and more worried.] Gary! Gary! No!

Gary: Meow! [Plankton still coming towards Gary making giant step sounds]

Plankton: Here, kitty, kitty, kitty.

SpongeBob: Gary! [jumps over to Gary and hugs him] I've got you, Gary!

Plankton: Peek-a-boo, here comes my foot!

I fired a beam of magic and blocked Plankton's stomp with a force field!

Me: That's enough!

I fired a beam of magic and shrunk Plankton Down to normal size and then a dark version of Plankton appeared and then I blasted him all over and destroyed the Dark Plankton.

Plankton: WHOA! Thanks J.D. and you too Natilee.

Me: No problem Plankton. Are you okay?

Plankton: Much better now that I have that evil out of me that made me giant.

Natilee: Good.

We then later went to Larry the Lobsters Dream and we saw that he was having a dream about the gym.

Me: Wow! Larry sure knows how to work out.

Larry the Lobster: Hey guys!

Me: Hey Larry. Wow you sure know how to work out.

Natilee: I'll say.

Larry the Lobster: I sure do.

Later we went to Mrs. Puff's dream.

SpongeBob: Looks like Mrs. Puff is dreaming about her Boating School.

But then we saw an evil version of Mrs. Puff coming at us!

Evil Mrs. Puff: (EVIL LAUGHTER) DIE SPONGEBOB! DIE! (EVIL LAUGHTER)

Natilee: Not another nightmare!

[I fired a beam of magic and it hit Mrs. Puff and destroyed her evil self and she then woke up and then she Wakes up screaming and her dream cloud pops, making dream SpongeBob and us fall to the ground]

Me: OUCH!

Natilee: OUCH!

Dehlia: Ouch.

Zennia: That hurt.

Later we went back to our dreams and then we later woke up at 8:10 AM and I got dressed and went to breakfast and told everyone what happened. Nico was really amazed.

---

Underwater, Nico, Bertrand, The Goths of Darkness, Applejack, Apple Bloom, Twilight Sparkle & Friends, Rachel Stavenport, Carol Pusateri, May, Maria, Varie, me, Eli, Arrietty, Aylene Carter, Littlefoot and friends, Fu, Nicole Knudson, Kaina Tsutsumi, Camie, Kaoruko Awata, Himiko, Ibara, Toru, Sirius, Tsuyu, Ochaco, Momo, Lincoln, Laney, Lana, Lola, Lisa and Lily were with SpongeBob and Patrick and were heading to Jellyfish Fields to witness an amazing event. It was the time of the Annual Great Jellyfish Migration.

Lily: Man I am really excited about this one.

Me: Me too Lily. We've never seen the Great Jellyfish Migration.

Nico: This is gonna be so cool.

SpongeBob: [A bus arrives at Jellyfish Fields and we got off.] You know, Patrick, the Jellyfish migration is my favorite time of year! For three whole days, jellyfish from around the globe gather on one spot to trade jelly secrets.

Nico: I'm really looking forward to this.

Patrick: Oh wow me too!

Nico: Thanks for coming with me, Bertrand.

Bertrand: No problem Nico and this will be a most fun event for us to see.

Fu: It sure will be cool.

Laney: Yeah it will.

Nico: Bertrand, I can't believe you and the other Goths of Darkness hid from us for 3 years you trying to get rid of that other Blake Bradley from V.O.M.

Bertrand: I know and it was something that was tearing at us for a long.

Brittney: We thought that he was ruining Vampires of Melancholia and he was going to ruin our favorite show.

Haiku: Yeah it was not the best idea to do that.

Laney: It was a petition.

Me: Well at least it was a peaceful approach and not with brute force.

Nico: That's true.

Eli: Yeah. But that guy looked amazing as a vampire.

Natasha Hernandez: He sure did.

Lucy Loud: He looked amazing as a vampire too.

Nico: Yumi even started to have second thoughts about the whole plan.

Yumi: Yes I sure did and it was not right.

Laney: I know. That was not right though.

Lola: Yeah.

Nico: The truth about that came out when we met Mal and her friends.

Me: Yeah it sure did. But we weren't mad about that. Just a little disappointed.

Eli: Yeah no kidding. But what is really coincidental is that Blake Bradley of the Ninja Storm rangers and Blake Bradley of Vampires Of Melancholia each share the same name.

Laney: That sure is coincidental.

Lola: Yeah.

Bertrand: That is really interesting.

Nico: I hope that show's still running.

Brittney: It still is. And it's been on the air now for 12 seasons now. Its still popular among all goths.

Lucy Loud: Thank goodness for that.

SpongeBob: I think it's really awesome that Lucy likes that show too.

Nico: Yeah it sure is.

Me: Yeah.

Nico: Lori and Leni grew fond of it too

Me: They sure did.

Brittney: But if you ask me trying to get rid of Blake Bradley was a worse idea than a Leper Colony doing the Hokey Pokey.

CUTAWAY GAG

Lepers: (Singing)

You put your left leg in (LEGS FALL OFF) and you leave it there. You put your right arm in (ARMS FALL OFF) and you come back for it later.

CUTAWAY ENDS.

Nico: That is true.

Lucy Loud: But that was a funny cutaway gag.

Nico: (to the viewers) Don't expect that many cutaway gags.

Lincoln: But that one was pretty funny. Now I see why Brian, Stewie and the Griffins had a lot of fun with those.

Laney: Yeah but that was funny.

Lana: That was cool.

Me: That was a funny talk though.

Nico: The next girl should be around here somewhere.

SpongeBob: Yeah lets get to Jellyfishing. [gasps as he sees a blue jellyfish] Patrick, look! It's a blue-crested blaster! I've never seen one before! They're really rare.

Me: That one is really pretty.

Camie: Boy it sure is.

Sirius: Yeah I'll say.

We saw a pink Jellyfish.

SpongeBob: And a speckled squirter!

It squirted pink jelly.

Me: That was is cool.

SpongeBob: A two fisted Jumper!

We saw an orange jellyfish with 2 fists on the ends of its tentacles.

Me: A jellyfish with fists?

Eli: That is cool.

SpongeBob: And a golden-throated stinger!

We saw a yellow jellyfish with a middle tentacle that was a spear.

Golden-Throated Stinger: La, la, la, la, la, la, la!

Me: Wow! So many different kinds of Jellyfish.

SpongeBob: Oh, this year's migration is gonna be a big one! [SpongeBob and Patrick and us are over-shadowed]

Patrick: Uhh, SpongeBob? [looks up and sees a bunch of colorful jellyfish above them]

We saw a massive rainbow of Jellyfish! Wow!

Nico: WHOA! This is gonna be so cool!

Lily: Yeah it is!

Rainbow Dash: This is gonna be awesome!

Applejack: YEEHAW! Lets round up some amazing jellyfish!

Apple Bloom: YEAH!

SpongeBob: Wow. This looks like a job for Ol' Reliable! [opens his case to a metal net instead of one made of bamboo sticks.]

Nico: Cool net!

?: Lets get to catching Jellyfish!

A Spectrite came out!

Spectrite: (In a girls voice) (Russian Accent) Long time no see comrade Nico.

Nico: Sylvia Kuznetsova! Wow!

Sylvia reverted back and she was girl with black hair and clothes and she had the kanji for Eye in the middle of her forehead.

Nico: Cool!

Sylvia Kuznetsova: Lets catch some jellyfish comrades!

Me: We're going to be having a lot of jelly today.

We sprang into action and we caught many and numerous jellyfish while Patrick struggles to catch one. We made jars upon jars of every kind of jelly ever known!

Nico: Wow! What a day of Jellyfishing!

Lily: This was really fun!

Fluttershy: And making all this jelly really was fun.

Lola: It sure is.

Me: But Jellyfishing is really dangerous too. They don't call jellyfish the bees of the ocean for nothing.

Tsuyu: It's true.

Sylvia Kuznetsova: That's true there.

Nico: Yep. We're not going to be running out of jelly anytime soon.

Bertrand: What's your favorite memory of Nico?

Sylvia Kuznetsova: I have so many amazing memories with Comrade Nico. I'm a cave explorer and one time we went into the scariest and most treacherous cave in the world. The Predatel'stvo Cave.

We gasped!

Nicole Knudson: Oh man! That cave is known as one of the most dangerous and most terrifying caves in the world. Legends from all over Russia and the world have been made about it and there is said to be a beautiful and magnificent jewel cave in it that is so incredibly magnificent and pricelessly valuable that it makes King Tut's Tomb and many great treasures around the world look like small change in comparison. But many people that have gone into that cave never returned alive.

Sylvia Kuznetsova: That's right Nicole.

Brittney: But if you and Nico survived a cave like that then you guys are legends.

Nico: Yep. And we brought back a jewel from that cave.

Me: Wow!

Lana: That is amazing!

Me: The legendary Yekaterina Sapphire. That is amazing that you guys found that.

Sylvia Kuznetsova: It sure is comrades.

Lola: Yeah.

Nico and Sylvia hugged.

Nico: I really missed you.

Sylvia Kuznetsova: (Speaking in Russian) Я тоже, товарищ Нико. Я тоже. (Me too comrade Nico. Me too.)

Me: So awesome.

Laney: This was actually a Jellyfishing excursion and not just a rescue.

Lana: It sure was cool.

Aylene: I'll say. It was really fun going Jellyfishing.

Kaoruko: It sure was cool.

Kaina Tsutsumi: We had a lot of fun on this one.

Nico: Yep. We sure did.

May: One of the most fun rescues ever.

We later went back home.

* * *

After Nico's rescue, Lincoln, Me, Nico, Eli, Nicole Knudson, Lori, Leni, Luna, Luan, Lynn, Laney, Lucy, Lana, Lola, Lisa, Lily, Lincoln's harem, Sherlock Hound, Noctis Lucis Caelum, Gladiolus Amicitia, Ignis Scientia, Prompto Argentum, Stella Nox Fleuret, Ravus Nox Fleuret, TLPS Mr. Wolf, TLPS Mr. Piranha, TLPS Mr. Snake, TLPS Mr. Shark, TLPS Ms. Tarantula, Heathcliff, Sonja (Heathcliff), Riff-Raff, Hector (Heathcliff), Wordsworth, Mungo, Cleo, Leroy, Crash Bandicoot, Coco Bandicoot, Aku-Aku, The Quantum Masks, Alternate Tawna, Spyro, Cynder, The Ghostforce, Rayman, The Louds' Scottish Ancestors, The L-ementals, and Morpheus are heading to Bikini Bottom, and not only is Lincoln going to rescue the six girls there, but we got word that Evil Plankton's come back again and we're going to stop him and numerous inmates from breaking out of prison to destroy The Krusty Krab.

Lincoln: Wow, we're here in Bikini Bottom, and I know what we're going to do here, not only am I going to rescue the six girls here, but we got word that Evil Plankton's come back again and we're going to stop him and numerous inmates from breaking out of prison to destroy The Krusty Krab.

Me: That's right, big guy. But, I thought Callie ate that little pipsqueak and killed him.

Nico: She did, but his spirit wasn't sent to The Black Gates.

Lincoln: We'll get the answers once I drain his brain completely and stop him and the numerous inmates from breaking out of prison to destroy The Krusty Krab. And thanks for joining us, Morpheus.

Morpheus: You're welcome, Lincoln, and we already know that today's the day that The War Against The Church of Necrom has begun.

Lincoln: That's right. If they want a fight, we'll give them Armageddon!

Clara St. Clarice: You said it.

?: HEELLLLPPPP!

Suddenly, Lincoln heard the sound of six girls calling for help. With his deep sapphire blue cyborg eyes, rainbow colored iris of his Third Eye, the Force, and his superhuman sight, along with sensing energy signals, he saw and heard exactly where the call for help was coming from. He saw the six girls, but they've been cornered by Evil Plankton and the numerous inmates, and they're going to kill them. Lincoln also saw that Evil Plankton had the symbol of an inverted pentagram and on top of it was Necrom, and this meant one thing: The Church of Necrom brought Evil Plankton back, and he's also accompanied by an army of Blood Demons.

Lincoln: Guys, I found the six girls, but they've been cornered by Evil Plankton and the numerous inmates, and they're going to kill them, and there's also something very disturbing: I also saw that Evil Plankton had the symbol of an inverted pentagram on his forehead and on top of it was Necrom, and this means one thing: The Church of Necrom brought Evil Plankton back from the dead, and he's also accompanied by an army of Blood Demons.

We gasped in pure shock.

Clara St. Clarice: Those assholes, so now they're resurrecting foes that we've killed to start trouble again?! And that army of Blood Demons, there's only one witch in The Church of Necrom who's able to summon Blood Demons: Jocasta Belladonna.

Lincoln: Should've known she was behind this, that deranged witch.

?: Let's get that undead pipsqueak!

Suddenly, we saw the Arcana Force I - The Magician appear before us.

Nico: Whoa, that's the Arcana Force I - The Magician.

Lincoln: And I'd recognize that voice from anywhere, I knew it was you, Catherine Hoshi, but we'll have to talk later, we got a jailbreak to stop.

We rushed on over and Lincoln fired rainbow energy balls and elemental forces at Evil Plankton, the numerous inmates, and Jocasta Belladonna's army of Blood Demons, and the inmates were tied up with rainbow energy straitjackets and rainbow energy chains and Jocasta Belladonna's army of Blood Demons were destroyed, and the six girls got to safety. When Evil Plankton saw us, he was mad.

Lincoln: This is the last time we ever have to deal with you, Evil Plankton.

Lincoln unholstered his massive Hinon's Cosmic Storm Sword of Universal Hope, Elemental Bravery, and Unbreakable Eternal Bonds from his wider and muscular back, and transformed into Super Angel-Ebonwu-Thunderbird Eternity Infinity Elemental Thunderbird Buffalo Angel of Universal Justice and Elemental Hope, which became even more stronger than ever, along with all his other Super Angel forms, TLPS Mr. Wolf transformed into his Super Angel Eternity Infinity form and the rest of The TLPS Bad Guys Gang transformed into their Super Angel Eternity Infinity forms and they unholster their massive swords, Lincoln's sisters transformed into their Super Angel Infinity forms and unholstered their massive swords from their backs, Lincoln's harem unholstered their massive swords from their backs and transformed, Sherlock Hound transformed into Super Angel Eternity Infinity Stellar Darkness Demon Hound of Dark Compassion and Demonic Justice, and he unholstered his massive Sparda's Demon Fang of The Demon Hound sword from his wider and more muscular back, Crash Bandicoot unholstered his massive Skylands' Elemental Wolf Sword of Elemental Justice from his wider and more muscular back and transformed into Super Angel Eternity Infinity Elemental Skylander Bandicoot Knight Angel of Elemental Bravery and Elemental Will, The Ghostforce, Morpheus, The Louds' Ancestors, The L-ementals, Noctis, Prompto, Ignis, Gladio, Stella Nox Fleuret, and Ravus Nox Fleuret got out their swords, Rayman had his gauntlets ready and he transformed, Hector got out his massive Heaven's Maw of Judgement sasumata pike, and Me, Nico, Nicole, and Eli unholstered our massive swords and transformed, and we went after Evil Plankton, and we fired powerful blasts of rainbow energy, colored energy, elemental forces, Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, Magic, rainbow flames, and rainbow crystals, and they exploded with incredible power as they hit him.

Then, Lincoln sprouted out one of his eleven massive white werewolf tails with a suction proboscis, and as it latches onto Evil Plankton's brain, Lincoln began sucking out and draining Evil Plankton's brain, and Lincoln gained a massive intelligence boost, and he did see that Evil Plankton was brought back by Jocasta Belladonna of The Church of Necrom, and she gave him an army of Blood Demons to help him. When Lincoln was done, Evil Plankton was now a brainless monkey, but Lincoln then cuts him down, and he was erased from existence by the Black Gates. We cheered wildly as we holstered our weapons and powered down, and the inmates were returned to their prison cells.

Lincoln: So long, Shrimp! (To Catherine Hoshi) And it's so good to see you again, Catherine Hoshi.

Catherine Hoshi reverted back to normal, and she's a beautiful 17-year-old girl with long flowing dark blue hair, blue eyes, she's tall at 6'5" in height, she has the body of a goddess, she has the kanji for Space tattooed on her forehead, she has massive dark blue angel wings, and she reigned in the power of Arcana Force I - The Magician, and she's dressed in a light blue vest, dark blue sleeveless midriff dress top, dark blue skirt, blue bellbottom pants with flowers, blue sneakers, and long dark blue sleeveless trenchcoat with stars and planets on the coattails, and Arcana Force I - The Magician on the back, and holstered on her back is a large Arcana I- The Magician-themed sword with a 6'10" massive, wide, double-edged dark blue blade with Arcana I - The Magician etched on it, large dark blue angel wings for the crossguard, large dark blue gem embedded in the rainguard, longer black handle, and large dark blue gem with angel wings surrounding it for the pommel.

Catherine Hoshi: You too, Lincoln, it's been a long time.

Lincoln went up to Catherine Hoshi and they hugged, and Jade Hyotonia's also very surprised at just how much taller and much more muscular Lincoln's gotten since they last saw him, and they also felt just how strong he's really become.

Lincoln: It sure has, I haven't seen you when you were sixteen, and as you can see, I really grew a lot since then.

Catherine Hoshi: I knew you have, but whoa, you sure have really grown very big and strong like a tree, Lincoln, you've really grown a lot from the eleven-year-old cute little boy into a 17-year-old and permanently 7'5" tall, very handsome, and manly teen with abnormally massive and powerful upper and lower body muscles and eight-pack abs, that's so awesome.

Nico: Wow, Lincoln, you know her?

Lincoln: Indeed I do, Nico, this is Catherine Hoshi, she's another of my Guardian Angels from Royal Woods, Michigan, and she, like her fellow Arcana Force Gene-Slammers is a powerful psychic and clairvoyant and she has incredibly powerful mastery over the powers of space, and like the other Arcana Force Gene-Slammers, she's known for stopping bad things before they happen and also has the powers to see into the future. This one time, she saved The Loud House and the entire family from being destroyed by a massive angry mob of Scottish People that were sent by Morag from the shadows to kill them.

We gasped in shock, and we growled in pure anger at what Morag did.

Duke Lincoln: (Scottish Accent) (Angry) That heartless, psychopathic, deranged old witch!

Lucille: (Scottish Accent) Now, I'm glad that she and her heartless ancestor, Aggie, got sent to The Black Gates long ago, lads.

Lincoln: Same here, but, we're really going to hear this story later on.

Suddenly, a Thunderbird of Eternal Love appeared around Catherine Hoshi's neck with dark blue gems on the gold thunderbolt links and dark blue crystal links from brand-new Crystal Necklace of the Buddha which merged with her Thunderbird Necklace of Eternal Love.

Catherine Hoshi: (Surprised) Whoa, is this…?

Lincoln: Yep, that's a Thunderbird Necklace of Eternal Love, and that means you're now part of my harem and one of my many future wives, Catherine.

Catherine Hoshi had a smile on her face and tears coming from her eyes, as she wrapped her arms around Lincoln's waist, and Lincoln wrapped his abnormally massive and powerful muscular arms around her, and he leaned down and kissed Catherine Hoshi on the lips, and they returned it, and we cheered for them. Then, we went up to the six girls, and when Lincoln saw them, he recognized the girls immediately. The six girls are Asukai Aki, Itokawa Nozomi, Kisaki Waka, Mashiki Miharu, Mihashi Mami, and Minowa Kokono from Convenience Store Boy Friends.

Lincoln: Oh wow, it's Asukai Aki, Itokawa Nozomi, Kisaki Waka, Mashiki Miharu, Mihashi Mami, and Minowa Kokono.

Nico: From Convenience Store Boy Friends, awesome.

Lincoln: Are you girls okay?

Asukai Aki: Yes, we're okay, thanks to you.

Then, when Asukai Aki and the other five girls saw who it was that saved them from Evil Plankton and the numerous inmates, along with the army of Blood Demons sent by Jocasta Belladonna, their faces turned atomic red upon seeing the 17-year-old permanently 7'5" tall, handsome, bare-chested hunk with abnormally massive and powerful upper and lower body muscles, eight-pack abs, long wild white hair going down to the bottom of his neck and rainbow lightning bolt highlights in the bangs of his long white hair, rainbow colored thunderbird with a gold lightning bolt emblazoned on his forehead with a Third Eye of the Buddha on his forehead with rainbow iris, golden lightning bolt cutie mark with the thunderbird and comic books right on his massive and wide right pec and it's surrounded by the symbols of Fire, Water, Ice, Wind, Earth, Nature, Light, and Darkness in a circle, large Celtic Cross cutie mark tattoo in the form of the cutie marks of Twilight Sparkle, Sunset Shimmer, Rainbow Dash, Applejack, Rarity, Pinkie Pie, Fluttershy, Starlight Glimmer, and Trixie Lulamoon, surrounded by a circle were the marks of the other girls in Lincoln's harem on his wider and more muscular back, and right on top was the Earth surrounded by the ring of mermaids and surrounded by a Thunderbird, Phoenix, Angel, and Buffalo, and right below the Cutie Mark tattoo is a deep sapphire blue kanji that said, "Lincoln Landon Loud, Champion and Emissary of Hinon, Master of Lightning Storms, The Weather, The Elemental Forces, The Cosmos, and The Universe, The Loud House's Man With A Plan, Golden-Hearted Brother of Many Siblings, and Golden-Hearted Lover, Father of Many Kids, Son, and Future Husband, Descendant of The 17th Century Duke Lincoln of Loch Loud in Scotland, Destroyer of Morag McLaughlin, Destroyer of Evil, Black-Hearted, Sadistic, Delusional, Power-Hungry Bastards, Talented Comic Book Writer and Video Gamer, God of Truth and Justice, and Ambassador and Beacon of Hope to The Universe", he has deep sapphire blue eyes, a tattoo of a pepper with fire surrounding it and a kanji that read "Spiciest Man of The Loud House" on his broader and muscular left shoulder, and a Mark of Manhood tattoo of a male bodybuilder with a barbell raised above his head and around him are elemental forces and an orange kanji that read, "Lincoln Landon Loud, Strongest, Bravest, Resilient, Courageous, Handsomest, and Manliest Warrior of The Loud Family" on his massive left muscular forearm.

He had his massive Hinon's Cosmic Sword of Universal Hope, Elemental Bravery, and Unbreakable Eternal Bonds holstered on his

eight large orange orbs orbiting around his legs, and circling around his feet on the floor are eight golden crosses with angelic runes.

Asukai Aki: Oh wow, you're Lincoln Loud of Team Loud Phoenix Storm.

Lincoln: That's right, and it's a pleasure to meet you all.

Then, Lincoln made five clones of himself, and he and the five clones went up to the girls, and hugged their waists in their abnormally massive and powerful muscular arms, and they lean down and kissed the girls on the lips, which they returned with equally intense passion, as they wrapped their arms around the necks of Lincoln and his clones, and we cheered wildly at the scene.

Asukai Aki: (Seductively and rubs her right hand on Lincoln's massive and wide right pec) You too, big, tall, muscular, and handsome.

Suddenly, six Thunderbird Necklaces of Eternal Love appeared on the necks of Asukai Aki, Itokawa Nozomi, Kisaki Waka, Mashiki Miharu, Mihashi Mami, and Minowa Kokono with colored gems on the gold lightning bolts and crystals links from their merged Crystal Necklaces of The Buddha. We return to the TLPS World Tree Estate and we told everyone about the rescue, and they were shocked when they found out that the villain we went after was Evil Plankton and the numerous inmates, and they were also horrified when they found out that Evil Plankton was brought back by Jocasta Belladonna of The Church of Necrom, and they also saw her army of Blood Demons with Evil Plankton.

But, when Lincoln showed what we did in restraining the numerous inmates and destroying Evil Plankton and Jocasta Belladonna's army of Blood Demons, everyone cheered wildly for Lincoln and the rest of us, and they hugged us, and the girls in Lincoln's harem then went up to Lincoln, and they kissed him all over. Lincoln and Catherine Hoshi have a lot of catching up to do, now that she's back in town, and not only are we finally rid of Evil Plankton, but this means that later on, Clara St. Clarice and Lincoln are going to deal with Jocasta Belladonna and they'll make that witch pay for her crimes.

---

After destroying Evil Plankton and Jocasta Belladonna's army of Blood Demons, along with sending the numerous inmates back to their prison cells, we were training intensely in the gym, this time, doing 150,000,000 reps of crunches, wing push-ups and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 9,500-lb barbells, squats, and going a few rounds with the punching bags, and we were really sweating like crazy, even doing yoga to clear our minds, and when Catherine Hoshi saw Lincoln working out like crazy, she had an atomic red blush on her face.

Catherine Hoshi: Whoa, I was right that Lincoln has really grown to be a 17-year-old permanently 7'5" tall, really big, and really strong man, just look at those abnormally massive and powerful upper and lower body muscles and his eight-pack abs hard at work, and working out with those 9,500-lb barbells and he's not even get tired, incredible.

Lincoln: Yep, and I've also trained a lot under some very powerful teachers, J.D. and Nico included, Catherine, and now, I can also defend myself, and in addition to getting stronger, I've also gotten smarter as well.

Catherine Hoshi: That's incredible.

Nico: It sure is. So, Catherine, how did you save The Loud Family from being destroyed by an angry mob of Scottish People sent by Morag from the shadows to kill them?

Catherine Hoshi: You're not going to like this one bit, Nico. Not too long ago after you guys destroyed Team Dark Phoenix Storm, I was heading out for a run throughout Franklin Avenue. But, then, I had a vision: I saw an angry mob of Scottish People sent by Morag from the shadows to kill The Louds. But, I wasn't going to let that witch get away with it, so I rushed over and I brutally pulverized the angry mob of Scottish People sent by Morag, and I tied them all up. Then, I sent them back to Loch Loud and I told Angus of what happened, and after I was done, the new Duke of Loch Loud, Angus, was so furious, he had the angry mob sent to prison and they're ordered to do a lot of hard labor as part of their sentence, and I was awarded by Angus and praised by the people there for what I did in saving The Loud Family.

We cheered wildly for what Catherine Hoshi did, but we were also very furious at what Morag did.

Lincoln: Even dead, that evil deranged witch doesn't even know when to quit?! Which is why I'm so glad that we sent her and Aggie McLaughlin to The Black Gates.

Duke Lincoln: (Scottish Accent) And that was after me and my family got our new swords, and I also transformed into my Super Angel Eternity Infinity form.

Nico: That's right, Duke Lincoln.

Mira McLaughlin: (Scottish Accent) Now, I'm so glad that I cut my ties with that heartless, big butted, old witch I formerly called my mother, and I now hate my family name for good.

Lincoln: You're the only one who's not like your ancestor and your former mother, Mira.

Me: That's right.

We then got a shower afterwards, and then, Clyde and his harem are heading out for an exploration of Tallon IV.

Clyde: Alright, everyone, are we ready?

Syd Chang: We're ready, Clyde.

Clyde and his harem left the World Tree Estate and when they arrived at Tallon IV, it was an amazing planet chosen to be the dwelling place of a group of Chozo from Elysia who wished to regain their spirituality.

Chloe: Wow, what is this planet, Clyde?

Clyde: This planet, Chloe, is Tallon IV, Samus told me that this planet was chosen to be the dwelling place of a group of Chozo from

Elysia who wished to regain their spirituality and they abandoned their technology and made their homes out of the planet's resources, but disaster struck the planet, thanks to the Phazon.

Clyde and his harem explored the planet, and it was really amazing. Suddenly, the eight large silver orbs orbiting around Clyde's legs were glowing and were spinning like crazy.

Clyde: Uh oh, we got trouble.

Clyde and his harem then head for the location and hid behind a rock, and they soon heard someone laughing insanely. They peeked out and they saw another of Chip and Dale's enemies from when they were the Rescue Rangers, it was Professor Norton Nimnul, the insane mad scientist and thief, and he also had something with him: it was The Vox Peniculus.

Professor Norton Nimnul: (LAUGHING INSANELY) Soon, I'll use this machine on Team Loud Phoenix Storm and The Masters of Evil, and they'll be destroyed forever! (LAUGHING MADLY)

Clyde: (Gasps) That insane… !

Clyde sent the call to the rest of us, and then, Syd proceeded to summon vines from the shadows, which tied up Professor Nimnul, as he was caught off-guard.

Professor Norton Nimnul: What the?! What's going on?!

Clyde and his harem came out, and then, we arrived as well, along with Psyphon and The Masters of Evil.

Chip: I should've known you'd show up again, Nimnul, and even worse, you stole The Vox Peniculus and you were going to use it to drain Team Loud Phoenix Storm and The Masters of Evil of their powers and destroy them all. We knew you were mad and insane, but now, you've gotten worse than ever.

Dale: And now, you're going to spend the rest of your life in prison.

Monterey Jack: Too right.

Lincoln: But, first off.

Lincoln went up to the side of the Vox Peniculus, and as he put his large hands on the side of the large machine, his large hands glowed, and then, the Vox Peniculus suddenly turned blue, and it turned into blue data and energy, and Lincoln was absorbing the Vox Peniculus into his body, and his rainbow energy aura with Thunderbirds, Phoenixes, Angels, Buffalo, and Elemental Forces flared up, and he was gaining a really massive power and energy boost to his infinite power and energy, and the same thing happened to us, as we saw our rainbow energy auras with mythological animals and elemental forces flared up and we were all gaining a really massive power and energy boost to our infinite power and energy.

Professor Nimnul: No, what have you all done?! My revenge, my plans, all ruined!

Lincoln: I think we've had enough of you running loose, Nimnul. Now, you're going straight to prison for the rest of your life. But, first, we should find out how you got your hands on The Vox Peniculus.

Clyde: Let me do it, buddy.

Clyde sprouted out one of his new eleven massive, powerful, and long black werewolf tails with a suction proboscis, and as it latches onto Professor Nimnul's brain, Clyde began sucking out his brain, and he was gaining a massive intelligence boost: and he saw who it was that gave Nimnul the Vox Peniculus, it was that witch, Jocasta Belladonna. When Clyde was done sucking out Nimnul's brain, he retracted his tail.

Clyde: Guys, I found out who it was that gave Professor Nimnul the Vox Peniculus: it was that witch, Jocasta Belladonna.

We gasped in shock, and we were already pretty pissed off at Jocasta Belladonna.

Clara St. Clarice: That crazy witch, now she's really getting pretty desperate to get rid of us.

Lincoln: But, we'll continue to foil all of their plans at every turn. Now, to get Nimnul to prison where he will remain there for good.

Me: But first.

I held out my large left hand, and then, we saw Cthulhu's head appear and as we averted our eyes, the red jewel eyes glowed and then as Nimnul looked into the eyes, a scary eldritch speech was said, which he heard for himself, and it drove him completely insane. Then, Lincoln beamed Nimnul to The Saturn Insane Asylum's Maximum Solitary Confinement where he was then chained to the wall with rainbow energy chains and Neutronium chains.

Clyde: Sorry that our date got ruined by Professor Nimnul, along with that witch, Jocasta Belladonna.

Syd Chang: Clyde, there's no need to apologize. Our date went really well actually, and we also took down Professor Nimnul, and you also found out that he's had contact with Jocasta Belladonna, and they tried to kill us.

Chloe: But, we stopped Professor Nimnul's crazy scheme again, and thanks to what we did, we just pissed off Jocasta Belladonna and the rest of Damian's coven even more.

Lincoln: Chloe's right, Clyde, and this means, she'll soon come after us later on, completely blinded by rage and Clara and I are also more than ready to take down that witch and make her pay for her crimes.

Clara St. Clarice: That's right, Linky.

Clyde: But, there's also the one thing that we need to do to end our date before we head home.

Clyde made clones of himself, and they went up to the girls in his harem, and they picked them up in their abnormally massive and powerful muscular arms, and they passionately kissed and hugged with supercharged and intense passion, and we cheered for them. Then, we headed on home to The World Tree Estate, and back in their demonic castle, Jocasta Belladonna saw what we've done and foiled her latest scheme again, and it pissed her off so badly, her red eyes turned blood red with insane rage and she flew into an insane rage, and we heard it from the World Tree Estate.

Lincoln: (Smirks) Looks like we've really made Jocasta Belladonna mad.

Clara St. Clarice: (Smirks) That insane witch and the rest of Damian's Church of Necrom have had it coming for a very long time.

Nicholette Torrington: And later on, you and Lincoln are going to face Jocasta Belladonna, and you two will make her pay for her crimes, Clara.

Clara St. Clarice: That's right, Nicholette.

Nico: So, it looks like we'll be dealing with any schemes and plots Damian and his goons will form to try and destroy us, but you all have experience with foiling their hairbrained demonic schemes and constantly pissing them off.

Nicholette Torrington: That's our very expertise, Nico: foiling the demonic schemes of The Church of Necrom and constantly pissing them off.

Giselle Harrington: But, those demon Goths refuse to quit.

Lincoln: But, this'll be the last time Damian Alaister, Michael Devlin, Carmen Sullivan, Nigel Moreau, Douglas Moreau, Cole Sullivan, Nigel Alaister, Cary Blakewell, Nigel Tinuviel, Douglas Griffin, Duncan Alarie, Ianira Dormund, Edana Baudelaire, Drusilla Draven, Chandra Mortlake, Adrienne Hawthorne, Jezebel Lanira, and Jocasta Belladona dare to show their faces around us again.

Me: Yeah!

Nico: They're looking at spending the rest of their lives in prison for what they've done, but they've constantly gotten away with the crimes they've committed, no doubt thanks to their powers with the dark arts and black magic.

Lincoln: But, there's consequences with messing with black magic, along with the Dark Arts, and they're really dark, and we'll make them answer for their crimes.

Eli: You said it.

Suddenly, Lincoln's deep sapphire blue eyes and the rainbow colored iris of Lincoln's Third Eye glowed even more, as he sensed a dark energy signal with his eyes and the Force, and he saw who the figure is in the vision: it was none other than Jocasta Belladonna, and she's coming to kill us all for revenge for ruining their schemes, and she's major leagued pissed off. When we saw it, we knew it meant trouble.

Nico: Uh oh, I know those glowing eyes from anywhere. Lincoln, is Jocasta Belladonna on the move?

Lincoln: That's right, Nico, and she's coming to kill us all for revenge for ruining their schemes, and she's major leagued pissed off.

Clara St. Clarice: So, Jocasta Belladonna's on the move. Now, we have our chance to pulverize and beat that crazy witch into the ground for what she did in resurrecting Evil Plankton and cavorting with that insane mad scientist, Professor Nimnul.

Lincoln: Not to mention all the other crap she and the other Church of Necrom members have done in the past, Clara.

Nico: Not to mention summoning demons to torment you, Lincoln. Now, that's what I call one line crossed too many.

Nicholette Torrington: That's right, Nico.

Lincoln: We'll make that witch pay for all of her crimes infinite-fold, and the same goes with the rest of her accursed friends.

Eli: Yeah, and now, The War Against The Church of Necrom is finally on!

Everyone: YEAH!

Lincoln: And we'll show them all no mercy for all the crimes they've committed against mankind, and they will pay the ultimate price!

Nico: YEAH!

Clara St. Clarice: Now then, shall we get going, everyone?

Nico: Right, Clara.

Just then, Ben Ravencroft, Whirlwind, Robo Roxy, Arbormon, Living Laser, Solomon Grundy, Mysterio, King Shark, The Dodgeball Wizard, and Skalamander appeared.

Robo Roxy: Can me, Ben Ravencroft, Whirlwind, Living Laser, Solomon Grundy, Mysterio, King Shark, The Dodgeball Wizard, and Skalamander come with all of you?

Nico: Of course.

Ben Ravencroft: And did we just hear right? Is Jocasta Belladonna really on the move now?

Lincoln: Yep, after she found out all of her schemes to kill us have been foiled, this really pissed her off greatly and she's heading after us herself.

Clara St. Clarice: And Lincoln and I are going to show that witch what happens when she messes with a true master of The Dark Arts, The Occult, and Darkness, and we're showing her no mercy, because she deserves none.

Living Laser: That's right.

Nico: You said it. Alright, gang, let's go.

We went to an open field.

?: You Dark World bitches, along with you miserable Louds, have ruined all of The Church of Necrom's plans for the last time!

Suddenly, the eight large planets and stars orbing around my legs, the eight large orange orbs orbiting around Lincoln, Linka, TLPS Ms. Tarantula's, and Duke Lincoln's legs, the eight large dark blue orbs orbiting around Ed Cowart's legs, the eight large midnight blue orbs orbiting around TLPS Mr. Wolf's legs, the eight large crimson red orbs orbiting around Tahu, Naruto and Nate Adams' legs, the eight large fiery red orbs orbiting around Zach Gurdle's legs, the eight large silver orbs orbiting around Clyde McBride's legs, the eight large black orbs with the Eye of Horus orbiting around Cody (OC)'s legs, the eight large black orbs orbiting around Lucy, Lars, and Dudley Puppy's legs, the eight large pink orbs orbiting around Lola and Lexx Loud's and Steven Universe's legs, the eight large green orbs orbiting around Lynn Sr.'s legs, the eight emerald green orbs orbiting around Yakko Warner's legs, the eight large sapphire blue orbs orbiting around Wakko Warner's legs, the eight large hot pink orbs orbiting around Dot Warner's legs, the eight large marine blue orbs orbiting around Liam, Lana, and Leif Loud's legs, the eight large scarlet red orbs orbiting around Lynn Loud and Lynn Jr.'s legs, the eight coral red orbs orbiting around Timon's legs, the eight large blood red orbs around Marco Diaz's legs, the eight large blue orbs orbiting around Lori, TLPS Mr. Shark, Skippy, Sean Bolton, and Loki Loud's legs, the eight large sea-foam green orbs orbiting around Leni and Loni Loud's legs, the eight large yellow orbs orbiting around Luan, TLPS Mr. Snake, and Lane Loud's legs, the eight large brown orbs orbiting around Laney and Larry Loud's legs, the eight large light green orbs orbiting around Lisa and Levi Loud's legs, the eight large lavender orbs orbiting around Lily and Leon Loud's legs, the eight large colored orbs orbiting around Bobby Santiago and Nico's legs, the eight large rainbow orbs orbiting around Rainbow Dash's legs, the eight large aqua and ocean blue orbs orbiting around Varie, William Dunbar, and Adam Lyon's legs, the eight large white orbs orbiting around Timmy Turner's legs, and the eight large purple orbs orbiting around Luke Loud's legs and Menat's legs, along with our gems on our Bracelets of The Champions of the Universe were glowing, and that means we've got big trouble incoming.

Clara St. Clarice: I should've known there's no mistaking that chalkboard screech from anywhere. You can come out now, Jocasta Belladonna.

An inverted pentagram with Necrom on top of it drawn in blood red infernal energy appeared in the skies, and then, a mist of darkness came out and as it landed, the mist of darkness faded revealing a 17-year-old girl with long dark red hair, pale skin, red eyes, and a deranged sadistic grin on her face, and dressed in a black long-sleeved dress, black long-sleeved coat, black pants, and black heels. It was Jocasta Belladonna, a dangerous witch and one of the 18 members of The Church of Necrom.

Nicholette Torrington: Jocasta Belladonna, I should've known you'd be the first one of The Church of Necrom to show up. (Smirks) Damian sent you to destroy us all because he's too scared to show his face himself?

Jocasta Belladonna: Shut up, bitch! You all have ruined our master's plan to bring Lord Necrom into this pathetic world, so that we could destroy all of mankind and bring back The Dark Ages, and now, we will destroy all of you ourselves!

Clara St. Clarice: That's not going to happen, Jocasta, and now, your rampage is finally over.

Suddenly, Clara St. Clarice's red eyes turned neon red, and she was surrounded by a red energy aura with darkness, demons, and the colors of the rainbow, she unholstered her massive Colorless, Chaos King of Dark World-themed sword from her back, and as she approached Jocasta Belladonna, she left red energy, demons, darkness, and the colors of the rainbow with every step.

Clara St. Clarice: You just don't even know when to quit, do you? We've beaten you down so many times and in those many times, you fled with your tail between your legs and howling like a wounded animal. That's it, I've had it up to hear with you, Jocasta Belladonna, and now, I'll see to it that you'll pay for the crimes that you've committed long ago.

Suddenly, Clara St. Clarice was surrounded by a massive vortex of red energy with darkness and demons and dark magic surrounding it, there's Colorless, the Dark King of Dark World flying around the vortex, and inside of the vortex is a red phoenix. Then, as the vortex faded, Clara St. Clarice emerged, but she was changed forever.

(IMPERATRIX MUNDI PLAYS AT 1:14 TO 2:14)

Clara St. Clarice grew from 6'5" to 6'11" in height, she had rainbow highlights in the bangs of her long flowing red hair, she has neon red eyes and a red energy aura with darkness, demons, and the colors of the rainbow surrounding her, she has the image of Colorless, Dark King of Dark World and holding the Void Kanji in its hand emblazoned on her forehead, she has on demon earrings with red gems for eyes and holding the Void and Eternity Kanjis in its hands, she also has Colorless, Dark King of Dark World with red gems for the eyes and the Void and Eternity Kanjis in its hand for the second pendant, along with the golden Thunderbird pendant of her Thunderbird Necklace of Eternal Love necklace with red crystal links from her merged Crystal Necklace of the Buddha and red gems on the gold lightning bolt links. Clara St. Clarice has on a sleeveless red vest, sleeveless red midriff top, red pants with flowers on it, red high-heeled knee-high boots, and a long red sleeveless trenchcoat with darkness, demons, and the colors of the rainbow on the coattails, and Colorless, Chaos King of Dark World surrounded by demons, darkness, and the colors of the rainbow on the back. Suddenly, Clara St. Clarice's massive red angel wings grew much bigger for her new body, and the large red feathers have the colors of the rainbow on the tips. Clara St. Clarice has on a Ring of The Phoenix with red gem and heart shaped gem embedded in it on her right ring finger and a Star Sapphire ring on her left ring finger.

Suddenly, Clara St. Clarice's massive Colorless, Chaos King of Dark World-themed sword was then surrounded by a kaleidoscope of red energy, darkness, and the seven colors of the rainbow, and as it emerged, it was transformed into Colorless, Chaos King of Dark World's Void Sword of Dark Justice, it's a brand-new greatsword with Colorless, Chaos King of Dark World etched on the 7'0" massive, wide, double-edged red blade, large red angel wings for the crossguard, large red gem embedded in the rainguard, longer black handle, and a large red gem with black angel wings surrounding it for the pommel, she has on her new large gold cuff Bracelets of the Champions of The Universe with red gems on her wrists, gold Belt of Elemental Bravery with a gold version of Colorless, Chaos King of Dark World's head with red gems for eyes and a large red gem in its open mouth for the belt buckle, large Destroyer of The Church of Necrom grimoire and rainbow-colored leather and gold metal bound Elemental Spellbook of Harmonious Justice, Eternal Harmony, and Equestrian Peace on her left hip and

Eater of Sins revolver holstered on her right hip. There's a red kanji below Colorless, Chaos King of Dark World that said, "Clara St. Clarice, Gene-Slammer of Colorless, Chaos King of Dark World, Powerful Member of the Dark World Goth Girls, Powerful Master of The Dark Arts and The Occult, Dear Friend of Nicholette Torrington, Giselle Harrington, Scarlet Rosenburg, Silvia Excelsior, Renee Ravenclaw, Helena Hufflepuff, Elizabeth Gryffindor, Selene Slytherin, Zennia Nikolaevna, Jackie Wren, Laniya Guillermo, Camie Nicholetta, Bertha Sellington, Chloe Terryington, Rhonda Jekyll, Connie Jackelstein, and Celine Wendova, Loving Future Wife and Guardian Angel of Lincoln Loud, Thrasher of Scoots, Destroyer of The Church of Necrom, Slayer of Evil, Deranged, Murderous, Ruthless, and Sadistic Bastards, Amazing and Powerful Student of Amazing and Powerful Teachers, and Master of Darkness, Demons, and The Seven Colors of The Rainbow" Clara St. Clarice has transformed into SUPER ANGEL ETERNITY INFINITY DARKNESS COLORLESS CHAOS VOID DEMON ANGEL OF CHAOS DARK JUSTICE AND VOID CHAOS LOVE!

We were amazed by Clara St. Clarice's Super Angel Eternity Infinity transformation, and when Lincoln saw her, he had an atomic red blush on his face and hearts in his eyes. But, when Jocasta Belladonna saw it, she went bonkers and fired a blast of darkness to kill her, but Clara St. Clarice fired a powerful blast of red energy with darkness, demons, and the seven colors of the rainbow, and it hit Jocasta Belladonna and sent that witch crashing back first into a wall.

Nicholette Torrington: Holy crap, Clara St. Clarice's transformed into her Super Angel Eternity Infinity form, that's so awesome!

Nico: That's right, Nicholette, and she sent that crazy witch, Jocasta Belladonna, crashing back first into a wall, and really pissed her off even more.

Me: This is going to be so good.

Lincoln: Wow, Clara, you look beautiful. How do you feel?

Clara St. Clarice: (Divine Echoing Cosmic Voice of the Dark Void Demon and Dark Divine Love) I feel incredible, Linky. Now then, shall we deliver Jocasta Belladonna her rightful punishment?

Lincoln: (Smiles) With pleasure, Clara.

Lincoln unholstered his massive Hinon's Cosmic Storm Sword of Universal Hope, Elemental Bravery, and Unbreakable Eternal Bonds from his wider and muscular back, and transformed into Super Angel-Ebonwu-Thunderbird Eternity Infinity Elemental Thunderbird Buffalo Angel of Universal Justice and Elemental Hope and he joined Clara St. Clarice.

Lincoln: (Divine Echoing Cosmic Elemental Voice of Universal Justice and Elemental Hope) Your days of causing mayhem and chaos in the name of Damian Alaister and The Church of Necrom are finally over, Jocasta Belladonna.

Clara St. Clarice and Lincoln went after Jocasta Belladonna, who continued firing blasts of darkness at them, but they dodged them all, and they fired powerful blasts of rainbow energy, red energy, dark magic, Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, Magic, rainbow flames, rainbow crystals, Buffalo, Thunderbirds, Phoenixes, Angels, and Demons at Jocasta Belladonna, and they exploded with incredible power as they hit the crazy witch, who was now even more pissed off big time.

Jocasta Belladonna: Rise from the depths of Hell, Blood Demons.

Jocasta Belladonna summoned a really massive army of Blood Demons to attack them, but Lincoln fired energy threads, and as they hit the Blood Demons, Lincoln sucked out and drained the massive army of Blood Demons completely dry of blood, and pissed Jocasta Belladonna even more. But before she could attack, Lincoln attacked Jocasta Belladonna with his massive Hinon's Cosmic Storm Sword of Universal Hope, Elemental Bravery, and Unbreakable Eternal Bonds and left painful scars on her, and Clara St. Clarice attacked Jocasta Belladonna with her brand-new massive Colorless, Chaos King of Dark World's Void Sword of Dark Justice and left even more painful scars on her.

Clara St. Clarice: (Divine Echoing Cosmic Voice of the Dark Void

Demon and Dark Divine Love) Linky, shall we do the honors in putting Jocasta Belladonna in her place?

Lincoln: (Divine Echoing Cosmic Elemental Voice of Universal Justice and Elemental Hope) Ladies first, Clara.

Clara St. Clarice: (Divine Echoing Cosmic Voice of the Dark Void Demon and Dark Divine Love) Such a gentleman.

Clara St. Clarice and Lincoln formed massive red energy balls in the palms of their hands, and they condense them to the size of their bodies, and they aimed them at Jocasta Belladonna, who ran at them with murder and insane rage in her eyes.

Clara St. Clarice and Lincoln: VOX PENICULUS POWER ABSORPTION KARMA BLAST!

Clara St. Clarice and Lincoln fired the massive red energy balls, which transformed into red energy beams, and as the two red energy beams hit Jocasta Belladonna, Lincoln and Clara St. Clarice began absorbing all of Jocasta Belladonna's dark powers and dark magic, and Lincoln's rainbow energy aura with Thunderbirds, Phoenixes, Angels, Buffalo, and Elemental Forces flared up, and he was gaining a really massive power and energy boost to his infinite power and energy, and the same thing happens to Clara St. Clarice as her red energy aura with darkness, demons, and the colors of the rainbow flared up and she was really massive power and energy boost to her infinite power and energy. When Clara St. Clarice and Lincoln were done, Jocasta Belladonna was now rendered completely powerless and completely drained of her powers.

Jocasta Belladonna: What did you do to me?!

Lincoln: (Divine Echoing Cosmic Elemental Voice of Universal Justice and Elemental Hope) We sucked out and absorbed all of your dark powers, abilities, and dark magic, and now, you're powerless, Jocasta.

Clara St. Clarice: (Divine Echoing Cosmic Voice of the Dark Void Demon and Dark Divine Love) And now, you're finished.

Clara St. Clarice opened her Destroyer of the Church of Necrom grimoire, and she found the page and she fired a blast of darkness, and as it hit Jocasta Belladonna, the now powerless and insane witch of The Church of Necrom was imprisoned inside of a black tarot card with Colorless, Chaos King of Dark World on the back of the black tarot card with shadows of darkness, demons, and the seven colors of the rainbow, and she put the card with Jocasta Belladonna imprisoned inside a black tarot card box with the symbols of the Dark World Duel Monsters on top. We cheer wildly for what Clara St. Clarice and Lincoln as they holster their massive swords and power down, and Clara St. Clarice's new body, clothes, weapons, jewelry, and massive red angel wings are permanent.

Clara St. Clarice: Gotcha, bitch! Thank you for helping me take down Jocasta Belladonna, Linky.

Lincoln: (Smiles Warmly) You're welcome, Clara.

Suddenly, Clara St. Clarice wrapped her arms around Lincoln's waist, and it brought an atomic blush to Lincoln's face, as he wrapped his abnormally massive and powerful muscular arms around her waist and he brought her into an embrace, which took her by surprise and brought an atomic red blush to her face. Then, as Lincoln leans down to Clara St. Clarice's face, they kissed passionately as Clara St. Clarice wraps her left arm around Lincoln's muscular neck, and she placed her left hand on Lincoln's massive and wide muscular right pec, and behind them was a Thunderbird, Phoenix, Angel, and Colorless, Chaos King of Dark World flying in the air, and we also saw a herd of Buffalo running across the field, along with elemental forces and creatures of the night flying around the place and we cheered for them.

Nico: Hah, that's one Church of Necrom asshole put down, and seventeen more to go.

Me: That's right, Nico.

Celine Wendova: Which means the next Church of Necrom member to show their face tomorrow is Jezebel Lanira.

Lincoln: And you and I are going to put a stop to that witch, Celine.

Celine Wendova: That's right, Linky.

Ben Tennyson: And that combo that you and Clara used on Jocasta Belladonna was really awesome, Lincoln. So, you guys are going to use that same combo with the Church of Necrom members when it's time to deliver the final blow, right?

Lincoln: That's right, Ben. When you guys saw me absorbing The Vox Peniculum into my body, not only did my power draining and energy absorption powers get a tremendous infinite-fold boost, but all of you also got the very same tremendous infinite-fold boost to your power draining and energy absorption powers.

Me: That's right, we all felt it as well.

Gwen Tennyson: And what you and Clara did to Jocasta Belladonna really got Damian Alaister and the others really mad at you guys.

Nicholette Torrington: Let them get mad at us all they want, Gwen. Like I said, none of us even give a damn about the delusional and completely insane ravings and tirades of Damian Alaister, Michael Devlin, Carmen Sullivan, Nigel Moreau, Douglas Moreau, Cole Sullivan, Nigel Alaister, Cary Blakewell, Nigel Tinuviel, Douglas Griffin, Duncan Alarie, Ianira Dormund, Edana Baudelaire, Drusilla Draven, Chandra Mortlake, Adrienne Hawthorne, Jezebel Lanira, and Jocasta Belladona. They've crossed a very serious line by toying with The Dark Arts and worshipping the dark sorcerer, Necrom, along with trying to destroy mankind and plunge the world back into The Dark Ages.

Lincoln: Yeah, and they need to be stopped once and for all, and put in prison for the rest of their miserable lives.

Me: And that spell Clara used in her new Destroyer of The Church of Necrom grimoire was really cool.

Clara St. Clarice: That's right, that spell I found in that book is used to imprison any member of The Church of Necrom in a black card with one of the Dark World Duel Monsters we were Gene-Slammed into with darkness and demons surrounding it, and the box I summoned also has a powerful spell I used and the spell will keep those imprisoned Church of Necrom members trapped inside the black cards and they're never getting out.

Nico: Awesome.

Lincoln: And I also have another awesome surprise for after we captured all of The Church of Necrom members, but I'm not going to reveal it until later.

Eli: Okay.

Lori: But, this also means, Damian Alaister will want revenge on us for what we just did to Jocasta Belladonna, but we're more than ready for them. Plus, it'll be awesome foiling their plans one by one, and with the Dark World Goth Girls back, this is really going to get those demon Goths really angry.

Luna: Big time, dude.

---

Later it was time for Nuju's second Ambassador Mission.

William: Anyone else want to go with Nuju? Besides Tyler Bowman and 2 Rabbids?

Crag: I think me and my brothers are more than willing to go for this.

Rip: Yeah it'll be awesome to rip some Dopants to pieces!

Chunk: Yeah it'll be so awesome.

Laney: Yeah!

Lincoln: Also me and my siblings will go with you guys too.

Me: Cool! It'll be awesome for Philip and Shotaro to meet you guys.

Nuju: It sure will.

Me: Yeah.

Nico: Okay then. Lets head out!

We were off to Japan.

We arrived in Japan.

Nico: Here we are guys.

Philip: Hey guys!

Shotaro: Awesome to see you all here.

Me: Same here Philip and Shotaro.

Nuju: Guys, meet the Loud Kids.

Lincoln: It's so awesome to meet you all. My name is Lincoln Loud.

Lori: I'm Lori and I'm the eldest.

Lily: And my name is Lily.

Nico: Yes their parents thought it would be cute if all their names began with the letter L.

Me: Yeah. (Whispers to Philip and Shotaro) They are also a family that doesn't believe in condoms.

They snickered at that.

Me: And meet the Ripping Friends.

Crag: It's a pleasure to meet you guys. We're the Ripping Friends, the Worlds most Manly Men. I'm Crag.

Rip: What's up? I'm Rip.

Chunk: I'm Chunk.

Slab: And I'm Slab.

Me: And here is the leader of the Supernoobs.

Tyler Bowman: Awesome to meet you. I'm Tyler Bowman.

Philip: Wow! So awesome to meet you all.

Nuju: Have you two found a way to put those Gaia memories to good use?

Philip: We're not as smart as you guys are unfortunately.

Me: We'll you guys are in luck. We actually recalibrated the Gaia Memories with our cutting edge technology and powerful magic that we made them safe to use for good. We also can make new W Kamen Riders with them too.

Shotaro: That is amazing!

Laney: It sure is. Soon we'll have enough Gaia Memories for everyone later.

Me: And on the big day when we all come to help you all out we'll have enough.

Nico: Yep. After we take down our main target here.

Eli: That's for sure.

Megan Kiraton: And it'll be awesome to kick some Dopant butt with them too.

Philip: That's for sure.

Nico: Yeah.

Philip: Nuju, how would you like to be a Kamen Rider for our team?

Nuju: I would be honored.

He gave Nuju a W Sengoku Belt and 12 Elemental Gaia Memory Chips. They are for Earth, Fire, Wind, Water, Tech, Magic, Undead, Life, Thunder, Time, Light and Darkness.

Nuju: Cool! Thanks Philip.

He put it on and it was going to be awesome.

Laney: This is gonna be cool.

Philip: Yeah. Crag I heard you and your brothers are very smart and strong. What do you do?

Crag: Well we have a lot of things we do. We rip the secrets of nature as well as build new technologies for all of humanity for their benefits. We do so many amazing things that it confounds the imagination.

Rip: Create weapons that dumbfound the undumbfoundable.

Chunk: Conduct scientific experiments that would sear the unquestioning eyeballs of the vast marching hordes of ignorant creatures we call homo sapiens.

Nico: They do all kinds of stuff that even Mother Nature herself would not like one big. But it really helps and benefits all of humanity.

Ryu: (sees the news) You guys might want to Take a look at this.

We saw on TV that 10 Dopants were running amok! They were Anomalocaris, Cockroach, Iceage, Bird, Liar, Violence, Arms, Invisible, Nightmare and Beast Dopants:

Me: There they are.

THUNDER LIGHT!

Nuju: Henshin!

He turned into THUNDER AND LIGHT W! One side of him was yellow and the other was white.

Nico: AWESOME!

Me: YEAH!

Philip and Shotaro: Henshin!

Ryu: Hen… shin!

CYCLONE! JOKER!

ACCEL!

They transformed and were ready!

Me: Time for some action! KIBAL LETS HOWL!

(THE WOLF AND THE MOON BY BRUNUHVILLE PLAY!)

I turned into Wolf Moon 🌙!

Me: Time for some buttkicking!

Crag: Come on fellas!

Ripping Friends, Luna and Lincoln: IT'S RIPPING TIME!

We went at the Dopants!

I faced Invisible Dopant!

Me: Lily Shirogane you are under arrest!

Invisible Dopant: Come and get me!

She went invisible.

Me: There's no escape from me.

I then turned on my infrared vision and I saw her plain as day.

Me: Peek-a-boo!

I slashed her across her eyes with my scythe and she screamed in pain as she was blinded and then I fired a wave of lightning and the Invisible Gaia Memory came out of her and I grabbed it.

Nico: Genzo Takamura you're under arrest!

Anomalocaris Dopant: Come and get me monkey!

Nico then SMASHED HIS FOOT RIGHT INTO HIS CROTCH!

Nico then fired a wave of lightning that got the Anomalocaris Gaia Memory out of him.

Philip and Shotaro: Now, count up your sins!

Philip and Shotaro hit Liar Dopant in his face and then Eli fired a wave of Force Lightning and electrocuted and got the Liar Gaia Memory out of him.

The Ripping Friends were punching and pulverizing Ikari the Cockroach Dopant all over the place with incredible fury!

Lincoln fired waves of lightning and got the Cockroach Gaia Memory out.

Violence Dopant was about to punch Ryu only for someone to grab his arm.

We saw that it was a black Kamen Rider with a white hat on! And it was SOKICHI NARUMI - KAMEN RIDER SKULL!

Sokichi Narumi: Pick on someone your own size freak.

POW!

He punched him down.

Nico: Is that!?

Me: Kamen Rider Skull!

Shotaro: Boss!?

Nico: Wow!

Me: (Speaking in Japanese) 鳴海荘吉さん、お会いできて光栄です。ちょうど間に合って、これらのドーパントのダッチバッグを降ろすのを手伝ってくれました。(Sokichi Narumi it's an honor to meet you and you arrived just in time to help us out in taking down these Dopant douchebags.)

Sokichi Narumi: Pleasure is mine J.D. Knudson. You have all done a great job taking care of things here.

Me: Indeed we have.

Shotaro: Boss?! Is that you?!

Violence Dopant: You?! But you're supposed to be dead!

Sokichi Narumi: Well I am not dead.

Linka fired a wave of lightning and got the Violence Gaia Memory out of him.

Shotaro: Nice.

Nightmare Dopant: Welcome to your worst nightmare, Toa!

Nuju: I already have many nightmares to deal with and it's not you.

He fired a blast of ice and froze him into it and Lee Loud fired a wave of lightning and got the Nightmare Gaia Memory out of him.

Lee Loud: Take that.

Me: We're going well.

Eli: Yep.

Tyler Bowman kicked the Iceage Dopant all over and Eli kicked him and fired Force Lightning and got the Iceage Gaia Memory out of him.

Bird Dopant: Polly wants to crack you!

Megan Kiraton: How about I make you crack birdbrain!

She flew into the air and sprinkled Bird Dopant with poison dust from her wings and he exploded all over and was smashed down and Megan fired a blast of lightning and got the Bird Gaia Memory out.

Nico: Almost there! One more to go.

Me: I'll take care of this one. Philip, Shotaro, you guys will love this one. PRISMBLADE!

I summoned my Prismblade Sword and put in the chips of Cyclone, Joker, Heat, Metal, Luna and Fang and it glowed with rainbow energy!

Tyler Bowman: Actually, the ones left are Cockroach, Arms, and Beast.

Nico: Then lets get them!

Lincoln fired a wave of lightning at Arms Dopant and got the Arms Gaia Memory out of him.

Linka fired lightning at the Cockroach Dopant and got the Cockroach Gaia Memory of out that one.

Lincoln: Yeah!

Tyler Bowman: NOW there is one left.

Beast Dopant: Take your best shot!

Me: With pleasure! ELEMENTAL FIRESTORM BLAST!

I fired a wave of elements and rainbow light and it hit Beast Dopant and he exploded!

KRABBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOMM

He was down and the Beast Gaia Memory came out and I got it.

Me: Yeah!

Nico: You 10 Dopants have Failed This City!

They were loaded into the Paddy Wagon and taken to prison to do some hard time.

Shotaro: Boss, not that it isn't good to see you. But I saw you die before my very eyes.

Sokichi Narumi: Well you can say that I was given a second chance.

Me: I didn't resurrect you.

Nico: Me neither.

Me: Hmm.

Eli: Very strange. But I sense that an outside force did.

We later came back.

May: Hey guys. How did it go?

Me: Really awesome and epic.

Rip: We really ripped them apart.

We told them everything and it was both shocking and amazing.

Laney: WHOA! That is incredible!

May: Next time, Eli Shane and Titanium Titan should go with you.

Nico: That's a good idea.

Nuju: Yeah it sure is.

Laney: Yeah!

I looked at my device and it showed that we have an hour and a half left before Krystella, Klay and the Rogue Players all kick the bucket.

Me: We killed a lot of time. We have an hour and a half before Klay and those dirtbags bite the dust.

Nico: Wow. 2 years have really flown by. Lets head to the Neptune Prison.

## NEPTUNE PRISON

We were walking through the halls of the Neptune Prison.

Nico: Can you believe it took two long years for it to come to this moment?

Me: I know! 720 long days from today! Man what a huge waste of time.

Nico: Yeah no kidding. Vypra remind me to have the curse time reduced to a month to 6 months.

Vypra: Noted. But this will be awesome to send those jerks off.

Sarah Gunnerson: Especially after how Krystella splashed me with pigs blood! YUCK!

Me: Yeah!

We arrived in the auditorium and we saw the 6 dirtbags tied to poles and every single one of the Chaotic Players were there including the parents of the jerks.

Me: Wow! Everyone including the jerks parents turned out for this.

Laney: Yeah no kidding! This is amazing.

We went up to them!

Maxxor: The 6 of you have caused so much damage to Perim before Team Loud Phoenix Storm came along. (to Klay and Krystella) You two have harmed both Chaotic and Perim with your cheating ways.

Me: Not just that but you really hurt Sarah by dumping Pigs Blood all over her and teaming up with Van Bloot and he is what we call the Starscream of Perim. Sarah smelled like a rotten pig carcass for days!

Laarina: (to Simon and his goons) And the four of you destroyed God knows how many locations that Tom and Kaz had to fake Tom cheating to stop you!

Me: And it's a good thing we fixed them too.

Nico: There's no honor in cheating!

Simon: SCREW HONOR! We were in this for the fame and power!

Krystella: But you goody goodies got in the way and ruined everything for us!

Klay: Yeah!

Codemaster Crellan: Had I known the damage you 6 would go out to do, I would've just banned you from Chaotic after your first 10 matches!

Eli: My thoughts exactly! But I wasn't with you guys when that all happened two years ago. I joined about a year and a half ago.

Codemaster Crellan: That's all right but they had so many great adventures in Perim.

Laney: We sure did. Some of the best ever.

Eddy: (to Klay and Krystella) And you two knocked me down when the others were getting the Codemasters after your pig blood stunt!

Nico: Yeah!

Me: And not only that but we should also thank you guys.

Simon: (Confused) What for?

Me: You summoned some of the Power Rangers Major Enemies and tomorrow is our big mission with Zenkaigers. Also thanks to you guys we killed 7 of them. You saved us the trouble of having to destroy them separately over the course of a long period of time. So thanks for that.

Simon: Uhh you're welcome.

Me: Good. But it still doesn't excuse the fact of your crimes.

I looked at my device and it showed only 15 minutes left.

Me: 15 minutes. Do you have any last words or requests?

Nico: You know what? I'm just gonna shoot myself in the head now. When I regenerate, it'll probably be at the part I'm waiting for.

Kuroto Dan: No. Don't waste your continues. Even if you are immortal.

Me: Kuroto he has the same kind of powers like Jack Jeebs has when the Men In Black blow his head off and it regrows back.

Laney: Yeah.

Me: Anyway do you guys have any last words?

Simon: Yeah we do.

Chaotic Jerks: KISS OUR FUCKING ASSES!

Me: Well fuck you too! (Looks at device) 10 seconds. 9… 8… 7… 6… 5… 4… 3… 2… 1… 0.

Then the cobra appeared and then bit them on their necks and they screamed in pain as it bit them and then they disintegrated into dust and were banished to the Black Gates forever!

Me: Good riddance to bad rubbish.

Rotwood: You realize that like me and my team the first time, you all could've just sped up the countdown by beating them up in their cells, right?

Nico's eyes widened at this.

Nico: FUCK!

Me: Well no matter. What's done is done. Besides both worlds now are finally rid of all of Perim's most dangerous enemies.

Nico: That's for sure. And it took 2 and a half years to get rid of them.

Lola: Boy it sure did. Good riddance.

Maria: Next time, it's just gonna be 6 months for the curse to kill someone.

Nico: Yeah I agree. 2 years is too long.

Vypra: I agree there.

We offered our condolences to the parents of the jerks and they accepted it and they had no idea that their kids would become like this. Jycella was finally free of her evil twin sister.

Maria: So, what do you guys wanna do now?

Me: Well do you guys want to enjoy the rest of the day at the beach in Goo Lagoon?

Nico: Good idea there.

Eli: Awesome!

Lola: Yeah!

We went back to the estate and we went to get ready.

---

GOO LAGOON

---

We were at Goo Lagoon.

[Patrick is running there wearing SpongeBob as a towel, and both are laughing. When they get there, he takes him off, then puts on his swimsuit]

SpongeBob: I thought you left your swim suit at home.

Patrick: No, I just didn't want to get it all wrinkled up. Last one in is a rotten egg! [runs over to the lagoon, laughing]

SpongeBob: Rotten eggs?! [runs over to Patrick laughing.]

Me: Ahh nothing like going to the beach before a big mission.

Nico: You said it pal.

Horsea: I love Goo Lagoon!

Maria: Me too! Sun, Surf and Sand.

May: I'm gonna go soak up some sun.

Me: Looks like EVERYONE is soaking up some sun too.

[Cuts to a scene showing a lot of people tanning. Nat Peterson takes out some tan accelerator]

Shubie: Honey.

Nat: Huh?

Shubie: You're not using that tan accelerator again, are you?

Nat: Oh, don't pretend you don't love it. [pours the entire thing on him, and he turns into a strip of bacon]

Me: Wow! You guys are really tanning up.

Eli: No kidding.

Horsea laid on Maria and snuggled into her one piece blue swimsuit.

Horsea: Ahh. This is the life.

Maria: You said it.

Then a man came up to Nat.

Craig: Good work, man! [Shubie gasps] I see you've read my book.

Nat: Craig Mammalton?

Shubie: The tannest man on TV?

We saw that he was a seal that had a really awesome tan.

Craig: [laughs] None other. [winks, then a large crowd surrounds him]

Sadie: Oh, look at those gorgeous wrinkles.

Craig: What, these? [shows off his wrinkles, then everyone cheers]

Nancy: Oh, and his skin, it's so leathery!

Craig: Well, I don't mean to brag, but, uh… [pulls some of the skin on his feet, revealing leather, and everyone cheers again]

SpongeBob: Who's Craig Mammalton?

Sandals: You don't know who Craig Mammalton is? He's like, so tan! Legend has it that his tan is so deep, that even his bones are a rich caramel brown!

SpongeBob and Patrick: Wow!

Patrick: His mother must be so proud.

Me: That is amazing.

Nico: Wow.

Craig: Please, people, please. There'll be plenty of time to admire my body this weekend, at my annual summer shindig.

Manaphy: Showoff!

May: Manaphy!

Manaphy: What!? He is so tan mama.

Me: Besides I think this party looks cool.

We went up to him.

Me: Craig Mammalton it's awesome to meet you.

Craig Mammalton: Wow! Team Loud Phoenix Storm it is such an honor to meet you all. I love all your adventures and they are some of the most awesome ever.

Me: Glad you like them Craig. Also we heard so much about your awesome tan. You really know how to turn yourself an awesome and amazing golden brown.

Craig Mammalton; Thanks. It's awesome.

[everyone cheers, then lines up to receive invitations]

SpongeBob: Wow, Patrick, an invitation to our first summer shindig! And here it is! [Craig won't let go]

Craig: Can I help you, little fella?

SpongeBob: It seems to be stuck.

Craig: Yeah, I don't think this is your type of party. I don't want to embarrass you guys… Hey, everyone, check this out! [everyone comes back]… but this party is for the pig-mentally gifted. [shows them the invitation]

SpongeBob: Must be this tan to enter.

Me: Wow that is a big tan.

Craig: And your skin is as light and smooth as a, well, as a baby's bottom. [everyone laughs]

SpongeBob: Why, thank you.

Patrick: We did put on a few extra coats of sun screen today.

SpongeBob: In fact, [gets a lot of sunscreen] it's time for another coat. [shapes it into a coat, and puts it on. Patrick also has a coat of sunscreen]

Patrick: We've gotta look our best.

Sandals: [hides it with a cough] Losers. [everyone laughs]

POW!

I punched Sandals in the face and knocked him down.

Me: I heard that Sandals! Shut up!

Nico: Yeah!

Eli: Lets get SpongeBob and Patrick tanned.

Stewie: I'm gonna hang with Brian at the Estate. I've been in this situation before.

Me: That's right we heard about this from Brian. Sorry that happened to you Stewie.

Stewie: No worries J.D. But I'm okay.

Me: Good.

Stewie went back to the estate.

We then turned Patrick's rock into a Tanning Bed.

SpongeBob: There, now that we've turned your rock into a tanning bed, we're sure to get tan enough for the party! Let's just test it out first to be sure. [places an apple in the tanning bed. He then presses a button on the outside which turns it on. He then looks at his watch, then turns it off. The apple is all dried out]

Me: Wow it works!

Both: Hooray! [both run around laughing]

Me: Yeah!

Patrick: Me first! Me first! [rips off his pants, revealing tanning shorts, then jumps on the bed. SpongeBob then turns it on, then off. Patrick has a really good tan. He then walks out]

Me: WHOA!

SpongeBob: Ooh, Patrick, how do you feel?

Patrick: Like one of those hip young old folks from a soda commercial. [scene cuts to real live-action old man named Don in a soda commercial]

Don: It's radical! [drinks it] Radical! [drinks it again] Drink it! [scene then cuts back to SpongeBob and Patrick]

Me: Boy Patrick you are a perfect shade of golden brown.

Lola: Yeah you are.

SpongeBob: My turn! [jumps in, and his pants and shirt vanish, revealing tanning shorts] Remember, Patrick, 15 seconds exactly.

Patrick: Gotcha, 15 seconds, give or take a few minutes.

SpongeBob: No, no, Patrick, 15 seconds exactly! It's really important… [Patrick turns the tanning bed on. Scene then reveals SpongeBob tanning] It's working! [gets a good tan also]

Okay, Patrick, I'm done. [no answer] Patrick? Patrick, you there? [Patrick is listening to music outside SpongeBob's house] Patrick?

Patrick: What? Did somebody say something? [a car with Shubie, Nazz, Evelyn, Sally, and Millie in it drives up to him]

Ladies: Hey, there!

Sally: Is that tan for us?

Patrick: What? [they bring him into the boat and they drive off]

SpongeBob: Uh, Patrick, it's time for me to get out! [begins to dry out]

Me: Oh this is bad.

French Narrator: (French Accent) Two hours later… [The boat then drives back up to Patrick's house]

Millie: Do you really have to go, Patrick?

Patrick: Afraid so. Bye, girls.

Ladies: Bye, Pat.

Nazz: Oh, he's so leathery. [Patrick turns off the tanning bed, then SpongeBob comes out, and he's "Sun Bleached"]

WE GASPED!

SpongeBob: [in dried out voice] Well, Patrick, how do I look?

Patrick: [screams] Oh, it's you. You don't look too good.

SpongeBob: What, what, what do you mean?

Patrick: See for yourself. [pulls out a mirror, and SpongeBob screams in horror]

SpongeBob: I must have been under the tanning machine too long! [cries, then Patrick pulls off some of his skin]

Patrick: Ew, what are you going to do?

POW!

I punched Patrick in the face!

Me: Patrick you dummy! You left him in there for two hours! You're lucky he doesn't have skin cancer or is burned to a crisp! Of course I don't think Sponges can get Skin Cancer.

Nico: Spongebob? You okay?

Me: Man SpongeBob you look really dried up. Totally irradiated.

Nico: Yeah.

Eli: I've seen this kind of thing before. He's Sun Bleached. He was tanned to the point where he was totally bleached by ultraviolet radiation.

Laney: Ouch.

SpongeBob: Man this is bad. I'll never go to the party like this.

I went over to him and touched him and he was completely irradiated and my hand was glowing in sunlight.

Me: Whoa! SpongeBob you were totally irradiated.

SpongeBob: Huh, now I'll never get into that party.

Patrick: Hey, that's quitter talk, mister! You're going to that party tonight! What you need, is a makeover!

Leni: Ooh! Can we give him one!?

Me: Leni this is not that kind of Makeover. We have to make him look tan.

[cuts to SpongeBob on a rock next to Patrick. Patrick uses a hose to make mud, while whistling, then puts SpongeBob in it. He then wipes the mud out of his eyes, then takes out a bag of Kelp Jerky]

Patrick: A little Kelp Jerky? Open wide. [puts two strips of Kelp Jerky on SpongeBob's teeth. Patrick then pulls out his armpit hair, screams, then puts it on SpongeBob's head. He then gives him a mirror] What do you think?

SpongeBob: [screams, then talks in his normal voice] I look… amazing! Time to go to the party! [cuts to them walking down the street. SpongeBob pats a baby in a stroller] Oh what a cute wittle baby. Cootchie-cootchie-coo.

Norma: Monster! [runs away, running over SpongeBob, then comes back and stomps on him then walks off screen]

Me: Okay that was not the brightest idea.

Patrick: Well, hey, buddy, looks like you could use an ice cream. [cuts to them in an ice cream palace. SpongeBob is eating a shake, then uses his tongue like an anteater's tongue to eat the cherry]

SpongeBob: Oh, yeah, that hit the spot.

Me: Good. Nothing like a little ice cream after relaxing in the sun.

Eli: You said it.

Horsea: Mmm! Delicious.

Patrick: [talking to cashier] One caramel sundae, please. [cashier gives him one, then he goes back to the table]

SpongeBob: Oh, I think you'll have to go to the party without me, Patrick. There's just no way I can get that golden brown in time. But that's no reason you shouldn't go. [Patrick throws some caramel on SpongeBob's face] Patrick, why did you…

Patrick: Can't talk, working.

SpongeBob: No, really, Patrick, what are you… [Patrick takes out a skim coat, smoothes out the caramel, then puts a cherry on SpongeBob's head] Ugh. I feel sticky.

I got SpongeBob off him.

Nico: Patrick, what are you up to?

Me: I think I see what he is gonna do.

I pulled out a brown paint strip and it was the perfect color.

Me: Wow! This is a perfect tan color.

Nico: Yeah! This will be perfect.

[Scene cuts to the Party. There is a long line, and Craig is judging the people's tans. He lets Gus in, then Evelyn comes up]

Craig: Nice job, Ma'am. Join the party! Ahem, but the baby's going to have to wait outside.

Evelyn: But he's the perfect shade of Tropical Toddler. [holds up a card to prove her point]

Craig: Yes, but… [Craig pulls down the hem of his shorts, revealing his behind left un-tan]

Evelyn: [gasps] Tyler! How could you?!

Craig: Now, don't worry, Ma'am, he can wait out here, with the other rejects. [throws him in a trash can, next do a dumpster filled with un-tan people]

Fish: Oh, no tears, son, we'll get in next year.

Craig: Next. [SpongeBob and Patrick walk up] Hey, hey, hey! Looks like you two took my advice! Nice job, gentlemen. Come on in!

We came up.

Me: Hey Craig.

Craig: Hey guys. You are more than welcome to join.

We went in.

Me: Thanks.

Fish: But they aren't tan!

Craid: Team Loud Phoenix Storm is the exception because they are my heroes.

Fish: Oh.

[scene cuts to the big party, where a lot of people are dancing]

Craig: All right, party people! It's time to roll out the portables. [some fish bring some tanning lights. Craig then sets the setting on the remote to "Golden". The people begin to dance. SpongeBob and Patrick dance too. Same with us. As SpongeBob keeps dancing, the tanning lights shine down on his caramel. His dancing starts to slow down]

SpongeBob: Oh, no! Caramel, hardening! Gotta get out of here! [tries to walk out, but the caramel hardens so much, he doesn't move.] [whispers] Patrick? Patrick?

Patrick: What?

Me: Uh oh.

SpongeBob: Can I get a little help here?

Patrick: Oh, sure thing, pal. Hey, everybody, make some room! [everyone stops dancing and makes a circle around him and SpongeBob] The floor's all yours! Knock 'em dead, kid.

SpongeBob: No, Patrick, I… [notices the people staring at him and laughs nervously. The caramel cracks a little bit, which reveals some light. Everyone gasps, then the caramel cracks a little bit more, revealing some more light, and then, the caramel breaks apart, which reveals a massive white blinding light.]

Me: WHOA!

I put on my shades.

Nico: That is bright!

Frankie: So bright!

Sally: Honey, look away! [Frankie's eyes melt and he falls down to the floor. SpongeBob laughs nervously]

Eli: Uh oh.

Fred: Nice job!

Harold: Your hideously white skin just ruined the party. I mean, look at you! Do you hug your mother with that skin? [everyone complains]

Me: SHUT UP! ALL OF YOU!

Tina: Can you believe this guy crashed your party? Craig? [Craig walks up to him]

Craig: I have seen this only one other time. (Bows to SpongeBob) It's the ultimate tan. He's… [pulls a strip from the invitation, revealing the color skin that SpongeBob has]… Sun Bleached. [all gasp, then Frankie puts his eyes back in his head, then gasps]

Frankie: Sun Bleached?!

Craig: This young man… This young hero, should be praised for his dedication to tanliness. [all cheer]

Me: Wow! We had no idea that being Sun Bleached was that amazing.

Craig: Oh it is. And SpongeBob is an amazing tan guy. If you guys are feeling it, we should all follow in his footsteps. [all cheer again] Frankie, crank it up! [Frankie uses the remote to put the lights on "Bleached". Everyone dances, then the scene goes up]

French Narrator: Two hours later. [pans back down, revealing that everyone is dust]

But we are unfazed by the tanning lamps.

SpongeBob: Hey, Patrick. Do you think that maybe too much sun is a bad thing? [the wind blows the dust away, so now only their eyes are there]

Patrick: Whatever. I just go with the flow.

Nico: Well, that happened.

Me: Yep. Too much sun.

I shut off the lamps.

Me: Okay I think you guys have had way too much sunlight.

I fired waves of water and restored them.

Me: Guys too much sun is really bad for you and it can cause Skin Cancer. 5,400 people die each month from Skin Cancer and it is not a pretty sight. Too much sun is a bad thing.

Nico: That's right.

Eli: Listen guys we know you like being at the beach but being in the sun too long like this can cook you guys to a crisp. And you guys are not bleached at all. You guys are burned all over.

They were REALLY BURNED! They had glowing neon red burns all over them and they were really sizzling.

Lola: Ouch.

Nico: It's a good thing Stewie and Brian stayed at the Estate.

Me: Yeah. Thank goodness for that.

Varie: But good thing I came prepared for this.

Varie pulled out some Aloe Vera gel and put it on everyone.

Varie: Uhh you guys are not going to like the sight of what is going to happen next.

Me: Peeling skin right?

Varie: Yep.

Poliwag: Should we look away?

Me: It's gross.

The fish then started crack and peeling and it was really gross and their burns were healed and more.

Nico: This is what happens whenever you get sunburned and it heals. You peel.

Nat: Oh.

Edd: Believe me guys I know how you all feel about too much sun. I forgot my sunscreen and I was really burned all over while we were waiting for Kevin to leave.

Linka: Ouch! Double D that must've really hurt.

Edd: Oh it did Linka.

Ed: I am a lizard! Oink oink oink.

Eddy: Shut up Ed.

Me: Also Lizards don't go oink.

Camie: Varie sure is a smart woman.

Me: And that's why she is a great healer too.

Poromon: Nico, which Gene Slammer do you think you'll meet on your next rescue?

Nico: I'm hoping to go meet a gene-slammer for a Fire Serpent this time.

Shanan: Wow! That's a new one.

J.D. 2: This will be cool to see how that plays out.

Me: A gene-slammer that's made from a snake made of pure fire.

Shanan: Yeah. And like the one we saw on Lincoln's rescue. That was a snake called a Xiuhcoatlnean. They are Star Fire Snakes that come from certain stars and anything they touch burns on contact with intense fire.

Lincoln: Whoa! So that explains why Dutch Fallon believed it to be a god.

Nico: Yeah but that is cool.

Shanan: Yeah and they have the power to use fire too. They also have the power to possess people like spirits and make them burn anything in their path.

Nico: Whoa! Lethal and dangerous.

Laney: Yeah. So it's one of the fire users going next.

Me: Yeah. (To the viewers) Remember this folks: Being outside in the sun can be fun but you have to be careful when outside in the sun. Being outside too long can burn you real bad without sunblock. Skin Cancer kills 5,400 people a month and it's bad.

Nico: It sure is. Now lets get ready for tomorrow. We have a big day tomorrow.

We nodded and went back home and enjoyed the rest of the day and went to sleep.

Meanwhile in Japan, the Zenkaigers were getting ready to meet us.

Kaito: I'm so ready for this guys! We're going to meet Team Loud Phoenix Storm and we're going to take down a dangerous enemy of ours.

Zocks: We sure are excited for it too.

Kaito: We sure are. This is gonna be awesome. Lets get ready guys!

Zenkaigers: ZENKAI CHANGE!

In a bright flash of rainbow light they transformed and the screen was rainbow color.

TO BE CONTINUED!

In the Early Morning Hours at 1:12 AM, I was fast asleep in my bed and I was dreaming. In fact me and Nico were both in the same dream.

Nico: J.D.? What's going on?

Me: I think we're in the same dream Nico.

Nico: Cool! What are the odds of that?

Natilee appeared.

Natilee: I called you both for an awesome adventure.

We were then taken to the beach and we were in tropical clothes.

Me: Nice!

Nico: So it's at the beach this time.

Me: Yeah!

We walked around and we were really seeing lots of stuff. We saw beautiful girls in gorgeous swimsuits and the ocean was beautiful and crystal clear.

Nico: So beautiful.

Babe: Hey J.D.

Me: Hey ladies.

Nico: What's shaking?

Then 3 Bikini Babes came.

Me: Well hello ladies.

Hayley Saraton: Awesome to meet you J.D.

Gia Lola: My name is Gia Lola and this is Hayley Saraton and this is Penelope Logan.

Hayley Saraton: Charmed.

Penelope Logan: A Pleasure.

Me: Likewise.

Nico: Awesome to meet you girls and you girls are all very sexy. Rawr.

They giggled.

Gia Lola: And we have two more friends too.

We looked out to the ocean and we saw 2 mermaids. One had black hair and the other had blond hair.

Niara: Awesome to meet you J.D. My name is Niara and this is my little sister Liana.

Liana: Hey there.

Me: Awesome to meet you.

We had a nice talk and later they were placed into the team. I woke up at 8:10 AM and told everyone everything and it was cool.

Later it was time for Nico's Rescue and flying through the voids of space was Nico, Kimiko, The Goths of Darkness, Applejack, Apple Bloom, Twilight Sparkle & Friends, Rachel Stavenport, Carol Pusateri, May, Maria, Varie, me, Eli, Arrietty, Aylene Carter, Littlefoot and friends, Fu, Nicole Knudson, Kaina Tsutsumi, Camie, Kaoruko Awata, Himiko, Ibara, Toru, Sirius, Tsuyu, Ochaco, Momo, Lincoln, Laney, Lana, Lola, Lisa and Lily and we were heading to a really strange planet.

Nico: I wonder what planet we're going to see this time.

Sirius: It might be a food planet.

Tsuyu: If it is I hope it's a cool one.

Rachel Stavenport: Me too. This will be awesome to see.

Himiko Toga: It sure will and I hope it is as fun as all the other planets we were at.

Nico: I have a feeling it will be awesome.

Varie: Yeah it will.

Nico: Thanks for coming with me, Kimiko.

Kimiko: No problem Nico. It's always so fun to go on awesome adventures with you. But I'm honored to go with you on a great rescue.

Momo: It's always fun going on an awesome rescue.

Me: Boy I'll never forget the day we first met you guys.

Nico: We were just starting to collect Shen Gong Wu back then

Me: Boy we sure were and they are absolutely amazing.

Kimiko: And there are also so many of them too.

Camie: What are Shen Gong Wu?

Me: Powerful mystical and legendary artifacts that have been around for a long long time.

I went over their history and what they were about.

---

Shen Gong Wu (聖功武 Shèng gōng wǔ, lit. "Divine-made weapon") were powerful magical objects, each with a unique power, created by Grand Master Dashi.

The Shen Gong Wu are powerful magical artifacts created 1500 years ago by the Xiaolin Grand Master Dashi as a means to combat the powerful dark magic of the evil Heylin witch, Wuya. After Wuya was defeated, reduced to a disembodied spectral form and imprisoned within a puzzle box, Dashi had the Shen Gong Wu hidden all over the world.

The Shen Gong Wu come in a vast variety of shapes and sizes, each one having a unique magical ability. These abilities can range from granting superhuman powers, like super strength and x-ray vision, to the generation and manipulation of natural elements, to the Wu itself coming to life to fight on the users behalf. Some Shen Gong Wu even function as vehicles. A Shen Gong Wu's power is activated by the user calling out the Wu's name.

Notably, some Shen Gong Wu are one of a pair, known as sister Shen Gong Wu. While these Wu can be used individually, they can be ineffective, or even dangerous to use without their counterpart.

After Jack Spicer inadvertently freed Wuya from her puzzle box prison, the Shen Gong Wu were unbalanced and began activating one by one over a long period, and both the Xiaolin and Heylin sought them out. Both sides had ways of detecting their activation and tracking them down. The Xiaolin Warriors had Dojo Kanojo Cho, the mystical dragon that once served Dashi himself, and the Heylin villains had Wuya. Wuya grew more powerful with more Shen Gong Wu, so the Xiaolin Dragons-in-training had to collect as many as they could to stop her.

In the event that two warriors reached a stalemate over who would claim a Shen Gong Wu, then the Wu would go to the winner of a

Xiaolin Showdown.

The Shen Gong Wu also appeared to have the capacity to grow and shrink. When Cyclops had the Wings of Tinabi, they grew for him so he could use them and shrunk for Omi when he was incredibly small, but the Jetbootsu did not grow for Cyclops when he tried to put them on, additionally the Shroud of Shadows was able to grow often (like when Omi hid Dojo's giant wooden cage) but it did not grow for Kimiko when she became a sumo wrestler, showing that they do not grow when wagered.

Although incredibly powerful, the Shen Gong Wu had limits, and sometimes even ran out of power or just broke altogether. The Silk Spitter once ran out of silk (but only for about 10 seconds), the Golden Finger could only pause objects temporarily, and the Shard of Lightning only let the user move as fast as the speed of light for as long as the flash of lightning. The Shen Gong Wu were very durable and difficult to break but they had been broken on occasion. The first Wu to get broken was the Reversing Mirror which was destroyed by Wuya's powerful magic (however it was also fixed after she was defeated), then the Mosaic Scale dropped by Kimiko, the Hodoku Mouse fell into lava, the Silver Manta Ray crashed in the Yin-Yang World and the Sands of time were vaporized by Hannibal Roy Bean. Wuya also commented on Jack's cousin Megan breaking the Ju-Ju Fly Trap.

---

When I was done they were amazed.

Sirius: WOW! That is incredible.

Laney: It sure is and the power they have is so amazing that they can cause a great amount of damage if they fall into the wrong hands.

Me: Yeah. The forces of Good and Evil have been clashing over them for over 1,500 years and it's not good. What's ironic is that Wuya and some of the Heylin members are now in the

Masters Of Evil.

Nico: Yep that's true and many more are still out there. And most of them are either dead or in prison.

Eli: That is so amazing.

Nico: By the time we met you guys, Jack Spicer was in hiding.

Kimiko: I remember that. That was amazing. And he helped us all from the shadows.

Me: He sure did. That was awesome. And it was an awesome honor to have you guys help us all on the team.

Lola: It sure was and we learned so many awesome techniques from you too.

Brittney: We sure did.

Toru: Who is the most evil out of all the Heylin Members?

Me: That is an easy one. It's someone that I absolutely despise and loathe with every fiber of my being and I want him to suffer the worst kind of death ever known. His name is Chase Young.

I went over his history.

---

Chase Young was a renegade Xiaolin monk turned evil in exchange for superhuman strength and immortality. Chase was once a former Xiaolin Warrior and a near-Xiaolin Dragon until Hannibal Roy Bean came along. Chase served as a continuously impending villain to the Xiaolin monks.

At one time, Chase was on the side of good; however, Hannibal Roy Bean told him that he could only achieve his destiny as the greatest warrior of all time on the Heylin side. Hannibal showed a fake hologram of Chase Young's best friend, Master Monk Guan, in which Guan claimed that soon Chase Young would "stand in his shadow." This convinced Chase to drink the Lao Mang Lone Soup, which drained him of most of his good chi, gave him eternal youth, enhanced his strength, and provided him with the ability to transform into a lizard at will. The main ingredient in the soup is a dragon.

But Chase, so overwhelmed by his new power, betrayed Hannibal Bean and sealed him in the Ying-Yang World for many years. Chase has lived for so long that he has been around the world. Wherever he went, he defeated great warriors. Whenever he defeats a warrior, Chase takes control of their chi and their physical form, transforming them into a legion of "Jungle Cats". The Jungle Cats were lions, tigers, and panthers, but on Chase's command, retake their human form, or other forms such as birds. Chase can give these animal minions any command by simply snapping his fingers. Season Two

He first met the monks when Master Monk Guan traded Dojo for the return of his Spear of Guan. Chase wanted the dragon to be an ingredient to make his Lao Mang Lon Soup. However, when the monks came to rescue Dojo, they were no match for the villain, until Master Monk Guan returned and defeated Chase in a showdown. Chase honored his defeat and let them all go since he gave his word that he would let them go should he lose.

Throughout the rest of the season, Chase Young showed to be a most formidable foe for the young monks and an idol for the "Evil Boy-Genius," Jack Spicer (much to Chase's disgust). He used Jack as a pawn in most of his plans, despite his hatred towards the presence of the wannabe world conqueror. Chase takes an interest in Omi to where he even allied himself with Wuya in his grand plan to turn Omi to the Heylin Side.

Now it was time to put his plan into action; he sent Master Fung into the Ying-Yang World so that Omi would go into the Ying-Yang World with the newly revealed Shen Gong Wu, the Ying Yo-Yo. He did this so that when Omi returned he would have left behind all his good Chi and turn evil, plunging the world into 1,000 years of darkness. His plan worked out perfectly.

Now that the world was his, and Omi was turned to the Heylin Side, he returned to the Xiaolin Temple for Wuya to get the Serpent's Tail and the Reversing Mirror, so that he could restore her to her human form. However, when he returned her to her human form, he did not release her god-like powers; for if she were to gain them, she would be more powerful than him. The reasons why he returned her to her human form, and how he managed to do this without restoring her powers is currently unknown, although he did regard her as a worthy partner in evil.

Unknown to Chase, the monks traveled to the Ying-Yang World to get Omi and Master Fung's chi, which would make them good again. They succeeded in this mission. However, to their disappointment, Omi, in his evil state, had sworn his loyalty to Chase. Therefore, he turned him into one of his slaves as a Jungle Cat, and with Omi's power combined with his own, Chase was able to become even more powerful than before.

The world was his and the monks were without hope since the Chi Creature was unleashed upon the earth and had taken their Chi. However, Dojo and the now Good Jack Spicer went back into the Ying-Yang World to get back their Chi and bring them back in Chase's Palace, where the monks challenged Chase to a Xiaolin Showdown for Omi's freedom. The monks succeeded, and the world was returned to normal, including Omi's freedom.

Now through most of the season, Chase lived in his palace with Wuya, and the pair worked together on many occasions. However, when Hannibal Roy Bean returned, Wuya sided with him to make a plan to destroy Chase during the Heylin Eclipse, but they failed and Wuya and Hannibal parted ways. She also teamed with Jack occasionally to try and gain more Wu. Sometime after these events, Chase and Wuya decided to stay together "for the sake of evil," and joined the other villains at the standoff in the last episode.

Omi decided to go back in time to try to stop Hannibal Bean from turning Chase Young to the Heylin side. In this alternate present, Chase Young was the trainer for Omi, Raimundo, Kimiko and Clay, but they were in poor condition with few Wu because of various encounters with Wuya and an evil Master Monk Guan (who was deceived by Hannibal). Omi came to realize this plan did not end up working out for the best, and therefore the timeline was changed back to its original history (with Chase Young on the Heylin Side); this was achieved with the help of Chase Young to free Omi, Raimundo, Kimiko, Clay, Dojo and Jack Spicer from the cage. Despite this, Omi still seems to have hopes of returning Chase back to the side of good.

Sometime after the events of the final episode, Chase understood that it would be easier to defeat the Xiaolin if he had some help. So he turned one of his ribs into Shadow. Shadow became Chase's apprentice and he passed his knowledge to her to become more and more powerful.

After some months Chase sent Shadow to the Xiaolin Temple. Shadow transformed into a sweet girl that seduced the boys of the temple. That way she managed to learn where the vault was and which was the combination of it. Chase stole all the Shen Gong Wu, defeated Master Fung and destroyed the Xiaolin Temple. After that, one of Chase's plans failed, because of Jack's stupidity and he cooperated with the monks to help him fix the problem. Later, he transformed Raimundo, Kimiko, Ping Pong and Clay into cat warriors. However, his mighty plans to conquer the world with Raimundo, Kimiko, Clay and Ping Pong failed when Omi won a Showdown and he took back his friends' freedom. After that, Chase seemed to be interested in Tigress and wanted to make her his ally, which made Shadow jealous.

When I was finished everyone was shocked!

Camie: That guy wants to destroy the entire universe!?

Tsuyu: And he lived for over 1,500 years to get the power to do so!? He's pure evil!

Me: Yep. And I hold the one thing that can kill him. My poisonous blood.

Nico: Yeah and we're going to make sure he pays for his crimes big time.

Me: Yep.

Nico: Kimiko, you also managed to reunite with Carly Douglas after some time.

Kimiko: I sure did and it was so awesome to see her again too.

Me: Carly Douglas is an awesome member of the team and she in a sense is also a husky gene-slammer. And you guys know how much I love huskies.

Laney: We sure do. Such beautiful dogs.

Lana: I love them too.

Tsuyu: Huskies are so cute too.

Me: Yeah they sure are.

Lily: Yeah.

Nico: But it was Kozak who turned her into a dog.

Me: Yeah that jerk made her that way. Whenever she gets high levels of stress she turns into a dog.

Tsuyu: That's awful!

Fu: Yeah it was. It was terrible.

Nico: No kidding! But we gave that jerk what for.

Lola: Thank goodness we did.

Me: I agree too.

Nico: Of course, it was her dad that got the dog treatment first when Kozak first made his move.

Me: Yeah.

Camie: That was awful.

Me: But I think Doug is really cute as a Bearded Collie too.

Eli: Rebecca is amazing as a Golden Retriever.

Me: She sure is. The only one that is unaffected out of all that is Carly's brother.

Lola: Yeah no kidding.

Kimiko: To be honest I like Carly as a husky myself. She can do many things in the winter for long periods of time. Also Exile likes her too. They started dating.

Me: That is awesome! How do you like that. Anthropomorphic Husky and Husky Gene-Slammer.

Nico: Awesome couple title.

Lola: Yep.

Lucy Loud: I think it's amazing.

Nico: Don't forget Carly's mom.

Me: Yeah she is still married to Doug. But she is really cute as a Golden Retriever though.

Lola: You said it.

Me: Nico are you really excited for today? We get to meet the Zenkaigers today.

Nico: I sure am and I have been really looking forward to this mission ever since we met the Zenkaigers in March.

Me: Me too! Zarya has been really looking forward to this one.

Lola: So have I! This is gonna be so awesome and cool!

Maria: Yeah it was! And it was one of the most awesome and most epic ambassador missions ever for all of us.

Rainbow Dash: Yeah it was! Zarya did an amazing job on those missions.

Me: We all did and it was really cool facing those World Monsters too. They were really powerful and cool.

Laney: They sure were. And I have a feeling this is gonna be the most epic out of them all.

Me: I have awesome plans for this one when we face our primary target.

Nico: Like what?

Me: You'll see Nico. They are gonna be great.

Nico: But I have a feeling that the big target might make a tempting offer to you.

Me: And I'll tell him to fuck off.

Eli: Yeah!

Me: But I want to hear what it is first before I tell him that.

Nico: Okay.

We arrived at the planet.

Nico: Here we are.

The planet looked like a forest planet and the rivers, lakes and oceans were all golden yellow.

Nico: Wow! This will be awesome.

We went down to the planet and we saw that the planet was really a massive and really incredible apple orchard and the lakes and all that were apple cider! The forests were trees with every apple known to the world and even zap-apples!

Me: WHOA!

Nico: The entire planet is one ginormous apple forest orchard and the lakes and water are made of apple cider!

Applejack: YEEHAW! This is my kind of planet!

Apple Bloom: Yeah it is! Wow!

Nico: Is it safe to eat the zap apples now?

Applejack: Yes it is.

We picked some and we bit into them and we ate them and we got a massive and power supercharge!

Me: WHOA! THIS IS POWERFUL!

Lincoln: WOW! I feel amazingly supercharged!

Rainbow Dash: How awesome is this!?

Nico: Yeah!

Tsuyu: (Eating a bunch of apples) Wow! These apples are delicious!

Eli: (Eating granny smith apples) Mmm! They sure are.

Nico: Boy Applejack your family would love this planet as a second home.

Applejack: Boy howdy they most sure would.

Kimiko: So, NOW, they don't zap us?

Nico: It's because they are ripe and ready.

Kimiko: Oh.

Nico: Yeah but this is really cool

Eli: It sure is.

I grabbed a cup and drank some of the apple cider and so did Rainbow Dash and Fluttershy. We drank it and it tasted really awesome.

Rainbow Dash: So awesome!

Me: Boy this is really delicious apple cider too.

Eli then sensed something.

Kimiko: Eli, do you sense anyone nearby?

Eli: I sure do and it's not good! The Force is telling me that we have a Sith Lord here.

We gasped!

Me: Oh boy. I have a feeling this is gonna be powerful.

Eli: I'm afraid that this Sith Lord is not good. It's someone that we're not going to like.

Laney: Who is it?

Eli: It's… It's Rey!

We gasped!

Me: Wait a second! I remember seeing a version of Rey that Rey saw in a vision she had. That was horrifying!

Nico: Yeah it sure was!

Eli: She is in a clearing just behind those trees over there.

We saw the clearing through the trees.

Nico: Lets go.

We then arrived in the clearing.

Me: Wow.

Kimiko: We know you're here!

Eli concentrated and then he fired a blast of Force Lightning and it hit a figure and we saw on the ground that it was DARK REY!

She was the example of what would have happened if Palpatine got through to her and corrupted her like he did to Anakin and turned him to the Dark Side of The Force!

Nico: Oh shit!

Me: Oh fuck me sideways!

Laney: At least this is not the Rey we know.

Nico: Rey. Why? Why would you fall for the lies of Palpatine like this? Why?

Dark Rey: (British Accent) Because he is my grandfather.

Me: We already know that part. But why?

Dark Rey: Because he showed me a true utopia under him without the Jedi. I am now all the Sith in one.

Me: That is bullshit and you know it. Without the Jedi there will never be peace.

Nico: Palpatine's dead anyway!

Me: And we killed him!

Lana: Palpatine was a monster!

Me: Yeah! He didn't give a flying fuck about anyone but himself! He treated his own Sith Lackeys like garbage and whenever they don't do what he said he just tossed them aside like worthless pieces of yesterdays garbage!

Eli: Yeah that's right!

Fu: Palpatine was a liar and an absolute monster! He would kill you after you did his bidding!

Dark Rey: Then show me that you are right!

She ignited her red double bladed lightsaber.

Me: So be it.

Eli, Nicole, me, Nico and Lincoln ignited our lightsabers. But then…

KRABBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOMMMMMMMM

A fireball appeared out of nowhere and hit Dark Rey in the back and exploded in a massive wall of fire! Dark Rey had a massive burn on her back and it hurt like a son of a bitch. Then out came a snake made entirely out of pure fire!

Nico: WHOA!

Me: A Xiuhcoatlnean!

Eli: Wow!

Dark Rey: This monster surprised me!

She fired a blast of Force Lightning at it but it had no effect on it!

Xiuhcoatlnean: (In a girls voice) You are making all Jedi look bad.

Nico: That voice. Hanika Kobaiyashi!?

Xiuhcoatlnean: Awesome to see you again Nico.

She jumped and reverted back to a girl with orange hair and orange clothes and she had orange eyes. Then she ignited an orange blade lightsaber.

Hanika Kobaiyashi: We can catch up after we take this bad bitch down.

Eli: Lets do it!

Me: Yeah!

Nico: How long were you carrying that?

Hanika Kobaiyashi: Found it on the ground of one of the planets where some of the big battles were held. It was the battle of Geonosis.

Nico: Wow!

Hanika Kobaiyashi: Yeah. And I had a secret tutor in the ways of the Force.

Hanika spread orange angel wings and flew into the sky and then fired waves of fireballs from her hands and they hit Dark Rey all

over.

KRABBBBBBBBOOOOOOOOOOOOOOMMMMM!
KRABBBBBBBOOOOOOOOOOOOOOOOOOMMMMMMMMMMM!
KRABBBBBBBBBOOOOOOOOOOOOOOOOOOOOOMMMMMMMMMM!

Nicole: YEAH!

Kimiko fired blasts of fire and they smashed Dark Rey all over and knocked her Lightsaber out of her hands.

Dark Rey was defeated and we tied her up and arrested her.

Me: You know you would make a great member of the Masters of Evil. We just have to find the right archenemy for you.

Nico: Consider this an act of mercy we can give you. Because you're a pawn in Palpatine's grand quest to destroy the universe.

Eli: That's right. You should count yourself lucky that we didn't kill you.

I teleported Dark Rey to M.O.E. HQ.

Kimiko: What's your favourite memory of Nico?

Hanika Kobaiyashi: I have a lot of them but I am an explorer and a treasure hunter.

Nicole: Cool! I am too.

Hanika Kobaiyashi: That's what I heard! It's gonna be awesome having awesome adventures with you. But my favorite memory was where me and Nico went to Japan and we found a really amazing and ancient treasure in a temple that is said to have a really big history behind it. It was a temple that was home to the Tome of Gaora. Legends state that this was the Tome that carried the history of Animarium and how it homed many Wild Zords and how many of them there were.

Nicole: Wow! I've been searching all over Japan for that book. It is a really amazing and detailed history. It deals with the history of the

Gaorangers.

Eli: That is really cool.

Nico: It sure is.

Nico and Hanika hugged.

Nico: I really missed you.

Hanika Kobaiyashi: Me too Nico. Me too.

Nico: This was a really cool and awesome rescue.

Applejack: YEEHAW! Yeah it sure was.

Lola: And on a really awesome planet of Apples.

Laney: No kidding.

Me: Rey is not going to believe what we encountered here.

Lola: She is going to flip.

Lana: No kidding.

Nico: Well lets head home.

I snapped my fingers and beamed the Apple Planet to our solar system and we later went back to Earth and told everyone everything. And it was REALLY SHOCKING! Rey was shocked too! She couldn't believe that there was a Dark Side version of herself and how she would become like that.

---

After Nico's rescue, Lincoln, Me, Nico, Eli, Nicole Knudson, Lori, Leni, Luna, Luan, Lynn, Laney, Lucy, Lana, Lola, Lisa, Lily, Lincoln's harem, Sherlock Hound, Noctis Lucis Caelum, Gladiolus Amicitia, Ignis Scientia, Prompto Argentum, Stella Nox Fleuret, Ravus Nox Fleuret, TLPS Mr. Wolf, TLPS Mr. Piranha, TLPS Mr. Snake, TLPS Mr. Shark, TLPS Ms. Tarantula, Heathcliff, Sonja (Heathcliff), Riff-Raff, Hector (Heathcliff), Wordsworth, Mungo, Cleo, Leroy, Crash

Bandicoot, Coco Bandicoot, Aku-Aku, The Quantum Masks, Alternate Tawna, Spyro, Cynder, The Ghostforce, Rayman, The Louds' Scottish Ancestors, The L-ementals, and Kaz are heading to a planet made entirely out of Egg Nog, and not only is Lincoln going to rescue the nine girls there, but we got word that Sinclair T. Sharp, along with Michael and Michelle Malloy have returned from the dead and they still want revenge on us.

Lincoln also called in Sam, Simon, Cody (OC), and Tony and Amanda Sharp to join in, since they heard the news Sinclair T. Sharp, along with Michael and Michelle Malloy have returned from the dead, and Timmy Turner also joined us, because his Dad is here.

Lincoln: Wow, we're here on a planet made entirely out of Egg Nog, and I know what we're going to do here, not only am I to rescue the nine girls there, but we got word that Sinclair T. Sharp, along with Michael and Michelle Malloy have returned from the dead and they still want revenge on us.

Nico: I thought we were finally rid of those three murderous assholes two years ago.

Me: Looks like they refuse to still even take a hint.

Lincoln: Wait, J.D., if this is just like what happened with Evil Plankton yesterday, this means Sinclair T. Sharp, Michael and Michelle Malloy have been brought back by another member of The Church of Necrom.

Nicholette Torrington: I was just about to say, Linky. But, we'll get rid of those bloodthirsty, evil, and murderous racists and white supremacists, and we'll give them The Black Gates.

Lincoln: That's right, Nicholette. And I want to thank you, Sam, Simon, Mr. and Mrs. Sharp, Cody, and Timmy for joining us, Kaz.

Kaz (Chaotic): You're welcome, Lincoln.

Sam: Those three have caused us more than enough grief for the last time, and we're going to make sure they suffer greatly before we give them The Black Gates.

Tony Sharp: Seems as though not even getting sent to The Warp wasn't enough to keep those three down, but they won't be free for much longer.

Amanda Sharp: They'll pay for what they did in killing us and torturing and abusing our kids.

Cody (OC): Not to mention killing my parents long ago when I was little.

We traveled through the planet and we saw the islands, and they were made of cinnamon sticks. Then, we saw Timmy's dad drinking and guzzling Egg Nog all over.

Timmy's Dad: Hi, Timmy!

Me: Mr. Turner, what are you doing here?

Timmy Turner: Oh man, I should've known Dad would be here since he goes crazy for Egg Nog when Christmas comes.

Lincoln: Whoa, and I've never seen anyone drink or guzzle that much Egg Nog.

Nico: Dang.

?: HEELLLLPPPP!

Suddenly, Lincoln heard the sound of nine girls calling for help. With his deep sapphire blue cyborg eyes, rainbow colored iris of his Third Eye, the Force, and his superhuman sight, along with sensing energy signals, he saw and heard exactly where the call for help was coming from. He saw the nine girls, but they've been cornered by Sinclair T. Sharp, Michael and Michelle Malloy, and they're going to kill them. Lincoln also saw that Sinclair T. Sharp, Michael and Michelle Malloy had the symbol of an inverted pentagram and on top of it was Necrom on their foreheads, and this meant one thing: The Church of Necrom indeed brought them back, and they're also accompanied by an army of Lightning Demons.

Lincoln: Guys, I found the nine girls, but they've been cornered by Sinclair T. Sharp, Michael and Michelle Malloy, and they're going to kill them, and there's also something very disturbing: I also saw that Sinclair T. Sharp, Michael and Michelle Malloy have the symbol of The Church of Necrom on their foreheads, and this meant The Church of Necrom brought them back, and they're also accompanied by an army of Lightning Demons.

We gasped in pure shock.

Celine Wendova: Those assholes really crossed another line bringing those bloodthirsty, murderous, and evil white supremacists and racists back! And that army of Lightning Demons, there's only one witch in The Church of Necrom who's able to summon Lightning Demons: Jezebel Lanira.

Lincoln: Should've known that insane witch was behind this.

?: (Scottish Accent) Let's get those bloodthirsty evil white supremacists and racists.

Suddenly, we saw the Arcana Force 0 - The Fool appear before us.

Nico: Wow, that's the Arcana Force 0 - The Fool, and the last of The Arcana Force Gene-Slammers.

Lincoln: And I recognize that Scottish accent from anywhere, I knew it was you, Melanie McPherson, but we'll have to talk later, let's put a permanent end to Sinclair T. Sharp, Michael and Michelle Malloy, along with Jezebel Lanira's army of Lightning Demons.

We rushed on over and Lincoln fired rainbow energy balls and elemental forces at Sinclair T. Sharp and Michael and Michelle Malloy, and Lincoln fired red blasts of Uxtixtian Lightning, and as they hit the Lightning Demons, Lincoln sucked out and absorbed all of the lightning from them, as he gained a massive power boost and the Lightning Demons disintegrated, and that allowed the nine girls to get to safety. When Sinclair T. Sharp and Michael and Michelle Malloy saw us, they were pissed off, and so were we.

Lincoln: Should've known you three monsters would one day return from the dead yet again.

Michael Malloy: We will kill every last one of you for killing us!

Sinclair T. Sharp: And we will destroy everything on Earth!

Tony Sharp: Don't even think it, you psychopathic racist!

Suddenly, Sinclair T. Sharp and Michael and Michelle Malloy saw Tony and Amanda Sharp, and their faces turned white as ghosts!

UH OH!

Michelle Malloy: No, that's impossible, we killed you both!

Amanda Sharp: You did, but my daughter and Luna saved us both from the Aparoids, and you've had this coming for a very long time, you ugly witch!

Luna and Sam: And now, it's time for you three to die once and for all, and this time, stay dead!

Lincoln: This is the last time we ever have to deal with you, Sinclair T. Sharp, Michael and Michelle Malloy!

Lincoln unholstered his massive Hinon's Cosmic Storm Sword of Universal Hope, Elemental Bravery, and Unbreakable Eternal Bonds from his wider and muscular back, and transformed into Super Angel-Ebonwu-Thunderbird Eternity Infinity Elemental Thunderbird Buffalo Angel of Universal Justice and Elemental Hope, which became even more stronger than ever, along with all his other Super Angel forms, TLPS Mr. Wolf transformed into his Super Angel Eternity Infinity form and the rest of The TLPS Bad Guys Gang transformed into their Super Angel Eternity Infinity forms and they unholster their massive swords, Lincoln's sisters transformed into their Super Angel Infinity forms and unholstered their massive swords from their backs, Lincoln's harem unholstered their massive swords from their backs and transformed, Sherlock Hound transformed into Super Angel Eternity Infinity Stellar Darkness Demon Hound of Dark Compassion and Demonic Justice, and he unholstered his massive Sparda's Demon Fang of The Demon Hound sword from his wider and more muscular back, Crash

Bandicoot unholstered his massive Skylands' Elemental Wolf Sword of Elemental Justice from his wider and more muscular back and transformed into Super Angel Eternity Infinity Elemental Skylander Bandicoot Knight Angel of Elemental Bravery and Elemental Will, The Ghostforce, Sam, Kaz, Simon, The Louds' Ancestors, The L-ementals, Noctis, Prompto, Ignis, Gladio, Stella Nox Fleuret, and Ravus Nox Fleuret got out their swords, Rayman had his gauntlets ready and he transformed, Hector got out his massive Heaven's Maw of Judgement sasumata pike, Timmy got out his massive Angel Mage's Staff, and Me, Nico, Nicole, and Eli unholstered our massive swords and transformed, and we went after Sinclair T. Sharp, Michael and Michelle Malloy, and we fired powerful blasts of rainbow energy, colored energy, elemental forces, Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, Magic, rainbow hot flames, and rainbow crystals, and they exploded with incredible power as they hit them.

Then, Lincoln formed three balls of intense rainbow hot flames with a core made of the black energy of The Black Gates, and he threw them, and as they hit Sinclair T. Sharp, Michael and Michelle Malloy, they were incinerated and nothing was ever left of them, and they were erased from existence by The Black Gates. We cheered wildly as we holster our weapons and powered down.

Lincoln: That's the very last time that we deal with Sinclair T. Sharp, Michael and Michelle Malloy (To Melanie McPherson) And it's so good to see you again, Melanie McPherson.

Melanie McPherson reverted back to normal, and she's a beautiful 17-year-old girl with pink neck-length hair, pink eyes, she's tall at 6'5" in height, she has the body of a goddess, she has the kanji for Time tattooed on her forehead, she has massive pink angel wings, and she reigned in the power of Arcana Force 0 - The Fool, and she's dressed in a pink sleeveless midriff dress top, pink skirt, pink pants, pink sneakers, and long pink sleeveless trenchcoat with stars and planets on the coattails, and Arcana Force 0 - The Fool on the back, and holstered on her back is a large Arcana 0 - The Fool - themed sword with a 6'10" massive, wide, double-edged pink blade with Arcana 0 - The Fool etched on it, large pink angel wings for the crossguard, large pink gem embedded in the rainguard, longer black handle, and large pink gem with angel wings surrounding it for the pommel.

Melanie McPherson: (Scottish Accent) Aye, you too, Lincoln, it's been a long time.

Lincoln went up to Melanie McPherson and they hugged, and Melanie McPherson's also very surprised at just how much taller and much more muscular Lincoln's gotten since they last saw him, and they also felt just how strong he's really become.

Lincoln: It sure has, I haven't seen you when you were sixteen, and as you can see, I really grew a lot since then.

Melanie McPherson: (Scottish Accent) Aye, I knew you have, but whoa, you sure have really grown very big and strong like a tree, Lincoln, you've really grown a lot from the eleven-year-old cute little boy into a 17-year-old and permanently 7'5" tall, very handsome, and manly teen with abnormally massive and powerful upper and lower body muscles and eight-pack abs, that's so awesome. And to find out that you and your family are the descendants of the rulers of Loch Loud 400 years ago, now that's another amazing surprise.

Nico: Wow, Lincoln, you know her?

Lincoln: I do, Nico, this is Melanie McPherson, she's one of my Guardian Angels from Scotland, and she, like her fellow Arcana Force Gene-Slammers is a powerful psychic and clairvoyant and she has incredibly powerful mastery over the powers of time, and like the other Arcana Force Gene-Slammers, she's known for stopping bad things before they happen and also has the powers to see into the future, and she's known for stopping numerous assaults on us caused by Scoots and Nurse Sue.

We gasped in shock.

Melanie McPherson: (Scottish Accent) Aye, it's true, and there's something else: my family absolutely despises and loathes Morag and her family with a vengeance for what her ancestor Aggie McLaughlin did to the Loud's Ancestors over 400 years ago.

We gasped in total horror, along with the Loud's Ancestors, and when Melanie McPherson saw Duke Lincoln, Lucille, and the 1600s versions of Lori, Leni, Luna, Luan, Lynn, Laney, Lana, Lola, Lisa, Lily, Lynn Sr., and Rita, she was stunned.

Melanie McPherson: (Scottish Accent) (Gasps) Bless me ancestors! Duke Lincoln, Lucille, and the 1600s versions of Lori, Leni, Luna, Luan, Lynn, Laney, Lana, Lola, Lisa, Lily, Lynn Sr., and Rita, the Loud's Ancestors?!

Duke Lincoln: (Scottish Accent) Aye, that's correct, Melanie McPherson. We were brought back by J.D. after we defeated Morag and destroyed Team Dark Phoenix Storm last year, and now, we're alive and well. (Realizes something) Wait a second, now I remember you all too well. Lincoln, I don't know if I told you this, but Melanie McPherson's family have been friends with our family 400 years ago.

The Louds gasped in awe.

Lincoln: Whoa, now that's something we're going to enjoy hearing, along with hearing how Melanie stopped the numerous assaults caused by Scoots and Nurse Sue.

Suddenly, a Thunderbird of Eternal Love appeared around Melanie McPherson's neck with pink gems on the gold thunderbolt links and pink crystal links from brand-new Crystal Necklace of the Buddha which merged with her Thunderbird Necklace of Eternal Love.

Melanie McPherson: (Scottish Accent) (Surprised) Whoa, is this…?

Lincoln: Yep, that's a Thunderbird Necklace of Eternal Love, and that means you're now part of my harem and one of my many future wives, Melanie.

Melanie McPherson had a smile on her face and tears coming from her eyes, as she then wrapped her arms around Lincoln's thick muscular neck and Lincoln wrapped his abnormally massive and powerful muscular arms around her waist, and he leaned down and kissed Melanie McPherson on the lips, and they returned it, and we cheered for them. Then, we went up to the nine girls, and when

Lincoln saw them, he recognized the girls immediately. The nine girls are Vivy, Estella, Grace, and Ophelia from Vivy: Fluorite Eyes Song, Kogure Nanako, Shino Aki, Kawasegawa Eiko, Hiyama Yurika, and Kanou Misaki from Remake Our Life.

Lincoln: Oh wow, it's Vivy, Estella, Grace, and Ophelia from Vivy: Fluorite Eyes Song, Kogure Nanako, Shino Aki, Kawasegawa Eiko, Hiyama Yurika, and Kanou Misaki from Remake Our Life.

Nico: Awesome.

Lincoln: Are you girls okay?

Vivy: Yes, we're okay, thanks to you.

Then, when Vivy and the other eight girls saw who it was that saved them from Sinclair T. Sharp and Michael and Michelle Malloy, along with the army of Lightning Demons sent by Jezebel Lanira, their faces turned atomic red upon seeing the 17-year-old permanently 7'5" tall, handsome, bare-chested hunk with abnormally massive and powerful upper and lower body muscles, eight-pack abs, long wild white hair going down to the bottom of his neck and rainbow lightning bolt highlights in the bangs of his long white hair, rainbow colored thunderbird with a gold lightning bolt emblazoned on his forehead with a Third Eye of the Buddha on his forehead with rainbow iris, golden lightning bolt cutie mark with the thunderbird and comic books right on his massive and wide right pec and it's surrounded by the symbols of Fire, Water, Ice, Wind, Earth, Nature, Light, and Darkness in a circle, large Celtic Cross cutie mark tattoo in the form of the cutie marks of Twilight Sparkle, Sunset Shimmer, Rainbow Dash, Applejack, Rarity, Pinkie Pie, Fluttershy, Starlight Glimmer, and Trixie Lulamoon, surrounded by a circle were the marks of the other girls in Lincoln's harem on his wider and more muscular back, and right on top was the Earth surrounded by a ring of mermaids and surrounded by a Thunderbird, Phoenix, Angel, and Buffalo, and right below the Cutie Mark tattoo is a deep sapphire blue kanji that said, "Lincoln Landon Loud, Champion and Emissary of Hinon, Master of Lightning Storms, The Weather, The Elemental Forces, The Cosmos, and The Universe, The Loud House's Man With A Plan, Golden-Hearted Brother of Many Siblings, and Golden-Hearted Lover, Father of Many Kids, Son, and Future Husband, Descendant of The 17th Century Duke Lincoln of Loch Loud in Scotland, Destroyer of Morag McLaughlin, Destroyer of Evil, Black-Hearted, Sadistic, Delusional, Power-Hungry Bastards, Talented Comic Book Writer and Video Gamer, God of Truth and Justice, and Ambassador and Beacon of Hope to The Universe", he has deep sapphire blue eyes, a tattoo of a pepper with fire surrounding it and a kanji that read "Spiciest Man of The Loud House" on his broader and muscular left shoulder, and a Mark of Manhood tattoo of a male bodybuilder with a barbell raised above his head and around him are elemental forces and an orange kanji that read, "Lincoln Landon Loud, Strongest, Bravest, Resilient, Courageous, Handsomest, and Manliest Warrior of The Loud Family" on his massive left muscular forearm.

He had his massive Hinon's Cosmic Sword of Universal Hope, Elemental Bravery, and Unbreakable Eternal Bonds holstered on his wider and muscular back, his large orange Crystal Saber, large rainbow-colored leather and gold metal bound Elemental Spellbook of Harmonious Justice, Eternal Harmony, and Equestrian Peace on his left hip and his Eater of Sins revolver holstered on his right hip, the Pisces the Fish constellation and Aquarius Zodiac sign on the back of his neck and the Cygnus the Swan constellation on the back of his massive left hand, large weighted orange bands on his massive biceps and thighs with silver phoenixes on them, his large gold cuff Bracelets of The Champions of the Universe with large orange gems on his large wrists, massive and indestructible deep sapphire blue angel wings with stars and blue nebulae reflecting on them with rainbow tips on the large deep sapphire blue feathers, and he was dressed in a glowing neon orange version of He-Man 2002's loincloth with hanging silver lightning bolts and long glowing neon orange trenchcoat coattails with elemental forces, Angels, Thunderbirds, Phoenixes, and Buffalo on them with hanging mini silver lightning bolts and had intense powerful rainbow hot flames and held up by his large gold Belt of Elemental Bravery with a large gold buffalo head with orange gems for eyes and a large orange gem in its mouth for the belt buckle on his waist, a pair of large blue pants with multicolored lightning bolts on the thighs with the orange kanji that said, "Savior of The Loud House, True Hero, Amazing and Powerful Student of Numerous Amazing and Powerful Teachers, Shinobi of The Hidden Leaf Village, Member of The Crusaders of

The Thunderbird, Founder of Team Loud Phoenix Storm, Dodgeball Angel King of Gotham Royal York, The Unifier of The Three Kingdoms, and Destroyer of The House of Damaskinos" on the left leg, and large white leather combat boots with gold lightning bolts surrounded by a circle of smaller gold lightning bolts and armor on the toe area, silver Buffalo head stud earrings with the Thunderbird and Eternity Kanji on it, large Thunderbird Necklace of Eternal Love with colored gems on the gold lightning bolts and orange crystals from his merged large Crystal Necklace of The Buddha with a large Element of Harmony deep sapphire blue gem in the shape of a Thunderbird and a large silver Buffalo head with the Thunderbird and Eternity Kanji on its head for the pendant on his bare chest, large fingerless orange gloves with the symbol of The Loud House on it and surrounded in a diamond formation are a Phoenix, Thunderbird, Buffalo, and Angel, a large Orange Buffalo Animal Spirit Ring which merged with his Ring of The Phoenix on his left ring finger, large Blue Lantern ring on his right ring finger, he had eight large orange orbs orbiting around his legs, and circling around his feet on the floor are eight golden crosses with angelic runes.

Vivy: Oh wow, you're Lincoln Loud of Team Loud Phoenix Storm.

Lincoln: That's right, and it's a pleasure to meet you all.

Then, Lincoln made eight clones of himself, and he and the eight clones went up to the girls, and hugged their waists in their abnormally massive and powerful muscular arms, and they lean down and kissed the girls on the lips, which they returned with equally intense passion and it was also sizzling hot, as they wrapped their arms around the thick muscular necks of Lincoln and his clones, and we cheered wildly at the scene.

Vivy: (Seductively and rubs her right hand on Lincoln's massive and wide right pec) You too, big, tall, muscular, and handsome.

Suddenly, nine Thunderbird Necklaces of Eternal Love appeared on the necks of Vivy, Estella, Grace, Ophelia, Kogure Nanako, Shino Aki, Kawasegawa Eiko, Hiyama Yurika, and Kanou Misaki with colored gems on the gold lightning bolts and crystals links from their merged Crystal Necklaces of The Buddha. We return to the TLPS World Tree Estate and we told everyone about the rescue, and they were shocked when they found out that the villains we went after were Sinclair T. Sharp and Michael and Michelle Malloy, and they were also horrified when they found out that they were brought back by Jezebel Lanira of The Church of Necrom, and they also saw her army of Lightning Demons with them.

But, when Lincoln showed what we did to Sinclair T. Sharp and Michael and Michelle Malloy and Jezebel Lanira's army of Lightning Demons Demons, everyone cheered wildly for Lincoln and the rest of us, and they hugged us, and the girls in Lincoln's harem then went up to Lincoln, and they kissed him all over. Lincoln and Melanie McPherson have a lot of catching up to do, now that she's back in town, and not only are we finally rid of Sinclair T. Sharp and Michael and Michelle Malloy, but this means that later on, Celine Wendova and Lincoln are going to deal with Jezebel Lanira and they'll make that witch pay for her crimes.

* * *

After Lincoln's rescue, we were watching TV and playing card games. When suddenly from out of nowhere, a portal appeared and out stumbled Burgundy from the X-Squad universe and a blue skinned girl with short pink hair who then immediately pulled out two swords.

?: Stay back! I'm warning you! I will gut you!

Drakus: Calm down, they're with me ZaZa.

ZaZa: Oh, hey Drakus.

They hugged.

Me: Drakus, how do you know them?

Drakus: Oh that's right. I have a lot of explaining to do.

He did so and when it was done everyone was shocked!

Nico: WHOA! That's amazing! That explains what that portal was. But how did you and ZaZa meet?

Drakus: You see, ZaZa is the daughter of legendary warrior Angel Royale, the only warrior ever befire me to reach the Last Monster,

who was repeatedly noted to have shattered every record of the island's challenges before that, all while wielding a massive spear that takes effort for ZaZa here to even lift, and is so revered by Battle Island's inhabitants that huge statues of her can be found in just about every region. Even ZaZa, who has her own issues with her, has nothing but respect for her skill and strength. But as I figured out once I got to the Ancient Ruins, Angel Royale turns out to have been a pretty poor excuse for a mother and possibly went clinically insane in death, as she had become so obsessed with seeking revenge on and defeating Withy, Endy and the Jebs to earn her long sought after title of Champion that she was willing to go as far as possessing ZaZa, who she has already abused and neglected enough to leave ZaZa deeply scarred, in order to force her to be a puppet for her battle. We stuffed Angel into the River of Fire and turns out ZaZa wanted to follow her passion of dancing.

Carly Morgan: ZaZa, you're not the only one with an insane mom. Mine was wanted for the murders of the six kids and six husbands back in 1998 because she thought they weren't her true family.

Nikki Flemmington: Mine thinks I'm possessed by a demon and tried to kill me.

Me: A lot of the team had insane mothers.

ZaZa: You're not wrong. But what is this whole team you're on?

Me: We are called Team Loud Phoenix Storm.

I went over the entirety of our adventures and what we have done and so much more.

Burgundy (X-Squad): What the hell?! You killed gods before?!

ZaZa: Whoa, you guys have done so many crazy things over the years that I'm pretty sure you mapped out this entire universe already.

Me: We've seen it all too. Some adventures were awesome and some were very challenging.

ZaZa: I feel like this is gonna be weird, but considering what we went through, I'm not even scared.

Drakus: I think we can take this junk heap down, just as long as no other baddie happens to appear.

Drakus's eyes widen in fright.

Drakus: I jinxed us didn't I?

?: You will all be mine and Zovaal's slaves!

Suddenly, the eight large planets and stars orbiting around my legs, the eight large orange orbs orbiting around Lincoln's legs and the eight large orange orbe orbiting around Lirika's legs, the eight large crimson red orbs orbiting around Naruto's legs, the eight large black orbs with the Eye of Horus orbiting around Cody (OC)'s legs, the eight large colored orbs orbiting around the legs of Lincoln's sisters, the eight large orange orbs orbiting around Duke Lincoln's legs, the eight large green orbs orbiting around Lynn Sr's legs, the eight large marine blue orbs orbiting around Liam's legs, the eight large scarlet red orbs orbiting around Lynn Loud and Lynn Jr's legs, the eight large blue orbs orbiting around Loni and Loki Loud's legs, the eight large sea foam green orbs orbiting around Leni and Loni Loud's legs, the eight large yellow orbs orbiting around Luan and Lane Loud's legs, the eight large brown orbs orbiting around Laney and Larry Loud's legs, and the eight large purple orbis orbiting around Luke Loud's legs and Menat's legs were glowing and that means big trouble was coming

Drakus: Oh come on, I was hoping I'd never have to hear that voice again. You can come out now, Sylvanas Windrunner.

A figure came out of the shadows, and it was none other than Sylvanas Windrunner, the Dark Lady and Banshee Queen from World of Warcraft.

Drakus: I thought I'd never have to deal with you again after I sent you packing.

Sylvannas: And now, I'm back to destroy you, and then take over this world and make them all my slaves.

We were enraged at her words, but, no one was more enraged at Sylvannas than suprisingly Andrea Davenport, as she narrowed her eyes in anger at Sylvannas, Suddenly, we felt something snap inside of Andrea Davenport's mind, as her eyes turned deep blue, and she was surrounded by a marine blue energy aura with ice crystals and snowflakes, and as she approached Aizen, she left marine blue energy, ice crystals, and snowflakes with every step

Andrea Davenport: Sylvanas Windrunner, You've caused nothing more than pain and suffering to all for your own sick views and tried to take over the world of Azeroth. But freeing Zovaal the Jailer, that's where you crossed one too many a line, this time, I'm going to make sure that your plans finally end here and now, you HEARTLESS, ARROGANT, POWER-HUNGRY, SELFISH BITCH!

We were in pure shock from Andrea's rant at Sylvanas Windrunner.

Molly Mcgee: It's official. She's going to let her have it. Let's see what's gonna happen.

Then, Andrea Davenport screamed like a madwoman, as she was was surrounded by a massive vortex of teal energy with stars and ice around the pink vortex, there was a snake slithering around the vortex, and in the vortex was a blue phoenix. We felt her power and energy rising like crazy, and she was getting stronger and stronger and stronger still.

Cell (Garrett's universe): Holy shit, she's gaining ascended levels, she's looking to end this shit early!

Then, as the vortex faded, Andrea Davenport emerged, but she was changed forever.

Andrea Davenport grew a couple inches in height, her jacket turned to a teal jacket with pink phoenixes on it, she now has on a necklace with a rabbit holding the Star Kanji in its paws for the pendant, her shoes turned into black leather ankle-high combat boots with a tinge of pink. She gained teal and pink demonic bat wings. She had on a

Black Lantern Ring on her left ring finger, and she has on her new Bracelets of the Champions of The Universe with teal gems on her wrists, her new Belt of Elemental Bravery with a large teal gem for the belt buckle on her waist, and Eater of Sins revolver holstered on her left hip and a pocket knife on her right hip. On the jacket there was colbalt kanji that said "Andrea Davenport, Resident of Brighton, Michigan, Vanquisher of The Demon of The Moon, Elise, Member of The X-Squad, Slayer of Evil, Deranged, Murderous, Ruthless, and Sadistic Bastards, Amazing and Powerful Student of Amazing and Powerful Teachers, and Master of Ice and Snow" Andrea Davenport transformed into a SUPER DEMON INFINITY ICE DEMON OF ABSOLUTE ZERO COURAGE AND COLD HOPE!

We were amazed by Andrea's Super Demon Infinity transformation. But, when Sylvanas Windrunner saw it, she fell into a dark rage.

Me: Whoa, Andrea has transformed.

Garrett: HOLY MOTHER OF SATAN! Andrea turned into an demon! Sylvannas, your ass is about to be folded!

Molly: Hey, Andrea. How do you feel?

Andrea Davenport: (Demonic Voice of Absolute Zero Courage and Cold Hope) I feel like a million bucks, Molly. (Turns Towards Sylvannas) And it's time to see what this new form can do.

Libby: Show no mercy on him.

Andrea Davenport: With pleasure.

?: (Spanish Accent) Don't leave me out of this either, amigos.

Suddenly, a fiery comet fell before us and from it emerged an alien. However, this alien was none of the ones that we saw before. This one was a mix of scarecrow and charred skeleton. It wore a straw hat, big red scarf that was also a hood and a cloak for him, brown-grey long-sleeved shirt and brown boots.

Drakus: Oh hey dude.

?: Hello, muchacho.

Me: Who are you?

Shannon: An Ikathid from the planet Ikathiranx?!

Qin: Wow! What is a Ikathid?

Shanan: A race of scarecrow people that can manipulate fire as their power. They are very strong too.

Firecrow: The name's Firecrow, the Inferno Hunter.

Yenaldooshi: Oh man! The Inferno Hunter himself?! (To us) This man is one of the most dangerous mercenaries in the galaxy. According to rumors, he is a sadistic and fireproof pyromaniac who loves to spread fires that consumes everything in their way and who also enjoys doing that. He's also unforgiving and rotten. But despite all of his negative qualities, he can show to have some goodness in himself. His loyalty can be won if one pays for the execution of individuals everybody hates, also he only enjoys spreading fire, not killing innocent beings. He only kills if somebody pays him to do it.

Nico: You with her? Sylvannas, I mean.

Firecrow: Not in my immortal soul, I am here to put an end to that cold chica's antics.

Andrea and Firecrow then walked up to Sylvannas.

Andrea: Windrunner, your plans end here and now!

Sylvannas Windrunner: You should know much better, demons. I've walked the realms of the dead. I have seen the infinite dark. Nothing you say. Or do. Could possibly frighten me. So if you want to fight me so badly and die before me. I will fulfill your wish. Don't later cry and beg me for mercy when I finish you.

Firecrow: The only one who's going to cry and beg for mercy is YOU, you psicópata helado! Andrea, time I show you what I can do.

ULTRANUMB BY BLUE STAHLI PLAYS

Sylvanas drawed out her bow as her weapon while Firecrow drawed out his Fire Orb and Andrea Davenport pulled out her new Eater of Sins revolver. They have started to shoot projectiles from their weapons. Then Sylvanas used her magic and launched chains at Firecrow and Andrea with which she restrained them.

Sylvannas: It seems that you're not as strong as other demons I've seen before. Now just surrender and bow down to me.

Firecrow: I don't think so. I never surrender. I'm like the bathroom after a long night of Taco Bell.

Firecrow ignited himself in flames with which he melted Sylvanas's chains, freeing himself and Andrea in process.

Firecrow: A whirlwind of pure chaos fueled by bad decisions, the damned and pure Mexican food.

Sylvannas: Well well, you're not that bad. Perhaps I jumped to the conclusion. Nevertheless, it won't matter. You'll make another good servant for Zovaal and me when I defeat you and send you to the Maw.

Andrea Davenport: Which one, the undersea hotel full of obese people and run by a vain bitch worse than the Kardashians, or Hell?

Sylvanas then growled and she teleported herself, us and Firecrow into The Maw.

Firecrow: You just sent us to Florida, not a good sign for you.

Sylvannas: Welcome to the Maw, the realm of Shadowlands from which no one escapes. Since you came all this way to get me, I will be at my most merciless, you will get more agony and terror than anybody else before you. You will not escape your fate to become another one of Jailer's slaves.

Firecrow disintegrated into ashes and Sylvanas stood triumphant.

Sylvannas: Defeated so easily? Pathetic. I thought you were stronger, demon, but it turns out you are not. You're even less powerful than those weaklings called Tichondrious and Balnazzar.

In a beserk rage, Andrea Davenport slashed Sylvannas all over the place with her sword and fired ice beams at Sylvannas and the blasts hit her all over and exploded!

Sylvannas then tried to slash Andrea all over the place but she dodged and shot Sylvannas with ice dust and the blasts hit her and exploded!

But, the battle was interrupted by Firecrow's demonic laughter. Firecrow's ashes and remains of him regathered and caused him to be reborn.

Firecrow: That dark voodoo can't kill me, chica. Hell, that tickled. Do it again. I dare YOU!

Sylvannas: Do you understand now? You need to stop playing tough guy and start bowing down. Even if you reject to serve me or Jailer in this life, you will serve us both in death. Once you enter the Maw, you can never come back, for here anyone who enters suffers nightmares that they never experienced in their life. Try this on for size!

Sylvannas summoned her army!

Andrea Davenport: Yawn.

Andrea just shot a ice ball and it obliterated the army and laid them to rest.

KRABOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

Andrea Davenport: Sylvannas, your army is deleted! How about you turn yourself in?

Sylvannas: Never!

Andrea kicked Sylvannas in the face.

Firecrow: So you say this place gives nightmares no one experienced in life before? Nice try amiga, but you cannot terrify someone who can't feel fear anymore. Throughout my hunt for scum like you to kill, I don't feel fear anymore. And besides, Maw is just preschool compared to the Hello Zepp Gates where me and the X-Squad sent scums that died against me. So don't make me laugh with your pitiful attempts to intimidate me!

Andrea: Watch this.

Andrea fired an ice beam that turned into a dragon that slammed into Sylvannas and exploded!

Sylvannas: What's this. With the new powers Jailer gave me, I've become more powerful than ever. This cannot be true!

The blast hit her in the gut, and she came crashing down to the dirt.

Firecrow: It seems it's YOU who is not so powerful as you think you are, Sylvanas.

Eventually, his strong will teleported him and Sylvanas out of the Maw back onto Earth. Sylvannas: How did you…?

Firecrow: Perra, you're nothing but another deluded hack like everybody else who believes that they can control fate just because it was blessed by some evil deity-like creature. Well let me enlighten you, Sylvanas. No one can control fate, not a maldito one.

Sylvanas was starting to lose her cool, and the advantage.

Firecrow: Do you really think that a God-wannabe mortal like you can terrify the Hunter from the Inferno? Oh hell no! You just imagine yourself to be stronger than what you really are!

Then, Andrea Davenport fired a beam of red energy, which hits Sylvannas, and she sucked out Aizen's inhuman strength and powers, and she, along with the rest of the X-Squad made them their own.

Sylvannas: NO! This cannot be! I've dealt so many lethal blows to you, how can it be that you're still strong?!

Then, Firecrow went up to the powerless Sylvannas, and lifted her up.

Firecrow: It's because fate never gives up of those who believe in hope. And I am one of them! Oh! And it's because me suffering the pain was just a ploy because while I can feel pain, I know how to endure it. In life, you have to do things on your own, you can't always rely on others to do your bidding and to be your bodyguards nor to provide your with power! The only thing you have is strength and will of your own, not from others!

Firecrow than slung Sylvannas into the air with his superhuman strength and shot Fire Balls from his Fire Orb that started to inflict great pain on her.

Firecrow: And losing does have one great perk. Which is learning from your failures and mistakes. But instead of learning from your failures and mistakes, you abuse them to make yourself even worse that you already are. Time to see my TACO INFERNO BLITZ!

Firecrow shot out fireballs that looked like tacos at high speeds that fried Sylvannas gravely.

Sylvannas: No! I will not accept this! I am the Chosen One! I will refuse to lose to a demon like YOU! It doesn't matter what you say. I am the Banshee Queen, I am the Dark Lady, and the Jailer's most powerful ally, I have his blessing and powers of life and death. And it's all mine! And I will bring you to your knees!

Sylvanas reteleported us back to Maw where she once again had the advantage.

Sylvanas pulled out her dual Shadow Daggers.

Sylvannas: One strike from my Shadow Daggers will be enough to end you, and you will become another one of Jailer's vessels and my slaves!

Firecrow: Normally I would not use it, but I guess exceptions would have to be made. Fire Orb become Fire Chanclazos.

The Fire Orb splitted into two and turned into sandals that are on fire.

Me: Huh?

Drakus: Firecrow possessed a Mexican man, this is what the fire swords turned into.

Firecrow and Sylvanas crossed their blades (or sandals), while fighting which will touch who. But after a lot of effort, Firecrow's Fire Chanclazos completely destroyed Sylvanas's Shadow Daggers, leaving her disarmed.

Sylvannas: No! My Shadow Daggers!

Firecrow kicked Sylvanas in the face, and she fell to the ground, defeated.

Firecrow: It's all over Sylvanas. You're defeated.

Firecrow then left, but Sylvanas, refusing to admit defeat, tried one last time to kill Firecrow. She shot Wailing Arrow at Firecrow, in attempt to kill him for good. But Firecrow anticipated it, and he blocked it and reflected it by merely slapping it with a normal sandal, he also turned it into a Fire Taco. Sylvanas was now afraid that her own attack was reflected and converted into Firecrow's missile, in panic, she tried to destroy it with a volley of her black arrows, but unfortunately for her, she only made things worse for herself.

Firecrow's Fire Taco only splitted into multiple each time it was struck by Sylvanas's Black Arrows, they chased her and eventually caught up to her. The Fire Tacos set Sylvanas in flames, making her feel pain and completely destroying her bow, leaving her helpless. Sylvanas ran for her life with her banshee powers, but Firecrow simply teleported right in front of her, stopping her and now. Sylvanas was at Firecrow's mercy.

Sylvannas: Please, I don't want to die, stop it, have mercy!

Firecrow: Don't worry, me and Andrea not kill you. First you're going to face the punishment for all your crimes.

Andrea Davenport: Time to end this. DEMONIC BLIZZARD BEAM!

Firecrow: BLAZE OF FATE!

Andrea Davenport and Firecrow fired a beam of snow and fire and it hit Sylvannas, making her scream in pain and traumatically burning and freezing her.

Sylvannas: Zovaal, please. I don't want to die! I don't want to go through the horrors that await me in the afterlife! Help me!

Drakus: Um, you didn't seem realize he was sent to the Black Gates by us and was obliterated from existence for his crimes. And Bada Bing Bada Boom, you do not have his blessing anymore!

Sylvanas screamed again in pain and defeat after that revelation.

Sylvannas: THIS CAN'T BE HAPPENING! THIS IS A NIGHTMARE! CURSE YOU FIRECROW AND DAVENPORT!

Andrea Davenport: You're lucky we're letting you live.

Eventually, Sylvanas was blasted to the Masters of Evil Prison.

Firecrow: (To The Viewers) Life and death will always be unfair, as long as you keep relying on others to save you and as long as you keep doing evil crimes to innocent lives who do not deserve it. But you can make life easier on yourself and others by making your life worth living and proving yourself a great friend to all.

Everyone cheered wildly for what Andrea Davenport and Firecrow did, as they holstered their weapons and powered down, but Andrea Davenport's new clothes, weapons, and jewelry were permanent.

Lana: Whoa, Andrea, that was so incredible.

Andrea Davenport: Thanks.

Then, Molly went up to Andrea, and she hugged her, and she wrapped her arms around Molly and hugged her back.

Molly McGee: You were awesome out there, Andrea.

Andrea Davenport: It's pronounced "Ahn-dree-uh". You said "Ann-dree-ah". But, I'll let it slide.

Me: Plus, Sylvannas Windrunner will have a lot to think about in the

Masters of Evil Prison.

We turned our attention towards Baccowaus, who was standing there dumbfounded.

Malcho (Garrett's universe): What do you say, Andrea, ready to make a bot wish he was never born?

Andrea Davenport: Well, don't have to tell me twice.

---

After finally getting rid of Sinclair T. Sharp and Michael and Michelle Malloy, along with destroying Jezebel Lanira's army of Lightning Demons, we were training intensely in the gym, this time, doing 150,000,000 reps of crunches, wing push-ups and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 9,500-lb barbells, squats, and going a few rounds with the punching bags, and we were really sweating like crazy, even doing yoga to clear our minds, and when Melanie McPherson saw Lincoln working out like crazy, she had an atomic red blush on her face.

Melanie McPherson: (Scottish Accent) Whoa, I was right that Lincoln has really grown to be a 17-year-old permanently 7'5" tall, really big, and really strong man, just look at those abnormally massive and powerful upper and lower body muscles and his eight-pack abs hard at work, and working out with those 9,500-lb barbells and he's not even get tired, incredible.

Lincoln: Yep, and I've also trained a lot under some very powerful teachers, J.D. and Nico included, Melanie, and now, I can also defend myself, and in addition to getting stronger, I've also gotten smarter as well.

Melanie McPherson: (Scottish Accent) That's incredible.

Nico: It sure is. So, Melanie, how did you stop the numerous assaults on the Louds caused by Scoots and Nurse Sue?

Melanie McPherson: (Scottish Accent) You're not going to like this one bit, Nico. I've known about the fact that Nurse Sue is not only an evil, greedy, heartless, big-butted, bad tempered cow, and a hater of the elderly, and that Scoots is a troublemaking, crazy, stupid, old bat, but they also hate the Louds for no reason. As I was heading out for a run throughout Franklin Avenue. But, then, I had so many visions: I saw that Nurse Sue and Scoots were about to launch numerous assaults on the Louds. But, I wasn't going to have that, so I stayed with the Louds all the time, and everywhere we went, when Scoots and Nurse Sue were about to attack, I jumped in their hiding spots and started pummeling them. I explained to them that Nurse Sue and Scoots were trying to launch numerous assaults on them and kill them, and that really got them mad. They told Mr. and Mrs. Loud about this, and they were mad at Scoots and Nurse Sue, and I tied Nurse Sue up and threw her back in prison and sent Scoots back to Sunset Canyon, where she got put in a straitjacket and put in a padded room.

We cheered wildly for what Melanie McPherson did to Nurse Sue and Scoots.

Me: Nice one.

Nico: Serves them both right.

Lincoln summoned a piano with his powers and dropped it on Scoots' head, and she screamed in pain.

Lincoln: That's for teaming up with Nurse Sue and trying to assault us numerous times, you crazy old bat!

Melanie McPherson: (Scottish Accent) (Laughs) Nice shot, Lincoln. Now, then, allow me to explain the family connection between my family and your ancestors. I searched throughout the records of the 17th century, and I found out that my family have been friends with your ancestors over 400 years ago.

We were really amazed.

Lincoln: Whoa, so your family's been friends with our ancestors 400 years ago, that's so awesome.

Duke Lincoln: (Scottish Accent) That's right, and the McPherson Clan has hated the McLaughlin Clan for many centuries, and when they found out Aggie was the one who killed us, Melanie's ancestor, Elsie McPherson, swore revenge on Aggie McLaughlin. Elsie cornered Aggie McLaughlin and killed her. But, as long as the hated descendant of Aggie McLaughlin was still alive, the McPherson Clan's hatred towards the McLaughlin Clan would never cease.

Me: Whoa, that's some grudge Melanie's family harbored, Duke Lincoln. But, there's something you should know, Melanie, we defeated Morag and destroyed Team Dark Phoenix Storm. Then, I put a very lethal curse on Morag, and when she tried to break out, the curse claimed her life and she was sent to Hell forever. Then, after Duke Lincoln transformed into his new Super Angel Eternity Infinity form and he and his family got their new swords, Morag and Aggie McLaughlin's spirits, along with another enemy from the past of another of Lincoln's future wives, were sent to The Black Gates for all eternity.

Lincoln: Which means your family's hatred towards the only two hated McLaughlin members has been settled for good.

Melanie McPherson: (Scottish Accent) Yes, and I knew Mira wasn't like her mother, Morag, but I feel bad that she still had to harbor the name of her hated clan.

Mira: (Scottish Accent) Actually, I've severed my ties to my former clan, and now, I'm a new member of the Loud Family.

Lincoln: Mira's right, she changed her last name from McLaughlin to Loud, and we found out that she isn't like Morag or Aggie at all last year.

Melanie McPherson: (Scottish Accent) That's good.

We then got a shower afterwards, and then, Clyde and his harem are heading out for an exploration of Irate Eight in Donkey Kong's world. But, since we know that Jezebel Lanira will have another nasty plot set to try and kill us, just like what happened yesterday with Jocasta Belladonna cavorting with Professor Nimnul, we're also following from the shadows

Clyde: Alright, everyone, are we ready?

Syd Chang: We're ready, Clyde.

Clyde and his harem left the World Tree Estate, and we followed from the shadows, since we know that Jezebel Lanira's got someone else coming after us. When Clyde and his harem arrived at Irate Eight in Sea Breeze Cove, it was an amazing aquatic area.

Chloe: Wow, what is this place, Clyde?

Clyde: This, Chloe, is Irate Eight in Sea Breeze Cove. I heard about it from Donkey Kong and his family, and it's a perfect place for us to start exploring. But, we got to be careful: just like what'd happened yesterday with Professor Nimnul, Jezebel Lanira might've hired someone else to come after us yet again.

Clyde and his harem dived in and they explored the area, and it was really amazing. Then, they came up to the surface. Suddenly, the eight large silver orbs orbiting around Clyde's legs were glowing and were spinning like crazy, and he sensed an evil energy signal.

Clyde: Uh oh, we got trouble.

Clyde and his harem then head for the location and hid behind a rock, and they soon saw who it was that gave off that energy signal: it was David Hersch A.K.A. Cicada, a fanatical cult leader from the 19th Century and another of the Flash's enemies.

Clyde: That's David Hersch A.K.A. Cicada, he's a fanatical cult leader from the 19th Century and he's another of the Flash's enemies. Flash told us about him he has the ability to steal the life-force of other living beings and use it to prolong his own life and regenerate physical damage, and he's an immortal and cannot die.

Chloe: He also carries two hilted blades capable of absorbing the life force of its victims in order to resurrect the dead. We got to stop him.

Clyde sent the call to the rest of us, and then, Syd proceeded to summon vines from the shadows, which tied up David Hersch A.K.A. Cicada, as he was caught off-guard.

Cicada (DC): What the?! What's going on?!

Clyde and his harem came out, and then, we arrived as well as we appeared from the shadows.

Nico: David Hersch A.K.A. Cicada. I should've known you'd be here.

Me: I've heard of him, he's an immortal fanatical cult leader from the 1890s, and he's also one of your most dangerous enemies, Flash.

Flash: That's right, J.D. I never thought I'd see him again.

Cicada (DC): Laugh all you want, none of you will ever leave here alive once I get out of these vines.

Lincoln: Not a chance, Hersch. You've lived for far too long, and now, it's time for you to die.

Lincoln took Hersch's life-force absorbing blades, and they merged with his massive Hinon's Cosmic Storm Sword of Universal Hope, Elemental Bravery, and Unbreakable Eternal Bonds. Then, as Syd lets the vines go, Lincoln grabbed Cicada by his neck and hoisted him up with his immense and brute superhuman strength, and Lincoln began sucking out and absorbing all of Cicada's life-force stealing powers, and he made them his own, and because of what Lincoln did in absorbing Cicada's energy and life-force stealing powers, Cicada was reduced to dust, and his spirit was erased from existence forever.

Lincoln: Cicada, you have failed this world over a hundred years ago. And I found out who it was that sent him after us: it was Jezebel Lanira.

We gasped in shock, and we were already pretty pissed off at Jezebel Lanira.

Celine Wendova: I should've known that crazy witch had a hand in this.

Lincoln: And it also proves they're also resorting to hiring villains we haven't faced yet as mercenaries to kill us, just when we thought Damian Alaister and the rest of his goons couldn't stoop that much lower.

Clyde: Those creeps, now they've since crossed an even bigger line. We'll make every last one of them pay for this.

Syd Chang: And we'll send them all straight to prison for life.

Clyde: Right, Syd. But, there's also the one thing that we need to do to end our date before we head home.

Clyde made clones of himself, and they went up to the girls in his harem, and they picked them up in their abnormally massive and powerful muscular arms, and they passionately kissed and hugged with supercharged and intense passion, and we cheered for them. Then, we headed on home to The World Tree Estate, and back in their demonic castle, Jezebel Lanira saw what we did and foiled her latest scheme again, and it pissed her off so badly, her red eyes turned blood red with insane rage and she flew into an insane rage, and we heard it from the World Tree Estate.

Lincoln: (Smirks) Looks like we've really made Jezebel Lanira really mad.

Celine Wendova: (Smirks) That insane witch and the rest of Damian's Church of Necrom have had it coming for a very long time.

Nicholette Torrington: And later on, you and Lincoln are going to face Jezebel Lanira, and you two will make her pay for her crimes, Celine.

Celine Wendova: That's right, Nicholette.

Nico: And it's also on the day of Zarya's special mission.

Zarya: So, not only are we going to destroy Super Warumono World, but Lincoln and Celine Wendova are going to fight Jezebel Lanira, and she's going to get the very same thing just like what happened with Jocasta Belladonna yesterday.

Me: That's right, Zarya.

Lincoln: You said it. But, I can't help but get the feeling that there's also going to be another person who's also going to be brought back as well and still wants revenge on us.

Me: I also have that same thing as well, Lincoln. But, we'll have to wait later on for this.

Nico: Right, J.D.

---

Later it was time for Roxy's final ambassador mission with the Decade Kamen Riders.

William: Anyone else want to go with Roxy? Besides Rango and 1 Rabbid?

Me: How about all the Mysticons go with this time?

Nico: That's a great idea!

Laney: Yeah it will be awesome too.

Nico: But guys after this mission is done we're going to be starting the mission right away over in Japan. Since we're going to be in Japan the entire time to meet the Zenkaigers there we're going to be in for an awesome Japan adventure.

Zarya Moonwolf: I agree. This is going to be really cool.

Piper Willowbrook: I agree there.

Nico: Anyway lets head out. We'll let you all know when it's time.

Lincoln: Okay.

Nico: Vince you watch over the Estate for us till then.

Vince Pusateri: Roger that!

We were off to Japan!

We arrived in Japan.

Tsukasa: Hey guys!

Me: Hey Tsukasa.

Roxy: Tsukasa, meet the Mysticons.

Arkayna: Awesome to meet you. I'm Arkayna Goodfey, Princess of Gemina and Dragon Mysticon Mage.

Zarya Moonwolf: I'm Zarya Moonwolf, Mysticon Ranger of the Wolf and Arkayna's sister and one of J.D.'s fiancees.

Emerald Goldenbraid: I'm Emerald Goldenbraid, Mysticon Knight of the Unicorn.

Piper Willowbrook: And I'm Piper Willowbrook, Mysticon Ring Master of The Phoenix.

Tsukasa: Awesome to meet you!

Rango: And the name is Rango. Sheriff of the town of Dirt.

Tsukasa: Awesome!

Nico: Yeah it is!

Tsukasa: (to Zarya) So, when's the wedding?

Zarya Moonwolf: We agreed not until J.D. turns 25.

Me: In 5 more years.

Nico: Yeah. Also it's Zarya's big mission today as well after Roxy's mission here with you guys is done.

Eli: Yeah we have a huge mission today. We're going to meet the Zenkaigers today.

Tsukasa: Awesome! They are amazing at what they do.

Megan Kiraton: They sure are cool.

Daiki Kaito: Okay, I'm not gonna beat around the bush here. Do you want us to come with you?

Me: That was the surprise I mentioned to Nico earlier. I am planning to have all the Kamen Riders that we met these last couple of weeks with us to help us out and help us bring down our primary target.

I pulled up a picture of our target.

Me: This is him. Super Warumono World. He is an amalgamation of 45 Years of the greatest enemies of all the Super Sentai Teams from 1975 to 2020. We're gonna be in for one helluva battle with him.

Nico: Yeah this is gonna be really awesome.

Megan Kiraton: It sure is.

Me: Also I made a call to the Kiramagers and the Dino Fury Rangers to help us out on this one as well.

Nico: What about the Donbrothers?

Me: They have to complete their adventures before we meet up with them later on. So it'll be at least about a year and a half to 2 years before they help us out.

Nico: Oh.

Eli: Yeah.

A woman came and it was Natsumi Hikari.

Tsukasa: Guys, this is Natsumi Hikari.

Me: (Speaking in Japanese) 光夏海それは光栄です。あなたがキバーラに変身するのを見たのを覚えています、そしてそれはあなたがその中であなたがどのように助けたか本当に素晴らしかったです。それはつかさとみんなとの本当に素晴らしい冒険でした。 (Natsumi Hikari it's an honor. I remember seeing you turn into Kiva-La and that was really awesome how you helped in that one. That was a really awesome adventure with Tsukasa and everyone.)

Natsumi Hikari: That was a really fun and awesome one.

Nico: It sure was. I thought it was awesome how you turned into female Kiva Kamen Rider.

Natsumi Hikari: That's true.

Tsukasa: It sure is. Also guys to answer your request we would be honored to come with you all.

Me: Awesome! We start the mission right after this.

Roxy: We sure do.

Tsukasa: J.D., all we can do right now is send him packing. Henshin!

Kamen Ride!

They transformed and were ready!

Me: I beat this guy before and without his precious Grimoire he is nothing. But I could use a good warm up. KIBAL LETS HOWL!

(THE WOLF AND THE MOON BY BRUNUHVILLE PlAYS)

I turned into WOLF MOON 🌙!

Nico: Time to teach this book hating punk some manners! (GOES SUPER SAIYAN 3!)

Eli: And send him back to the Warp! (GOES SUPER ANGEL)

Me: Storious I want you to know that you obviously do not know WHO YOU ARE FUCKING WITH!

I jumped and kicked him in the chest and smashed him down and he got back up and went at me and I dodged his strikes.

I then slashed him across his face with my scythe and slashed out his eyes! PERMANENTLY BLINDING HIM!

Tsukasa: (gets out Rider Card of Kabuto) Even if you CAN regenerate from that, have fun finding a new Grimoire.

Daiki: (gets out Rider Card of Ibuki) Touma and his team are missing out.

Kamen Ride: Kabuto!

Tsukasa turned into Kamen Rider Kabuto.

Kamen Ride: Ibuki!

A copy of Kamen Rider Ibuki was summoned.

Nico: NICE!

Me: Nico read a verse from my Wonder Ride Book.

Nico: Okay.

Nico read a good one.

Nico: "And then a Rainbow shined down from the heavens and it enhanced the mighty heroes power as the hope within his heart grew to protect those that he loved with all his heart. His wings then spread and the angelic choir of angels from the Heavens was making the warrior of darkness scream in agony as his evil soul was writhing in pain and draining him of his power."

Then everything Nico said happened and STORIOUS WAS SCREAMING IN EXCRUCIATING PAIN! I kicked and punched and smashed Storious all over with incredible force.

Eli: WHOA! That was so awesome!

Zarya: YEAH!

The Ibuki copy charged at Storious.

And punched and kicked and smashed him all over.

Nico: "More warriors joined in the fray against the evil warrior. As he was being overwhelmed by the power of the hero's righteous heart and making him quiver in pain at the awe-inspiring power of the good and purity of the mighty warriors vow of justice."

Everything that Nico read happened again.

Me: Storious everything that you have done is absolutely and completely unforgivable! What you have done makes Sartorious look like a saint in comparison! You are absolutely THE MOST fucked up monster that I have ever met!

I kicked him in the face and smashed him down!

Clock up!

He donned the ultimate power of Decade! He had all the powers of all the Kamen Riders from 2000 to 2010!

Nico: COOL!

Eli: AWESOME!

Megan Kiraton: Awesome!

Nico: "And then lightning struck from the heavens and it hit the evil warrior in a huge and enormous amount of voltage and light and he fell to the ground numb and twitching."

TREMENDOUS THUNDERCLAP!

He got hit with lightning and was on the ground!

Megan Kiraton: WHOA!

Storious then got up!

Storious: I AM THE ONLY ONE WHO WILL DECIDE HOW THE STORY WILL END! AND IT ENDS WITH EARTH DYING!

Me: SHUT THE FUCK UP!

Me and Tsukasa: WOLF MOON DECADE STYLE NINJA ART: 10 YEARS OF WOLVES AND AGONY!

We fired waves of fire and energy and they formed into a wolf pack each governing the years of Kamen Rider from 2000 to 2010 and they smashed into Storious and they exploded!

MASSIVE EXPLOSION!

Eli: YEAH!

Tsukasa: Now, to finish things up. Time for you guys to see my Complete form.

Final Kamen Ride: Decade!

He donned his awesome COMPLETE FORM!

Eli: SO AWESOME!

Megan Kiraton: YEAH!

Me: Time for the finisher!

Then I opened a portal back into the Warp.

Zarya: This is from me to you!

Zarya fired waves of arrows and they hit him in his shoulders and legs and sent him flying and then he went through the portal and back into the Warp!

Storious: DAMN YOU TO HELL J.D. KNUDSON!

Me: (Flips the bird at him) FUCK YOU TOO!

The portal closed and he was gone.

Tsukasa: He'll be back. Eventually.

Me: Yeah. But at least he gave me a good warmup.

Nico: He sure did. Now we know that he won't be holding back on the big day.

Tsukasa: Yeah.

Me: And Megan McCallister's missions start in 2 days.

Nico: Yep.

Roxy: But this was awesome.

Tsukasa: Roxy, ever since I met you, I've viewed you as the little sister I've always wanted.

Roxy: Really? Oh Tsukasa.

She hugged him.

Daiki: That is so awesome.

Me: It sure is.

Nico: Yep. But J.D. this was really awesome reading verses from your Wonder Ride book. It's amazing that all that stuff can happen just by reading it.

Me: I know. That dream mission was awesome and epic.

Megan Kiraton: Yeah it sure was cool!

Zarya: I'll say!

Nico: And we can now call these series of Ambassador Missions done.

Me: We sure can. Now it's time for the real fun.

Nico: Yep.

Nico called in the team.

Everyone was on their way.

Everyone then arrived in Japan.

Nico: Good call having all of us come to Japan after this. Saved us a lot of time.

Me: It sure did.

May: This was really awesome. Roxy how did your final mission go?

Roxy: It went really well.

Tsukasa: Wow! Team Loud Phoenix Storm it's an awesome honor to meet you all.

Varie: Same to you Tsukasa.

Naruto: Yeah we heard so much about you and your fellow riders.

Aylene C.: We owe them all big time for helping us during the 20 Days of Darkness.

Nico: Yep we sure do. Anyway here's how it went.

We went over everything and it was shocking!

Naruto: Oh man!

Me: Yeah but the battle with Storious was a great warmup for me and everyone.

Megan McCallister: Wow! That is awesome.

May: Megan, for your first mission, Troy and 3 Rabbids should go with you.

Megan McCallister: COOL! I can't wait to do my missions with the Saber Kamen Riders.

Tsukasa: This is gonna be awesome.

Me: It sure is. And here come the reinforcements now.

The Kamen Riders of Hibiki, Kabuto, Kiva, Den-O, OOO, Saber, Gaim and W all came!

Me: You guys all made it!

Hitoshi: Glad we did.

Kouta: Wouldn't miss this for anything.

Megan McCallister: Touma awesome to see you again!

Touma: Same to you Megan!

Nico: This is gonna be awesome!

Touma: J.D. awesome to see you too.

Me: Same here Touma.

Supernova Zap: Nico, which Gene Slammer do you think you'll meet next?

Maria: You're asking that already?

Supernova Zap: This is a very big mission coming up. We might as well get it out of the way.

Nico: Also it's Mandatory. I'm hoping to do a gene-slammer for a Tiamat from Dungeons & Dragons!

We gasped!

Me: WHOA! The legendary Tiamat from Dungeons & Dragons.

Camie: The 5-Headed Dragon from Mesopotamian Mythology?

Me: Yep.

Lincoln: This is really coincidental. We have Reggie Hjorleifsstræti who is a Gene-slammer for Five-Headed Dragon and soon we'll have a Tiamat Gene-Slammer. How cool.

Nico: Yep.

Laney: That is really awesome.

Tsuyu: Yeah.

Hitoshi: This is gonna be awesome to see.

We then got to walking around Tokyo.

Pajiramon: What was it like when you guys went to Japan the first time?

Me: Really awesome and fun.

Eli: I have lived here since I was little.

Nico: But it's really cool. I have known Japan for a while too. Ever since I lived in the Philippines.

Philip: That is really cool.

Shotaro: I'll say.

Nico: Yeah.

Touma: We saw massive lighting and rainbows earlier. What was that?

Me: I got this.

I showed my Wonder Ride book and it was the Great Book that was now purified!

Touma: Whoa is that!?

Me: Yep. The Great Book. Purified. I took it from Storious and made it my own.

Kento: We were amazed and shocked ourselves too.

Eli: We sure were.

Pajiramon: It is really something to see.

Bonecrusher: Even if he does come back, he'll be a lot easier to beat.

Nico: That's right.

Me: And it was really awesome that we turned his own book against him.

Laney: That is really cool.

Touma: You did really awesome guys.

Kouta: It sure was awesome seeing that in action.

Eli: No kidding there.

Callie Allbright: No kidding there. That was so awesome.

Me: The battle with Storious today was a great warm up.

Wheelie: This may not be all the Kamen Rider teams. But it's enough.

Nico: That's true.

Me: But nonetheless we still owe many of them a big thanks for helping us out in the 20 Days of Darkness.

Souji: That's true. It was awesome helping you guys out.

Nico: That's true. And in 2 days Megan meets Saber.

Megan McCallister: And I'm so excited for this one.

Megan Kiraton: Touma, I'm one of your biggest fans and I am a Saber Kamen Rider too.

She showed her Joyo Sylph Wonder Ride Book and her sword and it was cool.

Touma: Wow! That is awesome that you are one of us.

Lincoln: She is a really gifted girl and knows so much about different Kamen Rider series.

Me: She sure does.

Suddenly, Poromon and Poliwag started dancing.

Poromon: Why are we dancing?

Poliwag: I don't know. But I'm not complaining!

Scavenger: They only dance to Zocks' transformation music. That means the Zenkaigers are fighting a World!

Me: He's close. I sense him and the Zenkaigers fighting a world.

Eli: Me too. It's coming from the park.

Sakura Avalon: Yeah!

Nico: This is gonna be awesome guys!

Then Whirlwind, Ben Ravencroft, King Shark, Mysterio, Grundy, Skalamander, Living Laser, Dodgeball Wizard, Arbormon and Robo Roxy appeared.

Whirlwind: Can me, Ben Ravencroft, King Shark, Mysterio, Grundy, Skalamander, Living Laser, Dodgeball Wizard, Arbormon and Robo Roxy go with you guys?

Nico: Absolutely.

Vypra and ALL OF THE MASTERS OF EVIL then appeared.

Vypra: Can we come too?

Me: You sure can Vypra. That's also part of my plan as well. We're going up against a target that has all the powers of 45 years of Rangers villains in him. And Vypra, I'm afraid you're not going to like this but he has the powers of the Japanese version of Queen Bansheera.

Eli: You may know her as Grand Witch Grandiene.

Carter: Yeah.

Vypra: Wow.

Suddenly, Lincoln's deep sapphire blue eyes and the rainbow colored iris of Lincoln's Third Eye glowed even more, as he sensed two dark energy signals with his eyes and the Force, and he saw who the two figure is in the vision: the first figure was none other than Jezebel Lanira, and she's coming to kill us all for revenge for ruining her schemes, and she's now major leagued pissed off, and the second figure was none other than our old enemy, Tazma Grimm, and she's returned from the dead yet again to get revenge. When we saw it, we knew it meant trouble.

Nico: Uh oh, I know those glowing eyes from anywhere. Lincoln, is Jezebel Lanira on the move?

Lincoln: That's right, Nico, and she's coming to kill us all for revenge for ruining their schemes, and she's major leagued pissed off. But, there's another dark energy signal I sensed, and we're not going to like it one bit: that other figure coming after us is none other than our old enemy, Tazma Grimm, and she's returned from the dead yet again to get revenge.

We gasped in shock.

Nico: What?! But, I thought you and Solange Blanchefleur de Lux got rid of that shadow mage last year, Lincoln.

Lincoln: We did, Nico, we banished Tazma Grimm to Oblivion when we Super Hakaied her. But, this was before The Black Gates.

Me: Oh, that's right.

Piper: Ugh, even after we got rid of her, Tazma just refuses to take a hint.

Zarya: Lincoln, did Jezebel Lanira bring Tazma Grimm back from the dead, like she did with Sinclair T. Sharp and Michael and Michelle Malloy?

Lincoln: Afraid so, Zarya. But, Tazma really hates Jezebel for bringing her back and forced to do what she says, and I just know Tazma's going to kill Jezebel before we even get the chance to bring her to justice.

Celine Wendova: That's right, Lincoln, so, it's clear what needs to be done: Tazma Grimm's got to go for good.

Zarya: You said it, and I'm looking forward to ending her this time for good.

Me: And I'm also joining in for the fight as well, Zarya.

Lincoln: And then, once Tazma Grimm gets The Black Gates, Celine Wendova and I will take down that insane witch, Jezebel Lanira.

Nico: Awesome, and you're right, Lincoln: Jezebel Lanira still needs to face justice for her crimes, so we need to capture her alive, and Tazma Grimm's a murderous shadow mage who'll kill anyone who gets in her way. So, Tazma Grimm has got to go for good.

Eli: You said it.

We went to the park and we arrived.

RD Lola: There they are! And they're fighting Romance World!

Me: I remember that one! He wants to turn our dimension into a world of love. Hubba hubba.

Nico: (Laughs) That is funny but true.

Vypra: Yeah.

With the battle…

Zocks: (takes out Zyuranger gear) Let's see how he likes this!

He used the power of the Zyuranger World and smashed and slashed him all over.

Me: Nice one.

Nico: Lets use our traditional entrance.

Will Vandom: And I have something special.

We went at the battle.

Romance World: Spread the love!

But then…

KRABBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

A massive fiery explosion blasted out behind the Zenkaigers and fireballs rained down onto Romance World and exploded all over!

KRABBBBBBBOOOOOOOOOOOOOMMMMM!

KRABBBBBOOOOOOOOOOOMMMMM!
KRAABBBBOOOOOOOOOOOOOOOMMMMM!
KRABBBBBBBBOOOOOOOOOOOOOOOOMMMMMMMMM!

A phoenix cry was heard and then followed by…

Will Vandom: (Singing) Yo-ho-hoy- yo-ho-hoy- yo-ho-hoy-hoy! Hey! I am a World Pirate. In pursuit of treasure, I go from sea to sea! I am a pirate. In pursuit of freedom, I travel from world to world! I'll get my hands on it no matter what! And then I'll get a feeling that's two good! Yo-ho-hoy!

We flew out of the explosion and landed!

Nico: Surprise!

Zocks: Wow! Nice entrance!

Laney: Awesome to see you guys again!

Me: We saw the battle and we decided to drop in.

Dark Spicer: (To Romance World) Here's your warning: Your ass is about to be kicked!

Kaito: Awesome to see you guys here!

Zocks: And Will did you sing my song?

Will Vandom: I sure did. What can I say? Your song is really catchy and awesome. I love it.

Zocks: I'm glad you do.

Me: The mascots love your song too.

Nico: They sure do.

Chloe Bourgeois just got struck with Romance World's attack and hugged Zocks.

Chloe: Oh, you're so handsome! Did I mention how much I love bad boys?

Dodgeball Wizard: Didn't see that coming!

Zocks: (weirded out)… I think I'll just end this now. (takes out Magiranger gear)

He then activated the power of the White Magiranger.

Nico: YEAH!

Udonna: Wow that is amazing!

He fired a blast of ice and froze the Romance World into ice.

Me: I think you guys could use a little help.

I pulled out my Zenkai Cannon.

Me: (Turns Dial) ENDLESS GALAXY POWER!

I summoned the Changeman, Flashman, Fiveman, Megaranger, and Kyurangers!

Nico: YEAH!

Kaito: Touma, good to see you again!

Touma: Same to you, Kaito.

Magine and Reika looked very uncomfortable while looking at each other.

Magine: Reika, I really enjoyed that hug!

Reika: It was nothing, Magine. I was merely expressing my happiness at our friendship.

Marvel Loki: Wait. You hugged Magine?!

Reika: Yeah it was cool.

Me: Awesome that you guys know the Saber Kamen Riders.

Megan McCallister: It sure is and I start my Ambassador Missions with them in 2 days.

Kaito: That is cool.

Me: First lets deal with Romance World and then we'll tell you everything. KAAAAAAAA MEEEEEEEE HAAAAAAAA MEEEEEE HAAAAAAAAAAA!

I fired a Kamehameha Wave and it slammed into Romance World and he exploded!

MASSIVE FIERY EXPLOSION!

HE WAS DEAD!

Nico: Romance World you have failed this dimension!

Nico went and picked up the World gear and gave it to Vypra.

Vypra: Awesome job there. Romance World is perfect for the M.O.E.

Chloe snapped out of it and looked at who she was hugging.

Chloe Bourgeois: Zocks? (Blushing) Oh man.

She let go.

Chloe Bourgeois: What happened?

Grundy: Romance World go bye bye.

Nico: Yep.

Me: But it was pretty cool facing him. (Whispers to Kaito) Also I have this feeling that Chloe and Zocks are going to be a couple soon for real.

Kaito: (Whispers to me) How can you tell?

Me: I have this habit of picking up on these things.

Zocks: (To the Saber Kamen Riders) Uh no hard feelings?

Me: Oh right Zocks swiped one of your Wonder Ride Books in that awesome adventure. You guys aren't still pissed off about that are you?

Reika: As long as he does not do it again, there will be no problems.

Eli: Excuse me. But I must discipline-

Reika narrows her eyes at Eli and he actually backed away.

Meowth: You're not gonna bonk their heads?

Eli: She's actually scary!

Ryoga: Now, that's a little harsh. My sister is not THAT scary.

Me: Her death glare is really persuasive. But I have one that is more deadlier.

Nico: That's true.

Me: Also Eli no need for that. Zocks learned his lesson about that.

Zocks: Yeah.

Kaito: By the way J.D. I love your new hair style.

Me: Oh thanks. It's a trend that Rarity made for school. Rainbow Hair.

Rainbow Dash: She got it from me and it is totally awesome.

Me: Yep. Oh right we have two ranger teams coming and they should be here now.

Then the KIRAMAGERS And the Dino Fury Rangers came!

Juru: Hey guys!

Rarity: Juru! It's great to see you darling!

Juru: Hey Rarity!

They hugged.

Me: Zayto it's awesome to meet you and the Dino Fury Team in person.

Zayto: Same here J.D. and it's an awesome honor to meet you.

Nico: Yeah we were waiting for over a year and a half to 2 years for you to finish up on your adventures before meeting you in person.

Zayto: That's okay.

Ollie Akana: But it's great to finally meet you now.

Eli: Now we have all the Ranger Teams all here.

Skalamander: It's awesome that you guys can use the abilities of all the Sentai teams up until this point.

Kaito: Yep! Including Akibaranger, which we didn't know we had a gear for.

Me: That's a new series that came out earlier this year and is currently in progress.

Nico: Yeah the Donbrothers are currently in the middle of their own adventures right now. So we have to wait till 2023 or 2024 for them to join us.

Magine: Well we have all the time in the world for that.

Vypra: That's good.

Vanitas: But it's gonna be so awesome having you all with the team.

Kaito: It sure is.

Lola Ferrington: And it's even more awesome having Stacey as my archenemy too.

Laney: That is awesome.

Zocks: (to LeFou) FYI, Nico actually took my reprimanding of him very maturely. Motivating him with a song affliated with a sex offender wasn't necessary.

Me: That song that LeFou sang really helped big time too. It was awesome and really motivational too.

Nico: But I loved that song too. It was great.

Roy Koopa: Hey, we hate the sex offender, not the song.

Javi Garcia: Gaston might've been a jerk but that song was actually pretty cool.

Himiko Toga: I thought it was really awesome myself.

Me: Yeah. That song was awesome.

Eli: It's one of my favorites and it's really motivational.

Me: Yeah.

Baron Mordo: We all thought it was great.

Amelia Jones: It sure was.

Poromon got out 3 beer bottles.

Kaito: What are those?

Poromon: 3 bottles of beer!

Arbormon: And now, every Kamen Rider we've met so far, along with the Kiramagers and the Dino Fury Rangers, know about what Poromon likes.

Me: Just as long as they don't get drunk. Also Kaito, the Mascots love to drink.

Kaito: Digimon and Poromon that love to drink?

Me: Don't ask.

Zarya: It's funny but crazy and silly.

Kaito: Yeah. Darn shame not all the Sentai teams are here.

Me: Well its been 47 years since the Super Sentai series started and many of them have retired and moved on. The last time they helped us was back on December 26th, 2019 during the Battle with Thanos.

Laney: Yeah and that was the last job they did back then.

Me: Yep.

Secchan: Kaito! Guys! Super Warumono World has recently been spotted in the area! And he sent someone after you!

Izzy Garcia: I think I see who he sent.

Zayto: What do you see?

Izzy Garcia: Some African American guy with shades.

Dirt Boss: Fuck! It's Officer X!

Me: NOT HIM! I knew he was going to show up again!

Manaphy: (scared) Now known as Minion X! He's returned for his revenge!

Poromon: Relax! It's been 2 months since we last saw him. I'm sure he's forgotten all about us.

Just then, Officer X sniffed and saw the mascots.

Officer X: Mascots!

Zocks: You were saying?

Flint: Can someone explain who that is before he goes over and threatens us?

Me: You would not like this guy one bit Flint.

I went over his history.

---

Officer X is recurring antagonist of the TV show The Penguins of Madagascar. He is an insane ex-animal control officer who is obsessed with busting the penguins.

He was voiced by Cedric Yarbrough, who also voiced Colonel H. Stinkmeaner on The Boondocks and Gerald Fitzgerald in Paradise P.D

X first appears trying to capture Max, a stray cat the penguins previously befriended. When they crossed paths, he soon proves a worthy opponent to the penguins, managing to beat their attempts to defeat him, with his abnormal skills and abilities. With their options running out, they hide Max by disguising him as a wild cat. X buys one minute, but then Max accidentally blows his disguise the next while gloating. Luckily for him, Alice stops X from catching him by putting him with a female red Rhodesian slasher. Not one to give up easily, he decides to sit and watch till Max tries to bail. However the penguins manage to outfox him by disguising Mort as a rabid chihuahua to lure away from the cage then switching Max with the real wild cat, who attacks X.

He next appears after the penguins are spotted, and animal control is called. He quickly traps them with his fish trap, only for them to escape by blasting a hole through the bottom. It is then revealed that his van has laser drilling abilities. After it lands, the penguins flee through a topside tunnel. However, it manages to follow them up a nearby staircase. After a brief struggle, they disable the van. But X is still on their trail. They almost lose him by diving back into the sewers. It turns out he is already in front of them, causing Skipper to shout "Sweet Dixy Dridles! How much are they paying this guy?" Quickly the penguins pull a last minute plan and cut the sewage pipes above X to knock him down. It fails, leading to X trapping them. But while he was gloating, a doll blasts out of the clogged pipe and into X's face, followed by sewer water. Their plan did work, and they escaped. Afterwards X went on a rampage of destruction around the city, and as such lost his job.

He next appeared after some of Rico's roach friends were being bothered by him. After hours of waiting, they found out it was him. He captured three of them, then revealed he still had some of his old gadgets because he knew they'd cross paths again. X was ready to enact his revenge, only for private to cause the roaches to crawl into his suit causing him to run off. He also lost his mustache in this episode.

His next appearance was during a heat wave. The penguins got rid of Alice so they could go swim in the East River, only her replacement turned out to be Officer X (Now Zoo keeper X). Remembering the penguins he went over to them, and told them that they should have finished him off the last time they clashed, as now X was the boss, and he was ready for revenge. The penguins tried to escape at night only for X to catch them. Next they tried to tunnel out, only for X to catch them again. Next they tried using a secret back up air vent that not even Alice knew about, only for X to catch them a third time. They ran one way only to bump into X, then the opposite way, only to run into X again. They jumped down a into the sewer only to meet X again. They jumped out and jumped out and over all wall, only to be caught by X again.

Getting desperate, they built a flying machine, and got away, it was all going well, till Private pointed out that it was possible that he had anticipated their plan, and had stowed away in the cart, just below them, and that it was odd that when they ran around the zoo collecting parts, that they didn't see him, panicking the penguins tried to open the cart but were to scared in case X was actually in there, and he was about to jump out and say on of his witty one liners.

Annoyed at their silliness, Private opened the cart to show X wasn't in there. Relieved, they relaxed only to find out that X was hiding in the umbrella. He took out his taser and then knocked them off the cart. Skipper caught Private while Kowalski and Rico fell back down into their habitat in the zoo. Private jumped back onto the cart, only to find X there. The crazed man thought he was finally going to get his revenge when Skipper interfered and caused the till of the cash register that they were using as a steering mechanism, to knock him off, he fell and landed on Alice's taxi and was last seen as it drove away. He next made a cameo appearance in Rat Fink.

---

When I was finished everyone was shocked!

Zayto: Whoa! So he was after the Penguins and now he's after the Mascots!?

Mikey Kudo: Yeah it's a long story.

Me: He started going after the mascots at the beginning of the year when we went to the Blue Dragon world.

Zola: I remember hearing about that.

Me: Yeah it was nuts.

Officer X: Well, if it isn't the mascots. Seems the four of you made one tiny mistake the last time we met. (brings taser close to them) You didn't finish me off!

Horsea: Glad we can agree on something!

Officer X: (puts taser away) This time, I'm the one in charge thanks to my new boss. So if you're all thinking about doing heroic stuff, you better think again. Cause you're all in MY house now! (mockingly) Oh. What's the matter? You guys sweating under the hot sun?

Manaphy: Of course not. It's not even hot-

Officer X: GET USED TO IT! Because ths sun is nothing compared to the heat I'm bringing out of your puny butts! I am the Sahara in July. I am a fire alarm fury burning out of control! I am molten magma of mayhem! (walks off)

Flint: But what about Super Warumono World? We can't just forget about him.

Robo Roxy: Well, Minion X is gonna be all over the macsots and us every second of every day.

Juran: Don't worry! Every time he tries attacking the mascots, me, Gaon, Magine, and Vroon will send him packing!

Me: Soon it will be the last time we deal with a douchebag like him.

Lola: Yeah what a freak!

Clyde: He is such a dirtbag!

Lily: No kidding!

Then we heard screaming and then we saw Kudakks, the Zenkaiger Footsoldiers!

We were fighting Kudakks attacking civilians near a subway.

I fired waves of lightning and smashed them all over.

Grave Clobber: (punches a Kudakk) Without their boss, these Kudakks are pushovers.

Poromon: You said it! (Echoing) LIGHTNING JAVELIN!

He fired a blast of lightning from his head crest and it hit a bunch of Kudakks and destroyed them.

Just then, Officer X dropped down.

Officer X: Sorry, mascots. But you pipsqueaks are taking the Officer X-press. To nowence.

Juran: Take that yourself!

Juran fired his Geartlinger at Officer X, knocking him down.

I kicked him in the face and sent him flying!

Me: What a persistant asshole!

Juran: (to the mascots) C'mon! Let's see if anyone else needs help.

They nodded.

Lola: It's going to be one of those days.

King Shark just ate a squad of Kudakk's harassing an ice cream man.

King Shark: If you wanted ice cream, you should've just asked.

Nico: Yeah!

Nico punched a bunch of Kudakks all over.

Nico: WHIRLWIND SPIN!

The 6-Star Dragonball on his bracelet glowed and he fired a wave of wind that blew them around in a tornado.

Just then, we saw an X mark form on the wall and then, it exploded, revealing Officer X

Officer X: X marks the spot! (laughs)

Gaon: Here's my mark!

POW!

Gaon punched Officer X in the stomach, knocking him down. Gaon picked up the mascots as we searched for either civilians in danger.

Me: More Kudakk's for us.

We saw a bunch of kids being attacked at a playground.

Then we bashed the Kudakks all over.

We just saved a group of kids from some Kudakks.

Khybon: Another group of children saved.

Nico: Yep.

Officer X then showed up. Again!

Officer X: Allow me to blow your minds.

He got out a fan, which blew wind at the mascots, knocking them down.

Magine: How dare you! Mmm-mmm-Magine!

She used her magic to summon an anvil that hit Officer X in the head.

BLANG! OUCH!

Knocking him down.

Maria: Gotta love the classics!

Nico: Yeah! Nothing hurts more than getting hit in the head with an anvil.

Lola: Yeah that was awesome!

Eli: And this too.

Eli fired a blast of Force Lightning and it hit X and electrocuted him all over.

No matter where we went, Officer X was there.

French Narrator: (French Accent) 20 minutes later…

Manaphy: I don't understand it.

Poliwag: It's like he knows where we're gonna go.

The mascots were being carred by Officer X while being restrained by rope.

Officer X: It's seems I've turned your world… upside down! Hmm?

Officer X threw the rope down, knocking the mascots to the ground.

Slappy Squirrel: Persistent little drip ain't he?

Vroon: What goes down must come up!

Vroon fired his Geartlinger. Officer X avoided the blasts but that gave Zocks enough time to take out the GoGoV gear.

He used the power of the Titanium GoGoV and blasted X all over the place.

Me: Huh?

I saw something on Poromon.

Me: Poromon hold still.

I looked through his feathers and then I found something.

Me: Aha!

I pulled it off and it was a tracer!

Me: A Tracking Device! So that's how he was finding us all the time!

Nico: That conniving jerk!

Ben Ravencroft: It's one thing for us to lose battles, which rarely happens. But he keeps popping up at us with those one liners!

Zayto: Even the Sporix Beasts aren't this persistent!

Poromon: What are we going to do?

Zocks: Let's take Battleship CrocoDaiOh. No way he can follow us from there.

Nico: I like it!

We went onto Zocks's ship!

We saw that his ship was amazing.

Me: Wow! Zocks your ship is awesome!

Nico: Yeah it sure is cool.

Borth: Any sign of Officer X?

Majar: Nope. None.

Zocks: That's because we're high up in the air.

Stacey: No way he'll be able to Follow us

Me: Yeah.

Poliwag: Unless he stowed away into the ship before we left.

Zayto: Say what?

Poliwag: We'll, you have to admit, it's strange. We were preparing the ship for takeoff and didn't run into Officer X. Not even once.

Maria: What are you saying?

Poliwag: I'm saying that it's possible that Officer X stowed onto the ship before we took off.

Poromon: You don't think-

Lynn: Oh man! What if he comes at us with one of those one liners! Probably related to crocodiles!

Manaphy: He'll be like "Been a while, crocodile!"

Me: Guys calm down!

Eli: I'll sense if he is on here.

Eli did so and found nothing.

Eli: Nope nothing. He's not on here.

Rarity: Oh thank goodness.

Juru: Good that's a relief.

Just then, Officer X came down from the ceiling.

Officer X: Evening, guys. Just wanted some fresh… air!

Zocks got out the Gekiranger gear while Daiki got out the Rider Card of Zeronos.

Kamen Ride: Zeronos!

A copy of Kamen Rider Zeronos appeared and Zocks used the

White Gekiranger Power and blasted and smashed X all over.

Me: Okay this guy is really starting to get on my nerves!

I grabbed X and tied him up and then kicked him square in the crotch!

Officer X: (SQUEAKY VOICE) NOT IN THE KIWIS!

He then broke out of the rope.

Officer X: Well, well, well. Looks like I'm finally gonna get my payback! (about to strike Poliwag with taser)

Zocks: Sorry, Loser X! But no sail! (Takes out Kyuranger gear)

Kaito got out the Zyuranger gear while Tsukasa got out a Rider Card of Kiva.

Kamen Ride: Kiva!

Zocks used the power of the Crimson Kyuranger and they fired waves of energy and smashed him all over.

I then formed a spiked yo-yo and threw it and then it hit X straight in the crotch again and there was a nasty sickening crunch!

SICKENING CRUNCH!

Duncan: OHHOHOHOHO! X just took a num-yo in the num-yos!

We laughed at that one!

Zocks: Now THAT'S how you do a pun!

Living Laser: You said it! Now, let's have the usual battles after we put this guy away!

Me: I think spending eternity in the Saturn Nuthouse Maximum Security Section will do you some good jerkwipe!

Nico: Nice!

Kaito: I agree!

Nico: But first.

EXTREMELY SICKENING AND DEVASTATING CRUNCH!

Nico kicked X with devastating force into his crotch and an X-Ray image was shown and it showed X's pelvis disintegrating into dust and he was crippled for life!

Nico: Agent X you have failed these skies.

We had Agent X committed to the Saturn Insane Asylum forever.

Nico: That's what I would do to Flip.

Eli: Yeah.

Me: Okay who is up for the usual battles?

Steam Smythe, Mortal Kombat Scorpion, Cargill, Dr. Polaris, Toiletnator, Felix Faust, Killer Shrike, Gator Ghoul, Rowdyruff Boys and David Cain then appeared.

Nico: Steam Smythe, Mortal Kombat Scorpion, Cargill, Dr. Polaris, Toiletnator, Felix Faust, Killer Shrike, Gator Ghoul, Rowdyruff Boys and David Cain.

Steam Smythe: Boy that one was crazy!

Nico: No kidding!

Steam Smythe: Are you guys glad Officer X is finally locked up?

Poromon: We sure are!

Nico: Good riddance to that jerkface.

Mortal Kombat Scorpion: He was very persistent. I'll give him that.

Nico: Yep.

David Cain: But now, we finally caught him.

Me: Yeah thank goodness.

Toiletnator: (to Nico) Nice job defeating Dark Rey

Nico: Thanks. But that was really creepy.

Felix Faust: She'll make an excellent addition.

Nico: She sure will.

Me: Yeah!

?: I agree there.

A figure came out and it was MUTANTRUS from episode 17 of In Space!

---

The two villains soon continued their pounding of the formation until Alpha found the hiding location of several special Zords hidden on one of Jupiter's moons. The Rangers tried to fly away in the Delta Megaship, with the Astro Megazord being left behind to try and save the city from Darkonda, but Mutantrus managed to leap onto the outside of the ship and catch it in his mouth. In spite of this, he was thrown off of the ship when they activated their afterburners. Later on, after the Rangers acquired their Mega Vehicles, Astronema told Ecliptor to send Mutantrus to attack Andros in Mega V1. Mutantrus tackled Mega V1 off of Mega V3 and they plummeted back onto the Moon. Mega V1 was able to stabilize itself with boosters, leading to only the monster slamming into the Moon. He was temporarily overwhelmed by the Zord's missiles but turned the tide with his eye lasers which forced Mega V1 backwards into a rock where Mutantrus cornered it. Before he could finish it off, Mega V2, V4, and V5 appeared and blasted him back with their energy blasts. Mega V3 then came in for a landing and Mutantrus tried to destroy it with his lasers but it was unfazed and Mega V1 jumped on top of it. The Zords then combined their firepower to destroy Mutantrus, firing a barrage of missiles to distract him before ripping straight through his middle which made him explode. Darkonda was shortly there after slain for the first time when the Zords combined into the new Mega

Voyager.

---

Andros: Mutantrus!

Mutantrus: Been a while rangers.

Me: I remember you! You were sent to attack and destroy the rangers and do it mercilessly.

Mutantrus: Yeah that's right.

Laney: Whoa.

Mutantrus: This battle will probably be your most epic one yet.

Me: Yeah it will!

Lana: This is gonna be awesome!

Mutantrus: And we got 2 archenemies for Kaito and Zocks.

Out came 2 figures and they were MELONE and SETH!

---

Melone

**Melone** is a minor antagonist in *JoJo's Bizarre Adventure: Golden Wind* . He is an assassin who works for La Squadra Esecuzioni, who can generate automated Homunculi with of his Stand Baby Face and sending them after Bucciarati's group after La Squadra's failed attempt to kidnap Trish on an express train to Florence. Unlike most of his comrades, Melone is non-combatant and passive, preferring to take the backseat while giving detailed instructions to his "children" via his Stand that manifests as a laptop computer.

He is voiced by Hidenobu Kiuchi in the PS2 game adaptation of *JoJo's Bizarre Adventure: Golden Wind*, Kenji Nojima in *JoJo's Bizarre Adventure: All Star Battle* and *JoJo's Bizarre Adventure: Eyes of Heaven*, and Junji Majima in the anime. He is voiced by

Brian Hanford in the anime's English dubbed version.

Two years prior the events of *JoJo's Bizarre Adventure: Golden Wind*, La Squadra were rebelling against Diavolo's orders and demanded a more active role within Passione. When two of their assassins, Sorbet and Gelato, aimed to discover the truth of the Boss' identity, they were caught and brutally murdered by his command. Shaken by the outcome, Risotto Nero called off their coup, until two years after when they found out about Trish Una, Boss' teenage daughter.

After the deaths of Prosciutto and Pesci, Melone arrives at the scene to collect Bucciarati's blood sample. He then enters the train which was stopped by Pesci just a while earlier and enter the cabin of a young, hot-blooded upper-class woman, whose violent temper inspires him to use her as a mother for his new "child". Melone types down detailed information on the woman's blood type, birth date and condition in his Stand before using it to "impregnate" her with a Homunculus. How this occurs is unknown, as the woman shows no signs of physical injury or discomfort, nor is there any evidence of a physical birth. After the birth of Baby Face's newborn child, Melone teaches it to find and kill Bucciarati's group and capture Trish. He also instructs Ghiaccio to ambush them when they are about to leave towards Venice.

Baby Face's child steals Melone's motorbike and locates Bucciarati's group in a parking lot. It then enters Coco Jumbo and is instructed by Melone to capture Trish in a closet by breaking her into cubes. It also manages to incapacitate Bucciarati with a similar method. Giorno notices that they are under a Stand attack and destroys the closet before pulling the pieces back to the outside world. Unfortunately for Giorno, he is attacked by the Homunculus, which takes off his throat, eye and Achilles tendon by transforming them into cubes and disabling his ability to move or talk.

Giorno then realizes his Gold Experience's hidden ability to create life and replaces his missing body parts from multiple pieces of rock before attacking the Homunculus and destroying it by burning. Giorno transforms one of the Homunculus' cubes into a snake which then locates Melone by body heat and kills him by biting his tongue before being able to create another Homunculus, leaving Ghiaccio to do the rest.

Seth (King Cobra)

Seth is a large snake hybrid featured in the 1999 monster movie King Cobra. Seth was made in a lab by Dr. Irwin Burns, to experiment on animal aggression with. Combined of the DNA of a King Cobra and a diamondback Rattlesnake, Seth was dangerous, venomous, quick, and very very angry. When Seth was young he was injected with a chemical meant to increase his aggression, turning the already bad mannered cobra even more aggressive. Seth was contained in the lab at all times, but due to some rebel workers causing a explosion allowed him to cause three deaths. Afterwards he escaped the lab entirely and preceded to small animals and pets, and also causing a young boy to be frozen in fear from the sight of him. Seth soon outgrew the woodland prey and preceded to attack and eat the people of the small town of Filmore. Although Seth would also just kill people or animals that got to close or that he found, just out of anger (its also possible that Seth could have been doing it for sport or pleasure as well). Seth was shown to have some form of intelligence, as he quickly identified and figured out a trapped laid for him by the movie's heroes, and also played dead to lure a group of hunters near him so he could kill them. Seth was captured in the end, but after the wrong gas was pulled in his containment cube he was simply put in a deep sleep, later he brokeout and kept slithering on.

---

Me: Melone and Seth!

Maleficent 1959

**Maleficent** is the main antagonist of Disney's 16th full-length animated feature film *Sleeping Beauty* (which is based on the 1697 classic fairytale of the same name by the late Charles Perrault and the late Peter Tchaikovsky), a supporting antagonist in *Mickey's House of Villains*, one of the main antagonists of the *Kingdom Hearts* franchise, and the titular main protagonist of the live-action films *Maleficent* and *Maleficent: Mistress of Evil* .

In *Sleeping Beauty*, she is the arch-nemesis of the Three GoodFairies, Princess Aurora, and Prince Phillip. She is an evil witch who takes offense at not being invited to the christening of Aurora and attempts to get revenge on King Stefan and his people by cursing Queen Leah and Stefan's beloved daughter, Princess Aurora.

She is responsible for all the trouble and misfortune in King Stefan's kingdom. She also appears to have a hatred of the Three Good Fairies: Flora, Fauna, and Merryweather, her rivalry opposites who do all in their power to keep her overwhelming evil magic at bay. With her gothic, elegant design, dramatic and flamboyant animation, and unlimited arsenal of magic powers, Maleficent is one of the most popular and well-known Disney villains.

In the 1959 animated film, she was voiced by the late Eleanor Audley, who previously voiced Lady Tremaine in Disney's 1950 film, *Cinderella*, and Madame Leota in *The Haunted Mansion* . In subsequent appearances, she is voiced by Susanne Blakesleewho also currently voiced Lady Tremaine and Cruella De Vil. In the 2014 live action film and its 2019 sequel, she was portrayed by Angelina Jolie, who also played Grendel's Mother in the 2007 film adaptation of *Beowulf*, Lola in DreamWorks' *Shark Tale*, and Mrs. Nerse in *The Cleveland Show* .

At the christening of the newly born Princess Aurora, announced by Lord Duke, the Three Good Fairiescome to bestow three gifts on the child: Flora's gift is Beauty and Fauna's is Song. Before Merryweather has a chance to give the child a gift, Maleficent enters with her raven named Diablo, perched on her Staff. Mad at not receiving an invitation, she curses the child, decreeing that, before the sun sets on Aurora's 16th birthday, the child shall die by pricking her finger on the spindle of a spinning wheel, leaving everyone horrified about Aurora's doomed fate. She then leaves, cackling. Merryweather is unable to undo the entire curse herself, so she is able to alter it, so that Aurora will only enter a deep sleep which will be broken with true love's first kiss.

As Aurora's 16th birthday drew near, Maleficent punishes her Goons, who have stupidly been searching for a baby for sixteen years. She then sent Diablo, her Raven, to find the princess. Diablo discovers that Aurora, as "Briar Rose", is living with the Flora, Fauna, and Merryweather (who are posing as mortals) in a cottage in the woods. When the princess and the fairies return to the castle late that afternoon, Maleficent finds Aurora alone and, as a will-o the wisp-like apparition, lures her to a spinning wheel, forcing Merryweather, Flora, and Fauna to go after Aurora. Sadly, Aurora pricks her finger and falls to the floor, so the fairies arrive too late to save her and gasped when Maleficent scoffs at them for their inability to stop her. After revealing them the now sleeping Aurora, she disappears, leaving the fairies to weep over their failure to protect Aurora.

Following this, Maleficent and the Goons go to the cottage, where they wait for Prince Phillip, who had arranged to meet Aurora (whom he only knew to be "Briar Rose", a peasant girl). When he arrives, they capture him and take him to her castle at the Forbidden Mountain.

Flora, Merryweather, and Fauna rescue Phillip and gives him the Shield of Virtue and the Sword of Truth. This is noticed by Diablo, who fetches the Goons. The prince and fairies are still able to escape, and Merryweather turns Diablo to stone. However, Maleficent emerged from her apparent slumber, saw Phillip escaping, and attempts to strike him down with lightning. As he continues, she summoned thorns to surround King Stefan's castle. Enraged that Phillip, with some help from the Good Fairies, is able to hack through the thorns, she angrily decided to kill him in her own hands. She teleported to Stefan's castle and appeared before the prince. In order to stop him from breaking her curse on Aurora, Maleficent transformed herself into an enormous dragon.

The two battle in an intense and climactic duel. At first, Phillip appears to be no match for the dragon, but the three fairies have finally had enough of their rival's evilness and enchant Phillip's weapon with their spell, *"Now sword of truth fly swift and sure that evil die and good endure".* This was obvious that Maleficent was too destructive and dangerous to be left alive. He throws the sword, striking Maleficent through her heart. The dragon then fell from a great height in a cloud of black smoke and Phillip looks down to see that only her cloak remains. The Sword of Truth, still embedded in the robe, turned black.

After Maleficent was finally destroyed for good, Phillip goes to Stefan's castle and awaken Aurora with a kiss, breaking the spell, lifting the curse. Then everyone else awakens from their slumber, including King Stefan, Queen Leah, King Hubert, Sir Minstrel, and Lord Duke.

## Jafar

**Jafar** is the main antagonist of Disney's *Aladdin* franchise. He is the power-hungry Grand Vizier of Agrabah who serves as Aladdin's arch-nemesis and Iago's former owner and boss.

In all of his appearances, he was voiced and portrayed by Jonathan Freeman.

Jafar is introduced as the sinister Royal Vizier to Agrabah's Sultan who desires power over Agrabah. He is the second most powerful authority in Agrabah, answering only to Sultan Hamed. He is always accompanied by his sarcastic, devious pet parrot, Iago. Whilst presenting a charming and respectable exterior to Hamed and the people of Agrabah, he secretly holds everyone around him in contempt and manipulates people by means of hypnotizing him with a magical snake-headed staff, which he always carries on his person.

Even regarding his desire to marry Jasmine afterwards, it was solely so he could gain control of the throne and intended to kill her soon thereafter-though he later reneges on this in an attempt to make her his queen consort. He's traveled widely and amassed a wide knowledge of magical artifacts and legends. Until he uses Genie's powers to become a sorcerer, however, his magical abilities are limited to the use of such artifacts as he's collected, and his powers as an accomplished alchemist.

He also had some contacts within the Agrabah criminal underworld, including the thief Gazeem, whom he hired to find the Scarab half. He eventually managed gain it after some delays, although he was unable to retrieve the lamp after further delays that resulted in Gazeem's death, relating to a Diamond in the Rough. Undeterred, he returns to Agrabah, and upon learning from Hamed that Jasmine doesn't wish to marry a prince, offered to help in exchange for the Sultan's familial sapphire ring, with hypnosis being involved. After departing, however, he makes it clear to Iago that he intends to usurp the Sultan's authority. He later used Hamed's ring to uncover the diamond in the rough at his laboratory, eventually identifying the individual necessary to access the Cave of Wonders: Aladdin.

He then had the royal guards arrest Aladdin as a subtle means of recruiting him, although he did not expect Jasmine to have accompanied him (she had escaped from the palace earlier to avoid having to find another Prince at her doorstep). Nonetheless, when being confronted by Jasmine, he lied to her about having executed Aladdin. With Jasmine out of the way of his plans, he then made his way to the dungeons and disguised himself as an old prisoner, offering to help Aladdin escape from the dungeons in exchange for aiding him in retrieving the lamp from the Cave of Wonders. After accepting the deal, they then made their way to the cave. After Aladdin was accepted in to retrieve the lamp, Jafar then promised the former's reward to be given upon his return. Once Aladdin returns with the lamp, he begs Jafar for help him out of there, but Jafar orders him to hand over the lamp and he does so. Jafar finally retrieving it, attempted to give Aladdin his "reward" (the eternal reward of death), but Abu bit him in the wrist. Unbeknownst to him until after the cave collapsed, Abu also stole the lamp from him before he bit him. Jafar then screamed in rage and frustration at the loss of the lamp.

Afterwards, Jafar ended up reprimanded by Hamed for executing a prisoner without his consultation (Jasmine had informed him earlier of Jafar's supposed execution of Aladdin), with Jafar swearing that it won't happen again. Although Hamed forgave Jafar instantly, Jasmine was still furious with him, and vowed to "get rid of him" once she eventually rises up as queen. The furious Jafar takes her threats to heart, fuming over the fact that not only has he lost the lamp, but is also in danger of losing his head should he fail to somehow take control of Agrabah. As he contemplates on the matter, Iago suddenly concocts a new plot, advising Jafar to take advantage of Jasmine's enforced marriage by marrying her, himself. Once he is legally dubbed sultan as a result, he can dispose of his wife and her father, ridding himself of his enemies and maintaining complete power. Jafar is enticed by the idea, and carries it through by using a fake provision in the law that would allow a royal vizier to marry a princess, as a means to "solve" the Sultan's problems of finding a suitor for Jasmine. Hamed, for a number of reasons, is not keen on the idea, forcing Jafar to result to hypnosis.

Before the power of the snake staff can take full effect, Hamed is freed from his trance by the sounds of fanfare entering the city, which is revealed to belong to the flashy introductory parade of visiting suitor, Prince Ali (Aladdin in disguise). Jafar immediately sees Prince Ali as a rival for Jasmime's hand in marriage, and plots to secretly have him killed. That night, he was afraid that his plot to marry Jasmine and become Sultan would be ruined by the Prince, so the vizier orders the guards to kidnap Ali and ensure he's never found. When he returns to the palace, Jafar successfully hypnotizes Hamed, forcing him to abide the marriage between the former and Jasmine. Jasmine refuses, declaring that she chooses Prince Ali, but Jafar explains that "Prince Ali left", until the prince suddenly reveals himself to be alive, and accuses Jafar of attempted murder. Jafar tries to cover his crimes by hypnotizing Hamed into believing the former's claims, only to accidentally reveal the power held by his staff, which Ali destroys after Ali is saved by Genie from drowning. Hamed is freed, and Ali reveals Jafar's treachery.

Furious, Hamed tried to have the guards arrest Jafar, though he managed to escape with a smoke bomb, although not before glancing the lamp inside Ali's turban, eventually able to deduce Ali's true identity. He then revealed this to Iago, and ordered him to steal the lamp from Aladdin, which he succeeded in the following day while Ali is still upset about his error that he made to Jasmine and told Genie that he is unable to make his final wish to free him, which resulted in Genie going back into his lamp. Jafar, observing the marriage announcement from his lab, then unleashed the Genie, making him the new master of the lamp, declaring his wish to become the sultan of Agrabah.

A hostile take over commences, with a demonized Genie destructively placing Agrabah's palace on a mountain top, with Jafar simultaneously declaring himself as the new sultan to Jasmine and her father. After not receiving the respect he desired from the two royals, Jafar wishes to become the most powerful sorcerer in the world, in order to strike fear into them, instead. When Ali tries to intervene, Jafar exposes the prince by revealing his true identity to be Aladdin to Jasmine as a form of humiliation, before banishing him, Abu, and the carpet to the Arctic to freeze to death.

With Agrabah finally under his control, Jafar spends time torturing the former Sultan, until directing his attention to Jasmine, whom he wishes to become his queen, after a first attempt to have her betroth to him willingly had failed. Although Genie claimed that Genies can't make people fall in love, Jasmine seeming made the wish come true, seductively flirting with Jafar as if madly lustful towards him. Too caught up in his own pleasure to realize this is a ruse, Jafar eventually discovers Aladdin trying to retrieve the lamp, merely inches away from the object at that point. Before the street rat can defeat him, Jafar fought against Aladdin with all of his powers, eliminating his aids (Jasmine, Abu, and Carpet) and reclaiming the lamp.

When called a "cowardly snake" afraid to fight for himself by Aladdin, Jafar responds by transforming himself into a giant cobra, and instantly attacks. Though Aladdin proves to be a valiant warrior, Jafar eventually overwhelms him by trapping the street rat within his coils. Threatening to crush him to death, Jafar taunts Aladdin's helplessness, though the latter retorts by claiming Jafar isn't as powerful as he wishes to believe, claiming the Genie is still the most powerful being in the universe as he gave Jafar his power in the first place. Realizing what Aladdin says is true, Jafar's lust for power prompts him to use his final wish to become an all-powerful genie.

Genie reluctantly grants the wish, and Jafar is turned into a monstrous genie with blood-red skin-subsequently seizing control of the cosmos and declaring himself ruler of the universe. However, Aladdin notifies Jafar that the power of a genie has cost his freedom (as genies aren't free entities), revealing that the evil genie is now equipped with his own black lamp prison, which quickly begins to suck him inside. Realizing this too late, Jafar tries to escape by grabbing onto Iago's tail feathers, but to no avail, merely dragging the panicked Iago to imprisonment alongside him. Foiled and trapped by his own greed, Jafar's magic over Agrabah and its inhabitants are undone, and peace is restored within the kingdom. Jafar's lamp is left in Aladdin's possession, who hands it over to Genie, who sends the lamp flying to the Cave of Wonders, where the bickering Jafar and Iago would be forced to remain, as prisoners, for at least 10,000 years. Aladdin then apologizes to Jasmine for lying to her about being a prince and procceeds to give in his third wish to free Genie before settling into a relationship with Jasmine after the Sultan changes the law to Jasmine marrying anyone who is non-royalty and Jasmine happily chooses Aladdin.

Jafar returns as the titular main antagonist of *The Return of Jafar* . After Iago escapes from the lamp, Jafar demands that he be released, but Iago refused as he has enough of Jafar's behavior and instead drops Jafar's lamp into a well before leaving. However, Jafar was released from his lamp by a small-time thief named Abis Mal, but finds himself unable to kill Aladdin as he can't use his powers as a genie to kill the latter. However, seeing that Jafar holds a grudge against Aladdin, Abis Mal (who too holds a grudge against Aladdin for foiling one of his heists earlier in the film) offers a team-up with Jafar: he will help Jafar dispose of Aladdin permanently in return for his three wishes. Agreeing to Abis Mal's deal, Jafar asserted his power by tricking Abis Mal into wasting two of his wishes before making him return to Agrabah. Once in the palace, the sorcerer revealed himself to Iago and forced him to play along with his evil plans, despite Iago being so uneasy about this.

The next day, Aladdin and Hamed departed to have a discussion at a place suggested by Iago. After they left, Jafar confronted the Genie and Abu in the Palace gardens and showed his power, imprisoning the pair. Meanwhile, Aladdin had a talk with Hamed that earned his acceptance as the future grand vizier. When Aladdin thanked Iago, he was ambushed by Abis Mal and Jafar, the latter disguised as a squad of flying horsemen. Hamed was kidnapped and Aladdin thrown into the raging river. However, Jafar spared his life in order to exact his revenge in the most painful way possible: by splitting him away from all his loved ones. To this purpose, he left false evidence and masked himself as Jasmine to implicate Aladdin with the alleged murder of Hamed and Aladdin was thrown into the dungeon to be executed by means of beheading come morning.

However, a remorseful Iago manages to free Genie so he could save Aladdin just in time and the Genie freed the others afterwards. Once free, Aladdin volunteered to attempt to stop Jafar, whom he decided was too dangerous to be left alive. Genie told Aladdin that in order to kill Jafar, his lamp must be destroyed before Abis Mal uses his third wish to set him free. During the final fight, all of the heroes were either knocked out or unavailable. It looked like Jafar was going to finally get rid of Aladdin and the others. However, Iago tried to attack Jafar in Aladdin's defense. The sorcerer managed to hit Iago and nearly killed him, but the bird managed to muster up enough strength to kick his former master's lamp into the lava, destroying the lamp and killing Jafar for good.

## Oogie Boogie

The **Oogie Boogie Man**, better known as **Oogie Boogie**, is the main antagonist of Tim Burton's 1993 animated stop-motion film *The Nightmare Before Christmas*, as well as its 2005 video game prequel *The Nightmare Before Christmas: The Pumpkin King*, its 2005 video game sequel *The Nightmare Before Christmas: Oogie's Revenge*, and a major antagonist in the *Kingdom Hearts* series.

He is the personification of the common child's nightmare of the "Boogie Man", resembling a large burlap sack full of bugs, spiders, and snakes. He is Jack Skellington's archenemy.

He was voiced by Ken Page.

In the video game prequel to the film, Oogie's origins and the birth of his rivalry with Jack were revealed: As it turned out, he once had his own holiday known as Bug Day, which was most likely forgotten by the people of the real world and thus vanished. Unfortunately, Oogie escaped, found Halloween Town, and decided that it would be the new Bug Day. He and his army of insects invaded the town and nearly took it over. Jack found out and he defeated the bugs and Oogie. Oogie survived the battle, learned to fear the Pumpkin King, and was banished to his underground lair.

During the time that Oogie was imprisoned in his lair and plotting his revenge, Lock, Shock and Barrelrevealed the existence of Santa Claus to him. Later, the trio kidnapped Santa and (against the wishes of Jack Skellington, who held Oogie in great contempt) sent him down to his lair beneath their Treehouse home. After introducing himself, Oogie binds Santa to a giant roulette wheel and prepares to torture him. Later on, Sally attempts to rescue Santa from Oogie, but she ends up being captured herself. Following Jack's failed escapade as Santa Claus, Oogie tried to kill his captives by cooking them in his snake and spider stew but was stopped by Jack.

Jack confronts Oogie, who activated his robot killing machines and trapped him in response, but the latter acrobatically evaded the devices and managed to reach Oogie. Oogie tried to escape on a propeller, but Jack shouted "How dare you treat my friends so shamefully!", indicating that Oogie was too dangerous to be left alive. The pumpkin king then pulled a loose thread on him, which opened him up revealing he is composed entirely out of bugs and caused about 90% of his bugs to fall into his own burning stew. He fearfully screamed his last words "My bugs!", and his voice then changed to insects, faded from existence, and left only squeaks. Albeit most of the insects fell to their deaths in Oogie's stew, one of them, presumably the leader, tried to escape his fellows' fate, but was ultimately crushed to death by Santa with his feet. It is completely unknown if any bug from Oogie's bag survived the ordeal, but if some of them did so, they most likely escaped from Oogie's lair and went to live normal lives as ordinary insects.

In the 2005 video game sequel *The Nightmare Before Christmas: Oogie's Revenge*, Oogie was resurrected by his three henchmen, Lock, Shock, and Barrel, who sewed him back together. He quickly deceived the residents of Halloween Town and tricked the townsfolk into making traps for his archenemy, Jack Skellington. Oogie attempted to become the "Seven Holidays King". He successfully kidnapped the real leaders and tried to murder Santa Claus again, but his plans were foiled by Jack. Oogie desperately put up a fight by turning into a gigantic, junk-filled version of himself named "Mega-Oogie". He was then again destroyed by Jack, reducing into nothing, apparently ending Oogie's threat once and for all. However, he could still be resurrected once more like in the past.

## Ursula

Ursula, also called The Sea Witch or Vanessa in her human form, is the main antagonist of Disney's The Little Mermaid franchise.

She serves as the main antagonist of Disney's 28th full-length animated feature film The Little Mermaid (which is based on the 1837 Danish fairytale of the same name by the late Hans Christian Andersen), the TV series of the same name and the posthumous overarching antagonist of its sequel The Little Mermaid II: Return to the Sea. She is also one of the secondary antagonists in Mickey's House of Villains.

She is Ariel and Triton's arch-nemesis and is loosely based upon the sea witch in the Hans Christian Andersen fairytale of the same name. Her fervent confidence, flamboyance and theatrics have made her one of the most popular and iconic of all of the Disney villains and she quickly became one of the franchise's primary members following her debut.

In all of her appearances, she was voiced by Pat Carroll, who also voiced her sister Morgana. In her human disguise of Vanessa, she was voiced by Jodi Benson in her first villainous Disney role, who also voiced Ariel in the same film. In the musical, she was portrayed by Sherie Rene Scott. In the TV special, she was played by Queen Latifah. In Descendants 2, she was voiced by Whoopi Goldberg, who also voiced Shenzi in The Lion King. In the upcoming live-action remake, she will be portrayed by Melissa McCarthy, who also played DNAmy in Kim Possible, Diana in Identity Thief and Sean Spicer in Saturday Night Live.

Ursula belongs to a race of creatures known as Cecaelia. She states through a monologue that she once lived in the royal palace with King Triton and the royal family, the king of the underwater city of Atlantica. She boasts that her previous life was lavish and included such spoils as "fantastical feasts.

By the time of *The Little Mermaid*, Princess Ariel's story, takes place, she is an exiled subject of King Triton's royal sea court. She was banished from the kingdom of Atlantica after it was rumored that she was trying to overthrow him. When Triton found this to be true, Ursula was forced to live on the abandoned outskirts of the ocean, away from the rest of the Seafolk and the Mer-Civilization.

As a way to survive, she took up the skills of dark magic and secretly spy on Triton and his people via her magic cauldron, all in efforts to one day take over his kingdom and become the ruler of the ocean. Ursula made her home in the belly of a giant dead leviathan with her "pet" seaweed-like eels called polyps, which are forever imprisoned into the ground in her underwater "garden" (which is at the entrance of her chambers).

The polyps are usually seen crying in agony, hoping others could avoid their fate and even wrapping themselves around the limbs or wrists of new visitors who are interested in making a deal with Ursula (as they did with Ariel, although Ariel managed to get free). Occasionally, they are fed dead fish by Ursula. After Ursula was killed by Prince Eric they were freed from her polyp curse.

Over the years, Ursula has become one of the most popular and iconic of all of the Disney villains, and is one of the franchise's official members. The character has been compared to Madame Medusa from the 1977 animated Disney film, *The Rescuers*, in terms of style, dramatics, and choice of minions. Her character is also based upon "Divine", an American performer, actor, singer, and Drag Queen, who was associated with the legendary independent filmmaker, John Waters.

Ursula appeared in the TV series based on the movie (though clearly set before its events), as well. She appeared in four episodes as the primary antagonist ("Against the Tide," "Tail of Two Crabs," "Heroes," and "Ariel's Treasures"), still opposed to Ariel and her allies. The show somewhat contradicts the events of the film in which Ariel confronts Ursula directly, when they only meet in the film.

In "Against the Tide", Ursula is having trouble with one of her spells which she believes is because of a Sea Creature that is said to cause bad luck whenever it's around, so Ursula decides to destroy the creature though unfortunately for her, Ariel rescues the creature, as she believes it to be harmless. Eventually, the creature's whereabouts have been relocated to Triton's palace. So, in order to get rid of the creature, Ursula invades the castle King Triton's homecoming. She nearly kills the creature using Triton's stolen trident but Sebastian swapped it out with a fake on unknown to Ursula who flees after believing she destroyed the creature.

In "Tail of Two Crabs", Ursula takes advantage of Sebastian's jealousy towards his rival Zeus the Crab. She offers Sebastian a wish as his supposed Fairy God Crab only if he can recover a rare artifact holding great power. Sebastian delivers, and Ursula uses the artifact to turn King Triton, Flounder, and Ariel into sea worms. Unfortunately for her, Zeus the Crabe is able to subdue Ursula and revert her curse foiling her plan and causing her to retreat.

In "Heroes", Ursula decides to revive her old army in an attempt to dominate Atlantica once more. however, Apollo who had previously defeated Ursula and her army before returns to Atlantica, and prevails with the help of the fire-breathing Sea Dragon.

in "Ariel's Treasures", Ursula enchants the human items in Ariel's grotto, in an attempt to wreak havoc on Atlantica though her plan fails once again.

Ursula is the cunning, loathsome, and treacherous Sea Witch who makes deals with Seafolk and Mer-People. If they succeed, they get their heart's desire. If they fail, she adds them to her "Garden", which is a collection of pitiful looking humanoid sea creatures who have grown into the floor.

Ursula throughout the film watches over Ariel believing her to be the key to Triton's undoing. Eventually, she is proven correct as Ariel falls in love with a human named Prince Eric which is against Triton's rules. Once Triton destroys Ariel's entire collection of the human world artifacts she orders Flotsam and Jetsam to lure Ariel to her lair. Once Ariel arrives, she claims that only she can help make the princess' dreams of living on the surface, beside her true love, a reality.

Via her song " *Poor Unfortunate Souls* ", she offers Ariel the chance to be human for three days. If she can get the prince to give her "the kiss of true love" the condition of being human would be permanent, but otherwise she would be Ursula's property. Ariel thought that Ursula was there to help her, but in reality the thing that Ursula cared about was returning to Atlantica and revenge on Triton.

Ariel accepts the deal, and Ursula, true to her word, turns her human right then and there, at the cost of her beautiful singing voice. Later in the movie, Ariel is "too close" to accomplishing her goal, so Ursula decides to "take matters into her own tentacles".

And by using her powers, she sabotaged Ariel and disguised herself as a beautiful dark-haired woman named " **Vanessa** ", and uses her magic to put Prince Eric in a deep zombie like trance, misdirecting him into believing she saved him from the shipwreck forcing him to marry her. Ariel and her friends crash the wedding, and though they managed to stop it and release Ariel's voice from Ursula's enchanted necklace, Ariel is too late.

Ursula reverts back to her natural form and kidnaps the mermaid. Her father King Triton, who had been warned earlier by Ariel's friend Sebastian, tries to stop Ursula, but Ursula hides behind the contract, demonstrating that it is "legal", "binding", and completely unbreakable, even for someone as superior and powerful as Triton.

The heartbroken King Triton saves Ariel and agrees to take her place, and while Ariel is released, Triton is now Ursula's prisoner. Ursula finally accomplishes her goal of being the unquestioned ruler of the seas. She almost aims the trident at Eric and vaporizes him, but an angry Ariel attacks her. However, she is angered when Ariel causes her to aim the trident at Flotsam and Jetsam and vaporize them by pulling on her hair.

After momentarily mourning the loss of Flotsam and Jetsam, she then becomes enraged and grows into a giant monster that reaches the surface and causes a big storm in the ocean, which brings lighting, rain, fierce waves and strong tides. She then traps Ariel in the bottom of a whirlpool she has made and shoots bolts of energy at the mermaid in attempts to destroy her. Luckily Ariel manages to dodge her aim twice.

Thankfully, just as she is about to at last vaporize and destroy Ariel, Ursula is impaled on the bow of a sunken ship piloted by Eric, which prevents her from firing the energy blast. The shipwreck conducts a lightning strike, painfully electrocuting and killing Ursula, who disintegrates into a gelatinous mass. After Ursula is deceased, all of the merpeople she kept under her spell, including the king, were transformed into their rightful forms and released from Ursula's lair. Her spells were broken forever, and her wrath and dishonesty were put to an end for good.

Due to her death, Ursula doesn't physically appear in the sequel, but is mentioned several times and is seen in a picture. Plus, she is revealed to have a sister named Morgana (also voiced by Pat Carroll), who acts as the primary antagonist of the movie. It is revealed that Ursula was far more powerful than her sister, and as such was the family favorite. Morgana has been trying to come out of Ursula's shadow her entire life. It is also shown in the deleted song, "Gonna Get My Wish Tonight", that both Ursula and Morgana mutually disliked each other, as Morgana despises Ursula for being the favorite while Ursula considered Morgana to be an embarrassment.

Despite their strained relationship, Morgana vowed to avenge Ursula's death by claiming the trident for herself. When Morgana finally claims the trident and forced all sea creatures and merfolk (including Triton) to bow down to her as the ruler of the seas, she cries to the skies to her late mother that she is now the favored daughter. However this was short-lived, as Ariel and Eric's daughter Melody manages to steal the trident back and tosses it back to Triton, who promptly declares Morgana and Ursula's family won't threaten his family again before he encases Morgana in ice. As she sinks to the bottom of the ocean, the picture of Ursula (at which Morgana regularly threw darts) slowly sinks down with her.

At the end of the film, after Morgana is imprisoned frozen in an iceberg by Melody and forced to sink to the bottom of the sea, the framed picture of Ursula Morgana owned sinks alongside her. Morgana's defeat also mirror's Ursula's.

In the deleted song a younger Ursula makes a brief appearance in the form of a flashback, alongside Morgana and their mother. The scene also gives a visual representation of Ursula's past and relationship with Morgana. In their youth, Ursula wears a purple bow tied to her hair.

Captain Hook

**Captain James Bartholomew Hook**, also better known as **Captain James Hook** and simply known as **Captain Hook**, is the main antagonist of Disney's *Peter Pan* franchise, one of the secondary antagonists in *Mickey's House of Villains*, the main antagonist of the *Disney Fairies* movie *The Pirate Fairy*, and the on & off main antagonist of the Disney Junior show *Jake and the Never Land Pirates* . He is the archenemy of Peter Panand Jake.

In the sequel, he was voiced by Corey Burton, who also played Count Dooku in the *Star Wars: The Clone Wars*, Onus in Disney's *Treasure Planet*, Quint in Disney's *Timon & Pumbaa*, Jones in Disney's *Tarzan*, and Shan Yu in *Kingdom Hearts II* . In *The Pirate Fairy*, he was voiced by Tom Hiddleston, who also played Loki in the *MCU*, and Lord Nooth in *The Early Man* . In the upcoming live-action remake, he will be portrayed by Jude Law, who also played Billy Hanson in " *Midnight in the Garden of Good and Evil*, Harlen Maguire in *Road to Perdition*, Tony Shepard in *The Imaginarium of Doctor Parnassus*, Pitch Black in *Rise of the Guardians*, King Vortigern in *King Arthur: Legend of the Sword* and Yon-Rogg in *Captain Marvel* .

In the Japanese dub from the movie and game, he was voiced by the late Chikao Ōtsuka, who also played Dr. Ivo "Eggman" Robotnik and Professor Gerald Robotnik in *Sonic* franchise, Master Xehanort in *Kingdom Hearts* series, Jagi in *Fist of the North Star*, Jinpachi Mishima in *Tekken 5*, Senoh in *Street Fighter II: The Animated Movie* and Berthold Gregor in *Valkyria Chronicles*, he was by Masashi Ebara, who also played Erazor Djinn in *Sonic and the Secret Rings*, Deus in *Asura's Wrath*, Ganryū in *Bleach*, Azwel in *SoulCaliber*, Dyrandoh in *Kaizoku Sentai Gokaiger*, The Servant in *Heart of Darkness*, PP Rappa in *Gekisou Sentai Carranger*, and

Kouya in *Kekkaishi* .

In the movie which is set before any of the Peter Pan films he was simply referred to as **James** . Before the events of *Peter Pan*, James was originally first shown to be a cabin boy. He was seen with a few pirates complimenting Zarina about her plan on stealing the blue pixie dust. At first, it appeared that Zarina was the captain of the pirate crew as well as James' best friend. However, after Zarina taught him how to fly, James revealed himself to be the true villain by locking Zarina in a glass lantern and that he was the real captain of the ship.

His goal was to use the Pixie Dust Tree to make his ship fly out of Never Land and pillage towns. While Tinker Bell and her friends recovered the blue pixie dust, James tells them to give it to him or that he'd drown Zarina in the ocean. After getting it back, he throws Zarina in the ocean anyway. During the final battle, Zarina overflows James with pixie dust, causing him to fly out of control, falling into the ocean, and getting bitten by Tick-Tock (as a baby). In the epilogue, he meets Mr. Smee for the first time and tells him to help him out of the water.

The best-known version of Captain Hook appeared in the 1953 Disney animated film *Peter Pan*, where he became one of Disney's most memorable villains. When Hook is first seen, he is plotting his revenge against Peter for the incident with his hand. He is seen looking for the location of Peter's hideout, and he (along with Mr. Smee) abduct the native princess Tiger Lily, believing that she may have such information. They interrogate her at Skull Island, but are thwarted by Peter and the crocodile that ate Hook's hand.

Later on, Hook finds out that Peter had banished Tinker Bell for her attempt on killing Wendy, and uses the situation to his advantage. He gets Smee to bring Tinkerbell to the ship, and Hook goads her into revealing Peter's hideout. However, Tinkerbell makes Hook swear he won't lay a hand (or hook) on Peter. After his crew abducts Wendy, John, Michael, and the Lost Boys, Hook places a time bomb disguised as a present in the hideout, initially breaking his promise. With the help of Tinker Bell, though, Peter survives, and he goes back to the ship to confront Hook and free the children. Hook and Peter engage in a long battle, but Hook and his crew are ultimately defeated, and Hook is seen swimming for his life from the crocodile.

In the 2002 animated sequel *Return to Never Land*, Hook kidnapped Wendy's daughter Jane and took her as leverage to try and get what he wanted he knew where Peter Pan first met Wendy. When he found out that she did not want to be at Never Land, Hook promises her that if she would help him with what he wanted that he would help her with what he wanted. To do so, he made up a story in which he claims that he wants to see his "Dear Sweet Mother" back home so they would have common ground. After kidnapping Peter Pan and the Lost Boys, Jane and Tinker Bell (who was brought back to life) came in to retaliate. He and his crew are defeated by Peter and once again falls prey to an orange octopus, bizarrely familiar to the ticking crocodile from the first, and flees with the whole crew while the main protagonists celebrate their victory. It is unknown if Hook was eaten alive by the octopus or not.

Captain Hook acts as Jake's archenemy in Jake and the Never Land Pirates. Like the movies, he is the boss of Smee and has two other henchmen named, Sharky and Bones. Unlike the movie version, however, Hook is less cruel and is more playful in this version.

It is implied that after Peter Pan and Tinker Bell left Never Land, Hook stayed behind in order to take over the island, prompting Pan to leave 3 pirates, Jake, Izzy, and Cubby on Pirate Island to prevent his old foe from winning. Hook's most prominent (and darkest) role is in the final episode, *Captain Hook's Last Stand* where he obtains the Doom Stone and turns Peter Pan into stone. Unfortunately, the stone's side-effects involve Hook's heart turning to stone, molding him into a dark hearted pirate even more dangerous and powerful than his film counterpart. His plans on taking over Never Land are eventually thwarted by Captain Jake and his Never Land Pirates, who free Peter Pan, and revert Hook back to normal.

The series could be non-canon to the films, due to timeline issues and Hook being downplayed to being bumbling and playful instead of being elegant and murderous.

Captain Hook is also in the House of Mouse guest.

Captain Hooks wants to take over to the House of Mouse and sing the song "It's Our House Now". However, he and the all of the other villains (except Jafar) immediately scatter out the House before the House of Mouse is restored once again.

Hook made a guest cameo at the end of the second episode of Raw Toonage, in which Don Karnage was hosting a segment on treasure hunting. When Karnage finds the treasure chest in question, Hook appears and claims it as his own. They then engage in a swordfight, which Hook wins by pinning Karnage to a tree. Hook makes a brief appearance in the animated short Electric Holiday, watching in the crowd as Cruella De Vil walked down the runaway in a fashion show. A portrait of Hook can be seen in the first episode of the miniseries *Descendants: Wicked World* .

## Lex Luthor

**Lex Luthor** is one of the main antagonists of the *DC Animated Universe* . He served as one of the main antagonists of *Superman: The Animated Series*, the main antagonist of *Justice League* and one of the two main antagonists of *Justice League Unlimited* (along with Brainiac). He is a billionaire and a brilliant criminal mastermind who is destined to take control over the world and is one of Superman's greatest enemies.

He was voiced by Clancy Brown, who also portrays Mr. Krabs in *SpongeBob SquarePants*, Savage Opress in *Star Wars: The Clone Wars*, Byron Hadley in *The Shawshank Redemption*, Viking Lofgren in *Bad Boys*, The Kurgan in *Highlander*, Undertow in *The Little Mermaid II: Return to the Sea*, Long Feng in *Avatar the Last Airbender,* Dr. Neo Cortex and Uka Ukain *Crash Bandicoot*, Hakon and Wolf in *Gargoyles*, Hades in *God of War*, Mr Freeze in *The Batman*, Grune in *Thundercats*, Mr. Sinister in *Wolverine and the X-Men*, the Evil Entity in *Scooby-Doo! Mystery Incorporated*, Rahzar in *Teenage Mutant Ninja Turtles*, Surtur in *Thor: Ragnarok*, Edgar Volgud in *Atlantis: Milo's Return*, General McGuffin in *Wander Over Yonder*, and Kojak in *Recess: School's Out* . When possessing The Flash he was voiced by Michael Rosenbaum, who also played Lex Luthorin *Smallville* .

### *Superman: The Animated Series*

Lex Luthor is the founder and CEO of LexCorp. He grew to resent Superman when he stole his spotlight as Metropolis' savior and usually invested heavily in some of the Man of Steel's greatest foes, such as Metallo and Livewire. He sought to kill Superman for shutting down his major operations and costing him a lot of money. Although Superman already put away many of Luthor's co-conspirators, he could never convict Luthor himself due to lack of evidence. He was also known for his betrayals on many associates, causing many to leave LexCorp; the only one left was Mercy Graves. Lex also is shown to hate Batman as well, as he is an intellectual rival who teamed up with Superman to fight him when he and Joker teamed up, preventing Superman from being killed by Joker's kryptonite in the process. In Legacy, he was thrilled that the whole world turned against Superman when Darkseid brainwashed him and let him loose to take over and invade Earth. But Superman snapped out of it and earned the world's trust back and dismissed the charges against him.

## *Justice League*

Luthor later fought the Justice League, but was subsequently defeated, exposed as a crook, and sentenced to prison. He also learned that he had a terminal form of radiation poisoning as a result of carrying around a chunk of Kryptonite for years, leaving him with only a few more months to live. He then joined up with Cheetah, Star Sapphire, Shade, Copperhead (who would be in jail and replaced by the Joker), Solomon Grundy, and Ultra-Humanite, forming the Injustice Gang, in an attempt take down the Justice League, but failed. Luthor later "redeemed" himself by aiding the Justice League in defeating the Justice Lords and was given a full pardon.

## *Justice League Unlimited*

After being freed from prison and cleared of all charges, Luthor reestablished his company and later entered politics and ran in the U.S. Presidential Elections. However, still bent on destroying Superman, he created Project Cadmus and succeeded in ruining the Justice League's reputation twice: once by causing Superman and Captain Marvel to fight each other, causing great destruction in the city, and again by taking control of the Watchtower's orbital cannon and causing it to fire on a Cadmus-related building in New Mexico.

Luthor's malevolent plans were later exposed by Batman and the Justice League, only for Brainiac to reveal that he had been dormant inside Lex ever since the episode *Ghost in the Machine* . Luthor later convinced Brainiac to fuse with him because they both could reach their ultimate goals to gain universal knowledge then destroy the universe and recreate it in their image. He then battled the Justice League, proving to be one of the group's most difficult foes. However, the Flash was able to separate the two after tapping into the Speed Force.

Luthor went back to jail with a damaged psyche. After Luthor escaped prison again thanks to The Key, Gorilla Grodd offered him membership in the newly formed Legion of Doom. Joining only to revive and refuse with Brainiac, Luthor eventually overthrew Grodd and took over the Legion (who did not oppose him after they learned Grodd's ultimate plan was to turn humanity into apes). Eventually, Lex's quest to revive Braniac lead the Legion into space, where he found a version of Brainiac that had been destroyed years earlier. However, Tala freed Grodd and he and a faction of the Legion fought Luthor and his supporters (which included the likes of Giganta, Bizarro, Toyman, Sinestero, Cheetah, Star Sapphire, Evil Star, etc.) After killing Grodd and trapping and absorbing Tala's magic to resurrect Brainiac, Lex realised that he had accidentally resurrected Darkseid instead.

Luthor and the rest of the surviving Legion members barely escaped from Darkseid and made their way to Earth, where Luthor warned the Justice League, and he and his allies reluctantly team-up with them to fight against Darkseid and his army. Before the battle against Darkseid, Luthor points out to the Justice League that he doesn't want to help them save the world, but get revenge on Darkseid for destroying Brainiac and ruining his plans, before he and the Justice League go back to being enemies again as usual. He later left the battle with Metron and discovered the Anti-Life Equation. Returning to Earth with the Equation, he offered to share the knowledge with Darkseid, and they both disappeared in a spark of light. While they are presumed dead by the public, members of the Justice League have theorized they will eventually return yet again. However, both Luthor and Darkseid were absorbed into the Source Wall, as such is the fate that occurs to those who solved the Anti-Life Equation, where they will likely stay for all eternity.

## The Joker

The **Joker** is one of the main antagonists of the *DC Animated Universe* .

He is a maniacal supervillain from Gotham City who seeks to cause chaos, destruction and misery wherever he goes. Originally a hitman who served Salvatore Valestra's mob, this individual was accidentally knocked by Gotham's vigilante Batman, becoming his mortal archenemy and the one who kept him haunted even after death. Throughout Batman's crusade, the Joker often tried to defeat him in an spectacular way, even if that meant allying with other villains, becoming a rogue of the Justice League in the process. He is also the "boyfriend" of Harley Quinn and the former associate of Lex Luthor as well as the Latter's Injustice Gang.

He was voiced by Mark Hamill, who also portrayed Chucky in the 2019 remake of *Child's Play*, Skeleton King in *Super Robot Monkey Team Hyper Force Go!*, Fire Lord Ozai in *Avatar: The Last Airbender*, Alvin the Treacherous in *Dragons: Riders of Berk*, Adrian Ripburger in *Full Throttle*, Py-Ro in *Crash Bandicoot*, Dictatious Maximus Galadrigal in *Trollhunters*, Darth Bane in *Star Wars: The Clone Wars*, Kavaxas in *Teenage Mutant Ninja Turtles*, Trickster in the DC Animated Universe (as well as his *Arrowverse* incarnation and Flash 1990s TV show), three other Batman villains, Tony Zucco, Solomon Grundy, and Ferris Boyle, again in the DC Animated Universe, John Curtis in *Criminal Minds*, and Vuli in *Elena of Avalor and by the late Takeshi Aono in the Japanese dub.*

The novelization of *Batman: Mask of the Phantasm* indicates that the man who went to become the Joker was born around 1948, being 35 around the time of the flashback events of the movie, whose present time is 1993. He became a criminal at some point to make a living, a profession which would last for the rest of his life. It's unknown what the Joker's real name was, and while it's suggested to have been Jack Napier, it's possible that this may have been another alias, as he took several during his career. The reason was possibly to avoid getting detected by the police.

By 1983, he was an assassin and chauffeur working for Salvatore Valestra, Buzz Bronski and Chuckie Sol, the high-ranking members of the Valestra mob. When Carl Beaumont, a businessman who had embezzled from the mob, was unable to pay them back, he accompanied his boss and associates to pay a visit to Beaumont, who asked Valestra for one more day. Valestra reluctantly agreed, but unknown to him, Carl and his daughter Andrea fled the country that same night.

Beaumont paid Valestra back, but the mobster wanted "interest compounded in blood" and sent the hitman to Europe to find and kill Beaumont. Arthur Reeves, Beaumont's former employee, gave them Beaumont's location in exchange for funding his campaign for Gotham City Council. The hitman killed Beaumont, and passed by Andrea on his way out, greeting her nonchalantly moments before she found her father's body.

Eventually, the hitman formed his own gang. One night, he robbed the Ace Chemical plant, but Batman arrived, and in the ensuing scuffle, the hitman fell into a vat of chemicals. The chemicals beached his skin white, turned his hair green, made his lips bright red; driven insane by his reflection, the hitman reinvented himself as the Joker and dedicated his life to fighting Batman. After taking up his new identity, Joker would establish himself as one of the main crime bosses in Gotham and became Batman's greatest foe. During a stint in Arkham Asylum, the Joker manipulated his psychologist, Dr. Harleen Quinzel, into falling in love with him, driving her to join his gang as Harley Quinn, his accomplice and on again-off again girlfriend.

As the Joker, he pulled numerous schemes for both his own amusement and for personal profit, such as a Christmas-themed kidnapping of Commissioner Gordon, Summer Gleeson and Harvey Bullock ("Christmas with The Joker"), filling Gotham City with his laughing gas using a garbage boat ("The Last Laugh"), planting dynamite at the birthday party of Mayor Hill's son ("Be A Clown"), poisoning all of Gotham's fish with his toxins and trying to copyright them ("The Laughing Fish") and escaping Arkham to blow up a casino that was using his name sake ("The Joker's Wild"), but

Batman and Robin always managed to defeat him and send him back to Arkham.

In "Joker's Favor", Joker tried to blackmail a man named Charlie Collins after he encountered him on the highway, and threatened to kill his family if he didn't help him in his scheme to kill Commissioner Gordon during an award ceremony. Collins ended up getting the better of the cowardly psychopath, using one of his own fake explosives to trick him into giving up everything he knew about his family to Batman.

In "Almost Got 'Im", Joker, Penguin, Two-Face, Killer Croc, and Poison Ivy get together and play poker, remarking on the times in which they had nearly killed Batman. Joker, believing his story was the best, saved it for last, mocking the stories of his fellow criminals. When it was his turn, Joker pulls out a portable television set and played a recording of his failed attempt. In the tape, Joker and Harley Quinn had taken over Late Night Gotham Live, captured Batman and tried to electrocute him on live TV with an electric chair powered by the forced laughter of the kidnapped studio audience, but this attempt was foiled by Catwoman. Due to only being foiled by the appearance of Catwoman, all the other villains agree that Joker had the best story, while he simultaneously wins the poker game (by cheating). Joker then reveals that he had kidnapped Catwoman and was planning to kill her by turning her into cat food as revenge for her ruining his plan, although, he is then immediately knocked out by Batman (who was disguised as Croc the entire time) .

In the movie *Batman: Mask of the Phantasm*, a vigilante called The Phantasm came to Gotham and, one by one, killed the mob leaders Joker had once worked for. Batman was accused of these crimes, but the Joker doubted this and set up a trap to kill the Phantasm before he himself was targeted. Joker eventually managed to find out that the killer wasn't Batman at all and that Andrea Beaumont, daughter of the embezzler he once killed on mob orders, had taken up the identity of the Phantasm. He fought the Phantasm, but she vanished to escape in an explosion, taking the laughing Joker with her. It remained unknown what happened to him after this. But he survived off-screen and went back to do what he does best - fighting Batman and terrorizing Gotham City with his deadly jokes.

In *Trial*, along with other inmates in Arkham Asylum, Joker ran a sham trial for Batman with the inmates as judge and jury.

The Joker later gotten a hold of an atomic bomb, taken the mayor hostage (although this was one of the very few times that he showed affection towards Harley when he realized that she had enough 'guts' to kill him), and even tried to succeed as a stand-up comedian while ruining three comedians' acts for revenge on their judgment of him as unfunny - something he could never forgive. After this, he tried to destroy all Gotham City with his henchmen, but Batman, Robin and Harley Quinn destroyed his plane and defeated him.

Becoming broke and desperate, Joker and Harley Quinn stole a statue of a Chinese Dragon that turned out to be forged from Kryptonite. Using this, Joker traveled to Metropolis and put himself for hire for one billion dollars to kill Superman. Lex Luthoragreed to Joker's deal. Batman eventually fought The Joker along with the Man of Steel. Then, Joker began to annoy Luthor when he demanded to be paid more to kill both superheroes. While attempting to betray Luthor (who needless to say, had also tried to betray him) The Joker ended up fighting the World's Finest in an aircraft, the explosion of which seemed to kill him, though his body was never recovered. But he survived that fall and went back to terrorize Gotham again off-screen.

He turned up alive, was captured, but was shocked when he inherited millions of dollars from a mob kingpin named Barlowe, who had always despised him. Through deception was incredibly and playing the Joker's ego and greed, Barlowe set up a trap. Joker almost literally bought his way to a clean criminal record and then lived the high life on what he believed to be hundreds of millions. It was eventually revealed that only the first ten million dollars were real, which the Joker not only blew through but was now, as Barlowe's heir, in the sights of the IRS. Joker could not admit the truth, or else he'll look like the clown he was to the criminal underworld. Joker decided to pull off a heist to restart his enterprises (without using any of his calling cards or signature styles that would link him to the crime) but was foiled, like always, by Batman. As he is taken back to Arkham Asylum, Harley Quinn (disguised as a police officer) beats Joker up with a baton for abandoning her to be arrested by Batman and Batgirl in the beginning of the episode and replacing her with a Fake Harley, rather than bailing her out.

On the seventh year anniversary of the Joker's "birth", the Joker's actions turned reporter Jack Ryder into the Creeper. The Creeper, while heroic, mercilessly harassed Harley and Joker, to the point that even Joker considered Creeper to be a lunatic, actually begging Batman to arrest him. Creeper captured Harley and defeated the Joker in a dump park, who was later taken in custody by Batman.

After this, Harley Quinn captured Batman and tried to kill him to obtain Joker's admiration, but he hit her and threw her through the window of the building, believing that no one had the right to kill Batman but himself. Batman eventually frees himself and fights Joker on top of a monorail, and punched the Joker into the chimney of Ace Chemicals, apparently killing him. But for unknown reasons, he survived the mortal fall and sent some flowers and a note to Quinn to get her back on his side.

The Joker later planned on forming a metahuman gang from the local mutants known as "Bang Babies". Villains such as Hotstreak and Talon eagerly joined his gang. However, Batman, Robin, and Dakota's own resident hero Static teamed up and escaped the Joker's death trap, arresting the Clown Prince of Crime in the process. Joker tried to shock Batman with a joy-buzzer after his defeat, only for Static to not only ignore and absorb the buzzer's power but shock the Joker right back, only worse. Joker and his gang were arrested after that.

Not wanting anything to do with Joker after their first encounter, Lex Luthor tried to keep him out of his Injustice Gang, but he is ultimately persuaded to relent by him after Copperhead is arrested and Joker provides knowledge on Batman. Using a tracking device Batman had planted on him, Joker lured Batman to the Injustice Gang's hideout and knocks him out. With Batman now captured, Joker urges Lex to let him kill Batman but is frustrated when he is not allowed to and then proceeds to annoy Lex as he searches through Batman's utility belt. Joker then forces Batman to watch the expected destruction of the JLA's Watchtower, knowing that Luthor would give him permission to kill Batman if his plan succeeded, but it fails and Joker is not allowed to finish Batman yet again. Knowing

Batman was swaying her to his way of thinking, Joker betrays and electrocutes Cheetah into unconsciousness. During the Gang's final confrontation with the JLA, Joker uses a trick exploding doll and several marbles to attack Flash and Wonder Woman, but quickly runs away when he realizes that he's outmatched. After the rest of the Gang is defeated, Joker rushes to the basement of their warehouse base to kill Batman, only to be knocked out by Batman, who states that he could have escaped their prison at any time he wanted, but chose to stay and watch on them instead.

He discovered and entered a secret government compound dubbed Section 12. At the time, it was under the supervision of the Cadmus Project, a federal initiative to procure defenses against the Justice League in case they ever went rogue. Joker arrived at the facility and killed the staff using his Joker Venom. He then freed their captives and fashioned them as a card deckhand, dubbing them his 'Royal Flush Gang'. During his time at the facility, the Joker also came across some of Project Cadmus' secret technology and discovered a microchip that allowed it's users to copy their DNA.

Rather than use the technology early, the Joker decided to save the technology for another time. The Joker with his new team then left the facility before purchasing air time on several networks under the moniker of "Gwynplaine Entertainment" and broadcast a live feed of Las Vegas. The Joker secretly planted several dozen extremely powerful time-bombs all throughout the city and threatened to blow up the entire city early if anyone but the Justice League tried to stop him. Though the Justice League manage to disarm the bombs and defeat the Royal Flush Gang, the bomb stunt was merely to attract viewers throughout the world. The real plan was to use the powers of the Gang's fifth member, Ace, who could drive people insane just by looking at them in person or on TV. The Joker then transmitted Ace's thought waves across the air to render everyone under a mass psychosis. Batman confronted the Joker alone, and despite almost being driven insane by Ace's powers and receiving vicious beatings from Joker, managed to reveal to Ace that the Joker held on to a special headband used to nullify Ace's powers by Project Cadmus. Ace, in anger, used her power on the Joker and temporarily incapacitated him, rendering him temporarily catatonic.

Years later, he planned one final joke on Batman after realizing the "game" was getting old. The Joker and Harley Quinn kidnapped Tim Drake (the current Robin and Dick Grayson's successor) after Tim saved an unknown woman from a criminal, unaware that it is a trap and subjected him to three weeks of torture and brainwashed him into becoming a small version of the Joker called Joker Junior, much to Batman and Batgirl's horror, also finding out all of Batman's secrets (including Batman's true identity) in the process. On top of that, he documented the whole interrogation with an old video projector and possibly slides (since he claimed he had them). Batman came to the abandoned Arkham Asylum and saw what had happened to Tim. In retaliation, Batman engaged in a bloody fight with the Joker (willing to break the Joker in two for his actions), only for the Joker to stab Batman in the knee and gloat over his success (in the edited version, he punches Batman off the edge and the blood was removed).

He gave a Bang-Flag gun to Tim to finish off the Dark Knight, but instead Tim focused his rage on the one who had broken him, and fatally shot the Joker, (in the edited version, he pushed Joker into liquids (possibly water), who slipped and grabbed the lever and pulled it down as he was slipping, electrocuting himself) and says to himself, "That's not funny! That's not…" before he dies. Tim then enters into a mental breakdown, crying whatever sanity he has left of himself as Barbara Gordon (the current Batgirl) comforts him.

The remains of the Joker were buried under Arkham, and Tim was given therapy to cope with his trauma. Commissioner Gordon learned of what happened and promised to keep it a secret, while it seemed Harley had fallen into the bottomless pit and perished during the battle as well. The other people who also knew the incident were the Dark Knight's butler, Alfred Pennyworth, and Robin, who has left for Bludhaven. One year later, Tim was finally recovered from his trauma, but Bruce forbade Tim from being Robin again and swore that he will never endanger another young partner again. Tim soon left after this, choosing to make the right decision for himself. Barbara soon retired from her career as Batgirl and went on to follow her father's footsteps as the new police commissioner of Gotham City following her father's retirement. Despite his death, Joker's legacy as a criminal mastermind and homicidal maniac would live on for years. Whilst the people of Gotham were relieved at the Joker's final and ultimate defeat, they still feared his destructive legacy. Years later several groups of criminals called the Jokerz started appearing around the globe, honoring the Clown Prince of Crime's legacy. One of the gang's members, Ghoul (who coincidentally would be the member of the Jokerz gang that would serve the newly revived Joker.) stated that there are 9,453 active Jokerz that are divided into approximately 200 separate groups. Bruce continued the rest of his crime-fighting career as Batman for years after the incident a few years before his retirement in the prologue of *Batman Beyond* .

It seemed not even death itself could restrain the Joker. It turns out that before Joker died, he had implanted the microchip he stole from Cadmus encoded with his DNA, memories, and personality on Tim's neck. The chip soon began to activate itself automatically, allowing the Joker to transform Drake into him, though he wasn't strong enough to permanently transform. According to the Joker, Drake chalked up any lingering memories as bad dreams.

Over the course of forty years, the Joker plotted his return using Drake's body. With Drake's knowledge of communications and his martial skills as Robin, Joker staged a series of corporate thefts utilizing a sub-group of The Jokerz which had formed in his absence, proving how influential he had become. With the technology, Joker created a satellite jammer and hijacked control of a Hyperion class defense satellite orbiting the planet. If any of Tim Drake's family were worried in any way, Joker would simply call on the phone with Tim's voice saying he'll be working late.

Joker then revealed himself to Bruce Wayne at a party during his return to Gotham. The new Batman managed to stop Joker from killing Bruce, but Joker escaped. After learning what happened to Tim, Terry deduced Drake was involved and decided to confront The Joker.

However before he could reach Joker's hideout, Joker tested the new Batman by chasing after him using his satellite to send a powerful laser at the Batmobile whilst incinerating a small part of Gotham. However, the Joker abruptly stopped the beam shortly after, allowing the new Batman to track Joker down to his hideout (an abandoned Candy Factory called the *Jolly Jack* ) and confronted Tim. Tim started to remember how he killed the original Joker and started to act strangely; when Tim accidentally mentioned the new Batman's real name, he transformed into the Joker, revealing he had deduced Batman's identity. After explaining how he survived, Joker and Batman fought.

In the skirmish, the electric joy buzzer that Joker was using gets knocked out of his hand and falls into the wiring of the jamming system, redirecting the satellite's laser straight to Joker's hideout. Batman stranded Joker within the compound and fought him one on one. In the finale, Batman taunted the Joker, saying he had only returned because he could never make the original Batman laugh. This greatly enraged Joker and he managed to trap Terry under a wooden table and started strangling him.

Joker then ordered Terry to laugh before he dies and when Joker got closer in order to hear Terry better, Terry taunts by saying "Ha ha!" and uses Joker's own toy buzzer to electrocute him on the neck, much to his horror. The surge destroyed the microchip as the Joker let out a final scream, restoring Tim back to normal and destroying the Joker once and for all. After so many years of waging a one-on-one war, Batman had finally won after a long struggle, destroying the Joker forever.

---

When I was done everyone was shocked!

Tsuyu: They are ruthless and dangerous!

Nico: Yep.

Me: And some of our most dangerous enemies too.

Nico: Yep. They gave us all one helluva challenge and they really knew how to fight.

Super Warumono World: Surprised, Zenkaigers, Gorma? I have summoned back from the dead 7 of the Multiverse's most evil villains, Daimaou.

Sora: 5 of them are villains that I fought on my first journey. Joker and Luthor are just a bonus.

Me: And they are also the most ruthless and most evil enemies we faced.

Jafar: And now, we have a second chance to get rid of all of you!

Aladdin: You will pay for everything you have done Jafar!

Maleficent: (to Pete and Hades) You two don't have to die with them. Rejoin us and together, we will crush the Keyblade wielders and their friends!

Pete: No way, Maleficent. I finally have a team and friends that care about me. Unlike you!

Hades: Same with me! I don't know what happened to your mental states up to today. But you guys have seriously lost it!

Nico: You guys are just a bunch of insignificant lowlifes!

Jafar: (laughs) Oh, you're assuming we were ever truly sane

Me: That's because you aren't! All the 7 of you do is hurt people everywhere you go! Well, you guys better get ready! Because this is your last fucking day alive! Now, who wants to fucking get destroyed with the Black Gates first?!

Luthor: (chuckles) Oh, you're more then welcome to use the Black Gates on us now. But what if I said there was a more efficient way to destroy us.

Me: What the fuck do you mean?

Luthor moved out of the way to reveal another time portal.

Me: Ok. So, you made another time portal. Doom already made one as an offer to me before. Lets hear what you got this time.

Super Warumono World: But this one leads to the day you met the Loud family, Bacchus.

Me: Are you saying-?

Luthor: That's right. If you go through this, you'll not only be able to permanently kill the 7 of us at early times. But you'll also be able to use the Black Gates to destroy all evil in the world. Think about it. Girl Jordan won't have her life ruined by Carnage. 2012 Splinter won't be killed by 2012 Shredder. (smirks) And best of all? You'll finally be able to kill Lothor. I know how badly you've wanted to destroy him.

Batman: What exactly do you and your friends get out of this, Luthor? The 9 of you will still die anyway.

Joker: Because, Batsy. I don't want my joke ruined.

Kaito: What are you talking about?

Joker: Don't you get it, kid? J.D. and the others lost control of their emotions after they killed me the first time. That means my death was the right push that was needed to guide them to the path of becoming like the Justice Lords. And that means that I'm the reason they're the reckless idiots you see today! (laughs manically)

Nico: You just love shooting your mouth off don't you Joker.

Captain Hook: Wait. You're saying that it's because of you, Team Loud Phoenix Storm always went after us?!

Super Warumono World: (glares at Joker) When this is over, we are going to have a long talk about this, Gynamo.

Me: And correction it was actually Luthor's death that lead to the creation of the Justice Lords. Not your death.

Joker: Oh right.

Zocks: Don't you just love it when villains argue amongst one another, J.D.? (gets no answer) J.D.?

We all saw me in deep thought.

Maria: J.D., what are you thinking?

Me: (sighs) That for once, Luthor does bring up good arguments.

May: Wait. Are you actually about to take moral advice? From Lex fucking Luthor?!

Me: (glares at her) Why the Fuck not? After all, thanks to your husband's leadership, I'm no closer to getting the chance to kill Lothor once and for all!

Zarya: I thought we would make the hard choices together, J.D.

Me: Zarya, aren't you tired of villains making people miserable?

Zarya: To last an eternity? Yes. But if you do this, you're no better then Luthor, or Joker, or Maleficent, or Xehanort. Or any of the other villains we've fought or will fight.

Me: You guys would try and stop me?

William: (points blaster at you) We CAN stop you, J.D. That's what Nico's contingencies are for.

Me: All of you aren't afraid of me?

Zarya: You've never given us any reason to be afraid.

Me: All this time, we've been fighting evil one day at a time. But now, I can use the Black Gates to destroy evil all at once!

Zarya: I admit there are lines we've crossed for the greater good. But this is one we definitely can't cross!

Luthor: What's the point of power if you're not going to use it to its' full potential? If you want all the suffering that you and your friends have been through to be erased, then you know what you have to do.

Superman: I think that's enough out of you, Lex! (to me) J.D., don't you get it? You're being corrupted. Just like how the Justice Lords fell from grace.

Kaito: And how the God of the World wanted to keep the worlds seperate until I convinced him otherwise.

Ben: And like how Vilgax tried to get me to use Ascalon to get rid of all evil in the world.

Zarya: You can't force your answer on everybody. After everything we've been through, is this really the way you want it all to end?!

Oogie: (laughs) Look on the bright side. Sure, Nico will have never met you guys. But Megan's mom will still be alive. And Grace will have never been raped.

Juran: Just for bringing that up, I'll be the one to take you down!

Ursula: (laughs) Hate to burst your bubble, handsome. But if J.D. goes through that portal, you won't get that chance.

Gaon: We'll see about that.

I was starting to be pushed to your breaking point.

Me: EVERYONE STOP TALKING. LET ME FUCKING THINK!

Nico: (shocked) J.D…

Me: (starts crying) Please, just let me fucking think!

I went off to the side to clear your head.

Joker: Geez, what a crybaby.

Nico: Everyone. Fucking. Stay. CALM!

Jafar: That's right, Nico. Keep your friends calm and enjoy the last moments you have of being a team.

Nico: You shut up Jafar!

I was thinking.

Me: (in my head) What am I doing, considering Luthor's offer? I should know better then that.

But then, a dark thought entered my mind.

Me: But then again, why shouldn't I? It's the only way I can get to kill Lothor now. I'm sick of people questioning the decisions I make. I don't even need to serve under

Nico. After all, I have so much power. (in realization) But then, why don't I just use it?

I then started to remember all the good memories I've had. I remembered meeting the Louds, Nico, Maria, May, and William. But that was only the beginning. I remembered meeting Jason Lee Scott, Ripster, Dr. Nick, Shu, 2003 Leo, Aurico, Otto Rocket, Ish, Tommy Oliver, Marinette, Tony Jones, Nate, Sonic, TJ Johnson, Turbo, Maggie Peyton, Tai Kamiya, Andros, Marcus Damon, Mikey Kudo, Animorphs Jake, Leo Corbett, Kameo, Yost Reed, Carter Grayson, Ed the Protector, Aligned Bumblebee, Cody Burns, Wes, Joe, Astro Boy, Marty, Cole Evans, Chiro, Dudley Puppy, Charlie Brown, Shane Clarke, Dan Kuso, Kai (Ninjago), 2012 Leo, Connor McKnight, Zatch & Kiyo, Jason Jenskin & Kong, UA Iron Man, Jack Landors, Ace Bunny, Keiichiro, Lupin, Nick Russel, Twilight, Mal, Izuku, Mack Hartford, Akira, Axel Manning, Mike Chilton, Casey Rhodes, Ruby Rose, Ang Leung, Laval, Scott Truman, Tracer, Animated Optimus, Live Action Optimus, Jayden Shiba, Randy Cunningham, Kermit, Rango, Troy, Tyler Bowman, Eli Shane, Tyson, Yusei, Devon, Juni Cortez, Yost Wolverine, Tyler Nevarro, Dante Vale, Dino Tyranno, Max (Dino Squad), Thomas the Tank Engine, Vert Wheeler, Right, Juru, Brody, Arkayna, Yin & Yang, Yost Cap, Juniper Lee, Zick, Yamato, Yost Spidey, Kairi Yano, Aerrow, Lucky, and Kaito. Finally, you remembered your first kiss with Zarya. And that was just the beginning.

Then I came back.

Lex Luthor: So what is your decision?

Me: Here's my decision.

I fired an energy blast and it him in the leg and he screamed in pain as it blasted his knee off!

Me: That is my decision! You think I would just abandon my friends and do all that after doing so much for the world? ABSOLUTELY NO FUCKING WAY NOT! Not after everything we went through! You shitmouths are totally wrong about many things and that is that you don't have things that we do! You all don't have the one thing that we have that you don't and NEVER will: A HEART!

Nico: YEAH!

Me: And you all will never understand our most important rule! With Great Power Comes Great Responsibility! I only pretended to be thinking about that because I don't buy one single lie you said!

Nico: You sneaky devil!

Joker: (pouts) So, even after all that, you're still not gonna change the past. Party pooper.

Nico: (laughs) He's YOUR party pooper, Joker! (gets serious) We can't change the past. All we can do is move forward. Yes, the emotional pain all of us have suffered hurts. But all that pain pushed us to become better people. Besides, if we changed the past, many of us wouldn't have met each other.

Luthor: Being better people still hasn't gotten you close to killing Lothor.

Nico: We're not gonna get there using the easy way out. All we can do is be patient.

Me: That's right! The best things in life take patience.

Maleficent: (disgusted) How disgustingly heroic.

Super Warumono World: If that's the case, then you all have chosen to die, Hinelar. X Borgs, Indavers, Kudakks, attack, Zahab!

An army of X Borgs, Indavers, and Kudakks appeared.

Juran: Compared to his last army, this actually doesn't look too bad.

Me: Yeah!

I fired waves of energy and blasted many of the foot soldiers to smithereens!

Joker: And it's not just them phoenix boy!

We saw massive numbers of Frollo's Soldiers and even Hook's crew and pirates and even numerous criminals we all faced!

Nico: Now you're talking!

Then the footsoldiers jumped the Zenkaigers.

The Zenkaigers lay defeated at the hands of the X Borgs, Kudakks, and Indavers.

Super Warumono World: You only have yourselves to blame for this, Zenkaigers, Zylpheeza. If J.D. had just gone through that time portal, you all wouldn't have had to

suffer, Dolnero. Instead, you all are going to die slowly, Senki.

Me: You shut up!

Captain Hook: (to Zocks) I can't wait to enjoy ripping your head off.

Zocks: (grunts) I'm not finished yet!

Despite the pain, Zocks showed he wasn't going down without a fight and punched Captain Hook, knocking him back.

Nico: (punches an X Borg) J.D., I'm glad you made the right decision. But if we don't do something, Kaito and the others are toast!

Me: And I think Zarya knows the drill!

Zarya then got an idea.

Zarya: (to everyone watching) Everyone out there! Lend the Zenkaigers your strength! They get stronger with your support! When I go "1,2", shout "Full Power Non Stop"! Okay? 1,2…

All: FULL POWER NON STOP!

Zarya: One more time! 1,2…

All: FULL POWER NON STOP!

Zarya: Louder! 1,2…

All: FULL POWER NON STOP!

Me: FULL POWER NON STOP!

Jamesdean5842: FULL POWER NON STOP!

At these words, Kaito found the strength to get up.

Kaito: I'm not going to give up. I can't give up. Not with the smiles of so many people on the line!

Kaito then used his Geartlinger to shoot down a Kudakk about to attack him.

Kaito: Thanks for the help, guys.

Stacey: Your voices gave us the strength we needed.

Juran: Man, we've got a lot of fans.

Me: Not just in Japan but all over the world.

Vroon: There's no way in Hell we're going to lose here.

Gaon: This time, we'll return the favor.

Magine: We'll protect you guys. And your smiles too!

Zocks: And make a lot of scumbags pay in the process!

Nico: Time to kick some fucking ass!

Zarya: Let me transform with you guys!

Zarya: That's it, I've had it with you to last an eternity, Super Warumono World!

Suddenly, Zarya Moonwolf's eyes turned neon blue, as she was surrounded by a blue energy aura with wolves surrounding her, and as she approached Super Warumono World, she left behind blue energy, magic, moonlight, and wolves with every step.

Zarya: You've caused the Zenkaigers nothing but trouble for the very last time. You're nothing more than a hideous abomination made of all the main villains of all of the Sentai Series, and now, I will destroy every last bit of you once and for all!

Suddenly, Zarya Moonwolf was surrounded by a massive vortex of blue energy with moonlight and magic surrounding it, there's a pack of wolves running around the vortex, and there's a snow white phoenix inside the vortex. Then, as the vortex faded, Zarya Moonwolf emerged, but she was changed forever.

(IMPERATRIX MUNDI PLAYS AT 1:45 TO 2:14)

Zarya Moonwolf grew from 5'11" to 6'5" in height, she has the body of a goddess, she has white highlights in the bangs of her purple hair, along with white tips in her hair, she has neon blue eyes and a neon blue energy aura with magic, moonlight, and wolves surrounding her, she has a wolf howling at the full moon emblazoned on her forehead, she has on wolf head stud earrings with blue gems for eyes and the Moon Kanji on its head and her Elemental Phoenix Necklace of Eternal Love with blue gems on the flame links and blue crystals from her merged Crystal Necklace of the Buddha, and along with the phoenix pendant, there's also a wolf pendant and they're both holding the Moon Kanji in its claws. Zarya has on a dark blue sleeveless blouse and a dark blue shirt with a snow white phoenix on it, dark blue skirt with a wolf howling at the full moon, blue pants, blue leather knee-high combat boots, and a long sleeveless dark blue trenchcoat with magic and stars on the coattails, and on the back is the full moon with a wolf and a phoenix. Suddenly, Zarya felt a sharp pain on her back, and then, massive purple angel wings with stars and the full moon reflecting on them, with white tips on the purple feathers, sprouted out from her back. Zarya Moonwolf has on her Ring of The Phoenix with large blue gem and heart-shaped gem embedded in the middle on her left ring finger and Star Sapphire Corps ring on her right ring finger, and her cutie mark is on her left shoulder.

Suddenly, Zarya Moonwolf's Defender of Gemina and Drake City long bow was then surrounded by a massive vortex of blue energy with moonlight, magic, and wolves, and when it emerged, it was then transformed into Zarya Moonwolf's Mystic Wolf Phoenix Bow, a new bow measuring at 6'11" in length with massive blue angel wings for the bow's limbs and in the upper limb is a wolf and a phoenix and long black grip and she has a large blue quiver with the wolf and phoenix with unlimited arrows in the quiver, she has on her new Bracelets of The Champions of The Universe with blue gems on her wrists, her new gold Belt of Elemental Bravery with a gold wolf head with blue gems for eyes and a large blue gem in its mouth for the belt buckle, large rainbow-colored leather and gold metal bound Elemental Spellbook of Harmonious Justice, Eternal Harmony, and Equestrian Peace and her Sword of The Northern Kai holstered on her left hip and her Eater of Sins revolver holstered on her right hip. There's a white kanji below the full moon with the wolf and the phoenix that said, "Zarya Moonwolf, Princess of The Phoenix Wolf Moon, Sister of Arkayna Goodfey and Friend of Piper Willowbrook, Brave Second-In-Command of The Mysticons, Loving Future Wife and Supporter of James Dean Knudson, Destroyer of Tazma Grimm, Necrafa, and The Spectral Hand, Slayer of Evil, Deranged, Murderous, Ruthless, and Sadistic Bastards, Amazing and Powerful Student of Amazing and Powerful Teachers, and Master of Moonlight, Magic, Wolves, and Arrows."

Blood, guts and carnage was splattering all over the place and really saturating the ground all over with blood and gore. Linka blasted a bunch of criminals with lightning and electrocuted them into ashes and Selene was really showing off her skills as she was slashing and cutting numerous criminals all over and drinking their blood all over. I stabbed a criminal in his chest and ripped his throat open with my bare hands and Lola incinerated him and Laney slashed a bunch of criminals and disemboweled them all over the place and more and Lana froze a bunch of criminals all over and turned them into ice cubes. I slashed a criminal's head off and grabbed him and threw him to Evilseed where he had one of his plant tyrannosaurus's eat him and it splattered his blood and guts everywhere in one chomp. Vypra slashed a criminal all over with her sword and I grabbed a criminal by his hand and ripped his arm off and used his crowbar and smashed it into his eye and rip his head off. Nico grabbed a Criminal by his face and ripped it off of him and then he plunged his hand into his stomach and ripped out his intestines and used them like a lasso and tied a criminal and threw him to Evil-Lyn where she blasted him with his staff and destroyed them both and Nico kicked a criminal and his foot went all the way through his chest and smashed his heart out. Then Lynn and Luan blasted him with lava and light and Nico and May blasted and hacked numerous criminals all over with blasts of ice and lightning and destroyed them all over the place and more.

We were smashing and pulverizing a bunch of footsoldiers all over the place. We then smashed and blasted the last of them all over.

Celine Wendova: I should've known there's no mistaking that chalkboard screech from anywhere. You can come out now, Jezebel Lanira.

Zarya: And I knew there's no mistaking that voice from anywhere. You can come out now, Tazma Grimm.

An inverted pentagram with Necrom on top of it drawn in blood red infernal energy appeared in the skies, and then, a mist of darkness came out and as it landed, the mist of darkness faded revealing a 17-year-old girl with long black hair, pale skin, red eyes, and a deranged sadistic grin on her face, and dressed in a black long-sleeved dress, black long-sleeved coat, black pants, and black heels. It was Jezebel Lanira, a dangerous witch and another member of The Church of Necrom.

And another figure appeared from a mist of darkness, it was none other than our old enemy, Tazma Grimm, the treacherous shadow mage and loyal servant of Necrafa, The Queen of The Underworld.

Nicholette Torrington: Jezebel Lanira, I should've known you'd be the next one to come out.

Jezebel Lanira: Shut up, bitch! You all have ruined our master's plan to bring Lord Necrom into this pathetic world, so that we could destroy all of mankind and bring back The Dark Ages, and now, we will destroy all of you ourselves!

Tazma: Not happening, only I get to kill Team Loud Phoenix Storm for what they did to Necrafa and The Spectral Hand, you're just a pathetic mortal who messed with the Dark Arts and went insane, Jezebel.

Jezebel Lanira: I'll kill you for this, Tazma Grimm! How dare you talk to the very person who brought you back from the dead!

Suddenly, we saw the mark of the Church of Necrom on Tazma Grimm's forehead, and it proved the suspicions of Lincoln: Tazma Grimm was also brought back from the dead by Jezebel Lanira. But, before they could kill each other, Lincoln restrained Jezebel Lanira with rainbow energy chains, and made a wall separating the two of them.

Zarya: And I should've known that getting sent to Oblivion wouldn't be enough to keep you silent for good, Tazma. Either way, you're both going down for good, but only you are going to die once again, Tazma, and this time, I'll make sure you never come back from the dead again.

Suddenly, Zarya Moonwolf's eyes turned neon blue, as she was surrounded by a blue energy aura with wolves surrounding her, and as she approached Tazma Grimm, she left behind blue energy, magic, moonlight, and wolves with every step.

Zarya: You've caused us, along with all of Drake City and Gemina nothing but trouble for the last time, Tazma. You refused to stay dead after Lincoln and Solange Blanchefleur De Lux killed and Super Hakaied you last year, well, this time, I'm going to see to it that you never return from the dead ever again.

Suddenly, Zarya Moonwolf was surrounded by a massive vortex of blue energy with moonlight and magic surrounding it, there's a pack of wolves running around the vortex, and there's a snow white phoenix inside the vortex. Then, as the vortex faded, Zarya Moonwolf emerged, but she was changed forever.

(IMPERATRIX MUNDI PLAYS AT 1:45 TO 2:14)

Zarya Moonwolf grew from 6'5" to 6'11" in height, she has the body of a goddess, she has white highlights in the bangs of her purple hair, along with white tips in her hair, she has neon blue eyes and a neon blue energy aura with magic, moonlight, and wolves surrounding her, she has a wolf howling at the full moon emblazoned on her forehead, she has on wolf head stud earrings with blue gems for eyes and the Moon and Eternity Kanjis on its head and her Elemental Phoenix Necklace of Eternal Love with blue gems on the flame links and blue crystals from her merged Crystal Necklace of the Buddha, and along with the phoenix pendant, there's also a wolf pendant and they're both holding the Moon and Eternity Kanjis in its claws. Zarya has on a dark blue sleeveless blouse and a dark blue shirt with a snow white phoenix on it, dark blue skirt with a wolf howling at the full moon, blue pants, blue leather knee-high combat boots, and a long sleeveless dark blue trenchcoat with magic and stars on the coattails, and on the back is the full moon with a wolf howling and a phoenix flying in the skies. Suddenly, Zarya felt a sharp pain on her back, and then, massive purple angel wings with stars and the full moon shining, with white tips on the purple feathers, sprouted out from her back. Zarya Moonwolf has on her Ring of The Phoenix with large blue gem and heart-shaped gem embedded in the middle on her left ring finger and Star Sapphire Corps ring on her right ring finger, and her cutie mark is on her left shoulder.

Suddenly, Zarya Moonwolf's Defender of Gemina and Drake City long bow was then surrounded by a massive vortex of blue energy with moonlight, magic, and wolves, and when it emerged, it was then transformed into Zarya Moonwolf's Mystic Wolf Phoenix Bow, a new bow measuring at 6'11" in length with massive blue angel wings for the bow's limbs and in the upper limb is a wolf and a phoenix and long black grip and she has a large blue quiver with the wolf and phoenix with unlimited arrows in the quiver, she has on her new Bracelets of The Champions of The Universe with blue gems on her wrists, her new gold Belt of Elemental Bravery with a gold wolf head with blue gems for eyes and a large blue gem in its mouth for the belt buckle, large rainbow-colored leather and gold metal bound Elemental Spellbook of Harmonious Justice, Eternal Harmony, and Equestrian Peace and her Sword of The Northern Kai holstered on her left hip and her Eater of Sins revolver holstered on her right hip. There's a white kanji below the full moon with the wolf and the phoenix that said, "Zarya Moonwolf, Princess of The Phoenix Wolf Moon, Sister of Arkayna Goodfey and Friend of Piper Willowbrook, Brave Second-In-Command of The Mysticons, Loving Future Wife and Supporter of James Dean Knudson, Destroyer of Tazma Grimm, Necrafa, and The Spectral Hand, Slayer of Evil, Deranged, Murderous, Ruthless, and Sadistic Bastards, Amazing and Powerful Student of Amazing and Powerful Teachers, and Master of Moonlight, Magic, Wolves, and Arrows."

ザリア・ムーンウルフ、フェニックス・ウルフ・ムーンの王女、アルカイナ・グッドフェイの姉妹、パイパー・ウィローブルックの友人、ミスティックスの勇敢な副司令官、ジェームズ・ディーン・ナドソンの愛する未来の妻と支持者、タズマ・グリムの破壊者、ネクラファ、そしてスペクトラル手、邪悪な殺し屋、狂った、殺人、冷酷、そしてサディスティックな野郎、驚くべき強力な教師の驚くべき強力な学生、そして月光、魔法、オオカミ、そして矢のマスター

Zarya Moonwolf has transformed into SUPER ANGEL ETERNITY INFINITY MYSTICON RANGER MOONLIGHT STELLAR WOLF ANGEL OF LUNAR LOVE AND WOLF PHOENIX JUSTICE!

We were amazed by Zarya's Super Angel Infinity transformation, and when I saw her, I had an atomic red blush on her face, hearts in my eyes, and steam whistling out of my ears, and I almost let out a wolf howl. But, when Tazma Grimm saw it, she fell into a black rage and fired a blast of darkness to try to kill Zarya, but she dodged it and as she took to the air, she fired a massive barrage of blue moonlight energy arrows, a massive barrage of blue energy blasts, and blue energy cutting waves from her new Sword of The Northern Kai, and as the massive barrage of attacks hits Tazma Grimm, it really injured her badly and she screamed in excruciating pain.

Arkayna: Wow, Zarya's transformed.

Piper: And this'll be the last time we ever have to deal with Tazma Grimm.

Emerald: And since Lincoln restrained Jezebel Lanira, that'll make things easier for Zarya and J.D. to take care of Tazma Grimm.

Me: Wow, Zarya, you look beautiful. How do you feel?

Zarya: (Divine Echoing Cosmic Voice of The Mystic Wolf Phoenix and Divine Lunar Love) **I feel incredible, J.D. Now then, shall we take care of Tazma Grimm once and for all, and see to it that she never ever comes back from the dead?**

Me: (Smirks) With pleasure, Zarya.

I then transformed into Super Angel Xelnaga Infinite Eternity Friendship God, and I unholstered my Universal Sword of Elemental Harmony and Eternal Hope from my wider and muscular back, and I was in for a surprise when the massive, wide, double-edged gold blade grew from 6'11" to 7'0" in length and the long gold handle grew longer, and after the surprise, I joined Zarya Moonwolf.

Me: (Divine Echoing Cosmic Voice of Friendship) **This is the last time we ever have to deal with you, Tazma Grimm!**

Zarya and I went after Tazma Grimm, who continued firing blasts of darkness at us, but we kept on dodging them, and we fired powerful blasts of rainbow energy, blue energy, Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, Magic, rainbow flames, rainbow crystals, and arrows at Tazma Grimm, and they exploded with incredible power as they hit her. Then, I attacked her with my massive Universal Sword of Elemental Harmony and Eternal Hope and left painful scars on her, and Tazma Grimm also got badly burned since this was a blade of purity, and it hurts dark creatures like her. But, the pain got a ton more worse when Zarya fired blue moonlight energy arrows at Tazma Grimm, and they pierced and hit her really badly.

Then, I fired a red energy beam and as it hits Tazma Grimm, I sucked out and absorbed all of Tazma Grimm's dark powers and abilities, just like what Lincoln did to her last year, and we made them all our own, and then, I sent Tazma Grimm flying into the air with my immense and brute superhuman strength, and then, me and Zarya fired massive black energy beams made from the black energy of The Black Gates, and as they hit Tazma, they exploded with incredible power, killing her and she, along with the Vexicons and Necrafa, were forever erased from existence. Everyone cheered wildly for what Zarya and I did as we holster our weapons and power down, and Zarya's new body, clothes, weapons, jewelry, and massive angel wings are permanent.

Zarya: And I really mean it this time, Tazma, stay dead and gone for good. Thanks for helping me with taking down Tazma for good, J.D.

Me: (Smiles Warmly) You're welcome, Zarya.

Suddenly, Zarya wrapped her arms around my waist, and it brought an atomic blush to my face, as I wrapped my abnormally massive and powerful muscular arms around her waist and brought her into an embrace, which took her by surprise and brought an atomic red blush to her face. Then, as I lean down to Zarya's face, we kissed passionately as Zarya wraps her left arm around my thick muscular neck, and she placed her left hand on my massive and wide muscular right pec, and behind them was a Thunderbird, Phoenix, and Angel flying in the air, and everyone also saw a pack of wolves running across the field, along with elemental forces and the Full Moon shining down on us as the wolves then howl and everyone cheered for us.

Nico: Now, that really is so awesome.

Arkayna: And I'm so proud of Zarya for really coming this far, and she and J.D. are both together.

Emerald: Same here.

Piper: And thanks to what they did, we're finally rid of Tazma Grimm for good, along with the spirits of The Vexicons and Necrafa, since they got sent to The Black Gates as well.

Nicholette Torrington: And now, all that's left is for Lincoln and Celine Wendova to deal with Jezebel Lanira, to end Zarya's special mission.

Then, me and Zarya came back to the others, and we also saw that everything that we did to Tazma Grimm, along with us foiling her plans sent Jezebel Lanira spiraling into a rage, as she tried to get out of the rainbow chains and get after me and Zarya. But, Lincoln and Celine Wendova stood in the way.

Celine Wendova: Oh no you don't, you insane witch. You're not getting anywhere near Zarya and J.D. and you're not interrupting their romantic moment, just because you still want revenge.

Lincoln: Celine's right. Tazma's finally been dealt with, and now, it's your turn, Jezebel Lanira.

Suddenly, Celine Wendova's blue eyes turned neon blue, and she was surrounded by a blue energy aura with darkness, demons, dark magic, and blue flames, she unholstered her massive Celri, Monk of Dark World-themed sword from her back, and as she approached Jezebel Lanira, she left blue energy, demons, darkness, dark magic, and blue flames with every step.

Celine Wendova: You just don't even know when to quit, do you? We've beaten you down so many times and in those many times, you fled with your tail between your legs and howling like a wounded animal. That's it, I've had it up to hear with you, Jezebel Lanira, and now, I'll see to it that you'll pay for the crimes that you've committed long ago.

Suddenly, Celine Wendova was then surrounded by a massive vortex of blue energy with darkness, demons, blue flames, and dark magic surrounding it, there's Celri, Monk of Dark World flying around the vortex, and inside the vortex is a blue phoenix. Then, as the vortex faded, Celine Wendova emerged, but she was changed forever.

(IMPERATRIX MUNDI PLAYS AT 1:45 TO 2:14)

Celine Wendova grew from 6'5" to 6'11" in height, she had rainbow highlights in the bangs of her long flowing dark blue hair, she has neon blue eyes and a blue energy aura with darkness, demons, dark magic, and blue flames surrounding her, she has the image of Celri, Monk of Dark World and holding the Zero Kanji in its hand emblazoned on her forehead, she has on demon earrings with blue gems for eyes and holding the Zero and Eternity Kanjis in its hands, she also has Celri, Monk of Dark World with blue gems for the eyes and the Zero and Eternity Kanjis in its hand for the second pendant, along with the golden Thunderbird pendant of her Thunderbird Necklace of Eternal Love necklace with blue crystal links from her merged Crystal Necklace of the Buddha and red gems on the gold lightning bolt links. Celine Wendova has on a sleeveless dark blue blouse, sleeveless blue and black dress, dark blue skirt, blue stocking, blue sneakers, and a long dark blue sleeveless trenchcoat with darkness, demons, and blue on the coattails, and Celri, Monk of

Dark World surrounded by demons, darkness, and blue flames on the back. Suddenly, Celine Wendova's massive dark blue angel wings grew much bigger for her new body, and the large dark blue feathers have black tips. Celine Wendova has on a Ring of The Phoenix with dark blue gem and heart shaped gem embedded in it on her right ring finger and a Star Sapphire ring on her left ring finger.

Suddenly, Celine Wendova's massive Celri, Monk of Dark World-themed sword was then surrounded by a kaleidoscope of dark blue energy, darkness, and blue flames, and as it finally emerged, it was transformed into Celri, Monk of Dark World's Demon Sword of Darkness Justice, it's a brand-new greatsword with Celri, Monk of Dark World etched on the 7'0" massive, wide, double-edged dark blue blade, large dark blue angel wings for the crossguard, large dark blue gem embedded in the rainguard, longer black handle, and a large dark blue gem with black angel wings surrounding it for the pommel, she has on her new large gold cuff Bracelets of the Champions of The Universe with dark blue gems on her wrists, gold Belt of Elemental Bravery with a gold version of Celri, Monk of Dark World's head with dark blue gems for eyes and a large dark blue gem in its open mouth for the belt buckle, large Destroyer of The Church of Necrom grimoire and rainbow-colored leather and gold metal bound Elemental Spellbook of Harmonious Justice, Eternal Harmony, and Equestrian Peace on her left hip and Eater of Sins revolver holstered on her right hip. There's a blue kanji below Celri, Monk of Dark World that said, "Celine Wendova, Gene-Slammer of Celri, Monk of Dark World, Powerful Member of the Dark World Goth Girls, Powerful Master of The Dark Arts and The Occult, Dear Friend of Nicholette Torrington, Giselle Harrington, Scarlet Rosenburg, Silvia Excelsior, Renee Ravenclaw, Helena Hufflepuff, Elizabeth Gryffindor, Selene Slytherin, Zennia Nikolaevna, Jackie Wren, Laniya Guillermo, Camie Nicholetta, Bertha Sellington, Chloe Terryington, Rhonda Jekyll, Connie Jackelstein, and Clara St. Clarice, Loving Future Wife and Guardian Angel of Lincoln Loud, Thrasher of Scoots, Destroyer of The Church of Necrom, Slayer of Evil, Deranged, Murderous, Ruthless, and Sadistic Bastards, Amazing and Powerful Student of Amazing and Powerful Teachers, and Master of Darkness, Demons, and Blue Flames" Celine Wendova has transformed into SUPER ANGEL ETERNITY

INFINITY DARKNESS SAPPHIRE FIRESTORM DEMON ANGEL OF DARK JUSTICE AND DARK MONK LOVE!

We were amazed by Celine Wendova's Super Angel Eternity Infinity transformation, and when Lincoln saw her, he had an atomic red blush on his face and hearts in his eyes. But, when Jezebel Lanira saw it, she went bonkers and fired a blast of darkness to kill her, but Celine Wendova fired a powerful blast of dark blue energy with darkness, demons, and blue flames, and it hit Jezebel Lanira and sent that insane witch crashing back first into a wall.

Nicholette Torrington: Holy crap, now Celine Wendova's transformed into her Super Angel Eternity Infinity form, that's so awesome!

Nico: That's right, Nicholette, and she sent that crazy witch, Jezebel Lanira, crashing back first into a wall, and really pissed her off even more.

Me: This is going to be so good.

Lincoln: Wow, Celine, you look beautiful. How do you feel?

Celine Wendova: (Divine Echoing Cosmic Voice of the Dark Sapphire Demon and Dark Divine Love) **I feel incredible, Linky. Now then, shall we deliver Jezebel Lanira her rightful punishment?**

Lincoln: (Smiles) With pleasure, Celine.

Lincoln unholstered his massive Hinon's Cosmic Storm Sword of Universal Hope, Elemental Bravery, and Unbreakable Eternal Bonds from his wider and muscular back, and transformed into Super Angel-Ebonwu-Thunderbird Eternity Infinity Elemental Thunderbird Buffalo Angel of Universal Justice and Elemental Hope and he joined Celine Wendova.

Lincoln: (Divine Echoing Cosmic Elemental Voice of Universal Justice and Elemental Hope) **Your days of causing mayhem and chaos in the name of Damian Alaister and The Church of Necrom are finally over, Jezebel Lanira.**

Celine Wendova and Lincoln went after Jezebel Lanira, who continued firing blasts of darkness at them, but they dodged them all, and they fired powerful blasts of rainbow energy, dark blue energy, dark magic, Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, Magic, rainbow flames, rainbow crystals, Buffalo, Thunderbirds, Phoenixes, Angels, and Demons at Jezebel Lanira, and they exploded with incredible power as they hit the crazy witch, who was now even more pissed off big time.

Jezebel Lanira: Descend from The Infernal Skies, Lightning Demons!

Jezebel Lanira summoned a really massive army of Lightning Demons to attack them, but Lincoln fired red energy beams, and as they hit the Lightning Demons, Lincoln sucked out and drained the massive army of Lightning Demons completely dry of their lightning powers, and they disintegrated and vanished back into darkness, and that pissed Jezebel Lanira even more. But before she could attack, Lincoln attacked Jezebel Lanira with his massive Hinon's Cosmic Storm Sword of Universal Hope, Elemental Bravery, and Unbreakable Eternal Bonds and left painful scars on her, and Celine Wendova attacked Jezebel Lanira with her brand-new massive Celri, Monk of Dark World's Demon Sword of Dark Justice and left even more painful scars on her.

Celine Wendova: **Linky, shall we do the honors in putting Jezebel Lanira in her place?**

Lincoln: **Ladies first, Celine.**

Celine Wendova: **Such a gentleman.**

Celine Wendova and Lincoln formed massive red energy balls in the palms of their hands, and they condense them to the size of their bodies, and they aimed them at Jezebel Lanira, who ran at them with murder and insane rage in her eyes.

Celine Wendova and Lincoln: **VOX PENICULUS POWER ABSORPTION KARMA BLAST!**

Celine Wendova and Lincoln fired the massive red energy balls, which transformed into red energy beams, and as the two red energy beams hit Jezebel Lanira, Lincoln and Celine Wendova began absorbing all of Jezebel Lanira's dark powers and dark magic, and Lincoln's rainbow energy aura with Thunderbirds, Phoenixes, Angels, Buffalo, and Elemental Forces flared up, and he was gaining a really massive power and energy boost to his infinite power and energy, and the same thing happens to Celine Wendova as her blue energy aura with darkness, demons, dark magic, and blue flames flared up and she was really massive power and energy boost to her infinite power and energy. When Celine Wendova and Lincoln were done, Jezebel Lanira was rendered completely powerless and completely drained of her powers.

Jezebel Lanira: What did you do to me?!

Lincoln: **We sucked out and absorbed all of your dark powers, abilities, and dark magic, and now, you're powerless, Jezebel.**

Celine Wendova: **And now, you're finished.**

Celine Wendova opened her Destroyer of the Church of Necrom grimoire, and she found the page and she fired a blast of darkness, and as it hit Jezebel Lanira, the now powerless and insane witch of The Church of Necrom was imprisoned inside of a black tarot card with Celri, Monk of Dark World on the back of the black tarot card with shadows of darkness, demons, dark magic, and blue flames, and she put the tarot card with Jezebel Lanira imprisoned inside the black tarot card box with the symbols of the Dark World Duel Monsters on top, where Jocasta Belladonna was put inside yesterday. We cheer wildly for what Celine Wendova and Lincoln as they holster their massive swords and powered down, and Celine Wendova's new body, clothes, weapons, jewelry, and massive dark blue angel wings are permanent.

Celine Wendova: Gotcha, bitch! Thank you for helping me take down Jezebel Lanira, Linky.

Lincoln: (Smiles Warmly) You're welcome, Celine.

Suddenly, Celine Wendova wrapped her arms around Lincoln's waist, and it brought an atomic blush to Lincoln's face, as he wrapped his abnormally massive and powerful muscular arms around her waist and he brought her into an embrace, which took her by surprise and brought an atomic red blush to her face. Then, as Lincoln leans down to Celine Wendova's face, they kissed passionately as Celine Wendova wraps her left arm around Lincoln's muscular neck, and she placed her left hand on Lincoln's massive and wide muscular right pec, and behind them was a Thunderbird, Phoenix, Angel, and Celri, Monk of Dark World flying in the air, and we also saw a herd of Buffalo running across the field, along with elemental forces and creatures of the night flying around the place and we cheered for them.

Nico: Hah, that's another Church of Necrom asshole put down, and sixteen more to go.

Me: That's right, Nico.

Celine Wendova: Which means the next Church of Necrom member to show their face tomorrow is Ianira Dormund.

Lincoln: And you and I are going to put a stop to that witch, Connie.

Connie Jackelstein: That's right, Linky. And we're going to make that insane witch pay for what she's done.

Me: Another awesome and great big mission accomplished!

Dr. Polaris: You guys are gonna be perfect teammates!

Juran: Got that right.

Me: 45+ Years of rangers came together.

Yost Wolverine: (to Kaito) You've got a good team and friends here, kid. Keep up the good work on fighting for them.

Kaito: I sure will. See you in 7 days

Me: See you guys on the day after Nico's birthday.

Kaito threw a punch at Yost Wolverine but the latter caught it. All the while, the two of them had smiles on their faces.

Gator Ghoul: This calls for a celebration at Candy Cafe Colorful!

Nico: YEAH!

Zayto: Well, even though some of us have to go back to our worlds, one celebration can't hurt.

Cargill: You won't regret it, Zayto.

Me: Kaito, Zayto, Juru, Hitoshi, everyone, we owe you guys really big for helping us. You made this the most awesome mission for not only Zarya but for me too.

Juru: We're glad we can help out.

Zayto: I understand J.D. But it was an honor to help you out.

We shook hands.

Me: We owe you all big time.

Kaito: (To the viewers) This was a really awesome adventure! Hope you all liked this one and we have 45 years of teams with us.

Nico: We sure do. Great job today everyone! This was an awesome mission. I hereby am pleased to announce that Zarya's big mission was a success.

Kouta: Yes it is.

Kaito: You got that right.

Nico: Lets go home guys.

We went back home. We first went to Candy Cafe Colorful for some fun and then enjoyed the rest of the day before going to sleep.

# BAUDELAIRES VS OLAF

In the early morning hours at 2:18 AM, I was asleep in my bed with Varie and everyone after we had such a big battle with Super Warumono World and it was awesome. I was in my Dream meditating and then Natilee came.

Natilee: Hey dad.

Me: Oh hey Natilee.

Natilee: I have an awesome dream you all might like.

Me: Lets go see.

Me and Natilee flew out of my dream and then we went into Laney's Dream and it was really beautiful! We saw that Laney was dreaming about the beautiful and amazing beauty of a mountain meadow and everything was absolutely beautiful. Butterflies were flying all over, flowers were in bloom, the river was beautiful and the mountains were so awesome.

Me: Wow! Laney is having a magnificent dream.

Natilee: Boy I'll say dad. This is really amazing. And there they are.

We saw Laney and Joey having a picnic and they had a beautiful green hair human-size fairy with them and she had a beautiful green dress and magnificent blue butterfly wings. She was playing with Laney and Joey's kids and she had 7 girls.

Me: Oh wow! Laney and Joey have a family here.

Natilee: It's so awesome and adorable.

We went over.

Seline: (Irish Accent) Well hello laddies.

Me: Hello there.

Laney: J.D., Natilee? What are you all doing here?

Me: We saw that you were having a magnificent time here. (To the fairy) Oh I don't believe we met.

Seline: My name is Seline and I'm a Celtic Fairy. Amazing to meet you.

Me: Same here.

Natilee: Laney, Joey your girls are adorable.

Laney: Yeah they sure are.

Joey: We named them with names that start with the letter A.

Their names were Abigail, Alison, Alana, Andrea, Ariel, Adrienne and Addison. They were really cute names. Seline decided to join the team and Natilee snapped her fingers and then later the following morning at 8:10 AM, I woke up and Laney scream was heard and I got dressed and went down to her room and then we saw Laney and Joey's kids with her! WHOA! We had a nice breakfast and Seline was with the team now.

Flying through the depths of Space yet again was Nico, Qin, Zenkaigers, Chloe Bourgeois, Hades, The Goths of Darkness, Applejack, Apple Bloom, Twilight Sparkle & Friends, Rachel Stavenport, Carol Pusateri, May, Maria, Varie, me, Eli, Arrietty, Aylene Carter, Littlefoot and friends, Fu, Nicole Knudson, Kaina Tsutsumi, Camie, Kaoruko Awata, Himiko, Ibara, Toru, Sirius, Tsuyu, Ochaco, Momo, Lincoln, Laney, Lana, Lola, Lisa and Lily and we got word about a really cool food planet that really was going to be interesting to see.

Nico: This is gonna be awesome.

Toru: I have a feeling this food planet will be just as cool as the others.

Qin: I agree too. It will be just as awesome.

Laney: Boy it sure will be cool.

Nico: Thanks for coming with me, Qin.

Qin: Anytime Nico. Now we have some brother and sister bonding time together on this rescue.

Lana: That is awesome.

Kaito: Lana did you really have to eat all of Oogie's bugs in front of us?

Lana: Sorry about that.

Me: Oh that's Lana for you Kaito. She eats anything gross. She eats worms and bugs, anything gross.

Applejack: Yeah it's funny but cute.

Lana: Yeah.

Me: Believe me I have known her since I first moved to Michigan in 2016 and I've seen her eat strange stuff. It's how she is.

Lana: Yeah.

Nico: Qin, yesterday was awesome!

Qin: YEAH IT WAS!

Me: It was the best ever!

Zocks: And it's also an honor to go with you guys on a rescue.

Me: You will love it Zocks. We have an awesome time on these.

Laney: Yeah we see so many awesome places all over the universe.

Eli: And many of them are really awesome.

Lola: Yeah they are.

Gaon: We're going to have an awesome time on this.

Qin: Yeah we are.

Me: Yeah.

Hades: Look, J.D. The thing about… (sighs) Dammit, the offer Luthor, Joker, and my former buddies tried to give you. It must've been tempting to go back in time and erase all evil with the Black Gates. But you made the right call. (chuckles) Glad I didn't have to make it.

Me: It was a good call and the offer was very tempting but I knew he was lying. So I had to put up a good front to make it look like I was going to do it. I didn't want them to know I was on to them.

Hades: That was really clever.

Laney: Yeah it was.

Me: I knew that Lex Luthor was going to pull something like this and I knew I had to act fast and play along with it to catch Luthor off guard.

Lola: That was really genius!

Lincoln: You almost scared us there but you really outsmarted a cunning and evil mastermind like Luthor.

Me: Through past experiences, the best way to outsmart someone like Luthor is to think like Luthor.

Nico: That's true.

Camie: But it was really awesome that you outsmarted someone as dangerous and crafty as Lex Luthor.

Me: I know and he was trying to destroy the Justice League for as long as anybody can remember.

Hades: Boy he sure has.

Nico: Considering that 5 of the people we killed yesterday were your former teammates, I'm surprised you didn't quit the Masters of Evil.

Hades: Nah. The Maleficent I knew from Sora's first adventure is long gone. And I never even liked Jafar to begin with. (chuckles) Besides, you guys would be lost without me.

Nico: (laughs) Sure, we would.

Me: Yeah we sure would. So would Anna and she loves having you in her usual battles.

Hades: That's true. Also I am a really funny guy too.

Lola: You sure are.

Qin: When you think about it, there's really nothing about my past to fix anymore. My sister is back. And so are my parents.

Me: That's right and your sister got turned into a Gene-Slammer and your parents were brought back by the Aparoids.

Tsuyu: That is amazing that the Aparoids have brought back so many of the team's long lost relatives.

Chloe Bourgeois: It sure is guys.

Me: Yeah no kidding.

Nico: I'll never forget the first run in we had with them.

Me: And that we the dawn before the Great War of Friendship on April 11th, 2021. On the world of One Piece.

Qin: That's right. With Lionheart.

Nico: Like I said before, the emotional pain we all went through shaped us into the people we are today. We can't change the past. But we can move ahead into a brighter future.

Me: That's right and we have to learn from the past and make sure it doesn't happen again.

Laney: That's right.

Lincoln: And thanks to J.D. I realize now that we are not going to be able to save everyone. But we can save as many people as possible and try our hardest.

Laney: That's for sure.

Me: Yeah.

Qin: The best part is Officer X is finally out of the way.

Me: And in prison where he belongs.

Juran: The mascots did nothing to have that awful pun making idiot on their tail.

Nico: Yeah no kidding. What an idiotic freak!

Eli: A total asswipe.

Chloe Bourgeois: Yeah we've had a really eventful day yesterday.

Me: And the coolest part about that is you and Zocks being made into a couple.

Eli: With a little push from Romance World.

Me: If we ever face Romance World to start off the Usual Battles with the Zenkaigers down the road we'll thank him for that.

Nico: We sure will.

Zocks: I agree. But that was really awesome and amazing.

Nico: Yeah it sure was awesome.

Zocks: And later, Chloe's parents want to have a talk with me and her.

Nico: Best of luck, dude.

Zocks: They also said that no shotguns are involved.

Me: That's a relief. Nico is really nervous when it comes to meeting the parents of the girls he knows.

Rachel Stavenport: Take that from me. He met my parents for the first time in a while and he was scared they were going blow his head off.

Me: Rachel I don't think that's helping out.

Zocks: I know what you mean J.D. and no Chloe's parents are fine. They don't have a gun but I still want to meet with them.

Me: That's all right.

Zocks: By the way J.D. how did Will know my song so well?

Me: She thought it was really catchy and awesome. She watched Zenkaigers and thought it was really cool. The Mascots and me all thought it was cool.

Nico: Yeah she was really dancing to it.

Me: Yeah and also it was really awesome having the Kamen Riders and all the Power Rangers and Sentai Times minus the Pre-Zyuranger Teams help out too.

Nico: That was so awesome and really epic.

Me: Yep and Cornelia knows who she is meeting soon on her Ambassador Mission.

Eli: She sure does.

Nico: We're here.

We arrived at the planet and it was a red planet with white oceans, rivers and lakes.

Nico: This looks like a really awesome planet.

Lola: Boy it sure does.

We went down to the planet and we landed and we saw that it was really a planet made entirely out of PORK BUTTS AND TATERS! IT WAS REALLY AWESOME!

Me: WHOA! It's a planet made of Pork Butts and Taters!

Eli: Cow and Chicken would love this planet! They did say that Pork Butts and Taters is their favorite.

Nico: OH WOW! Cow and Chicken would be in heaven!

Qin: I'll have some and then keep watch.

Laney: Where's a Food Catapult when you need one?

Me: Who needs a food catapult when we got this.

I pulled out my bazooka and loaded it.

Me: Qin get ready.

Qin: FIRE!

I fired a Pork Butt and it flew right into her mouth and she chewed it up and swallowed it and it was tasty!

Nico: Nice shot!

Me: Thanks.

Qin: (BURPS) Oh pardon me.

Kaito: In case there's a need to, I brought some Sentai Gears with us.

Me: Awesome.

Nico: Cool.

We got to eating and we were firing Pork Butts and Taters at each other and eating them all over the place and it was awesome and fun.

Camie: Normally we shouldn't play with our food but this takes playing with food to a whole new level.

Himiko Toga: It sure does and it's awesome!

We were eating them all over.

Gaon: This is so tasty!

Nico: Cow and Chicken love Pork Butts and Tators more than any other meal. And we use it as an awesome way to feed the kids during our humiliations.

Me: We got these awesome food bazookas that we use for it too and it's really cool.

Eli: Yep.

Lola: It's really awesome as well.

Fu: We have a lot of fun with our food and eat it too.

Kaito then got a pork butt handed to him by someone.

Kaito: Thanks, Magine.

Magine: Kaito, I'm over here.

Kaito: Wait. Then, who handed me this pork butt?

Me: I think it's him!

We turned and we saw the iconic and funny enemy of the great spy Austin Powers, DR. EVIL!

---

**Douglas "Dougie" Powers**, better known as **Dr. Evil**, is the main antagonist of the *Austin Powers* film series.

He is the main antagonist in *Austin Powers: International Man of Mystery* and *Austin Powers: The Spy Who Shagged Me* and the central antagonist-turned-anti-hero in *Austin Powers: Goldmember* .

He is the head of a criminal organization with the intention of taking over the world, the son of Nigel Powers, the archenemy and long-lost brother of main protagonist Austin Powers and the father of Scott Evil. He is also a parody of Ernst Stavro Blofeld, the archenemy of James Bond in the *007* films and novels.

He was portrayed by Mike Myers, who also played the title character in all three films, as well as Fat Bastard and Goldmember.

After a near defeat in 1967 at the hands of his nemesis, Austin Powers, Dr. Evil retreated into a space pod that cryogenically froze both himself and his beloved cat, Mr. Bigglesworth. Austin Powers agreed to also be cryogenically frozen in order to be reanimated at the time when Dr. Evil returned.

In Dr. Evil's absence, his organization, Virtucon, continued to grow economically to fund their evil deeds and kept several parties employed. His companies fared so well even that one company alone made several times more than the evil doctor originally intended to ransom the entire world. Also during his absence, Dr. Evil's son Scott was born.

Dr. Evil was unfrozen 30 years later in 1997 and continued his plans.

He also has a clone named Mini-Me, who is significantly shorter than him introduced in the second movie.

In the third movie, it is revealed that he is in fact Austin Powers' twin brother, **Douglas** (or "Dougie") and Nigel Powers' second son, and the two team up to stop van der Smut. In the end, both Dr. Evil and Mini-me are reformed with Scott Evil, his son, being in command of his evil organization, and Goldmember being the real destroyer.

Although many aspects of his life are unknown, some details are revealed by the doctor in a group therapy session from the original movie:

In the third movie, it is revealed that Nigel Powers is his father and Dr Evil is Douglas Powers, Nigel's other son and Austin's twin brother. One day his family drove for a trip to Beligum, where Nigel stopped in the field to relieve himself, when the family car exploded, killing Austin and Douglas' mother. Nigel assumed only Austin had survived the explosion. Douglas survived only because Mrs. Powers' corpse shielded him from the blast. Nigel also told him it was no accident, but an assassination attempt. Douglas was found by two Belgians, who raised him into the evil person he is today.

Despite his intelligence, he got several unintelligent ideas mainly in his schemes has mostly flaws in them.

Dr. Evil has three testicles, this was revealed when Mini Me lowered the globe during a demonstration accidentally hitting Dr. Evil in the crotch. After reacting in agony, he announced he had to check his balls and counted three.

Dr. Evil's projects for world domination are often named after pop culture trademarks (Death Star, The Alan Parsons Project, Preparation H) and he is often unaware of the accidental pun. For example, when Dr. Evil says he will turn the moon into a "Death Star" (said with finger quotes), Scott laughs and calls him "Darth". Scott also coughs and mutters "Rip-off!" After a slight pause, his father says, "Bless you."

Dr. Evil varies in how real he makes his threats out to be. When he makes his threat of causing all the volcanoes in the world to erupt at once, all he does is display his machinery, something of an homage to *Thunderball* . When he makes the threat of "Death Star", he "demonstrates" the power of his laser by showing the President and the cabinet footage of the White House being destroyed. After the President and the cabinet realize they're still alive, he says "Well actually that was just footage from the movie *Independence Day*, but the real laser would be a lot like that". With his threat of flooding the world, he shows that the tractor beam is real by pulling down a satellite that looks like a pair of breasts.

Dr. Evil seems to have a problem in general with understanding world economy and money, especially regarding the modern American economy and inflation. In the first film, he intends to hold the world ransom for one million dollars, but doesn't understand that it isn't as large a sum of money as it was in the 1960s, because of inflation, and the demand causes the U.N. to burst out laughing. In the second film, Dr. Evil goes back to 1969 and plans to hold the world ransom for $100 billion, and when he tells the amount to the President, he receives a similar reaction as in the first film when the President and his cabinet laugh at him. In the second film, Dr. Evil says, "Why make trillions when we can make… BILLIONS?" not knowing that trillions are larger than billions. In the third movie, he demands "1 billion, gagillion, fafillion, shabolubalu million illion yillion… *yen* ". This time his demand is met with simple confusion from the world leaders. In his first film, his other idiotic schemes include a threat to destroy the ozone layer and make a scandal of Prince Charles' marriage, humorously unaware that these were both major issues recently and have since subsided.

One of Dr. Evil's greatest desires is to have "frickin' sharks with frickin' laser beams attached to their frickin' heads," and is disappointed when he can't have the sharks because of laws on endangered species. Instead, Number 2 gives him mutated sea bass, which Dr. Evil grudgingly accepts, muttering "Well, it's a start" (they were ill-tempered, as the bass do manage to eat the head of one unfortunate henchman hired by Dr. Evil, who was having a stag party at Hooters that was informed of his death). Scott however, manages to get him said sharks in the third film as a father-son gift.

Dr. Evil can't resist cracking puns at his own work (he says his submarine lair is "long and hard and full of seamen"). As with Auric Goldfinger, he creates models of his plans, worried that they are too complicated for his minions to understand. He also cares nothing for the companies (Virtucon, Starbucks, Hollywood Talent Agency) that fund his plans, ignoring all suggestions from Number 2 on how to increase the profit of such companies honestly. Although he was impressed that Number 2's Hollywood Talent Agency was able to recruit celebrities such as George Clooney, Julia Roberts, and Leonardo DiCaprio.

Nico: WHOA NO WAY!

Eli: The iconic Dr. Evil!?

Nico: Wow! You are the funniest version of Dr. No ever!

Pinkie Pie: Yeah he is!

Dr. Evil: Indeed I am.

Me: Yeah but it's awesome meeting you for the first time. I love watching you all the time in the Austin Powers Movies. They are really funny!

Dr. Evil: I'm glad you like them so much.

Nico: They really make a lot of us laugh.

Dr. Evil: Funny how this ends up as our first meeting.

Nico: They sure do.

Me: That is awesome.

Eli: It sure is. But also that little version of you Mini-Me was awesome.

Me: And Verne Troyer played him.

We took off our hats and put our hands on our chests for him and had a moment of silence. Verne Troyer will never be forgotten.

We then got to the battle.

Kaito: (takes out Kiramager gear) You picked the wrong day to approach us.

Zocks: (takes out Ryusoulger gear) Things in Team Loud Phoenix Storm are gonna be intense like never before now!

Nico: That is for sure! It's buttkicking time!

Eli: Yeah!

Kaito activated the powers of the Kiramagers and Zocks activated the Ryusoulger powers.

Kaito summoned smaller versions of the Kiramai Mashin and Zocks summoned Ryusoul Kens.

Nico: YEAH!

Dr. Evil: At least it's better then fighting Powers again.

Me: Austin Powers is both funny and awesome and he has been making lots of people laugh since 1999.

Eli: That is for sure!

Kaito: That's true.

Dr. Evil managed to avoid a few of the Mashins but got hit by the red one.

Dr. Evil: Figures the red one would hit me.

Me: That's not the only one. Nico you're going to love this.

I pulled out a red briefcase and it had flames on it.

Me: A little present given to me courtesy of my friend Aruto Hiden.

I had it form into an INFERNO SCYTHE!

Nico: COOL!

Eli: Wow! That is awesome!

Me: Phoenix Progrise Scythe!

Laney: That is cool!

Nico: Wow! Wait! You know the Zero-One Kamen Riders!?

Me: Yep. I'll explain later.

Dr. Evil: I am not one of the villains who is against your methods. You all show me that heroes can evolve.

Nico: Yes they can and the more we fight the stronger and more powerful we get. But we must always follow a very important rule. With great power comes great responsibility.

Me: That's right! It's very powerful.

?: That is a great rule.

A TIAMAT APPEARED!

Nico: WHOA A TIAMAT!

Tiamat: (In a girls voice) Awesome to see you again Nico.

Nico: That voice. Tanya Gunderson?

Tiamat: Yep.

She fired a blast of fire, lightning, poison, acid and ice and smashed Dr. Evil down.

Eli and Laney tied him up.

Me: You know doc you would make an awesome member of the M.O.E. You would have an awesome time with us and them too.

Dr. Evil: I would be honored.

Qin: Boy that is a fact.

Tanya reverted back and she was a girl with pink eyes, golden blond hair and had gold clothes.

Tanya Gunderson: That is awesome.

Qin: Tanya!

Tanya Gunderson: Qin!

They went and hugged.

Qin: Wow! It's awesome to see you.

Tanya Gunderson: You too Qin.

Kaito: What's your favorite memory of Nico? (to the viewers) I know Qin's the one who came with Nico today. But she and Tanya know each other. Having her ask the question would be weird.

Nico: Yes it would be weird.

Tanya Gunderson: I have a lot of them. But my favorite would have to be where I thrashed a really dangerous school bully for trying to hurt Nico and I got him in a lot of trouble not just with the principal but with the law. His name was Terrance Logan.

Nicole Knudson: Terrance Logan? I remember him.

Nicole showed us a wanted poster of Terrance and he was a kid with black hair and had an evil grin on his fave. He also had a bounty of $723,122,000,000,000.00 on him.

Nicole Knudson: He was wanted for numerous beatings on lots of kids. And he even killed a bunch of kids.

Tanya Gunderson: Yeah. I beat him up and got him sent to prison forever.

Nico: Yeah.

Me: Good riddance to bad rubbish.

Nico: Yep.

Eli: What a monster.

Nico and Tanya hugged.

Nico: I really missed you.

Tanya Gunderson: Me too Nico. Me too.

Nico: Yeah.

Laney: This was an awesome find for us here.

Qin: It sure was.

Lana: Yep.

We later went back home and told everyone about what we found and more.

After Nico's rescue, Lincoln, Me, Nico, Eli, Nicole Knudson, Lori, Leni, Luna, Luan, Lynn, Laney, Lucy, Lana, Lola, Lisa, Lily, Lincoln's harem, Sherlock Hound, Noctis Lucis Caelum, Gladiolus Amicitia, Ignis Scientia, Prompto Argentum, Stella Nox Fleuret, Ravus Nox Fleuret, TLPS Mr. Wolf, TLPS Mr. Piranha, TLPS Mr. Snake, TLPS Mr. Shark, TLPS Ms. Tarantula, Heathcliff, Sonja (Heathcliff), Riff-Raff, Hector (Heathcliff), Wordsworth, Mungo, Cleo, Leroy, Crash Bandicoot, Coco Bandicoot, Aku-Aku, The Quantum Masks, Alternate Tawna, Spyro, Cynder, The Ghostforce, Rayman, The Louds' Scottish Ancestors, The L-ementals, and Sheila are heading to a planet made of hot dogs, and not only is Lincoln going to rescue the eight girls there, but we got word that Johnathan Crane A.K.A. Scarecrow has returned from the dead and he wants revenge again.

Lincoln: Whoa, this is awesome, we're here on a planet made of hot dogs with ketchup, mustard, and French Fries, and I know what we're going to do here, not only am I going to rescue the eight girls here, but we got word that Johnathan Crane A.K.A. Scarecrow has returned from the dead and he wants revenge again.

Me: That's right, big guy. I should've known that psychotic, insane, fear-causing bastard would come back again.

Nico: I would've thought we were finally rid of him after Mal threw him in The Warp last year during the battle against Team Dark Phoenix Storm.

Lincoln: Crane refuses to learn his lesson, that's three times in a row. Well, that's the last straw, now that bastard's getting The Black Gates and he's never ever coming back. And thanks for joining us, Sheila.

Sheila: You're welcome, Lincoln. I can't wait to finally make Scarecrow pay. Oh, and we should also get some hotdogs, along with some ketchup, mustard, and French Fries for everyone to eat.

Lincoln: Good idea. Too bad we haven't discovered a planet made of soda yet, that would be quite the sight to see.

Me: Now, that would be something to see, big guy.

Nico: Planets made of drinks, that could be an awesome thing to see as well, and if there's a planet made of smoothies, Ben's going to love it.

Eli: You said it.

?: HEELLLLPPPP!

Suddenly, Lincoln heard the sound of eight girls calling for help. With his deep sapphire blue cyborg eyes, rainbow colored iris of his Third Eye, the Force, and his superhuman sight, along with sensing energy signals, he saw and heard exactly where the call for help was coming from. He saw the eight girls, but they've been cornered by Johnathan Crane A.K.A. Scarecrow, and he's going to spray them with his Fear Gas. Lincoln also saw that Scarecrow had the symbol of The Church of Necrom on his forehead, and this meant The Church of Necrom brought Scarecrow back, and he's also accompanied by an army of Lava Demons.

Lincoln: Guys, the eight girls, but they've been cornered by Johnathan Crane A.K.A. Scarecrow, and he's going to spray them with his Fear Gas, and there's also something very disturbing: I also saw that Scarecrow has the symbol of The Church of Necrom on his forehead, and he's also accompanied by an army of Lava Demons.

We gasped in pure shock.

Connie Jackelstein: Great, so another bastard's been brought back by The Church of Necrom, and that army of Lava Demons with him, there's only one witch in The Church of Necrom who's able to summon Lava Demons: Ianira Dormund.

Lincoln: Should've known that deranged witch was behind this.

?: Let's put an end to that miserable disgraced fear-inducing monster!

Suddenly, we saw the D/D Ghost appear before us.

Lincoln: Whoa, that's the D/D Ghost, and I'd recognize that voice from anywhere, I knew it was you, Julia Keplar, but we'll have to talk later, we got to stop Scarecrow and fast.

We rushed on over and Lincoln fired rainbow energy balls and elemental forces at Scarecrow and he also destroyed Ianira Dormund's army of Lava Demons, and he also fired a rainbow-colored gas that destroyed the Fear Gas, and that allowed the eight girls to get away, and they were also cured of Scarecrow's Fear Gas. When Scarecrow saw us, he was pissed that we saved the girls from his Fear Gas, but we were also pissed to see him again.

Lincoln: You just don't know when to quit, do you, Crane? Well, this is the last time we ever have to deal with you, and as for your Fear Gas, I used my new rainbow-colored gas called Fear Purification Gas, which destroyed every last trace of your Fear Gas, and now, it's time for you to die.

Lincoln unholstered his massive Hinon's Cosmic Storm Sword of Universal Hope, Elemental Bravery, and Unbreakable Eternal Bonds from his wider and muscular back, and transformed into Super Angel-Ebonwu-Thunderbird Eternity Infinity Elemental Thunderbird Buffalo Angel of Universal Justice and Elemental Hope, which became even more stronger than ever, along with all his other Super Angel forms, TLPS Mr. Wolf transformed into his Super Angel Eternity Infinity form and the rest of The TLPS Bad Guys Gang transformed into their Super Angel Eternity Infinity forms and they unholster their massive swords, Lincoln's sisters transformed into their Super Angel Infinity forms and unholstered their massive swords from their backs, Lincoln's harem unholstered their massive swords from their backs and transformed, Sherlock Hound transformed into Super Angel Eternity Infinity Stellar Darkness Demon Hound of Dark Compassion and Demonic Justice, and he unholstered his massive Sparda's Demon Fang of The Demon Hound sword from his wider and more muscular back, Crash Bandicoot unholstered his massive Skylands' Elemental Wolf Sword of Elemental Justice from his wider and more muscular back and transformed into Super Angel Eternity Infinity Elemental Skylander Bandicoot Knight Angel of Elemental Bravery and Elemental Will, The Ghostforce, Sheila, The Louds' Ancestors, The L-ementals, Noctis, Prompto, Ignis, Gladio, Stella Nox Fleuret, and Ravus Nox Fleuret got out their swords, Rayman had his gauntlets ready and he transformed, Hector got out his massive Heaven's Maw of Judgement sasumata pike, and Me, Nico, Nicole, and Eli unholstered our massive swords and transformed, and we went after Scarecrow, and we fired powerful blasts of rainbow energy, colored energy, elemental forces, Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, Magic, rainbow flames, and rainbow crystals, and they exploded with incredible power as they hit him.

Then, Lincoln fired a powerful rainbow-colored Death Beam from his large right pointer finger and hits Scarecrow, and Lincoln lifted him up into the air with telekinesis, and he summoned swords made of Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, and Magic, and another sword made of the black energy of The Black Gates. Then, the elemental swords attacked Scarecrow, and the sword made of the black energy of The Black Gates pierced Scarecrow, and he was destroyed and he was erased by The Black Gates. We cheered wildly as we holster our weapons and power down.

Lincoln: That's the last time that we ever have to deal with you, Scarecrow. (To Julia Kepler) And it's so good to see you again, Julia Kepler.

Julia Kepler reverted back to normal, and she's a beautiful 17-year-old girl with long flowing yellow hair, yellow eyes, she's tall at 6'5" in height, she has the body of a goddess, she has massive yellow angel wings, and she reigned in the power of D/D Ghost, and she's dressed in a sleeveless yellow vest, yellow sleeveless midriff dress top, yellow skirt, yellow bellbottom pants with flowers, yellow sneakers, and long yellow sleeveless trenchcoat with fiends and ghosts on the coattails, and D/D Ghost on the back, and holstered on her back is a large D/D Ghost-themed sword with a 6'10" massive, wide, double-edged yellow blade with D/D Ghost etched on it, large yellow angel wings for the crossguard, large yellow gem embedded in the rainguard, longer black handle, and large yellow gem with angel wings surrounding it for the pommel.

Julia Kepler: You too, Lincoln, it has been indeed been six years since last I saw you.

Lincoln went up to Julia Kepler and they hugged, and Julia Kepler's also very surprised at just how much taller and much more muscular

Lincoln's gotten since they last saw him, and they also felt just how strong he's really become.

Lincoln: It sure has, I haven't seen you when you were sixteen, and as you can see, I really grew a lot since then.

Julia Kepler: I knew you have, but whoa, you sure have really grown very big and strong like a tree, Lincoln, you've really grown a lot from the eleven-year-old cute little boy into a 17-year-old and permanently 7'5" tall, very handsome, and manly teen with abnormally massive and powerful upper and lower body muscles and eight-pack abs, that's so awesome.

Nico: Wow, Lincoln, you know her?

Lincoln: Indeed I do, Nico, this is Julia Kepler, she's another of my Guardian Angels from Royal Woods, Michigan, and she's the descendant of the great 16th Century astronomer Johannes Kepler and she's really smart in astrophysics, astronomy and everything about space. She's also known as one of the smartest girls ever, because she has a high IQ of 750 and she graduated from school at the age of 3, and she's helped me and Lisa in many projects of extremely advanced quantum physics, and she also has incredible psychic powers and she sensed Lori was going to destroy my project and kill me to get revenge on me for destroying her room by accident, and she was also going to kill the entire family.

We were amazed.

Nico: Whoa, an IQ of 750 and she even helped you and Lisa in many projects of extremely advanced quantum physics. You have to be really smart to know about extremely advanced quantum physics.

Me: That's more than enough to make your brain hurt.

Julia Kepler: True, and like Lincoln said, I also stopped Lori who was about to destroy his project and kill him to get revenge on him for destroying her room by accident, and she was also going to kill the entire family.

We gasped in shock.

Nico: Oh, we're really hearing about this later on.

Suddenly, a Thunderbird of Eternal Love appeared around Julia Kepler's neck with yellow gems on the gold thunderbolt links and yellow crystal links from brand-new Crystal Necklace of the Buddha which merged with her Thunderbird Necklace of Eternal Love.

Julia Kepler: (Surprised) Whoa, is this…?

Lincoln: Yep, that's a Thunderbird Necklace of Eternal Love, and that means you're now part of my harem and one of my many future wives, Julia.

Julia Kepler had a smile on her face and tears coming from her eyes, as she then wrapped her arms around Lincoln's thick and muscular neck, and Lincoln wrapped his abnormally massive and powerful muscular arms around her, and he leaned down and kissed Julia Kepler on the lips, and they returned it, and we cheered for them. Then, we went up to the eight girls, and when Lincoln saw them, he recognized the girls immediately. The eight girls are Tomoe Akizuki, Higa Natsumi, Fuyune Kamikura, Maiharu Hiromi, Shiki Mori, Sandy McDougall, Yuika Akizuki, and Korone Hououji from Minami Kamakura High School Girls Cycling Club.

Lincoln: Oh wow, it's Tomoe Akizuki, Higa Natsumi, Fuyune Kamikura, Maiharu Hiromi, Shiki Mori, Sandy McDougall, Yuika Akizuki, and Korone Hououji.

Nico: From Minami Kamakura High School Girls Cycling Club, awesome.

Lincoln: Are you girls okay?

Tomoe Akizuki: Yes, we're okay, thanks to you.

Then, when Tomoe Akizuki and the other seven girls saw who it was that saved them from Johnathan Crane A.K.A. Scarecrow, their faces turned atomic red upon seeing the 17-year-old permanently 7'5" tall, handsome, bare-chested hunk with abnormally massive and powerful upper and lower body muscles, eight-pack abs, long wild white hair going down to the bottom of his neck and rainbow lightning bolt highlights in the bangs of his long white hair, rainbow colored thunderbird with a gold lightning bolt emblazoned on his forehead with a Third Eye of the Buddha on his forehead with rainbow iris, golden lightning bolt cutie mark with the thunderbird and comic books right on his massive and wide right pec and it's surrounded by the symbols of Fire, Water, Ice, Wind, Earth, Nature, Light, and Darkness in a circle, large Celtic Cross cutie mark tattoo in the form of the cutie marks of Twilight Sparkle, Sunset Shimmer, Rainbow Dash, Applejack, Rarity, Pinkie Pie, Fluttershy, Starlight Glimmer, and Trixie Lulamoon, surrounded by a circle were the marks of the other girls in Lincoln's harem on his wider and more muscular back, and right on top was the Earth surrounded by the ring of mermaids and surrounded by a Thunderbird, Phoenix, Angel, and Buffalo, and right below the Cutie Mark tattoo is a deep sapphire blue kanji that said, "Lincoln Landon Loud, Champion and Emissary of Hinon, Master of Lightning Storms, The Weather, The Elemental Forces, The Cosmos, and The Universe, The Loud House's Man With A Plan, Golden-Hearted Brother of Many Siblings, and Golden-Hearted Lover, Father of Many Kids, Son, and Future Husband, Descendant of The 17th Century Duke Lincoln of Loch Loud in Scotland, Destroyer of Morag McLaughlin, Destroyer of Evil, Black-Hearted, Sadistic, Delusional, Power-Hungry Bastards, Talented Comic Book Writer and Video Gamer, God of Truth and Justice, and Ambassador and Beacon of Hope to The Universe", he has deep sapphire blue eyes, a tattoo of a pepper with fire surrounding it and a kanji that read "Spiciest Man of The Loud House" on his broader and muscular left shoulder, and a Mark of Manhood tattoo of a male bodybuilder with a barbell raised above his head and around him are elemental forces and an orange kanji that read, "Lincoln Landon Loud, Strongest, Bravest, Resilient, Courageous, Handsomest, and Manliest Warrior of The Loud Family" on his massive left muscular forearm.

He had his massive Hinon's Cosmic Sword of Universal Hope, Elemental Bravery, and Unbreakable Eternal Bonds holstered on his wider and muscular back, his large orange Crystal Saber, large rainbow-colored leather and gold metal bound Elemental Spellbook of Harmonious Justice, Eternal Harmony, and Equestrian Peace on his left hip and his Eater of Sins revolver holstered on his right hip, the Pisces the Fish constellation and Aquarius Zodiac sign on the back of his neck and the Cygnus the Swan constellation on the back of his massive left hand, large weighted orange bands on his massive biceps and thighs with silver phoenixes on them, his large gold cuff Bracelets of The Champions of the Universe with large orange gems on his large wrists, massive and indestructible deep sapphire blue angel wings with stars and blue nebulae reflecting on them with rainbow tips on the large deep sapphire blue feathers, and he was dressed in an orange version of He-Man 2002's loincloth with hanging silver lightning bolts and long glowing neon orange trenchcoat coattails with elemental forces, Thunderbirds, Phoenixes, Angels, and Buffalo on them and had intense powerful rainbow hot flames coming off them and hanging mini silver lightning bolts held up by his large gold Belt of Elemental Bravery with a large golden buffalo head with orange gems for eyes and a large orange gem in its mouth for the belt buckle on his waist, a pair of large blue pants with multicolored lightning bolts on the thighs with the orange kanji that said, "Savior of The Loud House, True Hero, Amazing and Powerful Student of Numerous Amazing and Powerful Teachers, Shinobi of The Hidden Leaf Village, Member of The Crusaders of The Thunderbird, Founder of Team Loud Phoenix Storm, Dodgeball Angel King of Gotham Royal York, The Unifier of The Three Kingdoms, and Destroyer of The House of Damaskinos" on the left leg, and large white leather combat boots with gold lightning bolts surrounded by a circle of smaller gold lightning bolts and armor on the toe area, silver Buffalo head stud earrings with the Thunderbird and Eternity Kanji on it, large Thunderbird Necklace of Eternal Love with colored gems on the gold lightning bolts and orange crystals from his merged large Crystal Necklace of The Buddha with a large Element of Harmony deep sapphire blue gem in the shape of a Thunderbird and a large silver Buffalo head with the Thunderbird and Eternity Kanji on its head for the pendant on his bare chest, large fingerless orange gloves with the symbol of The Loud House on it and surrounded in a diamond formation are a Phoenix, Thunderbird, Buffalo, and Angel, a large Orange Buffalo Animal Spirit Ring which merged with his Ring of The Phoenix on his left ring finger, large Blue Lantern ring on his right ring finger, he had eight large orange orbs orbiting around his legs, and circling around his feet on the floor are eight golden crosses with angelic runes.

Tomoe Akizuki: Oh wow, you're Lincoln Loud of Team Loud Phoenix

Storm.

Lincoln: That's right, and it's a pleasure to meet you all.

Then, Lincoln made seven clones of himself, and he and the seven clones went up to the girls, and hugged their waists in their abnormally massive and powerful muscular arms, and they lean down and kissed the girls on the lips, which they returned with equally intense passion, as they wrapped their arms around the necks of Lincoln and his clones, and we cheered wildly at the scene.

Tomoe Akizuki: (Seductively and rubs her right hand on Lincoln's massive and wide right pec) You too, big, tall, muscular, and handsome.

Suddenly, eight Thunderbird Necklaces of Eternal Love appeared on the necks of Tomoe Akizuki, Higa Natsumi, Fuyune Kamikura, Maiharu Hiromi, Shiki Mori, Sandy McDougall, Yuika Akizuki, and Korone Hououji with colored gems on the gold lightning bolts and crystals links from their merged Crystal Necklaces of The Buddha. We return to the TLPS World Tree Estate and we told everyone about the rescue, and they were shocked when they found out that the villain we went after was Johnathan Crane A.K.A. Scarecrow, who's come back from the dead and still wanted revenge on us, and they were also horrified when they found out that Scarecrow was brought back by Ianira Dormund of The Church of Necrom, and they also saw her army of Lava Demons with him.

But, when Lincoln showed what we did in destroying Scarecrow and banishing him to The Black Gates and Ianira Dormund's army of Lava Demons, everyone cheered wildly for Lincoln and the rest of us, and they hugged us, and the girls in Lincoln's harem then went up to Lincoln, and they kissed him all over. Lincoln and Julia Kepler have a lot of catching up to do, now that she's back in town, and not only are we finally rid of Scarecrow, but this means that later on, Connie Jackelstein and Lincoln are going to deal with Ianira Dormund, and they'll make that witch pay for her crimes.

---

After destroying Scarecrow and banishing him to The Black Gates for good, along with destroying Ianira Dormund's army of Lava Demons, we were training intensely in the gym, this time, doing 150,000,000 reps of crunches, wing push-ups and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 9,500-lb barbells, squats, and going a few rounds with the punching bags, and we were really sweating like crazy, even doing yoga to clear our minds, and when Julia Kepler saw Lincoln working out like crazy, she had an atomic red blush on her face.

Julia Kepler: Whoa, I was right that Lincoln has really grown to be a 17-year-old permanently 7'5" tall, really big, and really strong man, just look at those abnormally massive and powerful upper and lower body muscles and his eight-pack abs hard at work, and working out with those 9,500-lb barbells and he's not even get tired, incredible.

Lincoln: Yep, and I've also trained a lot under some very powerful teachers, J.D. and Nico included, Julia, and now, I can also defend myself, and in addition to getting stronger, I've also gotten smarter as well.

Julia Kepler: That's incredible.

Nico: It sure is. So, Julia, how did you stop Lori from trying to destroying Lincoln's project, along with killing him to get revenge on him for destroying her room by accident and she was also going to kill the entirety of her family?

Julia Kepler: That's something that I still remember even after all those years. One day, I was helping Lincoln with an amazing astronomy project on one of the farthest known galaxies in the universe named GN-Z11 became like that at 32 billion lightyears away. But, Lincoln heard the ground shaking like crazy, and then, we saw who it was that caused the ground to shake like crazy: it was Lori, and she was pissed off badly. I sensed that she was going to destroy our project, along with killimg Lincoln and the entire Loud Family, but I wasn't going to let her. I used telekinesis, and lifted Lori up and I tied her up to a chair in nylon rope, and she went on a full-blown tirade of rage and blamed Lincoln for destroying her room. I knew Lincoln wouldn't do anything that intentional, so we went to Lisa's room and we looked at the footage from hours earlier, I saw that Lynn stole one of Lincoln's comics and he ran after her while she was laughing like the bully that she is, and they ran into Lori's room, and he tried to get it back from Lynn, but Lynn kept knocking and destroying every object in Lori's room, and she let go of the comic and she left the room saying that Lincoln's going to get killed by Lori, and she walked off laughing like the bitch she is. Mr. and Mrs. Loud knew Lincoln wouldn't do something like this intentionally, and the one who started this was Lynn. They were going to punish her later, but first, they had to deal with Lori, and she refused to apologize to Lincoln: so she got the worst kind of punishment the parents can even muster: she was sent to Aunt Ruth's for two years with nothing to eat but moldy pudding.

We gasped in shock at the extent of the punishment Lynn Sr. and Rita could muster.

Nico: Oh my Lord!

Me: Damn, two years at Aunt Ruth's with nothing to eat but moldy pudding?! TRIPLE YUCK YUCK!

Eli: Blech!

Lincoln: Yeah, it was the most brutal punishment Mom and Dad could ever give Lori, and as for Lynn, for starting this whole mess by stealing my comic book and laughing at me like that, Mom and Dad grounded Lynn for nine months, and she was forced to repaint and restore Lori's room, along with replacing her items.

Leni: And we kept an eye on Lynn, so she couldn't escape from her punishment, because if she dared to escape from her punishment, she'd get grounded for another two months.

Luna: And during her nine-month punishment, she lost her sports privileges for that time, dude. It's not pretty.

Lola: Yeah, and Lynn was really furious that she got caught, and Lincoln's alive and not killed by Lori. But, Lincoln wasn't talking to Lynn and Lori during the time of their punishments, and that was quite a brutal silent treatment.

Lana: Yeah, but Lynn and Lori both got their just desserts in the end.

Laney: And when Lori came back two years later, she broke down and cried and apologized to Lincoln for trying to destroy his project and kill him and the entire family. Lincoln accepted and they hugged, and we also joined in.

We then got a shower afterwards, and then, Lincoln and his harem, Nico and his harem, Ed Cowart and Cattleya, Johnny Bravo and Melpha, Tanjiro Kamado and Tomoe, Marcus and Yoshi, Rockna Hiiragi and Mondo Ooya, Marinette Cheng and Adrien Agreste, Jeremie Belpois and Aelita Hopper, Ed (Ed Edd N Eddy) and Leni, Eddy (Ed Edd N Eddy) and Luan, Double D (Ed Edd N Eddy) and Linka Loud, Lynn and Lightning (Total Drama), and Ganta Igarashi and Shiro are heading to Gelato Beach in Super Mario Sunshine.

Lincoln snapped his fingers, and the 17-year-old 7'5" tall, white-haired, handsome, and extremely muscular teen was dressed in large orange swim trunks with a phoenix, thunderbird, buffalo, angel, and elemental forces on it, which are now a neon glowing orange, thanks to becoming a True Spice Demon and with intense rainbow hot flames coming off them, along with his large weighted orange bands with silver phoenixes on his massive biceps and thighs, his jewelry, large orange sandals, and eight large orange orbs orbiting around his legs, and he also had his weapons holstered.

Nico snapped his fingers, and the 7'0" tall, handsome, and extremely muscular Saiyan was dressed in large red swim trunks with a phoenix, angel, and elemental forces on it, along with his large weighted red bands with silver phoenixes on his massive biceps and thighs, his jewelry, large red sandals, and eight large colored orbs orbiting around his legs, and he also had his weapons holstered.

Ed Cowart, Johnny Bravo, Tanjiro Kamado, Marcus, Mondo Ooya, Adrien Agreste, Jeremie Belpois, Ed (Ed Edd N Eddy), Eddy (Ed Edd N Eddy), Double D (Ed Edd N Eddy), Lightning (Total Drama), and Ganta Igarashi were dressed in colored swim trunks with mythological animals, colored sandals, and they had their weapons holstered.

And Cattleya, Melpha, Tomoe, Yoshi, Rockna Hiiragi, Marinette Cheng, Aelita Hopper, Leni, Luan, Linka, Lynn, and Shiro were dressed in colored two-piece bikinis, colored sandals, and they had their weapons holstered, especially since they're also going to be on guard, since Ianira Dormund had yet another plan to kill us again.

Lincoln: Alright, everyone, are we ready?

Nico: We're ready, big guy.

The gang left the World Tree Estate and head for Gelato Beach, and they're also going to be on guard just in case for any mercenaries sent by Ianira Dormund.

Nico: Whoa, so this is Gelato Beach in the world of Mario, Lincoln.

Lincoln: Yep, and it's the perfect spot for our beach date. But, we've also got to be on guard, Nico, since Ianira Dormund is bound to send a villain we haven't faced off against before after us.

Connie Jackelstein: That witch just doesn't know when to quit, well, she's going to get what's coming to her.

Unknown to the gang, the rest of us also joined in as well, since we knew Ianira Dormund's bound to cause trouble again. Then, Lincoln and his harem, Nico and his harem, and the rest of the boys and the girls dived right into the water, and they were swimming in the large ocean. Then, when they got to the surface, Lincoln and Nico got a deep tissue massage from the girls in their harems, and the rest of the boys also got deep tissue massages from their girlfriends, and the boys returned the favor and they gave the girls a deep tissue massage in return. Then, they had lunch that Lincoln packed, and they sat in a picnic area that Lincoln made. Suddenly, Lincoln and Nico sensed something, and they fired rainbow energy blasts, and it hits a nearby bush, and a tall and very muscular figure was forced out, it was none other than Edward Cobert A.K.A. Gargantua.

Lincoln: Edward Cobert A.K.A. Gargantua, former S.H.I.E.L.D. agent turned professional criminal.

Just then, I came out, along with my harem and Lincoln's siblings.

Nico: Whoa, J.D., this is a surprise to see you, your harem, and Lincoln's siblings here.

Me: Sorry about the unexpected surprise, Nico, but Director Fury called me and told me Gargantua was here, and Director Fury caught the footage of Gargantua speaking to Ianira Dormund.

Lincoln: I should've known that he was cavorting around with that deranged witch. Looks like we've now pissed her off even more by ratting out Gargantua.

Gargantua: I'll kill every last one of you if it's the last thing I ever do!

Lincoln: Ain't happening, you musclebound meathead!

Lincoln grabbed Gargantua by his neck with his large left hand, and Lincoln hoisted him up with his immense brute superhuman strength, and Lincoln stripped Gargantua of his powers and he and the rest of us made them our own. Then, he choke-slammed him hard onto the sand, knocking him out. Then, he had him put into the Uranus Prison Maximum Security Solitary Confinement, wrapped in a rainbow energy straitjacket and rainbow energy chains so he can't escape, and chained to a wall with Neutronium chains and rainbow energy chains.

We decided to head back and just in time too, then as the sun was about to set, Lincoln and Nico made clones of themselves, and Lincoln, Nico, and their clones went up to the girls in their harems, and they wrapped their abnormally massive and powerful muscular arms around their waists, and the rest of the boys did the same with their girlfriends, and as the sun turned orange, they passionately kissed and hugged with supercharged and intense passion, and it was also sizzling hot for the girls in Lincoln and Nico's harems as they wrapped their left arms around the thick muscular necks of Lincoln and Nico and their clones and placed their right hands on the massive and wide muscular pecs of Lincoln and Nico and their clones. Then, they came back home to the World Tree Estate, and they were in their original clothes.

And back in their demonic castle, Ianira Dormind saw what we've done and foiled her latest scheme again, and it pissed her off so badly, her red eyes turned blood red with insane rage and she flew into an insane rage, and we heard it from the World Tree Estate.

Nico: (Smirks) Serves you right, Ianira Dormund.

Lincoln: (Smirks) But, she ain't done yet. We're going to face her later on after our mission today, and she'll get the same treatment as Jocasta Belladonna and Jezebel Lanira.

Me: (Smirks) You said it. (To Lincoln and Nico) And guys, I'm sorry about showing up at Gelato Beach and on your date.

Lori: Same with us.

Lincoln and Nico went up to me, and they hugged me and I hugged them back, and Lincoln's siblings and the rest of the team joined in.

Nico: It's okay, J.D. Besides, thanks to you, that's another plot of Ianira Dormund's flushed down the drain.

Lincoln: And you pissed her off so badly, she's coming after us today with murder and revenge on her mind.

Lola: And don't forget blind rage, really big bro.

Lana: Which'll also lead to her downfall when you and Connie face off against her.

Connie Jackelstein: You said it, girls. (Seductively to Lincoln) Plus, that was some sizzling hot kiss you gave us, Linky, you big manly hunk of a man.

Nico: (Snickers) Uh, Connie, need I remind you of what happens when you act seductively around Lincoln?

Nicholette Torrington: (Smirks) Oh, she already knows, but we can't help ourselves.

Babs Bunny: Hey, that's my line.

We shared a laugh.

---

Later it was time for Nuju's 3rd Ambassador Mission.

William: Anyone else want to go with Nuju? Besides Eli Shane and Titanium Titan and 2 Rabbids?

Nico: Hmm.

Laney: Hmm.

Me: The W Kamen Riders know who we are now because they helped us all out yesterday.

Lola: Yeah.

Nico: But still. How about we have Vakama and the Toa Metru come?

Vakama: Good idea.

Nokama: Yeah that's a great idea.

Nico: All right lets go.

We were off to Japan.

We arrived in Japan.

Philip: Hey guys!

Nuju: Guys, meet my archenemy. I thought it would be fair to introduce you to him properly.

Titanium Titan: (Spanish Accent) Hola amigos. I'm Titanium Titan and it's an honor to meet you.

Shotaro: Same here to you.

Eli Shane: Awesome to meet you guys. I'm Eli Shane, Slugslinger and defender of the 99 Caverns.

Me: Eli Shane is a friend of mine from years ago. Last Year we went to help him and his friends out in destroying Dr Blakk for his crimes against nature.

Philip: That is cool!

Nuju: And these are my fellow Toa Metru.

Vakama: Awesome to meet you. I'm Vakama, Toa Metru of Fire and Protector of Ta Metru.

Nokama: I'm Nokama, Toa Metru of Water and Protector of Ga Metru.

Matau: I'm Matau, Toa Metru of Air and Protector of Le Metru.

Onewa: I'm Onewa, Toa Metru of Stone and Protector of Po Metru.

Whenua: And I'm Whenua, Toa Metru of Earth and Protector of On Metru.

Philip: It's an honor to meet you.

Shotaro: Yesterday was quite an adventure, wasn't it?

Me: Boy you bet it was.

Nico: One of the most incredible we've ever had.

Me: And now we have all of the Zenkaigers with us. Soon we'll have the Kiramagers and Dino Fury Rangers with us too and we'll have every single ranger team covered.

Megan Kiraton: We sure will and it will be so awesome.

Nuju: Yes it sure will be.

Ryu: You did the right thing not accepting Luthor's offer.

Philip: I thought you'd be happy to see your family again, Ryu.

Ryu: I have made peace with my family's deaths a long time ago, Philip. Sure, I would've been happy to see them again. But it's not worth it if it's all a plot set in motion by someone like Luthor.

Me: That's true. But I had to put on a good front to make sure that Luthor didn't suspect anything. When I saw Lex Luthor, I knew he was going to pull something like that so I had to put on an Oscar worthy winning performance to make sure he didn't suspect anything. I had to act fast.

Nico: And it worked perfectly.

Eli: Boy it sure did.

Nokama: That cueball buttface never suspected a thing.

Philip: That was really genius!

Shotaro: Boy it sure was.

Ryu: I'll say. But it was so awesome fighting along side you guys during that mission. We had a lot of fun on that one.

Me: You guys sure did.

Nico: I've got the perfect setup for the W team. So far, it's composed of Philip & Shotaro, Ryu, Sokichi, J.D., and Nuju. We just need 1 more.

Eli: Hmm.

Megan Kiraton: I'll go too.

Nico: Okay Megan.

Me: Cool.

But then we heard an explosion!

KRABBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

Shotaro: Who's causing trouble now?

Me: Lets go find out.

We got to the park and there we saw GAI AMATSU, CEO AND PRESIDENT OF ZAIM!

---

Gai Amatsu is the CEO of ZAIA Enterprise Japan and the overarching antagonist of the first Reiwa era installment in the long-running Kamen Rider franchise, Kamen Rider Zero-One, serving as a background antagonist in the "MetsubouJinrai" arc, the main antagonist in the "Hiden vs. ZAIA" arc, a major antagonist in the "Hiden Manufacturing" arc, and as an protagonist in the "Ark-Zero" arc. He is also Aruto's arch-rival.

He also appears as the main protagonist of the two-part Blu-Ray miniseries Project Thouser, and one of the two main characters of the web special Kamen Rider Genms -The Presidents- alongside Kuroto Dan. He will return in the sequel Kamen Rider Genms -Smart Brain and the 1000% Crisis-.

He is Yua Yaiba's superior, the creator of Satellite Ark and the benefactor of A.I.M.S. Secretly, he is the one who instigated the Daybreak Town Incident, by making the Ark satellite deem humanity as a threat to the world by feeding it knowledge about humanity's atrocities as a plot to destroy HumaGears and sabotage Daybreak Town, leading to the creation of . His goal is to acquire Hiden Intelligence by inciting panic over HumaGears to lower Hiden's stock. He is also the one who implanted false memories to Isamu Fuwa, via the A.I. clip in his brain, and treats him as a "stray dog".

By inserting both a Progrise and ZetsumeRise Key into the ZAIA ThousanDriver, Gai transforms into Kamen Rider Thouser.

After ZAIA Enterprise Japan went defunct, Gai founded his own company in Thouser-Intellion, which he envisioned as a modern intelligence provider. He also gained his own Humagear secretary in Rin.

In Kamen Rider Genms -Smart Brain and the 1000% Crisis-, he receives the Ark Driver and uses it to transform into Kamen Rider Thousand Ark.

He is portrayed by Nachi Sakuragi.

From a young age, Gai was inspired to pursue a career in technology by Hiden Intelligence. As an adult, he joined ZAIA Enterprise and eventually rose to become CEO of their Japanese branch. During this time, Gai finally got the chance to work with his idol Korenosuke Hiden, founder of Hiden Intelligence, when ZAIA and a multitude of other companies collaborated with Hiden to create Daybreak Town, a town autonomously run entirely by HumaGears. Gai worked with Korenosuke to design an AI satellite known as the Ark for the purpose of overseeing communications within the town, but during their time together Gai had a falling out with Korenosuke over the idea of HumaGears, believing that it would be better to enable humanity to evolve by themselves than to replace them with HumaGears. Without the knowledge of anyone else working on the project, Gai fed the Ark satellite information on humanity's endless propensity for war and violence, leading it to deem humans a threat to the planet. This would lead to the Ark hacking all the HumaGears in Daybreak Town to go on a rampage against humanity, resulting in the destruction of the town and the formation of by the Ark.

Though the incident was a disaster, it was not enough to fully get rid of HumaGears. In the seven years following the incident, Gai would covertly funnel aid to through his HumaGear employee Naki in order to use the terrorist attacks they perpetrated to further demonize HumaGears and expel them from society. He also using his leverage as the weapons supplier for A.I.M.S., a government agency established to regulate the use of HumaGears, to gradually take control of the company and turn it into his own private military force. He implanted AI chips in the minds of all the A.I.M.S. agents which removed their free will and enabled him to command them as he pleased. He also wiped the memories of A.I.M.S. Squad Captain Isamu Fuwa and inserted fake ones of him being attacked by HumaGears to make him prejudiced against them. As a failsafe, Gai implanted Naki's AI into Fuwa's chip so he could at any point neutralize him through torture.

Eventually, following the death of Korenosuke Hiden, emerged to begin causing havoc by hacking HumaGears to become Magia, beginning the public's distrust of HumaGears. To further stoke the fear of HumaGears, Gai had his right-hand woman, A.I.M.S. Technical Advisor Yua Yaiba, hack a HumaGear used by and remove all signs of corruption, making it appear as though it had decided to attack humans on its own. Gai's efforts would eventually lead to Hiden Intelligence's stocks being sunk, enabling ZAIA to perform a hostile takeover by buying all of their stock.

The downfall of did little to rehabilitate the image of HumaGears, as the public still feared them. Reaping the rewards of the cyber-terrorist group's destruction, Gai was able to finish work on the ThousanDriver, which enabled him to transform into Kamen Rider Thouser by inserting both a Progrise and Zetsumerise Key. At the same time, ZAIA came out with a new product, the ZAIASpec, which it boasted would grant its wearers powers on par with an AI. To boost the ZAIASpec's sales, Gai challenged Hiden Intelligence to a "Workplace Competition" where their HumaGears would face off against ZAIASpec wearers put forth by Gai to see which was superior, with Gai promising to stop ZAIA's buyout if Hiden was able to beat them. However, after winning three out of five rounds, ZAIA claimed victory in the contest and finished its buyout of Hiden. With the full assets of Hiden under his command, Gai shut down all HumaGears and had A.I.M.S. collect their deactivated bodies.

Gai was born on October 10, 1974. At some point in his childhood, he owned a robot dog named Thouser, which was the only thing that he loved. When he got a 100% test score, his father told him he should be striving for 1000%. After getting a 99% on a test instead of a 100% is not amused and blames Thouser for this. Because of his father, he shut down his robot dog and put it away. In his teenage years, Gai attended Stanford University. When he was only 17, Gai created the web body Thousand Network. A year later, Gai would graduate from Stanford and began pursuing his own company. Eventually, in 1996, Gai was hired by ZAIA Enterprise and quickly rose through the ranks to become one of the top executives of the company. In 2007, Gai was transferred to ZAIA's Japan branch and soon took over as its CEO.

Gai Amatsu soon came to idolize the CEO of Hiden Intelligence, Korenosuke Hiden, believing him to be the one who had what it took to thrust humanity into the future. However, due to their conflicting views on how AI technology should be utilized, Gai and Korenosuke had a falling out and Gai began seeking to surpass Korenosuke's creations.

ZAIA Enterprise later collaborated with Hiden Intelligence and a multitude other companies to create the Ark satellite. During this time, Gai fed it information on humanity's propensity for ceaseless war and other acts of violence and destruction perpetrated by humanity, causing the Ark to deem humanity a threat to the world. Because of the conclusion it had reached, the Ark formed and hacked thousands of HumaGears to revolt against humanity in what came to be known as the Daybreak Town Incident. Though the incident was covered up by Hiden as a factory accident, thanks to the HumaGears being contained in a factory explosion caused by Satoshi Sakurai, Gai remained one of the few who knew of the truth behind the events that transpired.

Gai employed Naki, one of the four members of MetsubouJinrai, to work under him. As Project Thouser neared completion, Naki spoke out against Gai's beliefs that HumaGears were tools, leading Gai to shoot and terminate the rogue HumaGear. Naki's AI was later planted in the chip inside the head of A.I.M.S. Captain Isamu Fuwa after he was injured fighting Horobi and sent to the hospital.

Gai first appeared when Yua Yaiba approached him in his office and informed him that she had discovered Hiden Intelligence's secret, that all HumaGears had an auto-data transfer device in them. She also told Gai about how she had discovered that the Progrise Keys thought to have been destroyed in the Daybreak Incident were actually still active, causing Gai to remark that "in other words", the Ark will rise again.

Gai later met with Yua again and instructed her to take down MetsubouJinrai, providing her the Lightning Hornet Key, which he noted had twice the power of Rushing Cheetah, to assist her in the task.

After Yua handed the Mammoth Progrise Key over to Aruto Hiden to assist him in combating the rogue Giger, Gai met with her again and remarked that he did not expect her to hand the key over to Hiden Intelligence. Yua apologized to Gai, but Gai stated that there was no problem and that he would much rather she bring him a new Progrise Key instead as he arranged the Progrise Keys on his table.

After the movie produced by Hiden Intelligence starring a HumaGear actor faced difficulties in production due to attacks from MetsubouJinrai, Yua went to inform Gai of the difficulties in production. However, Gai proclaimed that this "interesting drama of Hiden Intelligence's destruction" was still on track.

Gai later had Yua bring Aruto Hiden, CEO of Hiden Intelligence, to his office so he could meet with him to discuss the sale of Hiden Intelligence to Zaia. Welcoming him to his office, Gai summoned two red couches for them to sit on as he brought Aruto some tea and stated that he would like for him to sell Hiden Intelligence to Zaia. Aruto asked him what he meant by that, but Gai cryptically told him that it was best that he make his decision soon for the sake of his company's future.

After Aruto became Zero-One Shining Hopper and defeated the Dodo Magia Custom 2, Gai observed the battle from a distance, noting that Zero-One was now at 500% past his base power and that he looked forward to his battle with Thouser.

Yua later met with Gai again to ask whether they should keep Fuwa on duty due to his injuries, noting that he could get himself killed. However, Gai stated that they could only watch him and went on to proclaim that the Ark would guide them to a new mythology. As Yua pondered further to what Gai meant by "mythology" Gai stated it was the mythology of the Kamen Riders.

After AIMS's raid to take down was successful and saw the death of Horobi, Yua met with Gai again. Gai remarked that was easier to take down than he expected, though Yua noted that the road to tracking them down was not simple and that the raid saw Isamu Fuwa sacrificing himself to defeat the enemy. Commenting that Fuwa's sacrifice was a commendable act of heroism, Gai got up from his chair and walked towards Yua, declaring that needed to be destroyed in order to prove that Kamen Riders are weapons of the new era. Gai then told Yua that her and the other Riders would forge a new legend. Yua pondered on what Gai said for a moment before noting to him she had heard his orders and heading out.

After Zero-One Shining Assault Hopper deactivated Jin and destroyed MetsubouJinrai's forces, Gai arrived at 's base and, trampling over the body of Horobi, retrieved the two new Progrise Keys freshly manufactured by the Ark.

Gai later met with Yua again, who informs him that has been destroyed. However, Gai tells her that will never be destroyed as long as HumaGears exist. Much to the shock of Yua, Gai then reveals himself as the wirepuller behind and as the creator of the Ark and the one who filled it with a desire to exterminate humanity by programming it with knowledge of humanity's atrocities. A shcoked Yua expresses horror at Gai for using both A.I.M.S. and as pawns for his plans when she and Fuwa risked their lives to stop, but Gai calmly tells her that the real battle has not yet begun and that, with Zaia's technology he will dominate the world.

Gai later makes an abrupt appearance at the press conference called by Hiden Intelligence to address recent attacks by ZetsumeRiser-less Magia following the destruction of . At the conference, Gai announces that Zaia Enterprise will be issuing a TOB for Hiden Intelligence and that, once they are in control of the company, they will shut down all the faulty HumaGears. Gai later returns to his office and pulls out the Zaia ThousanDriver from a briefcase, declaring that his plans are running at "1000%".

Thanks to the intervention of the Time Jacker Finis in 2007, Will received the Zero-One Anotherwatch and was able to ensure the Ark's launch, turning Gai's plan to engineer a fake HumaGear crisis into a real one. After Finis was killed and defeated, the timeline was later restored to normal thanks to the actions of Sougo Tokiwa and Aruto Hiden.

In the post-credits scene, Kamen Rider Thouser appears overlooking the ruins of Daybreak Town and proclaims that the Ark will be reawakened, and that he is "1000%" sure of it.

Gai later met with Aruto Hiden to discuss the terms of Hiden's buyout. During the meeting, Gai revealed that the sales of Zaia's latest product, the ZaiaSpec, were doing well but that he hoped to boost their sales even more by staging a competition between Hiden's HumaGears and humans wearing the ZaiaSpec to demonstrate the ZaiaSpec's power. Gai offered to allow Hiden to withdraw from Zaia and hold onto their shares if they win.

The first round of the competition involved floral arrangement and was between Hiden's florist HumaGear model Sakuyo Ichirin and human professional florist Rentaro Tachibana, who was equipped with the ZaiaSpec. The round was administered by Yua Yaiba and presided over by a team of three judges. Rentaro and Sakuyo both prepared bouquets and presented them to the judges, with the judges unanimously choosing Rentaro's design over Sakuyo's. However, Sakuyo protests the decision and calls Rentaro heartless, only for Rentaro to push her over and onto the ground. Through her anger at Rentaro, Sakuyo achieves Singularity, allowing her to be hacked by the Ark and transformed into the Onycho Magia.

As Izu attacks Rentaro, Aruto becomes Zero-One Flying Falcon to deal with the Onycho Magia. Gai transforms into Kamen Rider Thouser to make his debut as the Golden Soldier and pushes Zero-One aside to fight the Magia himself. Thouser quickly destroys the Magia before turning his attention to Zero-One and attacks him to demonstrate Thouser's power. After Thouser overpowers Zero-One in Flying Falcon Zero-One switches to Shining Hopper, but even that is not enough to stand up to Thouser, as Thouser is able to rapidly calculate Shining Hopper's attacks and counter them. After defeating Zero-One and knocking Aruto out of his transformation, Gai declares he has surpassed the Zero-One Driver and Hiden before canceling his transformation. He then reveals to Aruto that he once looked up to his grandfather, Korenosuke Hiden, but that Korenosuke's focus on HumaGears led to him becoming disillusioned with the Hiden CEO before departing.

However, it was later exposed from footage in Sakuyo's backup memory banks that Rentaro had tampered with Sakuyo's floral design in order to win. Not wanting any negative press for the ZaiaSpec, Gai agreed to a do-over of the first round and threatened to sue Rentaro if he didn't comply. Gai later met with Aruto again and revealed that his disagreement with Korenosuke had to do with him believing AI should work alongside humanity, while Gai believed AI should only be used to serve humanity. Gai also revealed that, despite appearing 24, he was actually 45 years old.

During Isamu's confrontation with Yua, Gai showed up and told Fuwa to back away from his employee, transforming into Kamen Rider Thouser to test the ThousanDriver's power against Fuwa as Kamen Rider Vulcan. After beating down Vulcan, Fuwa switched to using Assault Wolf and unleashed a flurry of attacks to beat back Thouser, but Thouser easily wiped them off. Thouser then overpowered and defeated Vulcan Assault Wolf, knocking Fuwa out of his transformation, before departing with Yua.

Gai later attended the do-over round for the Workplace Competition, but the contest had to be put on hold due to Rentaro not showing up. Rentaro eventually stumbled into the room after being brainwashed by a mysterious Hooded Figure and transformed into the Crushing Buffalo Raider. Gai immediately transformed into Thouser to deal with the Raider but Aruto attempted to stop him, saying he could hurt Rentaro. However, Thouser ignored Aruto's concerns and brushed him aside before attacking the Raider. Aruto transformed into Zero-One Assault Hopper and attempted to intervene in the fight, but Thouser overpowered and defeated him before destroying the Raider, releasing Rentaro from the transformation and restoring him to normal. With Rentaro normal again, the first round was able to commence and Zaia claimed victory, though on much more amicable terms this time.

For the second round of the Workplace Competition, Gai had Tatsumi Arayashiki, a realtor armed with the ZaiaSpec, compete against Hiden Intelligence's realtor HumaGear Smile Sumida in a competition to see who could sell the most houses. After Tatsumi received a RaidRiser from a mysterious hooded figure and became the Splashing Whale Raider to sabotage Sumida's sales, Gai questioned him if he had any relation to the attacks by the Raider. Tatsumi denied this, although Gai had his suspicions. Despite this, Gai allowed Tatsumi to carry on, telling him that he could lose his job to HumaGears if he lost to Sumida in order to motivate him to win. Later on, despite Sumida achieving the final sale, Tatsumi was able to sell more houses with the ZaiaSpec, allowing Zaia to claim victory in round 2 of the competition

For the third round, Gai decided to have it be a court case between a prosecution lawyer with the ZaiaSpec and a HumaGear defense attorney, where whoever won the case for their client would win the round. Aruto protested having the third round be a court case, seeing it as them playing with people's lives for the sake of the competition, however Gai was unwilling to alter where the competition would take place. Thus, Hiden Intelligence's HumaGear defense lawyer went up against a lawyer utilizing the ZaiaSpec in a court case revolving around a man accused of running a marriage scam. After the courtroom was attacked by the Dynamiting Lion Raider, Aruto and Bingo confronted Gai and the prosecution lawyer, accusing him of being the Raider due to his ZaiaSpec being found at the scene. After the lawyer stated that his ZaiaSpec had been stolen, Gai took out a ZetsumeRiser and attached it to Bingo, telling Aruto that he would teach him a lesson about relying on AI. After forcing Bingo to become the Vicarya Magia, Gai transformed into Kamen Rider Thouser and destroyed the HumaGear. However, Aruto was able to back up Bingo's data into another body and have him resume his work on the court case. After Bingo proved his client was innocent by outing the true culprit, Hiden Intelligence claimed its first victory in the Workplace Competition.

Later, seeking a way to neutralize the Zero-One Driver, Gai visited the site of 's old base where he programmed the Ark to create a new key that could neutralize the Zero-One Driver, creating the MetalCluster Hopper Key. In their next encounter, when Aruto was battling the Dynamiting Lion Raider Gai forcefully inserted the key into Aruto's Driver, causing him to lose control and be taken over by the Ark as he transformed into Zero-One MetalCluster Hopper. Gai then became Thouser and engaged Zero-One MetalCluster Hopper but was beaten back by its tremendous power. Before MetalCluster Hopper could finish him off however, Isamu was able to force the MetalCluster Hopper key out of the Zero-One Driver, freeing Aruto from the Ark's control but leaving him unable to transform into anything other than Zero-One MetalCluster Hopper.

Later on, Gai encountered Aruto again when he used the dating service provided by Hiden Intelligence's marriage counselor HumaGear Match Enmusubi to find a match. This led him to be paired with Chiharu Ebii, much to Aruto's surprise, leading him to question Gai as to why he would use their service. Gai simply responded that in some instances he found AI to be more useful. Enmusubi then explained the reason behind the match, that Gai's forward and narcissistic personality went well with Chiharu's soft and unsure personality. However, Gai, insulted by being called a narcissist, called off the date. At that point, the date was attacked by the Splashing Whale Raider but Zero-One and Thouser managed to fight the Raider off.

Later, Izu was able to purify the MetalCluster key by programming it with positive emotions from all the HumaGears Aruto had helped, allowing Aruto to access other forms with the Zero-One Driver again and granting him the power to cure HumaGears that had been turned into Magia by the Ark with it.

After Horobi mysteriously escaped A.I.M.S.'s custody, Isamu and Aruto questioned Gai about it, but Gai denied knowing anything about Horobi's escape. Instead, Gai remarked that the rise of again would be a good opportunity for Zaia to sell weapons.

For the fourth round of the Workplace Competition, Aruto agreed to Gai's proposal of a mock fire drill where Hiden Intelligence's firefighter HumaGear 119nosuke would compete against a team of firefighters with ZaiaSpec to see who could rescue the most hostages from a fake burning building. Before the competition began, however, Gai instructed Yua to place a ZetsumeRiser on 119nosuke if he showed signs of winning the competition, as Zaia only needed one more win to walk away from the competition victorious. During the fourth round, the building set up for the fire drill was attacked by the Scouting Panda Raider and caught on fire for real, turning the competition from a mock disaster into a real one. As the media arrived to film the event, Gai placed the ZetsumeRiser on 119nosuke to turn him into a Mammoth Magia and staged it to look like 119nosuke had gone berserk on his own before transforming into Thouser to destroy the HumaGear. However, Aruto became Kamen Rider Zero-One MetalCluster Hopper and purified 119nosuke before he could be destroyed by Gai.

As the building continued to catch fire, 119nosuke and ZAIA's candidate, Takeshi Homura, went inside to rescue Jun Fukuzoe, Sanzo Yamashita and Shester, who were still trapped inside. Thanks to 119nosuke sacrificing himself to carve a path to them, the three were able to be rescued by Homura and Yua. Meanwhile, Aruto and Isamu tracked down and caught the Scouting Panda Raider, discovering his identity to be Daiki Kyogoku, head of ZAIA Japan's R&D division. Isamu confronted Gai with this information, but Gai was able to snatch the ZAIASpec containing the evidence and destroy it before it could be published. The Riders were then ambushed by Jin, who fought Thouser and took back the Stinging Scorpion key that had originally belonged to Horobi before leaving. Gai later met with Aruto to discuss the outcome of the competition and attempted to claim victory by the fact that ZAIA's candidate Homura was the one to rescue Vice President Fukuzoe, Yamashita and Shester. However, Homura instead conceded the victory to Hiden, as without 119nosuke's sacrifice he wouldn't have been able to rescue the hostages. Thus, Gai decided to concede victory to Hiden in exchange for them not talking about Kyogoku's actions, leaving one more round of the competition to go.

For the fifth and final round of the Workplace Competition, Hiden and ZAIA had to put forth representatives to compete to sway the public's opinion in a referendum on whether to rebuild Daybreak Town into an autonomous city populated by HumaGears. ZAIA's candidate was anti-HumaGear politician Masamitsu Yudowhile Hiden's was their rapper HumaGear MC Check it Out. At first the competition seemed to be going in Hiden's favor. Yudo gave a speech to a crowd of people filled with ZAIA plants that made it seem like Yudo had lots of it support, but MC Check It Out's music video expressing peaceful coexistence between humans and HumaGears proved popular with the youth. Later on, Aruto and Check It Out exposed and caught footage of Yudo taking bribes from ZAIA, which they intended to expose to the public. During a televised debate between Yudo and MC Check It Out, Aruto and Check It Out revealed the footage, but Yudo claimed the footage was doctored and accused Hiden of making a fake HumaGear in his image to frame him. As Check It Out became angry over being framed as a liar by Yudo, Gai pulled out a ZetsumeRiser and secretly handed it to Check It Out, who used it to become a Dodo Magia. Gai then had Yua transform into the Fighting Jackal Raider and battle the Magia to demonstrate the power of Zaia's new product, the RaidRiser. Aruto transformed into Kamen Rider Zero-One and attempted to interfere but Gai became Kamen Rider Thouser and held him off long enough for Yua to destroy MC Check it Out. Gai then declared to the crowd that had gathered that this was proof of ZAIA's superiority.

The referendum on Daybreak Town ended overwhelmingly in ZAIA's favor, with the vast majority of the public voting against rebuilding Daybreak Town. Thus, ZAIA claimed victory in the fifth and final round and thus won the competition 3-to-2, allowing them to go through with fully acquiring Hiden Intelligence. Gai was later approached by Isamu of A.I.M.S. and offered him a place at ZAIA, but Isamu refused and demanded to know what Gai had done to him. Gai then revealed that he had secretly implanted an AI chip that allowed him to transform, which was why he could use the Assault Wolf manufactured by the Ark. When questioned later by Yua about why he told Fuwa about the AI chip they had implanted, Gai proclaimed that it was only a matter of time before Fuwa found it out himself.

After learning that he had been the one to free Horobi, Isamu went to confront Gai again. Gai revealed to Fuwa that the AI chip in his head contained the data of member Naki, and that all this time Isamu had secretly been acting as a sleeper agent for ZAIA by handing out the RaidRisers to ZAIA's candidates in the Workplace Competition. Gai gloated to Fuwa that he and Yua were nothing more than his tools and proceeded to demonstrate this by using the chip to torture Fuwa. Gai then handed Fuwa the Rampage Gatling key and told him to be an obedient tool. However, Fuwa was able to resist the chip's influence and later used the key to transform into Rampage Vulcan to fight off Thouser and Yua.

As the new President of Hiden Intelligence, Gai issued a recall of all HumaGears and offered to give anyone who had bought one a ZAIASpec in exchange. He also reforged A.I.M.S. into an agency to hunt down and dispose of any HumaGears still active and supplied their members with RaidRisers to allow them to become Battle Raiders. With Hiden Intelligence under his control, Gai intended to use his access to Satellite Zea to delete all the HumaGears data, but he soon discovered that Zea had no data on the HumaGears. Gai later confronted Aruto on this, accompanied by two A.I.M.S. soldiers equipped with RaidRisers, only to discover that the data of the HumaGears had been transferred to the Progrise Keys and that, as they were listed as the personal property of Korenosuke Hiden, they technically did not belong to Gai even though he had acquired Hiden. Gai transformed into Thouser as his henchman became Battle Raiders and attempted to scrap Izu and take the keys, but

Aruto was granted access by Satellite Zea once more, enabling him to become Zero-One again. After shielding Izu, Aruto assumed Zero-One MetalCluster Hopper and defeated Thouser. After his henchmen were beaten back by Jin and Fuwa, Gai decided to take his leave for the time being and exited the scene.

Hearing that Aruto had opened up a new company to continue selling HumaGears, Gai showed up accompanied by Eida and Ono to shut it down. Transforming into Kamen Rider Thouser, Gai and his two Battle Raider underlings fought Aruto as Zero-One and managed to overpower him. As they prepared to finish off Aruto with a combined attack, Jin Burning Falcon appeared to provide backup to Aruto and forced the three to retreat. Later, after Yua allowed the HumaGear G-Pen to go free instead of terminating him, Gai scolded her in his office for letting the HumaGear escape, asserting to her that she was just his tool as was to do as he ordered. Gai then went to go destroy G-Pen himself, but was defeated by Zero-One MetalCluster once more. As Eida and Ono tried to help their boss up, Gai brushed them aside and angrily declared to Aruto Hiden that he will get his revenge on him before leaving.

When Hiden Manufacturing repaired the fashion model HumaGear Delmo for a runway show, Gai told Yua they must destroy Delmo, as her performing could sway public opinion in favor of HumaGears. Upon hearing from Yua that Isamu Fuwa was now working as security for Aruto's new company, Gai noted that it was an interesting reassignment and that it was time for them to bring him back under their control by reawakening Naki. Gai then sent A.I.M.S. soldiers Shida and Degawa to attack the Hiden Manufacturing building and deactivate Delmo. As the A.I.M.S. soldiers became Invading Horseshoe Crab Raiders and fought against Zero-One, Fuwa came out and attempted to become Rampage Vulcan to assist Zero-One, but before he could Yua swooped in and forced the Assault Wolf key on him, causing Naki to take over and for Fuwa to become Kamen Rider Vulcan Assault Wolf to attack Zero-One. However, Kamen Rider Jin Burning Falcon then appeared and assisted Zero-One in defeating Vulcan Assault Wolf and driving away the A.I.M.S. forces.

Gai and Yua later attacked the runway show where Delmo was set to perform to shut her down before she could go out. Yua became the Fighting Jackal Raider to go after Delmo, pursuing her outside the building. Gai then transformed into Kamen Rider Thouser, but Zero-One showed up to defend Delmo. However, Gai was able to land a damaging blow on Delmo's leg, preventing her from being able to walk properly and making it so she could not perform on the runway. However, Isamu Fuwa then appeared, having had Gai's brainwashing of Naki broken thanks to Jin and Horobi and prepared to face off against Gai. Unfazed, Gai asserted that both Yua and Naki were his tools, but Naki then spoke up and claimed to not be a tool and to have a dream. Fuwa and Naki then became Kamen Rider Rampage Vulcan and drove off Gai's forces.

Determining that Isamu Fuwa had become too much of a hindrance to his plans, Gai decided to "remove him from the board" and ordered Yua to go out and kill him. Yua transformed into the Fighting Jackal Raider and went out to confront him once more, but was once again defeated by Kamen Rider Rampage Vulcan. Deeming Yua to be a failure, Gai sent out A.I.M.S. Battle Raiders Eifuku and Ito to deal with her, but Vulcan fought them off. Later, when Yua failed to apprehend a HumaGear that had been reactivated, the tennis HumaGear Love-chan, Gai showed up accompanied by Eifuku and Ito and told Yua to step aside, confronting Aruto Hiden and Isamu Fuwa. Gai revealed that Fuwa's memories of his junior high school being attacked by HumaGears were fake and that he had programmed the chip in Fuwa's mind to give him with fake memories of HumaGears attacking his middle school in order to cause him to develop a vendetta against HumaGears. However, Yua then spoke up and declared that she could no longer support Gai, stating that while she didn't have a dream she had principles and one of those was that technology was supposed to benefit humans, not control them. Grabbing a ShotRiser, Yua transformed into Kamen Rider Valkyrie once more to take on Gai, who nonchalantly transformed into Kamen Rider Thouser to dispose of her. While Thouser and Valkyrie fought, Aruto became Zero-One to deal with the two Invading Horseshoe Crab Raiders Gai had brought along. Though Yua was the more skilled fighter, Gai was able to gain the advantage by using the chip he implanted in Yua's mind to remotely cause her pain and disturb her focus. However, Fuwa soon joined the fight as Rampage Vulcan and together, he and Yua were able to defeat Gai and knock him out of his transformation. Gai then grabbed a ZAIASpec and put it on so he could use it continue torturing Yua, but Yua punched Gai in the face and knocked the ZAIASpec off, declaring that he should consider this her resignation.

In response to Naki's hacking of ZAIA's ZAIASpecs, Gai announced he would be shutting down once and for all. Gai later led an army of A.I.M.S. Battle Raiders to the base to put an end to, being met by Horobi and an army of Trilobite Magia that went out to confront them. Gai and Horobi both assumed their Kamen Rider forms and fought while their respective armies duked it out with each other. Thouser managed to overpower Horobi and knock him out of his Kamen Rider form, but before he could finish him off Zero-One interfered. Thouser summoned Gigers to deal with Zero-One, only for Naki to show up and, still connected to ZAIA's systems, to hack Gai's Gigers and Battle Raiders and turn them against Gai. Thouser defeated his army of Battle Raiders, but Horobi then assumed his Kamen Rider form and battled Gai, knocking him out of his transformation with his finisher. Gai then retreated with the rest of the A.I.M.S. forces.

With residual code still inhabiting ZAIA's network, Gai chose to make the RaidRiser available for the mass market, allowing ordinary civilians to transform into Invading Horseshoe Crab Raiders. He chose to market the public RaidRiser under Hiden Intelligence's brand and had Jun Fukuzoe film a commercial announcing the ZAIASpec would be available for civilian use, much to Aruto's disgust that ZAIA was selling such a dangerous weapon to civilians. After filming the commercial, Gai instructed Jun to sound more confident, as they would be meeting with their investors soon.

Meeting with Jun Fukuzoe and Sanzo Yamashita, Gai instructed them to deliberately set off the ZAIASpecs to malfunction on the day the RaidRisers would be made available to the public in order to provide an effective demonstration of the RaidRiser's capability. Appalled by this order, Jun and Sanzo would secretly go to Aruto for help on stopping Gai. Gai was later confronted by Naki and Ikazuchi of and demanded they return their Progrise Keys to him as they were now ZAIA's property. Naki transformed into her Kamen Rider form and charged at the untransformed Gai, slicing off his white suit and leaving him in his ZAIA underwear before leaving with Ikazuchi. Gai then contacted A.I.M.S. to announce a raid on 's base. Accompanied by two Battle Raiders and a massive army of A.I.M.S. soldiers, Gai transformed into Kamen Rider Thouser and led A.I.M.S. into 's territory, where Gai and his army were met by the four officers. Possessing Jin, the Ark assumed its Kamen Rider form and emitted a signal that paralyzed all the ordinary A.I.M.S. soldiers, leaving only Thouser and the two Battle Raiders. Thouser managed to overpower Kamen Riders Horobi, Ikazuchi and Naki, but was unable to stand against the might of the Ark and was brutally beaten. Just as Kamen Rider Zero-One MetalCluster Hopper arrived, Gai and his forces pulled out. Back at Hiden Intelligence, Gai was confronted by Jun, Sanzo and Shesta, who revealed they had gathered evidence on his misdeeds from the numerous complaints filed against him and would be exposing them to their shareholders at the next conference.

However, Gai then locked himself in Hiden Intelligence's main development room and began deleting all of the evidence from the servers so Jun and Shester wouldn't be able to use them against him. Gai then ordered Satellite Zea to begin mass producing the RaidRisers only to find Zea would not go through with the order. As Gai continued to attempt to get Zea to follow through with the order, Aruto, Jun and Izu arrived in the laboratory through a secret entrance. Aruto revealed that Zea was refusing Gai of its own free will and that all of the RaidRiser preorders had been canceled. Furious, Gai transformed into Kamen Rider Thouser and attempted to attack Aruto and the others. As Izu brought Jun away to safety, Aruto transformed into Kamen Rider Zero-One MetalCluster Hopper and fought Gai, defeating him and knocking him out of his transformation. Shester then stated that they would be forwarding evidence of Gai's wrongdoings to ZAIA. As Jun asked Aruto to return to being CEO, Gai got up and ran back to the CEO desk, refusing to give it up. However, Aruto stated he was too preoccupied with his own business venture to act as CEO right now. After Aruto and the others left, Gai was left alone with Ai, an artificial intelligence developed by Aruto at his new company. Ai asked Gai if he wanted to be friends, but Gai proclaimed he had no need for friends. After being prodded by Ai however, Gai confessed that he was once "friends" with a robot dog he owned that was developed by Hiden

Intelligence, but that his father made him put the dog away after he didn't get a perfect score on a test. Ai then sent a signal to Zea, who built a new robot dog for Gai from the data of the original model that was produced. Later, as Aruto was overwhelmed in his face-off against Ark-Zero, Thouser suddenly appeared and blocked Ark-Zero from finishing Aruto off with his Thousand Jacker.

As Aruto got back up and transformed into Kamen Rider Zero-One Metalcluster Hopper again, Ark-Zero engaged both him and Thouser. During the fight, Thouser attempted to strike Ark-Zero with the Thousand Jacker but Ark-Zero grabbed the Jacker and absorbed the powers Gai had copied from it. Despite this, both Zero-One and Thouser were able to overwhelm Ark-Zero with their combined power and force the Ark out of Jin's body. The Ark then bid the two farewell and said they would meet again before vanishing and returning to Daybreak Town. After saving Aruto, Gai returned with him back to the Hiden Manufacturing building and apologized for how he acted, but Aruto stated that Gai would have to do a lot more than that to atone for what he did. Gai later visited Fuwa and Yua and apologized to them, as well as A.I.M.S. While Yua was still incredibly distrustful of Gai, Fuwa simply asked that Gai let A.I.M.S. become independent of ZAIA.

After Izu requested that Gai have Hiden Intelligence begin producing HumaGears to help with the destruction the Ark was causing, Gai held a conference with Hiden's Board of Directors where he announced he was stepping down and ceding the position of President back to Aruto Hiden.

Following the Ark's destruction, Williamson Yotagaki arrived from ZAIA Enterprise's main branch to relieve Gai of his position as CEO of ZAIA Japan, citing his responsibility in the Ark crisis and failure to control it as his reason for doing so. Yotagaki stated that he would be taking Gai's place as CEO and transferring him to a new division of ZAIA Japan, the "Thouser Department", where he would work as Kamen Rider Thouser to take out threats to ZAIA.

Gai appeared to confront ZAIA's CEO, Lyon Arkland, after he created his own ThousanDriver and Kamen Rider based on data from Kamen Rider Thouser. Caring not about Gai's protests, Lyon rebuffed him by having Sold20 choke him against a wall before letting him go.

Following Kamen Rider MetsubouJinrai's assault on ZAIA Enterprise and the collapse of its Japan branch, Gai Amatsu split off from ZAIA to form his own company, an intelligence service for the modern age he named "Thouser-Intellion". His first employee was a Humagear Presidential Secretary he bought whom he named "Rin". After giving his secretary her name, it wasn't long before Rin asked Gai why they were in an abandoned warehouse, to which Gai answered he had borrowed it while publicity about his company spread.

However, Gai then came down with a mysterious fatigue and went to go rest in his chair, only to suddenly collapse to the ground. It was then that Kuroto Dan emerged from his body and revealed that Gai was infected with the Bugster Virus. Kuroto explained to Gai that the more stressed he became, the more Kuroto would gain a physical body until Gai finally perished and Kuroto regained his physical form. Upon discovering that Gai was a fellow company President, Kuroto recounted how he had once served as president of Genm Corp. and created countless amazing games with his "godly talents". Declaring himself a superior company president to Gai, Kuroto kidnapped Rin and fled the building.

Despite his weariness, Gai chased after Kuroto and found him by a lake with Rin. Kuroto announced to Gai that they would duel for possession of Rin and pulled out his Gamer Driver to transform. Gai pulled out his ZAIA ThousanDriver and transformed into Kamen Rider Thouser, only to find his Rider form had changed to black (similar to Kamen Rider ZAIA). Kuroto explained that that was due to him being infected and that black was his own personal color, before transforming into Kamen Rider Genm Level 2 with his own Driver. The two Riders then fought, with Genm gaining the upper hand and defeating Thouser. After Gai was knocked out of his transformation, Genm prepared to finish him off with his Rider Kick. Before his kick could land, time suddenly paused thanks to Masamune Dan, who then stepped out and revealed himself.

Masamune knocked Kuroto away before transforming into Kamen Rider Cronus to battle him. Genm then asked how Masamune had returned, to which Masamune responded by posing the same question to him. As the two Riders clashed, Kuroto declared that he would recreate Genm Corp with himself as president, but Masamune stated that Genm Corp was his and that he would defeat Kuroto. Kuroto then insisted that he should be president as he loved games more than Masamune did, but Masamune proclaimed that he had more love for the company and its staff. Seeing the two Riders quarrel made Gai realize that "love" was what was most important when making a company. After Genm and Cronus traded a mutual finishing kick with each other, Gai approached the two CEOs and shared his realization with them. Hearing Gai's words, Kuroto and Masamune embraced and reconciled before returning to the digital world thanks to Gai conquering his stress.

Gai and Rin then returned to the Thouser-Intellion warehouse and set about disinfecting it to make sure it wasn't contaminated by any more viruses.

Me: Gai Amatsu!

Nico: The CEO of ZAIM Enterprise!

Eli: We don't meet the Zero One Kamen Riders till later!

Me: He really is a glutton for punishment though. Over the last 3 years I faced him 8,124 times.

Nico: You've been keeping track?

Me: Yep. And I also helped the Zero One Kamen Riders bring his entire company down. I was hired by the CIA on a secret mission before the Battle with Thanos broke out to destroy MetsubouJinrai and ZAIM for terrorism and shady suspicious activity. I succeeded and destroyed them both.

Nico: Wow!

Me: I hope he isn't our big target for when we meet the Zero One Kamen Riders!

Gai: It's my lucky day. I get to do W's enemies and favor and kill the thorns on their side.

Shotaro: Careful what you wish for.

Shotaro and Philip: Henshin!

They transformed.

Gai Amatsu: You ruined everything for me!

Me: (Speaking in Japanese) あなたは確かにアマツガイを罰するための大食いです。あなたは3年前に私に殴られました、そして今ここであなたはもっと戻ってきます。あなたは確かに殴打する方法を知っています。(You sure are a glutton for punishment Gai Amatsu. You were beaten by me 3 years ago and now here you are coming back for more. You sure know how to take a beating.)

Gai Amatsu: We'll see when you die!

Me: Bring it. KIBAL LETS HOWL!

(THE WOLF AND THE MOON BY BRUNUHVILLE PLAYS)

I turned into WOLF MOON 🌙!

Shotaro and Philip: Now, count up your sins!

Nico: There's only one strongest company president in the world! And It's Aruto Hidan!

Gai Amatsu: NO ONE IS STRONGER THAN ME!

Me: Think again. WOLF MOON STYLE NINJA ART: FLAMES OF THE WOLF PACK!

I swung my scythe and fired waves of blue fire and it formed into wolves and they hit Gai all over and burned him.

Gai Amatsu: HENSHIN!

He turned into his Kamen Rider THOUSER FORM!

Nico: Now it gets fun. (GOES SUPER SAIYAN 3)

Eli: YEAH!

Ryu: Time for me to access my AccelTrial form.

Trial!

A Countdown sound was heard, followed by an engine speeding.

He was ready!

Nico: This is gonna be good.

Me: And another thing Gai, Humagears are not tools that you can throw away! I know someone that once thought they were like that in 150,000 years. Haku once thought she was a tool and me and my brother Naruto reminded her that she is not a tool but a person just like everyone else. Humagears are all human just like everyone else! You on the other hand think of them as tools built only for slavery and when they serve their purpose you just throw them away like pieces of junk and garbage! But it's not them that is a piece of junk, IT'S YOU!

Gai Amatsu: HOW DARE YOU TALK TO ME THAT WAY!?

He went at me and I blocked his strikes and slashed him all over the place and burned him with blue fire and Nico then punched him in the face and kicked him in the stomach and Eli blasted him with Force Lightning.

Nuju: Time to access my Hordika form!

Nuju then went TOA HORDIKA!

Nico: YEAH!

Nuju roared ferociously!

Megan Kiraton: Lets see how he likes this.

Megan fired waves of poison dust and it sprinkled onto Gai Amatsu and exploded all over the place.

Me: Nuju lets show him some of our teamwork.

Nuju: You got it! I'll have Nico help me out. You get W.

Me: Okay.

Nuju and Nico: ICE FIRE DRAGON SHOT!

Nuju fired waves of ice and Nico fired a blast of fire and it formed into a dragon.

Me and W: WOLF FIRE VOLNADO BLAST!

Me and W fired waves of blue fire and wind and it formed into a blue fire Volnado and the techniques both slammed into Gai Amatsu and he exploded!

KRABBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

He was down in a powerful fiery explosion and then his Sengoku Belt flew off and I caught it and gave it to Megan Kiraton.

Me: Figure you can add Zero One to your arsenal of Kamen Riders.

Megan Kiraton: Wow! Thanks J.D.

Me: You're welcome.

I went over to him as he was trying to crawl away.

I put my foot on his back and I had my scythe ready to slice his head off!

Ryu: Don't soil your hands anymore, J.D. I'll kill him.

Me: Be my guest Ryu. Think of it as my thank you for you and the Kamen Riders helping us out yesterday.

Ryu: Thanks.

Ryu then jumped onto him and then snapped Gai Amatsu's neck!

Nico: Nice!

Ryu: Yeah! Serves him right.

Me: So much for the evil CEO of ZAIM. Well now I can officially say that my mission is complete for the CIA.

Nico: You said it. But we still have the big target out there still.

Me: Yep. The Satellite Ark.

Eli: Yeah.

Back at the estate, everyone was watching TV and in front of the TV in a hot tub filled with wet cement was the Ripping Friends and boy do they love to take a dip in the stuff.

Crag: Man there's nothing like a nice refreshing dip in wet cement.

Luna and Lincoln were in there with them too.

Luna: Boy you said it dudes.

May: That is awesome that you guys like relaxing in wet Cement.

Crag: You know it May. After a hard day of having big missions and thinking up ways to rip the secrets from nature, I can't get enough of this soggy concrete.

He picked up a glob of cement and it splashed in the tub.

Lincoln: Boy it feels good too. You guys sure have awesome fun in this.

Slab: Glad you think so Lincoln.

Rip: Yeah this is good stuff.

Then we came back.

Me: We're home.

May: Hey guys. How did it go?

Me: Really awesome! (Sees the Ripping Friends, Luna and Lincoln) Are you guys in a hot tub full of wet cement?

Nico: That is cool.

Slab: Yeah it's what we like to do.

Rip: It's good relaxing.

Me: That is really cool.

Nico: Yeah. Anyway here's what happened.

We told them everything and it was awesome.

May: WHOA! That is awesome!

Nico: Yep. Now the Zero One Kamen Riders have no more of their enemies left.

Me: Except for the Ark of course.

May: Next time, Tyson should go with you.

Nuju: Good idea May.

Me: Megan starts her Ambassador Missions tomorrow.

Eli: Yeah!

Suddenly, Lincoln's deep sapphire blue eyes and the rainbow colored iris of Lincoln's Third Eye glowed even more, as he sensed a dark energy signal with his eyes and the Force, and he saw who the figure is in the vision: it was none other than Ianira Dormund, and she's coming to kill us all for revenge for ruining her schemes, and she's major leagued pissed off. When we saw it, we knew it meant trouble.

Nico: Uh oh, I know those glowing eyes from anywhere. Lincoln, is Ianira Dormund on the move?

Lincoln: That's right, Nico, and she's coming to kill us all for revenge for ruining their schemes, and she's major leagued pissed off.

Connie Jackelstein: So, Ianira Dormund's finally on the move. Perfect, now we have our chance to pulverize and beat that crazy witch into the ground for what she did in resurrecting Johnathan Crane A.K.A. Scarecrow and hiring Gargantua to kill us at the beach.

Lincoln: And we're both taking that crazy witch down, and like I said, she's getting the same thing as Jocasta Belladonna and Jezebel Lanira.

Inside the Dark World Goth Girls' black tarot box in Nicholette Torrington's hands, Jocasta Belladonna and Jezebel Lanira were still screaming in rage and the box was shaking.

Nicholette Torrington: Hey, you two keep it down in there or I'll put a plate of stinky cheese inside of your tarot card prisons!

Me: Sheesh, those two are really pissed.

Nico: Big time.

Lincoln: They're just lucky I didn't duct-tape their mouths shut.

Lori: I don't even think duct tape will keep their mouths shut for long, and we'll still hear the loud and horrible chalkboard screeches from those two.

Lincoln: But, once all of them have been captured, they'll be heading for prison for good, and we'll be rid of them for good.

Nico: That's right.

---

We later were in Paris, France.

Me: This is gonna be awesome to see your mom and dad again Chloe.

Chloe Bourgeois: It sure will be cool.

We arrived at the Bourgeois House.

Me: Here we are.

We knocked on the door.

Mr. Bourgeois came.

Me: Bonjour monsieur Bourgeois.

Mr. Bourgeois: Well hello everyone.

Me: Good to see you again.

Zocks: Hello, Mr. Bourgeois. I'm Zocks, you're daughter's new boyfriend. As you probably could tell, I first met her in person yesterday.

Brandish: Though you also met her Dark Side when you and the others helped us during the Beyblade mission.

Me: Yeah. Zocks is one of the Zenkaigers and he just joined the team yesterday.

Nico: He and his team have 45+ Years of Sentai Rangers at their command.

Mr. Bourgeois: Well come on in.

We went in and we saw a girl with blond hair with pink streaks in it. She was Chloe's half sister Zoe Lee.

Zoe Lee: Wow Team Loud Phoenix Storm it's an honor.

Me: You must be Zoe Lee. It's a pleasure to meet you.

Chloe: It's nice to meet you, Zoe. As you know, I'm Chloe, your half sister.

Zoe Lee: Oh, I know who you are. You're a bully who made Marinette's life miserable. I can't believe J.D. and the others would be smart enough not to believe anything that comes out of Luthor's move but they would actually believe someone like you!

Black Widow: (sarcastically) This is turning out wonderfully.

Me: Whoa whoa whoa Zoe. Please. Chloe is not like that anymore.

She was a bully back when Nico first met her but as time went on she was redeeming herself. And the attack of Lila Rossi was a massive wakeup call for her in 2019.

Nico: That's right Zoe. She did piss me off before but not anymore. Now she is fully redeemed and is a better person.

Eli: She is even on the team now.

G1 Bombshell: Look, Zoe. Alot of things have happened ever since we met the Miraculous Team.

Zoe Lee: Things that I'm sure Chloe's caused. I've had enough of this stupid bitch to last an eternity.

Maria: And we haven't discontinued the use of those words, why?

Zoe turned to leave but Eddy blocked her path.

Zoe: Move. Or I'll make you.

Eddy: No way. You and your sister are talking this out. Even if we have to-

Zoe then stepped on Eddy's foot. Eddy's eyes widened before screaming loudly.

Eddy: AAAAAGGGGHHH!

I jumped in front of her.

Me: Zoe that's enough!

Audrey Bourgeois: Zoe that is enough!

Nico: Zoe listen, we just met but please just hear us out.

Zoe: You got 5 minutes.

Nico: That's all we need.

Nico told her everything that happened in the events of chapter 901 and how Chloe has changed so much and how she has become a great and invaluable member of the team as well as a great friend and an awesome force of good. And she also turned into a great and amazingly helpful friend to many. It was Lila Rossi's insane evil that provided the big wakeup call. Chloe's Dad and Marinette's mom being shot was the jumpstart and more. And Nico told her all about the adventures she was a huge help on and more. When he was done Zoe was amazed and shocked.

Perceptor: Why don't I show you video footage of how Chloe's changed?

Nico: Good idea. Proceed Perceptor.

He showed the footage of everything that happened and more and it was awesome.

We saw lots of footage from those adventures.

Wood Man: And you're absolutely right. We DON'T believe any crap that villains like Luthor say. That being said, what does that say about Chloe?

Zoe Lee: Oh that villains that redeem themselves are good.

Me: That's right. We have tons of former villains with us that changed their ways. Hence why we call it the Redemption Squad.

William: That's right.

Me: There are villains out there that can be reformed and those that cannot and those are the kinds of villains that must be destroyed.

Eli: That's right.

Zoe Lee: Wow.

Chloe Bourgeois: So sis don't hate me for my crimes. I was a monster back then. But not anymore.

Nico: Yep. Anyway it's time we get ready for our latest mission.

Mr. Bourgeois: And Zocks you have our blessing to be with Chloe.

Take care of her.

Zocks: I will sir.

Nico: Awesome. And you will like the song he sings too. Show him.

Zocks: You got it.

Mascots: Here we go!

Zocks: (Singing) Yo-ho-hoy- yo-ho-hoy- yo-ho-hoy-hoy! Hey! I am a World Pirate. In pursuit of treasure, I go from sea to sea! I am a pirate. In pursuit of freedom, I travel from world to world! I'll get my hands on it no matter what! And then I'll get a feeling that's two good! Yo-ho-hoy!

Zoe and the Mascots and Will Vandom danced to it.

When it was done we cheered.

Mr. Bourgeois: Wow that is awesome.

Zoe Lee: Really catchy.

Me: Its really awesome.

Will Vandom: We love that song and the Mascots love it too as Zocks sings it.

Nico: Yeah they do. Anyway you guys will love our latest mission.

Then The Rowdyruff Boys, Steam Smythe, Mortal Kombat Scorpion, Cargill, Dr. Polaris, Toiletnator, Felix Faust, Killer Shrike, Gator Ghoul, and David Cain appeared.

Brick: Can me, my brothers, Steam Smythe, Mortal Kombat Scorpion, Cargill, Dr. Polaris, Toiletnator, Felix Faust, Killer Shrike, Gator Ghoul, and David Cain go with you guys?

Butch: (to Zoe) Don't worry. We'll find you a Miraculous to use.

Zoe Lee: Okay.

Nico: And to answer your question yes you all can go.

Me: You guys will not like this one bit. Nico and Twilight Sparkle's old friend and the Baudelaire Kids old enemy Count Olaf has returned from the dead and is out for revenge.

Everyone gasped!

Tsuyu: Wait you mean Count Olaf, the main villain from Lemony Snickett's A Series of Unfortunate Events!? WOW I love that story! That's one of my all time favorites.

Nico: That was also the rescue that me and Twilight Sparkle went on to rescue Carla Wong III.

Twilight Sparkle: That's right Nico.

Sheila Loud: I remember that.

Charmcaster: Nico, which Gene Slammer do you think you'll meet on your next rescue?

Nico: I'm hoping to meet one for Stretcheleo's kind next.

Qin: What alien is Stretcheleo?

Ben: This is him.

He turned into Stretcheleo.

Stretcheleo has a muscular body with black arms, a blue torso, and three black vine-like legs. His face is white with a worm-like mouth and green eyes. Stretcheleo wears the Omnitrix symbol on his chest.

Nico: COOL!

Me: That's a new one.

Shanan: So the next gene-slammer is gonna be one for a Botanelastician from the planet Hevea.

Qin: Wow! What are they known for?

Shanan: Botanelasticians are a race of plant humanoids with elastic and stretchy limbs and they are very super elastic and can restrain others with their limbs.

Elasti-girl: That's like me.

Shanan: Yep.

Me: So it'll be someone that has Super-elasticity next.

Nico: Yep.

Me: Wait a sec. Hevea. That's the scientific name for a Rubber Tree.

Nico: Wow that is cool.

George of the Jungle. Rubber Tree, always good for clothesline.

We laughed.

David Cain: This time, ALL of us will fight Olaf.

Me: Yep. Believe me guys, I HATE Count Olaf just as much as I hate Lex Luthor.

Camie: How come?

Me: You guys are not going to like his history one bit. Everything this guy did makes my blood boil.

I went over his history.

---

Count Olaf is the main antagonist of Lemony Snicket's A Series of Unfortunate Events novel series and its 2004 Nickelodeon movie. Count Olaf is greedy and will go any lengths to get what he wants, even if it involves murder. He appears in every book of the Series of Unfortunate Events, in some form or another. He is also the archenemy of Violet, Klaus and Sunny Baudelaire.

He is a very intelligent villain, having the ability to stay ahead of the authorities and know just what they will do in order to hunt him.

Count Olaf can fool even the most intelligent (mostly dumb) person around him and even guardians of the Baudelaires-some of whom have known Olaf for years - are not above his deceit and villainy. Except he can't fool the Baudelaire siblings, because they appear to be a lot more smarter than Count Olaf, and the adults who should've never foolishly listened to Olaf.

In the movie, he was portrayed by Jim Carrey, who also played the title character in The Mask, The Riddler in Batman Forever, the title character in The Cable Guy, The Grinch in How The Grinch Stole Christmas, Steve Gray in The Incredible Burt Wonderstone and Dr. Robotnik in the Sonic The Hedgehog film series. In various animated adaptations, he was voiced by Fred Tatasciore, Tony Jay, Christopher Lloyd, Jim Cummings, Corey Burton and Keith David.

The version of the character in the 2017 Netflix series was portrayed by Neil Patrick Harris, who also portrayed Dr. Horrible in Dr. Horrible's Sing-a-Long Blog, Foy in A Million Ways to Die in the West, Chester Creb in American Horror Story: Freak Show, John Tagman in Law & Order: Criminal Intent, Music Meister in Batman: The Brave and the Bold, Ray Thompson in Justice League, and Dr. Blowhole in The Penguins of Madagascar.

Olaf was raised by his parents who apparently trained him in the art of villainy and pyromania, the latter of which became something of an addiction for him. During his childhood, Olaf was indoctrinated in the organization of V.F.D. (Volunteer Fire Department). Despite being trained to extinguish fires, Olaf loved arson so much that the hobby never really went away. It is proposed that he did not very much like the V.F.D. training nor its courses, because he aspired to be an individual practitioner, but Olaf did befriend two fellow arsonists within V.F.D.: The man with a beard but no hair and the woman with hair but no beard.

Together this triumvirate of arsonists engineered a Schism within the ranks of V.F.D., and slowly the calm of the entire organization shattered as Olaf and his comrades spread doubt and uncertainty amongst the volunteers, forcing them to be untrustworthy of each other. Olaf promised wealth, freedom and power amongst the volunteers who would abandon their posts at V.F.D. and join him, but in reality this was just a cover-up so Olaf could gain the world's riches for himself. Eventually Olaf left V.F.D. to pursue his own goals, although not without doing enough damage to the organization. Many families were ripped apart by the conspiracy, and lives were claimed by the fire which the arsonists now began using. More and more volunteers joined the ranks of the arsonist half of the Schism, and hope was fading for the noble volunteers. Olaf eventually acquired a band of faithful henchmen who all aspired to set the houses of the noble volunteers on fire, and to end the fiasco in a blaze of flame. Count Olaf was the leader of his troupe, second only to his superiors the man with a beard but no hair and the woman with hair but no beard. Eventually these two villains took to arson and treachery with such an affiliation that even Count Olaf, who merely desired wealth and power, began to be afraid of them.

Count Olaf began threatening the Baudelaire, Quagmire and Snicket families for their fortunes, for these three combined fortunes would bring him immense power and friends in high places. Count Olaf wanted above all else to be respected and served, and the fortunes were his key to success. It appears he was very close to getting the Snicket fortune by the time the series began, but he was having trouble with the Quagmire fortune, that is, until he kidnapped the Quagmire triplets. He was also about to get the added bonus of the Squalor fortune, through his girlfriend Esme, and as Count Olaf had his girlfriend (who coincidentally was the city's sixth most important financial advisor) he was well on his way to having important connections. Count Olaf chased the Snicket brothers for their fortune, but even though he murdered Jacques Snicket, the younger brother, Lemony, was still at large. But Olaf framed Lemony for a crime he did not commit. Lemony's sister Kit was also still at large but posed a problem as she was pregnant and this meant that if the child was male, the fortune would be his; but if the child was female, her future husband would get the fortune. Count Olaf apparently seduced Kit in order to gain the fortune, but he apparently did not care about the Snicket, Squalor, or Sebald fortunes, because of the five, the Quagmire and Baudelaire fortunes were the most important.

Count Olaf first met the Baudelaire children - having been recently orphaned - after they had lost their home and their parents in a horrible fire. The Baudelaires suspected Olaf had killed their parents, but when they finally confronted him upon his death, he denied it, saying "You know nothing," probably implying that the Baudelaire parents were killed by the man with a beard but no hair and the woman with hair but no beard. Nonetheless, even if he hadn't killed the Baudelaire parents, Olaf was certainly a very evil man, because when the Baudelaires were adopted into his care, all he did was abuse his power over them by enslaving them to commit pointless chores such as chopping wood for the fun of it and mending broken windows which Count Olaf could have fixed himelf. Count Olaf also made the Baudelaires cook for him and twelve other people - His theater troupe, whom the Baudelaires met for the first time during their time at his house. The troupe were as cruel as their master, laughing at Olaf beating Klaus Baudelaire and mocking Violet and then thumping on the table, rudely demanding supper. Count Olaf also was extremely mean as well as evil because when the Baudelaires kindly made him and his troupe Puttanesca sauce Count Olaf insulted their effort and said they somehow ought to have known he loved roast beef. Nonetheless, he ate their meal but said they were barred from attending his troupe's play that night.

Halfway through the Baudelaire's stay, Olaf concocted a plan to get the Baudelaire fortune and rise in power. He would marry Violet in his play, with everyone believing it was a dramatization, and he would switch the documents for legal official documents which would mean Violet was truly married to him. The plan succeeded, but was foiled at the last moment by Violet using her left hand to sign the form rather than her right. As Violet was right handed, this foiled Count Olaf's plan, and he and his associates vowed to kill Violet and her siblings as soon as Olaf could get their fortune. A blackout was caused by one of Olaf's henchmen and Olaf and his gang ran out the theater and drove off into the night, plotting revenge.

The Baudelaires went to live with their Uncle Montgomery Montgomery, a herpetologist but when he hired a new assistant it turned out to be the evil Count Olaf in disguise. The Baudelaires were shocked to find that their enemy had found them so quickly, and tried to warn Uncle Montgomery about Olaf's arrival, but Count Olaf threatened to kill them all if they revealed his secret. Count Olaf eventually killed Uncle Montgomery, and framed the murder on one of his snakes, which already had a reputation for being extremely poisonous. Violet Baudelaire however managed to reveal Count Olaf as the murderer when she found the venom from the snake in a phial and a doctor's syringe which Count Olaf had used to inject their uncle.

During their stay with their aunt Josephine Anwhistle, Count Olaf miraculously arrived in town pretending to be a captain looking for business. Josephine was very taken to Olaf, as he was seemingly lonely and friendless, but despite the Baudelaire's attempts to warn her of the real danger, Count Olaf killed Josephine by feeding her to Lacrymose Leeches.

Count Olaf made use of his connections with a hypnotist named Dr Georgina Orwell to hypnotise Klaus Baudelaire during the orphans' stay at a Lumbermill. Count Olaf had killed the previous foreman and replaced him with his close associate, a bald man with a long nose. Count Olaf hypnotized Klaus twice, under the pretence of having Dr Orwell repair Klaus's broken glasses, and this was probably his greatest plan yet and one of the few plans which came close to succeeding. Olaf was just about to have the bald man feed Charles, the deputy manager of the mill, into a gaping saw and blame the murder on the hypnosis, and as he found out that Violet and Sunny Baudelaire were present at the murder, Olaf had Dr Orwell attempt to kill the infant Sunny so Olaf would get the Baudelaire fortune which would go to him upon the orphans' deaths, but Dr Orwell stepped backwards into the revolving saw and this particular plan failed.

Even at boarding school, the Baudelaire orphans could not escape the evil clutches of Count Olaf. At Prufrock Preparatory School, the Baudelaires finally met the Quagmire orphans, who had been triplets until they had allegedly lost their brother, Quigley, in a fire. The two Quagmire triplets, Duncan and Isadora Quagmire, befriended the Baudelaires, having both had similar backstories, and believed the Baudelaires the first time when they said that the new gym teacher, Coach Genghis, was actually Count Olaf in disguise. As Coach Genghis, Olaf made the Baudelaires run nine nights of successive laps, hoping that the Baudelaires would become so exhausted they would fail all their exams, and therefore they would be expelled from the school and Count Olaf said he would foster them (but in reality it was just so he could kill them and steal their fortune). Although he did not gain the Baudelaire fortune, he *did* succeed in kidnapping the Quagmire triplets, who tried to tell the Baudelaires that they had found a crucial, horrible secret related to Count Olaf's villainous past. All Duncan Quagmire managed to yell concerning the secret were the initials "V.F.D.!" before he and his sister Isadora were snatched away. Eventually the Baudelaires met up with the Quagmires at a tower block named 667 Dark Avenue, one of the richest blocks in the city. The Baudelaires were by this time being fostered by Jerome and Esme Squalor, the latter of which revealed herself to be Count Olaf's girlfriend and, having held the Quagmires hostage in her tower block, used her ignorant husband as bait for the Baudelaires. Jerome, who was truly innocent, attempted to arrest Count Olaf and his previous wife for kidnapping and child abuse but Count Olaf and Esme escaped with the Quagmires before any official action could be taken.

The Baudelaires participated in the village fostering programme, whose slogan was *It Takes a Village to Raise a Child!* and they coincidentally found a village named "V.F.D." in the programme. There was no other clue as to what the name of the village stood for. Having moved there, the Baudelaires were rather disappointed to find the initials stood for Village of Fowl Devotees, as a collection of ornithologists lived there and protected the crows - which actually belonged to the real V.F.D. It transpired that this would be one of the darkest episodes of the Baudelaires' lives. Count Olaf arrived in the village and framed the Baudelaires for the murder of Jacques Snicket, a man who had the same ankle eye tattoo as Olaf did, as well as the same monobrow, and who had indeed been mistaken for Olaf. Count Olaf now knew that he no longer needed a disguise, and after disguising himself as "Detective Dupin" he framed the Baudelaires for the murder of Jacques, even though the Baudelaires knew that Olaf was the real killer. Hector, the Baudelaire's guardian at the time and the only friendly person in the village to the orphans, was too afraid of the village elders to speak for them, but he helped the Baudelaires escape in his own dirigible. Esme Squalor, however, shot the rope ladder and caused the Baudelaires to fall back to earth and only the Quagmires - who had been imprisoned in the village fountain - were rescued by Hector, who was an agent of V.F.D. The Baudelaires next visited a hospital which contained the Volunteers Fighting Disease. Believing that this might be the real V.F.D., the siblings were once again disappointed. However, they did capture page thirteen of the Baudelaire file, an important piece of evidence against Count Olaf which could put him and his criminal friends in jail.

Escaping the burning hospital which Olaf had set aflame, in order to destroy the Baudelaire file, the orphans fled in the boot of Olaf's black car, which Olaf drove to Caligari Carnival, revealing how he had hunted down the orphans so easily. It turned out that Count Olaf had been duped by Madame Lulu (real name Olivia Caliban) who had turned traitor to both V.F.D. and the arsonists, selling information from newspapers to both sides and pretending that her crystal ball found the answers. All of Olaf's troupe were duped into believing that fortune telling was real. The Baudelaires found the truth and confronted Madame Lulu about her deception, and Lulu revealed her real name as Olivia Caliban and told them she was once an agent of V.F.D. Now she wanted to fight the arsonists and, in journeying into the mountains with the Baudelaires to find V.F.D. Headquarters, become noble again by rejoining their ranks. But before she could leave the Carnival with the Baudelaires, Count Olaf betrayed Madame Lulu and fed her to lions as an "exciting new attraction" the Carnival would offer. Olaf then set the Carnival aflame, as he did the hospital, to again destroy evidence against him and fled to the mountains. He revealed that the Baudelaires' identity was revealed - as at the Carnival he thought they were circus freaks - and pushed their cart down the mountain to their doom. However, Violet and Klaus stopped the cart and trudged up the mountain to rescue Sunny, their baby sister. Atop the mountain, they were reunited with Quigley Quagmire, who had turned out to have survived the fire after all and been tracking the Baudelaires ever since, and after rescuing Sunny, fled down the mountain but lost Quigley in the stream. Quigley was later revealed to have rejoined V.F.D. On the mountain peak, Count Olaf was given the Snicket file, which he read and destroyed, by his superiors: The man with a beard but no hair and the woman with hair but no beard. For the first time, Olaf began to show doubt and was noticeably afraid of his bosses.

After these pursuits, Count Olaf believed the Baudelaires had drowned in the mountain river and was celebrating with his girlfriend

Esme, when his submarine picked up another submarine which had previously belonged to V.F.D. Aboard the second vessel, to his disappointment, Olaf found the living Baudelaires, albeit with a very ill Sunny, who had been infected with a mycelia of the Medusoid Mycelium, the very weapon with which Olaf had planned to use to destroy V.F.D. Olaf showed his ruthlessness when he withheld the vaccine from Sunny, and he seduced Fiona Widdershins, the Baudelaire's previous friend and sister of Count Olaf's henchman Fernald, into joining the arsonists. Fiona took the Medusoid Mycelium and betrayed the Baudelaires.

Violet, Klaus and Sunny fled to the last safe place, the Hotel Denouement, and Count Olaf jumped on them in the lobby, demanding their fortune. Count Olaf finally got into an argument with Esme, his girlfriend, and dumped her, due to her choosing V.F.D.'s precious sugar bowl - containing an antidote of the Mycelium - to the fortunes Olaf desired. Olaf killed Dewey Denouement, the manager of the hotel, and then thwarted V.F.D.'s attempt to arrest him and put him on trail by, yet again, setting the hotel aflame. Initially Olaf wanted to infect all the V.F.D. agents in the hotel with the Medusoid Mycelium, but realized that he might need it to threaten the Baudelaires. Rather, he let the fire finish everybody else.

Count Olaf and the Baudelaires were shipwrecked on a Nameless Island, and while the Baudelaires were recruited as the island's guests due to their kindness and gratitude, Count Olaf was left on the coastal shelf for being mean, conceited and evil. Eventually, Count Olaf returned, disguised as Kit Snicket, Jacques's sister, but the islanders recognized him immediately as Count Olaf, and imprisoned him in a cage. A mutiny then occurred amongst the islanders, stirred up by Olaf, and the latter threatened to unleash the Medusoid Mycelium on the former unless they worshipped him as their one and true king. However, their leader, Ishmael, who had been orphaned by Count Olaf - or so Ishmael claimed - shot Count Olaf in the stomach with a deadly harpoon gun Esme had previously owned, and then as Olaf was wearing the helmet containing the Mycelium in his gown, the helmet shattered and the mushroom spores flew out and infected everyone. The Baudelaires saved themselves by eating apples smeared in horseradish, the only antidote for the Mycelium, but when they tried to save the islanders there was a second mutiny and the islanders were leaving, although they were contagiously infected. Count Olaf was slowly dying from a combination of Medusoid Mycelium poisoning and harpoon spear wound. Kit Snicket had been washed up on the island and was slowly giving birth. The Baudelaires finally confronted Count Olaf of ruining their lives by killing their parents and destroying their home but when they pressed him, Count Olaf said "Is that what you know? You know nothing." He dies soon after, but not before kissing Kit and reciting a verse from one of the V.F.D. agents "Man hands on misery to man/It deepens like a coastal shelf/Get out as quickly as you can/And don't have any kids yourself."

When I was finished everyone was shocked that he did everything he did!

Camie: That monster!

Applejack: Why that no good sidewinder and money hungry snake in the grass!

Lola: Yeah what a heartless jerk!

Nico: I know. It was awful!

Me: Olaf's heart is as black as night.

Motormaster: I hope Violet and her family are still safe.

Nico: Don't worry. They are. They live in Olaf's house and we fixed it up after bringing it to the estate and made it both the house of the Mane 10 and the Baudelaire's.

Motormaster: That's good. I'm glad.

Me: The house is located on the opposite side of our park at the estate.

Chloe Bourgeois: You should see it guys. It's better than when we first saw it.

Nico: Yeah. That house was a total dump.

Me: It was a run down dilapidated home that looked like the home of a wacko serial killer. Metaphorically speaking of course.

Cargill: Let's go check it out.

Boomer: In case there's traps

Nico: Don't worry guys. We made sure there aren't any traps.

Boomer: Good.

We went back to the estate and went to our park.

We arrived at our park.

Nico: Here we are.

Camie: Wow! This park is amazing.

Zocks: Boy it sure is awesome.

Chloe Bourgeois: It sure is.

Sweetie Belle: Wow! Coming here always is so awesome.

Randy Boggs: I'll go invisible just in case.

Nico: Okay.

We walked on and we came to the house and it was beautiful. It was now a great haven for the Mane 10 and the Baudelaire Family and more.

Nico: Wow!

Laney: So pretty.

Lana: Yeah it took a lot of work to fix it up.

Eli: It sure did.

We went up to the door and knocked on it and answering it was Klaus Baudelaire.

Klaus: Hey guys!

Me: Hey Klaus.

Steam Smythe: Hope you don't mind us dropping by.

Violet Baudelaire: Not at all. We're happy you all could come.

Klaus: After how you guys sent Olaf off to the chair.

Me: Yeah about that.

We told them everything.

Violet and Klaus: WHAT!?

Violet Baudelaire: Olaf is back from the dead to get revenge!?

Nico: Yeah. But this time we're going to be ready for him.

Natasha Hernandez: We're not going to let him get away with everything he did.

Sheila Loud: He hurt so many innocent people.

Lola: Yeah he did.

Nico: And I'll stab him in the heart with this if he shows himself.

Nico showed his awesome and new spear. It was a spear that was golden and covered in jewels.

G1 Venom: Nice courageous spear.

Me: Thanks. Made it this morning.

Me: Really stylish.

Nico: Thanks.

Violet Baudelaire: That is so cool that you guys can do blacksmithing now.

Me: We learned all about it during the Ridonculous Race. We learned how to do it in Brazil.

Klaus: That is amazing. Can you teach us?

Me: Sure. But it's really dangerous.

Nico: Yeah.

Me: By the way how are you guys liking it in our park?

Violet Baudelaire: It's beautiful and awesome. So many awesome animal friends and even the enchanting melody of the Harmonizing Heights to sooth us is really amazing.

Me: Yeah and you can thank Apple Bloom, Sweetie Belle and Scootaloo's friendship mission with me that I thought up the awesome idea for it here.

Laney: That was so awesome.

Gator Ghoul: I like it as well

Nico: We all do. It's really soothing.

Lola: You said it.

Me: Yeah.

Camie: Violet we're really sorry about what happened to your family.

Me: Yeah. What Olaf did was completely unforgivable.

Lola: Yeah.

Tsuyu: And all for the sake of money. What a heartless and soulless monster.

Pain Yatta: Want some of my Candy?

Klaus: Hey sure!

Nico: Pain Yatta is a piñata and his candy is great.

He had candy come out of his mouth and he gave them some and it was delicious candy.

Violet Baudelaire: That was awesome!

Klaus: Yeah it was!

Nico: Yeah!

Killer Shrike: This is probably your first full team up with us.

Violet Baudelaire: Yes it is and we owe you guys big time for saving us.

Nico: It was just me and Twilight Sparkle back then saving you.

Twilight Sparkle: But that was really amazing helping you guys back then.

Nico: Yeah it sure was.

Lana: That was really cool.

Alice Liddell: (British Accent) But believe me guys I know how you all feel. I was the victim of an arson fire myself.

Violet Baudelaire: You were?

Alice Liddell: Yes. It was a long time ago.

Me: Alice are you sure you want to tell everyone what happened to you? It's really dark.

Alice Liddell: I do J.D. and they have a right to know.

Camie: What happened?

Alice Liddell: It was a nightmare.

She went over her history and it was horrible.

**Alice Liddell** is the youngest daughter of Arthur Liddell and Mrs. Liddell and the younger sister of Lizzie Liddell who is the sole survivor of a house fire that killed her family, causing her to have immense trauma when she was a child, affecting her reality, as well as her imaginary world, Wonderland, and its citizens.

As Alice struggled with the fragments of her memories, post-traumatic stress disorder, and deteriorating mental health after a ten-year catatonic state in Rutledge Asylum, she returned to Wonderland to save it from the Queen of Hearts, killing the monsters inside her head.

Alice regained enough sanity to leave Rutledge and Pris Witlesshelped Alice to get a room at the Houndsditch Home for Wayward Youth. Her psychiatrist and head of Houndsditch, Angus Bumby, helped Alice forget her traumatic memories using hypnotherapy. Unfortunately, Alice still suffered from poor mental health and returned to Wonderland to find the true cause of her family's death. After discovering that Bumby was the mastermind behind her family's death who also raped and molested Lizzie, she murdered him to avenge her family. With her reality fused with Wonderland, Cheshire Cat remarked that her memory was safe for the time being.

After leaving Houndsditch, Alice found a job at the London Royal Opera House as a theater worker. She also gained the ability to peer into the minds of others and explore their Otherlands.

Alice was born in England in 1856 where she spent most of her childhood in Oxford in the south of England. She lived a comfortable, happy life with Arthur Liddell, a dean at Oxford University, her mother and Elizabeth Liddell who was too old to be a good playmate to Alice, even though she was loving.

The family owned a cat named Dinah and two of her kittens later on. Alice was an imaginative and creative girl who immersed in her imaginary land called Wonderland. Her daydreams of her imaginary world led Nan Sharpe, a nanny who also taught Alice and her sister French and music, to have conversations with Mrs. Liddell about it. At one point, Nan told Alice that if she spent as much time as practicing the piano instead of daydreaming, she would be the next Sullivan or Gilbert. Mrs. Liddell also had Alice practice the piano frequently.

Being a dean at the Oxford University, Arthur would often invite his undergraduates to tea at the family household. Due to their constant appearances and mannerisms, Lizzie expressed her disgust of them to Alice, saying that "[they were] waiting a word from [their father]" and called them a "bunch of toadies"

Alice sat on a riverbank on a warm summer day, drowsily reading over her sister's shoulder, when she caught sight of a White Rabbit in a waistcoat running by her. The White Rabbit pulled out a pocket watch, exclaimed that he was late, and popped down a rabbit hole. Alice followed the White Rabbit down the hole and came upon a great hallway lined with doors. She found a small door that she opened using a key she discovered on a nearby table. Through the door, she saw a beautiful garden, and Alice began to cry when she realized she cannot fit through the door. She found a bottle marked "DRINK ME" and downed the contents. She shrunk down to the right size to enter the door but cannot enter since she had left the key on the tabletop above her head.

Alice discovered a cake marked "EAT ME" which caused her to grow to an inordinately large height. Still unable to enter the garden, Alice began to cry again, and her giant tears formed a pool at her feet. As she cried, Alice shrunk and fell into the pool of tears. The pool of tears became a sea, and as she trod water she met a Mouse. The Mouse accompanied Alice to shore, where a number of animals gathered on a bank. After a "Caucus Race," Alice scared the animals away with tales of her cat, Dinah, and found herself alone again.

Alice met the White Rabbit again, who mistook her for a servant and sent her off to fetch his things. While in the White Rabbit's house, Alice drank an unmarked bottle of liquid and grew to the size of the room. The White Rabbit returned to his house, fuming at the now-giant Alice, but she swatted him and his servants away with her giant hand. The animals outside tried to get her out of the house by throwing rocks at her, which inexplicably transformed into cakes when they landed in the house.

Alice ate one of the cakes, which caused her to shrink to a small size. She wandered off into the forest, where she met a Caterpillar sitting on a mushroom and smoking a hookah (i.e. a water pipe). The Caterpillar and Alice got into an argument, but before the Caterpillar crawled away in disgust, he told Alice that different parts of the mushroom will make her grow or shrink. Alice tasted a part of the mushroom, and her neck stretched above the trees. A pigeon saw her and attacked, deeming her a serpent hungry for pigeon eggs.

Alice ate another part of the mushroom and shrunk down to a normal height. She wandered until she came across the house of the Duchess. She entered the abode and found the Duchess, who was nursing a squealing baby, as well as a grinning Cheshire Cat, and a Cook who tossed massive amounts of pepper into a cauldron of soup. The Duchess behaved rudely to Alice and then departed to prepare for a croquet game with the Queen. As she left, the Duchess handed Alice the baby, which Alice discovered is a pig. Alice let the pig go and re-entered the forest, where she met the Cheshire Cat again. The Cheshire Cat explained to Alice that everyone in Wonderland was mad, including Alice herself. The Cheshire Cat gave directions to the March Hare's house and faded away to nothing but a floating grin.

Alice traveled to the March Hare's house to find the March Hare, the Mad Hatter, and the Dormouse having tea together. Treated rudely by all three, Alice stood by the tea party, uninvited. She learned that they have wronged Time and were trapped in perpetual tea-time. After a final discourtesy, Alice left and journeyed through the forest. She found a tree with a door in its side, and traveled through it to find herself back in the great hall. She took the key and used the mushroom to shrink down and entered the garden.

After saving several gardeners from the temper of the Queen of Hearts, Alice joined the Queen in a strange game of croquet. The croquet ground was hilly, the mallets and balls were live flamingos and hedgehogs, and the Queen tore about, frantically calling for the other player's executions. Amidst this madness, Alice bumped into the Cheshire Cat again, who asked her how she was doing. The King of Hearts interrupted their conversation and attempted to bully the Cheshire Cat, who impudently dismissed the King. The King took offense and arranged for the Cheshire Cat's execution, but since the Cheshire Cat was now only a head floating in mid-air, no one can agree on how to behead it.

The Duchess approached Alice and attempted to befriend her, but the Duchess made Alice feel uneasy. The Queen of Hearts chased the Duchess off and told Alice that she must visit the Mock Turtle to hear his story. The Queen of Hearts sent Alice with the Gryphon as her escort to meet the Mock Turtle. Alice shared her strange experiences with the Mock Turtle and the Gryphon, who listened sympathetically and commented on the strangeness of her adventures. After listening to the Mock Turtle's story, they heard an announcement that a trial was about to begin, and the Gryphon brought Alice back to the croquet ground.

The Knave of Hearts stood trial for stealing the Queen's tarts. The King of Hearts led the proceedings, and various witnesses approached the stand to give evidence. The Mad Hatter and the Cook both gave their testimony, but none of it made any sense. The White Rabbit, acting as a herald, called Alice to the witness stand. The King had gone nowhere with his line of questioning, but took encouragement when the White Rabbit provided new evidence in the form of a letter written by the Knave.

The letter turned out to be a poem, which the King interpreted as an admission of guilt on the part of the Knave. Alice believed the note to be nonsense and protested the King's interpretation. The Queen became furious with Alice and ordered her beheading, but Alice grew to a huge size and knocked over the Queen's army of playing cards.

All of a sudden, Alice found herself awake on her sister's lap, back at the riverbank. She told her sister about her dream and went inside for tea as her sister pondered Alice's adventures.

Alice was playing with a white kitten and a black kitten, the offsprings of Dinah, when she pondered what the world was like on the other side of a mirror's reflection. Climbing up on the fireplace mantel, she poked at the wall-hung mirror behind the fireplace and discovered, to her surprise, that she was able to step through it to an alternative world. In this reflected version of her own house, she found a book with looking-glass poetry, "Jabberwocky," whose reversed printing she can read only by holding it up to the mirror. She also observed that the chess pieces had come to life, though they remain small enough for her to pick up.

Upon leaving the house, she entered a sunny spring garden where the flowers had the power of human speech; they perceived Alice as being a "flower that can move about." Elsewhere in the garden, Alice met the Red Queen, who was now human-sized, and who impressed Alice with her ability to run at breathtaking speeds. This was a reference to the chess rule that queens were able to move any number of vacant squares at once, in any direction, which made them the most "agile" of pieces.

The Red Queen revealed to Alice that the entire countryside was laid out in squares, like a gigantic chessboard, and offered to make Alice a queen if she can move all the way to the eighth rank/row in a chess match, referencing to the chess rule of Promotion. Alice was placed in the second rank as one of the White Queen's pawns, and began her journey across the chessboard by boarding a train that literally jumped over the third row and directly into the fourth rank, thus acting on the rule that pawns can advance two spaces on their first move.

She then met the fat twin brothers Tweedledum and Tweedledee, whom she knew from the famous nursery rhyme. After reciting the long poem "The Walrus and the Carpenter," the Tweedles drew Alice's attention to the Red King - loudly snoring away under a nearby tree - and maliciously provoked her with idle philosophical banter that she existed only as an imaginary figure in the Red King's dreams. Finally, the brothers began acting out their nursery-rhyme by suiting up for battle, only to be frightened away by an enormous crow, as the nursery rhyme about them predicts.

Alice next met the White Queen, who was very absent-minded but boasted of her ability to remember future events before they happened. Alice and the White Queen advanced into the chessboard's fifth rank by crossing over a brook together, but at the very moment of the crossing, the Queen transformed into a talking Sheep in a small shop. Alice soon found herself struggling to handle the oars of a small rowboat, where the Sheep annoyed her with nonsensical shouting about "crabs" and "feathers." Unknown to Alice, these were standard terms in the jargon of rowing. Thus the Queen/Sheep was speaking in a perfectly logical and meaningful way.

After crossing yet another brook into the sixth rank, Alice immediately encountered Humpty Dumpty, who, besides celebrating his unbirthday, provided his own translation of the strange terms in "Jabberwocky." In the process, he introduced Alice to the concept of portmanteau words, before his inevitable fall.

"All the king's horses and all the king's men" came to Humpty Dumpty's assistance, and were accompanied by the White King, along with the Lion and the Unicorn, who again proceeded to act out a nursery rhyme by fighting with each other. In this chapter, the March Hare and Hatter of the first book made a brief re-appearance in the guise of "Anglo-Saxon messengers" called "Haigha" and "Hatta."

Upon leaving the Lion and Unicorn to their fight, Alice reached the seventh rank by crossing another brook into the forested territory of the Red Knight, who was intent on capturing the "white pawn" - who was Alice - until the White Knight came to her rescue. Escorting her through the forest towards the final brook-crossing, the Knight recited a long poem of his own composition called Haddocks' Eyes, and repeatedly fell off his horse. His clumsiness was a reference to the "eccentric" L-shaped movements of chess knights.

Bidding farewell to the White Knight, Alice stepped across the last brook, and was automatically crowned a queen, with the crown materializing abruptly on her head. She soon found herself in the company of both the White and Red Queens, who relentlessly confounded Alice by using word play to thwart her attempts at logical discussion. They then invited one another to a party that will be hosted by the newly crowned Alice - of which Alice herself had no prior knowledge. Alice arrived and sat herself at her own party, which quickly turned to a chaotic uproar. Alice finally grabbed the

Red Queen, believing her to be responsible for all the day's nonsense, and began shaking her violently with all her might. By "capturing" the Red Queen, Alice unknowingly put the Red King into checkmate, and was allowed to wake up.

Alice suddenly awoke in her armchair to find herself holding the black kitten, whom she deduced to have been the Red Queen all along, with the white kitten having been the White Queen. The story ended with Alice recalling the speculation of the Tweedle brothers, that everything may had, in fact, been a dream of the Red King, and that Alice might herself be no more than a figment of his imagination. One final poem was inserted by the author as a sort of epilogue which suggested that life itself was but a dream.

During a winter night on November 5, 1863, a fire was mysteriously started within the Liddell household. Before the event, Alice witnessed a figure entering the house that night. However, she convinced herself that she saw a centaur instead, and that the sounds coming from her sister's room had been Lizzie talking in her sleep when it really was the one who entered the house raping Lizzie. The figure (or centaur to Alice) locked Lizzie's room with her room key and fled the house. Alice did smell some smoke before she fully awakened but was too busy being immersed in her daydream, something which would later cause her psychological guilt.

With *Alice's Adventures in Wonderland* book on her lap while she was sleeping, Mad Hatter screamed in alarm when a fire broke out and the White Rabbit screamed that "[they] must save Alice!" Mad Hatter's cries roused Alice from her dream and she became fully awake by the smell of smoke. She quickly ran to her parent's bedroom where she heard their voices from behind the door telling her to escape and save herself.

Although seriously burnt, Alice managed to escape by jumping out of a window with her rabbit doll and cushioning herself on snow, led by her cat Dinah who also survived the fire. But her family were less fortunate, and Alice was forced to witness them incinerated within the fire that destroyed her home. As Alice cried outside her burning house, she saw the figure from earlier disappear in the shadows. Eventually, some people found Alice and escorted her away from the scene.

After Wilton J. Radcliffe identified the bodies at the Oxford Morgue, Lizzie's body was the only one not burnt by the flames. After an investigation, it was concluded that the fire was started due to the clumsiness of Dinah and a still-lit oil lamp in the downstairs library.

Alice was sent to Littlemore Infirmary to have her severe burns taken care of. It is implied that Alice's burns were severe first-degree burns, but not second-degree because Alice's dermis was unharmed. Alice was cared for by a surgeon named Dr. Grantham who lost his sanity and it is implied he accidentally killed himself.

The expectation for her recovery process was "not at all encouraging," according to the *The Illustrated London News*, and that the measurements for her coffin were already taken. At the same time, the rest of her family were "stored in an ice locker in the likelihood that the whole family will be expeditiously interred at the same time."

In early December 1863, a newspaper was published saying that Alice was "accused" of something, but doesn't go into detail. This may have been when Alice was accused of being involved with the house fire.

After a year of treatment, Alice's severe burns eventually became fully healed, however, the incident had left a huge impact on her mentality, and caused her to fall into a catatonic state. Her memories of the mysterious figure in her house were repressed.

On November 4, 1864, Alice was transferred to Rutledge Asylum in London under the care of Dr. Heironymous Q. Wilson, as it was the best solution to handle her symptoms. She would spend the next ten years under the care of Dr. Wilson, documented in his casebook. At her preliminary examination on November 11, 1864, Alice was presented as deaf, dumb, and blind to stimulation. Despite insensible passivity, preternatural quietness, and evident dementia, a course of treatment was prescribed.

During her time at the asylum, Alice had faced her own guilt and the mistreatment from other patients and the cruel caretakers at

Rutledge. At an unknown point in time, one nurse, Pris Witless, overheard Alice blaming herself for the fire that killed all of her family; Witless would later use this "confession" against Alice in the form of blackmail.

Alice was at the mercy of the 19th century Victorian medical community. In the first six months of 1865, Alice was subjected to many remedies, without result, such as having her hair shaved off, cold plaster sessions, blood-letting, leeches, experimental shocking, and massive doses of laudanum. In desperation, restraints included a straitjacket, solitary confinement, sensory deprivation, confiscation of her rabbit doll and cancellation of afternoon tea. All methods failed. In addition, it turns out that the original rabbit doll was somehow lost, presumably during Alice's stay in Littlemore Infirmary or her earlier years at Rutledge, and was given a replacement instead.

In the autumn of 1873, after eight years of fitful sleep, Alice spoke by drawing. Her first picture was of Cheshire Cat. Nurse D- took it upon herself to replace her rabbit doll's missing eye, but when Alice saw the repair job, she began to sob hysterically and began to speak for the first time in cryptic rhyme: "Into the hole again, we hurried along our way into a once-glorious garden now seeped in dark decay." Alice would not stop crying until the new eye was removed, and had returned to her quiet state after its removal. The event allowed Dr. Wilson to discover that Alice could speak. Since then, Alice continued to communicate by her drawings, one of which Wilson believed may have been her nightmarish depiction of Hell.

In November 1873, the Orderlies, who had been mistreating Alice for most of her first year in the asylum, tried ruining the rabbit toy by "feeding" it porridge. This triggered something in Alice and she attacked the orderlies with a spoon, leaving heavy wounds, before turning it onto her own wrists. After her wrists were attended, Alice returned to her normal state again.

In December 1873, Dr. Wilson removed the rabbit from Alice's room, causing her to panic and scream uncontrollably. However, after five months, Nurse D- grew tired of the doctor's fruitless shock treatments and repaired the doll before returning it to Alice. The nurse was repaid with a drawing of the White Rabbit made by Alice.

Throughout 1874, Alice slowly began showing signs of recovery and began speaking more. During Wilson's many interviews with Alice during her catatonia, he was able to record many of her supposedly "insane fairy tales" of Wonderland, while she was actually living them in her mind at the time.

One night in August 1874, the White Rabbit came to her, and led Alice back to Wonderland, which over the years had become corrupted by the deadly dictatorship of the Queen of Hearts. The residents of Wonderland saw Alice as their only chance to get rid of the Queen, due to the stories Rabbit told of a champion, placing into the role of their savior and began her journey to face the Queen.

After meeting the Cheshire Cat again, who became her guide through her quest, Alice followed Rabbit but quickly lost him as he shrunk into a tiny hole and ran off without her. Along her search to find him, the Torch Gnomes of the Village of the Doomed told her that the Fortress of Doors held the secret to becoming smaller, and she should seek the Mayor Elder.

Mayor Elder offered to take Alice to the Fortress of Doors, if she could return with a key to open doors. She managed to retrieve the object, killing several Card Guards in the process, and the two of them traveled to the Fortress. Inside the Skool within the Fortress, Alice and the Mayor retrieved ingredients and made a shrinking drinking the elixir about becoming small, Alice jumped into a portal which took her to the Vale of Tears.

Traveling through the valley looking for Rabbit again, Alice came across the Mock Turtle, unshelled and sobbing his eyes out. Although Turtle had not seen Rabbit, he said he would take Alice to the Caterpillar who knew everything, but first she had to retrieve his shell from the Duchess, who had tried to turn Turtle into soup. Downstream, Alice found Bill McGill, who had been kicked out of his own home by the Duchess, who was hiding out from the Queen.

After defeating the now-murderous Duchess in combat, and giving Turtle his shell back, he led her through the underground water tunnels to the Wonderland Woods. Alice finally found Rabbit in this area and the two went together to find Caterpillar. Unfortunately for them, the Mad Hatter was traveling through the woods and stomped on Rabbit, killing him. Blaming herself and her bad luck, Alice broke down into tears briefly but quickly got control of herself again when Cat reminded her of her task.

When she found Caterpillar, he told her that it was her own guilt and insanity that had turned Wonderland into a dark and twisted version of itself, and she was brought back to kill the Queen to save the land and herself. He then created a portal for her, which took her to the Fungiferous the forest, Alice killed the Voracious Centipede and took a bite from the Mushroom of Life to return to her normal size.

Traveling on, Alice came across an oracle who told her she had to defeat the Queen's main defense, the Jabberwock with the Jabberwock's Eye Staff. Having already obtained one piece of the staff, Alice set off to the Pale Realm to get another from the White chess pieces. The White King asked Alice for her help to save his queen from the red side and gave her a pawn to help her.

Storming the Red Castle, Alice arrived too late and witnessed the White Queen's beheading. However, after defeating the Red King, Alice used her pawn to revive the White Queen. As the White Queen went to battle the Red pieces, Hatter appeared and knocked Alice out cold.

When Alice came around, she found herself in Hatter's Domain, and she set off to find him. After getting rid of Hatter's goons, Tweedledum and Tweedledee, Hatter arrived and commented on that Alice feared the truth, and returning to Rutledge Asylum, but all of that could be avoided. Although Alice asked for an answer from him, she did not get one and the ground crumbled below her.

Alice quickly got to her feet, and moving further in, she encountered the Dormouse and March Hare, imprisoned and being experimented upon by the insane Hatter. As she could do nothing for them. Alice went deeper into Hatter's lair, and found the Gryphon trapped in one of the cages. After learning from him that Hatter arrived at six o'clock everyday to check his experiments, Alice used this information to change the clocks to read six o'clock, which drew him out to her.

After killing Hatter, and gaining the second piece of the Eye Staff, Alice allied with Gryphon and they flew together to the Land of Fire and found out that the oracle was actually Caterpillar, and he explained that when Alice answered Rabbit's call, she had began to recover from her madness, and only she can save herself and in turn Wonderland. Soon after, she faced the Jabberwock in battle, and although she did not manage to kill him, she did gain one of his eyes to complete the Eye Staff.

With Gryphon and some rebel troops, Alice stormed Queensland and the Queen's castle. During the battle, Alice witnessed Gryphon take on the Jabberwock alone, and be fatally injured in the process. In revenge, Alice killed the Jabberwock herself. Gryphon told Alice that because she defeated the Jabberwock, she already avenged Gryphon's (impending) death and encouraged Alice to fight the Red Queen. His final dying words to Alice were "Do your best, Alice; you can only do your best; you can always do… best." Alice took a moment to mourn his death and continued with her mission, infiltrating the Queen's as she was about to finally face the Queen, the Cheshire Cat tried to tell her that she and the Queen were one and the same, but was brutally beheaded by one of the Queen's tentacles before he could finish, causing Alice to be emotionally distressed.

After a long and deadly battle with the Queen, Alice came out as the winner, and Wonderland became a peaceful world once again, with many of her old friends revived from death. In the real world, as part of the aftermath of her victory, Alice's mental state had improved greatly.

In November 1874, Alice was deemed sane enough to be released from Rutledge. Although she was depressed, Alice was committed to the struggle for her sanity. During Alice's release from Rutledge Asylum, a black cat was seen leaving with her. Whether or not the cat was Dinah a decade older, or simply a feral cat Alice befriended in the asylum and chose to adopt, was not revealed.

After being released from Rutledge Asylum, one of her former carers, Nurse Pris Witless found Alice a home and a job at the Houndsditch Home for Wayward Youth, an orphanage for unfortunate children, in London. Even after a year of being out of the asylum in late 1875, Alice was still dealing with her tragic childhood memories along with serious survivor's guilt, and also began to suffer from auditory and visual hallucinations. While working at Houndsditch, Alice was attending hypnotic therapy with Dr. Angus Bumby. Bumby's mental treatment suppressed some parts of Alice's psyche, mostly those that pertains to Wonderland, which in turn caused her to suffer from frightening hallucinations of Wonderland.

One day, after her session with the doctor was over, Bumby sent Alice to pick up medicine at the pharmacist. On her way, Alice became side-tracked with following a stray cat. Upon entering a dark alley, she experienced a hallucination of several monstrous figures with Jabberwock heads surrounding her, until it was interrupted by Nurse Witless, who had found her wandering around. Alice was not very happy to see the old woman as Witless was using Alice's "confession" to blackmail her in order to get money to buy alcohol. In return, Witless would not report Alice's "confession" to the police. Alice was surprised to hear that Witless might have information about her missing rabbit toy. Witless then brought Alice to her rooftop, where Alice had another hallucination of Witless transforming into the Jabberwock. The fear Alice had from seeing Witless turn into a monster triggered an even greater mental breakdown, and Alice fell into Wonderland again.

Alice landed in the Vale of Tears, and found Wonderland appearing to be much more peaceful than when she was in Rutledge. However, greeted by her old friend Cheshire Cat, he told her that there was a new ruler in Wonderland and Alice's sanity was at risk once again. After traversing through the Vale of Tears and watching it fall apart around her, she entered Hatter's Domain again, and found the Hatter in pieces, after the March Hare and Dormouse turned against him and took over the factory. The Mad Hatter informed Alice about the changes Dormouse and March Hare made to the factory. Alice agreed to reconstruct him in exchange for information about the source of Wonderland's corruption.

After recovering his limbs, Alice and Hatter broke into the main hub of the factory, and Alice witnessed the sight of the Infernal Train leaving the factory and heading into Wonderland, which several Wonderlanders considered the cause of all the corruption. Upon the departure of the Train, Dormouse and the March Hare lifted the Hatter away with a giant hook and confronted Alice in a mechanical robot controlled by the both of them. However, the Hatter freed himself and dropped a teapot upon the battle robot causing it to fall apart and eject Dormouse and March Hare on to the floor in front of Alice. The Mad Hatter's factory began to fall apart around the him, Alice, and the corpses of Dormouse and March Hare.

The Mad Hatter suddenly slipped into a delusional state and began conversing with Dormouse and March Hare, claiming he only wanted another tea party. Alice urged Hatter to give more information about the Infernal Train, but the Hatter quickly turned down Alice's questions and returned to drinking tea with his dead friends. Alice pleaded with the Hatter only for him to be crushed by the debris of the collapsed roof of the factory. Alice scoffed, claiming he deserved to die from not keeping his end of the bargain by helping her and was quickly overwhelmed by a sea of tea and drowned.

Alice woke up in the real world to find two fishermen who pulled her out of the River Thames and onto the docks and planned on raping her, but she told them off. She navigated the docks to find Nan Sharpe, her former nanny, at the Mangled Mermaid, a whorehouse. Inside, she interrupted a possible assault between Nanny and Jack Splatter. Alice ordered Jack to leave Nan Sharpe alone but was knocked unconscious by him, triggering a return trip to Wonderland. Waking up in Tundraful, she met Mock Turtle again, the former stationmaster of the Looking Glass Railway and the current captain of the HMS Gryphon.

They both go underwater to the Deluded Depths, but when Alice questioned Turtle about the Train, he was unable to give her information, as he was too terrified to speak of it after being replaced as stationmaster. Mock Turtle gave Alice a ticket to the Carpenter's show, urging her to use it. Traversing the depths, Alice arrived at the Carpenter's show, and performed several errands for him in exchange information about the train.

However, Carpenter betrayed her and trapped her in a ghost-filled cemetery. Alice managed to make it for the start of the show, where Walrus started eating the Oyster Starlets and other citizens of Barrelbottom. Alice became angry with Carpenter for his actions, but he told her that he was only trying to hide Wonderland from the

Infernal Train. As the said train came crashing in, he implied that Alice was partially responsible for the train and that someone was misleading her. His last words of advice to Alice was to seek Caterpillar.

Alice woke up to find that Splatter had set the Mangled Mermaid on fire. Her nanny, unwilling to talk about the fire that killed the Liddell's, escorted Alice to Wilton J. Radcliffe, the Liddell family lawyer so she could ask him questions and collect her rabbit doll, but after Radcliffe voiced his suspicions regarding Alice's role in the fire, she had a psychotic break. Alice arrived in Wonderland in the abandoned house of Radcliffe. She exited the house and into the twisted and corruption Vale of Tears now called the Vale of Doom.

After traversing the disjointed Vale of Doom, Alice came to a small pool with a tiny mountain reaching out from the middle of it. Caterpillar surrounded her in smoke, shrinking her into Oriental Grove, the Caterpillar's domain. While going through the area and dispatching the vicious Wasps, she recovered a repressed memory: she remembered that Dinah was in her room with her on the night of the fire, and the only lit oil lamp in the house was upstairs serving as a hallway night-light, so it could not have been Dinah that started the fire. Upon reaching Caterpillar's temple, Caterpillar led her to the bottom of the temple where he was encased in a cocoon.

Alice was distressed about saving the world, doubting her ability when she cannot save herself. Caterpillar answered that by saving Wonderland meant she would also help herself. He also mentioned that the train was Alice's creation, and that she must seek out the Queen of Hearts, whom Caterpillar described as "someone she once knew and loved." The mountain began to crumble and shake as Caterpillar broke free of his cocoon and flew out of the mountain and into the sky as a butterfly. Alice was exposed to the blinding sunlight which beckoned her back to reality. She saw the fluttering silhouette of a butterfly on a window.

Alice woke up again, this time in gaol, where the police brought her in after she had a hysterical fit in the middle of the street. Upon leaving gaol, Alice quickly fell into another fit and entered Cardbridge, a land high in the sky of Wonderland consisting of numerous platforms made of playing cards which moved randomly.

After leaving Cardbridge, she descended from the sky to the rotting remains of Queensland. Cheshire Cat conversed with Alice about her triumph over the Queen and urged her to proceed forward.

She reached the entrance to the palace to find it blocked by the defeated White King. He informed her that after she left, the Queen took over and imprisoned him there. He also mentioned that destroying him will allow her to move forward. Before Alice killed him, the White King warned her of an "out-sized killer," revealed to be the Executioner, patrolling Queensland and discouraged Alice from fighting him. Soon after, Alice met the "out-sized killer" himself and escaped with her life. Cheshire appeared saying the Executioner did not normally chase after those who escape him but Alice was his only exception. Through her trek through Queensland, the Executioner found Alice and either tried to kill her or send her to different parts of Queensland.

However, while Alice made her way through the Red Queen's courtyard, she was pursued by the Executioner and found a cake labelled "Eat Me." Alice ate a slice and grew to enormous size to stomp on the Executioner, killing him. While looking for the Queen, Alice deduced that her older sister, who was found dead but unburnt, had not been killed by the fire, but had been killed by the real arsonist. However, she still did not know who the arsonist was. When she reached the center of the castle, the Queen angrily chastised Alice for allowing the train to run amok and not seeing what was around her. The Queen wrapped Alice in her tentacles and consumed her, sending her into a nightmare.

After seeing a vision of Dr. Wilson, and Nurse Cratchet, Alice went on a disturbing surreal walk through Rutledge and had been incarcerated there. However, it turned out to just be another nightmarish hallucination mixed with her memories of her time in the asylum. Alice entered the waiting room where Bumby, Nan Sharpe, Nurse Witless, and Mr. Radcliffe rumbled about Alice's resistance to forget from their point of view, declaring that she either conformed and forget or go back to Rutledge forever. Alice soon broke free of the hallucination and found herself in Hyde Park.

She encountered a mortally wounded Insane Child bleeding to death on the ground. She had been bisected, and the lower part of her body was unseen. With her dying breath, she implored Alice to help the other children. Alice stated that she did not think the children were in danger anymore as the Queen of Hearts had been defeated, which symbolized her failure to recognize and act upon the abuse happening to the orphans she lived with at Houndstitch. The little girl then told her that though their enemies come and go, a new evil reigns, worse than the conquered Queen. The child then died, leaving Alice to find a burning premonition of her home. Alice then proceeded into the Dollhouse.

Within the wasteland of abandoned toys, Alice met the Insane Children. Their leader asked for her help and offered a very cryptic explanation for what was going on, saying that "parts" of the children were being taken from them by the mastermind behind the Infernal Train and the Ruin monsters, the Dollmaker. However, the Insane Children were forced into hiding before they could explain further. After traveling through the Dollhouse, Alice came to realize that Bumby was the person in her house on the night of the fire. It was confirmed when she met the Dollmaker, who greatly resembled Bumby, and he essentially bragged about what he did. The Dollmaker captured Alice and made her into a doll. She was able to break free from his hold moments later.

Almost immediately after this confrontation, Alice, in reality, confronted Bumby at Moorgate Station. Alice called Bumby out on his actions, and for exploiting and abusing children and destroying their innocence, memories and identities for his own monetary gain. He bragged about his abuse towards the children placed in his care, making them forget everything and turning them into prostitutes. He casually confirmed her accusations, and admitted he was trying to break down Alice herself into a mindless sex slave too, but she proved too stubborn and too powerful, even in her insanity, to allow herself to forget.

At the same time, in Wonderland, Alice made her way through the Infernal Train, and along the way talked to Hatter, Caterpillar, and the Queen. The Hatter rumbled in delusion about Alice's quest for the truth and mentioned in a very roundabout way that forcing herself to forget was not her solution but the source of her confusion. Next, Alice confronted Caterpillar, who said that because

Alice was so consumed by her own pain, she became oblivious of Bumby's motives with the children, and that she perhaps deserves punishment for not realizing this before. She also talked to the Queen, who told her that her sister was not talking in her sleep the night of the fire, making Alice realize that Bumby, who was obsessed with Lizzie, had raped her before starting the fire. The Queen told her to make her survival of the fire mean something or Wonderland and herself would all be doomed. At the end of the Infernal Train, Alice confronted the Dollmaker.

After Alice destroyed the Dollmaker, she finally stood up to Bumby in the real world and threatened to tell the police about his crimes. Bumby was not scared of her words as he knew that no one would believe a poor madwoman over such a respected man like himself, and he implies that he already covered up his tracks by destroying all evidence and traces of his crimes. Bumby simply called her a "psychotic silly bitch" and told her to go away. Alice felt so much animosity and hatred towards Bumby, and was looking at the source of her family's deaths, the one responsible for stealing 10 years of life and putting her in mental hell, and abusing children. Knowing that Bumby would unlikely be convicted and that she may never have another chance to seek revenge, Alice made a choice. As she was about to leave, Alice hesitated and, in her Wonderland dress, turned back and pushed him in front of an oncoming train, killing him.

As she exited the station, Alice walked into Londerland, where Wonderland and London had woven into one existence. Cat told her that she cannot go home as she freed herself from the pain and suffering in reality and psychological worlds she was forced to call her home. While much devastation had fallen onto Wonderland, her memory was safe for now.

When asked about what happened and what this ending means, American McGee clarified that that ending means that Alice is in a better place - not in the asylum and not otherwise in pain, suffering or tortured. It also means that she has come to accept and master both her psychological mental world and the real physical world. However, McGee also clarified this ending means that Alice can't ever "go home" and live her life that way she used to as life moves forward. She has also found the truth and overcome her demons.

When she was done everyone that hadn't heard about it was horrified!

Megan Kiraton: Oh my god.

Fiona Hernandez: That is awful!

Marie Hernandez: Yeah.

Eye Five: Can you believe it took Luan the second try to make a train related joke to his death?

Luan: Yeah that was awful though.

Nico: I wasn't with you guys when it all went down. Can you tell me all about it?

Me: Sure. It was back when I was letting Laney play one of my video games.

FLASHBACK - Chapter 373

It starts with me and Laney in the Living Room. Laney is playing one of my favorite video games: Alice, Madness Returns.

Laney: This is an interesting game J.D.

Me: It sure is. This game according to psychologists gives us a clear view of what a fractured mind looks like. So I figured that you could play it because you want to learn about Forensic and Criminal Psychology through this.

Laney: That's true.

Hours later as Laney was playing we got to the ending and we saw Alice push Dr. Bumby into the path of an oncoming train. Killing him instantly and she avenged the deaths of her family that was senselessly killed by him. Lincoln, Paige and Lily were with us.

Me: That's what gave me a sense of justice knowing that he will never hurt anyone ever again.

Laney: You said it J.D. I would rank Dr. Angus Bumby at Level 17 on the Scale of Evil.

Me: Same here. I can't believe that he would kill Alice's entire family in cold blood like that.

Lincoln: Me neither. That guy was a monster and he got what was coming to him.

Paige: You said it Linky.

Me: Not only that but he tried to destroy her mind and make her forget everything that happened to her.

Laney: Yeah. And this game takes place in the Victorian Era.

Lincoln: Yeah it does. What year J.D.?

Me: It said it takes place in the winter of 1875 in 19th Century England. 143 years ago.

Paige: That's a long time.

Laney: It sure is and Psychology was still in its infancy back then.

Me: Yeah. It wasn't made an official medical practice until 1879.

Paige: Poor Alice. How old is she?

Me: She's 19 in this game. If this happened today and he was arrested he would get an automatic sentence of life in prison with a minimum tariff of 20 years. But because of the severity of his crimes he would be given a whole life order.

Lincoln: What's that?

Me: It's England's version of Life In Prison Without Parole. There are 75 people serving Whole Life Orders in England and in Wales today.

Paige: That's not very many compared to the number of prisoners we have here.

Me: I know.

Laney: Maybe we can help Alice get justice for her family.

Me: That's a great idea. Lets head to the Simulator.

Me, Varie, Rachel, Vince, Lincoln, Paige and Laney were in the Simulator. Lori, Luna, Sam, Becky, Girl Jordan, Shannon, Penny L., Marie K.L., Lisa and Lily were in the control room.

The Simulator activated and we found ourselves in Victorian England in the year 1875. We had our coats on and we saw Alice head out after Doctor Bumby.

Me: There she goes. Come on.

We went after Alice and saw her go down into the subway and she confronted Dr. Angus Bumby.

Alice: (British Accent) You oozing sore of depravity! Children wearing their names around their necks as if they're breeding livestock!

Dr. Bumby: A declaration of their pedigree. You could use one. They're proud to display their prominence. (Cackles)

Alice: You brute! They can't remember who they are or where they're from. How many minds have you twisted into forgetfulness?

Dr. Bumby: Not enough. Yours would've been a triumph. Still, you're an insane wreck. My work is done.

Me: (Offscreen) Your work has been destroyed.

We arrived on the scene. We come down the stairs and stood ready with Alice.

Me: It's over Bumby. Your days of twisting minds to the point of insanity and forgetfulness are over forever.

Dr. Bumby: Who are you?

Me: We are Alice Liddell's angels of justice and we're here to make sure that you pay for the crimes you committed against Alice's family in full.

Lincoln: You're crimes are completely unforgivable!

Laney: You murdered everyone in her family but her in cold blood!

Alice: That's right. You've used me and abused me but you will not destroy me!

Rachel: You tried to destroy her mind and make her into a mindless husk!

Dr. Bumby: And I would do so again. People that are psychotic and delusional need to forget the past and the future.

Me: MONSTER!

Varie: You don't have any idea how wrong you are you madman!

Laney: Without memories of the past we can never learn from the past to move on towards the future.

Alice: That's right. You've corrupted my memories, but you failed to make me forget!

Me: You killed everyone in Alice's family but her in cold blood by burning them alive and that is something that will never be tolerated. You are the true madman and people like you deserve to be forever damned into the Darkness of Hell.

Dr. Bumby: I don't think so. Now leave. My train is coming.

Lincoln: You're not going anywhere.

Me: The only place you are going is the Darkness of Hell burning for all eternity.

Alice walked up to Bumby and swiped the key that belonged to her sister.

Me: It's over Bumby. You're finished!

We spread our wings and Dr. Bumby was shocked by what he saw.

Me: Your fate has been decided: Everlasting Damnation for your sins.

I take my sword and slash him in half right down the middle and killed him instantly.

Me: Go to Hell, Bumby. And stay there.

Alice: Thank you all so much for helping me.

Me: You're welcome Alice. What Bumby did to you was completely unforgivable and he should've never been a doctor to begin with.

Varie: That's right.

Alice: Yes.

Me: Oh I'm sorry Alice we never introduced ourselves. My name is J.D. Knudson.

Varie: I'm Varie Knudson, J.D.'s fiancé.

Rachel: I'm Rachel San Diego, another one of J.D.'s fiancé's.

Vince: I'm Vince Pusateri, J.D.'s partner.

Lincoln: I'm Lincoln Loud.

Paige: My name is Paige.

Laney: And I'm Laney Loud, Lincoln's little sister.

Alice: Pleasure to meet all of you.

Me: Same here. This may seem weird, but we're not from this time. We're actually from the 21st Century, 143 years into the future.

Alice: (Gasp) Oh my.

Me: It's shocking I know. But we're very sorry about what happened to your family.

Alice: I know.

Laney: What Dr. Bumby did makes him one of the worst ever scum of the earth.

Lincoln: He deserved to die for his crimes.

Alice: Yeah.

Me: Alice, Dr. Bumby may have stolen your childhood from you, but you can't keep your pain bottled up forever. It's not right. You have to let it out.

Alice began to realize that I was right and that she needs to let her sadness and guilt out.

Alice: (Voice breaking) I miss my family and he took them away from me! (Crying) That monster!

Alice broke down crying and I comforted her.

Me: It's all right Alice. Just let it all out. Let it all out.

Lincoln burned Dr. Bumby's body with his Firebending and it was reduced to ashes in an instant.

Lincoln: Never again Bumby.

The scars left by Dr. Bumby will never heal and his wounds will take time to heal.

Alice then decided to go with us to the 21st century to put her traumatic past behind her. Nicole sealed Bumby's evil spirit into the Book of Vile Darkness for all eternity.

We left the Simulator and she was sitting with us at the table. We revealed everything that happened to her and everyone was horrified at what she had to endure.

Luna: That's so awful Alice.

Sam: Yeah. It sure was.

Kate: I'm so sorry about everything you went through Alice. We'll do everything we can in our power to help you.

Alice: Thank you. All of you.

Me: You're welcome Alice.

FLASHBACK ENDS

Me: And there you have it.

Nico: Wow! That is crazy!

Eli: Yeah no kidding! That was awful!

Me: Yeah she had 10 years of her life stolen from her and her family too.

Astrotrain: The second time, I was the train who killed him.

Dr. Polaris: You don't use that form often.

Astrotrain: I know.

Nico: That was awesome and cool.

Laney: Yeah it sure was.

Lana: That Dr. Bumby had it coming.

Violet Baudelaire: He sure did.

Lana: Yeah.

Sheep Creep baaed in sympathy.

Laney: Yeah no kidding.

Fluttershy: That was awful.

Lola: Yeah.

Nico: No kidding.

Klaus: Yeah.

Eli then sensed something.

Eli: Uh oh. It's Olaf. He's on the move and he is heading this way.

Nico: He's coming to us. Then we have to be ready for him.

Felix Faust: I'll use my magic to delay him.

Nico: That will give us plenty of time to finish up talking before we do the entrance.

Felix Faust: Okay.

He used his magic and entombed him in a stone statue.

Donna Diego: Violet, your family's about to be avenged.

Scream: That's right and we wont let that monster Olaf get away with everything he did.

Me: So many lives have been destroyed by Olaf.

Girl Jordan: That's right. He will pay for his crimes.

Nico: Yeah.

Toiletnator: I'm gonna enjoy flushing his corpse down the drain!

Nico: After we burn him into ashes.

Me: This is gonna be good.

Eli: Yeah it is!

Laney: Yeah!

Twilight Sparkle: He messed with the wrong people.

Violet Baudelaire: You got that right.

Kitten: Time for our entrance!

Me: Lets go!

Felix Faust: And I'll unfreeze him.

He went and did so.

We went down to the park on the surface.

Then Olaf was looking around and then the spirits of the symbols of Male and Female were swirling around him and then they converged and then a massive spiral of leaves of flowers appeared around him and then fairies came and they sang and then in a flash of magic we came out.

Nico: Count Olaf. Nice to see you again. Not.

Laney: Yeah! You are going to pay for your crimes!

Nico: We'll decide how this story ends!

Olaf: (laughs) You really expect me to believe that?

Nico: (in realization) Actually, no. It just came out.

Me: Saber reference. Touma would be proud.

Mortal Kombat Scorpion: Get over here!

He fired his tentacle and grabbed him and pulled him over and then I punched him in the face and smashed him down!

Box Ghost: And he won't be the last.

Me: Nope.

Ghost: (to Nico) Nice job recruting Dr. Evil for us.

Nico: That was so awesome though.

Gearhead: Shame you didn't meet Austin Powers.

Me: I know that would have been awesome and funny! He always cracked us up for years.

Gearhead: I know! Love Austin Powers. He was funny and awesome.

?: Yeah he was!

A figure came out and it was CRUMUMMY from episode 17 of Lost Galaxy!

---

When Trakeena inquired who the "most beautiful girl in Galaxy" was, he replied in the affirmative that she and several other women and girls on the Terra Venture were. Unsatisfied with the answer, she forced him out of the mirror and demanded that he go and "steal" the beauty from the women on the colony.

Crumummy did as he was commanded and wrapped his bandages around the first two women he came upon and stole their beauty, rendering them unconscious and leaving yellow and purple stripe-marks on their faces. He attacked two more women before being chased off by the Galaxy Rangers. When Trakeena became frustrated at the pace Crumummy was going, she came down to the Terra Venture herself and wooed the men with her beauty as Tracy. She befriended Mike (with the intent to poison him) and managed to swoon Leo, Damon and Kai with her charms when Crumummy reappeared to attack Maya and Kendrix.

He managed to succeed in robbing Maya and Kendrix of their beauty and initially planned to steal Trakeena's beauty as well before she made him aware of her identity. He kept the beauty in the form of sparkling dust in a glass jar and prepared to give it to Trakeena when Mike destroyed it and threw poison drink intended to kill him on Crumummy. Her plans foiled, Trakeena ordered Crumummy destroy the Rangers and the Magna Defender before departing. Crumummy failed and later grew giant, but despite his efforts, he was destroyed by the Galaxy Megazord.

---

Kendrix: Crumummy!

Crumummy: Been a while rangers.

Me: I remember you! You were sent to steal the beauty from all the women on the colony to make Trakeena the most beautiful ever! BLECH! More like the most ugliest bitch ever.

Crumummy: Yeah you got that right. And good memory there.

Me: Thanks.

Crumummy: By the way, the World Monsters are now able to exist without their respective Worlds being captive.

Nico: Cool!

Laney: This is gonna be awesome facing them in the usual battles.

We got the usual battles underway.

## Ariel, Eli, Sunset Shimmer, Pipsqueak, Fire Skylanders, Melody, Papillon and Randy Boggs VS Ghost - Meeting a Gene-Slammer for D/D Ghost

---

Ghost was next.

Ghost: (to Ariel) I heard you guys met a Gene-Slammer for D/D Ghost. What's her name?

Ariel: Her name is Julia Kepler.

Eli: And she is a direct descendant of world famous 16th Century Astrophysicist Johannes Kepler.

Ghost: That is cool! He lead to one of the foundations of universal gravitation and created the laws of planetary motion.

Eli: That's right and Julia is really cool too.

Sunset Shimmer: Yeah that was awesome.

Pipsqueak: (British Accent) I think it's really amazing. She is an amazing guardian angel.

---

Julia Kepler: Whoa, I was right that Lincoln has really grown to be a 17-year-old permanently 7'5" tall, really big, and really strong man, just look at those abnormally massive and powerful upper and lower body muscles and his eight-pack abs hard at work, and working out with those 9,500-lb barbells and he's not even get tired, incredible.

Lincoln: Yep, and I've also trained a lot under some very powerful teachers, J.D. and Nico included, Julia, and now, I can also defend myself, and in addition to getting stronger, I've also gotten smarter as well.

Julia Kepler: That's incredible.

Nico: It sure is. So, Julia, how did you stop Lori from trying to destroying Lincoln's project, along with killing him to get revenge on him for destroying her room by accident and she was also going to kill the entirety of her family?

Julia Kepler: That's something that I still remember even after all those years. One day, I was helping Lincoln with an amazing astronomy project on one of the farthest known galaxies in the universe named GN-Z11 became like that at 32 billion lightyears away. But, Lincoln heard the ground shaking like crazy, and then, we saw who it was that caused the ground to shake like crazy: it was Lori, and she was pissed off badly. I sensed that she was going to destroy our project, along with kill Lincoln and the entire Loud Family, but I wasn't going to let her. I used telekinesis, and lifted Lori up and I tied her up to a chair in nylon rope, and she went on a full-blown tirade of rage and blamed Lincoln for destroying her room. I knew Lincoln wouldn't do anything that intentional, so we went to Lisa's room and we looked at the footage from hours earlier, I saw that Lynn stole one of Lincoln's comics and he ran after her while she was laughing like the bully that she is, and they ran into Lori's room, and he tried to get it back from Lynn, but Lynn kept knocking and destroying every object in Lori's room, and she let go of the comic and she left the room saying that Lincoln's going to get killed by Lori, and she walked off laughing like the bitch she is. Mr. and Mrs. Loud knew Lincoln wouldn't do something like this intentionally, and the one who started this was Lynn. They were going to punish her later, but first, they had to deal with Lori, and she refused to apologize to Lincoln: so she got the worst kind of punishment the parents can even muster: she was sent to Aunt Ruth's for two years with nothing to eat but moldy pudding.

We gasped in shock at the extent of the punishment Lynn Sr. and Rita could muster.

Nico: Oh my Lord!

Me: Damn, two years at Aunt Ruth's with nothing to eat but moldy pudding?! TRIPLE YUCK YUCK!

Eli: Blech!

Lincoln: Yeah, it was the most brutal punishment Mom and Dad could ever give Lori, and as for Lynn, for starting this whole mess by stealing my comic book and laughing at me like that, Mom and Dad grounded Lynn for nine months, and she was forced to repaint and restore Lori's room, along with replacing her items.

Leni: And we kept an eye on Lynn, so she couldn't escape from her punishment, because if she dared to escape from her punishment, she'd get grounded for another two months.

Luna: And during her nine-month punishment, she lost her sports privileges for that time, dude. It's not pretty.

Lola: Yeah, and Lynn was really furious that she got caught, and Lincoln's alive and not killed by Lori. But, Lincoln wasn't talking to Lynn and Lori during the time of their punishments, and that was quite a brutal silent treatment.

Lana: Yeah, but Lynn and Lori both got their just desserts in the end.

Laney: And when Lori came back two years later, she broke down and cried and apologized to Lincoln for trying to destroy his project and kill him and the entire family. Lincoln accepted and they hugged, and we also joined in.

FLASHBACK ENDS

Connie Jackelstein: I should've known there's no mistaking that chalkboard screech from anywhere. You can come out now, Ianira Dormund.

An inverted pentagram with Necrom on top of it drawn in blood red infernal energy appeared in the skies, and then, a mist of darkness came out and as it landed, the mist of darkness faded revealing a 17-year-old girl with long black hair, pale skin, red eyes, and a deranged sadistic grin on her face, and dressed in a black long-sleeved dress, black long-sleeved coat, black pants, and black heels. It was Ianira Dormund, a dangerous witch and another member of The Church of Necrom.

Suddenly, Connie Jackelstein's blue eyes turned neon blue, and she was surrounded by a cobalt blue energy aura with darkness, demons, dark magic, and cobalt blue flames, she unholstered her massive Cobal, Excevator of Dark World-themed sword from her back, and as she approached Ianira Dormund, she left cobalt blue energy, demons, darkness, dark magic, and cobalt blue flames with every step.

Connie Jackelstein: You just don't even know when to quit, do you? We've beaten you down so many times and in those many times, you fled with your tail between your legs and howling like a wounded animal. That's it, I've had it up to hear with you, Ianira Dormund, and now, I'll see to it that you'll pay for the crimes that you've committed long ago.

Suddenly, Connie Jackelstein was then surrounded by a massive vortex of cobalt blue energy with darkness, demons, cobalt blue flames, and dark magic surrounding it, there's Cobal, Excavator of Dark World flying around the vortex, and inside the vortex is a blue phoenix. Then, as the vortex faded, Connie Jackelstein emerged, but she was changed forever.

Connie Jackelstein has on a Ring of The Phoenix with cobalt blue gem and heart shaped gem embedded in it on her right ring finger and a Star Sapphire ring on her left ring finger.

Suddenly, Connie Jackelstein's massive Cobal, Excavator of Dark World-themed sword was suddenly surrounded by a kaleidoscope of dark blue energy, darkness, and cobalt blue flames, and as it finally emerged, it was transformed into Cobal, Excavator of Dark World's Demon Sword of Darkness Cobalt Justice, it's a brand-new greatsword with Cobal, Excavator of Dark World etched on the 7'0" massive, wide, double-edged cobalt blue blade, large cobalt blue angel wings for the crossguard, large cobalt blue gem embedded in the rainguard, longer black handle, and a large cobalt blue gem with black angel wings surrounding it for the pommel, she has on her new large gold cuff Bracelets of the Champions of The Universe with cobalt blue gems on her wrists, gold Belt of Elemental Bravery with a gold version of Cobal, Excavator of Dark World's head with cobalt blue gems for eyes and a large cobalt blue gem in its open mouth for the belt buckle, large Destroyer of The Church of Necrom grimoire and rainbow-colored leather and gold metal bound Elemental Spellbook of Harmonious Justice, Eternal Harmony, and Equestrian Peace on her left hip and Eater of Sins revolver holstered on her right hip. There's a blue kanji below Cobal, Excavator of Dark World that said, "Connie Jackelstein, Loving Daughter of Mr. and Mrs. Jackelstein and Loving Older Sister of Emily Jackelstein, Gene-Slammer of Cobal, Excavator of Dark World, Powerful Member of the Dark World Goth Girls, Powerful Master of The Dark Arts and The Occult, Dear Friend of Nicholette Torrington, Giselle Harrington, Scarlet Rosenburg, Silvia Excelsior, Renee Ravenclaw, Helena Hufflepuff, Elizabeth Gryffindor, Selene Slytherin, Zennia Nikolaevna, Jackie Wren, Laniya Guillermo, Camie Nicholetta, Bertha Sellington, Chloe Terryington, Rhonda Jekyll, Celine Wendova, and Clara St. Clarice, Loving Future Wife and Guardian Angel of Lincoln Loud, Dear Friend of Lori Loud, Thrasher of Scott, Destroyer of The Church of Necrom, Slayer of Evil, Deranged, Murderous, Ruthless, and Sadistic Bastards, Amazing and Powerful Student of Amazing and Powerful Teachers, and

Master of Darkness, Demons, and Cobalt Blue Flames" Connie Jackelstein has transformed into SUPER ANGEL ETERNITY INFINITY DARKNESS COBALT BLUE FIRESTORM DEMON ANGEL OF DARK JUSTICE AND DARK EXCAVATOR LOVE!

We were amazed by Connie Jackelstein's Super Angel Eternity Infinity transformation, and when Lincoln saw her, he had an atomic red blush on his face and hearts in his eyes. But, when Ianira Dormund saw it, she went bonkers and fired a blast of darkness to kill her, but Connie Jackelstein fired a powerful blast of cobalt blue energy with darkness, demons, dark magic, and cobalt blue flames, and it hit Jezebel Lanira and sent that insane witch crashing back first into a wall.

Nicholette Torrington: Holy crap, now Connie Jackelstein's transformed into her Super Angel Eternity Infinity form, that's so awesome!

Nico: That's right, Nicholette, and she sent that crazy witch, Ianira Dormund, crashing back first into a wall, and really pissed her off even more.

Me: This is going to be so good.

Lincoln: Wow, Connie, you look beautiful. How do you feel?

Connie Jackelstein: (Divine Echoing Cosmic Voice of the Cobalt Demon and Dark Divine Love) **I feel incredible, Linky. Now then, shall we deliver Ianira Dormund her rightful punishment?**

Lincoln: (Smiles) With pleasure, Connie.

Lincoln unholstered his massive Hinon's Cosmic Storm Sword of Universal Hope, Elemental Bravery, and Unbreakable Eternal Bonds from his wider and muscular back, and transformed into Super Angel-Ebonwu-Thunderbird Eternity Infinity Elemental Thunderbird Buffalo Angel of Universal Justice and Elemental Hope and he joined Connie Jackelstein.

Lincoln: (Divine Echoing Cosmic Elemental Voice of Universal Justice and Elemental Hope) **Your days of causing mayhem and**

**chaos in the name of Damian Alaister and The Church of Necrom are finally over, Ianira Dormund.**

Connie Jackelstein and Lincoln went after Ianira Dormund, who continued firing blasts of darkness at them, but they dodged them all, and they fired powerful blasts of rainbow energy, cobalt blue energy, dark magic, Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, Magic, rainbow flames, rainbow crystals, Buffalo, Thunderbirds, Phoenixes, Angels, and Demons at Ianira Dormund, and they exploded with incredible power as they hit the crazy witch, and she became even more pissed off big time.

Ianira Dormund: Arise from the Infernal Molten Lava, Lava Demons!

Ianira Dormund summoned a really massive army of Lava Demons to attack them, but Lincoln fired red energy beams, and as they hit the Lava Demons, Lincoln sucked out all the lava that served as the life force of the Lava Demons and devoured the lava, and as he gained a massive power boost from devouring the lava, they disintegrated and vanished back into darkness, and that pissed Ianira Dormund even more. But before she could attack, Lincoln attacked Ianira Dormund with his massive Hinon's Cosmic Storm Sword of Universal Hope, Elemental Bravery, and Unbreakable Eternal Bonds and left painful scars on her, and Connie Jackelstein attacked Ianira Dormund with her brand-new massive Cobal, Excavator of Dark World's Cobalt Demon Sword of Dark Justice and left even more painful scars on her.

Connie Jackelstein: **Linky, shall we do the honors in putting Ianira Dormund in her place?**

Lincoln: **Ladies first, Connie.**

Connie Jackelstein: **Such a gentleman.**

Connie Jackelstein and Lincoln formed massive red energy balls in the palms of their hands, and they condense them to the size of their bodies, and they aimed them at Ianira Dormund, who ran at them with murder and insane rage in her eyes.

Connie Jackelstein and Lincoln: **VOX PENICULUS POWER ABSORPTION KARMA BLAST!**

Connie Jackelstein and Lincoln fired the massive red energy balls, which transformed into red energy beams, and as the two red energy beams hit Ianira Dormund, Lincoln and Connie Jackelstein began absorbing all of Ianira Dormund's dark powers and dark magic, and Lincoln's rainbow energy aura with Thunderbirds, Phoenixes, Angels, Buffalo, and Elemental Forces flared up, and he was gaining a really massive power and energy boost to his infinite power and energy, and the same thing happens to Connie Jackelstein as her cobalt blue energy aura with darkness, demons, dark magic, and cobalt blue flames flared up and she was really massive power and energy boost to her infinite power and energy. When Connie Jackelstein and Lincoln were done, Ianira Dormund was rendered completely powerless and completely drained of her powers.

Ianira Dormund: What did you do to me?!

Lincoln: (Divine Echoing Cosmic Elemental Voice of Universal Justice and Elemental Hope) **We sucked out and absorbed all of your dark powers, abilities, and dark magic, and now, you're powerless, Ianira.**

Connie Jackelstein: (Divine Echoing Cosmic Voice of the Cobalt Demon and Dark Divine Love) **And now, you're finished.**

Connie Jackelstein opened her Destroyer of the Church of Necrom grimoire, and she found the page and she fired a blast of darkness, and as it hit Ianira Dormund, the now powerless and insane witch of The Church of Necrom was imprisoned inside of a black tarot card with Cobal, Excavator of Dark World on the back of the black tarot card with shadows of darkness, demons, dark magic, and cobalt blue flames, and she put the tarot card with Ianira Dormund imprisoned inside the black tarot card box with the symbols of the Dark World Duel Monsters on top, where Jocasta Belladonna and Jezebel Lanira were put into. We cheer wildly for what Connie Jackelstein and Lincoln as they holster their massive swords and powered down, and Connie Jackelstein's new body, clothes, weapons, jewelry, and massive dark blue angel wings are

permanent.

Connie Jackelstein: Gotcha, bitch! Thank you for helping me take down Ianira Dormund, Linky.

Lincoln: (Smiles Warmly) You're welcome, Connie. (Seductively) And of course, there's still the very matter of what you did after we got back from Gelato Beach.

Connie Jackelstein: (Seductively) Oh, and I know what that is, Linky.

Suddenly, Connie Jackelstein wrapped her arms around Lincoln's waist, and it brought an atomic blush to Lincoln's face, as he wrapped his abnormally massive and powerful muscular arms around her waist and he brought her into an embrace, which took her by surprise and brought an atomic red blush to her face. Then, as Lincoln leans down to Connie Jackelstein's face, they kissed passionately as Connie Jackelstein wrapped her left arm around Lincoln's thick muscular neck, and she placed her right hand on Lincoln's massive and wide muscular right pec, and behind them was a Thunderbird, Phoenix, Angel, and Cobal, Excavator of Dark World flying in the air, and we also saw a herd of Buffalo running across the field, along with elemental forces and creatures of the night flying around the place and we cheered for them.

Nico: Hah, that's another Church of Necrom asshole put down, and fifteen more to go.

Me: That's right, Nico.

Connie Jackelstein: Which means the next Church of Necrom member to show their face tomorrow is Edana Baudelaire.

Lincoln: That's right, Connie, and Rhonda and I are going to put a stop to that witch.

Rhonda Jekyll: That's right, Linky. And we'll make that insane witch pay for what she's done.

Paige: And Connie learned what happened when she acts seductively around Linky.

Lily the Mermaid: Yep, it ends with what we just saw: a passionate, super-charged, sizzling hot kiss.

Lincoln: (Seductively) And she's not the only girl in my harem who also gets a passionate, super-charged, sizzling hot kiss when we get back to our room.

The girls in Lincoln's harem had a deep blush and smiles on their faces when Lincoln said that, and that meant Lincoln's moving the girls into his room, and they'll be permanent roommates with him.

Violet Baudelaire: (To the viewers) Now we have seen the last of Olaf and my family has been avenged and we stopped him from killing all the rich people in the world and stealing all their money. He is now a forgotten memory.

Nico: Yes he is.

Me: Yep.

Nico: But great job today everyone. Olaf is done for. Lets head home.

We went home and enjoyed the rest of the day and we later went to sleep.

Another awesome fanfic done.

Lemony Snicket's A Series of Unfortunate Events was a really awesome movie and a book series and it was really cool too. Jim Carrey did a great job as the evil and malevolent greedy Count Olaf and that monster got what he deserved. What he did was unforgivable and he made the Baudelaires all orphans. What a jerk! And it was all for money! WHAT A HEARTLESS MONSTER! The first part of the chapter for my dream rescue was for a dream based on Lori's dream she had in the battle with Nocturn the Ghost of Sleep. That was really cute. The second part for Nico's rescue is for a planet made of Pork Butts and Taters and that was a really awesome and funny world and it was cool! We also met the iconic villain of Austin Powers named Dr. Evil and that was awesome and cool! Mike Myers did a great job as him and Austin Powers for 23 years and counting. Those movies always make me laugh. The third part was for a planet made of hot dogs and we took down the evil Scarecrow. He had it coming. NicoChan11, JediAvatarOfShinobi, Omegahatchiyak12, XP4Universe, Darkhai, vinjedi1995, Drako1234658, Nflemingful, EtstheClarenceandTLHfan and ninjakingofhearts gave me the ideas for this and so did the guest reviewer. Thanks Guys. My next dream rescue is gonna be a cool one as me and Natilee go into an awesome dream and we're going to see the battle with Dagon. The malevolent Extradimensional Monster that Sir George defeated over 1700 years ago and we're going have him join the team and we're going to meet a Sunlight Fairy named Laynia and she is a fairy of light. The next rescue for Nico is going to be an awesome one as Nico, Qin, Zenkaigers, Chloe Bourgeois, Rita Loud, The Goths of Darkness, Applejack, Apple Bloom, Twilight Sparkle & Friends, Rachel Stavenport, Carol Pusateri, May, Maria, Varie, me, Eli, Arrietty, Aylene Carter, Gabrielle, Littlefoot and friends, Fu, Nicole Knudson, Kaina Tsutsumi, Camie, Kaoruko Awata, Himiko, Ibara, Toru, Sirius, Tsuyu, Ochaco, Momo, Lincoln, Laney, Lana, Lola, Lisa and Lily are going to Crunchum Hall Elementary School and we're going to battle Ms. Agatha Trunchbell and we're going to make that monster pay for her crimes in full. We're also going to meet a gene-slammer named Irina Wendolva. Irina Wendolva is Nico's friend from Gym Class and she is amazingly athletic and is an awesome gymnastics star. She is also a Botanelastician gene-slammer. That's Stretcheleo's Species. Next for Lincoln's rescue we're going to see a planet that Ed is going to love and it will be a planet made entirely of Mashed Potatoes and Gravy! The rivers, lakes, waterfalls and streams and oceans are gonna be made of different kinds of gravy! Ed is going to in heaven. Then Lincoln and his group are going to face off against Lord Shen, who's been brought back from the dead by Edana Baudelaire, and he still wants revenge on Paige for killing him long ago. Paige is going to transform against him and we're going to also meet a gene-slammer for Malina, Princess of Sunflowers named Nathalia Thep Mahanakhon Amon Rattanakosin Mahinthara Ayuthaya Mahadilok Phop Noppharat Ratchathani Burirom Udomratchaniwet Mahasathan Amon Piman Awatan Sathit Sakkathattiya Witsanukam

Prasit. WOOWEE! That is a REALLY Long name! We'll call her Nathalia Prasit and she is from Thailand and she is one of Lincoln's Guardian Angels and she has a really horrible history with Scoots, Flip, Chandler and Flip and every time that Chandler called Lincoln a name she would punch his brains out and every time that Scoots called Lynn Emu Legs, she would punch her brains out big time. She gave those people that criticized the Louds like in that episode Taunting Hour a massive piece of her mind and her flashback in the exercise scene will take place after that episode. Not only that but she gave Scoots an incredibly massive beatdown that left EVERY SINGLE BONE in her body broken after she was sent to the nuthouse. The next chapter is going to be for the movie HOWARD THE DUCK! Get ready for a superhero adventure that QUACKS You up as we meet the awesome hero Howard The Duck and we're going to face Princess Python and we're going to have her join the Master of Evil after we defeat her. The next member of the Church of Nekrom will be Edana Baudelaire and we're going to have it be this: Rhonda Jekyll VS. Edana Baudelaire

See you all tomorrow!

# DUCKS VS PYTHONS

HOWARD THE DUCK ROCKS

In the early morning hours at 1:42 AM, I was asleep with Varie in my bed and my harem with me and I was having a really amazing and interesting dream. But I was in a canyon and then Natilee appeared.

Natilee: This is gonna be a good one.

Me: It sure is.

Natilee: Yeah. But dad I have a bad feeling about this one. This dream could be a brutal one.

Me: Oh boy. We better be ready for anything.

We walked down the canyon and it was dark and then we saw a HUGE OCTOPUS FIGURE Flying in the sky!

Me: Oh man! Is that who I think it is!?

Natilee: No doubt about it! That's Dagon!

We saw that it was the malevolent monster DAGON!

Dagon is a major antagonist in Ben 10: Ultimate Alien, serving as the overarching antagonist of Season 3. He is an extra-dimensional demonic entity who took a form of a dragon during medieval times.

Dagon is the worshipped deity of two modern day religious cults known as the Flame Keepers' Circle and the Esoterica who believed that he is an extra-terrestrial bring who had visited Earth many years ago and gave humans advanced technology. He is believed to have sworn to come back to Earth and bring the "Golden Age". He said he will bring alien tech so Earth would have no war, no disease, just peace. Vilgax was mistaken for and later pretended to be Dagon in "The Flame Keepers' Circle".

In fact, Dagon is an extra-dimensional demonic entity who is at least 1,700 years old and have tried to invade this dimension with help from many Lucubras during Earth's medieval era. He was banished back to his dimension when Sir George defeated him by cutting out his heart with Ascalon, a powerful weapon given to him by Azmuth centuries ago.

He was voiced by John DiMaggio, who also played Bender in the Futurama franchise, Dr. Drakken in Kim Possible, the Joker in Batman: Under the Hood and Don Vito in the show Celebrity DeathMatch.

In "The Flame Keeper's Circle", Dagon was first introduced and his appearance was revealed in a craving at the headquarters.

In "A Knight to Remember", Dagon took control both of Gwen and Winston.

In "Solitary Alignment", his shadow was seen in a flashback.

Dagon's voice was heard in "The Enemy of My Frenemy", being called by the name Old One, a being who can bring dead people back to life. Charmcaster gave him six hundred thousand souls (from every living thing in Ledgerdomain except herself) and in return, asked to bring her father back to life. Spellbinder disapproves her attitude saying that his daughter became a worse tyrant than Adwaita ever was. Spellbinder says that he can't stay in Ledgerdomain knowing that his life was bought by the cost of so many others and decides to leave again. Charmcaster says no, but Spellbinder returns to the dead and the Dagon makes all souls return to their bodies, saying that "such is the way of magic".

In "The Beginning of the End", his voice was heard again when Sir George demand to face him instead he summoned Vilgax his Herald.

In "The Ultimate Enemy: Part 1", the Seal was finally broken, allowing Dagon to return to Earth's dimension from his own home

dimension.

In "The Ultimate Enemy: Part 2", Dagon fights against Ultimate Way Big and defeats him with acid rain, later Dagon is absorbed by Vilgax. At the end of the episode, Ben used Ascalon to defeat Vilgax and in consequence absorbed Dagon, his power transformed into the form of a star because of Azmuth.

---

Me: Oh man! That's Dagon!? He's more terrifying than what I first thought!

Natilee: Yeah no kidding there!

Me: He's massive too!

Natilee: Yeah!

Dagon: (Demonic Voice) You will never defeat me again George.

He was about to fire a laser blast. But then I fired a wave of energy and it slammed into Dagon's Eyes and exploded and blinded him!

He roared in pain!

Natilee: That did it!

Me: Not quite!

Then a massive flash of light hit Dagon and obliterated him in an instant and destroyed him. A figure came out and it was a Sunlight Fairy. She was a human Size Fairy with yellow butterfly wings. Her name was Laynia.

Laynia: That was amazing.

Me: Thanks.

Laynia: Sorry I'm Laynia and I'm a Sunlight Fairy. Awesome to meet you J.D. and Natilee.

Natilee: Same to you.

We went over to Sir George, the great hero of 1,700 years.

Me: Sir George it's an honor to meet you.

Sir George: (British Accent) You destroyed Dagon forever. I am honored that you saved my from death.

Me: It was my pleasure Sir George. Sorry this happened to you. But also you would make an awesome member of my team.

I told him everything that happened and more and all that and it was amazing.

Sir George: I see. But I would be honored to join you all.

Me: Awesome.

Natilee snapped her fingers and Sir George was now part of the team. He had over 1,700 years worth of amazing history to share. At 8:10 AM, I woke up and got dressed and went to breakfast and everyone was gathered around Sir George and he was telling everyone stories about his experiences in all the events from 3rd Century A.D. on up and more. Laynia is going to make an awesome addition to the team as well.

Walking through the streets of Los Angeles, California was Nico, Qin, Zenkaigers, Chloe Bourgeois, Rita Loud, The Goths of Darkness, Applejack, Apple Bloom, Twilight Sparkle & Friends, Rachel Stavenport, Carol Pusateri, May, Maria, Varie, me, Eli, Arrietty, Aylene Carter, Gabrielle, Littlefoot and friends, Fu, Nicole Knudson, Kaina Tsutsumi, Camie, Kaoruko Awata, Himiko, Ibara, Toru, Sirius, Tsuyu, Ochaco, Momo, Lincoln, Laney, Lana, Lola, Lisa and Lily and we were walking over to a certain school that we haven't been to in a long time.

Nico: This is gonna be awesome.

Me: It sure is. We haven't been to or seen Crunchum Hall Elementary School in like forever.

Gabrielle: (British Accent) I haven't seen this school in a long time ever since I took down Ms. Agatha Trunchbull.

Sirius: Who is Agatha Trunchbull?

Me: You would not like her one bit Sirius. She is a brutal disciplinarian principal that tortures, abuses and kills children.

I went over her history and it was HORRIBLE!

---

Agatha Trunchbull, more commonly known as Ms. Trunchbull or simply the Trunchbull due to her nasty disposition, is the main antagonist of the 1988 Roald Dahl novel Matilda, as well as its 1996 film adaptation and 2010 musical adaptation. She is the former headmistress of Crunchem Hall Elementary School, Miss Jennifer Honey's aunt, and Matilda Wormwood's arch-nemesis. She is also the stepsister of Miss Honey's deceased mother, Mrs. Honey, and is the stepsister-in-law (and murderer) of Miss Honey's deceased father, Dr. Magnus Honey, Mrs. Honey's husband.

Her full name is Agatha Trunchbull, and she is forty-eight years old, 5'7" (one-hundred and seventy centimeters) in height, and about one-hundred and ninety-five pounds (eighty-eight kilograms) in weight, black hair and bluish-green eyes. She harbors an intense hatred and total distrust of all children for unknown reasons, and thinks nothing of literally hurling them vast distances or confining those who dare to oppose her into a medieval torture-device that resembles an iron maiden called the Chokey.

She has a build to back up her overbearing personality, as in her youth she was incredibly muscular, and while she gained some fat as a result of her gorging of cake and chocolates from the stress of managing a school, she still retains the horsepower, agility, and quick reflexes from her time spent as an Olympic athlete and would exercise in her spare time.

Her tortures were so extreme that they could easily have been fatal, (though the only person that she is confirmed to have killed is her brother-in-law, Magnus) every child in the book and film she punished survived. In the novel, Matilda Wormwood believed that part of the reason why her tortures and punishments were so extreme was in order to make the stories about how she punished the children absolutely impossible to believe for a reasonable person.

That way, nobody (except whoever saw the Trunchbull executing her punishments) would do anything to stop her, for the simple reason that they would think those stories were simply a product of the children's uncontrolled imagination.

She also berates, torments, and orders around a selfless and innocent teacher named Ms. Jennifer "Jenny" Honey, who is actually her niece. The Trunchbull raised Miss Honey, and broke her arm at some point. She was very abusive and manipulative towards Miss Honey, squandering her privileges throughout her education, and when the time came for Honey to go to college, the Trunchbull was so vile that she demanded Honey surrender her family estate to her, thus giving the Trunchbull effective dominion over the woman.

When Honey was frantically searching for another place to live in, she came across an old abandoned shack. The farmer who owned it said that she was absolutely mad, but gave it to her for 10p. Then the Trunchbull was furious that Honey was leaving her and said she would amount to nothing.

In the film, Trunchbull first appears talking to Harry Wormwood that she needs an inexpensive car and buys it. Harry makes a deal saying that he will give Trunchbull the car if Matilda goes to her school.

On Matilda's first day of school, Trunchbull appears outside the yard, making the kids stand still. She approaches Matilda, and calls her "fresh meat". She then spots another girl named Amanda Thripp, and insults her pigtails. She grabs Amanda's pigtails and tosses her in the flower patch, with the latter also collecting flowers for Miss Honey.

Trunchbull attempted to drive to the Olympics, but the defective car ran out of gas, much to the villainous and argumentative principal's fury and anger. When she entered the house, she angrily called Mr.

Wormwood and threatened to sue and kill him. She then went on a rampage, trying to find Matilda and Miss Honey after discovering someone has entered her house. Luckily, Matilda and Miss Honey have escaped from the evil woman's house, greatly infuriating her.

Thankfully, the Trunchbull was toppled by Matilda's quick thinking and magical powers, who tricked her into believing she was being haunted by the ghost of her brother-in-law (who, it is implied, may have been murdered by the Trunchbull in order to inherit his estate) - upon being convinced of this haunting, she fled in terror. However, she soon found Matilda's red hair ribbon and was now convinced somebody did enter her house.

She showed up at school to teach the children a lesson about who was responsible for intruding in her property. Matilda was now fed up with her torturing, abuse, and cruelty, so she used her power to manipulate a stick of chalk, creating a message on the chalkboard from her deceased brother-in-law, which frightens the Trunchbull. Matilda sent two chalk erasers to assault her, knocking her out onto the floor. When she came to, she threw a boy out the window for sneaking up on her, but Matilda's psychic powers sent him flying back at her, causing the Trunchbull to crash onto a globe.

At Miss Honey's silent suggestion, Matilda then made the globe spin around and around, and the Trunchbull went flying off and collapses onto the floor unconscious. After coming to, she attacks Lavender by charging like a bull, but she was saved by Matilda's power, sending the Trunchbull crashing right through the door into the hallway. Matilda then summoned the lunchboxes of all of her classmates and used her powers to pelt the Trunchbull with their lunches. Seeing this, the students in other classes suddenly lost all of their fear of her.

Before she knew it, she was being pelted by lunch food by all of the children in her school, as they were all fed up with being abused by the wicked principal. The Trunchbull, fled in her sputtering car in defeat, and she was never seen or heard from again after this, but it's likely that she either moved to another place to start a new life, killed herself out of fear for Magnus' "ghost", or spent the rest of her life in prison and felt remorse for her behavior after hearing of the school's updates. With the Trunchbull's defeat, Miss Honey then adopts Matilda and gets her true home back as well as being promoted into the new principal of the school.

When I was done everyone was shocked and horrified!

Nico: That ruthless witch!

Eli: Yeah!

Nico: Thanks for coming with me, Ms. Rita.

Rita: Not a problem Nico. This is gonna be so awesome.

Lincoln: It's awesome having you with us on Nico's rescue mom.

Rita: It sure is sweetie.

Nico: I know I argue sometimes with your kids. But that hasn't damaged my friendship with them.

Rita: That's all right Nico but you are just doing your job as a great enforcer and leader of the team and you are doing a magnificent job too.

Nico: Thanks Ms. Rita. That means a lot.

Gabrielle: I agree there and it was so amazing how Nico did an amazing job during the battle with Team Dark Phoenix Storm.

Kaito: Man I heard all about that awesome battle last year. That was really epic and amazing.

Lola: Boy it sure was. And Nico did magnificent job leading the team that day.

Me: And that was the day that Nico proved himself that he was more than ready to earn my position as leader. I just had to know when the right time was.

Laney: That's true.

Rita: But we are so proud of you Nico. You and J.D. both did an amazing job leading the team too.

Nico: Thanks Ms. Rita.

Rita: You're welcome.

Nico: I know I can be tough on your kids at times. But that's only because I care about them.

Rita: That's true.

Laney: And we love you too Nico.

Nico: I'm glad.

Kaito: So Gabrielle what is your history with Ms. Trunchbull?

Gabrielle: Well like J.D. said, she is a very dangerous and brutal disciplinarian. I also took her down the first time. I'm also an FBI Agent.

She went over what happened in Chapter 78.

---

Gabrielle was in the Simulator.

Me, Varie, Aylene, Naruto, Sakura, Fu, Rin, Lori, Carol, Luan, Eddy, Shannon, Lincoln, Linka, Lucy, Laney, Lana & Lola, Penny and Lisa are in the Control Room.

The Simulator activated and Gabrielle found herself in from of Crunchem Hall Elementary School in Pasadena, California.

Gabrielle: [British Accent] I'm in the movie "Matilda". One of my favorites.

Gabrielle walked around the school and she saw that it was an old building loaded with antiquity. She saw a picture on the wall in the hallway next to the entrance. It was a picture of the most brutal principal in history: Ms. Agatha Trunchbull. Above it, it said "Shot put, Javelin, Hammer Throw".

Gabrielle: I remember her and she is evil to the core. I may be 15 years old and I have tremendous power, but I would never hurt a child.

She continued to walk around and she sensed that the entire school was totally in the grip of pure fear.

Gabrielle: This place is filled with fear. I got to find Ms. Trunchbull and put an end to all this madness.

Ms. Trunchbull: Stand up straight, stomachs in, shoulders back!

Gabrielle: That's her.

Gabrielle walked up to a door and placed her ear up against it and listened in.

She heard Ms. Trunchbull say that she will make sure that she kills whoever owns a hair ribbon.

Gabrielle: That does it!

Gabrielle stepped back and charged and slammed through the door and landed on the floor and stood ready to fight.

Gabrielle: Agatha Trunchbull you will harm no more children today or ever!

The children cheered.

Lavender: We're saved!

Ms. Trunchbull: Who are you and what are you doing here you malignant monster?

Gabrielle: My name is Gabrielle Elizabeth Loud and I'm here to stop you from hurting anymore children you monster! Ms. Honey, this monster here murdered your dad and hurt lots of kids and she has to go.

Matilda: I had a feeling that Magnus didn't kill himself.

Ms. Trunchbull: That little man deserved it so I can get all his money and house and everything he owns!

Ms. Honey was infuriated and she punched Ms. Trunchbull in the face.

Ms. Honey: You killed my Father! You will pay for this!

Gabrielle: Wait Ms. Honey. Calm down. She will pay for it. You call the police and me and Matilda will handle this.

Ms. Honey: Yeah you're right.

Matlida: I will gladly help you. No more Ms. Nice Girl.

Gabrielle: Indubitably. Ms. Honey you need to evacuate the building. This is gonna get rough.

Ms. Honey: Okay. Come on children lets go.

The children ran and Ms. Honey knocked on all the doors and got everyone out of there.

Ms. Trunchbull got up and she had a nasty black eye.

Gabrielle: It's over Trunchbull. You are through.

Gabrielle spread her wings and had lightning arching around her hands.

Matilda: Wow! You look like a true angel from Heaven, Gabrielle.

Gabrielle: I know.

Gabrielle dashed and punched Ms. Trunchbull in the face and kicked her in the stomach. Gabrielle then placed her hand on the floor sent lightning flowing through it and it electrocuted the Trunchbull and she fell to the floor and was numb.

Gabrielle: Matilda it's your turn.

Matilda: You got it.

Matilda used her telekinesis and lifted the Trunchbull and threw her onto a big globe. She spun her around and Gabrielle fired lightning at the globe and it added an electromagnetic field that sped up the globes rotation speed. The globe threw the Trunchbull into the wall and she crashed into it and went through it and into another classroom. She got up and was dizzy. Seconds later a bunch of police cars arrive and a SWAT Team bursts into the classroom and slaps the handcuffs on the Trunchbull.

Officer: Agatha Trunchbull you are under arrest for 1st Degree Murder, multiple counts of Child Abuse Resulting in Grievous Bodily Harm, Multiple Counts of Attempted Murder and Child Abuse resulting in death.

The kids and Ms. Honey all cheered wildly knowing that the Trunchbull is going to prison for a long, long time. Ms. Honey moved back into her father's home after the police tracked down her Father's Will and Matilda and Gabrielle were having tea and cookies.

Unfortunately another surprise arrived. Harry and Zinnia Wormwood, Matilda's crime dealing mother and father came.

The FBI had more than enough evidence to prosecute them for Possession and sale of Stolen Property, and more.

Zinnia: Hey you. Hey come on we're leaving lets go. Get in the car. Hurry up.

Gabrielle intervened.

Gabrielle: You're not taking her anywhere.

Zinnia: Who are you?

Gabrielle: Someone you don't want to know. [Pulls out an FBI Agent Badge] Junior Agent Gabrielle Elizabeth Loud, FBI.

Zinnia: You're a speedboat salesman too?

Gabrielle: No. I'm not. I'm here to arrest you and relinquish Matilda from your custody and place her into the care of Ms. Jennifer Honey.

The cars from the FBI pulled up and arrested Harry, Zinnia and Michael Wormwood.

FBI Agent 1: Harry Wormwood, you and Zinnia are under arrest for possession and sale of stolen property, fraud, child abuse and several counts of neglect. You have the right to remain silent. Anything you say can and will be used against you in a court of law.

Matilda smiled at her parents being taken away.

FBI Agent 2: Good work Junior Agent Loud.

Gabrielle: Thank you. The new tracer badge is working like a charm.

FBI Agent 2: It sure is. We've got to go. These two are in for some hard time.

The FBI Agents drove off with the Wormwoods in custody. Ms. Jennifer Honey officially adopted Matilda. Matilda now has an awesome mother and is now a brilliant and loving girl. Ms. Honey is now the new principal of Crunchem Hall Elementary School. Gabrielle made a huge offer to have the whole school district merged with the Royal Woods School District and the superintendent accepted. I used my powers to beam the district to Michigan and all the kids and families moved to Royal Woods. The Honey residence now lives in my neighbor hood by our mansion.

Agatha Trunchbull was found guilty on all charges. They found out that she was a nasty serial killer responsible for the deaths of 25 kids. She is believed to be responsible for even more killings. She was sentenced to 30 terms of Life in Prison without Parole plus 5,834 years. Because her case was so high profile they moved her to a prison outside of the country. She was placed in the Lake Vostok Maximum Security Prison in Antarctica. Harry and Zinnia Wormwood were found guilty on all their charges and sentenced to life in prison without the possibility of parole for 50 years. Michael was placed into the foster care system.

Matilda now has lots of friends and she became friends with the Loud Siblings and is one of Laney's best friends.

FLASHBACK ENDS.

Nico: WHOA! And I wasn't with the team back then and that was really awesome.

Lola: Yeah it sure was cool.

Me: Yeah no kidding. That was amazing back in the old days.

Kaito: School World was never like this!

Nico: No he wasn't!

Me: And I remember School World! He was going to turn the entire dimension into a school.

Eli: I remember that one. That was cool!

Laney: It was and Double D would like him and HE LOVES school.

Lana: You know how smart he is.

Fu: That's true. Double D loves all things education like Twilight Sparkle.

Twilight Sparkle: (Laughs) That's true. I would like School World too.

Magine: That is true.

Vroon: At least School World was kind to his students. Trunchbull isn't!

Nico: No she isn't! And she really makes me mad. She is a total barbarian.

Me: Yeah she is! She is also the reason why I made the team code to never kill kids.

Nico: Really?

Me: Yep. After seeing how evil and ruthless she is to kids, I then made my code. I call the code The Anti-Trunchbull Rule. "Team Loud Phoenix Storm Must NEVER kill kids under the age of 18 at the time they did horrible crimes of any kind."

Nico: Very interesting and clever.

Lola: Yeah. That is awesome.

Aylene C.: It sure is.

Brittney: I agree there dad.

Magine: And School World was able to be untouchable with his tie. There's nothing really stopping us from attacking Trunchbull.

Nico: Yeah that's true. But this is gonna be brutal. We cannot allow anymore innocent children to get hurt because of her.

Laney: That's for sure! We have to make sure she pays for her crimes.

Nico: And it will only end one way for her.

Me: Black Gates?

Nico: Black Gates.

Gabrielle: Good. I've had enough of that heartless monster to last an eternity.

Lola: Me too!

Tsuyu: What she did is unforgivable.

Nico: (to Rita) And Trunchbull killed Miss Honey's father. Can you imagine if she did the same with yours?!

Rita: I would snap her neck and slash her entire body to pieces and burn them in a barbecuer!

We gasped!

Lola: YEAH GO MOM!

Lily: Yeah!

Nico: YEAH!

We arrived at Crunchum Hall Elementary.

Nico: Here we are.

Me: Nice place.

Rita: It sure is.

Qin: It's a nice school. Too bad it's run by a monster.

Gabrielle: Not for long though.

We went into the school and it was quiet.

Me: It's quiet. Too quiet.

Nico: I hear something.

We followed a voice to a classroom and we heard Ms. Trunchbull in it!

Gabrielle: She's in there.

Me: Lets go.

We ran and busted in!

Ms. Trunchbull: Who are you!?

Zocks: (Singing) Yo-ho-hoy- yo-ho-hoy- yo-ho-hoy-hoy! Hey! I am a World Pirate. In pursuit of treasure, I go from sea to sea! I am a pirate. In pursuit of freedom, I travel from world to world! I'll get my hands on it no matter what! And then I'll get a feeling that's two good! Yo-ho-hoy!)

Nico: And you are going to pay.

We looked at her.

Ms. Trunchbull: YOU!

Gabrielle: That's right! Me! You are going to pay for your crimes Trunch!

Zocks: (singing) I am a pirate. And I'm not going to be following any of your stupid rules.

Laney: And you are going to wish you were never born.

Rita stretched her arms and grabbed her and then smashed the Trunch into the floor.

Zocks (takes out Gaoranger gear): Now, we know we can hurt her.

Kaito: (takes out Hurricanger gear) Magine. Vroon. Follow me, Juran, and Gaon's lead. The three of us have used the Hurricanger gear before.

Nico: You will pay for your crimes Trunch.

Zocks had his Wild Instincts enhanced and Kaito, Magine, Vroon, Juran and Gaon's used the Sky Dash attack!

Eli: You are not welcome here Trunch!

Eli fired a blast of Force Lightning and electrocuted her all over and then Zocks and the Zenkaigers slashed and pulverized and blasted her all over the place.

Nico: (sees chocolate cake) Cake! Yummy!

Trunchbull: That's my cake!

I punched her in her face!

Me: Not anymore bitch!

I kicked her down!

Me: And another thing.

I put on my new Zero One Kamen Rider Belt.

BURNING PHOENIX!

Me: HENSHIN!

I transformed into my new BURNING PHOENIX ZERO ONE KAMEN RIDER FORM!

BURNING PHOENIX - From the flames of rebirth grow the wings of new life and love from the fire from within.

Nico: (GASP) WHOA!

Eli: AWESOME!

Trunchbull: What the hell are you pissworm!?

Me: I'm now a Kamen Rider. For the Phoenix!

I unsheathed my phoenix sword and slashed her all over and burned her!

Trunchbull: (ENRAGED SCREAMING) I HATE YOU WITH EVERY FIBER OF MY BEING!

My fire aura flared up with incredible force!

Me: Thanks for the power boost.

Nico: How about I eat your cake right in front of you?

Me: Go for it!

Nico did so.

Trunchbull: NO!

Then 2 hands appeared from out of nowhere and grabbed the Trunchbull. And we saw a Botanelastician appear!

Nico: A Botanelastician!

Botanelastician: (In a girls voice) Good to see you again Nico.

Nico: Irina Wendolva? WHOA!

Botanelastician: Finish her J.D.!

Me: You got it!

I spread my wings and flew at her.

INFERNO WING IMPACT!

インフェルノウィンギングインパクト

I jumped and flew at her and slashed and incinerated her all into ashes and destroyed her forever and banished her to the Black Gates forever!

Gabrielle: YEAH!

Nico: Take that! (BELCH)

Irina reverted back and she was a girl with blue clothes and blue hair,

Qin: Irina!

Irina Wendolva: Qin! Awesome!

They hugged.

Nico: Awesome to see you again.

Irina Wendolva: Same to you Nico.

Me: You got chocolate sauce all over your face.

Nico: Oops.

May: I'll lick it off.

Nico: Ooh do so.

She licked Nico's face all over and it was really funny and awesome.

Me: (LAUGHS) That is cool!

Rita: What's your favorite memory of Nico?

Irina Wendolva: I have a lot of favorites but I liked the time where I gave a bunch of mean bullies a nasty atomic wedgie and hung them atop a flag pole and it was really awesome. They were about to hurt Nico but I gave them their just desserts.

Nicole: Serves those blockheads right.

Himiko Toga: That it does.

Nico and Irina hugged.

Nico: I really missed you.

Irina Wendolva: Me too Nico. Uhh you still have spit all over your face.

We laughed.

May: Sorry. He just tasted so good with chocolate sauce all over him. (Slurps)

We laughed some more.

Rita: (Laughs) That is too funny.

Me: Yeah it sure is.

We later went back home.

After Nico's rescue, Lincoln, Me, Nico, Eli, Nicole Knudson, Lori, Leni, Luna, Luan, Lynn, Laney, Lucy, Lana, Lola, Lisa, Lily, Lincoln's harem, Sherlock Hound, Noctis Lucis Caelum, Gladiolus Amicitia, Ignis Scientia, Prompto Argentum, Stella Nox Fleuret, Ravus Nox Fleuret, TLPS Mr. Wolf, TLPS Mr. Piranha, TLPS Mr. Snake, TLPS Mr. Shark, TLPS Ms. Tarantula, Heathcliff, Sonja (Heathcliff), Riff-

Raff, Hector (Heathcliff), Wordsworth, Mungo, Cleo, Leroy, Crash Bandicoot, Coco Bandicoot, Aku-Aku, The Quantum Masks, Alternate Tawna, Spyro, Cynder, The Ghostforce, Rayman, The Louds' Scottish Ancestors, The L-ementals, Ed (Ed Edd N Eddy), and Lynn Sr. are heading to a planet made entirely of Mashed Potatoes and Gravy, and not only is Lincoln going to rescue the six girls there, but we got word that Lord Shen has been brought back from the dead, and he still wants revenge on Paige for killing him long ago.

When Ed saw the planet of mashed potatoes and the lakes, rivers, waterfalls, and streams and oceans made of different kinds of gravy, he was in Heaven.

Lincoln: Whoa, we're here on a planet made entirely of Mashed Potatoes and Gravy, and I know what we're going to do here, not only am I going to rescue the six girls there, but we got word that Lord Shen has been brought back from the dead, and he still wants revenge on Paige for killing him long ago.

Paige: I thought I was rid of that heartless peacock long ago, but he refuses to stay dead.

Me: And from what we've seen on three of Lincoln's rescues, it looks like yet another member of The Church of Necrom brought him back.

Nico: But, the only way to find out which one it was that brought Lord Shen back is the army of demons that are with him.

TLPS Mr. Wolf: That's the only way to identify the next member of the Church of Necrom that's going to be taken down.

Lincoln: That's right, TLPS Mr. Wolf. And thanks for coming with us on our rescue, Dad.

Lynn Sr.: You're welcome, Lincoln. This is going to be one awesome rescue, and Ed's in Heaven when he saw the planet of mashed potatoes and gravy.

Leni: I knew that Ed would totes love this place, since two of his favorite foods are buttered toast and gravy.

Rayman: Yeah, he sure does.

?: HEELLLLPPPP!

Suddenly, Lincoln heard the sound of six girls calling for help. With his deep sapphire blue cyborg eyes, rainbow colored iris of his Third Eye, the Force, and his superhuman sight, along with sensing energy signals, he saw and heard exactly where the call for help was coming from. He saw the six girls, but they've been cornered by Lord Shen, and he's going to kill them. Lincoln also saw that Lord Shen had the symbol of The Church of Necrom on his forehead, and this means that The Church of Necrom brought Lord Shen back, and he's also accompanied by an army of Fear Demons.

Lincoln: Guys, I found the six girls, but they've been cornered by Lord Shen, and he's going to kill them, and there's also something very disturbing: I also saw that Lord Shen has the symbol of The Church of Necrom on his forehead, and he's also accompanied by an army of Fear Demons.

We gasped in pure shock.

Rhonda Jekyll: I should've known that Lord Shen was brought back from the dead by The Church of Necrom, and that army of Fear Demons with him, there's only one witch in The Church of Necrom who's able to summon Fear Demons: Edana Baudelaire.

Lincoln: Should've known that deranged witch was behind this. Oh man, if Violet, Klaus, and Sunny hear of this, they'll be horrified.

Me: I doubt they know about Edana Baudelaire, but you're right, we'll have to ask them about that, as soon as we get back.

?: (Thai Accent) In the meantime, let's put an end to that black-hearted peacock.

Suddenly, we saw Malina, Princess of Sunflowers appear before us.

Nico: Ooh, that's the Duel Monster, Malina, Princess of Sunflowers.

Lincoln: And there's no mistaking that Thai accent from anywhere, I knew it was you, Nathalia Prasit, but we'll have to talk later, we've got a black-hearted peacock to destroy.

We rushed on over and Lincoln fired rainbow energy balls and elemental forces at Lord Shen and he also destroyed Edana Baudelaire's army of Fear Demons, and that allowed the six girls to get to safety. When Lord Shen saw us, he was pissed off, especially when he also saw Paige here.

Lord Shen: YOU?! I will have my revenge on you for what you did in killing me, Paige!

Paige: Shut your beak, you ugly turkey! I should've guessed The Church of Necrom would bring you back from the dead just to piss us off, and guess what, it worked, and I've had it with you to last an eternity, Lord Shen.

Suddenly, something within Paige's mind snapped as her orange eyes turned neon orange, and she was surrounded by an orange energy aura with lava, flames, dragons, and phoenixes, and the heat coming from her was unimaginably hot, she unholstered her massive Amaterasu's Phoenix Dragon Sword of Honouian Fire Justice from her back, and as she approached Lord Shen, she left orange energy, lava, flames, dragons, and phoenixes with every step.

Paige: You just absolutely refuse to stay dead even after we killed you years ago, Lord Shen. (Getting Really Pissed Off) But, what you've done in trying to obliterate every single panda bear across all of China, usurp control over Gongmen City, eliminate all the Kung Fu masters who dare to oppose him,

corrupt your parents' legacy in order to exact his revenge on them, abolish Kung Fu, and kill Po along with the Furious Five and Shifu in order to use your precious weaponry to conquer China… YOU'VE CROSSED ONE FUCKING LINE TOO MANY FOR THE LAST TIME, YOU HEARTLESS, PSYCHOPATHIC, EVIL, MURDEROUS, GENOCIDAL BASTARD! AND THIS TIME, I'LL SEE TO IT THAT YOU DIE A VERY HORRIBLE DEATH, AND YOU WILL NEVER EVER RETURN AGAIN!

We gasped at the sheer fury coming from Paige, and that meant Lord Shen's really pissed off Paige, and he's going to get charbroiled.

Lincoln: (Surprised) WHOA!

Nico: Oh, he's really done it now, he's pissed off Paige with his heartless crimes, and now, he's going to get charbroiled.

Eli: Big time.

Lori: HIT THE DECK! SHE'S LITERALLY GOING TO BLOW!

We ran and hid behind a wall of mashed potatoes, and Paige screamed like a madwoman, as she was suddenly surrounded by a massive vortex of orange energy with lava, flames, and dragons surrounding it, there's a phoenix flying around the vortex, and in the vortex is a yellow phoenix. Then, as the vortex faded, Paige emerged, but she was changed forever.

Paige grew from 6'5" to 6'11" in height, she has the body of a goddess, she has glowing fire-colored orange highlights in the bangs of her long orange hair, she has neon orange eyes and an orange energy aura with lava, flames, dragons, and phoenixes surrounding her, she has a dragon and a phoenix with the Fire Kanji in their claws emblazoned on her forehead. Suddenly, Paige felt a sharp pain on her back, and then, her massive orange angel wings with fire colored tips on the large orange feathers grew much larger for her new body, she has on dragon earrings with orange gems for eyes and the Fire and Eternity Kanjis in its claws and her Thunderbird Necklace of Eternal Love with orange crystal links when her Crystal Necklace of the Buddha merged with her Thunderbird Necklace of Eternal Love and a Thunderbird and a phoenix with orange gems for eyes and the Fire and Eternity Kanjis in its claws for the pendant, her sleeveless light yellow midriff top with orange phoenix on it turned neon light yellow, blue rolled-up jeans with flames on the legs, yellow sandals, and a long sleeveless orange trenchcoat with dragons, phoenixes, and flames on the coattails, and a dragon and phoenix surrounded by flames on the back, and Paige has on her Ring of The Phoenix with large orange gem and heart-shaped gem embedded in it on her right ring finger and her

Star Sapphire Corps ring on her left ring finger.

Paige now has a new greatsword in her left hand called Amaterasu's Phoenix Dragon Greatsword of Honouian Fire Justice, it's a new large sword with a 7'0" massive, wide, double-edge orange blade with the image of the Japanese Goddess of Fire, Amaterasu, etched onto the blade, large orange dragon heads with fire-colored gems for eyes, large fire-colored gem embedded in the rainguard, longer black handle, and large fire-colored gem with fire-colored angel wings surrounding it for the pommel. Paige has on her new Bracelets of The Champions of The Universe with orange gems on her wrists and her new Belt of Elemental Bravery with a gold dragon head with fire-colored gems for eyes and a large fire-colored gem in its mouth for the belt buckle, large rainbow-colored leather and gold metal bound Elemental Spellbook of Harmonious Justice, Eternal Harmony, and Equestrian Peace on her left hip on her waist and Eater of Sins revolver holstered on her right hip. There's a fire-colored kanji below the dragon and phoenix that said, "Paige, Loving Little Sister of Becky, Skilled Arcade Games Player, Loving Future Wife of Lincoln Loud, Destroyer of Lord Shen and his Evil Delusional Ambitions, Last of The Honouian Race, Slayer of Evil, Deranged, Murderous, Ruthless, and Sadistic Bastards, Amazing and Powerful Student of Amazing and Powerful Teachers, Emissary of Amaterasu, and Master of Kung Fu, Fire, Lava, Phoenixes, and Dragons" Paige has transformed into SUPER ANGEL ETERNITY INFINITY DRAGON PHOENIX FIRESTORM HONOUIAN ANGEL OF FIRESTORM JUSTICE AND FIERY LOVE!

We were amazed by Paige's Super Angel Eternity Infinity transformation, and when Lincoln saw her, he had an atomic red blush on his face and hearts in his eyes. But, when Lord Shen saw it, he fell into a rage and tried to kill her, but Paige fired a powerful blast of glowing neon orange energy with flames, dragons, and phoenixes, and really burned Lord Shen as he was sent flying into a wall.

Nico: Whoa, Paige has transformed into her Super Angel Eternity Infinity form, this is going to be one fiery fight.

Me: Big time.

Lincoln: Wow, Paige, you look beautiful, how do you feel?

Paige: (Divine Echoing Cosmic Voice of The Honouian Phoenix Angel and Draconic Love) I feel incredible, Linky. Now, shall we get rid of Lord Shen once and for all?

Lincoln: (Smiles) With pleasure, Paige. Alright, guys, let's get that heartless peacock.

Lincoln unholstered his massive Hinon's Cosmic Storm Sword of Universal Hope, Elemental Bravery, and Unbreakable Eternal Bonds from his wider and muscular back, and transformed into Super Angel-Ebonwu-Thunderbird Eternity Infinity Elemental Thunderbird Buffalo Angel of Universal Justice and Elemental Hope, which became even more stronger than ever, along with all his other Super Angel forms, TLPS Mr. Wolf transformed into his Super Angel Eternity Infinity form and the rest of The TLPS Bad Guys Gang transformed into their Super Angel Eternity Infinity forms and they unholster their massive swords, Lincoln's sisters transformed into their Super Angel Infinity forms and unholstered their massive swords from their backs, Lincoln's harem unholstered their massive swords from their backs and transformed, Sherlock Hound transformed into Super Angel Eternity Infinity Stellar Darkness Demon Hound of Dark Compassion and Demonic Justice, and he unholstered his massive Sparda's Demon Fang of The Demon Hound sword from his wider and more muscular back, Crash Bandicoot unholstered his massive Skylands' Elemental Wolf Sword of Elemental Justice from his wider and more muscular back and transformed into Super Angel Eternity Infinity Elemental Skylander Bandicoot Knight Angel of Elemental Bravery and Elemental Will, The Ghostforce, Ed, Lynn Sr., The Louds' Ancestors, The L-ementals, Noctis, Prompto, Ignis, Gladio, Stella Nox Fleuret, and Ravus Nox Fleuret got out their swords, Rayman had his gauntlets ready and he transformed, Hector got out his massive Heaven's Maw of Judgement sasumata pike, and Me, Nico, Nicole, and Eli unholstered our massive swords and transformed, and we went after Lord Shen, and we fired powerful blasts of rainbow energy, colored energy, elemental forces, Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, Magic, rainbow flames, and rainbow crystals, and they exploded with incredible power as they hit him.

Lincoln and Paige: This is the end for you, Lord Shen, this time, may you never come back. BLACK GATES DRAGON FIST!

Lincoln and Paige fired energy blasts that took the form of Shenron, but they were infused with the energy of the Black Gates and they turned black, and as they hit Lord Shen and dragged him out into space, they exploded with incredible power as they devoured him, and Lord Shen was finally erased from existence by The Black Gates. We cheered wildly as we holster our weapons and power down, and Paige's new body, clothes, weapons, jewelry, and massive angel wings are permanent.

Paige: Reap what you have sown, Lord Shen. Thanks for helping me destroy Lord Shen for good, Linky.

Lincoln: (Smiles Warmly) You're welcome, Paige.

Suddenly, Paige wrapped her arms around Lincoln's waist, and her chest was then pressed against Lincoln's massive and wide muscular pecs, which brought an atomic red blush to Lincoln's face, and Lincoln wrapped his abnormally massive and powerful muscular arms around Paige's waist and he brought her into an embrace, which took her by surprise and brought an atomic red blush to her face. Then, as Lincoln leans down to Paige's face, they kissed passionately as Paige wrapped her left arm around Lincoln's wider and muscular back, and she placed her left hand on Lincoln's massive and muscular wide right pec, and right behind them was a Thunderbird, Phoenix, Dragon, and Angel flying in the air, along with flames behind them, and we also saw a herd of Buffalo running across the field, and the display of the elemental forces behind them, and we cheered for them.

Lincoln: That's it for that heartless peacock. (To Nathalia Prasit) And it's so good to see you again, Nathalia Prasit.

Nathalia Prasit reverted back to normal, and she's a beautiful 17-year-old girl with long flowing black hair with a pink bow barrette in her hair, pink eyes, tanned skin, she's tall at 6'5" in height, she has the body of a goddess, she has massive sunflower yellow butterfly wings, and she reigned in the power of Malina, Princess of Sunflowers, and she's dressed in a short-sleeved blouse, sunflower yellow and black sleeveless dress top, yellow skirt, yellow pants, yellow sneakers, sunflower yellow gloves and she has the Thai Word for Sunflower on her right arm glove, and long sunflower yellow sleeveless trenchcoat with sunflowers on the coattails, and Malina, Princess of Sunflowers on the back, and holstered on her back is a large Malina, Princess of Sunflowers-themed sword with a 6'10" massive, wide, double-edged sunflower yellow blade with Malina, Princess of Sunflowers etched on it, large sunflower yellow butterfly wings for the crossguard, large sunflower yellow gem embedded in the rainguard, longer black handle, and large sunflower yellow gem with angel wings surrounding it for the pommel.

Nathalia Prasit: (Thai Accent) You too, Lincoln, it's been a long time.

Lincoln went up to Nathalia Prasit and they hugged, and Nathalia Prasit's also very surprised at just how much taller and much more muscular Lincoln's gotten since they last saw him, and they also felt just how strong he's really become.

Lincoln: It sure has, I haven't seen you when you were sixteen, and as you can see, I really grew a lot since then.

Nathalia Prasit: (Thai Accent) I knew you have, but whoa, you sure have really grown very big and strong like a tree, Lincoln, you've really grown a lot from the eleven-year-old cute little boy into a 17-year-old and permanently 7'5" tall, very handsome, and manly teen with abnormally massive and powerful upper and lower body muscles and eight-pack abs, that's so awesome.

Nico: Wow, Lincoln, you know her?

Lincoln: Indeed I do, Nico, this is Nathalia Prasit, she's one of my Guardian Angels from Thailand, and she has a really long name that'll give you a nasty case of tongue twisters.

Me: Really?

Nathalia Prasit: (Thai Accent) Lincoln's right, my full name is

Nathalia Thep Mahanakhon Amon Rattanakosin Mahinthara Ayuthaya Mahadilok Phop Noppharat Ratchathani Burirom Udomratchaniwet Mahasathan Amon Piman Awatan Sathit Sakkathattiya Witsanukam Prasit.

Our mouths dropped to the mashed potato floor at the long name.

Nico: Yikes, Lincoln wasn't kidding.

Nathalia Prasit: (Thai Accent) That's right, and I also have a really horrible history with Scoots, Flip, Chandler and Flip. See, every time that Chandler called Lincoln a name, I would punch his brains out and every time that Scoots called Lynn Emu Legs, I would punch her brains out big time. Plus, I gave those people that criticized the Louds a massive piece of her mind, which I'll tell you all later. Not only that, but I gave Scoots an incredibly massive beatdown that left EVERY SINGLE BONE in her body broken after she was sent to the nuthouse.

Me: Whoa. And this is something I'm really going to enjoy hearing later.

Suddenly, a Thunderbird of Eternal Love appeared around Nathalia Prasit's neck with yellow gems on the gold thunderbolt links and yellow crystal links from brand-new Crystal Necklace of the Buddha which merged with her Thunderbird Necklace of Eternal Love.

Nathalia Prasit: (Thai Accent) (Surprised) Whoa, is this…?

Lincoln: Yep, that's a Thunderbird Necklace of Eternal Love, and that means you're now part of my harem and one of my many future wives, Nathalia.

Nathalia Prasit had a smile on her face and tears coming from her eyes, as she wrapped her arms around Lincoln's thick and muscular neck, and Lincoln wrapped his abnormally massive and powerful muscular arms around her, and he leaned down and kissed Nathalia Prasit on the lips, and she also returned it, and we cheered for them. Then, we went up to the six girls, and when Lincoln saw them, he recognized the girls immediately. The six girls are An Hanakoizumi, Hagyuu Hibiki, Ekoda Ren, Botan Kumegawa, Ruri Hibarigaoka, and

Sayama Tsubaki from Anne Happy.

Lincoln: Oh wow, it's An Hanakoizumi, Hagyuu Hibiki, Ekoda Ren, Botan Kumegawa, Ruri Hibarigaoka, and Sayama Tsubaki from Anne Happy.

Nico: Awesome.

Lincoln: Are you girls okay?

An Hanakoizumi: Yes, we're okay, thanks to you.

Then, when An Hanakoizumi and the other five girls saw who it was that saved them from Lord Shen and Edana Baudelaire's army of Fear Demons, their faces turned atomic red upon seeing the 17-year-old permanently 7'5" tall, handsome, bare-chested hunk with abnormally massive and powerful upper and lower body muscles, eight-pack abs, long wild white hair going down to the bottom of his neck and rainbow lightning bolt highlights in the bangs of his long white hair, rainbow colored thunderbird with a gold lightning bolt emblazoned on his forehead with a Third Eye of the Buddha on his forehead with rainbow iris, golden lightning bolt cutie mark with the thunderbird and comic books right on his massive and wide right pec and it's surrounded by the symbols of Fire, Water, Ice, Wind, Earth, Nature, Light, and Darkness in a circle, large Celtic Cross cutie mark tattoo in the form of the cutie marks of Twilight Sparkle, Sunset Shimmer, Rainbow Dash, Applejack, Rarity, Pinkie Pie, Fluttershy, Starlight Glimmer, and Trixie Lulamoon, surrounded by a circle were the marks of the other girls in Lincoln's harem on his wider and more muscular back, and right on top was the Earth surrounded by the ring of mermaids and surrounded by a Thunderbird, Phoenix, Angel, and Buffalo, and right below the Cutie Mark tattoo is a deep sapphire blue kanji that said, "Lincoln Landon Loud, Champion and Emissary of Hinon, Master of Lightning Storms, The Weather, The Elemental Forces, The Cosmos, and The Universe, The Loud House's Man With A Plan, Golden-Hearted Brother of Many Siblings, and Golden-Hearted Lover, Father of Many Kids, Son, and Future Husband, Descendant of The 17th Century Duke Lincoln of Loch Loud in Scotland, Destroyer of Morag McLaughlin, Destroyer of Evil, Black-Hearted, Sadistic, Delusional, Power-Hungry Bastards, Talented Comic Book Writer and Video Gamer, God of Truth and

An Hanakoizumi: Oh wow, you're Lincoln Loud of Team Loud Phoenix Storm.

Lincoln: That's right, and it's a pleasure to meet you all.

Then, Lincoln made five clones of himself, and he and the five clones went up to the girls, and hugged their waists in their abnormally massive and powerful muscular arms, and they lean down and kissed the girls on the lips, which they returned with equally intense passion, as they wrapped their arms around the necks of Lincoln and his clones, and we cheered wildly at the scene.

An Hanakoizumi: (Seductively and rubs her right hand on Lincoln's massive and wide right pec) You too, big, tall, muscular, and handsome.

Suddenly, six Thunderbird Necklaces of Eternal Love appeared on the necks of An Hanakoizumi, Hagyuu Hibiki, Ren Ekoda, Botan Kumegawa, Ruri Hibarigaoka, and Sayama Tsubaki with colored gems on the gold lightning bolts and crystals links from their merged Crystal Necklaces of The Buddha. We return to the TLPS World Tree Estate and we told everyone about the rescue, and they were shocked when they found out that the villain we went after was Lord Shen, who's come back from the dead and still wanted revenge on Paige for killing him long ago, and they were also horrified when they found out that Lord Shen was brought back by Edana Baudelaire of The Church of Necrom, and they also saw her army of Fear Demons with him.

But, when Lincoln showed what we did, especially with Paige transforming to destroy Lord Shen and banish him to The Black Gates and destroying Edana Baudelaire's army of Fear Demons, everyone cheered wildly for Lincoln and the rest of us, and they hugged us, and the girls in Lincoln's harem then went up to Lincoln, and they kissed him all over. Lincoln and Nathalia Prasit have a lot of catching up to do, now that she's back in town, and not only are we finally rid of Lord Shen, but this means that later on, Rhonda Jekyll and Lincoln are going to deal with Edana Baudelaire, and they'll make that witch pay for her crimes.

* * *

After destroying Lord Shen and banishing him to The Black Gates for good, along with destroying Edana Baudelaire's army of Fear Demons, we were training intensely in the gym, this time, doing 150,000,000 reps of crunches, wing push-ups and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 9,500-lb barbells, squats, and going a few rounds with the punching bags, and we were really sweating like crazy, even doing yoga to clear our minds, and when Nathalia Prasit saw Lincoln working out like crazy, she had an atomic red blush on her face.

Nathalia Prasit: (Thai Accent) Whoa, I was right that Lincoln has really grown to be a 17-year-old permanently 7'5" tall, really big, and really strong man, just look at those abnormally massive and powerful upper and lower body muscles and his eight-pack abs hard at work, and working out with those 9,500-lb barbells and he's not even get tired, incredible.

Lincoln: Yep, and I've also trained a lot under some very powerful teachers, J.D. and Nico included, Nathalia, and now, I can also defend myself, and in addition to getting stronger, I've also gotten smarter as well.

Nathalia Prasit: (Thai Accent) That's incredible.

Nico: It sure is. So, Nathalia, how did you give those people that criticized the Louds a massive piece of your mind?

Nathalia Prasit: (Thai Accent) Now, that I remember all too well. After Lynn got through with beating up Scoots and the crazy old bat was sent back to the nuthouse, I then tracked down the people who criticized the Louds and I proceeded to tell every last one of them off about how they all criticized the Louds, and I used a ton of swears for that, and I did the worst thing ever: I said that they were just as bad as Scoots, and it caused their faces to turn white like ghosts, and then, I stormed off. Then, after that reprimand, they decided to apologize to The Louds, and everything was restored to normal, but I wasn't done yet: I had one last bit of unfinished business. I went down to the nuthouse where Scoots was sent back to and then, I gave her a massive beatdown that left every single bone in her body broken, and I left the place.

We all cheered for what Nathalia did in reprimanding the people who criticized the Louds and for what she did in giving Scoots a massive beatdown and broke every single bone in her body.

Lincoln: And that also taught us a lesson: it doesn't matter what other people think, we do our best and we love doing our favorite things, and they have no right to criticize us. But, Scoots was a really mean and nasty person who enjoyed heckling people and causing trouble for her own amusement.

Lynn: But, she got her just desserts in the end, and now, she's condemned to our humiliations until your curse sends her to Hell next year, Lincoln.

Nico: Yeah. But, until then, we'll just humiliate Scoots until the time of judgement comes, and when that happens, then there'll really be H-E-Double Hockey Sticks to pay for Scoots.

Rayman: Hmm, I also have an idea. For the humiliations, we should also let the Rabbids also join in. Trust me, Scoots is going to be in for one nasty surprise, along with Flip, Lewis Travolta, Billy McLean, Amy, Icky Vicky, Trina Riffins, and any other jerk we'll also include.

Nico: That's a perfect idea, Rayman.

Lincoln: (Snickers) Those jerks are really going to be in for the nastiest surprise of their lives.

We then got a shower afterwards, and then, Clyde and his harem are preparing to head for Indigo Ocean for their exploration date, but they're not the only ones going, Lincoln and his harem are also coming along for the fun, and they're also going to be on guard, since Edana Baudelaire will have yet another plan to kill us again.

Clyde: This is going to be so awesome, and thanks for wanting to join in, Lincoln.

Lincoln: You're welcome, buddy.

Paige: Plus, we'll also be on our guard since Edana Baudelaire will have yet another plan to kill us again.

Ronnie Anne: In the form of a villain we haven't faced before hired as one of their mercenaries.

Clyde and his harem and Lincoln and his harem headed out of the World Tree Estate, and when they arrive at Indigo Ocean, it was an awesome tropical ocean paradise filled with hearty coral reefs and plentiful sea life. It's also home to a big pirate ship and the giant squid named The Claykken, who serves as the boss of the area.

Syd Chang: Whoa, what is this place?

Clyde: This is Indigo Ocean, Syd. Kirby and the others told us about this place, and it's an awesome tropical ocean paradise full of hearty coral reefs and plentiful sea life.

Lincoln: The Neptune Crusaders will absolutely love this place.

Lily the Mermaid: We're already loving this place, Linky. This is so amazing.

Then, Lincoln and his harem and Clyde and his harem dived into the water, and they were swimming in the large ocean, and they began exploring the coral reefs. Then, when they got up to the surface, Lincoln and Clyde got a deep tissue massage from the girls in their harems, and Lincoln and Clyde returned the favor and they gave the girls a deep tissue massage in return. Then, they had lunch that Lincoln packed, and they sat in a picnic area that Lincoln and Clyde made. Suddenly, the eight large orange orbs orbiting around Lincoln's legs and the eight large silver orbs orbiting around Clyde's legs were glowing and they were spinning like crazy, as they sensed something, and Lincoln and Clyde fired rainbow energy and silver energy blasts, and it hits a nearby coral reef, and a figure was forced out, it was Reverend Amos Howell, a tentacled hideous alien of Lovecraftian proportions who takes the appearance of a human preacher to lure people to join his master Unity, and yet another enemy of Superman. Just then, the rest of us appeared as well, and we proceeded to beat him up, and then, Syd tied him up in vines, so he can't escape.

Superman: Amos Howell, I should've guessed you'd be here as well. I'm going to guess that Edana Baudelaire hired you to kill us.

Reverend Amos Howell: I serve only one master, Unity, and once I destroy all of you, I'll also destroy the Church of Necrom as well.

Lincoln: Not going to happen, Howell. We already know about your ability to drain the energy of your victims and Unity's ability to suck the life of his victims, let's see how you like being drained of all of your energy and having the life sucked out of you.

Lincoln used his Death Wing Life Drain attack, and fired massive red energy blasts from his massive deep sapphire blue angel wings with stars, and as they hit the bound Amos Howell, Lincoln began sucking out the evil fanatical alien's life force, energy, and his powers and abilities, and he gained a massive power boost, and we all made his abilities our own. Then, as soon as Lincoln was done, the fanatical alien reverend was reduced to a withered husk, and Lincoln threw his lifeless corpse into the air and Clyde fired a black energy blast of The Black Gates, and not only was Reverend Howell erased from existence, but Unity was also erased from existence.

Superman: You guys okay?

Lincoln: Yeah, and we were really prepared for this one, and thanks for the added help, guys.

Nico: You're welcome, guys. But, it looks like Edana's really going to be pissed when she found out that Amos lied to her and the Church of Necrom, and he was planning on double-crossing and killing them.

Lincoln: You said it, Nico, and I know that by the time we finish our exploration date, we'll come back home to The World Tree Estate and that'll be when Edana Baudelaire will start shrieking her head off, and we'll hear about that.

Me: You got that right. Alright, guys, see you back home.

Then, we head back home, and then, as the sun was about to set, Lincoln and Clyde made clones of themselves, and Lincoln, Clyde, and their clones went up to the girls in their harems, and they wrap their abnormally massive and powerful muscular arms around their waists, and as the sun turned orange, they passionately kissed and hugged with supercharged and intense passion, and it was also sizzling hot for the girls in Lincoln and Clyde's harems as they wrapped their left arms around the thick muscular necks of Lincoln and Clyde and their clones and placed their right hands on the massive and wide muscular pecs of Lincoln and Clyde and their clones. Then, they came back home to the World Tree Estate.

And just in time as well, when Edana Baudelaire saw that not only did we foil her latest plan to kill us, but when she also found out that Reverend Amos Howell was planning on double-crossing and killing them since he's only loyal to Unity, that really pissed her off so badly, her red eyes turned blood red with insane rage and she flew into an insane rage, and we heard it from the World Tree Estate.

Clyde: (Smirks) Serves you right, Edana Baudelaire.

Lincoln: (Smirks) But, she ain't done yet. We're going to face her later on after our mission today, and she'll get the same treatment as Jocasta Belladonna, Jezebel Lanira, and Ianira Dormund.

Nico: (Smirks) You said it. (To Lincoln and Clyde) And I'm glad you guys are okay.

Lincoln: And I know you were worried about us greatly, Nico, especially when you and J.D. found out that Reverend Amos Howell was here, and that fanatical alien preacher was here to kill us, but not in the service of The Church of Necrom, but in the service of his true master, Unity.

Superman: But, now, we're rid of both Howell and Unity for good. But, there's still the threat of Edana Baudelaire to worry about, and from what we heard, she's really really mad now.

Lincoln: Madder than a rampaging bull in a shop full of China.

Applejack: Took the words right of my mouth, Linky. That girl needs to learn some manners.

Rhonda Jekyll: Forget it, A.J., those Church of Necrom boneheads lack manners, disciple, civility, and morality, and they deserve to rot in prison for the rest of their lives.

Lincoln: And hit with my Nightmare Demons' Vengeance Curse. But, we'll need to be careful when the day arrives when we face Michael Devlin, he can summon the Nightmare Demons to plague us in the Dream World. But, I've got a surprise for that moron, along with the rest of The Church of Necrom.

Eli: And you're not going to reveal it until later, right?

Lincoln: Yep, but don't worry, Eli. You and the others are really going to like the surprise.

---

Now it was time for Megan McCallister's First Ever Ambassador Mission and this was the missions we've all been waiting for. It was for Kamen Rider Saber and we're going to have a lot of fun on this one.

Me: I'm so excited Nico. I can't wait to tell Touma about how I banished Storious to the Warp after I took his Wonder Ride Book and now I have the Great Book with me.

Nico: That is going to be so cool.

Laney: Yeah it is! And we owe them big time for helping us out 2 days ago.

Nico: Boy do we ever.

William: Anyone else want to go with Megan? Besides Troy and 3 Rabbids?

May: Me, Maria, Megan Kiraton, Kento and Allie Wilde want to go.

Nico: Okay. This is gonna be so awesome!

Megan McCallister: Yeah it sure will be cool! I hope I get a Kamen Rider Saber form for a mermaid. I love mermaids.

Nico: Awesome.

We were then off to Japan.

We arrived in Japan.

Me: Here we are.

Megan McCallister: Yeah!

We then saw Touma.

Touma: Megan! Good to see you!

Megan McCallister: Good to see you too Touma.

Nico: Awesome to see you too as well.

Me: We owe you all big time for helping us out with the Zenkaigers.

Touma: Think nothing of it and Kento you are looking good.

Kento: You too Touma.

Troy: It's good to see you again, Touma.

Touma: You too Troy. Wow this is so awesome.

Me: It sure is.

Touma: How about we show you our base?

Nico: Sure. We have so much to talk to you about.

We followed Touma.

Troy: (sighs) I think you remember the Rabbids.

Touma: I sure do. They are so awesome.

Nico: Yeah they are.

Me: (Whispers to him) But they aren't the brightest lightbulbs in the closet if you know what I mean.

Touma: I think I do.

Kento: Yeah they are funny too.

May: But they are really awesome.

Maria: Yeah they are.

We arrived at the base.

Touma: Here we are.

We saw that it was an amazing library.

Maria: The base is a library?

Nico: Wow this is awesome.

Touma: Yeah it sure is.

Kenshin: Team Loud Phoenix Storm!

Yuri: Awesome to see you all here.

Tetsuo: It's great to have you all here.

Me: Same here and we owe you all big time for helping us 2 days ago. It was awesome.

Nico: It sure was.

Eli: I'll say.

Megan Kiraton: Also it's so awesome to be with you all. Saber is my most favorite out of all the Kamen Rider series and it's so awesome.

Touma: We're truly honored Megan.

Allie Wilde: This is amazing that you guys have awesome battles in stories and all that.

Nico: I'll say.

Me: But Twilight Sparkle would love coming to this library and she is an awesome lover of books. She would be like a kid in a candy store here.

Nico: (Laughs) She sure would.

Touma: I can tell. And J.D. we heard you have Storious's book.

Me: Yep I sure do.

I showed the book and it was called The Eternal Wonder of Joy.

Ryoga Shindai: That is really amazing.

Rintaro: It's good that you managed to steal Storious' Ridebook.

Nico: While Storious most likely healed his wounds, he'll have to get another source of power.

Me: And that is gonna be highly unlikely because this book was his primary source of power. I got this book in the Dream World. It's all because of my new power. I'm now what's called a Dreamwalker. I have the ability to go into peoples dreams and help out.

Nico: It's really awesome.

May: Boy it sure is awesome.

Me: Yeah. I beat Storious in the dream world and then I beat him again when we were helping the W Kamen Riders 2 days ago.

Touma: Wow! So that fight was you guys.

Me: Yep.

Nico: I like how your Ridebooks help do amazing things for you guys.

Megan Kiraton: That is really amazing.

Touma: It sure is. (To Megan McCallister) And Megan how would you like to be a Saber Kamen Rider?

Megan McCallister: Oh I would be honored.

He gave her a Wonder Ride Book and it was called Nepuchūn Mermaid.

Megan McCallister: Nepuchūn Mermaid! Wow!

She also had a really cool sword too. It was called the Sword of the Nepuchūn Mermaids.

Me: Wow that is cool!

Eli: Yeah it is!

Nico: Way to go Megan.

Reika: (smiles) Even if it wasn't acting, I knew that you would never go through with Luthor's offer thanks to all the memories of your friends.

Me: That's true. And I'm glad I made the right call on that one. But I learned that you can't change the past but you can move on and learn from the past to make things better for the future.

Reika: That is for sure.

Nico: Yes it is.

Eli: Yeah.

Me: I take it you heard about Caliber being destroyed right?

Touma: We sure did. That was great that you beat him.

Me: Yeah he put up one helluva fight.

Ryoga: (to Megan) It's good that you and your brother have developed a close bond since the days of dealing with those Wet Bandit buffoons. Family is ALWAYS important.

Megan McCallister: (Laughs) Wet Bandit Buffoons. I like that. But yeah that is true.

Me: You wouldn't believe how many times they dealt with them. 3 times they faced them. 2 in Chicago and 1 in New York City.

Eli: Those guys are as slippery as the soap they slip on.

We laughed at that one.

Ryoga: That was a good one Eli.

Eli: Thanks.

Maria: That was clever though.

One of the Rabbids tried to draw in a Ridebook with crayon.

Rintaro: No! That's not a coloring book!

Nico: (LAUGHS) That is sill.

I took it.

Me: No no. They don't work that way.

I saw no colors drawn on it.

Me: Thank goodness crayon doesn't stick.

But then…

KRABBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOMMMM

Touma: (hears explosion) And that's our cue.

Me: Lets go kick some butt!

We went out and we then were facing PIRANHA MEGID!

Me: Piranha Megid!

Piranha Megid: But I'm not the only one!

Out of a vortex of Fire came PHOENIX! But it was the one from Wizard!

Me: Phoenix too!? Wait this is the one from Wizard. Even thought technically they are the same one.

Phoenix (Wizard): That's right and I am glad you are having me go on the road to redemption J.D.

Me: The Den-O Kamen Riders are really cool and I got a contract with you from Den-O to become you as a Den-O Kamen Rider.

Phoenix (Wizard): That's interesting.

Me: It sure is and you gave Haruto one helluva challenge.

Phoenix (Wizard): I sure did.

Me: That is cool.

Touma: No Guardian form today?

Megan McCalister: You'll see it when my fellow Guardians come here. But for now, you get the Megan who uses a Dark Samus suit.

Touma: Fair enough. Henshin!

He turned into his BRAVE DRAGON FORM!

Saber Kamen Riders: HENSHIN!

They all transformed!

Megan Kiraton: HENSHIN!

She transformed too.

Nico: I think I'll join in myself. HENSHIN!

Nico turned into his ETERNAL PHOENIX FALCHION FORM!

Eli: YEAH!

Megan McCallister: DARK SAMUS ARMOR ENGAGE!

She morphed into her Dark Samus Suit!

Nico: YEAH!

Phoenix (Wizard): Wow! You guys have a lot of Kamen Riders.

Me: We have been very busy ever since we started meeting the Kamen Riders all over Japan. Now for me and I think I'll unleash the Wolf. KIBAL LETS HOWL!

(THE WOLF AND THE MOON BY BRUNUHVILLE PLAYS)

I turned into WOLF MOON 🌙!

Me: I have read lots of stories about the Phoenix and also you are very hard to beat. You are immortal like me.

Phoenix (Wizard): That's right.

Me: This is gonna be awesome.

I had my scythe ready and I spread my wings of blue fire and we went at each other and clashed powerfully as sparks and embers flew all over and fired were sparking all over.

Troy: Lets power up! Super Mega Mode!

He went SUPER MEGAFORCE RED!

Nico: YEAH!

Piranha Megid: This is gonna be good!

Nico: Bring it!

Nico fired waves of fire and burned him all over.

Me and Phoenix clashed all over and then we flew into the air.

Me: WOLF MOON STYLE NINJA ART: HOWLING FLAME BLASTER!

I fired a massive blast of blue fire from my hands and it hit Phoenix and exploded!

Phoenix fired waves of fire at me and I slashed them with my scythe and he went at me and I blocked his strikes.

Troy: Legendary Ranger Mode: Ninja Storm!

Troy went Ninja Storm and was the Red Ninja Storm Ranger and he fired waves of wind and smashed Piranha Megid all over the place.

Nico: Now for this.

Nico read a verse from his Wonder Ride Book.

(CODA BY HANS ZIMMER FOR DARK PHOENIX PLAYS AT 3:30 TO 4:24)

Nico: "The Eternal Phoenix flew through the skies above the Earth as it soared with absolute grace burning with magnificent fire as it flew across the sky and creating new life as it flew like a fireball over the Earth. It spotted an evil foe and rained down its fireballs onto that foe and punished the very wicked inside his very heart."

Then a phoenix appeared and it flew by me and Phoenix and it was incredible! It rained down fireballs onto Piranha Megid and they hit him and exploded all over and smashed him into pulp. Then new beautiful plants and forests appeared all over the city in a matter of seconds!

Me: WHOA That is so cool!

Phoenix (Wizard): Wow! How did that happen?

Me: Nico did. He read a verse from Eternal Phoenix.

Nico: "All the while, Piranha Megid valiantly put up a fight."

Piranha Megid: Wow! You are a great story teller.

Eli: That was amazing though! This entire forest grew in seconds.

Nico: Wow it sure did!

Touma: That is really incredible Nico! You read a verse and then all this happened! I didn't know the Wonder Ride books could do that!

Nico: Me neither until I saw it 2 days ago. That was so awesome.

Megan McCallister: It sure was cool!

Eli: Lets see how he likes this one.

Eli formed a sword made of Phoenix Fire and slashed Piranha Megid all over the place.

Nico: Nice one Eli!

Megan McCallister: Lets see what I can do with my book.

She opened it.

Nepuchūn Mermaid!

The Mermaids of Neptune, widely known for the water powers they have that cleanse the world of impurities will lead the way to the world being pure and good.

Megan McCallister: Wow! Lets see here. "And then a mermaid from Neptune made a really strange noise and a massive wall of water barreled towards the evil foe with incredible speed and the water smashed into him and knocked him all around like a rag doll caught in a storm and then mermaids came and smashed him all over with powerful punches that sent him crashing into objects all over."

Everything Megan said happened and it was amazing!

Me: COOL!

Phoenix (Wizard): Wow! That was amazing!

Me: No kidding!

Megan fired a missile and it smashed into Piranha Megid and exploded!

KRABBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOMM

Nico: YEAH!

Me: Now that was cool!

Nico: "All the while, the brave hero was hoping that his cute companions weren't causing trouble at home".

Reika: I don't think that's a verse.

Nico: Sorry. Got carried away there.

Reika: That's all right. But lets finish this guy!

Touma: Yeah!

They fired waves of elements and energy and smashed him all over the place and then he exploded!

KRABBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

He was dead and his wonderbook went into May's hands and it formed into a new book for her. It was called Valorous Mizu Angel!

May: Valorous Mizu Angel?

Nico: Awesome May! You got your own Wonder Ride Book.

May: That is cool!

Phoenix (Wizard): Boy those books are awesome!

Me: They sure are. Also you would make an awesome member of the Masters of Evil. I already have another version of you inside my head so you would make a great addition for the M.O.E.

Phoenix (Wizard): I just might take up that offer.

Maria: J.D., are you done with your fight?

Me: Yes I am!

I went down and Phoenix followed.

Me: Phoenix is going to join the Masters of Evil. We just have to find the right archenemy for him.

Eli: That is so cool!

Me: But you guys did awesome!

Nico: Yeah you guys did!

Megan McCallister : Damn, I should start using my Dark Samus form again more often. It was a blast fighting with it today!

Me: It sure has been forever since we saw it last.

Eli: No kidding there.

May: Yeah.

Touma: But that was so awesome that you guys did all that with the books.

Nico: It sure was. The power they have is awesome.

Kento: I'll say!

Me: It sure is.

May: Megan, next time the Guardians and Shu will go with you next.

Megan McCallister: That's a great idea!

We later came back.

William: Hey guys!

Laney: How did it go?

Me: Really awesome! You wouldn't believe everything that happened.

We told everyone everything that happened and it was amazing.

Lincoln: Oh wow! That is so cool!

Clyde: Boy I'll say and now J.D. has Phoenix both inside his head and in the Masters of Evil! How cool is that?

Me: Really awesome. One for the Redemption Squad and the other for the Masters of Evil.

May: Next time, Aerrow should go with you.

Megan McCallister: He can come too with the Guardians as well.

Lola: That's a great idea. But wow you guys had a lot of fun on this one.

Nico: Boy we sure did.

Me: Now I have something awesome next. I have a special treat for you all. We're going to New York and we're going to meet the iconic Betty Boop and Grampy.

Nico: AWESOME! Boy its about time we did that.

Lynn Sr.: Oh I remember watching her and Grampy all the time growing up! They were so awesome back then.

Me: And still are now.

Suddenly, Lincoln's deep sapphire blue eyes and the rainbow colored iris of Lincoln's Third Eye glowed even more, as he sensed a dark energy signal with his eyes and the Force, and he saw who the figure is in the vision: it was none other than Edana Baudelaire, and she's coming to kill us all for revenge for ruining her schemes, and she's even more major leagued pissed off when she found out that Reverend Amos Howell was planning on double-crossing and killing them since his true loyalty was to Unity. When we saw it, we knew it meant trouble.

Nico: Uh oh, I know those glowing eyes from anywhere. Lincoln, is Edana Baudelaire on the move?

Lincoln: That's right, Nico, and she's coming to kill us all for revenge for ruining their schemes, and she's even more major leagued pissed off when she found out Reverend Amos Howell was planning on double-crossing and killing them since his true loyalty was to Unity.

Rhonda Jekyll: So, Edana Baudelaire's on the move. Perfect, now we have our chance to pulverize and beat that crazy witch into the ground for what she did in resurrecting Lord Shen and hiring the double-crossing Reverend Amos Howell to kill us at Indigo Ocean.

Lincoln: And we're both taking that crazy witch down, and like I said, she's getting the same thing as Jocasta Belladonna, Jezebel Lanira, and Ianira Dormund.

Inside the Dark World Goth Girls' black tarot box in Nicholette Torrington's hands, Jocasta Belladonna, Jezebel Lanira, and Ianira Dormund were still screaming in rage and the box was shaking. But, then, Nicholette Torrington put a white pillow cushion inside the box and soundproofed it, drowning out the screeches of rage coming from Jocasta Belladonna, Jezebel Lanira, and Ianira Dormund.

Nicholette Torrington: There, that's much better.

Lincoln: We should've thought about that sooner, now we won't have to hear them.

Nico: Nice. But, this won't stop the box from shaking when they start screaming in rage again.

Rhonda Jekyll: No, it won't, but it'll be better since we won't have to hear them screaming like that again.

Violet Baudelaire: And guys, there's something you should know about Edana Baudelaire. You see, we found out that Edana Baudelaire was once related to us.

We gasped in shock.

Nico: What? I get you guys share the same last name as that witch, but I'm going to guess there's a reason why you don't talk about her, right?

Klaus Baudelaire: That's right, you see, Edana was related to us, she's our cousin. But, we severed our ties with her when we found out she killed her parents in a Satanic sacrificial ritual long ago.

We gasped in horror at the news.

Lincoln: Whoa, now that's brutal.

Nicholette Torrington: Wait, I remembered hearing about this a few years ago, but it wasn't just her parents that she killed in the Satanic sacrificial ritual, the other members of The Church of Necrom also killed their own parents in the same Satanic sacrificial ritual as well, and that led to them gaining their dark powers.

We gasped even more in horror at the revelation from what Nicholette told us.

Nico: So, those bastards killed their own parents in a Satanic sacrificial ritual, and that led to them gaining those dark powers of theirs?! Now, that's just pure evil.

Lincoln: Devoted to the most evil sorcerer in the Marvel Comics, messing with the Dark Arts, and also finding out they murdered their own parents to gain those dark powers of theirs?! Now, we can also add ritualistic murder to their rap sheets!

Me: And they're looking at even more hard time in prison for what they've done.

Eli: Betraying your own parents just for dark powers, that's just nothing but pure evil.

Brittney Knudson: They'll pay dearly for every single thing they've ever done.

Nicholette Torrington: And they will, Brittney.

Nico: You said it.

We were off to New York.

---

We were flying over to the New York City suburbs.

RD Girl Jordan: So, we're meeting Betty Boop, right?

Me: Yep we sure are. Growing up I used to watch her cartoons for years and they were some of the best that I remember.

Nico: Boy I haven't watched Betty Boop in ages. Ahh good memories on that.

Eli: So awesome and she was a really awesome and iconic classic for many years since 1930.

Me: You got that right bro. And we're going to meet Grampy too.

Laney: Grampy is really cool! He has this awesome knack for Tinkering and he makes those awesome inventions.

Lana: Thanks to that awesome hat when he gets an idea.

Lola: Yeah!

Me: Yep. Here we are.

We arrived at Betty Boop's mansion.

Nico: Nice mansion.

Me: Yep.

We went up to the door and I knocked on the door.

Betty Boop then answered.

Betty Boop: Oh my! Team Loud Phoenix Storm it's an honor.

Me: You too Betty and it's awesome to meet you.

Scott Pilgrim: I just want to say that I loved watching you when I was young.

Betty Boop: Oh I am so honored.

Grampy then came.

Grampy: Oh Wow! Team Loud Phoenix Storm it's an honor.

Me: You too Grampy. Wow I loved watching you too as well. So many awesome memories from our great childhoods.

Popeye: They were great. Betty it's great to see you again.

Betty Boop: Oh you too Popeye. It's amazing to see you.

Popeye: You too Betty.

Me: I remember that too. So many awesome memories.

Blackout: One of the people related to Aruto probably looks like you.

Grampy: Really?

Me: Yeah that's the Professor of Kamen Rider Zero One. He looked so much like you Grampy and he reminded me of you with that awesome idea light bulb hat and I figured why not have Betty Boop and Grampy become part of the team.

Nico: That is awesome.

Lana: That was awesome

Nico: Yep and we're going to have a great mission too. We're going on a great mission to meet Howard the Duck.

Me: Howard the Duck!? Wow! We have not met him and he was one of the first ever Marvel Comic Book movies. Also those blockhead critics ruined it.

Nico: Yeah no kidding.

Eli: What a bunch of movie degrading neanderthal bullies.

Laney: Yeah. But it'll be awesome meeting Howard the Duck.

Captain America: You guys will love Howard. He is really cool.

Donald Duck: It'll be awesome to meet him.

Lola: Yeah it will.

Then Atomic Skull, Comic Book Guy, Box Ghost, Ghost, Gearhead, Mr. Fizz, Unicorn, Selene, Evil Green Ranger and Dark Laser appeared.

Atomic Skull: Can me, Comic Book Guy, Box Ghost, Ghost, Gearhead, Mr. Fizz, Unicorn, Selene, Evil Green Ranger and Dark

Laser go with you guys?

Nico: You all sure can.

Atomic Skull: Whoa no way! Betty Boop and Grampy!?

Betty Boop: That's right.

Atomic Skull: Wow! I loved watching you both back when I was a kid and you guys are one of my favorites.

Unicorn: Mine too! You guys are awesome!

Me: We got lots of big fans of yours Betty.

Betty Boop: Wow you sure do.

Me: Yeah.

Nico: We'll find Howard in New York City Time Square. He's over at a comic book convention going on now.

Lincoln: AWESOME! Clyde, Stella, Liam, Zach, Rusty, Lori everyone you thinking what I'm thinking?

Lori: You bet we are bro.

Me: I know that feeling.

Nico: Me too.

Barricade: Boss, which Gene Slammer do you think you'll meet on your next rescue?

Nico: Lets see. I'm hoping to do one for a Magic The Gathering monster next. I'm hoping to do one that is for Kaalia of The Vast.

Me: Wow that's interesting.

Kaalia of The Vast: I'm honored that you want to do one for me next.

Lola: That is gonna be cool.

Me: So we'll have someone for Fire, Darkness and Light go with next. She is a three element monster.

Kaalia of The Vast: That's true.

Nico: Yep.

Unicorn: What do you guys say we get over there?

Nico: Lets do it!

We were off to the middle of New York City.

---

We later arrived and we were at the New York City Convention Center.

Nico: Here we are. The New York City Comic Con. Cool!

Me: All right Lincoln lets deal the full deck!

Lincoln: You got it! (SNAPS FINGERS)

THUNDERCLAP!

Lincoln and his friends including Becky turned Ace Savvy and his sisters all turned into THE FULL HOUSE GANG!

Lola: This is gonna be cool!

We went to the counter.

Me: Hello sir.

Ticket Seller: (Excited) Team Loud…

Me: Yep. That's us.

He fainted from excitement.

We went in and we got in for free.

Disk Wars Mandarin: Here we are.

Me: Yep welcome to NYC Comic Con.

Nico: This is so cool!

Eli: Wow! I love Comic Con.

Lola: It's amazing.

Comic Book Guy: Best. Comic. Book. Convention. EVER!

Nico: Yeah it is!

SpongeBob: One day we should introduce you all to the Bikini Bottom Jellyfishing Convention.

Me: That would be awesome to see.

Lily: You guys would love it. It's really cool.

Nico: Yeah it is!

We looked around and at a stand we saw HOWARD THE DUCK!

Me: There he is!

Howard the Duck: (Quack) Wow! Team Loud Phoenix Storm! Its such an honor!

Nico: Nice to finally meet you Howard.

Me: Same here.

Gwenpool then appeared!

Gwenpool: Oh wow! Team Loud Phoenix Storm! LOL! This is an amazing surprise!

Nico: Gwendolyn Pool A.K.A. Gwenpool! Awesome to meet you.

Deadpool: Oh boy! (To the viewers) Brace yourselves folks and she is crazy as me!

Spring Man: Now we have 2 versions of Gwen Stacy.

Nico: We sure do. But Gwenpool is like Deadpool.

Me: But just as silly and funny.

Lola: Yep.

Howard the Duck: But she has done a lot of funny things too. She helped do a really great job for the convention.

Me: That is so awesome. But Howard it's a darn shame that your movie wasn't a big hit because of those blockhead bully critic neanderthal nimrods.

Howard the Duck: Yeah I know.

Laney: No kidding there.

Howard the Duck: (to Ghost) So, I travel the world the last several years. And when I come back, I find out you and the other bad guys are now buddy buddy with the Avengers.

Ghost: It's not just the Avengers.

Nico: It's us too.

Me: Long story behind it. It happened after we destroyed Thanos on December 26th, 2019.

Howard the Duck: You guys destroyed Thanos!?

Nico: Yeah we sure did.

Me: That was one of the most devastating battles we've ever had.

Lola: It sure was.

Molly Hale: Are you a Barrow's goldeneye duck?

Howard the Duck: I guess.

Me: That is a really awesome kind of duck.

Howard the Duck: Yeah that is cool. Also my friend speaks really highly of you.

We then saw Stan Lee!

Me: (Gasp) Stan Lee!

Camie: Wow! The world famous creator of Marvel Comics!?

Stan Lee: Greetings True Believers.

Me: Awesome to see you again Stan. Sorry you had to go through what happened in the Ultimate Alliance Universe.

Stan Lee: That's all right. I'm okay though.

Box Ghost: So, what have you been up to lately?

Stan Lee: Oh just writing comics and making lots of appearances.

Me: Awesome.

Nico: But you did help us out many times in the past.

Stan Lee: That is true. And I now am working on a new comic for you all and you will love it. I'll be seeing ya. EXCELSIOR!

Me: EXCELSIOR!

He left.

Toxica: What about you, Howard? What have YOU been up to?

Howard the Duck: I was undercover. I have reason to believe that one one my enemies is here right now.

Me: Do you know which one?

Howard handed me a picture of his enemy Princess Python!

Me: Zelda DuBois A.K.A Princess Python!

Nico: Oh man. She is dangerous.

Me: And she is one of the Shadow Council's version of the Masters of Evil.

Laney: Yeah and Howard this is not Baron Zemo's version of the Masters of Evil. This is Vypra's version of the group.

Howard the Duck: Oh a different version.

Me: Yep.

I went over Princess Python's history.

---

Zelda DuBois, alias Princess Python, is a supervillain from Marvel Comics.

Zelda DuBois joined Ringmaster's Circus of Crime soon after the Circus began encountering such superheroes as Spider-Man, Daredevil and Hulk.

Dissatisfied with the Ringmaster's leadership, she was responsible for him being thrown out and the Clown being declared their new leader When Spider-Man investigated the Circus of Crime and ended up fighting them, one of the members, Princess Python ran away and Spider-Man tried to be a gentleman, not fighting a woman and instead pleaded with her to surrender. While Spider-Man was knocked into her snake pit, the Ringmaster decided to get revenge and knocked the Clown out cold making his way out with the treasure. The Ringmaster was caught red-handed with paintings and the rest of the gang including Princess Python was rounded up by the police.

Shortly afterwards, she aided the Circus in attacking the Avengers Mansion during the wedding of Hank Pym and Janet Van Dyne. While the Princess's snake was vital both in the scheme and in its execution, the Circus was defeated and arrested, with the Princess being beaten by Van Dyne herself.

She soon joined the Serpent Squad, but the Squad was defeated by Nomad. Princess Python rejoined the Circus of Crime until being recruited by Sidewinder for his Serpent Society. When the Society undertook a mission to assassinate M.O.D.O.K., Princess Python panicked and fled the scene, coming across Captain America. Princess Python told him that she couldn't go through with the mission, as unlike the other serpents, she was just a snake charmer and had no powers or fighting skills. Captain America let her go, but the Society caught up with her. They expelled her from the Society, wiping her memory of their secrets. When her teammate Death Adder was delivering her to the Circus of Crime, his Serpent Saucer crashed and he flagged down a cab, leaving Princess Python in the saucer. The cab driver, however, turned out to be the Scourge, and killed Death Adder. Princess Python, who had been left behind, survived.

Zelda was apparently killed by a car bomb left by her own son, Daniel, but she somehow survived and joined Shadow Council's Masters of Evil along with many other super-villains.

---

When I was done everyone was shocked!

Nico: Oh man! That is awful!

Eli: Yeah and she is a former member of the Serpent Society.

Mr. Fizz: Yost Crimson Dynamo told me there's no Princess Python in the Yost Serpent Society

Me: That is a darn shame. Many villains that we know are not in the Yost Universe.

Girl Jordan: Thank goodness I killed the Yost Kasady before he could become Carnage.

Lola: Yeah. No kidding there.

Howard the Duck: Why would she do that?

I beckoned him and whispered into his ear about what happened with Girl Jordan and her horrible vendetta and how Kasady destroyed her life and more.

Howard the Duck: Oh man that's awful.

Me: Yeah it was.

Scrap Shooter: Nico's favorite Yost villains are Crimson Dynamo and Electro, see.

Nico: It's true. Those two are my favorites.

Me: Yep and we found out that Spiderman was falsely being treated like a murderer when he really isn't. We had joint ambassador missions at that time.

Howard the Duck: Ambassador Missions?

Me: It's part of a special diplomatic mission program we made for future missions coming up. And later this week we go to the Yost Universe for the X-Men and we're going to talk some sense into the people to stop hating mutants like we did here.

Howard the Duck: Wow.

Nico: Yeah. People hating mutants is a terrible form of bigotry.

Yost Emma: Not to mention that there seems to be a connection between the disappearances of Magneto and Psylocke in my world.

Evil Green Ranger: You know it's serious when ANY version of the Master of Magnetism vanishes.

Nico: Yeah something is going on and it has something to do with our big target there.

Me: And I have a bad feeling about it too. It must be the work of Apocalypse.

Nico: Yeah.

Ashi: Howard, can you defend yourself in a fight?

Howard the Duck: Yes I can. I am a hero after all.

Me: That's true.

Eli: Maybe we can find Princess Python for you and duke it out with her.

Me: But we can't face her in here. Too cramped and too many people that could get caught in the crossfire. So we'll take the battle to another planet just to be safe.

Lola: Good idea.

Nico: Yeah.

Dark Laser: (to Howard) I think me and Flipsy saw you one time out in space.

Howard the Duck: That's right I remember seeing you guys.

Laney: That is coincidentally cool!

Me: It sure is.

Lola: Yeah it is.

Camie: Wow.

Rabeeder: Let's go outside and look for her.

Nico: Okay.

Eli: I'll sense for her.

Eli sensed for her with the Force and he found her hiding in an ally across the street!

Eli: She's in an ally across the street from here.

Me: Perfect. Good thing we can get back in to enjoy this.

Nico: This is gonna be good. Lets get her guys.

Gearhead: Any nearby vehicles I can use?

Nico: We're in New York City. There's tons of them.

Gearhead: Oh right.

Nico: Lets go.

We went to find Princess Python.

Manterror: Entrance time!

Nico: Lets go.

We went at the alley.

Princess Python was eyeballing the Comic Convention. But then the area turned into the planet Glaren!

Princess Python: What the!? Where am I?

But then the spirits of the Masters of the Comics appeared and swirled around her and then converged and then a Total Solar Eclipse appeared and then massive beams of light and darkness fired from it and then we came out.

Nico: Zelda DuBois A.K.A. Princess Python. Nice to finally meet you in person. Or rather in the snakeskin.

Princess Python: Team Loud Phoenix Storm nice to meet you too.

Selene: Also, Howard the Duck's here too.

Howard the Duck: Hello there.

Princess Python: Nice to see you too Howard. Wait Selene? I thought you were with the Hellfire Club.

Selene: Now I'm with a new group.

Me: The Masters of Evil now.

Princess Python: So Baron Zemo now has Selene working for him.

Eli: Why is it that every Marvel Villain we meet thinks that the Masters of Evil is his group?

Me: Well he did invent the group. Also no Zelda this is not Baron Zemo's group. It's totally different. This is Vypra's Masters of Evil that was made after the Battle with Thanos.

Princess Python: I see.

Then Cluemaster, Turtle, Zavok, See More, Madame Masque, Crimson Dynamo, Shiva, Billy Numerous, Top and Spymaster appeared.

Nico: Cluemaster, Turtle, Zavok, See More, Madame Masque, Crimson Dynamo, Shiva, Billy Numerous, Top and Spymaster.

Me: Awesome seeing you all here too.

Crimson Dynamo: Nice to see you here Zelda.

Princess Python: Yuri? You're part of the Masters of Evil too?

Crimson Dynamo: I sure am.

Nico: And many villains are part of the group.

Cluemaster: I was wondering when Howard the Duck would join you guys.

Turtle: It's about time too.

Me: Yeah no kidding! Been a while huh?

Zavala: (chuckles) Another Duck member, eh?

Me: Yep.

Cluemaster: Wow! Is that Betty Boop and Grampy with you guys?

Me: Yep.

Betty Boop: Pleasure to meet you guys.

Cluemaster: I loved watching you both back when I was a kid!

Top: Good memories! I loved all those cartoons.

Nico: Who doesn't love Betty Boop's cartoons.

See More: (to Nico) Heard you fought Trunchbull.

Nico: Yep we sure did and we made sure she got the Black Gates.

Madame Masque: May the children she's killed rest in peace.

Me: Amen to that.

Laney: What a monster!

Me: And may Ms. Honey's dad rest in peace too.

?: Amen to that too.

A figure came out and it was SOFT BODY SAIMA BEAST DEATHMINE from episode 28 of GoGoV!

---

Deathmine was utilized by Denus in controlling the laboratory of Professor Kagami, the man who devised the AI behind GoGoFive's Liner Boy, in a scheme to force the doctor who give his work a program to make it controlled for Psyma usage. GoGoFive try to face it initially in order to save Kagami, Liner Boy, and their own Shou (who was assisting the doctor), but had a hard time facing its defenses. Ultimately after GoGreen is able to save the doctor's baby boy from the Psyma, he unleashes his entire wrath upon the Psyma Beast before the team destroy it with Victory Buster.

After being resurrected by Pierre, Deathmine is initially assisted by the brainwashed Liner Boy in fighting Victory Robo; but with Shou's previous acknowledgement that Liner Boy is also his son, Kagami frees the robot from Psyma control. With it back on their side, GoGoFive use a "battle formation" where Victory Robo punches Liner Boy, making it streak through the sky and rip right through Deathmine, destroying it.

---

Eli: Deathmine! I remember you! You were sent to force the doctor to give his work a program to make it controlled for Psyma usage!

Deathmine: That's right Eli. Good memory.

Eli: Yeah.

Nico: So you're one of the Japanese Lightspeed Rescue Monsters. Cool.

Me: Man what a rip that you didn't get your own episode. That would have been awesome.

Deathmine: It sure would have been cool.

Laney: Yeah.

Deathmine: I'm not the only Japanese Monster who's here today.

We saw Romance World come out.

Me: Romance World. Here for another round?

Romance World: It's actually for me against Zocks and Chloe.

Me: Oh right that reminds me. We need to thank you for bringing Zocks and Chloe together. That was really awesome.

Zocks: Thanks to you me and Chloe are now a couple.

Chloe Bourgeois: We sure are.

Romance World: Awesome! Glad my matchmaking brought you two together.

Nico: Love has a really big habit of happening in the most unexpected of places and circumstances.

---

Aang, Katara, Rainbow Dash, Scootaloo, Air Skylanders, Flamefeather and Cindersaur VS Arthur Brown A.K.A. Cluemaster - My dream rescue

---

Cluemaster was first.

Cluemaster: (to Aang) It's good that J.D. managed to recruit Sir George on his dream rescue. Although, with Ascalon in Riley's possession, he'll need a different weapon.

Aang: Yeah I agree but we have a man that has over 1,700 years worth of history in him.

Katara: Sir George has been around since 3rd Century AD and that is really amazing.

Rainbow Dash: He has seen every major event from the European Dark Ages, The Crusades, The Renaissance and more. So cool.

Rarity: Oh it's absolutely horrible darlings. I hope she likes the Black Gates.

Sweetie Belle: Me too! She deserves it too.

Gill Grunt: Boy I'll say.

Turtle: I agree there too. Lets do it!

They fired waves of lightning, jewels, water and ice and smashed him down.

## Ace Bunny, Lexi Bunny, Fluttershy, Tornado Bolt, Life Skylanders, Disk Wars Silver Samurai and Disk Wars Mandarin VS Zavok - Lincoln's Rescue

---

Zavok was next.

Zavok: (to Ace) I heard that Lincoln's rescue was on a planet with mashed potatoes and gravy. How was it?

Ace Bunny: You should have seen it. That planet was really cool and awesome!

Fluttershy: We all thought it was cool being on a planet like that.

---

Ash Ketchum & Pikachu, Serena, Pinkie Pie, Featherweight, Tech Skylanders, Spring Man and Slash Man VS See-More - Meeting a Malina, Princess of Sunflowers Gene-slammer

---

See-More was next.

See More: (To Ash) Heard you guys met a Malina, Princess of Sunflowers Gene-slammer. What's her name?

Ash Ketchum: Her real name is REALLY Super long. Her name is Nathalia Prasit. But her full name is the longest we've ever seen. She is from Thailand and she has a really awesome history.

Pikachu: Pika!

Serena: She hates Scoots and she gave the people that criticized the Louds a massive piece of her mind.

---

Nathalia Prasit: (Thai Accent) Whoa, I was right that Lincoln has really grown to be a 17-year-old permanently 7'5" tall, really big, and really strong man, just look at those abnormally massive and powerful upper and lower body muscles and his eight-pack abs hard at work, and working out with those 9,500-lb barbells and he's not even get tired, incredible.

Lincoln: Yep, and I've also trained a lot under some very powerful teachers, J.D. and Nico included, Nathalia, and now, I can also defend myself, and in addition to getting stronger, I've also gotten smarter as well.

Nathalia Prasit: (Thai Accent) That's incredible.

Nico: It sure is. So, Nathalia, how did you give those people that criticized the Louds a massive piece of your mind?

Nathalia Prasit: (Thai Accent) Now, that I remember all too well. After Lynn got through with beating up Scoots and the crazy old bat was sent back to the nuthouse, I then tracked down the people who criticized the Louds and I proceeded to tell every last one of them off about how they all criticized the Louds, and I used a ton of swears for that, and I did the worst thing ever: I said that they were just as bad as Scoots, and it caused their faces to turn white like ghosts, and then, I stormed off. Then, after that reprimand, they decided to apologize to The Louds, and everything was restored to normal, but I wasn't done yet: I had one last bit of unfinished business. I went down to the nuthouse where Scoots was sent back to and then, I gave her a massive beatdown that left every single bone in her body broken, and I left the place.

We all cheered for what Nathalia did in reprimanding the people who criticized the Louds and for what she did in giving Scoots a massive beatdown and broke every single bone in her body.

Lincoln: And that also taught us a lesson: it doesn't matter what other people think, we do our best and we love doing our favorite things, and they have no right to criticize us. But, Scoots was a really mean and nasty person who enjoyed heckling people and causing trouble for her own amusement.

Lynn: But, she got her just desserts in the end, and now, she's condemned to our humiliations until your curse sends her to Hell next year, Lincoln.

Nico: Yeah. But, until then, we'll just humiliate Scoots until the time of judgement comes, and when that happens, then there'll really be H-E-Double Hockey Sticks to pay for Scoots.

Rayman: Hmm, I also have an idea. For the humiliations, we should also let the Rabbids also join in. Trust me, Scoots is going to be in for one nasty surprise, along with Flip, Lewis Travolta, Billy McLean, Amy, Icky Vicky, Trina Riffins, and any other jerk we'll also include.

Nico: That's a perfect idea, Rayman.

Lincoln: (Snickers) Those jerks are really going to be in for the nastiest surprise of their lives.

FLASHBACK ENDS

See-More: WHOA! That is really awesome!

Pinkie Pie: It really was amazing!

Featherweight: Scoots had it coming.

Sprocket: Yeah no kidding there!

See-More: I wish the Grim Reaper would just hurry up and kill her already. Lets do it!

They fired waves of energy, metal, gears and lightning and smashed him down.

Rhonda Jekyll: I should've known there's no mistaking that chalkboard screech from anywhere. You can come out now, Ianira Dormund.

An inverted pentagram with Necrom on top of it drawn in blood red infernal energy appeared in the skies, and then, a mist of darkness came out and as it landed, the mist of darkness faded revealing a 17-year-old girl with long black hair, pale skin, red eyes, and a deranged sadistic grin on her face, and dressed in a black long-sleeved dress, black long-sleeved coat, black pants, and black heels. It was Edana Baudelaire, a dangerous witch and another member of The Church of Necrom.

Nicholette Torrington: Edana Baudelaire, I should've known you'd be the next one to come out after we took down Jocasta Belladonna, Jezebel Lanira, and Ianira Dormund, along with killing Lord Shen whom you resurrected, along with you sending Reverend Amos Howell to kill us, but you failed to even realize that Amos Howell was loyal only to Unity, and he was going to kill you all in the end.

Edana Baudelaire: Shut up, bitch! You all have ruined our master's plan to bring Lord Necrom into this pathetic world, so that we could destroy all of mankind and bring back The Dark Ages, and now, we will destroy all of you ourselves!

Violet Baudelaire: You just don't even know when to shut your big mouth, do you, Edana?

When Edana Baudelaire saw Violet, Klaus, and Sunny here, she was beyond pissed off big time. But, so were the kids.

Klaus Baudelaire: And it's not a surprise to see you're still the same heartless, sadistic, and deranged witch who's nothing more than a disgrace to our family.

Rhonda Jekyll: And now, your rampage is finally over, Edana.

Suddenly, Rhonda Jekyll's green eyes turned neon green and she was surrounded by a red-orange energy aura with darkness, demons, dark magic, and rainbow flames, she unholstered her massive Reign-Beaux, Overlord of Dark World-themed sword from her back, and as she approached Edana Baudelaire, she left red-orange energy, demons, darkness, dark magic, and rainbow flames with every step.

Rhonda Jekyll: You just don't even know when to quit, do you? We've beaten you down so many times and in those many times, you fled with your tail between your legs and howling like a wounded animal. That's it, I've had it up to hear with you, Edana Baudelaire, and now, I'll see to it that you'll pay for the crimes that you've committed long ago.

Suddenly, Rhonda Jekyll was surrounded by a massive vortex of red-orange energy with darkness, demons, rainbow flames, and dark magic surrounding it, there's Reign-Beaux, Overlord of Dark World flying around the vortex, and inside the vortex is a blue phoenix. Then, as the vortex faded, Rhonda Jekyll emerged, but she was changed forever.

Rhonda Jekyll grew from 6'5" to 6'11" in height, she had black highlights in the bangs of her long flowing orange hair, she has neon green eyes and a red-orange energy aura with darkness, demons, dark magic, and rainbow flames surrounding her, she has the image of Reign-Beaux, Overlord of Dark World emblazoned on her forehead, she has on demon earrings with cobalt blue gems for eyes and holding the Dark and Eternity Kanjis in its hands, she also has Reign-Beaux, Overlord of Dark World with blue gems for the eyes and the Dark and Eternity Kanjis in its hand for the second pendant, along with the golden Thunderbird pendant of her Thunderbird Necklace of Eternal Love necklace with cobalt blue crystal links from her merged Crystal Necklace of the Buddha and cobalt blue gems on the gold lightning bolt links. Rhonda Jekyll has on a sleeveless red-orange blouse, sleeveless red-orange top, red plaid skirt, red pants with flowers on the legs, red stockings, red sneakers, and a long red-orange sleeveless trenchcoat with darkness, demons, dark magic, and rainbow flames on the coattails, and Reign-Beaux of Dark World surrounded by demons, darkness, darkness, and rainbow flames on the back. Suddenly, Rhonda Jekyll's massive red-orange angel wings grew much bigger for her new body, and the large red-orange feathers have black tips. Rhonda Jekyll has on a Ring of The Phoenix with red-orange gem and heart shaped gem embedded in it on her right ring finger and a Star Sapphire ring on her left ring finger.

Suddenly, Rhonda Jekyll's massive Reign-Beaux, Overlord of Dark World-themed sword was suddenly surrounded by a kaleidoscope of red-orange energy, darkness, and rainbow flames, and as it finally emerged, it was transformed into Reign-Beaux Overlord of Dark World's Demon Sword of Darkness Overlord Justice, it's a brand-new greatsword with Reign-Beaux, Overlord of Dark World etched on the 7'0" massive, wide, double-edged red-orange blade, large red-orange angel wings for the crossguard, large red-orange gem embedded in the rainguard, longer black handle, and a large red-orange gem with black angel wings surrounding it for the pommel, she has on her new large gold cuff Bracelets of the Champions of The Universe with red-orange gems on her wrists, new large gold Belt of Elemental Bravery with a gold version of Reign-Beaux, Overlord of Dark World's head with red-orange gems for eyes and a large red-orange gem in its open mouth for the belt buckle, large Destroyer of The Church of Necrom grimoire and rainbow-colored leather and gold metal bound Elemental Spellbook of Harmonious Justice, Eternal Harmony, and Equestrian Peace on her left hip and Eater of Sins revolver holstered on her right hip. There's a red-orange kanji below Reign-Beaux, Overlord of Dark World that said, "Rhonda Jekyll, Descendant of Dr. Henry Jekyll, Smart Scientist, Gene-Slammer of Reign-Beaux Overlord of Dark World, Powerful Member of the Dark World Goth Girls, Powerful Master of The Dark Arts and The Occult, Dear Friend of Nicholette Torrington, Giselle Harrington, Scarlet Rosenburg, Silvia Excelsior, Renee Ravenclaw, Helena Hufflepuff, Elizabeth Gryffindor, Selene Slytherin, Zennia Nikolaevna, Jackie Wren, Laniya Guillermo, Camie Nicholetta, Bertha Sellington, Chloe Terryington, Celine Wendova, Connie Jackelstein, and Clara St. Clarice, Loving Future Wife and Guardian Angel of Lincoln Loud, Thrasher of Josee and Jacques, Destroyer of The Church of Necrom, Slayer of Evil, Deranged, Murderous, Ruthless, and Sadistic Bastards, Amazing and Powerful Student of Amazing and Powerful Teachers, and Master of Darkness, Demons, and Rainbow Flames" Rhonda Jekyll has transformed into SUPER ANGEL ETERNITY INFINITY DARKNESS RAINBOW DARKNESS FIRESTORM DEMON ANGEL OF DARK JUSTICE AND DARK OVERLORD LOVE!

We were amazed by Rhonda Jekyll's Super Angel Eternity Infinity transformation, and when Lincoln saw her, he had an atomic red blush on his face and hearts in his eyes. But, when Edana Baudelaire saw it, she went bonkers and fired a blast of darkness to kill her, but Rhonda Jekyll fired a powerful blast of cobalt blue energy with darkness, demons, dark magic, and rainbow flames, and it hit Edana Baudelaire and sent that insane witch crashing back first into a wall.

Nicholette Torrington: Holy crap, now Rhonda Jekyll's transformed into her Super Angel Eternity Infinity form, that's so awesome!

Nico: That's right, Nicholette, and she sent that crazy witch, Edana Baudelaire, crashing back first into a wall, and really pissed her off even more.

Me: This is going to be so good.

Lincoln: Wow, Rhonda, you look beautiful. How do you feel?

Rhonda Jekyll: (Divine Echoing Cosmic Voice of the Overlord Demon and Dark Divine Love) I feel incredible, Linky. Now then, shall we deliver Edana Baudelaire her rightful punishment?

Lincoln: (Smiles) With pleasure, Rhonda.

Lincoln unholstered his massive Hinon's Cosmic Storm Sword of Universal Hope, Elemental Bravery, and Unbreakable Eternal Bonds from his wider and muscular back, and transformed into Super Angel-Ebonwu-Thunderbird Eternity Infinity Elemental Thunderbird Buffalo Angel of Universal Justice and Elemental Hope and he joined Rhonda Jekyll.

Lincoln: (Divine Echoing Cosmic Elemental Voice of Universal Justice and Elemental Hope) Your days of causing mayhem and chaos in the name of Damian Alaister and The Church of Necrom are finally over, Edana Baudelaire.

Rhonda Jekyll and Lincoln went after Edana Baudelaire, who continued firing blasts of darkness at them, but they dodged them, and they fired powerful blasts of rainbow energy, red-orange energy, dark magic, Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, Magic, rainbow flames, rainbow crystals, Buffalo, Thunderbirds, Phoenixes, Angels, and Demons at Edana Baudelaire, and they exploded with incredible power as they hit the crazy witch, and she became even more pissed off big time.

Edana Baudelaire: Rise from The Pit of Nightmares, Fear Demons, and turn their courage and hope into fear and despair.

Edana Baudelaire summoned a massive army of Fear Demons to attack, but Lincoln fired sapphire blue energy blasts which also had hope infused in them since he's a Blue Lantern, and as the hit the Fear Demons, the fear they've fed on humans was destroyed, and without their source of food, the Fear Demons were destroyed, and it pissed Edana Baudelaire off even more. But before she could attack, Lincoln attacked Edana Baudelaire with his massive Hinon's Cosmic Storm Sword of Universal Hope, Elemental Bravery, and Unbreakable Eternal Bonds and left painful scars on her, and Rhonda Jekyll attacked Edana Baudelaire with her brand-new massive Reign-Beaux Overlord of Dark World's Overlord Demon Sword of Dark Justice and left even more painful scars on her.

Rhonda Jekyll: (Divine Echoing Cosmic Voice of the Overlord Demon and Dark Divine Love) Linky, shall we do the honors in putting Edana Baudelaire in her place?

Lincoln: (Divine Echoing Cosmic Elemental Voice of Universal Justice and Elemental Hope) Ladies first, Rhonda.

Rhonda Jekyll: (Divine Echoing Cosmic Voice of the Overlord Demon and Dark Divine Love) Such a gentleman.

Rhonda Jekyll and Lincoln formed massive red energy balls in the palms of their hands, and they condense them to the size of their bodies, and they aimed them at Edana Baudelaire, who ran at them with murder and insane rage in her eyes.

Rhonda Jekyll and Lincoln: VOX PENICULUS POWER ABSORPTION KARMA BLAST!

Rhonda Jekyll and Lincoln fired the massive red energy balls, which transformed into red energy beams, and as the two red energy beams hit Edana Baudelaire, Lincoln and Rhonda Jekyll began absorbing all of Ianira Dormund's dark powers and dark magic, and Lincoln's rainbow energy aura with Thunderbirds, Phoenixes, Angels, Buffalo, and Elemental Forces flared up, and he was gaining a really massive power and energy boost to his infinite power and energy, and the same thing happens to Rhonda Jekyll as her red-orange energy aura with darkness, demons, dark magic, and rainbow flames flared up and she was really massive power and energy boost to her infinite power and energy. When Rhonda Jekyll and Lincoln were done, Edana Baudelaire was rendered completely powerless and completely drained of her powers.

Edana Baudelaire: What did you do to me?!

Lincoln: (Divine Echoing Cosmic Elemental Voice of Universal Justice and Elemental Hope) We sucked out and absorbed all of your dark powers, abilities, and dark magic, and now, you're powerless, Edana.

Rhonda Jekyll: (Divine Echoing Cosmic Voice of the Overlord Demon and Dark Divine Love) And now, you're finished.

Rhonda Jekyll opened her Destroyer of the Church of Necrom grimoire, and she found the page and she fired a blast of darkness, and as it hit Edana Baudelaire, the now powerless and insane witch of The Church of Necrom was imprisoned inside of a black tarot card with Reign-Beaux, Overlord of Dark World on the back of the black tarot card with shadows of darkness, demons, dark magic, and rainbow flames, and she put the tarot card with Ianira Dormund imprisoned inside the black tarot card box with the symbols of the Dark World Duel Monsters on top, where Jocasta Belladonna, Jezebel Lanira, and Ianira Dormund were put into. We cheer wildly for what Rhonda Jekyll and Lincoln as they holster their massive swords and powered down, and Rhonda Jekyll's new body, clothes, weapons, jewelry, and massive red-orange angel wings are permanent.

Violet Baudelaire, Klaus Baudelaire, and Sunny Baudelaire: Goodbye forever, "Cousin".

Rhonda Jekyll: Gotcha, bitch! Thank you for helping me take down Edana Baudelaire, Linky.

Lincoln: (Smiles Warmly) You're welcome, Rhonda.

Suddenly, Connie Jackelstein wrapped her arms around Lincoln's waist, as her chest was pressed against Lincoln's massive and wide muscular pecs, which brought an atomic red blush to Lincoln's face, and he wrapped his abnormally massive and powerful muscular arms around her waist and he brought her into a hug, which took her by surprise and brought an atomic red blush to her face. Then, as Lincoln leans down to Rhonda Jekyll's face, they kissed passionately as Rhonda Jekyll wrapped her left arm around Lincoln's thick muscular neck, and she placed her right hand on Lincoln's massive and wide muscular right pec, and behind them was a Thunderbird, Phoenix, Angel, and Reign-Beaux of Dark World flying in the air, and we also saw a herd of Buffalo running across the field, along with elemental forces and creatures of the night flying around the place and we cheered for them.

Nico: Hah, that's another Church of Necrom asshole put down, and fourteen more to go.

Me: That's right, Nico.

Chloe Terryington: Which means the next Church of Necrom member to show their face tomorrow is Drusilla Draven.

Lincoln: That's right, Chloe, and you and I are going to put a stop to that insane witch and make her pay for everything that she's done.

Chloe Terryington: That's right.

Nico: But, as always, not only are we going to be on guard for Drusilla Draven's plans, but we'll also foil them at every turn, and that'll get her so mad, it's bound to send her into a blind rage.

Lincoln: Which is just how we want her to be in, when me and Chloe pulverize her tomorrow.

Crimson Dynamo: Sorry about that, Princess.

Princess Python: No worries. That was honestly a lot of fun.

Billy Numerous: Glad you think so.

Me: We had a lot of fun in that one.

Shiva: Don't worry. We'll get you an archenemy.

Top: (to Howard) You did good too, Howard.

Howard: Thanks. Maybe I'll stick around with you guys. It's the least I could do.

Spymaster: I'm not complaining.

Me: Me neither. So awesome.

Nico: Yep.

Howard the Duck: (To the viewers) This was an awesome adventure and it was fun too. Also it's going to be awesome to be part of the team.

Nico: It sure is. Great job everyone. Lets head home.

We went back home and enjoyed the rest of the day and went to sleep. Princess Python was made a member of the M.O.E.

THE END

---

Another Awesome fanfic done.

Howard the Duck was a great movie. I never saw it before but I did play him on Lego Marvel Avengers and it was awesome. The first part for my dream rescue was for the 2 part Ben 10 Ultimate Alien episode called The Ultimate Enemy and that was a really awesome and amazing conclusion to that series. The second part was for the movie Matilda and we have now seen the last of Ms. Trunchbull. The third part was for a planet made of Mashed Potatoes and Gravy and you know how much Ed loves his Gravy. NicoChan11, JediAvatarOfShinobi, Omegahatchiyak12, kolbdog323, XP4Universe, Darkhai, vinjedi1995, Drako1234658, Nflemingful, EtstheClarenceandTLHfan and ninjakingofhearts gave me the ideas for this and so did the guest reviewer. Thanks Guys. No dream rescue for me tomorrow. But for Nico's rescue we're going to be a cool one as Nico, Kairi, Qin, Zenkaigers, Chloe Bourgeois, Rita Loud, The Goths of Darkness, Applejack, Apple Bloom, Twilight Sparkle & Friends, Rachel Stavenport, Carol Pusateri, May, Kaalia of The Vast, Maria, Varie, me, Eli, Arrietty, Aylene Carter, Gabrielle, Littlefoot and friends, Fu, Nicole Knudson, Kaina Tsutsumi, Camie, Kaoruko Awata, Himiko, Ibara, Toru, Sirius, Tsuyu, Ochaco, Momo, Lincoln, Laney, Lana, Lola, Lisa and Lily are going to the world of the Looney Tunes cartoon Knighty Knight Bugs and we're going up against Yosemite Sam as the Black Knight and we're going to take back the Singing Sword. Also we're going to meet a gene-slammer for Kaalia of The Vast named Sophia Nurenberg. Sophia Nurenberg is Nico's friend from Cooking Classes and she is a great chef and is just as good as Lincoln's friend Olivia Gansley and Mary Knudson combined. She also has amazing knowledge of many recipes and more. She also hates bullies with a vengeance and is also QUITE The mischief maker on them. For Lincoln's rescue tomorrow, he and his group are going to face off against Giselle Razor, who's been brought back from the dead by Drusilla Draven, but Giselle Razor double-crossed and attacked her and left a scar on her face, and left to get her own revenge on the team for killing her last year, and this time, that bloodthirsty bitch is getting The Black Gates. Lincoln is also meeting a gene-slammer for Guardian Kayest named Rey Kayest and she is actually a mermaid too. She can also turn into a Guardian Kayest as well too. And for the date scene tomorrow, let's do something close to Earth: ooh, how about Lincoln and his harem go on a beach date to Jackson Lake State Park, a beach which is located an hour and a half just northeast of Denver, Colorado, and has been rated among the top land-locked beaches in the country with sandy beaches and over 260 campsites there, and since it can get pretty windy on the plains Jackson Lake is a popular spot for sail boating. But, they are also going to have trouble as Damien Carter's broken out of prison, thanks to Drusilla Draven, and is still pissed at Giselle Razor for double-crossing and attacking her. The next chapter is going to be for the awesome Pacman game series Ghostly Adventures and we're going after Betrayus and we're going to destroy him once and for all and we're going to meet Pac Man and his friends.

See you all tomorrow.

# A World of Pacman

Nico: And is not a safe place for them.

Lincoln: That's right, Nico. Come on, we're going to rescue them, and bring them to the Estate.

Lori: You got that right, bro.

Lincoln, Lori Loud, Marine the Raccoon, Nyx Midnight, Me, and Nico were heading to Miami, Florida. Then, Lincoln saw a short, 11-years-old Raccoon/Human boy with short, spiky hair. He has dark brown circles around his eyes which is apparently a facial mask. His body and hair are brown with small, darker brown lines to show the thickness of the fur and 2 streaks of red. A yellow and black Mechanical Bee with green visor, silver mandibles, silver wings with a large rocket booster in-between the wings, large white lance-like stingers, smaller yellow-blackish stripes stingers, and a large Honey Cannon. A 10-year-old girl who has light blue skin, orange hair with light orange streaks tied in a single braid, and pink eyes staring out through red glasses. She wore a purple blazer with rolled-up sleeves. Underneath, she wears a white t-shirt with a picture of a pink notebook, an ash colored capri pants, and plain brown sandals. A 11-year-old boy who has blue skin, red hair, and dark blue eyes. He wore a grey lone sleeved shirt with a fleur de lis picture on it, a red flannel shirt, light brown shorts, and black and white sneakers. A 10-year-old punk girl who has wavy blue hair that was short in the back and flopped over in the front. She had aquamarine eyes and light magenta skin and blue eyeliner. She wore a green t-shirt with a picture of a yellow microphone, salmon colored shorts with a red hoodie tied around the waist, and light brown boots. A 10-year-old girl who has light orange skin, pink eyes, and short spikey pink hair with a yellow streak. She wore a pink t-shirt with black stripes, a denim vest, green pants, and light blue sneakers. And a 10-year-old boy who has peach skin, light blue eyes, and wavy blonde hair in an undercut. He wore a black and white jersey with a picture of a soccer ball, black pants with a white line down each leg, a blue running shoes. Lincoln saw who they was, it was Nolan "Smokescreen" the Raccoon, Stinger Seinfeld, BeeLaunch, Bright Eyes, Lancer, Melody, Sweetheart, Half Note and Ace.

Lincoln: Excuse me, are you Nolan the Raccoon?

Nolan "Smokescreen" the Raccoon: Also known as, Smokescreen! But yes. Now, who are you?

Lincoln: I'm Lincoln Loud of Team Loud Phoenix Storm, and this is my older sister, Lori Loud, my older brother and leader of Team Loud Phoenix Storm, J.D. Knudson, and my second brother and second leader of Team Loud Phoenix Storm, Nico Chan. And there's also someone you know all too well.

Then, Marine the Raccoon and Q-bee came out, and when Nolan "Smokescreen" the Raccoon and Stinger Seinfeld saw them, they was stunned.

Nolan "Smokescreen" the Raccoon: I don't believe it. Mom, is that you?

Marine the Raccoon: Yes, little cadet, it's me.

Nolan "Smokescreen" the Raccoon and Stinger Seinfeld ran up to Marine the Raccoon and Q-Bee, and they hugged, and they cried tears of happiness, and we looked on at the scene. Then, Lincoln joined in on the hug, along with me, Nico, Lori, and Nyx Midnight.

Lincoln: And there's something you should know, Marine, Q-Bee, your mothers are one of my many future wives.

Nolan "Smokescreen" the Raccoon: Wives? Are you saying that because… you're our father now?

Lincoln smiled, and that filled Nolan "Smokescreen" The Raccoon and Stinger Seinfeld with joy, as he picked them up and they hugged, and we had a smile on our faces and tears in our eyes. and BeeLaunch, Bright Eyes, Lancer, Melody, Sweetheart, Half Note and Ace join the hug as well.

Lincoln: Alright, everyone, let's go home. I can't wait until we tell everyone in the morning about this.

We went back home to the Estate, and Lincoln told everyone what happened, and he then introduced Nolan "Smokescreen" the Raccoon and Stinger Seinfeld to the rest of his siblings, who are now their aunts. We were proud of what Lincoln did in reuniting Marine the Raccoon and Q-Bee with their kids, and they now has a loving, strong, brave, and caring father in their life. As well as Nyx Midnight became friends with Bright Eyes, Lancer, Melody, Sweetheart, Half Note, and Ace.

In the world of Magic the Gathering walking through the Wind-Scarred Crag was Nico, Kairi, Qin, Zenkaigers, Chloe Bourgeois, Rita Loud, The Goths of Darkness, Applejack, Apple Bloom, Twilight Sparkle & Friends, Rachel Stavenport, Carol Pusateri, May, Kaalia of The Vast, Maria, Varie, me, Eli, Arrietty, Aylene Carter, Gabrielle, Sir George, Littlefoot and friends, Fu, Nicole Knudson, Kaina Tsutsumi, Camie, Kaoruko Awata, Himiko, Ibara, Toru, Sirius, Tsuyu, Ochaco, Momo, Lincoln, Laney, Lana, Lola, Lisa and Lily and we were there to find the next gene-slammer and if possible battle any enemies there.

Nico: Wow! Wind-Scarred Crag. This is really cool.

Me: And I see why they call it that. It's because it's really windy here.

Rainbow Dash: Yeah that is really cool too.

May: I'll say.

Nico: Thanks for coming with me, Kairi.

Kairi: No problem Nico. It's so awesome that I get to go with you on this amazing rescue with you.

Ochaco: I think it's so cool that we're in the world of Magic the Gathering. The artwork on those cards is absolutely incredible.

Toru: It sure is awesome.

Eli: I love those cards. They are cool.

Nico: They sure are.

Me: I'll never forget the first time we were here and that was when we met Nahiri.

Nico: Kairi, with Xehanort gone, you two are free to raise your kids.

Kairi: That is true. I'm glad Xehanort is gone forever. And we can now be in peace.

Me: But his remnants are all still out there to this day. They are still all over the universe and we still have his mess to clean up.

Eli: Yeah those Dark Orbs are still all over the place and we got to destroy them.

Applejack: I agree too. We got to find those rotten pieces of manure and destroy them.

Lola: You got that right Applejack.

Nico: I agree too. That's still our huge mission.

Sir George: (British Accent) I heard about the Dark Orbs you all faced and destroyed and they really caused you so much trouble.

Me: More than you ever could imagine Sir George.

Nico: I remember that your kids' names are Oracle and Vulcan.

Me: Those are so awesome names.

Laney: They sure are and Oracle and Vulcan are growing really fast too.

Lana: They sure are. They are really smart too.

Kairi: They sure are. And I'm so happy to be wedded to Sora.

Me: We all are Kairi. After everything that happened with you because of Xehanort it's time for a brand new fresh start and more.

Sir George: That is for sure.

Fu: But we are really happy for Sora and Kairi.

Kaito: I heard all about their wedding and that was so awesome.

Me: We are really proud of them Kaito.

Nico: Remember when people looked down on you as the damsel in distress?

Kairi: I sure do and now I'm not a damsel in distress anymore. I've learned so much as a keyblader and it's really amazing.

Nico: It sure is. And Aqua has become a great sister-in-law and mentor figure to you too.

Kairi: She sure has. And it's really awesome.

Me: That's awesome that you view Aqua as a mentor to you. And now Riley has Sir George as a mentor as well too. He is teaching her so much about what he knows and what he has learned over the last 1,700 years.

Sir George: That is right. She is a great and diligent student.

Nico: That is awesome. I wish I had a student like that.

Me: You will find one Nico.

Nico: Kairi, you're not a damsel in distress. You've proven you can kick ass. Remember before Dr. Light became your archenemy when you were badass?

Kairi: Boy I sure do. And Porcupongo made me that way.

Me: But you really were quite a rebel back then too.

Eli: I heard all about that. That was really awesome too.

Lola: And Kairi looked really awesome in all black punk clothes too.

Qin: She sure did and that was really awesome.

Me: Yeah you had an attitude that really kicked some butt and you gave Akahoshi a massive kick in the balls and gave Porcopongo a nasty noogie!

We laughed at that one.

Lola: (LAUGHS) That was so funny.

Nicole Knudson: (Laughs) That was really great though.

Eli: (Laughs) That was cool.

Nico: And after that, we accompanied you on a personal mission.

Kairi: I remember that. That was for the movie The Pagemaster.

Me: That is still one of my all time favorites.

Laney: Yeah that was a great one.

Lola: Boy it sure was. And you did a really awesome job in that one Kairi.

Kairi: Thanks Lola.

Camie: The Pagemaster is one of my favorites too. The Adventure Section is awesome.

Me: It sure is. And facing those pirates and the crew of Long John Silver was great.

Lincoln: It sure was. But that fire-breathing dragon in the Fantasy Section was big.

Me: It sure was. And huge too.

Nico: Sora might not be on this rescue with you. But you'll still do a good job.

Me: Absolutely Kairi.

Kairi: Thanks guys.

Lola: You're welcome.

Nico: But this is really cool that our next rescue is in the world of Magic the Gathering.

Eli: It sure is. Sir George you fought dragons like these before back 1,700 years ago didn't you?

Sir George: Yes I did Eli and they were some of the most amazing I've seen.

Me: Wow.

Nico: It's a good thing you came with us. Because I know what adventure of Bugs' this is.

Me: I got that same feeling too.

We saw that we were in front of the castle of the Black Knight.

Me: Oh wow. It's Knighty Knight Bugs. That's one of my favorites.

Lana: And I know why we're here. To get back the Singing Sword and defeat the Black Knight.

Sir George: And this will be a good one most worthy.

Me: It sure will.

Nico: Yep. Follow me. And be quiet.

We followed Nico and stayed quiet.

We saw that the Black Knight and his dragon were asleep.

Nico: (Whispers) Nobody make a sound yet.

We tip toed and we went to a room and Nico went to a chest and pulled out a sword.

Nico: So this must be the Singing Sword. I wonder why they call it that.

We walked out and just as we were over the drawbridge the sword sang a song.

Nico: Oh that's why they call it the Singing Sword.

Then the Black Knight woke up and saw us with the sword!

Nico: Run guys.

We ran fast!

Kaito: (takes out Battle Fever Gear) You guys keep going!

Zocks: (takes out Denziman gear) We'll hold him off!

Nico: Go for it!

Kaito activated the dances of Each of the Battle Fever J Rangers and Zocks activated the Denzi Punch!

Me: YEAH!

?: Let me get in on some of that action!

Another Kaalia of the Vast appeared!

Kaalia of The Vast: Is that another me?

Me: Whoa!

Second Kaalia: It's gonna be good to get some action in.

Nico: That voice! Sophia Nurenberg?

Second Kaalia: Awesome to see you again Nico.

She reverted back and she was a girl with red hair and red clothes and she had white angel wings and red demon wings and also had a demonic 3rd eye right in the middle of her forehead!

Eli: Whoa!

Sophia Nurenberg: Lets see how they like this.

Sophia and the Zenkaigers blasted them into an explosives room.

The dragon was about to sneeze when the Black Knight plugged his nose!

Black Knight: Don't sneeze you stupid dragon! Or you'll blow us to the moon!

We were walking and then we heard a sneeze and then…

KRABBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

The entire tower lifted off like a rocket and flew into space!

Black Knight: Dragons is so stupid!

Nico: Adios! See ya! Hate to be ya! Bon voyage!

We laughed!

Lola: That was so funny!

Sophia Nurenberg: That was really cool and awesome!

Eli: It sure was. And we got the Singing Sword back.

Fu: We sure did.

Kairi: What's your favorite memory of Nico?

Sophia Nurenberg: I have a lot of them but my favorites are in cooking classes. I'm an awesome chef and I know all kinds of amazing cooking styles from all over the world and me and Nico did great in it. We made all kinds of pizzas, cakes and meat dishes and more and we got the International Culinary Institute's highest award for them too.

Nico: I remember that one.

Nicole: That is really cool.

Kairi: Yeah.

Sophia Nurenberg: BUt you'll like this one. My favorite was when I saw a bully hurting a kid and then I spiked his milkshake with a deadly laxative that gave him a massive and horribly explosive case of explosive diarrhea and when it was time for him to go to math class he was getting ready for a test when suddenly he let one loose all over the room and the whole class was inundated in crap. He was expelled for life.

Nico: Yep.

We laughed hysterically at that one!

Lana: That was awesome!

Lola: YEAH!

Lily: What a poop-tastrophe!

Qin: Yeah that was great! I remember that. That was so funny!

Zocks: That was cool!

Nico: Yeah it was.

Nico and Sophia then hugged.

Nico: I really missed you.

Sophia Nurenberg: Me too Nico. Me too.

Eli: Sophia how did you get that third eye in the middle of your forehead? That looks very similar to Hiei's Jagan Eye.

Sophia Nurenberg: It does. But it was implanted into me by a mad scientist from another dimension.

Maria: Mad scientist? (GASP) Oh someone shit on me! That's the

Faust Organization!

Sophia Nurenberg: That's them!

Me: Wait aren't they the main villains from Kamen Rider build?

Sophia Nurenberg: That's right. This eye was implanted into me as an experiment from the Jagan. (Crying) I was used in an experiment to replicate the Jagan as a weapon! So Faust can help take control of Japan!

Nico: Oh Sophia.

Nico and Qin hugged her.

Me: I've heard about Faust. They are awful and are really messed up and playing with fire. They are an evil organization. And I think they are our primary target when we meet Takumi Katsuragi in the future.

I went over their history.

---

Faust is a mysterious organization that creates the Smash monsters and the overall main antagonist faction of Kamen Rider Build.

The organization began as an unsanctioned Touto government military research program conducted by Gentoku Himuro, head of Touto's Institute of Advanced Matter Physics, for the purpose of conducting experiments to weaponize the Rider System so it could be mass produced for Touto's military. The organization also receives backing from the arms manufacturer known as Namba Heavy Industries Ltd.

Following their apparent dissolution, Faust abandons their original purpose of making Touto the dominant region of Japan and instead allies with whoever is willing to fund their research, including Touto's rival nations.

Faust was first founded by Gentoku Himuro, Soichi Isurugi, Kaisei Mogami and Takumi Katsuragi with funding from Namba Heavy

Industries Ltd. after Takumi Katsuragi's human experimentation with Nebula Gas was shut down and Gentoku was forced to fire him from the Touto Institute of Advanced Matter Physics. Gentoku secretly approached Katsuragi afterwards and set up a secret research lab in a Namba Heavy Industries storage facility for Katsuragi to continue his research, Assembling a group of like-minded researchers at TIAMP who believed in the advancement of science at all costs and securing the backing of Namba Heavy Industries, Gentoku formed Faust with the intention of using Nebula Gas to engineer advanced weapons for the Touto military so Touto would be able to defend itself in the event of a war between the three regions of Japan. To accomplish this, Faust stole the panels that comprised the Pandora Box's outer layer to utilize them to make Fullbottles and covered up any evidence of their existence to prevent the other regions from getting suspicious.

Soichi's daughter Misora was also initially a member of the organization, having been deceived into believing they had good intentions so she could be used to purify Fullbottles for them. However, after Misora found out the truth she lost her will to continue purifying Fullbottles since they were being used for a destructive cause. Katsuragi also turned against the organization around this time and began plotting to kill Blood Stalk after discovering he was really the alien life-form Evolt.

To solve two problems at once, Stalk wiped Katsuragi's memories and swapped his face with that of Taro Satou so he could be molded into a "hero" to give Misora a motivation to purify Fullbottles again. Stalk then staged Taro Satou's body (with Takumi Katsuragi's face) and framed Ryuga Banjou for Katsuragi's murder. After Banjou was arrested, Stalk blackmailed prison security guard Masahiro Nabeshima into handing Banjou over to Faust so he could be experimented on.

When Namba Industries threatened to leak the Rider System to the other governments unless Touto adopted it, Faust conspired to steal the Pandora's Box from the Touto Institute of Advanced Matter Physics in order to raise hostilities between the three regions to the brink of war so the Touto government would be pressured into adopting it for military use. As the Prime Ministers of Hokuto and

Seito arrived to inspect the Box and the research being done on it, Faust commenced their plan and Blood Stalk led a team of Faust Guardians to grab the Pandora's Box by force. To prevent Kamen Rider Build from interfering, Stalk had TIAMP researcher Shingo Kuwata transform into the Flying Smash to lure him away. Despite resistance from Build as well as Ryuga Banjou, Night Rogue and Blood Stalk were successful in their endeavor and tensions between the three regions rose considerably. Afterwards, Stalk poisoned Touto Prime Minister Taizan Himuro so Gentoku would rise to power and be able to lay the groundwork for war.

After Gentoku was made acting Prime Minister of Touto while his father was ill, he chose to disband the organization and staged a confrontation between it and the Touto military. At the confrontation, he had his aide Nariaki Utsumi pose as the leader of Faust, Night Rogue, and had him finished off to prevent him from talking. Despite, the organization was rebuilt by Blood Stalk in Hokuto. They allied with the Hokuto government and began conducting research on the Hard Smash, Smash capable of retaining their human consciousness while transformed. In addition to this, Faust also provided the data on the Sclash Driver to Hokuto so they could develop their own Kamen Riders to assist them in their invasion of Touto. The candidate for Hokuto's Kamen Rider was selected to be Kazumi Sawatari, a farm owner whose farm had been devastated due to the Skywall. After having his Hazard Level raised by exposure to Nebula Gas, Kazumi gained the power to wield a Sclash Driver, using it to transform into Kamen Rider Grease. Faust conducted experiments on three voluntary test subjects, turning them into Hard Smash. These three would later come to be known as the Hokuto Three Crows.

Following the downfall of Hokuto, Faust joined the Seito government and began backing their military. During their time under Seito's employment, Faust developed an artificial type of Smash in collaboration with Namba Industries called Clone Smash, which did not require a human host. Following the downfall of Namba Heavy Industries brought about by Evolt, Faust became the driving force behind Seito's military. They also began working on engineering the final form of Smash, Lost Smash, which were created from infusing an empty Fullbottle with the essence of a Clone Smash. These experiments were spearheaded by Shinobu Katsuragi, father of Takumi Katsuragi, and were all aimed at creating the ten Lost Bottles so Evolt could use them to complete the Black Pandora Panel and gain the ability of warp travel.

After the World of Build was merged with the main Kamen Rider world and the Skywall Disaster as a result never happened, Faust's existence was undone as well due to the Skywalls having never arisen.

---

When I was done everyone was shocked and horrified!

Fu: Oh my god!

Zocks: That is awful!

Lola: Yeah!

We later went back hm and told everyone what happened and more.

---

After Nico's rescue, Lincoln, Me, Nico, Eli, Nicole Knudson, Lori, Leni, Luna, Luan, Lynn, Laney, Lucy, Lana, Lola, Lisa, Lily, Lincoln's harem, Sherlock Hound, Noctis Lucis Caelum, Gladiolus Amicitia, Ignis Scientia, Prompto Argentum, Stella Nox Fleuret, Ravus Nox Fleuret, TLPS Mr. Wolf, TLPS Mr. Piranha, TLPS Mr. Snake, TLPS Mr. Shark, TLPS Ms. Tarantula, Sima Shi, Sima Zhao, Sun Jian, Guo Jia, Zhang Bao, Guan Xing, Cao Cao, Liu Bei, Sun Quan, Sima Yi, Jiang Wei, Jia Chong, Yukimura Sanada (Samurai Warriors), Keiji Maeda (Samurai Warriors), Kanetsugu Naoe (Samurai Warriors), Hanzo Hattori (Samurai Warriors), Musashi Miyamoto (Samurai Warriors), Heathcliff, Sonja (Heathcliff), Heathcliff, Sonja (Heathcliff), Riff-Raff, Hector (Heathcliff), Wordsworth, Mungo, Cleo, Leroy, Crash Bandicoot, Coco Bandicoot, Aku-Aku, The Quantum Masks, Alternate Tawna, Spyro, Cynder, The Ghostforce, Rayman, The Louds' Scottish Ancestors, The L-ementals, and Aqua are heading out into the city, and not only is Lincoln going to rescue the six girls here, but we also got word that Giselle Razor has returned from the dead yet again to get revenge on us.

Since our rescue's taking place in the city, all of us were out on patrol keeping a lookout for that evil bloodthirsty bitch.

Lincoln: Whoa, so my rescue's taking place here in Gotham Royal York, and I know what we're going to do here, not only am I going to rescue the six girls here, but we also got word that Giselle Razor has returned from the dead yet again to get revenge on us.

Lori: I literally knew that Giselle Razor wouldn't stay gone for good.

TLPS Mr. Wolf: And for this one, everyone is out keeping an eye out for her.

Lincoln: That's right, you see, we've had four encounters with that bloodthirsty monster, one when we went to the Women's Prison in California during our trip years ago, the other when we saved Ra's Al Ghul from her and we killed her and imprisoned her in Nicole's Book of Vile Darkness, then, when we went after Queen Ravenna on Animatron, Giselle Razor returned as a scorpion-like Heartless, but when we killed her again, we sent her to the River of Fire, and last year, she came back again from the dead and hired an army of thugs to kill us, but we stopped the thugs and after I sucked out the info from their brains, we knew that Giselle was behind that, and after stopping Osebo, Bayonetta, Lori, and I faced and killed Giselle Razor and Super Hakaied her.

TLPS Mr. Piranha: Sheesh.

Lori: Yeah, we've had four encounters and battles with her, but now this is the last time that we ever have to deal with her. This time, Giselle Razor's literally getting The Black Gates after we get through with her once again.

Lincoln: You said it, Lori, and thanks for joining us, Aqua.

Aqua: You're welcome, Lincoln.

Me: And from what we've seen on Lincoln's rescue, it looks like yet another member of The Church of Necrom brought her back from the dead yet again.

Nico: But, the only way to find out which one it was that brought that bloodthirsty bitch back is the army of demons.

?: HEELLLLPPPP!

Suddenly, Lincoln heard the sound of six girls calling for help. With his deep sapphire blue cyborg eyes, rainbow colored iris of his Third Eye, the Force, and his superhuman sight, along with sensing energy signals, he saw and heard exactly where the call for help was coming from. He saw the six girls, but they've been cornered by Giselle Razor, and she's going to kill them. Lincoln also saw that Giselle Razor had the symbol of The Church of Necrom on her forehead, and this means that The Church of Necrom brought her back from the dead, and he saw an army of Ice Demons heading for Giselle Razor to kill her.

Lincoln: Guys, I found the six girls, but they've been cornered by Giselle Razor, and she's going to kill them, and there's also something very disturbing: I also saw that Giselle Razor has the symbol of The Church of Necrom on her forehead, and I saw an army of Ice Demons heading for Giselle Razor to kill her.

We gasped in pure shock.

Chloe Terryington: I should've known that bloodthirsty bitch was brought back from the dead by The Church of Necrom, and that army of Ice Demons heading for Giselle Razor to kill her, there's only one witch in The Church of Necrom who's able to summon Ice Demons: Drusilla Draven.

Lincoln: Should've known that deranged witch was behind this. But, this means that Giselle Razor had double-crossed and attacked her before she escaped. She wanted to get her own revenge on us for killing her last year and for all the humiliations that we've dealt her in the past.

?: That bloodthirsty, psychopathic bitch, let's get her.

Suddenly, we saw a Guardian KayEst appear and riding a ball of water.

Lincoln: Whoa, the Guardian Kay'Est, and I'd recognize that voice from anywhere, I knew it was you, Rey Kayest, but we'll have to talk later, let's put a stop to Giselle Razor and kill Drusilla Draven's Ice Demon army before they get to her.

We rushed on over and Lincoln fired rainbow energy balls and elemental forces at Giselle Razor and destroyed the army of Ice Demons sent to kill her by Drusilla Draven, and that allowed the six girls to get to safety. When Giselle Razor saw us, she was beyond pissed off, but so were we when we saw her ugly face again.

Nico: You just don't know when to take a hint, do you, Giselle Razor? We've had more than enough of you constantly coming back from the dead to get revenge on us.

Giselle Razor: (Enraged Screaming) SHUT UP! I WILL KILL YOU ALL AND DRINK YOUR BLOOD!

Lincoln: That's enough out of you, it's time for you to die once again, Giselle Razor.

Me: And this time, take the fucking hint.

Lincoln unholstered his massive Hinon's Cosmic Storm Sword of Universal Hope, Elemental Bravery, and Unbreakable Eternal Bonds from his wider and muscular back, and transformed into Super Angel-Ebonwu-Thunderbird Eternity Infinity Elemental Thunderbird Buffalo Angel of Universal Justice and Elemental Hope, TLPS Mr. Wolf transformed into his Super Angel Eternity Infinity form and the rest of The TLPS Bad Guys Gang transformed into their Super Angel Eternity Infinity forms and they unholster their massive swords, Sima Shi, Sima Zhao, Sun Jian, Guo Jia, Zhang Bao, Guan Xing, Cao Cao, Liu Bei, Sun Quan, Sima Yi, Jiang Wei, Jia Chong, Yukimura Sanada (Samurai Warriors), Keiji Maeda (Samurai Warriors), Kanetsugu Naoe (Samurai Warriors), Hanzo Hattori (Samurai Warriors), and Musashi Miyamoto (Samurai Warriors) got out their weapons, Lincoln's sisters transformed into their Super Angel Infinity forms and unholstered their massive swords from their backs, Lincoln's harem unholstered their massive swords from their backs and transformed, Sherlock Hound transformed into Super Angel Eternity Infinity Stellar Darkness Demon Hound of Dark

Compassion and Demonic Justice, and he unholstered his massive Sparda's Demon Fang of The Demon Hound sword from his wider and more muscular back, Crash Bandicoot unholstered his massive Skylands' Elemental Wolf Sword of Elemental Justice from his wider and more muscular back and transformed into Super Angel Eternity Infinity Elemental Skylander Bandicoot Knight Angel of Elemental Bravery and Elemental Will, The Ghostforce, Aqua, The Louds' Ancestors, The L-ementals, Noctis, Prompto, Ignis, Gladio, Stella Nox Fleuret, and Ravus Nox Fleuret got out their Keyblade and swords, Hector got out his massive Heaven's Maw of Judgement sasumata pike, and Me, Nico, Nicole, and Eli unholstered our massive swords and transformed, and we went after Giselle Razor, and we fired powerful blasts of rainbow energy, colored energy, elemental forces, Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, Magic, steel orbs, throwing axes, stars, rainbow flames, rainbow crystals, orange flames, blue flames, ice, green flames, and water, and they exploded with incredible power as they hit her.

Then, Lincoln cuts Giselle Razor down the middle with his massive Hinon's Cosmic Storm Sword of Universal Hope, Elemental Bravery, and Unbreakable Eternal Bonds, and he cut her into a thousand pieces, and then, he fired a massive black energy wave made from the energy of The Black Gates, and as it hits Giselle Razor, her spirit was finally erased from existence for good. We cheered wildly as we holster our weapons and power down.

Lincoln: And this time, stay gone for good, Giselle Razor. (To Rey Kayest) And it's so good to see you again, Rey Kayest.

Rey Kayest reverted back to normal, and she's a beautiful 17-year-old girl with long flowing light blue hair with a pink flower and three yellow flowers in her hair, ocean blue eyes, fair skin, she's tall at 6'5" in height, she has the body of a goddess, she has massive ocean blue angel wings, and she reigned in the power of Guardian KayEst, and she's dressed in a short-sleeved orange blouse, short-sleeved orange shirt, blue plaid skirt, blue bellbottom pants, bare feet, and long ocean blue sleeveless trenchcoat with ocean waves and mermaids on the coattails, and Guardian KayEst on the back, and holstered on her left hip is the Rod of Silence - KayEst and holstered on her back is a large Guardian KayEst-themed sword with a 7'0" massive, wide, double-edged blue blade with Guardian KayEst etched on it, large ocean blue angel wings for the crossguard, large ocean blue gem embedded in the rainguard, longer black handle, and large ocean blue gem with angel wings surrounding it for the pommel.

Rey Kayest: You too, Lincoln, it's been a long time.

Lincoln went up to Rey Kayest and they hugged, and Rey Kayest's also very surprised at just how much taller and much more muscular Lincoln's gotten since they last saw him, and they also felt just how strong he's really become.

Lincoln: It sure has, I haven't seen you when you were sixteen, and as you can see, I really grew a lot since then.

Rey Kayest: I knew you have, but whoa, you sure have really grown very big and strong like a tree, Lincoln, you've really grown a lot from the eleven-year-old cute little boy into a 17-year-old and permanently 7'5" tall, very handsome, and manly teen with abnormally massive and powerful upper and lower body muscles and eight-pack abs, that's so awesome.

Nico: Wow, Lincoln, you know her?

Lincoln: Indeed I do, Nico, this is Rey Kayest, she's one of my many Guardian Angels from Michigan, and get this: she's a mermaid that can live on land and she lived in Lake Huron. She has amazing hydrokinetic powers and she has awesome skills in martial arts and she also hates and absolutely despises and hates Billy McLean for everything he did to her best friends, Gwen and Courtney, and turning them into enemies. She wants nothing more than to rip his entire head off and throw it into the sun! When she got word about Billy McLean going to the Neptune Prison, she went to the prison and savagely and mercilessly pulverized him to the point where he absolutely fears her and every time he sees her Billy craps his pants times 800, and she also HATES AND ABSOLUTELY DESPISES AMY and she wants to kill her too for hurting her best friend, Sammy.

We gasped in shock.

Gwen (Total Drama): Yeah, she really hated Billy McLean for everything he did to me and Courtney, along with Amy for hurting Sammy, and she wants nothing more than to kill them.

Nico: Whoa. And if Billy sees her here again, he'll crap his pants 800 times yet again.

Me: Now, that's something I want to see, along with Amy getting her teeth punched out of her fat mouth.

Suddenly, a Thunderbird of Eternal Love appeared around Rey Kayest's neck with blue gems on the gold thunderbolt links and blue crystal links from brand-new Crystal Necklace of the Buddha which merged with her Thunderbird Necklace of Eternal Love.

Rey Kayest: (Surprised) Whoa, is this…?

Lincoln: Yep, that's a Thunderbird Necklace of Eternal Love, and that means you're now part of my harem and one of my many future wives, Rey.

Rey Kayest had a smile on her face and tears coming from her eyes, as she wrapped her arms around Lincoln's thick and muscular neck, and Lincoln wraps his abnormally massive and powerful muscular arms around her waist, and he leaned down and kissed Rey Kayest on the lips, and she also returned it, and we cheered for them. Then, we went up to the six girls, and when Lincoln saw them, he recognized the girls immediately. The six girls are Angel Rabbie, Lasty Farson, Arte Sema, Fia Note, Saaria Wynes, and Seerry Farson from Judgment! XX Angel Rabbie.

Lincoln: Oh wow, it's Angel Rabbie, Lasty Farson, Arte Sema, Fia Note, Saaria Wynes, and Seerry Farson from Judgment! XX Angel Rabbie.

Me: Awesome.

Lincoln: Are you girls okay?

Angel Rabbie: Yes, we're okay, thanks to you.

Then, when Angel Rabbie and the other five girls saw who it was that saved them from Giselle Razor and the army of Ice Demons sent by Drusilla Draven, their faces turned atomic red upon seeing the 17-year-old permanently 7'5" tall, handsome, bare-chested hunk with abnormally massive and powerful upper and lower body muscles, eight-pack abs, long wild white hair going down to the bottom of his neck and rainbow lightning bolt highlights in the bangs of his long white hair, rainbow colored thunderbird with a gold lightning bolt emblazoned on his forehead with a Third Eye of the Buddha on his forehead with rainbow iris, golden lightning bolt cutie mark with the thunderbird and comic books right on his massive and wide right pec and it's surrounded by the symbols of Fire, Water, Ice, Wind, Earth, Nature, Light, and Darkness in a circle, large Celtic Cross cutie mark tattoo in the form of the cutie marks of Twilight Sparkle, Sunset Shimmer, Rainbow Dash, Applejack, Rarity, Pinkie Pie, Fluttershy, Starlight Glimmer, and Trixie Lulamoon, surrounded by a circle were the marks of the other girls in Lincoln's harem on his wider and more muscular back, and right on top was the Earth surrounded by the ring of mermaids and surrounded by a Thunderbird, Phoenix, Angel, and Buffalo, and right below the Cutie Mark tattoo is a deep sapphire blue kanji that said, "Lincoln Landon Loud, Champion and Emissary of Hinon, Master of Lightning Storms, The Weather, The Elemental Forces, The Cosmos, and The Universe, The Loud House's Man With A Plan, Golden-Hearted Brother of Many Siblings, and Golden-Hearted Lover, Father of Many Kids, Son, and Future Husband, Descendant of The 17th Century Duke Lincoln of Loch Loud in Scotland, Destroyer of Morag McLaughlin, Destroyer of Evil, Black-Hearted, Sadistic, Delusional, Power-Hungry Bastards, Talented Comic Book Writer and Video Gamer, God of Truth and Justice, and Ambassador and Beacon of Hope to The Universe", he has deep sapphire blue eyes, a tattoo of a pepper with fire surrounding it and a kanji that read "Spiciest Man of The Loud House" on his broader and muscular left shoulder, and a Mark of Manhood tattoo of a male bodybuilder with a barbell raised above his head and around him are elemental forces and an orange kanji that read, "Lincoln Landon Loud, Strongest, Bravest, Resilient, Courageous, Handsomest, and Manliest Warrior of The Loud Family" on his massive left muscular forearm.

He had his massive Hinon's Cosmic Sword of Universal Hope,

Elemental Bravery, and Unbreakable Eternal Bonds holstered on his wider and muscular back, his large orange Crystal Saber, large rainbow-colored leather and gold metal bound Elemental Spellbook of Harmonious Justice, Eternal Harmony, and Equestrian Peace on his left hip and his Eater of Sins revolver holstered on his right hip, the Pisces the Fish constellation and Aquarius Zodiac sign on the back of his neck and the Cygnus the Swan constellation on the back of his massive left hand, large weighted orange bands on his massive biceps and thighs with silver phoenixes on them, his large gold cuff Bracelets of The Champions of the Universe with large orange gems on his large wrists, massive and indestructible deep sapphire blue angel wings with stars and blue nebulae reflecting on them with rainbow tips on the large deep sapphire blue feathers, and he was dressed in an orange version of He-Man 2002's loincloth with hanging silver lightning bolts and long glowing neon orange trenchcoat coattails with elemental forces, Thunderbirds, Phoenixes, Angels, and Buffalo on them and had intense powerful rainbow hot flames coming off them and hanging mini silver lightning bolts held up by his large gold Belt of Elemental Bravery with a large golden buffalo head with orange gems for eyes and a large orange gem in its mouth for the belt buckle on his waist, a pair of large blue pants with multicolored lightning bolts on the thighs with the orange kanji that said, "Savior of The Loud House, True Hero, Amazing and Powerful Student of Numerous Amazing and Powerful Teachers, Shinobi of The Hidden Leaf Village, Member of The Crusaders of The Thunderbird, Founder of Team Loud Phoenix Storm, Dodgeball Angel King of Gotham Royal York, The Unifier of The Three Kingdoms, and Destroyer of The House of Damaskinos" on the left leg, and large white leather combat boots with gold lightning bolts surrounded by a circle of smaller gold lightning bolts and armor on the toe area, silver Buffalo head stud earrings with the Thunderbird and Eternity Kanji on it, large Thunderbird Necklace of Eternal Love with colored gems on the gold lightning bolts and orange crystals from his merged large Crystal Necklace of The Buddha with a large Element of Harmony deep sapphire blue gem in the shape of a Thunderbird and a large silver Buffalo head with the Thunderbird and Eternity Kanji on its head for the pendant on his bare chest, large fingerless orange gloves with the symbol of The Loud House on it and surrounded in a diamond formation are a Phoenix, Thunderbird, Buffalo, and Angel, a large Orange Buffalo Animal

Spirit Ring which merged with his Ring of The Phoenix on his left ring finger, large Blue Lantern ring on his right ring finger, he had eight large orange orbs orbiting around his legs, and circling around his feet on the floor are eight golden crosses with angelic runes.

Angel Rabbie: Oh wow, you're Lincoln Loud of Team Loud Phoenix Storm.

Lincoln: That's right, and it's a pleasure to meet you all.

Then, Lincoln made five clones of himself, and he and the five clones went up to the girls, and hugged their waists in their abnormally massive and powerful muscular arms, and they lean down and kissed the girls on the lips, which they returned with equally intense passion, as they wrapped their arms around the necks of Lincoln and his clones, and we cheered wildly at the scene.

Angel Rabbie: (Seductively and rubs her right hand on Lincoln's massive and wide right pec) You too, big, tall, muscular, and handsome.

Suddenly, six Thunderbird Necklaces of Eternal Love appeared on the necks of Angel Rabbie, Lasty Farson, Arte Sema, Fia Note, Saaria Wynes, and Seerry Farson with colored gems on the gold lightning bolts and crystals links from their merged Crystal Necklaces of The Buddha. We return to the TLPS World Tree Estate, and now, we're finally rid of Giselle Razor for good, and she's never ever coming back, but Drusilla Draven's not even done yet with trying to kill us, but this means that later on, Chloe Terryington and Lincoln are going to deal with Drusilla Draven, and they'll make that witch pay for her crimes.

---

After finally getting rid of Giselle Razor and this time for good and destroying Drusilla Draven's army of Ice Demons sent to kill Giselle Razor for her brazen double-cross, we were training intensely in the gym, this time, doing 150,000,000 reps of crunches, wing push-ups and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 9,500-lb barbells, squats, and going a few rounds with the punching bags, and we were really sweating like crazy, even doing yoga to clear our minds, and when Rey Kayest saw Lincoln working out like crazy, she had an atomic red blush on her face.

Rey Kayest: Whoa, I was right that Lincoln has really grown to be a 17-year-old permanently 7'5" tall, really big, and really strong man, just look at those abnormally massive and powerful upper and lower body muscles and his eight-pack abs hard at work, and working out with those 9,500-lb barbells and he's not even get tired, incredible.

Lincoln: Yep, and I've also trained a lot under some very powerful teachers, J.D. and Nico included, Rey, and now, I can also defend myself, and in addition to getting stronger, I've also gotten smarter as well.

Rey Kayest: That's incredible.

Nico: It sure is.

Lily the Mermaid: And you're not the only mermaid who also has the power to walk on land, Rey. I also have that same power as well, along with Ariel's sisters, and the other mermaids who are in Linky's harem, J.D.'s harem, and the other mermaids in the team.

Rey Kayest: Yeah, I saw, Lily, and I heard that you met Lincoln many years ago.

Lincoln: That's one adventure I'd never forget, we met in the book Magic Island, and we also faced off against Captain Blackbeard the first time, and we killed him. Plus, we also made a promise that we'd get married in the future, and that day's almost fast approaching.

Nico: You said it, Lincoln, and many of us can't wait to see you pop the question.

Me: Same here.

We then got a shower afterwards, and then, Lincoln and his harem were heading to Jackson Lake State Park, a beach which is located an hour and a half just northeast of Denver, Colorado.

Lincoln snapped his fingers, and the 17-year-old 7'5" tall, white-haired, handsome, and extremely muscular teen was dressed in large orange swim trunks with a phoenix, thunderbird, buffalo, angel, and elemental forces on it, which are now a neon glowing orange, thanks to becoming a True Spice Demon and with intense rainbow hot flames coming off them, along with his large weighted orange bands with silver phoenixes on his massive biceps and thighs, his jewelry, large orange sandals, and eight large orange orbs orbiting around his legs, and he also had his weapons holstered.

And his harem are dressed in two piece bikinis with the elemental forces in their favorite colors, and they had on their jewelry and had their weapons holstered, because Drusilla Draven's got yet another plot to kill us yet again, and Grace Lorelai has her little daughter, Nanua, with her.

Lincoln: Alright, ladies, are we ready?

Grace Lorelai: We're ready, Linky.

Lincoln and his harem left the World Tree Estate and head for Denver, Colorado. When they arrived at Jackson Lake State Park, it was an awesome beach with sandy beaches, large body of water, 260 campsites here, and the plains here are windy, and a perfect spot for sail boating.

Rey Kayest: Whoa, what is this place, Linky?

Lincoln: This, Rey, is Jackson Lake State Park, a beach located an hour and a half just northeast of Denver, Colorado. J.D. told me about this place, and I figured it was perfect for our date. But, we also have to be on guard, Drusilla's bound to have someone else out after us.

Chloe Terryington: That witch just doesn't know when to quit, well, she's going to get what's coming to her.

Unknown to the gang, the rest of us also joined in as well by hiding in the shadows, since we knew that Drusilla Draven's bound to cause trouble again. Then, Lincoln and his harem dived right into the water, and they were swimming in the large ocean, and Grace Lorelai and Nanua Lorelai were also protected by a large ball of water Nanua made. Then, when they got to the surface, Lincoln got a deep tissue massage from the girls in his harem and Lincoln returned the favor and he gave the girls a deep tissue massage in return, and he played with Nanua, as she giggled and it was too cute. Then, they had lunch that Lincoln packed, and they sat in a picnic area that Lincoln made. Suddenly, the eight large orange orbs orbiting around Lincoln's legs were glowing and spinning like crazy, and he also sensed something as his deep sapphire blue eyes and the rainbow iris of his Third Eye were now glowing, and he fired rainbow energy blasts, and it hits a nearby bush, and a mean-looking teen with black hair and a mean glaring look of evil in his black eyes was forced out, it was none other than Damien Carter, Grace Lorelai's rapist and the meanest troublemaking teen in Michigan. Grace held on to her baby daughter, and she made a ball of water and protected her daughter and herself in case he tries to attack.

Lincoln: Damien Carter. I should've known you'd show up.

Grace Lorelai: What are you even doing here?! I thought you were locked up after you were expelled for your crimes.

Damien Carter: As if I'd tell you, and now, I'm going to kill every last one of you, and Drusilla's going to pay me greatly when I deliver your heads to them.

Lincoln: Should've known Drusilla had a hand in breaking you out of prison, but we'll deal with her later. But, as for you, you're going to pay for raping one of my Guardian Angels long ago, you stupid, good-for-nothing monster.

Just then, we also appeared and we were about to attack him, but Lincoln stopped us.

Me: Linc, what are…?

Lincoln: I know what you guys are going to do, but let me be the one to kill Damien Carter. He raped Grace Lorelai, and I'm going to make him pay for raping one of my Guardian Angels.

Lincoln unholstered his massive Hinon's Cosmic Storm Sword of

Universal Hope, Elemental Bravery, and Unbreakable Eternal Bonds from his wider and muscular back, and with one quick upward slash, he sent Damien Carter high up into the air, and then, with a quick swing of his massive greatsword, Lincoln slit Damien Carter's throat, and blasted him with a black energy blast of The Black Gates and he was erased forever. Lincoln cleaned his massive sword and holstered it back on his wider and muscular back.

Lincoln: That's it for that good-for-nothing rapist, and I've avenged Grace's honor that he violated when he raped her.

Grace had a red blush on her face when she heard that Lincoln avenged her honor when Damien Carter raped her, and we were also impressed by what he said.

Lori: You literally did, Lincoln, and now, no harm will come to Grace and Nanua.

Lincoln: But, we're not done yet. Now, we're going to do some sail boating on the plains.

Me: That's going to be awesome, and me and my family have been here more than once during our summer vacation, and it was really awesome.

Nico: Can't wait to see it.

Lincoln and his harem got on some sailboats, and as the winds picked up from the plains, they began sailing, and Lincoln and his harem took control of the sailboats, and we were really impressed by the skill that they displayed. We decided to head back and Nanua who got a kiss from her parents went with The Cutie Mark Crusaders, and then, Lincoln made clones of himself and he and his clones went up to the girls in their harems, and they wrapped their abnormally massive and powerful muscular arms around their waists, and they passionately kissed and hugged with supercharged and intense passion, and it also became even more sizzling hot for the girls in Lincoln's harem as they wrapped their left arms around the thick muscular necks of Lincoln and his clones and placed their right hands on the massive and wide muscular pecs of Lincoln and his clones. Then, they came back home to the World Tree Estate, and they were in their original clothes.

And back in their demonic castle, Drusilla Draven saw what we've done and foiled her latest scheme again, and it pissed her off so badly, her red eyes turned blood red with insane rage and she flew into an insane rage, and we heard it from the World Tree Estate. Grace covered Nanua's ears when that crazy witch screamed in insane rage.

Lincoln: (Smirks) Serves you right, Drusilla Draven.

Chloe Terryington: (Smirks) But, she ain't done yet. We're going to face her later on after our mission today, and she'll get the same treatment as Jocasta Belladonna, Jezebel Lanira, Ianira Dormund, and Edana Baudelaire.

Me: (Smirks) You said it. (To Lincoln and his harem) And are you guys okay?

Lincoln went up to me and Nico, and he hugged us and we hugged him back, and Lincoln's harem also joined in.

Lincoln: It's okay, J.D. and Nico. But, now that Damien Carter's been dealt with, Drusilla Draven's last plot has been foiled, and now, later on after our mission, Chloe and I are going to deal with that crazy witch.

Nico: And you also avenged Grace Lorelai's honor that was violently ruined, and since you pissed off Drusilla Draven so badly, she's really be coming after us today with murder, blind rage, and revenge on her mind.

Lincoln: Let her come, her blind rage and desire for revenge will lead to her downfall when we deal with her later on.

Chloe Terryington: That's right, she'll pay for everything she's done.

Lincoln: You got that right, Chloe, and I also got a surprise for you guys. Look what I acquired.

Lincoln took out his brand-new Wonder Ride Book called Elemental Thunderbird Phoenix Angel Buffalo Warrior, a large orange book with the Thunderbird, Phoenix, Angel, and Buffalo surrounded by the elemental forces of Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, and Magic. When we saw it, we were stunned with awe.

Nico: Holy crap, Lincoln, you now have your own Wonder Ride Book, that's so awesome!

Me: And it's perfect for you since three of your many mythological creatures are The Thunderbird, The Phoenix, and The Angel, and you have your spirit animal, The Buffalo, and you also have the power of the elemental forces of Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, and Magic.

Lincoln: Can't wait to try it out, especially on that witch, Drusilla Draven.

Lori: And you're literally the first of the Louds to get a Wonder Ride Book, bro, which means you also acquired a Kamen Rider Saber form.

Laney: Lori's right, and we can't wait for the rest of us to get our own Wonder Ride Books as well.

Me: Now, that would be really awesome.

Nico: Definitely.

---

Later it was time for Nuju's Final Ambassador Mission and this was going to be a really good one.

William: Anyone else want to go with Nuju? Besides 2 Rabbids and Tyson?

Lincoln: How about me and my siblings all come?

Nuju: Awesome! It'll be great for you to meet the W Kamen Riders.

Nico: Cool.

Lola: Awesome.

Nico: We'll lets head out.

We were off to Japan.

We arrived in Japan.

Philip: Hey guys!

Shotaro: Lincoln, good to see you and your sisters again.

Lincoln: You too Shotaro.

Tyson: Sorry we weren't properly introduced. I'm Tyson and I'm the leader of the Blade Breakers for Beyblading.

Me: Tyson and his friends and I go way back. I am the greatest Beyblading champion ever and Tyson is the champion after me.

Philip: That is cool! I didn't know that J.D.

Me: It's a long story. We owe you guys big time for helping us out during the Zenkaiger Mission. It was so awesome.

Nico: It sure was and that was easily the most epic one we've ever had.

Ryu: Boy it sure was. We had a lot of fun on that one.

Philip: We sure did and it was awesome.

Lori: That was literally so fun.

Megan Kiraton: Did you guys get Maria's call she sent to you all?

Philip: We sure did and Nico that is awful that Sophia went through all that! We're so sorry that happened to her.

Nico: Yeah no kidding! Now it's personal for me.

Me: Yeah no kidding. What happened was horrible.

Lincoln: Wait how did you guys know about that?

Megan Kiraton: Oh Maria made a really awesome website on the internet for us that lets us communicate with all the Kamen Riders via the internet. We call it KamenChat.

Nico: That is cool! I didn't know about that.

Me: That is a cool site though.

Nico: Shotaro, I'd like you to ask you and Philip advice on something.

Shotaro: On how to destroy Faust when Pohatu's missions are on? Well, it's only fair to warn you that they were only puppets.

Nico: Oh, I know that. But that's not it. You see, Maxxine and Tyranno Hassleberry have been looking at each other and blushing at the same time for the past few days.

Shotaro: Oh that means that they have a crush.

Nico: Really?

Me: Yeah that is definitely a telltale sign of a crush coming on. And I have just the place where we can take them for their date.

Lincoln: Where J.D.? Paleozoic World?

Me: Bingo buddy.

Philip: Paleozoic World?

Me: It's a prehistoric theme park we created after Isla Nublar was destroyed and sunk into the ocean. We made it over in Lake Huron.

I pulled out a brochure and gave it to him.

Me: We have 710 million years of history dating back to when the Earth was still in its primordial infancy on display for everyone to see. It's really popular for many people. We have creatures from the Precambrian Period dating all the way to the Tertiary period.

Shotaro: Wow! That is cool!

Ryu: You guys have an awesome theme park there.

But then…

KRABBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

Philip: (hears explosion) I hope that's another Dopant.

Me: Well lets go get them.

Eli: YEAH!

Lincoln: Lets!

We went to find the Dopant.

We then saw HOPPER, GENE, LUNA and OWL DOPANTS!

Me: Hopper, Gene, Luna and Owl Dopants!

Nico: Luna is not the main target thank goodness.

Me: He is a monster though. His name is Kyosui Izumi.

I went over his history.

---

Kyosui Izumi, aka the Luna Dopant, is the second-in-command of the NEVER terrorist group and the secondary antagonist of Kamen Rider W Forever: A to Z/The Gaia Memories of Fate.

Izumi was a flamboyantly gay man with sadomasochistic quirks and previously a member of the Triads until he was betrayed and fatally stabbed in the chest. He was later revived as a Necro-Over by Katsumi Daido and joined NEVER. As Katsumi was the last thing he saw before his death, Izumi fell in love with him and got jealous of anyone who got too close to him.

When NEVER went to Futo City to retrieve the 26 T2 Gaia Memories, Izumi found the T2 Luna Memory.

During his fight with Kamen Rider Double, Izumi proved to be incredibly strong and almost invulnerable. However, Kamen Rider OOO suddenly appeared and defeated him with OOO Bash Scanning Charge, causing him to turn into dust.

A Luna Dopant was summoned by the God Tree and was part of a monsters army led by Nepenthes Inhumanoid to prevent Kamen Riders Wizard, Beast, Gaim, Ryugen, Baron, and Zangetsu from stopping Kamen Rider Bujin Gaim from acquiring the ultimate power. He was defeated by OOO Arms's OOO Bash with the Medajalibur along with the Metal Dopant, Hagetaka Yummy, and Sphinx.

---

When I was finished everyone was shocked!

Philip: Oh man! That's bad. And I remember hearing about that.

Lola: What a monster!

Shotaro: We defeated these guys once. We can do it again.

Shotaro and Philip: Henshin!

CYCLONE JOKER!

Me: I'll face Luna. He has no idea how terrifying the moon can be. KIBAL LETS HOWL!

(THE WOLF AND THE MOON BY BRUNUHVILLE PLAYS)

I turned into WOLF MOON 🌙!

Eli: YEAH! I'll face Owl.

Nico: I've got Gene.

Lincoln: And we'll take Hopper.

Me: Lets get them.

Philip and Shotaro: Now, count up your sins!

Ryu: Now, let's shake it off!

Me: Time to kick some butt!

We went at them and Luna roared and went at me and I slashed him with my scythe.

I kicked him into the air and bashed him into the ground and smashed him up.

Luna then fired waves of moonlight at me and I blocked the blasts with my scythe and my scythe absorbed the blasts all over.

Me: Big mistake asshole! FULL MOON PREDATOR WAVE!

I fired a beam of energy from my scythe and it hit Luna Dopant and he exploded!

KRABBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

He was down and I grabbed the Luna Gaia Memory.

Me: Gotcha.

I slapped the cuffs on him.

Me: Kyosui Izumi you're under arrest.

Philip: Shotaro, are you thinking what I'm thinking?

Shotaro: Yep. Time to use CycloneJokerExtreme form.

Xtreme!

Turbine whirring was heard followed by an epic orchestra.

Then they donned their awesome XTREME FORM!

Me: So awesome! YEAH!

Eli went after Owl Dopant.

Eli: Try this one on for the night! SWORD OF THE DARKNESS

FLAME! 邪王炎殺剣

Eli formed a sword of pitch black fire and then he slashed Owl Dopant in two and he exploded!

KRABBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

His Owl Gaia Memory came out and Eli grabbed it.

Eli: Gotcha.

Shotaro: Nuju, how about you help the two of us take Hopper down together?

Nuju: I would be honored! Time to go Hordika!

Nuju went Hordika.

Shotaro: PRISMBLADE!

Shotaro summoned the Prismblade!

Me: Let me get in on some of that too. PRISMBLADE!

I summoned my Prismblade too.

Nico: YEAH! I already destroyed the Gene Dopant.

Nico had him in cuffs.

Nico: And now for the fun part. Guys this will be fun.

He pulled out his Eternal Phoenix Wonder Ride Book.

Nico: A combo with a Verse from a Saber Kamen Rider Wonder Ride book will be awesome.

Me: Lets do it!

Nico: "The Eternal Phoenix unleashed a massive wave of fireballs from his wings and sent them flying to the foe with incredible force and the foe was in a state of fear as its defeat was inevitable. And the blasts all hit him and a brand new tree bearing fruit grew out of the ground with amazing force.

Me, Shotaro, Philip and Nuju: ETERNAL PHOENIX OF LIFE BLAST!

We fired waves of fire and energy and elements and they formed into a phoenix and the fireballs all slammed into the Hopper Dopant and the blast destroyed him and then almost instantly a tree formed and it had fruit of all kinds and then I grabbed the Hopper Gaia Memory! Nico then slapped the cuffs on the Hopper Dopant.

Nico: All 4 of you have failed this city.

Philip: Wow! Nico that was so cool!

Nico: It sure was. The Wonder Ride Books from Touma and his team are all really amazing and their power is awesome.

Shotaro: Wow! You guys have learned a lot from them.

Me: We both have.

Shotaro: Nuju, ever since me and Philip met you, we've seen you as a big brother. To the both of us.

Nuju: I'm truly honored that you think so you two.

Nuju hugged them both gently.

Lincoln: That is so cool.

Laney: You said it big bro.

We later came back

May: Hey guys. How did it go?

Me: Really awesome way to finish W with a bang.

We told everyone everything and it was really awesome.

Optimus Primal: Wow! That is really cool.

Rhinox: It most sure is Optimus.

May: Kopaka, for your first mission, 4 Rabbids, Tai Kamiya, and Agumon should go with you.

Kopaka: This is truly going to be fun.

Nicole: I have been looking forward to this one. The Goddess of Video Games is going to show her skills to the enemies of the Ex-Aid Kamen Riders.

Me: That is gonna be so fun. And Seto you also might want to come for this one too. One of those Kamen Riders is very similar in personality to you too.

Seto Kaiba: I'll have to see that to believe it.

Chazz: Boy me too.

---

We then were walking to Paleozoic World and Toad Man had Maxxine with a blindfold over her eyes.

Maxxine: Where exactly are we going?

Toad Man: Uh uh uh. It's a surprise.

Varie: You'll see in a sec.

I was walking with Tyranno and he had a blindfold over his eyes too.

Tyranno: I know where we are. Paleozoic World.

Me: Yep those dinosaurs sounds are not hard to miss. Also you'll love the surprise here.

Nico: Yep.

Eli: (Whispers to Nico) Maxxine is totally going to kill you dude.

Nico: (Whispers to Eli) I know but it's worth it.

We arrived and pulled off their blindfolds.

Me: Tadah!

They saw each other.

Hassleberry: Maxxine?

Maxxine: Hassleberry?

Both: You're my blind date?!

Me: SURPRISE!

Jonny 2x4: Nico, I hope you've written your will.

Nico: (GULPS) I did.

Maxxine: Nico you planned this!?

Nico: Yes.

Me: He saw that you two were blushing and we planned this for you guys. So we wanted to make it fun for you and give you guys a fun time at Paleozoic World. It was cool. Also we help my friends in the Dino Squad next week.

Hassleberry: That's right we sure do.

Nico: Go have fun and it's your date.

Maxxine: Okay.

They went and had fun.

Sideways: Maxxine finally has a date with her own boyfriend.

Nico: She sure does.

Eli: And she is having it in one of my favorite places too.

Nico: Yeah.

Megan Kiraton: Yep. And I have a feeling this mission is going to be a good one later on after this.

Nico: You guys will love it.

Me: It's going to be awesome.

French Narrator: (French Accent) One fun date later.

Maxxine and Tyranno came back.

Me: Hey guys. Have fun?

Tyranno: We sure did and this was really fun.

Nico: We're glad.

Maxxine: Nico, thanks for setting all this up.

Nico: No problem.

Maxxine: (cracks her knuckles) But you're still getting punished for this! (to Hassleberry) Wanna join in?

Hassleberry: No can do. Going against my superior officer will result in a court martial.

Ultra Magnus: I respect that. Also, Nico's running for his life while you two are talking.

Nico: (reading from Ride Book) "The Brave hero ran for his life, hoping to outrun his furious teammate before she murders him!"

We laughed at that. So funny!

Maxxine jumped him and ticked him all over.

Maxxine: Coochy coochy coo!

Nico: (LAUGHS HYSTERICALLY) OKAY OKAY OKAY! SORRY! (FARTS)

Maxxine: Oops!

Nico: (Blushes) Oops sorry.

Deadpool: (to the viewers) Folks, you're about to see a classic character that's known throughout video games!

Jamesdean5842: And it's going to be really fun.

Nico: It sure is. All right it's time for our mission and you guys are going to love it. Like Deadpool said it's a classic. We're going to Pacopolis and we're going to meet Pacman!

We were excited for this one!

Lola: YEAH!

Pinkie Pie: I love Pacman! He is cool!

Nicole: Pacman is an awesome legend. Been a huge video gaming icon since 1980.

Lola: You got that right.

Eli: For over 42 years now.

Lincoln: This is gonna be so cool and I think I know what we're going to do in Pacopolis. We're going to destroy Lord Betrayus.

Me: You guessed it Lincoln. Here's what he is like.

I went over his history.

---

Lord Betrayus "Sneakerous" Spheros (also simply known as Betrayus), or better known as Lord Betrayus, is the main antagonist of the video game Pac Man and the Ghostly Adventures and its sequel, as well as the main antagonist of the animated TV series, Pac-Man and the Ghostly Adventures. He is the arch-nemesis of Pac Man.

He used to be a Pac-Worlder and citizen, but due to his evil plan to start a war, he became stripped of his body and was sent to the

Netherworld. He is also well-known for being responsible for the deaths of Pac-Man's parents and the entire race of the "Yellow Ones" (this was changed however when The Pacinator and Apex were introduced).

He was voiced by Samuel Vincent in the TV series, and Christopher Corey Smith in the videogame adaptations.

Growing up, Betrayus always lived in the shadow of his brother Stratos who was more liked, more popular and the preferred son of their mother Rotunda. As a child, he received very little respect from others, and even his mother seemed to care very little about his needs. He also had a deep hatred towards Halloween due to his mother forcing him to wear the same exact mustard costume until he was an overgrown teenager. During his teenage years, Betrayus was a professional Pac-Pong player and one of the best until his match against fellow Pac-Pong expert Spheria Suprema, who managed to beat him with a score of 21 to 20 and she became the reigning Pac-Pong champion. The loss left Betrayus emotionally scarred for the rest of his life and afterlife due to the humiliation and the fact that he had an unreciprocated crush on Spheria at the time.

Before the events of Pac-Man and the Ghostly Adventures, Betrayus led a massive revolt against Pac-World in a plot to take over the world and somehow managed to recruit ghosts from the Netherworld to aid him and acquire powerful weapons and vehicles for his invasion. During this revolt, he laid waste to many locations with his army of soldiers and ghosts, striking fear into many and even putting the rebel Resistance on edge. However, despite the fact that he had ghosts serving him and the fact that he was well-armed, he was eventually defeated. As punishment for his crimes, he was stripped of his corporeal form and banished to the Netherworld. Since then, he has been waiting and plotting for the day when he can gain revenge on all Pac-People.

After many years of imprisonment, Betrayus and his army were finally freed by Pac-Man after he accidentally opened up a portal to the Netherworld, but is distraught when he realizes that Pac is the last yellow Pac-Worlder left in Pac-World and the only one capable of stopping his plans.

When I was done everyone was shocked!

Nico: Yep.

Eli: Oh man! This guy is bad news.

Lola: Yeah!

Luna: Not cool dudes.

Crag: And we're going to rip him into pulp.

Danny Phantom: But if he is a ghost we'll have to send him to the Ghost Zone.

Me: Normally yes but he is getting the black gates for his crimes.

Then Zavok, Cluemaster, Turtle, See More, Madame Masque, Crimson Dynamo, Shiva, Billy Numerous, Top and Spymaster appeared.

Zavok: Can me, Cluemaster, Turtle, See More, Madame Masque, Crimson Dynamo, Shiva, Billy Numerous, Top and Spymaster go with you guys?

Nico: Yes you can and we're going to the world of Pacman and we're going there to destroy Lord Betrayus.

Shiva: Oh man! I've heard about him. He is dangerous.

See-More: Yeah he is awful and bad news.

Crimson Dynamo: But I remember playing Pacman back when I was a kid. Good memories.

Twilight Sparkle: Who doesn't love Pacman.

Me: Yeah.

Cassandra: Nico, which Gene Slammer do you think you'll meet on your next rescue?

Nico: This one I'm gonna really think is interesting. I'm hoping to go for an Evolved Celestialsapien Gene-slammer next.

We gasped!

Me: WHOA! This is gonna be amazing and interesting.

Shanan: Wow! The Ultimate Form of Alien X. This is gonna be really interesting to see too.

Lola: Yeah no kidding. They have more power than all the Celestialsapiens out there. That is gonna awesome.

Ben: No kidding there.

Camie: Yeah that is so cool.

Me: Yeah.

Suddenly, Lincoln's deep sapphire blue eyes and the rainbow colored iris of Lincoln's Third Eye glowed even more, as he sensed a dark energy signal with his eyes and the Force, and he saw who the figure is in the vision: it was none other than Drusilla Draven, and she's coming to kill us all for revenge for ruining her schemes, and she's still even more major leagued pissed off due to Giselle Razor double-crossing her and attacking her before she headed out to the city. When we saw it, we knew it meant trouble.

Nico: Uh oh, I know those glowing eyes from anywhere. Lincoln, is Drusilla Draven on the move?

Lincoln: That's right, Nico, and she's coming to kill us all for revenge for ruining her schemes, and she's still even more major leagued pissed off due to Giselle Razor double-crossing her and attacking her before she headed out to the city after you came back from your rescue.

Chloe Terryington: So, Drusilla Draven's on the move. Perfect, now we have our chance to pulverize and beat that crazy witch into the ground for what she did in resurrecting that bloodthirsty psycho, Giselle Razor, and breaking that murderous rapist, Damien Carter, out of prison.

Lincoln: And we're both taking that crazy witch down, and like I said, she's getting the same thing as Jocasta Belladonna, Jezebel Lanira, Ianira Dormund, and Edana Baudelaire.

Inside the Dark World Goth Girls' black tarot box in Nicholette Torrington's hands, Jocasta Belladonna, Jezebel Lanira, Ianira Dormund, and Edana Baudelaire were still screaming in rage and the box was shaking.

Nicholette Torrington: Sheesh, even after I had soundproofed the box, we can still hear and feel their chalkboard screeches coming from the box.

Lincoln: Okay, that's the last straw.

Lincoln opened up the box and put four pieces of stinky cheese into the tarot card prisons of Jocasta Belladonna, Jezebel Lanira, Ianira Dormund, and Edana Baudelaire, and they were really grossed out by the stink.

Nico: Let's see them continue to screech like crazy when they're forced to smell the pieces of stinky cheese inside their tarot card prisons.

Eli: That'll shut them up.

Lincoln: And that's what's going to happen to the rest of those creeps: we're putting stinky cheese into their tarot card prisons, that way, we won't have to hear their chalkboard screams coming from the box.

Nico: P.U.!

Me: That'll teach them.

Nico: You said it. Alright, gang, let's go.

Top: Where do we find Pac Man?

Nicole: That's easy. We find him here.

Nicole opened up a portal and it went to Pacopolis!

We went through and we were in Pacopolis.

Nicole: Welcome to Pacopolis everyone.

Nico: Wow! It looks like a really awesome futuristic city.

Lola: It sure is! This is amazing!

Lana: No kidding.

Eli: Yeah it sure is cool!

Nicole: We go to City Hall to find Pacman.

We went to City Hall and there we saw a yellow guy and it was Pacman!

Nico: There he is. Pacman?

Pacman: Huh? Wow! Team Loud Phoenix Storm! It's a huge honor to meet you all.

Nico: Same to you Pacman.

Hard Man: Hey, Pac Man. You remember me, right?

Pacman: You bet I do Hard Man. Awesome to see you again.

Me: This is amazing that you guys live here in an amazing city like this.

Lincoln: It sure is. I take it you also heard that I was added to the Super Smash Brothers roster.

Pacman: I sure did Lincoln and that is so cool that you were added to the roster.

Me: That STILL has us reeling.

Camie: Lincoln is now in Super Smash Brothers?

Me: He sure is. And that was one of the biggest shocks we've ever seen in our history. We were practically freaking out when we saw

that.

Lola: Yeah we ALL Are now in the game Super Smash Brothers Ultimate now.

Laney: You wouldn't believe what happened.

Me: It was back 3 years ago and it happened after we came back from Total Drama World Tour 2.

Nico: Boy I remember that. That was awesome.

I went over what happened in Chapter 659.

---

*It was a beautiful day in Gotham Royal York.*

*Me and Lincoln were reading an Ace Savvy comic under the tree in the front yard, and Lily was reading with us while sitting in beside his legs. We were settling down after a long and grueling battle on Total Drama All Stars 2.*

*He smiled and ruffled her hair, making her giggle.*

Lily: *smiling* Wow, Ace Savvy is always fun.

Lincoln: *smiles* Sure is, Lily. Nothing makes my day without Ace Savvy.

Me: You said it buddy. And you did a great job in Total Drama All Stars 2.

Lincoln: Thanks J.D.

*The three were about to continue reading, but then Lynn barges outside and rushes over to us.*

Lynn: *excited* J.D.! Lincoln! Lily!

Lily: *looks at Lynn* What, Lynn?

Lincoln: *looks at Lynn* What's up, Lynn?

Lynn: *excited* Come inside, quick! There's a new character trailer for Super Smash Bros. Ultimate!

Lincoln and Lily: *surprised* Really?!

Me: Oh this we got to see!

*The four of us rush inside.*

*That's where we find the others gathered at the couch.*

*It was clear that we all were eager to see this trailer.*

Lori: *notices me, Nicole, Lincoln and Lily, eager* J.D.! Nicole! Lincoln! Lily! You guys made it!

Luna: *eager* Yeah! Would've been real bogus if you all missed this!

Lincoln: *eager* As if I would miss this!

Lily: *eager* Me too!

Me: Same here.

Nicole: Lets see what's going on.

Luan: *eager* Well, you're all just in time! The trailer's just about to start!

*We eagerly sit on the couch as the trailer begins.*

*It shows a rocky canyon area on a very cloudy day as the fighters, mostly Mario and Link, duke it out.*

*Some of the other ones fighting were Megaman, Sonic the Hedgehog, Samus Aran, Lucario, etc.*

Lincoln: *smiles* Of course it starts with everyone fighting.

Lana: *smiles* It's Super Smash Bros., Lincoln! How do you expect a trailer from this franchise to start?

Nicole: It's been one of my favorite franchises ever since I started out as the goddess of Video Gaming.

*It then shows Bowser and Ganondorf interrupting Mario and Link's fight.*

*As the heroes fight off their enemies, it zooms onto a very high canyon ledge.*

*It then shows a 2nd POV of someone walking to the ledge, while slightly seeing bits of a crackling orange aura around him/her.*

Siblings: *curious* Who is that?/Who could it be?/I don't know who that is.

Me: This looks interesting.

*As the heroes and villains connect fists with each other, the 2nd POV character runs to the ledge and jumps off it, diving down while becoming an orange aura meteor.*

*The heroes and villains notice the aura meteor and jump away as it crashes down, kicking up a massive dust cloud, and making a enormous crater.*

*Everyone was surprised. Fighters and Loud Kids. All of us were suprised*

Lola: *surprised* Jeez! That was a powerful landing!

Me: Unbelievable!

Varie: Whoever he is, he sure packs a powerful wallop.

Earth: No kidding Varie.

Leni: *surprised* Yeah! Like, who is this character?

Aylene C.: We're about to find out.

*The fighters all face the massive dust cloud as it slowly clears away, revealing the character in the middle of the crater with a furious crackling orange aura and white glowing eyes. It cuts to the character's arm, where the aura slowly starts to fade away. As the aura slowly fades away, it first revealed a familiar black fingerless gloves hand. This mysterious fighter got the interest of all the fighters, even including MEWTWO. The fighter then began walking up the crater, each step coming from a familiar pair of black and white sneakers. Then, it leaps out of the crater and lands with a powerful thud, slightly cracking the ground a bit. The aura fades away a bit more, revealing some familiar white hair.*

*We all were surprised at how familiar it looked.*

Lori: *surprised* Hey, that white hair looks familiar.

Lucy: *surprised* Yes, REALLY familiar.

Me: He sure does.

*Due to this not being actual gameplay footage, some of the characters were able to speak, just like in the World of Light Trailer.*

Bayonetta: Listen here, whoever you are. You better scurry off back to wherever you came from. *aims one of her pistols at the figure* That's a warning.

*The figure didn't move or speak.*

Cloud: *readies his sword* Fine. If you aren't gonna leave, we'll force you to!

*Cloud runs at the figure, ready to strike with his Buster Sword.*

*In that exact moment however, Shulk had a brief glimpse into the future.*

*It showed the figure catching Cloud's sword with one of their fingerless gloved hands, and kicking him away like he was nothing.*

Shulk: *yells* Cloud, don't!

*But Cloud didn't listen, as he jumped into the air, and prepared to strike the figure with his enormous blade.*

*The figure catches Cloud's sword with one of their fingerless gloved hands, and kicked him away like he was nothing.*

*Cloud screams as he crashes into the canyon wall.*

*That surprised the other fighters, and all of us.*

Luna: *surprised* Did you see that?!

Me: Holy Mackerel!

Laney: That is amazing!

Pit: *surprised, shocked* No way!

Ryu: *surprised, shocked* Such strength!

*The figure then lets out a chuckle, then speaks in a familiar voice.*

Figure: I gotta say, that was a pretty sweet move, *smirks* even though it was predictable.

*It then shows Cloud, struggling to get up.*

Cloud: *mad, in pain* Who are you?!

Figure: *smirking* My name? Oh, that's easy. The name…

*The orange aura around the figure bursts away, revealing…*

*… A familiar white haired 12-year old cyborg from another universe.*

Lincoln: *smirking while punching his palm with a orange crackling aura* Is Lincoln Loud!

*A booming sound echoes as it zooms up on Lincoln with an orange trailer background.*

*Lincoln Unleashes the Power!*

*All of our eyes widened and our jaws dropped, especially Lincoln's.*

Siblings: *wide-eyed, jaw-dropped, beyond shocked* SAY WHAT?!/ NO WAY!/HUH?!

Me: Jumping Tentacool Tentacles!

Nicole: LINCOLN IS… (Faints)

Lily: *wide-eyed, jaw-dropped, beyond shocked* WHA-HUH?! LINKY'S IN SMASH BROS. ULTIMATE?!

Lisa: *wide-eyed, jaw-dropped, beyond shocked* HOW IS THAT POSSIBLE?!

Lucy: *wide-eyed, jaw-dropped, beyond shocked* No. IDEA.

Lincoln: *wide-eyed, jaw-dropped, beyond shocked* I'm in Smash Bros… I'm… in… Smash Bros…

*It then cuts outside the Estate.*

Lincoln: *inside, wide-eyed, jaw-dropped, beyond shocked* WHAAAAAAAAAAAAAAAAAAAAAAAAT?!

*Lincoln's scream of shock was SO loud, that every bird in Gotham Royal York flew off in fright. And all of Gotham Royal York heard his scream too.*

Batman 2039: (In the Batcave) *surprised* Was that Lincoln?

Superman: (On the Watchtower) *flinches because of his enhanced hearing* Ah! *surprised* Was that Lincoln screaming?!

Maggie: (In her room) *slightly surprised* When did Lincoln get that loud?

Nick F.: (At the library) *surprised* God! That is loud! (Librarian shushes him) (Whispers) Sorry.

Giggles: (At a birthday party) *surprised* Wow! Lincoln's louder than a parrot!

Haiku: (At the cemetery) *slightly surprised* That. Is. Loud.

Polly Pain: (At the Roller Rink) *surprised* My god, Lincoln! Woah!

Carol: (At the mall) *surprised* Whoa! Jeez, Lincoln!

Mr. Grouse: (Down the street) *heard nothing due to having a nap*

*Back at the Loud House.*

*Lincoln was staring at the screen, still wide-eyed, jaw-dropped, and beyond shocked. The sisters were startled by Lincoln's scream, Lily was hiding behind Lynn.*

Lynn: *startled* Jeez, bro! You trying to make us go deaf?!

Me: Yeah that was incredibly loud buddy.

*Lincoln was too shocked to say anything.*

Luna: Uh, bro?

*After 5 minutes of shock, Lincoln finally spoke.*

Lincoln: *wide-eyed, jaw-dropped, beyond shocked* HOW?! HOW AM I IN SUPER SMASH BROS. ULTIMATE?! I'M NOT A GAME CHARACTER!

Me: That's what we're all wondering as well. But this is so awesome buddy!

Lisa: That's what we're trying to figure out too!

Leni: Well… maybe we'll figure something out while still watching the trailer.

Lincoln: *calms down, still shocked, but nods* Yeah, good idea, Leni.

Me: Lets keep watching.

*The siblings continue to watch the trailer.*

*On TV.*

*The trailer background goes away from Lincoln as he continues smirking, while Cloud slowly stands in pain.*

Lincoln: *smirking* And you're gonna find me a VERY tough fighter to beat!

Bayonetta: *appears behind Lincoln, smirks* Is that so?

Dark Pit: *flying towards Lincoln, grinning* Hopefully you weren't just talking big!

Lincoln: *smirks* I wasn't. *charges right at Dark Pit with his cyborg speed*

*It then switches into gameplay footage, where it shows Lincoln making his stage entrance: Falling and landing onto the stage, surrounded by an orange aura. It bursts away as he gives a thumbs-up to the screen, then goes into his fighting position.*

*It then shows Lincoln's normal combo as he fights Mario and Luigi, which was a punch, followed by a kick, then unleashing a swing on his longsword, which he called Anvil.*

*Then it shows him running and jumping, while unleashing his Forward Smash against Pit, which was pulling out Blazing Rose, a massive scythe, and throwing an overhead swing. His Up Smash on Rosalina & Luna, which was throwing a powerful flipkick. And his Down Smash on Yoshi, which was punching the ground fiercely, making pillars of orange aura erupt from both sides of him. Then, it shows Lincoln grabbing Pac-Man, and using his Pummel, which was kneeing Pac-Man a few times in the stomach before using his Up Throw, which was tossing Pac-Man into the air and firing an orange blast of aura at him, causing an fiery explosion. He then grabs Snake before using his Down Throw, which was throwing the Legendary Hero to the ground and stomping harshly on his spine. He then grabs Sonic and does his Forward Throw, which was punching the hedgehog in the face, sending him away. It then shows Lincoln, standing there, arms crossed, only for Kirby to walk up behind him. Kirby had Lincoln's hairstyle, meaning he used his copy ability on him. Lincoln turns around and notices, then they both jump back and perform Lincoln's neutral special: an chargeable energy blast attack.*

Lincoln: *chuckles* Not even I'M safe from his Copy Ability.

*It then shows Lincoln using his Up Aerial on Zero Suit Samus, which was thrusting Anvil above him, then unleashing his Up Special on her, which was an aura-infused jumping uppercut. When the uppercut reached it's peak, an explosion from Lincoln's fist occured, and Zero Suit Samus was sent flying. It then shows Little Mac about to punch Lincoln, only for Lincoln to use his Down Special, which was a counter. Lincoln stood in a defensive pose, and when Little Mac struck him, Lincoln ducked under the attack and threw a super powerful slash from the aura blades on his gauntlets and greaves, which dealt double damage. Now it shows Lincoln unleashing his Side Special on Bowser, which was him launching himself and unleashing a spinning drill dropkick during the launch while engulfed in flames. It then shows Lincoln fighting off Link, Young Link and Toon Link. Lincoln sends them flying with his Down Smash, gives a KO to Peach, Daisy, and Diddy Kong with his Side Smash. He then performs one of his taunts, which was pulling out and reading an Ace Savvy comic.*

Lincoln: *on TV, reading his comic* Really? That's it?

*He then performs his 2nd taunt, which was him grinning and cracking his knuckles with orange crackling aura surrounding them.*

Lincoln: *on TV, smiling* Who's next?!

*His final taunt was looking bored while letting out a fake yawn.*

Lincoln: *on TV, fake yawn* Step it up, will ya?

*In the real world.*

Lynn: *grins* Now those are some sweet taunts, bro.

Lincoln: *chuckles* Thanks, Lynn.

Me: Wow! Lincoln you got some awesome and amazing moves!

Nicole: Boy I'll say!

*Then came the one thing everyone was waiting for: Lincoln's Final Smash.*

Lana: *excited* Ooh! The Final Smash!

Luan: *excited* I've been waiting for this!

Nico: This is gonna be awesome!

Luna: *excited* What's it gonna be, dudes?!

Lucy: *nonchalantly excited* We're about to find out.

*In the game.*

*The Final Smash is activated.*

Lincoln: *transforms into Mastered Rage* Now you'll see my TRUE power!

*Lincoln launches into the air, raises his hands up, and charges up a Dragon Spirit Bomb knock-off that grows into a massive size. Once it reached full size, Lincoln throws it down, and the attack engulfs the entire stage.

Siblings: *amazed* WHOA!

Me: Holy Moltres Flames!

*Bayonetta, Dark Pit, and Ganondorf get caught in the powerful Final Smash and sustain heavy damage. Then, after a few moments, the Dragon Spirit Bomb knock-off explodes violently, and the fighters get sent flying off-screen, getting KOs. Lincoln lands back on the stage and deactivates Mastered Rage.*

*It then shows Lincoln's victory screen.*

*His first victory pose was landing on the ground, slightly cracking it, then he smirks as he gets into an epic fighting stance.*

Lincoln: *smirks* You're gonna have to do better than that!

*Along in the victory screen, his emblem was a symbol of The Loud House, and the victory theme was a shortened version of the Loud House theme song.*

Smash Announcer: LINCOLN… wins!

*The screen flashes red for Player 1, and the name "LINCOLN" resides next to Lincoln.*

*It then cuts back to the cinematic cutscene.*

*Dark Pit crashes to the ground in pain, and Bayonetta was smashed into the canyon wall.*

Pit: *shocked* He took out Cloud, Bayonetta, AND Pitoo?!

Dark Pit: *in pain, mad* DON'T CALL ME THAT!

*Lincoln walks over to them, charging an energy blast in his palm.*

Lincoln: *smirks* Told ya I was going to be a tough fighter to beat.

*Then, in slow motion, Lincoln looks up and sees an arrow heading for him.*

*He just smirks and leans to the side, the arrow whizzing past him.*

Lincoln: *smirks* Nice try, Link. But you missed.

Zelda: *smirks* He wasn't aiming for you.

Lincoln: *confused, stops smirking* Huh?

*As it turns out, Link fired an explosive arrow, which exploded behind Lincoln. The force from the explosion knocked him forward.*

Lincoln: Gah! *lands on his face*

*Link smirks, but was soon answered with a speedy punch to the stomach by Lincoln, who easily got up without pain. Link crashed into the wall, much to Zelda's shock.*

Lincoln: *smirks* Nice trick! But you'll like mine even more!

*Lincoln then found himself unable to move.*

Lincoln: *surprised* Huh? Why do I feel stiff?

*He tried to move again, but was held back.*

Lincoln: *grits his teeth* Urggh! Come on!

Mewtwo: *off-screen, telepathically* Nice try. But you aren't going anywhere, child.

Lincoln: *grits his teeth harder* OH, YEAH?!

*Lincoln stomps his foot, and an energy crack travels towards Mewtwo and strikes him fiercely, making him scream in pain and release the young boy.*

Lincoln: Ha! Got away! Now… *faces the other fighters, who were ready to face him, he smirks* Who's next?!

*The screens turns to white, and the Super Smash Bros. Ultimate logo appears, along with the release date.*

*We all were about to turn off the TV, but something new happened.*

*On the TV, Lincoln's fist punches through the logo, shattering it like glass.*

Lincoln: *on the TV, scoffs, to the viewers* Who said I was hogging all the fun to myself?!

Lynn: *surprised* What do you mean by that, Lincoln?

Lincoln: I have no idea.

Me: Me neither.

Janeen: But lets watch and see.

*On The Loud House stage, Lincoln picks up an assist trophy, and summons a character, which turns out to be Lori.*

*That shocked the siblings, especially Lori.*

Siblings: *shocked* LORI?!

Me: Lori!?

Lori: *shocked* WAIT, WHAT?! I'M AN ASSIST TROPHY?!

Me: It looks like you are!

*Inkling Girl walks on screen to Lincoln and Lori.*

*Lori suddenly grabs Inkling Girl.*

Lori: *on TV, yelling at Inkling Girl* Get out of my room!

*Lori throws Inkling Girl violently, causing her to receive a lot of damage.*

Siblings: *shocked* WHOA!

Lincoln: *on TV, to the viewers* THAT looks familiar.

Me: It sure does.

Lori: That is definitely me. But I can't believe I was literally that rotten tempered.

Laney: I can. But it's good you're not anymore.

*Lori then pulls out her phone and begins texting, before disappearing.*

*Then, on another stage (Peach's Castle), Lincoln grabs another Assist Trophy.*

*This time, Leni pops out.*

Leni: *surprised* Huh?! Me also?!

Ed: You look good on TV Leni.

Leni: Thanks Ed.

*On TV.*

*Leni excitedly grabs Luigi and models him into an embarrassing outfit.*

*The outfit looked similar to the one she put Lincoln into in "Sound Of Silence."*

*This stuns the green capped plumber long enough for Lincoln to kick him off the stage.*

*Leni then grabs Diddy Kong and puts him in a embarrassing outfit too.*

*This stuns Donkey Kong's best friend long enough for Lincoln to uppercut him off the stage.*

*Leni winks at the viewers and waves as she dissapears.*

*In the real world.*

*Lincoln was blushing at the "Sound Of Silence" outfit.*

Lincoln: *in his head, blushing* Out of all the outfits imaginable… they went with THAT outfit…

*Leni was ALSO blushing.*

Leni: *in her head, blushing, twiddling her fingers* Oh, that outfit… The one I put Linky in…

*Lola was blushing too, considering she was the one that made all that happen.*

Lola: *in her head, blushing, guilty* Oh, I… I remember that outfit… not in a good way…

Lily: *looks at Lincoln, Leni, and Lola, notices their blushing* That prank we did was horrible.

Lori: *whispers to Lily* Yeah, it's was Lola's idea.

Lily: I know.

Me: But still I think that's a great move for Leni in this game.

Nico: I agree.

Maria: It sure is awesome.

*Next, on the Battlefield stage, Lincoln grabs another assist trophy, which released Luna.*

Luna: *surprised* Woah! They added me too!

Me: Wow! They sure did.

*Luna then pulls out her guitar, as well as enormous speakers.*

*She strums her guitar loudly, and the sound waves from the speakers push Kirby, Little Mac and Solid Snake off the map.*

*She continues strumming her guitar for a few more moments before ending her performance.*

Luna: *gives the hang loose gesture* GOOD NIGHT, EVERYBODY! *disappears*

*In the real world.*

Lincoln: *surprised* I think that's the loudest jam you ever did, Luna.

Lynn: *surprised* No kidding. You definitely are the loudest out of all of us.

Luna: *chuckles* Well, it's my TV self who did the jammin'.

Me: They don't call you the Loudest member of the Loud Family for nothing.

Lily: *surprised* Even so… who's to say you couldn't be that loud in real life?

*Back in the TV.*

*Now, on the Delfino Plaza stage, Lincoln grabs another assist trophy, which released Luan.*

Luan: *surprised* Hey! I'm there too!

Eddy: You sure are.

Linka: That is so awesome!

Maria: Luan you look great in Super Smash Brothers Ultimate.

*On TV, Luan begins throwing pies at her opponents.*

*Pies hit Donkey Kong, Olimar, and Yoshi.*

SPLAT SPLAT SPLAT SPLAT SPLAT!

*Now the fighters were dizzy.*

*Which gives Lincoln enough time to smash them out of the stage.*

Luan: Ha! You got pied! *laughs as she disappears*

We laughed at Luan's Jokes in the game.

Me: (Laughs) That was a good one Luan!

Xerneas: Even in Video Games you still crack us up.

Celica: She sure does.

*In Green Hill Zone, Lincoln grabs another Assist Trophy, and out pops Lynn.*

Lynn: *excited* Yes! I'm in too!

Lightning: You sure are Lynn! Sha-WOW!

*On TV, Lynn, suited in her football gear, fiercely tackles Palutena, Bowser Jr., and Bowser.*

Lynn: *on TV* Outta the way!

*Lynn tackles start to get harder and harder, until they're powerful enough to smash the fighters off the stage.*

Lynn: *on TV, smirks* That's how it's done! *disappears*

*In the real world.*

Lynn: *grins* Ha! That was awesome!

Samus: You sure know how to dominate the field Lynn.

Me: She sure does Samus.

Lincoln: *rolls his eyes* Of course Lynn would do something like that.

Luna: *rolls her eyes* I ain't surprised.

*On Yoshi's Island, Lincoln grabs another Assist Trophy, and out pops Lucy.*

Lucy: *small smile* Wicked. I'm in too.

Me: Even the forces of darkness will unleash fear in the form of Lucy Loud - The Vampire of Darkness and Fear.

Brittney: You know it dad.

Lucy: That's really inspirational.

*On TV, Lucy's mere PRESENCE made Wii Fit Trainer, Duck Hunt, and Villager get stunned immediately.*

*Lincoln then grabs Duck Hunt, and throws him into Wii Fit Trainer and Villager, knocking them all back.*

*Then, Lincoln unleashes his neutral special on them and sends them off the stage.*

Lucy: *small smile* Ha. Wicked. *disappears*

*In the real world.*

*The girls, sans Lucy, were hugging Lincoln in fright. And even he was startled.*

*Lucy was grinning.*

Lincoln: *startled* Whoa. Lucy just stood there, and they were stunned…

Lucy: *grinning* That was wicked.

Leni: *shivers* Lucy sure knows how to give a scare…

Luan: *shivers* Yeah, even on TV…

Me: You said it girls.

*On Brinstar, Lincoln grabs another Assist Trophy and out pops Laney.*

Laney: (Surprised) It's me!

Joey: (British Accent) You look smashing on T.V. Laney.

Laney: Thanks Joey.

On TV, Laney went over to Mario, Peach and Diddy Kong and painted a picture and the picture came to life and it was a steamroller and it flattened them.

Laney: (Smiles) Fighting never solves anything. (Disappears)

In the real world we were amazed.

Me: Wow! Laney that was so cool!

Laney: It sure was.

Joey: Good show!

Lori: You literally socked it to them with art. That is amazing!

*On Wily's Castle, Lincoln grabs another Assist Trophy, and out pop the twins.*

Lana: *surprised* Hey, it's us!

Lola: *surprised* No way!

Gali: You two look awesome on TV.

Erza: They sure do.

Natsu: I can't wait to see what they can do.

*On TV, the twins glare at each other before fighting. They start moving around the stage, catching Peach, Daisy, and Donkey Kong in their fight cloud.*

*When the fight cloud disappears, the three fighters that got caught are launched off the stage.*

*The twins pant from fighting.*

Lana, Lola: *panting* Sorry, Lana… /Lola… *both disappear*

*In the real world.*

Lincoln: Twin fight. Not surprising.

Me: That was very rough but also amazing.

Lucy H.: It sure was. But that was really cool.

*The twins blush in embarrassment.*

*On Yoshi's Wooly World, Lincoln grabs another Assist Trophy, and out pops Lisa.*

Lisa: Not surprising that they would include me too.

Dexter: You look perfect in a video game entertainment software Lisa.

Lisa: Much appreciated Dexter.

*Lisa starts throwing chemicals at Duck Hunt, Pit, and Zelda.*

*This causes them to slowly take more and more damage.*

*When they take enough damage, Lincoln sends them flying.*

Lisa: *adjusts her glasses, smiles* A perfect success. *disappears*

*In the real world.*

Lisa: Me throwing chemicals to inflict damage. *shakes her head* Odd, but typical.

Me: That was clever and genius.

Xerneas: It sure was.

*On the New Donk City Hall map, Lincoln picks up another Assist Trophy, and out pops Lily.*

Lily: *gasps, excited* I'm in too!

Me: Oh wow!

*Lily pulls out a paintbrush and paints all over Sonic, Young Link, and Toon Link, confusing and stunning them.*

*Lincoln then unleashes his smash attacks to send them flying.*

Lily: *on TV, giggling* Bye-Bye! *disappears*

*In the real world.*

Lincoln: *smiles* Now that's a sweet attack for Lily.

Me: It sure is.

*He ruffles her hair, making her giggle.*

Lily: *giggling* Thanks, Linky!

Lincoln: *on TV, to the viewers* Ready for the main event?

Siblings: *surprised* Main event?

Me: I wonder what it's gonna be.

*Back at the Loud House stage, Lincoln picks up another Assist Trophy, and to the siblings' surprise, out pops all 11 sisters at once.*

Siblings: *surprised* Whoa!

Lori: *surprised* ALL of us appeared at once?!

Leni: *surprised* No way!

Luna: *surprised* That's awesome!

Nicole: Oh this is gonna be sweet!

Me: I can tell.

*On TV.*

*The sisters attack Mario, Luigi, Link, Kirby, and Pikachu by using their assist trophy moves.*

*They take enough damage for Lincoln to knock them all off with his Smash move.*

*Once he does, the sisters gather in the middle on the stage.*

Sisters: *waving* Bye-Bye! *disappear*

*Now, the screen fades to white as the Super Smash Bros. Ultimate logo and release date appear.*

*In the real world.*

Luna: *grins* Now that was awesome, dudes!

Leni: *smiles* Yeah! It was a great trailer!

Lisa: *smiles* Indeed.

Me: That was so awesome!

Nico: It sure was.

Mindy C.: Boy you all really socked it to them.

Me: They sure did.

Lincoln: I agree… but it still doesn't make sense…

Lily: Yeah, how are we IN the game? We're not game characters.

Leni: *remembers something* Wait, do you think… it has something to do with that time Linky got sucked into the Wii U Gamepad?

Lincoln: *gets what Leni's talking about* Leni, I think you're onto something. *looks at his sisters* Can someone go get New Super Mario Bros. U?

Lily: I got it! *runs to grab the game*

*While she does so, Lincoln turns on the Wii U.*

*Lily comes back with the game.*

Lily: Got it! *hands it to Lincoln*

Lincoln: *takes the game* Thanks, Lily. *pops the game in*

*In the Wii U Menu, Lincoln selects New Super Mario Bros. U.*

*It then opens up to the New Super Mario Bros U. title screen.*

Lincoln: Okay, let's see… *selects 2 players, looks at his sisters* Someone pick up a Wii Remote.

*Luna picks up a Wii remote.*

Luna: Got it.

*Luna turns on the Wii Remote and goes to select a player.*

*Then, much to everyone's surprise, Lincoln was one of the player characters.*

Lynn: *surprised* Whoa! Linc's a playable character!

Me: He sure is.

Leni: *surprised* Unbelievable!

Lincoln: *surprised* H-How though?!

Lisa: It's a possibility in the Cyborg Lincoln's universe that you triggered the game's coding while inside it yourself. It's now permanent.

Me: That does make a lot of sense.

Nicole: It sure does.

Lori: *surprised* Don't take this the wrong way, Lisa, but that literally might be the most understandable science words that have come out of your mouth.

Lisa: None taken, eldest sister.

Lincoln: *surprised* Wow! I made myself a playable character! *thinks* Hm, I wonder if Sakurai noticed this?

Me: I have a very strong feeling he did.

*As it turns out, Sakurai DID notice it.*

*Hence the reason why he put Lincoln in Super Smash Bros. Ultimate.*

*Nothing a little research couldn't help out with, which is how Sakurai learned about Lincoln.*

Sakurai: *smiles* I hope Lincoln liked my surprise in Ultimate.

*Back at The Loud House.*

Lana: Well, if he did. Then that explains how you're in Smash Bros. Ultimate.

Lincoln: Sounds just about right. And knowing everyone who loves playing Smash Bros., they're probably going berserk about me being playable.

Lisa: More than likely, elder brother.

Me: Me too.

*Meanwhile, the kids in Gotham Royal York were just watching the newcomer in the Smash Bros. Ultimate trailer.*

*Once they saw it was Lincoln who was the newcomer, they were beyond shocked.*

Clyde: *beyond shocked* No. Way.

Girl Jordan: *beyond shocked* Say what?!

Fox Quintuplets: *beyond shocked* WHAT?!/ NO WAY!/ HUH?!

Tabby: *beyond shocked* Wait, WHAT?!

Haiku: *shocked* Huh?!

Bobby: beyond shocked* MY LITTLE BRO'S IN SMASH-?!

Becky: *beyond shocked* WHAT-?!

Teri: *beyond shocked* IN-?!

Carol: *beyond shocked* THE-?!

Dana: *beyond shocked* WORLD-?!

Nick F.: *beyond shocked* NO FREAKING WAY!

Polly Pain: *beyond shocked* HUH?! HOW DID-?!

Sam: *beyond shocked* OH MY GOSH!

Rusty: *beyond shocked* WHAT THE WHA?!

Liam: *beyond shocked* HOLY TARNATION!

Rocky: *beyond shocked* H-HOW?!

Giggles: *beyond shocked* WHAT?! HUH?! WHAT?! HOW?!

Benny: *beyond shocked* I'd be laughing if this was a prank, WHICH IT ISN'T!

Francisco: *beyond shocked* HOLY MOLY, HOW THE HECK?!

Silas: *shocked* Woah…

Skippy: *beyond shocked* HUH?! HOW IS HE-?!

Winston: *beyond shocked* UNBELIEVABLE!

David: *beyond shocked* HOLY EINSTEIN! HOW IS THIS POSSIBLE?!

Stella: *beyond shocked* WHA?!

Chip: *beyond shocked* HUH?!

Ronnie Anne: *probably the most shocked* HUUUUUHHHHHH?!

*Later.*

*The Loud Siblings were at the computer watching a Smash Bros. Ultimate video about Sakurai adding Lincoln.*

Sakurai: *on video* Yep. The actual Lincoln Loud is joining Super Smash Bros. Ultimate. No joke, no prank, and not fake. I know what a lot of you are thinking. "Lincoln's not a video game character." But recently, I've just found out that one of our Wii U games somehow included him as a playable character. At first, I thought my developers did something, but they told me they haven't touched a thing. Don't believe me? See for yourself.

*The video changes to New Super Mario Bros. U, where it shows somebody playing as Lincoln through World 3.*

Sakurai: *on video, voice over* That enough proof?

Lincoln: What do you know? He did find out about it!

Me: He sure did.

Varie: That is amazing!

Laney: It sure is.

Lily: Nice!

Lynn: Aw, sweet!

Sakurai: *on video* It's still unclear on how it happened, but a game character's a game character.

Lincoln: *in his head* If I told him, chances are he wouldn't fully believe it.

Me: I have a hunch but when Cyborg Lincoln came to our dimension it appears that the adventures of your counterpart merged with our world.

Lisa: That is a logical assumption.

Sakurai: *on video* So, after a long decision, we decided to set him into Smash. Of course, I had to look him up, cause I didn't know about Lincoln.

Lynn: Oh well.

Lincoln: Surprised that Sakurai didn't know me. I mean, the entire world does.

Me: Not just the world but the entire galaxy.

Luna: Well, Maybe He was spending a lot of time working on Smash Ultimate, that he didn't pay much attention to anything else.

Me: That could be the case.

Nicole: A lot of video game makers are too busy to focus on what's happening now.

Lincoln: True. It did take a long time.

Sakurai: *on TV* We probably made Lincoln the strongest fighter, which may sound like a cheat. But his powers are no joke. Not to mention, he's the first character to ever FULLY break the 4th wall in a Smash Bros. game.

Lincoln: *chuckles* True. I always break the 4th wall.

Me: We sure do.

Sakurai: With news of Lincoln being in Super Smash Bros. Ultimate, which releases in 2 daysl it won't be surprising when the world wants to play as him.

*The video then ends.*

Lisa: Well, That solves that.

Luan: *smiles* Yeah! Everyone's gonna have a blast playing as you, Linc!

Me: They sure are.

Lincoln: *chuckles* No denying that.

*And Luan was right.*

*Kids and teenagers all over the world were going berserk about Lincoln in Super Smash Bros. Ultimate.*

*And it WAS all over the world. America (no surprise), Africa, Europe, Japan (No surprise), etc.*

*The next day, School Day.*

*Me, Xerneas, Lincoln, Lucy, Laney, and the twins were walking to school.*

Lana: Do you think anyone at school saw the trailer, guys?

Lola: If anyone didn't, I'd be surprised.

Lucy: Me too.

Me: I would be surprised too.

Xerneas: I have a strong feeling that no one missed it.

Lincoln: Please, the whole school's gonna be going crazy about me, and some will still be shocked.

*We arrive at Gotham Royal York Elementary School and head inside. As we head through the hallways, we see every student going crazy, excited, and shocked about Lincoln.*

Lincoln: *in his head* Knew it.

Me: I had a feeling. It spread like Wildfire.

Classmate: *points at Lincoln excitedly* Hey, there's the Smash Bros. Ultimate newcomer!

*Just about every student swarmed around Lincoln, chattering excitedly.*

*Lincoln chuckled.*

Ronnie Anne: *behind Lincoln, shocked* Lincoln!?

*Lincoln turns and finds Clyde, Ronnie Anne, Rusty, Rocky, Zach, Girl Jordan, and Stella walking up to him, all shocked.*

Lincoln: *smiles* Hey, lame-ette. Hey, guys.

Clyde: *shocked* YOU'RE IN SMASH ULTIMATE?!

Lincoln: *nods* I am indeed, buddy. I am indeed.

Me: We were all surprised ourselves.

Girl Jordan: *shocked* HOW?!

Lincoln: Well, Clyde and Ronnie Anne. Remember when I got sucked into my Wii U Gamepad?

Rusty, Rocky, Zach, Girl Jordan, Stella: *confused* What?

Ronnie Anne, Clyde: *shocked* Yeah…?

Lincoln: Well, turns out while being inside it. New Super Mario Bros. U made me a playable character.

Clyde: *shocked* Huh?!

Girl Jordan: *shocked* Did that really happen?!

Me: That's so strange.

Lincoln: It's true. That's how Sakurai saw that I was a game character. And that's why I'm in Smash Ultimate.

Zach: *shocked* Woah! That's amazing!

Liam: *shocked* Darn tootin'!

Rusty: *shocked* Wow!

Girl Jordan: *shocked* I can hardly believe it!

Clyde: *shocked* That's unbelievable, buddy!

Lincoln: Trust me, I was shocked when I first found out too.

Me: We all were shocked actually.

Ronnie Anne: *shocked* No kidding! We heard you scream so loudly!

Lincoln: *chuckles nervously* Oh, you heard that…

Clyde: *nods* Yeah, just about every bird in Royal Woods flew off in fright.

Me: Yeah buddy it practically blew our eardrums out of our heads.

Lincoln: *chuckles nervously* Whoops…

Ronnie Anne: It's alright, lame-o. You just gave us a startle is all.

Girl Jordan: Yeah, it's fine.

Paige: But it's so cool having you in Super Smash Bros. Linky.

Lincoln: Thanks Paige.

*Lincoln smiled.*

*At Gotham Royal York Middle School.*

*Lynn walked down the hallways, see excited, shocked, and going crazy students.*

Lynn: I'm guessing they saw it.

Margo: Lynn! You and your brother are in Super Smash Bros. Ultimate!?

Lynn: We sure are Margo and it's awesome!

Margo: That is amazing!

Polly: You are gonna be awesome in the world of video gaming!

*At Gotham Royal York High School.*

*Varie, Nico, Lori, Leni, Luna, and Luan saw all the student excited, shocked, and going crazy about Lincoln in Smash.*

Luna: *surprised* They sure found out fast, dudes.

Varie: They sure did.

Nico: No kidding.

Leni: *surprised* No kidding!

Nico: I just said that Leni.

*Soon enough, the sisters were swamped by their others and their friends.*

Bobby: *shocked* Babe, how'd it happen?!

Becky: *shocked* How is Lincoln in Super Smash Bros. Ultimate?!

Varie: Whoa whoa! One at a time guys.

Lori: Well…

*She tells them what happened.*

*They were very surprised.

Sam S.L.: *very surprised* That really happened?!

Leni: Yep. All because of a wire.

Luna: And now he's a playable character.

Carol: *surprised* Wow.

Becky, Teri, Dana: *surprised* That's amazing!/So cool!

Bobby: *surprised* And unbelievable!

*At Royal Woods Kindergarden.*

*Lisa walks into her classroom, and finds all of the kids going excited and crazy about Lincoln. Mrs. Shrinivas was trying to calm everyone down.*

Lisa: Hmm, they have indeed found out.

*Darcy notices Lisa come in.*

Darcy: *excited* Lisa! *runs over to her*

Lisa: *notices Darcy, smiles* Greetings Darcy.

Darcy: *excited* This is unbelievable! Did you see the trailer?!

Lisa: *smiles* Of course I did.

*The other kids excitedly go up to Lisa.*

Kids: *excited* Lisa, your brother's in Smash!/He's so lucky!/It's amazing!/Wow! I can't believe it!/THE Lincoln Loud in Smash!/Your brother's so lucky, Lisa!

*Lisa simply chuckled.*

*Later, after school ends.*

*Lily was making some Smash Bros. drawings as Me, Xerneas and Lincoln were the first home from school.*

Lincoln: *sees Lily drawing* Working on more drawings, Lily?

Lily: *notices Lincoln, smiles* Oh, hi, Linky! Yes, I am! *holds up on of them* Check out my recent one!

*Lincoln looks at the drawing and sees that it's himself performing a flying kick with the background of a fiery Smash Ball.*

Lincoln: *smiles* Wow, Lily! That's amazing!

Me: That's a great drawing Lily.

Lily: Thanks! And look at my other ones!

*There were a LOT of drawings. One was of Lincoln holding Pikachu and Pichu, one was of Lincoln and Kirby (With Lincoln's Hair), and one was Lincoln holding a Smash Ball.*

Lincoln: *smiles* These are amazing, Lily! You've become quite the artist ever since you found it's talent!

Me: You have quite as much talent as Laney does.

*The other sisters walk into the house as Lincoln ruffles Lily's blond hair.*

Lily: *notices them* Oh, hi, guys!

Luan: *smiles* Hey, Lily!

Lana: *sees the drawing* Hey, looks like you did some more drawings!

Lily: I sure did!

Luna: *picks one up, smiles* Nice one, baby sis! These are some really rad pictures!

Lily: *giggles* Thanks, Luna!

Varie: You did a great job.

*The sisters see the rest of the drawings.*

Lola: *amazed* Woah! Look at them all!

Leni: *amazed* Yeah! All of them have Lincoln in Smash Bros.!

Lucy: *small smile* They're really good.

Lisa: *smiles* Excellent job, youngest sister.

Lily: *smiles* Thanks, Lisa.

Lynn: *grins* I can't wait for the game to come out tomorrow!

Leni: *smiles* Me too!

Lori: For what I can guess, there's probably gonna be a huge excited crowd at the mall tomorrow.

Luna: There's probably people waiting outside stores right now.

*And Luna was right. People ARE waiting outside stores right now. Some of them even had tents.*

Lily: *looks at Lincoln* Linky, you'll be able to get us a copy, right?

Lincoln: *chuckles* Don't worry, Lily. I'm speedy to get us one in no time.

Lynn: Pfft, being fast won't be what gets us a copy!

Lana: Yeah, it's gonna be your popularity!

Lisa: Plus, you ARE in the game.

Lincoln: *scratches his chin* Hmm, true. *nods* Guess I'm getting it easily them.

*The next day.*

*The sun rises slowly to start another day.*

*As soon as the mall doors opened to open the mall, a TON of excited people immediately rushed into the game stores.*

*Lincoln whistles a cheery tune as he walks into the mall.*

*He noticed the crowds, but to him, this looked normal.*

Lincoln: Excited crowds scrambling to game stores. *grins* Typical.

*Lincoln walks into the nearest game store and sees people scrambling to grab Super Smash Bros. Ultimate.*

*He even sees that some people are breaking into fights.*

Lincoln: Okay, that's too much.

*He breaks up the fight, and everyone freezes when they see Lincoln.*

Lincoln: Alright, people! Break up the fighting, or no one's getting a copy!

*That made everyone stop fighting.*

People: Sorry, Lincoln!/We'll stop!/Our bad!

Lincoln: Okay! That's more like it! Now, can we please try to get along with this more calmly?

*He then felt someone tug on his vest.*

Lincoln: Hm? *looks*

*It was a little girl, about Lisa's age, holding a copy of Smash Ultimate up to Lincoln, as if she was giving it to him.*

Lincoln: *kneels down to her* What's up, young one?

Girl: *hands him the game, smiling* Here you go, Mr. Lincoln.

Lincoln: *surprised* H-Huh?! Your giving your copy to me?

Girl: *nods, smiling* That's right, Mr. Lincoln. Who better to get a first copy than you?

Lincoln: *surprised* Wow… *takes the copy* Are you sure you're okay with this?

Girl: *nods, smiling* Of course.

Lincoln: *smiles* Well, thank you! Uhhh…

Girl: *smiling* Susie.

Lincoln: Susie. *ruffles her hair*

Susie: *giggles* You're welcome, Mr. Lincoln.

*Later.*

*Lincoln walks into the house, but only finds Lily in the living room.*

Lily: *sees Lincoln* Oh, hi, Linky!

Lincoln: Hey, Lily. *looks around* Where are the others?

Lily: Oh, well, Lori and Leni are on dates with Bobby and Ed, Luna's at a gig with Sam, Luan's at a comedy club with Eddy and Giggles, Lynn and her team have a football game, Lucy's at a poetry reading, Laney is at a dance recital, the twins are with Mom and Dad at a Blarney show, and Lisa is giving a lecture at the University.

Lincoln: Wait, so they left you here ALONE?

Me: Nope.

Lincoln: You're gonna babysit J.D.?

Me: I sure am.

Lincoln: Kinda surprised you aren't out getting Smash Ultimate.

Me: I already have it. I got mine before you did.

Lincoln: Nice. *holds up his copy* A little girl gave hers to me.

Lily: *gasps excitedly* YOU GOT IT!

Lincoln: Yeah, after I broke up a fight.

Lily: *surprised* A fight?

Lincoln: Yeah. *kneels down to Lily* Sometimes, people will fight over this, like Super Smash Bros. Ultimate.

Lily: *surprised* Really? Even-

Lincoln: Yes, even our sisters. Especially Lana and Lola.

Lily: *surprised* Gosh. That explains why I see so many fights here.

Lincoln: Yeah, fighting is VERY often here in the Loud House. In fact, There's not even ONE day without us fighting over something.

Lily: *surprised* It sure is. We fight for everything.

Me: We sure do. But not anymore.

Lincoln: *nods* Yep.

Lincoln: So, *holds up the copy and smiles* who's ready to play Super Smash Bros. Ultimate?

Lily: *smiles, excited* Let's do it!

Me: I'm game.

Nicole: Me too.

*Lily and me sit on the couch as Lincoln pops Smash Ultimate in the Switch.*

*The game starts up.*

Lily: *excited* Ooh! I can't wait to play!

*Soon, it goes to the Super Smash Bros. Ultimate title screen.*

Announcer : Super Smash Bros. Ultimate!

Nicole: Here we go.

*Lincoln presses the START button, and it goes to the menu.*

*He makes it so 4 people can play.*

Lincoln: Alright, guys. Get ready!

*Lincoln selects Smash.*

Announcer: Free-for-All!

*They go to Character Selection screen.*

*Lincoln doesn't see himself on the Character Selection screen.*

Lincoln: Looks like I'm a unlockable character.

Lily: *sad* Awww.

Me: That's a shame.

Lincoln: Hey, don't worry, Lily.

Nicole: Yeah. You'll soon unlock him. Or he'll be the last to unlock. It'll stink if he's the last of them.

Lincoln: Though, I can understand if I am. Sakurai did say I was one of the strongest characters in Smash.

Nicole: True.

*Lincoln selects his best character: Link. I select Mario, Nicole selects Zero Suit Samus And Lily selects Pikachu, because her best character, Jigglypuff, was an unlockable, while Victoria selects Samus, because her best character, Peach, was also an unlockable.*

Lincoln: Now, to select a map.

*Now they go to the Stage Selection.*

Lincoln: *surprised* Woah! They weren't kidding about having every stage present from every Smash Bros.!

Nicole: *surprised* No kidding!

Lily: *surprised* Wow!

Me: It sure is a lot of stages. And a lot of video games have been in the world for almost 40 years.

Lincoln: Well, what stage do you two want to fight on?

Lily: How about New Donk City?

Nicole: Ooh! That's a great idea, Lily! From Super Mario Odyssey 2017.

Lincoln: *smiles* Alright. New Donk City it is. *selects the New Donk City stage*

*The loading screen appears.*

*Soon, New Donk City appears, and the characters do their entrances.*

Announcer: 3… 2… 1… GO!

*The three begin fighting.*

*Pikachu uses Thunder on Link, which gave him 28%.*

*Link shoots arrows at Pikachu and Samus.*

*Zero Suit Samus avoids while Pikachu gets hit, giving him 17% damage.*

*Mario then hits Link with the Missile, giving him 41%.*

*Link attacks Peach with the Master Sword.*

*Peach gets hit and gains 32% damage.*

*Link then pulls out a Remote Bomb and throws it at Pikachu.*

*It explodes on him and gives him 49% damage.*

*Then, the Smash Ball appears in the air.*

Lincoln: Smash Ball!

Lily and Nicole: Mine!

*It was a strong struggle, but Link gets the Smash Ball.*

Lincoln: Yes!

*Lincoln then activates the Final Smash, and Pikachu gets caught in it.*

Lily: Oh, no!

Me: Uh oh!

*Link pulls out the Ancient Bow and Arrow and unleashes it on Pikachu, sending the Pokemon right off the stage.*

Lily: *sighs* Man…

Me: Wow!

*Samus then grabs Link.*

Lincoln: Hey, let go!

Nicole: *smirks* Okay!

*Zero Suit Samus hurls Link forward.*

Lincoln: Not what I meant.

*Zero Suit Samus then drops a Bomb on Link, giving him 65% damage.*

*Pikachu comes back on stage.*

*The brawl went on for 3 minutes.*

Announcer: TIME!

*The winner… was Samus.*

Announcer: Samus… wins!

Nicole: Oh Yeah!

Lincoln: *sighs, then smiles* Nice job, Nicole.

Lily: *smiles* Yeah! You were awesome!

Nicole: *smiles* Thanks, guys. Goddess of Video Games wins again.

*The other sisters come into the house.*

*Lynn was holding a football trophy, Laney had a gold medal for her dance performance and Lucy had a blue ribbon on her poem.*

Lily: *notices them* Oh, hi, guys!

Leni: *waves* Hi, Lily!

Me: Welcome home.

Lincoln: *sees the ribbon on Lucy's poem* I take it Lucy won?

Lucy: *small smile* Yeah.

Me: Laney won her dance I see.

Lancy: I sure did. It was for 2013's Frozen.

Me: Sweet.

Lily: *sees Lynn's trophy, smiles* And it's no surprise that Lynn won her game.

Lynn: *grins* You know it!

Luna: What about you dudes? What are you doing?

*Lincoln, Lily and Nicole smirk, and simply point at the TV.*

*They look and see Super Smash Bros. Ultimate on the screen, much to their excitement.*

Leni: *excited* YOU GOT THE GAME?!

Lincoln: *smiles* We sure did, Leni.

Me: It's so much fun.

Luan: *excited* YES!

Lynn: *excited* AW, SWEET!

Lana: *excited* AWESOME!

Lincoln: Me, Lily, Nicole and J.D. already played out first match. Anyone want to join?

Sisters: *excited* YEAH!

Lincoln: *grins* Alright!

*The siblings, me and Nicole spend the rest of the day playing Super Smash bros. Ultimate.*

*Hours later.*

*It was around nighttime in Gotham Royal York.*

*The siblings, me and Nicole, in their PJs, have unlocked a good amount of characters so far, like Luigi and Daisy.*

*But there was one character left to unlock.*

*And it was obvious who it was.*

Lincoln: Man, we unlocked a good chunk of characters, guys.

Me: We sure did.

Lori: Yeah. Now there's literally one character left to unlock.

Lily: And we know exactly who it is.

Luan: Yep.

Victoria: Well, we gotta play another match first. That's how we'll unlock you-know-who.

Lincoln: Alright.

*After a quick match, which Lincoln won. A siren blares.*

*A new foe has appeared!*

*The blue background shows a silhouette character in a flying kick position.*

*Everyone immediately recognized who it was.*

Lana: *grins* Hey, it's Lincoln!

Me: It sure is. This is it guys!

Nico: Here we go.

*It goes to the Loud House stage, where Link and Lincoln do their entrances.*

Lincoln: *takes a deep breath* Oh, boy. Here we go!

Announcer: 3… 2… 1… GO!

*Lincoln charges at Link and does his side special, the Burning Drill Kick, giving Link 28% damage.*

*Link performs the Spin Attack on Lincoln, giving him 15% damage.*

*Link throws a Remote Bomb at Lincoln.*

*But, Lincoln dodges the bomb, and grabs Link.*

Lola: *stunned* My gosh!

*Lincoln then performs his down grab and gives a harsh stomp to

Link's spine, giving him 39% damage.*

Lily: Jeez!

Me: Wow! He's powerful.

Lincoln: Okay, I think Sakurai made me TOO overpowering.

Me: He sure did but it's awesome!

Eddy: It sure is.

*After a long fought battle, Link NEARLY lost, but manages to give Lincoln a Star KO.*

Announcer: GAME!

*Soon, the blue background reveals Lincoln in his full colors.*

*Lincoln joins the Battle!*

Sisters: *excited* YEAH!

We cheered.

Lincoln: *released his breath he was holding in* Woah. THAT was close.

Lily: You did it, Linky.

Varie: You sure did.

Lincoln: *slightly panting* Yeah, but barely. Now I know what fighting myself feels like.

Me: It's not easy facing yourself. It would be a total stalemate.

*Lincoln then appears on the character selection screen.*

Lincoln: *smiles* And there I am, guys.

Nicole: *smirks* Nice.

*Then, a message appears.*

*You've unlocked all fighters! Now, the ultimate brawl begins!*

Siblings, Me, everyone and Nicole: *surprised* Huh?

Lola: *surprised* Wow! We unlocked everyone already?

Lana: *surprised* Guess we played this longer than I thought.

Me: We sure did.

Lucy: What time is it?

*Lincoln checks the time.*

Lincoln: Huh, it's 10:30 P.M.. *looks out the window, sees that it's nighttime* And it's nighttime. Wow, we were on Ultimate all day!

Lily: *surprised* Gosh!

Me: Wow! We really stayed up huh?

Nico: We sure did.

Lynn: *yawns* Yeesh, no wonder I feel sleepy…

Luna: *yawns* Same here, dude…

*Lily lets out a cute yawn before passing out on Lincoln's lap.*

Me: She's really tired.

Nicole: Yeah, sounds like it. *hears Vanzilla's horn honk outside* And it sounds like the parents are home. Better go and speak with them.

*Nicole goes outside as we all go to our rooms upstairs.*

*After expressing sleepy goodnights to each other, we all head into our rooms for the night.*

*Lincoln tucks Lily into her bed.*

Lincoln: *quietly* Goodnight, Lily. *kisses her forehead*

*Lily smiles in her sleep as Lincoln quietly heads out of the room, and heads into his room for the night.*

As they were asleep, they began to dream. Megan and Lincoln were both in the same dream. Megan was in her Dark Samus suit.

Megan: Lincoln, where are we?

Lincoln: I don't know. But this place looks very familiar.

?: I called you both here.

They saw a giant floating white hand.

Megan: We love the Super Smash Bros. world and it is so awesome!

Lincoln: We have so much to tell you.

They told him all about what happened during our encounters with other characters.

Master Hand: So Wolf, Dedede, K Rool, and Bowser are in prison?

Lincoln: Thanks Master Hand.

Megan: May the best Smasher win, Lincoln.

---

Later, Shockwave, Maria and Nico picked up strange signals. But they were of Decepticon origin. The signals were coming from a cave in northern Michigan.

Maria: Are you sure that this is the location where the Decepticon signals originated?

Shockwave: I'm sure. They should be around here somewhere.

They arrived at the cave and then 10 figures came out! It was 10 Decepticons that Shockwave knows all too well. It was Bludgeon, Slipstream, Viper, Nightbird, Offroad, Gnaw, Reflector, Straxus, Octopunch and Barricade.

Shockwave: Hey you guys!

Gnaw: Shockwave? You're alive!

Straxus (to Shockwave): Why are you here, Shockwave? We told Megatron that we weren't serving him anymore!

Shockwave: Take it easy, Straxus. I abandoned Megatron as well.

Nico: It's all right guys. We mean you no harm. We have news for you.

They told them about Megatron and Starscream being dead.

Slipstream: So Megatron and Starscream are both dead?

Nico: Yep. But we did manage to kill Starscream's Heartless recently.

Maria: Also after we killed Megatron Nico became their new leader.

Bludgeon: That's good. We hated working with Megatron.

Octopunch: So you're willing believe our story of abandoning Megatron just like that?

Nico: Of course. After all, we forgave the other Decepticons.

Barricade: We'll go with you.

They did so and they went back to the estate.

Barricade: That's funny. You said the Loud Family usually hangs around here. Where are they?

Nico: Funny you should ask.

Nico told them all about what we do and more and they were amazed. It was the beginning of so much friendship and more.

FLASHBACK ENDS

Camie: Oh wow!

Tsuyu: That is so cool!

Lola: Yeah it sure is cool.

See More: You eaten any tasty ghosts lately?

Pacman: You bet I have. But what brings you by to Pacopolis?

Me: That's our big mission. We've come here to destroy Lord Betrayus.

Nico: Yep. And we're going to make sure he pays for his crimes.

Pacman: Awesome! I'm looking forward to ending him for good. By the way I heard you guys faced an 8-bit version of me.

Me: We sure did. That's the reason why we wanted to see you and help you out.

Razorclaw: It was when several video games came to life.

Me: Many of them were favorites from my past.

Nicole: Yeah and that was a really awesome adventure for me and all of us.

Nico: It sure was. Brought back so many memories.

Lana: It sure did.

Turtle: Got any friends that can help us?

Pacman: I sure do.

Pacman called his friends and we met Cylindria, Spiralton and The Original Ghost Gang: Blinky, Pinky, Inky and Clyde.

Nico: Awesome to meet you guys.

Cylindria: Same here to the awesome Team Loud Phoenix Storm.

Blinky: We love all your awesome adventures and they are cool.

Me: Glad you guys like them.

Gilda: So, you guys aren't in league with Betrayus?

Inky: No way!

Pinky: We're now friends of Pacman.

Me: Pacman has evolved a lot over the course of 42 years Gilda.

Gilda: Wow.

Crimson Dynamo: There still might be ghosts serving Betrayus though.

Nico: I have a feeling there are.

Danny Phantom and Lincoln then had a ghost sense and then we saw fire ghosts!

Fire Ghost: BURN PACMAN!

Danny Phantom: Not this time! I'm going ghost!

Danny turned into DANNY PHANTOM!

He fired a wave of ice and froze the Fire Ghosts solid.

Me: We can send the minor ghosts into the Ghost Zone and then we'll use the Black Gates on Betrayus.

Nico: Nice.

Cybertron Menasor: (Irish Accent) Start with these lads first.

Lincoln: Lets get them guys!

Nico: Yeah!

We had our Fenton Thermos's ready and we also had ghost vacuums like the ones Luigi had ready too.

We blasted the evil ghosts all over and filled up our thermoses and more repidly.

Cluemaster: Pacman, take this power pellet. I know that it's your biggest strength.

Pacman: Thanks.

He ate it and then the ghosts turned blue and ran scared and we blasted them all over and caught them all over the place and they were sucked into our thermoses.

Nico: YEAH!

Hex: These ghosts will fear the dark.

We sucked in a total of 623,234,923,392,329,973,397 ghosts! WHOA! That has to be a record.

Lucy Loud: Normally I would be against ghost hunting but this is an exception.

Bludgeon: Let's stick to our Thermoses for now.

Nico: Yeah.

Me: First lets get these little cretins to the Ghost Zone.

I opened a portal to the Ghost Zone and we sent the ghosts into the Ghost Zone.

Nico: There.

Lola: Lots of ghosts.

Laney: Yeah.

Fluttershy: That was cool.

Shiva: After we take out a few more, let's locate his base.

Nico: This will be awesome. Lets go get them.

Eli: Yeah!

Pounce: Found another squad!

Nico: Lets get them!

We went at the squad of ghosts and sucked them in and we were filling up our thermoses more and more and more.

Lola: The Ghost Zone is gonna have a massive population explosion when we're done here.

Eli: No kidding.

Madame Masque: It's definitely a good thing Betrayus is getting the Black Gates.

Nico: You got that right!

Laney: This is aweome!

We took out all of Betrayus's squads with no problems.

Nico: Yeah!

Me: I hope that's the last of them.

Lugnutz: Let's go after the top dog now.

Nico: You read my mind Lugnutz.

Pacman: And we're going to find him in the Netherworld.

Brittney: Looks like it's time to head to the underworld.

Nico: Yep.

We went to the Netherworld.

We arrived at Betrayus's castle.

Me: There it is.

Spymaster: I'll deactivate any security that he has.

Nico: Okay.

Spymaster got to work and hacked the security system and he disabled it and it was all clear.

Spymaster: All clear.

Youngblood: Entrance time!

Nico: Lets do it.

We went at the castle. Betrayus was sleeping and then his sleep was interrupted by a ghostly moan and then the spirits of the masters and animals of technological magic appeared and they swirled around him and then converged and then a massive flash of holy and angelic light came blasting in and it burned him all over and then the divine singing of angels was heard and then we came in and we were facing BETRAYUS!

Me: Lord Betrayus.

Nico: So we finally meet at last.

Lola: For the first and last time!

Pacman: It's over for you Betrayus! This time you die!

Betrayus: I'm already dead!

Me: No die as in we're going to banish you to the Black Gates.

Billy Numerous: We faced your army. Now, you face ours!

Billy made 310 clones of himself.

Me: And these clones are gonna be more than enough too.

Laney: Yeah! Get ready for some buttkicking!

Then Toad, Red Ghost, Abomination, Ssserpent, Spot, Kangor, Trapster, Black Spider, LaGrange and Deadwood appeared!

Nico: Toad, Red Ghost, Abomination, Ssserpent, Spot, Kangor, Trapster, Black Spider, LaGrange and Deadwood.

Toad: Nothing like teaming up with another video game character, huh?

Maria: You said it.

Me: Yep.

Red Ghost: And 2 days before the 1st mission with Ex Aid.

Nicole: It's perfect for it too.

Abomination: Who might've fought another version of Pac Man

Me: Yeahh

Ssserpent: (to Nico) We heard fought went on another Looney Tunes adventure.

Nico: We sure did and it was in the world of Magic the Gathering too.

Spot: What was it this time?

Nico: Knighty Knight Bugs.

Me: That's one of my favorites. Really awesome

Nico: Yep.

?: That was awesome.

A figure came out and it was COMMANDOCON from episodes 14 & 15 of Time Force!

---

Commandocon like all other mutants was created in the result of the science accident. This clumsy mutant was naïve, but very powerful and dangerous. Before the events of this season, Commandocon was captured and frozen in the Cryo-Prison. He was released in the fourteenth episode by Ransik to find the Q-Rex in the past. Ransik chose Commandocon, because he could open portals to the past. The mutant came to the city and opened a portal to the past and found the Q-Rex. The mutant took control over Quantasaurus with a mind controlling weapon. Wes and Eric followed him, but couldn't stop the villain. Later Commandocon traveled back to the future and ordered Q-Rex to destroy the city. The Rangers summoned the Time Force Megazord and Shadow Force Megazord, but even together they couldn't defeat the Quantasaurus Rex. Commandocon and Q-Rex left the city and went to the jungle. Then they returned again. Now he battled with the Rangers, while the Silver Guardians tried to evacuate the people in the town. The Rangers then summoned all their Zords and tried to battle the Q-Rex again. This time they nearly defeated the Q-Rex. Commandocon saw it and removed a chain of his DNA and enlarged himself. Together they battled the Time Force Zords. Eventually Eric destroyed the mind controlling weapon and freed the Q-Rex from the mutant's control. Eric regained control over the Zord and ordered it to capture Commandocon. Q-Rex transformed into its Megazord mode and battled the mutant. Commandocon tried to battle the Zord, but was finally defeated and frozen by the Vortex Strike.

---

Eric Myers: Commandocon!

Commandocon: Been a while rangers.

Me: I remember you! You were sent to steal the Q-Rex and use it to destroy the city.

Commandocon: That's right J.D. Good memory.

Me: Never missed an episode.

Commandocon: If I had lasted long, I would've become a general.

William: I can see why.

Me: Me too. That would have been awesome.

Lincoln: It sure would have been.

Nico: Yeah.

We got the usual battles underway.

Nico: TAKE THAT YOU GHOST FREAK!

?: You Dark World bitches, along with you miserable Louds, have ruined all of The Church of Necrom's plans for the last time!

Suddenly, the eight large planets and stars orbiting around my legs, the eight large orange orbs orbiting around Lincoln, Linka, TLPS Ms. Tarantula's, and Duke Lincoln's legs, the eight large dark blue orbs orbiting around Ed Cowart's legs, the eight large midnight blue orbs orbiting around TLPS Mr. Wolf's legs, the eight large crimson red orbs orbiting around Tahu, Naruto and Nate Adams' legs, the eight large fiery red orbs orbiting around Zach Gurdle's legs, the eight large silver orbs orbiting around Clyde McBride's legs, the eight large black orbs with the Eye of Horus orbiting around Cody (OC)'s legs, the eight large black orbs orbiting around Lucy, Lars, and Dudley Puppy's legs, the eight large pink orbs orbiting around Lola and Lexx Loud's and Steven Universe's legs, the eight large green orbs orbiting around Lynn Sr.'s legs, the eight emerald green orbs orbiting around Yakko Warner's legs, the eight large sapphire blue orbs orbiting around Wakko Warner's legs, the eight large hot pink orbs orbiting around Dot Warner's legs, the eight large marine blue orbs orbiting around Liam, Lana, and Leif Loud's legs, the eight large scarlet red orbs orbiting around Lynn Loud and Lynn Jr.'s legs, the eight coral red orbs orbiting around Timon's legs, the eight large blood red orbs around Marco Diaz's legs, the eight large blue orbs orbiting around Lori, TLPS Mr. Shark, Skippy, Sean Bolton, and Loki Loud's legs, the eight large sea-foam green orbs orbiting around Leni and Loni Loud's legs, the eight large yellow orbs orbiting around Luan, TLPS Mr. Snake, and Lane Loud's legs, the eight large brown orbs orbiting around Laney and Larry Loud's legs, the eight large light green orbs orbiting around Lisa and Levi Loud's legs, the eight large lavender orbs orbiting around Lily and Leon Loud's legs, the eight large colored orbs orbiting around Bobby Santiago and Nico's legs, the eight large rainbow orbs orbiting around Rainbow Dash's legs, the eight large aqua and ocean blue orbs orbiting around Varie, William Dunbar, and Adam Lyon's legs, the eight large white orbs orbiting around Timmy Turner's legs, and the eight large purple orbs orbiting around Luke Loud's legs and Menat's legs, along with our gems on our Bracelets of The Champions of the Universe were glowing and spinning like crazy, and that means we've got big trouble incoming.

Chloe Terryington: I should've known there's no mistaking that chalkboard screech from anywhere. You can come out now, Drusilla Draven.

An inverted pentagram with Necrom on top of it drawn in blood red infernal energy appeared in the skies, and then, a mist of darkness came out and as it landed, the mist of darkness faded revealing a 17-year-old girl with long black hair, pale skin, red eyes, a deranged sadistic grin on her face and a scar on her cheek thanks to getting attacked by Giselle Razor, and dressed in a black long-sleeved dress, black long-sleeved coat, black pants, and black heels. It was Drusilla Draven, a dangerous witch and another member of The Church of Necrom.

Nicholette Torrington: Drusilla Draven, I should've known you'd be the next one to come out after we took down Jocasta Belladonna, Jezebel Lanira, Ianira Dormund, and Edana Baudelaire, along with killing Giselle Razor who double-crossed you and left her mark on you and Damien Carter whom you broke out of prison.

Drusilla Draven: Shut up, bitch! You all have ruined our master's plan to bring Lord Necrom into this pathetic world, so that we could destroy all of mankind and bring back The Dark Ages, and now, we will destroy all of you ourselves!

Chloe Terryington: That's not going to happen, Drusilla, and now, your little rampage ends here and now.

Suddenly, Chloe Terryington's green eyes turned neon green and she was surrounded by an orange energy aura with darkness, demons, dark magic, and orange flames and arrows, she unholstered her massive Broww, Hunter of Dark World-themed sword from her back, and as she approached Drusilla Draven, she left orange energy, demons, darkness, dark magic, and orange flames and arrows with every step.

Chloe Terryington: You just don't even know when to quit, do you? We've beaten you down so many times and in those many times, you fled with your tail between your legs and howling like a wounded animal. That's it, I've had it up to hear with you, Drusilla Draven, and now, I'll see to it that you'll pay for the crimes that you've committed long ago.

Suddenly, Chloe Terryington was surrounded by a massive vortex of orange energy with darkness, demons, orange flames and arrows, and dark magic surrounding it, there's Broww, Hunter of Dark World flying around the vortex, and inside the vortex is a brown phoenix. Then, as the vortex faded, Chloe Terryington emerged, but she was changed forever.

Chloe Terryington has on a Ring of The Phoenix with orange gem and heart shaped gem embedded in it on her right ring finger and a Star Sapphire ring on her left ring finger. Suddenly, Chloe Terryington's massive Broww, Hunter of Dark World-themed sword was suddenly surrounded by a kaleidoscope of red-orange energy, darkness, arrows, and orange flames, and as it finally emerged, it was transformed into Broww, Hunter of Dark World's Demon Sword of Darkness Overlord Justice, it's a brand-new greatsword with Broww, Hunter of Dark World etched on the 7'0" massive, wide, double-edged orange blade, large orange angel wings for the crossguard, large orange gem embedded in the rainguard, longer black handle, and a large orange gem with black angel wings surrounding it for the pommel, she has on her new large gold cuff Bracelets of the Champions of The Universe with orange gems on her wrists, new large gold Belt of Elemental Bravery with a gold version of Broww, Hunter of Dark World's head with orange gems for eyes and a large orange gem in its open mouth for the belt buckle, large Destroyer of The Church of Necrom grimoire and rainbow-colored leather and gold metal bound Elemental Spellbook of Harmonious Justice, Eternal Harmony, and Equestrian Peace on her left hip and Eater of Sins revolver holstered on her right hip. Chloe Terryington has transformed into SUPER ANGEL ETERNITY INFINITY DARKNESS ORANGE FIRESTORM DEMON ANGEL OF DARK JUSTICE AND DARK ARCHER LOVE!

We were amazed by Chloe Terryington's Super Angel Eternity Infinity transformation, and when Lincoln saw her, he had an atomic red blush on his face and hearts in his eyes. But, when Drusilla Draven saw it, she went bonkers and fired a blast of darkness to kill her, but Chloe Terryington fired a powerful blast of cobalt blue energy with darkness, demons, dark magic, arrows, orange flames, and arrows from her bow, and they hit Drusilla Draven and sent that insane witch crashing back first into a wall, and she also got hit by the arrows, and they really hurt her!

Nicholette Torrington: Holy crap, now Chloe Terryington's transformed into her Super Angel Eternity Infinity form, that's so awesome!

Nico: That's right, Nicholette, and she sent that crazy witch, Drusilla Draven, crashing back first into a wall, and really pissed her off even more.

Me: Along with pinning her with arrows, this is going to be so good.

Lincoln: Wow, Chloe, you look beautiful. How do you feel?

Chloe Terryington: (Divine Echoing Cosmic Voice of the Hunter Demon and Dark Divine Love) **I feel incredible, Linky. Now then, shall we deliver Drusilla Draven her rightful punishment?**

Lincoln: (Smiles) With pleasure, Chloe.

Lincoln unholstered his massive Hinon's Cosmic Storm Sword of Universal Hope, Elemental Bravery, and Unbreakable Eternal Bonds from his wider and muscular back, and transformed into Super Angel-Ebonwu-Thunderbird Eternity Infinity Elemental Thunderbird Buffalo Angel of Universal Justice and Elemental Hope and he joined Chloe Terryington.

Lincoln: (Divine Echoing Cosmic Elemental Voice of Universal Justice and Elemental Hope) **Your days of causing mayhem and chaos in the name of Damian Alaister and The Church of Necrom are finally over, Drusilla Draven.**

Chloe Terryington and Lincoln went after Drusilla Draven, who continued firing blasts of darkness at them, but they dodged them, and they fired powerful blasts of rainbow energy, orange energy, dark magic, arrows Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, Magic, rainbow flames, rainbow crystals, Buffalo, Thunderbirds, Phoenixes, Angels, and Demons at Drusilla Draven, and they exploded with incredible power as they hit the crazy witch, and she became even more pissed off big time.

Drusilla Draven: Rise from The Ninth Circle of Hell, Treachery, Ice Demons, and freeze their blood.

Drusilla Draven summoned a massive army of Ice Demons and they were about to attack, but Lincoln got out his new Elemental

Thunderbird Phoenix Angel Buffalo Warrior Wonder Ride Book, and he then opened it up and started reading something from the book.

Lincoln: **" Suddenly, a fierce storm erupted from nowhere as lightning crashed down from the Heavens, and as the dark clouds opened up, an army of angels descended from the Heavens, and with swords in hand, they spread their pure white angel wings and attacked the evil witch with the fury of God's justice."**

Suddenly, what Lincoln read from his new Wonder Ride Book came true, as we saw an army of angels who spread their pure white angel wings and with their silver swords in hand, they attacked Drusilla Draven and her massive army of Ice Demons with the fury of God's justice, and the Ice Demon army was destroyed, and Drusilla Draven was really mangled and really pissed off, and the army of angels disappeared.

Nico: (Stunned) Holy crap.

Me: Wow. That's awesome.

Chloe Terryington: **Linky, shall we do the honors in putting Edana Baudelaire in her place?**

Lincoln: **Ladies first, Chloe.**

Chloe Terryington: **Such a gentleman.**

Chloe Terryington and Lincoln formed massive red energy balls in the palms of their hands, and they condense them to the size of their bodies, and they aimed them at Drusilla Draven, who ran at them with murder and insane rage in her eyes.

Chloe Terryington and Lincoln: **VOX PENICULUS POWER ABSORPTION KARMA BLAST!**

Chloe Terryington and Lincoln fired the massive red energy balls, which transformed into red energy beams, and as the two red energy beams hit Drusilla Draven, Lincoln and Chloe Terryington began absorbing all of Ianira Dormund's dark powers and dark magic, and Lincoln's rainbow energy aura with Thunderbirds, Phoenixes, Angels, Buffalo, and Elemental Forces flared up, and he was gaining a really massive power and energy boost to his infinite power and energy, and the same thing happens to Chloe Terryington as her orange energy aura with darkness, demons, dark magic, arrows, and orange flames flared up and she was really massive power and energy boost to her infinite power and energy. When Chloe Terryington and Lincoln were done, Drusilla Draven was rendered completely powerless and completely drained of her powers.

Drusilla Draven: What did you do to me?!

Lincoln: **We sucked out and absorbed all of your dark powers, abilities, and dark magic, and now, you're powerless, Drusilla.**

Chloe Terryington: **And now, you're finished.**

Chloe Terryington opened her Destroyer of the Church of Necrom grimoire, and she found the page and she fired a blast of darkness, and as it hit Drusilla Draven, the now powerless and insane witch of The Church of Necrom was imprisoned inside of a black tarot card with Broww, Hunter of Dark World on the back of the black tarot card with shadows of darkness, demons, dark magic, arrows, and orange flames, and she put the tarot card with Drusilla Draven imprisoned inside the black tarot card box with the symbols of the Dark World Duel Monsters on top, where Jocasta Belladonna, Jezebel Lanira, Ianira Dormund, and Edana Baudelaire were put into. We all cheered wildly for what Chloe Terryington and Lincoln as they holster their massive swords and powered down, and Chloe Terryington's new body, clothes, weapons, jewelry, and massive brown angel wings are permanent.

Chloe Terryington: Gotcha, bitch! Thank you for helping me take down Drusilla Draven, Linky.

Lincoln: (Smiles Warmly) You're welcome, Chloe.

Suddenly, Chloe Terryington wrapped her arms around Lincoln's waist, as her chest was pressed against Lincoln's massive and wide muscular pecs, which brought an atomic red blush to Lincoln's face, and he wrapped his abnormally massive and powerful muscular arms around her waist and he brought her into a hug, which took her by surprise and brought an atomic red blush to her face. Then, as Lincoln leans down to Chloe Terryington's face, they kiss passionately as Chloe Terryington wrapped her left arm around Lincoln's thick muscular neck, and she placed her right hand on Lincoln's massive and wide muscular right pec, and behind them was a Thunderbird, Phoenix, Angel, and Broww, Hunter of Dark World flying in the air, and we also saw a herd of Buffalo running across the field, along with elemental forces and creatures of the night flying around the place and we cheered for them.

Nico: Hah, that's another Church of Necrom asshole put down, and thirteen more to go.

Me: That's right, Nico.

Bertha Sellington: Which means the next Church of Necrom member to show their face tomorrow is Chandra Mortlake.

Lincoln: That's right, Bertha, and you and I are going to put a stop to that insane witch and make her pay for everything that she's done.

Bertha Sellington: And I hope I get a chance to break her arms.

Nico: And as always, we'll be on guard for Chandra Mortlake's plans and foil them at every turn, and that'll get her so mad, it's bound to send her into a blind rage.

Lincoln: Which is just how we want her to be in, when we pulverize her tomorrow.

Kangor: Looks like that's the end of Betrayus, mon.

Trapster: Damn right it is.

Me: Good riddance.

Black Spider: (to Pac Man) You did good today too, Pac Man.

Pac Man: Thanks.

Nico: This was really awesome and now Pacworld is a safer place.

LaGrange: How would you like to join the team?

Deadwood: There's bound to be plenty of other ghosts you can eat.

Pacman: I would be honored! But only if my friends can come too.

Nico: Sure.

Me: This is gonna be so awesome too.

Pacman: You bet it will! (To the viewers) Hope you all liked this awesome adventure as it was a great one to honor 42 years of me. It was great.

Me: Boy it sure was.

Nico: Yeah it was guys! But great job everyone. Lets head home.

We went back to the estate and we sat around and enjoyed the rest of the day and then we later went to sleep.

THE END

---

Another awesome and great fanfic done.

This was a great chapter and I have known Pacman for years and it was awesome. I have known that game series for years and it was awesome and really cool. BUT EXTREMELY HARD! I couldn't even make it past the first level but it was awesome and cool. That game has been around since 1980. So awesome. The first part was for the Looney Tunes episode called Knighty Knight Bugs and that is one of my favorites and it was awesome. The second part was for a battle in the city with Giselle Razor the Terror of Michigan and now everyone is free of her for good. NicoChan11, JediAvatarOfShinobi, Omegahatchiyak12, kolbdog323, XP4Universe, Darkhai, vinjedi1995, Drako1234658, Nflemingful, EtstheClarenceandTLHfan and ninjakingofhearts gave me the ideas for this and so did the guest reviewer. Thanks Guys. The next dream rescue for me is gonna be a blast from the past as we venture into a quicksand swamp and we're going to be rescuing girls from different shows all over the place. We're going to meet Jessica Lang from Trinity Blood, Miku Yuuki from High School of the Dead, 2 fairies named Sophia and Sylvia and they are going to be stuck inside a tree sinking in tree sap and Ishilly, Fillonce and Lulis from One Piece and to make up for not having a dream battle yesterday, brace yourselves as I go into battle with not an Evil Sasuke but Queen Bansheera who is back from the Warp. I'm going to do Vypra a huge favor and give her the Black Gates. The next rescue for Nico is going to be an awesome one as Nico, Hunter, Qin, Zenkaigers, Chloe Bourgeois, Rita Loud, The Goths of Darkness, Applejack, Apple Bloom, Twilight Sparkle & Friends, Rachel Stavenport, Carol Pusateri, May, Kaalia of The Vast, Maria, Varie, me, Eli, Arrietty, Aylene Carter, Gabrielle, Littlefoot and friends, Fu, Nicole Knudson, Kaina Tsutsumi, Camie, Kaoruko Awata, Himiko, Ibara, Toru, Sirius, Tsuyu, Ochaco, Momo, Lincoln, Laney, Lana, Lola, Lisa and Lily head to the planet of Pirates and we're going to not only cash in on another awesome pirate bounty when we go after one of Luffy's enemies but we're going to recruit Caribou, the Swamp Pirate into the Masters of Evil. I think it's time we start giving them a chance in the M.O.E. We're going to also meet an Evolved Celestialsapien Gene-slammer named Yulia Zemerouski. Yulia is one of Nico's friends from all his classes and she is very talented in everything and knows everything about the universe and more. She also was born with rainbow hair and has rainbow angel wings and also was born with incredibly powerful omnipotent powers. She can do anything and she is also immortal. Lincoln's rescue tomorrow, he and his group are going to take down and kill the prom psycho, Richard Fenton, who's been brought back from the dead by Chandra Mortlake, and he still wants revenge on me for getting him sentenced to death many years ago, but this time, he's getting The Black Gates and he's never coming back. They will also meet a gene-slammer for Outer Entity Nyarla named Colleen Elvira Benneschevsky and she is from Poland and is a goth girl and has a powerful mastery over the powers of dark magic and uses it for good. Also she is a master of a deadly language called The Black Speech of Nyarlathotep and it is a language that is so powerful that is will destroy the target's sanity completely beyond all forms of repair. And she absolutely HATES AND DESPISES Amy with every fiber of her being. During the exercise scene she will reveal a horrible revelation about Amy that will shake us to the core. And for the date scene tomorrow, Lincoln and his harem are going on a beach date to Malibu Lagoon State Beach in Malibu, California, and you guys are also going with them, because, there's going to be trouble because The Inventor, the insane mad scientist enemy of Sam, Clover, and Alex, has been brought back from the dead by Chandra Mortlake, and he's out for revenge on all for killing him long ago. Get ready for a HILLBILLY HOOTENANNY as we go into the ocean for the SpongeBob episode called Trench Billies! And we're going to meet the Angler Clan as well as deal with the Cannibal Hillbillies, as you may recall, those were villains I made up when I was mistaking another movie for them. Oops! They are from Chapter 885 and they are back from the dead to get revenge on us so get ready for a bloodbath in this one.

See you all tomorrow.

# TRENCH BILLIES

This chapter is a parody of the SpongeBob episode Trench Billies.

WARNING: This chapter has a bloody and gruesome battle. Read at your own risk.

---

In the Early Morning Hours at 1:11 AM, I was asleep with my harem and Varie with me. I was having a really interesting and amazing dream. I found myself in a really scary, treacherous and foreboding swamp and it was a creepy swamp that defied all forms of horror.

Me: Whoa. This swamp looks like something out of anyones worst nightmares. But this swamp looks very familiar.

Natilee appeared.

Natilee: This swamp is very familiar dad. It is a swamp that you saw in a dream a long time ago.

Me: Hey yeah! It is very familiar.

Natilee: But be careful dad. This swamp is dangerous and loaded with quicksand everywhere. So watch where you step.

Me: Got it.

We walked into the swamp and it was a terrifying and scary place. Dark forests and eerie fog stretched on for miles.

Me: Man this place gives me the creeps.

Natilee: It sure is scary. And the sky with storm clouds really brings out the fear in this place.

THUNDERCLAP! THUNDERCLAP!

Lightning flashed in the dark skies as it made the swamp scarier beyond all forms of recognition.

Me: Wow! This is really scary.

Natilee: No kidding. But I have this feeling that this swamp is going to be a great rescue.

Me: Yeah.

We walked around and then stayed really careful.

But then we heard a scream.

Me: Uh oh!

Girl: HELP ME!

Me: Come on!

We went to the scream and we saw a girl with orange hair and a white dress sinking in the black oozy quicksand. It was Jessica Lang from Trinity Blood!

Me: Jessica Lang!

Jessica Lang: Help me!

Me: Hold on!

I spread my wings and flew over to her and I grabbed her hand. I pulled and got her out.

Me: Gotcha.

I carried her over and we landed.

Me: Are you okay?

Jessica Lang: Thanks to you. You saved my life.

Me: It was no problem.

Natilee: At least you're okay.

Jessica Lang: Same here.

Girl 2: HELP ME!

Me: Another one!

We went over to another quicksand pond and we saw Miku Yuuki!

Me: Miku Yuuki!

Miku Yuuki: The monster that killed Shido! I can get out myself.

Me: No you can't Miku!

I flew over to her.

Me: Miku dying in quicksand is worse than getting killed by zombies! Do you want that?

Miku Yuuki: No.

Me: Then take my hand if you want to live.

She took my hand and I pulled her out and we went back to the land.

Me: Miku at least you're okay.

Miku Yuuki: I was happy with Shido.

Me: Do you really believe that Miku?

Natilee: Miku how can you follow the lies of that madman so easily.

Miku Yuuki: Don't you dare call Shido a liar!

Me: Miku listen to me!

She looked at me.

Me: Shido was only using you Miku. Everything he said to you was a total lie and he didn't care about you or anyone else! All he cared about was saving his own skin. He didn't care how he was going to do it. Also he was the one that caused that whole catastrophe in the first place. He unleashed that virus and destroyed over 95% of the entire human race and it was because of him that so many people have died and he was the reason that the whole planet went to Hell.

Natilee: Dad is right Miku! Shido destroyed everything and killed so many innocent people. He wanted the entire planet to go to hell. He didn't care about anyone. He didn't care about who lived or died, it was all about him and him alone. He murdered countless innocent people and he also killed your family too!

Miku gasped in shock and horror! Everything he said about a better future and being lead to a utopia was all nothing but one big fat lie and how it was only for him and him alone. He unleashed that virus as part of a genocidal plot to destroy the entire human race so that he and he alone can reign supreme.

Me: He killed everyone. Men, women, children, it didn't matter to him! All he cared about was no one other than himself. He unleashed that Zombie Apocalypse to destroy everything and kill everyone. Including you.

Miku realized that I was right and then tears streamed down her face and she then lifted her hands and then hugged me tight and cried hard into my chest and it was heartwrenching.

Miku Yuuki: (CRYING HARD) I WAS SUCH A FOOL! (CRYING) WHAT HAVE I DONE!? (WAILING) WHAT HAVE I DONE!?

She was crying hard into my chest hard and I was comforting her.

Me: Just let it all out Miku. Let it all out. Let it all out. But you don't have to see that monster ever again. He was given the Black Gates and is now gone forever.

Natilee: It's true.

Petra: That is horrible. I'm sorry she went through all that.

Natilee: It was a nightmare that no one ever should have to go through ever.

Miku cried hard into my chest for 45 minutes and it was hard to see her like this. My heart was hurting for her.

Miku then calmed down and she fell to the ground.

Me: She's okay. She is just exhausted from all that crying.

Natilee: I'll take her on my back.

Natilee formed a basket and carried Miku in it.

Then we heard three screams!

Me: Uh oh!

We ran fast and then we saw 3 mermaids and they were Ishilly, Fillonce and Lulis from One Piece!

Me: Ishilly, Fillonce and Lulis!

Ishilly: Help us J.D.!

Lulis: Hurry! We're sinking!

Me: Hang on!

Natilee formed a vine and threw it to the girls.

Natilee: Tie that around you all. Hurry!

They did so and we pulled and they came to us and we got them out and I formed floating balls of water for them.

Lulis: Thanks J.D.

Ishilly: You saved us big time.

Fillonce: Yeah we owe you twice now.

Me: Glad we did.

Then we heard a tiny scream.

Me: Did you hear that?

I went over to a tree and I pressed my ear against the trunk.

Me: It's coming from in this tree.

Natilee: Lets see what it is.

I used my sword and slashed the tree open and in the middle of the tree were 2 fairies and they were sinking in tree sap.

Me: Hold on you two.

I used my finger and they grabbed onto it and I pulled them out.

Sylvia: Whew! Thank you J.D.

Me: No problem.

Sophia: Yeah that was nuts.

Me: Yeah. This whole swamp is nuts.

Natilee: But it's not done yet. I'm sensing a terrible force approaching.

Me: I feel it too.

Ishilly: It must be terrible.

Me: Yeah.

We stood ready and then we saw a figure come out and to our shock and horror it was Vypra's former boss, QUEEN BANSHEERA!

---

Queen Bansheera (simply known as Bansheera) is the Queen of Demons and serves as the main antagonist of Power Rangers Lightspeed Rescue and the archenemy of Carter Grayson, the Red Lightspeed Rescue Ranger.

She was voiced by Diane Salinger.

Queen Bansheera is the evil matriarch of the Demons and mother of Impus/Prince Olympius. She was in parts unknown when Diabolico and his band were freed, and later returned and gave orders in a spiritual form at the beginning of the series. Bansheera eventually returned in a mangled bodily form after an attempt by Spellbinder to bring her into the human world due to the Lightspeed Rangers tampering. She eventually gained a ghastly final form by absorbing Vypra's life energy.

Bansheera set out to conquer the world, and proved far more ruthless than Diabolico or Olympius. Bansheera also had no regard for her minions (even her own son) and used them for her own gain. She absorbed Vypra to regain her original form, forced Diabolico to destroy Loki, left her own son in the Shadow World, and nearly destroyed the Rangers. Despite Diabolico telling the Red Lightspeed to strike where her heart should be, she continued to menace the Rangers. She eventually turned Diabolico and Olympius into Super Demons, but they were defeated.

She attempted to open the gateway to the Shadow World to unleash all of its fallen monsters. Taking over the Aquabase and the Omega Megazord, she was close to succeeding. However, Bansheera ended up suspended above the Demon World portal by Carter Grayson. The spirit of a vengeful Diabolico appeared, pulling her inside, where she was attacked by the undead monsters, much to Diabolico's satisfaction as he witnesses the downfall of his former queen.

---

Me: Queen Bansheera!?

Natilee: That can't be! We saw Vypra banish you to the Warp!

Queen Bansheera: That traitorous bitch had the nerve to defy me!

Me: Correction, it was actually you that betrayed her first! You killed her to regain your full form! But the 2nd time she came back and did the same thing to you by banishing you to the Warp after she tortured you.

Natilee: Yeah! You brought all that on yourself!

Queen Bansheera: SILENCE YOU CLODS!

She fired energy lasers at us and then massive fiery explosions blasted out around us.

KRABBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO
KRABBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOMMMMM!
KRABBBBBBBBOOOOOOOOOOOOOOOOOOOOOMMMMMM!
KRABBBBBBBOOOOOOOOOOOOOMMMMM!

But then a massive rainbow energy and elemental vortex blasted out around the explosions and I transformed into my Super Angel Xelnaga form!

Me: (Divine Echoing Elemental Voice of Hope and Justice) **You aren't the only one that has gotten stronger over the years Bansheera. Vypra has become a much more better queen than you ever will be. Now I'm going to do Vypra a favor and get rid of you forever.**

Natilee: Show no mercy on that heartless monster!

Me: **With pleasure. Bansheera we have some unfinished business to take care of. I didn't the opportunity to fight you the first time. So this is going to make up for it.**

I went at her with incredible speed and kicked her in the face and sent her flying and she flew into the air and I flew after her and lightning struck all over as I punched her in the face and kicked her in the stomach and then I punched her all over the place with incredible force! She flew at me again and I went at her and we punched and our punches hit and then we flew at each other and punched all over and massive thunderous fiery explosion shockwaves erupted out all over with incredible power and force!

BOOM BOOM BOOM BOOM BOOM BOOM BOOM BOOM BOOM BOOM BOOM BOOM BOOM BOOM BOOM BOOM BOOM BOOM!

Lightning struck all over the place with incredible force and power! Then I punched her in the face and sent her flying all over and then I fired a massive blast of rainbow energy and she fired waves of energy and the blasts collided and exploded with incredible power!

**MASSIVE FIERY EXPLOSION!**

She flew away and then formed a massive and powerful energy ball!

Me: **So that's it!**

I formed a huge pitch black energy ball!

Me: **ELECTRO ECLIPSE BOMB!**

I fired it and Queen Bansheera fired her ball and the blasts all collided and they exploded with incredible power!

EXTREMELY MASSIVE AND POWERFUL FIERY EXPLOSION!

The explosion was incredibly powerful and devastating!

Natilee: WHOA What power!

Jessica Lang: Unbelievable!

Miku woke up and saw the battle and it was intense!

Miku Yuuki: WHOA! What is going on!?

Natilee: A wicked battle!

Queen Bansheera was badly burned all over! But she wasn't finished yet!

Queen Bansheera: Now you will pay for everything you have done to me!

Me: **I am just getting warmed up!**

Queen Bansheera: Why you rotten!

She then got ready to fire a massive energy blast.

Me: **You are not very smart though! FINAL SHINE**

**KAMEHAMEHA!**

I Fired an incredibly powerful and massive red Kamehameha Wave and Bansheera fired a massive energy blast and my blast destroyed her blast and it hit Queen Bansheera and exploded with unbelievable power and force!

EXTREMELY MASSIVE AND DEVASTATINGLY POWERFUL FIERY EXPLOSION!

The explosion was so powerful and mindbogglingly strong and devastating that is incredible! When the smoke cleared Queen Bansheera was completely obliterated in an instant! There was nothing left of her! Then her spirit appeared!

Me: You will never torment Vypra, anyone in Mariner Bay or anyone else ever again Bansheer! Join the Black Gates with your son!

I drew a kanji on her and used the Black Gates on her and she was banished the Black Gates for all eternity!

Natilee: Yeah! Good riddance!

Miku Yuuki: Whoa! That was powerful!

Jessica Lang: Yeah it sure was!

Ishilly: Wow! J.D.'s power has gotten stronger than ever before! What happened?

Natilee: Long story Ishilly.

Lulis: Unbelievable! That was amazing!

I powered down and regrouped.

Sylvia: That was so awesome!

Me: Bansheera is now a forgotten memory.

Natilee: She sure is. Vypra is gonna be amazed to hear about this.

Miku Yuuki: No kidding there. J.D. I'm so sorry for everything I did because of Shido.

Me: It's all right Miku. Miku, Petra, Sylvia, Sophia, Lulis, Ishilly and Fillonce joined the team and were part of my harem. But then Natilee saw Lincoln's dream and he was in trouble.

We all went to Lincoln's dream.

Also In the early morning hours at 2:53 AM, Lincoln was asleep with Lily the Mermaid in his bed and his harem with him, and he was having an awesome dream. But, he was in a jungle, just then, Natilee and I appeared.

Lincoln: Natilee, J.D.

Me: Looks like you're about to have a dream rescue of your own, this is going to be awesome.

Natilee: You said it, but we got to be ready for anything.

We walked through the jungle and Lincoln was slashing down the vines and bushes with his massive Hinon's Cosmic Storm Sword of Universal Hope, Elemental Bravery, and Unbreakable Eternal Bonds. We then saw Evil Dragon Ananta who was helping innocent people in need.

Me: Wow, that's the Evil Dragon Ananta.

Lincoln: Awesome, and it's helping people in need. Come on, let's lend a hand to those in need.

We then head down to help the Evil Dragon Ananta and the people in need. But, then, the eight large orange orbs orbiting around Lincoln's legs and the eight large planets and stars orbiting around my legs were glowing and spinning like crazy, and we sensed something and we also saw Lincoln's deep sapphire blue eyes and the rainbow iris of his Third Eye were glowing. Lincoln and I then felt a dark presence, and Lincoln fired a powerful rainbow energy blast into a bush, and as it exploded, it then forced out a familiar and hated bastard: it was Mr. Burns.

Lincoln: Burns! I should've known you'd show your ugly face here!

Me: You've got some nerve to show your face here again.

Mr. Burns: You will pay for humiliating me, J.D.!

Then, Mr. Burns got out his gun and aimed it at the Evil Dragon Ananta.

Lincoln: OH NO!

Lincoln rushed out to save it, and then, the moon shined down and Natilee and I saw the crescent moon on Lincoln's cutie mark on his massive and muscular left pec was glowing, and then, we saw his massive deep sapphire blue angel wings turned into the same color as Princess Luna's wings and the stars were still gleaming white, and he saved the Evil Dragon Ananta. We also sensed that Lincoln gained a massive power boost, and he has the power of The Dream World flowing through him, and I knew what that meant: Lincoln's become a Dreamwalker just like me.

Lincoln: Now, you've given me yet another reason to kill you, you heartless, bitter old vulture.

Lincoln used the Force and got the gun out of Mr. Burns' hands, and he crushed it in his large hands, and this angered Mr. Burns badly.

Mr. Burns: I HATE YOU ALL SO MUCH!

Our rainbow energy auras flared up greatly and we gained a massive power boost from his hatred.

Lincoln: Thanks for the power boost, stupid. Now, it's time for you to die.

Lincoln fired a black energy blast of The Black Gates and it hits Mr. Burns, and he was erased from existence as he was sent to The Black Gates.

Me: Yeah, nice one, Lincoln, and now, you're also a Dreamwalker just like me, awesome.

Lincoln: That's right. You guys saw me using the same powers as Princess Celestia when Terry was causing trouble in Thrill Ride

Park, and now, I'm using the same powers as Princess Luna, and I'm now a Dreamwalker.

Me: Nice. And you got rid of Mr. Burns, big guy.

Lincoln: Well, a dream version of him anyways. (To the Evil Dragon Ananta) And are you okay, Evil Dragon Ananta, or should I say, Orya Nottingham?

Orya Nottingham: (Laughs) (British Accent) I should've known you'd find out sooner or later, Lincoln.

Orya Nottingham reverted back to normal, and she's a beautiful 17-year-old girl with long flowing light red hair, red eyes, fair skin, she's tall at 6'5" in height, she has the body of a goddess, she has massive red angel wings, and she reigned in the power of Evil Dragon Ananta, and she's dressed in a sleeveless red vest, sleeveless red midriff top, red frilly skirt with black frills, red pants, red ankle-high sneakers, and long red sleeveless trenchcoat with snakes on the coattails, and Evil Dragon Ananta on the back, and holstered on her back is a large Evil Dragon Ananta-themed sword with a 7'0" massive, wide, double-edged red blade with Evil Dragon Ananta etched on it, large red snake heads for the crossguard, large red gem embedded in the rainguard, longer black handle, four large red snake heads with red gems in their mouths and on the bottom of the four large red snake heads is a large red gem for the pommel.

Orya Nottingham: (British Accent) But, it's so good to see you again, Lincoln, it's been a long time.

Lincoln went up to Orya Nottingham and they hugged, and Orya Nottingham's also very surprised at just how much taller and much more muscular Lincoln's gotten since they last saw him, and they also felt just how strong he's really become.

Lincoln: It sure has, I haven't seen you when you were sixteen, and as you can see, I really grew a lot since then.

Orya Nottingham: (British Accent) I knew you have, but whoa, you sure have really grown very big and strong like a tree, Lincoln, you've really grown a lot from the eleven-year-old cute little boy into a 17-year-old and permanently 7'5" tall, very handsome, and manly teen with abnormally massive and powerful upper and lower body muscles and eight-pack abs, that's so awesome.

Me: Wow, Lincoln, you know her?

Lincoln: Indeed I do, J.D., this is Orya Nottingham, she's one of my Guardian Angels from England, and she has an amazing and creative imagination and has the ability to bring anything she draws in the air to life.

Orya Nottingham drew a dragon in the air, and it came to life and me and Natilee were amazed by Orya Nottingham's ability.

Lincoln: Didn't I tell you, it's really awesome.

Suddenly, a Thunderbird of Eternal Love appeared around Orya Nottingham's neck with red gems on the gold thunderbolt links and red crystal links from brand-new Crystal Necklace of the Buddha which merged with her Thunderbird Necklace of Eternal Love.

Orya Nottingham: (British Accent) (Surprised) Whoa, is this…?

Lincoln: Yep, that's a Thunderbird Necklace of Eternal Love, and that means you're now part of my harem and one of my many future wives, Orya.

Orya Nottingham had a smile on her face and tears coming from her eyes, as she wrapped her arms around Lincoln's muscular waist and her chest pressed against Lincoln's massive and wide muscular pecs, and Lincoln wraps his abnormally massive and powerful muscular arms around her waist, and he leaned down and kissed Orya Nottingham on the lips, and she also returned it, and we cheered for them.

Me: Awesome, and this is your first dream rescue, big guy.

Lincoln: You're right about that, and now that I'm a dreamwalker, I now have the power to be active all day and night without the need to go to sleep.

Me: That's so awesome.

Natilee snapped her fingers, and Orya Nottingham was now a part of Lincoln's harem and the team.

Later I woke up at 8:10 AM.

Me: (YAWNS) Whoa! What an awesome dream!

I got dressed and went to the breakfast table. Lincoln followed.

Nico: Morning sleeping beauty. Morning Lincoln.

Me: Morning guys. Man I have an awesome dream to tell you all about. But Vypra is gonna want to hear about this.

Eli: Why?

Me: You'll see.

Lincoln told the rest of the team everything, especially of him now becoming a dreamwalker, and seeing everything from his dream, they were really amazed and stunned with awe.

Nico: Whoa, now that's so awesome, and you're reunited with one of your many Guardian Angels who's from England.

Lincoln: Along with many of my other Guardian Angels from England, Nico, along with our many friends from England.

Eli: And you sent Mr. Burns to The Black Gates, that's so awesome.

Lincoln: Only the Dream version of him, if he returns, the real one's getting The Black Gates for sure, Eli, but not before we shatter his brittle bones to dust, and I wouldn't be surprised if he coughs up a lot of bone dust.

Nico: Now, that I'd like to see.

Me: Same with all of us, and this was Lincoln's first and successful dream rescue.

She was called in and I told her how I destroyed Bansheera in my dream forever.

Vypra: You destroyed Bansheera!?

Me: I sure did. She is gone forever. Banished to the Black Gates.

Vypra then hugged me and then cried hard.

Vypra: (Crying) Thank you.

I felt a tear land on my arm and then it burned me.

Me: (Groans) Uh Vypra your tears are burning me. Ouch.

Sailing on the oceans of the planet of Pirates, home of Luffy and his crew, Nico, Hunter, Qin, Zenkaigers, Chloe Bourgeois, Rita Loud, The Goths of Darkness, Applejack, Apple Bloom, Twilight Sparkle & Friends, Rachel Stavenport, Carol Pusateri, May, Kaalia of The Vast, Maria, Varie, me, Eli, Arrietty, Aylene Carter, Gabrielle, Littlefoot and friends, Fu, Nicole Knudson, Kaina Tsutsumi, Camie, Kaoruko Awata, Himiko, Ibara, Toru, Sirius, Tsuyu, Ochaco, Momo, Lincoln, Laney, Lana, Lola, Lisa and Lily were there to cash in on more bounties on many of Luffy's enemies. We were on our ship.

Me: This is going to be awesome.

Qin: I can't wait to see which enemy of Luffy we take down next.

Zocks: Now this is more like my world because I represent pirates.

Me: You would feel right at home Zocks.

Eli: Boy you sure would. This planet is perfect for you.

Camie: Boy I'll say. It's awesome.

Nico: Thanks for coming with me, Hunter.

Hunter: (German Accent) Bitte Nico. Und it's going to be amazing to go with you on a rescue.

Nico: It sure will be awesome.

Hunter: Oh ja ja.

Me: I'm always up for an awesome challenge here.

Nico: I remember the first enemy we faced here.

Me: Me too and that was before the Great War of Friendship and we faced Caribou.

Tsuyu: You faced a deer here.

Me: No Tsuyu that's his name.

I went over his history.

---

Caribou is a recurring antagonist in One Piece. He is a homicidal pirate who enjoys killing Marines. He first appeared in the Return to Saboady Arc. After his own cover story arc, Caribou appears as a prisoner in Udon Prison in Wano Country and is shown to work under the Beasts Pirates. He has since become an ally to Monkey D. Luffy.

He is voiced by Masaki Terasoma in the original Japanese version of the anime, and Andrew Kasten in the FUNimation English dubbed version.

Not much is known about Caribou's past but he was depressed when his grandmother passed away. She did tell him to always stay together and love one another. At some point, Caribou obtained the Numa Numa no Mi and formed a pirate crew by the name of the Caribou pirates. As a pirate, Caribou was responsible for killing many Marines and earned a bounty of 210,000,000 bellies.

Caribou attacking a Marine.

Caribou first appeared on Sabaody Arc, he was planning on allying with Demaro Black's team. He spotted a Marine spying on them and stabbed him with a spear. He ordered his brother to bury him alive. Demaro began his speech about setting an example of Luffy for attacking him. He wanted Caribou make the captured Marine a hostage but the pirate ignored him. He also began attacking some of Demaro's crew members ruthlessly and ordered his men to bury them alive. As the Pacifista and Marines began storming the area and capturing the pirates, Caribou and his team manage to escape from the island.

Caribou scheming but is unaware that Franky is staring at him.

They appeared underwater with the Straw Hat crew. Caribou wanted to kill them but his crew was overwhelmed by the Straw Hats and they were separated. Caribou was left stranded on the ship by himself with the Straw Hats and pleaded for his safety.

They appeared underwater with the Straw Hat crew. Caribou wanted to kill them but his crew was overwhelmed by the Straw Hats and they were separated. Caribou was left stranded on the ship by himself with the Straw Hats and pleaded for his safety. Despite his pleas to stay clear of any danger, Caribou began scheming his plots to attack the crew which Franky noticed. The crew was split up before reaching the island and Caribou ended up in Fishman Island. He saw the Mermaids and wanted to capture them for profits. He later reappeared in the arc and he tried to capture Shirahoshi but he was stopped by the Straw Hats and Pekoms.

After the Straw Hats left, he tried to kidnap more Mermaids but he was caught by Jinbe. They left Fishman Island, Jinbe turned him into the Marines, and he was about to get executed. His Pirate team tried to save him but they got separated again. He ended up on one of Kaido's islands. He was rescued by an old woman who saw a resemblance as her son who was a Revolutionary by the name of Gaburu. After having his injuries treated, Caribou wanted to steal some of her belongings and leave. However, there was a house fire and he wanted to save her. Caribou stayed on the island longer and began helping the rebels fight off Kaido's forces. He was victorious at first but he was captured by X Drake.

Drake brought Caribou over to Wano Country where he was placed in prison in the Udon region. For some time, he was forced along with the other prisoners to do hard labor. He witnesses the prison guard, Dobon, getting angry at Luffy and Eustass Kid for eating too much food that he wants and saw them defeat the guard when he tried to punish them. A day after Luffy and Kid took down the prison guard, Dobon, Caribou is interested in becoming allied with Luffy. Luffy is not interested in joining forces with Caribou and suggests for him to join with Kid. Caribou disregards Kid as someone weak and for losing his arm to the Big Mom Pirates. Kid appears and frightens Caribou. Caribou witness Luffy and Kid arguing over taking down Kaido.

After Luffy and Hyogoro's battle against the Beasts Pirates at night time, Caribou appears with Raizo. It is revealed that Raizo had the keys to Caribou's cuffs and released him before the fights ended for the night. Caribou pleads with Luffy to forgive him for the bad things he did in the past and to let him onto his ship. Luffy agrees and decides to forgive Caribou much to his surprise. Caribou stands by and listens to Luffy, Hyogoro, and Raizo as they plan to get more allies within the prison. In the morning, Caribou and Raizo watches Luffy and Hyogoro as Queen and other Beasts Pirates are surprised at the amount of weight the two fighters gained from eating the O-shirukos. While helping Raizou, Caribou disabled the main snail responder in the prison causing Udon Prison to be cut off from communications in Wano. When the prisoners managed to take over the prison, Caribou tells Raizo that things went easy.

---

When I was done everyone that hadn't heard about him was shocked!

Camie: He was selling mermaids into slavery!? What an animal!

Lola: Yeah no kidding!

Nico: Yep and Luffy made us promise not to kill any of his enemies here so we have to respect that wish.

Eli: We cash in their bounties and it's good money.

Nicole: We sure do and it is awesome.

Lola: Yeah.

Nico: And it was when we faced the Aparoids for the first time.

Me: You got that right.

Hunter: Ja und we faced Lionheart.

Me: He had a deadly trifecta on him. He had a Number Card, A Dark Orb and infection caused by the Aparoids on him and he was turning mermaids into bloodsucking Reaper-Like Vampires.

Nico: Yeah he sure was. But the Aparoids gave us some unfinished business for Remnant. And that was to capture Lionheart and send him to prison forever.

Laney: Yeah that was awesome.

Nico: If we hadn't stopped him, the infection would've spread to Gotham Royal York.

Me: And all over the world.

Laney: Yeah.

Lola: And the scariest part was that Blade faced monsters like these before.

Camie: Wow that is amazing.

Zocks: That is amazing.

Chloe Bourgeois: It sure is.

Nico: But I have a feeling we're going to see Caribou again.

Me: Your feeling is correct Nico. Our scans show that Caribou somehow got his powers back and he was busted out of prison.

Nico: Oh man!

Eli: And that's not all. The Force is telling me that it was Chandra Mortlake that released him.

Me: The Church of Nekrom is behind this.

Lana: Those monsters!

Eli: Yeah!

Nico: Forgive me for being a little pissed off about this. But Kangor was right. We should've just taken them out the first time we saw them!

Me: Nico where would the fun in that be if the Dark World Goths didn't at least get some shots in on them?

Lincoln: Yeah Nico they haven't gotten their opportunity to shine yet.

Nico: Oh you're right on that.

Vroon: I think I see some movement!

We saw a ship coming at us.

Laney: Caribou Pirates ship off the Starboard Bow!

Me: That's them.

Nico: Looks like it's time to deliver the fight to them. Ready the cannons and prepare to fire!

Lola: Aye aye captain!

Nico: Kaito, you and your teams get ready to use Gears when we fight Caribou in person!

Kaito: You got it Nico!

Nico: This is gonna be good!

Lola: Yeah!

Me: Lets see how they like us now.

We got alongside the ship.

Lola: Orders Nico?

Nico: Fire.

Lola: FIRE!

Me: FIRE!

Varie: FIRE!

Hunter: FIRE!

We blasted the Caribou pirates ship and blasted its masts and sails off.

Nico: Prepare to board!

We jumped and went aboard.

Caribou: YOU!

Nico: Sup, captain. Hope you don't mind us coming aboard!

Me: So we decided to drop in anyway!

I fired waves of energy and smashed his crew all over.

Me: It's back to the padded cell for you Swamp Breath.

Hunter: Ja!

Zocks: (Singing) Yo-ho-hoy- yo-ho-hoy- yo-ho-hoy-hoy! Hey! I am a World Pirate. In pursuit of treasure, I go from sea to sea! I am a pirate. In pursuit of freedom, I travel from world to world! I'll get my hands on it no matter what! And then I'll get a feeling that's two good! Yo-ho-hoy!

Caribou: You're a pirate as well.

Zocks: (takes out Gokaiger gear) And proud of it.

Kaito: (takes out Go Buster gear) We'll handle his crew. You can have him!

Zocks used the power of the Gokaigers and Kaito used the powers of the Go-Busters.

Nico: Yeah!

Me: Where is your latest catch Caribou?

Caribou: As if I'll tell you.

Me: I don't expect you to tell me. I expect to find out for myself!

I teleported and went down to the hold and I found 7 mermaids and I ripped the bars out of their pool and freed them! Shyarly, Camie, and the Medaka Mermaid Quintuplets!

Shyarly: Thank you J.D.

Me: You're welcome.

I formed balls of water around them and teleported back with them.

Caribou: NO!

Kaito used Red Buster's super speed and charged at Caribou.

He punched him but then…

SPLAT!

He punched him and his face turned into mud!

Me: That's the power of his Devil Fruit. He is a Swamp Fruit user.

Kaito: Yuck!

Eli: Yeah.

Lola: The only way to neutralize his powers is with water!

Lana fired a wave of ice and froze Caribou in a block of ice.

Me: Now to make sure he never gets his powers back.

I snapped my fingers and got his Devil Fruit. It was the Swamp Fruit devil fruit.

Lola: Nice!

Zocks: Maybe he could be Masters of Evil material.

Nico: I agree there.

Me: As long as Vypra keeps an eye on him.

Eli: But we're not done yet.

In a flash of lightning came ENEL!

Nico: Enel!

Me: And he is really electrified. He'll make a great member of the M.O.E. too.

?: Leave him to me!

An evolved Celestialsapien appeared.

Nico: WHOA!

Me: Wow! An Evolved Celestialsapien.

Evolved Celestialsapien: (In a girls voice) Long time no see Nico.

Nico: That voice. Yulia Zemerouski?

Evolved Celestialsapien: Yep.

She reverted back and she was a girl with rainbow hair and had purple clothes.

Enel: She will pay.

Enel fired a massive blast of lightning and Yulia used her powers and formed it into a ball and then fired it back at Enel and it smashed into him and exploded!

EXTREMELY MASSIVE AND ELECTRICAL EXPLOSION!

He was knocked down and out.

Nico: YEAH!

We teleported both Caribou and Enel to the M.O.E. HQ.

Hunter: What's your favorite memory of Nico?

Yulia: I have a lot of them. But my favorite was when I used my powers on a local bully during gym class as we were running for track class and the bully was in the cheerleading squad.

Nico: Oh yeah. Layla Wendoll. That Queen Bee bitch.

Lincoln: Whoa she would be a good candidate for the King Midas Vengeance curse.

Yulia: Yep. I used my powers and dropped her and her friends into a tub full of vomit and slop and they smelled so horrible they didn't come to school for three weeks.

We laughed hysterically at that one!

Maria: That was funny!

Rachel Stavenport: I remember that one! That was funny!

Eli: Wow! That was cool.

Nico and Yulia hugged.

Nico: I really missed you.

Yulia: Me too Nico. Me too.

Me: We caught two pirates and they are now in the M.O.E. Chandra Mortlake, if you are seeing this… (FLIPS THE BIRD)

Chandra was watching us from the shadows and she roared in insane fury!

We later went back home.

After Nico's rescue, Lincoln, Me, Nico, Nicole Knudson, Lori, Leni, Luna, Luan, Lynn, Laney, Lucy, Lana, Lola, Lisa, Lily, Lincoln's harem, Sherlock Hound, Noctis Lucis Caelum, Gladiolus Amicitia, Ignis Scientia, Prompto Argentum, Stella Nox Fleuret, Ravus Nox Fleuret, TLPS Mr. Wolf, TLPS Mr. Piranha, TLPS Mr. Snake, TLPS Mr. Shark, TLPS Ms. Tarantula, Sima Shi, Sima Zhao, Sun Jian, Guo Jia, Zhang Bao, Guan Xing, Cao Cao, Liu Bei, Sun Quan, Sima Yi, Jiang Wei, Jia Chong, Yukimura Sanada (Samurai Warriors), Keiji Maeda (Samurai Warriors), Kanetsugu Naoe (Samurai Warriors), Hanzo Hattori (Samurai Warriors), Musashi Miyamoto (Samurai Warriors), Heathcliff, Sonja (Heathcliff), Heathcliff, Sonja (Heathcliff), Riff-Raff, Hector (Heathcliff), Wordsworth, Mungo, Cleo, Leroy, Crash Bandicoot, Coco Bandicoot, Aku-Aku, The Quantum Masks, Alternate Tawna, Spyro, Cynder, The Ghostforce, Rayman, The Louds' Scottish Ancestors, The L-ementals, and Eli are heading down to Bridgeport High School and not only is Lincoln going to rescue the six girls there, but we also got word from Donna Keppel and the survivors from the Bridgeport High School prom massacre that my old enemy, Richard Fenton, has returned from the dead, and he still wants revenge on me for getting him sentenced to death many years ago.

Lincoln: Whoa, we're here in Bridgeport High School, and I know what we're going to do here, not only am I going to rescue the six girls here, but we got word from Donna Keppel and the survivors from the Bridgeport High School prom massacre that our old enemy, Richard Fenton, has returned from the dead, and he still wants revenge on J.D. for getting him sentenced to death many years ago.

Me: That's right, big guy. I never thought I'd have to deal with that sick bastard after we got him sent to his death and you sent his ashes into the Sun to burn for good.

Nico: Looks like The Church of Necrom has crossed another serious line resurrecting that sicko, and that's what I call going too far again.

Lincoln: And me and the Dark World Goth Girls were talking about what Kangor said yesterday, it's true The Church of Necrom has caused a ton of trouble and we've been defeating and imprisoning them inside the black Dark World-themed tarot cards and in the black Dark World-themed tarot card box. But, don't worry, we'll make sure those monsters get what they deserve after we capture all of them, and thanks for joining us, Eli.

Eli: You're welcome, Lincoln, and I'm looking forward to making that monster Richard Fenton pay for everything he's done. J.D. told me everything about him, and I was absolutely sickened by what he's done.

TLPS Mr. Wolf: But, this'll be the last time we'll deal with that sadistic serial killer.

Lincoln: That's right.

?: HEELLLLPPPP!

Suddenly, Lincoln heard the sound of six girls calling for help. With his deep sapphire blue cyborg eyes, rainbow colored iris of his Third Eye, the Force, and his superhuman sight, along with sensing energy signals, he saw and heard exactly where the call for help was coming from. He saw the six girls, but they've been cornered by Richard Fenton, and he's going to kill them. Lincoln also saw that Richard Fenton had the symbol of The Church of Necrom on his forehead, and this means that The Church of Necrom brought his back from the dead, and he saw an army of Water Demons with him.

Lincoln: Guys, I found the six girls, but they've been cornered by Richard Fenton, and he's going to kill them, and there's also something very disturbing: I also saw that Richard Fenton has the symbol of The Church of Necrom on her forehead, and I saw an army of Water Demons with him.

We gasped in pure shock.

Bertha Sellington: I should've known that sadistic perverted serial killer was brought back from the dead by The Church of Necrom, and that army of Water Demons with him, there's only one witch in The Church of Necrom who's able to summon Water Demons: Chandra Mortlake.

Lincoln: Should've known that deranged witch was behind this.

?: (Polish Accent and girl's voice) That sadistic bastard, let's get him.

Suddenly, we saw Outer Entity Nyarla appear before us.

Nico: Whoa, that's Outer Entity Nyarla, awesome.

Lincoln: And I knew I'd recognize that Polish accent, I knew it's you, Colleen Elvira Benneschevsky, but we'll have to talk later, we've got to get rid of Richard Fenton.

We rushed on over and Lincoln fired rainbow energy balls and elemental forces at Richard Fenton and Lincoln fired superhot rainbow fireballs at the army of Water Demons, and the army of Water Demons were destroyed, and the six girls rushed to get to safety with us. When Richard Fenton saw us, he was pissed, but even more when he saw me again, but I've changed a lot, and we were also pissed to see him yet again.

Me: You just don't know when to take a hint, do you, Richard Fenton?

Richard Fenton: Shut up, you ruined everything for me, J.D. Knudson! I could've had Donna to myself if you hadn't shown your face! I HATE ALL OF YOU SO MUCH!

Our rainbow energy auras flared up extremely, as we got a massive power boost from his hatred.

Lincoln: You've crossed one line too many when you murdered Donna's family and started killing all of her friends, and now, we're putting an end to you for good, and this time, you're never coming back.

Lincoln unholstered his massive Hinon's Cosmic Storm Sword of Universal Hope, Elemental Bravery, and Unbreakable Eternal Bonds from his wider and muscular back, and transformed into Super Angel-Ebonwu-Thunderbird Eternity Infinity Elemental Thunderbird Buffalo Angel of Universal Justice and Elemental Hope, TLPS Mr. Wolf transformed into his Super Angel Eternity Infinity form and the rest of The TLPS Bad Guys Gang transformed into their Super Angel Eternity Infinity forms and they unholster their massive swords, Sima Shi, Sima Zhao, Sun Jian, Guo Jia, Zhang Bao, Guan Xing, Cao Cao, Liu Bei, Sun Quan, Sima Yi, Jiang Wei, Jia Chong, Yukimura Sanada (Samurai Warriors), Keiji Maeda (Samurai Warriors), Kanetsugu Naoe (Samurai Warriors), Hanzo Hattori (Samurai Warriors), and Musashi Miyamoto (Samurai Warriors) got out their weapons, Lincoln's sisters transformed into their Super Angel Infinity forms and unholstered their massive swords from their backs, Lincoln's harem unholstered their massive swords from their backs and transformed, Sherlock Hound transformed into Super Angel Eternity Infinity Stellar Darkness Demon Hound of Dark Compassion and Demonic Justice, and he unholstered his massive Sparda's Demon Fang of The Demon Hound sword from his wider and more muscular back, Crash Bandicoot unholstered his massive Skylands' Elemental Wolf Sword of Elemental Justice from his wider and more muscular back and transformed into Super Angel Eternity Infinity Elemental Skylander Bandicoot Knight Angel of Elemental Bravery and Elemental Will, The Ghostforce, The Louds' Ancestors, The L-ementals, Noctis, Prompto, Ignis, Gladio, Stella Nox Fleuret, and Ravus Nox Fleuret got out their Keyblade and swords, Hector got out his massive Heaven's Maw of Judgement sasumata pike, and Me, Nico, Nicole, and Eli unholstered our massive swords and transformed, and we went after Richard Fenton, and we fired powerful blasts of rainbow energy, colored energy, elemental forces, Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, Magic, steel orbs, throwing axes, stars, rainbow flames, rainbow crystals, orange flames, blue flames, ice, green flames, and water, and they exploded with incredible power as they hit him.

Then, Lincoln slashed Richard Fenton's arms and legs off with his massive greatsword, and he fired a massive black energy wave made from the energy of The Black Gates, and as it hits Richard Fenton, his spirit was finally erased from existence for good. We cheered wildly as we holster our weapons and power down.

Lincoln: And this time, don't you dare come back, Richard Fenton. (To Collen Elvira Benneschevsky) And it's so good to see you again, Colleen Elvira Benneschevsky.

Colleen Elvira Benneschevsky reverted back to normal, and she's a beautiful 17-year-old girl with long flowing black hair, red eyes, fair skin, she's tall at 6'5" in height, she has the body of a goddess, she has massive black angel wings, and she reigned in the power of Old Entity Nyarla, and she's dressed in a sleeveless purple vest, sleeveless long black dress with strings of beads around her waist and a large red jewel, black skirt, black lace stockings, purple sneakers, and long black sleeveless trenchcoat with darkness and Nyarlathotep on the coattails, and Old Entity Nyarla on the back, and holstered on her back is a large Old Entity Nyarla-themed sword with a 7'0" massive, wide, double-edged black blade with Old Entity Nyarla etched on it, large black curved tentacles for the crossguard, large red gem embedded in the rainguard, longer black handle, and large red gem with black angel wings surrounding it for the pommel.

Colleen Elvira Benneschevsky: (Polish Accent) You too, Lincoln, it's been a long time.

Lincoln went up to Colleen Elvira Benneschevsky and they hugged, and Colleen Elvira Benneschevsky was also very surprised at just how much taller and much more muscular Lincoln's gotten since they last saw him, and they also felt just how strong he's really become.

Lincoln: It sure has, I haven't seen you when you were sixteen, and as you can see, I really grew a lot since then.

Colleen Elvira Benneschevsky: (Polish Accent) Whoa, you sure have really grown very big and strong like a tree, Lincoln, you've really grown a lot from the eleven-year-old cute little boy into a 17-year-old and permanently 7'5" tall, very handsome, and manly teen with abnormally massive and powerful upper and lower body muscles and eight-pack abs, that's so awesome.

Nico: Wow, Lincoln, you know her?

Lincoln: Indeed I do, Nico, this is Colleen Elvira Benneschevsky, she's a goth girl from Poland who I met when she first moved to Michigan, she has a powerful mastery over the powers of dark magic and uses it for good, and Lucy, you'll also love this: she is a master of a deadly language called The Black Speech of Nyarlathotep, it's a language that's so powerful that it will destroy the target's sanity completely beyond all forms of repair.

We gasped in shock. Just then, Brittney Knudson appeared from a tornado of darkness.

Me: Whoa, The Black Speech of Nyarlathotep.

Brittney Knudson: That's right, Dad, and I've heard a lot about that deadly language: it destroys the target's sanity completely beyond all forms of repair, just like what happens when they look into the red gem eyes of your Bracelet of Cthulhu.

Lincoln: That's right, Brittney, and that powerful mastery of both dark magic and The Black Speech of Nyarlathotep earned Colleen the title of "The Embodiment of Nyarlathotep" and she absolutely HATES AND DESPISES Amy with every fiber of her being.

Eli: So do we.

Suddenly, a Thunderbird of Eternal Love appeared around Colleen Elvira Benneschevsky's neck with red gems on the gold thunderbolt links and black crystal links from brand-new Crystal Necklace of the Buddha which merged with her Thunderbird Necklace of Eternal Love.

Colleen Elvira Benneschevsky: (Polish Accent) (Surprised) Whoa, is this…?

Lincoln: Yep, that's a Thunderbird Necklace of Eternal Love, and that means you're now part of my harem and one of my many future wives, Colleen.

Colleen Elvira Benneschevsky had a smile on her face and tears coming from her eyes, as she wrapped her arms around Lincoln's waist, and Lincoln wraps his abnormally massive and powerful muscular arms around her waist, and he leaned down and kissed Colleen Elvira Benneschevsky on the lips, and she also returned it, and we cheered for them. Then, we went up to the six girls, and when Lincoln saw them, he recognized the girls immediately. The six girls are Amatsuki Meguru A.K.A. Angel Rose, Kisaragi Sumire A.K.A, Angel Sapphire, Iin Chiyori, Mary, Veil, and Ukari Koromi from Twin Angel Break.

Lincoln: Oh wow, it's Amatsuki Meguru A.K.A. Angel Rose, Kisaragi Sumire A.K.A, Angel Sapphire, Iin Chiyori, Mary, Veil, and Ukari Koromi from Twin Angel Break.

Me: Awesome.

Lincoln: Are you girls okay.

Amatsuki Meguru: Yes, we're okay thanks to you.

Then, when Amatsuki Meguru and the other five girls saw who it was that saved them from Richard Fenton and the army of Water Demons sent by Chandra Mortlake, their faces turned atomic red upon seeing the 17-year-old permanently 7'5" tall, handsome, bare-chested hunk with abnormally massive and powerful upper and lower body muscles, eight-pack abs, long wild white hair going down to the bottom of his neck and rainbow lightning bolt highlights in the bangs of his long white hair, rainbow colored thunderbird with a gold lightning bolt emblazoned on his forehead with a Third Eye of the Buddha on his forehead with rainbow iris, golden lightning bolt cutie mark with the thunderbird and comic books right on his massive and wide right pec and it's surrounded by the symbols of Fire, Water, Ice, Wind, Earth, Nature, Light, and Darkness in a circle, large Celtic Cross cutie mark tattoo in the form of the cutie marks of Twilight Sparkle, Sunset Shimmer, Rainbow Dash, Applejack, Rarity, Pinkie Pie, Fluttershy, Starlight Glimmer, and Trixie Lulamoon, surrounded by a circle were the marks of the other girls in Lincoln's harem on his wider and more muscular back, and right on top was the Earth surrounded by the ring of mermaids and surrounded by a Thunderbird, Phoenix, Angel, and Buffalo, and right below the Cutie Mark tattoo is a deep sapphire blue kanji that said, "Lincoln Landon Loud, Champion and Emissary of Hinon, Master of Lightning Storms, The Weather, The Elemental Forces, The Cosmos, and The Universe, The Loud House's Man With A Plan, Golden-Hearted Brother of Many Siblings, and Golden-Hearted Lover, Father of Many Kids, Son, and Future Husband, Descendant of The 17th Century Duke Lincoln of Loch Loud in Scotland, Destroyer of Morag McLaughlin, Destroyer of Evil, Black-Hearted, Sadistic, Delusional, Power-Hungry Bastards, Talented Comic Book Writer and Video

Amatsuki Meguru: Oh wow, you're Lincoln Loud of Team Loud Phoenix Storm.

Lincoln: That's right, and it's a pleasure to meet you all.

Then, Lincoln made five clones of himself, and he and the five clones went up to the girls, and hugged their waists in their abnormally massive and powerful muscular arms, and they lean down and kissed the girls on the lips, which they returned with equally intense passion, as they wrapped their arms around the necks of Lincoln and his clones, and we cheered wildly at the scene.

Amatsuki Meguru: (Seductively and rubs her right hand on Lincoln's massive and wide right pec) You too, big, tall, muscular, and handsome.

Suddenly, six Thunderbird Necklaces of Eternal Love appeared on the necks of Amatsuki Meguru A.K.A. Angel Rose, Kisaragi Sumire A.K.A, Angel Sapphire, Iin Chiyori, Mary, Veil, and Ukari Koromi with colored gems on the gold lightning bolts and crystals links from their merged Crystal Necklaces of The Buddha. We return to the TLPS World Tree Estate, and we told everyone what happened, and they were shocked when they found out that the villain we went after was Richard Fenton, who came back from the dead thanks to getting resurrected by Chandra Mortlake, and they also saw her army of

Water Demons.

But, when Lincoln showed what he did to that sadistic sick bastard, everyone cheered wildly for Lincoln and the rest of us, and they hugged us, and the girls in Lincoln's harem then went up to Lincoln, and they kissed him all over. Lincoln and Colleen Elvira Benneschevsky have a lot of catching up to do, now that she's back in town, and not only are we finally rid of Richard Fenton, but this means that later on, Bertha Sellington and Lincoln are going to deal with Chandra Mortlake, and they'll make that witch pay for her crimes.

* * *

After finally getting rid of Richard Fenton and this time for good and destroying Chandra Mortlake's army of Water Demons, we were training intensely in the gym, this time, doing 150,000,000 reps of crunches, wing push-ups and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 9,500-lb barbells, squats, and going a few rounds with the punching bags, and we were really sweating like crazy, even doing yoga to clear our minds, and when Colleen Elvira Benneschevsky saw Lincoln working out like crazy, she had an atomic red blush on her face.

Colleen Elvira Benneschevsky: (Polish Accent) Whoa, I was right that Lincoln has really grown to be a 17-year-old permanently 7'5" tall, really big, and really strong man, just look at those abnormally massive and powerful upper and lower body muscles and his eight-pack abs hard at work, and working out with those 9,500-lb barbells and he's not even get tired, incredible.

Lincoln: Yep, and I've also trained a lot under some very powerful teachers, J.D. and Nico included, Colleen, and now, I can also defend myself, and in addition to getting stronger, I've also gotten smarter as well.

Colleen Elvira Benneschevsky: (Polish Accent) That's incredible.

Nico: It sure is. So, Colleen, Rey, what memories did you have with Lincoln? I forgot to ask Rey that yesterday.

Colleen Elvira Benneschevsky: (Polish Accent) Why don't you go first, Rey, and I'll go next.

Rey Kayest: Thanks, Colleen. Well, I remembered this one time, Lincoln and I were swimming at Lake Huron, and Lincoln already knew of my secret that I'm a mermaid, and he swore no one else would ever find out, not even his mean sisters, Lori, Lynn, Lola, Lisa, and Luan. But, as we were swimming, we got rudely interrupted by Lori, Lynn, Lola, Lisa, and Luan, who showed up uninvited and they also had knives in their hands and they were going to kill us in cold blood. I knew their bloodthirsty dark sides took over, and I fired five powerful blasts of cold water, which then entombed them inside and Lincoln got to shore and called his parents. After I was done telling everyone of what Lori, Lynn, Lola, Lisa, and Luan were about to do to me and Lincoln, the parents grabbed and dragged them back to the house and they got grounded for nine months for what they did, and eventually, the secret got out that I'm a mermaid and that I can also walk on land as well. But, they still loved me for who I am, and that's being a caring Guardian Angel of Lincoln, and that I was able to put Lori, Lynn, Lola, Lisa, and Luan in their place.

We cheered for what Rey did to protect Lincoln from his mean sisters.

Nico: Whoa, now that's really awesome, and the secret was eventually bound to get out when they saw you come up to land and your mermaid tail turned into legs.

Lincoln: Yeah, it was bound to come out one day, and when Lori, Lynn, Lola, Lisa, and Luan saw it, they freaked out and they wanted her dead, but Leni, Luna, Lana, Laney, and Lana duct taped their mouths shut, since they didn't want to hear another word out of their mouths.

Lily: Yeah, they were asking for trouble.

Colleen Elvira Benneschevsky: (Polish Accent) Now, that was really amazing, and now it's my turn. One day, I was with Lincoln and we were coming home from a day at Gus' Games and Grub, but as we were heading back to The Loud House, Scoots came charging at us and she was about to run us over, but I wasn't going to let her do that. I fired powerful blasts of dark energy, darkness, and dark magic at her, and they trapped Scoots inside a sphere of darkness and the other blasts destroyed her precious scooter. Then, Lincoln called the cops and Scoots was put into another straitjacket, and she was taken back to the nuthouse for good, and she's just lucky that I didn't use The Black Speech of Nyarlathotep on her.

We cheered for what Colleen Benneschevsky did in defending Lincoln from Scoots.

Me: Now, that was really awesome, and I'd really hate to find out if you had used The Black Speech of Nyarlathotep on Scoots.

Nico: The same thing that would've happened when you used The Bracelet of Cthulhu on Nimnul, Gargan, and Daisy's murderous father, her sanity would be destroyed beyond all forms of repair.

Lincoln: Right, and she only uses it on those who truly are irredeemable and truly deserve to die.

We then got a shower afterwards, and then, Lincoln and his harem were heading to Malibu Lagoon State Beach in Malibu, California, and the rest of us are going as well, since Chandra Mortlake will have another villain out to kill us again.

Lincoln snapped his fingers, and the 17-year-old 7'5" tall, white-haired, handsome, and extremely muscular teen was dressed in large orange swim trunks with a phoenix, thunderbird, buffalo, angel, and elemental forces on it, which are now a neon glowing orange, thanks to becoming a True Spice Demon and with intense rainbow hot flames coming off them, along with his large weighted orange bands with silver phoenixes on his massive biceps and thighs, his jewelry, large orange sandals, and eight large orange orbs orbiting around his legs, and he also had his weapons holstered.

And his harem are dressed in two piece bikinis with the elemental forces in their favorite colors, and they also had on their jewelry and had their weapons holstered, because Chandra Mortlake's got yet another plot to kill us yet again.

Lincoln: Alright, ladies, are we ready?

Grace Lorelai: We're ready, Linky.

Lincoln and his harem left the World Tree Estate and head for Malibu Lagoon State Beach in Malibu, California, and when they arrived, it was an amazing and beautiful beach.

Clover: Whoa, we're here in Malibu Lagoon State Beach.

Lincoln: That's right, Clover. We've never gone to any beaches here in Malibu before, so I figured this would be the perfect place for us to have some fun, but of course, we also need to keep a look-out, Chandra Mortlake isn't done with trying to kill us. Shall we?

Bertha Sellington: That witch is going to get what's coming to her, and I hope I can break her arms and legs.

Lincoln: Don't worry, we'll get that chance, Bertha.

Unknown to the gang, the rest of us also joined in as well by hiding in the shadows, since we knew that Chandra Mortlake's bound to cause trouble again. Then, Lincoln and his harem dived right into the water, and they were swimming in the large ocean. Then, when they got to the surface, Lincoln got a deep tissue massage from the girls in his harem and Lincoln returned the favor and he gave the girls a deep tissue massage in return, and he played with Nanua, as she giggled and it was too cute. Then, they had lunch that Lincoln packed, and they sat in a picnic area that Lincoln made. Suddenly, the eight large orange orbs orbiting around Lincoln's legs were glowing and spinning like crazy, and he also sensed something as his deep sapphire blue eyes and the rainbow iris of his Third Eye were now glowing, and he fired rainbow energy blasts, and it hits a nearby bush, and a figure was forced out: it was none other than Sam, Clover, and Alex's old enemy, The Inventor, the insane mad scientist whom we killed long ago.

Sam, Clover, Alex, and Lincoln: The Inventor?!

Lincoln tied the insane mad scientist up with a rainbow energy straitjacket and rainbow energy chains, so he couldn't escape. Then, we came out of the shadows, and when we also saw The Inventor here, we were shocked.

Megan Clark: How did The Inventor even return from the dead? I thought you guys killed (Realizes something) Wait a second.

Lincoln lifted his head up, and we saw that like Richard Fenton, he had the mark of The Church of Necrom on his forehead, and that meant Chandra Mortlake also brought him back from the dead.

Nico: I can't believe it, Richard Fenton's not the only villain that Chandra Mortlake's brought back from the dead. Now, she's really gone too far this time

Lincoln: You said it, Nico, and I still harbored anger towards The Inventor for kidnapping Sam, Clover, and Alex, and turning them into his slaves, along with the fact that he had help from that witch, Mandy years ago. Well, now, I'm going to see to it that he never comes back again.

Lincoln unholstered his massive Hinon's Cosmic Storm Sword of Universal Hope, Elemental Bravery, and Unbreakable Eternal Bonds from his wider and muscular back, and with one quick upward slash, he sent The Inventor high up into the air, and with some quick and powerful one-handed swings of his massive greatsword, Lincoln sliced The Inventor into a thousand pieces, and blasted him with a black energy blast of The Black Gates and he was erased forever. Lincoln cleaned the gold blade of his massive greatsword and holstered it back on his wider and muscular back.

Lincoln: That's it for that insane mad scientist, but now, Chandra Mortlake's crossed a serious line in bringing back another enemy from the girls' past, and like Bertha, I'm looking forward to breaking that witch's arms and legs.

Nico: You said it, big guy. See you back at the World Tree Estate.

We then decided to head back and Nanua who got a kiss from her parents went with The Cutie Mark Crusaders, and then, Lincoln made clones of himself and he and his clones went up to the girls in their harems, and they wrapped their abnormally massive and powerful muscular arms around their waists, and they passionately kissed and hugged with supercharged and intense passion, and it also became even more sizzling hot for the girls in Lincoln's harem as they wrapped their left arms around the thick muscular necks of Lincoln and his clones and placed their right hands on the massive and wide muscular pecs of Lincoln and his clones. Then, they came back home to the World Tree Estate, and they were in their original clothes.

And back in their demonic castle, Chandra Mortlake saw what Lincoln did and foiled her latest scheme again, and it pissed her off so badly, her red eyes turned blood red with insane rage and she flew into an insane rage, and we heard it from the World Tree Estate. Grace covered Nanua's ears when that crazy witch screamed in insane rage.

Lincoln: (Smirks) Serves you right, Chandra Mortlake.

Bertha Sellington: (Smirks) But, she ain't done yet. We're going to face her later on after our mission today, and she'll get the very same treatment as Jocasta Belladonna, Jezebel Lanira, Ianira Dormund, Edana Baudelaire, and Drusilla Draven.

Me: (Smirks) You said it. (To Lincoln and his harem) And are you guys okay?

Lincoln went up to me and Nico, and he hugged us and we hugged him back, and Lincoln's harem also joined in.

Lincoln: It's okay, guys. But, now that The Inventor's been dealt with, Chandra Mortlake's last plot has been foiled, and now, later on after our mission, Bertha and I are going to deal with that crazy witch.

Bertha Sellington: That's right, she'll pay for everything she's done. And when the next ambassador mission with the Saber Kamen Riders starts, you should show Touma and the team your brand-new Elemental Thunderbird Phoenix Angel Buffalo Warrior Wonder Ride Book that you got yesterday and you also used it on that witch, Drusilla Draven.

Lincoln: That's a good idea, Bertha.

Nico: And are you planning on using it again on that witch, Chandra Mortlake?

Lincoln: Actually, Nico, I'm going to use my new Elemental Spellbook of Harmonious Justice, Eternal Harmony, and Equestrian Peace, and there's a spell here that's very effective against Water Demons that I found while looking through it.

Me: Really?

Lincoln: Yep, and this spell's bound to drive Chandra Mortlake even more crazy when I use it on her army of Water Demons. But, I can't help but get the feeling that today's mission is going to be a very messy bloodbath against some old enemies we've killed long ago.

Nico: You're not the only one, Lincoln, we also have that feeling as well. But, we'll wait to see what it is.

---

Later it was time for Megan's second Ambassador Mission.

William: Anyone else want to go with Megan? Besides Aerrow and 3 Rabbids?

Megan McCallister: I'm hoping to have Will and all of W.I.T.C.H.J.E.M.M.L. come with this time.

Nico: Yeah I forgot about that. We owe you guys big time.

Twilight Sparkle: We sure do.

Reika: It was just 20 days of your most darkest hours. At the very worst, it could have been an eternity of that, like that apocalyptic future.

Nico: That is true.

Touma: Yeah. Twilight you are really awesome and love to read books right?

Twilight Sparkle: I sure do.

Touma: Lets show you the library.

We followed him.

We arrived and Twilight saw all the books and gasped!

Princess Twilight Sparkle: [prolonged gasp] Oh-my-gosh-oh-my-gosh-oh-my-gosh-oh-my-gosh-oh-my-gosh! So many books all unread! Ancient historical artifacts! [gasps] I just… I thought… ! I can't… ! [wheezes] SO MANY BOOKS!

Nico: Like a kid in a candy store.

Sunset Shimmer: Yeah she sure is.

Me: There's many more books than that Twilight. This place has tons of books.

Rainbow Dash: Wow! This is a ton of books!

But then…

KRABBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOO

Touma: (hears explosion) Megan, you might want to make a shadow clone of yourself. We're gonna need it.

Megan McCallister: Good idea. You'll see both my powers in action.

Me: Wait I sense that this is a familiar entity that me and Maria met in the dimension of the Build Kamen Riders. Could it be?

Nico: I have a feeling it's someone that J.D. failed to save before.

Me: Yeah.

We went to battle.

We arrived at the park and we saw BURN SMASH from Kamen Rider Build!

Nico: It's one of Build's monsters!

Me: That's Kasumi! I have some Unfinished Business with that one.

Nico: What are you going to do?

Me: Watch. (CHANTS MAGIC INCANTATION)

I fired a wave of magic and it hit Burn Smash and it separated Kasumi from him and she was cured but unconscious!

Eli: I'll call for the MediVac.

Nico: Okay!

Eli did so.

Me: Time to kick some butt! Faust is really playing with fire and soon they will all get burned and incinerated.

Touma: We decide how this story ends!

Nico: And it ends when we Kick your big ugly fucking ass!

Me: If we face Faust next week or early next month, I'm going to blast that entire bunch of fuckwipes all the way into the Supermassive Black Hole at the center of the galaxy.

Nico: They are really playing with fire here.

Burn Smash fired balls of fire and we jumped and they hit the ground and exploded!

KRABBBBBOOOOOOOOOOOMMMMMM!
KRABBBBBBOOOOOOOOOOOOOMMMMMM!
KRABBBBBBBOOOOOOOOOOOMMMMMM!
KRABBBBBBBOOOOOOOOMMMMM!

I fired waves of lightning and electrocuted Burn Smash all over.

The Medivac came and took Kasumi to our infirmary.

Touma: Time to fight fire with fire!

He fired a blast of fire and it hit Burn Smash and it exploded!

KRABBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOM

Nico: Try this on!

He fired waves of fire and it formed into a phoenix and it hit Burn Smash and exploded!

KRABBBBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

Taranee: Fire's MY thing!

Me: Not just you Taranee remember.

Taranee fired waves of fire and blasted Burn Smash all over the place.

Eli: This is gonna be good!

Eli fired a wave of Force Lightning and electrocuted him all over.

Me: Also Burn Smash is not the only fire master.

I pointed my butt at him.

Me: Good thing I had more of Chief Wiggum's chili for breakfast.

FFFFFFFAAAAAAAAAAAAAAAAAAAAAAAARRRRRRRRRRRRRTTTTTT

I fired a blast of white hot fire and it hit Burn Smash and it bursted into flames and screamed in pain.

Irma: Time to cool this guy down!

Maria 2 and Irma and Cassidy fired waves of water and blasted Burn Smash and a huge cloud of steam came out.

Eli: Time for water to be electrified.

Eli fired a wave of Force Lightning and electrocuted him all over and burned him more.

Nico: Take that!

Kento: Let me join in!

Me: Lets do it!

Me, Kento and Eli fired waves of lightning and it hit Burn Smash and electrocuted him all over the place.

Nico: Take that burn boy!

Hay Lin: Time to blow him away!

Hay Lin blasted him around in a tornado!

Touma: Good thing no fires are being created on the street because of him.

Nico: Because we're absorbing the fire.

Me: Yep.

Nico: Lets finish him guys. Ready?

Sunset Shimmer: Lets do it!

Touma: W.I.T.C.H.J.E.M.M.L. Shall we finish him with combos?

Will: Lets do it guys!

KRABBBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

He was destroyed!

Nico: I've always wanted to say this to a Build Monster. Burn Smash you have failed this city!

Eli: YEAH!

Nico: But how did Kasumi/Burn Smash wind up in our dimension?

Me: It must be like what happened with the Live Action Transformers.

Touma: Good job, Megan.

Megan McCallister: Thanks. That was cool!

Me: Yeah it was.

Eli: We had a lot of fun for this one.

We later came back.

May: Hey guys. How did it go?

Me: Really awesome and amazing!

We went over everything that happened and it was incredible!

Vince: WHOA! That is awesome!

Me: Yeah it is.

May: Next time, Living Laser and 3 Rabbids can go with you.

Megan McCallister: Good idea.

Nico: Yeah!

Later we were walking to Sophia Nuremberg's house and Nico was nervous as hell and shaking like a leaf.

Babs Seed: Nervous, Nico?

Nico: What do you think?!

Me: We're all here for you Nico. Like always.

We arrived at Sophia's home and we saw that she and her mom actually live in trailer park on the other side of the city.

Me: You live in a trailer park Sophia?

Sophia Nuremberg: Yeah my mom is the only one that took care of me. My dad died of cancer before I was born and she was taking care of me in a motorhome.

Nico: Oh man.

Laney: Sorry to hear about that Sophia.

Sophia Nuremberg: I'll be all right.

We arrived at her motorhome.

Me: Nice motorhome though.

Sophia Nuremberg: Yeah it was home for years.

Sophia knocked on the door and then Sophia's mom answered.

Mrs. Nuremberg: Oh Sophia!

She and Sophia hugged.

Sophia Nuremberg: Hey mom. These are all my friends.

Fluttershy: Hello, Mrs. Nuremberg.

Me: It's a pleasure to meet you.

Mrs. Nuremberg: Wow! Team Loud Phoenix Storm it's an honor to meet you all.

She then saw Nico shaking in fear behind me.

Mrs. Nuremberg: Well I'll be. Nico is that you?

Nico: (Nervously) He..hello Mrs. Nuremberg. Awesome to see you again.

Sophia Nuremberg: He's afraid you're going to blow his head off because we're dating.

Me: Yeah.

Mrs. Nuremberg; But it's great to see you Nico. And no I would never do that to you. You are part of my family and you are always a part of it.

Nico: Thanks Mrs. Nuremberg.

Me: Also that's another reason why we're here.

Sophia showed her Jagan Eye and her wings.

Me: She was inhumanely experimented on in the Kamen Rider Build dimension and she got that Jagan Eye as a result.

Mrs. Nurenberg: Was that Gentoku guy involved in what happened to my baby?!

Skullcruncher: No. According to Maria, he didn't authorize the experiment involving her. So the Faust scientists did the experiment behind his back.

Sophia Nuremberg: That's right mom. I also got these wings by Team Rocket.

Me: That's another one of our biggest messes we're trying to clean up.

Nico: Blame Giovanni for that.

Sophia Nuremberg: But it's not all that bad really. I got so many awesome and amazing powers from my Jagan Eye and I also have powers over light, darkness, fire and all that. Hiei has been teaching me all about how to use the powers of the Jagan Eye.

Eli: It's true.

Hiei: I have been a big help to Sophia.

Warpath: Nico, promise me you'll let me have a crack at those Faust guys. What's left of them, at least!

Nico: Don't worry. You'll get to do that on one of Pohatu's missions.

Me: That is not until sometime next month. But yeah me and Maria want a crack at them too.

Varie: Kasumi is gonna be all right. Luckily me and Lisa prepared for this. We watched Kamen Rider Build and Maria got ahold of the formula that Faust used to make the Smash monsters. We managed to make an antidote for the gas and all that. It destroys the effects it has on them.

Nico: Wow way to think ahead Maria.

Me: I'll say.

Sophia Nuremberg: Very resourceful too. But Mom I'm so sorry I made you worry.

Mrs. Nuremberg: It's all right honey. The important thing is that you're safe.

Sophia Nuremberg: Good.

Later back at the estate, after we got Sophia's mom settled into it instead of living in a motorhome we were talking to Miku Yuuki.

Kairi Yano: So, Miku. Do you remember who I am?

Charge Man: Kairi is Lupin Red, one of the Red Rangers who helped kill those zombies.

Miku Yuuki: Yeah I remember you Kairi.

Nico: And J.D. is lucky to save you from Shido's influence.

Me: I showed everything he did and what he did to so many people with my powers by putting some of my memories into her. I copied them and put them in her.

Nico: Wow.

Lola: What Shido did was horrible!

Missy Rodgers: Yeah he was a monster.

Nico: He brainwashed so many people and poisoned them with lies.

Me: Yeah.

Nico: But lets get ready for our mission.

Laney: What are we doing this time?

Lily: SpongeBob wants to take us to Jellyfish Fields for some fun. I guess he has a surprise planned later on.

Nico: I can't wait to see what it is.

Then Abomination, Toad, Red Ghost, Ssserpent, Spot, Kangor, Trapster, Black Spider, LaGrange and Deadwood appeared.

Abomination: Can me, Toad, Red Ghost, Ssserpent, Spot, Kangor, Trapster, Black Spider, LaGrange and Deadwood go with you guys?

Nico: Yes you all sure can.

Ssserpent: J.D. we heard all about your dream rescue. Vypra is so happy that she is now finally free of Bansheera.

Me: Yeah and I got the burns on my arm from her tears to prove it.

Miku Yuuki: Ouch. I didn't know her tears were acidic.

Me: Demon tears are totally different from human tears.

Nico: Yeah. But also that's another Power Rangers monster we no longer have to worry about.

Eli: Good riddance.

Me: Being a dreamwalker really has its advantages. You can do all sorts of adventures even while you sleep.

Laney: That is really cool.

Princess Luna: It sure is cool.

Tundra Man: Nico, which Gene Slammer do you think you'll meet on your next rescue?

Nico: Well we already now have one of the most powerful gene-slammers ever known with Yulia as an evolved Celestialsapien, but I was thinking of something really interesting. A

fusion of all the aliens together.

We gasped!

Nico: Yeah shocking.

Me: This will be interesting. I can't wait to see what that will be like and we already have a fusion gene-slammer.

Gaia Smythe: Yeah and that is me.

Nico: Yep. But this will be awesome.

Lola: Wow!

Ssserpent: Shall we go to Jellyfish Fields?

Nico: Lets shall.

Suddenly, Lincoln's deep sapphire blue eyes and the rainbow colored iris of Lincoln's Third Eye glowed even more, as he sensed a dark energy signal with his eyes and the Force, and he saw who

the figure is in the vision: it was none other than Chandra Mortlake, and she's coming to kill us all for revenge for ruining her schemes when Lincoln killed Richard Fenton and The Inventor and gave them The Black Gates. When we saw it, we knew it meant trouble.

Nico: Uh oh, I know those glowing eyes from anywhere. Lincoln, is Chandra Mortlake on the move?

Lincoln: That's right, Nico, and she's coming to kill us all for revenge for ruining her schemes when I killed Richard Fenton and The Inventor and gave them The Black Gates.

Eli: Sore losers, that's what they are.

Lynn: Demonic sore losers is a better word, Eli.

Bertha Sellington: So, Chandra Mortlake's on the move. Perfect, now we have our chance to pulverize and beat that crazy witch into the ground for what she did in resurrecting that sadistic serial killer and pervert, Richard Fenton, and resurrecting The Inventor.

Lincoln: And we're both taking that crazy witch down, Bertha, and she's getting the same thing as Jocasta Belladonna, Jezebel Lanira, Ianira Dormund, Edana Baudelaire, and Drusilla Draven.

Inside the Dark World Goth Girls' black tarot box in Nicholette Torrington's hands, Jocasta Belladonna, Jezebel Lanira, Ianira Dormund, Edana Baudelaire, and Drusilla Draven were still screaming in rage and the box was shaking.

Nico: Whoa, you guys have really pissed them off big time.

Lincoln: Their reputation for foiling the murderous and foolish schemes of The Church of Necrom and pissing them off even more is known throughout Michigan, Nico, and any who dare to mess with the dark arts for evil, there's always consequences for that sort of thing.

Nicholette Torrington: That's right, Linky, and messing with the dark arts for the purpose of evil will ultimately mean you'll get the attention of both The Dark World Goth Girls and The Goths of Darkness and you'll pay the consequences for your crimes.

Nico: Messing with dark forces beyond their control and comprehension, they're playing with fire, but they should've known that if they play with fire.

Lincoln: They're going to get burned badly. But, they refuse to learn their lesson, Nico, and they need to be stopped for good, and once all 18 members of The Church of Necrom have been captured, we'll decide on their fate.

Nicholette Torrington: Kangor was right that we should've killed them all right from the start, but we made our choice to take them down one at a time.

Eli: I get it, instead of going right at the top, you guys are starting from the bottom and work your way to the top five high-ranking members of The Church of Necrom.

Me: That's a pretty smart move.

Nico: You said it, J.D., and combine that with constantly foiling their schemes to kill us, they'll lose all traces of reason, and they'll be forced to come after us like the animals they really are.

Lincoln: That's been our strategy ever since the war against The Church of Necrom started, Nico, and we relied on their weaknesses: the fact that they're completely insane and want nothing more than to destroy mankind.

Me: Sacrificing their own parents in a Satanic ritual to get their dark powers, that just proves they're nothing more than a bunch of evil monsters who don't deserve to live a single second more.

Lincoln: We'll decide their fate after we've captured all of the members of the Church of Necrom, J.D., and trust us, The Church of Necrom will never plague anyone ever again.

Nico: Lincoln's right, we'll leave the fates of The Church of Necrom to him and the Dark World Goth Girls. Alright, gang, let's go.

We were off to Bikini Bottom.

We were walking around Jellyfish Fields.

Nico: Ahh Jellyfish Fields. So awesome coming here.

Misfire: Look at all the peaceful jellyfish.

Miku Yuuki: It's really pretty here.

Laney: It sure is.

Lola: Yeah.

Rei Miyamoto: Miku we're glad that J.D. saved you from Shido's influence.

Miku Yuuki: I am too. Shido was a monster.

Me: Tell that to the people he brainwashed.

Toad: Quick question. Are lions afraid of jellyfish?

Nico: I don't think so. Why?

Toad: Just curious.

Me: I was gonna say. That would be impossible to find out since Lions live in Africa and we're all the way down here in the ocean.

Lola: That's true.

Qin: Jeri and the Lion Guard are over in Africa right now and are looking for new members of the Masters of Evil. So far they found a couple of them.

Nico: Really?

Qin: Yep. They found Ushari and he is a Cobra and also they found Mzingo's Parliament. They are a flock of buzzards.

Me: Wow! That is cool.

Sid Arkale: You know, Miku. During that mission in your world, LOTS of zombies were killed by Nico, the Red Rangers, and their archenemies.

Rubanoid: And a lot of people were saved.

Miku Yuuki: That's what I remember and it was amazing.

Me: That mission was the most incredibly scary out of them all next to the Terror of The Necromorphs mission we had.

Nico: Yeah. It was awful.

Erica Haddock: Nico was preparing for that mission ever since the day that Lincoln had Rei, Saya, Saeko and Shizuka join his harem.

Nico: Yeah that was awful.

Me: And we reunited them with Takeshi and team on one of the Tai Chi Chasers missions.

Sena: That was awesome.

Rai: Yeah it sure was.

We saw SpongeBob and Patrick.

Me: There they are.

We went up to them.

Red Ghost: We're here, Spongebob. What's the surprise?

SpongeBob: Shh.

Me: (Whispers) Sorry.

[SpongeBob and Patrick are watching jellyfish]

Patrick: [whispering] You see him?

SpongeBob: Nope. [looks through binoculars] Oh, wait, now I do.

Me: (Whispers) I see him.

Patrick: [whispering] What's he doing?

SpongeBob: Um, just kinda sitting there.

Patrick: How about now?

SpongeBob: Still just like kinda sitting there, same thing.

Patrick: How long have we been watching?

SpongeBob: What time is it now?

Patrick: 2:30.

SpongeBob: [counts fingers] 4 days.

Nico: That's a long time to be here.

[Jellyfish run away]

SpongeBob: Patrick, it's moving!

Patrick: Ready to go for it?

Lily: I'm ready!

SpongeBob: Like Mr. Krabs says, it's now or never!

Patrick: When does he say that?

SpongeBob: Usually on his way to the Men's room. Bunsai!

Me: CHARGE!

Nico: TALLYHO!

Patrick: Hey, that's usually what I say!

[SpongeBob and Patrick begin chasing the jellyfish]

SpongeBob: Patrick, he's taking evasive action.

Patrick: We better flank him.

SpongeBob: I'll flank left, you go right!

Patrick: Roger that! [runs left]

SpongeBob: Other right, Patrick!

SpongeBob and Patrick: [in slow motion] [jumping to catch the jellyfish] [the two collide in mid-air]

CRASH!

OUCH!

Me: HOLY CRAP!

Eli: You guys okay?

SpongeBob: Ow, I think I ruptured a spleen…

Patrick: I think I shattered my abacus.

SpongeBob: Your what?

Patrick: My abacus. [Takes out his abacus] Nope. Seems okay…

Twilight Sparkle: Nice Abacus there.

Patrick: Thanks.

Supernova Zap: Spongebob, what's the surprise you were talking about?

SpongeBob: You'll see.

[The jellyfish fly by]

SpongeBob: Patrick! There it goes! [The two begin chasing it again]

Lily: Lets go!

SpongeBob: Don't stop now, Patrick, we're gaining on him! [SpongeBob and Patrick and us laugh and we then fall off a cliff]

Me: LOOK OUT BELOW!

SpongeBob and Patrick: [screams]

Nico: (SCREAMS)

[Cuts to a small village inside a trench]

Cletus: [heading into outhouse] Well, it's now or never. [We all then fall onto the outhouse as Cletus walks into it]

KRASMASH!

We smashed it into pieces.

SpongeBob: Ehhh.

Me: OUCH!

Nico: Man what a fall.

Trenchbilly: You boys are mighty colorful, a smidget too colorful, if ya' ask me.

Nico: Who are all of you?

Me: I think they are a hillbilly fish clan.

Cletus: [climbs out of hole] And too darn heavy, if ya' ask me.

Me: Sorry about that.

SpongeBob: Well, actually Patrick has been trying to shed a few- [The trenchbillies capture us with a rope and they scream]

Cletus: Tell it to Ma Angler… [The trenchbillies carry us all on a pole to Ma Angler's house]

Me: Now I know how a pig feels.

Trenchbillies: [all talking] [cuts to Ma Angler's house]

Ma Angler: Now tell me there, what was it y'alls was doin' down yonder at the outhouse in the first place?

Cletus: I dun told ya', Ma, thar I was doin' my duty, just like any other Sunday… [flashback]

Cletus: [heading into outhouse] Well, it's now or never… [flashback stops] When not so much as a warning shout, these here varmints dun dropped, right out of the wild, black yonder, smack-dab onto my noggin! Darn there givin' me a crick in the neck it has to.

SpongeBob: We're really sorry about interrupting your-

Jordan Klein: Y'all hush up!

Me: (GULPS)

Ma Angler: Now Cletus, is this another one of your tall tales, you tend to tell?

Cletus: I-I-I swears I ain't fibbin', Ma!

Ma Angler: Cletus.

Cletus: Just ask Uncle Belcher. He'll tell you the whole story.

Uncle Belcher: [belches]

Cletus: See.

Kangor: Mon, you're not making any sense right now.

Nico: Yeah.

Ma Angler: Well, I must admit one thing, they is awfully perty… Nevertheless, as leader of this here clan, which I is, I must subject these two pretty folks, to clan initiation rights to deem their worthy.

SpongeBob: Umm…

Patrick: Worthy of what?

SpongeBob:… specifically.

Ma Angler: Of livin'… [SpongeBob and Patrick gulp] Theether! Go on and get your fiddle.

SpongeBob: Look, Patrick! He's gonna play us a little song. [Teether plays a short tune]

SpongeBob: Short song.

Patrick: SpongeBob, I think this is meant to be a-a musical challenge.

Me: Ooh.

SpongeBob: Challenge? [The trenchbilly plays another short tune] Patrick, we don't even have an instrument to play. [He plays yet another song, a bit longer this time.]

Patrick: Yeah, and soon we won't have anything to play it with…

SpongeBob: Huh! Patrick! Hang on… [SpongeBob whispers to a trenchbilly] [The trenchbilly takes off his suspenders and gives them to SpongeBob]

Patrick: SpongeBob, don't leave me!

SpongeBob: Wouldn't dream of it, Patrick.

Patrick: Alright! [The trenchbilly continues to play his fiddle] [Patrick begins playing a tune, using SpongeBob's body. Patrick and the trenchbilly play back and forth very fast] [The trenchbilly eventually explodes and Patrick wins. Stars fall from the sky]

Me: Whoa!

SpongeBob: Well, Patrick, even though you won, it looks like he was the real star. Hahaha. [Patrick smiles]

We cheered for him.

Me: Now that was awesome!

Eli: Yeah it was.

Lily: Yeah.

Ma Angler: Now that was amazing. (Sees our symbol) Why fancy that it's Team Loud Phoenix Storm!

Cletus and the clan gasped.

Cletus: Team Loud Phoenix Storm!? The great heroes of the the world!?

Me: Yeah that's us. And you know the Neptune Crusaders too I think.

Lily: Yeah.

Cutthroat: That's what this is about?

Lily: Yeah this is actually a Trenchbilly clan we know. They are a clan of hillbilly fish that live here.

Nico: That is cool!

Trapster: We didn't know you knew these guys.

Lily: It was before we formed the Neptune Crusaders.

Ma Angler: Well my stars Lily it's great to see y'all after so many moons. You grew quite a bit.

Lily: I know. Time sure has flown by for me.

Me: For many of us actually.

Varie: Sorry we dropped in on you guys like that.

Cletus: That's all right now. But it's great to see y'all.

Winter Soldier: Spongebob actually invited us here.

Me: We were doing some jellyfishing and then we fell down this trench and landed right on top of your outhouse by mistake.

Nico: Yeah what a big crash too.

Laney: Yeah.

Ma Angler: Well fancy that. That's quite all right fellers.

Cletus: Yeah. Sorry we didn't see who y'all were in the first place.

Lily: No worries Cletus. Simple case of intruder paranoia.

Black Spider: How long have you lived here?

Ma Angler: We've been living in these parts for generations.

Betsy: We're not called Trenchbillies for show y'all.

Mage Meadowbrook: That is amazing there.

Me: Boy it sure is. (Sniffs) Ew! That is a disgusting smell. Wait. (Sniff) I know that smell.

I smelled for it and then lifted a board and to our shock and disgust was a FRESH MUTILATED BODY! YUCK!

Blot: Dear Primus.

Nico: What the heck happened to this one!?

Ma Angler: Looks like those cannibals got another one of them victims.

Nico: Cannibals here?

Ma Angler: Yeah. Numerous fish have been disappearing and being eaten in these here parts.

Nico: YUCK!

Me: Wait. Cannibals. (GASP) OH NO! I thought they were gone for good after we faced them the first time.

Eli: What do you mean?

Me: Since we're dealing with cannibals here this can mean only one thing: The Cannibal Hillbillies we faced almost 3 years ago are back!

Deadwood: What kind of suck fucks are they?!

Maria: Bloodthirsty sick fucks, that's what!

Me: These are terrible people! We faced them over in the forests of Oregon 3 years ago. And they were disgusting murderous and bloodthirsty monsters! Anyone that wandered onto their property became dinner.

I went over what happened during the events of chapter 885 and it was a horrible and gruesome adventure.

---

In the living room at the estate, the Dino Thunder Power Rangers were watching the Japanese version of the Dino Thunder Rangers.

Eddy came in.

Eddy: What's that you're watching?

Edd: According to the satellite guide, it's a Japanese TV show about the world famous Dino Thunder Power Rangers!

Wreck Gar: They even dubbed it in English!

Tara: Power Rangers in Japan? I've got to see this!

Eddy (frowns): This is whack.

Ed: How do you know its' whack? You haven't even given it a chance.

Eddy: It wasn't even made here! I mean, what would they know about Power Rangers in Japan?

Luan: Only one way to find out!

Spiderman: I agree. I wanna know what Japan thinks of Power Rangers.

Connor: Trust me, Eddy. I had my doubts at first. But you'll like it.

Eddy: No way!

Eddy: That's it! I mean, they're totally making fun of you guys. I'm outta here!

Kira: Wait! C'mon, Eddy, it's just for fun.

Shockwave: Don't you want to see how it ends?

Eddy: Well, it's not funny anymore, it's stupid. And it ends with me going out that door and going on patrol! (leaves the room)

Luan: It's okay. He'll be back.

Maria: How do you know?

Luan (holds up Eddy's blaster): He forgot his blaster.

Eddy came back into the room.

Eddy (sighs): Is it really that good?

Xion: You'll never know if you don't watch for yourself.

Eddy (blocking the TV): Okay, it's bad enough that they've made Connor's team look like fools, but, to make fun of sports heroes? Where the hell is your pride? I will fucking not sit here and let them get away with this. Fuck no!

Edd: Don't you think you're overreacting just a little?

Ed: Yeah! It's just a TV show.

Eddy: Yeah, but don't you see what this fucking represents? This is what they think of fucking Power Rangers in motherfuckinng Japan!

Tara: How can you say that? This is one episode of one TV show!

Spiderman: And it's not even the whole episode thanks to your big head being in our way!

Luan: Look, Eddy, come sit down and watch the rest. If you still don't like it, you can write the TV station or something. Or the congress.

Or the president. I don't really care. Right now, I just want to see the Power Rangers kick monster butt.

Defeated, Eddy stops blocking the TV. He was watching the show. He was amazed. When the episode was finished they cheered.

Eddy: Yes!

William: Excited much?

Eddy (nervously): I mean, uh, it was kinda cool.

Static: See? It's not so different after all, just a slightly different interpretation.

Then the alarm went off.

Me: Uh oh.

We went to the computer and we found out that a number of cannibalistic murders are going on over in Gravity Falls and the whole town is in the grip of fear because of it.

Me: There's trouble brewing in Gravity Falls.

Mabel: What is it?

Me: We have to find out. Lets go!

We were off to Gravity Falls.

---

GRAVITY FALLS, OREGON

---

We arrived in the forests of Gravity Falls, Oregon. It was as thick and dense as a big jungle.

Me: Wow. It's a jungle in here.

Dipper: The forests here are like a jungle.

Nico: (Walking) But where are the murders happening?

Nico tripped over something and he saw that it was a bloody and mutilated ripped to shreds body!

Nico: (Screams)

Nico backed away.

Me: Geez!

Lucy Loud: Gasp! This was a fresh kill. It was made a little over an hour ago.

I wiped the blood off of it and it was still coagulating.

Me: Lucy's right. This is a fresh kill.

Nico: But look at those over there.

We saw more cannibalized corpses and they were completely mutilated and dismembered and their organs and blood were splattered all over the place.

Me: But this is disgusting. Whoever did this has an extremely voracious and ravenous appetite for human flesh.

Lucy Loud counted the bodies.

Lucy Loud: There's over 500 kills here. This whole area was turned into a killing ground.

Lori: That is literally disgusting.

Laney: But how will we know who or what did it? This is a big forest and they could be anywhere.

Lana: I think these signs here say who is responsible.

We saw signs on the trees written in blood.

Me: (Reading) "Beware of the Cannibal Hillbillies." "Go Back." Cannibal Hillbillies? This reminds me of the Cannibal Hillbillies from that horror movie Wrong Turn.

Nico: I remember that movie. Those hillbillies were disgusting creatures. They were gross and completely cannibalistic.

I pulled up their information. It was the family of a ravenous hillbilly cannibal called Three Finger.

---

Three Finger makes his first appearance in the first film, Wrong Turn and also served as the primary antagonist. He also very skillful of creating traps that will instantly kill the victims before he finished his cruel job on them. In addition, he also has the unnatural ability of regenerating his recovery as he was shown of surviving at the end of the film.

He made his first appearance alongside his two deformed brothers, Saw-Tooth and One-Eye as they attack both the medical student, Chris Flynn and the group of friends including Jessie Burlingame, Carly, Scott, Evan, and Francine. When the others went to get help, he murders both Evan and Francine before bringing their bodies back to the isolated cabin with One-Eye and Saw-Tooth. Later, Three Finger and his brothers tracked down the remaining group as they investigate their cabin and manages to kill Scott. However, Chris, Jessie, and Carly manage to escape shortly after.

That night, when Chris, Jessie, and Carly went to the old watchtower in order to call for help, Three Finger, Saw-Tooth, and One-Eye manage to locate them and tried to set the watchtower on fire. However, the group of survivors manage to escape and forced to run across the trees. When this happens, he manages to decapitates Carly in her jaw. However, Chris manages to hit him when he was about to attack Jessie as he falls down fron one of the trees.

The next day, Three Finger and his brothers manage to locate Chris and Jessie as they push Chris down the hill before they captured Jessie. Later, Chris manages to survive his fall as he went to the mutant cannibals' cabin and attack the cannibals. Together, Chris and Jessie fought the mutants and eventually killed Three Finger, Saw-Tooth, and One-Eye before blowing up their cabin before making their escape, killing all the cannibals.

However, in the end of the film, Three Finger manages to survive as he was last seen killing the deputy sheriff as he investigate the destroyed cabin. However, his brothers were presumely dead.

## Wrong Turn 2: Dead End

After the events in the first Wrong Turn film, Three Finger returns in the second film, Wrong Turn 2: Dead End and recently serves as the secondary antagonist since the primary antagonist was Pa, a father of the mutant family.

Three Finger was first seen killing Kimberly by cutting her into half with the help of Brother, a member of the cannibalistic family. Then, he and the mutant family begin their brutal assault on the rest of the contestants as he successfully killed Neil, a television crew member and captured Colonel Dale Murphy with the help of Pa. Later, he was seen torturing Dale in his cabin but Dale somehow manages to escape before engaging Three Finger in the knife fight. During the fight, Dale manages to shoot Three Finger on his chest with a shotgun and as the result, Three Finger fell into the lake and was presumably dead.

However, he survived thanks to his regenerative recovery. As the film ends, he was last seen feeding the newborn mutant baby with a human finger and a milk bottle filled with chemical waste before his laughter can be heard.

## Wrong Turn 3 : Left For Dead

Three Finger once again returns in the third film Wrong Turn 3: Left For Dead, as he once again serves as the primary antagonist and his mutant boy son, Three-Toe served as the secondary antagonist.

Three Finger attacks the college students; Alex, Trey, Sophie, and Brent and succesfully murdered the three of them. However, Alex somehow manages to escape into the woods.

Later during the rest of the story in the film, Three Finger assaulted the escorting bus driven by the prison guards; Nate and Walter as well as loaded with the prisoners; Willy, Crawford, Floyd, Bradon, and Chavez. Then, he and Three-Toe began to set the traps. However, led by Alex and Nate, the group managed to avoid the traps and they killed Three-Toe by capturing him and beheaded him, using his head as the trophy on the booby trap. However, they soon learned that their actions could only make Three Finger enraged. Soon, Three Finger begins his murderous assault on the group, killing Willy and Crawford in the process. Later, he captured Alex when Chavez used her as the bait and secure her in his cabin before hunting down the rest of the survivors. Later, he once again encountered Chavez and engage him in the battle. However, Three Finger manages to overpowered him and killed him.

Sometime later, he returned to his cabin when he saw Nate setting Alex free and attacked him. Immediately, Alex saves Nate by stabbing Three Finger with a large stake before making their escape. However, Three Finger manages to survive and followed them as he leaps on top of the truck, causing them to crash the truck into the tree. When Bradon was helping both Nate and Alex, Three Finger attacked them once more. During the final battle, Nate manages to stab Three Finger in his head with the meathook. Immediately, Three Finger gave Nate a sickly smile for the last time before he died, thus ending his murderous reign once and for all.

---

Qin: Whoa! That is sick!

Nico: I remember that. These were toxic chemicals that made them like this.

Dipper: There were rumors of the dumping of hazardous waste in a mine not to far from here.

Me: After we kill these hillbillies we got to find that hazardous waste and report it to the E.P.A.

Juvia Lockser: But if these hillbillies are that dangerous then we need to watch our backs.

Me: We need to set up a trap for them.

Calvin: I have an idea. Levi, remember that trick we used on Wolvermean?

Me: I remember that. That was really clever.

Levi: I think I know what you're about to do Calvin.

Me: Go for it guys.

They set up scarecrow dummies that looked like them.

Levi: And now, we wait.

Juvia: Gray, in case we die, I want to say that I've never stopped loving you!

Gray: Thanks Juvia.

Mabel: I've better things to do tonight then die!

Me: No one is gonna die on our watch.

We were hiding in the trees, completely invisible from view.

After waiting for 30 minutes we saw a hillbilly come out. It was THREE FINGER.

Me: (Whispering) That's Three Finger.

Nico: He is a monster.

Three Finger saw the dummies.

Three Finger: Oooh. Fresh meat.

But then the dummies were revealed to be scarecrows.

Three Finger: It's a trick!

We jumped down and had him cornered.

Me: Three Finger. You are in a lot of trouble! We're now going to kill you.

Nico: Three Finger, you have failed this universe!

Three Finger: Lets see you face the whole family!

Out of the trees and the whole forest came a bunch of hillbillies completely out for blood! There were hundreds of them!

Syd: Whoa!

Me: There's hundreds of them! A bunch of fucked up lunatics out for blood.

Lucy Loud: These guys will become dead soon.

(Kouen {Crimson Flames} Plays)

Me: Lets tear them apart!

Megaforce Rangers: Legendary Ranger Mode: R.P.M.!

The Megaforce Rangers turned into the R.P.M. Power Rangers! Troy Burrows was the red R.P.M. Ranger, Noah Carver was the blue R.P.M. Ranger, Gia Moran was the Yellow R.P.M. Power Ranger, Jake Halling was the Green R.P.M. Ranger, Emma Goodall was the Black R.P.M. Ranger and Orion was both the Gold and Silver R.P.M. Rangers. One half of his suit was gold and the other half was silver.

We went at them and they went at us and a massive explosion of fire exploded out as we slammed into them.

KRABBBBBBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

The fight was extremely savage and gory. I slashed a hillbilly's stomach open and disemboweled him and ripped out his intestines and then I ripped out his beating heart and squished it. Then I slashed off his head and his blood splattered everywhere. Varie slashed and blasted a bunch of hillbilly's all over the place and she was slashing, blasting, disemboweling, chopping and lacerating them all over the place. Lori kicked a hillbilly all the way through his chest and grabbed him and ripped him in half. Nico grabbed a hillbilly's head and ripped it clean off his body and then he ripped his arms off his body and threw them away. Then Nico plunged his hand into the hillbilly's chest and ripped out his beating heart and crushed it. Leni lifted up a rock with her gravity powers and slammed a hillbilly with it and crushed him. Splattering his blood and guts all over the forest and turning the grass red. Lana froze a bunch of them and shattered them into a million frozen bloody pieces. Lola fired massive blasts of fire and burned and incinerated them into nothing. Lisa threw chemical bombs at the Hillbilly's and the chemicals hit them and exploded with massive fiery explosions that blew them to pieces. Lily fired powerful blasts of water at the hillbilly's and blew them apart. All that was left of them were their feet. The Megaforce Rangers were really letting them have it. Troy Burrows slashed a bunch of hillbilly's with his street saber and he was really cutting them into a thousand pieces. Noah Carver was blasting a lot of the hillbilly's with the turbo cannon and reduced them into bloody dust. Gia Moran used her Zip Charger and it hit a bunch of Hillbilly's and made them all explode into massive piles of blood and guys. Jake Halling slashed a bunch of hillbilly's with his Turbo Axe and the energy blades slashed the hillbilly's into piles of blood and guts. Emma

But inside the mine was another awesome surprise. We found a massive deposit of rubies in the mine and it was a massive deposit. We dug up the rubies and put them in our vault.

Nico: We sure did.

Dr. Destiny; Did you fight anyone there?

Me: We faced Caribou and Enel and they are now in your ranks. We just got to find good archenemies for them.

?: That is cool.

A figure came out and it was Tombstone Org from Episode 22 of Wild Force!

---

Late at a stormy night, Super Toxica and Super Jindrax dug up a tombstone that belongs to the presumably deceased Dr. Viktor Adler (who is actually still alive and is in disguised as "Master Org"). They brought the tombstone to Master Org, who infused it with the spirits of six defeated Orgs (consisting of Turbine Org, Camera Org, Freezer Org, Bus Org, Karaoke Org, and Samurai Org) with Dr. Viktor Adler's tombstone to form a new powerful Org called Tombstone Org. He confronts all six Rangers along with Super Toxica and Super Jindrax in the forest. The Rangers morphed and did battle with the Org. The monster was too powerful and hard to defeat at first, but thanks to Cole's Lion Blaster, he was destroyed, so Super Toxica enlarged Tombstone Org and the Rangers summoned the Wildzords to form the Wild Force Megazord Predator Mode, but none of their ability's worked and Tombstone Org made a beatdown on it. The Rangers then formed the Wild Force Megazord Predator Spear Mode, but even that wasn't powerful enough, so Tombstone Org made a beatdown on the Megazord with his sheer power until it got rescued by a new Zord called the Deer Zord. The Org launched a fireball at the Zord, but it didn't had any effect on him and only angered him instead, so he fired the Antler Trap at the Org, knocking him out temporarily. The Rangers were glad that the Zord has come, but the Deer Zord doesn't want to help because he was upset at Merrick and Princess Shayla for leaving him on Earth 3,000 years ago. Later, the Org awoke and broke free of the trap before wreaking havoc on Turtle Cove. The Rangers formed the Kongazord Striker Mode to take on Tombstone Org and used the Bear Blaster, but the Org reflected it with ease. Then they used the Armadillo Zord, but the Org caught it and threw it back at the Kongazord. Meanwhile Princess Shayla and Merrick made up to the Deer. Tombstone Org was about to make the final strike until the Kongazord fought back by firing yellow colored energy lasers from its shoulder cannons, and tying him up with the Anchor Chain before using its Mega Toss attack. While the Kongazord gets separated back into five Wildzords, the spirits of the six Orgs starts to leave Tombstone Org, but the Rangers still needs help from the Deer Wildzord. Luckily the Deer Wildzord has returned and he healed the the Red Lion, Yellow Eagle, Blue Shark, Black Bison and White Tiger Wildzords. After the White Ranger had been given the Deer Animal Crystal by Princess Shayla, the Rangers form the new Wild Force Megazord Clutcher Mode thanks to the Deer Wildzord. They then used the Wild Force Megazord Clutcher Mode's Capture Bubble to capture Tombstone Org and send him away for good.

Merrick: Tomestone Org!

Tomestone Org: Been a while rangers.

Me: I remember you! You were made from Master Org's grave even though Viktor Alder was still alive and Master Org was disguise as him and you were infused with the powers of Six

Orgs: Turbine Org, Camera Org, Freezer Org, Bus Org, Karaoke Org, and Samurai Org.

Tomestone Org: That's right. Good memory.

Me: That was a really freaky episode there. But it was cool and it marked the appearance of the Deer Zord.

Laney: That was awesome.

Tombstone Org: I hope you guys don't mind that I got created from Master Org's grave

Nico: As long as you stay faithful to Vypra.

Me: Yeah.

We got the usual battles underway.

Goliath: (to Whenua) J.D. rescued a lot of girls in his dream rescue this time. Including Miku.

Whenua: He sure did and that was so awesome. Ever since J.D. became a dreamwalker we've had all sorts of amazing adventures day and night.

Applejack: That is really amazing there.

Apple Bloom: It sure is cool! I think it's amazing that J.D. can do all that. Also we found out that Lincoln can do that too! He is now a dreamwalker just now.

Goliath: Whoa! That is so cool! Then he now has the same powers as J.D. now.

Applejack: Yeah!

Goliath: What did Lincoln do in his dream?

Apple Bloom: He took down Mr. Burns in his dream.

Flashwing: It may not have been the real thing but it was amazing that he did that in his dream.

Onua: That is really awesome and cool.

Dana: They sure will and we just have to find awesome recruits for them too.

Dirty Bubble: Yeah no kidding. Lets do it!

They fired waves of water, stars, lightning, magic and bones and smashed him down.

Captain Marvel, Sunset Shimmer, Pipsqueak, Fire Skylanders, White Tiger, Mary Jane, Sid Arkale and Sunstorm VS Swordsman - Meeting a gene-slammer for Outer Entity Nyarla

---

Swordsman was next.

Swordsman: (to Captain Marvel) I heard you guys met a gene-slammer for Outer Entity Nyarla. What's her name?

Captain Marvel: Her name is Colleen Elvira Bennechevsky and she is from Poland. She is really amazing.

Sunset Shimmer: She has amazing powers and she knows so much about the dark arts and uses them for good. And she even has this deadly power called the Black Speech of Nyarlathotep. It's a deadly power that completely destroys the targets sanity.

Captain Marvel: WHOA MAN! That is amazing! Deadly too.

Pipsqueak: (British Accent) Yeah it's really amazing! We also found out two revelations from both Colleen and Ray.

---

Colleen Elvira Benneschevsky: (Polish Accent) Whoa, I was right that Lincoln has really grown to be a 17-year-old permanently 7'5" tall, really big, and really strong man, just look at those abnormally massive and powerful upper and lower body muscles and his eight-pack abs hard at work, and working out with those 9,500-lb barbells and he's not even get tired, incredible.

Lincoln: Yep, and I've also trained a lot under some very powerful teachers, J.D. and Nico included, Colleen, and now, I can also defend myself, and in addition to getting stronger, I've also gotten smarter as well.

Colleen Elvira Benneschevsky: (Polish Accent) That's incredible.

Nico: It sure is. So, Colleen, Rey, what memories did you have with Lincoln? I forgot to ask Rey that yesterday.

Colleen Elvira Benneschevsky: (Polish Accent) Why don't you go first, Rey, and I'll go next.

Rey Kayest: Thanks, Colleen. Well, I remembered this one time, Lincoln and I were swimming at Lake Huron, and Lincoln already knew of my secret that I'm a mermaid, and he swore no one else would ever find out, not even his mean sisters, Lori, Lynn, Lola, Lisa, and Luan. But, as we were swimming, we got rudely interrupted by Lori, Lynn, Lola, Lisa, and Luan, who showed up uninvited and they also had knives in their hands and they were going to kill us in cold blood. I knew their bloodthirsty dark sides took over, and I fired five powerful blasts of cold water, which then entombed them inside and Lincoln got to shore and called his parents. After I was done telling everyone of what Lori, Lynn, Lola, Lisa, and Luan were about to do to me and Lincoln, the parents grabbed and dragged them back to the house and they got grounded for nine months for what they did, and eventually, the secret got out that I'm a mermaid and that I can also walk on land as well. But, they still loved me for who I am, and that's being a caring Guardian Angel of Lincoln, and that I was able to put Lori, Lynn, Lola, Lisa, and Luan in their place.

We cheered for what Rey did to protect Lincoln from his mean sisters.

Nico: Whoa, now that's really awesome, and the secret was eventually bound to get out when they saw you come up to land and your mermaid tail turned into legs.

Lincoln: Yeah, it was bound to come out one day, and when Lori, Lynn, Lola, Lisa, and Luan saw it, they freaked out and they wanted her dead, but Leni, Luna, Lana, Laney, and Lana duct taped their mouths shut, since they didn't want to hear another word out of their mouths.

Lily: Yeah, they were asking for trouble.

Colleen Elvira Benneschevsky: (Polish Accent) Now, that was really amazing, and now it's my turn. One day, I was with Lincoln and we were coming home from a day at Gus' Games and Grub, but as we were heading back to The Loud House, Scoots came charging at us and she was about to run us over, but I wasn't going to let her do that. I fired powerful blasts of dark energy, darkness, and dark magic at her, and they trapped Scoots inside a sphere of darkness and the other blasts destroyed her precious scooter. Then, Lincoln called the cops and Scoots was put into another straitjacket, and she was taken back to the nuthouse for good, and she's just lucky that I didn't use The Black Speech of Nyarlathotep on her.

We cheered for what Colleen Benneschevsky did in defending Lincoln from Scoots.

Me: Now, that was really awesome, and I'd really hate to find out if you had used The Black Speech of Nyarlathotep on Scoots.

Nico: The same thing that would've happened when you used The Bracelet of Cthulhu on Nimnul, Gargan, and Daisy's murderous father, her sanity would be destroyed beyond all forms of repair.

Lincoln: Right, and she only uses it on those who truly are irredeemable and truly deserve to die.

FLASHBACK ENDS

Swordsman: WHOA That is amazing!

Sunburn: We were all amazed that they did that to Scoots and Lincoln's sisters.

White Tiger: Yeah we sure were.

Mary Jane: That was so cool!

Swordsman: Wow that is really amazing too. Lets do it!

They fired waves of fire and energy and smashed him down.

Clay Bailey: You better believe she was! She was angrier than a swarm of hornets on the back of a rabid wolverine! Faust really crossed the line messing with Nico's friend and now they also messed with us too. Now it's personal.

Fluttershy: Yes that was horrible they did all that to Nico's friend.

Tornado Bolt: Yeah no kidding there! What they are doing is inhumane and they must be destroyed forever.

Stealth Elf: J.D. said that when the Big Day for Build comes, he is looking forward to giving those monsters all the Black Gates for their crimes against nature.

Lara Laramie: You got that right y'all.

Onyx: I hope he does. Lets do it!

They fired waves of leaves, grass, flowers and earth and smashed him down.

We summoned the GoGoFive, Dekaranger and Patrangers!

We went at them and like before The fight was extremely savage and gory. I slashed a hillbilly's stomach open and disemboweled him and ripped out his intestines and then I ripped out his beating heart and squished it. Then I slashed off his head and his blood splattered everywhere. Varie slashed and blasted a bunch of hillbilly's all over the place and she was slashing, blasting, disemboweling, chopping and lacerating them all over the place. Lori kicked a hillbilly all the way through his chest and grabbed him and ripped him in half. Nico grabbed a hillbilly's head and ripped it clean off his body and then he ripped his arms off his body and threw them away. Then Nico plunged his hand into the hillbilly's chest and ripped out his beating heart and crushed it. Leni lifted up a rock with her gravity powers and slammed a hillbilly with it and crushed him. Splattering his blood and guts all over the forest and turning the grass red. Luna fired a powerful blast of water at a hillbilly and skewered his chest and then she ripped his crotch off with her bare hands and then she bashed his head in with a club made of pure water, splattering his brain matter all over the place. Luan was using Saix's Claymore and she was bashing most of the Hillbilly's brains out and she was disemboweling them with beams of light and slashing and bashing them into a million bloody and gory pieces. Lynn was ramming a lot of hillbilly's all over the place like a mad football player and she was slamming them into a thousand pieces with devastating force. Lightning was ripping a bunch of Hillbilly's apart with just his bare hands and great physical strength. Lucy Loud was blasting a bunch of Hillbilly's with black lightning and slashing them all over the place with Nizogamourne. She was slashing and slashing and slashing them all over. Lucy Dark was sucking in their blood through her wings like she was drinking water through a straw and it was making her more powerful than ever. Laney was wrapping a bunch of Hillbilly's in bramble vines and crushing them all to death and splattering their blood and guts all over the place. Lana froze a bunch of them and shattered them into a million frozen bloody pieces. Lola fired massive blasts of fire and burned and incinerated them into nothing. Lisa threw chemical bombs at the Hillbilly's and the chemicals hit them and exploded with massive fiery explosions that blew them to pieces. Lily fired powerful blasts of water at the hillbilly's and blew them apart. All that was left of them were their feet. The Megaforce Rangers were really letting them have it and they turned into the RPM Rangers too. Troy Burrows slashed a bunch of hillbilly's with his street saber and he was really cutting them into a thousand pieces. Noah Carver was blasting a lot of the hillbilly's with the turbo cannon and reduced them into bloody dust. Gia Moran used her Zip Charger and it hit a bunch of Hillbilly's and made them all explode into massive piles of blood and guys. Jake Halling slashed a bunch of hillbilly's with his Turbo Axe and the energy blades slashed the hillbilly's into piles of blood and guts. Emma Goodall fired powerful blasts of energy from her Rocket Blaster and the blasts hit them and exploded. Reducing them into piles of burning blood and guts. Orion used his skyship blazers and trident and blew a bunch of hillbilly's apart.

We were really tearing them apart and then we went at Three Finger.

We were tearing him apart too.

Bertha Sellington: I should've known there's no mistaking that chalkboard screech from anywhere. You can come out now, Chandra Mortlake.

An inverted pentagram with Necrom on top of it drawn in blood red infernal energy appeared in the skies, and then, a mist of darkness came out and as it landed, the mist of darkness faded revealing a 17-year-old girl with long black hair, pale skin, red eyes, a deranged sadistic grin on her face, and dressed in a black long-sleeved dress, black long-sleeved coat, black pants, and black heels. It was Chandra Mortlake, a dangerous witch and another member of The Church of Necrom.

Nicholette Torrington: Chandra Mortlake, I should've known you'd be the next one to come out after we took down Jocasta Belladonna, Jezebel Lanira, Ianira Dormund, Edana Baudelaire, and Drusilla Draven, along with killing Richard Fenton and The Inventor.

Chandra Mortlake: Shut up, bitch! You all have ruined our master's plan to bring Lord Necrom into this pathetic world, so that we could destroy all of mankind and bring back The Dark Ages, and now, we will destroy all of you ourselves!

Bertha Sellington: That's not going to happen, Chandra, and now, your little rampage ends here and now.

Suddenly, Bertha Sellington's pink eyes turned neon pink and she was surrounded by a dark blue energy aura with darkness, demons, dark magic, and blue lightning, she unholstered her massive Beiige, Vanguard of Dark World-themed sword from her back, and as she approached Chandra Mortlake, she left dark blue energy, demons, darkness, dark magic, and dark blue lightning with every step.

Bertha Sellington: You just don't even know when to quit, do you?

We've beaten you down so many times and in those many times, you fled with your tail between your legs and howling like a wounded animal. That's it, I've had it up to hear with you, Chandra Mortlake, and now, I'll see to it that you'll pay for the crimes that you've committed long ago.

Suddenly, Bertha Sellington was surrounded by a massive vortex of blue energy with darkness, dark magic, demons, and dark blue lightning surrounding it, there's Beiige, Vanguard of Dark World flying around the vortex, and inside the vortex is a pink phoenix. Then, as the vortex faded, Bertha Sellington emerged, but she was changed forever.

Bertha Sellington has on a Ring of The Phoenix with dark blue gem and heart shaped gem embedded in it on her right ring finger and a Star Sapphire ring on her left ring finger.

Suddenly, Bertha Sellington's massive Beiige, Vanguard of Dark World-themed sword and Beiige's spear were suddenly surrounded by a kaleidoscope of blue energy, darkness, and dark blue lightning, and they merged, and when the new w finally emerged, it was transformed into Beiige, Vanguard of Dark World's Demon Sword of Darkness Vanguard Justice, it's a brand-new greatsword with Beiige, Vanguard of Dark World etched on the 7'0" massive, wide, double-edged dark blue blade, large dark blue angel wings for the crossguard, large blue gem embedded in the rainguard, longer black handle, and a large dark blue gem with black angel wings surrounding it for the pommel, she has on her new large gold cuff Bracelets of the Champions of The Universe with dark blue gems on her wrists, new large gold Belt of Elemental Bravery with a gold version of Beiige, Vanguard of Dark World's head with dark blue gems for eyes and a large dark blue gem in its open mouth for the belt buckle, large Destroyer of The Church of Necrom grimoire and rainbow-colored leather and gold metal bound Elemental Spellbook of Harmonious Justice, Eternal Harmony, and Equestrian Peace on her left hip and Eater of Sins revolver holstered on her right hip. Bertha Sellington has transformed into SUPER ANGEL ETERNITY INFINITY DARKNESS LIGHTNING STORM DEMON ANGEL OF DARK JUSTICE AND DARK VANGUARD LOVE!

We were amazed by Bertha Sellington's Super Angel Eternity Infinity transformation, and when Lincoln saw her, he had an atomic red blush on his face and hearts in his eyes. But, when Chandra Mortlake saw it, she went bonkers and fired a blast of darkness to kill her, but Bertha Sellington fired a powerful blast of dark blue energy with darkness, demons, dark magic, and dark blue lightning, and they hit Chandra Mortlake and sent that insane witch crashing back first into a wall.

Nicholette Torrington: Holy crap, now Bertha Sellington's transformed into her Super Angel Eternity Infinity form, that's so awesome!

Nico: That's right, Nicholette, and she sent that crazy witch, Chandra Mortlake, crashing back first into a wall, and really pissed her off even more. This is going to be good.

Me: You said it.

Lincoln: Wow, Bertha, you look beautiful. How do you feel?

Bertha Sellington: (Divine Echoing Cosmic Voice of the Vanguard Demon and Dark Divine Love) **I feel incredible, Linky. Now then, shall we deliver Chandra Mortlake her rightful punishment?**

Lincoln: (Smiles) With pleasure, Bertha.

Lincoln unholstered his massive Hinon's Cosmic Storm Sword of Universal Hope, Elemental Bravery, and Unbreakable Eternal Bonds from his wider and muscular back, and transformed into Super Angel-Ebonwu-Thunderbird Eternity Infinity Elemental Thunderbird Buffalo Angel of Universal Justice and Elemental Hope and he joined Bertha Sellington.

Lincoln: (Divine Echoing Cosmic Elemental Voice of Universal Justice and Elemental Hope) **Your days of causing mayhem and chaos in the name of Damian Alaister and The Church of Necrom are finally over, Chandra Mortlake.**

Bertha Sellington and Lincoln went after Chandra Mortlake, who continued firing blasts of darkness at them, but they dodged them, and they fired powerful blasts of rainbow energy, blue energy, dark magic, dark blue lightning, Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, Magic, rainbow flames, rainbow crystals, Buffalo, Thunderbirds, Phoenixes, Angels, and Demons at Drusilla Draven, and they exploded with incredible power as they hit the crazy witch, and she became even more pissed off big time.

Chandra Mortlake: Rise from The Unholy Dark Depths, Water Demons, and drown them in the tides!

Chandra Mortlake summoned a massive army of humanoid muscular Water Demons made of water, and they were about to attack, but Lincoln got out his large rainbow-colored leather and gold metal bound Elemental Spellbook of Harmonious Justice, Eternal Harmony, and Equestrian Peace, and he opened it and turned to the page with the spell he found. Then, Lincoln chants a powerful incantation, and he fired a powerful rainbow energy wave, and as the energy wave hit the massive army of Water Demons, Lincoln extracted the spirits of the Water Demons and banished them back to Hell, and he summoned tentacles with suctions on the tips and he sent them at the lifeless Water Demons' bodies, and as they attach onto the lifeless Water Demons' bodies, Lincoln began sucking up and absorbing the water bodies and he gained a massive power boost, and that pissed off Chandra Mortlake even more.

Bertha Sellington: **Linky, shall we do the honors in putting Chandra Mortlake in her place?**

Lincoln: **Ladies first, Bertha.**

Bertha Sellington: **Such a gentleman.**

Bertha Sellington and Lincoln formed massive red energy balls in the palms of their hands, and they condense them to the size of their bodies, and they aimed them at Chandra Mortlake, who ran at them with murder and insane rage in her eyes.

Bertha Sellington and Lincoln: **VOX PENICULUS POWER ABSORPTION KARMA BLAST!**

Bertha Sellington and Lincoln fired the massive red energy balls, which transformed into red energy beams, and as the two red energy beams hit Chandra Mortlake, Lincoln and Bertha Sellington began absorbing all of Chandra Mortlake's dark powers and dark magic, and Lincoln's rainbow energy aura with Thunderbirds, Phoenixes, Angels, Buffalo, and Elemental Forces flared up, and he was gaining a really massive power and energy boost to his infinite power and energy, and the same thing happens to Bertha Sellington as her dark blue energy aura with darkness, demons, dark magic, and dark blue lightning flared up and she was really massive power and energy boost to her infinite power and energy. When Bertha Sellington and Lincoln were done, Chandra Mortlake was rendered completely powerless and completely drained of her powers.

Chandra Mortlake: What did you do to me?!

Lincoln: **We sucked out and absorbed all of your dark powers, abilities, and dark magic, and now, you're powerless, Chandra.**

Bertha Sellington: **And now, you're finished.**

Bertha Sellington opened her Destroyer of the Church of Necrom grimoire, and she found the page and she fired a blast of darkness, and as it hit Chandra Mortlake the now powerless and insane witch of The Church of Necrom was imprisoned inside of a black tarot card with Beiige, Vanguard of Dark World on the back of the black tarot card with shadows of darkness, demons, dark magic, arrows, and dark blue lightning, and she put the tarot card with Chandra Mortlake imprisoned inside the black tarot card box with the symbols of the Dark World Duel Monsters on top, where Jocasta Belladonna, Jezebel Lanira, Ianira Dormund, Edana Baudelaire, and Drusilla Draven were put into. We all cheered wildly for what Bertha Sellington and Lincoln as they holstered their massive swords and powered down, and Bertha Sellington's new body, clothes, weapons, jewelry, and massive dark blue angel

Bertha Sellington: Gotcha, bitch! Thank you for helping me take down Chandra Mortlake,

Lincoln: (Smiles Warmly) You're welcome, Bertha.

Suddenly, Bertha Sellington wrapped her arms around Lincoln's waist, as her chest was pressed against Lincoln's massive and wide muscular pecs, which brought an atomic red blush to Lincoln's face, and he wrapped his abnormally massive and powerful muscular arms around her waist and he brought her into a hug, which took her by surprise and brought an atomic red blush to her face. Then, as Lincoln leans down to Bertha Sellington's face, they kiss passionately as Bertha Sellington wrapped her left arm around Lincoln's muscular waist, and she placed her right hand on Lincoln's massive and wide muscular right pec, and behind them was a Thunderbird, Phoenix, Angel, and Beiige, Vanguard of Dark World flying in the air, and we also saw a herd of Buffalo running across the field, along with elemental forces and creatures of the night flying around the place and we cheered for them.

Nico: Hah, that's another Church of Necrom asshole put down, and twelve more to go.

Me: That's right, Nico.

Camie Nicholetta: Which means the next Church of Necrom member to show their face tomorrow is Adrienne Hawthorne.

Lincoln: That's right, Camie, and you and I are going to put a stop to that insane witch and make her pay for everything that she's done.

Nico: And as always, we'll be on guard for Adrienne Hawthorne's plans and foil them at every turn, and that'll get her so mad, it's bound to send her into a blind rage.

Lincoln: Which is just how we want her to be in, when we pulverize her tomorrow.

Nico: Yep. But we have now seen the last of the Cannibal Hillbillies too. The Church of Nekrom is really losing members fast.

Eli: Yeah they are.

Me: Yep.

Nico: But great job everyone. Lets head to the Krusty Krab for dinner.

SpongeBob: Good idea. (To the viewers) Hope you guys all loved this adventure. It was awesome and amazing.

Nico: Yes it was.

We went to the Krusty Krab and we had Krabby Patties. We later went back home and enjoyed the rest of the day before going to sleep.

Another awesome fanfiction done.

Trenchbillies is one of my favorite episodes of SpongeBob and it was really funny and cool and it was really awesome how SpongeBob and Patrick found the Trenchbilly clan by accident as they were jellyfishing. But it was really awesome and funny too. Amy Sedaris guest starred in that episode and it was so awesome. That episode aired on January 29th, 2011 and it was really awesome and funny. This chapter had a twist with the Cannibal Hillbillies from the movie One Wrong Turn and they appeared earlier in chapter 885 and I'm sorry I grossed you all out in this on. The first part for my dream rescue was based on a dream that I had many years ago when I was a kid and it was really scary and weird. I thought it was adventurous though. Lincoln's dream rescue was for taking on a dream version of Mr. Burns. I've had it with that monster and the sooner we destroy him the better. The second part was for a swashbuckling adventure in the world of One Piece and we faced Caribou and Enel. They are now in the M.O.E. NicoChan11, JediAvatarOfShinobi, Omegahatchiyak12, kolbdog323, XP4Universe, Darkhai, vinjedi1995, Drako1234658, Nflemingful, EtstheClarenceandTLHfan and ninjakingofhearts gave me the ideas for this and so did the guest reviewer. Thanks Guys. The next dream rescue for me is gonna be where Me, Eclair, Miku Yuuki and Natilee go into Sakura Avalon's dream and we're going to help her out and help her achieve an incredibly awesome new level of power as we battle Yue. We're also going to show Yue that Sakura is more than just a great sorceress, she is also a powerful friend and a great master of the Clow Cards and an awesome force of good. Also Miku Yuuki is going to transform in that dream too as she battles Shido in the dream as well. So I'll need the Transformation Sequence for that. Lincoln's dream is going to be an incredibly strange and silly one as Lincoln, me and Natilee go inside the mind of Luan and we're going to face the demon that made her into the prankster from hell. We're going to destroy Abby Sanchez. We're also going to meet a gene-slammer for the Lady Assailant of Flames named Amelia Waikiki and she is from Hawaii and believe it or not she is the daughter of the Hawaiian Goddess of Volcanoes, Pele. And she has total control over fire and lava. She also has a massive and incredible hatred for Flip. For Nico's rescue we're going to Hell this time and we're going to the Seventh Circle of Hell and we're going to be in for a really horrifying sight. In the Abominable Sands we're going to battle all the Damned Crusaders and Nico, Shanan, Qin, Miku Yuuki, Rei Miyamoto, Saya Tekagi, Saeko Busujima, Shizuka Marimoto, Zenkaigers, Chloe Bourgeois, Rita Loud, The Goths of Darkness, Applejack, Apple Bloom, Twilight Sparkle & Friends, Rachel Stavenport, Carol Pusateri, May, Kaalia of The Vast, Maria, Varie, me, Eli, Arrietty, Aylene Carter, Gabrielle, Littlefoot and friends, Fu, Nicole Knudson, Kaina Tsutsumi, Camie, Kaoruko Awata, Himiko, Ibara, Toru, Sirius, Tsuyu, Ochaco, Momo, Lincoln, Laney, Lana, Lola, Lisa and Lily are going there and it's not going to be a pleasant sight. Also Rei Miyamoto, Saya Tekagi, Saeko Busujima and Shizuka Marikawa are all going to transform in that one so I'll need the transformation sequences for them too. We're also going to meet a gene-slammer that is a fusion of all of the aliens Ben can turn into. Her name is Jenny Worthington. Jenny is Nico's friend from computer club and she and Nico destroyed a local bully girl's reputation forever. Now Jenny is the gene-slammer of many aliens.

HOLY COW! WHAT A FUSION! For Lincoln's rescue we're going to the world of the awesome movie Troy and we're going to battle the mighty Warrior Achilles and this guy is no pushover. We're also going to meet a gene-slammer for Mucus Yolk. Her name is Lindsey Oropendola and she is a homeless girl that Lincoln befriended a while back and he helped her out until she was slammed. She has no family and also has amazing water powers. She also has a very powerful and intensely burning hatred towards Scoots! Because she is going to reveal the most horrible revelation of all as we find out that Scoots MADE HER INTO AN ORPHAN! The next chapter is going to be a really funny and awesome one as we go to Bikini Bottom and we're going to battle TTG Titans, TTG Terra, TTG HIVE Five, TTG Bumblebee, TTG Aqualad, TTG Cinderblock, Dark Mr. Krabs and the Dark Loud Family minus Dark Lynn in an awesome gladiator style battle in the episode SPONGICUS! Instead of Patrick we're going to face them! Also I'm tired of hating TTG and I decided to let it go. The TTG Titans, TTG Terra, TTG Bumblebee will join us and the rest minus Dark Mr. Krabs and the Dark Louds will be in the Masters of Evil.

See you all tomorrow

# SPONGICUS

This chapter is a parody of the SpongeBob episode Spongicus. Get ready for a Gladiator Fight like no other.

In the early morning hours at 1:21 AM, I was having an awesome and interesting dream. Me, Nico, Eclair and Miku Yuuki are in the same dream too.

Me: You guys are in my dream too?

Miku Yuuki: Yeah this is so unusual.

Nico: Yeah.

Eclair: Wonder where we are.

We saw that we were in front of the Tokyo Tower and it was on the night of a full moon.

Nico: The Tokyo Tower.

Eclair: I wonder why we're here?

Natilee then appeared.

Natilee: I know what's going on here. This is the battle with Sakura and Yue.

Nico: Oh wow! That's right this was the test to see if Sakura was worthy of being a master of the Clow Cards.

Natilee: This is gonna be awesome and huge.

Me: It sure will be. Just like how I did on my test after the Great Friday the 13th War with the Anti-Fairies.

Nico: That's right! I remember that was right after the great War of

Friday the 13th.

We went to the Tokyo Tower and we saw Sakura facing Yue.

Me: Sakura!

We went over to her.

Sakura Avalon: What are you guys doing here?

Me: We're going to help you out facing Yue.

We saw Yue.

Nico: Amazing how you look like a true angel of the night Yue.

Eclair: That is really cool.

Yue: Yes it sure is. But I take it you all are here to fight me too?

Nico: Yue, do you seriously want to fight us even though we've gotten stronger?

Me: And besides Yue. I also faced you too remember? It was after the Great Friday the 13th War of 2019.

Yue: Yes I remember that. That was a big battle for you all.

Me: Yes it was. We all made it through all that because we worked together.

Sakura Avalon: Guys I don't think I'm ready for this?

Me: Sakura yes you an do it.

I looked into her eyes.

Me: Sakura you have done so much good for us and everyone all over the world. Not just for us but you also did so much for your family too. Your mom, dad, brother and even your friends Madison and Li and even Meilin and your friends from School. You have done so much with us and have done so much with them. You have an awesome athletic spirit and your father, brother, teacher and all your friends are really proud of you for doing so much good all over. And you have the most awesome team in the universe that helps you out too: Us.

Nico: That's right Sakura. You also have Li and he loves you and you love him. You would not have come this far if it weren't for us and your family. We believe in you Sakura.

Eclair: That's right Sakura. You can face Yue. Just like J.D. has in the past.

Miku Yuuki: You can do this Sakura.

Me: Yeah!

Sakura Avalon got a look of determination on her face.

Sakura Avalon: Thanks guys! Thank you all! (Stands up to Yue) All right Yue! You better be ready!

Suddenly rainbow energy and elemental symbols swirled around her.

Miku Yuuki then saw Shido coming and she was pissed!

(SIREN SONG BY YUKI KAJIURA PLAYS)

Miku Yuuki: I'll transform too. I want a crack at him as well.

Nico: Go for it.

Suddenly, something within Miku Yuuki's mind snapped as the terrible deeds she was forced to do in Shido's name came back to her in full force as her amber eyes turned neon amber and she was then surrounded by a light orange energy aura with flames and phoenixes, and as she approached Shido, she left light orange energy, flames, and phoenixes with every step.

Miku Yuuki: You really make me sick, Shido. I can't believe that I was forced to do your bidding, and I was blinded by the real truth that J.D. told me. (Getting Very Pissed Off) You have never cared about anyone but yourself, you unleashed that virus on Japan so that way, you could kill everyone on Earth and you and you alone could rule, and if anyone dared to speak out against you, you ordered those around you to kill them in cold blood,… , YOU HAVE CROSSED ONE FUCKING LINE TOO MANY, YOU GENOCIDAL BASTARD, AND NOW, I WILL SEE TO IT THAT YOU NEVER EVER COME BACK FROM THE DEAD TO TORMENT US!

We gasped at the extent of Miku Yuuki's fury towards Shido.

Me: I knew she was going to snap after realizing the truth.

Natilee: I think the better word for that is explode with undeniable rage. HIT THE DECK!

We took cover, and Miku Yuuki screamed like a madwoman,

And then…

KRABBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

An explosion of energy blasted out as she was surrounded by a massive vortex of light orange energy with flames surrounding the vortex, there's a phoenix flying around the vortex, and in the vortex is an amber phoenix. Then, as the vortex faded, Miku Yuuki emerged, but she was changed forever.

(IMPERATRIX MUNDI PLAYS AT 1:45 TO 2:14)

Miku Yuuki grew to 6'11" in height, she had the body of a goddess, she has orange highlights in the bangs of her light orange hair, she has neon amber eyes and a a light orange energy aura with flames and phoenixes surrounding her, she has a phoenix with the Fire Kanji in its claws emblazoned on her forehead, she had on phoenix earrings with light orange gems for eyes and holding the Fire and Eternity Kanjis in its claws and her new Elemental Phoenix Necklace of Eternal Love with light orange gems in the gold flame links and light orange crystal links from her merged Crystal Necklace of The Buddha with two phoenixes with light orange gems for eyes and holding the Fire and Eternity Kanjis in its claws, Miku Yuuki had on a sleeveless green blouse, sleeveless green midriff top with flames on it, green skirt, black leather ankle-high combat boots, and long white sleeveless trenchcoat with flames and phoenixes on the coattails and the anti-zombie apocalypse symbol on the back. Suddenly, Miku Yuuki felt a sharp pain on her back, and then, massive light orange angel wings with orange tips on the light orange feathers, sprouted out from her back. Miku Yuuki has on her Ring of The Phoenix with light orange gem and heart-shaped gem embedded in it on her right ring finger and a Star Sapphire Ring on her left ring finger She has her new massive Survivor of Fujimi High School sword in her right hand, Miku Yuuki had on her brand-new large gold cuff Bracelets of The Champions of The Universe with light orange gems on her wrists, her new gold Belt of Elemental Bravery with gold phoenix head with light orange gems for eyes and large light orange gem in its beak for the belt buckle on her waist, large rainbow-colored leather and gold metal bound Elemental Spellbook of Harmonious Justice, Eternal Harmony, and Equestrian Peace on her right hip and her Eater of Sins revolver holstered on her left hip. There's a light orange kanji below the anti-zombie apocalypse symbol that said, "Miku Yuuki, Former Member of Shido's Twisted Cult, Survivor of Fujimi High School, Destroyer of the Undead, Loving Future Wife of James Dean Knudson, Slayer of Evil, Deranged, Murderous, Ruthless, and Sadistic Bastards, Amazing and Powerful Student of Amazing and Powerful Teachers, Destroyer of Shido, and Master of Phoenixes and Flames."

夕樹美琳、元志度のツイストカルトメンバー、藤見高校の生存者、アンデッドの破壊者、ジェームズ・ディーン・ナドソンの愛する未来の妻、悪の殺し屋、狂った、殺人、冷酷、そしてサディスティックな野郎、驚くべき強力な学生強力な教師、志度の破壊者、そしてフェニックスと炎のマスター

Miku Yuuki has transformed into SUPER ANGEL ETERNITY INFINITY PHOENIX FIRESTORM ZOMBIE SLAYER ANGEL OF FIERY JUSTICE AND INFERNO LOVE!

We were amazed by Miku Yuuki's Super Angel Eternity Infinity transformation, and when I saw her, I had an atomic blush on my face, hearts in my eyes, and steam whistling from my ears, but when Shido saw it, he went ballistic and tried to kill her, but Miku Yuuki fired a powerful light orange energy blast with flames and phoenixes, and it hits Shido and he hit the wall.

In the early morning hours at 2:53 AM, Lincoln was asleep with Lily the Mermaid in his bed and his harem with him, and he was having an awesome dream, and he was in the mind of Luan, just then, Natilee and I appeared, and we were in Gotham Royal York in Luan's dream.

Lincoln: Whoa, we're here in Luan's mind.

Me: And from the looks of it, it looks like we're here in Gotham Royal York.

Natilee: But, I can also sense something very bad and evil here.

Lincoln: I know, Natilee, we can sense it too, and I know exactly who's here, the demon responsible for turning Luan into the prankster from hell: Abby Sanchez. Plus, not only am I going to see another Guardian Angel here, but we're going to save Luan and destroy Abby Sanchez for what she did to my sister.

Natilee: That's right.

Suddenly, we saw the Lady Assailant of Fire at the auditorium, and with her was Luan.

Lincoln: Whoa, that's the Duel Monster, Lady Assailant of Fire, and she's here with Luan. Come on, let's head down there.

We then head for their location and Luan was surprised to see us in her dream. But, we saw that Luan had tears in her eyes, and she was crying.

Luan: Whoa, Lincoln, J.D., Natilee, this is quite a surprise, what are you doing here in my dream?

Lincoln: We came here to help you, Luan, and from what we saw, we already know who's here, a long forgotten demon who's responsible for turning you into the prankster from Hell.

Luan: (Gasps) Abby Sanchez?! She's here, but I thought she's in prison.

Me: She is, Luan. This is the dream version of her, and Lincoln's going to destroy her for good.

Natilee: That's right, Luan.

Luan: Aw, thanks, guys, and I'm still shocked and amazed that you're now a dreamwalker just like J.D., Lincoln. But, when Princess Celestia mentioned you getting the powers of The Princess of The Day, The Princess of The Night, The Princess of The Crystal Heart, and The Princesses of Magic and Friendship, Forgiveness, Loyalty, Honesty, Generosity, Kindness, Empathy, Humility, and Laughter, that clicked in quick.

Lincoln: That's right, Luan, everything you said is true.

But, then, the eight large orange orbs orbiting around Lincoln's legs and the eight large planets and stars orbiting around my legs were glowing and spinning like crazy, and we sensed something and we also saw Lincoln's deep sapphire blue eyes and the rainbow iris of his Third Eye were glowing. Lincoln and I then felt a dark presence, and Lincoln fired a powerful rainbow energy blast into a bush, and as it exploded, it then forced out a familiar and hated figure from Luan's past: Abby Sanchez.

Lincoln: Abby Sanchez, the hated demon who turned my sister into a prankster from Hell. You're going to pay for what you did to her.

Abby Sanchez: You are all going to die here!

Me: We're immortal and invincible, bitch, you can't kill us.

Lincoln: But, even though our code prevents us from killing kids, you're an exception, you're nothing more than a demon who enjoys tormenting my sister for her own sick amusement.

Lincoln fired a black energy blast of The Black Gates and it hits Abby Sanchez, and she was erased from existence as she was sent to The Black Gates.

Luan: Alright, nice one, Lincoln.

Me: Yeah, awesome.

Lincoln: Luckily, it's just a dream version of the real Abby Sanchez, but she still needed to go. (To the Lady Assailant of Fire) And it's also good to see you again, Amelia Waikiki.

Luan: What, the Lady Assailant of Fire is really Amelia Waikiki?! Oh man, she was Gene-Slammed by those Team Rocket scientists.

Amelia Waikiki reverted back to normal, and she's a beautiful 17-year-old girl with long flowing red hair, pink eyes, fair skin, she's tall at 6'5" in height, she has the body of a goddess, she has the kanji for Lava tattooed on her forehead, she has massive red angel wings, and she reigned in the power of Lady Assailant of Flames, and she's dressed in a yellow short-sleeved blouse, sleeveless red midriff top, orange skirt, red pants, green knee-high high heeled boots, and long red sleeveless trenchcoat with volcanoes, lava, and flames on the coattails, and Lady Assailant of Flames right on the back, and holstered on her back is a large Lady Assailant of Flames-themed sword with a 7'0" massive, wide, double-edged crimson red blade with Lady Assailant of Flames etched on it, large red angel wings for the crossguard, large red gem embedded in the rainguard, longer black handle, and a large red gem surrounded by angel wings for the pommel.

Amelia Waikiki: You too, Lincoln, it's been a long time.

Lincoln went up to Amelia Waikiki and they hugged, and Amelia Waikiki's also very surprised at just how much taller and much more muscular Lincoln's gotten since they last saw him, and they also felt just how strong he's really become.

Lincoln: It sure has, I haven't seen you when you were sixteen, and as you can see, I really grew a lot since then.

Amelia Waikiki: Whoa, you sure have really grown very big and strong like a tree, Lincoln, you've really grown a lot from the eleven-year-old cute little boy into a 17-year-old and permanently 7'5" tall, very handsome, and manly teen with abnormally massive and powerful upper and lower body muscles and eight-pack abs, that's so awesome.

Me: Wow, Lincoln, you know her?

Lincoln: Indeed I do, J.D., this is Amelia Waikiki, she's one of my Guardian Angels from Hawaii, and you and Natilee are going to be in for the surprise of your lives: Amelia Waikiki is the daughter of the Hawaiian Goddess of Fire and volcanoes, Pele, and she's considered to be the most powerful fire master of them all and she's a powerful force of nature. She has total control over fire and lava and even control volcanoes and make them erupt and even form new volcanoes. She also is a powerful and amazingly strong protector of me as a Guardian Angel and she also hates Flip and Scoots with a burning passion.

My jaw and Natilee's jaw dropped to the floor with a loud clang at the revelation.

CLANG!

Me: (Stunned) Holy moly!

Natilee: Amelia Waikiki's the actual daughter of Pele, the Hawaiian Goddess of Fire and Volcanoes?! That's so awesome.

Luan: When Luna and Sam hear about this one, they'll freak out, Sam especially, since she got her powers from her mother, and she's connected to Sam via the volcano emblazoned on her forehead, Amelia.

Amelia Waikiki: I'd heard about that from Mom, Luan, and it'll be so good to see her again.

Suddenly, a Thunderbird of Eternal Love appeared around Amelia Waikiki's neck with red gems on the gold thunderbolt links and red crystal links from brand-new Crystal Necklace of the Buddha which merged with her Thunderbird Necklace of Eternal Love.

Amelia Waikiki: (Surprised) Whoa, is this…?

Lincoln: Yep, that's a Thunderbird Necklace of Eternal Love, and that means you're now part of my harem and one of my many future wives, Amelia.

Amelia Waikiki had a smile on her face and tears coming from her eyes, as she wrapped her arms around Lincoln's muscular waist and her chest pressed against Lincoln's massive and wide muscular pecs, and Lincoln wraps his abnormally massive and powerful muscular arms around her waist, and he leaned down and kissed Amelia Waikiki on the lips, and she also returned it, and we cheered for them.

Lincoln: And that's another successful Dream Rescue.

Me: You said it.

Natilee snapped her fingers, and Amelia Waikiki was now a part of Lincoln's harem and the team, and when Lincoln and us woke up the next morning and we told the rest of the team everything with both our dreams, they were glad to hear that Luan's okay, and they were glad that Abby Sanchez will never torment Luan in her dreams ever again. Plus, when Lincoln told everyone that Amelia Waikiki is the daughter of Pele, the Hawaiian Goddess of Fire and Volcanoes, their jaws hit the floor, especially Luna and Sam.

Nico: (Stunned) Holy crap! So, in addition to being one of your Guardian Angels, Lincoln, Amelia's the daughter of Pele, the Hawaiian Goddess of Fire and Volcanoes?! That's so awesome!

Luna: Dude, I didn't even know about that one! My mind's officially been blown!

Sam: Same with me. But, this is so awesome. Wait until Sully and Mazzy hear about this, they'll be cheering and rocking like crazy.

Pele: (Through the volcano emblazoned on Sam's head) Indeed, and it's so good to see you again, Amelia.

Amelia Waikiki: You too, Mom.

Pele: (Through the volcano emblazoned on Sam's head) And I know Lincoln will take good care of you, just as you have for him.

Lincoln: Yes, that's correct, Lady Pele.

Eli: Whoa, so Lincoln's Guardian Angel is the daughter of the goddess that Sam got her powers from? This is really amazing.

Nico: Big time, and Lincoln's a man of his word.

Lincoln: And it's especially important since I knew that Amelia Waikiki's the daughter of Pele, and it's a vow that'll never ever broken.

Luna: But still, dude, this means you'll be the son-in-law to Pele, the Goddess of Fire and Volcanoes, very soon.

Lori: The son-in-law to one of Hawaii's deities, that's literally a very high honor.

Me: And that day will come very soon, everyone.

---

Walking through the lands of the 7th Circle of Hell - Violence, was Nico, Shanan, Qin, Miku Yuuki, Rei Miyamoto, Saya Tekagi, Saeko Busujima, Shizuka Marimoto, Zenkaigers, Chloe Bourgeois, Rita Loud, The Goths of Darkness, Applejack, Apple Bloom, Twilight Sparkle & Friends, Rachel Stavenport, Carol Pusateri, May, Kaalia of The Vast, Maria, Varie, me, Eli, Arrietty, Aylene Carter, Gabrielle, Littlefoot and friends, Fu, Nicole Knudson, Kaina Tsutsumi, Camie, Kaoruko Awata, Himiko, Ibara, Toru, Sirius, Tsuyu, Ochaco, Momo, Lincoln, Laney, Lana, Lola, Lisa and Lily and this was going to be a really scary one.

Nico: So the next rescue is in hell this time.

Me: This is awful though. But these damned souls here brought all this on themselves.

Camie: So this is what Hell looks like?

Nico: Yep and it is one scary place.

Eli: Hell always scared the living daylights out of me.

Me: Yeah.

Tsuyu: What part of Hell is this one?

Me: This is the circle for the Violent. The part with the Phlegethon river, a river made of scalding hot boiling blood is for those that have done violence against others and they forever boil in the blood they have shed.

Sirius: That is horrible.

Me: Many figures of history are in there. Alexander the Great, Dionysius I of Syracuse, Attila the Hun, countless others here.

Laney: Yeah it's really bad.

Shanan: You got that right.

Nico: Thanks for coming with me, Shanan.

Shanan: No problem Nico. If we're going to encounter an ultimate fusion alien you will be needing my expertise for it.

Nico: That is true.

Shanan: It'll be really useful for this too.

Nico: Remember when you identified each of Dark's aliens?

Shanan: Boy how can I forget. That was really awesome and fun.

Nico: It always is.

Lola: Yeah that is awesome.

Tsuyu: That is so amazing that you know so many awesome aliens.

Shanan: Yep.

Me: Yeah that's one of my awesome daughters for you.

Laney: That's right.

Nico: Seeing each of those forms for the first time was awesome.

Me: Except for the part where I got my own fucking ass kicked by Dark's Rath form! (GROWL!) HE TOTALLY CREAMED ME!

Shanan: Yeah he sure did.

Me: No kidding there. I got thrashed!

Eli: Dark did that!? (GROWL) I will beat him to a pulp for that!

Laney: Easy Eli.

Nico: But J.D. got him back for that.

Me: Yeah I punched him in the face. But it should have been put him in a full body cast.

Nico: I think punching him in the face was enough.

We walked on in Hell and we then got to the Wood of Suicides.

Nico: (GULPS) I always hate this part.

Me: There are those that did violence to themselves. This is the Wood of Suicides.

Eli: (GULPS)

We walked around the gnarled and twisted trees of the Wood of Suicides and it was scary and horrifying.

Nico: This place always scares me.

May: Me too.

Nico: Can I be honest? After Dark showed his version of Shocksquatch, when he said he had no more new forms to show us, I felt very sad.

Me: Me too. But I did suggest that he start using the Predators of the aliens.

Lana: That was a good idea.

Arrietty: Yeah It was a good idea.

Juran: Speaking of Dark, did anyone tell him about Bansheera kicking the bucket?

Me: I did. I called Vypra first thing in the morning yesterday and told her to come over and I told her everything.

Eli: That was awesome.

Me: Yeah and I got the burns from her tears to prove it.

Lola: That was good that Bansheera is gone forever.

Nico: Yeah good riddance. If I become a dreamwalker I want my first rescue to be against Xandred. I got a score to settle with him for trying to kill me in a kamikaze attempt when I defeated him.

Me: After everything he did he deserves the Black Gates.

Kaito: I got a feeling that he and several of the other Big Bads the Power Rangers and Super Sentai ever faced will be faced in one big mission.

Nico: Now that will be awesome to see.

Lola: Yeah and we'll kill them all and give them the black gates.

Laney: And they will all be destroyed too.

Me: Yeah.

Zocks: Fluttershy, I bet you're happy that Officer X isn't menacing the mascots anymore.

Fluttershy: Oh yes I am. What he was doing is most awful.

Nico: But we're now finally free of that insane nutbag forever.

Me: Ain't that the truth.

Lola: Yeah what a jerk!

Nico: I think I see something.

We came out of the forest and we arrived in the Abominable Sands.

Nico: Oh boy.

Camie: Are we still in the 7th Circle?

Me: Yes. This is the Abominable Sands. It's here that the Damned did violence against God. It's home to the Blasphemous.

Nico: Yep.

Lola: This is gonna be big.

Qin: I have a feeling I know who we're going to face here too.

Me: I hope it's not Francesco Portinari. He had a huge amount of hatred towards me every time I came here and I wasn't even born back all those centuries ago.

Sir George: That is true and I have seen what the Crusades were like back then. It was really bad.

Nico: Geez, the sooner we find the next girl from my past, the better.

Me: Yeah.

But then we heard a rumble and then mounds of sand came up and then out came THE DAMNED CRUSADERS!

Laney: Not these guys again!

Sir George: The Crusaders from the Crusades!

Lola: Oh boy.

Qin: Stand ready guys!

Nico: Lets get these dirtbags!

Me: Centuries ago the crusades were thought to be holy. It was a battle between the Christians and the Muslims that lasted for over 700 years. But there was nothing holy about it. War only begets pain, death, destruction, sorrow and tragedy.

Nico: That is for sure.

I unsheathed my sword.

Nico: Time for some buttkicking!

Zenkaigers: Change Zenkai!

Zocks: Change Twokai!

Zocks danced and the Zenkaigers transformed and they were ready!

Kaito: SECRET POWER! ZENKAISER! ゼンカイザー

Juran: DINOSAUR POWER! ZENKAI JURAN! ゼンカイジュラン

Gaon: HUNDRED BEASTS POWER! ZENKAI GAON! ゼンカイガオーン

Magine: MAGICAL POWER! ZENKAI MAGINE! ゼンカイマジーヌ

Vroon: RUMBLING POWER! ZENKAI VROON! ゼンカイブルーン

Zocks: PIRATE POWER! TWOKAISER! ツーカイザー

All: The six assembled! Kikai Sentai… Zenkaigers!

KRABBBBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOO

A massive fiery explosion went off behind them and we were ready!

Nico: Lets get them!

We went at the Damned Crusaders and like the awesome battles of Braveheart we were slashing and clashing with them all over.

Juran blasted and punched and slashed a bunch of Damned Crusaders.

Juran: Take that!

I slashed a bunch of crusaders all over.

Zocks blasted and smashed them all over the place and Lola blasted them with fire.

Qin: Take this!

Qin fired a wave of fire and smashed them all over.

Aylene, Arrietty and Eli fired waves of fire and lightning and incinerated them all over into dust.

We blasted and destroyed them all over and they were gone.

Vroon: And you guys said they were dangerous!

Nico: But they are souls and they are eternal.

Me: Not finished yet.

We then saw ANGER MINIONS appear!

Me: Anger Minions!

Nicole Knudson: They are made of fire and they explode later.

Nico grabbed one and picked it up and threw it and it exploded with the power of 20 pounds of C4!

MASSIVE EXPLOSION!

Nico: WHOA!

Me: That was powerful!

?: Let me cool these monsters down!

A figure came out and we saw that it was the Fusion Gene-slammer!

Shanan: WHOA! What a combination! Lets see.

She looked it over.

We were amazed by the transformations of the four girls, and when Lincoln saw them, he had an atomic red blush on his face, hearts in his eyes, and steam whistling out of his ears, but when the Damned Crusaders saw them, they went after them with rage, but the girls fired energy blasts and reduced some of them to ashes.

Zocks: It's like Ben's aliens all had did a fusion dance. Except the Ultimates.

Nico: That's exactly what I was thinking myself.

They fired waves of elements and energy and blasted the demons all over to dust!

Nico: YEAH!

Me: Yeah that was awesome!

Laney: Yeah!

Shizuka Marikawa: Yeah it was!

Nico: Lets get out of here and talk someplace safer.

Nico and us teleported to the park and we were back home. Then Jenny Worthington reverted back and she was a girl with blue hair, blue clothes and sparkling blue wings.

Nico: Wow!

Jenny Worthington: Now that was fun.

Qin: Jenny!

Jenny Worthington: Qin!

They hugged!

Qin: Awesome to see you.

Jenny Worthington: Same to you Qin. And you as well Rach.

Rachel Stavenport: Same to you Jen.

Shanan: What's your favorite memory of Nico?

Jenny Worthington: I have a lot of favorites. But my favorite was when me and Nico were playing in the playground at the park and we found an awesome discovery. We found an enormous and big red diamond and it was worth a fortune!

Nico: I remember that! It was the Suns Heart Diamond.

Me: Whoa! That is a huge diamond! It's as big as your body and it's the largest red diamond in the world. Priceless find.

Nico: Yep and we gave it to the Smithsonian Institution.

Eli: That is amazing!

Lola: Wow! That diamond must be amazing.

Rarity: I agree there darlings and it must be an amazing sight to see.

Nico: Oh it was.

Nico and Jenny hugged.

Nico: I really missed you.

Jenny Worthington: Me too Nico. Me too.

Me: That is amazing that you are a gene-slammer of so many of Ben's awesome aliens.

Jenny Worthington: It sure is awesome.

Lola: Yeah and you have all their powers now.

Lana: So cool.

Nico: I'll say.

Lincoln also called Kalin Kessler to join us, because we got the bad news that Adrienne Hawthorne of The Church of Necrom had brought back Dustin Keystone's evil parents from the dead.

Lincoln: Wow, we're here in the world of the 2004 movie Troy, and I know what we're going to do here, not only am I going to rescue the four girls here, but we're also going to battle the mighty warrior Achilles and he's no pushover.

Nico: That's right, big guy. Achilles is a mighty warrior and he's fought a lot in many battles.

Me: But, we also got bad news: it appears that Adrienne Hawthorne of The Church of Necrom had brought back Dustin Keystone's evil parents from the dead.

Lincoln: Yeah, and when I found out about it, I called Kalin here as well.

Kalin: That's right, I can't believe Adrienne Hawthorne brought those two monsters back from the dead, it's like they enjoy pissing us off.

Lincoln: They sure do, but now, they've gone and done it. And thanks for joining us, Nicole.

Nicole: You're welcome, Lincoln. This is going to be one great battle.

We travelled through Greece, and we came right to the gates of the city of Troy, as Lincoln sensed something as he unholstered his massive Hinon's Cosmic Storm Sword of Universal Hope, Elemental Bravery, and Unbreakable Eternal Bonds from his wider and muscular back, and he turned towards to the one we were looking for: Achilles.

Achilles: So, the legendary Team Loud Phoenix Storm has arrived, I've been waiting for this moment.

Lincoln: But, we already know you're no pushover when it comes to battle, Achilles. Guys, stay back.

We stood back, and Lincoln, who still had his massive Hinon's Cosmic Storm Sword of Universal Hope, Elemental Bravery, and Unbreakable Eternal Bonds out, clashed with Achilles in a brutal sword fight, and we knew that Achilles is no pushover when it comes to battle.

Lynn: Whoa, this is one epic fight.

Nicholette Torrington: Achilles is definitely no pushover when it comes to battle, and Lincoln's really putting up quite an epic fight against him. But, it won't be long before Dustin Keystone's murderous parents attempt to kill the four girls, and we'll see Adrienne Hawthorne's army of Wind Demons with those demons.

Lincoln and Achilles continued the duel as their swords clash with one another, until Lincoln disarmed Achilles of his sword, and he held the 7'0" massive, wide, double-edged golden blade of his massive Hinon's Cosmic Storm Sword of Universal Hope, Elemental Bravery, and Unbreakable Eternal Bonds at Achilles' throat.

Achilles: Most impressive. You are indeed as skilled as they say, Lincoln Loud. But, I sense that you're not going to finish it.

Lincoln: Though we came here to battle you, you're not our target, Achilles. There's two people whom we're here to kill.

Achilles: I remembered seeing the two that you mentioned lurking inside the city of Troy, and they're after four girls who are also inside the city.

?: HEELLLLPPPP!

Suddenly, Lincoln heard the sound of four girls calling for help. With his deep sapphire blue cyborg eyes, rainbow colored iris of his Third Eye, the Force, and his superhuman sight, along with sensing energy signals, he saw and heard exactly where the call for help was coming from. He saw the four girls, but they've been cornered by Dustin Keystone's murderous parents, and they're going to kill them. Lincoln also saw that Dustin Keystone's murderous parents had the symbol of The Church of Necrom on his forehead, and this means that The Church of Necrom brought his back from the dead, and he saw an army of Wind Demons with them.

Lincoln: Guys, I found the four girls, but they've been cornered by Dustin Keystone's murderous parents, and they're going to kill them, and not only do they have the symbol of The Church of Necrom on their foreheads, but I also spotted Adrienne Hawthorne's army of Wind Demons with those two murderers.

Camie Nicholetta: Should've known that deranged witch was behind the whole thing.

?: Those monsters, let's get them!

Suddenly, we saw the Duel Monster, Mucus Yolk, appear before us.

Nico: Whoa, that's the Duel Monster, Mucus Yolk.

Lincoln: And I'd recognize that voice from anywhere, I knew it was you, Lindsey Oropendola, but we'll have to talk later, we've got to take down Dustin's murderous parents.

Just then, Mia Addison flew off to rip those monsters apart.

Kalin Kessler: Before Mia takes all the fun for herself and gets herself badly hurt.

We rushed on over and Lincoln fired rainbow energy balls and elemental forces at Dustin Keystone's evil parents and Lincoln fired superhot rainbow fireballs at the army of Wind Demons, and the army of Wind Demons were destroyed, and the four girls rushed to get to safety with us. When Dustin's evil parents saw us, they were pissed, but even more when they saw Mia Addison again, and she was also pissed to see them yet again.

Mia Addison: Do you know who I am, you stupid heartless bastards?!

Mrs. Keystone: YOU?! You got us sent to Death Row, you stupid bitch, I should've killed you along with your dumb bitch mother!

Lincoln: I think we heard more than enough out of you, and I'm not surprised to see you two are still the same murderous monsters who gave birth to that monstrous bastard you called a son.

Mr. Keystone: What the hell did you do to our son?!

Lincoln: He's in prison for the rest of his life and he's never getting out, but you two, consider this your last day alive, because we're going to kill you both here and now, and this time, stay dead!

Lincoln, who still had his massive Hinon's Cosmic Storm Sword of Universal Hope, Elemental Bravery, and Unbreakable Eternal Bonds in his large right hand, then transformed into Super Angel-Ebonwu-Thunderbird Eternity Infinity Elemental Thunderbird Buffalo Angel of Universal Justice and Elemental Hope, TLPS Mr. Wolf transformed into his Super Angel Eternity Infinity form and the rest of The TLPS Bad Guys Gang transformed into their Super Angel Eternity Infinity forms and they unholster their massive swords, Sima Shi, Sima Zhao, Sun Jian, Guo Jia, Zhang Bao, Guan Xing, Cao Cao, Liu Bei, Sun Quan, Sima Yi, Jiang Wei, Jia Chong, Yukimura Sanada (Samurai Warriors), Keiji Maeda (Samurai Warriors), Kanetsugu Naoe (Samurai Warriors), Hanzo Hattori (Samurai Warriors), and Musashi Miyamoto (Samurai Warriors) got out their weapons, Lincoln's sisters transformed into their Super Angel Infinity forms and unholstered their massive swords from their backs, Lincoln's harem unholstered their massive swords from their backs and transformed, Sherlock Hound transformed into Super Angel Eternity Infinity Stellar Darkness Demon Hound of Dark Compassion and Demonic Justice, and he unholstered his massive Sparda's Demon Fang of The Demon Hound sword from his wider and more muscular back, Crash Bandicoot unholstered his massive Skylands' Elemental Wolf Sword of Elemental Justice from his wider and more muscular back and transformed into Super Angel Eternity Infinity Elemental Skylander Bandicoot Knight Angel of Elemental Bravery and Elemental Will, The Ghostforce, The Louds' Ancestors, The L-ementals, Noctis, Prompto, Ignis, Gladio, Stella Nox Fleuret, and Ravus Nox Fleuret got out their swords, Hector got out his massive Heaven's Maw of Judgement sasumata pike, and Me, Nico, Nicole, and Eli unholstered our massive swords and transformed, and we went after Dustin Keystone's evil parents, and we fired powerful blasts of rainbow energy, colored energy, elemental forces, Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, Magic, steel orbs, throwing axes, stars, rainbow flames, rainbow crystals, orange flames, blue flames, ice, green flames, and water, and they exploded with incredible power as they hit them.

Then, Lincoln slashed the arms and legs of Dustin's parents off with his massive greatsword, and he fired a massive black energy wave made from the energy of The Black Gates, and as it hits Dustin's evil parents, their spirits were finally erased from existence for good. We cheered wildly as we holster our weapons and power down.

Lincoln: And this time, don't you dare come back, you heartless bastards from Hell! (To Lindsey Oropendola) And it's so good to see you again, Lindsey Oropendola.

Lindsey Oropendola reverted back to normal, and she's a beautiful 17-year-old girl with long flowing pink hair, pink eyes, fair skin, she's tall at 6'5" in height, she has the body of a goddess, she has massive pink angel wings, and she reigned in the power of Mucus Yolk, and she's dressed in a short-sleeved purple shirt with a hole exposing her bra, purple pants, barefoot, and holstered on her back is a large Mucus Yolk-themed sword with a 7'0" massive, wide, double-edged purple blade with Mucus Yolk etched on it, large pink angel wings for the crossguard, large pink gem embedded in the rainguard, longer black handle, and large pink gem with purple angel wings surrounding it for the pommel.

Lindsey Oropendola: You too, Lincoln, it's been a long time.

Lincoln went up to Lindsey Oropendola and they both hugged, and Lindsey Oropendola's also very surprised at just how much taller and much more muscular Lincoln's gotten since they last saw him, and they also felt just how strong he's really become.

Lincoln: It sure has, I haven't seen you when you were sixteen, and as you can see, I really grew a lot since then.

Lindsey Oropendola: Whoa, you sure have really grown very big and strong like a tree, Lincoln, you've really grown a lot from the eleven-year-old cute little boy into a 17-year-old and permanently 7'5" tall, very handsome, and manly teen with abnormally massive and powerful upper and lower body muscles and eight-pack abs, that's so awesome, my Guardian Angel.

Nico: Whoa, wait, Lincoln's your Guardian Angel, I thought that…?

Lincoln: Looks like I've got some explaining to do, this is Lindsey Oropendola, she's from Michigan, she also has awesome water powers, and as she pointed out, yes, I'm her Guardian Angel in a sense. She's had a rough life, her mother was really insane and Lindsey was disowned by her because of a schizophrenic episode she had where her daughter was pure evil incarnate and Lindsey was forced to live on the streets. Her mother was sent to an insane asylum for slashing her eyeballs out because she thought it would bring peace to the world. When I saw her suffering out on the streets with no food or shelter and no one to help her, I saved her and I became her Guardian Angel.

We really had tears in our eyes.

Nico: (Voice Breaking) Dude, that was the greatest story I've ever heard.

Me: (Voice Breaking) Me too.

Eli: (Voice Breaking) Same here.

Lindsey Oropendola: And there's something you all should know, I have a very powerful and intensely burning hatred towards Scoots, because it was Scoots who made me into an orphan!

We gasped in shock, and our shock turned to rage.

Eli: She did WHAT?!

Nico: Ugh, that crazy, heartless old bat! We should've killed her when she broke out of the nuthouse!

Lincoln: I know, Nico, but we made our choice to have her humiliated, and the curse I put on her will last until next year, then, she'll die and finally go to Hell, along with Tyler Corso, Bella Muldoon, Nate Krensikov, and The Black Daffodils.

Suddenly, a Thunderbird of Eternal Love appeared around Lindsey Oropendola's neck with pink gems on the gold thunderbolt links and pink crystal links from brand-new Crystal Necklace of the Buddha which merged with her Thunderbird Necklace of Eternal Love.

Lindsey Oropendola: (Surprised) Whoa, is this…?

Lincoln: Yep, that's a Thunderbird Necklace of Eternal Love, and that means you're now part of my harem and one of my many future wives, Lindsey.

Lindsey Oropendola had a smile on her face and tears coming from her eyes, as she wrapped her arms around Lincoln's waist, and Lincoln wraps his abnormally massive and powerful muscular arms around Lindsey's waist, and he leaned down and kissed Lindsey Oropendola on the lips, and she also returned it, and we cheered for them. Then, we went up to the four girls, and when Lincoln saw them, he recognized the girls immediately. The four girls are Ling Haixin, Na Xiya, Xia Fan, and Guo Guo from Balala the Fairies: Ocean Magic.

Lincoln: Oh wow, it's Ling Haixin, Na Xiya, Xia Fan, and Guo Guo from Balala the Fairies: Ocean Magic.

Nico: Awesome.

Lincoln: Are you girls okay?

Ling Haixin: Yes, we're okay, thanks to you.

Then, when Ling Haixin and the other three girls saw who it was that saved them from Dustin Keystone's evil parents and Adrienne Hawthorne's army of Wind Demons, their faces turned atomic red upon seeing the 17-year-old permanently 7'5" tall, handsome, bare-chested hunk with abnormally massive and powerful upper and lower body muscles, eight-pack abs, long wild white hair going down to the bottom of his neck and rainbow lightning bolt highlights in the bangs of his long white hair, rainbow colored thunderbird with a gold lightning bolt emblazoned on his forehead with a Third Eye of the Buddha on his forehead with rainbow iris, golden lightning bolt cutie mark with the thunderbird and comic books right on his massive and wide right pec and it's surrounded by the symbols of Fire, Water, Ice, Wind, Earth, Nature, Light, and Darkness in a circle, large Celtic Cross cutie mark tattoo in the form of the cutie marks of Twilight Sparkle, Sunset Shimmer, Rainbow Dash, Applejack, Rarity, Pinkie Pie, Fluttershy, Starlight Glimmer, and Trixie Lulamoon, surrounded by a circle were the marks of the other girls in Lincoln's harem on his wider and more muscular back, and right on top was the Earth surrounded by the ring of mermaids and surrounded by a Thunderbird, Phoenix, Angel, and Buffalo, and right below the Cutie Mark tattoo is a deep sapphire blue kanji that said, "Lincoln Landon Loud, Champion and Emissary of Hinon, Master of Lightning Storms, The Weather, The Elemental Forces, The Cosmos, and The Universe, The Loud House's Man With A Plan, Golden-Hearted Brother of Many Siblings, and Golden-Hearted Lover, Father of Many Kids, Son, and Future Husband, Descendant of The 17th Century Duke Lincoln of Loch Loud in Scotland, Destroyer of Morag McLaughlin, Destroyer of Evil, Black-Hearted, Sadistic, Delusional, Power-Hungry Bastards, Talented Comic Book Writer and Video Gamer, God of Truth and Justice, and Ambassador and Beacon of Hope to The Universe", he has deep sapphire blue eyes, a tattoo of a pepper with fire surrounding it and a kanji that read "Spiciest Man of The Loud House" on his broader and muscular left shoulder, and a Mark of Manhood tattoo of a male bodybuilder with a barbell raised above his head and around him are elemental forces and an orange kanji that read, "Lincoln Landon Loud, Strongest, Bravest, Resilient, Courageous, Handsomest, and Manliest Warrior of The Loud Family" on his massive left muscular forearm.

Then, Lincoln made three clones of himself, and he and the three clones went up to the girls, and hugged their waists in their abnormally massive and powerful muscular arms, and they lean down and kissed the girls on the lips, which they returned with equally intense passion, as they wrapped their arms around the necks of Lincoln and his clones, and we cheered wildly at the scene.

Ling Haixin: (Seductively and rubs her right hand on Lincoln's massive and wide right pec) You too, big, tall, muscular, and handsome.

Suddenly, four Thunderbird Necklaces of Eternal Love appeared on the necks of Ling Haixin, Na Xiya, Xia Fan, and Guo Guo with colored gems on the gold lightning bolts and crystals links from their merged Crystal Necklaces of The Buddha. We return to the TLPS World Tree Estate, and we told everyone what happened, and they were shocked when they found out that the villains we went after were Dustin Keystone's evil parents, who came back from the dead thanks to getting resurrected by Adrienne Hawthorne of The Church of Necrom, and they also saw her army of Wind Demons with the murderous couple.

But, when Lincoln showed what he did to those bastards, everyone cheered wildly for Lincoln and the rest of us, and they hugged us, and the girls in Lincoln's harem then went up to Lincoln, and they kissed him all over. Lincoln and Lindsey Oropendola have a lot of catching up to do, now that she's back in town, and not only are we finally rid of Dustin Keystone's evil parents and Mia's parents have been avenged, but this means that later on, Camie Nicholetta and Lincoln are going to deal with Adrienne Hawthorne, and they'll make that witch pay for her crimes.

---

After finally getting rid of Dustin Keystone's evil parents and destroying Adrienne Hawthorne's army of Wind Demons, we were training intensely in the gym, this time, doing 150,000,000 reps of crunches, wing push-ups and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 9,500-lb barbells, squats, and going a few rounds with the punching bags, and we were really sweating like crazy, even doing yoga to clear our minds, and when Lindsey Oropendola saw Lincoln working out like crazy, she had an atomic red blush on her face.

Lindsey Oropendola also got a new wardrobe after she came back and got a shower, she's now in a purple short-sleeved blouse, pink sleeveless top, purple skirt, pink pants, and purple sneakers.

Lindsey Oropendola: Whoa, I was right that Lincoln has really grown to be a 17-year-old permanently 7'5" tall, really big, and really strong man, just look at those abnormally massive and powerful upper and lower body muscles and his eight-pack abs hard at work, and working out with those 9,500-lb barbells and he's not even get tired, incredible.

Lincoln: Yep, and I've also trained a lot under some very powerful teachers, J.D. and Nico included, Lindsey, and now, I can also defend myself, and in addition to getting stronger, I've also gotten smarter as well.

Lindsey Oropendola: That's incredible.

Nico: It sure is. So, Lindsey, how did Scoots make you into an orphan?

Lindsey Oropendola: That day still brings me nothing but nightmares and pain, but you all deserve to know the truth. My mom and I, before she went really insane, were close, and we had a bond that's never been broken. But, that all changed one day when Scoots showed up, she threw a bomb at our house and destroyed it, and then, she eventually put up a note and framed me for it. My mom then went really insane, and in a schizophrenic episode she thought that I was pure evil incarnate and she disowned me, and I was then forced to live on the streets. After that, my mom was sent to an insane asylum for slashing her own eyeballs out because she thought it would bring peace to the world. As I sat on the streets crying my heart out, Lincoln came over and he saw what happened to me, and he saved me, and when I found out from Mr. and Mrs. Loud that the one who destroyed our house was Scoots, I was so angry, and now, I hated Scoots with a very powerful and intensely burning hatred. (CRYING REALLY HARD)

Lincoln put up the 9,500-lb barbell and he went up to Lindsey and he hugged her tight, and she also hugged him tight and didn't let go as she cried hard onto his bare chest, and all of us gasped in pure shock and we were really pissed at Scoots, and we were about to head down to Lynn's Table and tear Scoots to shreds, but Eli had knocked me and Nico on our heads, and we had birds flying around our heads. Then, Lincoln looked at me and Nico while still holding onto Lindsey, and after a few hours, he and Lindsey walked to us.

Lincoln: I know you guys want to kill Scoots and it was because of that crazy old bat that Lindsey was disowned by her now really insane mother, but like I said, it's best to wait until a year's passed and then the curse will claim her life. But, the worst we can do to her is this.

Lincoln summoned a piano and dropped it on Scoots' head, and she screamed, and Lindsey was really surprised at just how much Lincoln's matured even more, and it left her blushing like crazy. Then, he went back to working out and the same with Lindsey, and we were really stunned at how much that Lincoln's matured even more.

Nico: Dang, Lincoln's really matured even more, and we already know how much Scoots has pissed us off before, but he already knows about it and he's witnessed it more than once already.

Me: Yeah, and this really surprised me. In the six years I've known Lincoln, he's always been the very mature one of the Louds.

Lori: Even more than I was, no thanks to Dark Lori. But, I can't help but get the feeling that we're going to fight the Dark Loud family minus Dark Lynn again later today.

Lincoln: But, there's no need to worry, Lori. Remember, I used my Dark Side Eternal Purification technique and severed our Dark Sides forever, and now, they're separate beings, and they're dog meat when we fight them.

We then got a shower afterwards, and then, Lincoln and his harem were heading for an exploration of Planet Zebes, and all of us are going as well, but we're also going to be on guard, because Adrienne Hawthorne's got another dirty trick up her sleeve.

Lincoln: Alright, everyone, are we ready?

Lindsey Oropendola: Yeah, we're ready, Lincoln.

Lincoln and his harem left the World Tree Estate and head for Planet Zebes, and when they arrived, it was just like when they participated in the Total Drama Galaxy competition years ago.

Lindsey Oropendola: Wow, so this is Planet Zebes?

Lincoln: That's right, Lindsey, this is the home that Samus knew, and this was also where she began her journey.

The rest of us also joined in as well, since we knew that Adrienne Hawthorne's bound to cause trouble again. Then, Lincoln and his harem, along with the rest of us, began exploring Planet Zebes and the planet's surroundings, and they were really awesome. Suddenly, the eight large orange orbs orbiting around Lincoln's legs were glowing and spinning like crazy, and he also sensed something as his deep sapphire blue eyes and the rainbow iris of his Third Eye were now glowing, and he then fired powerful rainbow energy blasts, and it hits a nearby bush, and a figure was forced out: it was none other than Drago, Shendu's evil treacherous son, and he's back from the dead and he wants revenge on us for killing him years ago.

Lincoln: Drago, the treacherous evil ex-son of Shendu.

Lincoln tied the bloodthirsty evil ex-son of Shendu up with a rainbow energy straitjacket and rainbow energy chains, so he couldn't try and escape. Then, we came out of the shadows, and when we also saw Drago here, we were shocked. Tso Lan and Bai Tza joined Lincoln and Tso Lan's daughter, Luna, along with Jackie Chan, Jade, Uncle, Tohru, and the rest of their friends, and then, Shendu, Dai Gui, Po Kong, and Hsi Wu appeared and joined them as well.

Shendu: My ex-son, here, but I thought you guys killed (Realizes something) Wait a second.

Lincoln lifted Drago's head up, and we saw that like so many other villains we faced, he had the mark of The Church of Necrom on his forehead, and that meant Adrienne Hawthorne also brought him back from the dead.

Nico: I can't believe it, Dustin's lowlife parents weren't the only villains Adrienne Hawthrone's brought back from the dead. Now, she's really gone too far this time.

Lincoln: You said it, Nico, and since Drago's been a thorn in the side of the Chan Family, Tohru, their friends, and The Demon Sorcerers, they're also joining me and Luna in killing this bastard.

Luna: Dad told me all about Uncle Shendu's treacherous evil ex-son, Drago, and quite frankly, I'm literally disgusted he's even my cousin. I get that my father and my uncles and aunts did a lot of horrible stuff centuries ago in China, but Dad and Aunt Bai Tza changed their ways and they're on the side of good, and the same went with Uncles Shendu, Hsi Wu, Dai Gui, and Aunt Po Kong, but as for you, Drago, you are a selfish, power-hungry, evil, black-hearted, two-faced, dishonorable, disgusting, inconsiderate excuse for a being, and I'm looking forward to skinning you alive!

TLPS Mr. Wolf: Yikes!

Nico: Uh oh, I'd hate to be in Drago's scaly feet right about now.

Lincoln: (Smirks) (Cracks Knuckles) Hope you've said your last goodbyes, barbeque breath!

Lincoln unholstered his massive Hinon's Cosmic Storm Sword of Universal Hope, Elemental Bravery, and Unbreakable Eternal Bonds from his wider and muscular back, and he, Tso Lan, Bai Tza, Jackie Chan, Jade, Uncle, Tohru, and the rest of their friends, along with Shendu, Dai Gui, Po Kong, and Hsi Wu marched up to Drago, and they began to beat and blast the living crap out of Drago, and we all winced in pain.

Lindsey Oropendola: (Winces) Ooh, that's not going to heal quite well.

Nico: It's definitely not going to, Lindsey, and the other Demon Sorcerers are really letting him have it badly.

The Children of The Demon Sorcerers, along with their parents were blasting Drago with elemental forces, and Lincoln and the others were pummeling him badly, and Lincoln even slashed off Drago's tail. OUCH! Then, Lincoln, Tso Lan, and Luna fired three gravity blasts and sent Drago into the air, and then, Lincoln, Tso Lan, Bai Tza, Jackie Chan, Jade, Uncle, Tohru, and the rest of their friends, along with Shendu, Dai Gui, Po Kong, and Hsi Wu fired powerful elemental energy blasts, and they destroyed Drago, and as soon as his spirit appeared, Lincoln marked his forehead with a kanji and condemned Drago to The Black Gates and he was erased from existence forever. Lincoln holstered his massive Hinon's Cosmic Storm Sword of Universal Hope, Elemental Bravery, and Unbreakable Eternal Bonds back on his wider and muscular back.

Luna: That's for trying to kill my family, bastard.

Lincoln: Now, we're finally rid of your treacherous ex-son for good, Shendu. And Adrienne Hawthorne, if you're watching this, you're next. Luna, would you do the honors and flip her the bird?

Luna: (Smiles) With pleasure, Linky.

Tso Lan's daughter flipped the finger at Adrienne Hawthorne who was watching from the shadows and as soon as she saw it, she roared in insane fury!

Nico: That'll show that bitch. But, I know she's not even close to being done yet, but we'll be ready for her.

Lincoln: Adrienne Hawthorne's crossed one line too many this time, and I'm looking forward to really making her pay for this.

Nico: You said it, big guy. See you back at the World Tree Estate.

We then decided to head back and Nanua who got a kiss from her parents went with The Cutie Mark Crusaders, and then, Lincoln made clones of himself and he and his clones went up to the girls in their harems, and they wrapped their abnormally massive and powerful muscular arms around their waists, and they passionately kissed and hugged with supercharged and intense passion, and it also became even more sizzling hot for the girls in Lincoln's harem as they wrapped their left arms around the thick muscular necks of Lincoln and his clones and placed their right hands on the massive and wide muscular pecs of Lincoln and his clones. Then, they came back home to the World Tree Estate, and they were in their original clothes.

And back in their demonic castle, Adrienne Hawthorne saw what Lincoln did and foiled her latest scheme again, and it pissed her off so badly, her red eyes turned blood red with insane rage and she flew into an insane rage, and we heard it from the World Tree Estate. Grace covered Nanua's ears when that crazy witch screamed in insane rage.

Lincoln: (Smirks) Serves you right, Adrienne Hawthorne.

Camie Nicholetta: (Smirks) But, she ain't done yet. We're going to face her later on after our mission today, and she'll get the very same treatment as Jocasta Belladonna, Jezebel Lanira, Ianira Dormund, Edana Baudelaire, Drusilla Draven, and Chandra Mortlake.

Me: (Smirks) You said it. (To Lincoln and his harem) And are you guys okay?

Lincoln went up to me and Nico, and he hugged us and we hugged him back, and Lincoln's harem also joined in.

Lincoln: It's okay, guys. But, now that Drago's been dealt with, Chandra Mortlake's latest plot's been foiled, and now, later on after our mission, Camie and I are going to deal with that crazy witch.

Bai Tza: For her to resurrect Drago and send him after us, I hope you and Camie punch her hard in the mouth and make her teeth fall out.

Lincoln: Oh, we'll do even worse than that to her, Bai Tza.

Nico: Lincoln's right, he and the Dark World Goth Girls always do something worse to The Church of Necrom, and it's always really bad for them. But, we still need to be on our guard.

Lincoln: You're right, I got a feeling Adrienne's going to do something that's going to involve some figures from the past.

Suddenly, Lincoln's deep sapphire blue eyes and the rainbow colored iris of Lincoln's Third Eye glowed even more, as he sensed a dark energy signal with his eyes and the Force, and he saw who the figure is in the vision: it's none other than Adrienne Hawthorne, and she's coming to kill us all for revenge for ruining her schemes when Lincoln killed Dustin Keystone's lowlife parents and Shendu's evil ex-son, Drago, and gave them The Black Gates. When we saw it, we knew it meant trouble.

Nico: Uh oh, I know those glowing eyes from anywhere. Lincoln, is Adrienne Hawthorne on the move?

Lincoln: That's right, Nico, and she's coming to kill us all for revenge for ruining her schemes when I killed Dustin Keystone's lowlife parents and Shendu's evil ex-son, Drago, and gave them The Black Gates.

Lori: Sheesh, she's literally still a demonic sore loser, and it's really pathetic.

Camie Nicholetta: So, Adrienne Hawthorne's on the move. Perfect, now we've got a chance to make that crazy witch pay for what she did in resurrecting Dustin Keystone's lowlife parents and Shendu's evil ex-son, Drago.

Lincoln: You said it, Camie.

Suddenly, Eli sensed something in the Force, and it really wasn't good.

Lincoln: Eli, what's wrong?

Eli: I sensed a disturbance in the Force, The TTG Titans have broken out of prison, TTG Terra's been resurrected, and the TTG HIVE Five, TTG Bumblebee, TTG Aqualad, and TTG Cinderblock are with them, and even worse, Adrienne Hawthorne used a Dark Orb to create a Dark version of Mr. Krabs, and she's broken the Dark Loud Family out of their crystal prisons, minus Dark Lynn, who's been missing since then.

We gasped in pure horror.

Nico: Oh crap, so not only are we going to deal with The TTG Titans, TTG Terra who's been brought back, along the TTG HIVE Five, TTG Bumblebee, TTG Aqualad, and TTG Cinderblock, but that witch's used a Dark Orb to create a Dark Version of Mr. Krabs and he busted the Dark Loud Family out of the crystal prisons.

Me: That bitch's going to get it.

Lincoln: Big time, J.D., we've just about had it with that crazy witch. But, just to be on the safe side, I better use my Dark Side Eternal Purification on Mr. Krabs.

Lincoln used his Dark Side Eternal Purification on Mr. Krabs and permanently severed him from his dark side for good.

Mr. Krabs: Whew, thanks, lad.

Lincoln: You're welcome, Mr. Krabs.

Lily: And we're really going to give those Dark Louds such a beating, right, really big bro?

Lincoln: (Smirks) You guessed it, Lily, and since we've been permanently severed from our Dark Sides, we won't have to hold back.

Lori: I'm literally looking forward to getting payback on that heartless, cold, unfeeling she-demon for everything she's put me through.

Lola: Same with me with Dark Lola.

Lisa: Along with that nuisance of a dark shadow, Dark Lisa.

Luan: And that basket case, Dark Luan.

Leni: Same goes with Dark Leni.

Luna: Same with that Dark Luna, who's nothing but a poser and a bad rocker.

Laney: Along with Dark Laney.

Lincoln: And Dark Lincoln.

Lana: And the weird thing is me and Lucy don't even have Dark Sides, that's really weird.

Lincoln: That's because you and Lucy never had any thoughts of hatred towards us, Lana.

Lucy: Still, that's good to hear, but I fear Adrienne Hawthorne may have also used that Dark Orb and created Dark Versions of me, Lana, Mom, and Dad.

Lincoln: In that case, let me take care of that as well.

Lincoln used his Dark Side Eternal Purification, and he permanently severed Lucy, Lana, Lynn Sr., and Rita from their dark sides.

Lincoln: There we go.

Nico: Awesome job, Lincoln. Alright everyone, let's go.

?: You Dark World bitches, along with you miserable Louds, have ruined all of The Church of Necrom's plans for the last time!

Suddenly, the eight large planets and stars orbing around my legs, the eight large orange orbs orbiting around Lincoln, Linka, TLPS Ms. Tarantula's, and Duke Lincoln's legs, the eight large dark blue orbs orbiting around Ed Cowart's legs, the eight large midnight blue orbs orbiting around TLPS Mr. Wolf's legs, the eight large crimson red orbs orbiting around Tahu, Naruto and Nate Adams' legs, the eight large fiery red orbs orbiting around Zach Gurdle's legs, the eight large silver orbs orbiting around Clyde McBride's legs, the eight large black orbs with the Eye of Horus orbiting around Cody (OC)'s legs, the eight large black orbs orbiting around Lucy, Lars, and Dudley Puppy's legs, the eight large pink orbs orbiting around Lola and Lexx Loud's and Steven Universe's legs, the eight large green orbs orbiting around Lynn Sr.'s legs, the eight emerald green orbs orbiting around Yakko Warner's legs, the eight large sapphire blue orbs orbiting around Wakko Warner's legs, the eight large hot pink orbs orbiting around Dot Warner's legs, the eight large marine blue orbs orbiting around Liam, Lana, and Leif Loud's legs, the eight large scarlet red orbs orbiting around Lynn Loud and Lynn Jr.'s legs, the eight coral red orbs orbiting around Timon's legs, the eight large blood red orbs around Marco Diaz's legs, the eight large blue orbs orbiting around Lori, TLPS Mr. Shark, Skippy, Sean Bolton, and Loki Loud's legs, the eight large sea-foam green orbs orbiting around

Camie Nicholetta: I should've known there's no mistaking that chalkboard screech from anywhere. You can come out now, Adrienne Hawthorne.

An inverted pentagram with Necrom on top of it drawn in blood red infernal energy appeared in the skies, and then, a mist of darkness came out and as it landed, the mist of darkness faded revealing a 17-year-old girl with long black hair, pale skin, red eyes, a deranged sadistic grin on her face, and dressed in a black long-sleeved dress, black long-sleeved coat, black pants, and black heels. It was Adrienne Hawthorne, a dangerous witch and another member of The Church of Necrom.

Nicholette Torrington: Adrienne Hawthorne, I should've known you'd be the next one to come out after we took down Jocasta Belladonna, Jezebel Lanira, Ianira Dormund, Edana Baudelaire, Drusilla Draven, and Chandra Mortlake, along with killing Dustin Keystone's murderous parents and Shendu's evil ex-son, Drago.

Adrienne Hawthorne: Shut up, bitch! You all have ruined our master's plan to bring Lord Necrom into this pathetic world, so that we could destroy all of mankind and bring back The Dark Ages, and now, we will destroy all of you ourselves!

Lincoln: That's never going to happen, Adrienne, and we already foiled your latest plot again when you eventually got the TTG Titans, TTG Terra, TTG HIVE Five, TTG Bumblebee, TTG Aqualad, and TTG Cinderblock involved, along with the Dark Loud Family minus Dark Lynn, and Dark Mr. Krabs involved in yet another plan to kill us again.

Camie Nicholetta: But, now it's been foiled, and you rampage ends now, Adrienne.

Suddenly, Camie Nicholetta's light pink eyes turned neon pink nd she was surrounded by a forest green energy aura with darkness, demons, dark magic, and leaves, she unholstered her massive Kahkki, Guerilla of Dark World-themed sword from her back, and as she approached Adrienne Hawthorne, she left forest green energy, demons, darkness, dark magic, and leaves with every step.

Camie Nicholetta: You just don't even know when to quit, do you? We've beaten you down so many times and in those many times, you fled with your tail between your legs and howling like a wounded animal. That's it, I've had it up to hear with you, Adrienne Hawthorne, and now, I'll see to it that you'll pay for the crimes that you've committed long ago.

Suddenly, Camie Nicholetta was surrounded by a massive vortex of forest green energy with darkness, dark magic, demons, and leaves surrounding it, there's Kahkki, Guerilla of Dark World flying around the vortex, and inside the vortex is a pink phoenix. Then, as the vortex faded, Camie Nicholetta emerged, but she was changed forever.

Camie Nicholetta grew from 6'5" to 6'11" in height, she had forest green highlights in the bangs of her long flowing brown hair, she has neon pink eyes and a forest green energy, demons, darkness, dark magic, and leaves surrounding her, she has Kahkki, Guerilla of Dark World emblazoned on her forehead, she has on demon earrings with forest green gems for eyes and holding the Dark and Eternity Kanjis in its hands, she also has Kahkki, Guerilla of Dark World with forest green gems for the eyes and the Dark and Eternity Kanjis in its hand for the second pendant, along with the golden Thunderbird pendant of her Thunderbird Necklace of Eternal Love necklace with forest green crystal links from her merged Crystal Necklace of the Buddha and forest green gems on the gold lightning bolt links.

Camie Nicholetta has on a forest green sleeveless blouse, sleeveless light green top with forest green vertical stripes, green skirt with flowers, camouflage pants, brown stockings, green leather ankle-high combat boots, and a long green sleeveless trenchcoat with darkness, demons, dark magic, and leaves on the coattails, and Kahkki, Guerilla of Dark World surrounded by demons, darkness, darkness, and leaves on the back. Suddenly, Camie Nicholetta's massive brown angel wings grew much bigger for her new body, and the large brown feathers have black tips. Camie Nicholetta has on a Ring of The Phoenix with forest green gem and heart shaped gem embedded in it on her right ring finger and a Star Sapphire ring on her left ring finger.

Suddenly, Camie Nicholetta's massive Kahkki, Guerilla of Dark World-themed sword was suddenly surrounded by a kaleidoscope of forest green energy, darkness, and leaves, and when the sword finally emerged, it was transformed into Kahkki, Guerilla of Dark World's Demon Sword of Darkness Guerilla Justice, it's a brand-new greatsword with Kahkki, Guerilla of Dark World etched on the 7'0" massive, wide, double-edged green blade, large green angel wings for the crossguard, large forest green gem embedded in the rainguard, longer black handle, and a large forest green gem with black angel wings surrounding it for the pommel, she has on her new large gold cuff Bracelets of the Champions of The Universe with green gems on her wrists, new large gold Belt of Elemental Bravery with a gold version of Kahkki, Guerilla of Dark World's head with green gems for eyes and a large green gem in its open mouth for the belt buckle, large Destroyer of The Church of Necrom grimoire and rainbow-colored leather and gold metal bound Elemental Spellbook of Harmonious Justice, Eternal Harmony, and Equestrian Peace on her left hip and Eater of Sins revolver holstered on her right hip. Camie Nicholetta has transformed into SUPER ANGEL ETERNITY INFINITY DARKNESS GUERILLA DEMON ANGEL OF DARK JUSTICE AND DARK TACTICIAN LOVE!

We were amazed by Camie Nicholetta's Super Angel Eternity Infinity transformation, and when Lincoln saw her, he had an atomic red blush on his face and hearts in his eyes. But, when Adrienne Hawthorne saw it, she went bonkers and fired a blast of darkness to kill her, but Camie Nicholetta fired a powerful blast of green energy with darkness, demons, dark magic, and leaves, and they hit Adrienne Hawthorne and sent that insane witch crashing back first into a wall.

Nicholette Torrington: Holy crap, now Camie Nicholetta's transformed into her Super Angel Eternity Infinity form, that's so awesome!

Nico: That's right, Nicholette, and she sent that crazy witch, Adrienne Hawthorne, crashing back first into a wall, and really pissed her off even more. This is going to be good.

Me: You said it.

Lincoln: Wow, Camie, you look beautiful. How do you feel?

Camie Nicholetta: (Divine Echoing Cosmic Voice of the Guerilla Demon and Dark Divine Love) I feel incredible, Linky. Now then, shall we deliver Adrienne Hawthorne her rightful punishment?

Lincoln: (Smiles) With pleasure, Camie.

Lincoln unholstered his massive Hinon's Cosmic Storm Sword of Universal Hope, Elemental Bravery, and Unbreakable Eternal Bonds from his wider and muscular back, and transformed into Super Angel-Ebonwu-Thunderbird Eternity Infinity Elemental Thunderbird Buffalo Angel of Universal Justice and Elemental Hope and he joined Camie Nicholetta.

Lincoln: (Divine Echoing Cosmic Elemental Voice of Universal Justice and Elemental Hope) Your days of causing mayhem and chaos in the name of Damian Alaister and The Church of Necrom are finally over, Adrienne Hawthorne.

Camie Nicholetta and Lincoln went after Adrienne Hawthorne, who continued firing blasts of darkness at them, but they dodged them, and they fired powerful blasts of rainbow energy, green energy, dark magic, leaves, Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, Magic, rainbow flames, rainbow crystals, Buffalo, Thunderbirds, Phoenixes, Angels, and Demons at Adrienne Hawthorne, and they exploded with incredible power as they hit the crazy witch, and she became even more pissed off big time.

Adrienne Hawthorne: Take to the winds, Wind Demons, and shred their souls to pieces!

Adrienne Hawthorne summoned a massive army of humanoid muscular Wind Demons, and they were about to attack, but Lincoln got out his large rainbow-colored leather and gold metal bound Elemental Spellbook of Harmonious Justice, Eternal Harmony, and Equestrian Peace, and he had opened it and turned to the page with the spell he found. Then, Lincoln chants a powerful incantation, and he fired a powerful rainbow energy wave, and as the energy wave hit the massive army of Wind Demons, the Wind Demons were banished and sent back to Hell forever, and that pissed off Adrienne Hawthorne even more.

Camie Nicholetta: (Divine Echoing Cosmic Voice of the Guerilla Demon and Dark Divine Love) Linky, shall we do the honors in putting Adrienne Hawthorne in her place?

Lincoln: (Divine Echoing Cosmic Elemental Voice of Universal Justice and Elemental Hope) Ladies first, Camie.

Camie Nicholetta: (Divine Echoing Cosmic Voice of the Guerilla Demon and Dark Divine Love) Such a gentleman.

Camie Nicholetta and Lincoln formed massive red energy balls in the palms of their hands, and they condense them to the size of their bodies, and they aimed them at Adrienne Hawthorne, who ran at them with murder and insane rage in her eyes.

Camie Nicholetta and Lincoln: VOX PENICULUS POWER ABSORPTION KARMA BLAST!

Camie Nicholetta and Lincoln fired the massive red energy balls, which transformed into red energy beams, and as the two red energy beams hit Adrienne Hawthorne, Lincoln and Camie Nicholetta began absorbing all of Adrienne Hawthorne's dark powers and dark magic, and Lincoln's rainbow energy aura with Thunderbirds, Phoenixes, Angels, Buffalo, and Elemental Forces flared up, and he was gaining a really massive power and energy boost to his infinite power and energy, and the same thing happens to Camie Nicholetta as her green energy aura with darkness, demons, dark magic, and leaves flared up and she was really massive power and energy boost to her infinite power and energy. When Camie Nicholetta and Lincoln were done, Adrienne Hawthorne's rendered completely powerless and completely drained of her powers.

Adrienne Hawthorne: What did you do to me?!

Lincoln: (Divine Echoing Cosmic Elemental Voice of Universal

Justice and Elemental Hope) We sucked out and absorbed all of your dark powers, abilities, and dark magic, and now, you're powerless, Adrienne.

Camie Nicholetta: (Divine Echoing Cosmic Voice of the Guerilla Demon and Dark Divine Love) And now, you're finished.

Camie Nicholetta opened her Destroyer of the Church of Necrom grimoire, and she found the page and she fired a blast of darkness, and as it hit Adrienne Hawthorne, the now powerless and insane witch of The Church of Necrom was imprisoned inside of a black tarot card with Kahkki, Guerilla of Dark World on the back of the black tarot card with darkness, demons, dark magic, and leaves, and she put the tarot card with Adrienne Hawthorne imprisoned inside the black tarot card box with the symbols of the Dark World Duel Monsters on top, where Jocasta Belladonna, Jezebel Lanira, Ianira Dormund, Edana Baudelaire, Drusilla Draven, and Chandra Mortlake were put into. We all cheered wildly for what Camie Nicholetta and Lincoln as they holstered their massive swords and powered down, and Camie Nicholetta's new body, clothes, weapons, jewelry, and massive brown angel wings are permanent.

Camie Nicholetta: Gotcha, bitch! Thank you for helping me take down Adrienne Hawthorne, Linky.

Lincoln: (Smiles Warmly) You're welcome, Camie.

Suddenly, Camie Nicholetta wrapped her arms around Lincoln's waist, as her chest was pressed against Lincoln's massive and wide muscular pecs, which brought an atomic red blush to Lincoln's face, and he wrapped his abnormally massive and powerful muscular arms around her waist and he brought her into a hug, which took her by surprise and brought an atomic red blush to her face. Then, as Lincoln leans down to Camie Nicholetta's face, they kiss passionately as Bertha Sellington wrapped her left arm around Lincoln's muscular waist, and she placed her right hand on Lincoln's massive and wide muscular right pec, and behind them was a Thunderbird, Phoenix, Angel, and Kahkki, Guerilla of Dark World flying in the air, and we also saw a herd of Buffalo running across the field, along with elemental forces and creatures of the night flying around the place and we cheered for them.

Nico: Hah, that's another Church of Necrom asshole put down, and eleven more to go.

Me: That's right, Nico.

Laniya Guillermo: Which means the next Church of Necrom member to show their face tomorrow is Nigel Alaister, the younger brother of Damian Alaister.

Lincoln: That's right, Laniya, and you and I are going to put a stop to that insane warlock and make him pay for everything that he's done.

Nico: And as always, we'll be on guard for Nigel Alaister's plans and foil them at every turn, and that'll get him so mad, it's bound to send him into a blind rage, even worse than his older brother.

Lincoln: Which is just how we want him to be in, when we pulverize him tomorrow.

---

Later it was time for Kopaka's first ever Ambassador Mission and it was to meet the Ex-Aid Kamen Riders and their theme is video games.

Kopaka: I'm so excited for this one!

Nicole: Me too! This is gonna be awesome.

William: Anyone else want to go with Kopaka? Besides 4 Rabbids, Tai, and Agumon?

Nicole: You know I'm gonna go. I've been looking forward to this one for a long time.

Maria: Kuroto should go as well.

Kuroto: I'm actually bound to Nicole as part of a punishment she has for me.

Me: That's right I remember that.

Sophia Nuremberg: I'll go too. I want to spread the word still about what the Faust organization did to me.

Megan Kiraton: That's understandable Sophia.

Qin: This is gonna be so awesome for you all.

Lola: It sure is.

Kopaka: Oh you know it will be awesome.

Nico: Yep. Lets head out.

We were off to Japan yet again.

We arrived in Japan.

Hiiro: (sees Kopaka) So, another Bugster reveals itself.

Emu: Which Bugster is this one?

Hiiro: Judging by the white color scheme, it's probably from a game involving ice climbing.

Emu: That makes sense. After everything we've been through, this should be easy.

Brave: Right! (before activating his cartridge device by pressing the black button) Skill Level 2!

Taddle Quest Gashat: Taddle Quest!

Emu: (Activating his Gashat) Let's do this!

Mighty Action X Gashat: Mighty Action X!

After activating their Gashats, the two riders picks up the green and pink boxes and place them on their waists, revealing them to be drivers.

Hiiro: Henshin!

Emu: Dai Henshin!

With their battle cry invoked, they both inserted their Gashats into their belts, closer to the right side.

Gamer Driver (All): Gashat! Let's Game! Metcha Game! Mutcha Game! What's Your Name?! I'm a Kamen Rider!

As the Gashats are inserted, they both pulled back the pink part of the Gamer Driver, revealing a screen displaying their suit in low poly form as well as a 90's looking side display reading "Gamer Driver".

Gamer Driver (All) Gacchan! Level UP!

Gamer Driver (Ex-Aid): Mighty Jump! Mighty Kick! Mighty, Mighty Action, X!

Gamer Driver (Brave): Taddle Meguru! Taddle Meguru! Taddle Quest!

As these sounds stop, the Riders are finally in full suit. Emu in a pink and green suit resembling some sort of athletic suit and Hiiro in a light blue suit mirroring a medieval knight.

Emu: I'm gonna clear this with no Continues!

Hiiro: Commencing Bugster removal operation. (to Emu) The white one's mine. You go after the one impersonating J.D. Knudson.

Emu: Right!

Hiiro charged at Kopaka. Meanwhile, Emu held out his Gashacon Breaker in Hammer Mode as he approached me

Emu: Sorry if you were expecting it to be Sword Mode. But this is the first thing that comes to mind right now.

Emu Slammed his Gashacon Breaker to the ground, releasing multiple waves traveling across the ground at me.

I then blocked them and I was unharmed.

Nicole: Emu, Hiiro, stop! That is really my father and he is the real deal

Me: (Speaking in Japanese) それは正しい。ひいろ、えむ、それは本当に私であり、私たちは皆あなたを助けるためにここにいます。チームラウドフェニックスストームは、あなたたちがあなたの敵のいくつかを倒すのを助けるためにここにいます。(That's right. Hiiro, Emu, it really is me and we are all here to help you all. Team Loud Phoenix Storm is here to help you guys take down some of your enemies.)

Hiiro: That really is him!

Emu: Nicole!? Wow! Awesome to see you again!

Kuroto: Been a long time guys.

Emu: Kuroto!?

Nicole: It's all right guys. He is with me as part of the punishment I gave him. If he behaves himself till we help you guys on the big day later on this year he will either join the Masters of Evil or the Redemption Squad or both. It's his choice.

Nico: We apologize for the mixup but it's Kopaka's first ever Ambassador Mission today.

Kopaka: Sorry for the faulty start. My name is Kopaka and I'm the Toa of Ice.

Hiiro: Awesome to meet you.

Kuroto: Honestly, I'm leaning towards joining the Masters of Evil.

Hiiro: That is cool.

Me: But it's awesome to meet the Ex-Aid Kamen Riders. My daughter Nicole likes you guys because she is known as the Goddess of Video Games. I helped her get into Video Games back when she was just a little girl.

Nicole Knudson: It's true. Dad introduced me to video games back then and I trained really hard to get to where I'm at. It's how I got this.

She showed her tattoo.

Nicole: This tattoo is my symbol that I am the goddess of video gaming.

Hiiro and Emu then bowed in huge respect for her.

Hiiro and Emu: We are not worthy. We are not worthy.

We laughed.

Emu: How about we show you guys our HQ? It's almost like a hospital.

Me: Sure and you guys are awesome as doctors. My fiancee Varie would love to meet you guys and she is a doctor herself.

Nico: That's true.

Nicole: But you guys are also Video Game doctors. Doctor Mario would be proud too.

Emu: That is true.

Sophia Nuremberg: Oh we never got introduced. I'm Sophia Nuremberg and I'm one of Nico's friends.

Megan Kiraton: And I'm Megan Kiraton. Awesome to meet you guys.

Tai: My name is Tai Kamiya and it's an honor.

Agumon: And I'm his partner Digimon, Agumon.

Emu: Awesome to meet you guys!

Me: (Sighs) And these little guys are the Rabbids. But they are really funny.

Nico: Yeah they sure are.

Me: (Whispers to Hiiro) Rabbids are not the brightest lightbulbs in the closet if you know what I mean.

Hiiro: Yeah I know what you mean.

We arrived at the Hospital Base.

Emu: Here we are.

Poppy: Emu! Hiiro! Welcome back! Did you get rid of the Bugsters that were spotted?

Hiiro: Relax. It was a false alarm.

Me: It was actually us.

Poppy: Oh wow! Team Loud Phoenix Storm! An honor!

Nicole: Awesome to see you again Poppy. Your hair is as cute as ever.

Poppy: Thanks Nicole.

Eli: Poppy is awesome.

Me: She sure is.

Kopaka: Sorry about the confusion.

Hiiro: It's all right.

Me: Also there's a reason why we have Sophia with us. It's to tell you about a certain organization that we're going to face in the future on Pohatu's Ambassador Missions soon.

Sophia Nuremberg: It's how I got this.

She took off a bandana over her forehead and her Jagan Eye opened up.

Emu: You have a third eye in the middle of your forehead?!

Me: Blame Faust for that.

Emu: Faust? The organization from the Build Kamen Riders world.

Nico: That's right and I take it Tsukuyomi filled you in on that.

Hiiro: We were told about it yes.

Emu: Are Taiga, Parado, and Kiriya here?

Nico: We haven't seen them when we got here but I'm sure they are around.

Me: Yeah but it's going to be awesome to meet them. We heard that Taiga is in every way like Seto Kaiba.

Emu: The President and CEO of KaibaCorp?

Me: That's him.

Hiiro: Wow! But if I may ask why do you guys want to destroy Faust so badly?

Me: Because they messed with Nico's friend and that to him is very personal.

Eli: Also they were doing horrible crimes against nature and we cannot let that go unpunished.

Nicole: They are doing all kinds of horrible atrocities to humanity and more and they must be completely eradicated.

Hiiro: I see.

Taiga, Parado, and Kiriya came in.

Parado: Hey, guys. Anything happen while we were on break?

Kopaka: Just us appearing.

Nicole: Long time no see guys.

Parado: Lady Nicole! Wow!

Nicole: Please guys no need for formalities. Just Nicole is fine.

Taiga: But it's awesome to see you and Team Loud Phoenix Storm it's an honor.

Me: Pleasure is ours Taiga.

Kiriya: We heard so many big things about your adventures and they are cool.

Nico: We get that a lot.

Eli: Yeah.

They then saw Kuroto Dan.

Parado: Kuroto Dan!? What is he doing here!?

Nicole: It's all right guys. It's part of my punishment that I have for him. If he behaves himself until the big day he will be part of the Masters of Evil.

Nico: It's true.

Taiga: (to Kuroto) So, you making up for past crimes first started when you encouraged Nico not to give up on SpongeBob?

Nico: He compared it to when Poppy briefly worked for the Bugsters. Kuroto said that I was in Emu's shoes and that SpongeBob was in Poppy's shoes.

Taiga: (surprised) I.. didn't expect that.

Me: We didn't eather.

Kuroto: (genuinely smiles) I'm a God. But I'm not heartless.

Me: What a coincidence. Me and the team are all gods.

Parad: Nothing wrong with that. After all, I redeemed myself too, remember?

Nico: That's true you did and you and Poppy are both perfect candidates for the Redemption Squad.

Hiiro: Still thinking about that day, Emu?

Kopaka: You're talking about when you guys didn't save the Kamen Rider Chronicle victims, didn't you?

Emu: Of course. We were so close to clearing Kamen Rider Chronicle. We just needed a few more strong hits.

Kuroto: (growls) And then "Dear Old Dad" did one of a Final Fuck you to us by letting himself die.

Nico: That is bad.

Nicole: I remember hearing about that. And it was thanks to me that I punished "Dear Old Dad." I cursed him with a fate worse than death.

Nico: Eternal Life without Eternal Youth?

Nicole: Yep.

Me: But we have done so many awesome things for the world. We have the power to resurrect people.

Nico: You shouldn't let that get to you, Emu. Honestly, I find it amazing that you're a doctor and a gamer at the same time.

Me: That's right Emu. You have the power to make people better and help people get well whether it be from a video game virus or from a virus that is a biologically dangerous pathogen. You guys know so much about medicine and you went through all the medical practices that would take years, countless hours of studies in medical college and thousands of dollars to get into.

Nico: That's true.

Taiga: That is right.

Nicole: I know that feeling myself.

Emu: Yeah.

Me: And let me show you that I can resurrect people. Watch. (SNAPS FINGERS)

I snapped my fingers and then a massive burst of light shined down all over the city and then the divine singing of angels was heard and they saw the people that died in Kamen Rider Chronicle get resurrected and it was a miracle!

Emu: WHOA!

Taiga: Wow! They are all back!

Kopaka: That is J.D. for you.

One of the Rabbids tried playing a game on one of the Gashats only for nothing to happen. The Rabbid screamed in frustration while banging the Gashat on a table. Meanwhile, the other 3 Rabbids were playing with the medical equipment.

Taiga: Please stop that. You might break it.

Hiiro: And that's sensitive equipment you're playing with!

Nico: Now now.

He took it.

Me: The Rabbids are not that bright. They may be cute but they are really funny.

Eli: Yeah they are great for a laugh.

But then…

KRABBBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

Emu: (hears explosion) Seriously?! A Bugster attack right after the resurrection of the victims?!

Nico: Looks like it's time for the doctor to go in!

Hiiro: Yeah!

Sophia Nuremberg: Lets kick some butt!

We went to face the Bugsters!

Hiiro: Let's see what "Old Friends" are confronting us today.

We then saw BURGERMON, TOTEMA, RABBITON AND CHRONICLE BUGSTERS!

Me: Burgermon, Totema, Rabbiton and Chronicle Bugsters!

Sophia Nuremberg: The Rabbiton Bugster looks like the Build Kamen Rider!

Eli: WHOA!

Me: This is gonna be good. I'll face the Totema one.

Nico: I've got Burgermon. Looking at him is making me hungry.

Hiiro, Taiga, Kiriya, and Kuroto: Henshin!

Emu: Dai Henshin!

They transformed and governed awesome video games!

Megan Kiraton: AWESOME! Now let me show you my awesome Kamen Rider Build form.

She put in a Butterfly and Jet Bottle!

BEST MATCH!

ARE YOU READY!

Megan Kiraton: HENSHIN!

She turned into BUTTERFLY JET BUILD!

Nico: WOW! Megan you're a Build too?

Megan Kiraton: Build is another one of my favorite Kamen Rider series.

Eli: Wow! That is awesome!

Nico: Yeah it is!

Me: Now for me. KIBAL LETS HOWL!

(THE WOLF AND THE MOON BY BRUNUHVILLE PLAYS)

I turned into WOLF MOON 🌙!

Sophia Nuremberg: Now to show you my powers.

She spread her angel and demon wings.

Emu: I'm gonna clear this with no Continues!

Hiiro: Commencing Bugster removal operation.

Taiga: Mission start.

Kiriya: Now we're revving it up!

Kuroto: I'll clear this even if it means using continues!

Nicole: I, Nicole Knudson, the Goddess of Video Games hereby punish you for turning video games into weapons!

Me: Time for me to pounce with the fury of the wolf pack.

Nico: Yeah!

Megan Kiraton: Now shall we begin the experiment?

Nico: We shall!

We went at them.

I slashed the Totema Bugster and the words Critical Hit appeared each time.

I fired waves of blue fire and blasted him all over the place and I was racking up a lot of points.

Parado: Don't leave me out. Dai Henshin!

He transformed into his level 2 form! AWESOME!

I slashed Totema all over and I built up a huge score of 34,235,235,678,345!

Me: Taste this! WOLF MOON STYLE NINJA ART: SCYTHE OF THE JANUARY WOLF MOON!

I swung my scythe and the Wolf Moon appeared behind me and I slashed Totema and he exploded!

KRABBBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

PERFECT HIT!

Me: Game Over Totema!

Kiriya pulled up to Tai and Agumon in his Bike Gamer Level 2 form.

Kiriya: Hey, Tai. How about you and Agumon take a ride on me?

Tai Kamiya: You bet!

They got on and Kiriya handed Tai a helmet.

Kiriya: Sorry I don't have a helmet for Agumon.

Agumon: That's all right.

They zoomed off

They fired waves of energy and fire at Burgermon.

Tai, Nico and Agumon blasted Burgermon all over and smashed ihm down

Burgermon: What are you going to do to me?

All he got was me and Agumon smirking at him before they jumped on him and started eating him.

Burgermon: NO! I HOPE YOU DIE EATING ME!

Nico: Don't bet on it!

They ate him in once huge bite!

CHOMP!

HE WAS LUNCH!

Sophia fired waves of fire and blasted Rabbiton Bugster all over and she got a score of 623,235,342,324 and rising!

Sophia Nuremberg: Try this on for size! DRAGON OF THE CRIMSON FLAME!

She had a vortex of blood red fire appear around her and it was hotter than the sun!

Sophia Nuremberg: You know these flames are impossible to control completely but once I release them I have no say. I have the power to pull you into oblivion. I assume just my right arm will do.

Rabbiton Bugster was in deep shit trouble now!

Sophia Nuremberg: You should never have insulted the Jagan Eye. Because you see, I learned that either way it has its own mind and absolutely LOATHES disrespect. Resisting it is not something I would do.

Rabbiton Bugster was now scared for his life.

Sophia Nuremberg: DRAGON OF THE CRIMSON FLAME! 炎殺真紅龍波

She fired a massive wave of blood red fire and it was hotter than the sun and it went and formed into a dragon and it slammed into Rabbiton Bugster and obliterated him in an instant! It slammed into the wall and exploded!

MASSIVE EXPLOSION!

NICO: WHOA! THAT WAS UNBELIEVABLE!

Eli: Holy cow!

Nico: I finished Burgermon a while ago. These four monsters have failed this city.

Nicole: And video games all together.

Hiiro: Where's Rabbiton Bugster.

Sophia pointed to the wall and there was a blood red burn cinder on it.

Hiiro: My god!

Nico: Whoa! There's nothing left of him!

Eli: Just like what happened with Zeru when Hiei used the Dragon of The Darkness Flame.

Me: Unbelievable!

Parado: This is really thrilling!

Nico: Yeah it was!

Kopaka: That was awesome!

Me: Game Over to those monsters.

We later came back.

May: How did it go?

Me: Really awesome!

Nico: It sure was.

We told everyone everything and it was incredible.

Lola: WOW! That is really amazing.

Lisa Loud: I am so glad that my Anti-Bugster Vaccine worked.

Me: It worked perfectly Lisa. No side effects at all.

Lisa Loud: Thank goodness.

May: Next time, Andros should go with you.

Nico: Awesome!

Kopaka: I'm sure he would like that.

---

We were then getting ready.

Maria: (to the mascots) Alright, guys. We're gonna be out for a bit. Your babysitters this time will be the Guardian Angels of Lincoln that were rescued today.

Poromon: Yay! It'll be awesome to talk with Pele and Lindsey.

Lindsey Oropendola: It sure is gonna be awesome and the mascots are really cute!

Nico: (Chuckles) They are cute.

Manaphy: Yeah.

Me: Also Lindsey I like your last name Oropendola. It's like the Montezuma's Oropendola bird.

Lindsey Oropendola: I get that a lot. That bird is my last name's namesake. After I got disowned by my insane mother I gave it to myself.

Laney: I think it's an awesome name.

All of us had left.

Poromon: Lindsey, we're sorry about what happened to you.

Lindsey Oropendola: It's all right. I know it's not my moms fault. She lost her mind when she had me.

Poromon: That's bad.

Manaphy: Yeah.

Amelia Waikiki: Yeah it was.

Horsea: But what are we going to do with you guys?

Amelia Waikiki: I have just the adventure for us. We're going to go to Flip's old abandoned house and steal his hidden secret loot.

Poromon: COOL!

Manaphy: Let's go!

They were off to Flip's old house.

Amelia Waikiki: I heard that Flip has a secret vault where he keeps all his loot that he stole over the years and that it is buried deep underground. But it is heavily booby trapped.

Horsea: Oh boy.

They arrived at Flip's old house and it was a run down and abandoned place and it looked like it was in total disrepair.

Amelia Waikiki: Wow a lot of things have happened since Flip was here last.

Lindsey Oropendola: As much as we hate the guy he was completely a slop.

Poromon: Yeah and we hate him too.

They went in and saw that the house was totally in shambles.

Amelia Waikiki: What a mess.

Manaphy: No one has been here for a while that's for sure.

Horsea: Yeah.

They looked around and then they saw on the floor a bunch of mousetraps!

Poliwag: There are mousetraps everywhere!

Tentacool: Tons of them.

Lindsey Oropendola: They obviously aren't for catching mice. But I got this.

She fired a glob of slime and triggered them and they all snapped.

Manaphy: Nice one!

They walked on.

Horsea: Where's the money?

Amelia Waikiki: It should be here.

Then Lindsey felt for something and then she pressed a button by accident and then a secret staircase opened.

Poromon: Wow!

They went down and came to a massive and giant huge vault door.

Jirachi: Wow! That must be the vault.

Amelia Waikiki: It's huge.

Lindsey Oropendola: Wow!

Poliwag: I'll use my tail to open the safe.

Amelia Waikiki: Wait. It's not that kind of a safe.

There was a combination lock on it.

Poliwag: Oh it's a combination lock.

Lindsey Oropendola: Let me do it. I learned a lot about this from spy and thief movies.

Lindsey Oropendola put her ear on the lock and turned the combination and she was listening very carefully and clearly for the right combination and then there was a click and then she pulled the handle.

Lindsey Oropendola: Open!

Amelia Waikiki: Awesome!

She opened the vault and then they were greeted by a MASSIVE AND INCREDIBLE TREASURE TROVE! IT HAD MASSIVE NUMBERS OF PILES OF GOLD BARS, JEWELS, COINS, DOLLAR BILL STACKS, EVERYTHING!

(ANGELIC CHOIR)

Amelia Waikiki: OH MY GOD!

Lindsey Oropendola: FLIP HAS REALLY BEEN STEALING EVERYTHING!

Poromon: WE'RE RICH!

Manaphy: FILTHY STINKING RICH!

With us we were walking back and then Eddy sneezed.

Luan: Bless you Eddy.

Me: Are you catching a cold?

Eddy: No I think someone is talking about me.

Horsea: What do we do with all this money?

Amelia Waikiki: We'll call everyone and tell them what we found.

Lindsey Oropendola: Everyone is gonna want to see this.

Manaphy: Yeah.

Lindsey pulled out her cell phone and called Lincoln.

Lincoln: Hello?

Lincoln heard her talk.

Lincoln: What!? At Flip's old House!? You found all his stolen loot! We'll be right over.

Nico: Who was that?

Lincoln: That was Lindsey. She, Amelia and the Mascots found all of the loot that Flip stole! It's all at his old house!

Nico: Whoa we got to see this to believe it!

We went over.

We arrived at Flip's old house.

Me: Whoa what a dump.

Dark Spicer and Vypra came.

Dark Spicer: Hey, guys. I don't think there will be usual battles today. But instead, another type of battles.

Me: Hey Dark. Hey Vypra.

Nico: We got a call from Lindsey.

We went in and we saw Lindsey.

Lindsey Oropendola: Guys down here!

We went down and we saw the vault and in it was EVERYTHING THAT FLIP STOLE!

Nico: OH MY GOD! Flip must've stolen everything out of Fort Knox.

Laney: Look at all this! It's like he stole the entire U.S. Mint.

Lola: Yeah!

Sheila Loud: Well this would be enough to land Flip into the Electric Chair. We've been trying to find all this stolen loot for years.

Maria: We should keep this.

Nico: I agree. Flip doesn't deserve all this.

Mr. Krabs: I agree too. Sheesh! That monster mutant is much worse than me. He is the King of True Cheapskates on land.

Laney: That is a good way to put it Mr. Krabs.

Lily: I agree there.

Me: But good job girls.

Nico: Yeah well done. What brought this on?

Amelia Waikiki: Well it was my idea. We went to see if the legends were true about Flip having a huge treasure in his old house.

Lindsey Oropendola: And they are. So us and mascots went to Flip's Old House to see if it was true and it was really true.

Nico: Wow! That is amazing.

We then got all the loot and stuff put in scrolls and then we got out and then demolished Flip's home and then we took the loot and put it all in our vault.

Nico: What do you guys wanna do for the rest of the day?

Me: Want to go to the Krusty Krab for lunch?

Nico: Good idea.

Eli: Yeah I'm starving!

We were off to the Krusty Krab.

* * *

We were having a great lunch at the Krusty Krab.

Nico: Good old Krabby Patties.

Lindsey Oropendola: (Eating one) Mmm! Delicious.

Lola: They are the best in the ocean.

Nicole: Boy that was an awesome treasure hunt guys.

Nico: Now that is the kind of thing I can handle. It's much better than an unauthorized party.

Laney: That is for sure.

Pinkie Pie: Treasure hunts are so much fun!

[SpongeBob is washing the windows while singing.]

SpongeBob: Oooooooo-oooooooohhh-woh-woooh, how much chum could a sea slug chug if a sea slug could chug… [gasps, since he notices something outside, he then uses a pay phone to call Mr. Krabs in his office] Mr. Krabs, you gotta get out here! It's a code blue situation!

Mr. Krabs: Please deposit 25 cents to continue this call.

SpongeBob: Sure thing, Mr. K. [inserts a quarter into the pay phone] Mr. Krabs, you gotta get out here! It's a code blue situation!

Mr. Krabs: Code blue?! [runs out of his office] What's the matter, boy?

SpongeBob: I think Plankton wants to destroy our way of life!

Me: UH OH!

Mr. Krabs: Man alive! [Plankton has a wrecking ball near the Krusty Krab] He's taking us down!

Plankton: [laughs] Get ready, Krabs, [pulls a lever] for the surprise of your life!

Me: DUCK AND COVER!

Nico: YEAH!

Mr. Krabs: Brace yourself! [hides under a table, and SpongeBob hides under a barrel and We hid under a bunch of tables too. The wrecking ball then misses the Krusty Krab] Huh? [the wrecking ball swings above and destroys the Crab Net] Plankton's destroying the Crab Net? [a bulldozer then drags a giant coliseum to where the Crab Net was] What is that?

Me: Whoa! It's a Colosseum!

Nico: Wonder what Plankton is gonna do with that.

[a giant monitor appears on top of the coliseum, and Plankton appears on it]

Plankton: Greetings, citizens of Bikini Bottom! Behold my imperial Chum Coliseum! [nobody is excited] I vow to introduce to this fair city culture, in the form of hand to hand grappling! [nobody is excited, once again] I intend to enrich your lives culturally, by exhibiting the moist spectacle of gladiators in mortal conflict! [no one is excited] My corporate underwriters told me to mention that it's free! [everyone is excited, and they run into the coliseum] Come on! Come all! Remember, kids love gladiators.

Debbie: Wow! Real-life conflict, for free?

Nathiel: Let the horror show begin! [everyone in the Krusty Krab runs to the coliseum]

Me: Lets go check it out.

Nico: Good idea. I've always wanted to see what a colosseum is like.

Me: It's like we went back in time to Rome back during the Gladiator Fights over 2,000 years ago.

Eli: Yeah.

We went to the Colosseum and we were amazed.

Me: Wow.

[Plankton appears]

Plankton: Welcome, one and all, to the first biannual big arena of annihilation! [everyone cheers]

SpongeBob: Whoo!

Plankton: Brought to you by yours truly. So without further ado, let the mauling begin! [everyone cheers again]

We went up to Plankton.

Me: This is so cool Plankton!

Nico: This better not be for anything bad.

Plankton: Relax. This is nothing bad.

Eli: What are you gonna do with a colosseum like this Plankton?

Plankton: Well I have a bunch of opponents for you guys.

Me: Really? Cool!

Nico: Who are our opponents?

Plankton: (sighs) Promise you won't get mad when you see them.

Nico: They're your former teammates, aren't they?

Plankton: No. I wish they were. But… I think you guys should just see for yourselves.

Me: Okay.

We went down to the arena floor and we saw the gates open and then TO OUR SHOCK IT WAS THE TTG Titans, TTG Terra, TTG HIVE Five, TTG Bumblebee, TTG Aqualad, TTG Cinderblock, Dark Mr. Krabs and the Dark Loud Family!

We gasped!

Me: The TTG Titans!

Nico: TTG Terra!

Eli: The TTG HIVE Five!

Varie: TTG Bumblebee!

Laney: TTG Aqualad!

Lola: TTG Cinderblock!

Aylene C.: Dark Mr. Krabs and the Dark Loud Family!

Nico: WHOA! MAN!

Me: (Sighs) You know what I'm sick of hating the TTG Titans.

I went up to the TTG Titans.

TTG Robin: So you brought us here to humiliate us some more!?

Me: Actually Robin, (Sighs) I came to bury the hatchet and let go of this hatred for you.

TTG Robin: Is this a trick?

Me: No it's no trick. I was so upset about you guys giving superheroes everywhere a bad name that I let it cloud my mind.

Nico: Yeah… I'm not really feeling up to hating you guys anymore either.

Eli: Me neither.

Me: Also you guys are really funny and Cyborg you love one my favorite songs The Night Begins To Shine. I sang that song during the 2017 Total Solar Eclipse.

TTG Cyborg: You like The Night Begins To Shine too!? That is awesome dude!

Nico: It sure is.

Me: Also guys I know we got off on the wrong foot but you guys have to understand something and I have a confession to make. I actually love watching you guys on TV and I think everything you do is REALLY funny. Everything you do really makes me laugh. And I'm sorry we fought you guys but we just have been letting the hatred we had over you guys get the better of us because you were giving superheroes a really bad name and I was sticking to the code of a superhero very seriously. With Great Power Comes Great Responsibility. So from the bottom of my heart and ours, we're all really sorry.

TTG Robin: Well that was a really heartfelt apology and you said that with a lot of meaning and we're really honored that you like us J.D.

TTG Cyborg: And I love it that you like my favorite song and you sang it during the 2017 Total Solar Eclipse.

Nico: Not just that. We sing it all the time and it really rocks!

TTG Cyborg: Yeah it does!

Me: So can we start over and have you guys forgive us and join the team as a sign of redemption and friendship?

I held out my hand.

TTG Robin: Oh all right. I'm sorry too J.D. Friends?

We shook hands.

Me: Friends.

TTG Gizmo: What about us?

Maria: You guys didn't do anything bad

Nico: But you guys would make awesome candidates for the Masters of Evil. And no it's not Baron Zemo's Masters of Evil. It's Vypra's.

Laney: In fact many of your fellow villains are in the M.O.E. Right now.

TTG See-More: Are they really?

Me: Yep.

Lola: That is cool.

Nico: It sure is.

TTG Terra: By the way Prime me. I'm so happy for you and Beast Boy. You are an awesome husband and wife.

Tara: Coming from you TTG me that means everything.

Dark Lola: Don't we get an apology too?

William: (sarcastically) You're right. We're sorry. (Smirks) Sorry we didn't get rid of you all sooner! (Fires blaster)

It hit Dark Lola and burned her.

Me: TTG Robin lets take down the Dark Louds and Dark Krabs first.

TTG Robin: YEAH!

Robin: Lets do it!

We high five!

Nico: Lets get them! Team Loud Phoenix Storm!

Both Robins: And Titans…

Nico and Both Robins: GO!

Nico: I can't believe I said this earlier. But I'll say it again. You Loud's have failed this city!

Dark turned into Stompasaurus Rex.

Stompasaurus Rex: Time to stop you!

HE STOMPED ON DARK LINCOLN AND DARK LORI!

Firefly was having a blast as he shot Dark Leni and Dark Mr. Krabs with fire blasts.

He burned them all over.

Me: Those upgrades you got are really awesome Garfield!

Firefly: Thanks!

Nico: And TTG Robin you looked really awesome as a Lex Luthor Lookalike.

TTG Robin: That was cool.

Me: That was funny too. Watch this guys. STINK BOMBS AWAY! (To the viewers) This is a trick I learned from The Ovulator.

I fired an egg from my armpit and it landed on the ground and hatched and out came DEVILED EGGS! They were literally devils in egg form. They were eggs that had red legs and arms and had scary teeth and had devil horns and a tail and had red pitchforks.

They ran around and then one half of them stabbed dark Lisa in her foot and the other half stabbed Dark Lori in her butt!

They both screamed in pain.

Me: Now that is what I call an Egg-cellent Batch of fun.

Everyone laughed!

Lincoln: GLADIATOR WEAPON ELEMENT STYLE: SCIMITAR!

Jessica Shannon: GLADIATOR WEAPON STING STYLE: BOW AND ARROW!

Shantae: GLADIATOR WEAPON MAGIC STYLE: HARPOON!

Akko: GLADIATOR WEAPON STAR STYLE: SPEAR!

Mai Shiranui: GLADIATOR WEAPON FIRE STYLE: GLADIUS SWORD!

Yuna: GLADIATOR WEAPON WATER STYLE: GLADIUS GRAECUS SWORD!

Toph: GLADIATOR WEAPON EARTH STYLE: JAVELINS!

Tatsumaki: GLADIATOR WEAPON WIND STYLE: FLAIL!

Sari Sumdac: GLADIATOR WEAPON LIGHTNING STYLE: SLING!

Julie Makimoto: GLADIATOR WEAPON LAVA STYLE DAGGERS!

They formed weapons of elements.

Maria: Hey, Dark Lori. You see this scimitar?

Dark Lori: Yes. Why?

Maria: I'm about to shove it up your butt!

Maria then did so and she screamed in pain as her colon was scrapped all over and then she pulled it out and it was covered in unmentionable crap!

Fish: EEEEEWWW!

Maria: WHOA! That is nasty.

Lincoln and his harem: GLADIATOR WEAPON FINAL SMASH: GLADIATOR MAYHEM!

They summmoned gladiators to lay a smackdown on Dark mr. krabs and the Dark Louds!

Leonard: Nico, which Gene Slammer do you think you'll meet next rescue?

Nico: (Punches Dark Krabs in the face) I'm hoping to do one for a Buglizard next.

Me: Cool! (Kicks Dark Lincoln in the crotch) That's gonna be one for the Lepidopterrans natural predator.

Eli: (Fires Force Lightning and electrocutes Dark Luan) Yeah that will be awesome.

Shanan: So it'll be someone that smells horrible and is good with bugs I guess that goes with you. (Punches Dark Lana in the face)

Nico: Yep.

Firefly fired at Dark Luna and Dark Lola and he burned them all over.

Crag: Lets get them guys!

Ripping Friends, Lincoln, Luna and Lynn: IT'S RIPPING TIME!

They pulverized and smashed Dark Lincoln and Lucy all over!

Crag: (Punches Dark Lucy all over) Too bad Dark Lynn isn't here. I would have loved to smash her all over.

Lincoln: Me too. (To Lincoln's Guardian Angels) You girls want a shot at them?

Amelia Waikiki: Like you even have to ask. LETS GET THEM GIRLS!

The Guardian Angels went at the dark sides of Lori, Luan, Lola and Lisa and pulverized and smashed them all over the place in a brutal fight cloud!

Bane punched Dark Lori.

KRASMASH!

He punched her face in and gave her a REALLY NASTY BLACK EYE! OUCH!

Bane: (Spanish Accent) Take that you estupida bitch!

Laney: YEAH!

Me: Lets see how they like this.

I rubbed my hands together and fired a fire ray from them and it hit

Dark Luan in her teeth and burned them all the way down to her gums and left her toothless!

Me: Frictor's friction powers are amazing.

TTG Robin bashed Dark Luna in the face with his staff.

TTG Starfire blasted Dark Krabs with laser vision and TTG Beast Boy smashed Dark Lisa all over as an Elephant!

TTG Raven kicked Dark Lincoln all over with a flurry of kicks.

We then imprisoned the Dark Louds and Dark Krabs in crystal forever and sent them to the Pluto Prison.

Lincoln: That is that.

Everyone cheered wildly for us!

Plankton: Nice job, guys!

Nico: Thanks Plankton! This was a great idea!

Me: Yeah it was!

Plankton: Thanks guys!

We cheered wildly.

We had an awesome time on this one. We later went back home and went to sleep.

THE END

Another awesome fanfic almost done. Glitch back

This was a really awesome and fun one. Spongicus is one of my favorite episodes of SpongeBob and it was really awesome and funny. It had a gladiator theme to it and Plankton made a really funny and awesome adventure. Minus the chum. The episode aired on March 29th, 2008 and it was awesome. The first part for my dream rescue was for the battle with Yue in Cardcaptors. That was awesome. The second part for Lincoln's Dream Rescue was where we faced Luan's demons that made her into a prankster from hell. The 3rd part was for Dante's Inferno and that was awesome. The fourth part was for the movie Troy and that was awesome how we met the mighty hero Achilles. NicoChan11, JediAvatarOfShinobi, Omegahatchiyak12, kolbdog323, XP4Universe, Darkhai, vinjedi1995, Drako1234658, Nflemingful, EtstheClarenceandTLHfan and ninjakingofhearts gave me the ideas for this and so did the guest reviewer. Thanks Guys. The next dream rescue for me is going to be in an underwater adventure and it's going to be really cool. We're going to meet 7 mermaids with each of their hair and their eyes as the 7 colors of the rainbows. And we'll also meet a gene-slammer for Weather Painter Rainbow named Jeri Yukirama and she is a great friend I know from Japan and she knows the pain that Jeri Katou feels too because she has a really dark past like Jeri does. The dream rescue for Lincoln is going to be for where we go into the sky and we're going to see a mysterious sky city floating high above the planet and we're going to battle an evil version of Bling Bling Boy and bring him down. We're also going to meet a Silent Sea Nettle Gene-slammer named Eileen Gemini and she is one of Lincoln's guardian angels that hates Heather with a vengeance for everything she did and more. She absolutely HATES HER and wants to do nothing more than to kill her and mount her head on a pike. She is going to reveal the worst revelation ever about her during the exercise scene. Tomorrow is Nico's birthday everyone! We are not going to let Nico head back to the estate till we say so that everyone can set everything up for his party. Nico's rescue for him is going to be where we go to a Condiment Factory! We're going to see another gene-slammer for me that is for a Sun Bittern. Her name is Tina Lindsington and she is a beautiful girl and she has sun bittern wings. She is going to fall into a vat of peanut curry sauce and she is allergic to peanuts. Luckily Laney will have shots for allergies. Also for Nico's rescue we're going to meet a Buglizard Gene-slammer named Evelyn Hatfield and she is from Kentucky. Evelyn is Nico's friend nature classes and she knows so much about nature and more and she is also a nature fairy. She is now a Buglizard gene-slammer. For Lincoln's rescue tomorrow, he and his group are going to face Boogey, Grim's old nemesis and school bully, who's been brought back by Nigel Alaister and he wants revenge on you guys for what you did in killing him years ago, and this time, Boogey's getting the Black Gates. This is your last scare, Boogey. And Squirrel Girl is going with the group. And for Lincoln's date tomorrow with his harem: I've got just the thing, how about an exploration of The Glade of Dreams, and all of you are also going but in incognito in the shadows, but you're also going to be on guard, because Nigel Alaister's freed Dr. Animo from Arkham Asylum, and he wants revenge on all of us for sending him to Arkham Asylum and we're going to send him yo the Masters of Evil Prison. We're also going to meet a gene-slammer for Saggi the Dark Clown named Luanna Lexington and she is a funny comedian that hates bullies and she has a really strong hatred towards Lewis Travolta for him being a total jerk. For the exercise scene she will reveal that Lewis Travolta stole MANY KINDS OF COMIC BOOKS WORTH MILLIONS. The next chapter is gonna be not only for Nico's birthday but also we're going to meet the girls for Monster High! We're going to be in for a spooky experience as we meet the awesome monster girls. And we're going to take down one of their enemies.

See you all tomorrow.

# MONSTER GIRLS ON NICO'S BIRTHDAY

HAPPY 25TH BIRTHDAY NICOCHAN11!

---

MAY 26TH, 2022 - DAY BEFORE NICO'S BIRTHDAY, 11:13 PM

---

In the Briefing Room, me, Vypra, Lincoln and many of us minus Nico and May were having a meeting.

Me: Sorry to have this meeting so late guys but there is a reason why I wanted to do it. Tomorrow is a very special day for Nico. Tomorrow is his birthday.

Vypra: Wow! This is gonna be special for him.

Me: Yep and it's going to be really awesome. But while everything is being set up for the party we can't let Nico come back till everything is ready. And I have just the missions for us till then.

I pulled out a newspaper and it showed the deaths of 40 Mafia Men all over the city.

Eli: "40 Mafia Members Savagely Murdered. Police Baffled. 40 Mafia Members were found slashed to death from a mysterious masked vigilante on a one man war on the entire mafia. This makes 6,235 mafia men murdered in 27 days." Good god!

Vypra: Thank goodness the Springfield Mafia isn't in there.

Me: That's good. But these men were all targets that we were going to go after in the future. Whoever is doing all this is doing us a huge favor. This is one of the mission's we'll be doing while the party is being set up. Pinkie Pie and Cheese Sandwich are going to set everything up for us. She'll make a Shadow Clone to do that while she comes with us on the rescues.

Myotismon: Good idea J.D.

Laney: Yeah this will be so fun.

Me: Yep. Now it's late so lets get some sleep. This meeting is adjourned.

BANG.

I banged a gavel and we turned in for the night.

In the early morning hours at 1:47 AM, I was fast asleep with Varie in my bed and my harem was all with me too. I was having a really awesome dream. This time I was underwater and swimming through the ocean.

Me: So my dream this time is underwater. How cool is this.

I was swimming and seeing all kinds of magnificent fish, coral, oceanic landscapes and more. It was beautiful.

Me: Wow. The ocean is always beautiful.

Then Natilee appeared.

Natilee: So it's an ocean dream this time.

Me: It sure is. This is really cool.

Natilee: Wow. The ocean is so beautiful.

Me: It sure is.

We then came across an awesome underwater city.

Me: Wow! An underwater mermaid kingdom.

Natilee: It's beautiful.

Then 7 mermaids came to us and they were the Seven Rainbow Mermaids. They were Reyla the Red Mermaid, Oracle the Orange Mermaid, Yellma the Yellow Mermaid, Grenda the Green Mermaid, Aoima the Blue Mermaid, Indigo the Indigo Mermaid and Violet the

Violet Mermaid

Reyla: Wow J.D. Knudson and Natilee. It's an honor.

Natilee: Pleasure to meet you girls.

Me: Same here and you are?

Reyla: Oh sorry. We are the Seven Rainbow Mermaids. I'm Reyla.

Oracle: Oracle.

Yellma: Yellma.

Grenda: Grenda.

Aoima: Aoima.

Indigo: Indigo.

Violet: Violet.

Me: Pleasure to meet you all.

Natilee: It's awesome to meet you.

Grenda: Same here. We have a someone that knows you and she is on that island up there.

Aoima: We'll show you.

They took us up to the surface and on an island we saw a Weather Painter Rainbow. And she was crying.

Me: A Weather Painter Rainbow?

Reyla: She is someone you know.

We went up to her.

Me: Uhh are you okay?

Weather Painter Rainbow: (In a familiar Voice) (Crying) I'm okay.

Me: That voice. Jeri Yukirama?

Weather Painter Rainbow: (Gasp) J.D.? Is that really you?

Me: Yeah it's me.

She reverted back and she was a girl with blue hair and blue clothes and blue eyes and she saw me for the first time in a while and hugged me.

Me: Jeri I've missed you.

Jeri Yukirama: Me too J.D. Me too!

Natilee: How do you know her dad?

Me: She and I went to school together and she came to us on a Foreign Exchange program. We had her stay with us and I noticed that she was hiding a dark past.

Natilee: Oh no. What happened?

Me: It was awful.

I told her and the rainbow mermaids everything. Jeri Yukirama's mother died of a terminal disease when she was little and she was devastated and haunted by demons of her past. The pain and sadness she felt is so overwhelming that she kept it bottled up for 17 years. She hides it with a mask and she does her best to lead a normal life.

They gasped.

Natilee: Oh no. Jeri I'm so sorry.

Reyla: Oh man. Poor girl.

Oracle: That is hard.

Yellma: Yeah.

Me: Jeri you can't bottle everything up like this. It's all right to let it out. What happened to your mother was bad but she wouldn't want you to be sad like this all the time.

Jeri Yukirama: (Voice Breaking) Oh J.D. (HUGS ME AND CRIES REALLY HARD)

Natilee: Poor girl.

She was crying hard for over 25 minutes.

Me: Let it all out Jeri. Let it all out.

Natilee: Jeri, I'm sorry you lost your mom. But believe me you aren't the only one that went through something like this. Our teammate Jeri Katou went through this too.

Jeri Yukirama: Really?

Natilee: Yeah it was bad.

Grenda: That must've been bad.

Natilee: It was.

Natilee told them everything and how she lost her mom the same way and went through hell because of the D-Reaper and more.

Indigo: Oh man! That's awful!

Violet: Yeah no kidding.

Jeri Yukirama: Wow.

Me: Yeah. But Jeri you will never be alone as long as you always carry the memories you have of her with you in your heart. And remember everything that she taught you. You're never apart Jeri.

Jeri Yukirama: You're right J.D.

Natilee: Awesome. (To the Rainbow Mermaids) Would you girls like to join the team?

Reyla: We would be honored.

Oracle: Yeah!

Natilee formed water balls for them and we then went to Lincoln's dream.

In the early morning hours at 2:53 AM, Lincoln was asleep with Lily the Mermaid in his bed and his harem with him, and he was having an awesome dream, and then, me and Natilee appeared and we were flying in the skies to see a mysterious sky city floating high above the planet.

Lincoln: Wow, look, there's a sky city floating high above the city.

Me: That's really awesome.

Natilee: This is going to be so amazing, come on, let's go check it out.

We arrived at the mysterious sky city, and it was really awesome, we saw buildings and skyscrapers of a futuristic nature and they reached even further into the skies, there are flying cars and they're like the ones we've seen in Acmetropolis or any other city in the future, and the people here are really amazing and friendly.

Lincoln: Whoa, this place really is awesome.

Me: Wait until we tell everyone about this in the morning, they're going to be awestruck.

Natilee: I already drew it in my sketchpad to show everyone tomorrow, Dad.

Me: Nice one, and there's another Guardian Angel of yours here in this city, big guy.

Lincoln: That's right, but this is a really vast sky city, we don't even know where to look.

But, then, the eight large orange orbs orbiting around Lincoln's legs and the eight large planets and stars orbiting around my legs were glowing and spinning like crazy, and we sensed something and we also saw Lincoln's deep sapphire blue eyes and the rainbow iris of his Third Eye were glowing, and we heard explosions coming from the eastern part of the sky city. We got down there, and we saw an evil version of Bling Bling Boy in a mech-suit causing chaos and destruction in the city.

Lincoln: Whoa, that's an evil version of Bling Bling Boy, and there's only one way to tell the Bling Bling Boy we know in The Masters of Evil from this one, the evil version of him has red eyes, but either way, he's getting his butt kicked hard.

Me: Yeah.

Lincoln unholstered his massive Hinon's Cosmic Storm Sword of Universal Hope, Elemental Bravery, and Unbreakable Eternal Bonds from his wider and muscular back, and he transformed into Super Angel-Ebonwu-Thunderbird Eternity Infinity Elemental Thunderbird Buffalo Angel of Universal Justice and Elemental Hope, and he fired powerful blasts of rainbow energy, Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, and Magic at the mech-suit, and really damaged it. Then, he slashed off the arms and legs of the mech-suit with his massive Hinon's Cosmic Storm Sword of Universal Hope, Elemental Bravery, and Unbreakable Eternal Bonds, and he got the glass top off with his immense brute superhuman strength, and forced Evil Bling Bling Boy out.

Evil Bling Bling Boy: You fools will never stop me! (LAUGHING MANIACALLY)

Suddenly, we saw a Silent Sea Nettle appear before us, and it fired a powerful blast of lightning from its tentacles, and really electrocuted Evil Bling Bling Boy badly. Then, Lincoln fired a black energy blast of The Black Gates and it hits Evil Bling Bling Boy, and he was erased from existence as he was sent to The Black Gates.

Lincoln: We've already got room for one Bling Bling Boy in The Masters of Evil, you destructive monster.

The eastern part of the sky city was suddenly repaired, and Lincoln holstered his massive Hinon's Cosmic Storm Sword of Universal Hope, Elemental Bravery, and Unbreakable Eternal Bonds from his wider and muscular back, and powered down.

Lincoln: That's that for that evil version of Bling Bling Boy. (To the Silent Sea Nettle) And it's good to see you again, Eileen Gemini.

Eileen Gemini reverted back to normal, and she's a beautiful 17-year-old girl with long flowing blue hair, blue eyes, fair skin, she's tall at 6'5" in height, she has the body of a goddess, she has a jellyfish emblazoned on her forehead, she has massive blue angel wings, and she reigned in the power of Silent Sea Nettle, and she's dressed in a short-sleeved blue blouse, sleeveless blue dress top, blue skirt, blue pants, blue ankle-high sneakers, and long blue sleeveless trenchcoat with jellyfish and ocean waves on the coattails, and Silent Sea Nettle on the back, and holstered on her back is a large Silent Sea Nettle-themed sword with a 7'0" massive, wide, double-edged blue blade with Silent Sea Nettle etched on it, curved jellyfish tentacles for the crossguard, large blue gem embedded in the rainguard, longer black handle, and a blue gem surrounded by angel wings for the pommel.

Eileen Gemini: You too, Lincoln, it's been a long time.

Lincoln went up to Orya Nottingham and they hugged, and Orya Nottingham's also very surprised at just how much taller and much more muscular Lincoln's gotten since they last saw him, and they also felt just how strong he's really become.

Lincoln: It sure has, I haven't seen you when you were sixteen, and as you can see, I really grew a lot since then.

Eileen Gemini: Whoa, you sure have really grown very big and strong like a tree, Lincoln, you've really grown a lot from the eleven-year-old cute little boy into a 17-year-old and permanently 7'5" tall, very handsome, and manly teen with abnormally massive and powerful upper and lower body muscles and eight-pack abs, that's so awesome.

Me: Wow, Lincoln, you know her?

Lincoln: Indeed I do, J.D., this is Eileen Gemini, she's another of my Guardian Angels from Michigan, and she absolutely hates Heather with a vengeance for everything she did and more and wants to do nothing more than to kill her and mount her head on a pike.

We gasped in shock.

Me: Whoa, that's serious.

Eileen Gemini: You said it, and I wanted nothing more than to end her life for what she's done.

Lincoln: You might be too late for that one, after we defeated her during the Ridonculous Race, I used my Nightmare Demons' Vengeance Curse and cursed her with eternal nightmares that will plague her for all eternity, and she'll be driven mad by the spirits of all those she's tormented and tortured, but she's been restrained and she can't commit suicide, which is perfect.

Eileen Gemini: Whoa, now that's what I call a fate worse than death. Nice one, Lincoln.

Suddenly, a Thunderbird of Eternal Love appeared around Eileen Gemini's neck with blue gems on the gold thunderbolt links and blue crystal links from brand-new Crystal Necklace of the Buddha which merged with her Thunderbird Necklace of Eternal Love.

Eileen Gemini: (Surprised) Whoa, is this…?

Lincoln: Yep, that's a Thunderbird Necklace of Eternal Love, and that means you're now part of my harem and one of my many future wives, Eileen.

Eileen Gemini had a smile on her face and tears coming from her eyes, as she wrapped her arms around Lincoln's muscular waist and her chest pressed against Lincoln's massive and wide muscular pecs, and Lincoln wraps his abnormally massive and powerful muscular arms around her waist, and he leaned down and kissed Eileen Gemini on the lips, and she also returned it, and we cheered for them.

Lincoln: And that's another successful Dream Rescue, and Evil Bling Bling Boy's bitten the dust for good.

Me: That's right.

Natilee snapped her fingers, and Eileen Gemini was now a part of Lincoln's harem and the team, and when Lincoln and me woke up the next morning and told the rest of the team everything, and when they saw the sky city from Lincoln's dream in Natilee's sketchbook, they were really amazed.

Nico: Wow, that's an amazing sky city. Plus, you guys faced an evil version of Bling Bling Boy in that dream.

Lincoln: Yep, and he was causing chaos and destruction in the eastern part of the city, and his mech-suit was destroyed, and then, Eileen Gemini appeared in her Silent Sea Nettle form, and electrocuted him badly, and then, I gave him the Black Gates.

Eli: Nice one. Plus, I knew we hated Heather for all the evil things she's done, but I never knew there would be one who hates her with a vengeance and wants nothing more than to kill her and mount her head on a pike.

Lincoln: That's right, Eli. But, I told her what I did in cursing Heather after we defeated her in The Ridonculous Race, and she was impressed.

Eileen Gemini: And I was impressed that Lincoln knows a lot about magic and he's created a lot of curses.

Me: That's right, he's created a lot of curses for the types of jerks we don't like, and they're really awesome.

* * *

Over at a local Condiment Factory in the middle of the city was Nico, Roxy, Qin, Miku Yuuki, Rei Miyamoto, Saya Tekagi, Saeko Busujima, Shizuka Marimoto, Zenkaigers, Chloe Bourgeois, Rita Loud, The Goths of Darkness, Applejack, Apple Bloom, Twilight Sparkle & Friends, Rachel Stavenport, Carol Pusateri, May, Kaalia of The Vast, Maria, Varie, me, Eli, Arrietty, Aylene Carter, Gabrielle, Littlefoot and friends, Fu, Nicole Knudson, Kaina Tsutsumi, Camie, Kaoruko Awata, Himiko, Ibara, Toru, Sirius, Tsuyu, Ochaco, Momo, Lincoln, Laney, Lana, Lola, Lisa and Lily and we were there to have an awesome rescue.

Me: At least we don't have to go far on this one.

Lola: It's at a condiment factory this time.

May: I hope I don't land in a vat of cheese sauce again.

Nico: I'll still lick you off May.

May: (Laughs) Thanks Nico.

Eli: But this is cool that we get to see how many of the sauces are made.

Pinkie Pie: It sure is.

Maria: Boy we've had a lot of mishaps happen in this very factory. Cornelia got covered in Barbecue Sauce and May got covered in cheese sauce and Roxy Rocket got covered in Barbecue sauce too.

Lily: Boy they were sure messy.

Roxy: Yeah you aren't kidding there.

Nico: Thanks for coming with me, Roxy.

Roxy: No problem Nico. It's going to be so awesome going with you on your rescues.

Me: It sure is.

Nico: By the way J.D. what is it you have planned for me?

Me: Ah ah ah. I'm not telling.

Nico: Please tell me.

Me: Nope. My lips are sealed.

Nico: Roxy, I'm aiming for an August 1 date for the big mission with the Decade team.

Roxy: Cool! Looking forward to it.

Eli: Those missions with Roxy were so awesome.

Me: All the Kamen Rider Ambassador Missions are really awesome bro.

Laney: They sure are and we owe the Kamen Riders big time for helping us during the 20 Days of Darkness.

Lola: We sure do.

Miku Yuuki: Boy I heard all about the 20 Days of Darkness and that was awful.

Rey Miyamoto: Yeah it sure was. It was one of the worst events we've heard about in the team's history.

Lincoln: It was not a pretty event for us.

Me: Yeah.

Fu: But we made it all the way through that entire time.

Nico: We sure did and I am so glad that I have you guys all as my true friends.

Me: Aw think nothing of it Nico. If it were me you would have done the same for me too.

Nico: Yeah.

Me: I wonder who we'll be facing this time on Megan's 3rd Ambassador Mission.

Nico: Boy that's a good question but this is gonna be so cool.

Eli: Yeah it sure will.

Camie: I always have fun hearing about the Kamen Rider missions.

Lincoln: So does Megan. She is a big Kamen Rider fan.

Laney: One of the biggest we've ever seen.

Nicole Knudson: She sure is.

Me: But what really pisses me off is what the Build Kamen Riders had to face in their world.

Nico: I know. What they did was horrible. Especially to Sophia.

May: That was horrible.

Rita: I know it was.

Roxy: (telepathically to me) We have to be careful not to tell Nico about the party yet!

Me: (Telepathically to Roxy) Don't worry Roxy. I am not going to tell him. That's why we're not heading back to the estate till we get the okay from Myotismon.

Roxy (Telepathically) Good.

Roxy: (telepathically) If a bad guy tries to rat us out, we deny everything!

Me: (Telepathically) Right.

Lola: (Sees something) Hey look up there on that pole!

We saw what looked like a sun bittern bird.

Me: Whoa that's a Sun Bittern. One of my favorite South American birds.

Fluttershy: Oh he is so beautiful. I wonder what he is doing here.

Me: Yeah and Sun Bittern Birds don't live here in this neck of the woods.

Sun Bittern: (In a girls voice) Wait J.D.? Is that you?

Me: That voice. Tina Lindsington?

Nico: Another Gene-slammer?

The Sun Bittern reverted back and it was a girl with orange hair and orange eyes and clothes.

Tina Lindsington: Awesome to see you again J.D.

Me: You too Tina.

Tina then lost her balance and then she fell and landed right in a vat of curry sauce!

SPLORF!

Me: Oh no!

We went over and climbed up and got her out and boy was she a mess!

Nico: Are you all right?

Tina Lindsington: I'm a mess.

I licked it off.

Me: Mmm! Thai Peanut Curry sauce.

Tina Lindsington: Oh no! I'm severely allergic to peanuts!

We gasped and Maria washed all the sauce off of her with her water and we saw her swell up and she was having a hard time breathing!

Laney: I got this!

She pulled out an epinephrine pen and injected her with it and Tina was back to normal.

Tina Lindsington: (GASP) Whoa! Thanks Laney.

Laney: No problem.

Nico: That's a Gene Slammer that J.D. knows. Not for me.

Me: We still have one here.

Tina Lindsington: I saw a huge lizard with many legs in here.

Me: That's a Buglizard.

Lola: Are you all right though Tina?

Tina Lindsington: I am thanks to you guys.

Maria: Boy that is the 4th time we've had someone fall into a vat of sauce in here.

Roxy: No kidding. This is turning into a factory full of very SAUCY Shenanigans.

We laughed at Roxy's joke.

Lola: (LAUGHS) That was a good one.

Lincoln: Luan would be proud.

Zocks: That was a good one though.

Chloe Bourgeois: It sure was.

Lana: Yeah.

Tina Lindsington: But this was a funny place to see you all again.

Me: I know.

But then…

SPLAT!

I got hit in the face with a water balloon full of mustard?

Me: (Slurps) Mustard?

Lana: The Condiment King?

Fu: I think it's a Lego version of the Condiment King. Look.

We saw a LEGO VERSION OF THE CONDIMENT KING!

Lego Condiment King: Ah the Big Bad Team. I knew you'd ketchup to me sooner or later! How I've relished this meeting! I'm the Prince of Pickles, Sultan of Sauce! I am the conceptual Condiment King!

Nico: A saucy villain too.

Me: Hope you guys have a ton of hot dogs on you.

Nico: Oh I can make some.

Kaito: (takes out Kiramager gear) Then today must be your lucky day.

Zocks: (takes out Ryusoulger gear) Even though we already know all of Condiment King's moves.

Nico: Yes we sure do.

Kaito summoned smaller versions of the Kiramai Mashin and Zocks summoned the Ryusoul Ken.

Nico: Yeah!

Lego Condiment King fired ketchup blasts and they hit a hot dog Nico made and he gave it to me.

Me: (Eating it) Mmm! Good. Just like the Condiment King we know.

Lana: Yeah!

Nico: Lets see how he likes Hot Chocolate Fudge.

Nico fired a wave of molten chocolate fudge sauce and it drenched him and hardened. He was stuck and then he popped his head out.

May: Wow! Nico I didn't know you can fire chocolate sauce.

Nico: Yeah that is cool. First time doing that actually.

Then a roar was heard and then out came a BUGLIZARD!

Laney: WHOA! There's the Buglizard!

Nico: Wow!

Buglizard: (In a Girls Voice) (Kentucky Accent) Well I'll be dipped in wet ink and let loose in a coal mine. Nico it's great to see y'all.

Nico: Only one girl I know with a Kentucky Accent like that. Evelyn Hatfield it's awesome to see you.

Me: Wow are you related to…

Buglizard: I sure am. Great great granddaughter of William Hatfield.

We were amazed.

Then Evelyn reverted back and she was a girl with green hair, green eyes, had the kanji for Fairy emblazoned in the middle of her forehead and had beautiful green butterfly wings.

Nico: Now that was awesome.

Kaito approached Lego Condiment King and licked the fudge he was imprisoned in.

Kaito: Yummy.

Nico: You sure like chocolate don't you.

Kaito: It's delicious.

Me: (Laughs) That is funny. Also those are funny puns the Condiment King does.

Laney: Yeah they are.

Evelyn Hatfield: Y'all got that right.

Me: But also Evelyn your ancestors were known for having the most brutal family feud in all of history.

Miku Yuuki: Yeah I've read about the Hatfields & The McCoys and they were awful back then.

Evelyn Hatfield: It was over 140 years ago.

Camie: Why were they fighting back then?

Me: Land disputes, revenge killings, murder and more. Some of it even lead to Capital Punishment.

Evelyn Hatfield: Yeah it was purty bad.

Applejack: That was an awful feud back then.

Twilight Sparkle: That sure was and we also encountered 2 families feuding in the Smokey Mountains.

Nico: I'll never forget that. We came across a Hatfields & McCoys caliber feud in Equestria.

Lana: Yeah that was awful.

Brittney: But thanks to me showing the future, and Fluttershy having a talk to them she helped them stop fighting after all this time.

Fluttershy: Oh yes I remember.

Nico: That was strange though.

Roxy: What's your favorite memory of Nico?

Evelyn Hatfield: I have as many memories of Nico as a porcupine has a number of quills. But my favorite memory was when Nico and I were at my farm and we saw a mean girl that was as bad as a bull with a hernia. Her name was Denise Tutwiler.

Nicole: I've heard of her. She was a mean rich girl that thought she was better than everyone else.

Evelyn Hatfield: Darn tootin. She was so mean that she made a rampaging bull with rabies look like a bunny in a playpen. Me and Nico stood up to that nasty varmint and we got her to fess up everything she did.

Nico: We sure did and we even threw her into a pile of cowpies and pig manure.

We laughed at that one hilariously!

Eli: (Laughs) That was really funny!

Nico: Yep. We made her a total laughingstock and a total outcast at school. Her parents were so mad at her that they disowned her and sent her to a boarding school in Antarctica.

Laney: All the way down there!?

Lana: She'll freeze to death.

Nico: It's a boarding school over in a Russian Research Station. Perfect for her.

Eli: Wow.

Lola: That is perfect for someone with a heart as cold as hers.

Applejack: It sure is. Nasty rotten sidewinder snake in the grass.

Nico and Evelyn hugged.

Nico: I really missed you.

Evelyn Hatfield: And I've missed you more than a Coyote eating Pumpkin pie.

Tina Lindsington: That is true.

Me and Tina hugged.

Me: I've missed you Tina.

Tina Lindsington: Me too J.D. Me too.

Eli: Boy we met 4 awesome Gene-slammers in a row today.

Laney: We sure have.

Lego Condiment King was sent to the Masters of Evil and he would make an awesome addition for them.

Lincoln also called Grim, Billy, Mandy, Nergal, Velma Green, and Eris since they knew about Boogey and what he's done in the past.

Lincoln: Whoa, we're here in The Underworld, and I know what we're going to do here, not only am I going to rescue the eight girls here, but we got word that Grim's old nemesis and school bully, Boogey, has been brought back from the dead and he wants revenge on us for what we did in killing him years ago.

Nico: That's right, big guy. I can't believe Boogey's come back from the dead again.

Laniya Guillermo: And I'm going to bet that The Church of Necrom had a hand in this, and I won't be surprised if I find out it's Damian Alaister's equally sadistic and insane younger brother, Nigel Alaister, who's behind this.

Lincoln: Same here, Laniya. And I want to thank you, Grim, Billy, Mandy, Nergal, Velma Green, and Eris for joining us, Squirrel Girl.

Squirrel Girl: You're welcome, Lincoln.

Grim: (Jamaican Accent) This'll be Boogey's last scare after everything he's caused us in the past, mon.

Nergal: I'm surprised Boogey hasn't gotten expelled from school years ago, but he's gotten away with picking on us for far too long.

Velma Green: Oh, I'm so looking forward to hanging Boogey by his underwear for this one.

?: HEELLLLPPPP!

Suddenly, Lincoln heard the sound of eight girls calling for help. With his deep sapphire blue cyborg eyes, rainbow colored iris of his Third Eye, the Force, and his superhuman sight, along with sensing energy signals, he saw and heard exactly where the call for help was coming from. He saw the eight girls, but they've been cornered by Boogey, and he's going to kill them. Lincoln also saw that Boogey had the symbol of The Church of Necrom on his forehead, and this means that The Church of Necrom brought his back from the dead, and he saw an army of Zombie Demons with him.

Lincoln: Guys, I found he eight girls, but they've been cornered by Boogey, and he's going to kill them, and there's also something very disturbing: I also saw that Boogey has the symbol of The Church of Necrom on his forehead, and I saw an army of Zombie Demons with him.

We gasped in pure shock.

Laniya Guillermo: I should've known The Church of Necrom had a hand in this, and that army of Zombie Demons with Boogey, there's only one person in The Church of Necrom who's able to summon them: Nigel Alaister.

Lincoln: Damian Alaister's younger brother, who's just as insane and sadistic as his older brother.

?: Let's get that bully and make him look like a fool.

Suddenly, we saw Saggi The Dark Clown appear before us.

Nico: Wow, that's Saggi The Dark Clown.

Lincoln: And I'd recognize that voice from anywhere, I knew it was you, Luanna Lexington, but we'll have to talk later, we've got a bullying boogeyman to destroy.

We rushed on over and Lincoln fired rainbow energy balls and elemental forces at Boogey and the army of Zombie Demons were destroyed, and that allowed the eight girls to get to safety with us. When Boogey saw us, he was pissed, but when he saw how much we've changed, he was even more pissed, and we were also pissed to see him yet again.

Grim: (Jamaican Accent) You just don't even know when to quit, do you, Boogey?

Boogey: Never, I will have my revenge on you all for killing me.

Me: Correction. We condemned you to the River of Fire

Lincoln: Oh, shut up, Boogey, you've been nothing but a bully to everyone in your path, and you've tried to cause chaos and destruction years ago. Well, now you can consider this your last day alive, this time, you're going to die here and never come back!

Lincoln unholstered his massive Hinon's Cosmic Storm Sword of Universal Hope, Elemental Bravery, and Unbreakable Eternal Bonds from his wider and muscular back, and transformed into Super Angel-Ebonwu-Thunderbird Eternity Infinity Elemental Thunderbird Buffalo Angel of Universal Justice and Elemental Hope, TLPS Mr. Wolf transformed into his Super Angel Eternity Infinity form and the rest of The TLPS Bad Guys Gang transformed into their Super Angel Eternity Infinity forms and they unholster their massive swords, Sima Shi, Sima Zhao, Sun Jian, Guo Jia, Zhang Bao, Guan Xing, Cao Cao, Liu Bei, Sun Quan, Sima Yi, Jiang Wei, Jia Chong, Yukimura Sanada (Samurai Warriors), Keiji Maeda (Samurai Warriors), Kanetsugu Naoe (Samurai Warriors), Hanzo Hattori

(Samurai Warriors), and Musashi Miyamoto (Samurai Warriors) got out their weapons, Lincoln's sisters transformed into their Super Angel Infinity forms and unholstered their massive swords from their backs, Lincoln's harem unholstered their massive swords from their backs and transformed, Sherlock Hound transformed into Super Angel Eternity Infinity Stellar Darkness Demon Hound of Dark Compassion and Demonic Justice, and he unholstered his massive Sparda's Demon Fang of The Demon Hound sword from his wider and more muscular back, Crash Bandicoot unholstered his massive Skylands' Elemental Wolf Sword of Elemental Justice from his wider and more muscular back and transformed into Super Angel Eternity Infinity Elemental Skylander Bandicoot Knight Angel of Elemental Bravery and Elemental Will, Squirrel Girl, The Ghostforce, The Louds' Ancestors, The L-ementals, Noctis, Prompto, Ignis, Gladio, Stella Nox Fleuret, and Ravus Nox Fleuret got out their Keyblade and swords, Hector got out his massive Heaven's Maw of Judgement sasumata pike, and Me, Nico, Nicole, and Eli unholstered our massive swords and transformed, and we went after Boogey, and we fired powerful blasts of rainbow energy, colored energy, elemental forces, Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, Magic, steel orbs, throwing axes, stars, rainbow flames, rainbow crystals, orange flames, blue flames, ice, green flames, and water, and they exploded with incredible power as they hit him.

Then, Lincoln slashed Boogey's arms and legs off with his massive greatsword, and he fired a black energy blast made from the energy of The Black Gates, and as it hits Boogey, his spirit was finally erased from existence for good. We cheered wildly as we holster our weapons and power down.

Lincoln: This is your last scare, Boogey. (To Luanna Lexington) And it's so good to see you again, Luanna Lexington.

Luanna Lexington reverted back to normal, and she's a beautiful 17-year-old girl with long flowing light purple hair tied in a ponytail, purple eyes, fair skin, she's tall at 6'5" in height, she has the body of a goddess, she has massive purple angel wings, and she reigned in the power of Saggi The Dark Clown, and she's dressed in a short-sleeved purple blouse, sleeveless purple dress top with frills on the top part, purple skirt, purple pants, purple sneakers, and long purple sleeveless trenchcoat with darkness and clowns on the coattails, and Saggi The Dark Clown on the back, and holstered on her back is a large Saggi The Dark Clown-themed sword with a 7'0" massive, wide, double-edged purple blade with Saggi The Dark Clown etched on it, large purple angel wings for the crossguard, large purple gem embedded in the rainguard, longer black handle, and large purple gem with angel wings surrounding it for the pommel.

Luanna Lexington: You too, Lincoln, it's been a long time.

Lincoln went up to Luanna Lexington and they hugged, and Luanna Lexington was also very surprised at just how much taller and much more muscular Lincoln's gotten since they last saw him, and they also felt just how strong he's really become.

Lincoln: It sure has, I haven't seen you when you were sixteen, and as you can see, I really grew a lot since then.

Luanna Lexington: Whoa, you sure have really grown very big and strong like a tree, Lincoln, you've really grown a lot from the eleven-year-old cute little boy into a 17-year-old and permanently 7'5" tall, very handsome, and manly teen with abnormally massive and powerful upper and lower body muscles and eight-pack abs, that's so awesome.

Nico: Wow, Lincoln, you know her?

Lincoln: Indeed I do, Nico, this is Luanna Lexington, she's yet another of my Guardian Angels from Michigan, she's a funny comedian that hates bullies and she has a really strong hatred towards Lewis Travolta for him being a total jerk.

Nico: Whoa, so we're not the only ones who hate that jerk.

Lincoln: That's right, and Luanna will be awesome when it comes to our humiliation sessions, Nico.

Me: Nice.

Suddenly, a Thunderbird of Eternal Love appeared around Luanna Lexington's neck with purple gems on the gold thunderbolt links and purple crystal links from brand-new Crystal Necklace of the Buddha which merged with her Thunderbird Necklace of Eternal Love.

Luanna Lexington: (Surprised) Whoa, is this…?

Lincoln: Yep, that's a Thunderbird Necklace of Eternal Love, and that means you're now part of my harem and one of my many future wives, Luanna.

Luanna Lexington had a smile on her face and tears coming from her eyes, as she wrapped her arms around Lincoln's waist, and Lincoln wrapped his abnormally massive and powerful muscular arms around her waist, and he leaned down and kissed Luanna Lexington on the lips, and she also returned it, and we cheered for them. Then, we went up to the eight girls, and when Lincoln saw them, he recognized the girls immediately. The eight girls are Kayo Goutokuji, Urara Kasugano, Maya Kyoudou, Miou Ootori, Momoka Sonokawa, and Sakura Ena from Sabagebu! Survival Game Club!, Pawoo Nekoyanagi and Tirol Oochagama from Sabikui Bisco.

Lincoln: Oh wow, it's Kayo Goutokuji, Urara Kasugano, Maya Kyoudou, Miou Ootori, Momoka Sonokawa, and Sakura Ena from Sabagebu! Survival Game Club!, Pawoo Nekoyanagi and Tirol Oochagama from Sabikui Bisco.

Me: Awesome.

Lincoln: Are you girls okay?

Kayo Goutokuji: Yes, we're okay thanks to you.

Then, when Kayo Goutokuji and the other seven girls saw who it was that saved them from Boogey and Nigel Alaister's army of Zombie Demons, their faces turned atomic red upon seeing the 17-year-old permanently 7'5" tall, handsome, bare-chested hunk with abnormally massive and powerful upper and lower body muscles, eight-pack abs, long wild white hair going down to the bottom of his neck and rainbow lightning bolt highlights in the bangs of his long white hair, rainbow colored thunderbird with a gold lightning bolt emblazoned on his forehead with a Third Eye of the Buddha on his forehead with rainbow iris, golden lightning bolt cutie mark with the thunderbird and comic books right on his massive and wide right pec and it's surrounded by the symbols of Fire, Water, Ice, Wind, Earth, Nature, Light, and Darkness in a circle, large Celtic Cross cutie mark tattoo in the form of the cutie marks of Twilight Sparkle, Sunset Shimmer, Rainbow Dash, Applejack, Rarity, Pinkie Pie, Fluttershy, Starlight Glimmer, and Trixie Lulamoon, surrounded by a circle were the marks of the other girls in Lincoln's harem on his wider and more muscular back, and right on top was the Earth surrounded by the ring of mermaids and surrounded by a Thunderbird, Phoenix, Angel, and Buffalo, and right below the Cutie Mark tattoo is a deep sapphire blue kanji that said, "Lincoln Landon Loud, Champion and Emissary of Hinon, Master of Lightning Storms, The Weather, The Elemental Forces, The Cosmos, and The Universe, The Loud House's Man With A Plan, Golden-Hearted Brother of Many Siblings, and Golden-Hearted Lover, Father of Many Kids, Son, and Future Husband, Descendant of The 17th Century Duke Lincoln of Loch Loud in Scotland, Destroyer of Morag McLaughlin, Destroyer of Evil, Black-Hearted, Sadistic, Delusional, Power-Hungry Bastards, Talented Comic Book Writer and Video Gamer, God of Truth and Justice, and Ambassador and Beacon of Hope to The Universe", he has deep sapphire blue eyes, a tattoo of a pepper with fire surrounding it and a kanji that read "Spiciest Man of The Loud House" on his broader and muscular left shoulder, and a Mark of Manhood tattoo of a male bodybuilder with a barbell raised above his head and around him are elemental forces and an orange kanji that read, "Lincoln Landon Loud, Strongest, Bravest, Resilient, Courageous, Handsomest, and Manliest Warrior of The Loud Family" on his massive left muscular forearm.

He had his massive Hinon's Cosmic Sword of Universal Hope, Elemental Bravery, and Unbreakable Eternal Bonds holstered on his wider and muscular back, his large orange Crystal Saber, large rainbow-colored leather and gold metal bound Elemental Spellbook of Harmonious Justice, Eternal Harmony, and Equestrian Peace on his left hip and his Eater of Sins revolver holstered on his right hip, the Pisces the Fish constellation and Aquarius Zodiac sign on the back of his neck and the Cygnus the Swan constellation on the back of his massive left hand, large weighted orange bands on his massive biceps and thighs with silver phoenixes on them, his large gold cuff Bracelets of The Champions of the Universe with large orange gems on his large wrists, massive and indestructible deep sapphire blue angel wings with stars and blue nebulae reflecting on them with rainbow tips on the large deep sapphire blue feathers, and he was dressed in an orange version of He-Man 2002's loincloth with hanging silver lightning bolts and long glowing neon orange trenchcoat coattails with elemental forces, Thunderbirds, Phoenixes, Angels, and Buffalo on them and had intense powerful rainbow hot flames coming off them and hanging mini silver lightning bolts held up by his large gold Belt of Elemental Bravery with a large golden buffalo head with orange gems for eyes and a large orange gem in its mouth for the belt buckle on his waist, a pair of large blue pants with multicolored lightning bolts on the thighs with the orange kanji that said, "Savior of The Loud House, True Hero, Amazing and Powerful Student of Numerous Amazing and Powerful Teachers, Shinobi of The Hidden Leaf Village, Member of The Crusaders of The Thunderbird, Founder of Team Loud Phoenix Storm, Dodgeball Angel King of Gotham Royal York, The Unifier of The Three Kingdoms, and Destroyer of The House of Damaskinos" on the left leg, and large white leather combat boots with gold lightning bolts surrounded by a circle of smaller gold lightning bolts and armor on the toe area, silver Buffalo head stud earrings with the Thunderbird and Eternity Kanji on it, large Thunderbird Necklace of Eternal Love with colored gems on the gold lightning bolts and orange crystals from his merged large Crystal Necklace of The Buddha with a large Element of Harmony deep sapphire blue gem in the shape of a Thunderbird and a large silver Buffalo head with the Thunderbird and Eternity Kanji on its head for the pendant on his bare chest, large fingerless orange gloves with the symbol of The Loud House on it and surrounded in a diamond formation are a Phoenix, Thunderbird, Buffalo, and Angel, a large Orange Buffalo Animal Spirit Ring which merged with his Ring of The Phoenix on his left ring finger, large Blue Lantern ring on his right ring finger, he had eight large orange orbs orbiting around his legs, and circling around his feet on the floor are eight golden crosses with angelic runes.

Kayo Goutokuji: Oh wow, you're Lincoln Loud of Team Loud Phoenix Storm.

Lincoln: That's right, and it's a pleasure to meet you all.

Then, Lincoln made seven clones of himself, and he and the seven clones went up to the girls, and hugged their waists in their abnormally massive and powerful muscular arms, and they lean down and kissed the girls on the lips, which they returned with equally intense passion, as they wrapped their arms around the necks of Lincoln and his clones, and we cheered wildly at the scene.

Kayao Goutokuji: (Seductively and rubs her right hand on Lincoln's massive and wide right pec) You too, big, tall, muscular, and handsome.

Suddenly, eight Thunderbird Necklaces of Eternal Love appeared on the necks of Kayao Goutokuji, Urara Kasugano, Maya Kyoudou, Miou Ootori, Momoka Sonokawa, Sakura Ena, Pawoo Nekoyanagi and Tirol Oochagama with colored gems on the gold lightning bolts and crystals links from their merged Crystal Necklaces of The Buddha. We return to the TLPS World Tree Estate, and we told everyone what happened, and they were shocked when they found out that the villain we went after was Boogey, Grim's old nemesis and school bully, who was brought back from the dead thanks to getting resurrected by Nigel Alaister, and they also saw his army of Zombie Demons.

But, when Lincoln showed what we did to that bullying boogeyman and destroying Nigel Alaister's army of Zombie Demons, everyone cheered wildly for Lincoln and the rest of us, and they hugged us, and the girls in Lincoln's harem then went up to Lincoln, and they kissed him all over. Lincoln and Luanna Lexington have a lot of catching up to do, now that she's back in town, and not only are we finally rid of Boogey, but this means that later on, Laniya Guillermo and Lincoln are going to deal with Nigel Alaister, and they're going to make that sadistic and insane warlock pay for his crimes, and that will also piss off Damian Alaister and the other members of The Church of Necrom.

---

After finally getting rid of Boogey and this time for good and destroying Nigel Alaister's army of Zombie Demons, we were training intensely in the Rec Center gym, this time, doing 150,000,000 reps of crunches, wing push-ups and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 9,500-lb barbells, squats, and going a few rounds with the punching bags, and we were really sweating like crazy, even doing yoga to clear our minds, and when Luanna Lexington saw Lincoln working out like crazy, she had an atomic red blush on her face.

Luanna Lexington: Whoa, I was right that Lincoln has really grown to be a 17-year-old permanently 7'5" tall, really big, and really strong man, just look at those abnormally massive and powerful upper and lower body muscles and his eight-pack abs hard at work, and working out with those 9,500-lb barbells and he's not even get tired, incredible.

Lincoln: Yep, and I've also trained a lot under some very powerful teachers, J.D. and Nico included, Luanna, and now, I can also defend myself, and in addition to getting stronger, I've also gotten smarter as well.

Luanna Lexington: That's incredible.

Nico: It sure is. So, Luanna, what memories did you have with Lincoln?

Luanna Lexington: Oh, you're going to love this one, Nico. One day, Lincoln and I were working on a project for school, for this one, we were to create a half-scale model of The Coliseum in Rome, and I had a picture of The Coliseum from when we went to Rome on family vacation. But, I also found out that today was April Fools' Day, the day Luan goes nuts with her pranks. Lincoln told me everything about what that prank-crazy Luan was up to on this day of the year. While we were working on our project, Lincoln sensed a disturbance, and he and I ducked as we saw two spring-loaded punching gloves heading our way, and we had to get our project out of the way, or Luan was going to mess it up and we'd fail. Our project came out unscathed, but I wasn't going to let Luan get away with it. I may be a comedian, but what I couldn't stand was a prank-crazy prankster who got her kicks out of making her own family miserable with her pranks. So, I told Lincoln to hide out in his room, while I went downstairs and set up a bunch of counterpranks. When Luan came downstairs, she saw that I wasn't hurt by any of her pranks, and she tried to attack me, only to get hit with three banana cream pies and then, I offered her a drink, but what she didn't know was that I spiked it with some powerful laxatives, and when she felt it take effect, she ran up to the bathroom, and the rest, well, you get the idea.

We were impressed by Luanna Lexington's counterprank on Luan.

Nico: Whoa, looks like the prankster got outpranked, nice one, Luanna.

Lori: Luanna really saved our butts on April Fool's Day, and that proves one thing: you mess with her and Lincoln, and you're going to get pranked big time.

Me: Nice one.

Luna: Yeah, dude, when it comes to outpranking Luan, Luanna's a genius.

Luanna Lexington: And the next day, we got an A on our project, and Luan got grounded for nine weeks, as she had to clean up the house of all her pranks that she set off during April Fools' Day, and I was there to make sure she cleans the whole house up.

Nico: Awesome.

We then got a shower afterwards, and then, Lincoln and his harem were heading to The Glade of Dreams for an exploration, and they weren't going alone, Nico and his harem were also joining in as well, and it's also perfect because this'll give us time to set up for Nico's birthday, and Rayman was also going with Lincoln and his harem and Nico and his harem. But, they also had to be on guard since Nigel Alaister's bound to have another villain out to kill us again. We arrived at the Glade of Dreams, and it's still as amazing as ever.

Lincoln: Ah, we're here in The Glade of Dreams, and it's still as peaceful as ever.

Nico: You said it, Lincoln, and I'm definitely looking forward to this exploration date, as well. But, we also have to be on guard, there's no telling what else Nigel Alaister's got in store.

Lincoln: You're right, Nico, there's no telling what else Nigel's got in store, but we've been taking them down one at a time, and once we take down the whole hierarchy of the Church of Necrom, all that's left to do is take down Damian Alaister, and I'm really looking forward to making that bastard pay for summoning that Rage Demon to torment me. He's crossed one line too many this time.

May: Yeah, what a monster.

Nicholette Torrington: And a demonic sore loser.

Rayman: You said it. Alright, guys, shall we?

Lincoln: Lead the way, Rayman.

Lincoln and his harem and Nico and his harem began exploring The Glade of Dreams, and it's truly a beautiful place, and Rayman was their guide through The Glade of Dreams. Then, they had lunch in a picnic area that Rayman knew here in The Glade of Dreams. Suddenly, the eight large orange orbs orbiting around Lincoln's legs and the eight large colored orbs orbiting around Nico's legs were both glowing and spinning like crazy, and Nico and Lincoln also sensed something and Lincoln's deep sapphire blue eyes and the rainbow iris of his Third Eye were now glowing, and they fired rainbow energy blasts, and it hits a nearby bush, and a figure was forced out: it was none other than our old enemy, the insane Dr. Animo.

Lincoln and Nico: Dr. Animo?!

Lincoln and Nico tied the insane mad scientist up with two rainbow energy straitjackets and rainbow energy chains, so he couldn't escape.

Nico: But, how did Dr. Animo escape? We had him sent to Arkham Asylum and (Realizes something) Wait a second.

Lincoln lifted Dr. Animo's head up, and they saw that he had the mark of The Church of Necrom on his forehead, and that meant Nigel Alaister also brought him back from the dead.

Laniya Guillermo: That explains it, Dr. Animo was freed from

Arkham Asylum, thanks to that insane bastard, Nigel Alaister.

Rayman: And knowing the fact that Damian's younger brother had a hand in this, we're so going to report this one to Vypra and the Masters of Evil. Plus, I think Animo could be a potential member of The Masters of Evil, but first, we got to get rid of the mark of The Church of Necrom.

Nico: But, how to do that without killing Dr. Animo is the big question?

Lincoln: The only way to do that is to take down Nigel Alaister, once he's taken down, the mark of The Church of Necrom should disappear.

Nico: Awesome thinking, big guy.

Suddenly, beautiful lights began shining down right in front of the group and in front of Rayman, and then, they saw something emerge from the lights, it's a brand-new greatsword called Celtic Dream Glade's Greatsword of Celtic Dream Justice, it's a brand-new greatsword with The Glade of Dreams and a Celtic Triquetra etched on the 7'0" massive, wide, double-edged purple blade, large upward pointing angel wings, a large red gem embedded in the rainguard, longer black handle, four large dragon heads with green gems for eyes and green gems in their mouths and on the bottom of the four large dragon heads is a large green gem.

Nico: Whoa, now that's one awesome looking Celtic Greatsword.

Lincoln 2: (Through the Rainbow Thunderbird and Rainbow Iris of Lincoln's Third Eye) Whoa is right, Nico, the brand-new Celtic Greatsword that has appeared before Rayman is known as Celtic Dream Glade's Greatsword of Celtic Dream Justice, it's the brand-new greatsword that's also the companion weapon for Rayman's Celtic Moon Gauntlets of Glade Justice.

Rayman: Awesome.

Rayman grabbed the longer black handle of the Celtic Dream Glade's Greatsword of Celtic Dream Justice, and then, Rayman's purple eyes glowed, and then, Rayman was surrounded by a massive vortex of purple energy with light and moonbeams surrounding the vortex, there's a group of Lums flying around the vortex, and in the vortex is a white phoenix. Then, as the vortex faded, Rayman emerged, but he was changed forever.

(IMPERATRIX MUNDI PLAYS AT 1:45 TO 2:14)

Rayman grew from 7'1" to 7'4" in height, his abnormally massive and powerful upper and lower body muscles grew bigger and he still retains his eight-pack abs, he has purple highlights in the bangs of the two fronds of his strawberry-blonde hair, he has neon purple eyes and a purple energy aura with light, Lums, and moonbeams surrounding him, he has a Lum held right in the hands of a thingamajig emblazoned on his forehead, he has on his Crystal Necklace of The Buddha with both red and purple crystal links with a Fairy holding a Lum and the Light and Eternity Kanjis for the pendant. Suddenly, Rayman felt a sharp pain on his wider and more muscular back, and then, his massive strawberry-blonde angel wings with purple and red tips on the large strawberry-blonde feathers on his wider and more muscular back then grew much larger for his new body. Rayman has on a Ring of The Phoenix with large purple gem and heart-shaped gem embedded in the gem on his left ring finger and his Blue Lantern Corps ring on his right ring finger. Rayman's long long-sleeved purple trenchcoat, purple short-sleeved shirt with red hood and mysterious white ring on it and the phoenix with the symbol of The Celtic Dream Crusaders above it, purple pants, an black ankle-high combat boots with Lums for shoe buckles then grew much longer for his new body, the purple coattails of Rayman's long long-sleeved purple trenchcoat still has Lums and fairies on them and on the back is a fairy with Lums surrounding it, along with the symbol of The Celtic Dream Crusaders above her head.

Rayman has on his Celtic Moon Gauntlets of Glade Justice and his brand-new massive Celtic Dream Glade's Greatsword of Celtic Dream Justice in his larger right hand, he has on his brand-new large gold cuff Bracelets of The Champions of The Champions of The Universe with red gems on his wrists hidden in the long sleeves of his long-sleeved purple trenchcoat and his new gold Belt of

Elemental Bravery with a golden Lum with purple gems for eyes and a large red gem in its mouth for the belt buckle on his waist, large rainbow-colored leather and gold metal bound Elemental Spellbook of Harmonious Justice, Eternal Harmony, and Equestrian Peace on his left hip and his Eater of Sins revolver holstered on his right hip. There's a red kanji below the fairy that said, "Rayman, Legendary Limbless Hero and Guardian of The Glade of Dreams, Member of The Celtic Dream Crusaders, Friend to Globox and Many, Destroyer of Mr. Dark and The Nightmare Creatures, Slayer of Evil, Deranged, Murderous, Ruthless, and Sadistic Bastards, Amazing and Powerful Student of Amazing and Powerful Teachers, and Master of Light, Lums, Moonbeams, and Celtic Dreams" Rayman has transformed into SUPER ANGEL ETERNITY INFINITY CELTIC DREAM GLADE ANGEL OF MOONLIGHT JUSTICE AND CELTIC DREAM HOPE!

The group was really amazed by Rayman's Super Angel Eternity Infinity transformation, but when Dr. Animo saw it, he went mad. But, Rayman fired a powerful blast of purple and red energy with Lums, fairies, Celtic symbols, light, and moonbeams, which hits Dr. Animo, and it got rid of The Church of Necrom's mark on his forehead, freeing him from their influence, and knocking him out. The gang all cheered for what Rayman did as he holsters his brand-new massive Celtic Dream Glade's Greatsword of Celtic Dream Justice on his now wider and more muscular back and he powered down, and his new body, clothes, weapons, jewelry, and massive angel wings are permanent.

Nico: Nice one, Rayman, and thanks to you, we now have a new member for the M.O.E., and Nigel Alaister, if you and your fucked-up brother and your cronies are still watching this… (FLIPS THEM THE FINGER)

Nico flipped the finger at Nigel Alaister who was watching from the shadows, and when he saw it, he roared with insane fury, and the same went with Damian Alaister and the other members of The Church of Necrom.

Lincoln: Nico, I think you just pissed them off even more.

Nico: Ah, let them get pissed. Besides, hearing them roar in insane fury when they see us foil their plans and us flipping them the bird, it's way too fun.

Lincoln: Heh, yeah, you're right. We can't stand them anyway.

The groups continued their exploration of The Glade of Dreams, and then, Lincoln and Nico made clones of themselves and they and their clones both went up to the girls in their harems, and they wrapped their abnormally massive and powerful muscular arms around the girls' waists, and they passionately kissed and hugged with supercharged and intense passion, and it also became even more sizzling hot for the girls in Lincoln and Nico's harem as they wrapped their left arms around the thick muscular necks of Lincoln and Nico and their clones and placed their right hands on the massive and wide muscular pecs of Lincoln and Nico and their clones. Then, as the time arrived, they all came back home.

And back in their demonic castle, Nigel Alaister saw what Lincoln and Nico did and foiled his latest scheme again, and it pissed him off so badly, his red eyes turned blood red with insane rage and he flew into an insane rage, and we heard it from the World Tree Estate. The Cutie Mark Crusaders in the World Tree Estate covered Nanua's ears when that crazy bastard screamed in insane rage.

Lincoln: (Smirks) Serves you right, Nigel Alaister, but don't worry, you'll get your just desserts very soon.

Later it was time for Megan's 3rd Ambassador Mission.

Me: I have a feeling this one is gonna be awesome.

Laney: It sure is.

William: Anyone else want to go with Megan? Besides Lucky, Living Laser, and 3 Rabbids?

Sophia Nuremburg: I'll go. I want to tell them what the Faust Organization did to me.

Nico: Good idea. Anyone else?

Twilight Sparkle: Well me and my friends want to go too.

Nico: You really want to read all those books don't you?

Twilight Sparkle: Oh I sure do.

Nico: All right lets head out.

We were off to Japan.

We arrived in Japan.

Touma: Hey guys.

Me: Hey Touma.

Megan: Touma, meet my archenemy.

Living Laser: Name is Arthur Parks but I go by Living Laser. I'm originally one of Iron Man's archenemies. But now I'm Megan's archenemy. I have light laser powers in my suit.

Touma: Wow! It's an honor.

Lucky: Awesome to meet you too. My name is Lucky, leader of the Kyurangers.

Me: The Kyurangers came from another universe where the Galaxy was at war with the evil Jark Matter empire.

Touma: Oh wow!

Nico: I've got the perfect setup for the Saber team. So far, I've set up Touma, Rintaro, Kento, J.D., and Megan. I just need one more.

Me: you would be perfect for it Nico. Also Ryo, Ren, Tetsuo, Yuri, Reika and Ryoga too.

Nico: Good idea.

Megan Kiraton: That is awesome.

Sophia Nuremberg: Oh sorry. My name is Sophia Nuremberg.

Touma: Oh pleasure to meet you.

Me: She is here because she wants to show you something she got from the Kamen Rider Build dimension.

Nico: Because of a certain organization that pissed me off.

Sophia showed her Jagan Eye.

Me: They did all kinds of evil unholy experiments and made Sophia get the Jagan.

Eli: Yeah and we're mondo pissed at them for tampering with mother nature.

Living Laser: Kento, how about you and Nico go patrol outside in case any scumbags show up?

Kento: Good idea.

Nico: Lets go then.

Me: I'll stay back and tell everyone what happened.

Nico: Okay.

They left.

Me: So the reason Nico is really pissed off at the guys that did this to Sophia is because they are part of an evil organization that did those unholy experiments. Its name is Faust. You know like Dr. Johann Faust who made the term Faustian Bargian.

Yuri: I see.

Me: They are a malevolent organization that is playing with fire.

I told them all about it.

---

Faust is a mysterious organization that creates the Smash monsters and the overall main antagonist faction of Kamen Rider Build.

The organization began as an unsanctioned Touto government military research program conducted by Gentoku Himuro, head of Touto's Institute of Advanced Matter Physics, for the purpose of conducting experiments to weaponize the Rider System so it could be mass produced for Touto's military. The organization also receives backing from the arms manufacturer known as Namba Heavy Industries Ltd.

Following their apparent dissolution, Faust abandons their original purpose of making Touto the dominant region of Japan and instead allies with whoever is willing to fund their research, including Touto's rival nations.

Faust was first founded by Gentoku Himuro, Soichi Isurugi, Kaisei Mogami and Takumi Katsuragi with funding from Namba Heavy Industries Ltd. after Takumi Katsuragi's human experimentation with Nebula Gas was shut down and Gentoku was forced to fire him from the Touto Institute of Advanced Matter Physics. Gentoku secretly approached Katsuragi afterwards and set up a secret research lab in a Namba Heavy Industries storage facility for Katsuragi to continue his research, Assembling a group of like-minded researchers at TIAMP who believed in the advancement of science at all costs and securing the backing of Namba Heavy Industries, Gentoku formed Faust with the intention of using Nebula Gas to engineer advanced weapons for the Touto military so Touto would be able to defend itself in the event of a war between the three regions of Japan. To accomplish this, Faust stole the panels that comprised the Pandora Box's outer layer to utilize them to make Fullbottles and covered up any evidence of their existence to prevent the other regions from getting suspicious.

Soichi's daughter Misora was also initially a member of the organization, having been deceived into believing they had good intentions so she could be used to purify Fullbottles for them. However, after Misora found out the truth she lost her will to continue purifying Fullbottles since they were being used for a destructive cause. Katsuragi also turned against the organization around this time and began plotting to kill Blood Stalk after discovering he was really the alien life-form Evolt.

To solve two problems at once, Stalk wiped Katsuragi's memories and swapped his face with that of Taro Satou so he could be molded into a "hero" to give Misora a motivation to purify Fullbottles again. Stalk then staged Taro Satou's body (with Takumi Katsuragi's face) and framed Ryuga Banjou for Katsuragi's murder. After Banjou was arrested, Stalk blackmailed prison security guard Masahiro Nabeshima into handing Banjou over to Faust so he could be experimented on.

When Namba Industries threatened to leak the Rider System to the other governments unless Touto adopted it, Faust conspired to steal the Pandora's Box from the Touto Institute of Advanced Matter Physics in order to raise hostilities between the three regions to the brink of war so the Touto government would be pressured into adopting it for military use. As the Prime Ministers of Hokuto and Seito arrived to inspect the Box and the research being done on it, Faust commenced their plan and Blood Stalk led a team of Faust Guardians to grab the Pandora's Box by force. To prevent Kamen Rider Build from interfering, Stalk had TIAMP researcher Shingo Kuwata transform into the Flying Smash to lure him away. Despite resistance from Build as well as Ryuga Banjou, Night Rogue and Blood Stalk were successful in their endeavor and tensions between the three regions rose considerably. Afterwards, Stalk poisoned Touto Prime Minister Taizan Himuro so Gentoku would rise to power and be able to lay the groundwork for war.

After Gentoku was made acting Prime Minister of Touto while his father was ill, he chose to disband the organization and staged a confrontation between it and the Touto military. At the confrontation, he had his aide Nariaki Utsumi pose as the leader of Faust, Night Rogue, and had him finished off to prevent him from talking. Despite, the organization was rebuilt by Blood Stalk in Hokuto. They allied with the Hokuto government and began conducting research on the Hard Smash, Smash capable of retaining their human consciousness while transformed. In addition to this, Faust also provided the data on the Sclash Driver to Hokuto so they could develop their own Kamen Riders to assist them in their invasion of Touto. The candidate for Hokuto's Kamen Rider was selected to be Kazumi Sawatari, a farm owner whose farm had been devastated due to the Skywall. After having his Hazard Level raised by exposure to Nebula Gas, Kazumi gained the power to wield a

Sclash Driver, using it to transform into Kamen Rider Grease. Faust conducted experiments on three voluntary test subjects, turning them into Hard Smash. These three would later come to be known as the Hokuto Three Crows.

Following the downfall of Hokuto, Faust joined the Seito government and began backing their military. During their time under Seito's employment, Faust developed an artificial type of Smash in collaboration with Namba Industries called Clone Smash, which did not require a human host. Following the downfall of Namba Heavy Industries brought about by Evolt, Faust became the driving force behind Seito's military. They also began working on engineering the final form of Smash, Lost Smash, which were created from infusing an empty Fullbottle with the essence of a Clone Smash. These experiments were spearheaded by Shinobu Katsuragi, father of Takumi Katsuragi, and were all aimed at creating the ten Lost Bottles so Evolt could use them to complete the Black Pandora Panel and gain the ability of warp travel.

After the World of Build was merged with the main Kamen Rider world and the Skywall Disaster as a result never happened, Faust's existence was undone as well due to the Skywalls having never arisen.

When I was done they were horrified!

Tetsuo: That is horrible!

Me: Yeah no kidding. They are really messing around with forces that they don't even comprehend. And they are really messing around with the laws of Mother Nature. And that is going to lead to devastating consequences.

Rarity: Consequences that are all in the form of us.

Me: Yep. You mess with Mother Nature and there will be terrible consequences.

Eli: Yeah.

Me: Look what happened to the Paradigm Brothers. They were messing around with the laws of Mother Nature and look what happened to them. They died by our hands. And the Faust Organization is soon going to suffer the same fate.

Tetsuo: That is awful.

Twilight Sparkle: Yeah no kidding there.

Rainbow Dash: What they were doing is absolutely not awesome at all.

Yuri: That is bad.

Reika: I don't think this is the primary reason of why you wanted Kento and Nico to patrol outside.

Lucky: You're right. It's actually Nico's birthday today.

Me: That's right. Today is his birthday.

Touma: Cool! Tell him happy birthday from us.

Me: We will. But his party is at the estate and we're getting everything ready.

Eli: We sure are.

Reika: That is awesome. Also is it true that your estate is now a ginormous tree?

Me: It sure is. It went from a huge mansion to a massive 528,000 foot tall world tree estate.

Rintaro: That is really incredible.

Sunset Shimmer: We all were amazed ourselves.

Lucky: Now, whatever you guys do, don't spoil the surprise. Even if a bad guy spills the beans, deny everything.

Touma: Our lips are sealed.

Me: Good. But I sense that a familiar foe is coming in a few minutes.

Eli: Who is it?

Me: Someone that is from another dimension and he pissed me off big time.

Suddenly there was an explosion!

KRABBBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

Kento: Guys, get in here! We have company!

Me: We're on our way!

We were off and we arrived in the park and to our shock we saw the former leader of Faust himself! It was GENTOKU HIMORO A.K.A. NIGHT ROGUE AND KAMEN RIDER ROGUE!

---

Night Rogue is the leader of the enigmatic organization Faust and a major antagonist of Kamen Rider Build, serving as the main antagonist of the "Faust" arc, a major antagonist in the "Invasion of Hokuto" arc, the secondary antagonist of the "Invasion of Seito" arc, and one of the main protagonists for the rest of the series, as well as the titular main protagonist of the ROGUE miniseries and "Prime Rogue" special. His true identity is Gentoku Himuro, son of Touto Prime Minister Taizan Himuro and head of the Touto Institute of Advanced Matter Physics.

He is responsible for the experiments carried out on Sento Kiryu and Ryuga Banjou and later for abducting Ryuga's girlfriend Kasumi and turning her into a Smash. As one of the people who was struck by the light of Pandora's Box when it was first opened, Gentoku has developed a twisted and deluded mental state, fearing an invasion from Touto's neighboring regions and seeking to conquer and unify the rest of Japan.

In pursuit of this goal, Gentoku founded Faust with infamous Pandora's Box researcher Takumi Katsuragi and former astronaut Soichi Isurugi, taking up the alias "Night Rogue" as a member of the organization. Faust was formed to conduct experiments on humans with Nebula Gas for the purpose of innovating the Touto military so it would be able to defend an invasion from Hokuto and Seito.

After his crimes are unearthed and he is banished from Touto, Gentoku is then left with nowhere to go to but Faust's benefactors, Namba Heavy Industries Ltd.. Following a period of intense training in a concentration camp run by the company, Gentoku raised his Hazard Level high enough to wield a Sclash Driver and became the Kamen Rider of Seito, Kamen Rider Rogue. However, his raised Hazard Level also negated Pandora's Box's effects on his psyche, and Gentoku eventually would defect from Namba's side and join the heroes, becoming one of the main protagonists of the series.

Gentoku serves as the main antagonist of the "Birth" arc and later as a major antagonist in the second half of the "War" arc. He also appears as the protagonist of the three-part ROGUE Blu-Ray miniseries which details his origins and how he became Night Rogue.

He was portrayed by Kensei Mikami, who also played Teru Mikami in the 2016 live action Death Note film. In the Korean dub, he was voiced by Nakyoon Choi.

Within a decade of the raising of the Skywall, Gentoku rose to a prominent position within the Touto government, being the head of Touto Institute for Advanced Matter Physics and the one in charge of conducting research on the Pandora Box. Fearing an attack from Touto's rival nations of Hokuto and Seito, Gentoku believed that the only way for Touto to protect itself was to ramp up its military spending, a viewpoint that clashed with the more pacifist and non-aggressive beliefs of both his father and friend Koji Hotei.

While out having fun at a karaoke bar, Gentoku received a call notifying him that researcher Takumi Katsuragi had begun another unauthorized experiment on a human with Nebula Gas. Leading a squad of Touto Special Ops, Gentoku and his men bust into Katsuragi's lab and shut down the experiment. However, Gentoku would later approach Katsuragi the next day, revealing that he had only fired him to cover his tracks from Touto law enforcement. Gentoku brings Katsuragi to the Namba Heavy Industries Laboratory and provides him with an entire lab to continue his research from, but to Katsuragi's delight.

Several months later, the very first Smash is created due to a miscalculation in one of Katsurgi's experiments. A mysterious man shoots the Smash with his Transteam Gun to revert it back to human, and Gentoku recognizes the wielder of the Transteam Gun as Soichi Isurugi, the astronaut who had caused the Skywall Disaster. Isurugi reveals to Gentoku that he was sent by Namba Heavy Industries Ltd. to assist them in their research of the Pandora Box and later offers that they team up, a deal which Gentoku compares to the story of Faust and the demon Mephistopheles. Not trusting Isurugi, Gentoku declines.

Gentoku later meets Hotei again at the karaoke bar and the two sing a song together. After that, the two converse and Hotei reveals that Taizan had decided to make him his successor as Prime Minister, much to Gentoku's surprise. Hotei then thanks Gentoku for talking with him, as it has made him feel much more ready to become Prime Minister before leaaving. As Gentoku departs from the Karaoke place too however, Hotei's dead body drops before him. Soichi then appears and Gentoku realizes he was the one who killed Hotei. Gentoku accepts Soichi's offer to work with him, and later goes to the Namba Industries Laboratory. There he announces to his staff of scientists that they will now be known as Faust and uses the Transteam System Katsuragi designed to transform into Night Rogue for the first time.

Gentoku is first seen being interviewed along with his assistant, Nariaki Utsumi, by Sawa Takigawa, where he states that the Institute's objective is to decipher the Pandora Box before other countries attempt to invade any of the three regions of Japan. The following day, Gentoku accepts Sento Kiryu into the Institute to assist in studying the Pandora Box. The two soon hear of the news that Ryuga Banjou has escaped from prison. Gentoku tells Sento that Ryuga murdered one of the Institute's researchers, Takumi Katsuragi.

Night Rogue observes Sento and Ryuga.

Following Sento's battle with Strong Smash, Gentoku and an army of Touto Guardians and soldiers arrive and demand Build hand over Ryuga. However, Build chooses to instead escape with Ryuga, prompting the Touto forces to go after them. The two are observed escaping by Night Rogue, who comments that "the war has begun."

Night Rogue later kidnapped Ryuga's fiance, Kasumi Ogura, to be turned into a Smash. When Ryuga called her, Night Rogue answered her phone and forced Ryuga to listen as Kasumi was prepared to be injected with Nebula Gas. Following Kasumi's conversion into the Burn Smash, Night Rogue unleashes the monster and sends it to attack Ryuga. With it being too late to save Kasumi due to her being a "Hazard Level 1", Build was forced to kill her to end her suffering.

After Team Build manages to track down Masahiro Nabeshima, Night Rogue had him contact them by phone in order to lure them into a trap. Rather than hold up his end of the deal and release Nabeshima's family, whom he was holding hostage, Rogue instead opts to turn Nabeshima into the Mirage Smash and sic him on Kamen Rider Build when he shows up. After Build defeats the Mirage Smash and purifies its essence, reverting it back to Nabeshima, Rogue had Blood Stalk retrieve Nabeshima before Sento could obtain any information from him.

Rogue later injected Nabeshima with Nebula Gas again, turning him into the Square Smash before sending him after Build. The Square Smash's fight with Build was observed by Blood Stalk, who only intervened to enlarge the Smash with Devil Steam before leaving as Build defeated and purified it. Night Rogue later questioned Stalk as to why he let Build live, but Stalk assured him it was all according to plan.

At Faust's backup lair, Gentoku and Utsumi are informed by Blood Stalk that Sento plans to head to Hokuto and that it would disrupt their plan to utilize the Kamen Rider System as a military weapon if Sento got caught by the Hokuto government. Gentoku decides to head to the Skyroad to stop Sento and orders Stalk to accompany him but Stalk refuses. In response, Gentoku turns into Night Rogue and briefly engages him, causing Stalk to concede and agree to accompany Rogue. At the Skyroad, Night Rogue sends several Faust Guardians to capture some Hokuto refugees and threatens to kill them if Build doesn't show himself. Sento turns into Build and fights Rogue while Ryuga, who was dressed as a clown, engages the Guardians. With his bat-like abilities and his Steam Blade's Ice and Elec Steam attacks, Rogue gains the advantage and overpowers Build. Rogue then turns to Ryuga but before he can attack him Build sneak attacks him. As Build and Ryuga ride away on the Machine Builder. Rogue orders Stalk to stop them. Stalk places the Rocket FullBottle in his Steam Rifle and performs a Steam Attack, but triggers it in such a way that it rebounds and almost hits Rogue, giving Build and Ryuga time to escape.

Gentoku later questions Stalk on his methods during Build's fight with a Smash in Hokuto, but Stalk rebuffs the claim and reminds him that the data Takumi Katsuragi hid in Hokuto could be used to not only upgrade and militarize the Rider System. Learning that Sento and Ryuga plan to return to Touto with Kyoka Katsuragi, the mother of Takumi Katsuragi. Believing that she knows where her son's hidden data was located, Night Rogue intercepted Kyoka's car and knocks her out, sending Faust Guardians to fight Build while he brings Kyoka's unconscious body to Faust's lair. At the hideout, Rogue cancels his transformation and interrogates Kyoka on the location of her son's hidden data, offering give her the last letter Takumi wrote to her but never sent if she reveals where it is. Kyoka gives in, telling him that the data is in a safe deposit box at the Touto Bank anding hand Gentoku a badge and key with its number. Gentoku then hands her the "letter", which turns out to just be a blank paper, and tells her that her son wasn't the type of person to show gratitude to his parents. Angered that she had been deceived, Kyoka hits Gentoku causing Utsumi restraints her arm. Gentoku then orders the Faust scientists to administer the Smash element and send her back to Hokuto, causing her memory of him to be wiped.

Gentoku and Utusmi then head to the Touto Bank and open the deposit box but instead of finding the data they find a letter by Takumi in it stating that whoever opened it is untrustworthy. However, just then Utsumi received a call from Blood Stalk, which Utsumi hands to Gentoku. Stalk tells them that Sento and Ryuga have discovered the location of the hidden data, the abandoned Namba Heavy Industries Integrated Sciences Laboratory. Traveling there, Gentoku transforms into Night Rogue and attacks Build while Ryuga fights Stalk. Rogue tells Stalk to leave with the data, but Ryuga continues to go after Stalk. Rogue continues to Rogue battle Build until he sees Stalk toss the drive to Ryuga. Rogue attempts to go after Ryuga but Stalk prevents him from doing so to allow Build and Ryuga to leave. Rogue then asks Stalk what he's scheming to which Stalk says that they do not need the drive, just the tools the data can create and that both Sento and Ryuga can do it.

Theft of the Pandora Box

Gentoku later meets with Faust's benefactor, Juzaburo Namba, in a Touto bathhouse. Namba questions him as to if he has managed get Prime Minister Taizan Himuro of Touto to develop an interest in the Rider System, but Gentoku informs him that his father remains unconvinced. Reminding Gentoku of the money he's placed in Faust, Namba threatens to partner up with either Hokuto or Seito if Gentoku does not turn over the Rider System plans to him.

He later discovers that Ryuga and Misora are going for a walk in public in disguise and sends several Faust Guardians after her. While Ryuga takes the Guardians on, Misora flees and contacts Sento to tell him their location. Night Rogue then appears and attempts to take Misora back to Faust, intimidating her to the point where she faints. Ryuga then attacks Rogue, but is easily overpowered. However, Blood Stalk then arrives and tells Night Rogue not to act behind his back, allowing Ryuga to take Misora and leave. Behind Stalk's back, Rogue sends several more Guardians after Ryuga, but they are all destroyed by Kamen Rider Build.

Returning to a Faust lair with Stalk, Night Rogue informs him of Namba's ultimatum. Cancelling his transformation as Night Rogue, Gentoku is asked by Stalk as to what he intends to do. Gentoku ultimately decides that they should steal the Pandora Box from the Touto Institute of Advanced Matter Physics in order to trigger an all out war between the three Regions of Japan.

Night Rogue fights Blood Stalk.

While Stalk infiltrated the Touto Institute of Advanced Matter Physics and stole the Pandora Box, Gentoku remained outside in charge of a response team, observing Stalk through the Institute's security cameras. However, Gentoku grew suspicious after Stalk began shooting the Institute's security cameras, seemingly to cover his tracks. After Stalk stole the Pandora Box and headed to the roof of the building, Gentoku confronted him their, informing him that the roof wasn't part of their escape plan. Stalk tells Gentoku that he got lost, but Gentoku was unconvinced. Transforming into Night Rogue, he demands Stalk hand over the Pandora Box, but Stalk refuses, prompting Night Rogue to attack him.

Their fight was interrupted by Ryuga, who informed them that he beat the Press Smash Hazard Blood Stalk had sent after him but couldn't extract the Smash element without an empty Bottle, surprising Rogue and impressing Stalk. Ryuga then attacked Stalk, but was swiftly defeated due to the injuries he sustained from his previous fight with the Press Smash Hazard. Build HawkGatling then arrives to help him, prompting Night Rogue to assist Stalk against the two of them. While Stalk battled, Ryuga Rogue fought Build. As Stalk overpowered Ryuga, Build FireHedgehog ceased fighting Rogue and attacked Stalk. Rogue then used the opportunity to sneak-attack Build, but this gave Stalk the chance to insert his Cobra Fullbottle into his Steam Rifle and fire a Steam Shot at both Rogue and Build, knocking Rogue to a wall and cancelling Build's transformation. Stalk takes the Pandora Box and leaves.

After Blood Stalk was chased down by Build, Night Rogue shows up from behind Sento and knocks him unconscious before having his Faust Guardians surround Blood Stalk. Questioning Stalk as to where he intended to take the Pandora Box, Stalk tells him he was going to take it back to Faust's lair and offers Rogue the box. Taking the box, Rogue grabs Stalk and warns him not to try something like that again. Before leaving, Rogue takes the Rabbit, Tank and Lion Fullbottles from an unconscious Sento. As Sento returns to consciousness, he grabs Night Rogue's leg, demanding he return the Fullbottles, but Night Rogue just kicks him in the face before walking away laughing.

## Gentoku becomes Prime Minister

With his father falling ill, Gentoku assumed the position of acting

Prime Minister of Touto. He met with Yoshiko Tajimi, the Prime Minister of Hokuto and Masakuni Mido, the Prime Minister of Seito. At the meeting, Tajimi accused him of collaborating with Faust, but Gentoku replied by suggesting she might have relations with Faust. After the meeting Gentoku was approached by Blood Stalk, who demanded to know why he had placed the Pandora Box in an unknown location and not informed Stalk, but Gentoku told Stalk to act more loyal if he wanted Gentoku to reveal the Box's location. Their conversation was interrupted by two Touto security guards, whom Stalk killed effortlessly. The next day, Gentoku lures Sento and Ryuga into a trap by reporting a false sight of a Smash at an abandoned factory. When Sento and Ryuga arrive, Night Rogue and four Faust Guardians appear to confront them. Rogue demands they give him the last two Fullbottles they have, Sento refuses and instead transforms into Build KeyDragon to do battle. Build While Rogue fights his Faust Guardians take on Ryuga. Though Build overpowers Rogue at first, the power of the Dragon bottle soon starts overwhelm Build and knocks him out of his transformation. Rogue then demands once again that Sento hand over the Fullbottles, but before anything can happen Stalk appears and interrupts the fight. Throwing a chair, Stalk tells them to leave. Angered by Stalk's intervention, Rogue demands to know what Stalk is scheming, but Stalk leaves without answer.

Gentoku later meets up with Namba again at a fishing village. Namba compliments Gentoku for obtaining the Pandora Box but brings up that they need three more Fullbottles for it. Gentoku tells him he will retrieve them before leaving. Soon after, Gentoku is informed by Namba that Sawa Takigawa, who was spying for Faust and Namba Heavy Industries has had her position compromised. Deciding that she has outlived her usefulness, Gentoku has her abducted and taken to Faust's backup lair, where she is administered a dosage of Nebula gas and turned into a Stretch Smash. Rogue films her transformation into the Smash on her camera to show Sento and tells Sento he intends to set the Stretch Smash loose on the city. Setting the Smash loose, Rogue observes from a distance as Kamen Rider Build in his KeyDragon Best Mach fights the Stretch Smash. waiting for. As the Dragon bottle overwhelms him once more, Sento is knocked out of his transformation and falls to the ground. Rogue then walks over to

Sento and tells him to hand over the bottles. However, Ryuga shows up and Sento instead tosses the Dragon and Lock bottles to him. Turning his attention away from Sento, Rogue sends the Stretch Smash to attack Ryuga. As Ryuga fights the Smash Rogue prepares to fire his Steam Rifle at him but Sento gets in the way. Annoyed by Sento's continued defiance, Rogue steals the Build Driver from him and tells him that he's done being utilize for Faust. However, Ryuga then takes the driver from Rogue and uses it to transform into Kamen Rider Cross-Z. After defeating the Stretch Smash, Cross-Z charges Rogue. Outmatched by the Rider, Rogue retreats.

## Stalk's Betrayal

When Sento and Ryuga head to the Namba Heavy Industries Integrated Science Laboratory in search of the Pandora Box, they are encountered by Night Rogue and four Faust Guardians. Night Rogue tells the two to leave but they refuse. Transforming into Kamen Rider Cross-Z, Ryuga engages Night Rogue while his Faust Guardians take on Sento. While Cross-Z seems to have the advantage at first, Rogue soon overpowers him and reveals that his Hazard Level is still higher than Ryuga's. However, Stalk then appears and interferes in the fight to ask Night Rogue where the box is hidden. Rogue asks Stalk why he is at the laboratory to which Stalk answers that he is there to fight him. The fighting becomes interrupted though Stalk locates both the Pandora Box and the Fullbottles Rogue stole from Sento. As Sento tries to recover his Fullbottles Stalk grabs the Pandora Box and teleports away from it.

While Utsumi treats his wounds, Gentoku is approached by Juzaburo Namba. Gentoku apologizes for letting the Box be stolen, and Namba forgives him, but states that countermeasures must be taken. The two decide to have the Touto government destroy Faust to remove any traces of evidence connecting them to it. The following day, Gentoku stages a confrontation with Faust at a dam, with Gentoku leading the Touto forces while his assistant Nariaki Utsumi poses as Night Rogue. The impostor Night Rogue fights and is quickly defeated by Build KaizokuRessya. The defeat is picked up by the news, with Utsumi being forced out of his transformation and incriminated as the leader of Faust. Utsumi attempts to inform Build of something, but before he can finish speaking Gentoku shoots him and knocks him off the bridge and into the waters below.

## Cover Blown

Meeting with Namba again, Gentoku is informed that Namba has found a new partner. He later contacts Blood Stalk and arranges a meeting with him. At the meeting, Gentoku attempts to get Blood Stalk to give up the Box's location. Blood Stalk agrees, but only if Gentoku swears loyalty to him. Gentoku refuses and transforms into Night Rogue to fight Blood Stalk and take the Box by force. Initially beating back Stalk, Night Rogue soon realizes that Stalk was holding back and is swiftly defeated by him. Stalk then reveals that he is Namba's new partner.

Gentoku later reveals to Sento and Ryuga that the Box is in one of Namba Heavy Industries' storage facilities, planning to have the two retrieve the box for him. However, after being exposed as Soichi Isurugi, Blood Stalk reveals to the two that the true identity of Night Rogue is Gentoku Himuro. After Sento and Ryuga succeed in recovering the Box, Gentoku sends a squad of Touto soldiers to break into nascita but they find no traces of the box. Gentoku later meets with Sento and Ryuga in the Touto Institute's parking lot, who reveal that they know Gentoku is Night Rogue and show him the box. After Gentoku reveals his plans to the Riders, Ryuga loses his temper and attacks Gentoku, who transforms into Night Rogue to fight him. Night Rogue manages to overpower both of them and recover the Box, only for it to be revealed to be a hologram, with the whole confrontation being a ruse to expose Night Rogue's true identity.

## Hokuto-Touto War

Meeting with the other two Prime Ministers again, Gentoku states that Touto has recovered the Pandora Box. As Masakuni Mido congratulates him, Gentoku tells the two to drop the facade and that all three of them want the energy of the Pandora Box for their own selfish desires. Tajimi at first pretends not to know what Gentoku is talking about, but Gentoku then proceeds to point out how most of Hokuto's budget is spent on its military, angering Tajimi. Gentoku then proposes that the three should see which one could rule Japan, before Tajimi and Mido cut off their transmissions.

The next day, Gentoku is informed that a squad of Hokuto Guardians and two Smash Hazards have crossed the border into Tokyo. Declaring it an act of war, Gentoku informs Sento and Ryuga that this is an invasion. He later sends Touto Special Forces to bring Sento and Ryuga to them, offering to overturn Ryuga's prison sentence if the two fight for Hokuto. While Sento was initially reluctant, Ryuga agreed, and Gentoku provided the two with bracelets that would allow him to monitor their location and contact them at all times.

## Defection to Seito

Gentoku's identity as Night Rogue and connections to Faust were later exposed to Taizan Himuro and the Touto government after his father was healed by Misora. Gentoku transformed into Night Rogue and made an attempt to steal that Pandora Box, but was easily fought off by Build.

After being banished from Touto, Gentoku traveled over to Seito to defect tot hem. Heading to the Namba Heavy Industries Seito office, Gentoku approached Nariaki Utsumi and demanded to be made into a Kamen Rider, but Utsumi demanded he kneel first. Begrudgingly, Gentoku complied and kneeled, only for Utsumi to tell him he never promised to make him into a Kamen Rider and leave him chained up in a cell in a Faust compound run by Namba Industries.

However, Gentoku was later approached by Blood Stalk, who offered to train him to raise his Hazard Level so he could become a Kamen Rider. While they already had a candidate to become the Kamen Rider of Seito, Stalk noted to Utsumi that he lacked the drive to obtain more power that Gentoku had. Gentoku was thus transferred to a cell with four other inmates. While one of the inmates was kind, the other three were hostile to him and frequently beat him. In one struggle with the three inmates, Gentoku was brutally beaten to the point of losing consciousness, causing him to be proclaimed as dead and taken to a morgue. However, while he was there he was rescued by two of his old comrades in Faust, Norio Matsui and Yoshikazu Takahashi. Upon waking up, Gentoku hugged both of them and told them he was eternally indebted to them. Gentoku later returned to the Faust compound and murdered the lead candidate for Kamen Rider so he could take his Sclash Driver. He was soon discovered by Stalk and Utsumi and asked the two what they intended to do now that their candidate was no longer qualified to be Seito's Kamen Rider. Impressed with Gentoku's cold-blooded murder, Stalk informed him that he was now in line to become Seito's Kamen Rider.

In order to raise his Hazard Level to the point where he could use the Sclash Driver to transform into Kamen Rider, Stalk had Guardians attack Gentoku all at once, beating him over and over again until he his Hazard Level was finally raised to the point where he could utilize the Sclash Driver. Inserting the Crocodile Fullbottle into his Sclash Driver, Gentoku achieved becoming a Kamen Rider and proclaimed himself as "Kamen Rider Rogue".

With his new power, Gentoku became the Kamen Rider of Seito and the commander of Seito's forces, spearheading their invasion into Touto. He made an attempt to seize the Pandora Box as Taizan was having it moved to a new location.

Eventually, a three-on-three representative match was agreed upon by the nations in which Seito's three champions would fight the three champions of Touto for possession of the Pandora Box and Fullbottles. Rogue thus fought Build in the third round of representative battle, following one victory for Touto and one victory for Seito. Mocking Sento for his insistence that science was only a tool for war, Gentoku rejected Sento's claims that science could be used for peace, asking him why he had designed the Hazard Trigger as Katsuragi if not for war. While Sento was pondering what Gentoku had said, Rogue used the opportunity to get an attack in on him. Despite he initially having the advantage, the tables soon turned against Rogue when Build revealed his RabbitRabbit form and promptly beat Rogue down. However, Namba Heavy Industries had received the data on Build's RabbitRabbit form from Sawa Takigawa, whom they had blackmailed into working for them again by holding the Nabeshima family hostage. Nariaki Utsumi thus downloaded the data into Rogue's systems, allowing him to gain the edge out over Build once again. Unbeknownst to Rogue and Namba Industries, Sawa had secretly told Sento about her ties with Namba

Industries and what they had done with the Nabeshimas. The two thus plotted to outsmart the company by only leaking half of Sento's research data. After Grease rescued the Nabeshimas from Seito's Guardians, Sawa received the go-ahead from Grease and passed it on to Sento, who changed from his RabbitRabbit form to his TankTank form, which Namba had no data on. Unprepared to deal with Build's new form, Rogue was beaten down and defeated by him, clamining the third round for Touto and allowing them to win the representative match.

Despite losing, Namba refused to allow the Pandora Box to be handed over, and killed and swapped faces with Seito's Prime Minister Masakuni Mido when he attempted to honor the deal. However, Gentoku disagreed with how Namba intended to use the Pandora Box to take over the world and overheard Namba reveal he had assumed the identity of Mido. During a fight with Build, Rogue revealed that Namba was impersonating Mido and that he had a chip implanted in him set to go off should he disobey or go against Namba.

Rogue was later tasked with guarding the captured workers of Kazumi Sawatari's farm when Seito attempted to use them to extort Kazumi into trading them the Pandora Box in exchange for freeing them, lest they be executed. Kazumi refused and, rather than carry out his orders and execute them, Rogue instead let them go.

## Redemption

Capturing Taizan to prove his loyalty to Namba, Gentoku later set his his father free and attempted to escape. However, he was confronted by Utsumi. Stalk then activated Gentoku's kill switch, immobilizing the Rider and foiling his escape attempt.

However, Gentoku's kill switch had been deactivated by Sento beforehand, allowing him to go on to fight alongside Sento and Banjou as Rogue. Rogue later assisted Build, Cross-Z and Grease in fighting against Stalk. After Stalk was defeated by Cross-Z Magma, he attempted to escape but was pursued by Rogue. Rogue then defeated Stalk again and canceled Evolt's transformation.

However, thanks to Utsumi, Evolt gained the Evol Driver and used the Cobra and Rider Evolbottles to transform into Kamen Rider Evol. Evol then defeated Rogue and caused Gentoku to revert his transformation. He attempted to finish Gentoku off, but his attacked was blocked by Taizan, who sacrificed himself to save his son. Before dying, Taizan asked Gentoku to rebuild Japan as a whole and acknowledged Gentoku as his being his son.

## Fighting alongside Build

Siding with Team Build, Gentoku vowed to atone for his sins by reuniting Japan and laying the foundation for a new generation. However, there was still some uneasiness among Build's allies, especially Kazumi, due to Gentoku having killed Akaba, though Kazumi eventually would encourage Gentoku to keep trying to make up for his past actions.

After Utsumi went insane and sided with Evolt to become Kamen Rider Mad Rogue following Namba's death, Gentoku blamed himself for Utsumi's turn over to Evolt, having been the one to shoot him at the confrontation at the dam. When Utsumi led an attack on Touto, Gentoku attempted to go and confront him, but proved too injured from his previous defeat by Utsumi as Mad Rogue to do so.

Later, as the nascita crew were discussing Evolt's actions and speculating as to what his true plans were, they realized that most of the people who had been turned into Smash were people with a connection to Shinobu Katsuragi. They asked Gentoku if he had information on that, but Gentoku denied knowing anything claiming that Smash conversions was Stalk's department in Faust and not his.

## Death

After Evolt revealed his extraterrestrial origins to the world and announced his intentions to destroy it, he challenged the Kamen Riders to a final battle to decide the fate of planet. Alongside his fellow Kamen Riders, Gentoku showed up to confront Evolt at the summit of the Pandora Tower. Evolt then explained to them the rules of their fight: they would have to reach the top of the Pandora Tower and for every ten minutes that they didn't he would destroy a section of Japan. After Evolt teleported off and sent his army of Hard

Guardians after them, Gentoku and the others transformed into their Rider forms and obliterated the Hard Guardians by combining their attacks.

Making their way inside the tower, after Grease stayed behind to fight the Hokuto Three Crow mimics, Rogue, Build and Cross-Z found themselves confronted by mimics of Remocon Bro's and Engine Bro's. Telling Build and Cross-Z to go on without him, Rogue stayed behind to fight them. He soon receives backup in the form of Mad Rogue, who reveals he was only pretending to be on Evolt's side all along. The clones then merge to form Hell Bro's, but the two Riders manage to destroy it with their combined power, causing it to drop the Hammer Lost Bottle. Kamen Rider Evol then shows up to claim the Lost Bottle and fights the two Riders, knocking Gentoku out of his transformation and fatally injuring Utsumi, who is revealed to be a cyborg.

Evol then attempts to finish Gentoku and Sawa off with the Steam Blade, but Utsumi gets up to block the attack, sacrificing himself to give the two time to gather the Lost Bottle and escape by teleporting away.

At the top of the Pandora Tower, Gentoku, along with Sento, Ryuga and Sawa, learned from Misora that Kazumi had been killed. Evolt then showed up to fight the three remaining Riders. Evol easily manages to beat down Rogue before overpowering Build and stealing the two remaining. Lost Bottles he needed to become his final form. After transforming into his monster form, Evol beats down the three Riders again and knocks Sento and Ryuga out of their transformations before creating a massive black hole to begin consume the Earth.

Despite his injuries, Rogue refused to go down and attempted to fight Evolt by himself. Despite his best efforts and determination, Rogue was unable to do any damage against Evolt and was overwhelmed by the alien's power, having part of his faceplate shattered in the process. Not ready to go down just yet, Gentoku switched tactics from attempting to fight Evolt to going for the Evol Trigger, the source of Evolt's power. He succeeds in landing a powerful blow to it and damaging it, but this did not stop Evolt from critically wounding him. Reverting from his transformation, Gentoku began to fade away. As he reached the end of his life, Gentoku entrusted the future of the world Sento, whom he acknowledged as "Sento Kiryu" instead of "Takumi Katsuragi" for his first and only time before dying.

Me: Gentoku Himoro!

Sophia Nuremberg: Oh no!

Nico: You motherfucking pissant!

Me: I should kill you right here and right now. Your crimes against nature will never be tolerated and because of you so many innocent people died in your world!

Gentoku: J.D., listen to me. A lot went down in Sento's world. Events much more bigger than Faust.

Me: As if I would believe a monster like you for everything you have done! Your crimes against nature killed so many innocent people and turned them into abominations of science gone wrong! Because of you stealing Pandora's Box you plunged the entirety of Japan into chaos!

Gentoku: You don't understand!

Me: What I understand is that you destroyed people's lives for this extremist view on the world all for war!

Gentoku: Believe me. I HAVE paid for my crimes. (sadly) And that price was my father dying at Evolt's hands.

Me: (GROWLS)

Eli then put his hand on my shoulder.

Eli: Bro he's telling the truth. He lost everything at the hands of Evolt and he totally regrets everything he did. He wants to change his ways.

Me: Eli look what he did.

Eli: I know he did all kinds of horrible things. But he regrets everything he did. He wants to change and help people.

Me: (Calms down) Oh you're right.

Nico: Gentoku what happened in your world was horrible and you have our condolences. But just so you know Maria is not going to let everything you have done slide so easily.

Gentoku: I understand. HENSHIN!

He turned into KAMEN RIDER ROGUE!

Me: All right then. KIBAL LETS HOWL!

(THE WOLF AND THE MOON BY BRUNUHVILLE PLAYS)

I turned into Wolf Moon 🌙!

Touma: Henshin!

SEIZA CHANGE!

Lucky: Star Change!

The Kamen Riders transformed and Lucky transformed!

Lucky: SUPER STAR! SHISHI RED!

We were ready!

Lucky: Time to test your luck!

Touma: I decide how this story ends!

Rintaro: I swear on Suiseiken Nagare that I shall protect this world!

Gentoku: What I have done is beyond all forms of forgiveness and I don't need anyone to tell me that. Sophia I'm sorry Faust did all that to you and what they did is unforgivable. But what I can do is redeem myself for all the horrible crimes I did.

Me: That is a true road to redemption there.

Nico: Yes it is.

Eli: Time to dance.

I slashed Gentoku and kicked him in the face.

Rintaro: Time to go Tategami Hyoujuusenki.

Nagare Battou! Tategami Tenkai! Subete wo Hikiishi Tategami! Hyoujuusenki! Gao! Long Get!

He donned his awesome full power form and it was cool!

Me: AWESOME!

Gentoku: Incredible.

Me: It is. Gentoku, I'm still pissed you did all that. But I realize now that it was all because of what happened when Japan was divided.

Nico: It's hard to imagine that a huge wall like that could tear a country like Japan apart!

Eli: Yeah it was awful!

Gentoku: It was.

Rintaro grappled with Gentoku.

Rintaro: Considering Reika and Ryoga already changed their ways too, your redemption is something I have no problem with. (telepathically) As long as you don't tell Nico about his surprise party!

Me: (Telepathically) Don't ruin the surprise Rintaro. (Out Loud) Gentoku how did you wind up in our world anyway?

Gentoku: I don't have any idea. I just wound up here.

Eli: I think I might know. The same way the Live Action Transformers got to our world.

Me: The Interdimensional Spirit Bridge. That must be it!

Nico: Very interesting.

Living Laser: (fires laser beam) Rintaro, duck!

Rintaro ducked and he fired and it hit Gentoku and knocked him down!

Me: Gentoku what happened to your world was horrible. But you do have an option. You can join us in the Redemption Squad or join the Masters of Evil.

Gentoku: It's too early to decide that. When this battle is over, I request that you all send me back to my world.

Me: It will be done.

Nico: Yeah it's too early for that. Lets make it quick.

Eli: Yeah.

Megan Kiraton: Lets finish this!

Galaxy!

Lucky: STAR BLAST!

Me: WOLF MOON STYLE NINJA ART: WOLF PACK FIRESTORM BURST!

I fired a wave of blue fire and it formed into a wolf pack and everyone fired their blasts of energy and they hit Gentoku and exploded! Knocking him down! He reverted back!

Nico: YEAH!

Eli: Take that!

Lucky: We will reclaim the galaxy!

I went over and helped him up.

Me: A deal is a deal Gentoku.

I slashed open a portal.

Gentoku: Nico, one more thing.

Nico: What's that?

Gentoku whispered something in his ear.

Nico: Done! (snaps my fingers)

Living Laser: What did you just do?

Nico: You'll find out when Pohatu's missions start.

Me: Travel safe. But our offer is always open.

Gentoku: Thank you.

He went through the portal and it closed.

Me: Well that went well.

We came back to the park in the city.

May: How did it go guys?

Me: Really eventful.

We told them everything and it was shocking!

Pohatu: So Gentoku appeared!? I didn't expect that.

Nico: None of us did.

Me: I was upset and I thought it was all because of him that the world they lived in went to hell. But he really wants to redeem himself.

William: Next time, all the Zenkaigers should come with you.

Megan McCallister: Awesome!

Kaito: This will be fun!

Zocks: Yeah it will.

---

Arriving in a parking garage was me and Nico and we were almost ready for his party. We then saw numerous dead mafia men! A total of 12,023 mafia men were all savagely butchered.

Me: This is a slaughterhouse.

Nico: Geez! Andrea sure was busy.

Then smoke came out and we saw a man it was heading to.

Phantasm: (Ghostly Voice) Jack Laurence. Your angel of death awaits.

We fired waves of lightning and electrocuted Jack Laurence

Kerchak: Andrea, what have you done?!

Nico: (sees cocaine bricks on the floor) Aww, you wasted perfectly good cocaine bricks!

Me: Nico! Don't even think about it.

Nico: Sorry.

Me: Andrea what has gotten into you!? You killed over 18,000 mafia men! Why?

The Phantasm took off his mask and Andrea Beaumont was revealed.

Me: Andrea you killed 18,000 mafia members! Do you realize what you have been doing!?

Andrea: I'm sorry, guys. I tried to get over it. I really did.

Nico: Andrea we know how much you hate the mafia for killing your father.

Me: But don't you even realize that all you're going to do is kill yourself too!?

Nico: Yeah! Revenge is a double edge sword and all it will lead you down is a path to your own destruction.

Kerchak: He's right Andrea. Sure the Mafia did you wrong. But killing them all for revenge is not worth it.

Andrea: No offense. But considering that you keep obsessing over killing Lothor, you should probably take your own advice.

Me: None taken. But that is a whole different ball game. Lothor will get what's coming to him later.

Nico: Andrea, J.D. is not after Lothor for revenge, he is going to destroy him for justice.

Me: All the Rangers Baddies must answer for their crimes.

Nico: That's right.

Pinkie Pie: (On my telepathy radio) We're ready J.D.

Me: (Telepathically) Understood Pinkie. (Out Loud) Nico we have something you have to see at the estate.

Nico: What is it?

Me: You'll see.

We went back home with Andrea too.

We went up to the living room and we went in and the lights were all off.

Nico: Man it's dark.

Me: I'll get the lights.

I clicked on the lights and then…

This surprise really got to Nico as his eyes went wide and his jaw hit the floor.

Everyone: SURPRISE!

Lincoln and his harem and Nico and his harem came back inside to the World Tree Estate, and when Nico turned on the light, we jumped out and we had a huge banner hanging with streamers coming out of it and the banner said, "HAPPY BIRTHDAY, NICO!" written in bright colors.

Mascots: HAPPY BIRTHDAY NICO!

Nico: (GASP) OH MY GOODNESS!

May: Happy birthday honey!

Me: Happy birthday buddy!

Samurai Jack: (smiles) Happy Birthday, Nico.

Nico: Oh you guys are the best! Wow! So that's what all the secrecy was about.

Me: I was put in charge of making sure you don't find out.

Myotismon: But happy birthday Nico.

Nico: Thanks guys!

Lincoln: Yep, we had to keep you distracted until we got the say so, while everyone set everything up for your party, Nico.

Nico: Wow, you guys really did an awesome job with this party. Plus, this isn't the only surprise I got, look who we found while we were at The Glade of Dreams.

Nico and Lincoln dragged Dr. Animo who was still bound by the rainbow energy straitjackets and rainbow energy chains, and this really shocked us.

Ben Tennyson: Dr. Animo, but how?!

Nico: Nigel Alaister's the one who broke him out of Arkham Asylum, and put the mark on him. But, when Rayman got his brand-new greatsword and achieved his new Super Angel Eternity Infinity form, he got rid of the mark of The Church of Necrom on Dr. Animo's forehead.

Me: Awesome.

Lincoln: And Nico, I got you a little something for you.

Lincoln chanted an incantation, and suddenly, Nico's massive Pride of The Saiyans, Destroyer of Team Dark Phoenix Storm, and Sword of The Transformers swords began merging, and they were suddenly surrounded by a massive vortex of energy with many different colors and elemental forces, and when it emerged, it's transformed into Nico's Universal Elemental Greatsword of Saiyan Pride and Phoenix Justice, it's a brand-new greatsword with the symbols of the Saiyans, The Decepticons, and the Anti-Team Dark Phoenix Storm symbol, along with Nico's cutie mark etched onto the 7'0" massive, wide, double-edged gold blade, large upward pointing white angel wings for the crossguard, large rainbow-colored gem embedded in the rainguard, longer gold handle, and four large gold phoenix heads with rainbow gems for eyes and in their beaks and on the bottom of the gold phoenix heads is a large rainbow gem for the pommel.

Nico: (Stunned) Whoa, this is really incredible.

Lincoln: That's right, Nico, say hello to your brand-new greatsword called Nico's Universal Elemental Greatsword of Saiyan Pride and Phoenix Justice, it's a brand-new greatsword with the symbols of the Saiyans, The Decepticons, and the Anti-Team Dark Phoenix Storm symbol, along with your cutie mark etched onto the 7'0" massive, wide, double-edged gold blade, large upward pointing white angel wings for the crossguard, large rainbow-colored gem embedded in the rainguard, longer gold handle, and four large gold phoenix heads with rainbow gems for eyes and in their beaks and on the bottom of the gold phoenix heads is a large rainbow gem for the pommel.

Nico: Nice one.

Nico grabbed the longer gold handle of his massive new greatsword, and then, we saw his gold eyes glow and he grew from 7'0" to 7'5" as his large and powerful upper and lower body muscles suddenly grew much bigger and he still retained his eight-pack abs, and his clothes got much longer and bigger for his new body, along with the massive black angel wings with multi-colored tips on his wider and muscular back.

Then, Lincoln made a water mirror, and when Nico saw what happened, he was really surprised, and when the girls in Nico's harem saw him, they had atomic red blushes on their faces, hearts in their eyes, and steam whistling out of their ears.

Lincoln: And the surprise is just getting started, Nico.

Suddenly, Nico got jumped by the girls in his harem, and he wound up with kissy marks all over his face and massive muscular body, and he had a look of surprise and an atomic red blush on his face.

Nico: (Dazed) Whoa.

May: (Seductively) And there's plenty more where that came from, big boy.

Nico: (Seductively) Oh, I'm definitely looking forward to that.

Lincoln: And, the party's just getting started, Nico.

We then started giving Nico our gifts, such as comic books that Lincoln made just this morning and it depicts our previous special missions, which were awesome, a new cell phone, training equipment, a skateboard from Ronnie Anne, new clothes from Leni, and they also have the same superhot neon blue flames coming off them, and so much more.

Nico: Wow, this is so awesome, thanks, guys.

Me: You're welcome, Nico.

TLPS Mr. Wolf: Plus, I also set traps up outside the World Tree Estate, and they're not just for Sancho and his gang, but also, The Church of Necrom members.

Lincoln: I wouldn't worry about that, you see, after Jocasta Belladonna was dealt with, we sent out an APB to be on the lookout for the remaining Church of Necrom, and they had no choice but to stay in their demonic castle, because either the police get them or we will.

Nico: Either way, they've been doomed since the day the war began, Lincoln, and also.

Nico went up to Lincoln and hugged him, and Lincoln hugged him back, and it was really amazing, and we also join in on the hug. Then, he caught the scent of something very familiar, as the mascots came out, and with a huge platter of spicy hot wings drenched in a neon red hot sauce.

Nico: Whoa, what are those?

Poromon: These are called the Seven Deadly Sins Wings.

Nico: Whoa, I can't wait to try them out.

Nico took one bite from one of the wings, and then, he was surrounded by a massive vortex of superhot neon blue flame, and his spicy tattoo was leaking blood, and he gained a massive power boost.

Nico: Whew, these sure are deadly hot, awesome job, Poromon.

Poromon: Thanks, Nico.

Luanna Lexington: Whew, Lincoln wasn't kidding when he said you're known as a true Spice Demon, Nico, the same with J.D., Laney, and Lincoln. Oh, and there's something I haven't told you about that lardass, Lewis Travolta. I found out that he stole many kinds of comic books worth millions.

We gasped in shock.

Lincoln: What?! I knew he wasn't a comic book aficionado, he's a thief and jerk. Nico, would you like to do the honors and drop a piano on his head?

Nico: With pleasure.

Nico summoned a piano right above Lewis Travolta's head, and it dropped on Lewis Travolta's head as he screamed in pain.

Luanna Lexington: But, I found the vault where he kept the stolen comic books, and I returned all of the stolen comics, and before the cops could arrest Lewis Travolta, he escaped and went into hiding in a secret bunker. That's also another reason why I harbor a really strong hatred towards him.

Nico: Well, now we have him being humiliated until he's paid off his enormous tab he accumulated at Lynn's Table, which'll take about 50 years.

Luanna Lexington: Ouch. How can someone accumulate an enormous tab at a restaurant?

Lincoln: The same thing happened with Bubble Bass in the Krusty Krab in Bikini Bottom, Luanna, and he's also being humiliated along with the other jerks. And this'll be where your expertise in jokes and pranks will really come in.

Luanna Lexington: I can't wait to humiliate that lardass jerk, Lewis Travolta, he's had this coming for a very long time.

TTG Cyborg: And for Nico's awesome birthday, get ready because IT'S MEAT PARTY TIME!

TTG Robin: I'll take one steak!

TTG Cyborg: One? I got steaks for days!

He gave TTG Robin 12 steaks and gave Nicole 24 steaks!

TTG Robin: YEAH!

Nicole: Wow!

TTG Raven: Bratwurst please.

Hunter: (German Accent) Und for me too.

TTG Cyborg: More like Brat-best!

He gave them both awesome bratwursts!

TTG Starfire: And a burger of the turkey!

Me: Ooh! Me too please!

TTG Cyborg: Burgers! Gobble gobble gone!

We got burgers.

Jared: Me and TTG Beast Boy and Beast Boy will have fruits and vegetables. Sorry but you know we're vegans.

TTG Terra had meat legs.

Nico got his awesome cake and it was a pineapple-coconut upside down cake!

Octopunch: Blow out the candles, boss. And make a big happy wish!

Nico: Okay.

Nico made a great wish and blew out the candles.

We gave Nico awesome presents and more and it was so fun as we did all sorts of games and had fun.

Nico: (cries tears of joy) Thanks, guys! You're the best team a leader could ever have!

Seaspray: And proud of it!

Me: You got that right!

Laney: Yeah!

Me: And it's your first ever birthday party for the leader.

Lola: That's right! 5 months in as leader and you have your first birthday party as one.

Nico: That's true.

Hunch: (hears knocking) You guys expecting anyone else?

Peter Puppy: How can we be expecting them if we weren't expecting them?

Me: Come in!

In came THE MONSTER HIGH GIRLS!

Frankie Stein

Frankie Stein (voiced by Kate Higgins from 2010 to 2015 and Cassandra Lee Morris thereafter) is the daughter of Frankenstein's monster and his bride. Frankie is the sweetest and kindest girl at Monster High, believing strongly that everyone's flaws make them unique. Starting school at 15 days old, she is also the youngest student at Monster High. Apart from being kind and generous, she is very optimistic and never gives up in the face of adversity. However, since all of her prior knowledge about teenage relationships came from magazines, she can be a bit naive and inexperienced. Being a Frankenstein's monster herself, Frankie is portrayed as having light green skin, and her body is stitched together. Because of this, her arms and legs can be detached from her body and still move, which she has used several times to help her friends. However, sometimes her limbs can still fly off suddenly when she is tense, scared or angry. To function, she is powered by electricity and has to be recharged every night. Her electricity is concentrated in two bolts at her neck that she often uses for self-defense or to power electronics in a pinch, although she sometimes accidentally shocks people. One of the most distinguishing characteristics of Frankie is that she has heterochromia; her right eye is blue, whilst her left eye is green. She also has white hair streaked with black and her fringe is pulled back and clipped. On school days she typically wears a school uniform coupled with a tie, gingham pattern and monochrome platforms. Her love interest is Neighthan Rot.

Draculaura

Draculaura (voiced by Debi Derryberry) is the daughter of Count

Dracula and is 1,600 years old. She is described as bright, optimistic, and ambitious. Despite being a vampire, she is a vegan who consumes fruits, vegetables and "a lot of iron supplements" instead of blood. Mattel vice-president of design, Kiyomi Haverly, commented on her, saying, "She's a vegan. She's turned off by meat. Girls could really relate to that because that's part of what they're thinking of these days." She is initially 1,599 years old, but turns 1,600 in the webisode "Party Planners" and in the 2012 film special, Why Do Ghouls Fall In Love, with Mattel releasing a doll line based around her birthday. She currently dates Clawd, Clawdeen's older brother, and has a pet bat, named Count Fabulous. As can be seen from her clothes and closet, her favorite color is pink. She is one of the most popular ghouls at school, due to her friendliness. In Frights, Camera, Action, Draculaura ends up getting her vampire powers unlocked. Due to her vegan being, she faints at the sight or mention of blood. She is portrayed as a pink-skinned vampire with black hair and pink streaks running through it. On school days, she secures her hair into pigtails and wears a pink zipper top with a ruffled white collar and fishnet fabric sleeves, paired with a white miniskirt and girly pink boots. Due to her birthday being on Valentine's Day, Draculaura has a pink heart tattoo at the corner of her left eye. Her best character trait is her friendliness, which can be seen from her wide social circle. She likes to talk a lot, adores romantic sentiments and her favorite class is creative writing. As revealed in the first franchise reboot film special; Welcome to Monster High, Draculaura originally lived with her father on a mansion on a hill overlooking Normie Town. Wanting to have friends like her, she talked her father into opening Monster High.

## Clawdeen Wolf

Clawdeen Wolf (voiced by Salli Saffioti) is the 15-year-old daughter of a werewolf who has a large family; two of her siblings Clawd and Howleen are currently studying in Monster High with her, and her older sister Clawdia has graduated and is a working adult. She has the best fashion sense in school, and aspires to become a fashion designer. Being Draculaura's best friend, she is very protective of her, as well as Clawd and Howleen despite often bickering with them. She is portrayed as a brown-skinned werewolf with chocolate brown curly hair and pierced ears. On school days, she wears a leopard-print top, a leather jacket and a purple miniskirt paired with matching stockings and grey platform boots. Her greatest strengths are her physical capabilities of being a werewolf; she possesses immense strength and speed, especially during the full smoon, but this also makes her prone to bad moods and a fiery temper. She has a purple pet kitten named Crescent.

## Cleo de Nile

Cleo de Nile (voiced by Salli Saffioti) is the daughter of an Egyptian mummy named Ramses de Nile. She is the most popular ghoul in school. Apart from popularity, she is also the student council president of Monster High, and is also the captain of the Fearleading Squad. Being a mummy who was preserved for many years, her appearance is that of a 16-year-old girl, but she is actually over 3,000 years old. While her profile lists her as being 3,357 years old, previous iterations, as well as the videos, had shown her true age to be 5,842 years old. Her boyfriend is Deuce Gorgon.

She is portrayed as a beautiful auburn-skinned girl with rich black hair and gold highlights. Her top and bottoms are the residue of her Egyptian mummy bandages, which she adds style to with glittery blue stripes and bandage ribbons. Her platforms are also worn with bandages. Her most distinguishing characteristic is her blue rhinestone tiara and large gold earrings, a sure sign of her royal heritage. She acts spoiled, and is a diva, priding herself greatly on her popularity, fashion sense, as well as the many amulets that her family pyramid houses. However, she is secretly very caring and sweet to her friends. Cleo's catchphrase is: "Oh my Ra!"

## Ghoulia Yelps

Ghoulia Yelps (vocals by Audu Paden) is the bespectacled daughter of a zombie couple. She is Cleo's personal assistant and best friend. She has a pet baby blue owl named Sir Hoots-a-Lot. The smartest ghoul at Monster High, she is a shy and bookish girl. She can only speak in moans and groans, due to physical limitations that all zombies have. Her social life has improved greatly since befriending Cleo. She is the shortest girl at Monster High, but this may be due to the fact that she can never stand up straight. Ghoulia has a romantic interest in Slo-Moe, who is a tall male zombie on the chess team.

Ghoulia is well known to be a hardcore fan of "Dead Fast", which is an in-universe comic book series. She also likes dodgeball. Her favorite color is red. Although introduced as one of the six Original Ghouls, she was no longer listed among them following the 2016 film special, Welcome to Monster High.

Lagoona Blue

Lagoona Blue (voiced by Laura Bailey until 2015 and Larissa Gallagher therafter until 2018) is the daughter of the gill-man Wade Blue and a sea nymph. She is a kind and loving girl, with a tomboyish style to her clothes. She has problems with Gil's parents due to her sea-monster heritage. She turned into a freshwater monster from Howleen's wish in 13 Wishes. She is a kind and friendly ghoul who loves swimming. She also loves Gloom Beach and playing water-volleyball. She is dating Gillington "Gil" Webber. Her childhood best friend was Kala Mer'ri, who is the daughter of the Kraken.

Brittney: (Gasp) Hey guys!

Frankie Stein: Brittney!

Lagoona Blue: Brittney so awesome to see you!

Brittney and the girls hugged.

Brittney: Wow this is an awesome surprise!

Nico: You know them Brittney?

Brittney: I sure do. Everyone meet my Ghoul Friends of Monster High School. This is Frankie Stein.

Frankie Stein: Hello there.

Brittney: Draculaura, she's a vampire.

Draculaura: (Transylvanian Accent) Awesome to meet you.

Brittney: Clawdeen Wolf, she's a werewolf.

Clawdeen Wolf: What up everyone?

Brittney: Cleo de Nile, she is a mummy from almost 3,400 years ago.

Cleo de Nile: Pleasure to meet you all.

Brittney: Ghoulia Yelps, she's a zombie but she is not like the ones in movies.

Ghoulia: Pleasure to meet you all.

Brittney: And Lagoona Blue, she's a gill-man.

Lagoona Blue: It's an honor.

Me: Boy same here. It's an awesome honor to meet you all.

Nico: How do you know them Brittney?

Brittney: Me and the Goths of Darkness would go to Monster High and help them out. When you are masters of the night and the forces of darkness you tend to become friends with all kinds of creatures of the paranormal, mystical and supernatural planes.

Eli: Wow! That is amazing!

Nico: Yeah it sure is.

Then Trickster, Goliath, Skinner, Dirty Bubble, Swordsman, Dr. Destiny, Onyx, Rojo, Multiplex and Shade appeared.

Trickster: Can me, Goliath, Skinner, Dirty Bubble, Swordsman, Dr. Destiny, Onyx, Rojo, Multiplex and Shade hang out with you guys?

Nico: Yes you sure can.

Skinner: And happy birthday Nico.

Nico: Thanks Skinner.

Swordsman: So these are your friends Brittney?

Brittney: Yes they are.

Nico: They just arrived.

Dr. Destiny: Cool.

Cycloid: I had a feeling that Brittney knew you girls.

Billy Gilbert: (to Nico) Nico, which Gene Slammer do you think you'll meet on your next rescue?

Nico: I'm hoping to do one for a Toku-Star next.

Me: Way Big's kind next. Cool.

Laney: So it'll be an awesome giant that goes next.

Nico: Yep.

Lola: Awesome.

Shade: You girls should be proud of Brittney. Heck, she and Jason even helped take me down once.

Brittney: We sure did and that was years ago.

Lagoona Blue: We heard so much about all that.

Draculaura: That is really amazing.

Me: Oh here.

I pulled out my cooler and gave Draculaura fresh blood.

Me: Fresh from the blood bank.

Draculaura: Ah thank you.

She drank the blood.

Draculaura: Delicious.

Nico: Nice. What is your school like?

Clawdeen Wolf: It's a school all for monsters and the students are all monsters.

Shaggy: Like zoinks! I hope they aren't evil monsters!

Brittney: No Shaggy these are all monsters that are friendly. I've been to this school many times before with the Goths of Darkness and it is in every way like Yokai Academy.

Moka: Wow!

Drillhorn: Can we visit there?

Frankie Stein: You all sure can.

Brittney: And I'll show you guys around.

Me: Awesome.

Nico: Lets head out guys.

Shaggy: Like go to Monster High!? (Cowardly Cry) Like not on your life! No Way!

Scooby Doo: Reah! No way!

Me: Come on you chickens this could be a mission.

Shaggy: Uh uh! NO WAY! We're staying right here! And we're not going!

Scooby Doo: And you can't make us!

Erica Haddock: No but I can!

She grabbed them and forced them to go.

Shaggy: Like Nico your girlfriend is crazy!

Erica Haddock: Bite my scaly Tyrannosaurus Rex Ass.

Skinner: You two knew this was coming.

Nico: Yep.

Erica Haddock: Now lets go you chickens.

Shaggy and Scooby clucked like a bunch of chickens.

Lagoona Blue: Do they do this all the time?

Brittney: You have no idea Lagoona. Dad has known Shaggy and Scooby for ages and they may have huge appetites but they have fears that are as just as big.

Nico: Yep.

Shaggy and Scooby then farted and then they saw that they both LAID EGGS!?

Erica Haddock: Okay that is weird!

Suddenly, Lincoln's deep sapphire blue eyes and the rainbow colored iris of Lincoln's Third Eye glowed even more, as he sensed a dark energy signal with his eyes and the Force, and he saw who the figure is in the vision: it was none other than Nigel Alaister, Damian's younger brother, and he's coming to kill us all for revenge for ruining his schemes when Lincoln killed Boogey and gave him The Black Gates and Rayman removing the mark of The Church of Necrom on Dr. Animo's forehead. When we saw it, we knew it meant trouble.

Nico: Uh oh, I know those glowing eyes from anywhere. Lincoln, is Nigel Alaister on the move?

Lincoln: That's right, Nico, and he's coming to kill us all for revenge for ruining her schemes when I killed Boogey and gave him The Black Gates and Rayman removed the mark of The Church of Necrom on Dr. Animo's forehead.

Laniya Guillermo: So, Nigel Alaister, is on the move. Perfect, now we have our chance to pulverize and beat that insane and sadistic warlock into the dirt for resurrecting Boogey and busting Dr. Animo out of Arkham Asylum.

Lincoln: And we're taking him down, Laniya, and he's getting the same thing as Jocasta Belladonna, Jezebel Lanira, Ianira Dormund, Edana Baudelaire, Drusilla Draven, and Adrienne Hawthorne.

Inside the Dark World Goth Girls' black tarot box in Nicholette Torrington's hands, Jocasta Belladonna, Jezebel Lanira, Ianira Dormund, Edana Baudelaire, Drusilla Draven, Chandra Mortlake, and Adrienne Hawthorne were still screaming in rage and the box was shaking.

Nico: Jeez. Now, they're really pissed big time.

Nicholette Torrington: They know we're already moving even more up to the top five of The Church of Necrom, and they're already getting really pissed big time.

Lincoln: We've already taken down seven of them, once we take down Nigel, there'll only be ten of them left, and we're really getting close to the top five members.

Me: You said it.

Nico: And your strategy is really working, Lincoln. You all started from the bottom and slowly, you've been working your way to the top.

Lincoln: That's right, and when we get to Damian Alaister, Michael Devlin, Carmen Sullivan, Nigel Moreau, and Douglas Moreau, that's when they're going to start losing their sanity even more, as they see more of their members dropping like flies, along with us foiling their schemes.

Nico: Awesome. Now, then, shall we get going?

We were off

* * *

We arrived at Monster High.

Notacon: This must be it.

Brittney: Yep. Welcome to Monster High. It's a school of monsters, by monsters and for monsters.

Kurumu: Just like in Yokai Academy.

Yukari: This is gonna be so awesome!

Nico: It sure is. First time we've ever been here.

Brittney: Well you guys are gonna be in for an awesome treat. This place would also be perfect for a great halloween party too.

Nico: It sure would.

We went in and we saw that it was a big haunted house full of scary things.

Laney: Wow!

Lucy Loud: Wicked.

Bonnie Terrez: Wow this is my kind of place.

Carly Atlas: Any goth girl would love it here.

Dr. Destiny: I like it already.

Nico: Wow! This is amazing.

Eli: Boy it sure is.

Shaggy and Scooby were shaking like leaves and were really scared.

Nico: Oh brother.

Me: You two are a bunch of chickens.

Velma: Sometimes I think you were born scared and have real yellow stripes down your backs.

Shaggy: You got that right.

They showed yellow streaks that went down their backs.

Nico: What a couple of sissies.

Thrust: There are teachers, right?

Draculaura: Yep.

Headmistress Bloodgood came.

Headmistress Bloodgood: Ah Team Loud Phoenix Storm it's an honor.

Nico: You too.

Brittney: Headmistress Bloodgood. Awesome to see you.

Headmistress Bloodgood: You too Brittney.

Her head then fell off and Brittney caught it and Shaggy and Scooby screamed.

Brittney: Careful there.

She put her head back on her.

Rojo: Has there been trouble here?

Lagoona Blue: Yes there had actually. Our old foe Bartleby Farnum is back.

Nico: Who is he?

Me: Wait a second. I've heard of him. He was an eccentric private island hotel owner.

Brittney: That's right dad and he is bad news.

Brittney went over his history.

---

A man named Bartleby Farnum is an eccentric show-and salesman with nothing left to show or sell, his frustration over which he takes out on his assistant Kipling, a freak who keeps his head covered by a sack with holes poked into it so that he can see. As Farnum tries to think up something that can earn them some money, he hears shouting outside and is delighted to find the young monsters adrift. Planning to exhibit them, he saves them from the raft. However, his plan to exhibit them is swiftly ditched when he sees Frankie Stein, who looks remarkably similiar to an explorer from early in the 20th century. This explorer had a particular attachment to a creature Farnum has been wanting to capture for a long time, the Beast of Skull Shores, so he plans to use Frankie as bait.

Pretending to bring the group to the Great Scarrier Reef, Farnum instead takes them to Skull Shores, which he excuses by claiming he has to pick up supplies. Lagoona Blue is suspicious and a bit stressed since her parents are waiting for her, but accepts Farnum's story. Once docked, the group, and Frankie in particular, is welcomed by the local population, the Tiki. Farnum has had previous dealings with the Tiki and knows of their fear of the beast, so he easily convinces them to keep the group entertained so that he can work out a trap for the beast.

However, Farnum's plan missed to take one thing into account: the Monster High students are primarily non-judgemental and nice folks. Their attitude wins over the Tiki, who express concerns over the plan to trick them. Farnum deals with it by reminding the Tiki of their life in constant fear of the beast.

Frankie is declared guest of honor and asked to participate in a performance Farnum and the Tiki want. Naturally, she accepts. At the same time, Lagoona's suspicion grows again when Farnum refuses her entry to his boat to check the maps on the distance between Skull Shores and the Great Scarrier Reef. That evening, she and a reluctant Gil sneak aboard to figure out what Farnum's up to and find a recording of the beast and the explorer who befriended him, finding out that Farnum is using Frankie as bait to capture the beast, they then rush off to warn their friend.

At the island, the performance starts with Farnum giving Frankie a necklace. He proceeds to tell the "Tall Tale of the Beast of Skull Shores", which is visualized by the Tiki's shadowgraphy. Farnum reveals the beast's existence to the students and how only one person has ever soothed it. Frankie's chair suddenly rises in the air, and Farnum elaborates that the Tiki gave the girl to the beast to keep him from attacking them. Clawdeen is the first of the students to demand the performance to end because it's starting to become scary, but only a moment later, the beast appears, lured by the drums of the Tiki. The students are shocked, and Frankie is very afraid in her vulnerable position until she notices how the beast is looking at her. Farnum and the Tiki launch their attack, throwing spears at the beast. The spears cannot pierce the beast's skin, though, and the beast makes sure no harm comes to Frankie either. After a few seconds, it grabs Frankie and marches off with her. Ghoulia and Abbey are forced into a pitfall trap, but Clawdeen, Draculaura, and Cleo escape. Farnum splits up the Tiki into two groups: one that will remain in the village and keep guard under the Tiki chief's guidance, and one that will follow the beast's trail as well as the tracking device in Frankie's necklace with Farnum.

She then holds a speech that the Tiki are foolish to trust Farnum and let themselves be treated like this, which moves the Tiki to join forces with the students to stop Farnum. Lagoona and Gil are spying on Farnum from a peninsula in the jungle and realize he has a tracking device planted on Frankie. They intend to follow him, but the rock slips away from under Lagoona, and she falls down. On Farnum's orders, Kipling captures Lagoona. Gil runs off, leaving both Lagoona and Farnum certain he's acting on cowardice. As Farnum mocks both Lagoona and Gil, Lagoona tries to convince Kipling to break ties with Farnum because he isn't like his cruel master. Kipling declines, certain he has no one else to rely on.

Back at Farnum's boat, Farnum is still holding onto Frankie as Andy gets into the boat and her friends watch. However, the group is surprised to see Gil rise from the water. Gil demands that Farnum releases his friends, to which Farnum asks how he intends to enforce his demand. Gil reveals he's not alone - with him is a small army of dolphins as well as the Kraken that destroyed the students' boat. This time, the Kraken destroys Farnum's boat, picks up the crook, and flings him into the jungle. Kipling runs after his master, despite Lagoona's plea for him to stay. With the threat gone, Gil explains that he ran and swam off to the Great Scarrier Reef to ask

Lagoona's parents for help. They talked to the Kraken, who felt sorry for what he had done and agreed to save Lagoona and co. and fix the boat he had destroyed. The students resume their journey, taking Andy with them. Lagoona is thrilled about the courage and reliability Gil showed her and happy he finally stopped being scared of her parents and her home.

At a distance, Farnum and Kipling watch the students, who've forgotten about Frankie's necklace, leave. Farnum swears this isn't the end of the matter.

After some days, Headless Headmistress Bloodgood orders everyone to the auditorium for a speech about tolerance by a human guest speaker. While the man appears merely eccentric at first, realization hits when he starts calling the individual students "specimens" and "oddities". He appears particularly intent to torment Andy with his derogative words, leading to Bloodgood demanding he leave as his speech has nothing to do with tolerance. The man joyously explains he must have misspoken: he didn't mean to lecture about tolerance, but about intolerance. Pestering Andy further, he is slammed away by the boy, and finally reveals that he is Farnum. This revelation first draws the ire of the Wolf siblings, who prepare to attack, but Farnum pulls out a dog whistle to keep them at bay. Next, Deuce tries to petrify him, but Farnum pulls out a mirror from his cane, petrifying Deuce instead. Other students have similar success.

Farnum and Kipling show up on the bridge between the towers and Farnum convinces Andy that, just as with Kipling, a freak like him has nowhere else to turn to than to a man like Farnum. Though Frankie tells him not to listen, Andy Beast does and agrees with Farnum's reasoning. Kipling, though, finally realizes he's been wrong to let Farnum's abuse crush his self-confidence. He takes off his hood, revealing his ears are deformed in the form of an elephant's, and picks up Farnum. Spotting one of the carnival stands not yet removed, (which contains a tar pit), he throws Farnum into it. During his fall, Farnum crosses paths with a flock of birds, causing him to end up not only tarred, but feathered too. Aghast about his own freaky look, Farnum runs off, only to be captured by a bunch of humans he probably had called himself to capture Andy.

When Brittney was done we were shocked and horrified!

Nico: What a monster!

Eli: We'll tar and feather him again and then send him to jail.

Agitos: Does he have any henchmen?

Clawdeen: Just Deuce but he is a statue forever now.

Nico: Good.

Me: That makes it much easier for us to take him down.

Lola: Yeah.

Dirty Bubble: Unless Farnum brought him back somehow

Nokama: He might have. But if he did we'll be ready.

Laney: That's right. We're not going to let him get away with everything he did.

Lola: He tried to kill you girls.

Brittney: And trying to kill my friends is something that makes them my number one enemy. I will personally make sure that Farnum gets a one way ticket to hell For this.

Sunny Flare: Do you girls have a Thunderbird that's either a student or teacher here?

Frankie Stein: Actually we never really checked.

Clawdeen: Yeah we haven't seen one. We may be a school for monsters but we haven't really taken that kind of thought to check.

Brittney: Yokai Academy may have a monster that's a Thunderbird.

Kurumu: That's possible. Many creatures from myths all over the world are all in Yokai Academy.

Laney: That's right.

Swordsman: By the way, Maria, Gentoku's a good guy now.

Maria: I know, Swordsman. So does Horsea.

Horsea: Yeah.

Me: That's good.

Dirty Bubble: That's amazing that you guys met Gentoku on your ambassador mission.

Me: It sure was.

Megan McCallister: Yeah and we thought he was still bad.

Nico: But we found out that he was on the road to redemption.

Clown Man: We're gonna have LOTS of fun with Farnum!

Nico: Oh that you can count on.

Eli: Yeah!

Me: It's time to kick his butt!

Varie: This is gonna be awesome.

Headmistress Bloodgood: And he is in the gym with all the other monsters now. It's all a trap we set up.

Frankie Stein: That's right. We came to you guys to ask for your help to bring him down. It's part of a trap we set up.

Nico: That is awesome.

Brittney: Very well planned out.

Multiplex: Let me set up an army.

He made 310 clones of himself.

Me: Perfect.

Nico: Better make it 930 clones just to be safe.

Multiplex: Lets not overdo it.

Nico: Yeah. But anyway are we ready?

We nodded.

Me: It's Entrance Time.

Nico: Lets go.

We went for the Gym.

Farnum was dancing and then the spirits of the Darkness of The Aquatic Land appeared and they swirled around him and then converged and then a massive explosion of ghosts of the undead appeared and they had all the great monsters of horror and then we appeared!

Nico: Hello there Farnum.

Brittney: Bartleby Farnum you're under arrest!

His right hand man Deuce came.

Deuce: You want Farnum? You go through me!

Me: With pleasure.

Ren Krawler: That won't be a problem!

Taka! Tora! Batta! Ta-To-Ba! Tatoba! Ta-To-Ba!

Deuce: What was that?!

Linehalt: You're screwed now!

Out came The OOO Kamen Riders!

Me: Hey Eiji!

Will Vandom: Awesome to see you guys!

Eiji: Same here Will.

Will: Let me help you guys!

Onyx: Don't forget to use your Kamen Rider form.

Will: Oh I won't.

She pulled out her OOO Sengoku Belt and put in 3 medals for Hawk, Condor and Peacock!

Will: HENSHIN!

She turned into her RED FLIGHT OOO RIDER FORM!

Nico: YEAH!

Sword Man: Didn't expect to see Kamen Riders here, huh?

Frankie Stein: Not at all and that is so cool!

Me: We met tons of awesome Kamen Riders these last couple of months and many of them have been a huge help during the 20 Days of Darkness.

Nico: Yep and we owe them big time for that.

Farnum: Well you will be soon dead.

Me: Not if we kill you first! But we're going to let nature take its course on that.

Goliath: Brittney's got a score to settle with you!

Brittney: You better believe I do.

Brittney went up to Farnum.

Brittney: It's time for the darkness to destroy you for good Farnum.

Farnum: I'm not scared of you.

Brittney: You should be. Because darkness has a master of pitch black retribution and that is me.

She teleported and them punched him in the face and smashed his teeth out.

She sent him crashing into the punch bowl and he tasted the punch and hurled his guts out.

Then Titania, Titanium Titan, Batroc the Leaper, Goro, Wiggum, KGBeast, Bizarro, Speed Demon, Ragdoll, and Chemistro appeared.

Nico: Titania, Titanium Titan, Batroc the Leaper, Goro, Wiggum, KGBeast, Bizarro, Speed Demon, Ragdoll, and Chemistro.

Titanium Titan: (Spanish Accent) This is a monster amazing place.

Goro: It sure is cool.

Me: We sure did. The Lego Version of The Condiment King. He was funny but had just as many awesome tasty sauces.

Wiggum: It's about time.

Laney: Yeah no kidding there.

Beevil then appeared for round 2.

Beevil: Having a Happy Birthday?

Nico: You bet I am!

Me: One of the best ever. But we're not done yet. Lets make this a great birthday by finishing it up with a bang.

Lola: Yeah lets do it!

We got the usual battles underway.

Nico: Farnum you have failed this world.

?: You Dark World bitches, along with you miserable Louds, have ruined all of The Church of Necrom's plans for the last time!

Laniya Guillermo: I should've known there's no mistaking that insane scream from anywhere. You can come out now, Nigel Alaister.

An inverted pentagram with Necrom on top of it drawn in blood red infernal energy appeared in the skies, and then, a mist of darkness came out and as it landed, the mist of darkness faded revealing a 17-year-old teen male with long black hair going down to his neck, pale skin, red eyes, sadistic and insane grin on his face, and dressed in a long long-sleeved black coat, black shirt, black pants, and black ankle-high boots. It was Nigel Alaister, Damian Alaister's younger brother, a dangerous warlock and another member of The Church of Necrom.

Nicholette Torrington: Nigel Alaister, the younger brother of Damian Alaister, I should've known you'd be the next one to come out after we took down Jocasta Belladonna, Jezebel Lanira, Ianira Dormund, Edana Baudelaire, Drusilla Draven, Chandra Mortlake, and Adrienne Hawthorne, along with us killing Boogey and freeing Dr. Animo from The Church of Necrom's control.

Nigel Alaister: Shut up, bitch! You all have ruined our master's plan to bring Lord Necrom into this pathetic world, so that we could destroy all of mankind and bring back The Dark Ages, and now, we will destroy all of you ourselves!

Laniya Guillermo: That's not going to happen, Nigel, and now, your rampage ends here and now!

Suddenly, Laniya Guillermo's purple eyes turned neon purple and she was surrounded by a purple energy aura with darkness, demons, and dark magic, she unholstered her massive Latinum, Exarch of Dark World-themed sword from her back, and as she approached Nigel Alaister, she left dark blue energy, demons, darkness, and dark magic with every step.

Laniya Guillermo: You just don't even know when to quit, do you? We've beaten you down so many times and in those many times, you fled with your tail between your legs and howling like a wounded animal. That's it, I've had it up to hear with you, Nigel Alaister, and now, I'll see to it that you'll pay for the crimes that you've committed long ago.

Suddenly, Laniya Guillermo was surrounded by a massive vortex of purple energy with darkness, dark magic and demons surrounding it, there's Latinum, Exarch of Dark World flying around the vortex, and inside the vortex is a purple phoenix. Then, as the vortex faded, Laniya Guillermo emerged, but she was changed forever.

(IMPERATRIX MUNDI PLAYS AT 1:45 TO 2:14)

Laniya Guillermo grew from 6'5" to 6'11" in height, she had dark purple highlights in the bangs of her long flowing purple hair, she has neon purple eyes and a purple energy, demons, darkness, and dark magic surrounding her, she has the image of Latinum, Exarch of Dark World emblazoned on her forehead, she has on demon earrings with purple gems for eyes and holding the Dark and Eternity Kanjis in its hands, she also has Latinum, Exarch of Dark World with purple gems for the eyes and the Dark and Eternity Kanjis in its hand for the second pendant, along with the golden Thunderbird pendant of her Thunderbird Necklace of Eternal Love necklace with purple crystal links from her merged Crystal Necklace of the Buddha and purple gems on the gold lightning bolt links. Laniya Guillermo has on a sleeveless purple vest, sleeveless purple midriff top, purple plaid skirt, purple pants, purple sneakers, and a long purple sleeveless trenchcoat with darkness, demons, and dark magic on the coattails, and Latinum, Exarch of Dark World surrounded by demons, darkness, and dark magic on the back. Suddenly, Laniya Guillermo's massive purple angel wings grew much bigger for her new body, and the large purple feathers have black tips. Laniya Guillermo has on a Ring of The Phoenix with purple gem and heart shaped gem embedded in it on her right ring finger and a Star Sapphire ring on her left ring finger. Suddenly, Laniya Guillermo's massive Latinum, Exarch of Dark World-themed sword was surrounded by a kaleidoscope of purple energy, darkness, demons, and dark magic, and they merged, and when the new w finally emerged, it was transformed into Latinum, Exarch of Dark World's Demon Sword of Darkness Netherlord Justice, it's a brand-new greatsword with Latinum, Exarch of Dark World etched on the 7'0" massive, wide, double-edged purple blade, large purple angel wings for the crossguard, large purple gem embedded in the rainguard, longer black handle, and a large purple gem with black angel wings surrounding it for the pommel, she has on her new large gold cuff Bracelets of the Champions of The Universe with purple gems on her wrists, new large gold Belt of Elemental Bravery with a gold version of Latinum, Exarch of Dark World's head with purple gems for eyes and a large purple gem in its open mouth for the belt buckle, large Destroyer of The Church of Necrom grimoire and rainbow-colored leather and gold metal bound Elemental Spellbook of Harmonious Justice, Eternal Harmony, and Equestrian Peace on her left hip and Eater of Sins revolver holstered on her right hip. Laniya Guillermo has transformed into SUPER ANGEL ETERNITY INFINITY DARKNESS LIGHTNING STORM DEMON ANGEL OF DARK JUSTICE AND DARK VANGUARD LOVE!

We were amazed by Laniya Guillermo's Super Angel Eternity Infinity transformation, and when Lincoln saw her, he had an atomic red blush on his face and hearts in his eyes. But, when Nigel Alaister saw it, he went fucking crazy and fired a blast of darkness to kill her, but Laniya Guillermo fired a powerful blast of purple energy with darkness, demons, and dark magic, and it hits Nigel Alaister and sent that insane warlock crashing back first into a wall.

Nicholette Torrington: Holy crap, now Laniya Guillermo's transformed into her Super Angel Eternity Infinity form, that's so awesome!

Nico: That's right, Nicholette, and she sent that crazy warlock, Nigel Alaister, crashing back first into a wall, and really pissed him off even more. This is going to be good.

Me: You said it.

Lincoln: Wow, Laniya, you look beautiful. How do you feel?

Laniya Guillermo: (Divine Echoing Cosmic Voice of the Netherlord Demon and Dark Divine Love) **I feel incredible, Linky. Now then, shall we deliver Nigel Alaister his rightful punishment?**

Lincoln: (Smiles) With pleasure, Laniya.

Lincoln unholstered his massive Hinon's Cosmic Storm Sword of Universal Hope, Elemental Bravery, and Unbreakable Eternal Bonds from his wider and muscular back, and transformed into Super Angel-Ebonwu-Thunderbird Eternity Infinity Elemental Thunderbird Buffalo Angel of Universal Justice and Elemental Hope and he joined Laniya Guillermo.

Lincoln: (Divine Echoing Cosmic Elemental Voice of Universal Justice and Elemental Hope) **Your days of causing mayhem and chaos in the name of Damian Alaister and The Church of Necrom are finally over, Nigel Alaister.**

Laniya Guillermo and Lincoln went after Nigel Alaister, who continued firing blasts of darkness at them, but they dodged them, and they fired powerful blasts of rainbow energy, purple energy, dark magic, Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, Magic, rainbow flames, rainbow crystals, Buffalo, Thunderbirds, Phoenixes, Angels, and Demons at Nigel Alaister, and they exploded with incredible power as they hit the crazy warlock, and he became even more pissed off big time.

Nigel Alaister: Rise from your desecrated graves, Zombie Demons, and rip the very flesh from their bones!

Nigel Alaister summoned a massive army of Zombie Demons as they rose from the ground, and they were about to attack, but

Lincoln then got out his large rainbow-colored leather and gold metal bound Elemental Spellbook of Harmonious Justice, Eternal Harmony, and Equestrian Peace, and he opened it and turned to the page with the spell he found. Then, Lincoln chants a powerful incantation, and he fired a powerful rainbow energy wave, and as the rainbow energy wave hits the massive army of Zombie Demons, their undead bodies were destroyed along with their souls, and that pissed off Nigel Alaister even more.

Laniya Guillermo: **Linky, shall we do the honors in putting Nigel Alaister in his place?**

Lincoln: **Ladies first, Laniya.**

Laniya Guillermo: **Such a gentleman.**

Laniya Guillermo and Lincoln formed massive red energy balls in the palms of their hands, and they condense them to the size of their bodies, and they aimed them at Nigel Alaister, who ran at them with murder and insane rage in his eyes.

Laniya Guillermo and Lincoln: **VOX PENICULUS POWER ABSORPTION KARMA BLAST!**

Laniya Guillermo and Lincoln fired the massive red energy balls, which transformed into red energy beams, and as the two red energy beams hit Nigel Alaister, Lincoln and Laniya Guillermo began sucking out and absorbing all of Nigel Alaister's dark powers and dark magic, and Lincoln's rainbow energy aura with Thunderbirds, Phoenixes, Angels, Buffalo, and Elemental Forces flared up, and he was gaining a really massive power and energy boost to his infinite power and energy, and the same thing happens to Laniya Guillermo as her purple energy aura with darkness, demons, and dark magic flared up and she was really massive power and energy boost to her infinite power and energy. When Laniya Guillermo and Lincoln were done, Nigel Alaister was rendered completely powerless and completely drained of his powers.

Nigel Alaister: What did you do to me?!

Lincoln: **We sucked out and absorbed all of your dark powers,**

**abilities, and dark magic, and now, you're powerless, Nigel Alaister.**

Laniya Guillermo: **And now, you're finished.**

Laniya Guillermo opened her Destroyer of the Church of Necrom grimoire, and she found the page and she fired a blast of darkness, and as it hit Nigel Alaister, the now powerless and insane warlock of The Church of Necrom and Damian's younger brother, was imprisoned inside of a black tarot card with Latinum, Exarch of Dark World on the back of the black tarot card with darkness, demons, and dark magic, and she put the tarot card with Nigel Alaister imprisoned inside the black tarot card box with the symbols of the Dark World Duel Monsters on top, where Jocasta Belladonna, Jezebel Lanira, Ianira Dormund, Edana Baudelaire, Drusilla Draven, Chandra Mortlake, and Adrienne Hawthorne were put into. We all cheered wildly for what Laniya Guillermo and Lincoln as they holstered their massive swords and powered down, and Laniya Guillermo's new body, clothes, weapons, jewelry, and massive purple angel wings are permanent.

Laniya Guillermo: Gotcha, you bastard! Thank you for helping me take down Nigel Alaister, Linky.

Lincoln: (Smiles Warmly) You're welcome, Laniya.

Suddenly, Laniya Guillermo wrapped her arms around Lincoln's waist, as her chest was pressed against Lincoln's massive and wide muscular pecs, which brought an atomic red blush to Lincoln's face, and he wrapped his abnormally massive and powerful muscular arms around her waist and he brought her into a hug, which took her by surprise and brought an atomic red blush to her face. Then, as Lincoln leans down to Laniya Guillermo's face, they kiss passionately as Laniya Guillermo wrapped her left arm around Lincoln's muscular waist, and she placed her right hand on Lincoln's massive and wide muscular right pec, and behind them was a Thunderbird, Phoenix, Angel, and Latinum, Exarch of Dark World flying in the air, and we also saw a herd of Buffalo running across the field, along with elemental forces and creatures of the night flying around the place and we cheered for them.

Nico: Hah, that's another Church of Necrom asshole put down, and ten more to go.

Me: That's right, Nico.

Jackie Wren: Which means the next Church of Necrom member to show their face tomorrow is Cary Blakewell.

Lincoln: That's right, Jackie, and you and I are going to put a stop to that insane warlock and make him pay for everything that he's done.

Nico: And as always, we'll be on guard for Cary Blakewell's plans and foil them at every turn, and that'll get her so mad, it's bound to send her into a blind rage.

Lincoln: Which is just how we want him to be in, when we pulverize him tomorrow.

Bizarro: Unhappy Birthday today, Nico.

Nico: (smiles) Oh, don't trust me, Bizarro. Today was a VERY unhappy birthday.

KGBeast: Especially since Farnum got what he deserved.

Me: Yes he did.

Speed Demon: (to the OOO team) You guys helped too.

Eiji: We sure did.

Me: We owe you guys big time for helping us out.

Eiji: Think nothing of it.

Chemistro: We'll see you guys in August.

---

In the Early Morning hours at 1:23 AM, I was fast asleep and I was having a really awesome dream. I was on a planet made entirely out of Ultimeatum Burgers and man was it really awesome.

Me: Wow look at this! An Ultimeatum Burger planet.

Natilee appeared.

Natilee: Wow this is awesome dad.

Me: It sure is. Enough Ultimeatum Burgers to last forever.

We walked around and it was really amazing. And then we saw 12 stars floating above the surface and they then shined and out came 12 Constellar Monsters!

Me: Whoa Constellar monsters.

They reverted back and they were the Constellar Sisters: Amelia, Tanya, Gina, Cierra, Layla, Virginia, Leanne, Selene, Sally, Callie, Aqua, and Penelope. It was awesome to see them again. We later went to Lincoln's dream.

In the early morning hours at 2:53 AM, Lincoln was asleep with Lily the Mermaid in his bed and his harem with him, and he was having an awesome dream, and he, along with me, Natilee, and the Constellar Sisters were in a jungle.

Lincoln: Whoa, we're here in a jungle, but this won't be like with the dream version of Mr. Burns.

Me: That's right, big guy. But, this is going to be awesome.

Natilee: You said it, Dad, but we got to be ready for anything.

We walked through the jungle and Lincoln was slashing down the vines and bushes with his massive Hinon's Cosmic Storm Sword of Universal Hope, Elemental Bravery, and Unbreakable Eternal Bonds. Just then, we saw the Laval Monsters, Laval Lakeside Lady, Laval Forest Sprite, and Laval Volcano Handmaiden, but they've been surrounded by a tribe of jungle cannibals.

Lincoln: Oh man, guys look. The Laval Monsters have been surrounded by a tribe of jungle cannibals. Let's get down there and save them from those cannibals.

Me: Yeah.

We head down there, and Lincoln went after the tribe of jungle cannibals, and he was slashing them all down with powerful one-handed swings of his massive greatsword, and then, he sent their spirits to The Black Gates for good.

Me: Yeah, awesome job, big guy.

Lincoln: Thanks, J.D., and that'll teach those cannibals. (To the Laval Triplets) And it's so good to see you again, Selene, Sally, and Sierra Lokolai.

Selene Lokolai reverted back to normal, and she's a beautiful 17-year-old girl with long flowing pink hair, pink eyes, fair skin, she's tall at 6'5" in height, she has the body of a goddess, she has massive red angel wings, and she reigned in the power of Laval Lakeside Lady, and she's dressed in a short-sleeved red dress, socks, red shoes, and a long red sleeveless trenchcoat with fire and lava on the coattails, and Laval Lakeside Lady on the back, and holstered on her back is a large Laval Lakeside Lady-themed sword with a 7'0" massive, wide, double-edged red blade with Laval Lakeside Lady etched on it, large red angel wings for the crossguard, large red gem embedded in the rainguard, longer black handle, and a large red gem surrounded by red angel wings for the pommel.

Sally Lokolai reverted back to normal, and she's a beautiful 17-year-old girl with short neck-length pink hair, crimson red eyes, fair skin, she's tall at 6'5" in height, she has the body of a goddess, she has massive red angel wings, and she reigned in the power of Laval Forest Sprite, and she's dressed in a short-sleeved red dress, socks, red shoes, and a long red sleeveless trenchcoat with fire and lava on the coattails, and Laval Forest Sprite on the back, and holstered on her back is a large Laval Forest Sprite-themed sword with a 7'0" massive, wide, double-edged red blade with Laval Forest Sprite etched on it, large red angel wings for the crossguard, large red gem embedded in the rainguard, longer black handle, and a large red gem surrounded by red angel wings for the pommel.

And Sierra Lokolai reverted back to normal, and she's a beautiful 17-year-old girl with short neck-length pink hair, red eyes, fair skin, she's tall at 6'5" in height, she has the body of a goddess, she has massive red angel wings, and she reigned in the power of Laval Volcano Handmaiden, and she's dressed in a short-sleeved red dress, socks, red shoes, and a long red sleeveless trenchcoat with fire and lava on the coattails, and Laval Forest Sprite on the back, and holstered on her back is a large Laval Volcano Handmaiden-themed sword with a 7'0" massive, wide, double-edged red blade with Laval Volcano Handmaiden etched on it, large red angel wings for the crossguard, large red gem embedded in the rainguard, longer black handle, and a large red gem surrounded by red angel wings for the pommel.

And the Lokolai Triplets have a birthmark in the shape of the Laval Crest on their right shoulders.

Selene Lokolai: You too, Lincoln, it's been a long time.

Lincoln went up to the Lokolai Triplets and they hugged, and the Lokolai Triplets were also surprised at just how much taller and much more muscular Lincoln's gotten since they last saw him, and they also felt just how strong he's really become.

Lincoln: It sure has, I haven't seen you three when you were sixteen, and as you can see, I really grew a lot since then.

Sally Lokolai: Whoa, you sure have really grown very big and strong like a tree, Lincoln, you've really grown a lot from the eleven-year-old cute little boy into a 17-year-old and permanently 7'5" tall, very handsome, and manly teen with abnormally massive and powerful upper and lower body muscles and eight-pack abs, that's so awesome.

Me: Wow, Lincoln, you know these triplets?

Lincoln: Indeed I do, J.D., the Laval Lakeside Lady is Selene Lokolai, the Laval Forest Sprite is Sally Lokolai, and the Laval Volcano Handmaiden is Sierra Lokolai, they're three of my many Guardian Angels from Michigan. They were born when a volcano erupted in Central America and it was a powerful and fiery eruption, and legends say that they absorbed all the lava from the volcano and it gave them incredible fire powers, thus giving them the birthmark in the shape of the Laval Crest on their right shoulders. They also have an incredibly powerful and intensely burning hatred towards Flip and Lewis Travolta and they burned their butts bad.

Me: Nice one.

Sierra Lokolai: That mutant cheapskate and gluttonous jerk is really asking for it for all of the things they've done to everyone in Royal Woods including Lincoln, his friends, and his family.

Natilee: That's amazing, and you girls also have the Laval Crest, the same one that Natsu Dragneel has.

Lincoln: Wait until he hears about this.

Suddenly, three Thunderbird of Eternal Love appeared around the necks of the Lokolai Triplets with red gems on the gold thunderbolt links and red crystal links from their brand-new Crystal Necklaces of the Buddha which merged with their Thunderbird Necklaces of Eternal Love.

Selene Lokolai: (Surprised) Whoa, is this…?

Lincoln: Yep, that's a Thunderbird Necklace of Eternal Love, and that means you, Sally, and Sierra are now part of my harem and one of my many future wives, Selene.

Selene, Sally, and Sierra Lokolai had smiles on their faces and tears in their eyes, as Lincoln made two clones of himself and they went to the triplets and the triplets wrapped their arms around the thick muscular necks of Lincoln and his clones, and Lincoln and his clones wrapped their abnormally massive and powerful muscular arms around the triplets' waists, and they leaned down to the faces of the triplets and kissed the triplets on the lips, and they also returned it, and we cheered for them.

Me: Awesome.

Lincoln: That's another dream rescue accomplished.

Natilee snapped her fingers, and The Lokolai Triplets were now part of Lincoln's harem and the team, and when Lincoln woke up the next morning and told the rest of the team everything, they were really amazed and stunned with awe.

Nico: Whoa, so when Selene and her sisters were born, they absorbed all the lava from the volcano and it gave them incredible fire powers, thus giving them the birthmark in the shape of the Laval Crest. That's really awesome.

Natsu: I've never thought that was possible, but this is really incredible.

Me: It sure is, Natsu.

Lincoln: And when Flip and Lewis Travolta see them again, they're going to be really angry. But, we'll enjoy seeing them get their butts burned again.

Me: You said it, big guy.

Eli: They deserve to get their butts burned for everything they've done in the past.

* * *

Over in Oregon was Nico, Royal Defenders Carol, Qin, Miku Yuuki, Rei Miyamoto, Saya Tekagi, Saeko Busujima, Shizuka Marimoto, Zenkaigers, Chloe Bourgeois, Rita Loud, The Goths of Darkness, Applejack, Apple Bloom, Twilight Sparkle & Friends, Rachel Stavenport, Carol Pusateri, May, Kaalia of The Vast, Maria, Varie, me, Eli, Arrietty, Aylene Carter, Gabrielle, Littlefoot and friends, Fu, Nicole Knudson, Kaina Tsutsumi, Camie, Kaoruko Awata, Himiko, Ibara, Toru, Sirius, Tsuyu, Ochaco, Momo, Lincoln, Laney, Lana, Lola, Lisa and Lily and we were heading to Camp Lakebottom and we're going to help McGee and friends.

Me: We haven't been to Camp Lakebottom in like forever.

Toru: I heard so much about Camp Lakebottom and it's full of monsters and everything.

Nico: Yep and it is also home to all kinds of awesome creatures and McGee and friends are having a lot of fun there.

Eli: They sure do have fun there.

Nico: Thanks for coming with me, Carol

Carol Pusateri: No problem Nico.

RD Carol: This is so awesome that both of us are going with you too.

Rei Miyamoto: Boy it sure is confusing that you guys Are the same.

Carol Pusateri: Yeah it sure is crazy.

Me: One of them came from another universe where we went into war against 2 years ago.

Lola: That was really awesome.

Nico: Carol, I'm sorry if it feels like I'm stealing Maria from you.

Carol: No you aren't Nico. It's awesome that Maria is spending time with you like a sister. Now you have me as a sister too.

Nico: Really? Cool.

Maria: Yeah I told her that she can be a sister for you too.

Lincoln: That is awesome.

Nico: It's just that ever since I joined you guys, Maria's been very supportive of me. Not to mention that Poliwag as Horsea as a girlfriend.

Carol: That's true but I think Maria is very awesome to you too like I've been to her even before she became Aquamaria.

Maria: That's true and it's amazing that she shows that much support for you too.

Eli: It sure is Maria. Nico went through so much these last couple of years and it's awesome that he has done so much too.

Maria: That is for sure.

Nico: Yeah it sure is.

Camie: I have a feeling we're going to be in for an awesome adventure here.

Nico: Me too.

Juran: Maria, if Horsea eventually ends up pregnant thanks to Poliwag, how are you going to react?

Maria: I would be overjoyed and over the stars.

Nico: That is for sure!

Lola: Yeah it will be awesome.

Fu: Yeah.

Me: Nico yesterday's ambassador mission was an absolute surprise. We met Gentoku from the Build Kamen Riders.

Nico: Boy we sure did.

WHACK!

Nico whacked me in the head.

Me: OUCH! Okay I had that coming for wanting to destroy Gentoku and I'm sorry.

Nico: Apology accepted.

Maria: It's my fault for not informing you guys sooner.

Me: And I take full responsibility for what I was thinking about Gentoku. What he did was awful.

Nico: It was.

Maria: But what happened in that world was absolutely terrible. Evolt's power was incredibly strong.

Me: No kidding there. But thanks to the both of us we overpowered Evolt and destroyed him forever.

Nico: Really?

Me: We banished him to the Dark Dimension and he will never escape from there.

Eli: Good.

Maria: Don't be too sure. Slappy was able to escape the Dark Dimension. Evolt might do the same.

Nico: That's fine. That means Sento gets to kick his ass again in the future.

Me: That's right. But Evolt doesn't have his powers as Black Hole Evolt anymore. I made sure of that.

Nico: How?

Me: I stripped him of his Evol Rider and destroyed it and banished all his powers to the Black Gates forever. Now he will be much easier to destroy on the big day.

Lola: Good.

Maria: It's true.

Me: But there's more. After we defeated him the Kamen Rider Build World merged with our own world.

Nico: Whoa! So now they are with us.

Me: Yep.

Nico: But who knows what Evolt might have up his sleeve on the big day? He might get a new Evol Rider form that's the color scheme of Evox.

Maria: That's fitting considering that Evolt and Evox have similar names.

Me: That is true. But I highly doubt it. Without Pandoras Box he is nothing. I removed all the bottles inside Pandora's Box and threw the entire box into the Black Gates.

Eli: Wow! Good luck getting it back.

Nico: Very smart thinking.

Lola: Now Evolt is powerless.

Me: And to make sure he doesn't ever regained his power I placed a terrible curse on Evolt.

Nico: What kind of curse?

Me: Remember how Jackie Chan said that Shendu was cursed to be trapped in Valmont?

Nico: Yeah?

Me: Well I did the same thing to Evolt. I cursed him to be trapped inside Isurugi Soichi forever and he will never come out. And when the big day comes he will die 1 hour after we face him.

Nico: Very awesome.

Maria: But considering that Daiki might get a card of Evolt's Kamen Rider form, we can use those powers for our side after Tsukasa's team joins us.

Me: Good idea Maria.

Eli: Evolt is gonna be in for one nasty surprise when we face him.

Me: And he will pay for all his crimes. I vowed that he would suffer big time for every single one of them. Not just to Mars but to Japan and to Earth for everything he did.

Saya: What he did makes him no better than Shido!

Miku Yuuki: Yeah what a monster!

Maria: But I just wish we could've cursed Evolt a different way. Instead of Soichi having the bastard in his body!

Me: Don't worry Maria. It's all part of my plan. When I cursed him I put both Soichi and Evolt in a state of suspended animation in a magical crystal that will keep them both dormant until the big day.

Lana: Wow!

Saeko: Smart thinking there.

Nico: It sure is.

Maria: And unfortunately, we couldn't get rid of Evolt's Blood Stalk form.

Nico: It's fine, Maria. At least that form's less powerful.

Me: That's his least powerful form. In his Black Hole form I was able to destroy it with the full power of my Super Angel Xelnaga form.

Nico: Whoa! That is amazing!

Eli: Yeah it is!

Me: Yep. And after I beat him I grabbed his Evol Rider and removed his bottles and banished it and the slabs for Pandora's Box into the Black Gates.

Maria: It's true. That box was nothing but trouble.

Laney: Good riddance.

Twilight Sparkle: Yeah what a nightmare that Earth went through.

Me: But it's not over yet. We go there sometime in September and we finish what we started.

Carol: I think I see something.

We saw Camp Lakebottom.

Nico: There it is.

We saw a Chili Monster running amok and breathing fire and we went over and Nico ate it and it was unbelievably hot!

But he liked it.

We then saw Jordon Buttsquat! And he had a massive battleship! HE WAS LAUGHING INSANELY AS HE WAS GETTING READY TO BLOW THE ENTIRE CAMP INTO OBLIVION!

Nico: That rotten brat! Lets get him!

Jordan Buttsquat: You will pay for everything you did to me!

Maria: Where did you get this?!

Jordan Buttsquat: Like I will ever tell you! Now I will use this ship to destroy your precious Camp Lakebottom and get my revenge!

?: I DON'T THINK SO PUNK!

We then saw a Toku'Star pick up the ship and then we jumped off and then it smashed the ship into a million pieces and it exploded!

EXTREMELY MASSIVE FIERY EXPLOSION!

Jordan Buttsquat was on a rock!

Jordan Buttsquat: YOU WILL PAY FOR THIS!

Lincoln: Oh shut up you redhaired brat!

Me: Yeah!

Lincoln: We've had it up to hear with you, Buttsquat. I hope you like being turned into a gold statue for all eternity.

Suddenly, Lincoln was surrounded by gold energy, and we knew what it meant: he's going to use his King Midas' Golden Touch Vengeance Curse on Buttsquat.

Lincoln: (Singing Divinely) I see a cold wind blowing through, I see days neither fun nor free, I see a future caused by you, I see a path not meant to be. Your future should filled with magic, dreams, and wishes brought to life. But, the days ahead are dark and tragic, no time for hope when all is strife, whatever might have been, all the dreams that you did share, because of you, Jordan Buttsquat. Now, the future is a cold nightmare.

Nico and I had shivers going down our spines and so did many of us when Lincoln sang that song, then, Lincoln fired powerful blasts of gold energy from his massive deep sapphire blue angel wings, and as they hit Buttsquat, he screamed in horror as he was turned into a golden statue.

McGee: Hah, justice has been served!

Suzi: He deserves to be turned into a gold statue for all eternity. Thank goodness I saw what kind of monster he was like years ago.

Lincoln: And now, he's going straight to prison for good.

Lincoln beamed him to The Naiad Prison for Xenophobic Egotists, and he put him in a separate cell in Solitary Confinement, and it'll be where he'll spend the rest of his life there, and he'll never be free ever again.

Toku'Star: (In a girls voice) That will show that monster!

Nico: That voice. Sarah Gilgamesh?

Toku'Star: Awesome to see you again Nico.

She reverted back to Normal size and wasa girl with red hair and red clothes.

Sarah Gilgamesh: That's it for that monster.

Maria: Still doesn't answer where he got the ship.

Nico: Some things are best left unsaid.

Sarah Gilgamesh: Yeah but he had it coming. He deserved it for stealing all that money and making himself really superior.

Nico: Good riddance!

Carol: What's your favorite memory of Nico?

Sarah Gilgamesh: I have a lot of them but my favorite is when me and Nico were exploring a huge canyon and we found a hidden abandoned gold mine and there was a huge vein of gold left untouched. We harvested all the gold and Nico gave it to my family and we're now really rich.

Nico: Yep.

Me: Wow that is cool!

Eli: It sure is.

Nico and Sarah hugged.

Nico: I really missed you.

Sarah Gilgamesh: Me too Nico. Me too.

Me: This was awesome though. Now we've seen the last of Jordan Buttsquat.

Eli: Good riddance.

Laney: Yeah. I hate the kid.

Nico: Yeah.

After Nico's rescue, Lincoln, Me, Nico, Eli, Nicole Knudson, Lori, Leni, Luna, Luan, Lynn, Laney, Lucy, Lana, Lola, Lisa, Lily, Lincoln's harem, Sherlock Hound, Noctis Lucis Caelum, Gladiolus Amicitia, Ignis Scientia, Prompto Argentum, Stella Nox Fleuret, Ravus Nox Fleuret, TLPS Mr. Wolf, TLPS Mr. Piranha, TLPS Mr. Snake, TLPS Mr. Shark, TLPS Ms. Tarantula, Sima Shi, Sima Zhao, Sun Jian, Guo Jia, Zhang Bao, Guan Xing, Cao Cao, Liu Bei, Sun Quan, Sima Yi, Jiang Wei, Jia Chong, Yukimura Sanada (Samurai Warriors), Keiji Maeda (Samurai Warriors), Kanetsugu Naoe (Samurai Warriors), Hanzo Hattori (Samurai Warriors), Musashi Miyamoto (Samurai Warriors), Heathcliff, Sonja (Heathcliff), Heathcliff, Sonja (Heathcliff), Riff-Raff, Hector (Heathcliff), Wordsworth, Mungo, Cleo, Leroy, Crash Bandicoot, Coco Bandicoot, Aku-Aku, The Quantum Masks, Alternate Tawna, Spyro, Cynder, The Ghostforce, Rayman, The Louds' Scottish Ancestors, The L-ementals, and Silver the Hedgehog are heading back to the world of House of The Dead, this time at Curien Mansion, and not only is Lincoln going to rescue the five girls there, but we got word that Dr. Curien, the mad scientist and the one responsible for the tragedies there has been brought back from the dead.

Lincoln: Whoa, we're back in the world of House of The Dead, this time at Curien Mansion, and not only is Lincoln going to rescue the five girls there, but we got word that Dr. Curien, the mad scientist and the one responsible for the tragedies there has been brought back from the dead.

Nico: That's right, big guy, and we also got word that Betty Boop had been kidnapped and dragged here by Cary Blakewell.

Jackie Wren: That bastard's going to get it.

Lincoln: And he will, Jackie, and thanks for joining us, Silver.

Silver the Hedgehog: You're welcome, Lincoln, and like I said, if Curien returns, I'll be the one to kill him. Alright, let's get going.

We ran towards Curien Mansion, and we were also killing the creatures that Curien's unleashed, along with rescuing the surviving scientists from Curien's creatures, and we also killed his bio-engineered creations, The Chariot, The Hangedman, and The Hermit, which means The Magician is in the main room where Curien's at.

?: HEELLLLPPPP!

Suddenly, Lincoln heard the sound of five girls calling for help, along with maniacal laughter. With his deep sapphire blue cyborg eyes, rainbow colored iris of his Third Eye, the Force, and his superhuman sight, along with sensing energy signals, he saw and heard exactly where the call for help was coming from. He saw the five girls, but they've been cornered by Dr. Curien, and he's going to unleash The Magician and kill them. Lincoln also saw that Dr. Curien had the symbol of The Church of Necrom on his forehead, and this means that The Church of Necrom brought his back from the dead, and he saw an army of Crystal Demons with him.

Lincoln: Guys, I found the six girls, but they've been cornered by Dr. Curien, and he's going to kill them by unleashing The Magician, and I also saw that Dr. Curien had the symbol of The Church of Necrom on his forehead, and this means that The Church of Necrom brought his back from the dead, and he saw an army of Crystal Demons with him.

Jackie Wren: I should've known The Church of Necrom were the ones who brought that madman back from the dead, and that army of Crystal Demons with him, there's only one warlock in The Church of Necrom who's able to summon Crystal Demons: Cary Blakewell.

Lincoln: Should've known that insane warlock was behind this.

?: Let's destroy that insane madman and his last abomination.

Suddenly, we saw Reeze, Whirlwind of Gusto appear before us.

Nico: Wow, that's Reeze, Whirlwind of Gusto.

Lincoln: And I'd recognize that voice from anywhere, I knew it was you, Cora Billingston, but we'll have to talk later, we've got to take down Dr. Curien and destroy The Magician, along with Cary Blakewell's army of Crystal Demons.

We rushed on over and Lincoln fired rainbow energy balls and elemental forces at Dr. Curien and hits him, and Lincoln fired rainbow Super Lightning at Cary Blakewell's army of Crystal Demons, and the army of Crystal Demons were destroyed, and the six girls rushed to get to safety with us. When Dr. Curien saw us, he was enraged, but so were we.

Dr. Curien: How dare you fools get in my way! You will all die!

Lincoln: You really are nothing more than a genocidal monster, Curien. You should've stayed dead after your precious masterpiece turned against you, but now, you've left us no choice but to erase you from existence for good.

Silver the Hedgehog: And that's exactly what's going to happen. I've had it up to hear with you to last an eternity, Dr. Curien.

Suddenly, Silver the Hedgehog's gold eyes turned neon gold and he's surrounded by a very light grey and navy blue energy aura with chaos energy, psychokinetic energy, elemental forces, and hedgehogs, he unholstered his massive Defender of Mobius sword from his back, and as he approached Dr. Curien, he left light silver and navy blue energy, chaos energy, psychokinetic energy, elemental forces, and hedgehogs with every step.

Silver the Hedgehog: You really make me sick, Curien, you once started out wanting to help cure your son, but when you stepped outside the bounds of human morality and started toying with forces beyond your comprehension, you paid for it with a descent into madness and you wanted to destroy humanity and civilization. But, now, I will see to it that you never rise from the dead again.

Suddenly, Silver the Hedgehog was surrounded by a massive vortex of very light grey and navy blue energy with chaos energy, psychokinetic energy, and elemental forces surrounding it, there's a hedgehog running around the vortex, and in the vortex is a navy blue phoenix. Then, as the vortex faded, Silver the Hedgehog emerged, but he was changed forever.

Silver the Hedgehog grew to 7'5" in height, he has abnormally massive and powerful upper and lower body muscles and eight-pack abs, he has neon gold eyes and a light silver and cyan blue energy aura with chaos energy, psychokinetic energy, elemental forces, and hedgehogs surrounding him, he has a hedgehog with the Chaos, Psychic, and Eternity Kanjis in its paws emblazoned on his forehead, he has on his Crystal Necklace of The Buddha with navy blue crystal links and a hedgehog with navy blue crystals for the eyes and holding the Chaos, Psychic, and Eternity Kanjis in its paws for the pendant, Silver the Hedgehog has on a black shirt with a navy blue phoenix on it, black pants, black knee-high leather combat boots, large weighted very light grey bands with silver phoenixes on his massive biceps and thighs and a long sleeveless very light grey trenchcoat with hedgehogs on the coattails and on the back is a phoenix surrounded by the Seven Chaos Emeralds. Suddenly, Silver the Hedgehog felt a sharp pain on his wider and more muscular back, and then, massive very light grey angel wings with cyan tips on the large very light feathers, sprouted out from his wider and more muscular back. Silver the Hedgehog has on his Ring of The Phoenix with large very light grey gem with heart-shaped gem embedded in it on his right ring finger and Blue Lantern Ring on his left ring finger.

Suddenly, Silver the Hedgehog's massive Defender of Mobius sword is surrounded by a kaleidoscope of very light grey and cyan energy, and when it emerged, it was transformed into Thoth's Wisdom Greatsword of Psychic Mobian Justice, it's a brand-new greatsword with the image of the Egyptian god, Thoth, etched on the 7'0" massive, wide, double-edged very light grey blade, large very light grey dragon heads with cyan gems for eyes for the crossguard, large cyan gem embedded in the rainguard, longer black handle, four large very light grey dragon heads with cyan gems for the eyes and in their open mouths and a large cyan gem on the bottom of the dragon heads for the pommel, he has on his new large gold cuff Bracelets of the Champions of The Universe with cyan gems on his wrists, his new large gold Belt of Elemental Bravery with a gold phoenix head with cyan gems for eyes and a large cyan gem in its open mouth for the belt buckle on his waist, large rainbow-colored leather and gold metal bound Elemental Spellbook of Harmonious Justice, Eternal Harmony, and Equestrian Peace on his right hip and Eater of Sins revolver holstered on his left hip, and there's a cyan kanji below the phoenix that said, "Silver the Hedgehog, Interdimensional Hero of Mobius and The World, Futuristic Hedgehog From a Ruined Future, Interdimensional Friend to Many, Destroyer of Dr. Eggman's Delusional Ambitions and Destroyer of Mephiles the Dark and Iblis, Slayer of Evil, Deranged, Murderous, Ruthless, and Sadistic Bastards, and Master of The Seven Chaos Emeralds, Chaos Energy, Psychic Energy, Elemental Forces, and Hedgehogs" Silver the Hedgehog has transformed into SUPER ANGEL ETERNITY INFINITY PSYCHIC STORM CHAOS HEDGEHOG ANGEL OF CHAOS JUSTICE AND MOBIUS HOPE!.

We were amazed by Silver the Hedgehog's Super Angel Eternity Infinity form, but when Dr. Curien saw it, he tried to awaken The Magician, but Silver the Hedgehog fired a powerful very light grey and cyan energy blast with psychic energy, elemental forces, chaos energy, and hedgehogs, and it hits The Magician and destroyed it, and he fired another and it hits Dr. Curien.

Lincoln: Wow, Silver's transformed into his new Super Angel Eternity Infinity form, and he destroyed The Magician, now we won't have any trouble later on.

Nico: You said it, Lincoln. Silver, how do you feel?

Silver the Hedgehog: (Divine Echoing Cosmic Voice of the Psychic Hedgehog and Mobian Hope) I feel incredible, Nico. Now, then, it's time to destroy Dr. Curien once and for all.

Lincoln: You're right, Silver, let's get him.

Lincoln unholstered his massive Hinon's Cosmic Storm Sword of Universal Hope, Elemental Bravery, and Unbreakable Eternal Bonds from his wider and muscular back, and transformed into Super Angel-Ebonwu-Thunderbird Eternity Infinity Elemental Thunderbird Buffalo Angel of Universal Justice and Elemental Hope, TLPS Mr. Wolf transformed into his Super Angel Eternity Infinity form and the rest of The TLPS Bad Guys Gang transformed into their Super Angel Eternity Infinity forms and they unholster their massive swords, Sima Shi, Sima Zhao, Sun Jian, Guo Jia, Zhang Bao, Guan Xing, Cao Cao, Liu Bei, Sun Quan, Sima Yi, Jiang Wei, Jia Chong, Yukimura Sanada (Samurai Warriors), Keiji Maeda (Samurai Warriors), Kanetsugu Naoe (Samurai Warriors), Hanzo Hattori

Then, Silver the Hedgehog slashed Dr. Curien's arms and legs off with his massive greatsword, and he fired a massive black energy blast made from the energy of The Black Gates, and as it hits Dr. Curien, his spirit was finally erased from existence for good, and the DBR facilities all over were also destroyed for good, and Dr. Curien's biologically-engineered creations were also destroyed forever, along with Thornheart who was hiding out in his manor. We cheered wildly as we holster our weapons and power down, and Silver the Hedgehog's new body, clothes, weapons, jewelry, and massive very light grey angel wings are permanent. We also got outside and destroyed Curien Mansion and the nightmare is finally over.

Lincoln: And now, this nightmare is finally over. (To Cora Billingston)

And it's so good to see you again, Cora Billingston.

Cora Billingston reverted back to normal, and she's a beautiful 17-year-old girl with long flowing green hair, green eyes, fair skin, she's tall at 6'5" in height, she has the body of a goddess, she has massive green angel wings, and she reigned in the power of Reeze, Whirlwind of Gusto, and she's dressed in a sleeveless green vest, green tank top, green pants, green sneakers, and long green sleeveless trenchcoat with wind gusts on the coattails, and Reeze, Whirlwind of Gusto on the back, and holstered on her back is Reeze, Whirlwind of Gusto's staff.

Cora Billingston: You too, Lincoln, it's been a long time.

Lincoln went up to Cora Billingston and they hugged, and Cora Billingston was also very surprised at just how much taller and much more muscular Lincoln's gotten since they last saw him, and they also felt just how strong he's really become.

Lincoln: It sure has, I haven't seen you when you were sixteen, and as you can see, I really grew a lot since then.

Cora Billingston: Whoa, you sure have really grown very big and strong like a tree, Lincoln, you've really grown a lot from the eleven-year-old cute little boy into a 17-year-old and permanently 7'5" tall, very handsome, and manly teen with abnormally massive and powerful upper and lower body muscles and eight-pack abs, that's so awesome.

Nico: Wow, Lincoln, you know her?

Lincoln: Indeed, Nico, this is Cora Billingston, she's another of my Guardian Angels from Michigan, she has incredible super speed and angel wing flight. She also hates Billy McLean with a vengeance and wants to destroy him for everything he did to her best friend Zoey.

Me: Whoa.

Cora Billingston: And if you thought that's bad, I've got a really horrifying revelation about Lewis Travolta, and that jerk did the absolutely worst thing ever, it'll churn your stomach.

Eli: I'm not going to like hearing this.

Suddenly, a Thunderbird of Eternal Love appeared around Cora Billingston's neck with green gems on the gold thunderbolt links and green crystal links from brand-new Crystal Necklace of the Buddha which merged with her Thunderbird Necklace of Eternal Love.

Cora Billingston: (Surprised) Whoa, is this…?

Lincoln: Yep, that's a Thunderbird Necklace of Eternal Love, and that means you're now part of my harem and one of my many future wives, Cora.

Cora Billingston had a smile on her face and tears coming from her eyes, as she wrapped her arms around Lincoln's waist, and Lincoln wraps his abnormally massive and powerful muscular arms around her waist, and he leaned down and kissed Cora Billingston on the lips, and she also returned it, and we cheered for them. Then, we went up to the six girls, and when Lincoln saw them, he recognized the girls immediately. The six girls are Betty Boop from Betty Boop, Katagiri Kyouka, Kumi Minakata, Olga Janetine, and Shinou Matsurika from Gunslinger Stratos -THE ANIMATION.

Lincoln: Oh wow, it's Katagiri Kyouka, Kumi Minakata, Olga Janetine, and Shinou Matsurika from Gunslinger Stratos -THE ANIMATION, and I was right that Betty Boop was here.

Jackie Wren: We were right about Betty Boop being kidnapped and dragged here by that bastard, Cary Blakewell, so that he could have her killed by Dr. Curien and his creatures. He better be writing his will when we fight him after Princess Luna's special mission today.

Lincoln: You said it, Jackie. Are you and the girls okay, Betty?

Betty Boop: Yes, we're okay, Lincoln.

Then, when Katagiri Kyouka and the others saw who it was that saved them from the mad Dr. Curien, his monstrous creations, and Cary Blakewell's Crystal Demons, their faces turned atomic red upon seeing the 17-year-old permanently 7'5" tall, handsome, bare-chested hunk with abnormally massive and powerful upper and lower body muscles, eight-pack abs, long wild white hair going down to the bottom of his neck and rainbow lightning bolt highlights in the bangs of his long white hair, rainbow colored thunderbird with a gold lightning bolt emblazoned on his forehead with a Third Eye of the Buddha on his forehead with rainbow iris, golden lightning bolt cutie mark with the thunderbird and comic books right on his massive and wide right pec and it's surrounded by the symbols of Fire, Water, Ice, Wind, Earth, Nature, Light, and Darkness in a circle, large Celtic Cross cutie mark tattoo in the form of the cutie marks of Twilight Sparkle, Sunset Shimmer, Rainbow Dash, Applejack, Rarity, Pinkie Pie, Fluttershy, Starlight Glimmer, and Trixie Lulamoon, surrounded by a circle were the marks of the other girls in Lincoln's harem on his wider and more muscular back, and right on top was the Earth surrounded by the ring of mermaids and surrounded by a Thunderbird, Phoenix, Angel, and Buffalo, and right below the Cutie Mark tattoo is a deep sapphire blue kanji that said, "Lincoln Landon Loud, Champion and Emissary of Hinon, Master of Lightning Storms, The Weather, The Elemental Forces, The Cosmos, and The Universe, The Loud House's Man With A Plan, Golden-Hearted Brother of Many Siblings, and Golden-Hearted Lover, Father of Many Kids, Son, and Future Husband, Descendant of The 17th Century Duke Lincoln of Loch Loud in Scotland, Destroyer of Morag McLaughlin, Destroyer of Evil, Black-Hearted, Sadistic, Delusional, Power-Hungry Bastards, Talented Comic Book Writer and Video Gamer, God of Truth and Justice, and Ambassador and Beacon of Hope to The Universe", he has deep sapphire blue eyes, a tattoo of a pepper with fire surrounding it and a kanji that read "Spiciest Man of The Loud House" on his broader and muscular left shoulder, and a Mark of Manhood tattoo of a male bodybuilder with a barbell raised above his head and around him are elemental forces and an orange kanji that read, "Lincoln Landon Loud, Strongest, Bravest, Resilient, Courageous, Handsomest, and Manliest Warrior of The Loud Family" on his massive left muscular forearm.

He had his massive Hinon's Cosmic Sword of Universal Hope, Elemental Bravery, and Unbreakable Eternal Bonds holstered on his wider and muscular back, his large orange Crystal Saber, large rainbow-colored leather and gold metal bound Elemental Spellbook of Harmonious Justice, Eternal Harmony, and Equestrian Peace on his left hip and his Eater of Sins revolver holstered on his right hip, the Pisces the Fish constellation and Aquarius Zodiac sign on the back of his neck and the Cygnus the Swan constellation on the back of his massive left hand, large weighted orange bands on his massive biceps and thighs with silver phoenixes on them, his large gold cuff Bracelets of The Champions of the Universe with large orange gems on his large wrists, massive and indestructible deep sapphire blue angel wings with stars and blue nebulae reflecting on them with rainbow tips on the large deep sapphire blue feathers, and he was dressed in an orange version of He-Man 2002's loincloth with hanging silver lightning bolts and long glowing neon orange trenchcoat coattails with elemental forces, Thunderbirds, Phoenixes, Angels, and Buffalo on them and had intense powerful rainbow hot flames coming off them and hanging mini silver lightning bolts held up by his large gold Belt of Elemental Bravery with a large golden buffalo head with orange gems for eyes and a large orange gem in its mouth for the belt buckle on his waist, a pair of large blue pants with multicolored lightning bolts on the thighs with the orange kanji that said, "Savior of The Loud House, True Hero, Amazing and Powerful Student of Numerous Amazing and Powerful Teachers, Shinobi of The Hidden Leaf Village, Member of The Crusaders of The Thunderbird, Founder of Team Loud Phoenix Storm, Dodgeball Angel King of Gotham Royal York, The Unifier of The Three Kingdoms, and Destroyer of The House of Damaskinos" on the left leg, and large white leather combat boots with gold lightning bolts surrounded by a circle of smaller gold lightning bolts and armor on the toe area, silver Buffalo head stud earrings with the Thunderbird and Eternity Kanji on it, large Thunderbird Necklace of Eternal Love with colored gems on the gold lightning bolts and orange crystals from his merged large Crystal Necklace of The Buddha with a large Element of Harmony deep sapphire blue gem in the shape of a Thunderbird and a large silver Buffalo head with the Thunderbird and Eternity Kanji on its head for the pendant on his bare chest, large fingerless orange gloves with the symbol of The Loud House on it and surrounded in a diamond formation are a Phoenix, Thunderbird, Buffalo, and Angel, a large Orange Buffalo Animal Spirit Ring which merged with his Ring of The Phoenix on his left ring finger, large Blue Lantern ring on his right ring finger, he had eight large orange orbs orbiting around his legs, and circling around his feet on the floor are eight golden crosses with angelic runes.

Lincoln: And now, this nightmare is finally over. (To Cora Billingston) And it's so good to see you again, Cora Billingston.

Cora Billingston reverted back to normal, and she's a beautiful 17-year-old girl with long flowing green hair, green eyes, fair skin, she's tall at 6'5" in height, she has the body of a goddess, she has massive green angel wings, and she reigned in the power of Reeze, Whirlwind of Gusto, and she's dressed in a sleeveless green vest, green tank top, green pants, green sneakers, and long green sleeveless trenchcoat with wind gusts on the coattails, and Reeze, Whirlwind of Gusto on the back, and holstered on her back is Reeze, Whirlwind of Gusto's staff.

Cora Billingston: You too, Lincoln, it's been a long time.

Lincoln went up to Cora Billingston and they hugged, and Cora Billingston was also very surprised at just how much taller and much more muscular Lincoln's gotten since they last saw him, and they also felt just how strong he's really become.

Lincoln: It sure has, I haven't seen you when you were sixteen, and as you can see, I really grew a lot since then.

Cora Billingston: Whoa, you sure have really grown very big and strong like a tree, Lincoln, you've really grown a lot from the eleven-year-old cute little boy into a 17-year-old and permanently 7'5" tall, very handsome, and manly teen with abnormally massive and powerful upper and lower body muscles and eight-pack abs, that's so awesome.

Nico: Wow, Lincoln, you know her?

Lincoln: Indeed, Nico, this is Cora Billingston, she's another of my Guardian Angels from Michigan, she has incredible super speed and angel wing flight. She also hates Billy McLean with a vengeance and wants to destroy him for everything he did to her best friend Zoey.

Me: Whoa.

Cora Billingston: And if you thought that's bad, I've got a really horrifying revelation about Lewis Travolta, and that jerk did the absolutely worst thing ever, it'll churn your stomach.

Eli: I'm not going to like hearing this.

Suddenly, a Thunderbird of Eternal Love appeared around Cora Billingston's neck with green gems on the gold thunderbolt links and green crystal links from brand-new Crystal Necklace of the Buddha which merged with her Thunderbird Necklace of Eternal Love.

Cora Billingston: (Surprised) Whoa, is this…?

Lincoln: Yep, that's a Thunderbird Necklace of Eternal Love, and that means you're now part of my harem and one of my many future wives, Cora.

Cora Billingston had a smile on her face and tears coming from her eyes, as she wrapped her arms around Lincoln's waist, and Lincoln wraps his abnormally massive and powerful muscular arms around her waist, and he leaned down and kissed Cora Billingston on the lips, and she also returned it, and we cheered for them. Then, we went up to the six girls, and when Lincoln saw them, he recognized the girls immediately. The six girls are Betty Boop from Betty Boop, Katagiri Kyouka, Kumi Minakata, Olga Janetine, and Shinou Matsurika from Gunslinger Stratos -THE ANIMATION.

Lincoln: Oh wow, it's Katagiri Kyouka, Kumi Minakata, Olga Janetine, and Shinou Matsurika from Gunslinger Stratos -THE ANIMATION, and I was right that Betty Boop was here.

Jackie Wren: We were right about Betty Boop being kidnapped and dragged here by that bastard, Cary Blakewell, so that he could have her killed by Dr. Curien and his creatures. He better be writing his will when we fight him after Princess Luna's special mission today.

Lincoln: You said it, Jackie. Are you and the girls okay, Betty?

Betty Boop: Yes, we're okay, Lincoln.

Then, when Katagiri Kyouka and the others saw who it was that saved them from the mad Dr. Curien, his monstrous creations, and Cary Blakewell's Crystal Demons, their faces turned atomic red upon seeing the 17-year-old permanently 7'5" tall, handsome, bare-chested hunk with abnormally massive and powerful upper and lower body muscles, eight-pack abs, long wild white hair going down to the bottom of his neck and rainbow lightning bolt highlights in the bangs of his long white hair, rainbow colored thunderbird with a gold lightning bolt emblazoned on his forehead with a Third Eye of the Buddha on his forehead with rainbow iris, golden lightning bolt cutie mark with the thunderbird and comic books right on his massive and wide right pec and it's surrounded by the symbols of Fire, Water, Ice, Wind, Earth, Nature, Light, and Darkness in a circle, large Celtic Cross cutie mark tattoo in the form of the cutie marks of Twilight Sparkle, Sunset Shimmer, Rainbow Dash, Applejack, Rarity, Pinkie Pie, Fluttershy, Starlight Glimmer, and Trixie Lulamoon, surrounded by a circle were the marks of the other girls in Lincoln's harem on his wider and more muscular back, and right on top was the Earth surrounded by the ring of mermaids and surrounded by a Thunderbird, Phoenix, Angel, and Buffalo, and right below the Cutie Mark tattoo is a deep sapphire blue kanji that said, "Lincoln Landon Loud, Champion and Emissary of Hinon, Master of Lightning Storms, The Weather, The Elemental Forces, The Cosmos, and The Universe, The Loud House's Man With A Plan, Golden-Hearted Brother of Many Siblings, and Golden-Hearted Lover, Father of Many Kids, Son, and Future Husband, Descendant of The 17th Century Duke Lincoln of Loch Loud in Scotland, Destroyer of Morag McLaughlin, Destroyer of Evil, Black-Hearted, Sadistic, Delusional, Power-Hungry Bastards, Talented Comic Book Writer and Video Gamer, God of Truth and Justice, and Ambassador and Beacon of Hope to The Universe", he has deep sapphire blue eyes, a tattoo of a pepper with fire surrounding it and a kanji that read "Spiciest Man of The Loud House" on his broader and muscular left shoulder, and a Mark of Manhood tattoo of a male bodybuilder with a barbell raised above his head and around him are elemental forces and an orange kanji that read, "Lincoln Landon Loud, Strongest, Bravest, Resilient, Courageous, Handsomest, and Manliest Warrior of The Loud Family" on his massive left muscular forearm.

He had his massive Hinon's Cosmic Sword of Universal Hope, Elemental Bravery, and Unbreakable Eternal Bonds holstered on his wider and muscular back, his large orange Crystal Saber, large rainbow-colored leather and gold metal bound Elemental Spellbook of Harmonious Justice, Eternal Harmony, and Equestrian Peace on his left hip and his Eater of Sins revolver holstered on his right hip, the Pisces the Fish constellation and Aquarius Zodiac sign on the back of his neck and the Cygnus the Swan constellation on the back of his massive left hand, large weighted orange bands on his massive biceps and thighs with silver phoenixes on them, his large gold cuff Bracelets of The Champions of the Universe with large orange gems on his large wrists, massive and indestructible deep sapphire blue angel wings with stars and blue nebulae reflecting on them with rainbow tips on the large deep sapphire blue feathers, and he was dressed in an orange version of He-Man 2002's loincloth with hanging silver lightning bolts and long glowing neon orange trenchcoat coattails with elemental forces, Thunderbirds, Phoenixes, Angels, and Buffalo on them and had intense powerful rainbow hot flames coming off them and hanging mini silver lightning bolts held up by his large gold Belt of Elemental Bravery with a large golden buffalo head with orange gems for eyes and a large orange gem in its mouth for the belt buckle on his waist, a pair of large blue pants with multicolored lightning bolts on the thighs with the orange kanji that said, "Savior of The Loud House, True Hero, Amazing and Powerful Student of Numerous Amazing and Powerful Teachers, Shinobi of The Hidden Leaf Village, Member of The Crusaders of The Thunderbird, Founder of Team Loud Phoenix Storm, Dodgeball Angel King of Gotham Royal York, The Unifier of The Three Kingdoms, and Destroyer of The House of Damaskinos" on the left leg, and large white leather combat boots with gold lightning bolts surrounded by a circle of smaller gold lightning bolts and armor on the toe area, silver Buffalo head stud earrings with the Thunderbird and Eternity Kanji on it, large Thunderbird Necklace of Eternal Love with colored gems on the gold lightning bolts and orange crystals from his merged large Crystal Necklace of The Buddha with a large Element of Harmony deep sapphire blue gem in the shape of a Thunderbird and a large silver Buffalo head with the Thunderbird and Eternity Kanji on its head for the pendant on his bare chest, large fingerless orange gloves with the symbol of The Loud House on it and surrounded in a diamond formation are a Phoenix, Thunderbird, Buffalo, and Angel, a large Orange Buffalo Animal Spirit Ring which merged with his Ring of The Phoenix on his left ring finger, large Blue Lantern ring on his right ring finger, he had eight large orange orbs orbiting around his legs, and circling around his feet on the floor are eight golden crosses with angelic runes.

Katagiri Kyouka: Oh wow, you're Lincoln Loud of Team Loud Phoenix Storm.

Lincoln: That's right, and it's a pleasure to meet you all.

Then, Lincoln made four clones of himself, and he and the four clones went up to the girls, and hugged their waists in their abnormally massive and powerful muscular arms, and they lean down and kissed the girls on the lips, which they returned with equally intense passion, as they wrapped their arms around the necks of Lincoln and his clones, and we cheered wildly at the scene.

Katagiri Kyouka: (Seductively and rubs her right hand on Lincoln's massive and wide right pec) You too, big, tall, muscular, and handsome.

Suddenly, five Thunderbird Necklaces of Eternal Love appeared on the necks of Betty Boop, Katagiri Kyouka, Kumi Minakata, Olga Janetine, and Shinou Matsurika with colored gems on the gold lightning bolts and crystals links from their merged Crystal Necklaces of The Buddha. We return to the TLPS World Tree Estate, and we told everyone what happened, and they were shocked when they found out that the villain we went after was Dr. Curien, who came back from the dead thanks to getting resurrected by Cary Blakewell, and they also saw his army of Crystal Demons, and they were really mad when they found out that among the girls, Betty Boop was among them, and that she was kidnapped and dragged into the world of House of The Dead by Cary Blakewell, so that Dr. Curien can kill her.

But, when Lincoln showed what we did to Dr. Curien's monstrous creations, and Silver the Hedgehog transforming and killing Dr. Curien and wiping every trace of the DBR Corporation from existence, everyone cheered wildly for Lincoln and the rest of us, and they hugged us, and the girls in Lincoln's harem then went up to Lincoln, and they kissed him all over. Lincoln and Cora Billingston have a lot of catching up to do now that she's back in town, and later after Princess Luna's special mission, Lincoln and Jackie Wren are going to teach that bastard, Cary Blakewell, a painful lesson in what he tried to do to in kidnapping Betty Boop and having her become zombie food in the name of The Church of Necrom.

---

After finally getting rid of Dr. Curien and this time for good and destroying Cary Blakewell's army of Crystal Demons, we were training intensely in the gym, this time, doing 150,000,000 reps of crunches, wing push-ups and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 9,500-lb barbells, squats, and going a few rounds with the punching bags, and we were really sweating like crazy, even doing yoga to clear our minds, and when Cora Billingston saw Lincoln working out like crazy, she had an atomic red blush on her face.

Cora Billingston: Whoa, I was right that Lincoln has really grown to be a 17-year-old permanently 7'5" tall, really big, and really strong man, just look at those abnormally massive and powerful upper and lower body muscles and his eight-pack abs hard at work, and working out with those 9,500-lb barbells and he's not even get tired, incredible.

Lincoln: Yep, and I've also trained a lot under some very powerful teachers, J.D. and Nico included, Cora, and now, I can also defend myself, and in addition to getting stronger, I've also gotten smarter as well.

Cora Billingston: That's incredible.

Nico: It sure is. So, Cora, what did Lewis Travolta do that you said was the absolute worst thing ever?

Cora Billingston: You're not going to like it, Nico. I found out that Lewis Travolta cheated a restaurant owner of millions of dollars, and when that happened, the owner lost his restaurant and his home, and he was forced to live on the streets, while Lewis Travolta laughed at him like the selfish jerk and pig that he is.

We were horrified at what Lewis Travolta did, and Lincoln put the 9,500-lb barbell up, went out, and he summoned a piano with his powers and he dropped it on Lewis Travolta's head as he screamed in agony, but it also got more painful when Lincoln summons a large funnel and put it in Lewis Travolta's mouth, and he also summoned a massive crate full of California Reaper peppers and poured them all into Lewis Travolta's mouth, and he screamed and farted out fire from his mouth and butt. Then, Lincoln went back to working out.

Me: That fat pig, I can't believe he'd do something like this.

Nico: And that was one awesome punishment you gave him, Lincoln, dropping a piano on his head, and then, putting a large funnel in his mouth, and pouring a massive crate full of California Reaper peppers into his mouth, causing him to scream and fart out fire from his mouth and butt, nice.

Me: And I don't know what happened to the homeless former restaurant owner, they said he went missing.

Nicholette Torrington: I know what happened to him, J.D. We went with the police to help find the man, but when we found him, he was found murdered and he had the mark of The Church of Necrom carved on his flesh.

Nico: Now, that's just evil, just how many people have they killed in their Satanic rituals?

Lincoln: One too many, Nico.

We then got a shower afterwards, and then, Lincoln and his harem were heading to Whale Lagoon in Sonic's world, and Nico's harem are also going as well. But, they're going to be on guard, since Cary Blakewell's sure to send another resurrected villain after them.

Lincoln snapped his fingers, and the 17-year-old 7'5" tall, white-haired, handsome, and extremely muscular teen was dressed in large orange swim trunks with a phoenix, thunderbird, buffalo, angel, and elemental forces on it, which are now a neon glowing orange, thanks to becoming a True Spice Demon and with intense rainbow hot flames coming off them, along with his large weighted orange bands with silver phoenixes on his massive biceps and thighs, his jewelry, large orange sandals, and eight large orange orbs orbiting around his legs, and he also had his weapons holstered.

Nico snapped his fingers, and the 7'5" tall, black-haired, handsome, and extremely muscular Saiyan was dressed in large blue swim trunks with a phoenix and elemental forces on it, which are now a neon glowing blue, thanks to becoming a True Spice Demon and with intense blue flames coming off them, along with his large weighted red bands with silver phoenixes on his massive biceps and thighs, his jewelry, large orange sandals, and eight large colored orbs orbiting around his legs, and he also had his weapons holstered.

And Lincoln and Nico's harems were dressed in two piece bikinis with the elemental forces in their favorite colors, and they also had on their jewelry and had their weapons holstered, because Cary Blakewell's sure to send another resurrected villain after them to kill yet again.

Lincoln: Alright, ladies, are we ready?

Grace Lorelai: We're ready, Linky.

Lincoln and his harem and Nico and his harem left the World Tree Estate and head for Whale Lagoon in Sonic's world, and it was an amazing place.

Nico: Wow, so this is Whale Lagoon in Sonic's world, this is really awesome.

Lincoln: And it's perfect for our beach date, right before Princess Luna's special mission, and we've got to be on guard, since Cary Blakewell's sure to send another resurrected villain after us to kill yet again.

Lincoln and his harem dived right into the water, and they were swimming in the large ocean. Then, when they got to the surface, Lincoln and Nico got a deep tissue massage from the girls in their harems and Lincoln and Nico returned the favor and they gave the girls a deep tissue massage in return, and Lincoln played with Nanua, as she giggled and it was too cute. Then, they had lunch that Lincoln packed, and they sat in a picnic area that Lincoln made. Suddenly, the eight large orange orbs orbiting around Lincoln's legs and the eight large colored orbs orbiting around Nico's legs were both glowing and spinning like crazy, and he also sensed something as his deep sapphire blue eyes and the rainbow iris of his Third Eye were now glowing, and they fired rainbow energy blasts, and it hit a nearby bush, and a figure was forced out: it was none other than our old enemy, Zira, Scar's wife and who tried to take over the Pride Lands in Scar's name.

Lincoln and Nico: (Gasps) Zira?!

Lincoln and Nico tied Zira up in two rainbow energy straitjackets and rainbow energy chains, so she couldn't escape. Just then, we arrived, and when we also saw Zira here, we were shocked.

Me: Zira's here, but how did she return from the dead? I thought she killed herself when she drowned in the… (Realizes something) Wait a second.

Lincoln lifted Zira's head up, and we saw that the murderous lioness had the mark of The Church of Necrom on her forehead, and that meant Cary Blakewell also brought her back from the dead.

Nico: I can't believe it, so Dr. Curien wasn't the only villain Cary Blakewell's brought back from the dead. Now, he's really gone too far this time.

Lincoln unholstered his massive Hinon's Cosmic Storm Sword of Universal Hope, Elemental Bravery, and Unbreakable Eternal Bonds from his wider and muscular back, and with one quick upward slash, he sent Zira high up into the air, and with some quick and powerful one-handed swings of his massive greatsword, Lincoln sliced Zira into a thousand pieces, and blasted her with a black energy blast of The Black Gates and she was erased forever. Lincoln cleans the gold blade of his massive greatsword and holstered it back on his wider and muscular back.

Lincoln: That's it for that murderous lioness, Zira, but now, Cary Blakewell's crossed a serious line in bringing back another enemy from our past, and I'm looking forward to breaking that warlock's arms and legs for this.

Me: You said it, big guy. See you guys back at the Estate.

We then decided to head back and Nanua who got a kiss from her parents went with The Cutie Mark Crusaders, and then, Lincoln and Nico made clones of himself and they and their clones went up to the girls in their harems, and they wrapped their abnormally massive and powerful muscular arms around their waists, and they passionately kissed and hugged with supercharged and intense passion, and it also became even more sizzling hot for the girls in Lincoln and Nico's harems as they wrapped their left arms around the thick muscular necks of Lincoln and Nico and their clones and placed their right hands on the massive and wide muscular pecs of Lincoln and Nico and their clones. Then, they came back home to the World Tree Estate, and they were in their original clothes.

And back in their demonic castle, Cary Blakewell saw what Lincoln did and foiled his latest scheme again, and it pissed him off so badly, his red eyes turned blood red with insane rage and he flew into an insane rage, and we heard it from the World Tree Estate. Grace covered Nanua's ears when that crazy warlock screamed in insane rage.

Lincoln: (Smirks) Serves you right, Cary Blakewell.

Jackie Wren: (Smirks) But, he ain't done yet. We're going to face him later on after Princess Luna's special mission today, and he'll get the very same treatment as Jocasta Belladonna, Jezebel Lanira, Ianira Dormund, Edana Baudelaire, Drusilla Draven, Chandra Mortlake, Adrienne Hawthorne, and Nigel Alaister.

Me: (Smirks) You said it. (To Lincoln and Nico and their harems) And are you guys okay?

Lincoln and Nico went up to me, and they hugged us and I hugged them back, and Lincoln and Nico's harems also joined in.

Lincoln: It's okay, guys.

Nico: But, now that Zira's been dealt with, Cary Blakewell's last plot has been foiled, and now, later on after Princess Luna's special mission, Lincoln and Jackie Wren are going to deal with that crazy warlock.

Lincoln: That's right. But, we're also going to get some unexpected trouble from one of The Twisted Princesses as well, so we're going to really be on guard for this one.

Me: Double trouble in the special missions, just like what happened with Zarya's special mission when Tazma Grimm had returned from the dead, thanks to Jezebel Lanira.

Lincoln: And knowing the fact that every member of The Church of Necrom is completely insane and evil, Cary Blakewell would really be that stupid as to try and resurrect one of The Twisted Princesses to go after us.

Nico: Not to mention just how low they truly are willing to stoop, what a bunch of dishonorable evil bastards.

---

Later we were getting ready for Kopaka's second Ambassador Mission.

Nico: I hope

William: Anyone else want to go with Kopaka? Besides 4 Rabbids and Andros?

Nicole Knudson: You know I'll be going.

Qin: How about me, Lily and Tsukuyomi go with?

Nico: Good idea.

Kopaka: That will be awesome to have them meet you guys.

Nico: Tsukuyomi already knows Hiiro ane Emu.

Me: Yeah.

Nico: Lets head out.

We were off to Japan.

We arrived.

Emu: Hey guys!

Me: Hey Emu.

Kopaka: Emu, this is Andros.

Andro: Awesome to meet you. My name is Andros and I'm the leader of the In Space Power Rangers.

Me: You might know them as the Megarangers here in Japan.

Emu: Oh wow!

Qin: Awesome to meet you guys! My name is Qin Chen and I'm one of Nico's friends.

Lily: My name is Lily Loud and it's awesome to meet you.

Nicole: Lily is my Protégé and she is in training to become another Goddess of Video Games like me.

Hiiro: Wow! That is cool!

Nico: And I believe you know this face here.

Tsukuyomi: Long time no see guys.

Hiiro: Tsukuyomi! Awesome to see you again.

Tsukuyomi: Same here.

Andros: I think the Arcaders told us that you helped them fight the video game aliens back last month.

Emu: Of course I did. But I couldn't stay for long because I had to come back here.

Kopaka: That's completely understandable.

Nico: It sure is. That is awesome.

Eli: Boy it sure is.

Me: We met another Kamen Rider yesterday. Gentoku of the Build Kamen Riders.

Emu: Maria told us all about that! That was intense!

Hiiro: Were you really mad at him?

Me: I was. But that was before I found out that he actually regrets everything he did. Evolt is the true target.

Nico: Yeah.

Hiiro: (to Emu) At least YOU actually did help the Arcaders. Unlike Albedo's former teammates.

Emu: Yeah that is true.

Me: Also yesterday was Nico's birthday.

Hiiro: Wow! Happy birthday man.

Nico: Thanks. It was awesome.

Me: It sure was.

Kuroto: Emu, I know we haven't always seen eye to eye on many things. But even if you couldn't stay to help the Arcaders, at least helping them for an hour was better then not helping them at all.

Nicole: I agree there. You did help them out from time to time and that was awesome. But being a doctor means that you are always busy helping people get better.

Lily: That is true. And it's a big responsibility.

Nico: Yeah that is for sure.

Taiga came in and he had Nico Saiba with him.

Taiga: Nico, I'd like you to meet Nico Saiba.

Nico Saiba: Hi there!

Hiiro: (groans) Oh great. There's two of them now.

Nico: Boy isn't that a coincidence. We both share the same first name.

Nicole: Yeah no kidding.

Lily: Wow!

Nico Saiba: But it's awesome to meet you all and it's an honor.

Poppy: It sure is.

Nico Saiba: It's truly an honor to meet the great Goddess of Video Games. I'm one of your biggest fans.

Nicole: I'm truly honored Nico.

Emu: Kopaka, how would you like to be a Rider for my team?

Kopaka: I would be honored.

He gave Kopaka an Ex-Aid Sengoku Belt.

Megan Kiraton: That is gonna be so cool.

Me: Yeah it is.

Hiiro: (hears gunshots) Gunshots? That's a new one.

Me: I was expecting an explosion.

Kopaka: The police are probably fighting some Bugsters!

Me: Lets get them!

Nicole: GAME ON!

We went to face them.

We saw Vernier, Gatton, Sally, Hatena, Charlie and Motors Bugsters!

Nico: Vernier, Gatton, Sally, Hatena, Charlie and Motors Bugsters!

Me: This is gonna be good!

Nico: YEAH!

Me: Time for action and buttkicking! KIBAL LETS HOWL!

(THE WOLF AND THE MOON BY BRUNUHVILLE PLAYS)

I turned into WOLF MOON 🌙!

Kopaka: Henshin!

Kopaka transformed into his WHITE EX-AID KAMEN RIDER FORM!

I AM KAMEN RIDER!

Nico: YEAH!

Qin: What are you gonna call this one?

Kopaka: Kamen Rider Ice Climber.

Nico: Cool not bad!

Me: Good name.

Lily: Yeah it is!

Ex-Aid Kamen Riders: HENSHIN!

They transformed and were ready to kick some butt!

Andros: Let's rocket!

He transformed and he was ready!

Nico: YEAH!

Me: Time to kick some virus butt! You know I've always wanted to try this out. Activate Laser Gatling Gun.

I formed a laser gatling gun on my arm like in Questworld and I fired laser blasts at the sick Bugsters and blasted them all over the place with incredible fury.

Nico: Now that is cool!

Lily: Lets get them!

Emu: I'm gonna clear this with no continues!

Me: And we're going to play this with Infinite Lives.

Nicole: Time for the Goddess of Video Games to release her wrath!

Nico: YEAH!

We went at them.

Eli: SPIRIT SWORD!

Eli formed his Spirit Sword and slashed Vernier Bugster and he exploded!

KRABBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

Eli: Game over Vernier Bugster!

Kuroto: God is in the house!

Motors Bugster ran at him.

Kuroto blasted and smashed him all over.

Nicole: Try this one! It's what made me get my moniker in the world of Shinobi, Nicole Knudson of the Star Dragon. STAR STYLE NINJA ART: STAR DRAGONS VENGEANCE!

Nicole fired a dragon made of stars and it slammed into Motors and Hatena Bugsters and destroyed them in powerful fiery explosions!

Nico: WOW! Two for 1 special!

Kopaka: (to the police) Clear the area. Gunshots won't work on

them!

They left.

Kopaka jumped and smashed Charlie and Sally Bugsters with powerful punches and froze them in ice.

Me: Lets see how you like this. WOLF MOON STYLE NINJA ART: WOLF PACK OF THE SIBERIAN STORM!

I fired a massive wave of blue fire and and it formed into a ferocious wolf pack and they smashed Charlie and Sally Bugsters into nothing! They were destroyed!

Me: Two for one hit! Awesome!

Eli: Yeah!

Nico: That leaves Gatton Bugster left.

Gatton Bugster: You think you've won? Kamen Rider Chronicle will make a comeback…

Emu: Not while we draw breath!

Qin: Lets finish him together guys!

Nico: You read my mind Qin!

Emu: Lets do it!

We fired a massive energy blast and it slammed into Gatton Bugster and obliterated him in a powerful explosion!

Nico: You six Bugsters have failed this city!

Lily: Game over for you guys.

We later came back.

May: Hey guys. How did it go?

Me: Really awesome.

We told everyone what happened and it was amazing.

May: WHOA! That is awesome.

Eli: Yep.

Kopaka: And now I have my own Kamen Rider Ex-Aid form.

Nico: Yep.

May: Next time, Moonstone, Marcus Damon, and HIS Agumon should go with you.

Kopaka: Good idea. This will be awesome for them to meet them.

Marcus Damon: It sure will.

---

We later were fighting some thugs in the bank!

Sailor Sun: Another day of fighting crooks, huh, guys?

Zocks: (takes out Zyuranger gear) You said it.

Megaforce Rangers: Legendary Ranger Mode: Mighty Morphin!

Zocks used the power of the Zyuranger Gear and made a babel attack on them and the Megaforce Rangers turned into the Mighty Morphin Rangers!

Me: At least it's better than killing Terrorists at the mall.

Nico: True.

Flamebird fired a blast of fire and burned a thug.

Flamebird: Take that!

Flamebird then heard Eddy scream in pain.

Eddy: AAAAAAAGGGGGHHH!

A THUG HAD KICKED HIM HARD IN HIS ARM AND IT HURT LIKE A SON OF A BITCH! We saw that his arm was brutally broken like a twig as it was bent out of shape in differing spots! OUCH!

Nico: OOH!

Me: That looks painful!

Megan Kiraton blasted the thug with poisonous dust and he exploded all over the place and was burned all over. We got the thugs arrested.

Me: That's it for them. Lets get Eddy to the doctor.

Nico: Agreed.

Kento: I thought you guys are invincible!

Armada Cyclonus: Well, we can still feel pain.

Me: Cut us some slack Kento. We are human after all.

Kento: True.

We went to the Doctor and Eddy had an X-Ray on him and we saw that his arm was broken in 2 spots! OUCH!

Maria Santiago: He broke his ulna bone in 2 spots. But he'll be better by tomorrow.

Me: Well that's good.

Maria Santiago: Until then he will be in this sling till then.

Nico: Whoa.

Luan: Oh Eddy. No Bones about that. (LAUGHS) Get it.

We laughed at her joke.

Me: (Laughs) That was funny.

Luan: But seriously that must've hurt.

Eddy: I'm fine. This is just a flesh wound.

Powerglide: A flesh wound, my ass!

Me: Yeah Eddy you got your arm broken in 2 spots. Thank goodness they didn't cut it off.

Nico: That's a little extreme.

Me: Sorry.

Nico: But yeah Eddy you got to let that arm rest.

Eddy: I'm fine.

Robin: No you aren't Eddy.

Eddy: But I'm still going with you guys on the big mission.

Shocker: Eddy, are you nuts?! You can't go out in your condition!

Eddy: You guys need all the help you can get! Besides, the arm I broke isn't the one that uses my blaster.

Nico: That may be true but you still need to rest your arm.

Robin: I once was in the same boat as you Eddy.

Eddy: Really?

Robin: Yeah I once got my arm broken by Johnny Rancid and I went out with a broken arm anyway.

Laney: Wow.

Nico: Ouch.

Me: Good thing we killed Johnny Rancid.

Applejack: Yeah mo kidding there.

Then Ragdoll, Titania, Titanium Titan, Batroc the Leaper, Goro, Wiggum, KGBeast, Bizarro, Speed Demon, and Chemistro

appeared.

Ragdoll: Can me, Titania, Titanium Titan, Batroc the Leaper, Goro, Wiggum, KGBeast, Bizarro, Speed Demon, and Chemistro go with you all?

Nico: Yes you all sure can and it's Princess Luna's big mission today guys.

Ragdoll: Wow! The Yost X-Men world.

Lola: Yeah this is gonna be so cool!

Me: We owe them big time for helping us out last week with the Zenkaigers.

Nico: Boy we sure do.

Laney: That was really cool seeing them with us.

Ragdoll: (Sees Eddy's arm) Oh man what happened to your arm Eddy?

Eddy: Got it punched in by a thug.

Me: He got it broken but he'll be better by tomorrow.

Youngblood: Nico, which Gene Slammer do you think you'll meet on your next rescue?

Nico: I'm hoping to meet one that is for an Evolved Pyronite and an Evolved Orishan next.

Me: Whoa! An evolved version of Heatblast and an Evolved version of Water Hazard. That will be interesting to see.

Laney: Yeah it sure will.

Nico: Yep. So one of the fire users next.

Lola: Awesome!

Sam S.L.: Me and Luna can go with.

Me: Awesome.

Luna: That will be rockin : Yeah it is.

Nico: Lets head out.

Suddenly, Lincoln's deep sapphire blue eyes and the rainbow colored iris of Lincoln's Third Eye glowed even more, as he sensed two dark energy signals with his eyes and the Force, and he saw who the two figure is in the vision: the first figure was none other than Cary Blakewell, and he's coming to kill us all for revenge for ruining his schemes, and he's now major leagued pissed off, and the second figure was a Twisted Princess version of Merida. When we saw it, we knew it meant trouble.

Nico: Uh oh, I know those glowing eyes from anywhere. Lincoln, is Cary Blakewell on the move?

Lincoln: That's right, Nico, and he's coming to kill us all for revenge for ruining his schemes, and he's major leagued pissed off. But, there's another dark energy signal I sensed, and we're not going to like it one bit: that other figure coming after us is a Twisted Princess version of Merida.

We gasped in shock.

Nico: A Twisted Princess version of Merida, oh, that's so not good.

Merida: (Scottish Accent) Aye, and what could've happened to her to make her like this?

Helena Knudson-Nicos: You won't like it one bit, Merida.

Helena proceeded to tell us about Twisted Merida's story, and as expected, we were going to be in for something very horrible.

Merida tries to plead with her father but King Fergus and his men chased Elinor out of the castle. Merida retrieved her mother's tapestry knowing that the only way to convince her father is to sew the tapestry back together, turning her mother human again. She pursued her father with the wisps leading her way. However, their harsh blue light garners the attention of Mordu. The wisp lead

Merida to the clearing surrounded by the mystical stones, where she finds her mother surrounded by Fergus and her men. Fergus raises his sword to Queen Elinor and just as he's about to strike, an arrow knocks his sword to the ground. He turns to see Merida running towards him with her bow in hand and the tapestry draped over her shoulder. She jumps between her father and mother and demands that he stop. She once again tries to explain to her father that the bear he insists on attacking is in fact her mother. But before she can plead her case, Mordu bursts into the circle, slashing and mauling the men at its perimeter. Fergus's attention is immediately turned to Mordu.

He picks up his sword and charges but Mordu knocks him aside easily. The gigantic bear makes its way through the group of men, clawing and throwing them aside until it reached Merida and her mother. Mordu raised its giant paw and slashed at Merida as she attempted to load an arrow. She narrowly dodged it but Mordu's claws caught the tapestry she had draped over her shoulder and shredded it. Merida screamed in horror as the pieces of tapestry fell before her eyes. Through her anger and tears she loaded an arrow and shot Mordu in the neck. Mordu let out a fierce growl and attempted to backhand Merida but once again evaded the attack but ended up tripping on part of the tapestry and fell to the ground. Merida tried to get up as fast as she could but Mordu struck her with a fierce slash to her face that lifted her off the ground and sent her flying into one of the mystical stones.

Her mother let out a terrifying growl and lunged at Mordu. Blood ran down Merida's face from the lacerations caused by Mordu's claws. Her vision was blurred and she was weakened by the loss of blood but she could make out that her mother was fighting Mordu. Fergus, holding his side, hobbled over to Merida and took her in his arms. As he picked her up, Merida told him that the bear that Mordu was fighting was Elinor and that he needed to protect her. Fergus looked down at his daughter and could see the sincerity in her eyes as she passed out. He looked over his shoulder to see Mordu throwing Elinor into one of the stones knocking her out. Fergus set down Merida and picked up his sword. He charged and lunged at Mordu, landing blow after blow but his attacks appeared to do nothing. Mordu slashed the sword out of Fergus's hand and knocked him to the ground.

Mordu placed a foot on Fergus, dug his claws into his chest, and let out a chilling roar in his face. Fergus winced and tried to get free as Mordu raised his giant paw. Merida's good eye opened as she saw Mordu on top of her father. She let out a scream as his paw came down, tearing through her father. She reached for her bow and arrows and through teary and bloody eyes shot off 3 perfectly aimed arrows to Mordu's skull, dropping the massive bear beside her father. Merida used her bow as a crutch and hobbled as fast as she could to her fallen father.

As she kneeled beside his body wisps began to surround them. She clenched her father's bloody clothes and gritted her teeth. The Wisps began to circle her, turning from a blue to a blood red. Elinor limped over and nuzzled her fallen husband. Merida looked up and noticed bits of the tapestry scattered around the clearing as the sun rose. She lowered her head knowing she failed to save any of her family. Her mother nudged her as if to say it's okay. Merida put her arm around her mother's neck as the sun rose. She looked into her mother's eyes and could see that whatever was left of her mother had vanished. Merida stood up and three little cubs rushed to her side. Her heart was broken but she had to be strong. Although she knew that her brothers didn't know her as their sister they were still drawn to her, as was her mother. Merida stood up, determined to find a way to restore what was left of her family and set out on a search to find the old wood carver. The Bear Queen was born!

When Helena was finished, we were shocked and horrified.

Merida: (Scottish Accent) So, that's what happened to her, since she was unable to save her world's version of her mother and her three brothers.

Queen Elinor, Merida's three brothers, and her father hugged her.

Queen Elinor: (Scottish Accent) That's horrible. Lincoln, is there a way to save Twisted Merida and her mother and siblings?

Lincoln: There is, Queen Elinor, and since there's still a part of humanity in Twisted Merida and her family, we can save her. I found out there's a melody that when played on The Flute of Ogma, the melody will send a wave of Celtic energy and when it surrounds Twisted Merida and her family, it'll purify the curse on her family and cure Twisted Merida's heart. Princess Luna, you don't mind if I…?

Princess Luna: (Smiles) Of course I don't mind, Lincoln. But, wait, what about Cary Blakewell?

Lincoln: Trust me, I've got a way to keep that lunatic chained up while I help you free Twisted Merida and her family.

Nico: Smart thinking, big guy. Alright, let's go.

We were off.

---

We arrived in the Yost Universe.

Bizarro: Bizarro don't see the Yost Brotherhood fighting the Yost X Men!

We saw the Yost Brotherhood of Mutants!

Nico: There they are!

Lola: Wow!

Me: And they are facing this worlds versions of Avalanche, Quicksilver, Toad, Blob and Domino too.

Nico: Wow!

Me: Shall we go stop them?

Nico: Lets.

We went at them and fired waves of energy and smashed them all over.

I picked up Blob.

Me: Frederick J. Dukes A.K.A. Blob. You know something you need to go on a diet!

I threw him and he smashed onto Yost Toad!

Nico: Ouch.

Yost Wolverine: Hey good to see you guys!

Me: You too Logan.

Nico: Looks like we got here just in time.

Eddy aimed his blaster at the Brotherhood but he moved his broken arm in the process, making him grunt in pain.

Yost Quicksilver: (smirks) Looks like someone's got a broken arm.

Yost Blob: How about a broken leg to go with it?

Eddy then smirked as he saw a nearby gas station.

Eddy: Come and get me! (fires shots at the Brotherhood)

This provokes Toad, Blob, and Domino into chasing him to the gas station. Avalanche, however, remained near us.

Nico: You're not going after him?

Yost Avalanche: I'm not stupid. You think I don't see that gas station over there?

Nico: Fine by me.

Nico punched Yost Avalanche in the face and smashed him into the ground.

Yost Toad used his tongue and I grabbed it.

Me: Hey Mortiimer, you know what happens to a frog when it's struck by lightning?

Yost Toad: No.

Me: Then I'll show you!

I channelled lightning into his tongue and electrocuted him all over with 10 billion volts of electricity.

Quicksilver: Take your best shot, kid.

Kaito: (takes out Jetman gear) Gladly!

Kaito put the Jetman gear in the Geartlinger and fired, causing everthing to go white. We then see a church with Beast as the priest and Jean and Cyclops as the bridge and groom respectively.

Beast: Do you take this man as your husband and swear to love him for the rest of your days?

Jean: I do.

Wolverine, Kitty, and Iceman came up to them.

Wolverine: Nice job, Jean.

Iceman: I'm really happy for you two.

Kitty: So am I!

Cyclops: (chuckles) Guys, I think me and Jean are BOTH happy.

Kitty: You've both earned it

Wolverine: Pietro's late, though.

Iceman: Wonder what he's doing?

Quicksilver was exiting a flower shop with roses in his hand.

Quicksilver: Dammit, I hope I'm not late!

William was walking by Maria when suddenly, he stole her purse!

William: Thanks, lady!

Maria: Help! That guy stole my purse!

Quicksilver walked up to William and punched him down.

Quicksilver: Got a lot of nerve doing this shit on a day like this!

William: (smirks) You're the one with a lot of nerve!

William took out his blaster and fired at Quicksilver as everything went white. Quicksilver then found himself on a bench in the real world

Quicksilver: Was that a dream? But this white bench is here! And I still felt some pain from that blaster!

Jean: (blushes) Did we just see a future of our wedding?

Cyclops: (blushes as well) I'm glad I have you back. But, I don't think we're ready for that yet.

Maria: (to Wolverine) Sorry for all that, Logan.

Wolverine: Don't worry about it. Even though I never was into weddings before.

William: I think I played the role of a mugger pretty well.

Nico: You sure did William.

Me: That was really funny and cool.

Eli: It sure was. And Jean, Scott, you two are perfect for each other.

Laney: I agree.

Me: That Jetman Wedding scene was really crazy from what I heard.

Eddy: (aims at the gas station) To quote Kairi Yano, "Adieu!"

Eddy fired, causing an explosion that knocked Domino, Toad, and Blob down.

KRABBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

It was now a wall of fire.

I then sensed something coming and I knew they were coming for Domino and I slipped a tiny tracer no bigger than a pin tip onto Domino.

All of us except for me suddenly felt dizzy and fell to the ground as Domino fell unconscious. The Marauders then came.

Yost Wolverine: (growls) The Marauders!

Vertigo: (using her powers) You can have the rest. Domino's coming with us.

Me: Vertigo!

Blockbuster picked up the unconscious Domino as the Marauders then left.

Nico: (VOMITS)

Laney: WHOA! Dizzy.

Me: It's a trick from Vertigo! She used her powers to make everyone dizzy.

Nico: Wait how come you weren't affected?

Me: My powers made me impervious to hers.

Yost Wolverine: Sorry about the rough welcome.

Bai Tza: It's not a problem. We want to thank you guys for helping to take out Barashitara.

Yost Wolverine: It was our pleasure.

Me: We owe you guys big time for that. Also you don't have to worry about Domino. I slipped a tiny tracer onto her before the Marauders came and grabbed her.

Nico: Very clever and sneaky J.D.

Me: I knew they were coming so I prepared for this.

Princess Luna: Very clever and genius.

Lola: Yeah

Junk Man: How about we discuss things at the X Mansion?

Yost Wolverine: Sure.

We went to the X Mansion.

We arrived and it was as awesome as we remember.

Yost Wolverine: (to Wolverine) Still the best there is at what you do?

Wolverine: We both are. And what we do isn't exactly nice.

Yost Wolverine: That is true.

Me: Are people still hating you guys after what we did here the last time?

Yost Cyclops: Not as bad as it was before. Thanks to you guys we're starting to get forms of respect and admiration.

Noriko: Wow that is great! And I should know how you guys feel. I'm a mutant too.

Yost Jean: You are?

Noriko: That's right. My name is Noriko and I have lightning discharge powers.

Yost Storm: It's a pleasure to meet you Noriko.

Yost Cyclops: (to Cyclops) You're still the leader of the X Men?

Cyclops: Of course. I'm surprised you aren't anymore.

Yost Cyclops: Let's just say that I went through some personal difficulties. (Gets worried) I just hope J.D. and the Loud Kids don't make the same mistakes I've made.

Cyclops: We're helping them all we can too. We owe J.D. and all his friends for helping us not get hated anymore.

Nico: By the way have you guys been hearing about what has been happening to this worlds Spiderman?

Yost Jean: We sure have and that is awful he is being treated like a murderer.

Me: When he never killed anyone at all. Harry Osborn here is still alive and they don't know it yet. But I confirmed it for them with my powers and Eli's use of the Force.

Eli: It's true.

Yost Jean: That is awful.

Me: But we help this worlds version of Spiderman in a few weeks. I hope he holds on till then.

Nico: Yeah.

Jean: (to Yost Jean) So, your Phoenix isn't a part of you anymore?

Yost Jean: All thanks to Emma. Don't try and convince me otherwise. I already made my decision about that.

Me: That's good you did. Oh speaking of which

Yost Emma came.

Yost Emma: Guys I'm so sorry for everything I did. It was all my fault that I lead you guys on the wrong path,

Me: But Emma redeemed herself for her crimes and she has been a big help for all of us.

Nico: She sure has.

Yost Beast: (to Beast) It's an honor to meet a fellow genius like yourself. Or myself, rather.

Beast: The honor is all mine. And I really do think you would make a fine priest.

Yost Beast: (chuckles) Let's not get ahead of ourselves here. That was only an illusion created by thaat gear of Kaito's.

Nico: That was a really funny episode back then.

Eli: Yeah it sure was funny too.

Nico: Yep.

Poromon got out 4 beer bottles.

Yost Wolverine: Don't tell me that's-

Poromon: 4 bottles of beer!

Chemistro: I think all versions of Wolverine like drinking beer.

Me: It's true. Logan likes beer.

Yost Wolverine: Thanks. I could use a beer.

Yost Wolverine took a bottle.

Nico: Don't get too drunk okay?

Yost Wolverine: I won't.

Yost Kitty: How did Vypra's Masters of Evil form?

Me: It was after the battle we had with Thanos.

Nico: We destroyed Thanos and the Legion Of Doom disbanded.

Yost Ice Man: You guys destroyed Thanos the Mad Titan!?

Me: We sure did and that was the most devastating battle we've ever had.

Nico: It's true.

Lincoln: How can people simply hate mutants for existing?!

Batroc: Lincoln, please calm down.

Lincoln: I've fucking had it with calm to last an eternity, Batroc! Calm was why Team Buktu almost succeeded in their plans! Calm was why Animated Sentinel killed Animated Shockwave! Calm was why Morshower and President Whitmore are dead! Calm was why Goldeneye killed so many people! Calm was why Alejandro and his plans got out in the first place!

Yost Quicksilver: Jesus, someone hasn't had their orange juice this morning.

Yost Cyclops: Lincoln, I know what you're feeling right now! The feeling of having pain and anger inside! I don't want you to make the same mistakes I made in the past!

Lincoln: Really? Well, I've fucking got news for you, Summers. Me, my sisters, J.D., and Girl Jordan? We're not you. At all!

Yost Cyclops: So, don't be me! Be better! (sighs) Be much, MUCH better.

Me: Lincoln that's enough! Believe me I too have had enough of all this hatred on people to last an eternity and maybe even beyond. But that is why we are here. To combat the evils that the forces of darkness have to throw at us. But as long as evil exists there will always be hatred and destruction. That's why we are here, to stop it from festering and spreading.

Lana: That's right!

Nico: Yeah that is true. Lincoln I know you have a lot of pent up anger about everything that happened but please just be level headed and we can do our jobs.

Lincoln: Oh you're right.

Me: Scott we're sorry you had to see that. We have seen more death and destruction and saw many people that we know die right in front of our eyes more times than anyone should ever have to go through in their lifetimes. We have been through so much over these last 6 years and it was all both good and bad.

Yost Cyclops: That's incredible. And I can understand that Lincoln is going through all that.

Yost Wolverine: That was very grown up of you to say, Summers.

Yost Cyclops: Thanks. I learned it from our own experiences these last few years.

Yost Wolverine: If you want your leadership back…

Yost Cyclops: Keep it. The Professor chose wisely in you being leader. And after recent events, I see why.

Cloud Man: Yep. Definitely like Nico and J.D.

Me: Very similar 100%.

Nico: You got that right. And J.D. you have become wiser and smarter too.

Me: Well I have been learning how to be a better leader from you Nico.

Nico: Nice to know that I'm teaching you.

Me: Yep.

Quicksilver: Well, this is all fascinating. But let me remind you guys that because of all of you, Sinister's goons managed to nab Domino!

Ravager: And we're sorry for that. But we couldn't let you seriously hurt the X Men either!

Me: Yeah but you don't have to worry. I slipped a tracer on Domino and we can find her.

Eli: Yeah.

We went into a room and we found the Professor.

Goro: That's the Professor?

Yost Toad: I never was a big fan of him. But I never wanted to see him like this!

Nico: Wow.

Lily: Okay here we go.

She spread her wings of water and they enveloped him in a ball of water and it cured him and fixed him up and they also cured him and gave him back his ability to walk and more and when she released him she showed us a bullet slug.

Me: Oh wow. That's the adamantium bullet slug that was inside him since World War II.

Yost Professor X: What? What happened?

RD Girl Jordan: Welcome back to the present, Professor.

Yost Professor X: You all must be Team Loud Phoenix Storm.

Me: That's right. And it's an honor to meet you.

Nico: Same here.

Lily: I healed you with my water and brought you back.

Yost Professor X: Wow.

Titania: And you can walk again

Professor X saw that he can!

Professor X: Wow!

He lost his footing and I caught him.

Me: Careful Charles. Its been over 70 years since you walked.

Nico: Yeah. It has been a while.

Varie: But I can get you back on your feet with my rehab therapy.

Professor X: Thanks Varie.

Yost Forge: Blaster Tron, how long do you think it'll take to get the Blackbird ready?

Blaster Tron: Estimated time: 1 hour

Nico: That will give us plenty of time to demonstrate our power with the usual battles.

Me: Yeah.

KGBeast: (Russian Accent) When we get Domino and Magneto back, we'll get them archenemies.

Nico: We'll think of something for them in the future.

Eli: Yeah this will be so awesome.

Maria: I'll call them in.

Nico: Okay.

Maria did so.

Electro, Deadwood, Hydro Man, Moonstone, Mysterio, Blizzard, Xiao Fung, Oculous, Vreedle Brothers, and Cargill then appearad.

Nico: Electro, Deadwood, Hydro Man, Moonstone, Mysterio, Blizzard, Xiao Fung, Oculous, Vreedle Brothers, and Cargill.

Electro: No Sentinels activated so far.

Maria: Let's keep it that way.

Me: Yeah that's the last thing we want here.

Deadwood: Not like they'll be reactivated by the time we're done here.

Hydro Man: Can't believe my counterpart doesn't have powers here.

Nico: I know that is a darn shame.

Moonstone: (to Nico) We heard you went to Camp Lakebottom.

Me: We sure did.

Mysterio: Fight anyone there?

Me: Oh just Jordan Buttsquat and a Chili Monster that was too hot to handle there.

Nico: Whew! He was hot but he was tasty.

Laney: Yeah he sure was.

Squidrose came.

Me: Squidrose. Decided to make a real battle.

Squidrose: Yep.

Lola: Cool!

Squidrose: Consider this my first real world battle.

Nico: You got that right.

We got the usual battles underway

---

---

Deadwood was next.

Deadwood: (to Jonny) It was good that Nico visited Camp Lakebottom for his rescue. But we still don't know how Buttsquat got his battleship.

Jonny 2X4: That is a really good question. What's that Plank?

Plank:

Jonny 2X4: Plank says that Buttsquat got that ship with the leftover money he had left when he was sent to prison.

Fluttershy: Oh that makes sense there.

Tornado Bolt: Yeah that makes really good sense.

Stealth Elf: But Buttsquat is now an eternal gold statue.

Luke Loud: Good riddance to that monster dude.

Sam S.L.: Yeah no kidding there dudes.

Deadwood: I agree there too. Lets do it!

They fired waves of leaves, wood, flowers and Grass and smashe him down.

Rarity: Oh it sure was darlings. But that house was really scary.

Sweetie Belle: But it was so awesome! Me and the Crusaders played it all the time at the arcade with Lincoln and it is so much fun.

Hydro Man: That is awesome! And I love that game House of the Dead. Awesome game there.

Gill Grunt: It sure is fun.

Gali: Yeah it is.

Nokama: We always have fun on those games.

Hydro Man: Boy do we ever. Lets do it!

They fired waves of water, ice and jewels and smashed him down.

---

Xiao Fung the Demon Sorcerer of Wind was next.

Xiao Fung: (to Ulrich) It must've bben painful for Eddy to break his arm. But at least it wasn't the arm that wields his blaster.

---

Oculous was next.

Oculous: (to Tommy) There are lots of people with powers like mutants. But it's horrible that people hate them like that.

Tommy: I agree! Mutants are all people too and they need to be treated like such. This hatred towards them has to end now.

Princess Luna: Yes I agree too. What they have done is abhorrent and disgusting.

Moondust: You got that right mom. This has to stop now.

Snowdrop: No one should ever be hated for having powers like that.

Gari: Yeah it's not right!

Blackout: What these people are doing is wrong to the Nth degree.

Nanette: That is for sure.

Izuku: And it ends right now after we kill Apocalypse.

Apple Bloom: Yeah that we can count on.

Flashwing: That is for sure!

Ripster: We're not going to let him get away with everything he did.

Stacy: You can count on that there.

Jab: Yeah Apocalypse messed with this world for far too long!

Streex: I'll bit his legs off.

Slammu: Same with me!

Octagon: Good! I have a feeling you all will. Lets do it!

Street Sharks: SHARK ATTACK!

They fired waves of earth, rock, apples, crystal and energy and smashed them down.

---

Girl Jordan, Sunset Shimmer, Pipsqueak, Fire Skylanders, Musa, Luna, Oceanus Shenron and Paragus VS Cargill - The Yost X-Men are just as awesome as the ones we know

---

Cargill was next.

Cargill: (to Girl Jordan) The Yost X-Men are just as awesome as the ones we know. Now, if only the Wolverine we know can get an archenemy, that would be nice.

Girl Jordan: Yeah that would be awesome and cool.

Sunset Shimmer: Yeah that would be amazing and cool.

Pipsqueak: (British Accent) Yeah that would be awesome and cool.

Sunburn: Yeah it sure would.

Musa: I Agree there too.

Luna: Same with me dudes.

Cargill: Me too. Lets do it!

They fired waves of water and fire and smashed him down.

---

Yost Wolverine VS Jackson Chappell

---

Yost Wolverine was looking for his archenemy.

Then a big man that we were all too familiar with came out and it was JACKSON CHAPPELL!

Jackson Chappell: Jackson Chappell is my name and it's an honor to meet you.

Yost Wolverine: You too. So you are my archenemy?

Jackson Chappell: That's right.

He took off his jacket and then put 6 Slappers infused with Venom in them on him and then he got super strength!

Yost Wolverine: Wow!

He picked up a huge steel beam and threw it at Yost Wolverine and he jumped over it.

Yost Wolverine: How did you do that?

Jackson Chappell: Thanks to these. (Points to a Slapper Patch) They are called Slappers. They are a patch infused with a super steroid called Venom. It's a super steroid that Bane used for a long time. It made him super strong. But it was so highly addictive and it got so bad that he needed Venom just to keep going. So I made Slappers to give to kids to help them out.

Yost Wolverine: That stuff is lethal. Steroids are really bad for you, you know.

Jackson Chappell: I know. It's really addictive.

Yost Wolverine: If that stuff is as addictive as coccaine and heroin then you need to be careful with that stuff.

Jackson Chappell: I know.

He threw a heavy concrete block and Yost Wolverine jumped it and he threw another block and it hit him and smashed him down.

Juni Cortez VS Miranda Frost

---

Juni was looking for his archenemy and then a woman came out and it was the James Bond Villainess, MIRANDA FROST!

Juni Cortez: You're Miranda Frost!

Miranda Frost: (British Accent) That is right my young one. It's a pleasure to meet the junior spy Juni Cortez.

Juni Cortez: Same to you.

She unsheathed a sword and then Juni unsheathed a sword too and they then clashed and then Juni kicked her down.

---

Dino Thunder Rangers, Megaforce Rangers, Nico, Eli, Nunnally, C.C., Laney, Lana, Lola, Lily and Lisa VS Squidrose.

---

Nico: Time for a really fun one.

Nico teleported and opened Squidrose's safe and in it was a bunch of swords called The Destroyers of Apocalypse, they're a collection of large greatswords with the symbols of The X-Men into etched onto the 7'0" massive, wide, double-edged colored blades, colored angel wings for the crossguards, large colored gems embedded in the rainguards, longer black handles, and large colored gems surrounded by colored angel wings for the pommels. Once in hand, they'll get a massive power and energy increase.

Nico teleported back with them.

Dino Thunder Rangers: DINO THUNDER POWER UP! HA!

Trent: WHITE RANGER! DINO POWER!

They transformed and they were ready!

Megaforce Rangers: LEGENDARY RANGER MODE! DINO THUNDER!

The Megaforce Rangers turned into the Dino Thunder Rangers too!

The Rangers summoned the Z-Rex Cannon!

Rangers: Z-REX CANNON!

Nico: FIRE!

They fired waves of elements and energy and it hit Squidrose and exploded!

KRABBBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

He was dead!

Nico: Squidrose you have failed this world!

Troy: Rangers that's a Super Mega Win!

We regrouped.

Yost Wolverine: Wow! That was amazing!

Me: It was.

Paragus: Now, let's go after Apocalypse.

Me: Okay. Lets see.

I looked up on the radar thanks to the tracer I put on Domino that Apocalypse's lair was located on Three Mile Island.

Me: Three Mile Island.

Nico: Wow. That is an old nuclear power plant.

Me: Good thing radiation doesn't affect us.

Speed Demon: (to Quicksilver) Wanna race to see who can get as many people near Apocalypse's lair?

Yost Quicksilver: Oh you're on!

Yost Scarlet Witch and Spector came.

Yost Nightcrawler: Wanda, I want to thank you and Spector for coming.

Yost Scarlet Witch: It was my pleasure, Kurt. Father and I might have our differences at the moment. But he's still family.

Me: Great.

Nico: This is gonna be awesome. Get ready Apocalypse. (Eyes glow red) Your reign of terror will end right now. For we are your angels of death.

We were off.

---

We arrived at Three Mile Island.

Me: Three Mile Island. Ancient Nuclear Power plant that was shut down in the 1970's due to an accident.

Laney: Yep.

Nico: This is gonna be awesome.

We then saw 4 figures come out and they were each wearing 4 colored armors. It was Angel, Psylocke, Domino and Magneto.

Maria: You must be Warren Worthington aka Angel.

Yost Archangel: It's Archangel now! And now, I am the Horsemen of Death. These are my fellow Horsemen. (Gestures to Psylocke) Pestilence.(gestures to Domino) Famine. (gestures to Magneto) And War.

Nico: The 4 Horseman of The Apocalypse. That is a very awesome setup and theme.

Yost Domino: Why thank you very much.

Yost Magneto: Indeed it is a good setup.

Me: You guys look awesome.

I pulled out a picture of them and it matched the 4 Horsemen of The Apocalypse Really perfectly.

Me: The 4 Horsemen of Christian Myth is perfect here.

Iceman: Just out of curiosity, Warren, what do you think your new boss is gonna to do to you once you've maanged to kill us. I doubt he's gonna build a statue in your honor. Once he gets what he wants, he's gonna toss you aside.

Archangel: Like you tossed me aside?

Wolverine: Bub, all of us made decisions that led up to this point. What matters is your next move.

Cyclops: And we're willing to bet that underneath that altered appearence is the old you somewhere.

Archangel: No. You're wrong!

Me: No they aren't!

?: Go Dino!

Me: I know that voice!

Out came The Dino Squad!

Me: Hey guys!

Max (Dinosquad): Hey J.D.! Awesome to see you guys.

Nico: You guys showed up just in time.

Vakama: Let me help you guys!

Kitty: Just don't hurt Warren too much, okay?

Max: We won't.

Nico: Lets go!

We went into the reactor tower.

Spector went before Apocalypse and Mr. Sinister!

Mr. Sinister: I see you got past the Horsemen

Spector: Well, we don't like fighting brainwashed friends.

Apocalypse: You made a grave error. My Horsemen will kill your Toa of Fire and this Dino Squad. And then, you will be next.

Spector: Oh I wouldn't count on that. When my friends are done with you, you will not want to live another second. Right guys?

The spirits of the masters of Superstrength all appeared and swirled around him and then they converged and then…

KRABBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

A massive fiery explosion blasted out and then a phoenix cry was heard and we all came out.

Me: En Sabah Nur A.K.A. Apocalypse. So we finally meet. For the first and last time.

Nico: That's right.

Apocalypse: Team Loud Phoenix Storm!?

Me: That's right. And we're going to destroy you!

Yost Wolverine: You're going to pay for everything you have done to mutants and humans.

Apocalypse: Why do you X Men insist on fighting me and protecting the very people who have scorned you simply for existing?

Yost Wolverine: That's just what heroes do, bub

Nico: Same reason why we protect the people of our world. No matter how many times they turn against us.

Me: And we protect them from people like you!

Apocalypse: Oh really?

He used his speed and went at me and then I punched him in the face and I sent him crashing into the wall.

Me: You are just so predictable.

Apocalypse: Tronics! Come and serve your master!

An army of Tronics appeared.

Me: Tronics!

Robo-Roxy: HEY! HOW DARE YOU USE TRONICS!?

Nico: They are not for you to use you monster!

We fired waves of elements and energy and blasted the Tronics all over into scrap metal.

Then the Tronics jumped the Yost X-Men and smashed them.

The Yost X Men lay defeated at the hands of the Tronics.

Apocalypse: So, you've chosen to protect the humans? Then, you all have chosen death.

William: (shoots down Tronic) Fuck! What are we gonna do now?!

Princess Luna got an idea.

Princess Luna: Everyone in both world! Lend the X Men your strength! They get stronger with your support! When I give the signal, share your energy with the X Men! Okay? Ready… go!

Everyone in the audience began sharing their energy with the X

Men. And soon, Wolverine found the strength to get up.

Wolverine: Sorry, bub. But we don't go down that easy!

Wolverine then stabbed in the chest a Tronic about to attack him.

Yost Wolverine: Thanks for the help, guys.

Yost Cyclops: I didn't think we had any fans at all.

Yost Storm: Neither did I.

Yost Jean: This time, I'm helping out in this final battle.

Yost Nightcrawler: We ALL are helping out here, Jean.

Me: And we're not going to let this monster torment everyone ever again!

Princess Luna: Let me transform with you all!

Devon: You got it, Princess.

Jackie Wren: I should've known there's no mistaking that insane scream from anywhere. You can come out now, Cary Blakewell.

Princess Luna: And there's no mistaking that voice from anywhere. You can come out now, Twisted Merida.

An inverted pentagram with Necrom on top of it drawn in blood red infernal energy appeared in the skies, and then, a mist of darkness came out and as it landed, the mist of darkness faded revealing a 17-year-old teen male with long black hair going down to his neck, pale skin, red eyes, sadistic and insane grin on his face, and dressed in a long long-sleeved black coat, black shirt, black pants, and black ankle-high boots. It was Cary Blakewell, a dangerous warlock and another member of The Church of Necrom.

And another figure came out from the shadows, it was Twisted Merida, along with her world's version of Queen Elinor and Merida's three brothers in bear form, but their eyes had turned red.

Nicholette Torrington: Cary Blakewell, I should've known you'd be the next one to come out after we took down Jocasta Belladonna, Jezebel Lanira, Ianira Dormund, Edana Baudelaire, Drusilla Draven, Chandra Mortlake, Adrienne Hawthorne, and Nigel Alaister, along with us killing Dr. Curien and Zira.

Cary Blakewell: Shut up, bitch! You all have ruined our master's plan to bring Lord Necrom into this pathetic world, so that we could destroy all of mankind and bring back The Dark Ages, and now, we will destroy all of you ourselves!

Cary Blakewell was about to attack, but Andy Baker fired a blast of green slime, which wraps around and bound the insane warlock and Mike Collins fired a blast of ice and it froze Cary Blakewell's feet to the ground.

Twilight Sparkle: Wow, Princess Luna's transformed, this is truly amazing.

Princess Celestia: It sure is, dear Twilight. Sister, how do you feel?

Princess Luna: (Divine Echoing Cosmic Voice of The Midnight Dream Alicorn and Lunar Dream Justice) I feel incredible, dear sister. Now then, Lincoln, shall we free Twisted Merida and her family of the darkness that plagues them?

Lincoln: Of course, Princess Luna.

Lincoln unholstered his massive Hinon's Cosmic Storm Sword of Universal Hope, Elemental Bravery, and Unbreakable Eternal Bonds from his wider and muscular back, and transformed into Super Angel-Ebonwu-Thunderbird Eternity Infinity Elemental Thunderbird Buffalo Angel of Universal Justice and Elemental Hope and he joined Princess Luna.

Lincoln: (Divine Echoing Cosmic Elemental Voice of Universal Justice and Elemental Hope) Hold on, Twisted Merida, we're coming to save you from the darkness that's stained your soul.

Princess Luna and Lincoln went after Twisted Merida, and they fire powerful blasts of rainbow energy, midnight blue energy, Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, Magic, rainbow flames, rainbow crystals, Buffalo, Thunderbirds, Phoenixes, Angels, and Alicorns at Twisted Merida, and they exploded with incredible power as they hit her. Then, Princess Luna and Lincoln made a Celtic knot circle surrounding them, and they couldn't escape, and they were surrounded by powerful Celtic energy and magic.

Princess Luna: (Divine Echoing Cosmic Voice of The Midnight Dream Alicorn and Lunar Dream Justice) Okay, Lincoln, it's up to you now.

Lincoln: (Divine Echoing Cosmic Elemental Voice of Universal Justice and Elemental Hope) I'm already on it, Princess Luna.

Lincoln took out his Flute of Ogma, and then, he began playing a soothing Celtic melody on it, and we saw the flute has summoned orbs of Celtic energy, and they fired a powerful wave of Celtic energy at them, and the flute's beautiful melody worked its magic, as Twisted Merida's scars on her face were being healed and the darkness was being cleansed from her, and her world's versions of Queen Elinor and her three brothers were being turned back to normal, and we also saw the family tapestry being mended and fixed and it was draped around Twisted Merida's version of Queen Elinor and her three brothers.

Lincoln: (Divine Echoing Cosmic Elemental Voice of Universal Justice and Elemental Hope) It's done.

We cheered wildly as Princess Luna holstered her massive Princess Luna's Alicorn Greatsword of Magical Dreams and Moonlight Justice on her back and powered down, and Princess Luna's new body, clothes, weapons, jewelry, and massive midnight blue angel wings are permanent. But, Lincoln still has some unfinished business to take care of, namely Cary Blakewell of The Church of Necrom, but that's for later. Princess Luna and Lincoln went up to Merida 2, who hugged her and cried really hard, and Princess Luna and Lincoln also hugged her as she cried. This scene caused tears to fall from our eyes.

Nico: I've said it once before, and I'll say it once again, I can't help but feel sorry for Merida 2 and her family, and we know of one person to blame for it: Mor'du.

Me: Yeah, what he did can never be forgiven.

Merida: (Scottish Accent) That's right, lad. But, now, Merida 2 and her family have been freed, but there's only one thing missing.

King Fergus: (Scottish Accent) Aye, her world's version of her father.

Lincoln then heard it, and he snapped his fingers, and resurrected Merida 2's version of her dad, who went up to his family, and they all hugged, and we cheered wildly. But, this really sent Cary Blakewell into a demonic rage and he tried to get out and attack, but Lincoln and Jackie Wren got in the way.

Lincoln: (Divine Echoing Cosmic Elemental Voice of Universal Justice and Elemental Hope) Oh no you don't, you insane warlock, now you're going to deal with the both of us.

Jackie Wren: Linky's right, and now, your little rampage ends here and now, Cary Blakewell.

Andy Baker: We'll keep Cary Blakewell from trying to interfere, Princess Luna, you and Lincoln go and purify Twisted Merida and her family.

Princess Luna: Thank you, Andy. Now, to save you from the creature you've become.

Suddenly, Princess Luna's eyes turned neon midnight blue and she was surrounded by a midnight blue energy aura with crescent moons, stars, moonlight, and magic, she unholstered her Princess Luna's Alicorn Sword of Magical Dreams and Moonlight Justice, and as she approached Twisted Merida and her family, she left behind midnight blue energy aura with crescent moons, stars, moonlight, and magic with every step.

Suddenly, Princess Luna was surrounded by a massive vortex of midnight blue energy with crescent moons, stars, moonlight, and magic surrounding it, there's an Alicorn flying around the vortex, and the moon was shining down, and in the vortex is a blue phoenix. We were truly amazed by Princess Luna's Super Angel-Alicorn Eternity Infinity transformation, but when Twisted Merida saw it, she tried to fire some arrows at her, but Princess Luna fired a powerful midnight blue energy blast with stars, magic, moonlight, and Alicorns, and it hit her and she hit back first into a wall.

That's it, I've had it up to hear with you, Cary Blakewell, and now, I'll see to it that you'll pay for the crimes that you've committed long ago.

Suddenly, Laniya Guillermo was surrounded by a massive vortex of purple energy with darkness, dark magic, demons, and dragons surrounding it, there's Grapha, Dragon Lord of Dark World flying around the vortex, and inside the vortex is a purple phoenix. Jackie Wren has transformed into SUPER ANGEL ETERNITY INFINITY DARKNESS DRAGON DEMON ANGEL OF DARK

# JUSTICE AND DARK DRACONIC LOVE!

We were amazed by Cary Blakewell's Super Angel Eternity Infinity transformation, and when Lincoln saw her, he had an atomic red blush on his face and hearts in his eyes. But, when Cary Blakewell saw it, he went fucking crazy and broke out of the green slime and ice, and he fired a blast of darkness to kill her, but Jackie Wren fired a powerful blast of purple energy with darkness, demons, dragons, and dark magic, and it hits Cary Blakewell and sent that insane warlock crashing back first into a wall.

Nicholette Torrington: Holy crap, now Jackie Wren's transformed into her Super Angel Eternity Infinity form, that's so awesome!

Nico: That's right, Nicholette, and she sent that crazy warlock, Cary Blakewell, crashing back first into a wall, and really pissed him off even more. This is going to be good.

Me: You said it.

Lincoln: **Wow, Jackie, you look beautiful. How do you feel?**

Jackie Wren: (Divine Echoing Cosmic Voice of the Dark Dragon Lord and Dark Divine Love) **I feel incredible, Linky. Now then, shall we deliver Cary Blakewell his rightful punishment?**

Lincoln: (Smiles) **With pleasure, Jackie.**

Lincoln still has his massive Hinon's Cosmic Storm Sword of Universal Hope, Elemental Bravery, and Unbreakable Eternal Bonds unholstered from his wider and muscular back, and he's still in his Super Angel-Ebonwu-Thunderbird Eternity Infinity Elemental Thunderbird Buffalo Angel of Universal Justice and Elemental Hope form and he joined Jackie Wren.

Lincoln: **Your days of causing mayhem and chaos in the name of Damian Alaister and The Church of Necrom are finally over, Cary Blakewell.**

Jackie Wren and Lincoln went after Cary Blakewell, who continued firing blasts of darkness at them, but they dodged them, and they fired powerful blasts of rainbow energy, purple energy, dark magic, Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, Magic, rainbow flames, rainbow crystals, Buffalo, Thunderbirds, Phoenixes, Angels, Demons, and Dragons at Cary Blakewell, and they exploded with incredible power as they hit the crazy warlock, and he became even more pissed off big time.

Cary Blakewell: Rise from your crystal tombs, Crystal Demons, and tear the mortals to shreds!

Cary Blakewell summoned a massive army of Crystal Demons as they rose from the ground, and they were about to attack, but Lincoln fired powerful blasts of rainbow super lightning, and as they hit the massive army of Crystal Demons, they were destroyed and their spirits were sent back to Hell forever and Lincoln collected the crystals to give to Rarity to use for a future fashion line, and that pissed off Cary Blakewell even more.

Jackie Wren: **Linky, shall we do the honors in putting Nigel Alaister in his place?**

Lincoln: **Ladies first, Jackie.**

Jackie Wren: **Such a gentleman.**

Jackie Wren and Lincoln formed massive red energy balls in the palms of their hands, and they condense them to the size of their bodies, and they aimed them at Cary Blakewell, who ran at them with murder and insane rage in his eyes.

Jackie Wren and Lincoln: **VOX PENICULUS POWER ABSORPTION KARMA BLAST!**

Jackie Wren and Lincoln fired the massive red energy balls, which transform into red energy beams, and as the two red energy beams hit Cary Blakewell, Lincoln and Jackie Wren began sucking out and absorbing all of Cary Blakewell's dark powers and dark magic, and Lincoln's rainbow energy aura with Thunderbirds, Phoenixes, Angels, Buffalo, and Elemental Forces flared up, and he was gaining a really massive power and energy boost to his infinite power and energy, and the same thing happens to Jackie Wren as her purple energy aura with darkness, demons, dark magic, and Dragons flared up and she was really massive power and energy boost to her infinite power and energy. When Jackie Wren and Lincoln were done, Cary Blakewell was rendered completely powerless and completely drained of his powers.

Cary Blakewell: What did you do to me?!

Lincoln: **We sucked out and absorbed all of your dark powers, abilities, and dark magic, and now, you're powerless, Cary Blakewell.**

Jackie Wren: **And now, you're finished.**

Jackie Wren opened her Destroyer of the Church of Necrom grimoire, and she found the page and she fired a blast of darkness, and as it hit Cary Blakewell, the now powerless and insane warlock of The Church of Necrom, was imprisoned inside of a black tarot card with Grapha, Dragon Lord of Dark World on the back of the black tarot card with darkness, demons, dragons, dark magic, and she put the tarot card with Cary Blakewell imprisoned inside the black tarot card box with the symbols of the Dark World Duel Monsters on top, where Jocasta Belladonna, Jezebel Lanira, Ianira Dormund, Edana Baudelaire, Drusilla Draven, Chandra Mortlake, Adrienne Hawthorne, and Nigel Alaister were put into. We all cheered wildly for what Jackie Wren and Lincoln as they holstered their massive greatswords and powered down, and Jackie Wren's new body, clothes, weapons, jewelry, and massive dark purple angel wings are permanent.

Jackie Wren: Gotcha, you bastard! Thank you for helping me take down Cary Blakewell, Linky.

Lincoln: (Smiles Warmly) You're welcome, Jackie.

Suddenly, Jackie wrapped her arms around Lincoln's thick muscular neck, as her chest was pressed against Lincoln's massive and wide muscular pecs, which brought an atomic red blush to Lincoln's face, and he wrapped his abnormally massive and powerful muscular arms around her waist and he brought her into a hug, which took her by surprise and brought an atomic red blush to her face. Then, as

Lincoln leans down to Jackie Wren's face, they kiss passionately as Jackie Wren wrapped her left arm around Lincoln's thick muscular neck, and she placed her right hand on Lincoln's massive and wide muscular right pec, and behind them was a Thunderbird, Phoenix, Angel, and Grapha, Dragon Lord of Dark World flying in the air, and we also saw a herd of Buffalo running across the field, along with elemental forces and creatures of the night flying around the place and we cheered for them.

Nico: Hah, that's another Church of Necrom asshole put down, and nine more to go.

Me: That's right, Nico.

Zennia Nikolaevna: (Russian Accent) Which means the next Church of Necrom member to show their face tomorrow is Nigel Tinuviel.

Lincoln: That's right, Zennia, and you and I are going to put a stop to that insane warlock and make him pay for everything that he's done.

Nico: And as always, we'll be on guard for Nigel Tinuvel's plans and foil them at every turn, and that'll get her so mad, it's bound to send him into a blind rage.

Lincoln: Which is just how we want him to be in, when we pulverize him tomorrow.

Later in Washington DC at the capitol building we were arranging a press conference. And Senator Kelly came.

Yost Kelly: Good afternoon everyone. My fellow citizens. Thanks to the efforts of the X Men, And the teamwork of the Almighty Team Loud Phoenix Storm, Apocalypse has been defeated. Without them, none of us would be alive right now. That should give us some thought about the next move of the war against mutants. If the war needs to be continued at all. As such, I hereby resign from Senator effective immediately.

Everyone hearing this started talking all at once. But he wasn't done.

Yost Kelly: It's best if I step down with dignity and honor. Rather then go insane like the villains Team Loud Phoenix Storm has fought. Now J.D. has something he would like to say to you all.

I went over to the podium.

Me: (Clears throat) Thank you Senator. Now I have something I would like to say regarding the war against the mutants. This war against them must end right now. This hatred that you had with mutants has got to stop right now! Mutants are not evil and they all were given great powers that can be very helpful to humanity. The mutants are not simply just people that are different from you all. These are people that are human just like everyone else! They have amazing powers just like we do and they use their powers for good and help people! Mutants are not just people that you have treated like the plague. They are also people that you know! They are friends, family members, people that came from your family but they were scorned and ostracized for their powers! And you treated them as if they were weapons and tools of way! But they are not that at all! They are human beings like all of us! They may have been born with all sorts of amazing powers. But it's what they do with those powers that makes them who they are and also With Great Power Comes Great Responsibility. But mutants are not the only people that have amazing powers. Me and my team all do too. But many of us weren't born with powers like the X-Men all were. We got our powers from many different sources. Cosmic Radiation or Radiation that came from Outer Space, Nuclear Radiation, laboratory experiments, science gone wrong, chemical accidents, they come from another planet or their powers come with the suits they got in the superhero business. But just because the X-Men were born with powers doesn't make them different. They are human beings just like everyone else and like all of us! We are human beings too just like all of you guys. Mutants are people too! And they are more than just ordinary people, they are great friends and have done so much good for everyone all over the world just like you can too! They can do so many great things for you all and help make the world an awesome and better place. So I say this all to you now. It's time to bury the hatchet and let humans and mutants live together. Like I said, these are people that were born into your families and they have gifts that make them special and they can help you all too. So please give it all a chance.

Nico: What do you guys say?

Then someone clapped and then it spread and many people cheered wildly and everyone all over the world cheered and the mutants were all now welcome into society.

No longer will mutants be hated.

Xiao Fung: So, guys. How's it feel to finally be accepted by humans.

Yost Wolverine: Honestly? A pleasant change of pace.

Blizzard: Good to know.

Me: Glad the world no longer hates you guys. It was a big day for all of us.

Nico: Yep.

Oculous: (to the Dino Squad) You guys helped too.

Dino Squad Max: We sure did.

Me: We owe you guys big time for it too.

Yost Wolverine: See you guys next month.

Dino Squad Max: We'll be waiting.

Me: That's just ten days actually.

Max: Yeah.

Yost Wolverine shook Dino Squad Max's T Rex hand.

Octagon: That's two Yost missions down.

Cargill: And two to go.

Me: The Avengers and Spiderman next. But that's not for at least a couple more weeks.

Nico: Yep. But this was so awesome! Great job today everyone.

Especially to you Princess Luna. You did great against Apocalypse.

Princess Luna: Thank you Nico.

Princess Celestia: I'm proud of you my sister.

Princess Luna: Thank you sister.

Nico: Awesome. But you all did a great job.

Me: We sure did.

Yost Wolverine: (To the viewers) We are now no longer hated among everyone and we can now do the things we all like now. And still fight crime.

Me: That is for sure and if anyone tells you that mutants are not welcome tell them to go fuck themselves.

Nico: Well said J.D. Lets head home

We went back home. We had a great rest of the day and we went to sleep after an awesome day.

THE END

---

Another awesome fanfic done.

The show Wolverine And The X-Men was AWESOME and it was so awesome how the X-Men went on so many awesome adventures all over and tried to have mutants and heroes coexist. But it was left in a cliffhanger because the show got cancelled after 2 seasons! What a rip and it was all because of decreased ratings and lack of money. The series was only on for 11 months from January 23 - November 29, 2009. The first part was for an Ultimeatum Planet and that was cool. Also the second part was for where we went to Lincoln's dream and we took down cannibals in the jungle. The 3rd part for Nico's rescue was for Camp Lakebottom and we took down Jordan Buttsquat and the Chili Monster and that was funny and awesome. Also for Lincoln's rescue we went to the video game called House of

The Dead and it was awesome! I played that game for a long time and it was awesome. NicoChan11, JediAvatarOfShinobi, Omegahatchiyak12, kolbdog323, XP4Universe, Darkhai, vinjedi1995, Drako1234658, Nflemingful, EtstheClarenceandTLHfan and ninjakingofhearts gave me the ideas for this and so did the guest reviewer. Thanks Guys. For my dream rescue me and Natilee are going to face Yami Marik who is trying to kill Tea and we're going to make that bastard pay for his crimes especially for hurting Mai and Joey. And we're going to meet a gene-slammer for a monster called Slifuria, King of The Searing Skies, it's a fusion of both Slifer the Sky Dragon and Uria, Lord of Searing Flames and her name is Nathalia Zemanomamenchikova and she is from Russia. Lincoln's rescue is going to be a cool one as we go face a dream version of Evolt from Kamen Rider Build and it will help get us prepared for the real thing in the future. We're also going to meet a gene-slammer Slifer The Ultimate Sky Dragon and it's going to be triplets named Natalie, Nicole and Nadine Bernado and they are from Canada and they are some of Lincoln's Guardian Angels and they are easily identifiable because of the Dragon Tattoos on their foreheads. The next rescue for Nico is gonna be an awesome one as Nico, Luna Loud, Sam S.L., Jaden Yuki,, Qin, Miku Yuuki, Rei Miyamoto, Saya Tekagi, Saeko Busujima, Shizuka Marimoto, Zenkaigers, Chloe Bourgeois, Rita Loud, The Goths of Darkness, Applejack, Apple Bloom, Twilight Sparkle & Friends, Rachel Stavenport, Carol Pusateri, May, Kaalia of The Vast, Maria, Varie, me, Eli, Arrietty, Aylene Carter, Gabrielle, Littlefoot and friends, Fu, Nicole Knudson, Kaina Tsutsumi, Camie, Kaoruko Awata, Himiko, Ibara, Toru, Sirius, Tsuyu, Ochaco, Momo, Lincoln, Laney, Lana, Lola, Lisa and Lily go to Domino City and we're going to meet a bunch of duelists to join the team and the M.O.E. Also we're going to meet a gene-slammer for 2 girls. We're going to meet gene-slammers for an Evolved Pyronite and an Evolved Orishan. Their names are Trinity and Trina Liechtensteinischen. Trinity and Trina Liechtensteinischen, both are twins and are masters of fire and water. Trinity is an Evolved Pyronite gene-slammer and Trina is an Evolved Orishan Gene-slammer. Both went to Nico's chemistry classes. For Lincoln's rescue tomorrow, Lincoln and his group are going to face and destroy Giovanni, the leader of Team Rocket, who's been resurrected by Nigel Tinuviel, and Giovanni still wants revenge on you guys for ruining his plans for world domination, and this time, Giovanni's getting The Black Gates, but not before we give him a thank you for that little Gene-Slammer project of his, in the form of all the Gene-Slammers who were Gene-Slammed by Team Rocket beating him up in quite a very bloody manner, such as Giovanni getting a ton of broken bones, black eyes, arms and legs broken, and finally, it ends with Lincoln snapping Giovanni's neck, and Giovanni will also have all of the other Team Rocket scientists with him. Lincoln is also going to meet a Sonata The Melodious Diva Gene-slammer named Sonnya Flemmimenchinova from the Ukraine and she is one of the most amazing singers ever. She knows so many awesome songs and she has a divine voice that is so powerful that she can have animals help her. She also can use the divine voice to have criminals anywhere do anything for her and even turn themselves in. And for Lincoln's date tomorrow with his harem: we got just the thing, how about a beach date, and we got just the place: Destiny Islands, but they're also going to be on guard, because Nigel Tinuvel's created Dark Sides of Linka and her brothers, and they're out for blood. But, Lincoln's going to use The Crystal Dragon's Vengeance Curse on them and imprison them forever in magical crystal prisons, just like what happened with the Dark Loud Family and the other Dark Sides. And during the exercise scene, the Sonnya Flemmimenchinova is going to tell the team two really horrifying revelations about The Church of Necrom, one revelation pertains to their Satanic sacrificial ritual, the same ritual that gave them their dark powers by sacrificing their families, and the other revelation is that they've gone a multi-state killing spree after their Satanic sacrificial ritual, and they've been killing tens of thousands of people in ten different states across the United States, and trust me, it's bloody and really gory. Get ready for an adventure that Mordecai and Rigby have done before as we face the evil Happy Birthday and we're going to make that bad birthday cake pay for his crimes.

See you all tomorrow!

# HAPPY DEATHDAY TO YOU

This chapter is a parody of the Regular Show episode Happy Birthday Song Contest.

---

In the early morning hours at 1:11 AM, I was fast asleep with Varie and all of my harem and I was having a really awesome and amazing dream. I was walking through Domino City when it became Battle City and it was awesome and so many duelists were walking through the streets looking for great challenges.

Natilee then appeared.

Natilee: Wow this is amazing dad.

Me: It sure is. Domino City was one helluva really awesome competition back then.

Natilee: Boy it sure was.

Me: Wait look there.

We saw on top of Duel Tower, a strange dark ball covering it and the amount of evil and negative energy coming from it was unbelievable.

Me: Whoa that's Duel Tower and that dark energy ball is a shadow game.

Natilee: Not good. This dream is where Yugi and the gang are facing Marik.

Me: That monster just doesn't know when to quit!

We flew over to Duel Tower and then the ball of energy vanished and I sensed trouble as we flew over and landed. We saw Yami Marik trying to kill Tea.

Me: Why that heartless bastard!

I flew over to him and then kicked him in the face and sent him crashing into the wall.

Me: You have a lot of nerve picking on a girl!

Natilee: Yeah you jerk!

Yami Marik: You monster! I will kill you!

Me: Bring it on!

I ran and kicked and punched him all and then smashed my fist into his face and kicked him in the stomach and punched him in the face and broke his nose.

Me: That was for hurting Mai!

He tried to bash me with his Millennium Rod but I dodged his strikes and then kicked it out of his hands and it went flying and landed into the ocean!

Yami Marik: NO!

I punched him in the face and kicked him in the face and stomach!

Me: That was for Joey!

I punched him in the stomach and then a roar was heard.

We saw a Slifer the Sky Dragon!?

Me: Whoa is that Slifer?

But then the sky turned orange and the heat coming off of the sky was incredible!

Me: No that's something different!

It was a monster called SLIFURIA, KING OF SEARING SKIES!

It roared and then fired a blast of fire and lightning and it hit Yami Marik and exploded!

KRABBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

The explosion sent him crashing into another wall.

Slifuria: (In a Girls Voice) (Russian Accent) You should no better than to take on a girl!

Me: That voice. Nathalia Zemanomamenchikova?

Slifuria: That's right J.D. Awesome to see you again.

Me: Same here.

She reverted back and Nathalia was a girl with orange hair and red eyes and had red clothes.

Nathalia Z.: This dirtbag has a lot of nerve for hurting Mai and Joey.

Nathalia then held out her hand and chanted a prayer in latin and then Yami Marik dissolved into darkness and then was banished to the Black Gates forever! The damage he caused because of the Shadow Games was undone.

Natilee: Wow! That was amazing.

Nathalia Z.: It was.

Me and Nathalia hugged.

Me: I've missed you Nathalia.

Nathalia: Me too comrade J.D. Me too.

We then went to Lincoln's dream.

In the early morning hours at 2:53 AM, Lincoln was asleep with Lily the Mermaid in his bed and his harem with him, and he was having an awesome dream, and he, along with me and Natilee are heading to a dream version of Japan.

Lincoln: Whoa, we're here in a dream version of Japan, and it's in the world of Kamen Rider Build.

Me: This is going to be awesome.

Natilee: You said it, Dad.

Lincoln: But, I can't help but get the feeling that this battle's going to prepare us for the main mission with the Build Kamen Riders in the future.

We were flying and walking through Japan. But, then, we heard a very loud explosion, and we flew to the location of the explosion, and we saw who it was that caused it: it was the dream version of the Build Kamen Riders' main enemy, Evolt.

Me: (Gasps) It's Evolt.

Lincoln: Wait, it's a dream version of Evolto, but he's just as dangerous as the real Evolt, so now I know the reason for this feeling: we're going to face and destroy the dream version of Evolt, and it will help get up prepared for when we face the real Evolt in the future. Let's get him.

We flew down and confronted the dream version of Evolt.

Evolt: You fools will never stop me, soon the Pandora Tower will be complete, and all life shall be wiped out from this miserable planet!

Lincoln: That's never going to happen, Evolt, your days of terrorizing and destroying planets are over, and now, you shall pay for every last one of your crimes in blood!

Lincoln unholstered his massive Hinon's Cosmic Storm Sword of Universal Hope, Elemental Bravery, and Unbreakable Eternal Bonds from his wider and muscular back, and transformed into Super Angel-Ebonwu-Thunderbird Eternity Infinity Elemental Thunderbird Buffalo Angel of Universal Justice and Elemental Hope and I transformed into Super Angel Xelnaga Infinite Eternity Friendship God, and I unholstered my newly transformed Universal Greatsword of Elemental Harmony and Eternal Hope from my wider and muscular back, and we went after Evolt, and we fired powerful blasts of rainbow energy, Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, Magic, rainbow flames, rainbow crystals, white flames, and nebulae at Evolt, and they explode with incredible power as they hit him.

Then, we attacked him with our massive greatswords, and we left some very nasty scars on him, and Lincoln fired magnetic blasts at the dream version of Evolt's weapons, and he'd magnetized them to him, disarming the dream version of Evolt of his weapons, and then, we sent him into the air, and we unleashed a powerful slashstorm of rainbow energy slashes, and the purity of the attacks was hurting Evolt badly. Suddenly, we saw the Duel Monster, Slifer the Ultimate Sky Dragon, appear and fired powerful lightning blasts at the dream version of Evolt, and really electrocuted him, and the dream version of Evolt was on his last legs. Then, me and Lincoln fired two massive black energy blasts of The Black Gates at the dream version of Evolt and destroyed and erased him for good. We cheered wildly as we holster our massive greatswords on our wider and muscular backs and power down.

Lincoln: Evolt, you have failed this entire universe. (To Slifer the Ultimate Sky Dragon) And it's so good to see you again, Natalie, Nicole and Nadine Bernado.

Natalie Bernado reverted back to normal, and she's a beautiful 17-year-old girl with short neck-length crimson red hair, crimson red eyes, fair skin, she's tall at 6'5" in height, she has a blue dragon tattoo on her forehead, she has the body of a goddess, she has massive red angel wings, and she reigned in the power of Slifer the Ultimate Sky Dragon, and dressed in a sleeveless crimson red checkerboard vest, crimson red tank top with a star on it, crimson red skirt, black pants, orange sneakers, and a long red sleeveless trenchcoat with dragons on the coattails, and Slifer the Ultimate Sky Dragon on the back, and holstered on her back is a large Slifer the Ultimate Sky Dragon-themed sword with a 7'0" massive, wide, double-edged crimson red blade with Slifer the Ultimate Sky Dragon etched on it, Slifer the Ultimate Sky Dragon's crimson red dragon wings for the crossguard, large crimson red gem embedded in the rainguard, longer black handle, and four large crimson red dragon heads with yellow gems for eyes and four large blue gems in their mouths and a large crimson red gem on the bottom of the crimson dragon heads for the pommel.

Nicole Bernado reverted back to normal, and she's a beautiful 17-year-old girl with short neck-length crimson red hair, crimson red eyes, fair skin, she's tall at 6'5" in height, she has a green dragon tattoo on her forehead, she has the body of a goddess, she has massive red angel wings, and she reigned in the power of Slifer the Ultimate Sky Dragon, and dressed in a sleeveless crimson red checkerboard vest, crimson red tank top with a star on it, crimson red skirt, black pants, orange sneakers, and a long red sleeveless trenchcoat with dragons on the coattails, and Slifer the Ultimate Sky Dragon on the back, and holstered on her back is a large Slifer the Ultimate Sky Dragon-themed sword with a 7'0" massive, wide, double-edged crimson red blade with Slifer the Ultimate Sky Dragon etched on it, Slifer the Ultimate Sky Dragon's crimson red dragon wings for the crossguard, large crimson red gem embedded in the rainguard, longer black handle, and four large crimson red dragon heads with yellow gems for eyes and four large blue gems in their mouths and a large crimson red gem on the bottom of the crimson dragon heads for the pommel.

And Nadine Bernado reverted back to normal, and she's a beautiful 17-year-old girl with short neck-length crimson red hair, crimson red eyes, fair skin, she's tall at 6'5" in height, she has a fire-colored dragon tattoo on her forehead, she has the body of a goddess, she has massive red angel wings, and she reigned in the power of Slifer the Ultimate Sky Dragon, and dressed in a sleeveless crimson red checkerboard vest, crimson red tank top with a star on it, crimson red skirt, black pants, orange sneakers, and a long red sleeveless trenchcoat with dragons on the coattails, and Slifer the Ultimate Sky Dragon on the back, and holstered on her back is a large Slifer the Ultimate Sky Dragon-themed sword with a 7'0" massive, wide, double-edged crimson red blade with Slifer the Ultimate Sky Dragon etched on it, Slifer the Ultimate Sky Dragon's crimson red dragon wings for the crossguard, large crimson red gem embedded in the rainguard, longer black handle, and four large crimson red dragon heads with yellow gems for eyes and four large blue gems in their mouths and a large crimson red gem on the bottom of the crimson dragon heads for the pommel.

Natalie, Nicole, and Nadine Bernado: (Canadian Accent) You too, Lincoln, it's been a long time.

Lincoln went up to the Bernado Triplets and they hugged, and the Bernado Triplets are also surprised at just how much taller and much more muscular Lincoln's gotten since they last saw him, and they also felt just how strong he's really become.

Lincoln: It sure has, I haven't seen you three when you were sixteen, and as you can see, I really grew a lot since then.

Natalie Bernado: Whoa, you sure have really grown very big and strong like a tree, Lincoln, you've really grown a lot from the eleven-year-old cute little boy into a 17-year-old and permanently 7'5" tall, very handsome, and manly teen with abnormally massive and powerful upper and lower body muscles and eight-pack abs, that's so awesome.

Nicole Bernado: Yeah, you can crush a watermelon with those massive upper and lower body muscles of yours.

Nadine Bernado: And you can land planes on that wider and more muscular back of yours.

Me: Wow, Lincoln, you know these triplets?

Lincoln: Indeed I do, J.D., this is Natalie Bernado, the eldest of the triplets, Nicole Bernado, the middle triplet, and Nadine Bernado, the youngest of the triplets, and no, they have no relation to Luan's teacher, Mrs. Bernado. They're my three Guardian Angels from Canada, and they're easily identifiable by the dragon tattoos on their foreheads, and they also have a massive and extremely powerful hatred and vendetta towards all of jerks like Flip, Lewis Travolta and more.

Me: Whoa, that's really powerful.

Suddenly, three Thunderbird of Eternal Love appeared around the necks of the Bernado Triplets with red gems on the gold thunderbolt links and red crystal links from their brand-new Crystal Necklaces of the Buddha which merged with their Thunderbird Necklaces of

Eternal Love.

Natalie Bernado: (Surprised) Whoa, is this…?

Lincoln: Yep, that's a Thunderbird Necklace of Eternal Love, and that means you, Nicole, and Nadine are now part of my harem and one of my many future wives, Natalie.

Natalie, Nicole, and Nadine Bernado had smiles on their faces and tears in their eyes, and Lincoln made two clones of himself and they went to the triplets and the triplets wrapped their arms around the thick muscular necks of Lincoln and his clones, and Lincoln and his clones wrap their abnormally massive and powerful muscular arms around the triplets' waists, and they leaned down to the faces of the triplets and kissed the triplets on the lips, and they also returned it, and we cheered for them.

Me: Awesome.

Lincoln: That's another dream rescue accomplished, and we're ready for when we face the real Evolt in the future.

Me: You said it, big guy.

Natilee snapped her fingers, and The Bernado Triplets were now part of Lincoln's harem and the team, and when Lincoln woke up the next morning and told the rest of the team everything, they were really amazed and stunned with awe.

Nico: Whoa, so you guys faced off against a dream version of Evolt from Kamen Rider Build and you destroyed him?! Awesome!

Lincoln: Thanks, Nico, and this battle against the dream version of Evolt was to prepare us for when we face the real Evolt in the future, and we also assimilated his powers and abilities, and I also got his weapons.

Nico: Nice, and it's an honor to meet you, Nicole, and Nadine, Natalie.

Bernado Triplets: (Canadian Accent) You too, Nico.

Luan: And you three have the same name as Mrs. Bernado, but Lincoln cleared up the confusion when he said you three have no relation to her.

Luna: You said it, and I couldn't forget how pale your face turned when you heard their last name, Luan.

Me: Yikes.

Lori: You said it, and Luan feared getting in trouble with Mrs. Bernado, but that confusion was now cleared up, and how's Eddy's arm doing?

Luan: He'll soon be out of that cast first thing tomorrow, Lori.

Lincoln: That's good.

Lincoln 2: (Through the Rainbow Thunderbird and Third Eye Rainbow Iris) And we've also got Rage Lincoln under control again, we found out it was due to when you were infected by that Rage Demon sent after you by Damian Alaister days ago.

Lincoln 3: (Through the Rainbow Thunderbird and Third Eye Rainbow Iris) And once that happened, your body also absorbed the excess negative energy and you gained a massive power boost.

Nico: Sheesh, so it's because of the Rage Demon from days ago that you exploded with rage on the mission yesterday. The sooner we get rid of The Church of Necrom, the better.

Lincoln and the Dark World Goth Girls: Same here.

Walking through the streets of Domino City for real was Nico, Luna Loud, Sam S.L., Jaden Yuki,, Qin, Miku Yuuki, Rei Miyamoto, Saya Tekagi, Saeko Busujima, Shizuka Marimoto, Zenkaigers, Chloe Bourgeois, Rita Loud, The Goths of Darkness, Applejack, Apple Bloom, Twilight Sparkle & Friends, Rachel Stavenport, Carol Pusateri, May, Kaalia of The Vast, Maria, Varie, me, Eli, Arrietty, Aylene Carter, Gabrielle, Littlefoot and friends, Fu, Nicole Knudson, Kaina Tsutsumi, Camie, Kaoruko Awata, Himiko, Ibara, Toru, Sirius, Tsuyu, Ochaco, Momo, Lincoln, Laney, Lana, Lola, Lisa and Lily and we were there to check it out some more and also recruit new members for the M.O.E. and us.

Nico: So the next rescue is in Domino City.

Me: Boy this is gonna be so awesome and cool.

Eli: It sure is.

Me: I think I have just the good candidates for us.

Nico: Who?

Me: Mako Tsunami, Espa Roba, Odion, Lumis and Umbra and the Paradox Brothers.

Nico: We haven't met the Paradox Brothers.

Laney: No we haven't. They are really cool too.

Lola: Yeah they sure are.

Nico: Thanks for coming with me, Jaden.

Jaden: No problem Nico. This is gonna be so cool helping you on a rescue.

Me: Boy it sue will be awesome.

Nico: Jaden, how does it feel to be a father?

Jaden: It feels really amazing! I love being a father.

Laney: That is really cool.

Lola: Boy it sure is.

Nico: Yeah it always is awesome.

Me: No kidding.

Eli: I'll say.

Me: Jaden if I may ask? How did you come up with your Elemental Hero Deck?

Jaden: I made it when I submitted ideas for a contest at KaibaCorps. I made my own monsters called the Elemental HEROS and they have been a big help to me.

Me: Wow! So that's how you made them. That is awesome.

Nico: That is so cool.

Jaden: It sure is.

Maria: Jaden, next time you and Alexis make love, make sure the door's closes. Horsea was hearing you guys all night when Alexis got pregnant.

Jaden blushed in embarrassment.

Jaden: Sorry about that guys.

Me: Maria I did not want to hear that part.

Nico: Me neither.

Maria: Sorry.

Lola: But we're really happy for you guys Jaden.

Sam S.L.: We sure are.

Luna: You said it Sammy.

Maria: Seriously though, how do you compare dueling to being a father?

Jaden: That is a really good question. But I would have to say that I like dueling and being a father both equally.

Nico: That is cool.

Eli: It sure is.

Me: I don't know how to duel myself unfortunately. It's awesome to use the cards in battle. But it's awesome coming up with amazing ideas for fusions.

Lola: It sure is cool.

Lincoln: Hailey, Joan and Gina sure have a massive number of ideas to show us.

Carol Pusateri: They sure do. It's awesome.

Maria: Even before those 3 joined us, fusions were always fascinating.

Nico: They sure were.

Lincoln: I agree there.

Me: Yeah.

Camie: How did you guys meet Jaden and his friends?

Me: That's an easy one. We first met when we did a little spy work that brought down Dr. Crowler. It was long before Nico and many of you all joined us.

I went over what happened during the events of chapter 92.

* * *

Miles away on a place called Duel Academy.

A spy is monitoring some corruption on the island in the Staff quarters. One person caught his eye and it was Dr. Vellian Crowler. He was looking through all his files and saw a nasty scheme.

?: So he wants to get Jaden and Syrus expelled just because he's a sore loser? I'd better call the boss.

4:45 AM. My Mansion.

At my mansion I was fast asleep when my laptop buzzed.

Me: [Groggy] Huh?

I see my laptop buzzing.

Me: I wonder what's up.

I press a button and it was my friend Charlie Nottingham. Charlie is a friend of mine from computer club and he is a master in spying and espionage for good.

Charlie: I found some disturbing information on a man here at Duel Academy.

Me: What have you got Charlie?

Charlie: He kidnapped Alexis Rhodes and Jaden was able to defeat her captor in a duel at the Abandoned Dorm and he was able to rescue her. But I found out that Dr. Vellian Crowler is planning to frame both him and Cyrus for the crime and get them expelled for it.

Me: Good work Charlie. You go tell Alexis and Bastion and wait for further instructions. I'll send you some more information when I get it.

Charlie: You got it boss.

The screen he called from clicked off and I hack into the security system at Duel Academy and scan the security footage around the island from over the last 12 hours. I hit paydirt.

Me: Bingo.

I forward the info to Charlie.

Duel Academy

Charlie got the info and went to the Obelisk Blue Girls Dorm. He knocked on Alexis's door.

Alexis answered it.

Alexis: Yes?

Charlie: Alexis I'm sorry to bother you but your friends Jaden and Cyrus are in big trouble.

Alexis: What's up Charlie?

Charlie: Dr. Crowler is behind your abduction in the abandoned dorm and is planning on framing Jaden and Syrus for it.

Alexis: (Gasps) That's crazy!

Charlie: Yeah. He wants to get them expelled because he's a sore loser. He also sent that fake love letter to Syrus telling him to meet you here.

Alexis: I knew there was something bad about that man! Thank you for telling me. I'll go get ready and we'll head over to the office.

Charlie: Okay. Just to tell you. I am a spy that was planted in here by my boss and one of my best friends J.D. Knudson.

Alexis: J.D. Knudson? The world famous billionaire hero?

Charlie: That's right. I'll explain everything.

8:00 AM.

Charlie, Bastion and Alexis were in the duel auditorium watching Jaden and Syrus dueling against the Paradox Brothers.

Bastion: (Whispering) Are you sure that Crowler is behind all this Charlie?

Charlie: (Whispering) Yes Bastion. [Talks to me in a radio watch] Boss are you here?

Me: I'm across from you.

Charlie sees me and I wink at him.

Charlie: Roger that. When it's Jaden's turn we reveal everything.

Me: Copy that.

When Jaden's turn came up I stood up.

Me: (SCREAMS) STTOOOOPPP!

The whole stadium was silent.

Me: I'm sorry to interrupt, but this whole duel was planned and set up by a madmans plot to get even! You've all been deceived!

Alexis stood up.

Alexis: This whole duel is a fraud!

Bastion stood up as well.

Bastion: Yes. It was all an elaborate setup!

Charlie stood up too.

Charlie: That's right! We have definitive proof the Dr. Crowler set this whole thing up and lied about everything. Can someone turn down the lights for a second please?

Alexis's friend Jasmine did so.

Charlie: Thank you Jasmine.

A holographic image from Charlie's watch appeared and projected everything we found out and the entire class and the staff gasped in sheer shock.

Charlie: This whole thing was a revenge plot done by a sore loser named Dr. Vellian Crowler. You can turn the lights back on Jasmine.

The lights came on.

Chancellor Sheppard: Is this all true Crowler?

Dr. Crowler: (Nervous) Of course not.

?: I disagree and I am very disappointed in you Crowler.

We all see Seto Kaiba come in.

Jaden: Seto Kaiba!?

Alexis: That's Seto Kaiba!

Bastion: He's the President and CEO of Kaiba Corp. and the Superindendant and Owner of Duel Academy.

Seto: J.D. and Charlie showed me everything and called me over. I'm glad he did.

Me and Charlie walked over and greeted him.

Me: Hello Seto. Thank you for coming out.

We shake hands.

Seto: My pleasure J.D. and thank you again for helping me realize what an arrogant jerk I was.

Me: I'm glad I could help.

Seto: [To Crowler] As for you Crowler, you're fired and you are also going to prison for a long time. Get him out of here.

Kaiba's men appeared and arrested Crowler.

Crowler: No! You did this Jaden! I will destroy you if it's the last thing I do!

Me: Not while I'm present you won't.

They take him away.

Seto: Sheppard. I will be launching a thorough investigation of this facility for the next 3 weeks to see if there's anymore corruption among the staff. Classes are put on hold till then.

Chancellor Sheppard: Yes sir Mr. Kaiba.

Seto: Thank you for your help J.D.

Me: You're welcome Seto.

Seto Kaiba leaves.

Chancellor Sheppard: J.D., Charlie, Jaden, Syrus, Alexis and Bastion, could you come with me into my office please?

20 Minutes Later:

We are in his office.

Chancellor Shepherd: First off Jaden and Cyrus, I would like to apologize for putting you both through this. We were all fooled by Crowlers lies.

Jaden: It's alright sir.

Syrus: I forgive you sir.

Chancellor Sheppard: Good. Now Charlie how did you know about Crowlers corruption?

Charlie: That's easy sir. I'm a spy working for J.D. He's not only my best friend but he's also my boss.

Me: Yes sir. I have my own spy organization. I call it the Alpha Spy Watchers Club or ASWC for short. We watch over the most powerful figures around the world and make sure that they don't cause any chaos and if they do we gather as much information as we can on them and expose them with the latest in cutting edge technology, espionage skills and tactics, stealth and martial arts.

Chancellor Sheppard: I see. That's quite a network.

Alexis: I agree. That's very cool.

Bastion: That is awesome.

Jaden: That is cool. J.D. do you duel?

Me: Unfortunately no I don't. I just collect the cards.

Jaden: That's okay.

Me: Also I have to warn you all. There's an evil organization called the Society of Light out there and their goal is to destroy the entire universe.

They gasp.

Alexis: Why do they want to do that?

Me: They worship a malevolent celestial entity called The Light of Destruction whose ultimate ambition is to destroy all life in the entire universe. This Light was responsible for causing numerous unholy calamities over the centuries like wars and dictatorships. An evil Cult Organization was formed to worship this dangerous force. It's called the Society of Light and its leader is a fortuneteller named Sartorius. His goal is to help the Light of Destruction brainwash the entire planet. But what he doesn't know is that he will ultimately destroy the entire planet.

They all gasp.

Jaden: So the entire world is in great danger?

Me: Not just the world, but the entire Universe. For countless eons the battle between darkness and light has raged on. It was a fierce battle between the Gentle Darkness and the Chaotic Light. Jaden, your ancestor the Supreme King was the one that was capable of wielding the power of the Gentle Darkness and destroying the Chaotic Light. Let me show you.

I put my hand on his head and Jaden saw his ancestral past. He saw what he was destined to do. He saw the card he first had, Yubel, be transformed into the card he had when he was a child. The card that he sent into space. He even saw that Yubel was back on Earth and is looking for him.

Jaden: So I was destined to stop the Light of Destruction from destroying everything?

Me: Yes. It's a dangerous task but I can help you do it.

Jaden: Thank you J.D. [To Syrus, Alexis, Bastion and Charlie] You guys want to help me out?

Syrus: I'm in Jaden.

Alexis: Me too.

Bastion: Count me in too.

Charlie: I will gladly help out.

Chumley, Blair, Jasmine, Mindy, Zane, Chaz, and Professor Lyman Banner came in along with Tyranno Hassleberry, Jim Crocodile Cook, Adrian Gecko, Axel Brodie and Jesse Anderson.

Chumley: We'll help too.

Blair: I will help my friends.

Jasmine: Count me in too.

Mindy: Me too.

Zane: I will help out as well.

Chaz: Don't get used to me helping you slackers out.

Professor Banner: I will gladly assist you too.

Tyranno: We are stronger together!

Jim: That's right.

Adrian: I will help you all.

Axel: Me too.

Jesse: Lets go partners!

Me: All right. We are now the Army of the Gentle Darkness and our mission is to stop the Society of Light and destroy the Light of Destruction. This is gonna get intense. [Senses something] Uh oh!

We rush over to the window and we see that the Obelisk Blue Dorm is all white.

Mindy: What happened to the Obelisk Dorm!?

Jasmine: It's all white!

Me: I sense a tremendous power and it's evil. They're here. This is it guys. First we have to find Yubel. Get ready Society of Light! The Darkness is coming for you!

All: YEAH!

We search all over the island for Yubel and we found the pod she was in and all that was left of her was her left forearm.

Me: Whoa! She had a nasty crash on reentry.

Jaden: Yubel I'm so sorry.

Me: I got this. [Chants an Incantation] **Guyistona Nagnifri Tokadestras!**

I fire dark lightning from my hands and resurrect her completely.

Yubel: **I'm fully reborn!**

Jaden: Yubel it's great to see you again.

Yubel: **Jaden, we're finally reunited.**

Jaden: Yes. The Light of Destruction is here and we have to stop it.

Me: We are the Army of the Gentle Darkness and we're going to destroy the Light of Destruction once and for all. I'm J.D. Knudson.

Charlie: I'm Charlie Nottingham.

Alexis: I'm Alexis Rhodes.

Bastion: I'm Bastion Misawa.

Tyranno: I'm Tyranno Hassleberry.

Zane: I'm Zane Truesdale.

Syrus: I'm his little brother Syrus.

Chaz: I'm Chaz Princeton.

Jesse: I'm Jesse Anderson.

Axel: I'm Axel Brody.

Jim: I'm Jim Crocodile Cook.

Adrian: I'm Adrian Gecko.

Jasmine: I'm Jasmine.

Mindy: I'm Mindy.

Blair: I'm Blair Flannigan.

Professor Banner: And I'm Professor Lyman Banner.

Yubel: **Pleased to meet you all.**

Jaden: Yubel, we have to work together to stop Sartorius and the Society of Light.

Me: The Society of Light is an evil cult that worships the Light of Destruction and they're going to destroy the entire planet and the entire Universe if we don't stop them.

Yubel: **Yes. I was chosen to be Jaden's guardian and protector so I can help him get ready to fight the Light of Destruction. I will gladly help you all.**

Me: We appreciate it. Now this battle is going to be rough. We have to evacuate the entire island.

Jaden: Good thinking.

Me: Lets go.

Chancellor Sheppard's office.

Chancellor Sheppard: So we have to evacuate the island?

Me: Yes sir. This battle is gonna get extremely ferocious and we don't want anybody to get caught in the crossfire.

Chancellor Sheppard: I understand. I'll evacuate the school at once.

Me: Thank you. Let us know when everyone but the Obelisk White Dorm has been evacuated.

Chancellor Sheppard: Will do.

We leave and hide in Alexis's dorm room.

The alarm sounded.

Chancellor Sheppard on the PA: Attention everyone, the entire school is under attack by a terrorist organization. This is not a drill. Repeat, this is not a drill. Everyone Evacuate the island immediately!

1 hour later.

The last of the boats had left.

Chancellor Sheppard on my walkie talkie: J.D. everyone but the White Obelisk Dorm has been evacuated.

Me: Excellent.

Chancellor Sheppard: Be careful guys and J.D., Good luck.

Me: Thank you. [Puts away the walkie talkie] All right. Army of the Gentle Darkness, lets move!

We all run to the White Dorm and burst in through the door. But the dorm was all empty.

Jaden: There's no one here.

Me: Stand your ground everyone. I sense that Sartorius is expecting us.

Yubel: **Sartorius?**

Me: He's the leader of the Society of Light. He will stop at nothing to destroy the Earth. Stay with me.

We sneak around the dorm quietly looking for him.

I concentrate with my energy sensing powers active and look for his signal like a radar. I found his signal in a room at the end of the hall.

Me: (Whispering) His energy signal is in that room at the end of the hall. Follow me.

We tip toe quietly up to his door.

Alexis: (Whispering) If he is a fortuneteller then won't he be able to predict us coming?

Me: (Whispering) Yes but my energy is preventing us from being detected by him.

Syrus: (Whispering) Very clever.

We arrive at the door and I count down with my fingers.

3… 2… 1…

I kick in the door and we found him.

Me: Sartorius, so we meet at last.

Sartorius: J.D. Knudson, how nice of you to join us. Now I can make you see the light.

Me, Charlie and crew flare up an aura of pitch black darkness around us.

Me: I don't think so. The Darkness has come for you.

I fire a Force blast and Sartorius crashes through the wall and outside.

We all see him floating in the air and he was in an aura of pure white light.

Sartorius: You all ruined everything!

Me: And we show no remorse in doing so. This is a battle that's as old as the entire universe itself. The battle between Light and Darkness. Let's get him team!

We all fly towards him and the Battle That Will Decide the Fate of The Universe had begun. I punched Sartorius in the face and sent him crashing into the ground. Mindy teleported and kicked him in the back and he flew into the air and Mindy fired a blast of dark energy at him and it exploded and sent him crashing into a rock on the ground. Jasmine fired some darkness blades with a swipe of her arms and slashed Sartorius. When the dust cleared Sartorius had nasty bleeding gashes on his back. Sartorius got up and the ground was shaking and he was uppercuted by a surprise attack from Jim.

Jim: How did you like that!?

Sartorius was up in the air and he was infuriated.

Sartorius: I WILL KILL YOU ALL!

Me: I don't think so. [Cups hands to the side] **KA! ME! HA! ME HAAAA!**

I fired a black Kamehameha Wave and Sartorius fired a blast of white light and the Kamehameha Wave overpowered it and it hit Sartorius in the bottom of his body and blew it to smithereens and exploded and blew him into the dorm and it exploded.

Sartorius screamed in excruciating pain and he belched up a huge amount of blood. When the smoke cleared Sartorius was in a crater and was half the creature he used to be.

Syrus: That's it for him.

Me: Everyone lets… Wait look.

We saw that the Light was regenerating his body and when it was done he got up and he was infuriated.

Sartorius: You have not beaten me yet! (Enraged Growl) You wretched brats! How dare you!? (SCREAMING IN EXTREME RAGE AND FURY) HOW DARE

YOOOOOOOOOOOOOOOOOOOOOUUUUUUUUUU!?

Sartorius then released the full extent of the Lights evil power and bulked himself up to gargantuan proportions in a massive explosion of insane rage and fury. Sartorius was now completely out of his mind with so much rage, fury, madness, hatred, and evil that it was unbelievable. He flew up to them and tried to land a punch or kick but he was too big. We were dodging all his attacks with ease.

Zane: He can't land a punch on us.

Me: Yeah. He might have power but he can't catch us.

Charlie: He's too bulky. His size is slowing him down.

Alexis: Lets attack him together!

We all fight as one and land numerous punches and kicks on him and overwhelm him with intense force and power. Massive Shockwaves were being emitted from our punches and kicks and they could be heard all the way from Domino City.

The battle was so extremely intense that even the entire Universe itself was shaking. When we stopped Sartorius was on his last legs and we weren't even in the least bit exhausted.

Me: It's over Sartorius. You're finished. Everyone together!

We all cup our hands to the sides.

ALL: **GENTLE DARKNESS KAMEHAMEHA!**

We fire a massive black Kamehameha Wave and it hit Sartorius head on and completely obliterated him and the Light of Destruction got completely destroyed in an instant. The blast went out into outer space and dissipated harmlessly.

We powered down and landed on Duel Academy island.

Me: We did it everyone. The Light of Destruction has been completely destroyed.

Jaden: Good Riddence.

Alexis: Yeah.

Charlie: That takes care of that boss.

Me: You said it Charlie. Well done.

Jesse: We sure did it guys.

Axel: Yep. It's all over.

Jim: The Darkness has won.

Yubel: **It sure has.**

Me: Yep. But we lost the Obelisk Blue Dorm. Nonetheless the Gentle Darkness has triumphed after all these years.

Yubei: **Yes. But there are more evils out there and we must always be ready.**

Jaden: Yeah.

Me: We must be ready for anything.

I later offered to have Jaden, Yubel, Alexis, Jasmine, Mindy, Syrus, Chumley, Bastion, Chaz, Tyranno, Professor Banner, Zane, Blair, Adrian, Jim, Axel and Jesse move to Detroit to live with all of us in my mansion and they accepted they live in one of my guest houses and I built a teleporter that takes them to Duel Academy. It was perfect for them.

FLASHBACK ENDS

Jaden told us everything about what his time in Duel Academy was like from day one.

---

As a child, Jaden loved *Duel Monsters* and from an early age was able to sense Duel Monster Spirits. Both of his parents however, were rarely at home, as they were busy working. As a result, Jaden spent many of his days playing Duel Monsters with neighborhood children. His favorite card was "Yubel", which was a gift from his father. Due to this and his ability to sense and speak to Duel Spirits, Jaden formed a strong connection and bond with the card's spirit. However, whenever Jaden played "Yubel", something horrible would happen to his opponent. The first of them was Osamu, a neighborhood friend of Jaden's.

After Osamu defeated Jaden in a duel, he fell into a coma which was caused by Yubel. This was because the spirit of the "Yubel" card was overly protective of Jaden and sought to punish any and all perceived threats to him and their friendship. This included his dueling opponents, as well as anyone who dared to anger it by causing Jaden sadness. After that incident, no one wished to duel Jaden anymore so long as he kept Yubel in his deck, as they feared for their safety. Despite realizing that Yubel was the cause of these incidents, Jaden refused to throw her card away, due to the strong bond he held with her. As a result, Jaden was alienated by others and lost all his friends, causing him to suffer from extreme loneliness.

Around this time, Jaden entered a card design contest held by KaibaCorp, and won with his monsterdesigns, which included the "Neo-Spacians" and "Dandylion." As part of the project, the cards he designed were launched into space, with the hopes that the cards would be imbued with space waves. Jaden also requested that his "Yubel" card be sent up in a separate capsule, hoping that the space waves would pacify the malicious spirit of the card. Soon after, Jaden began having nightmares where he would see Yubel burning in flames. These nightmares were actually Yubel psychically communicating with Jaden, in the hopes of being rescued from her painful exposure to the Light of Destruction. Due to his nightmares, Jaden couldn't get any sleep which led his parents to arranged for him to have a medical procedure performed on him, which not only stopped the nightmares but also inadvertently suppressed all memories of Yubel. Also, Jaden's medical procedure erased the memories of him participating in the card design contest.

Jaden overslept on the morning that he was scheduled to take his entrance exam in order to enroll in the Academy. As he rushed through the streets to make it to the test center in time, he bumped into Yugi Muto, dropping his cards in the process. Yugi asked Jaden if he was a Duelist and gave him a "Winged Kuriboh" card, telling Jaden that he felt that "the card belongs with him." When he arrived, the head teacher at Duel Academy, Dr. Crowler, was hesitant to allow Jaden to take his exam, but a phone call from his superior, Chancellor Sheppard changed his mind. Crowler dueled Jaden himself, and disregarded the rule that he is to use an exam Deck, instead using his personal Deck. Jaden is impressed by Crowler's "Ancient Gear Golem," but is able to hold off its attack with "Winged Kuriboh," whose spirit he is capable of seeing and communicating with, something that most people would not be able to do. He proceeds to win the Duel using "Elemental Hero Flame Wingman" and "Skyscraper," with him citing the former as his favorite card.

Jaden is accepted into Duel Academy and is placed in the Slifer Red dorm, which is the lowest-ranked of the three dorms. Jaden's roommates were Syrus Truesdale and Chumley Huffington. Jaden would then get himself in a confrontation with Chazz Princeton, an Obelisk Blue student who had witnessed Crowler's defeat to Jaden. Believing his victory to be a fluke, Chazz challenged Jaden to a Duel, which is interrupted midway through. Though Chazz believed he would have won, Jaden had just drawn a card that would win him the Duel. Dr. Crowler, eager to exact his revenge on Jaden, began plans to get him expelled. He placed a fake love note in Jaden's gym locker, on which he had forged the signature of Alexis Rhodes, one of the top female students. Syrus found the note instead of Jaden, and rowed across the lake to the girls dorm. Jaden followed and saved Syrus from expulsion by defeating Alexis in a Duel. The owner of Duel Academy's card shop, Ms. Dorothy, gifted Jaden with some rare cards after he helped her push her van up the hill when it stalled. In Duel Academy's promotion exams, Jaden had his rematch with Chazz, who had been supplied powerful cards by Dr. Crowler. Jaden's use of "Transcendent Wings" to evolve "Winged Kuriboh" to level ten won him the Duel, and he is therefore allowed to move up to the Ra Yellow dorm but he declined the opportunity.

Crowler's crusade against Jaden continued, with him sending Titan, a self-proclaimed "Shadow Duelist" to defeat Jaden. Titan used illusions to make it appear he had the ability to start Shadow Duels. Jaden was skeptical throughout the whole Duel, and is proven correct - it was a sham. They Duel in the Abandoned Dorm, and the spirits of the dorm are angered by Titan. A real Shadow Duel actually did begin - with Jaden still refusing to believe in it until the Duel's end, when he is saved by Winged Kuriboh. Due to their trespass at the Abandoned Dorm, both Jaden and Syrus were nearly expelled. They got a chance to stay by participating in a Tag Duel. Should they win, their records would be cleared. Jaden Dueled Syrus as practice for the latter, and Jaden defeated him. Finding that Syrus had confidence problems, he is then told by Alexis that they stem from Syrus' relationship with his older brother, Zane, who is known as the best Duelist at the academy. Determined to help Syrus and to see how he ranks against the best, Jaden challenged Zane to a Duel. Though the latter compliments Jaden's abilities, Jaden suffers his first loss since arriving at the academy, losing to Zane's "Cyber End Dragon." Despite this, it is enough to spur Syrus' confidence. The two were unable to function as a team in their Duel against the Paradox Brothers at first, but pulled things together in the end, allowing them to stay at the academy.

Jaden developed a friendship and rivalry with Bastion Misawa. Both had expressed desire to Duel one another since witnessing their respective entrance exams. After Bastion's victory with a Duel against Chazz, he was offered a promotion to Obelisk Blue but declines, stating he will not enter it until he becomes the best student in the freshman class. To do so, he believes he needs to defeat Jaden. However, he does not wish to Duel him right away, as he wished to develop a Deck specifically to counter Jaden's. When Chazz leaves duel Academy Jaden and Syrus try to find him with Jasmine Mindy and Alexis. On the way they encounter Wheeler a cybernetic monkey who kidnaps Jasmine. Jaden and the others try to save her. Wheeler's doctor arrives and says that the monkey only knows dueling. Jaden beats him in a duel and lets Wheeler live with his family. Jaden stayed at Duel Academy during winter break, finding himself in a life-threatening Duel with the spirit of the "Jinzo" card. Jaden felt real pain as his Life Points decreased, and his body parts fade as he is attacked. Though he wins, he gets his first taste of a Shadow Duel, though he does not realize this until a later date. Jaden then found himself in a Duel over the affections of Alexis against the captain of Duel Academy's tennis team, Harrington Rosewood. Harrington gets an early lead during the Duel with his "Ace" cards. After Jaden deals major damage to him via direct attacks, he then activates "Deuce" and almost wins with its effect, but Jaden was able to save himself win the Duel, becoming Alexis' fiancee as per the terms that Harrington set. However, he has no clue what fiancee means. Alexis calls him an idiot in response (in the English version, she tells that it means they're just friends, "for now").

Jaden got an opportunity to Duel against the Deck of Yugi Muto when the said Deck went on tour at Duel Academy. A copycat Duelist named Dimitri stole the Deck and Jaden Dueled him to get it back. He found himself in awe of Yugi's monsters, and was excited when he defeated "Dark Magician" with "Elemental Hero Bladedge". However, Dimitri Summoned "Dark Magician of Chaos," which devastates Jaden. He hung on, and successfully defeated Dimitri with "Flame Wingman," recovering the Deck. Jaden later welcomes a new student named Blair Flannigan to Duel Academy. However it's revealed she is a girl and after Jaden beats her in a Duel she says that she came to meet Zane. However she leaves because she is too young. Jaden is nominated by Zane to be the academy's representative against North Academy, with Chancellor Sheppard accepting it. Crowler nominated Bastion in response, and he proposed the two of them Duel in order to decide who the representative would be. Bastion claims that he's nearly finished his Deck that will counter Jaden's strategy. Jaden gained an early advantage in the Duel, but is set back when Bastion negated "Polymerization" with "Cursed Seal of the Forbidden Spell", preventing Jaden from Fusion Summoning in the usual way. Jaden is forced to play defensively as Bastion's "Water Dragon" and "Hyozanryu" destroyed his monsters. Jaden unveiled a new "Elemental Hero" - "Wildheart." Using it and and "Cyclone Boomerang," Jaden won the Duel via effect damage. Bastion then promised to create another Deck to challenge Jaden again someday. Jaden found his rivalry with Chazz renewed when the latter returned to Duel Academy as the representative of North Academy. Jaden overheard an outburst of Chazz's, in which he expressed dislike for the burden his brothers put on him to win. Chazz unveils new "Armed Dragon" cards which prove to be more effective against Jaden than his previous Decks had been. Jaden is surprised to discover that Chazz has gained a Spirit Partner in Ojama Yellow and that Chazz can see Duel Spirits as well. Jaden won using a strategy involving "Hero Kid." Chazz's brothers berate him after the Duel, and Jaden steps in to defend him. Chazz decided to remain at Duel Academy afterward.

The Slifer Red dorm head and alchemy professor, Lyman Banner, held a hike and picnic to the ruins that exist on the island. Jaden, Syrus, Chumley and Alexis attended. While there, they appear to be transported to the past, to a time when the ruins were still in use. Jaden's friends were captured, but Jaden himself is saved by Yasmin. He eventually ends up in a Duel against Gravekeeper's

Chief, in which he and his friends will be buried alive if he loses. He found that the pain he experiences from losing Life Points to be real. Jaden narrowly defeated the Chief by using the effect of his "Elemental Hero Necroshade" to Summon "Elemental Hero Bladedge". The Chief gifted Jaden with one half of a Shadow Charm pendent after the Duel, stating that it should help protect him in any further Shadow Duels he may participate in. The group is returned to their own time.

Chancellor Sheppard selected Jaden as one of the seven Duelists to hold the Spirit Keys. These keys unseal the Spirit Gates, behind which the Sacred Beast cards are sealed. The legend goes that if the cards are released, a catastrophe will occur. A group of individuals known as the Shadow Riders will arrive and attempt to steal the keys. Jaden believed he will be targeted first, believing himself to be the strongest target. Alexis also believed Jaden will be first, as his Slifer Red uniform marks him as a weaker Duelist. In attempting to warn Jaden of this, she is transported to the volcano with Jaden, where the first Shadow Rider, Nightshroud, awaits. As it turns out, he targeted Jaden for neither of the previously given reasons - he did so because he owns the other half of the Shadow Charm pendent, which pointed him in Jaden's direction. Syrus and Chumley are taken hostage, so Jaden accepted the Shadow Duel, in which the loser's soul will be sealed in a card. Nightshroud gained an early advantage by combining "Red-Eyes Black Dragon" and "Inferno Fire Blast". Jaden made a comeback, but Nightshroud unveils "Red-Eyes Darkness Dragon". Jaden narrowly avoided defeat by Summoning "Elemental Hero Wildedge". Nightshroud's soul was sealed in the card, but he remains barely conscious, as Nightshroud was controlling someone else - the brother of Alexis, Atticus Rhodes.

Left weak from his Duel with Nightshroud, Jaden watched from the sidelines as Dr. Crowler is defeated by the second Shadow Rider, the vampire known as Camula, having his soul sealed in a doll in the process. He then also witnessed Zane who meets the same fate when Camula threatens Syrus' soul. Enraged by the fall of his friends, Jaden challenged Camula after Atticus informed him that his complete Shadow Charm may be able to negate the power of Camula's and prevent souls from being stolen during the Duel. This turned out to be true, as Camula is forced to use her own soul as a cost in the activation of "Illusion Gate," rather than a spectator's as she had against Zane. Jaden was able to defeat her with "Elemental Hero Shining Flare Wingman," who gains ATK for each fallen "Elemental Hero" in the Graveyard. With this, Camula's soul was taken by "Illusion Gate" and the souls of Crowler and Zane were restored.

Jaden began having nightmares regarding losing Shadow Duels, knowing that great harm could come to his friends. While trying to relax at the hot springs, he, Syrus, Chumley and Chazz are pulled through a portal to an underground cave. They are confronted by Kaibaman, causing Jaden to question if the latter is a Shadow Rider. He refused to answer, instead wishing to Duel, stating that Jaden seemed to have lost his fighting spirit. Kaibaman used the same Deck as Seto Kaiba, and Jaden is ultimately defeated. However, he realized that he still had fun during the Duel and Kaibaman taught him that if he is scared of defeat, he will cease to grow as a Duelist. Jaden is present when Bastion is defeated by the third Shadow Rider, Tania, who takes him as her "husband" afterwards. Jaden overcame her "Amazoness" monsters using "Wildheart" and the effect of her own Field Spell Card, "Amazoness Arena". Jaden ends up mistaking a submarine captain named Admiral for the next Shadow Rider and though Jaden defeats him, Admiral kidnapped him, hoping to make him the top student at his planned underwater Duel Academy. Jaden stole an escape boat in order to get away, but did not make it back to Duel Academy until three days later.

Jaden's next opponent was Abidos the Third, an ancient pharaoh revived by the Shadow Riders who was once known as the "God of Duels." Jaden defeated him with fewer problems than expected, and Abidos realized that his servants had always let him win. Abidos is impressed by Jaden's Dueling and returns to the afterlife, with Jaden promising to meet him there when he dies so that they can Duel again. Alexis and Chazz successfully defeated Shadow Riders Titan and Don Zaloog, respectively. After that, only one Shadow Rider remaining. During this time, Professor Banner disappeared, and both Chazz and Alexis are defeated by the final Shadow Rider. Jaden confronts him in the basement of the Abandoned Dorm. He eventually revealed himself as Professor Banner. He stated that

Jaden must prove himself as the "ultimate alchemist", comparing Jaden's process of using "Polymerization" to fuse monsters to be similar to alchemic processes. Banner explained that he came down with an illness after traveling the world in the name of alchemy, and was forced to entrust his soul to a homunculus in order to survive. Wishing to pay back the one who funded his research, he aimed to obtain the Sacred Beasts. Banner is eventually defeated when Jaden countered the latter's removed from play strategy with "Elemental Hero Electrum." Banner left his Emerald Tablet Shadow Charm to Jaden, warning him of the impending disaster that the Sacred Beasts will bring about.

After Chazz's Duel against Alexis, Jaden witnessed the Spirit Gates open, without the aide of the Spirit Keys, which Chazz currently had. The keys led them to the gates, at which point the keys disappeared into the seven pillars surrounding the area. The ground quaked, and a black box rose from the center of the gates, inside of which was a smaller, box that contains the Sacred Beasts. The true mastermind of the ploy revealed himself - Kagemaru, the elderly Chairman of Duel Academy. He intends to use the powers of the Beasts to restore his own youth. He specifically challenged Jaden to a Duel in favor of rest of the gathered students and teachers. Jaden found "Sabatiel - The Philosopher's Stone" inside the Emerald Tablet, and places it in his Deck. From within a life support tube supported by a spider-walker, Kagemaru Duels Jaden. Kagemaru Summoned "Uria, Lord of Searing Flames" and "Hamon, Lord of Striking Thunder," which drove Jaden into a corner. With two Beasts present, they began to absorb energy from card spirits around the world, which was then used to restore Kagemaru's youth. He appears a young man once more, and continued the Duel. Using a series of Spell and Trap Cards, Jaden destroyed both of the Beasts with "Elemental Hero Neo Bubbleman." Kagemaru was able to revive them, however, and further Summoned the third Beast - "Raviel, Lord of Phantasms." Jaden used the "Sabatiel the philosopher's stone" card to his advantage, and was able to pentuple the ATK of "Electrum" to win the Duel. The power absorbed is returned to the Duel Spirits, and Kagemaru became elderly once more. He begged for forgiveness, and Jaden easily gave it to him, while motivating him to try to stand on his own. Jaden proceeded to accidentally injure the old man with a hug.

Jaden was present at Chumley's Duel with Dr. Crowler, and supported his friend before he departed to become a card designer for Industrial Illusions. Jaden is then chosen by Zane to be the latter's final opponent before his graduation, in a match that the whole school will attend. Jaden accepted the Duel. Knowing that Zane was a powerful opponent, Jaden attempted to think his way through the Duel, which backfired as he misplayed his cards and failed to enjoy himself as he usually would.. Zane gains an advantage by constantly fusing and splitting his "Cyber End Dragon". Zane snapped Jaden out of his rut, and the latter began to Duel with his heart once more, rather than his head. In this way, Jaden became the opponent that Zane had wanted him to be. Both Duelists were able to counter the strategies of the other, and Duel ultimately ended in a DRAW as the crowd applauded the spectacle.

Jaden has begun his second year at Duel Academy. Unaware of new student Aster Phoenix's status, Jaden Duels him, eager to teach a new student about Dueling. During the Duel, Ms. Dorothy reveals that Aster constructed the Deck out of eight packs of cards he purchased that morning. Jaden attempts to give him advice, which Aster pretends to take. Aster is not impressed by Jaden, and leaves after being defeated. Later, after the Duel, Syrus Truesdale realizes who Aster really was, and Jaden is eager to have a rematch with Aster when the latter is using his true Deck.

A few days later, Syrus and Jaden are walking through the woods. The duo got caught sleeping in class, so Crowler is making them deliver 14 new Duel Disks to students who had lost theirs. Jaden wonders why so many people were losing their Disks, and Syrus explains it's because of a bully that is challenging them to Duels and then taking them. Syrus had lost to this bully as well, so Jaden decides it's time to confront this guy and get the disks back. They run to river, and standing on the bridge is the bully,Tyranno Hassleberry, the same Ra Yellow student that was picking on Crowler and Bonaparte when he arrived at the school. He tries to intimidate Jaden with his strength, but Jaden just shrugs it off and challenges him to a Duel. Hassleberry also has a bunch of other Ra Yellows who support him like an army troop. They and Syrus watch the Duel, and Jaden states that if he wins, Hassleberry has to give all the Duel Disks he stole back. Although Hassleberry fights admirably, he still loses to Jaden's combo of fusing "Elemental Hero Avian" and "Elemental Hero Wildheart" with "Polymerization" to Fusion Summon "Elemental Hero Wild Wingman" and in the end, using "De-Fusion" to separate them back. After the Duel, Hassleberry agrees to give back the Duel Disks. Later that night, Hassleberry moves to the Slifer dorm, having decided to live in the dorm because he feels that he could learn a lot about Dueling from Jaden. Jaden later encourages Syrus to have more faith in himself as a duelist when the latter is chosen by Jean-Louis Bonaparte to duel Missy. The Vice Chancellor says if Syrus wins than he will be moved up Ra Yellow. Syrus eventually wins and gives Jaden Power Bond.

Sometime later, Jaden has just recently finished a Duel with Bastion Misawa in the Duel Arena, using "Elemental Hero Shining Flare Wingman" to destroy "Water Dragon" to get the win. That night, the group gathers inside the Slifer Red dorm to watch Zane Truesdale's next Pro League match. Finding out that Zane's opponent will be Aster Phoenix, Jaden is eager to see what Aster's actual Deck consists of. To everyone's surprise including Zane's, Aster reveals that his Deck has an "Elemental Hero" theme, similar to Jaden's. However, when Aster fuses Elemental Heroes "Avian" and "Burstinatrix", he does not Fusion Summon "Elemental Hero Flame Wingman", but "Elemental Hero Phoenix Enforcer". To his friends' amazement, Jaden was unaware that this Fusion Monster even existed. Aster counters nearly every move Zane makes and even causes him to take damage from "Power Bond". The Duel ultimately ends with Aster the winner, much to the shock of all of Duel Academy.

Aster Phoenix holds a press conference after his defeat of Zane Truesdale in the Pro League. He issues a challenge to Jaden Yuki, knowing that both of them play "Elemental Heroes". He states he'll be coming to Duel Academy tomorrow. Aster meets with his manager, Sartorius. Aster doesn't seem to have any real interest in Dueling Jaden, but is doing so once more on Sartorius' advice. Aster arrives that night by skysurfing. Aster thwarts the escape of a man who was robbing Duel Academy's card shop. He appears to be looking for a certain card and when he does not find it, he tosses the man's cards causally on the ground. The Duel begins and Aster

Summons "Shining Phoenix Enforcer" while Jaden Summons " Shining Flare Wingman". Aster uses a strange Field Spell Card called "Clock Tower Prison", which appears to turn its hands each turn and do nothing else. Aster plays "D - Time" and Special Summons "Destiny Hero - Doom Lord", a monster that no one in the crowd is familiar with. Its effect removes "Shining Flare Wingman" from play.

Aster unveils his "Destiny Heroes" and Jaden's "Elemental Heroes" can't seem to compete. Despite the "Destiny Heroes" relatively low attack points, their effects push Jaden into a corner, as Aster uses "Misfortune" to deal damage while continuing to place Clock Counters on "Clock Tower Prison". On the turn that the fourth Clock Counter is placed, Jaden would be able to deal enough damage to win. However, "Clock Tower Prison" renders Aster immune to damage when it has enough Counters. Jaden plays "Fusion Gate" and because "Clock Tower Prison" was destroyed, Aster can Summon his ultimate monster - "Destiny Hero - Dreadmaster", whose ATK are equal to the sum of the attack points of the other "Destiny Heroes" on the Field.

Aster explains his past. His father was a card designer for Industrial Illusions, who designed the "Destiny Heroes" himself. One day, Aster came home to find his father dead (kidnapped in the dub). The person who did it also took one of the "Destiny Hero" cards, which was known to be the most powerful among them. Aster's vigilante activity is centered around stopping crime to find the person who took his father from him, as he would be able to identify them by their possession of the stolen card. His "Dreadmaster" negates the effect of Jaden's "Elemental Hero Thunder Giant" and wins Aster the Duel with its attack. Jaden falls to the ground, his cards flying about, and they turn blank as he falls.

After Jaden Yuki's loss to Aster Phoenix, he claims he can't see his cards and they're blank. However this appears to be how Jaden sees his Deck as everyone else sees nothing wrong with his cards. Everyone, Syrus Truesdale the most, is worried about it. Jaden ultimately decided to leave Duel Academy.

Later, Jaden Yuki is stranded in a boat when a comet hits. Afterwards, he is transported into Neo Space, a Duel Monsters Spirit

World that represents and protects the delicate balance between Light and Darkness. Within this Limbo, Jaden ends up on a planet called Dolphina (which apparently is an uncharted planet neighboring Jupiter), where he is greeted by a dolphin-like creature named "Aquos" (who is later revealed to be the spirit of "Neo-Spacian Aqua Dolphin"), who explains that "the Gentle Darkness" is in danger of being obliterated by a mysterious "Dark Light", and only Jaden Yuki is able to fight off this entity and save the universe.

Just then, an unusual Duel Robot sent by this "Dark Light" arrives, and Jaden must defeat it in a Duel, using cards salvaged from a satellite. Jaden's was in shocked when he can sees the cards he was holding but was more shocked when he discovers that the cards were contained within a KaibaCorp satellite, which was carrying cards he'd designed for a global contest held by Seto Kaiba a few years ago. Seeing this and due to his suppressed memories from his medical treatment he went through as a child, Jaden figures out and realizes that he was the winner of the contest.

After winning the Duel, Jaden rediscovers his love for Dueling and regains his resolve, and then sets out to return to Duel Academy and stop this mysterious "Light", however while Jaden finds himself back on Duel Academy, he finds that he is in a forest that is far from where the school building actually is. As his friends deal with the problems around them, Jaden is still trying to find his way back to the Duel Academy building. He complains that he is hungry and wants some curry right now. The rivalry between Syrus Truesdale and Tyranno Hassleberry intensifies, even with Jaden absent. At the suggestion of Alexis Rhodes, the two decide to Duel to decide who Jaden's true "best friend" ("aniki" or "little brother" in the Japanese version). Jaden himself is close to getting back, and is climbing the cliff face on the opposite end of the island. Sometime later, Syrus and Hassleberry are eating in the Slifer Red dorm, and the dinner is Jaden Yuki's favorite - fried shrimp. They eat the shrimp that was intended for Jaden, as he isn't there, and hope that wherever he is, he's not starving. Jaden is still wandering through the forest at the point, and comments that he suddenly tastes fried shrimp, which only makes him hungrier. Wheeler the monkey is also in the forest, pushing a large cart of discarded furniture. He finds Jaden, who has collapsed from hunger. He wakes him up, and Jaden hallucinates that the cart of furniture is really "Ancient Gear Golem". Jaden then has a flashback to his Duel with Dr. Crowler in episode 1.

After that, Jaden sees Wheeler hitting his cart with his fist, and imagines that he's Bastion Misawa, thus having a flashback to his Duel with him in episode 22. After this, he imagines that Wheeler is actually Chazz Princeton and has flashbacks to their Duel in episode episode 4. After this, he proceeds to imagine that the monkey is Zane Truesdale and flashes back to episode 8. After that's over, Wheeler throws a bucket of water at Jaden, and this finally wakes him up fully. He also gives him a bunch of bananas to eat. Jaden thanks him, and heads off to continue his trip back to Duel Academy. However, he ends up going the wrong way, this despite the fact that Duel Academy is visible through the trees in the direction he doesn't take. There is also a sign in that direction pointing towards Duel Academy. Jaden's stupidity actually causes the *inanimate roadsign* to sweat drop and face fault.

A few days later, Alexis Rhodes is set to Duel Aster Phoenix. The fate of the Slifer Red dorm hangs in the balance. If Aster wins, then it will be demolished. If Alexis wins the dorm remains. Vice-Chancellor Bonaparte is confident that Aster will win, being Pro League Duelist. Jaden finally makes it back to Duel Academy and is lead by a light into a cave. He meets another "Neo-Spacian" there, and then hurries to the Academy. He takes Alexis' place in the Duel, and his rematch with Aster begins. Aster uses his "Destiny Heroes" again, and Jaden unveils Contact Fusion, which the "Neo-Spacians" can use to fuse with "Elemental Hero Neos" without "Polymerization". However, even he was unaware that this results in the Fusion Monster returning to the Fusion Deck at the End Phase, and is reduced to 200 Life Points via direct attacks as a result. Aster is confident he will win since Jaden has no clue on how to use his new cards, but Jaden refuses to give up and notes to himself, he still has a lot to learn about his new Deck as "Elemental Hero Aqua Neos" went back to his Fusion Deck on the End Phase without his knowledge. The two Duelists continually counter the moves of the other, revealing more and more of their new Decks. Aster soon gets out "Destiny Hero - Dogma". Jaden saves himself from an attack that would end the Duel, but now both players are down to a few Life Points. Jaden is still confident he can continue, but Aster doesn't believe so, claiming there is no monster in Jaden's Deck that can help him. Jaden states that may have been the case with his old Deck, but it won't be with his new one. He decides to prove so by showing Aster a brand new hero in his Deck. Jaden then plays "Neo Space", which lets his "Neos" Fusion Monsters remain on the field past the End Phase, and Summons "Elemental Hero Flare Neos". Jaden attacks, but Aster quickly plays "D - Shield" to save himself. Aster then proceeds to switch his "Dogma" into Attack Position and equip it with "Heavy Storm Blade". Aster attacks which surprises everyone, however doing so activates the effect of "Heavy Storm Blade", destroying every Spell and Trap on the field besides "Heavy Storm Blade". This weakens "Flare Neos" and "Dogma" then attacks it. However the attack doesn't go through and soon enough "Heavy Storm Blade" begins to crack (which shocks Aster). Jaden reveals that the set card Aster destroyed with "Heavy Storm Blade" was "Spell Calling" which allowed Jaden to set two face-down cards after it was destroyed. As such the attack backfires on Aster, destroying "Dogma" and winning Jaden the Duel. Due to Jaden's victory, the Slifer Red Dorm remains safe. Aster congratulates Jaden for his victory and Jaden states he won't count their first Duel as official to make things even for both of them, but Aster doesn't mind and leaves. Later Jaden and his friends watch Crowler duel Bonaparte to save the Slifer Red dorm. Though he gets worried about Bonaparte's skills, Crowler comes out the victor thus keeping the dorm safe.

A few days after Jaden's defeat of Aster Phoenix, Jasmine and Mindy come to see Alexis. They tell her, Jaden, Syrus, and Hassleberry about Chazz and the trouble he is causing at the dorm. When they get there, the entire dorm is painted white to represent the Society of Light. Chazz is standing at the front steps, along with the other Obelisks that he turned into members by beating them in a Duel. Atticus is there and he warns them about how Chazz has become a stronger Duelist since he joined the Society. Chazz explains that the Society is run by Sartorius, who Jaden remembered to be Aster Phoenix's manager. Chazz says that Sartorius is more than that; Sartorius can help people see the light and that soon the whole world will see. Jaden cluelessly believes that they were exposed to lots of white paint fumes which causes Chazz and his groupees to react in shock and embarrassment. He angrily states that they are the crazy ones. Jaden wanted to challenge Chazz, but Alexis decides to do it because she feels it is right that she defend the Obelisks. Chazz and Alexis get ready to Duel in the arena, along with Jaden and the others and the new members of the Society. Chazz devastates Alexis with his new combos and ultimately wins the Duel. Alexis collapses to the ground and her friends run to her side to see if she is alright. She simply gets back up and says that she has seen the light. Chazz says that soon, everyone will, and become members of the Society of Light.

Later, Chazz chooses Lorenzo, the former world champion of the "Shooting Game" to Duel Jaden. Alexis lures Jaden to a planetarium in the white dorm, where the Duel takes place. Lorenzo plays a Boss Rush Deck and overpowers Jaden in the early stages of the Duel. He later reveals that Sartorius offered to make Lorenzo a Pro League Duelist if he could defeat Jaden. Ultimately however, he loses.

A few days later, Jaden Yuki is forced into a Duel against Professional Duelist and Society of Light member Howard X Miller, who the English version calls Sartorius' lawyer. X plays a Mill Deck, and his strategy revolves around destroying his opponent's Deck and causing them to lose when they can't draw a card. Jaden ultimately thwarts X's strategy using "Neo-Spacian Glow Moss" and ironically wins the Duel when X himself can't draw a card.

Sartorius, Aster's manager, challenges Hassleberry to a Duel, while promising to set Chazz back to normal should Hassleberry win. The Duel goes quite evenly, with both players being reduced to only a few hundred Life Points in a few turns. Sartorius wins by using "Reversal of Fate" to change the effects of his "Arcana Force" monsters. Despite his loss, Hassleberry is not converted to the Society of Light, much to Sartorius' shock. Hassleberry explains that in the past, he had excavated some Dinosaur fossils. His leg had been injured, and so the bone had been replaced by the fossilized Dinosaur bone he had uncovered. He claims that this "Dinosaur DNA" is what grants him immunity to the powers of Sartorius. A few days later, its revealed that Sartorius has officially enrolled at Duel Academy as a student much to Jaden's concern.

Duel Academy organizes a field trip sometime after Sartorius' enrollment at the academy. Dr. Crowler and Vice-Chancellor Bonaparte about where they will take the students. Sartorius and the large contingent of Obelisk Blue students that Chazz Princeton converted to the Society of Light enter the room. Sartorius wants to pick where they go, and he has most of the student population backing up his choice. Jaden enters the office while accompanied by Hassleberry, Bastion and Syrus. Jaden states he also has a place to recommend for the school trip, but the Society members order him to get lost until he is smart enough to join them. Jaden states he has equal chance of choosing as he is currently the #1 student in the school. It's determined that Jaden will Duel a Society member, with the winner being permitted to choose the trip destination (Sartorius also mentions if Jaden loses then he has to promise to join the Society of Light). Sartorius chooses Princess Rose to represent the Society of Light. She claims she can see Duel Spirits and that hers are three frog princes, referencing well-known fairy tales. Jaden ultimately wins the Duel, and announces that the field trip will be to Domino City, the site of the Battle City tournament.

Duel Academy's students arrive at Domino City for their field trip. Jaden, Syrus and Hassleberry purchase guidebooks to visit the city's landmarks. They visit the pier where Yugi Muto Dueled Joey Wheeler, while the latter was controlled by Marik Ishtar's Millennium Rod. They later arrive at Solomon Muto's Kame Game shop. They introduce themselves to Solomon, and upon explaining that they are from Duel Academy, he allows them to come inside, explaining that Yugi is probably off on another journey (in the dub, he says that Yugi "went to the market to get some olives three years ago"). He offers to be their tour guide for the rest of the day, and he takes them to the sites where Yugi Dueled Seeker and Strings. He lags behind as they continue to their next destination, and is kidnapped. Jaden locates Solomon and also meets up with Aster. Seeing the hologram of Hassleberry's "Dark Tyranno" on top of a building, they determine that he and Syrus must be there. Frost then finds Jaden, and wishes to take him to see Sarina, who Aster recognizes as Sartorius' younger sister.

Jaden arrives at the hotel where the Obelisk Blue/Society of Light students are staying, and is kicked out, along with Atticus. The Slifer Red students are forced to stay at an outdoor camp, and are only supplied food when Solomon brings them some. Blaze and T-Bone, two more of Sarina's enforcers, end up in the same camp as Jaden, though they don't realize who he is. They appear to get along just fine, and Jaden shares the food with them. They reveal that they themselves had once tried to enter Duel Academy, but failed the entrance exam. Despite this, they challenge Jaden to a Duel, still not aware who he is. T-Bone and Jaden are about to start their Duel when Sarina absorbs the soul of Blaze into one of her mirror cards while still back in her hideout. She tells T-Bone not to fail her, and forcibly places the "Monarch" cards of Blaze, Frost and Thunder into T-Bone's Deck. T-Bone uses the combined power of the "Monarchs" to Summon "Demiurge Ema", but ultimately loses when Jaden powers up "Elemental Hero Neos" using several Spell Cards. Sarina seals T-Bone's soul in a mirror as well, and reveals she's locked Syrus and Hassleberry in virtual pods. She states she'll be waiting at Kaiba Land for Jaden and Aster Phoenix.

After making their way to Kaiba Land and the Virtual World Facility within, Jaden and Aster are suddenly transported onto a digital plane, where they are reunited with Hassleberry (who has taken the form of a bandanna-wearing dinosaur) and Syrus (in the form of a "Vehicroid" resembling a Volkswagen Beetle), and also discover that the members of the Light Brigade are trapped here. Then, Sarina appears, explaining that she is acting under the orders of her brother, Sartorius, who wishes to discover the identity of the destined Duelist who is to be his final opponent, and Sarina is to Duel either Jaden or Aster to find the answer, but if Sarina's opponent loses, he must join Sartorius and the Society of Light. Jaden accepts the challenge, but convinces Sarina into a Tag-Team Duel. Sarina agrees, and splits herself in two for the face-off against Jaden and Aster. Aster is reluctant to accept, but decides that he must win to learn the truth about the death ("disappearance" in the English dub) of his father and the fate of an "Ultimate Destiny Hero" monster.

The Sarinas take an early advantage in the Duel, due to the fact that Aster refuses to cooperate with Jaden, while Jaden's moves are more about luck than strategy. Furthermore, the full moon behind Sarina's "Full Moon Mirror" seems to wane into a new moon with every monster that is destroyed, and once "Full Moon Mirror" gains its tenth Full Moon Counter, Sarina declares that the true test has now begun.

Sarina 1 unveils her strongest monster: By Tributing "Magic Mirror Spirit Asogi" and "Magic Mirror Spirit Nayuta" she Summons "Dark Creator" to the field and multiplies her monster tenfold, thanks to a Field Spell Card called "Infinite Fiend Mirror". After stating that only the Chosen Duelist can destroy her army of "Dark Creator" monsters, she attacks, but Jaden and Aster barely manage to survive her onslaught, because of Aster's "Elemental Recharge". However, as Sarina ends her turn without a direct attack, Jaden comes to realize that "Dark Creator" and the "Dark Creator Tokens" that were recently summoned cannot attack directly. Even though Aster manages to launch a counterattack with "Destiny Hero - Dasher", Sarina's "Dark Creator" has another surprise: it cannot be destroyed by battle. However, Jaden is able to use the effect of "Dasher" in the Graveyard to Special Summon his newest "Neo-Spacian" monster, "Dark Panther", and use it in a combo that brings out "Elemental Hero Dark Neos". "Dark Neos" is able to negate the effects of "Dark Creator", which, after "Dark Creator" is destroyed, undoes the effects of "Infinite Fiend Mirror". After the Duel, Sarina urges Jaden and Aster to save her brother from the control of the light.

Back at Duel Academy, a Society of Light member, Bob Banter (who is in love Alexis Rhodes) Duels Jaden Yuki to prove himself worthy to be Alexis' boyfriend. Alexis only accepts under one condition. If Jaden loses, he will be reported for spying on her. Initially Chazz believes that Jaden will most certainly lose since some of Bob's cards involve the player to use their head, however this proves to be wrong as some of the challenges are physical challenges. Close to the end of the Duel, Bob activates "Quiz Panel - Obelisk 30" and Jaden recognizes the card. Bob realizes that was the card he dropped in front of Jaden earlier. Although Jaden at this point knew the entire answer to the question of the card, he ultimately chooses not to answer it completely because he considered it unfair for Bob and that since he knew the answer, it wouldn't be a challenge for him at all. In the end, Jaden wins the Duel after using a gamble of his own: "Secret Mission".

Later Jaden, Hassleberry and Syrus are shown trying to get Aster's steak, but are unsuccessful. Bastion later tells them how he feels weak as a duelist causing Jaden to tell him that he is still good and should not let the Society of Light bring him down. The following night he, Sryus and Hassleberry are about to have a campfire before Aster tells them about how Bastion went to the white dorm to duel Sartorius. When Jaden asks Aster if Bastion has a chance of defeating Sartorius, Aster replies that he does not. Aster states that even if Bastion could somehow win against Sartorius that he still wouldn't win, since although Bastion is a strong Duelist and wants to become stronger, Bastion also wants the people around him and his friends to recognize him. Jaden and his friends run off, and Aster soon appears after Bastion loses to Chazz, he confirms that Bastion let Chazz win and admits that Bastion's intellect would have been a tough opponent for Sartorius, but unfortunately Sartorius was still able to overcome him by preying on Bastion's newly developed anxiety. Later Jaden tries to cheer Syrus up when he gets worried about Zane's ruthless style of dueling.

When Chancellor Sheppard returns and announces the Genex Tournament, Jaden is excited and Syrus thinks that with any luck, Jaden will Duel many professionals. Sheppard specifies that the entire island will be the Duel arena and that each participant will receive one Genex Medallion. Participants must Duel at least once per day and are not permitted to decline the first person who challenges them each day. The winner will obtain all Genex Medallions owned by the loser. The final two medallion-holders will compete in the final match. Sheppard announces that the best veteran Duelists that he met in his travels will be arriving here shortly. He urges all of the students to do their best as he wishes the first Genex Champion to be from Duel Academy. He says there's a very special prize planned for the winner. Jaden leaps up, yelling for them to leave all the winning to him. Syrus comments that past history suggests the prize may be a kiss from Ms. Dorothy. Jaden looks around and Dorothy winks at him.

After Sheppard dismisses them, the students discuss the new development. Syrus says he heard a rumor that the number of medallions one collects will affect your grade, with Aster saying he doesn't care about that. Hassleberry muses that its all about survival. Jaden says he's fired up and asks if anyone wants to Duel now. Aster walks off, saying he'll watch to see how things develop for now. Jaden asks if he's trying to be a downer and turns to Hassleberry for a Duel. Hassleberry points out that he if he loses his first medallion, he'll be eliminated right away, then turns to Syrus and says he wants to take out the weakest competitor first anyway. Syrus turns to find himself surrounded by most of the school, who all see him as the weakest Duelist there. Syrus runs away and everyone present except Jaden give chase. Jaden wonders when the rest of the worldwide Duelists are getting here.

Later, Jaden is fishing at the harbor. He yawns, saying he's bored. He wonders if any outside Duelists have arrived yet, but hasn't seen any boats. Syrus and Hassleberry run up to him and Jaden asks why they look so happy. Syrus says he knew running away wasn't going to do any good, so he started by defeating a freshman red student and Hassleberry says he did the same with a second-year yellow. They both proudly show their newly-won Genex Medallions. Syrus asks why Hassleberry has to be such a show-off and the latter responds by asking if he wants to Duel now to settle it. Syrus declines, saying it's only the first challenge he's obligated to take, claiming he's tired. Hassleberry asks how many students Jaden defeated, who responds by saying none, since he was hoping to have his first opponent to be someone from outside Duel Academy. Syrus wonders if they're really coming. They hear a noise overhead as Prince Ojin's plane comes into view. It lands on top of the warehouse. The three rush to meet it. Hassleberry muses that he must be pretty important to arrive in such a large plane. Syrus sees the insignia on the side of the plane, saying it's the royal crest of the Misgarth Kingdom.

Jaden asks what that is and Syrus asks if Jaden never watches the news. Syrus says it's a small, isolated country, but they've launched SORA, a laser satellite that could burn the world down. He says he did hear that their first prince is a big fan of *Duel Monsters* though. He had announced on TV that he had passed his test to become a professional Duelist. Jaden says that now he know who his first opponent is. Jaden runs towards the plane, where Ojin is about to descend from with three bodyguards and Linda. Ojin tells his bodyguards to relax - the kid appears to be a challenger. Jaden is about to challenge Ojin when Sartorius appears, zapping Jaden with energy by touching his shoulder. Sartorius offers Jaden his apologies and says that Ojin's existence is unrelated to his destiny, as Chazz and Alexis arrives behind him. Sartorius declares that because of that, he will be Ojin's opponent. Jaden asks who decided that and Sartorius responds that the heavens did. Jaden asks him to hold on and Sartorius approaches Ojin, asking for a Duel. Jaden points out that he was the one who found him first and asks to Duel instead. Ojin asks which one of them is connected to the "D" cards. Jaden asks if he means the "Destiny Heroes" and Sartorius says that that would be him. Ojin concludes that Sartorius will be his opponent then. Sartorius says he is delighted and grateful. Jaden asks how Sartorius is linked to the "Destiny Heroes", insisting that that would be Aster. Sartorius wins easily without even using one turn and he obtains the controls to Misgarth's satellite. Jaden wonders what kind of Duels are in store for the rest of the tournament.

The Genex Tournament is in full swing, but Jaden and his friends are in a slump-especially Jaden, since no challengers have approached him for a Duel. Meanwhile, Maximillion Pegasus and Chumley Huffingtonhave arrived at Duel Academy from Industrial Illusions, searching for a stolen copy of the strongest Egyptian God Card, "The Winged Dragon of Ra". It is later discovered that a man named Franz has stolen the card, and then sneaked his way into the Genex Tournament. When Franz finds them, he challenges Pegasus to a Duel, stating that the winner will claim the stolen card. However, it's Jaden who ends up Dueling Franz, and must ultimately find a way to free "Ra" from a confining Field Spell that forces Ra to use its powers against its will. Following Franz's defeat, Pegasus explains to him that everyone can learn a lot from defeats and mistakes, while revealing the spot where his Millennium Eye once rested (before being stolen by Yami Bakura). When Pegasus offers Franz back his position in Industrial Illusions, Franz readily accepts, and returns to Industrial Illusions with Pegasus and Chumley.

Later, Jaden Duels Orlando as part of the Genex Tournament. Orlando is a Kabuki stage actor and Professional Cosplay Duelist. Jaden defeats Orlando and reminds him Dueling is more about fun than it is about performing.

One day, Chazz Princeton defeats Gelgo, a Professional Duelist and wins his numerous Genex Medallions using his "White Knight" Deck. He challenges Jaden to a Duel, to take place the next day. Jaden asks why Chazz isn't using his "Ojama" cards, and Chazz responds that he has no idea what Jaden is talking about, but then says he vaguely recalls throwing out cards like that the the other day and thinks they landed in the ocean. Jaden goes to the ocean by the shore, trying to find Chazz's "Ojama" cards. Later, Jaden is rebuilding his Deck for his Duel with Chazz and the spirit of Lyman Banner contacts him. After questioning where he came from, Banner reveals that as his spirit attempted to pass on the afterlife, it was eaten by Pharaoh. He says he can't sleep because he is hearing a strange voice. His spirit leads Jaden to the well where Chazz had originally found "Ojama Black" and "Ojama Green". The three "Ojama" cards are there. They all beg Jaden to save them from the crabs that are attempting to cut them.

The Ojama Trio asks if Jaden can help Chazz; and feel that if they returned to him at this point, he would just throw them away again. Jaden offers to put the Trio in his Deck for his Duel with Chazz, which they accept, being excited about being able to fight beside Heroes. The next, day, Chazz and Jaden meet outside the main entrance to Duel Academy's main building, with Jaden bringing Chazz's old black uniform along with him. Chazz reaffirms his devotion to the Society of Light, but mentally feels strange at seeing the jacket, as some of his former memories return to him. Chazz dominates the early stages of the Duel, and Jaden is reduced to 400 Life Points. Eventually Jaden uses an "Ojama" combo to defeat him and reminds Chazz that he only listens to himself and ultimately removes him from the control of the Society of Light.

A while later, Jaden is challenged to a Duel by Lucien Grimley from North Academy, who is revealed to be able to use the power of "The Grim Reaper" to win his Duels, in exchange for his soul. During the Duel, Jaden manages to survive Lucien's One Turn Kill strategy, as Lucien's ace card, "Slash Draw", can destroy all of Jaden's cards and damage Jaden for every card he controls. Jaden later discovers that Lucien had lost faith in his Decklong ago and sold his soul to "The Grim Reaper", if the monster spirit helped Lucien win all his Duels. After the two battle through Lucien soon sees that he had always loved his Deck and seeing Jaden's faith in his Deck he throws the Grim Reaper card to fight on his own. He switches his arm to avoid using the power of the Grim Reaper. In the end, Lucien loses the Duel, but not before regaining faith in himself, which results in him breaking his deal with "The Grim Reaper" and deciding to Duel of his own free will.

One night, the good Sartorius appears from a beam of light and gives Jaden a small black case, telling him to protect it and not to return it to him. He then uses his mind control powers on Jaden so that he doesn't give whatever is in the case back to him, which turns out to be one of the keys to SORA. The Light of Destruction then brainwashes Alexis and tells her to get the satellite key back from Jaden so she challenges him to a Duel. Jaden wins and frees her from the control of the Society of Light.

Meanwhile, Syrus is in the hospital, recovering from his Duel with his brother Zane, when he and Jaden hear an announcement over the P.A. system that Jaden has to take a physics pop quiz. Being the test-hater that he is, Jaden is reluctant to go through with it. However, the "announcement" was merely a recording of Dr. Crowler's voice, played back over the P.A. system by Prince Ojin. And when Jaden enters the classroom, he discovers that he is alone, until Dr. Eisenstein appears on the stage before him. Dr. Eisenstein uses his logical Dueling knowledge to overpower Jaden, balancing the power of his monsters, Spells and Traps to deal significant damage to Jaden. But Jaden, who believes that he'll keep drawing the cards he needs, manages to come out on top with a strong counterattack. Upon defeat, Eisenstein is convinced that faith in chance can help win a Duel. With Hassleberry and Crowler waiting outside watching, Jaden is happy to report that he passed his pop quiz. Then Crowler reminds him that no one is giving classes or tests while the Genex Tournament is still in progress. Jaden realizes that he was tricked into Dueling Eisenstein.

Due to Jaden's victories over Alexis Rhodes (freed from Sartorius's influence) and Dr. Eisenstein, and Aster Phoenix's victory over The D (lost in the explosion of his yacht), the Light of Destruction steps up its plans to destroy Earth. It fragments once again from Sartorius's body and possesses Prince Ojin, who challenges Jaden to a Duel for control of his key to SORA. While Jaden manages to survive Ojin's One Turn Kill and rally his "Elemental Heroes" to destroy one of Ojin's "Satellite Cannons", the Prince merely shrugs this off as a minor setback and reveals the most powerful monster his Deck can produce-the "Satellite Laser Balsam", a "Satellite" monster with a Piercing effect, and one that would gain 3000 attack points with each of Ojin's passing turns. But even this is not enough to win Ojin the Duel, as Jaden is able to mount a comeback with "Change of Hero - Reflector Ray".

Unfortunately, although Ojin has been defeated, the Light of Destruction (still possessing Sartorius) has not abandoned its goal. Now, it decides to target Aster and claim his key, in an ultimate attempt to claim both, gain full control of SORA, and make the world "see the light".

After defeating The D and escaping with "Destiny Hero - Plasma" and his life, Aster Phoenix heads to the Society of Light's dormitory, intending to save Sartorius from The Light, by challenging The Light, to a Duel Aster wagers his key. Aster makes a dramatic turnaround and attempts to win the Duel with "Plasma", but is ultimately defeated as The Light of Destruction unleashes "Arcana Force EX - The Light Ruler". Jaden, angered by this heartless victory, challenges Sartorius, with the fate of the entire world at stake. Sartorius places Aster's unconscious form on one hand of the goddess statue and his Satellite Key on the other. The statue acts as a set of scales. Unless Jaden Yuki places his own key on the hand, the scale will be imbalanced and Aster will fall into the pit of lava below. Sartorius activates the statue, and the hand holding Aster beings to lower. If Jaden hands over the key, Sartorius will have access to the Satellite and be able to brainwash the whole world (destroy the world in the Japanese version). It's Aster's life against the world's. Breaking free from the good Sartorius mind control power that he placed on him to prevent him from giving him back the key and choosing the safety of a friend, Jaden throws his key onto the other hand and so the scale tips back into balance which saved Aster for now.

Elemental Hero Neos manifests before Jaden and explains that the source of every battle is a confrontation between light and dark.

Neos says Jaden is the only one with the power of "gentle power of the Darkness of Justice" to save the world from The Light of Destruction. Jaden challenges Sartorius to a Duel for the satellite keys. Sartoruis states he has no reason to Duel Jaden, since he's already given up his key. Sartorius sends a beam of light at the keys to retrieve them, but the beam is blocked by a multicolored beam from space. Neos is protecting the keys. This forces Sartorius to Duel Jaden for them. Jaden gains an early advantage, reducing Sartorius to 300 Life Points with "Shining Flare Wingman". However, Sartorius activates "Light Barrier" which surrounds the field, suppressing Neos' power. Sartorius retrieves the keys and influences Prince Ojin once more, giving him the keys and telling him to run an activate the satellite. With the keys gone, the hand holding Aster lowers towards the lava. Hassleberry runs in and barely manages to save Aster's life. Ojin rushes off to activate the satellite, and Hassleberry chases after him with Linda, leaving Syrus Truesdale to tend to Aster and support Jaden. Sartorius' "Light Barrier" card negates the effects of all non-Arcana Force monsters, allows Sartorius to choose which effect all such monsters get, and add the ATK of any monsters that either player destroys to their Life Points. During the Duel, Jaden has a vision of his own future, with himself standing in a desert. He's attacked by a shadowy armored figure, but this gives him confidence, as this future implies that the world is not destroyed, and that he wins against Sartorius, despite the fact that this implies a bleak future for him. When Jaden summons "Elemental Hero Neos", it tells him that if he wins the Duel, he may be able to stop the satellite. Jaden manages to destroy "Light Barrier", allowing Neos to leave the area. After attacking directly with "Elemental Hero Glow Neos", its Duel Spirit leaves with that of Hassleberry to destroy the satellite.

When Jaden re-summons "Elemental Hero Neos" using "Hero Flash!", the spirit of Glow Neos remains at the satellite, while a separate spirit of regular Neos returns to the Duel. After Jaden activates "Neo Space" and Summons "Elemental Hero Neos" again, "Neos" rejoins Hassleberry. Sarina is able to stop the satellite from firing at Neos and Hassleberry, and this allows them to demolish it completely. Jaden defeats Sartorius with "Reverse of Neos," and The Light of Destruction leaves the latter's body. Sartorius reveals that The Light of Destruction took his fortune-telling abilities with it when it exited his body. He therefore allows his tarot cards to blow away in the wind. After that, a KaibaCorphelicopter shows up, with Sarina aboard, alive and well.

During the third year, Jaden is pursued by the spirit of his favorite card in childhood, Yubel, which was given to him by his father, in both versions he doesn't remember who Yubel is due to his medical treatment done on him during his childhood until it reveals its physical form. With his parents always working and away from home, Jaden turned to Dueling friends to pass the time, but the sadness associated with his inability to play "Yubel" properly led the Duel Monster to hospitalize a young Duelist named Osamu and scare away the rest of his companions with other misfortunes. During this time, he develops a close friendship with North Academy champion Jesse Anderson, as the two found they had much in common.

Duel Academy is transported to an alternate dimension where *Duel Monsters* can take physical form, and Jesse ultimately appears to sacrifice himself to grant the rest of the school passage back to their own world. Depressed at the loss of Jesse, and blaming himself for it Jaden willingly attempts to go back to the alternate dimension, taking a group of his insistent friends with him, though they end up in another, desperate dimension. However, Jaden's guilt for Jesse's situation soon leads to an obsession. He begins to think only of finding and saving Jesse and begins to disregard what his actions may make befall his other friends. Because of this, his friends Alexis Rhodes, Tyranno Hassleberry, Chazz and Atticus Rhodes all get captured and sacrificed by Brron, Mad King of Dark World in order to create the "Super Polymerization" card. When Jaden finally wins against Brron, Syrus, Axel Brodie and Jim Crocodile Cook arrive. Witnessing the others being sacrificed because of Jaden's obsession to rescue Jesse causes them to abandon him, leaving him alone.

Afterwards, Jaden feels guilty at himself for allowing the sacrifices to happen. A strange figure called the Supreme King enters, influencing his reincarnation to become evil and saying he will never be able to redeem himself for his actions. With all his friends gone, Jaden unwillingly accepts it along with the incomplete "Super

Polymerization" card and at that time, the Supreme King possesses him. While under the Supreme King's control, Jaden commits many atrocities that include unrepentant slaughter of Duelists in order to complete the "Super Polymerization" and the oppression of several villages. However, as the Supreme King performs these actions, Jaden himself is left in doubt about what he needs in order to be complete not only as a Duelist, but as a person. Unfortunately, he turns to the Supreme King for this advice, who only tells him that one can only overcome evil by becoming evil. After Axel uses Jim's Eye of Orichalcum on the Supreme King during a successful invasion of the Supreme King's castle, Jaden is freed from his possession, but is deeply tormented by the atrocities he committed during his possession, and he thus starts refusing to use his Fusion Monsters, as "Polymerization" and other cards that include Fusion Summoning remind him of the things he did while possessed, since the Supreme King mainly used Fusion Monsters.

Zane tries to Duel Jaden to snap him out of his guilty mindset and get him focused on stopping Yubel, but he only continues doubting himself more and feeling worse. Then Jesse reappears, though he is possessed by Yubel. Learning that his friend is being controlled, Jaden puts his problems aside for the time being so that he can save Jesse. However, when Jaden finally Duels Yubel to save Jesse, it is revealed that Yubel actually removed Jesse's soul from his body and placed him inside the "Rainbow Dark Dragon" before taking over. Jaden manages to exorcise Yubel out of Jesse, but in one foul swoop, it snatches the "Super Polymerization" card from Jaden and then forces him into a Duel. Before the final clash, Jaden finds out that Yubel's power was previously augmented by the Light of Destruction while it was still stranded in space. Although he feels guilty because his actions led to Yubel's exposure, the sheer atrocity and shamelessness of its actions prevents Jaden from feeling any sympathy towards the deranged spirit.

However, near the end of the Duel, Jaden is told the truth between his connections with Yubel: Instead of just being a part of him, Jaden is the next Supreme King, the reincarnation of a young prince of an unknown kingdom from long ago, who was once friends with a human Yubel. As the Supreme King contained the enigmatic power of a being called the Supreme King that is needed to defeat the

Light of Destruction, he needed a guardian to protect him until he was old enough to control and wisely use his power; Yubel chose herself for the role, and was transformed into the *Duel Monster* it eventually became, its effect allowing for the perfect defense against anyone who tried to harm Jaden. Despite the great burden and sacrifice, the young Supreme King promised to give his love (friendship in the dub) only to Yubel, which was why Yubel became Jaden's favorite card as a kid, and why Yubel was so obsessed and jealous with him and his friends.

Finally realizing the truth behind all his troubles, Jaden - after bidding adieu to his friends - allowed Yubel to gain a hold of "Super Polymerization," chaining "Spiritual Fusion" to choose their souls as the fusion materials instead of all twelve dimensions as Yubel was expecting, and purging Yubel of the Light of Destruction's influence. Vowing to never stop caring for each other, Yubel and Jaden are bound together for all time. Jaden supposedly left to battle of the light waves of chaos(This was where the dub of the show ended), and fulfill the mission Yubel was given in the past. After Jaden's disappearance and everyone else being returned back to Duel Academy, Syrus, Hassleberry, Atticus, Chazz, and Alexis were talking about Jaden. After the talk, Syrus sees a shooting star and wishes Jaden to be back, which happened as the "star" crashed at Duel Academy, and was revealed that it was Jaden, with the abilities of both the Supreme King and Yubel under his control.

After the events that happened in season 3, Jaden has became very withdrawn and independent (though his cheerful personality was still here). Syrus is now in the Obelisk Blue dorm, and he is the only remaining student at Slifer Red. He now spends most of his time alone, feeling too distanced from his friends after what had happened. He decides to leave Duel Academy, not wishing to put his friends in danger (he had come to believe that things that put his friends in danger happened because of him being around). However, both Sartorius and Kagemaru attempt to convince him otherwise, believing that he is needed on the island to prevent a growing danger in the near future. This seems to be well-advised, as before their meeting, Jaden already confronts a mysterious Obelisk Blue student by name of Yusuke Fujiwara, who can hypnotize people and set fires with his eyes, as well as the mysterious entity

Trueman, who seems to want both Jaden and Fujiwara dead. Both of these entities noticed Jaden showing Yubel's power and commented that he is not a regular human.

Jaden eventually regained his love for Dueling while teaming with Alexis in a Tag Duel. While Dueling alongside her, he also made amends with her and repaired their friendship, making him more open to his friends again.

Eventually, Jaden learns that the person that everyone thought was Fujiwara was actually the spirit of one of his cards, Honest, and that Fujiwara doesn't even appear to be on earth. Although Jaden doesn't know what Trueman's intentions are, he has found that the enigmatic dark entity pulls people into the world of Darkness. He realizes this too late, having been distracted by Trueman's actions in Domino City, thus giving the real Nightshroud, using Yusuke Fujiwara's body as a vessel, to attack the students at Duel Academy, only arriving in time to see Nightshroud possessed Fujiwara defeat the last student, Atticus Rhodes. Along the way, Jaden meets Jesse in Domino City, but mistakes him for Trueman after Sartorius infected his "Polymerization" card. After a Duel they fail to finish, Jaden realises it is Jesse and not Trueman he's Dueling and the two of them return to Duel Academy together. Both are then challenged to a triple Duel with Nightshroud, with only Jaden remaining the winner after he purges Nightshroud from Fujiwara. However, Jaden Duels the bodiless Nightshroud in a final Duel with the world at stake. The Duel was intense straight from the start; with Jaden Summoning "Neos Wiseman" using "Yubel." Jaden finally defeats Nightshroud by summoning "Elemental Hero Divine Neos" to defeat Nightshroud's "Darkness Neosphere."

After the graduation ceremony, Jaden decides to leave Duel Academy quietly; however, he is brought to the room that contains Yugi's Deck by Winged Kuriboh. Yugi appears there, and after the Winged Kuriboh card glows with a bright light, Jaden finds himself in Domino City in the past, bumping into a younger Yugi who still holds the Millennium Puzzle. He challenges his hero to a Duel, and as he shuffles the Deck he senses the presence of the Egyptian Gods in Yugi's Deck. The Duel then begins, with Yugi eventually Summoning "Dark Magician" and Jaden Summoning "Elemental Hero Neos", their ace monsters, which battle it out. After a long battle, Yami Yugi finally takes over Yugi's body and welcomes Jaden, and Summons "Slifer the Sky Dragon". Jaden's face lights up, and he finally realizes Dueling really is fun. He then sends "Elemental Hero Neos" to attack "Slifer The Sky Dragon" and the Duel comes to an abrupt end with Jaden, Yami and Yugi all smiling. It then pans to Jaden in a desert. Jaden then turns around and looks at the sky, and thanks Yugi for reminding him that he has a long way to go, and Dueling is fun, and shouts his very last "Gotcha!" towards the sun. His bag rustles, and he opens it to find Pharaoh and Banner inside. Inside Pharaoh's collar he finds a letter from his friends each with their own message for him. After reading it, Jaden, Banner, Pharaoh, and presumably Yubel decide to travel together, and thus Jaden runs off towards the sunset, off to start a new adventure.

Jaden is known to have traveled to Venice in *Yu-Gi-Oh! 3D Bonds Beyond Time* before being attacked by Paradox. He is relentlessly attacked further by "Cyber End Dragon." "Rainbow Dragon" and "Stardust Dragon" and despite the extra protection offered from Summoning "Elemental Hero Neos," he was nearly overwhelmed by all their attacks. He only survives due to the intervention of Yusei Fudo and the Crimson Dragon, the latter of which takes the final blows for him. He then explains to Yusei that he heard from his classmates about getting their cards stolen from Paradox and came down to Venice to stop him. They then use the Crimson Dragon to travel back to the days of Yugi Muto, only to find they were too late to stop Paradox from killing Pegasus. They return thirty minutes earlier after recruiting Yugi to their cause, with Yubel scaring off the patrons just before Paradox would appear to Duel them.

Though only having one turn in the Duel, Jaden shows his mastery of fusion as he Summons a new Fusion Monster, "Elemental Hero Neos Knight," by fusing his "Neos" with Yusei's "Junk Gardna" and destroying Paradox's "Malefic Cyber End Dragon" and "Malefic Rainbow Dragon". He shows his characteristic excitement when seeing Yusei's Duel Runnerduring their first meeting and when Yusei Synchro Summons "Junk Gardna" during his first turn. He and Yami Yugi also manage to convince Yusei not to forfeit after he loses faith in their victory after the Summoning of "Malefic Truth Dragon". He and Yami Yugi are able to give "Stardust Dragon" the power to defeat "Malefic Truth Dragon" and defeat Paradox. Following their victory, all the damage Paradox caused to the timeline is repaired and the three return to their respective timelines with Yusei promising to protect the future and meet him and Yugi again.

When he was done we were all amazed.

Me: WHOA! You are a force of nature Jaden.

Lily: Yeah no kidding! You have done so much good for both Duel Academy and the world from there and beyond.

Nico: After everything you have accomplished you more than earned the right to have a family.

Jaden: Thanks Nico.

Me: But what infuriates me is how Crowler was trying to expel Jaden just for saving Alexis from the Abandoned Dorm after she was kidnapped by Titan. What a sore loser and all because he lost to Jaden after his initiation duel.

Nico: Yeah no kidding.

Jaden: Yeah that was bad. But at least we're thinking of having him in the Masters of Evil.

Nico: That is true. And your ability to talk to Duel Spirits is so cool that it got passed down to the rest of us.

Me: It sure did and we also have awesome Duel Monsters as great friends and loved ones too. Like with Dark Magician Girl and Syrus.

Jaden: That is true.

Lana: I think that is so awesome.

Kaito: I'm thinking of getting some cards myself.

Me: Well we got more than enough Kaito. Feel free to get whatever cards best suit you. For Zocks I bet he is going to do a pirate theme.

Zocks: You bet I am and Chloe will do a bee theme.

Chloe Bourgeois: Yes I will.

Nico: I think I see our first recruits for the M.O.E.

We saw the Paradox Brothers.

Me: Wow the Paradox Brothers.

We went up to them.

Me: Para and Dox, long time no see.

Para: The famous Team Loud Phoenix Storm. here on the lay.

Dox: How are you doing on this fine day?

Fluttershy: And I thought that Zecora was the only one that spoke in rhymes.

Me: We're doing good.

Nico: Your talking in rhymes is awesome. We actually came to have you recruited into the M.O.E.

Para: The Masters of Evil are a good group for some.

Dox: We will gladly join as long as new duelists come.

Nico: Don't worry there are plenty of duelists out there.

They then got teleported to the M.O.E. HQ.

Kaito: We'll save our gears for when we meet Touma and the others again.

Nico: Good idea. Besides I actually was gonna have that happen anyway.

By the docks we saw Make Tsunami.

Eli: Hey there's Mako.

Me: Cool we were looking for him.

We went over.

Eli: You're looking good Mako.

Mako Tsunami: Little Eli you're looking great.

Eli: I sure am. Still catching a lot of awesome fish I see.

Mako Tsunami: Yep.

Me: Awesome to see you again Mako. How have you been?

Mako Tsunami: Been great J.D. Been a while since Duelist Kingdom.

Me: I know. It has been a while.

Nico: We are here to ask if you would like to join the team officially.

Mako Tsunami: Wow! I would be honored Nico.

Me: Awesome!

Nico: You and your fish Duel Monsters will be an awesome force to be reckoned with.

Mako Tsunami: They sure will.

Mako teleported to the estate.

Zocks: This actually won't be a hard rescue.

Nico: Nope it's just a recruitment.

Me: And I sense the next one we can have for the M.O.E.

We looked and we saw a green hair kid.

Eli: That's Espa Roba. He's a Psychic Duelist.

Brittney: Wow I feel it. The psychic energy he has is amazing.

Nico: Yeah.

We went over to him.

Espa Roba: Team Loud Phoenix Storm it's an honor. And Eli you are looking great.

Eli: Same to you Espa. I take it…

Espa Roba: Yes I sense that you want me to join the M.O.E. And I graciously accept. If I get Hana Uzuki as my archenemy.

Lincoln: Wow! Your psychic powers are amazing.

Me: Yeah. You would be a great psychic for them.

Espa Roba: Thanks J.D.

Me: You're welcome.

He teleported to the M.O.E.

Me: Wow! That was cool.

But then…

KRABBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

We heard an explosion and then we turned and we saw An Evolved Pyronite and an Evolved Orishan battling Lumis & Umbra and Odion!

Nico: Whoa there's the Evolved Pyronite and Evolved Orishan we were looking for.

Me: And they are battling Odion and Lumis & Umbra!

Nico: They will make great M.O.E. members!

We went at them.

Kaito: So much for this being peaceful.

Me: Yeah.

Kaito: Change Zenkai!

Zocks: Change Twokai!

Zocks danced and then they transformed!

The three duelists were fighting and then…

KRABBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

A massive fiery explosion went off above them and a phoenix cry was heard and we came out.

Me: Odion, Lumis and Umbra. Been a while.

Lumis: You're the brat that killed Master Marik!

Me: That's right but I also am the one that saved him from himself.

Nico: Marik is no longer the evil monster you remember him to be.

Evolved Pyronite: (In a girls voice) Nico? Wow its been a while.

Evolved Orishan: (In a girls voice) You look so awesome.

Nico: Trinity and Trina Liechtensteinischen? Wow you girls look great.

They reverted back and Trinity was a girl with red hair and she had red eyes and red clothes and the kanji for Fire in the middle of her forehead and Trina had blue hair, blue eyes and blue clothes and the kanji for Water in the middle of her forehead.

Trinity L.: We were fighting these guys and they were trying to kill us because they thought we killed Marik.

Trina L.: Yeah.

Me: But it wasn't you girls that killed him. I did. He did so many horrible things because of the evil inside him.

Eli: It's true.

Maria: He's still alive anyway.

Me: He wasn't alive before though. But I did save him before the big battle we had with Shendu and his siblings 4 years ago.

May: I remember that! That was crazy!

Lola: Yeah it sure was.

Lumis: So Master Marik is back?

Me: Yes and in the Redemption Squad. But his Dark Side is now banished to the Black Gates.

Nico: Good riddance.

Lola: Yeah!

Jaden: Thank goodness too.

Umbra: Wait a second. You're the famous Jaden Yuki! You are the 2nd Coming of the King of Games!

Me: Wow that is an awesome moniker.

Jaden: Yeah I think it's neat.

Odion: We followed all of Jaden's achievements on the news before and after he joined you all and it's amazing.

Me: That is awesome that you saw his adventures.

Trinity L.: It sure is.

Me: Would you guys like to have a position in the M.O.E.?

Odion: We would be honored.

Lumis: Yeah we sure would.

Me: Awesome. But just a forewarning, Tea is still pissed off at all the Rare Hunters for kidnapping her and using her as a puppet and even trying to kill her. She wants nothing more than to snap all their necks.

Odion: Thanks for the heads up.

They teleported to the M.O.E.

Trinity L.: That was awesome.

Trina L.: It sure was.

Jaden: What's your favorite memory of Nico?

Trinity L.: There was this one time where we saw a bully picking on a kid at lunch in school.

Trina L.: So we gave him the most painful surprise ever.

Trinity L.: I put a match in his pants along with a small tube full of gasoline and lit it and then lit his pants of fire. He never suspected a thing and then we burned him bad. He lost his ability to take a dump for life.

We laughed at that and it was funny!

Ochaco: That is hilarious!

Rainbow Dash: (LAUGHS) That was awesome! So funny guys.

Laney: Serves him right.

Nico: Yeah!

Me: I bet his parents were really pissed off at that.

Trina L.: Oh they were. We told them everything he did and they banished him to a big reform school in Siberia.

Nico: Good riddance.

Maria: Serves him right.

Nico hugged them both.

Nico: I really missed you both.

Trinity and Trina: We missed you too Nico.

Me: That was still awesome though.

Nico: It sure was. Lets go home.

We went back home.

* * *

After Nico's rescue, Lincoln, Me, Nico, Eli, Nicole Knudson, Lori, Leni, Luna, Luan, Lynn, Laney, Lucy, Lana, Lola, Lisa, Lily, Lincoln's harem, Sherlock Hound, Noctis Lucis Caelum, Gladiolus Amicitia, Ignis Scientia, Prompto Argentum, Stella Nox Fleuret, Ravus Nox Fleuret, TLPS Mr. Wolf, TLPS Mr. Piranha, TLPS Mr. Snake, TLPS Mr. Shark, TLPS Ms. Tarantula, Heathcliff, Sonja (Heathcliff), Heathcliff, Sonja (Heathcliff), Riff-Raff, Hector (Heathcliff), Wordsworth, Mungo, Cleo, Leroy, Crash Bandicoot, Coco Bandicoot, Aku-Aku, The Quantum Masks, Alternate Tawna, Spyro, Cynder, The Ghostforce, Rayman, The Louds' Scottish Ancestors, The L-ementals, and Yugi are heading to the Alola Region, and not only is Lincoln going to rescue the five girls there, but we got word that Giovanni, the leader of Team Rocket, has returned from the dead, and he still wants revenge on us for ruining his plans for world domination.

Lincoln also asked Nico to bring his entire harem with us, and the Gene-Slammed girls are going to give their "thanks" to Giovanni and all of the other remaining Team Rocket scientists for Gene-Slamming them.

Lincoln: Wow, we're here in The Alola Region, and I know what we're going to do here, not only am I going to rescue the five girls there, but we got word that Giovanni, the leader of Team Rocket, has returned from the dead, and he still wants revenge on us for ruining his plans for world domination.

Nico: That's right, big guy, and we knew Giovanni wasn't going to stay dead for much longer.

Me: That's right, and now, we'll get our chance to send him to The Black Gates, along with all of the other remaining Team Rocket Scientists with him.

Lincoln: But, not before the girls in my harem and Nico's harem that he and his scientists Gene-Slammed give their "thanks", and thanks for joining us, Yugi.

Yugi: You're welcome, Lincoln.

?: HEELLLLPPPP!

Suddenly, Lincoln heard the sound of five girls calling for help, along with maniacal laughter. With his deep sapphire blue cyborg eyes, rainbow colored iris of his Third Eye, the Force, and his superhuman sight, along with sensing energy signals, he saw and heard exactly where the call for help was coming from. He saw the five girls, but they've been cornered by Giovanni and the remaining Team Rocket Scientists, and they're going to Gene-Slam them. Lincoln also saw that Giovanni had the symbol of The Church of Necrom on his forehead, and this means that The Church of Necrom brought his back from the dead, and he saw an army of Star Demons with him.

Lincoln: Guys, I found the six girls, but they've been cornered by Giovanni and the remaining Team Rocket Scientists, and they're going to Gene-Slam them, and I also saw Giovanni has the symbol of The Church of Necrom on his forehead, and this means that The Church of Necrom brought his back from the dead, and he saw an army of Star Demons with him.

Zennia Nikolaevna: (Russian Accent) I should've known The Church of Necrom were the ones who brought that madman back from the dead, and that army of Star Demons with him, there's only one warlock in The Church of Necrom who's able to summon Star Demons: Nigel Tinuvel.

Lincoln: Should've known that insane warlock was behind this.

?: (Ukrainian Accent) Let's destroy that heartless monster and his insane scientists.

Suddenly, we saw Sonata, the Melodious Diva appear before us.

Me: Wow, that's Sonata the Melodious Diva.

Lincoln: And there's no mistaking that Ukrainian Accent from anywhere, I knew it was you, Sonnya Flemmimenchinova, but we'll have to talk later, it's time to get rid of Team Rocket once and for all.

We rushed on over and Lincoln fired rainbow energy balls and elemental forces at Giovanni and the remaining Team Rocket Scientists, who were tied up with rainbow energy straitjackets and pinned to the floor with rainbow energy chains, and Lincoln fired rainbow energy balls at Nigel Tinuvel's army of Star Demons and destroyed them, and the five girls got to safety. When Giovanni and the remaining Team Rocket scientists saw us, he was pissed, but so were we.

Lincoln: You just don't even know when to quit, do you, Giovanni? It's bad enough that you capture and exploit Pokemon for your own benefit along with trying to take over the world, but you crossed a serious line when you began Gene-Slamming our Guardian Angels. But, I guess we should thank you for that, because now, our Guardian Angels have become powerful members of the team.

Nico and Lincoln: Girls, why don't you express your "thanks" to Giovanni?

Helena McTroy: You got it.

The Gene-Slammed girls in Lincoln and Nico's harem pounced on Giovanni and they proceeded to beat and pulverize him badly, and they gave him a ton of broken bones, two black eyes, and they also broke his arms and legs, while Lincoln sprouted out his massive white werewolf tails with Cell's suction stingers, and he them stabbed them into the tied-up Team Rocket scientists, and he began absorbing their bio-energy and he was sucking them into his body, and when Lincoln was done, all that was left of them were their clothes.

Mia Addison: Okay, Linky, we're done with expressing our "thanks", now why don't you give him a final send-off?

Lincoln: Gladly.

Lincoln went up to the battered Giovanni, and he put his large hands on Giovanni's head, and then, with one swift move, Lincoln snapped Giovanni's neck and he was killed. Then, Lincoln fired a black energy blast at Giovanni's broken body, and he was sent to The Black Gates and he was erased from existence forever, and Lincoln activated the self-destruct sequence in the lab, and we got out of there and the lab exploded into nothing, and we cheered wildly.

Lincoln: And now, we're finally rid of Team Rocket for good. (To Sonnya Flemmimenchinova) And it's so good to see you again, Sonnya Flemmimenchinova.

Sonnya Flemmimenchinova reverted back to normal, and she's a beautiful 17-year-old girl with long flowing dark blue hair, dark blue eyes, fair skin, she's tall at 6'5" in height, she has the body of a goddess, she has massive dark blue angel wings, and she reigned in the power of Sonata the Melodious Diva, and she's dressed in a sleeveless dark blue vest, dark blue sleeveless midriff top, dark blue skirt, dark blue stockings, blue sneakers, and long dark blue sleeveless trenchcoat with ocean waves on the coattails, and Sonata the Melodious Diva on the back, and holstered on her back is a large Sonata the Melodious Diva-themed sword with a 7'0" massive, wide, double-edged dark blue blade with Sonata the Melodious Diva etched on it, large dark blue wings for the crossguard, large dark blue gem embedded in the rainguard, longer blue handle, and large dark blue gem with angel wings surrounding it for the pommel.

Sonnya Flemmimenchinova: (Ukrainian Accent) You too, Lincoln, it's been a long time.

Lincoln went up to Sonnya Flemmimenchinova and they hugged, and Sonnya Flemmimenchinova was also very surprised at just how much taller and much more muscular Lincoln's gotten since they last saw him, and they also felt just how strong he's really become.

Lincoln: It sure has, I haven't seen you when you were sixteen, and as you can see, I really grew a lot since then.

Sonnya Flemmimenchinova: (Ukrainian Accent) Whoa, you sure have really grown very big and strong like a tree, Lincoln, you've really grown a lot from the eleven-year-old cute little boy into a 17-year-old and permanently 7'5" tall, very handsome, and manly teen with abnormally massive and powerful upper and lower body muscles and eight-pack abs, that's so awesome.

Nico: Wow, Lincoln, you know her?

Lincoln: Indeed I do, Nico, this is Sonnya Flemmimenchinova, she's one of my Guardian Angels from the Ukraine, and she's one of the most amazing singers ever. She knows so many awesome songs and she has a divine voice that is so powerful that she can have animals help her. She also can use the divine voice to have criminals anywhere do anything for her and even turn themselves in.

Me: Whoa, that's so awesome.

Sonnya Flemmimenchinova: (Ukrainian Accent) Indeed, and I've got two really horrifying revelations about The Church of Necrom, one revelation pertains to their Satanic sacrificial ritual, the same one that gave them their dark powers by sacrificing their families, and the other revelation is that they've gone on a multi-state killing spree after their Satanic sacrificial ritual, which led to them killing tens of thousands of people in ten different states across the United States.

We gasped in tons of shock and horror, including Lincoln and The Dark World Goth Girls.

Lincoln: What?! Oh, this is something we're really going to enjoy hearing.

Suddenly, a Thunderbird of Eternal Love appeared around Sonnya Flemmimenchinova's neck with dark blue gems on the gold thunderbolt links and dark blue crystal links from brand-new Crystal Necklace of the Buddha which merged with her Thunderbird Necklace of Eternal Love.

Sonnya Flemmimenchinova: (Ukrainian Accent) (Surprised) Whoa, is this…?

Lincoln: Yep, that's a Thunderbird Necklace of Eternal Love, and that means you're now part of my harem and one of my many future wives, Sonnya.

Sonnya Flemmimenchinova had a smile on her face and tears coming from her eyes, as she placed her hands on Lincoln's massive and muscular wide pecks, and Lincoln wrapped his abnormally massive and powerful muscular arms around her waist, as he leans down to Sonnya Flemmimenchinova's face and kissed her on the lips, and she also returned it, and we cheered for them. Then, we went up to the five girls, and when Lincoln saw them, he recognized the girls immediately. The five girls are Towa, Setsuna, and Moroha from Yashahime: Princess Half-Demon, Nyaruko and Kuuko from Nyaruko: Crawling with Love!

Lincoln: Oh wow, it's Towa, Setsuna, and Moroha from Yashahime: Princess Half-Demon, Nyaruko and Kuuko from Nyaruko: Crawling with Love!

Me: Awesome.

Lincoln: Are you girls okay?

Towa: Yes, we're okay, thanks to you.

Then, when Towa and the other four girls saw who it was that saved them from Giovanni and the other Team Rocket scientists and Nigel Tinuvel's army of Star Demons, their faces turned atomic red upon seeing the 17-year-old permanently 7'5" tall, handsome, bare-chested hunk with abnormally massive and powerful upper and lower body muscles, eight-pack abs, long wild white hair going down to the bottom of his neck and rainbow lightning bolt highlights in the bangs of his long white hair, rainbow colored thunderbird with a gold lightning bolt emblazoned on his forehead with a Third Eye of the Buddha on his forehead with rainbow iris, golden lightning bolt cutie mark with the thunderbird and comic books right on his massive and wide right pec and it's surrounded by the symbols of Fire, Water, Ice, Wind, Earth, Nature, Light, and Darkness in a circle, large Celtic

Cross cutie mark tattoo in the form of the cutie marks of Twilight Sparkle, Sunset Shimmer, Rainbow Dash, Applejack, Rarity, Pinkie Pie, Fluttershy, Starlight Glimmer, and Trixie Lulamoon, surrounded by a circle were the marks of the other girls in Lincoln's harem on his wider and more muscular back, and right on top was the Earth surrounded by the ring of mermaids and surrounded by a Thunderbird, Phoenix, Angel, and Buffalo, and right below the Cutie Mark tattoo is a deep sapphire blue kanji that said, "Lincoln Landon Loud, Champion and Emissary of Hinon, Master of Lightning Storms, The Weather, The Elemental Forces, The Cosmos, and The Universe, The Loud House's Man With A Plan, Golden-Hearted Brother of Many Siblings, and Golden-Hearted Lover, Father of Many Kids, Son, and Future Husband, Descendant of The 17th Century Duke Lincoln of Loch Loud in Scotland, Destroyer of Morag McLaughlin, Destroyer of Evil, Black-Hearted, Sadistic, Delusional, Power-Hungry Bastards, Talented Comic Book Writer and Video Gamer, God of Truth and Justice, and Ambassador and Beacon of Hope to The Universe", he has deep sapphire blue eyes, a tattoo of a pepper with fire surrounding it and a kanji that read "Spiciest Man of The Loud House" on his broader and muscular left shoulder, and a Mark of Manhood tattoo of a male bodybuilder with a barbell raised above his head and around him are elemental forces and an orange kanji that read, "Lincoln Landon Loud, Strongest, Bravest, Resilient, Courageous, Handsomest, and Manliest Warrior of The Loud Family" on his massive left muscular forearm.

He had his massive Hinon's Cosmic Sword of Universal Hope, Elemental Bravery, and Unbreakable Eternal Bonds holstered on his wider and muscular back, his large orange Crystal Saber, large rainbow-colored leather and gold metal bound Elemental Spellbook of Harmonious Justice, Eternal Harmony, and Equestrian Peace on his left hip and his Eater of Sins revolver holstered on his right hip, the Pisces the Fish constellation and Aquarius Zodiac sign on the back of his neck and the Cygnus the Swan constellation on the back of his massive left hand, large weighted orange bands on his massive biceps and thighs with silver phoenixes on them, his large gold cuff Bracelets of The Champions of the Universe with large orange gems on his large wrists, massive and indestructible deep sapphire blue angel wings with stars and blue nebulae reflecting on them with rainbow tips on the large deep sapphire blue feathers, and he was dressed in an orange version of He-Man 2002's loincloth with hanging silver lightning bolts and long glowing neon orange trenchcoat coattails with elemental forces, Thunderbirds, Phoenixes, Angels, and Buffalo on them and had intense powerful rainbow hot flames coming off them and hanging mini silver lightning bolts held up by his large gold Belt of Elemental Bravery with a large golden buffalo head with orange gems for eyes and a large orange gem in its mouth for the belt buckle on his waist, a pair of large blue pants with multicolored lightning bolts on the thighs with the orange kanji that said, "Savior of The Loud House, True Hero, Amazing and Powerful Student of Numerous Amazing and Powerful Teachers, Shinobi of The Hidden Leaf Village, Member of The Crusaders of The Thunderbird, Founder of Team Loud Phoenix Storm, Dodgeball Angel King of Gotham Royal York, The Unifier of The Three Kingdoms, and Destroyer of The House of Damaskinos" on the left leg, and large white leather combat boots with gold lightning bolts surrounded by a circle of smaller gold lightning bolts and armor on the toe area, silver Buffalo head stud earrings with the Thunderbird and Eternity Kanji on it, large Thunderbird Necklace of Eternal Love with colored gems on the gold lightning bolts and orange crystals from his merged large Crystal Necklace of The Buddha with a large Element of Harmony deep sapphire blue gem in the shape of a Thunderbird and a large silver Buffalo head with the Thunderbird and Eternity Kanji on its head for the pendant on his bare chest, large fingerless orange gloves with the symbol of The Loud House on it and surrounded in a diamond formation are a Phoenix, Thunderbird, Buffalo, and Angel, a large Orange Buffalo Animal Spirit Ring which merged with his Ring of The Phoenix on his left ring finger, large Blue Lantern ring on his right ring finger, he had eight large orange orbs orbiting around his legs, and circling around his feet on the floor are eight golden crosses with angelic runes.

Towa: Oh wow, you're Lincoln Loud of Team Loud Phoenix Storm.

Lincoln: That's right, and it's a pleasure to meet you all.

Then, Lincoln made four clones of himself, and he and the four clones went up to the girls, and hugged their waists in their abnormally massive and powerful muscular arms, and they lean down and kissed the girls on the lips, which they returned with

equally intense passion, as they wrapped their arms around the necks of Lincoln and his clones, and we cheered wildly at the scene.

Towa: (Seductively and rubs her right hand on Lincoln's massive and wide right pec) You too, big, tall, muscular, and handsome.

Suddenly, five Thunderbird Necklaces of Eternal Love appeared on the necks of Towa, Setsuna, Moroha, Nyaruko, and Kuuko with colored gems on the gold lightning bolts and crystals links from their merged Crystal Necklaces of The Buddha. We return to the TLPS World Tree Estate, and we told everyone what happened, and they were shocked when they found out that the villain we went after was Giovanni, the leader of Team Rocket, who came back from the dead thanks to getting resurrected by Nigel Tinuviel of The Church of Necrom, and they also saw his army of Star Demons with him.

But, when Lincoln showed them of what the Gene-Slammed girls did to Giovanni and what Lincoln did in dealing the final blow to Giovanni and the remaining Team Rocket scientists, everyone cheered wildly for Lincoln and the rest of us, and they hugged us, and the girls in Lincoln's harem then went up to Lincoln, and they kissed him all over. Lincoln and Sonnya Flemmimenchinova have a lot of catching up to do now that she's back in town, and later after the mission today, Zennia Nikolaevna and Lincoln are going to deal with Nigel Tinuviel, and they're going to make that insane warlock pay for his crimes.

* * *

After finally getting rid of Giovanni and this time for good and destroying Nigel Tinuviel's army of Star Demons, we were training intensely in the gym, this time, doing 150,000,000 reps of crunches, wing push-ups and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 9,500-lb barbells, squats, and going a few rounds with the punching bags, and we were really sweating like crazy, even doing yoga to clear our minds, and when Sonnya Flemmimenchinova saw Lincoln working out like crazy, she had an atomic red blush on her face.

Sonnya Flemmimenchinova: (Ukrainian Accent) Whoa, I was right that Lincoln has really grown to be a 17-year-old permanently 7'5" tall, really big, and really strong man, just look at those abnormally massive and powerful upper and lower body muscles and his eight-pack abs hard at work, and working out with those 9,500-lb barbells and he's not even get tired, incredible.

Lincoln: Yep, and I've also trained a lot under some very powerful teachers, J.D. and Nico included, Sonnya, and now, I can also defend myself, and in addition to getting stronger, I've also gotten smarter as well.

Sonnya Flemmimenchinova: (Ukrainian Accent) That's incredible.

Nico: It sure is. So, Sonnya, what are these two really horrifying revelations about The Church of Necrom?

Sonnya Flemmimenchinova: (Ukrainian Accent) You won't like what I'm going to tell you. Now, as I've told you, the first revelation pertains to their Satanic sacrificial ritual six years ago. After they were expelled from Royal Woods High School by the Dark World Goth Girls, Damian Alaister, Michael Devlin, Carmen Sullivan, Nigel Moreau, Douglas Moreau, Cole Sullivan, Nigel Alaister, Cary Blakewell, Nigel Tinuviel, Douglas Griffin, Duncan Alarie, Ianira Dormund, Edana Baudelaire, Drusilla Draven, Chandra Mortlake, Adrienne Hawthorne, Jezebel Lanira, and Jocasta Belladona drugged and dragged their parents to the abandoned cemetery in Royal Woods, and then, they did a dark Satanic sacrificial ritual, and as they dragged their families to the front of the altar, they took their knives and they slit the throats of their parents, and their blood was spilled onto the altar, and then, a dark presence had come out from the darkness, and then, it gave them their dark powers and abilities, and they hadn't aged in those six years.

We gasped in horror.

Lincoln: Yikes, that's really dark, and they hadn't aged in six years, so that makes them 23 years old today.

Sonnya Flemmimenchinova: (Ukrainian Accent) That's right, and now, for the second revelation. After the dark Satanic sacrifices of their parents, Damian Alaister, Michael Devlin, Carmen Sullivan, Nigel Moreau, Douglas Moreau, Cole Sullivan, Nigel Alaister, Cary

Blakewell, Nigel Tinuviel, Douglas Griffin, Duncan Alarie, Ianira Dormund, Edana Baudelaire, Drusilla Draven, Chandra Mortlake, Adrienne Hawthorne, Jezebel Lanira, and Jocasta Belladona then went on a multi-state killing spree, and they went to ten different states across the United States, killing tens of thousands of people that were in their path, and they've left oceans of blood and dead corpses in their wake, and they've left the mark of The Church of Necrom on the bodies of their victims, and they got away with it by using their dark powers.

We gasped in horror and dread.

Lincoln: (Horrified) My God, that's really horrible.

Nico: (Horrified) This is really really dark, bloody, and gory. First, they sacrificed their own parents in a dark satanic ritual and then, they went on a multi-state killing spree in ten different states in the United States killing tens of thousands of people?! There's truly no line they're willing to cross.

Me: But, now they've crossed the point of no return, and now, we can add both ritualistic murder and murder to their rap sheets.

Nicholette Torrington: These crimes could ultimately mean they'll get sentenced to death for their crimes, but how can they get sentenced to death if they're still 17 years old, thanks to their ritual six years ago.

Griselda Huffington: If I remembered correctly, Damian had a gold medallion with him in his pocket, and it's the sign of their Satanic ritual's success. If we destroy it, it'll cause Damian and the others to age to their rightful age: 23 years old and it'll undo the effects of the Satanic ritual.

Lincoln: That's a good idea, Griselda, and that'll be when we get after Damian Alaister after we capture the remaining members of The Church of Necrom.

Nico: Good idea.

We then got a shower afterwards, and then, Lincoln and his harem were heading to Destiny Islands in Lake Huron, and Linka and her brothers are also going as well. But, they're going to be on guard since Nigel Tinuviel's sure to send someone after them to kill them again.

Lincoln snapped his fingers, and the 17-year-old 7'5" tall, white-haired, handsome, and extremely muscular teen was dressed in large orange swim trunks with a phoenix, thunderbird, buffalo, angel, and elemental forces on it, which are now a neon glowing orange, thanks to becoming a True Spice Demon and with intense rainbow hot flames coming off them, along with his large weighted orange bands with silver phoenixes on his massive biceps and thighs, his jewelry, large orange sandals, and eight large orange orbs orbiting around his legs, and he also had his weapons holstered.

Lincoln's harem were dressed in two piece bikinis with the elemental forces in their favorite colors, and they also had on their jewelry and had their weapons holstered, because Nigel Tinuviel's sure to send someone after them to kill them again.

Linka was dressed in a two-piece orange bikini with a thunderbird on it, orange sandals, and she had on her large weighted orange bands with silver phoenixes on her biceps and thighs, jewelry, orange sandals, and eight large orange orbs orbiting around her legs, and she also had her weapons holstered.

And her brothers were dressed in large swim trunks in their favorite colors with mythological animals and elemental forces on them, along with their large colored bands with silver phoenixes on their massive biceps and thighs, their jewelry, large colored sandals, and eight large colored orbs orbiting around their legs, and they also had their weapons holstered.

Lincoln: Alright, everyone, are we ready?

Paige: We're ready, Linky.

Lincoln and his harem and Linka and her brothers left the World Tree Estate, and they arrive at Destiny Islands in Lake Huron, and it's still as beautiful as ever.

Lincoln: Ah, here we are at Destiny Islands, and it's still as beautiful as ever.

Lincoln and his harem and Linka and her brothers dived right into the water, and they were swimming in the large ocean. Then, when they got to the surface, Lincoln got a deep tissue massage from the girls in his harem and Lincoln returned the favor and he gave the girls a deep tissue massage in return, and Lincoln played with Nanua, as she giggled and it was too cute. Then, they had lunch that Lincoln packed, and they sat in a picnic area that Lincoln made. Suddenly, the eight large orange orbs orbiting around Lincoln and Linka's legs and the eight large colored orbs orbiting around The Loud Brothers legs were both glowing and spinning like crazy, and Lincoln's deep sapphire blue eyes and the rainbow iris of his Third Eye were now glowing, and they fired rainbow energy blasts, and it hit a nearby bush, and forced a couple of figures out: it was the dark sides of Linka and her brothers.

Linka: What the? Are those our Dark Sides?!

Lincoln: It looks like it, Linka, and they were created by the dark magic of Nigel Tinuviel.

They saw that Lincoln was right, and they saw the marks of The Church of Necrom on their foreheads.

Lynn Jr.: They look just like us from six years ago, but their hair and clothes are black, and they have red eyes filled with hatred and rage.

Just then, we also appeared, and when we saw the dark sides of Linka and her brothers here, we were really shocked.

Nico: Whoa, the dark sides of Linka and her brothers, here?! But, how on earth is that possible?!

Griselda Huffington: Nigel Tinuviel's dark magic did this.

Lincoln used his Dark Side Eternal Purification on Linka and her brothers, and they were permanently severed from their dark sides.

Griselda Huffington: Nice work, Linky, now to take care of Nigel

Tinuviel's creations.

Suddenly, Griselda Huffington's green eyes turned neon green and she was surrounded by a green energy aura with darkness, demons, and dark magic, she unholstered her massive Gren, Tactician of Dark World-themed sword from her back, and as she approached the dark sides of Linka and her brothers, she left green energy, darkness, demons, and dark magic.

Griselda Huffington: You twelve dark genderbent Louds aren't going to plague Linka and her brothers ever again, and Nigel Tinuviel, if you're watching this, you've crossed one line too many when you created the dark sides of Linka and her brothers. But, don't worry, you'll get your just desserts soon.

Suddenly, Griselda Huffington was surrounded by a massive vortex of green energy with darkness, demons, and dark magic surrounding it, there's Gren, Tactician of Dark World flying around the vortex, and in the vortex is a green phoenix. Then, as the vortex faded, Griselda Huffington emerged, but she was changed forever.

(IMPERATRIX MUNDI PLAYS AT 1:45 TO 2:14)

Griselda Huffington grew from 6'5" to 6'11" in height, she had light purple highlights in the bangs of her long flowing dark purple hair, she has neon purple eyes and a purple energy, demons, darkness, and dark magic surrounding her, she has Gren, Tactician of Dark World emblazoned on her forehead, she has on demon earrings with dark purple gems for eyes and holding the Dark and Eternity Kanjis in its hands, she also has Gren, Tactician of Dark World with purple gems for the eyes and the Dark and Eternity Kanjis in its hand for the second pendant, along with the golden Thunderbird pendant of her Thunderbird Necklace of Eternal Love necklace with green crystal links from her merged Crystal Necklace of the Buddha and green gems on the gold lightning bolt links. Jackie Wren has on a sleeveless green vest, short-sleeved green shirt, green camouflage pants, green stockings, camo sneakers, and long green sleeveless trenchcoat with darkness, demons, and dark magic on the coattails, and Gren, Tactician of Dark World surrounded by demons, darkness, and dark magic on the back. Suddenly, Griselda Huffington's massive green angel wings grew much bigger for her new body, and the large green feathers have black tips. Griselda Huffington has on a Ring of The Phoenix with green gem and heart shaped gem embedded in it on her right ring finger and a Star Sapphire ring on her left ring finger.

Suddenly, Griselda Huffington's massive Gren, Tactician of Dark World-themed sword was surrounded by a kaleidoscope of green energy, darkness, demons, and dark magic, and when it emerged, it was transformed into Gren, Tactician of Dark World's Demon Greatsword of Darkness Tactician Justice, it's a brand-new greatsword with Gren, Tactician of Dark World etched on the 7'0" massive, wide, double-edged green blade, large black and green angel wings for the crossguard, large green gem embedded in the rainguard, longer black handle, and a large green gem with black angel wings surrounding for the pommel, she has on her new large gold cuff Bracelets of the Champions of The Universe with green gems on her wrists, new large gold Belt of Elemental Bravery with a gold version of Gren, Tactician of Dark World's head with green gems for eyes and a large green gem in its open mouth for the belt buckle, large Destroyer of The Church of Necrom grimoire, and rainbow-colored leather and gold metal bound Elemental Spellbook of Harmonious Justice, Eternal Harmony, and Equestrian Peace on her left hip and Eater of Sins revolver holstered on her right hip. There's a dark green kanji below Gren, Tactician of Dark World that said, "Griselda Huffington, Gene-Slammer of Gren, Tactician of Dark World, Brave, Courageous, and Powerful Member of The Dark World Goth Girls, Powerful Master of The Dark Arts and The Occult, Dear Friend of Nicholette Torrington, Giselle Harrington, Scarlet Rosenburg, Silvia Excelsior, Renee Ravenclaw, Helena Hufflepuff, Elizabeth Gryffindor, Selene Slytherin, Zennia Nikolaevna, Jackie Wren, Laniya Guillermo, Camie Nicholetta, Bertha Sellington, Celine Wendova, Chloe Terryington, Rhonda Jekyll, Connie Jackelstein, and Clara St. Clarice, Loving Future Wife and Guardian Angel of Lincoln Loud, Destroyer of The Church of Necrom, Slayer of Evil, Deranged, Murderous, Ruthless, and Sadistic Bastards, Amazing and Powerful Student of Amazing and Powerful Teachers, and Master of Darkness, Demons, and Dark Magic"

Griselda Huffington has transformed into SUPER ANGEL ETERNITY INFINITY DARKNESS TACTICIAN DEMON ANGEL OF DARK JUSTICE AND DARK TACTICIAN LOVE!

We were amazed by Griselda Huffington's Super Angel Eternity Infinity transformation, and when Lincoln saw her, he had an atomic red blush on his face and hearts in his eyes. But, when the dark sides of Linka and her brothers saw it, they went crazy and tried to break out, but Griselda Huffington fired a powerful blast of green energy with darkness, demons, and dark magic, and it hits the dark sides of Linka and her brothers and sent the bound dark sides crashing back first into a tree.

Nicholette Torrington: Holy crap, now Griselda Huffington's transformed into her Super Angel Eternity Infinity form, that's so awesome!

Nico: That's right, Nicholette, and she sent the dark sides of Linka and her brothers flying and sent them crashing back first into a tree.

Me: And now, she and Lincoln are going to deal with the dark sides of Linka and her brothers.

Lincoln: That's right, J.D.

Griselda Huffington: (Divine Echoing Cosmic Voice of the Dark Tactician and Dark Divine Love) **That's right, Linky. Shall we?**

Lincoln: (Smiles) With pleasure, Griselda.

Lincoln unholstered his massive Hinon's Cosmic Storm Sword of Universal Hope, Elemental Bravery, and Unbreakable Eternal Bonds from his wider and muscular back, and transformed into Super Angel-Ebonwu-Thunderbird Eternity Infinity Elemental Thunderbird Buffalo Angel of Universal Justice and Elemental Hope, and he joined Griselda Huffington.

Lincoln: (Divine Echoing Cosmic Elemental Voice of Universal Justice and Elemental Hope) **Let's get those dark imposters.**

Griselda Huffington and Lincoln went after the Dark Sides of Linka and her brothers, and they fired powerful blasts of rainbow energy, green energy, dark magic, Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, Magic, rainbow flames, rainbow crystals, Buffalo, Thunderbirds, Phoenixes, Angels, and Demons at the dark sides of Linka and her brothers, and they exploded with incredible power as they hit them. Then, they fire purifying blasts and removed the mark of The Church of Necrom on the dark sides of Linka and her brothers' foreheads, and they were tied up in rainbow energy straitjackets and rainbow energy chains fired by Lincoln, so they can't escape. We cheered wildly for Lincoln and Griselda Huffington as they holstered their massive greatswords on their backs and power down, and Griselda Huffington's new body, clothes, weapons, jewelry, and massive angel wings are permanent.

Then, Lincoln gave the dark sides of Linka and her brothers the Crystal Dragon's Vengeance Curse, and imprisoned them forever in magical crystal prisons, and beamed them to the Pluto Prison for good. Suddenly, Griselda Huffington wrapped her arms around Lincoln's thick muscular neck, as her chest was pressed against Lincoln's massive and wide muscular pecs, which brought an atomic red blush to Lincoln's face, and he wrapped his abnormally massive and powerful muscular arms around her waist and he brought her into a hug, which took her by surprise and brought an atomic red blush to her face. Then, as Lincoln leans down to Griselda Huffington's face, they kiss passionately as Griselda Huffington placed her hands on Lincoln's massive and wide muscular pecs, and behind them was a Thunderbird, Phoenix, Angel, and Gren, Tactician of Dark World flying in the air, and we also saw a herd of Buffalo running across the field, along with elemental forces and creatures of the night flying around the place and we cheered for them.

Nico: Whew, now that was a close one. Alright, guys, see you back at the World Tree Estate.

We then decided to head back and Nanua who got a kiss from her parents went with The Cutie Mark Crusaders, and then, Lincoln made clones of himself and he and his clones went up to the girls in his harems, and they wrapped their abnormally massive and powerful muscular arms around the girls' waists, and they passionately kissed and hugged with supercharged and intense passion, and it also became even more sizzling hot for the girls in Lincoln's harems as they wrap their left arms around the thick muscular necks of Lincoln and his clones and placed their right hands on the massive and wide muscular pecs of Lincoln and his clones, and Linka and her brothers cheered for them. Then, they came back home to the World Tree Estate, and they were in their original clothes.

And back in their demonic castle, Nigel Tinuviel saw what Lincoln did and foiled his latest scheme again, and it pissed him off so badly, his red eyes turned blood red with insane rage and he flew into an insane rage, and we heard it from the World Tree Estate. Grace covered Nanua's ears when that crazy warlock screamed in insane rage.

Lincoln: (Smirks) Serves you right, Nigel Tinuviel.

Nico: Creating the dark sides of Linka and her brothers to kill you guys, now he's gone way too far.

Zennia Nikolaevna: (Russian Accent) Indeed, and later on, Lincoln and I will deliver Nigel Tinuviel's punishment after our mission today.

Lincoln: That's right, Zennia. Make dark sides of my genderbent sister and her brothers to kill us, he'll regret it big time.

Me: They're all going to pay for this, along with what they've done six years ago.

Eli: I know, and I'm still horrified of what they've done.

Nico: Me too. I can't believe that they killed so many people in their devotion to Necrom, they're not human, they're monsters.

Nicholette Torrington: They sure are, now, that really gives us more reason to stop them for good.

Lincoln: That's right, Nicholette.

---

Later it was time for Megan's Final Ambassador Mission.

Me: The Last Ambassador Mission for Megan.

Nico: Yep.

William: Anyone else want to go with Megan? Besides the Zenkaigers and 3 Rabbids?

Naruto: Me, Sasuke and the Shinobi of the Leaf can go.

Sasuke: We would like to see this in action.

Sakura Haruno: It'll be awesome.

Nico: All right lets head out.

We were off to Japan.

We arrived in Japan.

Touma: Hey guys!

Kaito: Hey, Touma!

Touma: Kaito been a while.

Me: You guys did help us out a while ago.

Zocks: That's true.

Nico: Yep. And meet the Shinobi of the Leaf.

Naruto: Sorry we weren't properly introduced. I'm Naruto Uzumaki Namikaze, Future Hokage of the Leaf.

Sasuke: I'm Sasuke Uchiha.

Sakura Haruno: I'm Sakura Haruno.

Kiba: I'm Kiba Inuzuka.

Hinata: I'm Hinata Hyuga.

Shino: I'm Shino Aburame.

Neji: I'm Neji Hyuga.

Tenten: I'm Tenten.

Rock Lee: I'm Rock Lee.

Ino: I'm Ino Yamanaka.

Shikamaru: I'm Shikamaru Nara.

Choji: I'm Choji Akimichi.

Fu: I'm Fu.

Rin Nohara: I'm Rin Nohara.

Yugito Nii: And I'm Yugito Nii.

Touma: Awesome to meet you all.

Magine: Hello, Reika!

Reika: (not forgetting their hug) Magine, it's good to see you as well.

Magine: You too Reika.

Me: That is still so awesome how you guys and the Zenkaigers know each other.

Nico: It sure is.

Ryuga: (to Zocks) I will be keeping a close eye on you so you don't try any mischief.

Zocks: (smirks) I'm shaking in my boots.

Eli: (sighs) Excuse me. But I must discipline-

Eli stopped when Reika raised her eyebrow at him.

Eli: (gulps) Nevermind.

I glared at Reika with a worse glare.

Me: Don't even think about it Reika.

Reika: (Gulps)

Ryuga: Is my sister really that scary?

Nico: In a stern kind of way.

Me: If looks could kill we would be dead. But yeah she is scary. Also I'm a million times scarier.

Reika: Oh really?

I showed my red eyes and they had an image of the Malevolent Insanity world in them.

Me: Don't even test me.

Fu: He's not bluffing.

Reika: Anyway, Storious has not made any move against us in person yet. But by August, that could change.

Me: And we'll be ready for him. I can't wait to kill that fucked up asswipe son of a fucking bitch.

Nico: Me too. He has caused far too much pain and trouble.

Sakura Haruno: What he did shows that he is less than anything but human.

Eli: That is for sure.

Kaito: When that day comes, we'll gladly help you guys against him.

Ryuga: Thank you. But please. Let's not dress up as girls to draw him out.

Reika: What are you talking about?

Ryuga: (sighs) It's a long story that involves a plan of Kaito's to lure Hikoboshi World out to save you and Magine. It was unorthodox. But it worked.

Me: I remember that! Wait a second. Nico did you get the idea for that from when we met Erika to dress up like a girl so we can get in?

Nico: (Mischievous laugh) No I didn't dude but I got that from the LupinRangers VS The PatRangers. But it is very similar.

Me: (GROWLS LOUDLY) I'M NEVER GONNA LIVE THAT DOWN! I HAVE NEVER BEEN SO HUMILIATED IN ALL MY LIFE!

Touma: What happened?

Me: (GROWLS) I don't want to talk about it. It was just so fucking humiliating! Kaito: When that day comes, we'll gladly help you guys against him.

Touma: (hears sirens) Another Megid must be attacking.

Naruto: Time for some action!

Me: Lets do it!

Eli: Yeah!

We were off!

Reika: Which is it this time?

We arrived and we saw SPIDER, NEKO AND HANZAKI MEGID!

Nico: Spider, Neko and Hanzaki Megid!

Naruto: These guys are asking for it.

Me: You said it bro.

Megan McCallister: This is gonna be good.

Me: Time to kick some butt! KIBAL LETS HOWL!

(THE WOLF AND THE MOON BY BRUNUHVILLE PLAYS)

I turned into Wolf Moon 🌙!

Naruto turned into his Six Paths Sage Mode!

Sasuke had awesome Susanno Armor on.

Sakura was in her Slug Sage Mode.

Fu was in her Seven Tails Tailed Beast Mode!

Hinata had her Lightning Priestess Angel Mode ready!

Touma: WHOA! That is so cool!

Me: The Shinobi that live in the Hidden Leaf are much different than the ones that lived in Feudal Japan centuries ago. In 150,000 years they get these really amazing powers.

Fu: It's true and it's awesome.

Nico: Yep.

Touma and Megan: Henshin!

They transformed and were ready!

Touma: Now, time to power up.

Ryoga: No, Touma. That Primitive Dragon of yours is still too out of control!

Touma: I know. That's why I'm using Xross Dragon instead.

Seiba Battou! Haouken Xross Saber! Sōsei no jūji! Kirameku hoshi-tachi no kiseki to tomoni! Kedakaki chikara yo yūki no honō! Xross Saber! Xross Saber! Xross Saber! Majiwaru jūpon no ken!

Nico: YEAH!

Me: Nice!

Naruto: Now that is cool!

Me: Yeah it is! Bro lets start it off with a bang.

Naruto: You got it bro.

Me: Guys you may want to hold on to something. This is gonna be really powerful.

Touma: Okay.

They held on.

Me: KAAAAAAAAA MEEEEEEEEEE HAAAAAAAAAAA MEEEEEEEEEEE!

Naruto: TRUE SAGE ART: OMEGA TAILED BEAST RASENSHURIKEN!

Naruto punched his opponent with a tailed beast chakra arm, sending them up in the air and putting some distance between them. He fully manifests Kurama, and creates nine shadow clones, each creating a different Rasenshuriken. The shadow clones throw the Rasenshuriken, while the real Naruto sends a Tailed Beast Ball, all attacks converging on the opponent.

Me: HAAAAAAAAAAAAAA!

I fired a Kamehameha Wave and Naruto threw the 9 Tailed Beast

Rasenshuriken and then Naruto fired a Tailed Beast Bomb and they slammed into Spider and Neko Megid and went far into space where they exploded with incredible power!

EXTREMELY POWERFUL AND INCREDIBLY MASSIVE EXPLOSION!

The explosion was so massive and so powerful and so devastating that it packed enough power to obliterate 3,000 planets!

When the smoke cleared, Spider and Neko Megid were completely destroyed and nothing was left of them! Then their Wonder Ride Books appeared and they landed in my hands. One was called The Seven Tailed Butterfly of Nature and the other was called The Two Tailed Cat of Fiery Ghosts.

Me: Whoa! These are perfect for you and Yugito, Fu.

I gave them to them.

Fu: Wow thanks J.D.!

Yugito Nii: This is awesome.

Touma: Wow! That was POWERFUL!

Kento: Unbelievable!

Sakura Haruno: Yeah it was.

Kaito: (takes out Abaranger gear) THIS is what we've been saving our gears for.

Zocks: (takes out Dekaranger gear) Of course it is.

Nico: I remember seeing J.D. do this and that was awesome!

Kaito got the quill of the Abaranger and Zocks summoned the D-Wapper!

Reika: (slashes Hanzaki Megid) Nico. J.D. In the future, when we all join you, I would like a Gene Slammed form of my own.

Nico: Really? Which one?

Reika: Any will do.

Me: I think we can work something out. But we'll have to think on that one.

Reika: Okay.

I slashed Hanzaki Megid and smashed him down.

Rintaro: Wow! J.D. how did you and Naruto use that technique?

Me: It uses a powerful energy called Chakra.

Nico: It's a long story.

Me: Unlike the ninjas of Feudal Japan, the ninjas of the world of Shinobi all have a lot of amazing and really awesome powers.

Naruto: Yeah and they are very different to everyone.

Sasuke: It's true.

Hanzaki Megid: Take your best shot! I'm not afraid of you.

Kaito used the quill to draw up some gasoline at Hanzaki World's feet.

He dumped it all over him.

Me: But you should be afraid of this.

I fired a blast of fire and ignited him and he screamed in pain as he was lit on fire!

Nico: Now that one BURNS YOU UP!

We laughed at that one!

Ryoga: If that doesn't finish him, our next attacks will.

Me: Yes it will.

Nico: Lets do it!

We fired waves of elements and energy and the blasts all completely obliterated Hanzaki Megid in an instant!

Me: Take that!

Nico: Yeah! You three Magids have failed this city!

I picked up the Wonder Ride book.

Me: Hmm. Fairies of the Plum Tree. That is a cool one.

Ino: Boy it sure is.

Megan McCallister: Nice title.

Touma: Megan, I know your other siblings are gonna be jealous because of this. But ever since I met you, I've seen you as a little sister.

Megan McCallister: Really? Oh Touma!

She and Touma hugged.

Me: Looks like Buzz and the McCallister Siblings are gonna have a big surprise in the future.

Nico: Yeah they sure are.

Rintaro: J.D. I know this is gonna be hard but do you think that you can teach me and the Saber Kamen Riders how to use Chakra later on?

Me: We would really be honored Rintaro.

Naruto: Yeah you're more than welcome to try it out.

Ryoga: This will be amazing.

Nico: It sure will be.

Ryoga: (to Touma with a smile) Now you know what it's like to have a sister, Touma.

Touma: I sure do.

Me: And we're all so happy for him and Megan. Cornelia views Megan as a sister too.

Eli: It's true.

Ryoga: By the way J.D. are you and Naruto really brothers?

Me: Not by blood. I've looked after Naruto since he was little and we've gotten a very powerful brother bond ever since. I taught him in everything I know and he and I got really close.

Nico: Yeah it's true.

Eli: But I think it's so awesome myself.

Me: Yeah.

We later came back.

May: Hey guys! We saw a massive explosion. Are you all okay?

Me: We are. We were just showing the Kamen Riders some of the techniques that Naruto and everyone in the world of Shinobi use.

Nico: Yeah it's awesome.

Lola: Wow!

May: How did it go?

We told everyone everything and it was awesome!

Laney: Wow!

Cornelia: That is gonna be so cool for Kevin and his family.

Nico: It sure is.

May: Maxxine. For your first mission, Wes and 1 Rabbid should go with you.

Maxxine: Awesome! Tsukuyomi it's going to be so awesome to meet your team.

Tsukuyomi: You're going to have a lot of fun on this one.

Me: We both are. Clyde and Syd have been doing an awesome job so far.

Clyde: Thanks J.D.

---

We were at a football game in the high school and it was really awesome. Lynn's favorite team for GRY was winning.

Nico: WOOHOO! GO ROOSTERS! WOO!

Me: YEAH!

Silver Spoon: Guys, is it me or do the opposing team look a little… too muscular?

Me: Huh?

We looked at the team and we saw that Silver Spoon's observations were right.

We saw the other team REALLY ROUGHING A BUNCH OF PLAYERS UP! They were even sending them flying and crashing them into walls with incredibly powerful force!

Nico: OOH! OUCH!

Eli: I sense something bad going down guys.

Me: I feel it too bro. We better look into this.

We went to the locker room of the other team and looked around and then Matilda found something.

Matilda: Hello? What's this?

Me: What is it Matilda?

She showed me a packet and it had a bunch of steroid patches!

Me: Steroid Patches?

Matilda: What are these for?

Me: Hmm. Lisa you better run a chemical analysis on these.

Lisa Loud: Affirmative.

Lisa tested them and we saw that they were VENOM SLAPPERS!

Skalor: These are slappers!

Lisa Loud: Affirmative!

Me: I knew it! That team is cheating by using these.

Nico: It's a dishonor to the world of Sports.

Me: The other team is in a lot of hot water for using this stuff. Look what it did to future Bane.

Nico: What happened?

Me: Right Nico you weren't with us when that happened but it was how we met my future self and Terry.

I went over what happened in Chapter 408

* * *

Me, Varie, Rachel, Vince, Carol, Talia, Nicoln, Jared, Tara, Aqua, Sora, Kairi, Fu, Aylene, Cody, Lincoln, Laney, Lori, Lucy, Lola, Lila, Lily and The Redemption Squad were in the Simulator.

The rest were in the control room.

The exercise began and we found ourselves in Gotham City in the future.

Gotham was now an incredibly advanced city unlike anything we had ever seen before.

Venom: Wow!

Maria: Where are we?

Me: Actually this is more like when are we? This is Gotham City in the future.

Tara: This is incredible!

Aqua: I can't believe that Gotham has now become this advanced.

Vince: Me neither. I wonder what year it is.

Lincoln: This is so cool! I think I remember this Gotham from my favorite show Batman Beyond.

Laney: Really? What year does it take place?

Lincoln: It takes place in the year 2039.

Varie: 2039!? That's incredible!

Me: It sure is. That's 21 years from our time.

Lila: I had no idea that Gotham would become this advanced in the future.

Sora: Well nobody knows what the future has in store and this all could happen in our time 21 years later.

Aqua: That's true Sora.

Kairi: This is all just hard to imagine.

Aylene: Yeah.

Me: Lets check this place out.

We walked around the Advanced Gotham Megametropolis and saw a huge number of changes that were done to the city. The buildings were much taller than anything we were familiar with. There were hovercars floating on the streets and flying by the buildings. The technology of the future was much more advanced than what we know and more. But Gotham was still the same crime filled city that we all know.

Me: This is all incredible. I can't believe that Gotham will become like this in 21 years.

Varie: It may or may not. Like Sora said nobody knows what the future will bring.

Me: That's right.

Then a man dressed like the Joker came out and he had a pie in his hand.

Joker: Your money or a pie.

Me: How about neither?

I fired a shockwave blast and blew him into a building and knocked him out.

Aylene: That was a waste of our time.

?: I agree Aylene.

A man came out and we got a big shock. He had longer black hair, clothes like master Goku's and he had a mustache and the 3 scars on the left cheek were unmistakeable. He was now 6'5".

We all gasped.

Me: (Gasp) You… You're me!

Older Me: That's right. J.D. Knudson of the year 2039. Welcome to the future my young self.

Me: This is awesome! I didn't know that I would look so cool!

Older Me: I get that all the time. I'm sure you must have a lot of questions for me.

Me: That's right. But you can't reveal them because of everything that went down here and we're from the past and it could alter the future.

Older Me: Bingo.

Lori: I never knew that you would be so handsome in the future J.D.

Me: Yeah.

Older Me: That's true. I'm glad you're all here. We need your help. Batman is on the case of a huge operation where a man has been making Steroid Patches made with Venom.

Venom: That stuff is poison and it will kill you.

Older Me: That's right Venom and it will. But it takes years. Varie is helping me on the case right now. She's over at a special center where our old musclular friend Bane is at. I'll explain on the way. Lets go.

We flew to a special house. We go in and iin a room we saw Future Varie. She had longer teal hair, clothes similar to Videl's from Dragonball Super and an Omnitrix on her left arm.

Future Varie: Hey guys.

Older me: Hey honey.

Varie: Wow! I never knew that I would turn out to be this beautiful.

Future Varie: It's true.

Me: So you guys officially tied the knot in 2025 as we had planned.

Older Me: That's right.

Lola: That is so amazing!

Laney: It sure is.

Older Me: Our friends here came from the past to help us.

Me: What happened to Bruce Wayne? Isn't he helping you?

Older Me: No. In the year 2019 in our time Bruce retired from being Batman. There's now a new Batman in Gotham. His name is Terry McGinnis.

Me: Wow.

We found out that Terry was hired by Bruce to be the new Batman after his father Warren McGinnis was murdered by the gang called The Jokerz.

Me: That's horrible.

William: I can't believe that Terry's father was murdered in cold blood.

Me: Those animals!

Older Me: You'll get no argument from me.

We looked at Bane and my suspicions from before were confirmed 21 years later. His muscles were completely destroyed and he was hooked to an oxygen respirator and he was now a wheelchair-bound invalid.

Me: Jeez. Looks like Lisa was right. He will become wheelchair-bound in 20 to 30 years.

Future Varie: Yeah. He was on Venom for a really long time and he needs the drug in its entirety just to stay alive.

Killer Frost: That's terrible.

Elena: It sure is.

Riku: I can't believe that Bane has a potent drug like that.

Kraven: (Russian Accent) And in the end it destroyed him and made him into this.

Lincoln: Yeah that's awful.

Mariah: Maybe we can use this drug and remove the addictive effects.

Batman 2039: (Offscreen) That's not a bad idea.

We saw the new Batman.

Me: You must be Terry McGinnis AKA The new Batman.

Batman 2039: That's right.

Older Me: They're all right Terry. They are ourselves from the year 2018.

Batman 2039: That's 21 years ago. How is that possible?

Me: It's a long story Terry.

Mariah took a sample of the Venom Drug and put it in a test tube.

Lincoln: I think I know who is behind the selling of the Venom Patches.

Me: Who is it Lincoln?

Lincoln: His name is Jackson Chappell, Bane's assistant.

Older Me: I have a feeling you're right Lincoln.

Me: What do these Venom Patches look like?

Batman 2039: I have them right here.

Batman handed me a package of them and they had a similar characteristic.

Me: These look more like Nicotine and Fentanyl Patches. Like the ones we use for medicine.

Batman 2039: That's right. But they are loaded with poison that's highly addictive.

Older Me: Well either way we have to stop him and I have a feeling I know where he's at. Lets go!

We set out for an abandoned Newspaper Factory. We then busted in and we saw Bane's assistant Jackson Chappell and he was the mastermind behind the Slappers problem.

Me: So you are the mastermind behind all this.

Chappell: That's right.

Batman 2039: How did you con the formula out of Bane?

Chappell: In the end he needed Venom just to keep going. It got so bad that he couldn't even make it himself. He had to trust someone.

Older Me: Well we found out about it.

Batman 2039: And now you're cashing in by selling poison to kids?

Chappell: That's right.

He took off his shirt and put some Slapper patches on himself and he buffed up big.

Me: Whoa!

Older Me: Lets dance.

Me and my future self went Super Angel. But my future self was stronger and more powerful than ever.

Me: Wow! Your energy levels are incredible!

Older Me: The benefits of training.

Me: Lets get him!

Lincoln, Laney, both Varie's, Carol and Vince went Super Angel and we all went at him and he was putting up a really good fight. He was a very strong and formidable adversary.

I punch him in the face and knock him into a tray full of slappers and they made him bigger than ever as he screamed in pain. He was in a lot of pain.

He got up and he was now a muscle-bound behemoth!

Venom was put into a headlock.

Chappell (holds Venom in a headlock): ISN'T THE FUTURE FUN?!

Venom (punches Chappel in the face): Not if you're in it!

I kick him in the face and Future Me fired a blast of energy and burned his eyes.

Chappell: I'LL KILL YOU!

Me: Not if I kill you first!

I fired an energy blast and vaporized him into nothing.

Nicole: Good riddence to him. Now to make sure he never terrorizes the High School Population. (Chants an Incantation) Aldruon Enlenthranel Vosolen Lirus-nor!

His spirit went into the Book of Vile Darkness.

We went to the McGinnis apartment and talked to his mother Mary and he was found clean from the Toxicology reports. Terry fell asleep after a long day and three students from his school were arrested for drug possession and cheating. The coach was placed on Suspension without pay.

I placed the 2039 Gotham in Royal York and it was a replica of the city in our dimension. It was so cool to meet our future selves. The Redemption Squad was really doing different things in the future. The list is too long.

We had a lot of work to do in this future version of Gotham Royal York.

FLASHBACK ENDS

Nico: Whoa! That's right I missed out on that.

Maria: I remember that. That was really awesome.

Eli: Wow!

Me: Lets go expose the team.

Lola: I already called Sheila and Tom.

We went to the stadium floor!

Beachcomber: Funny how Jackson joined up yesterday.

Me: Yeah it sure is.

We went onto the field.

Me: Pardon me Mr. Referee may I use the microphone for a second?

Referee: What for?

Me: It's important.

I had it turned on.

Me: People we have discovered in the other team's locker. We found (Holds up a package of Slappers) THESE IN THEIR LOCKERS! SLAPPERS!

Everyone gasped!

Other Team Coach: Those aren't on my players!

Nico: Oh yeah?

Nico showed a bunch of Slappers on a bunch of players.

Nico: What do you call those Mr. Cheater!?

BUSTED!

Everyone was booing and jeering the other team!

Referee: The other team is hereby disqualified from the game and The Gotham Royal York Roosters Win by default!

Sheila and Tom came and arrested the entirety of the other team.

Me: You guys are looking at Federal Drug Charges for this.

Coach: You will pay for this!

Bender: BITE MY SHINY METAL ASS!

Koichi: Jackson should be the only one to use these.

Nico: I agree there Koichi.

Me: We'll only use these as a last resort though.

Laney: Yeah Venom is far too dangerous.

Nico: I agree. But this was a big time bust for us.

Lana: Yeah it was.

Sheila Loud: No kidding. Great job guys. Especially since Jackson Chappell is now Yost Wolverine's archenemy.

Nico: That is true.

Eli: Yeah it is.

Nico: Yep. Anyway time for our next mission. We got to head to the Park and help Benson, Mordecai and Rigby out.

Me: Wonder what they need us for.

Nico: We are heading there because it's a birthday for someone special.

Me: Who?

Nico: Uh uh uh.

Xiao Fung, Electro, Deadwood, Hydro Man, Moonstone, Mysterio, Blizzard, Oculous, Vreedle Brothers, and Cargill appeared.

Xiao Fung: Can me, Electro, Deadwood, Hydro Man, Moonstone, Mysterio, Blizzard, Oculous, Vreedle Brothers, and Cargill go with you guys?

Nico: Yes you all sure can.

Electro: We saw the bust and that coach was a cheater.

Me: Lesson here is that cheaters never prosper.

Batman: He wanted to win by any means necessary.

Me: Looks like he will have to learn the hard way that cheaters never win.

Rainbow Dash: From jail.

Me: Yep.

Wallflower: Nico, which Gene Slammer do you think you'll meet on your next rescue?

Nico: I'm hoping to do one that's for an Evolved Petrosapien next.

Me: Wow! An evolved version of Diamondhead next. This will be cool to see.

Laney: Yeah it will. So one of the Crystal users will go.

Me: Like Bobby, Vince or Rarity. And Rarity is already in the rescue group.

Nico: That's true.

Lola: Yeah it sure is.

Rarity: Indeed there darlings.

Nico: Yep.

Octagon: Me and Rhomboid got an extra cake for the party.

Rhomboid: This one's vanilla.

Me: Awesome.

Sandy: Make sure Patrick doesn't eat it before anyone else.

Me: You know how much Patrick loves cake.

Laney: Yep.

Suddenly, Lincoln's deep sapphire blue eyes and the rainbow colored iris of Lincoln's Third Eye glowed even more, as he sensed a dark energy signal with his eyes and the Force, and he saw who the figure is in the vision: it was none other than Nigel Tinuviel, and he's coming to kill us all for revenge for ruining his schemes, and he's now major leagued pissed off. When we saw it, we knew it meant trouble.

Nico: Uh oh, I know those glowing eyes from anywhere. Lincoln, is Nigel Tinuviel on the move?

Lincoln: That's right, Nico, and he's coming to kill us all for revenge for ruining his schemes, and he's major leagued pissed off.

Zennia Nikolaevna: (Russian Accent) So, Nigel Tinuviel's finally on the move? Perfect, now, we have our chance to stop him once and for all.

Lincoln: That's right, Zennia.

Me: And while we were in the Dream World, we found something that The Church of Necrom's been using to send you into fits of rage.

I took out a container and inside it was a menacing silver container in the shape of a horned demon, and inside it was a menacing purple glowing orb.

Lincoln 2: (Through the Rainbow Thunderbird and Third Eye Rainbow Iris) (Gasps) That's The Vessel of Abaddon, it's a dark artifact that I've heard about 250 trillion years ago, and the purple glowing orb inside the container is said to send people into fits of rage. Someone in The Church of Necrom must've used black magic to teleport it inside your dream.

Nicholette Torrington: Or used Nightmare Demons to do so, and there's only one person in The Church of Necrom who's capable of that, Michael Devlin.

Lincoln: Damian's second-in-command, looks like he and the other members are going to try and use dark artifacts on me to try and get revenge on me for what I did to Necrom.

Me: Now, those bastards have crossed one line too many. Lincoln, whatever you and The Dark World Goth Girls have planned for those bastards after you capture them, I hope it's really painful.

Lincoln: Trust me, it's going to be painful, J.D. But, first, I need to get rid of The Vessel of Abaddon.

Lincoln fired a blast of purifying light and destroyed The Vessel of Abaddon entirely, and it pissed off the remaining members of The Church of Necrom inside their castle, except for Nigel Tinuviel who's on the move.

Nico: Nice one, Lincoln, alright everyone, let's go.

We were off to the park.

---

At the park we had everything all set up. The party was actually for May. It was her birthday today.

Anastasia (Cinderella): Logan, do you know why J.D. was able to resist accepting Luthor's offer.

Yost Wolverine: Because he never believes the words of dirtbags like him?

Anastasia: (Cinderella) Not only that. But it's because J.D. remembered all the good memories he had wth us. Including you.

Me: That's right and it's true.

Yost Wolverine: I'm glad he things so highly of everyone.

Me: It's true. I wouldn't have come so far if it weren't for all the love and support I get from everyone.

Eli: That's true.

Pinkie Pie: Here they come!

Nico had May being lead to us and she was blindfolded.

May: What is the awesome surprise?

Nico: You're going to see now. Okay take off your blindfold!

She did so and then…

Everyone: SURPRISE! HAPPY BIRTHDAY MAY!

May: (GASP) Oh My Goodness!

Nico: Happy birthday honey!

Manaphy: Happy birthday mama!

Cargill: (smiles) Happy Birthday, May!

May: You guys are so awesome!

Me: We would never forget your birthday May. Also we wanted to do it over at the park to make it feel special.

Benson: Yeah it was all Nico's idea. After we had his birthday he thought about doing your birthday here.

Mordecai: It was really awesome and Pinkie Pie and Cheese Sandwich all have been a huge help.

Me: Yeah they have.

Muscle Man: You know who else has been a huge help?

Laney: I know what's coming here!

Muscle Man: MY MOM!

Mordecai, Rigby, me, Muscle Man and High Five Ghost: OOOOOOOHHHHH!

Everyone laughed!

Riku: (smiles) Consider this your Birthday month.

Me: I like that.

May: Hey me too.

Nico: Same here! That is awesome!

Pops: Oh it sure is!

High Five Ghost: Yeah baby!

Pinkie Pie: You bet!

Yost Cyclops: Deadwood, how is it that you're able to understand Plank but we can't.

Deadwood: Because me and Plank are both made from trees.

Nico: He's right on that. Plank is a piece of wood and so is Deadwood.

Jonny: That's right. Me and Plank have been together for a long time.

Edd: Jonny's need to communicate with an inanimate object is quite normal. To avoid all forms of social phobias.

Nico: Double D is right.

Me: And May you will like the cake we made.

May: Ooh what is it.

We showed her a really awesome and delicious cake made from 5 different kinds of tarts. We called it the Quintuple Royal Tart Deliciousness Cake. It was composed of 5 flavors of tarts. Chocolate, Vanilla, Strawberry, Cherry and Grape.

May: Oh wow!

We later got to opening presents.

Nightshade: Open my gift first. Don't worry. This one isn't stolen.

May opened Nightshade's gift and it was an awesome new Wonder Ride Book and it looked like mine. But with a Crescent Moon on it. And May got her own Kamen Rider Sword and

Sengoku Belt. The Book was called Black Night Wonder Mystery.

May: Wow! My own Kamen Rider Saber belt and its own Wonder Ride book.

Nightshade: After Megan's 3rd mission was done I went to talk with Touma and he found all that for you and gave them to me to give to you.

May: Wow! Thanks Nightshade.

Me: We'll be sure to tell Touma thank you from you.

We gave May all sorts of awesome gifts.

Maria: Phase 1 of our big missions for this year is almost complete.

Electro: All that's left to recruit are Max, Juru, and the Yost versions of Cap and Web Head.

Nico: Yep and that is gonna be so cool.

Me: We're almost half way done with the year and we already have phase one of the Ambassador Missions done. When Max, Juru and the Yost missions are finished we move on to phase 2. And that is the Kamen Riders.

Nico: Bingo.

Buddy Pine: Open my gift next.

She did so and it was an awesome new Zero Movement Gauntlet like the one Syndrome used.

May: Wow! My own Zero Movement Gauntlet.

Buddy Pine: Yeah my inventing powers are really useful for making stuff like that.

Me: They sure are. Awesome.

Blizzard: Here's my gift. From one ice user to another.

May opened it and it was an ice ray gauntlet!

May: An ice ray gauntlet! Cool!

Blizzard: Thanks. It's based on the one I use.

May: Awesome! Thanks.

Me: This is gonna be awesome for May to use awesome ice weapons.

Crag: It sure is. And May you will like our gift.

Crag gave May a Brown ring with the letter R on it.

Crag: You're now an awesome honorary member of the Ripping Friends.

Nico: Cool!

May: Thanks Crag!

Tentakill: Now for my gift.

Tentakill gave May her own spell book that can allow her to summon fusions like how Hailey Timaeus, Joan Critias and Gina Hermos can summon their fusions. It was called The Grimoire of Dragon

Fusions!

May: Wow! My own Dragon Fusion Spell Book!

Nico: That is cool!

Hailey Timaeus: Yeah we helped put it together.

Nico: Yeah!

Tentakill: It was also my idea too.

Hailey Timaeus: Yeah.

May: Thanks guys.

Moonstone: Open mine next.

May opened Moonstone's present and she got an awesome and really cool necklace. On the gem it said "Property of Nico Chan, Leader of Team Loud Phoenix Storm."

May: Cool necklace!

Moonstone: Yeah I had it engraved for you.

May: Yeah and I'm Nico's property! (Grab's Nico's Manhood) See this!? This is mine! This is where my babies come from!

Bleez: And with that, being careful about saying mature stuff went out the window.

We laughed.

May: Come on Nico I'm just messing with you.

Nico: I know May. I love you.

May: Me too Nico.

Nico and May kissed.

We were happy for them.

Nico: Shall we have some of that cake?

Oculus: Don't mind if we do.

We got some cake and it was delicious!

Me: (Eating cake) Mmm! Delicious.

Eli: You said it.

Nico: Yeah.

Mordecai: You got that right.

Benson: I'm happy that we can have May's party here.

Rigby: As long as Happy Birthday doesn't show up.

Me: Who is Happy Birthday?

Mordecai: You would not like him.

He went over his history.

---

Happy Birthday is the main antagonist of the Regular Show episode "Happy Birthday Song Contest".

He was voiced by Kevin Michael Richardson who voiced the Pig Sheriff in Samurai Jack, Shredder in 2012 Teenage Mutant Ninja Turtles version, Sarevok Anchev in Baldur's Gate, Gantu in Lilo & Stitch franchise, Goro in Mortal Kombat film, Milleous in Ben 10 franchise, Trigonin Teen Titans, Trigon's 2013 incarnation in Teen Titans Go! and Rhombulus in Star vs The Forces of Evil.

Happy Birthday appears at the happy birthday song contest, after Mordecai and Rigbys song appear to have won. He sings the happy birthday song and showers confetti over the crowd, making them brainwashed and they start to walk away. Mordecai and Rigby then save them by singing their happy birthday song, freeing them. Happy Birthday then leaves, defeated.

When he was done we were shocked!

Me: Oh man! So he is the living embodiment of the Happy Birthday song and he hates you guys for singing your own variation of it.

Rigby: Yep.

Scavenger: In that case, we need to find out where he is!

Nico: We're not going to have to look very far. Looks like he is right over there!

We saw about 200 yards from us that Happy Birthday was across the bridge on the other side of the park.

Me: That's a short hop from here.

We saw Happy Birthday and he was brainwashing little kids all over.

Nico: That sick fiend.

Eli: We got to stop him.

Mysterio: Which Heartless robots should I summon today?

Me: I got an idea. Lets do those Hot Rod Heartless.

Mysterio: Ooh the car Heartless. Good choice.

Nico: Those are cool ones. All right lets do the entrance. We'll teach this birthday cake jerk not to mess with peoples birthdays.

We went at him.

Happy Birthday was having the kids sing and then the spirits of the Masters of the Moonlit Nature appeared and swirled around him and then they converged and then a massive explosion of blue fire blasted out and wolves were howling and then we came out.

Nico: Happy Birthday, this will be your last birthday ever.

Happy Birthday: Who are all of you?

Nico: We're Team Loud Phoenix Storm and we're going to slice you up and eat you!

Spectra Phantom: Everyone, get out of here!

Helios: We'll handle him!

Me: Spectra and Helios be nice. Kids you better get out of here. This is gonna get ugly really fast.

Kid 1: Thanks guys. Sock it to him!

Me: With pleasure.

The kids left.

Happy Birthday: You will never eat me!

Nico: First we have to cook you and then we'll eat you!

Xiao Fung: To cook you, we'll kill you!

Nico: That is for sure!

Me: Yep.

Then Shendu, Selene, Amora the Encantress, Webstor, Angel, Red Ghost, Skalamander, Rich Texan, Steam Smythe, and Black Adam appeared.

Nico: Shendu, Selene, Amora the Encantress, Webstor, Angel, Red Ghost, Skalamander, Rich Texan, Steam Smythe, and Black Adam.

Black Adam: Awesome party. And May, Happy Birthday.

May: Thanks. This was so fun!

Red Ghost: (Russian Accent) Glad you are having fun.

Shendu: Having a Happy Birthday?

May: I sure am!

Amora: That's good.

Selene: It'll be even better once this jerk's dealt with.

Me: Yes it sure will be.

Webstor: (to Nico) We heard you recruited a lot of duellists.

Nico: We sure did.

Angel: Any useful ones?

Me: We recruited the Paradox Brothers, Lumis & Umbra Odion and Espa for you guys.

Angel: Cool! This will be awesome.

Silverhead then appeared.

Nico: Silverhead. Back for another round.

Silverhead: Yep.

Lola: Awesome.

Silverhead: (to Sarah) How's my blaster working out for you?

Sarah Gunnerson: Oh it sure is! It's so awesome!

Silverhead: Cool.

We got the usual battles underway!

---

Kendra Armstrong, Sunset Shimmer, Pipsqueak, Fire Skylanders, Maria, Nico, Carol, Masker Mind and Koichi VS Shendu - Mine and Lincoln's Dream Rescues

---

Shendu the Demon Sorcerer of Fire was first.

Shendu: (to Kendra) How were J.D. and Lincoln's dream rescues today? I heard one of them was good practice for when we go on one of the Kamen Rider missions.

Kendra: You heard right and they took down Evolt in that dream and banished him to the Black Gates.

Sunset Shimmer: At least it wasn't the real thing.

Pipsqueak: (British Accent) Yeah we don't want him going away too early before the big day.

Sunburn: That would not be a good thing now.

Maria: No it sure wouldn't. Especially how J.D. and I worked really hard to help the Build Kamen Riders in taking him down and merging our worlds together.

Nico: And bringing down that Sky Wall.

Carol: And making sure Evolt was banished to the Dark Dimension till the big day.

Shendu: That is for sure too. Lets do it!

They fired waves of fire and water and smashed him down.

Amora: Whoa! That is awesome! And now the world will be a much better place now that he is gone forever.

Twilight Sparkle: You got that right. But we still have all of his mess to clean up.

Lucy Loud, Princess Luna, Moondust, Snowdrop, Children of The Night, Dark Skylanders, Lucy Heartfilia, Lucy (Pokemon), Riku and Demona VS Webstor - Meeting gene-slammers for Slifuria, Slifer the Ultimate Sky Dragon and Sonata the Melodious Diva

---

Webstor was next.

Webstor: (to Lucy) I heard you guys met gene-slammers for Slifuria, Slifer the Ultimate Sky Dragon and Sonata the Melodious Diva. What are their names?

Lucy Loud: Their names are Nathalia Zemanomamenchikova and she is from Russia, Natalie, Nicole and Nadine Bernado and they are from Canada and Sonnya Flemmimenchinova and she is from the Ukraine.

Webstor: Wow! That is awesome.

Lucy Loud: It sure is. But we found out that the Church of Necrom is actually infinitely worse than we thought.

Princess Luna: Yes it was terrible. They have plunged this entire country into darkness.

Moondust: Yeah here's what happened.

---

Sonnya Flemmimenchinova: (Ukrainian Accent) Whoa, I was right that Lincoln has really grown to be a 17-year-old permanently 7'5" tall, really big, and really strong man, just look at those abnormally massive and powerful upper and lower body muscles and his eight-pack abs hard at work, and working out with those 9,500-lb barbells and he's not even get tired, incredible.

Lincoln: Yep, and I've also trained a lot under some very powerful teachers, J.D. and Nico included, Sonnya, and now, I can also defend myself, and in addition to getting stronger, I've also gotten smarter as well.

Sonnya Flemmimenchinova: (Ukrainian Accent) That's incredible.

Nico: It sure is. So, Sonnya, what are these two really horrifying revelations about The Church of Necrom?

Sonnya Flemmimenchinova: (Ukrainian Accent) You won't like what I'm going to tell you. Now, as I've told you, the first revelation pertains to their Satanic sacrificial ritual six years ago. After they were expelled from Royal Woods High School by the Dark World Goth Girls, Damian Alaister, Michael Devlin, Carmen Sullivan, Nigel Moreau, Douglas Moreau, Cole Sullivan, Nigel Alaister, Cary Blakewell, Nigel Tinuviel, Douglas Griffin, Duncan Alarie, Ianira Dormund, Edana Baudelaire, Drusilla Draven, Chandra Mortlake, Adrienne Hawthorne, Jezebel Lanira, and Jocasta Belladona drugged and dragged their parents to the abandoned cemetery in Royal Woods, and then, they did a dark Satanic sacrificial ritual, and as they dragged their families to the front of the altar, they took their knives and they slit the throats of their parents, and their blood was spilled onto the altar, and then, a dark presence had come out from the darkness, and then, it gave them their dark powers and abilities, and they hadn't aged in those six years.

We gasped in horror.

Lincoln: Yikes, that's really dark, and they hadn't aged in six years, so that makes them 23 years old today.

Sonnya Flemmimenchinova: (Ukrainian Accent) That's right, and now, for the second revelation. After the dark Satanic sacrifices of their parents, Damian Alaister, Michael Devlin, Carmen Sullivan, Nigel Moreau, Douglas Moreau, Cole Sullivan, Nigel Alaister, Cary Blakewell, Nigel Tinuviel, Douglas Griffin, Duncan Alarie, Ianira Dormund, Edana Baudelaire, Drusilla Draven, Chandra Mortlake, Adrienne Hawthorne, Jezebel Lanira, and Jocasta Belladona then went on a multi-state killing spree, and they went to ten different states across the United States, killing tens of thousands of people that were in their path, and they've left oceans of blood and dead corpses in their wake, and they've left the mark of The Church of Necrom on the bodies of their victims, and they got away with it by using their dark powers.

We gasped in horror and dread.

Lincoln: (Horrified) My God, that's really horrible.

Nico: (Horrified) This is really really dark, bloody, and gory. First, they sacrificed their own parents in a dark satanic ritual and then, they went on a multi-state killing spree in ten different states in the United States killing tens of thousands of people?! There's truly no line they're willing to cross.

Me: But, now they've crossed the point of no return, and now, we can add both ritualistic murder and murder to their rap sheets.

Nicholette Torrington: These crimes could ultimately mean they'll get sentenced to death for their crimes, but how can they get sentenced to death if they're still 17 years old, thanks to their ritual six years ago.

Griselda Huffington: If I remembered correctly, Damian had a gold medallion with him in his pocket, and it's the sign of their Satanic ritual's success. If we destroy it, it'll cause Damian and the others to age to their rightful age: 23 years old and it'll undo the effects of the Satanic ritual.

Lincoln: That's a good idea, Griselda, and that'll be when we get after Damian Alaister after we capture the remaining members of The Church of Necrom.

Nico: Good idea.

FLASHBACK ENDS

Webstor was shocked and horrified!

Webstor: OH DEAR GOD! That is terrible that they would kill so many innocent people! They are a cult of pure unrestrained evil!

Lucy Heartfilia: Yeah they are pure evil to the core.

Lucy (Pokemon): No kidding there.

Webstor: That is shocking though. Lets do it!

Zennia Nikolaevna: (Russian Accent) I should've known there's no mistaking that insane scream from anywhere. You can come out now, Nigel Tinuviel.

An inverted pentagram with Necrom on top of it drawn in blood red infernal energy appeared in the skies, and then, a mist of darkness came out and as it landed, the mist of darkness faded revealing a 17-year-old teen male with long black hair going down to his neck, pale skin, red eyes, sadistic and insane grin on his face, and dressed in a long long-sleeved black coat, black shirt, black pants, and black ankle-high boots. It was Nigel Tinuviel, a dangerous warlock and another member of The Church of Necrom.

Nicholette Torrington: Nigel Tinuviel, I should've known you'd be the next one to come out after we took down Jocasta Belladonna, Jezebel Lanira, Ianira Dormund, Edana Baudelaire, Drusilla Draven, Chandra Mortlake, Adrienne Hawthorne, Nigel Alaister, and Cary Blakewell, along with us killing Giovanni and taking down the Dark Sides of Linka and her brothers.

Nigel Tinuviel: Shut up, bitch! You all have ruined our master's plan to bring Lord Necrom into this pathetic world, so that we could destroy all of mankind and bring back The Dark Ages, and now, we will destroy all of you ourselves!

Lincoln: Eat dirt, Demon Goth psycho.

Hearing Lincoln say that caused Nigel Tinuviel to roar in insane rage.

Zennia Nikolaevna: (Russian Accent) Nice one, Linky, and now, your rampage ends here and now, Nigel Tinuviel.

Suddenly, Zennia Nikolaevna's purple eyes turned neon purple, and she was surrounded by a purple energy aura with darkness, demons, and dark magic, she unholstered her massive Lucent, Netherlord of Dark World-themed sword from her back, and as she approached Nigel Tinuviel, she left purple energy, darkness, demons, and dark magic with every step.

Zennia Nikolaevna: (Russian Accent) You just don't even know when to quit, do you? We've beaten you down so many times and in those many times, you fled with your tail between your legs and howling like a wounded animal. That's it, I've had it up to hear with you, Nigel Tinuviel, and now, I'll see to it that you'll pay for the crimes that you've committed long ago.

Suddenly, Zennia Nikolaevna was surrounded by a massive vortex of purple energy with darkness, dark magic, and demons surrounding it, there's Lucent, Netherlord of Dark World flying around the vortex, and inside the vortex is a purple phoenix. Then, as the vortex faded, Zennia Nikolaevna emerged, but she was changed forever.

Suddenly, Zennia Nikolaevna's massive purple angel wings grew much bigger for her new body, and the large purple feathers have black tips. Zennia Nikolaevna has on a Ring of The Phoenix with purple gem and heart shaped gem embedded in it on her right ring finger and a Star Sapphire ring on her left ring finger.

Suddenly, Zennia Nikolaevna's massive Lucent, Netherlord of Dark World-themed sword was suddenly surrounded by a kaleidoscope of purple energy, darkness, demons, and dark magic, and when the sword emerged, it was transformed into Lucent, Netherlord of Dark World's Demon Greatsword of Darkness Netherlord Justice, it's a brand-new greatsword with Lucent, Netherlord of Dark World etched on the 7'0" massive, wide, double-edged dark purple blade, large purple angel wings for the crossguard, large dark purple gem embedded in the rainguard, longer black handle, and large purple gem with black angel wings surrounding it for the pommel, she has on her new brand-new large gold cuff Bracelets of the Champions of The Universe with purple gems on her wrists, new large gold Belt of Elemental Bravery with a gold version of Lucent, Netherlord of Dark World's head with purple gems for eyes and a large purple gem in its open mouth for the belt buckle, large Destroyer of The Church of Necrom grimoire, Book of Vile Darkness, rainbow-colored leather and gold metal bound Elemental Spellbook of Harmonious Justice, Eternal Harmony, and Equestrian Peace on her left hip and Eater of Sins revolver holstered on her right hip. Zennia Nikolaevna has transformed into SUPER ANGEL ETERNITY INFINITY DARKNESS NETHERLORD DEMON ANGEL OF DARK

JUSTICE AND DARK MAGIC RUSSIAN LOVE!

We were amazed by Zennia Nikolaevna's Super Angel Eternity Infinity transformation, and when Lincoln saw her, he had an atomic red blush on his face and hearts in his eyes. But, when Nigel Tinuviel saw it, he went fucking crazy and fired a blast of darkness to kill her, but Zennia Nikolaevna fired a powerful blast of purple energy with darkness, demons, and dark magic, and it hits Nigel Tinuviel and sent that insane warlock crashing back first into a wall.

Nicholette Torrington: Holy crap, now Zennia Nikolaevna's transformed into her Super Angel Eternity Infinity form, that's so awesome!

Nico: That's right, Nicholette, and she sent that crazy warlock, Nigel Tinuviel, crashing back first into a wall, and really pissed him off even more. This is going to be good.

Me: You said it.

Lincoln: Wow, Zennia, you look beautiful. How do you feel?

Zennia Nikolaevna: (Divine Echoing Cosmic Voice of the Dark Netherlord and Dark Divine Love) (Russian Accent) **I feel incredible, Linky. Now then, shall we deliver Nigel Tinuviel his rightful punishment?**

Lincoln: (Smiles) With pleasure, Zennia.

Lincoln unholstered his massive Hinon's Cosmic Storm Sword of Universal Hope, Elemental Bravery, and Unbreakable Eternal Bonds unholstered from his wider and muscular back, and he transformed into Super Angel-Ebonwu-Thunderbird Eternity Infinity Elemental Thunderbird Buffalo Angel of Universal Justice and Elemental Hope and he joined Zennia Nikolaevna.

Lincoln: (Divine Echoing Cosmic Elemental Voice of Universal Justice and Elemental Hope) **Your days of causing mayhem and chaos in the name of Damian Alaister and The Church of Necrom are finally over, Nigel Tinuviel.**

Zennia Nikolaevna and Lincoln went after Nigel Tinuviel, who continued firing blasts of darkness at them, but they dodged them, and they fired powerful blasts of rainbow energy, purple energy, dark magic, Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, Magic, rainbow flames, rainbow crystals, Buffalo, Thunderbirds, Phoenixes, Angels, and Demons at Nigel Tinuviel, and they exploded with incredible power as they hit the crazy warlock, and he became even more pissed off big time.

Nigel Tinuviel: Descend from The Infernal Stars, Star Demons, and tear the mortals to shreds!

Nigel Tinuviel summoned a massive army of Star Demons as they rose from the ground, and they were about to attack, but Lincoln fired powerful blasts of rainbow energy, and as they hit the massive army of Star Demons, they were destroyed and their spirits were sent back to Hell forever, and that pissed off Nigel Tinuviel even more.

Zennia Nikolaevna: **Linky, shall we do the honors in putting Nigel Tinuviel in his place?**

Lincoln: **Ladies first, Zennia.**

Zennia Nikolaevna: **Such a gentleman.**

Zennia Nikolaevna and Lincoln formed massive red energy balls in the palms of their hands, and they condense them to the size of their bodies, and they aimed them at Nigel Tinuviel, who ran at them with murder and insane rage in his eyes.

Zennia Nikolaevna and Lincoln: **VOX PENICULUS POWER ABSORPTION KARMA BLAST!**

Zennia Nikolaevna and Lincoln fired the massive red energy balls, which transform into red energy beams, and as the two red energy beams hit Nigel Tinuviel, Lincoln and Zennia Nikolaevna began sucking out and absorbing all of Nigel Tinuviel's dark powers and dark magic, and Lincoln's rainbow energy aura with Thunderbirds, Phoenixes, Angels, Buffalo, and Elemental Forces flared up, and he was gaining a really massive power and energy boost to his infinite power and energy, and the same thing happens to Zennia Nikolaevna as her purple energy aura with darkness, demons, and dark magic flared up and she was really massive power and energy boost to her infinite power and energy. When Zennia Nikolaevna and Lincoln were done, Nigel Tinuviel was rendered completely powerless and completely drained of his powers.

Nigel Tinuviel: What did you do to me?!

Lincoln: **We sucked out and absorbed all of your dark powers, abilities, and dark magic, and now, you're powerless, Nigel Tinuviel.**

Zennia Nikolaevna: **And now, you're finished.**

Zennia Nikolaevna opened her Destroyer of the Church of Necrom grimoire, and she found the page and she fired a blast of darkness, and as it hit Cary Blakewell, the now powerless and insane warlock of The Church of Necrom, was imprisoned inside of a black tarot card with Lucent, Netherlord of Dark World on the back of the black tarot card with darkness, demons, and dark magic, and she put the tarot card with Nigel Tinuviel imprisoned inside the black tarot card box with the symbols of the Dark World Duel Monsters on top, where Jocasta Belladonna, Jezebel Lanira, Ianira Dormund, Edana Baudelaire, Drusilla Draven, Chandra Mortlake, Adrienne Hawthorne, Nigel Alaister, and Cary Blakewell were put into. We all cheered wildly for what Zennia Nikolaevna and Lincoln as they holstered their massive greatswords and powered down, and Zennia Nikolaevna's new body, clothes, weapons, jewelry, and massive dark purple angel wings are permanent.

Zennia Nikolaevna: Gotcha, you bastard! Thank you for helping me take down Nigel Tinuviel, Linky.

Lincoln: (Smiles Warmly) You're welcome, Zennia.

Suddenly, Zennia Nikolaevna wrapped her arms around Lincoln's thick muscular neck, as her chest was pressed against Lincoln's massive and wide muscular pecs, which brought an atomic red blush to Lincoln's face, and he wrapped his abnormally massive and powerful muscular arms around her waist and he brought her into a hug, which took her by surprise and brought an atomic red blush to her face. Then, as Lincoln leans down to Zennia Nikolaevna's face, they kiss passionately as Zennia Nikolaevna placed her hand on Lincoln's massive and wide muscular pecs, and behind them was a Thunderbird, Phoenix, Angel, and Lucent, Netherlord of Dark World flying in the air, and we also saw a herd of Buffalo running across the field, along with elemental forces and creatures of the night flying around the place and we cheered for them.

Nico: Hah, that's another Church of Necrom asshole put down, and eight more to go.

Me: That's right, Nico.

Selene Slytherin: Which means the next Church of Necrom member to show their face tomorrow is Douglas Griffin.

Lincoln: That's right, Selene, and you and I are going to put a stop to that insane warlock and make him pay for everything that he's done.

Nico: And as always, we'll be on guard for Douglas Griffin's plans and foil them at every turn, and that'll get her so mad, it's bound to send him into a blind rage.

Lincoln: Which is just how we want him to be in, when we pulverize him tomorrow.

Red Ghost: I hope you enjoyed your birthday, May.

May: I sure did. This was the best birthday ever!

Nico: We're so happy.

Skalamander: That's great.

Me: Yeah we are!

Pinkie Pie: BEST BIRTHDAY PARTY EVER!

Rich Texan: And now, we've got a third cake for us to eat.

Me: Yes we do.

Steam Smythe: Especially since his evil spirit is out.

Black Adam: Then what are we waiting for?

Nico: Lets eat!

We got to having her cakes and we found out that the Happy Birthday was Coconut Banana Vanilla. Delicious!

Pinkie Pie: (To the viewers) This was a party to remember! Hope you all liked this one as much as we have.

Nico: You bet we have Pinkie. Great Job everyone. This was a really awesome birthday for May.

Me: Yes it was.

We later went home and we had a great rest of the day before going to sleep. It was an awesome birthday for May.

Trekking through a dark and creepy cave was Nico, Kole, Qin, Miku Yuuki, Rei Miyamoto, Saya Tekagi, Saeko Busujima, Shizuka Marimoto, Zenkaigers, Chloe Bourgeois, Rita Loud, The Goths of Darkness, Applejack, Apple Bloom, Twilight Sparkle & Friends, Rachel Stavenport, Carol Pusateri, May, Kaalia of The Vast, Maria, Varie, me, Eli, Arrietty, Aylene Carter, Gabrielle, Littlefoot and friends, Fu, Nicole Knudson, Kaina Tsutsumi, Camie, Kaoruko Awata, Himiko, Ibara, Toru, Sirius, Tsuyu, Ochaco, Momo, Lincoln, Laney, Lana, Lola, Lisa and Lily and the cave was really scary and very familiar.

Nicole: Wow this cave is cool.

Laney: It sure is a creepy cave though.

Tsuyu: But it sure looks amazing.

Ochaco: It must've taken millions of years to make it.

Me: Yeah it sure did.

Eli: Wow. So cool.

Kole: Wow. So far down into the earth.

Me: No kidding.

Nico: Thanks for coming with me, Kole.

Kole: Anytime Nico. I wonder what we'll be doing in this rescue this time.

Nico: Boy that's a good question. But this is really cool.

Lola: It sure is.

Nico: Kole, do you miss Gnarrk?

Kole: I sure do but he is a good friend and back home I know he is looking out for everything.

Me: That is amazing that you know a caveman.

Nico: It sure is.

Eli: Yeah I'll say.

Laney: Hey guys! Look here!

We saw a HUGE CRYSTAL GROTTO!

Nico: WHOA!

Me: This is what Maud's home reminded me of. The Crystal Grotto here.

Rarity: Oh my this is absolutely amazing!

Nico: Wow! What a beautiful place.

We went down and checked it out and we saw lots of beautiful crystals and gems and more.

Lola: This is so beautiful.

Lana: Wow.

Professor Lindenbrook: ALEC! (Echoing)

We went up to them and we saw .

Nico: Hey there, Professor.

Professor Lindenbrook: Oh hello there.

Carla Göteborg: Oh hello.

Me: We are Team Loud Phoenix Storm. Fancy seeing you all done here this far under the Earth.

Hans Bjelke: (Speaking in Icelandic) Skrítið að sjá ykkur öll hérna líka. (Strange seeing you all here too.)

Me: (Speaking in Icelandic) Hvað er í gangi hér? Hvað færir þig allt þetta langt undir jarðskorpunni? (What's going on here? What brings you all this far under the earth's crust?)

Carla Göteborg: We're on an expedition to find the trail of the famous explorer Arnee Saknussemm.

Nico: He disappeared over 500 years ago didn't he?

Professor Lindenbrook: Yes he did and he was never seen again. But we got to find Alec.

Kole: Is there anyone causing trouble here?

Carla Göteborg: We think a madman is here. We were tricked into the wrong tunnel and we found that crystal cave.

Eli: That was a beautiful cave though.

Me: It sure was.

Nico: Yeah.

Eli: I sense that Alec went through there.

Eli pointed through the tunnel.

Me: Look here too.

We saw the bridge broken.

Me: This was a recent break.

Professor Lindenbrook: That's true there was.

Kole: You know. I've lived underground myself.

Professor Lindenbrook: Have you really?

Kole: I sure have.

We went into the tunnel and we entered a really strange room and the heat was sweltering and I protected Lindenbrook and crew with my powers and the room was one where the heat was incredible and it was coming from steam in subterranean vents.

Me: WHEW! Man it's like a sauna in here.

We were sweating like pigs.

Nico: Whew! No kidding.

Maria: Need some water, Nico?

Nico: Sure.

Maria hydrated him and she gave water to the rest of us and the professor.

Me: Look here.

We saw white powder on the ground and we saw a strange room covered with it.

Nico: It's a salt cave.

Laney: This is so weird.

We continued on and then we saw a dead man on the ground.

Me: Whoa!

Nico: That's not Alec thank goodness.

Eli: Look there!

We saw Alec and he was all right.

Alec: Professor! Hans! Carla!

Professor Lindenbrook: Alec thank goodness.

Alec: Yeah.

Me: Wow you went into that room all by yourself?

Nico: Wow.

Nico: Where's the dirtbag causing trouble?

?: That would be me.

We then saw COUNT SAKNUSSEMM!

Me: Count Saknussemm!

We pointed all our guns at him.

Nico: You have a lot of nerve coming after Alec.

Count Saknussemm: You are trespassers here. This is my domain.

Me: For your information, this cave was made by the Earth. So it's for everyone to explore.

Kaito: (takes out Kyoryuger gear) Meanwhile, you're gonna be buried in an unmarked grave.

Zocks: (takes out ToQger gear) Right here, in fact.

Nico: No guys hold it! He is not the real threat.

Me: That's right. Even though he is a threat he still has no powers like all of us do.

Eli: Besides he's not worthy of death.

Varie: Lets send him to prison. After we find a way out of here.

Nico: Good idea.

Zocks: Yeah but I wanted to go all out on him.

Me: There will be time for that when we look for a way out.

Zocks: (Pouts) Okay.

Me: But until then.

I took the gun from Count Saknussemm.

Nico: Lets go.

We continued and then we stumbled upon a room FILLED WITH A FOREST OF ENORMOUS MUSHROOMS!

Me: Wow! Look at these mushrooms!

Alec: They may be hundreds of years old but the small ones we can eat! They're delicious.

Me: Wow!

Nico: But are they safe? We have to be careful to avoid poisonous ones.

Alec: Don't worry they are.

Maria: I gotta show this to Mario!

She took some pictures of it with her phone.

Alec: And to think that they grew without sun this far under the earth!

Nico: Wow!

Alec: All the food we can eat.

Me: Lets make some grub then.

We got to work and made mushroom steaks, soups, hash, porridge and more.

Me: (Eats steak) Mmm! Delicious.

Nico: I'll say.

Carol Pusateri: Boy I haven't had mushroom steak in a long time.

Alec: Ah. It's all good. Mushroom steak, mushroom soup, mushroom hash. Let me say this if we have had one more week of that salted beef, I would have perished.

Nico: No you wouldn't Alec.

Me: Besides it was all very good. We'll have to take some back to the team for them.

Nico: Good idea.

Eli: Yeah.

We got some for the team too.

Nico: And now, we find a way out of here.

Eli: I think there's something out there.

We went to a huge cave and we saw AN UNDERWATER OCEAN!

Me: WHOA!

Eli: My goodness.

Nico: Wow!

Varie: Look at this.

Kole: Yeah!

Nico: If we go underwater, we can find a way out.

Me: I think the answer is on the other side of it.

But then we heard a roar. And we looked and we saw A DIMETRODON!

Nico: Whoa!

Aylene C.: That's a Dimetrodon!

Nico: Wow!

Laney: That is so cool seeing one down here!

Camie: That sure is cool!

Tsuyu: Amazing!

Me: They lived over 240 million years ago! That is so awesome seeing one here.

Count Saknussemm: If I had my gun we would have fresh meat for dinner.

Professor Lindenbrook: That's what he is saying. He's a flesh-eater!

Nico: Everyone stay close.

He used Instant Transmission and we were on the other side of the ocean.

We walked on and we then came across an ancient and amazing sight! We saw the ruins of the Ancient and lost City of Atlantis!

Nico: WHOA!

Professor Lindenbrook: This is the sunken city! After 5,000 we have stumbled upon the lost Atlantis.

Me: This is completely different from what we know.

Kole: But this is amazing.

Count Saknussemm: Indeed it is.

Nico: Wow.

Lola: This is amazing.

We walked around and then we saw a skeleton!

Nico: Whoa! He looks like he was here for a long time.

Professor Lindenbrook: The Great Arnee Saknussemm I presume?

Count Saknussemm: My ancestor is here.

Nico: Wow.

Carla Göteborg: Everyone look at his right hand. It's pointing somewhere.

Nico: It's pointing to that over there.

We saw an opening.

Eli: I sense something here.

But then we saw a HUGE RED LIZARD!

Me: WHOA! That's a Megalania Lizard!

Nico: Whoa! They lived 1.5 million years ago!

Kaito: (takes out Kyoryuger gear) Now, we can use our gears.

Zocks: (takes out ToQger gear) And sink that monster!

Kaito used the Kyoryuger gear and danced in a Samba style.

Zocks used the Train Dash and they smashed the Megalania down.

Me: Wait guys! Lets have him become part of our Paleozoic World park.

Nico: Hey good idea!

?: I agree too!

An Evolved Petrosapien came!

Nico: Awesome!

Evolved Petrosapien: (In a Girls Voice) It would make a great addition.

Nico: Gianna Currahan! Awesome to see you.

Gianna reverted back and she was a girl with blue hair and blue clothes.

Gianna: Same here Nico.

Nico: We can catch up later. Lets get out of here first.

Me: And I know how we can do it.

We went into the Alter Stone and I teleported the Megalania to Paleozoic World and then I fired a wave of energy and it hit the vent and exploded and then it triggered a volcanic eruption and then we got blasted up through a shaft and we blasted up and out of Stromboli Volcano in Italy!

Kole: It's good that we're out of there!

Me: And look where we popped out.

Nicole: That's Stromboli Volcano. We're over in the Tyrrhenian Sea in Italy.

Nico: Wow! From Iceland all the way to Italy.

Lisa Loud: 2,019 miles away from there.

Nico: That is amazing that we popped out through a volcano.

Laney: Yeah I liked being erupted out.

Camie: Boy me too.

Gianna Currahan: that was really cool though.

We landed in Venice.

Nico: That was awesome though.

Gianna: Yeah it sure was.

Kole: What is your favorite memory of Nico?

Gianna: Me and Nico went to Gym Class and then we saw a bully kicking a kid around and then we kicked him in the back of the head and knocked him down and then smashed him into a dumpster.

Me: That was awesome!

Laney: Yeah it was!

Nico: He had it coming.

Gianna and Nico hugged.

Nico: I really missed you.

Gianna Currahan: Me too Nico.

Me: But this was an awesome adventure.

Kole: Yeah it sure was.

Rarity: And the jewels we got in that cave are absolutely amazing.

Nico: They sure are. Lets head home.

We went back home.

After Nico's rescue, Lincoln, Me, Nico, Eli, Nicole Knudson, Lori, Leni, Luna, Luan, Lynn, Laney, Lucy, Lana, Lola, Lisa, Lily, Lincoln's harem, Sherlock Hound, Noctis Lucis Caelum, Gladiolus Amicitia, Ignis Scientia, Prompto Argentum, Stella Nox Fleuret, Ravus Nox Fleuret, TLPS Mr. Wolf, TLPS Mr. Piranha, TLPS Mr. Snake, TLPS Mr. Shark, TLPS Ms. Tarantula, Heathcliff, Sonja (Heathcliff), Heathcliff, Sonja (Heathcliff), Riff-Raff, Hector (Heathcliff), Wordsworth, Mungo, Cleo, Leroy, Crash Bandicoot, Coco Bandicoot, Aku-Aku, The Quantum Masks, Alternate Tawna, Spyro, Cynder, The Ghostforce, Rayman, The Louds' Scottish Ancestors, The L-ementals, and Earth are heading to Equestria, and not only is Lincoln going to rescue the fifteen girls there, but we're also going to take down Solar Flare, one of Equestria's enemies and who's a nightmare version of Princess Celestia.

Lincoln: Wow, we're here in Equestria, and I know what we're going to do here, not only am I going to rescue the fifteen girls there, but we're also going to take down Solar Flare, one of Equestria's enemies and who's a nightmare version of Princess Celestia.

Nico: That's right, big guy, and Solar Flare's making Princess Celestia look bad, so we're taking her down and giving her The Black Gates.

Me: That's right, and Solar Flare has a dark artifact with her called The Demon Sun of Sorath.

Lincoln: No doubt given to her by one of the members of The Church of Necrom, so we're going to destroy it for good, and thanks for joining us, Earth.

Earth: You're welcome, Linky, this is going to be a good rescue.

?: HEELLLLPPPP!

Suddenly, Lincoln heard the sound of fifteen girls calling for help. With his deep sapphire blue cyborg eyes, rainbow colored iris of his Third Eye, the Force, and his superhuman sight, along with sensing energy signals, he saw and heard exactly where the call for help was coming from. He saw the fifteen girls, but they've been cornered by Solar Flare, and she's going to kill them. Lincoln also saw that she had the symbol of The Church of Necrom on her forehead, along with The Demon Sun of Sorath in her possession, proving The Church of Necrom gave her the dark artifact, and he saw an army of Earth Demons with her.

Lincoln: Guys, I found the fifteen girls, but they've been cornered by Solar Flare, and she's going to kill them, and I also saw that she had the symbol of The Church of Necrom on her forehead, along with The Demon Sun of Sorath in her possession, proving The Church of Necrom gave her the dark artifact, and I saw an army of Earth

Demons with her.

Selene Slytherin: I should've known The Church of Necrom were the ones who gave her The Demon Sun of Sorath, and that army of Earth Demons with her, there's only one warlock in The Church of Necrom who's able to summon Earth Demons: Douglas Griffin.

Lincoln: Should've known that insane warlock was behind this.

?: (French Accent) Let's get that Princess Celestia imposter!

Suddenly, we saw the Duel Monster, Frostosaurus, appear before us.

Me: Wow, that's Frostosaurus.

Lincoln: And I'd recognize that French accent from anywhere, I knew it was you, Jacqueline LeBois, but we'll have to talk later, we've got a Princess Celestia impostor to destroy.

We rushed on over and Lincoln fired rainbow energy balls and elemental forces at Solar Flare and hits her, and Lincoln fires powerful blasts of rainbow Super Lightning at Douglas Griffin's army of Earth Demons and destroys them, and it allowed the fifteen girls to get away. When Solar Flare saw us, she was enraged.

Solar Flare: How dare you all get in my way? I will incinerate all of you!

Solar Flare fired powerful blasts of fire from her horn, but we absorbed the flames and it made us all stronger than ever.

Lincoln: Your days of causing havoc are over, Solar Flare. In the name of Team Loud Phoenix Storm's Knights of The Friendship Table, you are hereby sentenced to death for your crimes against Equestria and Earth.

Lincoln unholstered his massive Hinon's Cosmic Storm Sword of Universal Hope, Elemental Bravery, and Unbreakable Eternal Bonds from his wider and muscular back, and transformed into Super Angel-Ebonwu-Thunderbird Eternity Infinity Elemental Thunderbird Buffalo Angel of Universal Justice and Elemental Hope, TLPS Mr.

Wolf transformed into his Super Angel Eternity Infinity form and the rest of The TLPS Bad Guys Gang transformed into their Super Angel Eternity Infinity forms and they unholster their massive swords, Lincoln's sisters transformed into their Super Angel Infinity forms and unholstered their massive swords from their backs, Lincoln's harem unholstered their massive swords from their backs and transformed, Sherlock Hound transformed into Super Angel Eternity Infinity Stellar Darkness Demon Hound of Dark Compassion and Demonic Justice, and he unholstered his massive Sparda's Demon Fang of The Demon Hound sword from his wider and more muscular back, Crash Bandicoot unholstered his massive Skylands' Elemental Wolf Sword of Elemental Justice from his wider and more muscular back and transformed into Super Angel Eternity Infinity Elemental Skylander Bandicoot Knight Angel of Elemental Bravery and Elemental Will, The Ghostforce, The Louds' Ancestors, The L-ementals, Noctis, Prompto, Ignis, Gladio, Stella Nox Fleuret, and Ravus Nox Fleuret got out their swords, Hector got out his massive Heaven's Maw of Judgement sasumata pike, Rayman unholstered his massive greatsword and he transformed, and Me, Nico, Nicole, and Eli unholstered our massive swords and transformed, and we went after Solar Flare, and we fired powerful blasts of rainbow energy, colored energy, elemental forces, Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, Magic, steel orbs, throwing axes, stars, rainbow flames, rainbow crystals, orange flames, blue flames, ice, green flames, and water, and they exploded with incredible power as they hit her.

Then, Lincoln grabbed her horn with his large left and and he hoisted her up with his immense brute superhuman strength, and he began sucking out, absorbing, and draining Solar Flare of her powers and magic, and Lincoln's rainbow energy aura with Thunderbirds, Phoenixes, Angels, Buffalo, and Elemental Forces flared up, and he was gaining a extremely massive power and energy boost to his infinite power and energy. Then, after Lincoln was done, Solar Flare was rendered completely drained of her powers and magic, and then, Lincoln sent her flying into the air and he fired a powerful blast of ice and froze her, and he fired a blast of black energy of The Black Gates, destroying Solar Flare, and she was erased from existence for good. We cheered wildly as we holster our weapons and powered down.

Just then, they also saw that in Solar Flare's place was the dark artifact she had with her: The Demon Sun of Sorath. Lincoln fired a blast of purifying blast and destroyed it forever.

Lincoln: That's it for another enemy of Equestria. (To Jacqueline LeBois) And it's so good to see you again, Jacqueline LeBois.

Jacqueline LeBois reverted back to normal, and she's a beautiful 17-year-old girl with long flowing dark blue hair that's tied in pigtails, blue eyes, fair skin, she's tall at 6'5" in height, she has the body of a goddess, she has massive dark blue angel wings surging with lightning, and she reigned in the power of Frostosaurus, and she's dressed in a sleeveless blue blouse, sleeveless dark blue top, dark blue skirt, blue stockings, blue sneakers, and long dark blue sleeveless trenchcoat with dinosaurs and ice on the coattails, and Frostosaurus on the back, and holstered on her back is a large Frostosaurus-themed sword with a 7'0" massive, wide, double-edged dark blue blade with Frostosaurus etched on it, large ice blue dinosaur heads for the crossguard, large ice blue gem embedded in the rainguard, longer black handle, and four large ice blue dinosaur heads with blue gems for eyes and four large ice blue gems in their mouths and a large ice blue gem on the bottom of the blue dinosaur heads for the pommel.

Jacqueline LeBois: (French Accent) You too, Lincoln, it's been a long time.

Lincoln went up to Jacqueline LeBois and they hugged, and Jacqueline LeBois was also surprised at just how much taller and much more muscular Lincoln's gotten since she last saw him, and she also felt just how strong he's really become.

Lincoln: It sure has, I haven't seen you when you were sixteen, and as you can see, I really grew a lot since then.

Jacqueline LeBois: (French Accent) Whoa, you sure have really grown very big and strong like a tree, Lincoln, you've really grown a lot from the eleven-year-old cute little boy into a 17-year-old and permanently 7'5" tall, very handsome, and manly teen with abnormally massive and powerful upper and lower body muscles and eight-pack abs, that's so awesome.

Just then, Princess Celestia appeared.

Princess Celestia: I'm going to guess that you know her, Lincoln?

Lincoln: Indeed I do, Princess Celestia, this is Jacqueline LeBois, she's my Guardian Angel from Paris, France, and she has powerful ice powers, and she also can fire beams of ice and freeze anyone on contact.

Nico: Wow, you know, I was about to ask if you knew any Guardian Angels from Paris, France, and now, I got the answer.

Lincoln: You sure did, Nico, and here's something else we should also know: she also has a powerful hatred for Lewis Travolta and Flip.

Me: Uh oh, and has she tried to freeze their butts off before?

Jacqueline LeBois: (French Accent) More than once, J.D.

Suddenly, a Thunderbird Necklace of Eternal Love appeared around Jacqueline LeBois's neck with blue gems on the gold thunderbolt links and blue crystal links from their brand-new Crystal Necklaces of the Buddha which merged with their Thunderbird Necklaces of Eternal Love.

Jacqueline LeBois: (French Accent) (Surprised) Whoa, is this…?

Lincoln: Yep, that's a Thunderbird Necklace of Eternal Love, and that means you are now part of my harem and one of my many future wives, Jacqueline.

Jacqueline LeBois had a smile on her face and tears in her eyes, as Lincoln wrapped his abnormally massive and powerful muscular arms around her waist and Jacqueline LeBois wrapped her arms around Lincoln's thick muscular neck, and he leaned down to Jacqueline LeBois' face and kissed her on the lips, and she also returned it, and we cheered for them. Then, we went up to the fifteen girls, and when Lincoln saw them, he immediately recognized them.

The fifteen girls are Misaki Nanaha, Manatsu and Mashyu Akoya, Ayuhara Minamo, Clio Aquanaut, Esterella Jardin-Mar, Fukami Sango, Jornada, Kairi Miharu, Kasago Sayori, Kumiko J Carson, Shiina Lacerus, Shimabara Mitori, Tanya L Kojima, and Watatsumi Tsubasa from Tactical Roar.

Lincoln: Oh wow, it's Misaki Nanaha, Manatsu and Mashyu Akoya, Ayuhara Minamo, Clio Aquanaut, Esterella Jardin-Mar, Fukami Sango, Jornada, Kairi Miharu, Kasago Sayori, Kumiko J Carson, Shiina Lacerus, Shimabara Mitori, Tanya L Kojima, and Watatsumi Tsubasa from Tactical Roar.

Nico: Awesome.

Lincoln: Are you girls okay?

Misaki Nanaha: Yes, we're okay, thanks to you.

Then, when Misaki Nanaha and the other fourteen girls saw who it was that saved them from Solar Flare and Douglas Griffin's army of Earth Demons, their faces turned atomic red upon seeing the 17-year-old permanently 7'5" tall, handsome, bare-chested hunk with abnormally massive and powerful upper and lower body muscles, eight-pack abs, long wild white hair going down to the bottom of his neck and rainbow lightning bolt highlights in the bangs of his long white hair, rainbow colored thunderbird with a gold lightning bolt emblazoned on his forehead with a Third Eye of the Buddha on his forehead with rainbow iris, golden lightning bolt cutie mark with the thunderbird and comic books right on his massive and wide right pec and it's surrounded by the symbols of Fire, Water, Ice, Wind, Earth, Nature, Light, and Darkness in a circle, large Celtic Cross cutie mark tattoo in the form of the cutie marks of Twilight Sparkle, Sunset Shimmer, Rainbow Dash, Applejack, Rarity, Pinkie Pie, Fluttershy, Starlight Glimmer, and Trixie Lulamoon, surrounded by a circle were the marks of the other girls in Lincoln's harem on his wider and more muscular back, and right on top was the Earth surrounded by the ring of mermaids and surrounded by a Thunderbird, Phoenix, Angel, and Buffalo, and right below the Cutie Mark tattoo is a deep sapphire blue kanji that said, "Lincoln Landon Loud, Champion and Emissary of Hinon, Master of Lightning Storms, The Weather, The Elemental Forces, The Cosmos, and The Universe, The Loud

He had his massive Hinon's Cosmic Sword of Universal Hope, Elemental Bravery, and Unbreakable Eternal Bonds holstered on his wider and muscular back, his large orange Crystal Saber, large rainbow-colored leather and gold metal bound Elemental Spellbook of Harmonious Justice, Eternal Harmony, and Equestrian Peace on his left hip and his Eater of Sins revolver holstered on his right hip, the Pisces the Fish constellation and Aquarius Zodiac sign on the back of his neck and the Cygnus the Swan constellation on the back of his massive left hand, large weighted orange bands on his massive biceps and thighs with silver phoenixes on them, his large gold cuff Bracelets of The Champions of the Universe with large orange gems on his large wrists, massive and indestructible deep sapphire blue angel wings with stars and blue nebulae reflecting on them with rainbow tips on the large deep sapphire blue feathers, and he was dressed in an orange version of He-Man 2002's loincloth with hanging silver lightning bolts and long glowing neon orange trenchcoat coattails with elemental forces, Thunderbirds, Phoenixes, Angels, and Buffalo on them and had intense powerful rainbow hot flames coming off them and hanging mini silver lightning bolts held up by his large gold Belt of Elemental Bravery with a large golden buffalo head with orange gems for eyes and a large orange gem in its mouth for the belt buckle on his waist, a pair of large blue pants with multicolored lightning bolts on the thighs with the orange kanji that said, "Savior of The Loud House, True Hero, Amazing and

Misaki Nanaha: Oh wow, you're Lincoln Loud of Team Loud Phoenix Storm.

Lincoln: That's right, and it's a pleasure to meet you all.

Then, Lincoln made fourteen clones of himself, and he and the fourteen clones went up to the girls, and hugged their waists in their abnormally massive and powerful muscular arms, and they lean down and kissed the girls on the lips, which they returned with equally intense passion, as they wrapped their arms around the necks of Lincoln and his clones, and we cheered wildly at the scene.

Misaki Nanaha: (Seductively and rubs her right hand on Lincoln's massive and wide right pec) You too, big, tall, muscular, and handsome.

Suddenly, fifteen Thunderbird Necklaces of Eternal Love appeared on the necks of Misaki Nanaha, Manatsu and Mashyu Akoya, Ayuhara Minamo, Clio Aquanaut, Esterella Jardin-Mar, Fukami

Sango, Jornada, Kairi Miharu, Kasago Sayori, Kumiko J Carson, Shiina Lacerus, Shimabara Mitori, Tanya L Kojima, and Watatsumi Tsubasa with colored gems on the gold lightning bolts and crystals links from their merged Crystal Necklaces of The Buddha. We return to the TLPS World Tree Estate, and we told everyone what happened, and they were shocked when they found out that the villain we went after was Solar Flare, another enemy of Equestria, and she had The Demon Sun of Sorath, which is proof that The Church of Necrom was behind this, and they also saw Douglas Griffin's army of Earth Demons with her.

But, when Lincoln showed what he did to Solar Flare and destroyed her, The Demon Sun of Sorath, and Douglas Griffin's army of Earth Demons, everyone cheered wildly for Lincoln and the rest of us, and they hugged us, and the girls in Lincoln's harem then went up to Lincoln, and they kissed him all over. Lincoln and Jacqueline LeBois have a lot of catching up to do now that she's back in town, and later after the mission today, Selene Slytherin and Lincoln are going to deal with Douglas Griffin, and they're going to make that insane warlock pay for his crimes.

---

After getting rid of Solar Flare for good along with destroying The Demon Sun of Sorath and Douglas Griffin's army of Earth Demons, we were training intensely in the gym, this time, doing 150,000,000 reps of crunches, wing push-ups and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 9,500-lb barbells, squats, and going a few rounds with the punching bags, and we were really sweating like crazy, even doing yoga to clear our minds, and when Jacqueline LeBois saw Lincoln working out like crazy, she had an atomic red blush on her face.

Jacqueline LeBois: (French Accent) Whoa, I was right that Lincoln has really grown to be a 17-year-old permanently 7'5" tall, really big, and really strong man, just look at those abnormally massive and powerful upper and lower body muscles and his eight-pack abs hard at work, and working out with those 9,500-lb barbells and he's not even get tired, incredible.

Lincoln: Yep, and I've also trained a lot under some very powerful

teachers, J.D. and Nico included, Jacqueline, and now, I can also defend myself, and in addition to getting stronger, I've also gotten smarter as well.

Jacqueline LeBois: (French Accent) That's incredible.

Nico: It sure is. So, Jacqueline, did you have any memories with Lincoln?

Jacqueline LeBois: (French Accent) I do. One time, I was helping Lincoln with a project for History Class, and he wanted to create a half-scale model of Notre Dame. Luckily, I had a picture of Notre Dame with me, and we were to use that as our reference. But, then, Lori, Lynn, Lola, Lisa, and Luan bust in and they ordered Lincoln to clean their rooms or they were going to beat him to death. Lincoln said "no", and of course, it got them really mad and they were going to attack, but I fired a blast of ice at them and froze them in a block of ice. I then told Mr. and Mrs. Loud of what they tried to do to Lincoln, and they grounded them for nine weeks, and the five of them also got a very nasty case of frostbite and five of them also got colds.

Nico: Brr, now that's really cold.

Lincoln: Yep, what you heard was Jacqueline LeBois' brand of Ice Cold Justice being used on the five meanest sisters in the family. And the next day, we got an A on our project.

Lynn Sr. got the half-scale model of Notre Dame that Lincoln and Jacqueline made, and it was really awesome and detailed.

Nico: Whoa, you guys really included every last detail of Notre Dame, nice one.

Lincoln: Thanks, Nico, and we've also included the details of the Rose Window and the other Stained Glass windows on the cathedral, and we had to make sure it was exactly right.

Laney: Yeah, and I remembered seeing it as well, and it was so amazing.

We got a shower afterwards, but then, the alarm sounded and when

Lincoln checked the computer to see what triggered the alarm, and when he saw who it was that triggered it, we were in for a shock: the villains who triggered the alarm were Alcina Dimitrescu from Resident Evil: Village and Evil Luna, the evil version of Princess Luna, and she wants revenge for what we did to Solar Flare, and she has The Dark Demon Moon of Baphomet, further proof that The Church of Necrom had a hand in this.

Lincoln: Guys, we got really big trouble, the first villain who triggered the alarm were Evil Luna, the evil version of Princess Luna, and she wants revenge for what we did to Solar Flare, and she has The Dark Demon Moon of Baphomet, which is further proof that The Church of Necrom had a hand in this, and the second villain is Alcina Dimitrescu.

Nicole: Oh crap. Lincoln, let me tell you and everyone about her before we go after her and Evil Luna.

Nicole proceeded to tell us about Alcina Dimitrescu, and we weren't going to like her one bit.

Alcina Dimitrescu

Lady Alcina Dimitrescu (pronounced Dimitreesk) is a major antagonist in the video game Resident Evil Village (also known as Resident Evil 8) and is the countess of a great castle in rural Eastern Europe. She has been tied to a series of murders dating back several decades, and is the head of the Dimitrescu Family. She is also a member of the Four Houses, whom serve Mother Miranda, the ruler of the European village. She is the mother of Bela, Cassandra and Daniela Dimitrescu.

She was voiced by Kikuko Inoue in Japanese and by Maggie Robertson in English, who also provided the motion capture performance for her.

Biography

Background

Much of Lady Dimitrescu's past remains a mystery, but she is believed to have been born around 1914 as she became a mutant at the age of 44 which is around the late 1950s, and seems to have stopped aging at her mid forties. She inherited a specific disease in her blood from one of her ancestors, one which quite similar with Progenitor Virus symptoms-wise. She was taken into the village as she survived being infected with the Cadou parasite, and was given regenerative capabilities. She rules over a large castle as the Matriarch of the Dimitrescu Family, living with three women whom she considers her daughters, Cassandra, Bela, and Daniela.

Alcina mutated the three women, whom survived and became vulnerable to cold temperatures due to their mutated form now consists of flies spawned from Cadou eggs injected into their original human bodies. She, like much of the area, is a member of a dark cult who serve the being known only as "Mother Miranda", to whom she has loyalty to but also is not above acting on her own accord against her wishes. It was Mother Miranda who infected her with the Cadou Parasite, giving Alcina a host of extraordinary powers at the cost of needing to consume large amounts of human blood to sustain herself due to her blood disease.

Although Mother Miranda saw Alcina as a perfect candidate for a vessel for her late daughter Eva, but saw she wasn't perfect due to her insatiable quench for blood. Alcina would become a member of the Four Houses alongside Karl Heisenberg, Donna Beneviento, and Salvatore Moreau, serving Miranda under their homes of the village. Despite the alliance between the four houses, Alcina frequently clashed with Heisenberg, seeing him as nothing but a child.

The Dimitrescu Castle became infamous, as many servants who came there wouldn't return, and the villages came to see the castle as a place of blood and death, and would avoid the area unless under extreme circumstances. Alcina would also use the blood of her victims to create a wine called Sanguis Virginis, and would often her victims that would become known as the Moroaică and the Samca. Most of the Moroaică were possibly former servants, considering that the Dimitrescu family were known to replacing maidens through the years.

Some of these maidens that were turned attempted to escape, most notably Ingrid, who was murdered and turned by Alcina when she attempted to leave the castle to the courtyard. In addition, Alcina feared that she would be harmed by the dagger of deathly flowers, and had it hidden in the family crypt while also having all the windows in the castle shut to protect her daughters.

Resident Evil Village

After Mother Miranda captured Ethan and Mia Winter's daughter, Rosemary, the village fell into darkness with the Lycans massacring the villagers. Alcina was among the Four Lords when Heisenberg captured Ethan, and implored Miranda into handing Ethan over to her, but Miranda gave Winters over to Heisenberg. Alcina then argued with Karl, but Miranda stopped it by telling the lords that her decision was final, allowing Heisenberg to put Ethan in a show. After the meeting, Alcina returned to her castle where she awaited for the ceremony to commence. Her daughters would later capture Ethan, who managed to escape Heisenberg, and brought him to Alcina. Wanting to consume his blood, Alcina told her daughters to wait as she needed to tell Mother Miranda that she had Ethan, and had Winters chained to the ceiling.

Ethan managed to pry himself from the chains and escaped the room, and proceeded to adventure around the castle to find his daughter. Winters was confronted by Bela, Daniela, and Cassandra in the castle, but killed them after discovering their weakness to cold temperatures. Upon finding her daughters' calcified remains, Alcina became distraught and decided to get revenge on Ethan despite Mother Miranda telling her to keep him alive. She proceed to pursue Ethan across the castle, managing to pummel to the dungeon where she decapitated his hand.

Ethan managed to escape and reattach his hand, and succeeded in reaching the family crypt to get the dagger. Alcina grabbed Ethan and impaled him with her claws, but he retaliated by stabbing her with the dagger, causing her mutate into her dragon-like form. Alcina proceeded to attack Ethan across the top of the family crypt, speaking that he would never see his daughter again as the four lords had Rosemary. She was defeated and attempted to murder Ethan by crashing down the crypt, but saw that he survived and cursed his name. After cursing Ethan, she calcified and crumbled into pieces, and Winters collected a fragment of Rosemary.

* * *

When Nicole was finished, we were really horrified at Alcina Dimitrescu's crimes.

Chris Redfield: I thought that she was destroyed thanks to Ethan Winters, but I'm going to guess that The Church of Necrom brought her back.

Lincoln: You're right about that, Chris. So, we've got to destroy both Evil Luna and Alcina Dimitrescu for good, along with destroying the dark artifact Evil Luna has, The Dark Demon Moon of Baphomet. Let's go.

We then flew out of the World Tree Estate, and Lincoln fired powerful rainbow energy blasts at Alcina Dimitrescu and Evil Luna, and it hits them. When they saw us, Evil Luna was enraged, and Alcina maintains her posh composure.

Alcina Dimitrescu: So, we meet at last, Team Loud Phoenix Storm, and I'm going to enjoy hearing your screams of despair and agony.

Lincoln: Not happening, Alcina Dimitrescu, your days of torturing and killing innocent people are over, and the same goes for you, Evil Luna.

Hime (Crunchyroll): That's right, and I've had it up to hear with you both to last an eternity.

Suddenly, Hime's orange eyes turned neon orange, and she was surrounded by an orange energy aura with foxes and fox fire, and as she approached Alcina Dimitrescu and Evil Luna, she left orange energy, foxes, and orange fox fire with every step.

Hime (Crunchyroll): Alcina Dimitrescu, Evil Luna, I will never forgive you for the crimes that you've committed against mankind, and now, I will see to it that the both of you will die a horrible and very painful death.

Suddenly, Hime was surrounded by a massive vortex of orange energy with fox fire surrounding it, there's a fox running around the vortex, and in the vortex is a white phoenix. Then, as the vortex faded, Hime emerged, but she was changed forever.

Hime grew to 6'11" in height, she had white highlights in the bangs of her long orange hair tied up in a ponytail, she suddenly has large orange fox ears sprout out from on top of her head, she has neon orange eyes and slit fox pupils and an orange energy aura with foxes and fox fire surrounding her, she has a nine-tailed fox holding nine flames on its tails emblazoned on her forehead, she has on fox earrings with orange gems for eyes and holding the Fire and Eternity Kanjis in its hands, she also has a nine-tailed fox with orange gems for the eyes and the Fire and Eternity Kanjis in its paws for the second pendant, along with the golden Thunderbird pendant of her Thunderbird Necklace of Eternal Love necklace with orange crystal links from her merged Crystal Necklace of the Buddha and orange gems on the gold lightning bolt links. Hime has on a sleeveless orange kimono, white knee-high high-heeled boots, and long orange sleeveless trenchcoat with foxes and fox fire on the coattails, and a nine-tailed fox surrounded by foxes and fox fire on the back. Suddenly, Hime felt a sharp pain on her back and her spine, and then, nine massive, long, and powerful fox tails with white tips and massive orange angel wings with white tips on the feathers, sprouted out. Hime has on a Ring of The Phoenix with orange gem and heart shaped gem embedded in it on her right ring finger and a Star Sapphire ring on her left ring finger.

Suddenly, Hime had a new greatsword in her right hand called Inari's Foxfire Greatsword of Kitsune Justice, it's a brand-new greatsword with a nine-tailed fox etched on the 7'0" massive, wide, double-edged orange blade, nine curved fox tails for the crossguard, large orange and white gem embedded in the rainguard, longer black handle, and four large orange fox heads with orange gems for eyes and in their mouths and a large orange and white gem on the bottom of the orange fox heads for the pommel, she has on her new large gold cuff Bracelets of the Champions of The Universe with orange gems on her wrists, new large gold Belt of Elemental Bravery with a gold fox head with orange gems for eyes and a large orange gem in its open mouth for the belt buckle, large rainbow-colored leather and gold metal bound Elemental Spellbook of Harmonious Justice, Eternal Harmony, and Equestrian Peace on her left hip and Eater of Sins revolver holstered on her right hip. There's a white kanji below the nine-tailed fox that said, "Hime, 115 Year-Old Kitsune Ninja, Official Mascot for Crunchyroll, Older Sister of Sudachi, Owner of Yuzu, Expert of Modern Trends in Anime, Video Games, Music, and Pop Culture, Expert of Multiple Languages, Loving Future Wife and Guardian Angel of Lincoln Loud, Slayer of Evil, Deranged, Murderous, Ruthless, and Sadistic Bastards, Amazing and Powerful Student of Amazing and Powerful Teachers, Emissary of Inari, and Master of Foxes, Kitsunes, and Fox Fire"

姫、115歳のキツネ忍者、クランチロールの公式マスコット、須田地の姉、ゆずの所有者、アニメ、ビデオゲーム、音楽、ポップカルチャーの現代トレンドの専門家、多言語の専門家、愛する未来の妻と守護天使リンカーンラウド、スレイヤーオブイービル、狂った、殺人、冷酷、そしてサディスティックな野郎、驚くべき強力な教師の驚くべき強力な学生、イナリの使者、そしてキツネ、キツネ、フォックスファイアのマスター

Hime has transformed into SUPER ANGEL ETERNITY INFINITY KITSUNE ORANGE FOXFIRE ANGEL OF NINJITSU JUSTICE AND ORANGE FIRESTORM LOVE!

We were amazed by Hime's Super Angel Eternity Infinity transformation, and when Lincoln saw her, he had an atomic red blush on his face and hearts in his eyes. But, when Alcina Dimitrescu and Evil Luna saw it, Evil Luna fell into a rage and fired a blast of dark magic at her, but Hime dodged it, and she fired a powerful blast of orange energy with foxfire and foxes at Evil Luna, and it hit her, and she destroyed The Dark Demon Moon of Baphomet, and Hime also fired another blast of orange energy at Alcina Dimitrescu, and it hits the vampire aristocrat, and it angered her so badly, she transformed her fingernails into huge deadly claws.

Nico: Whoa, Hime's transformed, this is going to be so awesome.

Me: And those monsters are both going to pay for everything they've done.

Lincoln: Wow, Hime, you look beautiful, how do you feel?

Hime (Crunchyroll): (Divine Echoing Cosmic Voice of The Firestorm Kitsune and Divine Love) I feel incredible, Linky. Now, shall we deal with these two evil monsters?

Lincoln: (Smiles) With pleasure, Hime.

Lincoln unholstered his massive Hinon's Cosmic Storm Sword of Universal Hope, Elemental Bravery, and Unbreakable Eternal Bonds from his wider and muscular back, and transformed into Super Angel-Ebonwu-Thunderbird Eternity Infinity Elemental Thunderbird Buffalo Angel of Universal Justice and Elemental Hope, and he joined Hime.

Lincoln: (Divine Echoing Cosmic Elemental Voice of Universal Justice and Elemental Hope) Your days are numbered, Alcina Dimitrescu and Evil Luna.

Hime and Lincoln went after Alcina Dimitrescu and Evil Luna, who tried to attack them with blasts of magic from Evil Luna's horn and Alcina Dimitrescu trying to slice them with her fingernails, but they dodged them, and they fired powerful blasts of rainbow energy, green energy, dark magic, Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, Magic, rainbow flames, rainbow crystals, Buffalo, Thunderbirds, Phoenixes, Angels, and Foxes at Alcina Dimitrescu and Evil Luna, and they exploded with incredible power as they hit them.

Then, Lincoln slashed off Alcina Dimitrescu's huge fingernails as she screamed in agony, and then, he grabbed her by the neck and as she saw his canines elongate into fangs, her eyes widened in horror, and he sank his fangs into her neck, and the cure he'd injected into her through his fangs destroyed the virus inside her, and he began drinking her blood, and she suddenly shriveled up and she turned into a withered mummified husk. Then, after he was done feeding on her, he sent her body flying into the air and he fired a black energy blast and gave her the Black Gates, erasing her for good, and he went to help Hime deal with Evil Luna, and Lincoln and Hime summoned their siphon devices on their Bracelets of The

Champions of The Universe, and they used them on Evil Luna and they sucked out all of her powers and made her completely powerless. Then, they fired black energy blasts and gave Evil Luna the Black Gates and erased her for good. We cheered wildly for what Lincoln and Hime did as they holster their massive greatswords on their backs and power down, and Hime's new body, clothes, weapons, jewelry, massive orange angel wings, massive orange nine fox tails, and orange fox ears are permanent.

Hime: That'll teach you two monsters. Thank you for helping me with destroying Alcina Dimitrescu and Evil Luna, Linky.

Lincoln: (Smiles Warmly) You're welcome, Hime.

Suddenly, Hime wrapped her arms around Lincoln's thick muscular waist, as her chest was pressed against Lincoln's massive and wide muscular pecs, which brought an atomic red blush to Lincoln's face, and he wrapped his abnormally massive and powerful muscular arms around her waist and he brought her into a hug, which took her by surprise and brought an atomic red blush to her face. Then, as Lincoln leans down to Hime's face, they kissed passionately as Hime placed her hands on Lincoln's massive and wide muscular pecs, and behind them was a Thunderbird, Phoenix, and Angel flying in the air, and we also saw a nine-tailed fox and herd of Buffalo running across the field, along with elemental forces and creatures of the night flying around the place and we cheered for them.

We went back home to The World Tree Estate, and back in their demonic castle, Douglas Griffin saw what Lincoln did and foiled his latest scheme again, and it pissed him off so badly, his red eyes turned blood red with insane rage and he flew into an insane rage, and we heard it from the World Tree Estate. Grace covered Nanua's ears when that crazy warlock screamed in insane rage.

Lincoln: (Smirks) Serves you right, Douglas Griffin.

Selene Slytherin: Indeed, and later on after our mission, you and I are going to deliver that insane warlock his punishment, right Linky?

Lincoln: You said it, Selene, and he's going to regret messing with

us.

Nico: But, you know what this means: now that you've killed Alcina Dimitrescu, her daughters are going to be wanting revenge on you, Lincoln.

Lincoln: You're right, Nico. But, I'd better take care of that little problem before they even dare try anything. DIMITRESCU GENOCIDE BLAST!

Lincoln fired massive rainbow energy blasts, which traveled to Castle Dimitrescu, and they soon hit Alcina Dimitrescu's three daughters, Mother Miranda, along with all of the other members of Mother Miranda's cult and Alcina Dimitrescu's army of Lycans and all of them were obliterated and were sent to The Black Gates and were erased for good, and Castle Dimitrescu was also destroyed forever.

Chris Redfield: Excellent job, Lincoln. Now, we're finally rid of Mother Miranda's cult and Ethan's death has been avenged.

Lincoln: And I've also angered and pissed off The Church of Necrom even more with what I just did.

Nicholette Torrington: You sure did, Linky, but you knew it had to be done: Alcina Dimitrescu is one dangerous vampire aristocrat, and the same can be said of her three evil daughters, Mother Miranda, and the members of Mother Miranda's cult.

Nico: You said it, Nicholette.

We soon heard the roars of insane fury coming from the distance, and it meant Damian Alaister and The Church of Necrom saw what Lincoln also did, and they're now even more pissed off even more.

Nico: (Smirks) You just pissed them off even more, big guy. But, I can guess they're not done yet.

Lincoln: Far from it, Nico. (Smirks) But, it's always awesome to hear them roar and scream in insane fury at seeing their plans being foiled one by one.

Me: You said it.

---

We were getting ready for Kopaka's 3rd Ambassador Mission.

Maria: May, how did you enjoy your birthday yesterday?

May: It was so awesome! We all had an amazing time!

Me: I'm glad you like it May.

Lori: (Eating mushroom steaks) Man J.D. this is so delicious. Those mushrooms are literally awesome.

Me: Glad you like them Lori. We're going to add Mushroom steak burgers and items like that with mushrooms to the menu at Lynn's Table.

Nico: Not a bad idea.

Laney: It sure is.

Leni: I think it's totes a great idea.

Me: Well we agreed to have Moonstone come with too.

Laney: Yeah we did!

Lincoln: Can me and my siblings come with too?

Emu snickered.

Marcus Damon: Awesome to meet you too. I'm Marcus Damon.

Marcus's Agumon: And I'm his Agumon.

Emu: Wow awesome to meet you all.

Hiiro: Guys, this is my father. He's the director of the hospital.

Haima Kagami: (Bows) An honor to meet you all.

Me: (Speaking in Japanese) 鏡灰馬お会いできて光栄です。知り合いになることを楽しみにしています。(Haima Kagami it's an honor to meet you and it's a pleasure to make your acquaintance.)

Haima Kagami: You too J.D.

Nicole: Also Hiiro you are going to get a kick out of this one. Lincoln and his family are all in a video game themselves.

Hiiro: Really?

Me: We're not kidding.

Nico: Yeah Lincoln and his siblings are now in Super Smash Brothers Ultimate.

Me: We are still reeling after that. It was an incredibly powerful shock that surprised us 3 years ago.

I told them everything.

Everyone: WWWWWWWHHAAAAAAAAAAAAAAAATTTTTTTTTTT!?

Emu: Are you serious!?

Me: We are.

Nico: It was a huge shock.

Me: But something is telling me that Haima came to tell us something.

Haima Kagami: I just wish we could've met under better circumstances.

Marcus: (confused) Why's that?

Haima Kagami: (sighs) The Bugsters are planning to have Kamen Rider Chronicle make a comeback.

Data Squad Agumon: SAY WHAT?!

Haima Kagami: (turns on TV) See for yourself.

We saw that it was true! Kamen Rider Chronicle was coming back!

Nicole: Not on our watch.

Me: We got to stop it now.

Kuroto: (scoffs) A new and improved Kamen Rider Chronicle game? I don't think those in Gotham Royal York will be stupid enough to buy that. Literally!

Taiga: We just got everyone back! If that game comes out again, it's gonna undo everything we've fought for.

Nico: Don't worry we made sure that won't happen again.

Me: Yep. After I resurrected everyone killed by that accursed game, I put a spell on them to make sure it doesn't kill them. And their names have been terminated from the roster.

Nico: Good.

Me: We're not going to let those monsters get away with this.

Eli: Now it's personal.

Emu: Thankfully, it's not out in stores right now. We just need to destroy the truck transporting said games.

Haima Kagami: Meanwhile, I'll represent the CR and tell everyone not to buy the game. Hopefully, it'll go better than last time.

Me: Great.

Eli: And I think I see the truck coming.

We saw the truck delivering the games.

Laney: Can I do it?

Me: Go for it Laney.

She fired an energy blast and it hit the truck and obliterated it completely.

Nico: Nice shot Laney!

We went to the truck and saw the games on the ground.

Moonstone: The games are scattered across the ground. But I bet the driver of the Truck is a Bugster who just revived.

Kopaka and Emu: Henshin!

They transformed and were ready!

We then saw COLLABUS BUGSTER!

Nico: Collabus Bugster!

Me: This is gonna be awesome.

?: Then you have the honor of facing me too.

A girl came out and it was a familiar face. It was MEDIC from Kamen Rider Drive!

---

The **Medic Roidmude**, otherwise known as just **Medic**, and originally designated as **Roidmude 009** is a major antagonist in *Kamen Rider Drive* . She is a female Roidmude, a robot who possesses the capability to "evolve" and become more human, and holds the ability to heal injured Roidmudes. Prior to becoming an Advanced Roidmude, she was a low-class Cobra-Type Roidmude.

She is a very heartless woman, a symptom caused by her using her healing powers. When she heals, she takes in the negative emotions of the Roidmudes, making her much more cold.

She was portrayed by Fumika Baba.

6 months prior to the start of the series, Roidmude 009 was among the Roidmude combatants that made their attack during the Global Freeze. After assuming a human form based on a woman named Misuzu Hatori, she evolved into the Medic Roidmude and gained her healing powers, which she used to heal Misuzu.

However, Medic was placed in a coma due to her healing powers being rendered powerless when she healed some of the Roidmudes, including Heart. It took Volt Ghost's attempt at a Dark Christmas Eve to revive her back to consciousness. However, Misuzu's recovery was only at 50%, leaving her unable to walk and making her mute.

Medic was first seen by Drive and Mach when she arrived to retrieve the Gunman Roidmude's Core after it was destroyed. She also said hello to Krim Steinbelt, now Drive's belt.

She later reappeared to spirit Chase away from Drive and Mach after the latter destroyed the Cores of both the Gunman Roidmude and Roidmude 018.

When Chase regained his memories, Brain deemed him a threat and attempted to eliminate him, but Heartstopped him and instead let Medic have her way on fixing Chase instead. Upon Roidmude 096's destruction, Medic, Brain and Chase attacked the riders again. When Brain got heavily injured by Mach, Medic called for a retreat.

Medic later founded Reaper Legion, a new division of half-evolved Roidmudes altered by Medic to assume the Grim Reaper's task and eliminate rogue Roidmudes, as Chase can now no longer attack Roidmudes due to his new programming, which changed his objective of protection from 'humans' to 'Roidmudes'. Instead of destroying the rogue Roidmudes forms and resetting their cores, she and her Reapers would secretly eliminate their Cores, believing that these 'defective units' would get out of the line again no matter how many times they have been reset. The newly formed legion's first hunted for Roidmude 072 and promptly destroyed him.

Drive objected to her new way of doing things as the new Reaper, calling her more of a demon and assuming Type Dead Heat to vent his anger from seeing Roidmude 072 destroyed. After assuming Dead Heat Flare, he initiate a Dead Heat Drop and injures her, calling forth her true Roidmude form, much to her disgust. Medic later escapes by using her Reapers to cover her.

Medic and the other Roidmudes later staged a plan to defeat Drive. They started by eliminating human templates that past Roidmudes used as their human disguises. Knowing that the Shift Cars would mobilize, they were captured and brainwashed by Medic to be Chase's assistants. While Heart delayed Mach, Chase confronted Drive, and overpowered him with the enslaved Shift Cars.

However, the plan failed thanks to Shift Formula's interference, saving Drive, Kiriko and the Shift Cars as he overpowered Chase. Having failed in the plan, she ordered the corpses to kidnap Kiriko and brought her to Chase, until Mach interfered, calling him a coward for toying with people's lives. Medic appears and agrees with Mach, but felt curious about Chase's reprogramming as one of the Reaper Legion attacks the Rider. Later, she ordered Chase to attack after being informed that Brain had weakened Chase's firewall. Medic revealed to Brain that she increased Chase's destructive impulse at max level, meaning that she can order Chase to kill anyone that she wants, before freeing him.

When Brain was defeated with his Core surviving, Medic put off restoring Brain's body, leaving him stuck as a Core following her around.

Medic began to experiment on the Super Evolution state of the Roidmudes, using Cook Roidmude to induce, which resulted in several losses. Her experiment was later exposed by Heart, as he aware about her hurting friends, particularly the murder of 072.

In the midst of being nearly-killed by Dead Heat Mach's Rider Kick attempt, Heart came in to save her and unveils his Super Evolution form. After days of disappointment with Brain, she restored his body just before Roidmude 006 came in to inform them about Tornado Roidmude's death and his possible intention to achieve Super Evolution, leaving only one left to attain it soon.

Medic watches the investigation on the hospital from faraway as the plan comes in. Brain is curious of what she plans but Medic forces him to take care of her pet dog. She later disappoints that her plan goes slowly. Brain protests his cooperation to Medic again and getting turned into a Core as a punishment. Banno appears and forcefully attaches himself to Medic. Despite the Banno Driver-controlled Medic overpowering Mach and is about to kill, the Super Evolved Heart dashed in and removed Banno from Medic. Medic turns Brain back to normal and orders him to bring her dog away. Later, she chokes Kazuya and asks him about Misuzu until Drive Type Tridoron frees him. Drive theorizes that Medic wanted Misuzu so that she can evolve using her love emotion. Medic's dog approaches Misuzu, awakening her and simultaneously turns Medic as an open target. Chase tries to kill her but Drive stops him.

An untransformed Shinnosuke peacefully asks her of what happened. At first, everyone thought she is undergoing another inhumane experiment but Shinnosuke realizes that all she wants is to awaken her in order to achieve Super Evolution. After Gold Drive and Brain showed up as Banno possessed 006's husk to transform into Gold Drive before easily defeats Drive and Chaser, she agreed to his offer for help. She later awakens in Banno's Lab, as Gold Drive had finished throwing away the impurities in her heart, now allowing her to achieve Super Evolution based on her love emotion without any resistance. After the dog passes by and arrives on Misuzu, she finally achieved her Super Evolution form and defeats Dead Heat Mach and Chaser.

She was later reprogrammed by Gold Drive and turned her into a puppet, much to Heart witnessed her actions and getting dismay. Gold Drive orders Medic to capture Brain to complete the gathering of the Promised Number, but in the middle of the battle (while the Riders fight the Reaper Legion), Brain secretly implants something on her back before she retreats.

With Brain later "surrendered" and his participation to occur the second attempt of the Global Freeze, all Four Super Evolved Roidmudes and Roidmude 004 went to the Promised Land to activate the Sigma Circular. But after activation, Sigma's energy directs her as a sacrifice as part of Gold Drive and 004's plans, revealing that the latter implanted a modified target program to ensure for her "death". However, Brain using his manipulation to transfer the programming within her to him instead, saves her but putting his own life in jeopardy. After Brain dies, she and Heart turn on Banno to avenge their fallen comrade.

After being spared by Dead Heat Mach from Banno's trap in lakeside, Medic and Heart arrived at the SSDC headquarters and saved Go from Gold Drive's near-death attack as they sides with the Kamen Riders. Leaving Mach and Chaser battle against Banno in a parking level, the three proceeded to Sigma's hideout. Medic alongside Drive and Heart fought and defeated the remaining three Reaper Legionnaires, Medic tried to save their Cores but they instead exploded. She soon realized that she had lost that ability ever since she woke up, hinting it as Banno's final trap. As the second Global Freeze has taken action and Sigma evolved, she was left behind and being weakened. As Sigma is about to kill Shinnosuke, she finally arrives as her body disintegrates but in her final moments, Medic's Core assumes the form of the goddess she was from the first Global Freeze, healing Shinnosuke before evaporating.

Shuriken Sentai Ninninger Vs. Kamen Rider Drive Spring Vacation One-Hour Combining Special

When Roidmude 089 hosted a brief alliance with the remnant terrorist organization, Shocker, as well as the Kibaoni Army Corps from a parallel Earth, Medic told Brain to calm himself when he voiced his offense and contempt for the Youkai page Kyuemon Izayoi, when he rejected Heart's friendship. Heart noted that from the humans' point of view the Roidmudes would indeed appear to be monsters. Later on, at their hideout, Medic believed Brain was being 'silly' again when he alerted Heart to a giant robot which he saw charge past the window, with her and Heart having missed the sight as the Ninningers set off to fight Kyuemon's Giant Roidmudes.

Me: Medic!

Nico: Wow!

Medic: Amazing to see you again J.D.

Laney: Wow I love your Ballet outfit.

Medic: Thanks Laney.

Me: I forgot to tell you this while me and May were over helping Shinnosuke and the Drive Kamen Riders but you look very reminiscent to the Black Swan for the Swan Lake ballet.

Medic: I'm glad you think so J.D. Coming from you that means a lot.

Me: (Smiles) Glad I can give you a great compliment.

Emu: You're supposed to be dead!

Medic: Oh please. No one truly stays dead if they're not hit with the Black Gates.

Kuroto: (laughs) Oh, I get it! (to Emu and the others) All of you are doctors and her name is Medic, which refers to a medical position!

Nico: That is a very awesome and very coincidental assumption.

Me: Yep and Medic is an awesome healer too.

Medic: I'm glad you like how I dance.

Laney: The Swan Lake Ballet is one of my all time favorite ballets.

Luan: And the Swan Princess which is based off of that is the very battle we did to first test out our simulator too.

Nico: I heard all about that.

Medic: That is really cool.

Me: Medic instead of working for the Heart Roidmude how about you work for the Masters of Evil? They would be more than willing to treat you with kindness and respect.

Medic: I would like that.

Me: And you did redeem yourself by saving Shinnosuke's life so that makes you qualified for the Redemption Squad too.

Nico: Yep.

Emu: (to Medic) Now, you've just forced one of us to use a super mode!

Hiiro: You do it, Emu. My turn with a super mode might come next time.

Emu: Right! Time to go Muteki Gamer!

Docking! Bakkān! Mu~te~ki~! Kagayake! Ryuusei no gotoku! Ougon no saikyou gamer! Hyper Muteki Ex-Ai~d!

Nico: YEAH!

Me: This is gonna be good.

Laney: Mind if I face Medic while you guys all face the Bugster?

Nico: Go for it Laney.

Laney formed her Scythe and she went Super Angel Infinity.

Laney: (Divine Echoing voice of Nature and Love) **This is gonna be so awesome.**

Medic: It sure is.

She turned into her Roidmude form!

Laney: **Yeah!**

Me: Lets get them!

Emu: I'm gonna clear this with no continues.

Kuroto: I'm gonna clear this WITH continues! (gestures to the scattered games) But not with those games.

Nicole: As Goddess of Video Games, you are going to be sent to Tartarus!

We went at him and punched and kicked him all over.

Laney deflected energy blasts from Medic all over and then she slashed the ground and waves of leaves and flowers went at her and blew Medic around in a tornado.

Laney flew at her and cut her all over the place and smashed her down.

Medic got up.

Medic: You have amazing power Laney. These last 6 year have really been fruitful to you.

Laney: **All the benefits of training and learning so much under awesome teachers. As well as helping my brother look out for an awesome harem and awesome sisters and brothers.**

Medic: You are a good sibling to your family.

Laney and Medic clashed and Medic fired a wave of energy and Moonstone came and fired energy blasts too and the blasts collided and exploded!

KRABBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOMMMMMM

Medic: Emu's just as devoted to fighting for justice as Shinnosuke.

Moonstone: He's extra determined today because you pretty much are participating in a plan to get those video games to erase a certain part of humankind.

Medic: (laughs) Oh please. I could care less about the games of those Bugsters.

Laney: **That's good you don't care about them. Bugsters are like a nasty computer virus and they need to be deleted and destroyed.**

Medic: You can say that again.

Collabus Bugster: (to Medic) Hurry up and kill her already!

Taiga: (grabs him by the throat) While you keep yelling at your so called partner, we'll be killing YOU.

Me: And besides. She has no interesting in you!

Emu: J.D. would you like to finish him?

Me: With pleasure!

I went at Collabus Bugster.

Me: DRAGON FIST!

I flew at Collabus Bugster and then formed an energy dragon on my fist and then I plowed through the Bugster with incredible force and the dragon roared and then he exploded!

KRABBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

HE WAS DEAD!

Nicole: Game Over pal.

Nico: Collabus Bugster you have failed this city!

Emu got a hold of a game. And then, remembering the pain it caused, broke it in half.

Nico: This game is a weapon of murder and genocide.

Medic: I agree there.

Me: But you gave Laney an awesome battle.

Laney: But unfortunately I already have Bane as my archenemy.

Me: I'm sure there is someone that is more than capable of matching up to your standards.

Medic: I agree. Thank you.

Medic teleported to the M.O.E. HQ in a vortex of flowers.

Ren Amagasaki was watching this from his office.

Ren Amagasaki (smirks): Laugh now, Kamen Riders. Because I have something LOVELY planned next time.

He was really up to something devious.

We later returned home.

May: Hey guys. How did it go?

Me: Really awesome.

We told everyone everything and it was so awesome.

May: Cool! So Medic from Kamen Rider Drive is now in the M.O.E. That is awesome.

Me: It sure is. And she gave Laney an awesome battle.

Laney: She is a really awesome dancer and has an awesome dress.

May: I said the same thing about her looking like Black Swan.

Nico: That is so cool.

William: Next time, Mikey Kudo and Shoutmon should go with you.

Mikey Kudo: Cool! It'll be awesome to see the Kamen Riders.

Nico: It sure will. And J.D. we'll meet the Zi-O Kamen Riders tomorrow and the Day After tomorrow too.

Me: Right because we have the 31st of May and the 1st of June.

Laney: Wow!

We were paying respects to the great heroes of the United States Armed Forces for Memorial Day. We were over in Washington D.C. paying our respects.

Dragon: Julie, while we're celebrating Memorial Day right now, why don't you, your friends, and Irena explain your backstories.

Julie Carolina: I would be honored to have them explain.

Kita Birmingham: (British Accent) Well as you may know I'm from London.

She is from London and she has a big love for all creatures for the ocean. She is a marine biologist and knows everything about fish. She came from a rich family. But her family made a huge number of enemies and even mafia men. But thankfully INTERPOL and Team Loud Phoenix Storm brought them to justice.

Nico: Wow that is amazing!

Natalia Somonmenchikova: (Russian Accent) That is amazing but here's my story.

Natalia is from Russia and she is very loving of nature and she knows so much about plants and everything. She came from a rich family in Russia that gives food to the poor. Natalia is the gene slammer of a Lunanian Werewolf. They are werewolves from the planet Lunan XII in the Sombrero Galaxy.

Evelyn Burmingham: This is my awesome story.

Evelyn is from New York and she is an Ornithologist and she knows everything about birds. She was turned into a Celtician Dryad from the planet Celtica in the Unknown Zone and they are wood creatures that have the power to control nature and plants and even communicate with animals. She also omes from a very rich family that is a very powerful family that is one of the best known stock brokers in the city.

Irena Malloy: Here is my story and it's awesome.

Irena was slammed with Lepidos, a Lepidopterranian from the planet Lepidopteras and she turns into Flutterstorm as her superhero name. She was also from a very rich family that makes amazing candy bars. They are one of the wealthiest families ever.

Nico: Cool!

Julie Carolina: And here's my story.

Julie Carolina is one of the Underground City Girls that was able to control her gene-slammer form. She is a gene-slammer for a Symbiote race called the Nombyiote. Benevolent versions of the Symbiotes. Julie came from a very wealthy rich family that was known for making awesome computer games and they are really rich.

Nico: Wow! All you girls are filthy rich.

Natalia Somonmenchikova: Yes we are.

Me: That is awesome.

Skunk: One thing's for sure. You girls did a good thing controlling your gene slammed sides.

Nico: They sure did Skunk.

Kita Birmingham: Yes it was a good achievement for us too.

Me: It was. But you girls have been through a lot.

Irena Malloy: We sure have.

Mindwipe: Damn, a lot of good people died for this country.

Me: In many wars. They fought bravely for the security, safety, future and honor of our country.

Nico: Lets have a moment of silence for them all.

We took off our hats and put our hands on our chests and honored them all.

They will never be forgotten and more.

Cosmos: We're going to honor their sacrifice. By protecting America and the rest of the Multiverse.

Me: And beyond.

Laney: That is right.

Lola: And it will always be awesome.

Nico: Yes it sure will.

Later we were back at the estate.

Flamewar: Maxxine, you do know that when you and Nico meet up with Sougo and Geiz, you guys are gonna be up against twisted versions of the Kamen Riders we know and love, right?

Maxxine: Yes I am well aware of that Flamewar and I'm really excited to take them down.

Me: Me too. This is gonna be so awesome.

Nico: It sure will be awesome.

Me: And so far our strategy is working perfectly. Clyde and Syd must have the Timejackers REALLY Pissed off to the point where they want to trash everything in their home like how Lumpus did over laundry.

Slinkman: Now that would be a very amazing sight to see.

Nico: (Laughs) Yeah it sure will be cool.

Eli: (Laughs) Yeah.

Nico: But anyway it's time we go on our next mission. I have just the awesome mission for us too.

Lana: What is it?

Nico then held up a DVD for the 2013 movie The Lone Ranger.

Nico: We're going to meet the Lone Ranger and help him take down the Cavendish gang.

Me: Cool! That was an awesome movie from back in my dad's childhood.

Nico: It sure was! But this movie the 2013 movie was a bomb.

Me: Because of those blockhead critics. I thought it was a great movie.

Lana: Me too!

Then Amora, Shendu, Selene, Webstor, Angel, Red Ghost, Skalamander, Rich Texan, Steam Smythe, and Black Adam appeared.

Amora: Can me, Shendu, Selene, Webstor, Angel, Red Ghost, Skalamander, Rich Texan, Steam Smythe, and Black Adam go with you all?

Nico: Yes you all sure can. We're going to meet the Lone Ranger.

Rich Texan: YEEHAW! (SHOOTS GUNS) I love the Lone Ranger. Been one of my favorite shows back when I was a kid.

Me: That was a great show back then.

Nico: Yeah it was!

Storm Shadow: Nico, which Gene Slammer do you think you'll meet on your next rescue?

Nico: Well I heard you guys talking about wanting to see if there are any Skylander Gene-slammers out there so I want to one for Whirlwind's kind next.

Whirlwind: Wow! A Unicorn Dragon Gene-Slammer. That will be awesome!

Nico: It sure will.

Me: This will be really interesting. And I think Skylander Gene-slammers would be an awesome addition too.

Laney: Yeah.

Nico: Well first we'll watch the movie and then head out to Texas.

Eli: You got it.

We got to watching the movie.

---

In 1933, at a San Francisco funfair, a boy named Will who idolizes the legendary Lone Ranger encounters the elderly Comanche Tonto, who proceeds to recount his experiences with the Old West adventurer.

In 1869, lawyer John Reid returns home to Colby, Texas via the uncompleted Transcontinental Railroad, managed by railroad tycoon Latham Cole. Unknown to Reid, the train is also carrying Tonto and outlaw Butch Cavendish, who is being transported for his hanging after being captured by Dan Reid, John's Texas Ranger brother. Cavendish's gang rescues Butch and derails the train. Tonto is subsequently jailed. Dan deputizes John as a Texas Ranger, giving him a silver star badge that had belonged to their late father, and with six others they go after the Cavendish gang. Cavendish's men ambush and kill their pursuers while Cavendish slays Dan with his dagger and devours his heart as revenge for his imprisonment. Tonto, who has escaped from jail, comes across the dead men and buries them. However, a white spirit horse awakens John as a "spirit walker", and Tonto explains John cannot be killed in battle. Tonto also tells him Collins, one of the Rangers, betrayed Dan and is working with Cavendish. As John is thought to be dead, he wears a mask to protect his identity from enemies. Tonto gives John a silver bullet made from the fallen Rangers' badges and tells him to use it on Cavendish, whom he believes to be a mystical beast called a wendigo.

At a Hell on Wheels brothel Collins recently visited, Red Harrington informs the two about Dan and Collins' fight over a cursed silver rock. Meanwhile, Cavendish's men, disguised as Comanches, raid frontier settlements. John and Tonto arrive after raiders abduct Dan's widow and son, Rebecca and Danny. Regretting his earlier actions, Collins attempts to help the mother and child escape, but is shot dead by Cole, who rescues them. Claiming the raiders are hostile Comanches, Cole announces the continued construction of the railroad and dispatches US Cavalry Captain Jay Fuller to wipe out the Comanches. A Comanche tribe captures John and Tonto after the pair finds railroad tracks in Native territory. The leader tells John of Tonto's past: As a boy, Tonto had rescued Cavendish and another man from near-death and later showed them a mountain full of silver ore in exchange for a pocket watch. The men murdered the tribe to keep the location a secret, leaving Tonto with great guilt which led to him believing the two were wendigos.

Tonto and John escape as the cavalry attack the Comanche. At the silver mine, the duo captures Cavendish. Tonto demands John use the silver bullet to kill Cavendish, but John refuses. Upon returning Cavendish to Cole and Fuller's custody, Cole is revealed to be Cavendish's partner and brother. Fuller, fearful of being labeled a war criminal for slaughtering the tribe unprovoked, sides with Cole. Rebecca is held hostage, and John is returned to the mine to be executed. Tonto rescues him and the two flee. Realizing Cole is too powerful to be taken down lawfully and regretful since his arrogance in ignoring Tonto led to the mass slaughter of the Comanches and the kidnapping of his loved ones, John dons the mask again.

At Promontory Summit, during the railroad's union ceremony, Cole reveals his true plan: to take control of the railroad company and use the mined silver to gain more power. John and Tonto steal nitroglycerin and use it to destroy a railroad bridge. With Red's help, Tonto steals the train with the silver, and Cole, Cavendish and Fuller pursue him in a second train on which Rebecca and Dan Jr. are being held captive. On horseback, John pursues both trains. After a furious chase and fights on both trains, John kills Cavendish and Fuller, and rescues Rebecca and Dan Jr.. Tonto hands back Cole the pocket watch he kept for all those past years, before the train drives off the destroyed bridge, drowning Cole underneath all the silver.

The town recognizes John as a hero and offers him a law-enforcement position, but John declines and rides off with Tonto. Back in 1933, Will questions the truth of the story, to which Tonto gives him a silver bullet, tells him to decide for himself and leaves in the form of a crow. Inspired, Will puts a mask over his face.

When the movie was done we were heering wildly!

Nico: YEAH!

Me: Now that was so fun!

Eli: Yeah it was!

Steam Smythe: Shall we get going?

Nico: Yeah lets shall.

Me: But first…

I spun around and I was in my cowboy gear!

THE GOOD THE BAD AND THE UGLY THEME PLAYS!

Me: (Cowboy Accent) Lets ride up and go get us some no good dirty outlaws!

Applejack: YEEHAW! This is gonna be so fun!

Nico: All right! But J.D. you got to law off the Cowboy Movies.

Suddenly, Lincoln's deep sapphire blue eyes and the rainbow colored iris of Lincoln's Third Eye glowed even more, as he sensed a dark energy signal with his eyes and the Force, and he saw who the figure is in the vision: it was none other than Douglas Griffin, and he's coming to kill us for revenge for ruining his schemes, and he's now major leagued pissed off. When we saw it, we knew it meant trouble.

Nico: Uh oh, I know those glowing eyes from anywhere. Lincoln, is Douglas Griffin on the move?

Lincoln: That's right, Nico, and he's coming to kill us all for revenge for ruining his schemes, and he's major leagued pissed off.

Selene Slytherin: So, Douglas Griffin's finally on the move? Perfect, now, we have our chance to stop him once and for all.

Lincoln: That's right, Selene, and he's going to regret messing with a true user of magic and the dark arts.

Nico: That's right, Selene's the descendent of Salazar Slytherin, and she's an expert at using magic, while Douglas Griffin's been messing with the dark forces, and as a result, he's been driven insane, like the rest of the Church of Necrom.

Eli: I hope Selene turns him into a slug.

Lincoln: He sure is a total slimeball, Eli, but we'll just settle with imprisoning him just like what we had done to Jocasta Belladonna, Jezebel Lanira, Ianira Dormund, Edana Baudelaire, Drusilla Draven, Chandra Mortlake, Adrienne Hawthorne, Nigel Alaister, Cary Blakewell, and Nigel Tinuviel.

The Dark World black tarot box Nicholette had in her hands shook as Jocasta Belladonna, Jezebel Lanira, Ianira Dormund, Edana Baudelaire, Drusilla Draven, Chandra Mortlake, Adrienne Hawthorne, Nigel Alaister, Cary Blakewell, and Nigel Tinuviel screamed in insane rage.

Nico: Sheesh, they're still getting major leagued pissed off.

Lincoln: Let them, besides, they'll get their just desserts when we bring them to justice in court, and we've been thinking about what Kangor said, along with the two really horrifying revelations about them that we heard from Sonnya yesterday, we've been thinking that imprisoning them is too light a sentence for them. In the six years after the dark ritual they did, they murdered tens of thousands in ten states in a multi-state killing spree, and their souls can't rest in peace.

Me: You're not the only ones thinking about that, Lincoln.

Nico: We've also been thinking the same thing, and it proves everything that we've been told about them, they have no love or humanity, no sense of decency, no rules, and no limits, they need to be destroyed for good, and once they've been taken to court, you guys are thinking they'll get sentenced to death.

Lincoln: That's right, Nico, that's the whole plan: take them alive and get them convicted in court, and then, we'll get justice for those they've killed, and if it ends with all of them getting sentenced to death, then, let me and The Dark World Goth Girls be the ones to kill them.

Nico: Alright, Lincoln, you and the Dark World Goth Girls got a deal.

With that we were off to Colby, Texas! We got on our Rapidash and we were off. YEEHAW!

---

COLBY, TEXAS

---

We arrived in Colby, Texas.

Caitlyn: Here we are!

Sandy Cheeks: YEEHAW! We're in my home turf.

Me: Well I'll be more excited than a wolverine eating a bobcat!
